# BALDNESS.

A BEAUTIFUL HEAD OF HAIR, A BEAUTIFUL HEAD OF HAIR, Is the grandest ornament belonging to the human frame. How strangely the loss of it changes the countenance, and preinsturely brings on the ap-pearance of old age which causes many to recoil at being uncovered, and sometimes even shun society to avoid the jests and sneetimes even shun society the remainder of their lives is consequently spont in retirement. In short, not even the loss of pro-perty fills the generous thinking fouth with that heavy sinking gloom as does the loss of his hair. To aver all these unpleasant circumstances. OL-DRIDGE'S BALM OF COLUMBIA stops the hair from falling off on the first application, and a few bottles restores it again. It likewise produces eyebrows and whiskers; prevents the hair from tirom seurf. Numerous certificates of the first re-pectability in support of the virtues of Oldridge's Balm are shown by the proprierors.
