PRAYERS

APPOINTED TO BE USED "AT ALL MEETINGS OF THE BOARD, AND OF COMMITTEES," BEFORE THEY COMMENCE BUSINESS.

Prevent us, O Lord in all our doings, with Thy most gracious favour, and further us with Thy continual help; that in all our works, begun, continued, and ended in Thee, we may glorify Thy Holy Name, and finally by Thy mercy obtain everlasting life, through JESUS CHRIST our LORD. *Amen.*

(Board of Home Missions only.)

O God, from whom all holy desires, all good counsels, and all works of piety and charity do proceed; we beseech Thee to visit with Thy favor our Sovereign Lady, Queen Victoria; and so to rule her heart that she may in all things seek Thy honour and glory. Prosper with Thy blessing our Missionary work. Comfort with Thy grace those benefactors who contribute to its support. Bless the Ministry of Thy servants, the clergy; and the endeavours of all who are engaged in promoting the knowledge of true religion. And may Thy Holy Spirit direct all our consultations to the advancement of Thy Glory and the good of Thy Church, through JESUS CHRIST our LORD. *Amen.*

(Board of Home Missions only.)

O LORD JESUS CHRIST, Who at Thy first coming didst send Thy messenger to prepare Thy way before Thee, grant that the ministers and stewards of Thy mysteries may likewise so prepare and make ready Thy way, by turning the hearts of the disobedient to the wisdom of the just, that at Thy second coming to judge the world, we may be found an acceptable people in Thy sight, Who livest and reignest with the FATHER and the HOLY SPIRIT, ever one God, world without end. *Amen.*

(Board of Foreign Missions only.)

Almighty God, who, by Thy SON JESUS CHRIST, didst give commandment to the Holy Apostles that they should go into all the world and preach the Gospel to every creature, grant to us whom Thou hast called into Thy Church a ready will to obey Thy Word, and fill us with a hearty desire to make Thy way known upon earth, Thy saving health among all nations. Look with compassion upon the Heathen that have not known Thee, and on the multitudes that are scattered abroad as sheep having no shepherd. O Heavenly FATHER, LORD of the harvest, have respect, we beseech Thee, to our prayers, and send forth laborers into Thine harvest.

Fit and prepare them by Thy Grace for the work of their ministry ; give them the spirit of power, and of love, and of a sound mind ; strengthen them to endure hardness ; and grant that both by their life and doctrine they may set forth Thy glory, and set forward the salvation of all men, through JESUS CHRIST our LORD. *Amen.*

(Board of Foreign Missions only.)

O merciful GOD, who hast made all men, and hatest nothing that THOU hast made, nor wouldest the death of a sinner, but rather that he should be converted and live, have mercy upon all Jews, Turks, infidels and heretics, and take from them all ignorance, hardness of heart and contempt of Thy Word, and so fetch them home, blessed LORD, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd, JESUS CHRIST our LORD, Who liveth and reigneth with THEE and the HOLY SPIRIT, one GOD, world without end. *Amen.*

Almighty GOD, Father of all mercies, we Thine unworthy servants do give Thee most humble and hearty thanks for all Thy goodness and loving kindness to us and to all men ; more particularly for the providential support by which our work has been thus far sustained ; but above all for Thine inestimable love in the redemption of the world by Thy Blessed Son, for the means of grace, and for the hope of Glory which Thou hast given us in our Lord and Saviour JESUS CHRIST : to Whom, with THEE and the HOLY GHOST, be all honour and glory, world without end. *Amen.*

Our FATHER which art in Heaven, Hallowed by Thy Name ; Thy kingdom come ; Thy will be done in earth as it is in Heaven ; give us this day our daily bread ; and forgive us our trespasses as we forgive them that trespass against us. And lead us not into temptation, but deliver us from evil ; for THINE is the Kingdom, the power and the glory, for ever and ever. *Amen.*

The grace of our LORD JESUS CHRIST and the love of God, and the fellowship of the HOLY GHOST, be with us all, evermore. *Amen.*

Report of the Board of Home Missions, 1894-5.

The Board of Home Missions in once more presenting the Annual Report, would first of all acknowledge the blessings which have been vouchsafed to the Diocese by the good hand of our God upon us. Our Bishop has been preserved in health, there have been few deaths and few removals among the clergy, the work of the Church has gone on with regularity, and the ministration of the Word and Sacraments has been faithfully and duly kept up. There have been but a very small number of missions which have during the year been deprived of the means of grace, and we have been as a Diocese spared the reproach and loss of vacant parishes. The contributions of our people to Foreign and Domestic Missions have been steadily increasing, and if home work, carried on at our very doors, aroused our keen sympathy as it is able to be kindled by those who come to us from abroad, we should soon be in a condition of financial soundness. But this is not at present the case; and while we can point with satisfaction to amounts subscribed for outside objects, we cannot say that the funds of the Board of Home Missions have been greatly increased: while the debit balance owing to overdrafts in preceding years, is a formidable difficulty with which we have to grapple.

A review of the contributions during the year will be of interest. And it is to be premised that the statement made as an appendix to this report includes exactly the period from Jan. 1st to Dec. 31st, 1894. The custom, probably a bad one, has been, to include within it all contributions which may be considered as coming within the current year, much of which, however, did not come in until the following quarter was considerably advanced. This year, as being the only method which will make all statements agree, the accounts of the Treasurer and Secretary cover the same period of time; and a supplementary statement will, in accordance with instructions from the Executive Committee of Synod, be printed, including amounts from Jan. 1st to May 1st 1895, merely for information. And it will be the wisdom of the Board to insist with all possible earnestness, upon the contribution to the Board being made from the whole Diocese, during the limit of the actual year for which account has to be made, i. e., from Jan. 1st to Dec. 31st.

to give more proportionately to their means, has been given a good trial during the past year, and with the result of encouraging the Board to continue and perfect it. All the Deaneries in the Province of Nova Scotia have been visited by Clergy of prominence, and in some instances by Laymen as well, whose reports will be printed in the Journal. The effect of these visitations has been to stir up our people to a deeper sense of their privileges and duties, and to bring in close upon a thousand dollars direct from them into the Diocesan funds. The Board is convinced now that the way of helping and stimulating the members of the Church lies in the cultivation of the deputation principle, rather than in the employment of a single agent: and this largely because the deputations enkindle not only the congregations whom they address, but themselves also.

2. At the beginning of 1894 Mrs Binney, the widow of our late beloved Diocesan, sent a communication to the Board, through the Secretary, that she was desirous of giving \$1000, and that her son, Rev. W. H. Binney, would augment this by \$500, to the Diocese, provided that a like amount were raised by the people within one year of the date of the letter, January 27th 1894, the whole \$3000 to be invested for the benefit of the Diocese. The Board thought that the most likely way of doing this would be to make this the objective point of the efforts of the deputations this year. Accordingly the Clergy who undertook this work brought plainly forward the desirability of raising this \$1500 so as to obtain the donation from Mrs. and Mr. Binney. And when it was said that nearly one thousand dollars extra had been raised by the deputations this is to be understood of the special donation to meet the Binney gift. The Board regret that the whole amount of \$1500 has not been raised within the given time. But it is a matter of congratulation that in a Diocese so poor as this, and which has moreover \$2000 to raise each year towards the Bishop's stipend, so large an extra sum as \$1000 has been able to be subscribed. At the same time, this probably has operated somewhat to the detriment of the General fund, although the deputations strongly urged that it should not be allowed to do so.

Application has been made to Mrs. Binney and her son to extend the time for making up the balance of the \$1500, which is confidently expected will be favorably answered in due time.

The deputation system should be developed and made perfect. In these visits of able and disinterested clergy and laity to the parishes, bringing fresh voices and new arguments to bear upon

our people, and making them feel that they are not mere congregationalists, but members of the great Catholic Church avowed in our Creeds and acknowledged in our formularies, the Board views the prospect of sympathies more strongly awakened, and of gifts more generously and self-sacrificingly bestowed, which will enable the Church to lengthen her cords and strengthen her states, and to hold out to all Christians the olive branch of peace and the basis for future organic union..

The total amount of contributions from the Diocese, exclusive of the assessments to the Synod and the Income of the See is as follows:—

B. H. M. General.....	\$4358 69
Widows' and Orphans'.....	1495 66
Super. Fund.....	255 29
Domestic Missions General.....	709 80
" " Indian.....	477 49
Childrens' Off'gs.....	205 45
Foreign Missions.....	1186 97
Missions to Jews.....	294 07
King's College.....	439 27
Binney Fund.....	886 01
	————— \$10308 70

The amounts which have come in since Jan. 1st 1895, will be duly acknowledged in the supplementary report.

The Secretary who is about resigning his position, having accepted work in another Diocese, hereby begs to return his sincere thanks to the Board for their uniform kindness and consideration to him during his tenure of office.

FRANCIS PARTRIDGE,
Secretary.

Report of Widows' & Orphans' Fund 1894-5.

The Widows' and Orphans' Fund Committee in presenting their report are able to state that there has been a sensible diminution in the amount of indebtedness of the Fund during the past year: chiefly through the efforts of the Rev. F. H. Almon, who has with great self-denial visited a number of parishes in the interests of the Fund. The claims of the Widows and Orphans of our deceased Clergy have been advocated also by the deputations who have gone to the various Deaneries, so that we are able to state that exclusive of premiums, and interest on investments, the contributions to the Fund have reached the sum of \$1495.66. This with the premiums (about \$350), and the interest from invested funds, has made the income of the Fund larger than it has been for some years.

There is an unusually large number of Widows upon the Fund, at present 15—which must in the ordinary course of things within a very few years be materially decreased, when the Fund will enjoy a breathing spell, and will be able to accumulate again. The Fund is now paying to the Widows \$100 each per year, which is the amount contemplated by the rules of the Fund and provided for by the very moderate premium exacted from the Clergy. This payment of \$1500 leaves about \$600 per year, and this year more than that to practically constitute a sinking fund, which will in a year or so more wipe out the debt, and enable the Committee to grant a bonus over and above the \$100 a year, to the widows' who have claims upon the Fund.

There are now 60 Clergymen paying premiums into the Fund and the numbers will in all probability be increased during the coming year, under the very favorable terms which have been decided on by the Committee.

The Committee return their best thanks to Rev. Mr. Almon, and the other Clergy who have taken so much interest in the objects so dear to their hearts: and confidently expect that in a comparatively short time all the obligations of the Fund will be handsomely met, and the warmest co-operation of the Diocese in its aims and objects will have been strongly and permanently enlisted.

The continued interest of the members of the Church in this most important matter is earnestly hoped for by the Committee and they are convinced that by a determined and energetic effort the remaining portion of the debt of about \$1000 may be wiped out within the current year.

FRANCIS PARTRIDGE, *Secretary.*

P. S. News has now come of the bequest of \$1000 to the Fund from the late Rev. Mr. DeWolf of Windsor, which if available, will about extinguish the present indebtedness.

Special contributions towards the reduction of the Debt on Widows' and Orphans' Fund.

Report of the Superannuation Fund Committee.

The Superannuation Fund has lost during the year two of its beneficiaries by death, the Rev. J. Shaw Smith, who was on the old list for several years, and whose increasing debility and blindness had quite laid aside him from duty, and the Rev. Henry Stamer, who was in harness until within a short time of his death. Both of these aged priests had passed their ministerial life within the limits of this Diocese; they have gone to their rest, and their works do follow them.

The fund is further relieved by the resignation of Rev. J. O. Ruggles, who has been appointed Clerical Secretary. Thus, although for a few years the income was hardly equal to the expenditure, now unless others should come upon the Fund, of which there seems no immediate prospect, it will begin to accumulate again.

The financial statement appended to the Report of the Board of Home Missions, contains a column devoted to the Superannuation Fund, and exhibits the collections made during 1894 in its behalf.

The clergy at present drawing an income from the Fund are, Rev. Canon Maynard, Rev. Wm. Ellis, Rev. R. F. Brine, and Rev. Dr. Bowman; the first of whom receives \$200 a year; the second \$350, and the two latter \$400. There are now 38 clergymen of the Diocese paying premiums into the Fund: and the yearly collections are steadily increasing.

Report of the Board of Domestic and Foreign Missions.

The interest taken by the Church in this Diocese, in common with the other Dioceses of Canada, in the mission fields, both among the heathen and in our own borders, is growing in a healthy way. Since the year in which the Domestic and Foreign Missionary Society was formed, Nova Scotia has never made a retrograde step in this respect. She does not as yet come up to her full strength, it is true. But she is beginning to see that a blessing on her Home work is best to be secured by attention to the mission fields which are white already to harvest.

Some of the Church Colleges in Canada are maintaining missionaries in foreign lands at their own cost. And the most helpful thing which could happen to King's College would be that its Missionary Association which has been doing a steady and quiet work, should manfully determine to support a missionary. The means to do so would surely be forthcoming, and in a short time operations would be able to be extended. And nothing would kindle a regard for the College so quickly as that the Church should see her exerting herself in this noble work.

During the last twelve months the sympathy of the church in various places has been greatly aroused by the visits to us of devoted men labouring for the cause both in Canada and elsewhere. The Bishop of Athabasca, the Bishop of Moosonee, Rev. J. Cooper Robinson, and others have been giving plain and unvarnished statements of their work, their hopes, and their aims. Would that more of these consecrated men came from time to time to make us feel our responsibility. It will be a happy day for Nova Scotia when our own missionary can thrill us with an account of work done directly by ourselves for God's cause.

The accounts are submitted.

F. PARTRIDGE, *Secretary.*

Deputation Reports.

REPORT OF REV. E. P. CRAWFORD.

HALIFAX, Nov. 21st, 1894.

TO THE BOARD OF HOME MISSIONS OF THE DIOCESE OF NOVA SCOTIA.

Gentlemen,—Having agreed to undertake the work of Deputation No. 1, I beg to report that I visited all the parishes, though not all the stations, from Oct. 24th to 30th, every where being received with great kindness, and aided in all possible ways in accomplishing the work I had in hand. The largest meeting and the most successful financially was that at Springhill, and this, I think, was due to the work of Mr. and Mrs. Wilson who went around amongst the congregation and urged their attendance. The Women's Guild of Springhill contributed \$10 of the amount received.

I cannot refrain from expressing my admiration of the Church, the Parish House and the Hospital at Springhill. The zeal, enthusiasm and energy that accomplished such splendid results in eight years is beyond praise, and deserving of unqualified recognition by the Diocese. Under its present Rector, Springhill will doubtless soon be a self-supporting Parish, but there will always be more or less of uncertainty as to its finances, and perhaps occasional aid required from the B. H. M.

Parrsboro' as at present constituted is entirely too large for one mission. The Rector is overworked, and unless he is relieved of some of his labours I fear he will suffer in health seriously. The Parish ought to be divided and a separate mission established at Port Greville. The work accomplished by Mr. Gibbons has been admirable in the building and improvement of the churches, and the gathering of earnest congregations in the different sections of the Parish; but division is sorely needed.

Amherst is sufficient in itself to employ the energies of its Rector, but his zeal has led him to extend the sphere of his labours widely in the neighborhood. By the aid of lay assistants several stations are regularly served. A new mission with headquarters at the Joggins Mines is a necessity in the near future. The proposed Parish House at Amherst will greatly aid the work of the church in this Parish. A Sunday spent in Amherst, with a service at the pretty little church at Fort Lawrence, a standing proof of the zeal and energy of Mr. Harris—was most refreshing and inspiring.

At Pugwash only a few faithful ones were at the meeting, but dark nights doubtless deterred those who lived at a distance. This mission also needs subdivision.

The last meeting was held at River John, and although the pretty little church was not filled as well as it ought to have been, there was a fair attendance and much interest shown.

REPORT OF REV. EDW. H. BALL.

My work began with a coach drive of 60 miles to Halifax, on Tuesday, Nov. 6th, a very rainy day. Leaving the hospitable Rectory of St. George's early next morning, the Western Shore coach took me to the head of St. Margaret's Bay, where the Rev. L. Amor took me in charge, and where, in the afternoon, the first service was held. The appeal was made to a very small congregation; but the offertory came up to the expected standard. The evening attendance at the parish church of French Village was an improvement, though small; but the offertory was very good. Next day the attendance was, for an afternoon, good, in the exceedingly pretty, costly, and well furnished church at Peggy's Cove, and the offertory a large one. It was a delight objectively, and a help spiritually, to worship with a large congregation in the handsome church of St. Peters at Glen Margaret. As the attendance had steadily improved, and the offertories amounted in all to \$25.05, I felt quite cheered after working this first parish. *The people had been prepared.* Head of the Bay, \$5.48; Parish Church, French Village, \$6.02; Peggy's Cove, \$8.50; Glen Margaret, \$5.05.

Leaving the Rectory in a snow storm on Friday Mr. Amor drove me to the head of the Bay, where I took coach for Hubbard's Cove Rectory, the driver being an old Sunday School pupil. The snow storm had made bad walking; but a good congregation gathered at Mill Cove in the afternoon and a fairly good one in the evening at the parish church. The offertories were very small. But the remarks made, together with a brief review of the history of Hubbard's Cove parish as a contributor to B. H. M. shewing how they had improved up to 1889, but had waned in *that* respect since, (though this was readily understood when it was

noticed that within the past five years they had had to more than double their clergyman's stipend) called forth a characteristic advocacy of his people's well-doing from the Rev. J. Norwood who evinced a full sympathy with the deputation's mission and commended it to his people. At the same time he urged, that, "as the deputation could see so much of the truth himself, he ought also to see the whole truth, very much of which lay in the fact that quite recently an important part of the Margaret's Bay parish had been detached from Hubbard's Cove, thus putting the full and doubled burden of the parish upon two congregations. Notwithstanding this, the Rector stated his people will be true to their duties. Next morning church-warden McLean called at the Rectory and with three substantial headings began a subscription list in answer to the appeal. This list and the two small offertories amount to \$25.00. This parish has largely developed the grace of giving to the good works of the church within the past five years.

On Saturday the 10th, Mr E. Norwood drove me to Chester, where, (the parish being vacant,) much kindness was shown me by Mr. and Mrs. E. D. Lordly. The four congregations of this parish had not been fully prepared for my special appeal; in fact at Western Shore Church many did not know of the service, though the congregation was large. The service was evidently heartily appreciated; and envelopes were readily taken for a special offertory at the next service. The same is to be said of the congregation at Chester Basin. At Chester in the evening a good congregation gathered in the large church; but, here too, the people had not fully understood; and a supplementary offering was afterwards made through some envelopes given out by Miss Brown. At the Indian Point service on the Monday afternoon the same plan was resorted to; and the result from the whole parish was Chester, \$10.02; Western Shore, \$5.87; Chester Basin, \$2.44; Indian Point, \$2.40; or, in all, \$20.73.

On the Tuesday evening, service was held at New Ross, where the Rev. C. White is priest in charge. Much has been done in this parish for the beautifying of God's house and the reverent rendering of worship before him. During the address the Tangier scheme was explained in answer to the request of the Rector. The offertory at the service, (which by the way had one \$5.00 note) was \$6.86; and by an envelope offertory afterwards of \$11.31, this was brought up to \$18.17. The main subject brought before all the eleven congregations was the duty of Systematic and Proportionate giving, as the principle of offerings in general. The one special aim of the deputation was kept in view to raise at least the average of \$18.00 per parish to meet the generous offer of Mrs. Binney and the Rev. W. H. Binney; and I am thankful that each parish more than succeeded in this; so that the total amount is \$88.95, and the kindness of the hospitality everywhere received will be ever remembered.

All which is respectfully submitted,

EDWD. H. BALL.

REPORT OF ARCHDEACON WESTON JONES.

DEANERY OF AVON, 1894.

On Oct. 30th, Rev. Prof. Vroom and I addressed a meeting in the Parish Church of Falmouth. The meeting and collection were both small.

On Nov. 1st, Mr. C. S. Wilcox and I addressed another meeting in his Parish at Hantsport, where a few parishioners greeted us.

I have great pleasure in announcing that Mr. C. S. Wilcox, most graciously and readily acceded to my request to accompany me and to speak at the various meetings on behalf of the Board. His speeches were invariably impressive and to the point, and cannot have failed, coming as they did from a layman of the Diocese, to have had much weight with the audiences addressed.

On the 8th of Nov., we held a meeting at Brooklyn, in the Parish of Newport, but owing to the bad condition of the roads it was sparsely attended. The collection was small, but the Rector encouraged us to hope that the annual subscriptions would be largely in excess this year.

On the 15th Nov., we drove to Rawdon and held meetings at Stanley in the afternoon and the Parish Church in the evening. The latter was well attended and a good collection made for the Mrs. Binney special fund. The next day we held meetings at Pleasant Valley in the morning, and Hillsdale in the evening, where the Orange Hall was crowded. The collections in this Parish have reached the amount of the average of \$18 required from each Parish.

On the 26th we went by train to Aylesford where we held a meeting in the Parish Church in the evening. The collection was very small but the Rector promises to take one at Morden also and to considerably augment this.

27th, went to Berwick and held meeting in Church at 2 p. m. Weather bad. But weather and an unavoidably early hour, gave some considerable excuse for a very small congregation. Collection \$2.00 was good considering the congregation consisted only of five besides the two clergymen and our two selves. Mr. Wade kindly accompanied us here, driving us in his carriage from Aylesford Rectory.

Proceeded by afternoon train to Cornwallis. Mr. Wilcox was obliged to return to Windsor to attend a Town Council meeting.

In the Parish Church I held a meeting in the evening. The collection small; but promises were given of its being augmented.

Sunday Dec. 2nd. Having effected an exchange with the Rev. Canon Brock I was enabled by his kind permission and that of the Rev. Kenneth Hind to put before the congregations of Horton and Kentville the claims of the Board. Judging by the success of this day, and by the very much larger congregations proportionally met with in these two places as compared with those of most of the other Parishes which I

visited, I cannot but think it would be an excellent plan if this deputation work were in the future done upon Sundays and by the simple process of exchanges made by the clergy with one another. In this way a very much larger number of people will be informed as to the working, and needs of the B. H. M.; and thus the way will be paved for larger contributions when the collectors go round, if even the collections at the time are not large. At Wolfville the collection was \$14 which has since been increased to \$22, At Kentville the collection was \$28.

In Windsor I took the liberty of inviting the Rev. Canon Brock and the Rev. Dr. Bowman to address the missionary meeting, which I am sorry to say was not well attended. The collection for the Mrs. Binney fund was a little over \$6. This sum after my preaching on a subsequent Sunday upon the subject was increased by a collector, who volunteered her services for the purpose, till it reached the total of \$51.47; a sum which I have reason to know in no way interfered with the ordinary annual collection for the B. H. M.

Subjoined is a list of the special collections for the Mrs. Binney Fund as returned to me completed by the several Rectors.

Windsor	\$ 51 47
Kentville	28 00
Horton	22 00
Rawdon	18 00
Cornwallis	12 00
Aylesford	13 00
Berwick	2 00
Falmouth	8 75
Newport	13 51
	\$168 73

As Berwick can scarcely be called a parish by itself it will be seen that this sum is \$24.73 in excess of the average of \$18 per Parish required throughout the Diocese to make up the whole sum.

REPORT OF REV. W. CHAS. WILSON.

LUNENBURG DEANERY, DEC. 1st, 1894.

TO THE LORD BISHOP OF NOVA SCOTIA AND THE B. H. M.

My Lord and Gentlemen,—The deputation to this deanery was enthusiastically received, most hospitably entertained, and its work cheerfully furthered by the Rectors and leading Laymen. Large congregations

and liberal offerings gave encouraging testimony to the awakening spirit of missions in the Diocese. In the aggregate, more than the average amount asked for was obtained, a result mainly due to the generosity of Lunenburg parish and of E. Kaulback, Esq. Bridgewater's average was fully secured by the liberality of the Hon. Judge Desbrisay and the Hon. W. Owen. The churches at Mahone Bay were full of people and of earnestness. Petite Riviere heroically reached its average "when the fish were sold." The Rector's absence from La Have (on deputation work), and a snow storm at New Germany hindered better results in those parishes. The church people of this deanery proved themselves to be able to fully meet a fair and generous appeal on behalf of mission work in Nova Scotia. The following is the financial report: Lunenburg, Parish Church, \$50.00, E. Kaulback, Esq., \$20.00; total, \$70.00. Bridgewater, Holy Trinity, \$11.82, Judge Desbrisay, \$5.00, S. James, \$1.57, S. Augustine's, \$2.61; total, \$21.00. New Dublin, S. Peter's, \$2.25. La Have, S. Matthew's, \$7.61. New Germany, S. John's, \$2.26. Petite Riviere, S. John's, \$3.35, S. Michael's, \$4.42, S. Marks, \$4.48, S. Alban's, \$2.75, S. Matthias, \$3.00; total, \$18.00. Mahone Bay, S. James, \$14.15, Dr. C. Gray, \$5.00, Christ Church, \$4.66, S. Martin's, \$3.60; total, \$27.41. A King's College student, \$1.00. Full total, \$149.53.

I remain,

Your sincere Servant,

W. CHAS. WILSON.

REPORT OF HENRY HOW.

DEANERY OF SHELBURNE, ANNAPOLIS, DEC. 1ST, 1894.

Rev. Sir,—I started for Yarmouth on Nov. 10. The offertory in Holy Trinity marked B. H. M. was \$85.95½, of which "L. E. B." gave \$50.00. I determined to solicit gifts that, if possible, \$200.00 might be secured from the section allotted me. I thus increased the sum to \$106.95½, as per memo appended.

At Barrington, the offertory, \$2.85, was materially increased by the subsequent efforts of Miss L. L. Wilson who, though not in our Communion, was interested by the address. I wish to publicly thank her for her encouraging co-operation.

When at Lockeport E. A. Capstick, Esq., offered \$5.00 on condition that the offertory in the evening amounted to \$5.00. Hon. Thos. Johnstone gave me \$1.00 towards the unknown sum. We thus had \$5.57, and gained the contingent offer.

A Stormy Sunday in Liverpool made the congregations quite small. The evening offertory was devoted to B. H. M.

A detailed account of the several offertories is herewith furnished. The total amount collected was \$194 56, the necessary incidental expenses \$. I have much pleasure in forwarding the balance \$, you received a draft for \$105.00 sent from Yarmouth.

The congregations were quite equal to my anticipations. In many cases they were large. I requested them to increase by one third their usual annual gift to B. H. M.

I thank the clergy and faithful laity for their co-operation, and many courtesies, and the committee for their mark of confidence in appointing me as one of the deputations. I trust that the next time somebody will so build on the solid foundations laid by our devoted Rev. Brethren that his appeal may be more abundant.

To the Rev. the Sec. B. H. M.

I have the honour to be

Your obedient servant,

HENRY HOW.

REPORT REV. G. D. HARRIS.

TO THE LORD BISHOP OF THE DIOCESE AND THE COMMITTEE OF THE BOARD OF HOME MISSIONS.

My Lord and Gentlemen,—I take pleasure in submitting my report of work done on behalf of the B. H. M. in District No. 2 of the Deanery of Amherst. In pursuance of your request to undertake the work there. I began work at Stewiacke on October 23rd, and finished at Truro on 4th Nov. I held 15 services and spoke 12 hours on behalf of the special work that called the deputations out, travelling 590 miles, and filling every appointment made. I started out with two principles for special enforcement, viz., "the personal obligation of everyone" in missionary work; and the systematic weekly offertory by each individual, based on 2 Cor. 16-2: "Upon the first day of the week let every one of you lay by him in store as God hath prospered him."

The total amount collected was only \$75.47 which though small in itself was large considering the small attendance at most of the week night services. The amount would have been much larger could I have had an offertory at Truro; but as that parish has adopted the weekly envelope system none could be given, though a few friends of the board brought to the vestry the sum noted below. The parish of Albion Mines, Stellarton, has "high line," with Maitland second.

I am pleased to see that wherever the needs of the board were realized, the members of the church responded nobly. In one instance a man who came to the service intending to give \$1.00 gave \$10.00, in

another a man intended giving 25 cents and he gave \$1.00. At one service the Rector had estimated the amount we might expect, and when it was counted we found it *five times as large*. It seems to be a custom for people to go to these services with a predetermination to give a certain amount, and when the appeal has been made they are not generally prepared to give more.

Our drawback to a greater success was the fact of the services being held during the dark nights. I would suggest that moonlight nights be taken for these and all special services which call people out in the evening.

I would gratefully acknowledge the exceeding kindness of all the clergy, both in the hospitality shown me, and also in their efforts to have successful meetings.

Following are the items of collection in the order of the parishes visited.

Stewiacke.....	\$11 00
Londonderry.....	2 75
Pictou.....	5 00
New Glasgow.....	5 85
Stellarton.....	25 12
Maitland.....	20 00
Truro.....	5 75
	—————\$75 47
Expenses.....	14 47
	—————\$61 00

Wishing that my trip and work had been as profitable to the Board as it was pleasurable to me. And thanking you my Lord and Gentlemen for giving me this opportunity of special work.

I remain yours sincerely,

GEO. D. HARRIS.

Upper LaHave, Nov. 20th, 1894.

P. S.—Since writing the above I hear that Truro has sent \$18.00 towards the conditional amount promised by Mrs. Binney.

G. H. D.

REPORT OF REV. J. A. KAULBACK.

TO THE BOARD OF HOME MISSIONS.

My Lord and Gentlemen,—I carried out to the best of my ability the work assigned to me as a deputation from your Board to the eastern part of the Deanery of Annapolis. I visited the parishes of Middleton,

Bridgetown, Round Hill, Annapolis and Granville. I appealed to the people in every place where the rectors of these parishes thought it desirable to call a meeting. Every where I was warmly received, and my addresses attentively listened to. The congregations, with five exceptions, were all large. Two of the five were small in consequence of the inclemency of the weather. There was only one parish where I felt that the interest in the work of God, which your board is endeavouring to carry on, was confined to a few ; and where, without any apparent reason, the congregation was lamentably small. The offerings, after the addresses, taken for making up the sum required to meet Mrs. Binney's offer (with the exception of those taken on Sundays) were for the greater part nothing more than what might reasonably have been expected from any *one* of the ordinary well-to-do people. This arose largely, I think, from so little having been known of Mrs. Binney's liberal offer and the conditions attached, until the addresses by the deputation were delivered. I endeavoured, however, to encourage the congregations to supplement what they then gave by contributions afterwards to be handed in for this special purpose to their rectors. This in several cases, I know, has been done. I can only hope that the minimum amount expected from these parishes has been received. The receipts from any congregation for this special fund will, doubtless, be printed in your next report ; whereby some estimate may be formed of the degree of spiritual life which is animating our respective parishes and congregations.

Yours respectfully,

J. A. KAULBACK.
