Handwritten text in a cursive script, possibly a form or document, with various markings and symbols. The text is written on a page with horizontal lines. The script is dense and appears to be a mix of letters and symbols, possibly representing a specific dialect or a shorthand system. The text is arranged in approximately 15 horizontal lines, with some lines starting with a vertical line on the left side, suggesting a list or a form with fields. The overall appearance is that of a handwritten document or a page from a notebook.

Handwritten text in a script, possibly Telugu, consisting of several lines of characters.
