The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

An Act to Incorporate the Town of Dartmouth.

(Passed the 30th day of April, A. D., 1873.)

Be it enacted by the Governor, Council, and Assembly, as follows :

1. A municipality shall be erected within the County of Halifax, to be bounded as follows, that is to say : Beginning on the Eastern side of the Harbor of Halifax, at a point in such Harbor distant three hundred feet Westerly from the South-western corner of a lot of land formerly owned by Judge Johnston and by him conveyed to John Esdaile ; thence to run Eastwardly till it strikes the road leading to the property of the late John Esson ; thence by the Southern side of such road and following the course thereof Eastwardly to such Esson property ; thence along the Western boundary of such property, Southwardly to the South-Western corner thereof ; thence Eastwardly to Gaston's Road, and crossing such road to a point at right angles with the extension of a new road laid out by J. W. Watt through Manor Hill Farm ; thence Northwardly to such road and by such road for the length thereof ; thence Northwardly to the causeway at Hurley's on the First Lake ; thence Northwardly to the North-East boundary of Stair's Ropewalk property ; thence Westwardly to a point three hundred feet into the Harbor of Halifax ; and thence Southwardly to the place of beginning ; to be called and known as the " Town of Dartmouth."

The Town shall be divided into three Wards :

Ward Number One.

To include all that portion of the Town lying to the South of a line through the centre of Portland Street to the Bridge, and of a line through the centre of the road leading from the Bridge to Hurley's at the Lake.

Ward Number Two.

All that portion of the Town lying to the North of such lines and to the South of a line through the centre of Gaetz Road and of a line through the centre of Ochterlony Street.

(ii.)

Ward Number Three.

All that portion of the Town lying to the North of the line through the centre of Ochterlony Street and Gaetz Road, and South of the Northern boundary of the Town.

3. The Town shall be a corporation and shall be governed by a Council to consist of a Warden and six Councillors, residents of the Town, to be elected by the rate-payers thereof. Such Warden and Councillors shall be *ex officio* Justices of the Peace within the limits of the Town.

4. The qualification of a candidate for the office of Warden or Councillor shall be the possession of one thousand dollars, real and personal property, beyond any amount he may justly owe.

5. All male residents of the Town who shall have been so for at least one year next previous to the election, being natural born or naturalized subjects of Her Majesty of the full age of twenty-one years, and who shall have been assessed for Poor or County rates within the limits of the Town for the year previous and paid the same, or who through resident out of the Town shall own real estate therein, on which they shall have been assessed and paid the rates, shall be entitled and qualified to vote at any election for Warden or Councillor.

6. The election for Warden and Councillors shall be held on the first Tuesday of May, in the present and each succeeding year. Two Councillors, to hold office for two years, shall be elected by each Ward; and the Warden to hold office for one year, by all the Wards. The Warden and one Councillor from each Ward shall go out of office at the end of each year, but shall be eligible for re-election.

7. At the close of the first year, the Warden shall draw lots to determine which of the Councillors for each Ward shall retire. In succeeding years the senior Councillor of each Ward shall retire. Any person elected as Warden or Councillor, and refusing to serve, shall forfeit the sum of Forty Dollars to the use of the Town. Provided that no Warden or Councillor, who shall have served for one term, shall be subject to fine for non-acceptance of office on re-election, until the expiration of three years from the date of his first election.

8. The first election shall be conducted by a presiding officer—to be appointed by the Governor in Council—who shall appoint a deputy presiding Officer and Inspector and Poll Clerk for each Ward. Succeeding elections shall be conducted by presiding Officers and Inspectors to be named by the Council, together with a Poll Clerk for each Ward. Notice of the time and place of holding election shall be posted up, in the case of the first elections by the

(iii.)

presiding Officer, and of succeeding elections by the Council in two of the most public places in each Ward of the Town for ten days previous to the holding of any such election.

9. Any person offering to vote at any such election shall produce to the officer presiding at such election his receipt for poor and county rates for the year previous, and the production of such receipt shall decide his eligibility to vote at such election.

10. All candidates for the offices of Warden and Councillors shall be proposed in writing by two rate-payers; the Councillors by rate-payers residents of the Ward for which the Councillors are to be elected, and their names shall be handed in at the first election to the presiding officer appointed by the Governor in Council, and in succeeding elections to the Town Clerk, at least three days previous to the holding of any such election; and the presiding officer and Town Clerk shall post up the names of the candidates in one conspicuous place outside and one inside where the said elections shall be held, and shall also furnish the names of candidates for Warden and Councillors for the several Wards to any rate-payer desiring the same.

11. The polls shall be opened at nine of the clock in the morning, and closed at four in the afternoon; but they may be earlier closed by proclamation, if no vote be polled within the hour.

12. The votes shall be given at the election by ballot. The ballot shall be a paper ticket which shall contain in writing or printing or partly written and partly printed the name of the person for whom the elector intends to vote, designating on the back the office which the person named inside is intended to fill. Each voter shall deliver his ballot folded up to the inspector. The inspector shall ascertain that the ballot is single, without reading it, and shall then deposit it without delay in the ballot-box.

13. There shall be in the charge of the officer presiding one or more ballot-boxes. When the Warden and Councillors are to be elected, there shall be two ballot-boxes in each Ward, to receive separate ballots from each voter for the different offices.

14. No ballot shall contain more names than there are persons to be chosen to the office, no ballot shall be rejected because found in a box to which it does not belong, if otherwise correct, but a ballot if double or containing more names than legal, shall be rejected.

15. No officer presiding at any election nor any poll clerk or inspector or officer of the Town present thereat, shall give to any voter any ballot to vote with, or offer or give him any advice as to the person for whom he should vote, or otherwise interfere with the

(iv.)

voter in the exercise of his franchise. Any such presiding officer, poll clerk, inspector or officer offending against this section shall forfeit for every offence, a sum not exceeding twenty dollars, to be recovered by any person in the Police Court, or imposed as a fine in the Police Court upon complaint and proof by any person present at such election.

16. On opening the boxes, if it is found that the ballots in any of the boxes exceed the number of votes entered on the poll list, the ballots of that box shall be returned and well mingled; and then the presiding officer shall draw out publicly as many of them without looking at them as equals the excess and destroy them at once.

17. The name of each elector voting at such election shall be written in a poll list to be kept at such election by the Poll Clerk and immediately after the final close of the poll, all the votes given in each Ward, being sorted and counted and publicly declared by the presiding Officer and Inspectors, shall be recorded at large by the Poll Clerk, and in making such declaration and record the whole number of votes or ballots given in shall be distinctly stated, together with the name of every person voted for and the number of votes given for each person respectively, and the presiding Officer shall proceed publicly to declare the persons having the majority of votes in their favor to be duly elected.

18. If there shall be at the final closing of the poll, an equal number of votes polled for two or more persons, the presiding Officer shall give a vote for one or other of the persons having such equality of votes in order to give a majority to one of them; but nothing herein contained shall be construed to prevent the presiding Officer from voting previously to the close of the poll in the same manner as other citizens may vote, and in case of his being entitled to vote in any Ward other than that in which he shall be appointed to preside, he may give such vote by proxy—such proxy being in writing and signed and having the receipt for taxes of the presiding officer so voting by proxy annexed thereto.

19. The presiding officer may at any time give public notice that unless some voter shall come forward to poll within an hour the poll will be closed, and if no voter comes forward within the hour, the poll shall then be finally closed.

20. Any person knowingly and wilfully voting at any election held under this Act when not entitled so to vote; any person voting in a ward in which he is not entitled to vote; any person fraudulently putting in more than one ballot when voting; and any person who shall vote in more than one Ward at any such election shall for every such offence forfeit and pay to the Town a sum not less than eight

dollars nor more than twenty dollars to be recovered in the name of the Town of Dartmouth in the Police Court ; and in default of payment after conviction shall be committed to the County Jail for a term not less than thirty days or more than six months.

21. If any person at an election, for the purpose of giving a vote shall knowingly and fraudulently offer a forged or altered receipt for his rates and taxes, or such a receipt or certificate, belonging to another person, as his own, or shall vote falsely under the assumed name and character of any voter ; he shall forfeit and pay to the Town not less than eight nor more than forty dollars to be recovered in the name of the Town of Dartmouth at the Police Office ; and in default of payment shall be imprisoned for not less than one month nor more than six months, and in every such case shall be incapable of voting or holding office in the Town for seven years next after the offence.

22. The Officer presiding at every election shall on or before the next day make a return, in the case of the first election to the Presiding Officer, and of subsequent elections to the Town Clerk, of the names of the persons having the majority of votes and declared by him elected, and when an election of Warden takes place, a return also of the names of the candidates and of the number of votes given for each.
