wered by Special Act of Parlian 4 Vict., Chap. 9. REDUCED RATES OF PREMIUM-HALF CREDIT RATES OF PREMIUM. CREDIT RATES OF PREMIUM.

THE great and decided success which has attended this Institution, has induced the Directors to REDUCE the RATES originally required in British North America, to the ordinary European Rates. The result of such Reduction is to enable parties to avail themselves of the important benefits to Life Assurance at much lower Rates of Premium than those of any other Assurance accompany t ansacting business in Canada.

The Directors have also resolved to extend to British North America the advantages afforded by the HALF CREDIT RATES of FREMIUM which have been so highly approved, and are so generally adopted by Policy Holders in the United

they may proceed by sea or land, to other parts of
North America without affecting their Interest in
their respective Policies.
