- IF YOU buy the best bargains in boots, suits or hose.  
You must get it at A. D. Farrah & Co's.

Other Sayings will be published later.

**Don't Miss Our 28th Anniversary Sale--Now On**

## JUVENILE THIEVES ARE VERY BUSY

Two burglaries were reported to the police on Sunday morning. Joseph Salome's store was entered by breaking the glass in the front window and a quantity of jewelry and clothing was stolen. Mr. T. W. Crocker's fish freezer was also entered.

Chief of Police J. H. Ashford with Officer Edward Walsh, arrested three children, two of them little girls, aged eight and nine years, and the other a boy aged eleven. The children were all of the one family, and they confessed to the break. The trial was held Monday afternoon and the Police Magistrate reserved decision until Thursday.

### A MEAN THIEF

One night last week the home of Mr. Peter Dutcher, near the C. N. R. depot was entered and \$35.00 in cash and Mr. Dutcher's watch was stolen. When entry to the house was made the family were in the yard endeavoring to keep cool during the warm weather which prevailed throughout the night, and while resting the members of the family fell asleep. At the time of the robbery, the corpses of two small children of the family, the death of whom had recently occurred and were awaiting burial, were lying in caskets in the home.

Under the sad circumstances the bereaved family have the heartfelt sympathy of the community. The thieves are being sought but as yet have not been apprehended.

## PARTRIDGES ARE VERY PLENTIFUL

Guides, fishermen and others who have occasion to visit the woods these days say that never in the history of the country were partridges so plentiful. The birds have been multiplying rapidly since the shooting of them was prohibited by the government a few years ago, and they are now to be found in places where few were seen a few years ago. The prolonged dry weather this season has been particularly favorable for the broods of young birds and it is said that very few of them have been destroyed.

At the last session of the Legislature in amending the game laws the ban was not lifted from partridge, but the governor in council was authorized to establish a short open season on the recommendation of the Minister of Lands and Mines. While the matter has not yet been definitely decided it will probably be during the month of October or part of that month. The season will no doubt be short and the bag will be limited to a few birds a day.

The partridge is not only the finest game bird in the province but it is the only one which does not migrate to a warmer climate. All sportsmen and lovers of nature will be glad to learn that the experiment of establishing a close season has worked out so satisfactorily.

## ASSISTANCE SENT TO ROGERSVILLE FROM MONCTON

The danger that the forest fires raging in the vicinity of Rogersville Friday night might wipe out the town was responsible for the sending of assistance from Moncton to the scene of the conflagration. A special train consisting of a locomotive and two cars left about 4.50 o'clock conveying a party of men in charge of Asst. Deputy Fire Chief Hope. A steamer and hose cart were also taken along.

There were many stories to the effect that the buildings in Rogersville had been burned but this was proven false. There was however, momentarily danger that the station house and other buildings might fall a prey to the flames.

## PRESENTATIONS TO MR. AND MRS. D. W. STOTHART

An enjoyable social evening was spent last Friday evening in St. James' Hall, when the Session, Board of Trustees, Choir and members of the Congregation of St. James' Presbyterian Church gathered together to bid farewell to Mr. and Mrs. D. W. Stothart and family, who leave on Tuesday for St. Catharines, Ontario, where in future they will make their home. Mr. Stothart was a member of the Session and Board of Trustees of St. James' Church for a great number of years and always took an active and deep interest in the welfare of the church. Mrs. Stothart was a member of the Choir of long standing, and gave her talent as well as constant and faithful service. The Church feels keenly the loss of Mr. and Mrs. Stothart, and wish them success and happiness in their new home.

Rev. L. H. MacLean made a few appropriate remarks, in which the guests were eulogized, at the close of which he read the following address, and the presentation was made by William Ferguson, Secretary of the Board of Trustees.

Mr. and Mrs. D. W. Stothart and family.

On the eve of your departure from our midst for your new home in St. Catharines, Ont., we, the Members of Session and Board of Trustees of St. James' Presbyterian Church, Newcastle, N. B., would desire to record our sense of loss, your going away means to our town a Church.

You, Mr. Stothart, has given yourself an efficient citizen and business man in our community; in Session and Board of Trustees of Church found in you a courteous, clear-headed and Christian gentleman. The Choir will miss you, Mrs. Stothart, to which you have given very constant and faithful service, and the departure of your family will be a decided loss to our Sabbath School, as well as our town in general. Hence, in leaving us, be assured that our very best wishes accompany you; that your future may be happier and more prosperous than ever your past has been; that you and your family may have the guidance and protection of Him who always leads to the highest and abiding success.

As a small token of our esteem and goodwill, we kindly ask you to accept this tea-set as a memento from your friends and co-workers in St. James' Church. Signed in behalf of Session and Board of Trustees.

L. H. MACLEAN, Moderator of Session.  
W. M. FERGUSON, Sec'y to Board of Trustees, Newcastle, N. B. July 8, 1921

The beautiful tea-service, presented bore the following inscription.

Presented to Mr. and Mrs. D. W. Stothart, and family by the Session and Board of Trustees of St. James' Presbyterian Church, Newcastle, N. B. July 8th 1921.

On behalf of the Choir Miss Janet Stymiest read an appropriate address and Miss Minnie Stothart, presented Mrs. Stothart with a beautiful initialled suit case umbrella.

Both Mr. and Mrs. Stothart replied feelingly, expressing their regrets in leaving Newcastle and the Church, but assuring all that they would always remember with gratitude the kindness extended them, and the many happy incidents which they had enjoyed while members of St. James' Church. Ice cream and Cake were then served by the ladies, after which a social hour was spent in conversation.

The pleasant evening was concluded at 10 o'clock, when all joined hands singing "Auld Lang Syne," and those present shook hands with Mr. and Mrs. Stothart, wishing them success and happiness.

**ECZEMA** You are not a sufferer from this trouble when you use Dr. Chase's Ointment for Eczema and Skin Irritations. It relieves at once and gradually heals the skin. Sample box Dr. Chase's Ointment free if you mention this paper and send 2c. stamp for postage. See a box; all dealers or Edmanson, Bates & Co., Limited, Toronto.

## FATAL DROWNING AT NAPPAN

A very sad drowning accident occurred at Nappan on Friday evening when Miss Mildred Gillis, the seventeen-year-old daughter of John M. Gillis, was drowned. She with her sister and two daughters of Charles Bremner were in bathing. They first overturned a flat-bottomed boat for convenience in climbing up on it. After they had bathed for a while they attempted to recross the river on the overturned boat.

The Nappan river is only a narrow stream at this point and when part way over the girls lost their balance and righted the boat, plunging all four into the river. Three of the girls were able to find bottom and wade ashore, but Miss Mildred Gillis was thrown into deep water and was drowned before assistance arrived. The body was recovered a short time afterward by the grief-stricken father.

## STOREHOUSE AT CHATHAM BURNS

The large three-story wholesale warehouse on the Ritchie Wharf belonging to W. S. Loggie Co., Ltd., was badly damaged by fire Thursday afternoon and its valuable and varied contents of foodstuffs, flour, feed, furniture, fishing supplies and building materials considerably damaged by fire and water. The fire started in an old one-story warehouse, known as the salt shed, a short distance to the west of the big warehouse and was first seen by the crew of a tug lying at a nearby wharf who gave the first alarm by tooting the whistle. By the time the general alarm was given the smaller building was a mass of flames and the fire had spread to the upper story of the big warehouse.

### Saved the Gasoline

A large number of gasoline barrels stored on the wharf near the warehouse were promptly removed to safety by willing hands. The local fire department soon had several streams playing on the blaze and assisted by a large number of volunteers fought gallantly to prevent the fire spreading. In a short time Chief W. A. Skidd had eleven streams of hose playing on the conflagration, seven from hydrants, two from steam fire engine that was placed on the Government wharf and two from the Miramichi Lumber Company's tug Sarcelle, which had been sent to the scene to render assistance. The fire was confined to the third story, the contents of which were practically destroyed.

Shortly after the fire was discovered a gasoline drum exploded. The explosion shook the buildings around and broke the door and windows of the main warehouse, close by. When the explosion occurred the drum was blown into the air with great force and broke the main boom of a schooner which was lying at the wharf. The fire then spread to the main warehouse and in a few minutes this was a mass of flames.

## DEPARTMENT OF MINES GEOLOGICAL SURVEY

A short statement by W. A. Bell on the result of his work on the Carboniferous strata of the Sydney district is given in the Summary Report of the Geological Survey, 1920, Part E. E. R. Faribault also contributes notes on the structural conditions and age relations of the Gold-bearing series and later Palaeozoic formations in Kings and Annapolis counties, Nova Scotia; and the known facts bearing on the ever-recurring problem of coal in Gloucester county, N. B., are assembled by G. A. Young. A copy of this report can be had by applying to the Director, Geological Survey, Ottawa.

### PRAYERS FOR RAIN ORDERED IN ANGLICAN CHURCHES

Ottawa, July 6.—Prayers for rain will be offered in all Anglican churches on Sunday and every following Sunday until the drought ceases. A pastoral letter recommending such prayers is being sent out to every rector in the Ottawa diocese, by the Bishop.  
Prayers for rain have not yet been ordered in Roman Catholic churches.

## OWES HER LIFE TO "FRUIT-A-TIVES"

After Years of Suffering with Dyspepsia, this Fruit Medicine Gave Relief

Mlle ANTOINETTE BOUCHER, 917 Dorion St., Montreal.

"I am writing to tell you that I owe my life to 'Fruit-a-tives' for this remedy relieved me when I had abandoned all hope of ever recovering my health. I suffered terribly with Dyspepsia. I had it for years and all the medicines I took did not do me any good. I read something about 'Fruit-a-tives' being good for all Stomach Troubles and Disorders of Digestion so I tried them. After finishing a few boxes, I was entirely relieved of the Dyspepsia and my general health was restored. I thank the great fruit medicine, 'Fruit-a-tives', for this wonderful relief."

Mlle ANTOINETTE BOUCHER, 917 Dorion St., Montreal. 50c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa, Ont.

## ROGERSVILLE IN PATH OF FLAMES

With a temperature hovering around ninety-five in the shade Newcastle on Wednesday and Thursday sweltered under the hottest day of this season. The sun was obscured by the heavy pall of smoke which hung over the town due to the many forest fires in the vicinity of Barnaby River which is now reported three miles from Rogersville and that village is threatened. In addition to the fires already reported at Grey Rapids new blazes are said to have broken out on the headwaters of the northwest where the most valuable timber in the province is located also at Bartibogue and Wellfield. Unless rain comes soon it will be impossible to stem the tide of the fires which has destroyed an enormous amount of valuable timber so far.

## OPEN SEASON ON PARTRIDGE OCT. 1-20

An open season on partridge from October 1st to 20th inclusive, was decided upon by the provincial executive at their evening sitting Wednesday. The bag will be limited to six birds a day, and to twenty birds for the whole season. The government's act is authorized by the Game Act which provided that an open season may be declared by the governor-in-council.

## 150 EMPLOYEES OF POSTMASTER GENERAL LAID OFF

Ottawa, July 6.—Dr. R. M. Coulter Deputy Postmaster-General, confirmed a report today that 150 employees of his department would be laid off July 15. Notices were forwarded to these employees yesterday and today. The notices were signed by the General Superintendent Colonel George Ross, and contained the information that the conditions of retirement would be announced later. The announcement, it is stated among employees, has caused considerable indignation in the Department. It is understood that several exceptions have been made to the previous order retiring those over 65 years of age.

## HOT WEATHER RULES

1. Load lightly, and drive slowly.
  2. Stop in the shade if possible.
  3. A sponge on top of the head, or even a cloth, is good if kept wet. If dry it is worse than nothing.
  4. Water your horse as often as possible. So long as a horse is working, water in small quantities will not hurt him. But let him drink only a few swallows if he is going to stand still.
  5. When he comes in after work, sponge off the harness marks and sweat, his eyes, his nose and mouth, and the dock. Wash his feet but not his legs.
  6. If the thermometer is 75 degrees or higher, wipe him all over with a damp sponge, using vinegar water if possible. Do not wash the horse at night.
  7. Saturday night, give a bran mash, lukewarm; and add a tablespoonful of saltpetre.
  8. Watch your horse. If he stops sweating suddenly, or if he breathes short and quick, or if his ears droop, or if he stands with his legs braced sideways, he is in danger of a heat or sun stroke and needs attention at once.
  9. If the horse is overcome by heat, get him into the shade, remove harness and bridle, wash out his mouth, sponge him all over, shower his legs, and give him two ounces of aromatic spirits of ammonia, or two ounces of sweet spirits of nitre, in a pint of water; or give him a pint of coffee warm. Cool his head at once, using cold water, or, if necessary, chopped ice, wrapped in a cloth.
  10. If the horse is off his feed, try him with two quarts of oats mixed with bran, and a little water; and add a little salt or sugar. Or give him oatmeal gruel or barley water to drink.
  11. Clean your horse at night, so that he can rest well, and clean him thoroughly. The salt dandruff drying on his skin makes him uncomfortable, and often produces sores under the harness.
  12. Do not fail to water him at night after he has eaten his hay. If you don't he will be thirsty all night.
  13. If it is so hot that the horse sweats in the stable at night, tie him outside, with bedding under him. Unless he cools off during the night, he cannot well stand the next day's heat.
- These Rules are prepared by the Boston Work-Horse Relief Association, whose office is at 15 Beacon Street, Boston, Mass. We also publish Stable Rules, Drivers' Rules, Winter Rules and Noon-Feeding Rules. Copies of any of these Rules will be sent free on application.

### N. B. REFERENDUM

VOTE ON OCTOBER 10  
Ottawa, July 5.—Acting Prime Minister, Sir George Foster, announced tonight that the probable date for the holding of the referendum on the importation of liquor in New Brunswick will be October 10.

## Imperial Polarine MOTOR OILS

### Keeps Motors Smooth Running

Quality maintains economy. You may pay less "per gallon" for other lubricating oils but you get more lubrication "per dollar" when you buy Imperial Polarine Motor Oils.

USERS of Imperial Polarine Motor Oils enjoy a singular freedom from engine trouble, which is at once a source of profit and pleasure to them. Every bearing and rubbing surface is cushioned with an unbreakable oil film which relieves friction and minimizes wear. Good compression is also maintained, saving both fuel and oil and increasing power. Lessened repair bills, lower upkeep costs, better satisfaction and longer service from your car follow the use of Imperial Polarine Motor Oils. Consult our Chart of Recommendations for the grade of Imperial Polarine best suited to your motor. See Charts at your dealers or write to 56 Church Street for "Automotive Lubrication," a booklet which contains the Chart and other valuable information.

### IMPERIAL OIL LIMITED

Branches in all Cities

#### FOR A CLEAN EFFICIENT MOTOR

The crank case of your motor should be drained, cleaned and refilled with fresh Imperial Polarine every 1,000 miles or less. Dealers who display this sign give expert crank case cleaning service, using Imperial Flushing Oil, a scientific cleaning agent which removes all dirt, grit and impurities, which are so harmful to your engine. It will pay you well to employ Imperial Polarine Crank-Case Service to-day.

WHERE ARE THEY DRIFTING?
The U. F. O. was started originally as a social and business organization. So long as it kept within those limits it did good and necessary work and was in a position of true political power.

HOW YOU CAN TELL GENUINE ASPIRIN

Only Tablets with "Bayer Cross" are Aspirin—No others!

There is only one Aspirin, that marked with the "Bayer Cross"—all other tablets are only acid imitations.
Genuine Bayer Tablets of Aspirin have been prescribed by physicians for nineteen years and proved safe by millions for Pain, Headache, Neuralgia, Colds, Rheumatism, Lumbago, Neuritis.

Stiffness
It is astonishing how quickly Minard's Liniment relieves stiffness and lameness.
Gives Great Relief
Mrs. A. B. Cabot, 25 Park Ave., Guilford, Conn., writes: "My husband and I were frequently afflicted with rheumatism and stiffness in our joints. I purchased Minard's Liniment and used it for rheumatism and stiffness and it relieved me in a few days."

MINARD'S LINIMENT
King of Pain
Yarmouth Nova Scotia

The Healthy Man Has The Best Chance

Is Always Full of Life and Energy—Failures are Weak and Bloodless

Some men seem to have all the luck. If there are any good things going these men seem to get them. If they are business men they are successful; if they are workmen they get the foreman's job. They have the power of influencing people.
The same is true of women. Some have the charm that makes men seek them out; others are neglected. But this is not luck. It is due to a personal gift—vitality. Men and women of this sort are never weak, puny invalids. They may not be big, but they are full of life and energy.

is the beginning of the end, and now on dissolution of the whole ill-advised and unpatriotic movement will be swift and sure. Nemesis has over taken it.

Apparently, each riding is intent on coining a new symbol. Unanimity seems strangely lacking. We have, first of all, Mr. Drury's simple and vague "People's Part." In North Wellington, where the farmers rejected Mr. Samuel Carter's hypocritical advances from the King-Liberal side, this has been improved upon and we have "The People's Political Party."

CAPITAL AND POPULATION CANADA'S GREATEST NEEDS

An exceedingly strong reason why we should maintain a stable government in Canada is that the burden of taxation is too heavy for a young nation to bear and should be minimized as quickly as possible. One of the best ways to bring about a reduction is to increase the population and thereby minimize the per head load of taxes. Enlarged population of course means necessity for increased capital to assimilate it. If sensible policies are continued there is little difficulty about getting population. Every ship leaving the Old Country for months has been loaded with people from the Mother Country anxious to make new homes for themselves in this new country, and there has been a great influx of people from the United States into our Western country.

The financiers of the world are just beginning to realize the tremendous extent of our natural resources, and the splendid advan-

THE GREATEST OF ALL July Clearance Sales
Starts at Creaghans' Sat. 16th and continues until July 30th
Its the greatest sale we ever attempted.

Plan to visit this Sale often—Make this store your headquarters—and remember that from day to day new specials will be offered—See Posters for list of prices.
J.D. Creaghan Co LIMITED

ages we have for manufacturing development by reason of our magnificent water powers; and, unless checked by immature statesmanship we should see a great development of Canada, which will be of untold benefit to the whole people. All we have to do is to keep steady and to be sane in our politics. We should not let the extremists and class agitators carry us away with their half-baked, half-digested theories. In those troublesome times, with such a splendid prospect ahead of us, we should cling fast to that which we know—cling fast to sane, orderly, stable government for all classes, a government based upon the best Anglo-Saxon practice, and not allow ourselves to get tangled up in class consciousness, with selfishness as their motive, which can only lead to chaos, if not disaster.

"I Wonder Would It Help Me?"

THIS question has been answered by many thousands of women who have found health and happiness in the use of Dr. Chase's Nerve Food.
Sleeplessness, irritability, nervousness, gloomy forebodings of the future, depression and discouragement—these are some of the symptoms which tell of exhausted nerves.
In order to avoid nervous prostration or some form of paralysis it is well to get the building up process established at once by use of Dr. Chase's Nerve Food.

Dr. Chase's Nerve Food
50 cents a box, 6 for \$2.75, all dealers, or Edmanson, Bates & Co., Ltd., Toronto.

WAPTA LAKE CAMP.

Wapta Camp from East End of Lake looking towards Kicking Horse Pass.
About eight miles west of Lake Louise Station on the main line of the Canadian Pacific Railway just before entering the Kicking Horse Canyon, the traveller notices a very beautiful sheet of water named Wapta Lake, sheltered from the north by a high and massive mountain capped by eternal snow.
On the shores of this lake, facing a magnificent Alpine panorama, a rustic bungalow Camp has been constructed, which opened for visitors on July 1st, and will provide a comfortable and convenient centre for those who desire to explore one of the most romantic and picturesque districts in the Canadian Pacific Rockies. The Lake itself is at an elevation of 6,190 feet above sea level, and faces peaks scaling up to over 11,000 feet. It is only half a day's walk from Lake O'Hara, which has been selected as the site of the Annual Camp of the Alpine Club of Canada for 1921. Lake O'Hara, however, is more than a centre for Alpine climbers. It was selected by John S. Sargent, the famous artist, as one of the most beautiful places he could find in the Rockies, surrounded as it is with mountains of wild and rugged grandeur which at the same time compose into pictures of unending beauty.
Wapta Lake is actually in British Columbia just over the Great Divide, which will undoubtedly be a favorite trip from the Camp. Ten minutes walk to the west of the Camp the Kicking Horse Canyon begins, down which one can walk, ride or drive. From the west end of Wapta Lake to Field is less than twelve miles, and the distance to Yoho Falls in the Yoho Valley is ten miles, and to Emerald Lake is fourteen miles. Towards the north, one can reach Sherbrooke and Ross Lakes in about an hour and a half, so that the variety of excursions offered to those who stay at this Camp is remarkable.
Wapta Lake Camp is constructed on the same lines as the Lake Windermere Camp, which proved so popular last summer. It has a Central Community House for dancing and recreation purposes 80 feet square with a wide gallery round the sides. The kitchen is a large building, 20 x 26 ft, while the cottages are of varying sizes and design—double cottages being 24 x 14 ft. and single cottages 14 x 12 ft. Each cottage is equipped with a small heater and stove pipe on account of the cool nights natural to this elevation. The Camp is within the jurisdiction of the Dominion Parks Authorities, and subject to the Dominion Parks regulations, which are particularly in guarding against forest fires, prevent the cutting down of green timber in the vicinity of the Camp and forbid any dealing in liquor on the premises. The Camp occupies an area of three acres, and the rustic bungalow character of the Camp gives it a very attractive appearance. About 50 visitors can be accommodated at one time. Two bath houses, one for men and one for ladies, are supplied with hot and cold running water and toilet facilities. Hector is the Station for Wapta Lake Camp and for the convenience of visitors a motor launch will connect with a landing stage in front of the Camp. Transfer charge from station to Camp is 25 cents each way. Saddle horses and guides will be available for those who wish to ride, and telephone connection with Chateau Lake Louise will make it easy to communicate with those who have engaged any of the Company's Swiss Guides. These guides are in great demand, and their services should be requisitioned well in advance.
One of the most thrilling trips in the whole Canadian Pacific Rockies can be made from Wapta Lake Camp. This is by way of Lake Louise over the Victoria Glacier to Abbott Pass under the great precipices of Lefroy. After the summit of this Pass one reaches Lake Oesa, from which one gets an exquisite view of Lake O'Hara down below. From Lake O'Hara an easy trail down Cataract Creek brings one back to Wapta Lake. This, of course, is a somewhat strenuous trip and requires Swiss Guides.
An easier trip on saddle ponies through magnificent Alpine scenery is through the Yoho Valley to Emerald Lake or over the Burgess Pass to Field. A four-in-hand Tally-ho will drive down the Kicking Horse Pass on a road which follows the old C. P. R. grade.
The rates for Wapta Lake Camp are very moderate, being \$5.50 per day for those who can make only a short stay, and \$5.00 for those who can stay a week or more.
The C. P. R. passenger trains will stop at Hector while the Camp is in operation, with the exception of trains Nos. 2, 7 and 8.
The Camp will be operated by Colonel Phil Moore and Mrs. Moore.

# F-R-E-E

1000 watches absolutely free. Owing to the enormous success of our previous puzzle advertisement, which gained for us hundreds of new clients, who, being so pleased with their free watch, that they are now our permanent customers, we have decided to further advertise and gain recognition in 1000 new homes, by giving away another 1000 valuable watches, to those who are clever enough to fill in the missing letters in the following phrase.

T-E-S- W--CH-S A-E F-L-Y G--R-NT-ED

By correctly filling in the missing letters, you can obtain absolutely free a watch, that will equal for time any solid gold watch made, which is sufficiently proven by the large number of testimonials that we have received. Solve this puzzle correctly and comply with our simple condition of which we will write when we inform you if your reply is correct, write clearly, your name and complete address, so that we may without delay inform you of your success.

#### GOOD SIGNS IN QUEBEC

The Hon. L. A. Taschereau, at Toronto, and the speakers at the banquet of the C. M. A. at Quebec, sounded the same note—the instant need for a good understanding between Quebec and the English-speaking Provinces. But on first taking office, the Right Hon. Arthur Meighen took precisely the same ground. In his first public utterance, at Portage la Prairie, after assuming office, he made a noble plea for a better understanding with our French-Canadian brethren. For daring to do so, he was bitterly attacked by the "Globe" and various other Bourbon organs through out the country, and accused of all sorts of political insincerity and chicanery. Moreover, Lapointe, Lemieux, and Mackenzie King, their anti-unionist leader, in season and out of season have remained bitterly unconciliated to the unanimous verdict of the English-Speaking Provinces. They have attacked the "Unionists" in the House and on the hustings with a ferocity unparalleled in the annals of Canadian politics. Yamasaka is the proof. We hope and pray that the conciliatory approach of the Hon. Mr. Taschereau may in the end prevail; but if the attitude of Lemieux and Lapointe should triumph it will

be a tragic day for Canada. We wish Mr. Taschereau, Godspeed. On such Quebecers as he we pin our hope of an ultimate understanding. Ontario and the other Provinces will go far to preserve National unity, but they will never admit they were wrong in supporting the men who were fighting and dying in the trenches in the darkest hour that ever threatened civilization. They co-operate with Quebec in every good word and work, but allow their loyalty to be insulted—never.

One good thing the Hon. Mr. Taschereau did—he smashed Raney, Quebec for a solid Empire based on sound Constitutional practice. No abolition of the Privy Council for her.

#### THE HEAT OF JULY

By the two column editorial in the Halifax Chronicle we are reminded of the astronomical reasons why we are now experiencing the hottest weather of the year. If the sun alone is regarded as the causes of our discomfort, the extreme heat of July must seem misplaced. It is now two weeks since the sun was closest to this part of the world. For fourteen days it has been moving away from us. Nevertheless we are undergoing what will probably stand as the record hot period of the summer. The sun was nearest us in the latter days of June but we did not feel its heat as we do now, when it is farther away, for the reason that in June the earth absorbed it. Soil and water took up the hot rays of the June sun. By now, those reservoirs of heat are filled, and they are reflecting back to us the heat of the sun.

A New Yorker planning to murder his wife armed himself with pistol and butcher knife and descended a rope from the roof to the bedroom widow. And just as he reached the widow the rope broke and he plunged to his death. Which shows that the news column can still beat the novel, the play and movie when it comes to real melodramatic thrills.

The prolonged drought is causing great damage to crops throughout the province. The hay crop is very light and grain and field crops are suffering greatly for want of rain. The farmers seem to be up against it in more ways than one.

## OBITUARY PERSONALS.

### CHAS. G. WATT

The death of Chas. G. Watt, of Montreal, formerly of Newcastle, occurred at his home Wednesday. The late Mr. Watt was a son of the late Chas. C. Watt and brother of Mr. Alexander Watt. The remains arrived on the Ocean Limited on Friday, accompanied by his sister Miss Margaret Muirhead Watt. The funeral was held from the depot and interment made in St. James' Cemetery. The Rev. L. H. MacLean conducted the services held in St. James' Church and at the grave. The pall-bearers were Messrs. A. A. Davidson, J. R. Lawlor, Joseph Jardine, Norman Anderson, Dr. R. Nicholson and John Russell. Undertaker, Chas. H. Gough.

### MRS. A. G. WILLISTON

The many friends of Mrs. A. G. Williston will learn with regret of her death, which occurred at her home, Hardwicke, Northumberland county, on July 7. She is survived by her husband, four sons and two daughters: Hubert H., of Lundar (B. C.); Rev. Wood B., who is home at present on a furlough from missionary work in China; Charles C. and Alexander A., at home; Mrs. L. E. MacDonnell, of Vancouver, and Elmira; at home. She is survived also by three brothers: Lemuel F. Fowler, of Winnipeg; Louis, of Calgary; Henry, of British Columbia; also three sisters: Mrs. Daniel Dickson, of Chatham; Mrs. Josie Vincent, Winnipeg; Mrs. John Lee, of Summerside (P. E. I.) Mrs. Williston was a daughter of the late C. M. Fowler, of Tabusintac (N. B.).

### REGULAR MEETING RED CROSS SOCIETY

The regular monthly meeting of the Newcastle Branch of the Red Cross Society was held in the Council Chamber Friday afternoon, July 9th and a full report of the Membership Campaign was given by the Sec'y. Treas. of the Campaign Mrs. A. E. G. McKenzie. The total amount received was \$392.75. The following is a total list of members.

Newcastle 197; Nelson 69; Boletown 17; Doaktown 17; Redbank 24; Derby and Mirleton 11; Rogersville 10; Miscellaneous 15.	
Newcastle 11; Boletown 8; Douglastown 4; Total Seniors 385; Juniors 27.	
The Society extends grateful thanks to the Sec'y-Treas. and canvassers for splendid work accomplished.	
The Newcastle Branch will hold their meetings the first Friday of the month commencing Friday Sept 2nd. All members cordially welcomed.

### Rev. W. McN. Matthews of Milleron was in town on Saturday.

Mr. Robert Galloway spent a few days of last week in Moncton.

Mr. George Farrah of Madelin Island is visiting relatives in town.

Mr. James Robinson, of Milleron was a visitor to Moncton last week.

Miss Alma Paulin is spending the week with the Misses Skidd's of Chatham.

Mrs. P. Moar and the Misses Skidd spent the week-end with friends in town.

Miss Frank Fish of Halifax, N. S. is visiting her father Mayor C. E. Fish.

Mrs. P. J. McEvoy and daughter Florence spent Sunday with friends in Redbank.

Miss Florence Doyle of New York is spending her vacation with her parents in Douglastown.

Mrs. Thomas Belmore and son Stewart are visiting the former's father Mr. George Stables.

Miss M. E. Hasson of the Harkins' Academy teaching staff returned to her home in Chipman last week.

Miss Mary Lawlor of New York is spending her vacation with her parents Mr. and Mrs. J. R. Lawlor.

Mrs. Allan Flett of Nelson is visiting her sons in the west, Howard of Calgary and Earl of Edmonton, Alta.

Miss Ida Mullin of St. Stephen is spending her vacation with parents Mr. and Mrs. Azar Mullin of Curventon.

Mrs. H. B. Anslow of Campbellton, N. B. spent the week-end with her parents Mr. and Mrs. Wm. Corbett, Sr.

Misses Helen Armstrong and Jennie McMaster left today for Youghal where they will spend a two week's vacation.

Miss Greta White and Miss Mollie Somers of Redbank spent a few days of last week the guests of Miss Annie Cassidy.

Mr. Douglas H. Atkinson and two children, Moncton is visiting his parents Mr. and Mrs. H. T. Atkinson of Chatham Head.

Messrs. Alexander and Edward Watt of Montreal, were in town last week attending the funeral of their late brother Chas. Graham Watt.

Misses Clara and Eileen Creaghan of New York arrived home on Saturday to spend the summer with their parents, Mr. and Mrs. J. D. Creaghan.

Mr. and Mrs. Isaac Mitchell and Mr. John O'Brien returned last week from Madelin Island where they were attending the Mitchell-Farrah wedding.

Mr. and Mrs. H. G. Moncrieff of Winnipeg, Mrs. O. N. Holson and son Myron, motored to Moncton last week and registered at the Brunswick.

Mr. Allan Menzie, of the Soldier's Civil Re-establishment Dept. of Fredericton is spending a two weeks vacation with his parents Mr. and Mrs. Edward Menzie.

Mr. and Mrs. Robert Underhill, and little son Hector, who have been visiting the latter's parents, Mr. and Mrs. James Stewart have returned to their home in Blackville.

Rev. S. J. and Mrs. McArthur and children, Vera, Minnie and Freddie of Quebec City, were guests of Mr. and Mrs. John Brander last week. Their many friends were delighted to see them again and gave them a hearty welcome.

Miss Mamie Stewart is spending her summer holidays with her sister, Mrs. Robert Underhill of Blackville.

Mrs. G. A. Fournier and little daughter of Green Point spent the first part of last week in town the guests of her cousin Mrs. J. D. Paulin.

Mr. and Mrs. D. W. Stohart and family left today on the Ocean Limited for St. Catharines, Ontario, where they will make their future home, and Mr. Stohart will engage in the hardware business. A number of their friends were at the station to bid them farewell.

If a husband wants to learn what his wife thinks of him he should do a little eaves-dropping while she and several of the neighbor women are sitting in the porch swing talking.

## WEDDINGS

### TATTRIE-SIMPSON

On Monday morning July 11th the marriage of Rev. George Tattrie to Miss Helen Simpson, daughter of Mr. and Mrs. James Simpson of Tabusintac was performed by Rev. Mr. Firth of Douglastown. The ceremony was performed in the presence of immediate relatives and the bride and groom left by motor for a trip through the province and thence to their future home in O'Leary, P. E. Island. The Rev. Mr. Tattrie has recently accepted a call to O'Leary, P. E. Island.

### ENGAGEMENT ANNOUNCED

Mrs. Pheby Mather announces the engagement of her daughter Jonnie Price to Lonel Berton Beers of Moncton, the wedding to take place on the 18th.

## WOODSTOCK'S TAX RATE AGAIN LOW

(Woodstock Press)

The tax notices for this town are being delivered. The assessment rate is \$1.52 a \$100; last year it was \$1.66 a \$100. It takes \$96,500 to run the town every year; of this amount \$24,000 goes to schools—\$21,500 to ordinary schools and \$2,500 for vocational training—\$12,800 for water and light.

However we are wisely governed and in a far better financial condition than other towns.

Below is the assessment rate (note the rate) and population of the four North Shore towns as compared with Woodstock.

Campbellton, assessment \$5,495,039; rate, \$2.60; warrant, \$100,000; bonded debt \$514,000; population 6,425.
Chatham, assessment \$2,750,000; rate \$4.50; warrant, \$100,000; bonded debt, \$401,550; population 5,000.
Bathurst, assessment \$1,573,950; rate \$2.60; warrant, \$48,338; bonded debt, \$194,000; population 4,000.
Woodstock, assessment \$4,200,000; rate, 1.62; warrant \$96,500; bonded debt, \$251,000; population, 4,000.
Newcastle, assessment \$2,000,000; rate \$3.80; warrant, \$76,539; bonded debt, \$236,600; population, 4,000.

Congress is having real Washington Summer weather for the extra session. Representative Langley of Kentucky bet Representative Pringley of Oklahoma that it was hot enough Sunday to fry eggs on the steps of the Capital, and got two eggs from the House restaurant and won the bet.

### Catarrahal Deafness Cannot be Cured

Catarrahal Deafness requires constitutional treatment. HALL'S CATARRH MEDICINE is a constitutional remedy by local applications, as they cannot reach the diseased portion of the ear. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result. Unless the inflammation can be reduced, your hearing may be destroyed forever. HALL'S CATARRH MEDICINE acts through the blood on the mucous surfaces of the system, thus reducing the inflammation and restoring normal conditions. Circulars free. All Druggists. F. J. Cheney & Co., Toledo, Ohio.

### Seasonable Goods

For summer trade we have the best of

Japanese Napkins

in plain white and colored border, we have ever shown.

We have also the famous

Crepe Paper

# Physiological Action Of Tanlac Explained

World's Leading Authorities Show Just What Tanlac Really Is and Explain Effect of Each of Ten Ingredients on the Human System. Power of Medicine Conclusively Proven.

A day never passes but what thousands of people ask the questions: What is Tanlac? Why its phenomenal success? Why do we hear so much about it? and Why has this preparation so far cut stripped all other medicines of its kind?

The answer to these questions is easy and can be explained in just one word—merit. Tanlac is scientifically compounded and represents years of work, study, experimentation and research by some of the foremost chemists and pharmacologists of America.

The Tanlac formula is purely ethical and complies with all National and State pure food laws. It is purely vegetable and is made from the most beneficial roots, herbs and barks known to Materia Medica. The Tanlac Laboratories are among the largest and most modernly equipped in this country.

**Ten Ingredients in Tanlac**  
Altogether, there are ten ingredients in Tanlac, each of which is of recognized therapeutic value.

In referring to one of the more important ingredients of Tanlac, the Encyclopedia Britannica says: "It has been the source of the most valuable tonic medicine that have ever been discovered."

In referring to other of the general tonic drugs contained in Tanlac, the 13th Edition of Potter's Therapeutics, a standard medical text-book, states that "they impart general tone and strength to the entire system, including all organs and tissues."

This same well-known authority in describing the physiological action of still another of the ingredients of Tanlac, which is of value in treating what is commonly known as a "run-down condition," uses the following expression:

"It is highly esteemed in loss of appetite during convalescence from acute diseases."

There are certain other elements in Tanlac which, because of their influence upon the appetite, digestion, assimilation and elimination, improve the nutrition and vital activity of all the tissues and organs of the body and produce that state of general tonic which is called health.

The United States Dispensary makes the following comment regarding another ingredient:

"It may be used in all cases of pure debility of the digestive organs or where a general tonic impression is required."

There are certain other ingredients described in the Dispensary, and in other standard medical text-books, as having a beneficial action upon the organs of secretion, whose proper functioning results in a purification of the blood streams passing through them. In this manner, objectionable and poisonous ingredients of the blood are removed and the entire system invigorated and vitalized.

**Tonic and Body Builder**

Tanlac was designed primarily for the correction of disorders of the stomach, liver and bowels. At the same time, however, it is a powerful reconstructive tonic and body builder, for it naturally follows that any medicine that brings about proper assimilation of the food and the thorough elimination of the waste products must, therefore, have a far-reaching and most beneficial effect upon the entire system.

## SUNNY CORNER

Sunny Corner, July 9—The Misses Frances and Gertrude Sheasgreen who have been in Montreal for the past nine months are home for their holidays.

Mrs. Henry Leach spent last week in Sunny Corner.

Miss Bernetta Keating, Newcastle, is visiting the Misses McAllisters.

**DO YOUR FEET BURN?**

Then use Zam-Buk. There is nothing so soothing for tender, aching or blistered feet. It will end the burning, draw out the soreness, prevent blistering and give you perfect foot comfort.

Also there is nothing so good as Zam-Buk for sunburn, heat rashes, blistered hands, aching muscles, mosquito and insect bites, cuts, bruises, burns and all skin injuries and ailments. 50c. all druggists and stores.

**ZAM-BUK IS SOOTHING!**

Mrs. J. D. Blackmore and family are visiting Mrs. Walter Matchett. Misses K. Mullin, M. Murphy and Mary Hogan are home from the Chatham Convent for their holidays. Miss M. B. Nolan spent the weekend in Nelson.

Mr. Irvine McDonald had his leg broken while playing baseball on Thursday evening. Dr. McGrath was summoned and set the bones, but he is still suffering very much.

Mr. Harold Cliff (our school master) left for his home on Friday. Mr. Cliff made many friends while in Sunny Corner and was one of the best teachers we have ever had and only regret that he has refused to return in September.

### BY WIRELESS

George Burchill of Nelson, like numerous others, was anxious to learn the result of the Dempsey-Carpentier fight which took place in Jersey City, Saturday, so when the fight began he went to his wireless telegraph apparatus, and received the news by rounds, as it was flashed through the air. He had a complete report of the fight twenty minutes after Carpentier got his knock-out blow.

## DRYEST JUNE WITH THREE EXCEPTIONS

On only three occasions since 1874 have there been as light a rainfall during the month of June as shown by the returns which were released Saturday by the Dominion Meteorological Station, and never in the 48 years that the bureau has been operating has there been such a low precipitation for the first six months of the calendar year as reported Saturday.

The precipitation for the six months of the year ending on June 30, 1921, was 14.71 inches, while the average for the past 48 years was 21.32 inches. The past month's record is the lowest for any month of June on record, the only incomplete June on the official records being in 1894. Since 1874 there have been only three occasions on which the month of June has furnished less precipitation than in the past month, when the records show 1.88 inches.

The mean temperature for the past month was 60, which is the same as last year and the same as for the past 48 years. The wind mileage for June, 1921, was 4,903, while last year it was 5,578.

## Courts Enforcing Forest Protection

Jail sentences and heavy fines for causing forest fires are now being applied more frequently by Canadian courts. For the first time on record, an Ontario settler was sent to prison recently for defying the law regarding the taking of precautions before clearing land by fire. His carelessness caused a loss of millions of feet of timber. Five New Brunswick sportsmen were fined fifty dollars each for leaving their campfire burning, causing thereby a serious timber conflagration. Heavy fines and jail sentences are also the rule with many Quebec magistrates who are determined to stamp out the prevalent carelessness of the public in regard to forest destruction.

Not many years ago, an Eastern Canada farmer set fire to his debris to clear a new patch for potato planting and as a direct result burned down enough white pine to have kept the largest Canadian lumber plant supplied for 56 years.

## FOREST FIRE NEAR LOGGIEVILLE

A serious forest fire broke out Tuesday afternoon about five miles below Chatham in the woods between the McKnight and Forrest roads. Fortunately the wind was not strong, a slight breeze blowing from the east at the time, but so dangerous did the situation look that Fire Warden Howard Irving who arrived at the scene very quickly after the blaze was reported, ordered back firing to be started on the Forrest road in an effort to keep the blaze from crossing that road and reaching another extensive section.

A large crowd gathered from nearby sections to help in the fight and to watch the conflagration which was awe inspiring as tree after tree shot up in flames amid a roar like a hurricane.

Fires are also burning at Rogersville, Acadiaville and on the Southwest. That on the Renous river which is 10 miles in extent is reported under control.

**Purity. Quality. Economy**

## MRS. PERRY FOUND NOT GUILTY

Yarmouth, N. S., July 5—"Not guilty" announced the foreman of the jury which for the past seven days has sat in the Yarmouth Curling rink watching the proceedings of the trial of Mrs. Clara Elizabeth Perry for the murder of her husband, the late Captain George Henry Perry. There was an exclamation from the audience, but the black garbed figure in the prisoner's dock expressed neither extravagant surprise or satisfaction.

### Never Lost Her Poise

The poise, which since the tragic event of the night of February 26 last, has never completely deserted her, stood her in good stead when her daughters embraced her and Counsel for the prosecution and defence with Chief Detective Horace Kennedy, of Halifax, who arrested her, came forward to shake hands and offer their congratulations.

Mansfield Ross, held by the Crown as an accessory after the fact of the murder, evinced evident relief when the verdict of the acquittal was announced. The jury was out of the court room for an hour and a half.

## 300 BOY SCOUTS TO CAMP AT GRAND LAKE

During the past few months the Boy Scouts have increased their organization and membership very largely in New Brunswick and arrangements have been made by the Provincial Council for a "bumper" camp to be held on Grand Lake from the 1st to the 15th of August. It is expected that over three hundred boys will take advantage of this outing.

The aims of the Camp are those of the Boy Scout Movement, viz:—Character-building, Citizen-training and Canadianization.

The Camp is open to any boy in New Brunswick who has passed his Tenderfoot Tests and has been invested as a Scout. The cost to each boy will be \$7.00 for two weeks, so that, financially, it is within the reach of all. Hundreds of Scouts throughout the Province have been saving up their after-school earnings for months to "Be Prepared" for this big event.

The Camp Committee consists of Messrs. T. E. Simpson, A. C. Skelton, J. D. Tothill, V. C. Timberley, and W. V. B. Riddell. Professor Tothill, Dominion Entomologist, of Fredericton, is Camp Director and instructor of Forestry, Canoeing, and kindred subjects. Among the instructors already obtained for the Camp are Prof. William McIntosh, M. Sc. for Nature Study, Forestry and Camplore; Dr. William Warwick, Health subjects; Mr. G. H. Prince, Provincial Forester, Woodcraft; Mr. W. V. B. Riddell, Physical Culture, Field Sports, and 1st Aid to the Injured; Lt. Col. T. E. PETERS, D. S. O., Signalling, Field Sketching, Judging Distance and similar subjects; and Mr. V. C. Timberley, Swimming, Life Saving, Aquatic Sports and Camp Cooking.

The Camp site is an ideal one and is situated one mile above Douglas Harbour, near Grand Point, where there is a ten acre clearing sloping down to a wide sand beach which affords splendid facilities for boating and swimming.

Every care is being taken with regard to the sanitary arrangements of the Camp and the providing of a supply of pure water. The Camp will be under inspection by the Provincial Health Authorities.

A staff of professional cooks has been engaged and a bountiful supply of plain, but wholesome and nourishing food will be provided. Cooking tests and instructions will be given on "hikes" taken away from the main camp when each boy will be issued

single office, under the direction of H. W. Wood, is appointed acting district superintendent of the St. John Postal Service. The former designation, "The Inspectorial Division of New Brunswick," which included, and is still to include, the province of Prince Edward Island, is discontinued. The title inspector is superseded, and the head of the office is to be known as District Superintendent.

The office is hereafter to include directly the Railway Mail Service and is to have jurisdiction over all local postal affairs. This is particularly a return to former arrangements when the Railway Mail Service was first organized having formed part of the inspector's office.

**WILSON'S FLY PADS**

Kill them all, and the germs too. 10c a packet at Druggists, Grocers and General Stores.

with a sufficient quantity of raw food. This Camp will be a red letter event in the history of Boys' Work in New Brunswick and will do a great deal to consolidate Scouting in the Province.

## POSTAL SERVICES ARE CONSOLIDATED

Important postal changes, affecting New Brunswick have gone into effect recently. Dating from July 1, several local postal services are consolidated, and will operate in future as a

**Bake with BEAVER FLOUR**

OBTAIN bread with that delicious home-made flavor—pies, cakes and pastry with tender, delicate, flaky crusts.

Beaver Flour is made from the finest of selected Ontario Winter Wheat combined with enough Western Hard Wheat to give it strength.

Beaver Flour is the original blended flour—and blended flour is recognized by all qualified experts to be the best flour for general baking purposes.

## YOUNG WOMEN AVOID PAIN

This One Tells How She Was Benefited by Taking **Lydia E. Pinkham's Vegetable Compound.**

Regina, Sask. - "For two years I suffered from periodic pains and nausea so I was unable to get around. My mother had me take Lydia E. Pinkham's Vegetable Compound, and I am much better and able to go about all the time, which I could not do before. I recommend Vegetable Compound to my friends if I know they suffer the same way, and you may publish my letter if it will help any one, as I hope it will." - Miss Z. G. BLACKWELL, 2073 Osler Place, Regina, Sask.

If every girl who suffers as Miss Blackwell did, or from irregularities, painful periods, backache, headache, dragging down pains, inflammation or ulceration would only give this famous root and herb remedy a trial they would soon find relief from such suffering.

It hardly seems possible that there is a woman in this country who will continue to suffer without giving Lydia E. Pinkham's Vegetable Compound a trial after all the evidence that is continually being published, proving beyond contradiction that this grand old medicine has relieved more suffering among women than any other medicine in the world.

For special advice women are asked to write the Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of forty years experience is at your service.

## RETAIL PRICES FOR SALE OF LIQUOR

The government executive held sessions Thursday morning and afternoon.

At the morning meeting the Water Power Commission was heard regarding the extension of a transmission line from the Neptune to Newcastle. It was decided that work should start next week.

The Intoxicating Liquor Commission was also heard and a schedule of prices will be issued at once, as the profits of the retailers have been decided upon. The commission is now operating fully.

Ronald McAvity, W. G. Pugsley, Jr. and a California oil expert asked for consideration of a plan for oil shale development.

## CIRCUS CROOKS

A correspondent of the Truro, N. S. News in writing of the Circus which lately visited that town says: "Some enjoyed the show but had the amusement taken from the circus through the clever crooked methods of followers. Many were 'stung to a greater or lesser amount of cash. Not through the many chance games pursued, but apparently by some of the officials of the show. One notable mean trick was perpetrated by one who professed to be selling Reserved Seat tickets at the entrance of the Main Show tent. Asking patrons to give him paper money for silver, he in every case succeeded in doing the obliging citizen out of a dollar or two. There were many other schemes to rob the unwary."

"Now that the Government takes all the cream in the shape of license war-tax, etc. from the towns, which suffer from the visit of these travelling shows, it is up to the Nova Scotia authorities to at once take steps to put a stop to the wholesale robberies committed at circus performances. Unless the management safely can guarantee safety for the public a license should be refused. The guarantee protected by a deposit of a large sum of money, which will be refunded should the show leave the province without any robberies having been committed by followers. References is not being made to the chance games. If a patron gets stung playing cards or meddling with dice he deserves it; but when wrong change is given by pickpockets, the management should be held responsible."

Every circus which tours the eastern provinces has its short change artists who operate inside of the tent, where they appear to be safe from police interference. They have an unlimited supply of silver and they have no difficulty in finding plenty of suckers ready to do business with them. They manage to steal two dollars out of every five and get away with it. If the authorities when a circus comes to town would get after the short change artists in dead earnest they would soon put them out of business.

**SIGNS OF OIL AT ROGERSVILLE**  
Rogersville, North Co., July 5 - Signs of crude oil have been found by the drillers at the borings a short distance from this place.

## DOCTOR SCORES MEDICAL SYSTEM

Halifax, N. S. July 5 - That the present system of medical education in vogue in the colleges is turning out occasionally "bedside incompetents" and is not conducive to the best interests of the professions in the Dominion, was the keynote of the presidential address delivered by Dr. Marjorie Chisholm, of Halifax, at the plenary meeting which formally opened the 22nd annual convention of the Canadian Medical Association here tonight.

Dr. Chisholm deprecated the present day tendency to "specialize" to extremes and suggested that medical students spent far too much time on subjects which were little or no use to the practicing physician. Vigorous applause from the three hundred delegates and a large number of citizens who attended the meeting greeted the remarks.

## WILL WALK FROM MONTREAL TO HALIFAX

MONTREAL, July 5 - Jack Behan and Frank Dill, two of the five transcontinental hikers who recently completed a walk across the continent from Halifax to Vancouver and who have been for the past few days in Montreal for a walking match from Montreal to Halifax, a distance of 756 miles. The race will start at ten o'clock on Thursday morning and will be for a purse of \$1,000, put up by the Halifax Herald and divided into a first prize of \$600 and a second prize of \$400.

The contestants will follow the C. P. R. tracks and will endeavor to help out their expenses by selling post card photographs of themselves as they did on the Halifax-Vancouver hike.

Clifford Behan, a third hiker, was released from the general hospital today, but is too weak to enter the race. Charles Burkman and Mrs. Dill, the other transcontinental hikers, are still in Montreal, but say they have had enough of hiking. They decline to enter the contest, but will be on hand to give the two challengers a send-off and hope to be present to welcome them on their arrival in Halifax.

## CROP REPORT

Reports from District Agricultural Representatives state that prospects for hay are very bad, indications pointing to a seventy-five per cent. crop. Grass pasture greatly in need of rain. Fruit prospects only fair, strawberries in particular being very few.

Tent Caterpillars have done much damage to fruit trees. In some Northern sections the cut-worms have attacked grain fields and caused serious loss.

Potato fields show a large percentage of missing hills. The indications are that Potato and Flea beetles will be more numerous and more destructive this year than for many years.

## Local and General News.

**CAMP BROKEN**  
The 90th Battery C. F. A. under command of Capt. J. L. Lawlor broke camp last Saturday morning and returned equipment to the Army.

**ATTENDED DIVINE SERVICE**  
L. O. Lodge No. 47 attended divine service in St. James' Presbyterian Church last Sabbath morning. A large number of the members attended the service and the order presented a very favorable appearance. Rev. L. H. MacLean, the pastor, preached an eloquent discourse, and the attendance of the congregation was large.

**ON LECTURING TRIP**  
Capt. and Mrs. J. A. Goodwin of the Salvation Army leave on the Str "Alexandra" Monday morning July 12th for Néguaac, Tabusintac and Tracadie, lecturing at the latter places on Tuesday and Wednesday 19th and 20th. The lecture will be "From the Arctic Circle to the Region of the Lion."

**INSPECTED 90TH BATTERY**  
Brigadier-General Macdonnell and Lt. Col. Sparling of St. John, were in town last Wednesday inspecting the 90th Battery C. F. A. General Macdonnell expressed himself as well pleased with the results of the short training undergone by the Battery. He found the men had picked up their work wonderfully and their discipline was very good.

**MEMORIAL TABLET**  
The Royal Bank of Canada is installing memorial tablets in all their branch offices where members of their staffs made the supreme sacrifice in the Great War.  
The local office erected one of those beautiful bronze tablets last week with the following inscription:  
"In memory of  
**GEORGE J. M. BATE**  
A member of the staff of this Bank who gave his life in the Great War 1914-1918.

**LOOSENESS**  
It has been drawn to our attention that a considerable amount of Fire Hose belonging to the Town Corporation, is left on the streets near the properties of those who secured use of same for the purpose of using the town water for mixing cement etc. The hose is laying in the sun and represents a considerable amount of the rate-payers money. If those using same do not return the hose to the town officials, the officials should see that they are obliged to do so when through with it. The sun will do it no good and further demonstrates the looseness of those responsible.

**FIRE ALARM**  
On Wednesday at 1 o'clock p. m. an alarm was sent in for a fire in the Temperance Hall. In some manner the grass in the rear of the building became ignited and reached the shingles on the end of the building. A few of the shingles were torn off and a bucket of water extinguished the blaze. The firemen responded but their services were not required. Little or no damage was sustained.

At 9 o'clock, Friday night, a fire alarm was sent in for some burning brush at the marsh. The Fire Department responded and took the necessary precautions to extinguish the blaze.

**FAILURES FOR SIX MONTHS**  
During the first six months of the present year there have been 26 business failures in New Brunswick according to figures given out at the office of R. G. Dunn & Co. yesterday. These failures represent an amount of \$308,003.32, and are covered by assets to the extent of \$189,933.53, approximately 62 per cent. The largest of these assignments is that of a North Shore lumber concern whose liabilities amounted to \$90,000, about two thirds of which can be met by the company's assets. During the first half of 1920 there were only 12 failures in the province, these represent \$38,557 and were met by \$29,148 assets or about 52 p. c. of the amount assigned for.

For Sale By  
**DICKISON & TROY**

Ho, hum At last the weather is hot enough to criticize.

**SOCIAL TONIGHT**  
No. 47 L.O. Lodge will hold a Social in their Lodge rooms tonight in commemoration of Orangemen's Day, July 12th.

**HAYING BEGINS IN N. B.**  
Haying begins this week in several southern countries of this province. In York the crop on the uplands is reported to be very light as a result of the prolonged dry spell.

**TAKEN TO PEN**  
Chief of Police John H. Ashford took Walter Matchett to the Penitentiary in Dorchester, last Tuesday to serve a two year sentence for wife desertion, imposed by Magistrate J. R. Lawlor a few weeks ago.

**GIVING NEW LIFE**  
Capt. and Mrs. J. A. Goodwin, the new Salvation Army Officers are putting new life into the local corps. They are creating much interest in the cause and are drawing much larger audiences than usual.

**LAWN SOCIAL**  
A Lawn Social is to be held on the grounds of Mr. D. Baldwin, Nelson, on Thursday evening, 14th inst. by the young people of the Presbyterian Church. They are selling useful and fancy articles, also Ice-Cream and candy. A choice programme will be rendered in which Mr. Elder of Millbank takes part. Everyone is invited to attend.

**CARD OF THANKS**  
Messrs. A. D. Farrah & Co. announce in their front page space of this issue of the Union Advocate the result of the Contest recently held by them, and wish to extend their sincere thanks to the judges, Mayor C. E. Fish, of Newcastle, Mayor J. Y. Messereau of Chatham and Ex-Warden G. P. Burchill of Nelson.

**REPAIRING BUILDING**  
The Band and G. W. V. A. have several men employed renovating and refitting the interior of the Mechanic's Institute building. These repairs are badly needed and the two organizations who use the building for meeting purposes are desirous of putting the building in a comfortable condition. It will require considerable money to fix the interior, and after this is done, the matter of finishing will be considered.

**BATHING RESORT**  
Vye's Beach is quite a bathing resort during the present warm weather. Each evening bathers numbering into the hundreds frequent this beach and enjoy the swimming which it affords. The lack of apartments for dressing and undressing is a serious handicap to the patrons. A very small expenditure would provide two or three suitable buildings for this purpose, and it would be money wisely spent. We hope the suggestion will be acted upon, either by the Town or some philanthropic citizen. It merits consideration.

**BADLY INJURED BY AUTOMOBILE**  
Early Friday morning about 2:45 o'clock, Thomas Keating of St. John was struck by an automobile on the King's Highway, near his brother Mr. Patrick Keating's residence. The unfortunate man was severely injured and it is considered miraculous that he escaped being killed.

It is said that those in the automobile were soldiers, and the victim being on the street was hit by the fast driven car and thrown into the ditch. The occupants of the car stopped and had considerable difficulty in locating the injured man. After a long search he was finally found and removed to the Miramichi Hospital where his injuries were attended to.

**ANNIVERSARY SALE**  
A. D. Farrah & Co. celebrated their 28th Anniversary Sale on Saturday and Monday. A large number took advantage of the many bargains offered and one and all were well pleased with their purchases. A Free Return Automobile trip from Chatham was given and many from that town took advantage of it to attend the Sale.  
Bargains were displayed on all counters and great savings were made by those who attended. This firm does business on the principle that once a satisfied customer at ways a customer and because of this treatment to customers on their part the business is making many new customers continually.

**HEAT WAVE DISPERSED**  
The intense heat wave, which the Miramichi district experienced last week was most agreeably dispersed by a refreshing north-west breeze, which struck up about 6 o'clock Saturday evening. It was a great relief from the terrific heat which was becoming almost unbearable.

**DROWNING ACCIDENT**  
Dustin Tobin, a lad twelve years of age, lost his life by drowning on Sunday. The young boy attempted to jump from a wharf to a motor boat, missed his footing, went down and never reappeared. He leaves to mourn besides his parents two little sisters. The funeral took place this afternoon at 2 o'clock.

**FIRE AT NELSON**  
Fire broke out last Sunday afternoon at 1:30 o'clock in the Flett home stead in Nelson. A line of hose was stretched from the Wm. Sullivan Mill, and as a consequence the fire was confined to the house and the out-buildings were saved. The house was one of the old-fashioned built ones and its ruin is a distinct loss.

**MAKING LAWN**  
Mr. Edward Dalton has purchased the Masson property on Castle Street from Dr. F. J. DeLeon, and has now engaged a number of men tearing down the old burned building and proposes clearing the property to the front of the wharf, and will convert it into a lawn for the use of guests of the Miramichi Hotel. This will make a wonderful improvement on this street and will be of great advantage to guests of the hotel.

**DANGEROUS BRIDGE**  
Residents of the Little South West Miramichi River report that the bridge in front of Ambrose Stewart's residence is in a dangerous condition. The pipe for repairing this bridge has been on the road side for the past two or three years but as yet nothing has been done towards repairing it. The Public Works Dept. in Fredericton has been advised of the bridge's condition by the Road Supervisor, but that has been the end of it. The residents of this locality are about fed up with the present condition of this bridge and would like to know when something to better its condition will be done.

**FORMER PASTOR**  
Rev. S. J. McArthur, pastor of Chalmers Presbyterian Church, Quebec City, and a former pastor for ten years of St. James' Church, Newcastle, N. B. occupied St. James' Church pulpit on Sunday evening. A large congregation was present, to again listen to their beloved pastor and enjoyed the eloquent discourse delivered by him. In his remarks Mr. McArthur spoke feelingly of the many acquaintances and friends whom he missed since leaving here three and one half years ago, and also drew attention to the prosperity of the people which he was most pleased to see.

**PRESBYTERIAL NOTES**  
At the meeting of Presbyterial held last week in Chatham, the following officers for ensuing year were elected: President—Mrs. L. H. MacLean. Vice-Presidents—Mrs. Hugh Miller, Mrs. D. Archibald, Mrs. J. H. A. Anderson and Mrs. A. B. Carson. Secretary—Mrs. Osborne Nicholson. Treasurer—Miss A. B. Cameron.

An invitation from the auxiliary of St. James' Church, to meet in Newcastle in 1922 was heartily accepted, the date of the meeting to be appointed by the executive committee.  
On Thursday evening Rev. S. J. McArthur formerly of Newcastle, now of Quebec City was present and on being called spoke a few words of greeting as an old friend of the Presbyterial.

**Cholera Infantum**

Cholera infantum is one of the fatal ailments of childhood. It is a trouble that comes on suddenly, especially during the summer months, and unless prompt action is taken the little one may soon be beyond aid. Baby's Own Tablets are an ideal medicine in warding off this trouble. They regulate the bowels and sweeten the stomach and thus prevent all the dreaded summer complaints. Concerning them Mrs. Fred Rose, of South Bay, Ont., says: "I feel Baby's Own Tablets saved the life of our baby when she had cholera infantum and I would not be without them." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

**ORANGE DAY**  
The Orangemen are holding a grand gathering today at Moncton. It is expected that about 2000 members of the body will parade.

Persons who read a joke and laugh whether they see the point or not create the impression that they have a sense of humor, but the conscientious flareback must jar them.
