y a great sacrifice, not of herself, but o

nsented. It may have been her hope was to turn Frances from her dangerous career. If so, it soon left her, and, as the stronger mind began to influence the weaker, Frances A Cardinal Sin. was not far wrong in her assertion that Mrs. Melville was experiencing a new-born desire to witness with her own eyes the stage triumphs she had read and heard so much

Mr. Trenfield's clerks were all hard at work at the broad, double-topped mahogany Frances had taken a furnished house for desk in the outer office. As a rule they did the rest of the season. Leaving the fact not take much notice of the arrival and dethat Twickenham was too far from London parture of clients. It was the junior clerk's province to receive them, announce them, and show them into the inner office. The copying clerks felt little interest in their business until it arranged itself on sheets of draft paper, covered with strange abbreviations, erasures, alterations, and interlineations, all of which it was their duty to decipher and embody in a beautifully-written document. They were hard-working men, parture of clients. It was the junior clerk's document. They were hard-working men, who began writing at nine o'clock with the regularity of machines. With the exception that during the morning they could look forthat during the morning they could look for own taste, she was pleased with her new ward to lunch-time, and during the after-noon knew that every folio they penned brought them nearer to the hour when the underground railway or the 'bus might take them to their homes, their office life was little different from the life of a machine. Still the entrance of such a notable client as Mdlle. Francesca made an unparalleled sensation. Page were three interests of the girl's, as there was nothing in house of the girl's, as there was nothing in house of the girl's, as there was nothing in house of the girl's, as there was nothing in house of the girl's, as there was nothing in house of the girl's.

eyes peered through the bars which sur-Now that the first plunge was taken, her rounded the desk, and gave who semi-retirement. Indeed, as the green-baize door which opened to Mr. Trenfield's had in former days moved in good, if very straight-laced society, which was one of the men in the outer office permitted themselves great reasons why Mrs. Trenfield was so

'My eye!' said Timmins, a gentleman with a very fierce appearance, caused by his carrying a red-ink pen behind one ear and a black-ink one behind the other; 'she is a black-ink one behind the other; 'she is a knew he would call, and perhaps, was look-'She's my bow idea of a woman,' said Mr. Green, who was very genteel, and scorned slane. That lady was engaged in one of the hun-'Seen her in Lucia?' asked Mr. Timmins, of these little tasks which employs a woman's han is without interfering with the liberty of He called it Lusia, but meant well. Mr. her tongue. No wonder they are so popu

> over. It was the last effort of an ambitious composer-perhaps Mr. Sinclair. I can give the words, but not the music.

Now all is done and all is said, And Love uncrowned between us two;
The last tears dried our eyes would shed
And both are free to love ancw—
Both free to take what life may hold,
New smiles to seek, new love to claim— Yet, love, if happier than the old, The new love will not be the same!

Though new love's light our eyes may fill,
It pales by that which lit them last;
And sweet new words can never still
The sweeter echoes of the past—
Yea, even as a tale twice-told,
A star that burns with borrowed flame,
Though happier, truer than the old. Though happier, truer than the old, The new love will not be the same!

Mis. Melville laid down her work as the

'I don't think the new songs are anything 'Very likely not, but remember only th very best of the old songs have lived.' 'Yet there were lots of little things we used to sing which sounded much sweete than these new ones. Perhaps I am like the old man who didn't think the toys of the

present day so good as those of his boyhood.' 'Tastes change, you know.' 'But all the modern ballads are about despairing, dismal lovers, or angelic children, or impossible sailors.'

'What were they about formerly?' asked Mrs. Melville looked nonplussed. 'I scarcely remember,' she said, 'but they vere very pretty and moving. Different, I think, from the present ones.'

Frances laughed. 'I suspect they were much the same. They go round and round in the same circle. Every now and then one gets outside, and becomes a great song, but only now and

"Well, you know best. Perhaps I was in love with some one when they used to move me so. Mrs. Melville sighed a little regretfu 'Perhaps when that times comes for m

the modern ones may have a little effect. will wait and see.' 'Mr. Bourchier,' said a servant openi He entered, looking very handsome and glad. Frances welcomed him, and intro-duced him to Mrs. Melville, who was

mense attraction, she being a widow in very poor circumstances, an obstacle, which at first seemed immovable, presented itself. This was the utter horror with which she regarded everything connected with the stage. She was not an illiberal-minded woman, but from her youth upward had mingled with that peculiar class of persons who think the entrance to a theatre the road to ruin; people who at the most draw the line at circuses. It seemed the irony of the subject to her, she shuddered, and begged it might never be mentioned again; but er friend, who knew her many good qualities in spite of her peculiar notions, was persistent. Frances, who had seen Mrs. Melville several times, liked her; and the good widow was so pleased with the girl that she began to waver and say to herself that if all actresses and singers were like this one, she

almost convinced her it was her duty to ac-

Persons ordering sufficient of several forms to aggregate 50 or 100, in all, will not be charged therefor by the dozen, bu the same price as if those quantities of one kind were ordered

D. G. SMITH, - -

I know lots of men, but so one of that

friends the question?'
'Not at all,' he said, eager to be of any

'He must be a good-looking fellow from your picture of him, he said, feeling rather 'Yes, he is handsome-in his way. I

have lost sight of him for years, and am anxious to see him again.' 'An old friend theu? 'Yes, a very old friend.'

He asked the question as if so much de-made no pretence of misunderstanding him, but she disengaged the hand he again tried that asked a woman with the strongest posdushing as she answered it. Was the blushing as she answered it. Was the blush for him or for Manders? Allan would blush for him or for Manders? Allan would she was silent for a while. He waited until have felt much more comfortable had he

'I will 'ask about, as they say in the West, and let you know,' he said, bidding her

Melville. 'I am glad to have seen you. I knew your father. I danced with him years if he has changed as much as I have?'

rather sadly. 'Sometimes I fear he is breaktitles in the land.'

He was glad to find that Mrs. Melville she had more to say. knew his father. He fancied she was nearly related to Frances, and it was pleasant to find that the girl's connections were of his or a singer should take it into consideration own station in life. Not that it made any difference to him; but by and by, if things were right, he would have to tell his father Allan ground his teeth. and mother of the happiness he had won.

ville, after his departure. 'He means well, my dear. He is good and honest, and by no means a fool. He is the eldest son, and write—each would rather have spoken; but Redhills is a fine property.'

'So much the better for him,' said Frances. 'Yes. There is no position so pleasant as a country gentleman's. His father was member for the country; very likely it will What could be find to say in defence of be his turn some day.

Frances said nothing He was not much liked then; he was proud, and people whispered funny tales about him.

'Did that make him settle down?' 'I don't know,' said Mrs. Melville, not "I don't know, said Miss. 'Per-noticing the absurdity of the question. 'Per-He caught her hand and drew-her to him. haps it did. Lawsuits are great trials-all

my husband's money went in one. Mrs. Melville, during Allan's visit, had Mrs. Melville, during Allan's visit, had seen what frances had not seen, or pretended she had not seen. There were little signs, tokens, ways of speech which resigns, tokens, ways of speech which revealed much of the game to an experienced looker on. With the keen interest she felt in the girl, nothing would have seen her married to a suitable person, and Allan seemed to fulfil every requirement. With her strange doubted now, knowing that the girl would ideas of the stage, it never entered into her have suffered no man's arm to hold her unhead to doubt that Frances, even at the outset of her promising career, would, without set of her promising career, would, when the same states and the honors which she might expect were waiting for her, in order to become the wife of a gentleman who her head on his should and sobbed. would hold such a good position in the county of Westshire as Allan when he became Bourchier of Redhills. The opposition she feared would come from his family. Naturally, they would object to his taking an actress for his wife, though she could not thinking, in spite of her prejudices and the exalted part. in spite of her prejudices and the exalted value she placed upon county aristocracy, no, the day after—and tell them all about STR. "NELSON," that Frances would be an acquisition to any it at home, said Allan, as he left her. family she entered. So the kindly old match-maker hoped the young fellow would charge would feel as much moved by the would not be pleased at the step he contem modern love songs as she had been by the plated.

old ones in the days of her first attachment. Oh, yes, he called again and again-very often, in fact. He called with varying success, as sometimes he found the ladies alone, sometimes with many visitors; for Mdlle. Francesca's circle of acquaintance was rapidly enlarging. He met men he knew there that little drawing-room made him grind his about the sun, over 250 others have been teeth with rage. Yet he could not blame her. According to the customs of society. they might have called on his mother or his Never hire a person who wants to know sisters, and, moreover, Mrs. Melville's why you want something done.—Milwaukee sheltering wing was always over her. He blessed that wing, although at times, when he was the only visitor, he wished it would Dr. Kendrick's White Liniment for Swell-

They were great friends now, Allan and tleman: "There's a fly on your nose, Frances. On one or two happy occasions she mum." Irascible Old Lady:-"Well, he had let him accompany her to picture gal-leries or other places where something was to be seen; and after a while Mrs. Melville "Well, Rastus, were you convicted for grew very merciful, and often left them a- stealing that goose?" "No, Sah. I was lone. He made what use he dared of his acquitivated, sah, on an errah in de indictopportunities, and little by little hope grew ment, sah. De fowel were not a goose, but, into something like certainty. He was very a goslin, sah." happy—he felt that the girl welcomed him as she welcomed no other, talked to him as no one else heard her talk; that with him she was softer, sweeter, even humbler, wishing, for some reason which she dared not attack you. This is a celebrated German own even to herself, to please him as a physician's address, and can best be acself, Frances was by no means indifferent to | bowels and blood.

she loved him. He dared not risk every talk about yourself. thing by that one question. Sooner or later he knew that the moment would come when he would be unable to keep his secret, if it were | ciples. a secret, any longer, that any day a word or an action of hers would bring the passionate avowal from his lips. The time came sooner by the passionate with ulcerated sore throats bordering on

One day he called at an unusually early hour for a visitor. The servant showed him but Hagyard's Yellow Oil which I used with into the drawing-room, and told him that great b nefit. I am sure if it had not been Mrs, Melville was not well enough to leave her room, but Mdlle. Francesca would doubtless see him. He bare the news of Mrs. Melville's illness with ungrateful resignation, and sat down to wait until life Frances should appear.

Whether the servant forgot to announce his arrival, or whether the announcement fell upon heedless ears, will never be known -anyway, he waited alone in that little drawing-room for a time that seemed inter- | self and his wife is only a difference of minable. Then the door opened very quick- terms. She calls herself strong-minded and ly, and Frances entered. She did not see he calls her headstrong. him at first. She walked swiftly across the room toward her writing-table, bearing herself in a manner that was so unusual off the stage that he stood transfixed, instead of stepping forward to greet her. Her brows results as regards health, are to be had by were bent, her cheek was flushed, her figure simply taking Burdock Blood Bitters accord drawn up to its full height. She was eviling to directions.
