The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

➤ PREFACE ➤

To the Amendment and Consolidation, 1882.

For several years past the want of a properly codified collection of the Town By-laws has been decidedly felt. Frequent violations of their provisions occurred, and these not so much in defiance of their requirements, as from the want of a proper knowledge of their contents. With the view of meeting the want the Council of 1881, upon the motion of D. M. Cameron, reeve, authorized Jas. M. Campbell to copy and consolidate the whole of the by-laws passed since 1860. This being satisfactorily completed, it was then found that many of the by-laws were *ultra vires*, either in whole or in part of their provisions, and being so, it became evident that it would be unwise to issue them as the Town's By-Laws. In 1882, on motion of the Reeve, the subject was placed in the hands of the Printing Committee with power to act. The Committee at once proceeded to carry out their instructions, and they considered it, first, necessary to have the by-laws entirely revised, from reasons already given, and from the additional fact that many powers given by the Municipal Act were not taken advantage of. In order to complete the work, the Committee authorized James Noble, P. M. to revise and prepare a code of by-laws to be submitted to the Council for their approval at as early a date as possible. Of the manner in which that duty intrusted to them has been performed by your Committee, the work now submitted, approved and passed by the Council, will itself be the best criterion.

All of which is respectfully submitted.

JAMES WRIGHT,

Chairman of Committee.

Strathroy, November, 1882.

Victoria, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., &c., &c.

TO ALL TO WHOM THESE PRESENTS SHALL COME, GREETING.

J. S. Macdonald, Attorney-General.

WHEREAS by an Act of the Legislature of our late Province of Canada, intituled an Act respecting "The Municipal Institutions of Upper Canada," passed in the twenty-ninth and thirtieth years of our reign, it is amongst other things in effect enacted, that a census of any incorporated village may, at any time, be taken under the authority of a by-law of the Council thereof, and further, that in case it appears by the return that an incorporated village contains over three thousand inhabitants, the village may be erected into a town; but the change shall be made by means of, and subject to the following proceedings and conditions :

Firstly. The Council of the Village shall, for three months after the census return, insert a notice in some newspaper published in the village, setting forth in the notice the intention of the Council to apply for the erection of the Village into a Town; and state the limits intended to be included therein.

Secondly. The Council of the Village shall cause the census returns to be certified to our Governor in Council under the signature of the head of the Corporation, and under the Corporate seal, and shall

also cause the publication aforesaid to be proved to our Governor in Council; then in the case of a village, our Governor may, by proclamation, erect the Village into a Town, by a name to be given thereto in the proclamation.

And further, that our Governor may divide the new Town into wards, with proper names and boundaries, but no town shall have less than three wards, and no ward less than five hundred inhabitants.

And whereas a census of the Village of Strathroy, in the County of Middlesex, has heretofore been taken under the authority of a by-law of the Council thereof; and whereas it appears by the census return taken under such by-law, that the said Village of Strathroy contains over three thousand inhabitants; and whereas it has been represented and shown to us that the Council of the said Village of Strathroy did for three months after the census return, insert a notice in a newspaper published in the said Village, setting forth in such notice the intention of the Council to apply for the erection of the said Village into a Town, and stating the limits intended to be included therein, and the Council of said Village caused the census returns to be certified to our Lieutenant-Governor-in-Council, under the signature of the head of the Corporation and under the corporate seal thereof, and also caused the publication aforesaid to be proved to our Lieutenant-Governor-in-Council.

Now know ye, that having taken the premises into Our Royal consideration: We do, by this Our Royal Proclamation, and in the exercise of the powers in us vested in this behalf, as well as by the said recited Act as by Our Royal Prerogative, or otherwise howsoever, proclaim and appoint that the said Village of Strathroy, in the County of Middlesex, be, and the same is hereby erected into a Town, by the name of the Town of Strathroy; the boundaries whereof are as follows: That is to say, commencing at the North-East corner of lot number twenty-five in the fourth concession

of the Township of Adelaide, South of the Egremont Road; thence West along the Base Line between the third and fourth concessions of the said Township of Adelaide, to the North-West corner of lot number twenty in the said fourth concession; thence south to the South-West corner of lot number twenty in the fifth concession of the said Township of Adelaide; thence east along the township line between the Townships of Adelaide and Metcalfe, to the township line of Caradoc; thence North-East along the said township line of Caradoc and Adelaide, to the North-West corner of lot number ten in the tenth concession of the said Township of Caradoc; thence South-East to the South-West corner of lot number ten in the said tenth concession; thence North-East to the centre of lot number fifteen in the said tenth concession of the Township of Caradoc; thence North-West along the Centre Line of the said lot number fifteen to the Townline between the Townships of Adelaide and Caradoc aforesaid, at or near the place of beginning.

And we do further proclaim and appoint, that the said Town of Strathroy be, and the same is hereby divided into three wards, with the names and boundaries following, that is to say :

Ward No. 1.—To comprise all the land lying westward of the side road between lots twenty-one and twenty-two in the Township of Adelaide; and also to the westward of the centre of Maria Street, and of a line commencing at a point in the said side road, where Maria Street, if extended, would intersect the same; thence South-Easterly to Albert Street; thence Southerly through the centre of Richmond Street to the townline; thence South-Easterly through the centre of McKellar Street, the lengths of lot number eleven in the tenth concession of Caradoc to the limit of the corporation.

Ward No. 2.—To comprise all the land lying Eastward of the boundary line before named, and Westward of a line commencing on the side road before named at a point where the new road, Kittredge's sur-

BY-LAW NO. 147

Respecting the Interpretation of the By-Laws of the Town of Strathroy.

Be it enacted by the Municipal Council of the Corporation of the Town of Strathroy :

- Short title.** 1. This by-law may be cited as "The Interpretation By-Law."
- The interpretation clause to apply to all by-laws subsequently passed and how by-laws to be constructed.** 2. In the construction of every by-law of the said Municipal Council, passed after this by-law takes effect, except in so far as the provisions of this section are inconsistent with the intent and meaning of such by-law, or the interpretation which such provisions would give to any word, expression or clause is inconsistent with the context, and except in so far as any provisions thereof are in any such by-law declared not applicable thereto.
- Application of expression in present tense.** 1. The law shall be considered as always speaking; and whenever any matter or thing is expressed in the present tense, the same is to be applied to the circumstances as they arise, so that effect may be given to each by-law and every part thereof according to its spirit, true intent and meaning.
- "Shall" and "may."** 2. The word "shall" shall be construed as imperative, and the word "may" as permissive.
- "Herein."** 3. Whenever the word "herein" is used in any section of a by-law it shall be understood to relate to the whole by-law and not to that section only.
- "Person."** 4. The word "person" shall include any body corporate or politic, or party, and the heirs, executors, administrators, or other legal representatives of such person to whom the context can apply according to law.

5. The word "month" shall mean a calendar month, and the word "year" a calendar year. "Month" or "year."

6. The word "holiday" shall include Sunday, New Years Day, Good Friday, Christmas Day, Dominion Day, the days appointed for the celebration of the birthday of Her Majesty and of Her Royal Successors, and any day appointed by proclamation of the Governor-General or Lieutenant-Governor as a public holiday or for a general fast or thanksgiving. 7. Words importing the singular number or the masculine gender only shall include more persons, parties or things of the same kind than one, and females as well as males and the converse. Number and gender.

8. The repeal of any by-law or part of a by-law shall not revive any by-law or provision of law repealed by such by-law or part of a by-law or prevent the effect of any saving clause therein. Repeal of a by-law not to revive by-law repealed by it.

9. Where a by-law is repealed wholly or in part and other provisions substituted, all officers, persons, bodies politic or corporate, acting under the old law, shall continue to act as if appointed under the new law until others are appointed in their stead, and all proceedings taken under the old law shall be taken up and continued under the new law when not inconsistent therewith; and all penalties and forfeitures may be recovered, and all proceedings had in relation to matters which have happened before the repeal in the same manner as if the law were still in force, pursuing the new provisions as far as they can be adapted to the old law. Effect of repeal of by-law on persons acting under it.

10. No offense committed and no penalty or forfeiture incurred and no proceeding pending under any by-law at any time repealed, shall be affected by repeal except that the proceedings shall be conformable where necessary to the repealing by-law; and that where any penalty, forfeiture or punishment has been mitigated by any of the provisions of the repealing by-law, such provisions shall be extended and applied to any judgment to be pronounced after such repeal. Offences committed and penalties incurred not affected by repeal.

25. That no By-Law shall be committed or amended until it shall have been twice read.

26. That all amendments shall be reported to the Council by the Chairman standing in his place. After report the By-Law shall be subjected to debate and amendment in the Committee before the question to commit it shall be put.

31. That petitions, memorials and other papers addressed to the Council, shall be presented by a member in his place, who shall be answerable to this Council, that they do not contain improper or impertinent matter.

32. That all papers laid before the Council or referred to a committee for their consideration, are of right to be read once by the Clerk or Chairman at the table, that when once read to the Council or Committee, they are like every other paper that belongs to the Council to be moved for, to be read and if objected to, to be decided by taking the sense of the Council or the Committee.

33. That in forming a committee of the whole Council, the Mayor or other presiding officer shall leave the chair, and shall before leaving the same appoint a chairman to preside, who shall have the same authority in the chair of the committee as the Mayor, or other presiding officer in the chair of the Council, and in other committees the chairman shall have the same authority.

34. That the order of the day shall have preference to any motion before the Council.

41. That on motion in committee to rise without reporting, or that the chairman leave the chair, debate shall be allowed, and on an affirmative vote, the subject referred to the committee shall be considered as disposed of in the negative, and the Mayor or the presiding officer shall resume the chair, and proceed with the next order of business.

42. That in all unprovided cases, both in Council and committee, resort shall be had to the law of Parliament, as the regular guidance on the question, and in such case the decision of the Mayor or presiding officer shall be acquiesced in without debate.

43. No motion shall be considered carried without a majority of the Council present shall consent thereto.

44. In making appointments to office, when there shall be more than two applicants, the motion shall be just so that each shall be voted for, the persons receiving the lowest number of votes falling out in succession.

45. That the proceedings of the Council shall always close at eleven o'clock p.m., that is to say, they shall not be continued after that hour.
