The copy filmed here has been reproduced thanks to the generosity of:

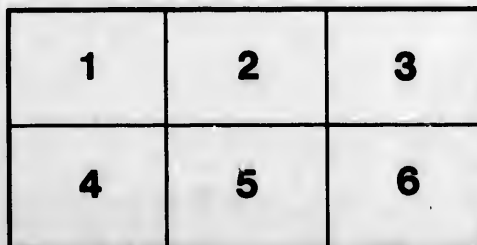

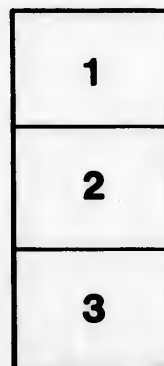

Library of the Public
Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

La bibliothèque des Archives
publiques du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

PRAYERS.

AT OPENING.

PREVENT US, O Lord, in all our doings, with Thy most gracious favour; and further us with Thy continual help; that in all our works begun, continued and ended in Thee, we may glorify Thy Holy Name; and finally, by Thy mercy, obtain everlasting life, through Jesus Christ our Lord. Amen.

O GOD, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with Thy favour our Sovereign Lady, Queen Victoria, and so rule her heart, that she may in all things seek Thy honour and glory. Prosper with Thy blessing the designs of this Society. Comfort with Thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants the Clergy; the endeavours of all who are engaged in spreading the knowledge of true religion in the dominions of our Sovereign, and the labors of those Missionaries who are proclaiming the same in this Province. And may Thy Holy Spirit direct all our consultations to the advancement of Thy glory, and the good of Thy Church, through Jesus Christ our Lord. Amen.

O MERCIFUL GOD, who hast made all men, and hatest nothing that Thou hast made, nor wouldest the death of a sinner, but that he should be converted and live: have mercy upon all Jews, Turks, Infidels and Heretics, and take from them all ignorance, hardness of heart, and contempt of Thy Word; and so fetch them home, blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd, Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Spirit, one God, world without end. Amen.

OUR FATHER which art in Heaven, hallowed be Thy name. Thy Kingdom come. Thy will be done on earth as it is in Heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation, but deliver us from evil; for Thine is the Kingdom, the power and the glory, for ever and ever. Amen.

AT CLOSE.

THE GRACE of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all evermore. Amen.

RULES AND REGULATIONS OF THE GENERAL COMMITTEE.

BOARD OF HOME MISSIONS.

Whereas, it is desirable for the better provision for the ministrations of the Church in the Diocese of Fredericton, that there be a systematic and permanent plan for the payment of the stipends of Missionaries; therefore resolved,—

1. That in order to encourage the established Missions to become gradually self-supporting, all grants made by or through this Society in aid of Missions (not including stipends secured to any of the elder Clergy on the Society for the Propagation of the Gospel grant during life) shall from henceforth be made conditional on the contribution by the Mission itself of a stated sum towards the General Purposes of the Society.

2. That all grants made by the General Committee be made subject to these resolutions, and be distributed under the direction of the Board of Home Missions, who shall have at all times all such and like powers and rights with respect to the same, or any of them, as the General Committee of the Society would have if in session.

3. That the Board of Home Missions annually present to the General Committee of the Society, on the first day of their meeting, a full and detailed account of all business transacted during the expired year, and also a list of grants recommended for the ensuing year, with the conditions to be annexed to each, and shall also report to the Executive Committee at each quarterly meeting thereof.

4. That on the approval by the General Committee of the grants recommended for the year, the same shall forthwith pass into operation on the basis of the foregoing resolutions, and subject to the following regulations:

(a) The Board of Home Missions (acting in conjunction with the Lord Bishop) shall forthwith, after the annual meeting, communicate with the Wardens or other Lay Members of the Church in each Mission, requiring them to enter into engagement (A) with the Society, to contribute the sum required of the Mission for the year.

(b) Should such engagement not be entered into to the satisfaction of the Board before the 15th day of August then next, they shall communicate with the Missionary, requiring him to give each of his congregations notice (B) of withdrawal of all payments as a Missionary receiving stipend through this Society on first October then next, unless the engagement be meantime completed.

(c) Should such engagement not be entered into to the satisfaction of the Board before the 1st of October then next, all payments to the

Missionary's salary through the Society shall be withdrawn, and no stipend shall thereafter be payable in respect thereof. Provided that should the Missionary see fit to resign his cure, he shall, if stationed for the remainder of the year by the Lord Bishop in any vacant Mission which may be willing to comply with the terms required of the defaulting Mission, be entitled, in respect of the services to be rendered in such new Mission, to such stipend as may be agreed upon between such Missionary and the Board, not exceeding that provided for the continuation of his services in his former Mission, and upon the like terms and conditions. Provided, also, that any such Missionary, if not so appointed to any new Mission, may nevertheless be permitted by the Board, on special application, to draw on 1st of April for a sum in their discretion; but not exceeding his previous quarter's stipend from the Society.

(d) Where such engagement is entered into, the Board shall forthwith notify the Missionary, who shall thereupon (unless the terms of such engagement shall not be fulfilled as hereinafter provided) be entitled to draw upon the Society for the full amount of his quarterly salary, including therein the sum required for the quarter of the Mission itself.

(e) The amount required from the Mission may be paid either in money or produce, and shall be so paid by equal quarterly instalments at least one month before the last day of each quarter. If paid in money the same to be remitted direct to the Treasurer; and if paid in produce, such produce to be furnished to and received by the Missionary, and his receipt, in lieu of money, forwarded to the Treasurer within the time aforesaid. Provided that, if necessary, the Mission may have one month's grace to complete the payment.

(f) Should the Missionary give any such written receipt for produce, he shall keep a record thereof, and shall make his next quarter's draft for such sum only as shall be due him after he shall be debited with such receipts in the Treasurer's books.

(g) Should neither the money nor receipts for produce to the full amount required for the quarter, be received by the Treasurer by the last day of the second month of the quarter, it shall be the duty of the Treasurer at once to send to the Missionary and to each of the persons who shall have signed the engagement, the notice (C), and should neither such money nor receipts have been so received by the last day of the quarter, the grant of the Society shall thenceforth cease, and it shall be the Treasurer's duty at once and in like manner to send the notice (D). If, however, the arrears be subsequently paid, the Board shall have power to renew the grant on application from the Mission.

(h) In case of the Missions where the Missionary's stipend is secured for life on the Society for the Propagation of the Gospel grant, the Board shall call on the Wardens to enter into the prescribed engagement only in case of the demise of the present Missionary; and those Missionaries shall continue to draw their stipends as heretofore accustomed, unless any shall voluntarily come within the general system adopted for other Missions.

(i) It shall be optional with the Board to permit any Mission to make a quarterly, half-yearly or yearly payment at any period in advance, and these regulations, *mutatis mutandis*, shall thereupon apply generally to any such Mission.

(k) The Board shall have full power and authority to make all such further bye-laws, rules and regulations as in their opinion may be required for their guidance, and from time to time to alter or amend the same as they shall see fit.

5. That every clergyman receiving a stipend through this Society, shall be required to make to the Secretary of the Society, according to such form as the Board of Home Missions may from time to time require, a yearly return on the first day of May in each year, showing—

1. The estimated number of the members of the Church of England.
2. The number of Churches, Chapels of Ease and Missionary Stations respectively.

3. Whether or not there is a parsonage house belonging to the Mission or provided by the people.

4. The income from Church or Glebe Land for the year ending 30th April last.

5. The amount contributed towards the support of the incumbent from sources other than the grant through this Society.

6. The number of public services on Sunday and in the week respectively.

7. The average congregation in each place of worship at Sunday services

8. The number of baptisms.

Which returns shall be laid before the Board of Home Missions forthwith and before the General Committee on the first day of their meeting, and no grant shall be payable to any Missionary, in default of rendering any such statement or return, so long as such default shall continue.

6. That the clergy who do not receive stipends through the Society be requested to forward the same return, as far as possible, to the Secretary on the 1st day of May in each year, in order that a complete statement of the Diocese in these particulars may be published in the Annual Report of the Society.

7. That all the clergy of the Diocese be requested to forward to the Board of Home Missions on the 1st January in each year a statement for the year ending 31st December, showing—

1. Communicants (counting all those who, having had opportunity, have communicated within the year).

6. Income for Church purposes from other sources—including income from Church Lands (not Glebe), and income on any moneys invested for the use of the Church.

(This statement is required by the S. P. G., and their grant to the Diocese depends upon its being satisfactory).

8. That the Board of Home Missions, in conjunction with the Lord Bishop, shall appoint deputations of Clergymen and Laymen for each Deanery, which each deputation shall visit, for the purpose of holding Missionary meetings in the several Missions, and taking up collections thereat, not interfering, however, with the usual semi-annual collections and annual cauvass of the Mission on behalf of the Society; and further, of making enquiries as to the power of the Mission to contribute towards the Clergyman's support; such deputations reporting to the Board, and through them to the General Committee of the Society.

9. That the Board of Home Missions, in conjunction with the Lord Bishop, may further appoint special deputations to enquire into the causes of any deficiency of contributions or other pecuniary difficulties in any Mission; and shall have power to call for any returns they may think proper from any of the Parishes receiving aid from or through the Society.

10. That the Lord Bishop be respectfully requested to transmit a copy of these resolutions to the Venerable Society for the Propagation of the Gospel, requesting their concurrence therein.

11. That the Board of Home Missions shall have power, with the approval of the Lord Bishop, to make any grant that the funds may allow, in aid of any Mission not already receiving aid, upon such conditions as they may arrange; such grant to terminate, in every case, on the first day of July next ensuing.

12. That a certificate be added to the parochial agreements, which shall be signed by the representatives of the Mission, declaring that the amount given by the Mission is a *bona fide* contribution, and that no part is derived from the rent of glebes or the interest of investments—the property of the Mission.

13. That the Board of Home Missions shall have power, with the approval of the Lord Bishop, if there be available funds, to make a grant, not exceeding \$100.00, to aid in the building of any Parsonage House, when it shall be certified that such grant will complete the building free of debt.

N. B.—The payments specified above are to be the *bona fide* contributions of the persons stated.

THE DIVINITY SCHOLARSHIPS FUND.

1. The Divinity Scholarships Fund shall consist of the amount already appropriated thereto, of all accumulations of interest, and of all subscriptions, legacies, collections, and other contributions given to or applied by the Society for this special object; and the interest of this Fund shall be applied solely for the purposes of the second object of the Society, as hereinafter provided.

2. The Treasurer of the Diocesan Church Society shall from time to time, under the directions of the Executive Committee, invest every \$500 of surplus of this Fund, and add the same to the capital of the Fund.

3. The entire management of the Fund in all other respects shall be, and hereby is, vested in the Board of Home Missions.

4. No grant shall be made from such Fund until the capital thereof shall, by accumulation or otherwise, have reached the sum of \$1,200, nor shall the grant or grants thereafter be made to exceed in any one year the interest on the capital of such Fund for the year.

5. Every such grant shall be a sum not exceeding \$200 per annum, and shall be tenable for such a period, upon such terms or conditions, and at such collegiate institutions as the Board of Home Missions shall, subject to the approval of the Lord Bishop of the Diocese, determine.

6. The choice of Divinity Scholars shall be made by the Board of Home Missions, subject to the Lord Bishop's approval.

7. The Secretary of the Board of Home Missions shall be the Secretary of this Fund, and he shall conduct all correspondence, and perform such other duties in connection therewith, as the Board may direct.

8. The above rules may be altered only by the General Committee of the Diocesan Church Society, after a year's notice of the proposed change.

THE INCAPACITATED CLERGY FUND.

1. The Fund for the assistance of Clergymen who are incapacitated by mental or bodily infirmity shall consist of the capital sum of \$3,000; being the amount heretofore specially appropriated from the Fund belonging to the seventh object of the Church Society, of all accumulations of interest, and of all subscriptions, legacies, collections and other contributions given to the Society for this special object, and the interest only of this Fund shall be applied to the relief of disabled Clergymen of the present Diocese of Fredericton.

2. The Treasurer of the Diocesan Church Society shall, from time to time, under the direction of the Executive Committee, invest any surplus money of this Fund, and add the same to the capital of the Fund.

3. The entire management of the Fund shall be, and hereby is, vested in a Committee to consist of the Bishop and the Bishop Coadjutor (if any) of the Diocese, and of three Clergymen and three Laymen, to be appointed annually by the Executive Committee, at the July meeting thereof.

4. Any Clergyman duly appointed as Rector, Missionary or Assistant Curate in the Diocese of Fredericton, and being unable to discharge the duties of his office through mental or bodily infirmity, and wishing to participate in the benefits of this Fund, shall make application, in writing, to the Committee appointed under Rule 3, who shall determine each case on its own merits, and shall have power to grant such yearly pension, not exceeding \$400, as they shall see fit. The application shall also state the annual value of any private property, pension, or income of which applicant may be possessed, or which is directly or indirectly available for his benefit. In all cases an application for a pension shall be accompanied by a recommendation from the Lord Bishop of the Diocese.

5. Should the Committee refuse to entertain the application, an appeal may be made by the applicant to the General Committee.

6. In the event of an application being favorably considered, a pension shall be granted only on condition of the applicant first resigning his cure with all its emoluments.

7. The Committee may, at their discretion, alter or withdraw any of the pensions, subject to an appeal to the General Committee.

8. If any pensioner shall be able to undertake any clerical duty for which he shall receive any stipend, the pension shall be reduced, or shall cease, at the discretion of the Committee, as long as he continues to discharge such duty.

9. No Clergyman shall receive any benefit from this Fund unless he shall have served at least seven consecutive years in the Diocese of Fredericton.

10. If any pensioner reside out of this Diocese, sufficient proof of his continued disability shall accompany his draft for the pension.

11. Pensions shall be payable quarterly, and proportionately for any part of a quarter, on the first day of January, April, July and October, in each year.

12. No alteration or amendment to the above rules may be made except by the General Committee, and upon notice of the proposed change given in writing, at the next previous annual meeting.

THE INCAPACITATED CLERGY SPECIAL FUND.

(Rule adopted by General Committee, July 1886.)

That the Special Fund be kept separate and untouched, and that all interest derived from it be allowed to accumulate, until it shall have reached the sum of fifteen thousand dollars, and that then the whole amount be transferred to the ordinary Incapacitated Clergy Fund of the Society, when the income may be applied to the purposes for which the Fund is being raised.

THE CLERGY WIDOWS AND ORPHANS FUND.

1. The Church Society of the Diocese of Fredericton in the Province of New Brunswick, shall have a special Fund to be called "The Clergy Widows and Orphans Fund," which shall consist of the present capital held by the Society for this object (subject to its present liabilities), of all subscriptions, donations, legacies, devises and bequests, and other contributions given and paid to the Society for this special purpose, and of all payments received under these rules; and this Fund shall be applied to the assistance of the families of deceased Clergymen, in accordance with these rules, and to no other object.

2. Every Clergyman in this Diocese, duly licensed, whose widow is not already entitled to a pension from the Society for the Propagation of the Gospel, wishing to share in the benefits of this Fund shall, within six months, from July 5, 1871, or within one year from receiving Holy Orders, or from his admission into the Diocese, apply to the Secretary of the Fund for a certificate, and shall thenceforth pay annually the sum set opposite his age in the annexed scale. Any applicant after such period of time shall only be permitted to receive a certificate at the option of the Executive Committee of the Church Society, and upon such terms as they shall direct.

3. Every Clergyman being a member of this Fund shall make and forward to the Secretary a yearly collection from every congregation in his Parish or Mission. Assistant Curates serving under a Rector, or other Assistant Clergymen, shall not, however, be required to make a collection, but shall forward only their own annual payment.

4. All payments and all congregational collections shall become due on the first day of January, in each year, and must be paid within thirty days. If this rule is not complied with, the certificate shall be considered as forfeited, but may be regained at the option of the Committee, and the applicant shall pay for the new certificate at the rate payable at the age when the same is taken out, according to the annexed scale, together with such sum as the Executive Committee may require in lieu of payments and subscriptions in arrears.

5. Upon compliance with the above rules the Diocesan Church Society undertakes to pay out of "The Clergy Widows and Orphans Fund," a yearly pension of Two Hundred Dollars to the widow of each Clergyman holding a certificate, during the widowhood. Provided that in case the income should at any time be insufficient to pay the full amount of the pensions for which it may be liable, such pensions shall be reduced by the Executive Committee, *pro rata*; provided, nevertheless, that in no case shall any pension be reduced below the sum of \$100.

6. If the widow die or marry again, the pension shall be paid towards the support of such children of the deceased Clergyman as may be under the age of eighteen years. In this case, when the youngest child shall have attained this age the pension shall cease.

7. The Trustees named in the will of the Clergyman shall be recognized by the Committee in the event of the death or marriage of his widow, and shall receive the pension, to be applied by them for the support of the child or children; but if the Trustees so named are unwilling or unable to act; or if Trustees should not have been named,

then the Bishop of the Diocese shall himself act, or in writing appoint a Trustee to act, in the application of the pension.

8. If the wife die before the husband, his child or children shall at his death receive the pension, under the limitation as to age expressed in Rule 6.

9. No certificate shall be issued to any Clergyman over the age of sixty years, who is not already in the Diocese at the time of the formation of these rules; but any Clergyman already in the Diocese, over the age of sixty years, and whose widow is not entitled to a pension from the Society for the Propagation of the Gospel, shall be admitted a member of this Fund, on making the annual payment for the age of sixty years, and otherwise complying with the rules.

10. If a Clergyman removes with the Bishop's consent from the Diocese, after officiating in it not less than ten years, he shall be allowed his claim upon the Fund, on continuing his yearly payment, and the sum of \$6 in lieu of the collections from his Parish or Mission.

11. If a Clergyman is unable to continue his public ministrations, through sickness or accident, upon the production of a medical certificate testifying the same, he may continue his connection with the Fund, upon making his yearly payment,

12. Any Clergyman degraded or suspended from the ministry, or any widow or orphan who shall not be in communion with the Church of England, shall be entitled only to such payments as the Executive Committee shall prescribe.

13. The Treasurer of the Diocesan Church Society shall be Treasurer of this Fund, and shall from time to time, under the direction of the Loan Committee, invest every hundred pounds of surplus money, and add the same to the capital of the Fund. A yearly detailed statement of the income, payments and invested money, shall be published in the Annual Report of the Diocesan Church Society.

14. The pension shall be payable half-yearly, on January 1st and July 1st, in each year, the first payment to be calculated for the interval from the death of the insured to the day of payment.

15. The Secretary of this Fund shall be appointed by the Executive Committee, and it shall be his duty to issue certificates, receive payments, donations and collections, which he shall hand to the Treasurer every quarter, or oftener if required by him.

16. None of the above rules shall be altered, except at the Annual Meeting of the General Committee of the Diocesan Church Society, after a full year's notice of the proposed change.

WIDOWS AND ORPHANS SPECIAL FUND.

1. The Fund to be kept on deposit at interest in some chartered bank, or otherwise invested in securities which may easily be realized, and the interest received to be added to it from time to time.

2. Applications for grants from the Fund to be made to the Lord Bishop and the Board of Home Missions, and to be determined upon by them; any grants made to be reported to the General Committee at its next meeting.

3. The application of the Fund not to be limited to the cases of widows or relatives of clergymen serving in the aided Missions, but to extend to all cases throughout the Diocese, occurring after its formation and requiring help.

4. Each such grant to be made from the capital of the Fund, until the same shall be exhausted, and not to exceed one hundred dollars in the case of any one clergyman's decease.

5. The application of the Fund to be limited to the two cases following:

(a) Where the clergyman deceased shall not have been connected with the Widows and Orphans Fund, and satisfactory evidence shall be submitted to the Board that the widow, or the orphan children, or other relatives of such clergyman, under the age of eighteen years, dependent upon him at the time of his decease, are not in receipt of an income from all sources exceeding \$300 per annum.

(b) Where, though the clergyman deceased has been connected with the Widows and Orphans Fund, satisfactory evidence shall be submitted to the Board that such widow, or orphan children or dependent relatives under the age of eighteen years, are not in receipt of an income from all sources, (except such Fund), exceeding \$200 per annum.

6. That it is to be understood in all cases that such grant is not intended for the payment of any debts or liabilities incurred by such clergyman before his decease, but is to be available to an extent not exceeding \$100 in any one case to meet the inevitable expenses falling immediately upon the widow or helpless relatives of the deceased when they are not provided with private means of their own to defray them.

THE EDUCATION OF THE CHILDREN OF THE CLERGY FUND.

1. The Fund to assist in the education of the children of the Clergy shall consist of the amount now specially appropriated thereto (being \$1,869.79), of all accumulations of interest, and of all subscriptions, legacies, collections, and other contributions, given to, or applied by, the Society for this special object; and the interest of this Fund shall be applied solely to assist in the education of children of Clergymen duly licensed in the present Diocese of Fredericton, or of children of those who may have died, or retired with the Bishop's approval on the ground of age or infirmity.

2. The Treasurer of the Diocesan Church Society shall, from time to time, under the direction of the Executive Committee, invest every \$500 of surplus money of this Fund, and add the same to the capital of the Fund.

3. The entire management of the Fund shall be, and hereby is, vested in the Executive Committee of the Diocesan Church Society, who if they shall think fit, may vest such management in a sub-committee at their discretion.

4. No grant shall be made from such Fund until the capital thereof shall, by accumulation or otherwise, have reached the sum of \$1,200, nor shall the grant or grants thereafter to be made exceed in any one year the interest on the capital of such Fund for the year.

5. Applications for grants from such Fund shall be made in writing through the parents or guardians of the applicant, to the Secretary of the Fund, and every such application shall be accompanied by a statement of any and all private property, pension or income, of the parent or parents, if living, or directly or indirectly available for the support and education of such applicant, if the parent shall be deceased. The Executive Committee, or its sub-committee, may, in any case, require further statements, which shall thereupon be furnished for their information.

6. Each case shall be determined on its own merits by the Executive Committee, or its sub-committee, subject to the approval of the Lord Bishop of the Diocese.

7. In the event of any application being favorably considered, the Executive Committee, or its sub-committee, shall determine, in each case, the amount of the grant, which shall be made for a single year only, but may, at the option of the Committee, be continued for one or more years, but not after the recipient shall have reached the age of eighteen years.

8. A Secretary of the Fund shall be appointed by the Executive Committee, and he shall conduct all correspondence, and perform such other duties in connection therewith, as the Executive Committee or its sub-committee may direct.

9. The above rules may be altered only by the General Committee of the Diocesan Church Society, after a year's notice of the proposed change.

RESOLUTIONS OF THE GENERAL COMMITTEE.

APPLICATION FOR GRANTS.

That in future no application for grants shall be considered which is not made on the first day of the meeting of the General Committee, or previously.

ABSENCE OF MISSIONARY.

That when a Missionary is absent from his Mission on account of ill health, with leave from the Lord Bishop, his Lordship be authorized in his discretion to pay him the whole or any part of the sum granted for such Mission.

YEARLY GRANTS.

That all grants by this Committee, for Missionary salaries, and all sums placed at the disposal of the Lord Bishop, shall be for the service of the fiscal year in which the grants are made and shall expire with it.

VOUCHERS.

That all vouchers for the payment of any sum of money, whatever, must bear on the face of them the authority under which they are paid, and the period for which they are claimed, together with the services performed.

CONDITIONS OF GRANTS.

Whereas, The grants made by the Diocesan Church Society from its annual income (exclusive of the grants received from the Society for the Propagation of the Gospel), are made in aid of local contributions for the support of the several Missions.

Therefore Resolved, That, in future, grants from this Committee will be made mainly with reference to the ability of the members of the Church in the several Parishes to support their own Clergymen—the amount of local contributions for Church objects in such Parishes, and the sum paid in aid of the general objects of the Society.

BEQUESTS TO BE FUNDED.

That all bequests made to the Society be funded, as heretofore, and the interest only applied to the general or special purposes for which they are bequeathed.

RETURNS FROM PARISHES AND MISSIONS.

Whereas, In consequence of the limited means at the disposal of the Society, and the great necessity for new and extended work, it has become of great consequence that all local glebes, and other endowments of Parishes should be fully utilized.

Therefore Resolved,—1. That the Board of Home Missions be authorized to require from the Church Wardens of every Parish or Mission receiving aid from the Society, full details of all such glebes, Church lands, and other investments, yearly or oftener, as they shall see fit.

2. That if it shall appear that any part of the income from the glebes or investments held for the Rector's use, is taken to make up the sum required by the Society from the Mission, the Board may forthwith increase the amount required in proportion thereto; and in case of neglect on the part of the Rector or Church Wardens to collect the interests or rents, the Board be authorized to enquire into the matter, and, if there be sufficient cause, suspend the grant to the Mission, until the management be made satisfactory to the Board of Home Missions.

CONTRIBUTIONS—HOW CHARGEABLE.

That the Secretary of the Diocesan Church Society be requested to furnish the Treasurer with a minute of contributions reported from every Parish or Mission, specifying the amounts payable to general and special funds, that the amounts so returned be charged by the Treasurer to each Parish or Mission in a book to be kept for the purpose, and that a detailed statement of all contributions then remaining unpaid be rendered by the Treasurer to the Executive Committee, for their action in the matter, at the October meeting, and each meeting thereafter, so long as any amount shall continue in arrears.

SECRETARIES OF LOCAL COMMITTEES.

That every Missionary be requested to furnish annually, to the Treasurer of the Diocesan Church Society, the name of the Secretary of each Local Committee.

CERTIFICATES OF LAY DELEGATES.

That the certificates of the Lay Delegates be sent to the Secretary at least ten days before the meeting of the General Committee, to enable him to report to the meeting at its opening the names of those qualified, and that his report shall be accepted as *prima facie* evidence of qualification.

PRINTING OF RULES AND REGULATIONS.

That all Rules and Regulations made by the General Committee be printed in the Annual Report.

MISSIONS BECOMING VACANT.

That when any Mission now receiving aid from the Society shall become vacant, the grant from the Society shall therefrom cease, and shall only be renewed upon application to the General Committee, or to the Board of Home Missions, and upon such terms as to assessment and grant as they, or either of them, shall consider equitable.

PRINTING STATEMENT TO S. P. G.

That the statement made by the Board of Home Missions to the S. P. G. be printed in the Annual Report of the Society.

TRAVELLING OUTFITS.

Passed July 1884.

Whereas, It is very desirable that some provision should be made whereby men commencing work in this Diocese may be enabled to purchase the requisite travelling outfit without becoming involved in debt for the same, therefore

Resolved, That when a man commences work in this Diocese in a Parish or Mission receiving a grant from the Diocesan Church Society, a sum not exceeding \$250 may be advanced to him for the purchase of the necessary travelling outfit, upon the following conditions:

1st. That he undertakes to serve at least three years in a Parish or Mission receiving a grant from the Society.

2nd. That during these three years his stipend shall not exceed \$700, out of which the Treasurer of the Society shall be authorized to retain \$25 per quarter till the sum advanced be repaid.

3rd. That in case, for any reason, he ceases to do such work before the expiration of the three years, he shall refund such part of the grant as may still be unpaid.

INSURANCE ON PARSONAGES.

Passed July 1887.

That all grants made to Missions by the Diocesan Church Society be upon the condition that insurance on Parsonages be maintained as heretofore required.

CONTRIBUTORS' NAMES.

Passed July 1889.

That the Clergy be requested to report the names of all contributors to the funds of the Society for publication in the Annual Report.

FREE GRANTS OF BOOKS.

Passed July 1889.

That the Book Depository Committee be authorized to make, at their discretion, free grants of books to Parishes or Sunday-schools, out of any surplus funds which may be on hand, applications for the same to be made to the Secretary of the Committee.

RENEWAL OF GRANTS.

Passed July 1890.

That upon a Mission becoming vacant, the grant from the Society may be renewed upon such terms that the stipend shall not exceed \$700, with a parsonage, or \$780 without a parsonage.

UNION OF D. C. S. AND SYNOD.

Passed July 1890.

That the General Committee direct the Clergy to consult with the Local Committees of the several Parishes on the question of the union of the Diocesan Church Society and the Diocesan Synod, and report to the General Committee at the next annual meeting.

RESOLUTIONS OF THE EXECUTIVE COMMITTEE.

A Committee shall be appointed to be called "The Glebe Land Committee," with full and absolute power and authority to demise and lease, by public auction or by private agreement, for any term or terms of years, with or without covenants for renewal, and upon such other covenants and conditions as may be deemed advisable; and to sell at public auction or by private sale and convey in fee simple, subject to such limitations, conditions and restrictions as may be deemed advisable by the Glebe Land Committee, all and every or any, the lands, tenements and hereditaments vested in the Society under Chapter 76, 84th Victoria, or any part thereof, not heretofore conveyed by this Society; and for such purposes to advertise in any manner the said lands, or any part thereof, for sale or to lease, and also to cause all or any leases, conveyances or deeds to be prepared, and to cause and direct the seal of the Society to be affixed to the same; also to receive the proceeds of all or any sales so made; all things to be done under this resolution, however, to be in accordance with the terms, conditions, provisions, and stipulations of 48th Victoria, Chapter 36, ss. 50, 51, 52, 53, 54; and all proceeds of all or any sales and rents of lands leased under this resolution, to be handed over or paid to, and received by the Treasurer of this Society for the time being, to and for the uses, trusts and purposes set forth in the last mentioned Act.

Resolution passed July 2, 1886.

That the Glebe Land Committee be instructed and authorized to take such steps and bring such suits as they may think necessary to retain possession of, and recover all lands and property connected therewith, vested in the Society under the Act 84 Vic., Cap. 76, subject always to the consent and approval of the Lord Bishop.

REPORT.

1890.

During the past year the Church in this Diocese has to regret the loss, by death or removal, of several of those lately engaged in the great missionary work. In several instances, however, their places have been filled. Never was a better opportunity afforded than now for aggressive and successful work.

The following considerations are presented to every member of the Church in this Diocese. Is the great work this Society has had on hand for over half a century to be now curtailed or stayed? Is this great calamity to come upon the Church for the want of a few hundred dollars, which it is clearly in the power of churchmen to supply in addition to the present contributions? It is hard to resist the appeal for help to over-worked missionaries, or from those destitute places craving for the ministrations of the Church; but to close up Missions long established is beyond measure to be regretted. This implies deprivation of all hallowed services connected with public worship and all the varied holy offices, injury or decay to churches, parsonages and school rooms, and the difficulty of recovering lost ground, if left vacant for a period of years. Then, is the Clergyman, probably well worn with years of service, or, it may be, with a dependant family, to be left without means of support?

In the report of the Board of Home Missions the financial condition of the Society is most fully set forth, clearly show-

ing that the ills alluded to will follow unless the members of the Church are ready to make increased offerings to the Missionary Fund.

The words of the Lord Bishop, in his pastoral letter, must have been very generally heard or read. His Lordship's closing remarks may well be placed upon the records of the Annual Report of the Society:

"Let us copy the example of those noble converts who, 'to their power, yea, and beyond their power, were willing of themselves'; and so the God who has given many of us gifts richly to enjoy, shall give us of 'His unspeakable gifts'—beyond all money and all price; making our hearts larger, and our charity towards each other to abound more and more, to the glory of His grace, who hath given us His Blessed Son, and in Him, who hath freely given us all things."

Many of the foregoing remarks will be found strikingly illustrated in the reports of the Missionaries herewith submitted.

ANDOVER—REV. L. A. HOYT.

During the past year I have thankfully to record signs of prosperity and growth in this missionary field. The Parishes of Gordon and Lorne have been served for nearly a year by an active and faithful Deacon, the Rev. John R. Hopkins, who will no doubt give you an account of his labors. This work has been aided by the Woman's Aid Society of Fredericton, and a generous contribution from the Bishop Coadjutor. As these Parishes comprise a territory stretching from the southern line of the County of Victoria for a distance of fifty miles northward, it goes without saying that I shall be greatly relieved by the establishment of this district as a separate Mission—an event which I hope will take place the coming year.

It also gives me pleasure to again refer to the assistance of the Rev. H. B. Morris, who has for another year been devoting his energies to the work in Bairdsville, a section of this Parish of Andover. By means of such assistants I have been enabled to give more attention than heretofore to the work within the Parish of Andover itself, and its immediate neigh-

borhood. I have established classes for catechising at Hill-andale, Carlingford, and Four Falls, which have been particularly encouraging, and from which I have great hopes that Andover will be made a strong centre.

My monthly visits to Peel and Kent are continued, in hope that material may be retained there as the nucleus for the Mission of Aberdeen. But if the Church is to take her proper place in this part of Carleton County, action must be taken promptly and speedily for the supplying of the need of a resident Missionary.

The Church at Undine, in the Parish of Drummond, is not yet completed, for lack of funds, although it is sufficiently advanced to hold the monthly evening prayers. This Parish of Drummond, in the near future, will require more attention than it receives at present. In urging the requirements of this section of the Diocese I know I will be told, as I have already been told, that I am asking too much; but, as a matter of fact, the taking up of a much needed work frequently produces another and perhaps greater need, and this production is always a sign of life and growth; and thus the wants of the future always stimulate us to the labor of the present.

BAIE VERTE—REV. C. A. FRENCH.

This is a new Mission. It is a joint-mission. It embraces Baie Verte and Port Elgin, in the Diocese of Fredericton, and Tidnish, in the Diocese of Nova Scotia. On the 17th October, 1889, the Missionary in charge came to Baie Verte. Everything is in an embryonic state. Years having been allowed to pass without a resident Missionary in the place, the greater number of the people have drifted into dissent, and the historic Church seems to have only a very small place in our world here. We are, however, far from giving way to a feeling of despair. There is an old saying, "It is never too late to mend," and, as the Church has mended her ways, by sending one of her messengers to raise aloft the drooping flag, possibly there will be a rally by the seashore where shots were often heard in "ye olden tyme," and the peoples may also mend their ways and not wholly abandon the religious home of their ancestors. Of course to accomplish this end we must have help from without. We want a parsonage! We want churches! We want sympathies! We want prayers! Shall we be forgotten? We trust not. The Metropolitan has

very kindly made a beginning in the direction of aid. He has just sent the Missionary a cheque for \$50. We would publicly thank him for his timely assistance.

BATHURST—REV. G. D. PETERS.

No report.

BAY DU VIN—REV. W. J. WILKINSON.

The work in this Parish has gone on without interruption during the past year. I trust it has been productive of much more good than is actually apparent, and that when the secrets of all hearts shall be revealed, it may be found that the seed sown has not been sown in vain. The number of baptisms and of communicants I have already reported to the Society. Whilst the number of communicants is much smaller than it ought to be, I am glad to say that several names have been added to the list during the past year, of persons, long confirmed, who have by God's grace been awakened to their privileges and responsibilities.

The number of deaths has been larger than usual. In this connection I cannot refrain from mentioning the name of Gertrude Williston, whose loss we all deeply feel. So faithful and conscientious was she in all Church work that her early death suddenly and unexpectedly deprived the Church of a loyal church woman and an earnest and zealous church worker.

After much delay the new church at Hardwicke Village was, with the Bishop's license, opened for service January 24th of this year. Services have since been held weekly, and the average congregation has been even larger than I expected it would be. It is only fair, however, to state that many who attend regularly do not profess as yet to be church people. Very little has so far been contributed to the support of the Church from this part of the Mission. A meeting, however, was held in the new church on the evening of Easter Monday, and collectors were appointed to solicit subscriptions in the summer, when it was hoped there would be money in circulation. Those who were present seemed, I think, to realize that if they were to have the services of the Church they must make every effort to contribute to its support, and I trust and believe they will be as good as their word.

I am glad to say the salmon fishing has so far been very good. I hope it may result in larger contributions. I have not yet taken up the annual subscriptions for the Society, as under the new arrangement we have to raise a certain fixed amount during the year, and a week or two later will be a more convenient and altogether better time for the purpose. I am also in hopes of getting a deputation to address the people on the needs of the Diocese, before soliciting the annual subscriptions.

I am looking forward to a confirmation being held this summer, when I trust a goodly number of persons will be presented to the Bishop for the laying on of hands, amongst whom are many older persons who have been brought up in other communions, or who for some reason or other have not been confirmed before. I hope our new church will then be consecrated. Steps have been taken to repair the church at Bay du Vin, and it is estimated that it will take \$400 or \$500 to put it in thorough repair. I hope next year I may be able to report the work done.

We had a visit during the year from Rev. H. How, B. A., of King's College, Windsor, who endeavored to stir up an interest in that institution. He was very successful, and received subscriptions (some of them running over a number of years) which altogether amounted to the sum of \$101.

I cannot conclude without expressing my gratitude to the Metropolitan for his additional contribution of \$25 towards the building fund of the new church, and also for his gift of a font. I trust we may all be stirred up to do more next year than we have ever done yet, and may God direct us in all our doings and further us with His continual help, that in all our works, begun, continued, and ended in Him, we may glorify His holy name, and finally, by His mercy, obtain everlasting life, through Jesus Christ our Lord.

CAMBRIDGE—REV. E. P. HURLEY.

Rev. C. H. Hatheway, the former Missionary, writes, that having resigned the Mission of Cambridge, I cannot leave the Diocese without especially thanking his Lordship the Metropolitan for all the kindness and liberality which he has ever shown to the Mission and myself during the past seven years. At his Lordship's request I undertook the work in this large Mission amidst troublesome times, and whatever work has

been accomplished is due largely to the harmony and good will that secured a blessing on the prayers and works of Pastor and people. I leave the Mission now to better hands, since the Rev. E. P. Hurley, who so ably assisted me during last Lenten season, has been elected unanimously as my successor.

While I wish that the work on St. Luke's church was finished, for we have raised the roof and added a chancel, vestry and bell cote, and have on hand about \$80, yet we can justly feel proud of the improvements made in the other churches.

St. John's, the Parish church, has been entirely renovated, painted inside and out, a gothic surbase and reredos erected, new altar frontals and matting, two new stoves and a bell and organ provided, the chancel has been painted and the walls stained; all is paid for and a small balance of money on hand.

St. James's, the stone church, stands unique, a model of beauty and comfort, and except the seats, which we are adding by degrees, thoroughly equipped, in order to "worship the Lord in the beauty of holiness." There is a small debt of \$340, that is covered by a personal note, which it is hoped will be wiped out this year.

The register shows that during the time I have had charge of the Parish there have been—marriages, 17; burials, 49; confirmed, 94; baptized, 160.

At a good meeting of parishioners held last month it was decided to make the Mission of Cambridge independent, on condition that the D. C. S. continued the Scovil grant. I was therefore asked to convey to the D. C. S. the hearty thanks of the parishioners for all their past favors, and to convey assurance that if it is in their power they will help the Church's work in other parts of the Diocese.

I thank all those to whom it was my happy lot and privilege to minister, for the love, kindness and hospitality ever extended to me. To part from so many friends was no easy task, and let me therefore say to one and all, I wish you prosperity in the name of the Lord; and may your bodies, souls and spirits be preserved blameless unto the coming of our Lord and Saviour Jesus Christ.

CAMPOBELLO—REV. F. PEMBER.

I have the honor to submit the following report of our Church work from June 30th, 1889, to June 30th, 1890. The

progress which we had been allowed to make has at least been maintained. The services have been held on Sundays, without intermission, excepting three Sundays on which I was absent. It is fair to record that the morning services have been more fully and regularly attended than during the two previous years; the average attendance for forty-nine mornings, wet or shine, is 66½. Let me note the observance of Good Friday: at morning prayer there were 75 worshippers; the afternoon watch meeting, with short dissertations on "the dying words," called together 20 devout followers. We have a very slight increase in the number of communicants. A stormy Christmas brought out 16 at the early celebration, and 18 later; total 34. At the feast of Easter there were 22 at the early and 22 at the subsequent celebration. At Whitsuntide, under strange difficulties, we mustered 25. Our entire number of communicants is now 60. It has been a very trying time for our fishermen, financially speaking. In spite of this our offertories have perceptibly increased. We have sent collections for home and foreign missionaries, and for the Jews on Good Friday. Our Sunday-school, which continues to flourish vigorously, gave her six collections in Lent to the D. C. S. and Foreign Missions equally; last Sunday, June 29th, there were 100 children present.

Circumstances absolutely beyond my reach call for my resignation, which will take effect after the first Sunday in September. I beg permission to record my lasting gratitude to the Metropolitan for consideration and kindness, and my affectionate esteem for the Rural Dean and Clergy of Charlotte County; and I humbly pray that the God of the spirits of all flesh will make choice of a faithful Priest to take up the work, where we have left it, and be much better than his predecessor. The church is now entirely free from debt, and as we hope forthwith to paint it, it will be left in a condition second to none in the Diocese of Fredericton.

CANNING—REV. N. C. HANSEN.

It is to be hoped that this Society is not like the Athenians, always desiring to hear some new thing; for, if so, I fear it is doomed to disappointment as far as the report this year from the Mission of Canning is concerned. In fact, the Mission simply exhausted itself in new things last year, as a glance at the Report of 1889 will show to be not improbable. In a

certain sense this has been a sabbatical year with us. Nevertheless, it must not be supposed that our churches were not opened, our sick not visited, our dead not buried; for in reality quite a few more services were held than last year. Several hundred miles were covered in visiting the sick, and also very many were buried. Undeniably then, we might have begun the report with the not unusual though somewhat vague beginning of D. C. S. reports, "The work is going on." Yet, in a sense, we stopped to take breath. But hardly had we called a halt for this purpose, when hopes for the Church here, and plans for its prosperity, were terribly overclouded. Rumors reached us that it was the intention of the Board of Home Missions to recommend the withdrawal of aid to this Mission, on the ground that it was the weakest in point of numbers, and funds were lacking to aid all that needed it. Is it surprising that the rumor acted as a cold, damp hand on the little spark of fire which was beginning to burn in church life. But whether the Society decide as we fear, or otherwise, we thank it for a support in the past, which, to be sure, was never very generous as compared with other Missions, nor, alas! long continued. Though it should desert us, we bear it no malice, but bid it "God speed." "Peace be within thy walls, and plenteousness within thy palaces." *Vale atque salve. Semper vive, vale.*

As for us, what is left for us as we see darkness closing around us on every side, but to join in the Cardinal's prayer: "Lead, kindly Light, amid the encircling gloom, lead Thou me on. The night is dark and I am far from home, lead Thou me on. I do not ask to see the distant scene—one step enough for me."

CANTERBURY—REV. C. A. S. WARNEFORD.

Two years having elapsed without a report from this Parish, I must say something about the past: Two years ago this summer the church at Canterbury Station was re-shingled, and a hip-roof placed on the tower, which had become very leaky, and both tower and roof of church painted with fire-proof paint, which added materially to the appearance; also, the flue, which had become dilapidated, was taken down and rebuilt. In addition to this work, which cost \$85, the walls of the church at Skiff Lake were painted with anticorrosion

paint and the roof with fireproof, and so the brown, weather-beaten building now presents a very respectable appearance.

Last summer a mission was opened at Eel River Lake Settlement, where a monthly service is held, and both summer and winter a goodly number attended the services.

Services are held in five places in the Parish, viz., at the Station, Skiff Lake, Hartin Settlement, Eel River Lake, and Benton. This last place, being partly in Canterbury and partly in Woodstock, is taken conjointly by the rector of the latter parish and myself. Upon looking over the parish register, I find that the sacrament of baptism has been administered to 20 children within the year, and 8 still remain to be baptized. Burials, 8; marriages, 2.

The Ascensiontide missionary appeal was responded to with better financial results than ever before. But for the wet weather I could have stated definitely the amount of contributions for D. C. S., but am positive that it will not be less than that of last year.

CARLETON—REV. W. H. SAMPSON.

Contributions for General Purposes, \$23.83.

CHATHAM—REV. D. FORSYTH.

The work of the Church in this Parish has been continued without interruption since my last annual report. Through the kind assistance of the Rev. E. B. Hooper, who took the services on Sunday, September 15th, 1889, when I was absent attending the Provincial Synod, the Sunday services have been regularly held in St. Paul's and St. Mary's churches. Morning and evening prayers have been said daily in St. Mary's chapel, when I have not been engaged with other duties. During the seasons of Lent and Advent addresses have been delivered on Wednesdays and Fridays, after evening prayer.

The village of Douglassfield contains about 10 church families, with from 15 to 25 children of suitable age to attend Sunday-school. It is situated from $2\frac{1}{2}$ to 5 miles from St. Mary's chapel and from St. Paul's church, and although the distance is not great, I have to regret that the majority of adults and children are not present at the Sunday services,

and receive no Sunday-school instruction; and I look forward to the time when a convenient building may be erected for Sunday-school and for mission services.

At the village of Black Brook, 5 miles from Chatham, mission services might perhaps be held with advantage, at least during the summer months, when there are a few church people among the employees of the New Brunswick Trading Company.

I am thankful to say that the \$50 promised for the General Purposes Fund for the past year, has been paid, and that although the contributions for the coming year have not all been gathered in, I am encouraged to hope that they will amount to \$25 more than last year. If this should be the case, the amount will at least be equal to that of any former year, when some of our best contributors were yet with us, and business prospects much more encouraging than at present. Hence, it will appear that we are not yet upon the "down grade," and that our watchword is still "excelsior."

The pastoral letter of the venerable Metropolitan was read, as requested, to the congregations, and in lieu of missionary deputations, which I have found it impracticable to have with advantage, I took occasion to supplement the pastoral with exhaustive particulars as to the needs of the Diocese.

I am thankful to mention, that following the reading of the Bishop's pastoral came the voluntary help of ladies who expressed their anxiety to collect funds, so that no missions might be abandoned. I have further endeavored to deepen interest in the work of the Church in the Diocese, by distributing 60 copies, each month, of *The Diocesan Magazine*, among the parishioners. The members of a Parochial Missionary Association, to whom districts are assigned, distribute the magazines, and collect "mites" to meet the expenses. There are also a number of regular subscribers to the magazine, who receive it through the mails. I hope that thus the lack of good reading, which, unfortunately, too much prevails in the homes of church people, may be in some degree remedied.

I hope that St. Paul's church will be repaired during the present summer. The present contemplated expense will be perhaps \$200, it being proposed to shingle the roof, re-paint the interior, and provide some new furnishings. St. Paul's Chapter of our Parochial Guild was organized more than a year ago, and has worked faithfully for the restoration fund of the parish church.

The improvements contemplated in St. Mary's chapel may require the expenditure of between \$3,000 and \$4,000. The plans submitted to the Vestry at the last Easter meeting were favorably considered, and a committee was appointed to obtain further information and report at a future meeting. Some very encouraging offers of substantial help have been received, and I trust that we may soon see our way to proceed with the work. At last Eastertide a handsome stained glass window, from the manufactory of Messrs. J. C. Spence & Sons, Montreal, was placed in the south wall of the choir of St. Mary's chapel, and is a great improvement to the chancel.

I am thankful to be able to say that at Easter last the Church Wardens' financial statement showed that all local demands had been met, and this almost entirely through the weekly and quarterly offertory, which, I am glad to state, is more and more appreciated as the scriptural method of providing for the maintenance of the public worship of Almighty God. In addition to offerings for local wants, contributions were also made for Foreign and Domestic Missions; and contributions to the amount of about \$150 were made in Advent last to the endowment fund of King's College, Windsor, N. S., in response to the appeal of the agent of the board of governors, the Rev. Henry How.

On the 2nd day of September last the rite of confirmation was administered by the Lord Bishop Coadjutor to 22 candidates, in St. Mary's chapel. They had undergone a lengthened course of instruction, which I trust may bear fruit in due season. I have, however, to regret the failure of so many to persevere in frequent and regular attendance at the holy sacraments, and I earnestly wish that the bad example of non-attendance on the part of parents and others were removed, that fewer young persons might be tempted to follow the multitude in this pernicious habit of neglecting the highest ordinance of our holy religion.

During the year ending June 30th I have performed 11 burials, and solemnized 4 marriages and 19 baptisms.

I am looking forward to the joy of the presence among us of the most reverend and venerable President of this Society. A right glad and hearty welcome will his Lordship receive whenever he may sojourn by the peaceful Miramichi.

Having now laid before the General Committee such information as I conceive may be of interest or advantage to the Diocesan Church Society, I beg respectfully to submit the foregoing report, with thanks to God for the blessings of the

DERBY AND BLACKVILLE—REV. R. W. HUDGELL.

There are two Parishes in this Mission, viz., the Parish of Derby and the Parish of Blackville. The rectory is situated in the Parish of Derby, one mile from the parish church of St. Peter. There is a distance of 14 miles between the two parish churches. The Parish of Derby contains 26 church families, and 145 baptized members. The present number of communicants is 16. During the past year two have gone to reside in the United States, and four have entered into the rest of Paradise. St. Peter's Sunday-school contains 45 scholars, with an average attendance of 30. There are 5 teachers. On each holy and saint's day the rector conducts a children's festival at 4 p. m., with procession and catechetical instruction. A loan of \$312 has been paid, leaving St. Peter's church free of debt. The holy eucharist is celebrated at mid-day every alternate Sunday, and at 8 a. m. on the principal holy days. The litany is said, with the creed and meditation, every Friday evening. A white frontal, gradine, and glass cruets, have been added to the sanctuary during the year. It has pleased Almighty God to take from our midst, in his 49th year, a much beloved brother and senior churchwarden, Mr. W. T. Crocker. By his removal the church militant has lost a consistent member, a devout communicant, and an earnest worker. *Requiescat in pace.*

The Parish of Blackville contains 38 church families, and 236 baptised members. The present number of communicants is 28. During the year two have left the Parish—one having gone to the United States, the other to St. Stephen, with a letter of recommendation to the Rev. O. S. Newnham. One has entered the church expectant at the ripe age of 79, after a painful and protracted illness. Holy Trinity Sunday-school contains 25 scholars and 3 teachers, with an average attendance of 15 scholars. In this Sunday-school, as also in St. Peter's, Derby, a liturgical office, and lesson leaflets, containing definite church teaching on all points of doctrine and discipline, have been introduced. During the year \$100 has been expended in much needed improvements at Blackville. A gradine, with the holy symbols of the faith, was presented

by the rector. A new carpet for the sanctuary, matting for the nave, two new stoves, twelve lamps, and furniture for the sacristy, were purchased. The bareness of the walls has been somewhat relieved by banners and texts of holy scripture. The holy eucharist is celebrated at mid-day to a large and reverent congregation, every alternate Sunday, and a service consisting of the litany, creed, and meditation, is given every alternate Saturday evening.

The Bishop Coadjutor visited Blackville Parish last October and confirmed six persons. The people in this Parish are kind, enthusiastic, and teachable. Four miles from Blackville parish church there is a settlement called Gray Rapids. During the long vacancy of this Parish a Baptist itinerant preacher took advantage of the helpless state of the people, and succeeded in turning several away from the faith of their fathers. A new church is in course of erection, to be dedicated in honor of St. Agnes. During the year a vacant house has been fitted up as a chapel.

The estimated number of church members for the two Parishes is 379. During the year there have been 156 Sunday services, and above 109 holy and other day services. 43 infants and 2 adults have been baptized. There were 26 communicants in the two Parishes at Easter, 1889; at Easter, 1890, there were 53, an increase of 27. The present number is 44. The whole Mission contributes \$330 towards the Clergyman's stipend, and there is an endowment of \$600 bringing in \$36 per annum.

I am thankful for many divine blessings through the year; for health and grace to engage in such a blessed and important work; for signs of spiritual progress to cheer and stimulate, and for difficulties and disappointments that have chastened and humbled to the very dust. May that which has been according to the divine will and purpose abide forever; but that which has been to the contrary, sink into oblivion.

I desire to express my sincere thanks to this Society for relieving my mind from many a financial care.

was but the prelude to the discharge of the same sad office over several valued parishioners. Among the older members of the church—communicants and supporters of the Society—who followed each other in rapid succession, were Joseph Hickman, S. Gay Gilbert, Mrs. Chandler, of Rocklyn, relict of the late Lieut.-Governor Chandler, and very shortly afterwards, her oldest son, Edward B. Chandler, whose death also implied the removal from the Parish of his widow, a singularly gifted and useful churchwoman. Add to this list the name of William J. Gilbert, a most promising young churchman, and we think that our little Parish has had its full share of losses. Already decimated by deaths, business collapses, and consequent removals, we feel our numerous and continued losses very keenly.

But notwithstanding all these losses, and perhaps, more truly, in consequence of them, new friends of the Society are being raised up with a quickened and growing sense of responsibility. Out of a total list of 91 names, 43 have increased their subscriptions in response to our Bishop's appeal; so that, although as a *deanery* we could not guarantee any increase, I am most happy to be able to report from the Parish of Dorchester a contribution of \$209 for the General Purposes of the Society, which is \$84 more than the sum that, as a Parish, we guaranteed, and it is also the largest amount that we have ever sent into the General Purposes Fund. I may also add that no one whom we had the right to solicit remains unsolicited; no one refused to subscribe, and no one lessened their offering; and we may venture the expression of the hope, that if the same thing has taken place all over the Diocese, our deficiency will happily be a thing of the past.

DOUGLAS AND BRIGHT—REV. W. LEB. MCKIEL.

There is little of special interest to report from this Mission. The usual routine work has been done, and a promising growth in the Church could be announced, were it not for the continual emigration to the west from the Mission. The regular services in the three churches and stations have been kept up, with three celebrations of the Lord's supper every month. The Sunday-schools are in a fair condition, though more children should attend; but this will only be when the parents of the children can be induced to take more interest in the culture and spiritual training of their children. A.

debt of gratitude is due to Miss Jacob of Fredericton, who so long and with so much zeal and energy carried on the Sunday-school work at the church of St. John the Evangelist, at Nashwaaksis. Mrs. Wilson, of Fredericton, whose work is much appreciated, is now carrying on the Sunday-school work and district visiting, from love to the cause, and with no hope or desire for earthly reward. The work of these women is mentioned because they come from another Parish to help us in our work. Of the other Sunday-school teachers and church workers who live in the Parish, no mention need be made beyond the fact that they are doing what they can for the cause of Christ's church, and that their work will be held in remembrance.

The burying ground at St. John's church has been very much improved in appearance this year, under the careful supervision of Mr. Fred Staples, who collected the necessary funds for the purpose.

Our thanks are due to Mrs. Fred Lovegrove, who with much pains and self-denial collected the sum of \$10.50, which was presented to Miss McKiel, in the name of the congregation at St. Paul's church, Upper Keswick, in recognition of her services as organist.

At the end of the year we find a small increase in the number of communicants. One candidate was taken to the cathedral for confirmation. Infants baptized, 14; adults, 3. Marriages, 4. Burials, 8.

FAIRVILLE—REV. J. C. TITCOMBE.

The chief event of importance to record of this Parish is that our anxious and trying labor of love, viz., the erecting and finishing of a church, has been brought to a successful issue, and the 9th day of June, St. Barnabas' day, was one of great rejoicing. Our beloved Metropolitan came and consecrated the house which we had builded; the services were very enjoyable, many of the neighboring clergy taking part. On the Sunday following we also had a visit from the Coadjutor Bishop, and 16 candidates were confirmed. Since our last report we have also erected a large and beautiful clergy house; this, however, is not yet finished, but still the work goes on, and we thank God and take courage. Although many of our men were obliged to go to their work on the consecration day, yet our communicants numbered 95, and the

thanksgiving offerings amounted to \$70; the balance, after expenses were paid, being devoted to a fund for staining the church. The services are well attended, and an addition of three brass instruments has been added to the musical arrangements. There is, however, with us as with many others, a scarcity of money for the greater part of the year; if it were not for this we would be able to add to our works, but we have done our best to earn the Master's verdict—"They have done what they could."

FREDERICTON—REV. G. GOODRIDGE ROBERTS

Reports, for General Purposes, \$1,450.

GAGETOWN—REV. H. HACKENLEY,

I am happy to be in a position to state that the interest in church matters in this Parish is, on the whole, well sustained. In addition to repairs and improvements of last year, others have been added this year, including painting of the rectory outside and further improvements of the land and fences around it. The aisle of the church, from the door to the chancel, has been carpeted, and before the Annual Report of the D. C. S. for this year is placed in the hands of its readers, we hope to see the cemetery ground around the church attended to, in the way of clearing away the underbrush from the trees, etc., etc. On the 13th day of November last we had a pleasant visit from Bishop Kingdon, when a very interesting and interested class of candidates was presented to receive the "apostolic rite of confirmation," consisting of 13 males and 14 females, ranging in ages from 13 to 67 years of age; the church was crowded and many were unable to gain admission. It is to be hoped that the earnest and appropriate remarks made by his lordship, not only to those confirmed, but to the whole congregation, will be long remembered and carried out in their daily lives.

Miss S. V. Currey, our organist, whose services are highly appreciated, has been presented with a beautiful "extension piano lamp," money for which was raised by subscription among our people.

Remembering the extra work that has been and is being done by this Parish in repairs and improvements, it deserves

and well merits every consideration and encouragement from the Board of Home Missions. If the deduction of the grant by the D. C. S. be remembered (at or about the time I came to this Parish), and the extra money it has to raise to make up that deduction, coupled with all the extras for repairs and improvements, I have no hesitation in stating that this Parish has done more than the most sanguine could reasonably expect during the past two years. The offertories taken up in church, and the amount raised by our annual canvass for the General Purposes of the D. C. S. for the present year, amount to \$80.

There have been 10 baptisms—8 infants and 2 adults; 11 burials, and 27 confirmed during the year. Brethren, pray for us.

GORDON AND LORNE—REV. J. R. HOPKINS.

No report.

GRAND FALLS AND MADAWASKA—REV. W. B. ARMSTRONG.

The last winter being a peculiarly favorable one, the services were held at Grand Falls and Edmundston without a single interruption, being rather remarkable, as there is a distance of 40 miles between the two ends of the Mission.

In Edmundston the congregations have improved, a number of strangers having moved in, and the building of the St. Francis railroad bringing more people into the place. On the 8th of October last the Metropolitan visited us, holding a confirmation in the morning and preaching in the evening, which was a day of much refreshment and enjoyment to us all. The next day he held confirmation at the Falls, a large congregation being present.

In September last the first deanery meeting ever held at Edmundston took place, when eight of the clergy were present; they were all cordially welcomed and most hospitably entertained. Three services were held, and at the last practical addresses were given by three of the clergy, setting forth some of the work and wants of the Diocese. The offertories amounted to \$10.

During the last year a Lych gate has been purchased from

Risteen & Co. of Fredericton, at a cost of about \$36, and will be soon placed in position at the entrance of the church yard.

At the Easter meeting held in this end of the Mission it was determined that the Clergyman should in future reside at Edmundston, and the desire was expressed that, with the consent of the Board of Home Missions, the Mission should consist of the County of Madawaska alone, taking St. Francis as formerly, which, with the completion of the railroad now commenced, would make a very suitable arrangement.

The work at the Falls has been very much of the same character as in former years, consisting of regular services and house to house visitation. The congregation, though few in number, seem thoroughly to appreciate the church and its ministrations.

During the year there have been 15 baptisms, 3 burials, 1 marriage, and 7 confirmed.

The contributions to the D. C. S. will be about \$56, an increase of over 10 per cent. on those of last year.

GRAND MANAN—REV. W. S. COVERT.

Some repairs and improvements were made on the churches at Grand Harbor and North Head during the past year. The interest in the churches and Sunday-schools has increased, and a zealous young churchman at Seal Cove has opened a hall, of which he is the proprietor, for a week night service, which is fairly well attended.

The congregations in St. Paul's church at Grand Harbor have been large on Sunday evenings for months past, and the morning congregations have considerably increased. What is very much more satisfactory is the evidence of a deeper regard for holy things which is indicated in the life of some of our young people.

The failure of last winter's fishery, and the state of the fish market, on which we almost entirely depend, have pressed so heavily on our people that many have gone away. Some intend to make homes elsewhere; others will undoubtedly return, if in the near future the fisheries prove not only productive but remunerative. Mere productiveness would not, in their view, be sufficiently attractive. Like the English farmer who saw in his fields of golden grain sure signs of a dull market; they would be inclined to say that "peace and plenty are enough to ruin any man."

The excellent schools in our Island Parish (so long neglected in many respects), the temperance organizations and their excellent works, in which we excel many other localities, together with the electric, steam, and postal communications, have placed Grand Manan nearly abreast of the times. But other religious organizations exist, and we are in a minority in the part of the Diocese I report from.

Among the Missions that, owing to their past history and present general condition, ought, if possible, to receive generous aid from the D. C. S., is the Parish and Mission of Grand Manan. My experience of seventeen years on that Island leads me to believe that the man who may follow me will be more likely to "wear out than rust out." The smallness of the sum required from the Parish when I began work there, and the comparatively large grant then made by this Society, clearly showed the opinion then held in regard to the state of the Mission. The clergyman who counts a good deal of what is done in repairing churches and purchasing church bells, as done for himself, may possibly have some zeal for the Church and the Church's Master, but there is a hard, practical side of life which he may ultimately be driven to consider. I beg leave then, most respectfully, to report that my experience is, that the grant from this Society to the Mission of Grand Manan has recently been quite inadequate to the needs of the work on that Island.

GREENWICH—REV. D. W. PICKETT.

From various causes the attendance at the Easter Monday meeting was so small that no election of officers was made. The Wardens and Vestry and delegates to D. C. S. and Synod remain as before. The work of the year just ended has not differed very much from that of previous years. The register shows 15 baptisms—8 of which were outside of the Parish, 4 marriages, and 14 burials. The public services at churches and stations have been held with but little interruption and have been fairly well attended. Continual losses by removal and death completely offset any increase in numbers. The Sunday-school, which was of necessity closed through the winter, had its place supplied to some extent by an instruction class on Friday evenings; this class is continued through the summer, and now embraces candidates for confirmation. We have, besides, a children's service in the parish church on the

third Sunday in every month. Since my last report the outside of St. Paul's church has been put in thorough repair, and re-painted in Portland stone and oak brown, and when the new doors, now being put in, are finished, it will present a more creditable appearance than it has done for many years. Two events of an unusual character deserve special mention: On new year's day, some hours after morning prayer, the roof of St. Paul's church, at Oak Point, was discovered to be on fire; some skaters who were on the river, by the help of a ladder, soon made their way to the top, and though the wind was high and the supply of water limited, yet by breaking up a part of the roof with axes they were enabled to reach the starting point of the fire and extinguish it. All injury to the building was repaired before the following Sunday. On June 9th fire was discovered in one of the sills of the parsonage, and on examination the whole floor under that part of the house seemed to be burning. Again, the wind was very high and little water or help at hand and all attempts to save the building were soon abandoned. The house, barn, etc., were consumed in less than an hour. The property was insured for \$800. A new house at Round Hill, about a mile and a half below Oak Point, was rented at once, and it is found to be in many respects so well adapted to supply the place of the other that the necessary steps have been taken by the corporation, with the sanction of the Bishop, to secure it for a parsonage.

HAMPTON—REV. GEORGE F. MAYNARD.

JOHNSTON—REV. C. P. HANINGTON.

Church matters move on quietly in this Parish. We make little bluster, but there are not wanting signs of increased interest in the Church, both on the part of her members and of those who differ from her teaching. Nevertheless, "hasten slowly" we must needs choose as our watch-word, for there are many difficulties in the way of hastening otherwise. There is, first of all, a very large area to be worked over, and church members are very scattered though comparatively numerous. There is, secondly, more poverty than wealth amongst us,

there being extremely little of the latter and plenty of the former. Yet, though poor, all by working together have been enabled so far, with much difficulty at times, however, to raise the sum required by the D. C. S. But the third drawback I have yet to name—it is the steady exodus to the south and to the west of our young people. This exodus I believe almost every Parish in the Diocese suffers from. Because of it our statistics fail to show what work has been done in a parish, for we are continually losing Sunday-school members and communicants. Yet the Society need never regret that it saw fit to set apart Johnston as a separate Mission, and matters must come to the last extremity before the withdrawal of our grant is even alluded to. We wish some of our city friends could hear one of our bright, hearty services at English Settlement, the responding and singing being so good. At the Rapids we have completed our church, although the furniture is not all placed in it yet, nor paid for; this church is, without question, a \$600 one, and yet only about \$15 have been paid for the labor spent in erecting and finishing it, the main part of the labor having been given *free*.

In Goshen, in order that all the church collections might go towards raising the amount—which is heavy for them—required of that section of the Parish, the church people have for years taken care of the church and furnished the wood and oil for it free. These are a few signs of the real interest taken in the church and her services by her members in Johnston, and we trust that our reports year by year will furnish to our friends more of them; but too much must not be expected from these country missions. To work them thoroughly is almost impracticable. The clergyman may, on a bright, sunny day in his cosy study, draw out a methodical scheme of special services, or class work, but when the day comes, too often it is a howling storm or the roads are impassable, and if he does manage to climb through the drifts in the teeth of freezing winds, or, in the summer, to drive over roads full of mud holes and broken cross-ways, he may find but a few to welcome him and to profit from his carefully prepared instructions. It is often up-hill work; it is often disheartening; yet it is never work in vain, nor is it work to be condemned. The results may not be seen at the time; but they are widespread, for the country people flock to the cities, and so we country clergy are really laboring hand to hand with the city clergy. Perhaps my report is becoming wearisome; but I write thus lengthily in order, as best I can, to impress

all with places, is the Church nor can support; poorer.

all with the idea that country work, even in obscure country places, is fully as important as city work, and that, therefore, the Church can never afford to ignore her country parishes, nor can she hope to succeed if she does not contribute to their support; that is, if the richer parishes do not assist the poorer.

As to the future, we feel trustful, yet somewhat anxious. We feel *trustful*, for we believe the D. C. S. will ever continue to lend us a helping hand as long as we need it, and will never cast us off; but we feel *anxious*, for our burden has grown year by year, and death and the exodus have prevented an increase in our numbers to any great extent, and so our burden now, it seems to us, equals our strength. Yet the direful word, "deficiency," has been filling the air for some time, and we dread an increase of assessment (or enforced subscriptions, whatever is the proper term). May our anxiety be unfounded; it would be to us a cause of great rejoicing, for the "last straw" must soon be arrived at, and then we must collapse. We shall endeavor to raise, in the year to come, the same sum as hitherto—\$295—towards the funds of the Society, and trust that this amount will be deemed sufficient.

KINGSCLEAR—REV. H. MONTGOMERY.

During the year past much has been done in the way of improving the church buildings of this Parish. In St. Peter's church a beautiful window has been put in by the parishioners, in memory of the late Rev. John Frederic Carr. The subject of the window is Christ blessing little children, an appropriate subject for one who was so well known as the special friend of the children of his congregation. The window has been placed by the font, and greatly improves the appearance of the interior of the church. We hope, in time, to have all the other windows in the nave filled with colored glass.

St. Mark's church, Upper Kingsclear, has been greatly improved through the kindness and generosity of friends of the Parish living in Fredericton and St. John, especially Mrs. Maunsell, of the barracks, Fredericton. For many years this church stood by the wayside a dilapidated, weather-beaten wreck, and a standing reproach to the members of the church. Now, however, all this is changed, the building has assumed a more cheerful and encouraging appearance both outside and inside, and the church people of Upper Kingsclear have a

church which they are no longer ashamed of; in fact, they believe it to be one of the prettiest little churches on the banks of the St. John river.

Church work is steadily progressing along the same lines as heretofore, and we believe is gaining a firmer hold in the hearts of the people. One special event we are looking forward to, namely, a mission to be held (*D. V.*) next October by the Rector of Sussex, the Rev. H. W. Little. Preparation for it has already begun, and we hope that, under divine guidance, it may be the means of bringing some blessing to every member of the church in the Parish. We pray, indeed, that it may be so. It is but for us to work, and watch, and pray, and leave the results in God's hands.

KINGSTON—REV. H. S. WAINWRIGHT.

Since writing the report for last year, in which mention was made of the confirmation of 55 young men and maidens on July 27th of that year, I do not find much of a special nature to report. During the winter and spring the prevailing epidemic, influenza, (un)popularly known as la-grippe, visited this Parish, and but few families escaped the disagreeable, and in some cases, fatal infliction. I am thankful to say that every Sunday found me able to do the duty for that day, and if any of the churches failed having a Sunday service the failure was due to stormy weather or to impassable and most dangerous roads. The burial register is unusually large this year, I regret to report. Among the departed are several staunch church people, whose loss we greatly deplore; our chief consolation springs from the conviction that *they are at rest.*

Through the exertions of some of the young people at St. Paul's church, Whitehead, two handsome chandeliers, one six lights, the other two lights, and some bracket lamps were put up and used for the first time at evening service on May 11th. Such gifts are both pleasing to receive and to record, as they evince an interest on the part of young people that is as acceptable as it is commendable.

During the year the Parish has raised, for the S. P. G., \$9.25; for Algoma and North-west Missions, \$10; for the Jews, \$6 (Good Friday offertory); and for parochial mission work, \$60; making, with \$10.83 for the D. C. S., a total of \$96.08.

LUDLOW AND BLISSFIELD—REV. H. MONTGOMERY.

Since my last report this Mission has had another red-letter day. On the 6th of July last the corner stone of the new church at Doaktown was laid by Lady Allen of Fredericton. The service was attended by a number of the clergy from various parts of the Diocese, and a number of visitors from Fredericton who are interested in the work of this Mission. There was, besides, a large number of people present from the different parts of the Mission. A dinner and sale of fancy work, held on the same day, helped to swell the building fund. In the afternoon the anniversary service of the consecration of St. James' church, Ludlow, was held in that beautiful church; the service was well attended, and an interesting and encouraging sermon was preached by his Lordship Bishop Kingdon; thus ended another day not to be forgotten in the annals of the parishes of Ludlow and Blissfield. The church building at Doaktown, owing both to scarcity of labor and money, is not progressing as rapidly as we could wish; the building is enclosed and the roof shingled, and efforts are being made by the people themselves to raise more funds to go on with. We are gratefully indebted to the Women's Aid Associations of St. John and Fredericton for generous contributions of money in aid of the building fund. The proposed mission room at Lower Ludlow has been framed and enclosed. The people in this part of the Mission deserve great credit for their perseverance and persistent efforts in getting this work started. Though poor they have done much in the way of giving voluntary labor, and in raising money among themselves; they are certainly worthy of encouragement and assistance from their more well-to-do brethren in the Diocese, and any gifts suitable for furnishing the mission room would be most acceptable and most thankfully received.

A confirmation service was held at Ludlow and Doaktown August 18th, when 23 male and 16 female candidates were confirmed. The first confirmation service since my incumbency was held September 30th, 1887; the second, April 15th, 1888, and the last, August 18th, 1889; three confirmation services within two years, and the total number confirmed reached 120. We hope to have another confirmation service this year. Since my last report there have been 3 adults baptized and 11 infants.

I am deeply indebted to deaconess Mary N. Jacob for her untiring zeal and self-devotion to the work of the church in this Mission. She is a tower of strength to me in my work there, especially in visiting the people, a duty I am unable to perform to any great degree.

I cannot close my report without expressing how deeply I feel the loss of Mr. McNamee and his family, who have removed from the Mission. Mr. McNamee was a pioneer of the church in this Mission, and his house was always open to the clergy and his services never wanting in the way of helping on the work of the church.

Notwithstanding so much money is required for local purposes, in the way of church building, and the re-painting of St. James' church, Ludlow, the Mission will contribute at least \$100 to the General Purposes Fund of the D. C. Society.

MAUGERVILLE AND BURTON—REV. HORACE E. DIBBLEE.

Since making my last report to this Society, while endeavoring to advance the church's work in these old sister parishes, amid disappointments not a few, I have found much to encourage and make me thankful.

Maugerville.—One of the brightest spots in the memory of priest and people is the recollection of his Lordship the Bishop Coadjutor's visit on the 12th day of last December. Fifteen candidates of this Parish did at that time receive the apostolic rite of laying on of hands, the majority of whom have become regular communicants. As reported from this Parish last year, so now, it may be said, that Sunday-school work is, all things considered, progressing favorably.

The ladies by whose efforts was procured last year a suitable organ for missionary purposes, held a sale of their work last winter and realized therefrom upwards of \$75, a portion

Burton.—Here, also, the ladies with commendable zeal and affection for the church are ever foremost in forwarding her work. They are now arranging for a sale to be held at Oromocto towards the close of this month—July. The fence around St. John's churchyard has been rebuilt, and an improvement is to be made in the interior of the church. We have already had occasion to note the improvements recently added to St. Paul's church through the energy of our branch of the Women's Aid Association. A Sunday-school was started again at Oromocto this spring, which promises to be successful.

With all these outward indications of growth, it is our humble prayer that spiritually the increase in growth may be none the less. Contributions from this Parish will amount to the same as last year.

MONCTON—REV. J. H. TALBOT.

The past year has been marked by a good deal of zeal and energy on the part of the church people of Moncton; the principal object being the building of a new rectory. It was very sorely needed, as all those familiar with the old one know. Before last May the ladies of the Willing Workers and Mite Society had begun the formation of a fund for the purpose, and though at the same time they were extinguishing a debt which had been hanging over the Parish for some years, but which has now, I am thankful to say, altogether vanished, they started the year with a balance of \$275.95; this was added to by the proceeds of a concert managed and brought to a successful issue by Mrs. Benedict, the wife of the American consular agent, which netted just \$100; so that the Vestry started with \$376 in hand. The house famine from which Moncton suffers at all times, enabled us to sell the old house for \$175, and the late Judge Botsford and Mr. R. Stevens canvassed the Parish and obtained subscriptions to the amount of \$1,300, of which about \$1,000 have been collected during the year. In May a contract was given at \$2,350, and the furnace and mantel, etc., brought the cost up to \$2,558.80. The Willing Workers added to their balance till \$580 resulted from their

efforts, and now we have a rectory which would be a credit to any parish, with a total indebtedness of \$450, of which about \$200 is covered by good subscriptions.

The year, in other respects, has been a trying one; the amount of sickness may be measured by the death rate—21 persons between May 1st, 1889, and May 1st, 1890, against 9 in the previous twelve months, and the same number between May, 1887 and 1888, so that the ordinary death rate is doubled and three over. Of those who have passed away I would especially mention Judge Botsford, who has been identified with St. George's church almost ever since there were church services held in Moncton, and has, in his capacity of church warden, been very useful, helpful and generous in all matters concerning the welfare of the church. Mrs. Mary Stevens, widow of one who had much to do with the building of the present church, died last August, setting a good example of remembering the church she had helped to support for many years in her will, leaving \$200 to be used by the Vestry, which sum went into the rectory building fund.

The Right Rev. the Bishop Coadjutor held a confirmation in St. George's, Moncton, on October 20th, and 12 persons received the holy ordinance. A number of families have removed from Moncton during the year, in consequence of changes in the running arrangement of special trains on the I. C. R.; but in spite of this the town keeps on growing, and the church takes always a small share of this increase. The sum of \$730, by way of assessment and voluntary contributions, will be forthcoming from Moncton, and possibly an offering of \$15 or \$20 in addition.

MUSQUASH—REV. H. M. SPIKE.

I have nothing of much importance to report to D. C. S. The interest in the welfare of the church is growing, and year by year I hope the parishioners will heartily respond to the calls for sustaining the work so long continued by S. P. G. and the D. C. S. The amount of contributions last year was \$80; the same amount may be expected this year.

of the working of the two parishes, I am fully convinced that the rearrangement of the missions of Newcastle and Derby on these lines was a wise one, and one likely to conduce to the well-being of the church in both missions. Although entailing upon myself a considerable increase of physical labor, yet there can be no doubt that the interests of the people in Nelson can be better looked after by the Rector of Newcastle than by the Rector of the much larger Mission of Derby, and this is especially the case in connection with the Sunday services. The Society will doubtless be glad to hear that the long-felt want of the people in Nelson to have a building duly and properly set apart for the worship of God, is now within measurable distance of being supplied. In consequence of a liberal legacy left for that purpose by the late Miss Percival, together with a generous grant from the S. P. C. K., and the generous help always so readily offered by our kind and munificent Bishop, in addition to the subscriptions of the people, I have been able to push the building on as rapidly as possible; it is now nearly finished, so far, that is, as the actual building is concerned, but we may yet have to wait awhile before we shall be able to get the necessary furniture. This work was begun in faith, and has been the daily subject of earnest prayer, and hitherto, in a wonderful and unlooked for way, hath the Lord helped us; the knowledge of the legacy above referred to was not received until the building had reached almost to its present completeness. I may say, while speaking of the Parish of Nelson, that the congregations have continued good throughout the year, and will doubtless be considerably increased when we are able to move into our new church. I have, as yet, made no definite appeal for outside help, but it would be a great encouragement if some generously-disposed churchman would voluntarily come forward and provide our new church with a good bell!

During the year we have not been neglectful of the pretty little church of St. Andrew, in Newcastle, the last of the churches built by the late lamented Father Hudson. Owing to the energetic and unceasing labors of the ladies of the "Young Women's Guild of St. Andrew," this church has been well and thoroughly painted, and re-decorated on the inside. In consequence of the present incumbent coming into an inheritance of many parish debts, this necessary and much-needed work could not be taken in hand till the past year. The church now looks remarkably well, and no one rejoices more in this than the parson himself. I may also state that

the church organ has been lately put in thorough repair by Mr. F. A. Peters, organ builder, of St. John. This also has been done through the instrumentality of the Ladies' Guild.

These remarks refer, it is true, exclusively to material progress, but they are outward indications, I trust, of spiritual growth, and of an increased interest in all that appertains to the religious life. Material growth is, in these matters, the visible fruit that springs from an internal principle. At least, we can but hope so. As a matter directly bearing upon the church's work, I may state that since the commencement of the present year we have introduced into our Sunday-school the admirable series of graded lessons known as Bishop Doane's; so far they have given entire satisfaction both to teachers and taught.

It has not, however, been all sunshine with us. We have lost several of our members, both by death and removal, and where our numbers are already small, their losses are immediately felt. Still our quota to the church's work in the Diocese has been regularly paid, and will, I trust, continue to be so paid during the coming year.

Before closing, I wish to acknowledge the continued and undeserved kindness of the people towards myself. They have given many tangible proofs of this during the past year, and none more appreciated than the generous way in which they came forward to enable me to take a short rest from work, pronounced by the doctors to be absolutely necessary in my present state of health. I can but thank them, and acknowledge their kindness; there is one above who will reward them.

In addition to our own parochial needs, we have raised the following amounts for outside work: Widows and Orphans' Fund, \$6.97; Foreign Missions (S. P. G.), \$1.05; Domestic Missions, \$9.43; Parochial Missions to the Jews' Fund, \$5.77; making a total for outside purposes of \$23.22. Since July last my registers show, baptisms, 13; marriages, 4; burials, 9.

NEW DENMARK—REV. N. M. HANSEN.

I have now been in Holy Orders 14 years, and I might state what has been done in that time: 201 children have been baptized, 96 confirmed, 34 marriages solemnized, communicant list 100, burials 53, children in Sunday-school about 90.

The services have been regularly held, and, especially in

summer time, well attended. I have from the very first beginning put my whole strength on the Sunday-school, and now I see the benefit of it; the children and young people are able to fill up the church, and sometimes really do it. The young have given me the best encouragement; most of them go out occasionally to work in the English-speaking population; they know to what church they belong and generally go to the Episcopal church if there is any. They understand and speak English, and I think if the Lord would spare my life and strength until a high age, it would not be necessary to get a Danish-speaking successor. I will do what I can to prepare the passing over from Danish to English services, and as soon as I find it advisable, I intend to have it alternately. When the service is changed to English, I hope a number of English people in our vicinity may join the St. Ansgar's church and strengthen it.

I may add what cannot be given in numbers, that the weak have been strengthened, the erring warned, the afflicted comforted, the sick and dying visited; all is the work of the Diocesan Church Society, and I should like to live the day to see my Mission, one of the Society's youngest daughters, be a grown-up girl, who not only can support herself, but begin to pay back to the mother what she has done for her in her childhood.

NEW MARYLAND—REV. F. ALEXANDER.

The work of this Mission is, I hope, progressing favorably: In the past year services have been regularly held; the Rev. R. W. Brown, of whose fidelity as my *locum tenens* I cannot speak too gratefully, officiating during my absence in England in the months of July and August, 1889. Attendance at church, always good in summer, fell off to an unusual degree during the winter months; this is to be accounted for by the absence in the woods of many of the male members of the congregation. Attendance at holy communion has been at all times good, the number of communicants reaching, on Whitsunday, as high as 25; I hope to largely increase this number by a confirmation in August or September.

Arrangements are being made for the painting and decoration of the interior of the church, which sorely needs brightening up; the expense, estimated at \$50, but which will

probably be heavier, has been met half way by the kindness and generosity of the Women's Aid Association of Fredericton, to whom I here tender my sincere thanks.

I beg also to express my grateful appreciation of the services of my Church Wardens, Mr. James Horncastle, and Mr. William H. McKnight, who have now for many years, and with great fidelity, ministered to the church's needs in their arduous and responsible office; also, my warm thanks are due to Mr. Lewis Fisher for the regular supply, at his own expense, of a pure grape *fermented* wine, for purposes of holy communion.

Again commending the Mission to the loving care and protection of Almighty God, I humbly pray that He will continue to extend to us in the future, and according to our needs, the many mercies of past years.

NORTON—REV. E. A. WARNEFORD.

I think I may be able to state that the work for the last year in this Mission has been of a satisfactory nature, and not, I hope, wholly destitute of fruit. The services at both of the churches have mainly been well attended. Number of communicants about the same as of last year, viz., from 20 to 25 at each celebration at the parish church, and from 30 to 40 at the Chapel of Ease. During the year our parish church has been very nicely painted, and three new windows put in the tower, corresponding with those in the body of the church. If the restoration of our church (of which I have made mention before) has occupied a long time, it is owing to our very limited means, and not to want of interest and care, for many have from the very beginning manifested both of these; and more especially would I allude to the great exertions made by the members of the sewing circle, who, not only on this but on many previous occasions, have contributed largely to the success of any work on hand. Attention is now being turned to the erection of a fence around the church, and to the tarring of the roof of the horse-sheds, and whitewashing the sides. A good deal of work has been done for the interior of the church. I want an altar covering! Would not some generous soul give us one?

We are also preparing to build sheds at the Chapel of Ease (or lower church as it is called), and which would have been

done long ago, but a difficulty arose as to a proper site; this, however, has at last been satisfactorily arranged, so I hope this useful piece of work will soon be commenced.

During the year I have had 13 baptisms, 8 burials, and 3 marriages. By death we have lost 7 of our most regular communicants, and through the death of one of them we are about, I truly grieve to say, to lose four more, as the family intend leaving the coming month for Moncton.

In justice to my congregations, I must add that the offerings have been good, but doubtless could be much better.

The Rev. Mr. How's appeal in behalf of King's College, Windsor, was met by a contribution of a little over forty dollars.

Contributions to D. C. S., \$75.

PETERSVILLE—REV. W. H. STREET.

I have to report work with some encouraging results. There is a gradual growth in the true direction, which must in time bring forth fruit. The field is one for hope in the future; and difficulties which are now forbidding, will, if only patience is allowed to do her work, vanish in time. In the meanwhile, financial difficulties stare us in the face.

This is classed among the older missions, and is expected to take more on its own shoulders; yet it is a fact that this Mission, as well as others of the same class, is poorer far than it was some twenty or thirty years ago. I know from bitter experience that the punctual payment of the present assessment is a thing unknown for some time past. Faith alone can give strength to persevere.

Since the restoration of the church at Welsford, our attention has been directed to the bare state of the parish church, where many things are needed besides actual repairs on the fabric itself. We have made a beginning in the matter, and hope to succeed in carrying on the work to completion.

Visits to the sick and dying were frequent during the winter and spring. It is a privilege to minister to such, many of whom are miles away from the church and rectory. The offerings of the faithful are asked towards missionary work, that these and many other poor members of Christ's flock may not be left to die deprived of the consolations of God's holy church.

PETITCODIAC—REV. W. EATOUGH.

This Mission has just experienced a great change and loss, by the resignation of Rev. C. Willis, who for twenty years has labored earnestly and faithfully in this Parish. The Mission has also suffered heavy losses for the last few years in church families leaving the district, and so extensive has this exit been, that throughout the whole Mission there are only a very small number of church people left. However, the faithful few have not by any means to be neglected, and by their kind sympathy and interest in church work we hope to keep alive the principles of the true faith in this large field of labor.

A list of services for the whole mission has been printed and circulated, so that the scattered families will have no difficulty in knowing upon what Sundays their respective services are held. We pray that God's blessing may rest upon our work, and that pastor and people together may labour to His honour and glory.

RESTIGOUCHE—REV. C. D. BROWN.

There is nothing of special importance to bring before the D. C. S. from the Mission of Restigouche for the past year. The usual work has gone on quietly; the difficulties of carrying it on successfully in so scattered a district as this is, are indeed very great. Success is expected, as a matter of course, quite irrespective of long distances, snow storms and bad roads. The road between Campbellton and Dalhousie, in the winter, is always bad, because it is so little used at that time of the year by those who live along it. During the past winter this was especially the case, and in consequence, on three Sundays I was not able, after making every effort, to get to Campbellton for the appointed service on those days.

I had quite an experience on Christmas day; after morning service in Dalhousie I drove out to Eel River to take the train for Campbellton; a blinding snow storm was raging, which so blocked the train that it took four hours to make the distance of fourteen miles between that point and Campbellton, where I arrived a few minutes after the appointed hour, to find that no one was expecting me; the lamps were not even lighted in the church, so there was no service. Owing to similar causes three of the intended services in the district above Campbellton were not given. Otherwise the services have been carried on regularly. There were special ones in Advent and Lent, on the leading holy days, and on Thanksgiving Day. There has been a celebration of the holy communion on each Sunday, and on some other days. To pastoral visiting, and visiting the sick, I have given as much time as possible. 20 infants have been baptized, 6 couples married, and 4 deaths have occurred.

Financially everything is in a good condition in the Mission. There is no debt, except a balance of \$60, due this fall, for improvements on St. Mary's church.

RICHMOND—REV. A. W. TEED.

Last fall his Lordship the Bishop Coadjutor visited this Mission, and held two confirmation services on September 29th, one at St. Paul's and the other at St. John's (parish) church; 18 candidates were confirmed—9 males and 9 females. Under the supervision of Mr. J. F. Teed the east end of the chancel of the parish church has been neatly panelled with basswood and ash, stained walnut color, starting from the base of the east window, it having been previously ceiled to that height with ash. It was found that the window trimmings were too light, and they had to be replaced by heavier ones. This work gives a fine appearance to the end of the chancel, and sets off the east window to advantage. The expense, some \$45, was almost entirely borne by Mr. Stokes, Church Warden. Arrangements are now being made for painting the interior of the church, which we hope to have

done this summer. The Sunday-school is in a flourishing condition, the attendance being 50 per cent. higher than during the last two years; Mr. H. N. Jameson is superintendent, and is assisted by three teachers. At the rectory, the small plot of ground with its former inconvenient triangular shape, has been enlarged and improved by the purchase of an additional half acre, so that now we have a frontage of sixteen rods where before we had none. This improvement cost \$30.

The registers show 17 baptisms, 2 marriages, and 4 deaths, for the year ending May 1st, 1890.

Contributions for General Purposes. \$475.

ROTHESAY—REV. GEORGE E. LLOYD.

Having only been in charge of the Parish since March of this year, I am not able to give a very full report. During the four months, to the close of the Synod year, the following sums have been remitted, viz.: for the promotion of Christianity among the Jews, \$3.61; Indian homes in Algoma, \$25; missionary diocese of Algoma, \$40; north-west missions, \$35; Diocesan Church Society, \$191.50; total, \$295.11.

There are three churches in the Parish, in two of which the congregations are good, while the third can never be expected to attain to its former position. There is urgent need of a building to be used for church and Sunday-school purposes in Quispamsis, right in the centre of the Parish, and we propose to erect at least the outside of it before the coming winter. A good many improvements are very necessary in different parts of the Parish, *i. e.*, new organs all around, new fence at Gondola Point, extra driving sheds at Hammond River, and increased space, by addition to Rothesay church. All this will, of course, take time; but if we may judge by the present tone of the Parish, all calls for improvement will be readily responded to. A service for children only has been established in Rothesay and Quispamsis every Saturday forenoon and afternoon, so far with very promising results. We are looking forward with every confidence for good results in the coming year.

Contributions for General Purposes, \$91.50; W. and O. Special Fund, \$100.

SACKVILLE—REV. C. F. WIGGINS.

I regret, that at the time of writing, the collectors' lists are not handed in, so that I am unable to state the amount of collections from this Parish, but I think I am safe in saying that they will be in excess of last year. The events of special interest in the Parish, outside of the usual routine of work, have been, first, a confirmation held by the Bishop Coadjutor in the early part of June last, at which 12 candidates were presented; second, St. Paul's church at Sackville has had the interior much improved; the seats have been remodeled, the old ends have been replaced by new ones of more modern and ecclesiastical design, and the sittings made more roomy and comfortable; convenient book racks have been furnished to take the place of the old shelves which were cumbersome and ugly; the walls have been treated in shades of terra-cotta, broken by an ornamental ribband of tile pattern, surmounted by a border of floreated crosses; the windows are lined out in deep cardinal, and the arches ornamented with stencilled scrolls; seats have been stained and shellaced, and floor painted and linoleum furnished for the aisle. The total cost of improvements has been \$300, and is all paid. The organ has also been repaired at a cost of \$45 and is now in good order. The insurance on the church, Sunday-school house, and rectory, is kept up, and the buildings are in good repair.

In conclusion, I may say that as the Parish has attained its majority, by being self-supporting, yet there seems no disposition on the part of the people to withhold their accustomed offerings to the D. C. S.

ST. ANDREWS AND CHAMCOOK—REV. CANON KETCHUM.

Reports contributions from St. Andrews, \$67.75; from Chamcook, \$195.30; total for General Purposes, \$263.05. For Algoma, Indian schools, Domestic and Foreign Missions, \$35.17; Widows and Orphans' Fund, \$13.50.

ST. DAVID—REV. J. W. MILLIDGE.

The year just ended has been a somewhat chequered one for us. The weather has been unusually bad, the crops poor,

and times, in consequence, hard. We have lost, by death, some of our oldest and best members, especially Mr. Thos. H. Maxwell of Old Ridge, who to the end of his long life was a consistent churchman and communicant. Although over fourscore years he never, when his health permitted, missed a service at St. Thomas' church, and both by his example and precept strove to direct the rising generation to the old paths.

On August 6th the Bishop Coadjutor visited us, and drove to the remote settlement of Beaconsfield, where he consecrated an acre of land for a churchyard, and immediately afterwards laid the foundation stone for a new church. A large number of people attended from other places, among whom were the honorable Provincial Secretary Mitchell, Mr. A. Gaskell of Boston, and others. After the services a little entertainment was provided, at which over \$30 was raised for the funds of the new church. The Bishop then had a long drive of over twenty miles to St. David's rectory, and the next morning early he proceeded to Tower Hill, where he consecrated the new church by the name of the Church of the Ascension of our Lord into heaven. He also confirmed nine persons. The Rev. O. S. Newnham was present and assisted at the services. Although in the midst of haying, the congregation was large, and all remained till after the blessing, at the close of the communion office. The Bishop Coadjutor visited this Mission again on All Saints Day, when he consecrated a new church in the parish of St. Patrick. As the church is much nearer to St. George than to St. David, the Bishop went there, and was driven out by our Rural Dean, the Rector of St. George. The weather was delightful, and the roads good, consequently there were large congregations. The usual service provided by the Provincial Synod was said, the building being named the Church of the Transfiguration of our Lord. The Dean Rural read the sentence of consecration, and then followed morning prayer and holy communion, the Bishop being celebrant, the Dean Rural reading the epistle, and the Rector the gospel. At 3 p. m. all reassembled in the church, when the Bishop confirmed 5 candidates, his excellent address making a deep, and, we trust, lasting impression upon all present.

Mrs. Neville Parker, who, with Dr. Parker, has taken great interest in the building of this little church, has promised a white altar frontal, pulpit banner and book markers, which are now being made under the supervision of Mrs. Medley.

The few in Beaconsfield who take an interest in their church have not been idle during the past winter; the frame of the building has been got out and nicely hewed, stone has been split for the foundation, and the churchyard well fenced with cedar. The lumber is already sawed at Moore's Mills, and probably by the time this report is read the church will be up, although work has been much retarded by the continued wet weather. We have been much cheered and encouraged by a handsome grant from the Women's Aid Association of Fredericton.

Contributions for Widows and Orphans, \$1.05; for General Purposes, \$395; total, \$396.05.

ST. GEORGE AND PENNFIELD—REV. R. E. SMITH.

Since my last report the church and rectory have been painted. The rectory looks very pretty in its new dress. We lose a good many members by death and removals. Mrs. Joshua Knight, a staunch member of the church, and a faithful collector for the D. C. S., entered into rest last June. Her "works do follow her." Mr. Wallace Shaw, church warden, who also, since my incumbency, has done good work, was called away in February last. Mr. James Gillespie, ex-warden for Christ's Church, Pennfield, after rather a long and painful illness, died in the same month. He had been a pillar in the church and a consistent and active member for many years. His end was peace. We must not forget to mention the name of Howard D. Wallace, a vestryman and ex-warden of St. Mark's church, St. George, who, after a long and trying illness away from home, was called "to go up higher" in November last. So death has been making havoc in our congregations. Then some staunch and liberal members have removed to other parts, and in this way we have suffered financially as well as numerically. Still young men are growing up to take their places, generally employed in the granite industry. We hope to have a confirmation this summer.

Our contributions will be at least the \$92 required by the B. H. M. It is the utmost we can do to raise the contribution and assessment; any further increase of the latter, I fear, would be "the last straw."

16th, 1889. I am glad to be able to say that everything connected with the Parish goes on in a most satisfactory manner. The congregations are large and devotional; the number of communicants has increased; the Sunday-school, under the charge of Mr. J. B. Hodsmyth, the senior warden, has steadily increased in both teachers and pupils. The great majority of the people are poor. About half the funds contributed to the support of the church come from two or three who are better off in material wealth. I believe, with few exceptions, both rich and poor contribute to the best of their ability. This Parish has sustained a severe loss in the death of Samuel K. Daly, one of its late wardens. The church has been very much improved; a handsome new altar of black ash has been placed in the sanctuary by Mrs. Daly, as a memorial to her husband, the late S. K. Daly. A new pulpit also, of oak, has been placed in the church; it is a gift of the Ladies' Aid Society. Two handsome brass altar vases have been placed on the retable, a gift from friends. The Rev. J. C. Titcombe of Fairville has presented a gilt cross for the altar. The chancel has also been enlarged, by the addition of an organ chamber built out at the north side of the choir. The rectory has been painted, inside and out, and put in thorough good order. We hope, before long, to begin work on the new church. There are now between two and three hundred dollars in the hands of the corporation for that purpose. Mr. James Rourke, M. P. P., has promised \$500 towards the new church. This Parish gave the Rev. H. How \$238.25 for King's College. His Lordship the Coadjutor Bishop confirmed a class of 25 persons on May 22nd. The outlook is very encouraging, and we have no reason to be discouraged.

ST. MARY'S—REV. WILLIAM JAFFREY.

In January last I handed in my resignation as Rector of this Parish. It may not, therefore, be amiss for me to give some little account of my stewardship during my sojourn in the Mission. When first I went to St. Mary's, due notice was given that there would be divine service in the parish church,

and the *only* church in the Parish, on the following Sunday, but so low was the church feeling at that time that only one solitary individual responded to the call; on the following Sunday there were three; next, eight; next, eleven—the fruits of one month's efforts; not very promising; and, moreover, the Bishop's chaplain told me he knew of no source whence more than £40 per annum could be procured for my stipend. —“Passing rich on forty pounds!” Shortly after this the parish of Stanley was added to the charge, which I served during its days of poverty, and on for twenty-nine years, until the people became able to do their part towards supporting a resident clergyman, when I left, leaving a subscription list and promises amounting to over one thousand dollars towards building a church, two hundred dollars worth of land, and four hundred dollars invested towards building a parsonage. Stanley is now a flourishing parish, and, until within a few weeks, has had a resident clergyman doing good work. On Sunday last I visited the place, where I found large and attentive congregations. The parish of Canning, and its surroundings, were also added to the Mission, and remained connected therewith for some years, until better arrangements could be made, when I left, at which time there was a list of over four hundred names of persons who professed to be members of the mother church. The upper part of Ludlow at one time also formed a part of the Mission; the lower part being looked after by the late Mr. Hudson. In this parish, I must confess, we could do little more than keep the church alive; yet we did keep it alive while under our charge. This parish is now, under our very zealous Bishop Kingdon, assisted by his worthy lieutenant Montgomery, one of the most promising missions in the Province.

Having thus seen the outposts, as it were, cared for, I turned my attention chiefly to the parish of St. Mary's, which parish has been gradually growing in importance until I found myself unable to faithfully perform all the work required to be done therein. I therefore resigned. Our free-will offerings during the past year exceeded those of former years, being \$94 beyond those of five years ago when we depended partly on sales and bazaars. During my sojourn I have baptized 964 individuals, besides about 400 in Stanley; buried 257, and united in holy matrimony 302 couples.

Thus ends forty-three happy years of missionary work in one missionary field, by one individual missionary, among the kindest and best-minded people (*that is as a whole*) to be

I may truly say, forty years long was I comforted, cheered and gratified therewith; the hand of everyone whose good will was worth possessing seemed to be with us. ST. PAUL (ST. JOHN)—REV. CANON DEVEBER.

ST. STEPHEN (CHRIST CHURCH)—REV. O. S. NEWNHAM.

The work of the Church in this Parish has gone on steadily throughout the year. There was a larger number of communicants at the Easter Sunday celebrations than for many years past. The Mite Society, which was instituted a year ago, to take the place of the Sewing Society, has prospered beyond our expectations, having collected during the year over \$100. This money is being expended on much-needed improvements to the church grounds. I am glad to be able to report that the Parish has increased the Rector's stipend to \$1,000 per annum, which amount has been regularly paid. I am also glad to be able to report that a church building has been erected at Milltown, on the site of the church which was burnt many years ago, and that services are now held regularly in that part of the parish. The building is not pretentious, but thoroughly furnished for the services of the church. It accommodates 100 worshippers, and so far has been filled at nearly every service. The responses and singing are hearty, and the congregations attentive and orderly. This building has cost about \$520, \$400 of which has been paid, and we hope soon to be able to say that it is free from all debt. We have to thank the Book Depository for a grant of prayer books for use at Milltown.

The parish of Christ Church is much indebted to Mr. C. N. Vroom, who is ready to help in every good work, and who is doing much to help the Rector, in his capacity as Lay Reader.

In addition to the services at St. Stephen and Milltown, a service is held each Sunday afternoon at Calais, Me. Notwithstanding the extra expense which has been borne by the Parish this year, I have to report \$206.97 to the General Purposes of the Society, and \$13.76 to the W. and O. Fund; in all, \$220.73.

SHEDIAC—REV. C. E. MACKENZIE.

The church of "St. Martins in the woods," Shediak Cape, has had regular services every Lord's day. On the third Sunday in the month there is an early celebration of the holy communion, followed by matins and litany at 11 o'clock. On other Sundays we have matins and holy communion at 11 o'clock. Weeknight services are held on Wednesdays. The attendance at all services has been good, and is increasing. Our rectory has received a much-needed coat of paint, and now looks well. Next year we hope to take steps towards providing a new tower and bell for the church, as the present ones are not at all creditable to the Parish.

St. Andrew's church, at Shediak Station, has been completely transformed and remodelled within, and appears very handsome and churchly. A lofty and graceful rood-screen of six arches has been placed between the nave and the chancel, and a beautiful reredos has been erected above the altar. The screen and reredos are both of polished ash, and made by Ross & McPherson of Sussex. As the church was built in the palmy days of Shediak, before the railway workshops were removed, and the workmen removed with them, it was found to be too large for the present congregations, and also was heated with difficulty. The side aisles have now been temporarily partitioned off, leaving excellent rooms for the Sunday-school and for weeknight services. The congregation has doubled during the year, and continues to increase. To the ladies of this congregation—a small but indefatigable band—is due the credit of successfully providing the ways and means for the great improvements; and the end of good works is not yet. Services have been held in St. Andrew's church every Sunday evening, with an early celebration of the holy communion the first Sunday of each month.

At St. Alban's church, Cocaigne, service has been held every alternate Sunday afternoon. The contract has just been awarded to give this church a thorough painting, walls,

roof and spire, which it has not had for forty years. Materials are also being collected for a new fence around the graveyard. A monthly weeknight service, also well attended, is held at Smith's Mills, a growing place farther up the river. Services are held on alternate Sunday afternoons at the Moncton Road school-house, and on Monday fortnightly at the Lakeville school-house. Efforts are being made to put up a small church between these two districts, but we are obliged to move slowly. The Rev. Henry How, although following Dr. Ambrose, was well received and supported in his canvass for King's College. A very pleasant and useful pic-nic and reunion of all parts of the parish was held at Shediac Cape in July last, and we hope to repeat it during the present year. Although there has been no confirmation, 15 have been added to the communicants' roll, which, with 9 removed, makes a net gain of 6. We expect to make up this year the amount of our assessment for the D. C. S., and a little more. The Parish has raised for Algoma, \$13.63; Japan, \$5.23; Jews, \$6.24; W. and O., \$4.05; total, \$29.15. The registers show, marriages, 5; baptisms, 15; burials, 13; communicants, 73.

SIMONDS—REV. G. SCHOFIELD.

On Tuesday, May 27th, we had a special service at Loch Lomond on behalf of the D. C. S. The church was filled and excellent addresses were delivered by Canon Brigstocke, D.D., and Rev. J. deSoyres, M.A., on the present position and the future prospects of the D. C. S. The result, I think, will be good, both for my parishioners and the Society.

Since my last report we have made considerable improvements in the church at Loch Lomond. We built thirteen stone supports underneath the church, and on these we laid new sills. We also laid a new sill under the bell tower. We laid new floors in the chancel and in the vestry, plastered all the inside of the church and vestry, placed new stoves and new piping in the church and vestry, besides a variety of minor repairs. We have also repaired the stables, which accommodate three horses, and have erected a large shed which accommodates six more. All these improvements have been paid for, and we now propose to paint the outside of the church, to lay down new steps at the front entrance, and to replace the present inelegant spire by a glazed bell tower, besides other minor improvements. We have in hand as much, or

nearly as much, as will meet these expenses. The church will then be what it certainly has not been for many years, as much an ornament to the neighborhood as it is "beautiful for situation."

On my own behalf and in the name of my parishioners, I gratefully acknowledge the generous help we have received from many friends outside the parish,—especially to Canon Brigstocke, D.D., Canon DeVeber, M.A., Revs. L. G. Stevens and the Wardens of St. Luke's Church, and J. O. Crisp of St. Jude's; also to His Honor Sir S. L. Tilley, Messrs. W. and J. Rourke, James F. Robertson, Esq., and Messrs. G. A. and S. Schofield. In addition to a handsome money contribution Mr. Robertson gave us also a new carpet for the chancel and a handsome cloth for the communion table. For all these gifts and for the kindly spirit in which they were presented, we return our hearty thanks.

But the male members of the congregation contributed much to the work of restoration. They not only gave generously of their money, but they also—free of charge—hailed the needed lime and laths and shingles from St. John. They also gratuitously shingled the entire roof of the church and assisted in the heavy work of putting in the new sills, erecting scaffolding, etc. And their wives and sisters did good work in providing refreshments (gratuitously) at a meeting of the parishioners. Beyond my expectation they have done what they could; and it has done them good.

SOUTHAMPTON AND QUEENSBURY—REV. SCOVILLE NEALES.

The first event of importance which occurred in these parishes after the annual meeting of the Society last year, was the consecration, on July 10th, of St. Luke's church in Temperance Vale. This is the first church ever built in the parish of Southampton. A bell was, last fall, placed in this church, at the cost of \$123.50, all of which was paid for by the free-will offerings of our own people within sound of the bell. On the evening of July 10th a class of 14 candidates was confirmed in the newly consecrated church. The day following a confirmation took place in the parish church of Queensbury, when 5 candidates were presented for the laying on of hands. Throughout these parishes the work which was being done last year has been regularly carried on, with but

few changes; among them, we are sorry to have to state that the Sunday-school in Caverhill has been abandoned, because no teachers can be found able and willing to undertake the work. As a sort of offset, however, to this, we may mention the fact that a Sunday-school has just been started at Maple Ridge, in a private house, which will, we hope, by God's blessing, be productive of much good, though the attitude which some of our own people have assumed towards it (because it is a church school, teaching the plain church principles of the catechism, and not a union school, where nothing is taught except what nobody disbelieves) is certainly anything but pleasant and encouraging. At Bear Island, where a regular fortnightly service is held, with a monthly celebration of the holy eucharist, the church people, who for many years have had to worship in the school-house, or parish hall (buildings entirely unsuited for the sacred purpose), have determined to build a church where the sacraments may be rightly and duly administered, and all things done decently and in order. The foundation and a large part of the frame are already upon the ground, and in a few days we hope to have the building raised and enclosed, and ere long to record its consecration. At Lower Caverhill, St. George's church, which last year was greatly improved by internal repairs, has since had the outside attended to, at the cost of \$80, all of which was raised by free-will offerings. At Upper Queensbury the services have been regularly maintained, as heretofore, and we trust before long, in this place, to be strengthened in our numbers, by the baptism of several adults. At Bull Lake Ridge, in the parish of Southampton, a new station has been opened, and monthly services are held in the district school-house. For the whole Mission the statistical report will show that 22 persons have been baptized, 19 confirmed; there have been 5 burials and 1 marriage. Three services have been held on nearly every Sunday in the year, with a large number of week-day services, and nearly six hundred sick and pastoral visits made, and in the performance of this duty your Missionary has travelled considerably over 5,000 miles.

In conclusion, I must not fail to mention the kindness and goodwill constantly manifested among my parishioners. Last Christmas they presented me with a very handsome gold watch and a purse of money, and this, as every other act of kindness performed by them, was done so quietly and unostentatiously that it greatly enhanced the pleasure of its

reception. Once more we must give expression to our heartfelt thanks for the many blessings vouchsafed us in the past, and pray that they may be continually poured upon us, to stir us up to a more earnest, faithful work for the honour and glory of our great Master.

SPRINGFIELD—REV. A. J. CRESSWELL.

Since last July church work has been moving very quietly forward in this mission. The three regular services on Sundays have been maintained. Save for two months during the winter, I found it expedient to postpone the monthly evening service at Norton. In the week after the Synod, the Bishop Coadjutor visited this parish for the purpose of confirmation. Thirteen persons were confirmed, the parish church being crowded and a hearty service rendered. In the afternoon of the same day the Bishop consecrated one acre of ground for a cemetery, adjoining the church of SS. Simon and Jude, Belleisle Creek. The parishioners of this little church have this summer placed a substantial wire fence around this cemetery.

We have placed in the parish church two large reflector lamps, purchased at Pittsburg, Pa., at a cost of \$68. The exorbitant charge of thirty per cent duty rendered them dearer than we anticipated. However we consider ourselves fortunate in possessing a beautifully lighted church. The parishioners are again indebted to the kindness of Miss Kellier, who every year during my incumbency has collected funds for the adornment of the church she loves. Last year she gave a "garden party" on her own grounds, the proceeds of which she handed to the rector towards defraying the cost of these lamps. We have also adorned the altar of this church by placing thereon a beautiful brass altar cross of massive appearance, two-thirds of the cost of it was given by a friend of the rector—a priest in Wales. Last autumn the Sisters of Kilburn (London) sent a beautiful red altar frontal for Trinity Church.

The numbers at SS. Simon and Jude's Church keep well up, and the responses are rendered much more heartily than formerly.

The congregation at St. Luke's Church, Norton, remains stationary as regards numbers. The Sunday-school is doing good work, and a general interest is evinced by parents and children.

I am glad to say that Sunday-school work is in good condition and the teachers faithful in their work. We are sadly cramped for suitable teachers at the parish church, and during the past year have lost two of our best Sunday-school teachers and our active superintendent. The Sunday-school at Belleisle Creek is well attended, owing mainly to the energy of the superintendent, Mr. Fred Scovil. A fourth and much needed Sunday-school has been started on Bull Moose Hill. The school is held in a school-house under the superintendence of Miss M. Benson and Mr. O. Northrop. I hope to be able to visit this Sunday-school periodically during the summer on some day in the week and catechise the children.

In connection with Sunday-school work, I gratefully record the sum of \$11.00 collected by the children during Lent, which is double the amount they collected last year.

I am pleased to report that our offertories for special objects are better than formerly.

This mission was visited during Lent by the Rev. Henry How on behalf of King's College, Windsor. He gave two addresses and did some canvassing among some of my parishioners. We were able to give him \$50.05 towards the Church University of this Diocese. But this was not all. Friends of the Church will be glad to hear that this parish is sending three students to King's College this year, while another is entering the General Theological Seminary, New York. Two out of these four are graduates of the University of New Brunswick, and all four looking forward to Holy Orders in God's good time.

In the matter of finance I am sorry to say the assessment drags heavily. It has been my endeavor to induce every communicant in the mission to subscribe towards the maintenance of the church; but my endeavor so far has been well nigh fruitless. We are assessed at \$415, but out of this sum a little over \$300 is on the collector's lists!

The parish register for the past year gives the following details: baptisms 18, marriages 2, deaths 12, confirmed 13.

SUSSEX AND STUDHOLM—REV. H. W. LITTLE.

The work of these parishes has suffered everywhere from the irreparable loss of the late rector, the Rev. Canon Charles Medley, who fell asleep on August 27th of last year, to the great grief, not only of his faithful people here, but of the church throughout the Dominion. The threads of the various organizations in the parishes were well kept together, and the services were carried on to the satisfaction of the parishioners, by the Curate in charge, the Rev. W. Eatough, during the interregnum, and I was instituted to the rectory by the Most Reverend the Metropolitan in February of this year. I was much gratified at the spirit of earnestness and unity which I found everywhere, and at the manifestations I saw, on all sides, of a special reverence for God's ministry and His house. Both at Sussex and at Studholm I was welcomed by large congregations, with a more than average number of communicants in each, and active bands of church workers, Sunday-school teachers and choir members, as well as other parochial societies, all bearing the certain impress of the mind of him who, for twenty-five years, had been in spiritual charge of these parishes. A new church, St. Agnes', Mount Middleton, the last work of importance which Canon Medley had in hand, was consecrated in September, 1889. Here we have only a small band of communicants, a good Sunday-school, fortnightly services, and a sewing circle, which is likely to do good work for this corner of this exceedingly interesting field of mission work. A confirmation was held here on June 21st, by the Most Reverend the Metropolitan, and several candidates were presented to his Lordship as "the first fruits" of St. Agnes'. On Sunday the 22nd June a large confirmation was held in Holy Trinity, by his Lordship, at which 44 candidates were presented, 2 being previously Methodists, 1 a Roman Catholic, 2 Presbyterians, and 2 Baptists, all persons of middle age. I have now three churches to serve each Sunday, all of which are well attended, and a mission at Smith's Creek, where I have fortnightly services, and where the people are preparing to put up a suitable chapel for the use of themselves and their families. These parishes are not so wealthy as formerly, and I regret to say that we have some heavy liabilities to pay off still, but the greatest readiness has been shown by my people to gradually wipe out all past debts, and a scheme has been formulated, which has been cordially adopted, and which will eventually

clear us of all outstanding liabilities. The sewing circle generously put the rectory into thorough repair for us; but the beautiful church of Holy Trinity is in want of attention, and requires an immediate outlay of some hundreds of dollars, if it is to be preserved to us as the model country church of the diocese. Our number of communicants at Easter was the largest ever known here, and altogether, I can only say that as far as church work is concerned in this district, we can thank God, and take courage. I find that Sussex has never done much for D. C. S. I hope to see these parishes, however, take a higher position in this respect in the future. We sent \$40 this year to King's College, Windsor, and a parish that can do this ought surely to send a substantial donation to its own diocesan home mission organization. I owe much here, indeed I may say everything in the way of success, to my co-workers of the laity, and to my clerical brethren of the deanery, whose loyalty and hearty sympathy combine to make the work of the Rector of Sussex a daily round of pleasure, mingled with praise and gratitude to Him whose we are, and whom we serve.

UPHAM—REV. S. JONES HANFORD.

In my scattered and thinly peopled mission, I have by the divine blessing, been enabled to continue my work as usual for the past year. There are three churches and three stations to be served; and in the year 1889 I had 17 baptisms, 8 marriages, 14 burials, and have returned 69 who have communicated during the year, while there are others who may not have done so.

I have one Sunday-school of about twenty-five. The lack of teachers, however, is very much felt or much more could be done in this work.

I have not yet got through with collecting for the Society but hope to have in my returns in time for the report.

VICTORIA (ST. JOHN)—REV. J. O. CRISP.

The amount subscribed this year for General Purposes will reach that of last year. The collections are not yet completed.

WATERFORD — REV. A. W. SMITHERS.

No report.

WELDFORD — REV. E. B. HOOPER.

The year past has been one of steady growth and improvement throughout the whole of this extensive mission. The services have been kept up regularly at the churches and the various stations. The interest and appreciation of the people is plainly manifested in the large congregations which assemble at nearly every service.

At St. Paul's Church the services are brighter and heartier than they were formerly, for the simple reason that the people are beginning to take a more intelligent part in the service in the way of responding and singing. From this congregation some thirty-five persons were presented to Bishop Kingdon in October last for "the laying on of hands," and with thankfulness we report that a large proportion of these have since become regular communicants.

In addition to this satisfactory progress in things spiritual, I have also to report the successful completion of the work undertaken by this corporation, of enlarging the churchyard. We hope that when next we have the privilege of a visit from the Bishop, we shall have the land nicely fenced and ready for consecration.

The work in connection with St. Matthew's Church has gone on prosperously during the year. The congregations have been good and the services are offered with increased heartiness. Eight persons from this congregation were confirmed by Bishop Kingdon in October last, of whom seven are now regular communicants.

The Sunday-school at this church has been especially blessed during the year; the number of children on the roll having doubled. This has been mainly owing to earnest work on the part of a young lady who not long since came to us from Toronto, and who, since her arrival, has shown most praiseworthy zeal in this important branch of the Church's work. Two other young ladies, Miss Elmsly and Miss Ethel Forster, have undertaken the good work of training the Sunday-school children in singing, the result of which will, we hope, show itself in an *increase of heartiness in the singing at the children's services.*

Parish

It is with some degree of satisfaction that I report an increase of at least \$15 in the contributions from this mission to the general purposes of the Society. This is a step in the right direction which may, I trust, be followed by a similar step in the same direction next year.

Some four stations have been added to the work this year, making in all twelve stations, in addition to the regular weekly services in the two churches. During the year there have been 5 marriages, 7 burials, 34 baptized, 43 confirmed.

I must, before concluding, record once again my gratitude and the gratitude of my people to Mr. Frederick Forster, who for the year past has rendered faithful and efficient service as lay reader. Also, I desire to express my thankfulness for the many tokens of affection and sympathy by which the people have endeavored to cheer the heart of their pastor.

Contributions as follows: Widows and Orphans Fund, \$6; General Purposes, \$260; Total, \$266.

WESTFIELD—REV. H. T. PARLEE.

No report.

WESTMORLAND—REV. D. M. BLISS.

Reports contributions to General Purposes, \$27.39. and writes: I am sorry not to have it in my power to report any missionary work worthy of appearing in print. In this small country parish the months glide by with no events of a stirring nature to mark their course. I have the satisfaction of knowing that the parishioners are taking a more active interest in their church, and assist willingly in any church work we may undertake.

WICKLOW—REV. J. E. FLEWELLING.

I neglected to report last year that Bishop Kingdon consecrated a graveyard at Centreville during his visit in May, 1889. Through his intercession St. James' S.S., at Centreville, has a large number of books in library, received from S. P. C. K. in England. Our Sunday-schools are flourishing. Parishioners are striving to raise money enough to buy a

house for their Rector, and I am pleased to report that the prospect for obtaining the amount needful is bright, the Metropolitan, with his usual generosity, having sent a good donation towards payment for a house and lot which can be bought at a reasonable figure from a churchman in the village of Centreville.

On account of *la-grippe* I have only held 153 services during the past year. I have baptized 7, married 1 couple, and buried 7 persons. My communion roll has had 2 added thereto during the year, which is encouraging (the number of communicants now being 42), the number having increased sevenfold during my incumbency.

Contributions for General Purposes, \$53.00; 1st semi-annual collection, \$3.48; 2nd semi-annual collection, \$3.80; total, \$60.28.

WOODSTOCK, WAKEFIELD AND NORTHAMPTON— REV. CANON NEALES.

The past year has been occupied chiefly with the usual parochial work, which is always more than sufficient to prevent much leisure on our part. During the Lenten season our Sunday-school children made offerings to the Society, as the fruit of their own work and self-denial. On June 11th, at the time of our deanery meeting, we held a missionary service at which instructive addresses were given by Revs. L. A. Hoyt, Scovil Neales and N. M. Hansen.

We intend proceeding at once with the work on the Benton church, and hope to have it finished this autumn, having received a grant for the purpose both from the Society for Promoting Christian Knowledge and from the Fredericton branch of the Women's Aid Association.

The work has been going on regularly in both Wakefield and Northampton. I am thankful to have still the valuable assistance of the Rev. A. B. Murray, without which it would be impossible to serve the church's welfare at all as it ought to be in this large and growing Mission. We are looking forward to the centennial celebration in this Parish next year, to receive encouragement from the record of the past, and gather new life and strength for the future.

CONCLUSION.

From an early day, in the Reports of this Society mention has been made of those of the clergy connected with its work who "have finished their course." Such notices may be of value, especially in after years. In the Report of last year, it is to be regretted that two names were accidentally omitted.

The Rev. Canon Walker, late rector of Hampton, was among the earliest of the clergy in this diocese to take part in the work of this Society. He was most active in its support for many years, until increasing infirmities obliged his retirement.

By the death of the late Rev. W. Armstrong the church was called to mourn the loss of one deservedly loved. Whilst rector of the parish of St. James, Mr. Armstrong was always most punctual in forwarding the offerings of his parishioners, and generous with regard to his own.

The meetings of the Society a year ago were deeply marked with sadness, in thought of the trying illness of the late Rev. Canon Medley. A hope alone could then be expressed that many prayers for the sparing a life of such value to the church might be heard. It pleased God to take His servant to Himself, and the church and the diocese is left to mourn an irreparable loss, with the valued remembrance of the life and death of a true and faithful follower of the Lord Jesus.

During the past year the Rev. G. M. Armstrong, late rector of St. Mark, has gone to his rest. His life and work are well known in the diocese. As a prominent member of the Society, of which he was one of the Vice-presidents, Mr. Armstrong was ever most courteous and attentive in affording aid to the work, to which he most generously contributed himself.

At the request of the General Committee, in July last, the Secretary has procured a complete set of the Annual Reports, from 1836 to the present year. They have been bound in five volumes, and, under the direction of the Lord Bishop, have been forwarded to his grace the Archbishop of Canterbury, to be placed in the Church House, London.

PROCEEDINGS OF THE GENERAL COMMITTEE.

ST. JOHN, *Tuesday, July 1, 1890.*

In accordance with the provisions of the Constitution, the General Committee of the Diocesan Church Society met this day in Trinity Church school-house, in the city of St. John, at 10 a. m.

The Most Reverend the Lord Bishop of the Diocese took the chair.

The following Vice-presidents were present: the Right Reverend the Bishop Coadjutor, Sir S. Leonard Tilley, C B., K. C. M. G., the Rev. Canon DeVeber, the Rev. Canon Brigstocke, Mr. Wm. M. Jarvis, Mr. H. W. Frith, Mr. G. A. Schofield.

Prayers.

The Lord Bishop read a letter from the Rev. Canon Ketchum, Secretary of the D. C. S., stating, that in consequence of a recent accident, he was unable to be present at the meetings of the Society, and would be for some time unfit for any extra work; he therefore felt obliged to decline another nomination for the office of Secretary.

The Rev. W. O. Raymond was desired to act as Secretary, until the Secretary for the ensuing year should be elected.

The Secretary called the roll of the Clergy and Lay Delegates, all being present at this or the succeeding meetings excepting those whose names are marked with an asterisk.

For this he was greatly indebted to Miss Sarah Pickett, of Kingston, Rev. S. J. Hanford, of Upham, and Mr. Joseph W. Lawrence of St. John. The Reports were well bound, in five volumes, by Messrs. McMillan, and one volume was submitted to the Lord Bishop for inspection. The following inscription was placed on the inside cover: "To the Church House, London, from the Diocese of Fredericton.—1890." The books were forwarded by Messrs. McMillan, by express to Lambeth Palace.

The charge of Messrs. McMillan was \$10.53 and was ordered to be paid at the last meeting of the Executive Committee.

The following letter was addressed to the Archbishop of Canterbury, with the approval of the Lord Bishop:

Your Grace will kindly observe that our Society was the first of similar institutions formed by the Church in the Colonies.

By comparing the early with the later Reports, your Grace will also see what progress the Church in this Diocese has made through the work the Society has had in hand.

I have the honor to remain,

Your Grace's most obedient and humble servant,

W. Q. KETCHUM,

That this Committee cannot receive the resignation of the Rev. Canon Ketchum, D. D., who has been for more than forty years Secretary of the Diocesan Church Society of New Brunswick, without expressing their sympathy and regret at the serious accident sustained by him, which has been the immediate cause of his resignation, and has also prevented his being present at this meeting of the General Committee; the Committee would also place on record in their minutes, their deep sense of the great value of Canon Ketchum's long and devoted services to the cause of the Church in this Diocese, both as Secretary of the Society and in every relation which he has borne to the Society and the Church at large; their regret at the loss the Society is about to sustain; and their sincere hope and desire that he may speedily be restored to health, and long spared to continue work in which both as a pastor, and a member of the Diocesan Church Society, he has been so faithful and has taken so great delight.

Carried unanimously by a standing vote.

The most Reverend the Lord Bishop expressed his hearty approval of the foregoing resolution, and referred in feeling terms to the lengthened and faithful services rendered by Canon Ketchum as Secretary of the Diocesan Church Society.

Report of the Finance Committee to the Executive Committee during the year 1889-90.

Only two reports were presented, the first report in October 1889, and the second in June 1890.

In October 1889 the Committee reported:

1. That Mr. W. M. Jarvis had been elected Chairman of the Committee, and Mr. H. W. Frith, Secretary.
2. That a surrender of the Duff Lease of land on the old Bridge Road (Portland) had been accepted by the Committee and placed on record; and that the lot was then in the

occupation of Mr. Michael Martin, under a lease for one year at \$30, and that he had paid \$30 for a previous year's occupation thereof.

3. That Mrs. Margaret J. McBeath had paid up all arrears of rent on her lot on Harrison Street, and the Committee had granted her a new lease for two years from the 1st May 1889, at same rent, \$32. as before.

4. That they had granted Daniel Horgan the right of way over land on the Kennebecasis, in the Parish of Simonds, for \$10 for the winter. All the above mentioned lands are part of the Hazen Trust Estate.

5. That the sum of \$3,000 had been deposited in the Bank of British North America at 3% on call.

6. That, with regard to the claim of the Corporation of Saint James' Church, Cambridge, for a grant out of the Scovil Trust of \$24.00, the Committee had found that all the moneys received from the trust property in Saint John had been expended in the Parish, and that after payment of the Missionary's stipend for the current year, there would be a deficit; that the annual rental of the property at present was only \$400, out of which insurance, taxes and repairs had to be met, before there was anything coming to the Parish; that next, the stipend, up to \$400 a year, was payable to the Missionary, and lastly \$24 for repairs of the Parish Church. That, therefore, the Committee could not recommend any appropriation, in the present condition of the fund.

In June 1890, the Committee reported:

1. That a loan of \$2,500 had been made to William A. McGinley, of Saint John, Hairdresser, on a lot and double dwelling house of wood, situated on the south side of Mecklenburg Street, for five years from 1st instant, at 5% interest. Insurance not to be less than \$2,500.

2. That the Treasurer had received notice from E. I. Simonds that he would pay off his mortgage for \$10,000 on the first September next.

3. That the Treasurer had been authorized to receive four per cent debentures of the City of Saint John, for \$5,000 at par, in lieu of other City Debentures maturing 1st May last.

APPENDIX C.

Report of the Board of Home Missions for the year ending 30th June, 1890.

To the Right Reverend the Lord Bishop, and the General Committee of the Diocesan Church Society :

The Board of Home Missions submit the following report:

For the first time since the formation of the Board, a whole year has passed without any alteration in the terms of the grants made by the General Committee.

This statement shows that all the aided Missions have made up the contributions that were required.

The Board regret to say that the sums which it was hoped might be contributed by self-sustaining Parishes and Missions have not all been made up.

The following statement shows what has been done by, and what was expected from all the self-sustaining Parishes and Missions in the Diocese:

SPECIAL GRANTS.

Gordon and Lorne.—The Bishop having appointed Rev. J. R. Hopkins to this Mission, a grant of \$250 was made, upon condition of a contribution of \$150 from the Mission. \$460 in addition was promised by friends, which made the total stipend \$710, without a parsonage.

Burton.—The Board had an application before them at the last meeting for a grant of \$50 for the services of a Lay Reader during the summer months, to assist in work in this Mission, especially in the district of Victoria. This grant the Board recommend to the Board of Home Missions now to be appointed, if there are available funds.

OUTFIT GRANTS.

The following outfit grants have been made upon the usual conditions:

Rev. J. R. Hopkins, Missionary, Gordon and Lorne	\$250 00
Rev. F. F. Sherman, Rector, St. Martins.....	250 00

DIVINITY SCHOLARSHIP FUND.

The income of this Fund for the year, amounting to \$144, was granted to Mr. G. B. Roberts, son of the rector of Fredericton, who is a divinity student at King's College, Windsor.

COMMITTEE ON NEEDS OF THE DIOCESE.

Under authority of the General Committee the Board appointed a committee upon this subject, and their report is attached hereto.

ANNUAL STATEMENT FOR S. P. G.

The Board submit herewith a copy of the annual statistical statement furnished to the S. P. G. Twenty-five Parishes or Missions did not send in returns, so that the statement is very incomplete.

SCHEDULE FOR NEXT YEAR.

At the meeting of the Board in August last a letter was read from the S. P. G. announcing the continuance of their grant for 1890, but stating that "the Standing Committee "feel that it is essential to its continuance in future that "some of the older Missions should be removed from the "Society's list, and a portion of the grant be applied to new "settlements."

The Board, recognizing the justice and importance of this communication, at once appointed a special committee, with instructions to print the letter and forward it to each Deanery and ask them to report how the wish of the S. P. G. could best be carried out. The committee was also instructed to ascertain how much additional contributions would be required to maintain the present work for next year, and to report to the Board whether, in their judgment, any grants on the present list might be more useful in vacant Missions, and the reasons that exist for such change.

This committee gave a great deal of time to the work entrusted to them, and made several reports to the Board which may be summarized as follows:

1st. That they had sent the information as directed to each Deanery.

2nd. That the withdrawal of £100 sterling, or, say \$500, from older Missions for new work, as required by S. P. G., and the maintenance of all the present work, would require an additional \$2,400.

3rd. That no Deanery except Fredericton was willing to pledge an increased contribution.

4th. They also submitted a statement of the strength and position of each aided Mission now, compared with five years ago.

After careful consideration of these reports, the Board felt compelled to recommend the withdrawal of the following grants on 1st October next, unless sufficient funds are provided before that date:

1st, to the Mission of Canning.....	\$ 380 00
2nd, " " Kingston.....	50 00
3rd, " " Petitcodiac, for Curate.....	150 00
4th, " " Canterbury.....	345 00
5th, " " Prince William.....	428 00
Total.....	<hr/> \$1,353 00

The Board also recommend that, in order to give some services to Canterbury and Prince William, a grant of \$728 be made, to provide services at Magundy, Magaguadavic, McAdam, Canterbury and Skiff Lake, on condition that the people give \$300. This will be, from D. C. S., \$428; so that the total reduction will be \$925.

The Board recommend that \$100 be placed at the disposal of his Lordship the Bishop, to provide occasional services to the Mission of Canning during the year.

As to the requirement of the S. P. G. already referred to, the Schedule submitted herewith will show that the Board have appropriated \$100 to Baie Verte, and \$400 to Gordon and Lorne, making a total of \$500, or a little over £100 sterling. While it is hoped that this may be considered as satisfactory by the S. P. G., the Board feel that it can only be considered as the beginning of a work that must be continued in the near future, and that the older Missions must be prepared for the further reductions that they will very soon have to meet.

RENEWAL OF GRANTS TO VACANT MISSIONS.

Under the present rules of the Society the grant to any Mission ceases upon the vacancy occurring, and can only be renewed upon such terms as may be settled by the General

Committee or the Board of Home Missions. As in most cases the differences that exist in the stipends attaching to various Missions cannot be satisfactorily explained, and at the same time cannot fairly be changed except when a vacancy occurs, the Board, acting upon a suggestion from the Deanery of Woodstock, recommend the General Committee to adopt the following regulation:

“That upon a Mission becoming vacant the grant from the Society may be renewed upon such terms that the stipend shall not exceed \$700, with a parsonage, or \$780 without a parsonage.”

The Board desire to direct special attention to the fact that after all the reductions made by the present Schedule there will still be a deficit, unless the contributions are increased this year.

At the request of the Board his Lordship the Bishop issued a Pastoral Letter in May last, in order that every churchman throughout the Diocese might know what the position of the Society is.

The estimate of Income and Expenditure, with a Schedule of grants recommended for next year, and the returns and minutes of business of the past year, accompany this report.

Respectfully submitted.

By order of the Committee,

GEO. A. SCHOFIELD,

St. JOHN, N. B., July 2nd, 1890.

Secretary.

APPENDIX D.

Assessment of Clergy Report.

The committee appointed to enquire into the feasibility of a scheme of assessment in connection with the Incapacitated Clergy Fund, beg leave to report that they have considered the matter entrusted to them; and at the outset they desire to express in the strongest manner their deep regret that the admirable scheme of raising an Incapacitated Clergy Fund of \$15,000 in five years was allowed to be laid aside; for, if the church people of the Diocese had carried it out, no one would have been really burdened, the fund would now be complete, and equal to our present needs.

Your committee having before them the facts that the fund cannot be used until the capital sum of \$15,000 is reached, that there is no prospect of that amount being raised for years to come, and yet that there is pressing need for providing for more than one aged clergyman, are unable to suggest any better way—if it can be agreed upon—than that of clerical assessment, together with regular annual collections from every congregation.

Your committee find that this method is in general use in every case among the denominations; and they are of opinion that the same principle might be found applicable to our case.

Your committee has ascertained, through the Rural Deans, the opinions of the clergy in the Diocese upon this matter; and they find that in every deanery the clergy have expressed themselves, under the circumstances of an incomplete and unavailable endowment fund, in favor of the principle of clerical assessment and congregational offerings, without, however, in any case committing themselves, before a full discussion, to any matter of detail.

Your committee are unable to speak for the parishes; but it is hoped that when the matter is referred to them, when they see the clergy willing to tax themselves, they will also be glad to do their part.

Your committee cannot avoid making the statement that the truest way of dealing with the matter would yet be to renew our efforts for the completion of the Incapacitated Clergy Special Fund until the object sought is attained. But if that cannot now be done and this report be approved, your committee would recommend that steps be taken to ascertain whether the congregations throughout the Diocese are willing to enter into such an arrangement. This might be done by each parish agreeing either to pay a fixed sum permanently, or by having one annual collection for the fund.

On behalf of the committee.

H. T. KINGDON, BISHOP,
Chairman.

Report of Committee on Interesting Sunday-schools in Home Missions.

To the Most Reverend the Bishop of Fredericton, Metropolitan, etc., and the General Committee of the Diocesan Church Society of New Brunswick.

The committee appointed in July, 1889, "to interest Sunday-schools in the work of Home Missions, and for the Promoting of Sunday-schools," with power to add any three members of the Society to their number, beg to report:

2. That a joint meeting of the two committees was held, and as far as possible they worked along the same lines.

3. That this committee caused a number of Lenten mission boxes to be made for the use of Sunday-school children, and to induce them to aid the Home Missions of the Church by putting by and collecting some money during Lent; that 170 of these boxes were issued, and that several of the clergy who did not require the boxes took other means to attain the same end.

4. That, although your committee have reason to believe that a considerable sum was raised by Sunday-school children, they are unable to report what sum, or any approximation of the amount obtained, as very few returns were made to this committee; and, on referring to the Treasurer's accounts, they find that any contributions gained in this way have been so mixed up with the general returns from parishes and missions that the Treasurer has no way of ascertaining what moneys he has received as the result of the work of this committee.

APPENDIX F.

Report of the Committee on the Property of the late Hon.
Robert Robinson, in the Parish of Canterbury,
York County.

To the General Committee of the Diocesan Church Society :

The undersigned committee appointed by the Executive Committee at a recent meeting to report to the General Committee of this Society on the position and best mode of

management of certain lands in the parish of Canterbury, York County, generously donated by Mrs. Emma Robinson, of St. Andrews, to the Diocesan Church Society, beg to report that the said lands consist of six grants from the Crown, and two deeds from private persons to the late Hon. Robert Robinson, as follows:

No. 1 grant.....	75 acres.
2 "	90 "
3 "	110 "
4 "	100 "
5 "	100 "
6 "	1640 "

7 deed	325 "
8 "	100 "

Total..... 2,790 "

The limited time at the disposal of the committee since their appointment has rendered it out of their power to report upon the present position and value of the property; they have, however, procured a plan of the lands, kindly made for them by Mr. T. G. Loggie, of the Crown Land Department, which accompanies this report, and which will facilitate a complete and thorough examination of the several lots, and thereby secure an estimate of the commercial value of the whole property.

Respectfully submitted.

Report of the Committee on the Needs of the Whole
Diocese.

To the Board of Home Missions:

The committee on the Needs of the Whole Diocese beg to report as follows:

In consequence of the partial failure of the scheme last year for providing meetings in every parish in the Diocese, owing in a great measure to some misunderstanding between the clergy and the General Committee, a different plan was adopted this year.

Each Deanery, through the Rural Dean, was requested to arrange a scheme of meetings and a succession of speakers to suit the convenience of each parish, and to report to the Central Committee. The result may be seen from the following summary of the reports from the various Deaneries:

CHATHAM.—The formation of a scheme is still under contemplation.

FREDERICTON.—A scheme was carefully drawn up and carried out in a majority of the parishes.

KINGSTON.—A scheme was arranged, but no report has been received from that Deanery whether it has been carried out.

ST. ANDREWS.—No action has been taken.

ST. JOHN.—A series of meetings have been held in nearly all the parishes in this Deanery.

SHEDIAC.—Meetings have been held in all the parishes of this Deanery.

WOODSTOCK.—A scheme of meetings was drawn up, but owing to the difficulty of securing speakers, was not carried into effect.

Your committee express the hope that this important work of bringing the needs of the Church before the church

people of the Diocese will be continued; and they beg to recommend that the clergy be requested to co-operate with the Central Committee, so that a continuous series of meetings may be held in every parish in the Diocese.

We have carefully examined the accounts of the Treasurer, and find them carefully kept and correct.

The securities and debentures, of which due account appears in the financial statement, have been carefully examined by us, and we find that they agree in amount with the statement of investments.

Report of the Glebe Land Committee.

To the Most Reverend the Metropolitan and the General Committee of the Diocesan Church Society:

The Glebe Land Committee beg to submit the following report:

That they have caused a survey to be made of the Glebe Lands in the Parish of Perth, and have sold and disposed of a portion of said lands for the sum of eighty-two dollars and fifty cents. Of this amount the sum of forty dollars has been paid by the purchaser, and handed over to the Treasurer of the Society. The balance of the purchase money will be paid on delivery of a deed, which is being prepared.

All of which is respectfully submitted.

APPENDIX J.

Report of the Book Depository Committee for the Year Ending 1st June, 1890.

To the Right Reverend the Lord Bishop and the General Committee of the Diocesan Church Society.

The Book Depository Committee of the Society for Promoting Christian Knowledge beg to submit their sixteenth Annual Report:

Stock on hand May 1st, 1889, amounted to.....	\$1,587 75
During the year eight importations of publications were made, amounting to.....	140 84

\$1,728 59

Stock on hand May 1st, 1890, amounted to.....	\$1,283 84
Sales at Central Depository during the year.....	444 75
	<hr/>
	\$1,728 59

The sale of publications for the year ending May 1st, 1889, reached the sum of \$758.68.

It will thus be seen that there has been a large falling off in the past year.

The circulation of the "Dawn of Day" has increased from 1,262 copies per month in 1889 to 1,343 copies per month in 1890.

The only new feature in this year's work was the free distribution of the Society's publications to needy Missions, under authority of resolution passed by the General Committee last year.

The number of applications for grants was not as large as was expected, as very few of the clergy have, as yet, taken advantage of this new departure in the Society's operations. The following clergy and others have received grants upon application to the Committee, through the Secretary.

Rev. H. M. Spike, for Musquash.....	\$10 00
Mr. A. R. Bedell, for Edmundston.....	25 00
Rev. Dr. Ketchum, for Chamcook.....	10 00
Rev. C. A. French, for Baie Verte.....	10 00
Rev. O. S. Newnham, for Milltown.....	10 00
Rev. W. H. Street, for Fowler's District.....	10 00
Rev. J. C. Titcombe, for Fairville.....	5 00

There is quite a large number of unsaleable books on the shelves of the Depository, which your Committee are anxious to dispose of. A catalogue of these has been prepared through the kindness of Messrs. McMillan, and it is hoped that before the next annual report is presented, many of them shall have been sold at reduced rates.

The question of establishing an independent book store is now under discussion by your Committee. A sub-committee was appointed a short time ago to make enquiries in this

direction, and they have reported not unfavorably upon the scheme. A more exhaustive and detailed report is, however, awaiting the next meeting of your Committee.

Your Committee would call the attention of the clergy and others to "the Official Year Book of the Church of England." This book furnishes a trustworthy account of the condition of the Church of England and all bodies in communion with her throughout the world. It can be had at the low price of 75 cents in paper boards, or \$1.00 in cloth board.

Respectfully submitted on behalf of the Committee.

THE ENVELOPE SYSTEM.

As one means of increasing the contributions and lessening the difficulties of collection, the Board of Home Missions recommends that Weekly Offerings be substituted for Yearly Subscriptions, wherever practicable.

The plan of Weekly Offerings upon the Envelope system has been found to work well in many parts of the Diocese where it has been tried.

The first step towards the adoption of this system in a Parish is to ascertain from all the members of the Congregation what sum they are willing to contribute at the Weekly Offertory; and this being done—

1. Pledges will be received from the Parishioners for a fixed weekly sum, from one cent to one dollar and upwards, to be given in an envelope, at the services on each Sunday.

2. A package of envelopes will be given to each contributor, printed with blanks for name and amount of offering.

3. The Treasurer will enter the amount thus received each week, to the credit of each contributor, in a book to be kept exclusively for this purpose.

4. A stated meeting of the Vestry or Parishioners will be held quarterly; at which meeting the Treasurer will report all subscriptions in arrears, and at the close of the Parish year will also present all the last year's accounts of the Parish, which will then be audited and settled.

By the above plan the following objects are sought to be accomplished:

1. That not only heads of families, but *all in the Parish*, old and young, who have any means and earnings of their own, may contribute *according to their ability* to the support of the Church.

2. That they may, as regularly as possible, at the appointed time, *bring their pledged Weekly Offerings to Church*, instead of paying them at the call of the collector.

[NOTE.—The principle of the Envelope System is not interfered with when, as in exceptional cases, it may be convenient to contribute ONCE A FORTNIGHT, or at any other stated period within the quarter.]

3. That the Parish revenue may not fall into arrears and debt be incurred.

4. That the income of the Parish may be *materially increased*, so that mainly from this source sufficient provision may be made for the support of the Clergyman.

All these objects may be easily attained if the Church Wardens be willingly and efficiently sustained in their efforts by those whose representatives they are.

The above plan has been adopted, with some variations, in a number of Parishes in several Dioceses, and has been successful.

It is hoped that it may receive serious consideration in every Mission in this Diocese, and that it may be generally adopted.
