TO OUR PATRONS GREETING.

In circulating this our number 3 List it gives us much pleasure to present all recipients with an increased number of pages and a greater number of reliable advertisements from Philatelic Publishers, Expert Stamp Dealers, and Collectors of note. The object and aims of our publication is to promote **trade** philatelically speaking in all its branches by placing in the hands of the trade generally a most hand work for ready reference.

Business is business, and it is our **Business** to place before **philatelists**, in all parts of the **World** an advertising medium that not only tells you where a few Stamp Dealers conduct their business, and what stamps they have for sale, but also gives a good list of **up to date philatelic journals** and subscription rates subject to our usual 10% discount. **up to date philatelic publishers** also advertise their philatelic journals with particulars regarding **size number of pages circulation and advertising rates** while **handbooks, address books, Encyclopedias and Stamp Catalogues**, will be found well represented **there are many men of many minds, and many philatelists of many kinds**. The amateur stamp collectors, the advanced general collectors, the expert and specialist that only collects, and studies the stamps of certain countries of his choice.

The same may be said of stamp dealers for we've undoubtedly find Dealers in stamps of all nations, Dealers in rare stamps only, and Philatelic Publishers, Auctioneers and Expert Stamp dealers combined.

Therefore everything from a **stamp mount** up to the most expensive **stamp album** should be advertised in **Edwards, Philatelic Press List & Advertiser of philatelists supplies**

The BOSTON STAMP BOOK.

1. Bright and well written *Editorials* about stamp matters.

2. At least two *original contributed articles* about stamps. Among the contributors to former numbers are J. M. Andreini, George L. Toppan, Rev. Alan S. Hawkesworth, and others.

3. *Points for Specialists and Facts for Philatelic Learners*. Under these heads are given short notes about stamps, some of them new and some of them old, but all of them of permanent interest and value.

4. *The Market*, a department conducted by Mr. Geo. L. Toppan, which gives full reports concerning the sales at auction and otherwise of specially interesting and valuable stamps. It would cost from twenty to twenty-five dollars a year to keep up with the market so completely by the purchase of priced catalogues of auction sales.

5. *A Talk about New Issues*, by Gardner R. Kennedy. This department avoids the dry catalogue style of most chronicles and gives in a bright and readable form the facts about the issues of stamps as they appear.

6. Official reports of the *Boston Philatelic Society*, the largest local society on the American continent, and the *American Stamp Exchange*, a new and lively organization which has one of the best managed exchange departments in the world.

The subscription price of the "Boston Stamp Book" is *50 cents a year* in North America. Elsewhere 60 cents a year. Sample copy free on application.

Advertising rates are *eight dollars per page* for a single insertion, parts in proportion. Special terms made on contracts for a year for not less than one half page in each number.

Handsome price list sent on receipt of 8c in stamps, which includes postage on same.

The advertisements of Mr. B. L. Beard will be found to contain many suitable offers in the line of Stamps. Stamps on sheets, Packets of Stamps, Post-cards, etc., and we think the stand he takes in conducting his business is to be commended, viz., his terms are cash in advance to all satisfaction guaranteed, we would therefore advise recipients of our publication to give this gentleman a fair trial and judge for themselves.

The handsome little booklet of The International Stamp Exchange of Aberdeen, Scotland, should be in the hands of all reliable stamp collectors desirous of joining a good exchange society, and I have no doubt, but what Mr. Alex. G. Lyall to facilitate matters, will forward me a good supply of these booklets which reliable Canadian and American collectors may promptly receive by dropping the publisher of this list a post-card, collectors on this side of the Atlantic will then quickly receive particulars and be able to communicate at once with headquarters.

B. L. BEARD,

42 P. O. Box 179

MONTREAL,

FROM a business aspect, it is important that advertisers should be correctly informed regarding the merits of the publications they intend to patronize.

Bona-Fide circulation, Date of Issue, Average Number of Pages, and Advertising Rates all these particulars are of great value to the advertiser, but we must not stop here, the quality of the advertisements the publication carries demands our most earnest and careful consideration.

Do not be deceived by the publisher or so called advertising agent offering an 1 inch advertisement in about 4 publications for the ridiculous price of about \$1.50 Money order, under the guise of cheap combination rates, such offers are a delusion and a snare, and however startling the inducements offered, the nett results will be that the majority of such publications will find a resting place in that well known receptacle the Waste Basket.

High Class ADVERTISING pays, and publications rightly so classified are seldom found in the Waste Basket, because they bear the stamp of reliability, have the support of the better class of advertisers, and the fraudulent advertisers gets shut ont at short notice.

Many small dealers will say advertising rates are too high, but results will soon alter such opinions. Philatelic Facts of Riverside California W.S.c. accepts 25c in full payment of an 1 inch advertisement one insertion, other publishers rates per single insertions are 30c. 35c. 40c. 50c. 60c. 75c. 1.00 \$1.25 and \$1.50, is accepted in full payment of an 1 inch avertisement in "The Post office."

"The Post Office" is an excellent advertising medium, but I shall not dwell on its merits, but would advise advertisers to exercise a wise economy by commencing with a 60c. per inch publication and carefully note results, remembering that the better class of publications are the cheapest in the end.

"Edwards Philatelic Press Ltd and Advertiser of Philatelist Supplies" is devoted to the interests of *Publishers, Advertisers* and the *Philatelic* public in general. Advertising rates are quoted strictly in accordance with its circulation.

The publisher also respectfully solicits the patronage of reliable advertisers for the leading philatelic publications of the World.

Yours Faithfully,

JOHN EDWARDS.

We would respectfully draw the attention of all recipients of this list to the Advertisements of four well-known publishers of Stamp Catalogue.

Mr. Walter Morley's catalogue of the Stamps of Great Britain is a most excellent publication for any specialist in English Stamps. Price 25c.

Messrs Hopkins Bros priced catalogue of the Stamps of the Obsolete Leeward Isles is well worth 20c to collectors of these most interesting stamps.

Mr. H. F. Ketcheson's Standard Catalogue of Canada Stamps is too well-known to need comment and should be in the hands of all collectors of British North American Stamps. Price paper, 25c. Cloth, 50c.

We will promptly supply any of the above publications on receipt of price.

PHILATELIC PUBLISHERS
 In all parts of the world being desirous to exchange advertising space will promptly address the Publisher of this List when satisfactory terms of exchange may be effected.

JOHN EDWARDS, Publisher.

 MONTREAL
 CANADA**

September 1896 Commences

the Busy Stamp Season of 1896-7 therefore advertisers paying spot cash in advance for space in the publications of their choice must get satisfaction. My quotations for advertising space in the Philatelic Press of the World are ALL RIGHT.

SATISFACTION ASSURED.

I place \$1.00 worth of advertising with the same care and promptness as \$100 worth, therefore any collector or large dealer paying cash in advance invariably gets the best value at lowest net cash figures.
