quantity used will be determined by Watt
Meters placed on the City's incoming switch-
board. Any party or company tendering for
the right or franchise in the City under the
conditions herein referred to shall submit with
such tender a deposit in cash or marked cheque
of \$5,000. In case of acceptance of such tender
the contractor shall deposit an additional
\$20,000 within thirty days; said two sums to be
retained by the City as security for the comple-
tion of the company's works to develop the
Water Power and for the works and plant
necessary for the transmission of same to the
City.

WATER POWER LOCATIONS.

In addition to the above the City will receive
proposals from parties who own Water Powers
for the sale to the City of such Water Power,
such proposals to be accompanied by plans
showing the location of such Water Powers and
any works of development which may be done
upon them.

The City reserves the right to reject any or
all tenders or to accept any bid which appears
advantageous to the City of Winnipeg.
