For the founding of this Institution a debt of gratitude is due by the people of this Province to the late William Murdoch, Esq., who died in London in 1867, having a few years previously taken up his residence there, after a long, useful and successful life as a merchant of this city. In his will he bequeathed, in addition to various other charities, the munificent sum of £5,000 N.S. Cy., towards the endowment of an Asylum for the Blind, on condition that a suitable building would be secured at a cost of not less than £3,000. An amount was raised by subscription shortly after his decease, sufficient for this purpose, and an eligible site having been procured gratuitously from the City on the South Common, arrangements were at once made, and a suitable brick building was erected, capable of accommodating about 40 pupils.

As the Report of the Directors, lately submitted at the Annual Meeting is annexed, it is unnecessary to make further remarks than to express the hope that the blessing of God may attend this institution, and that it may do all the good that the benevolent founder had in view in his kindly endeavours to increase the happiness and usefulness of this hitherto neglected class of our fellow beings in this Province.

Halifax, January, 1872.

An Act to Incorporate the Halifax Asylum for the Blind.

(Passed the 7th day of May, A. D. 1867.

5. City may convey lands, &c. 6. Managers shall report to Gov-

ernor in Council.

Whereas it has been proposed that an institution for the reception, maintenance, and education of blind persons, should be established in the city of Halifax, and it is desirable that such institution should be founded and carried on by individual enterprise and voluntary association.

Be it enacted by the Governor, Council, and Assembly, as

follows:

1. When it shall be made to appear to the satisfaction of the Governor in Council that not less than twelve persons have associated themselves for the above object, and have subscribed the sum of twelve thousand dollars, and paid thereon into the hands of the treasurer, by them appointed, the sum of two thousand dollars, the Governor in Council shall, by proclamation, declare this act to have come into operation, and thereupon immediately thereafter, such persons, and all such other persons as shall from time to time become associated with them, their successors and assigns, shall be and are hereby incorporated into a company, and declared to be a body corporate by the name of the "Halifax Asylum for the Blind," and by that name shall and may have succession and be capable of suing and being sued, pleading and being impleaded, defending and being defended in all courts and places whatsoever, in all manner of actions, suits, matters, complaints, and causes whatsoever, and may have and use a common seal, and may change and alter the same at their pleasure, and shall be capable in law of purchasing, holding and conveying any real and personal estate for the purposes of this incorporation and none other, which shall not exceed the annual value of ten thousand dollars.

2. For the better carrying into effect the objects of the said incorporation, there shall be annually elected twelve persons, who shall constitute a Board of Managers and have power to conduct and manage all its concerns, the managers to be elected by ballot at an annual meeting of the members

of the society, to hold their office for one year, or until others be elected in their place: the said election to be held at such times and places as the said corporation shall, by their byelaws, from time to time appoint and direct; the aforesaid managers shall be elected by a majority of the members present at such election; and in case of any vacancy or vacancies in the said Board of Managers, by death, resignation, or otherwise, then the said Board shall have power to fill such vacancy or vacancies until the next annual election.

3. The Board of Managers shall, as soon after the annual election as may be convenient, proceed to elect, by ballot, from among their own number, a President, a Vice-President, a Treasurer, and two Secretaries, who shall serve for one year or until others be elected in their room; and the first election of managers and officers shall take place on a day to be fixed by the Governor in Council in the proclamation aforesaid.

4. The Board of Managers, so elected as aforesaid, shall have full power to make such bye-laws as may from time to time be necessary, relative to the management, disposition of the estate and concerns of the said corporation, and regulation of the persons exercising the offices aforesaid, not contrary to law, and may appoint such other agents and servants as may be deemed necessary to transact the business of the said corporation and designate their duties.

5. It shall be lawful for the City of Halifax to transfer by deed, duly executed, to the "Halifax Asylum for the Blind," and either by way of gift or for valuable consideration, any land or hereditaments now vested in the said city of Halifax, either by act of this Province or by purchase, so that the value of such land and hereditaments shall not exceed in the whole the sum of twelve thousand dollars.

6. The managers of the said institution shall, on or before the first day of February in each year, make a full report to the Governor in Council of their proceedings. (From the Royal Gazette.)

PROVINCE OF NOVA SCOTIA.

PROCLAMATION:

BY · HIS EXCELLENCY

Colonel J. A. Francklyn, C. B.,

J. H. FRANCKLYN.

Administrator of the Government, and Commander-in-Chief in and over Her Majesty's Province of Nova Scotia and its Dependencies, &c., &c.

WHEREAS, the provisions of the first section of the Statute of the 30th Victoria, Chapter 50, entitled "An Act to incorporate the Halifax Asylum for the Blind," have been complied with, I do declare the said Act to be in operation, according to the intent and meaning of the said first section of the said Act, whereof all persons will take notice and govern themselves accordingly. And I do hereby order that the first election of Managers and Officers of the Company, by the said Act declared to be a body corporate by the name of the "Halifax Asylum for the Blind," shall take place at the City Council Chamber, in Halifax, on the 27th day of April inst., between the hours of eleven o'clock in the forenoon and one c'clock of the afternoon of that day.

Given under my hand and Seal at arms, in Council at Halifax, this 11th day of April, in the thirty-first year of Her Majesty's Reign, and in the year of our Lord One Thousand Eight Hundred and Sixty-eight.

By His Exellency's command,

W. B. VAIL, Prov. Sec'y.

GOD SAVE THE QUEEN.

Report of the Managers of the Halifax Asylum for the Blind.

The first meeting under the Act of Incorporation, to elect Managers and Officers, was held at the City Council Chamber, 27th April, 1868, since then there has been no annual meeting, as until the present year it was found impossible to get the Institution into operation; it therefore becomes necessary to

report progress from the commencement.

The building was contracted for by Mr. H. Peters, in the summer of 1868, and was completed in the fall of the following year, at a total cost of \$14,027.08. In the following year the fences enclosing the lot and outhouses were erected at an additional cost of \$1068, and \$356.75 were expended in improving the grounds, and it will require further outlay during the next year or two for the same purpose, and for the planting of trees.

The total amount of subscriptions towards the building fund, including a grant of \$2,000 from the Government, was \$15,557.38. The securities for the bequest of the late Wm. Murdoch, Esq., £5,000 N. S. Cy. were handed over by Chas. Murdoch, Esq. in October last, together with the interest due on it, which will enable the Directors to make the total

amount of investments \$24,000 N. S. Cy.

As soon as the building was ready for occupation, public notice was given in the newspapers, and a resolution was passed by the Managers that, as soon as the number of applicants amounted to 5 within the ages of 8 and 18, the Institution would be opened. The Corresponding Secretary was at the same time in communication with similar Institutions in the United States for suitable Teachers, and it was only last spring that he learned from Mr. Chapin, Superintendent of the Asylum at Phildelphia, that he could send a blind female as Assistant Teacher who had been under his instruction for some years, and being thankfully accepted, she arrived here in July, bringing with her such books, &c., as were necessary for a commencement. The Managers are under great obligations to Mr. Chapin for the warm interest he has always evinced and the offer to aid as far as lies in his power.

They subsequently engaged the services of Miss Reynolds as Superintendent Teacher, who was at the time finishing her studies at the Normal School, Truro; also a Steward and Matron in the persons of Mr. and Mrs. Dilworth, who were highly recommended, having previously superintended the Servant's Home in Lockman Street, and who have given satisfactory evidence that their duties are conducted with fidelity and economy.

The school was opened for instruction on the 1st of August, with two male and two female pupils, an additional male and female lately arrived makes the number of pupils six. They have all been attentive to their studies, have behaved well, and are making as much progress as could be expected from

the short time they have been under instruction.

The expense of maintenance has so far not exceeded \$140 per month. The present income is the interest of \$24,000 N. S. Cy., with \$1,000 from the Legislature, voted in 1869, and which it is expected will be a permanent annual grant. The highest rate that any pupil has so far been enabled to pay is \$80 per annum, while one had to be taken free. The amount fixed by the Board of Managers for those who could afford to pay was \$120 per annum.

As \$5 per annum will give subscribers all the privileges of membership, it is carnestly to be hoped that many throughout the Province will add their names to the list, and use their influence in sending more pupils to take advantage of the great benefits that must result, to this hitherto reglected class

in our Province, from this Institution.

The Board of Management have to regret the loss of their late President, the Hon. M. B. Almon, who ever took a warm interest in the affairs of the Institution, and was earnest in forwarding its interests.

Dr. Dodge was appointed Visiting Physician of the Institution, and is deserving of the warmest thanks of the Managers for his gratuitous and kindly services rendered on all occasions.

J. F. AVERY, PRESIDENT.
