Technical and Bibliographic Notes/Notes techniques et bibliographiques

The Institute has attempted to obtain the best original copy available for filming. Features of this copy which may be bibliographically unique, which may alter any of the images in the reproduction, or which may significantly change the usual method of filming, are checked below.

L'Institut a microfilmé le meilleur exemplaire qu'il lui a été possible de se procurer. Les détails de cet exemplaire qui sont peut-être uniques du point de vue bibliographique, qui peuvent modifier une image reproduite, ou qui peuvent exiger une modification dans la méthode normale de filmage sont indiqués ci-dessous.

The copy filmed here has been reproduced thanks to the generosity of:

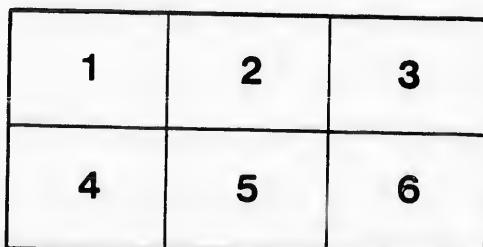

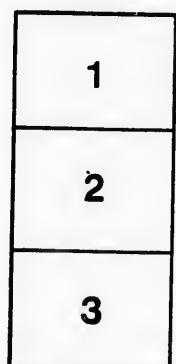

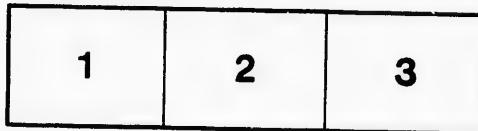

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

Ingersoll Normal Class.

SABBATH SCHOOL WORK DEFINED.

More than thirty years ago the late Principal Cunningham said at a meeting of S. S. Teachers in Edinburgh, "That the time seemed to have come when the precise relation of the Sabbath School to the Church ought to be carefully considered and defined." No Church has formally done this as yet. The question has been left to adjust itself very slowly.

The following is submitted for examination :

DEFINITIONS.

"The Sabbath School is that DEPARTMENT of the Church of Christ, in which the word of Christ is taught: for the purpose of bringing souls to Christ and of building up souls in Christ."—*Vincent*.

"The Sabbath SCHOOL IS THE CHURCH of God, assembled to teach and to learn the word of Christ; by the help of the Holy Spirit; for the purpose of bringing souls to Christ, and of building up souls in Christ."

Four reasons for preferring the latter definition :

1. The School is a department of the *work of the Church*, but not of the Church. She has division of labour but not of life, or organization.
2. It emphasizes the view that the School form of work has biblical authority, and that God has made provision for it in the Great Commission.—*John XXI, 15, 16, 17; Matt. XXVIII, 19, 20*.
3. It lays obligations on old and young to the Church in her school work, and strengthens the importance of adult classes for the study of the word.
4. It embraces the promise of the presence of the Father, the Son, and the Holy Spirit, with the School as well as in the Church; in her ministrations of word and sacraments.

CONCLUSIONS.

1. The Church and the School are co-ordinate and co-operating departments of work in the kingdom of God. The School performs the work of the Church, and augments the power of the Church.
2. The responsibility lying on all the members of the Church, to be Scholars, or Teachers in the School. The School was a form of the primitive Church. "The world is saved by the breath of the School."—*Tolmud*.
3. The duty of the whole Church (or congregation) to *legislate*, and provide means for carrying on the work of the School.
4. The responsibility of every School, through its Superintendent and Teachers, to those who are appointed to office in the Church. They are helpers in the common work.

Hence the place and purpose of the Sabbath School is the same as the place and purpose of a congregation assembled to have the word of Christ preached, and the sacraments of Christ administered to them, and by the help of the Holy Spirit, to bring souls to Christ, and build up souls in Christ.

INGERSOLL, September 27th, 1878.

JOHN McEWEN, Teacher.
