REPORT OF COUNCIL

OF THE

Dominion of Canada Rifle Association.

The Council of the Dominion of Canada Rifle Association have the honor to submit the eleventh annual report of the transactions of the Association during the past year.

1. The grant made to the Association by the Government enabled the Council, after providing for the expenses of the Wimb'edon Team, to offer valuable prizes for competition at Ottawa. A prize meeting therefore took place at the Rideau Ranges for the fifth time, commencing on the third of September, 1878.

2. The Government has continued the support previously given to Affiliated Associations by granting aid in the following sums:—

| | |
|---|-------------|
| Ontario Provincial Rifle Association... | \$1800 00 |
| Quebec " " " | ... 1700 00 |
| Nova Scotia " " " | ... 1500 00 |
| New Brunswick " " " | ... 1300 00 |
| Manitoba " " " | ... 400 00 |
| British Columbia " " " | ... 400 00 |
| P. E. Island " " " | ... 500 00 |
| | <hr/> |
| | \$7600 00 |

Grants in aid of county and other local Rifle Associations for the year ending 30th June, 1878, were made through the Department of Militia and Defence.

3. The shooting at the "Home" competitions was remarkably good, as will be seen by reference to the statistical details printed herewith, and the Council are glad to say that no accident occurred during the meeting.

4. It is to be regretted that the number of competitors from the Province of New Brunswick—two only—was so small especially as the marksmen of that Province have on former occasions been well represented, and have, as a rule achieved more than an average success.

5. It is gratifying to be able to announce an increased attendance from Nova Scotia. A detachment of marksmen from that Province attended with Colonel Laurie and succeeded in carrying away with them a large number of prizes, with the hearty congratulations of the competitors from Ontario and Quebec.

6. The renewed interest evinced by the volunteers of Nova Scotia is most encouraging, especially as the Council has reason to believe that they—in common with the competitors from the other Provinces—were well satisfied with the arrangements under which the competitions were conducted.

7. The Council regret that there were no representatives from either of the Provinces of Prince Edward Island, Manitoba or British Columbia.

8. As the National Rifle Association had decided to resume the use of the rectangular targets allowing hits on the corners it was considered desirable to make the targets of this Association in conformity with those used at Wimbledon. The necessary alterations were therefore made and the marking of the scores which was carried on in a satisfactory manner will now compare with the scores recorded at Wimbledon.

9. Telegraphic communication between the firing points and the markers in the butts was established and worked very satisfactorily, saving much time and avoiding disputes.

10. A Military Company, "The Utica Citizen Corps," from the United States, visited the Rideau Ranges during the competition, and the Council have much pleasure in noticing the event as evidence of the good feeling which exists between the riflemen of the two nations; and as foreshadowing the probability of International Competitions being arranged at no distant day.

11. A General Meeting of the Members of the Association was held at the Rideau Ranges during the Annual Prize Meeting in accordance with clause 19 of the Constitution. An account of the proceedings will be found in the Appendix.

12. In pursuance of the resolution of the last general meeting of the Association, the selection of a Wimbledon Team for 1879 has been provided for on the same general plan as that adopted in the selection for 1878. The Executive Committee however endeavored to establish more precise regulations for the guidance of the umpires, in the hope that the dissatisfaction expressed in some quarters, at the manner in which the "*selection competitions*" were conducted in 1877 might be avoided. Their hopes have not been realized as there are several complaints, though not so many as on the former occasion.

13. On reference to the returns of the "*selection competitions*" held in 1878, it will be seen that for the team of the present year, a large majority of representatives will probably be taken from the Province of Ontario, and the Council do not hesitate to say that the results of the mode of selection adopted for the past two years, depending so much on the accidents of weather and other circumstances which are beyond control, do not afford reasonable assurance that the best marksmen of the Dominion will find places on the team. The Council are therefore of opinion that the suggestions for the selection of the team offered in the report of the Council for 1877, should receive most careful consideration of the next Council.

14. The competitors making the twenty highest scores comprise:—

- 13 from Ontario,
- 3 from Quebec,
- 2 from New Scotia,
- 2 from New Brunswick,

20

15. The detachment for Wimbledon embarked at Quebec on the 15th of June, under the command of Lt.-Colonel Beer, with Lieut. Fitch as second in command. Lt.-Colonel Beer's report

accompanies this, and is so full and complete on all that pertains to his command that it is not necessary to do more than refer to it in the briefest manner. It will be seen that we have again been unsuccessful in the competition for the "Kolapore" Cups, but as Colonel Beer justly remarks, this should not be looked upon as a cause for discouragement, especially as the score made by his men were remarkably good.

16. In order to meet the wishes expressed by several persons who usually compete in our matches, and with a view to place the best available weapon in the hands of our Wimbledon detachment, the Council ordered twenty Snider Rifles from Mr. Ingram, of Glasgow. These rifles were ordered to be of the very best quality and uniformly sighted, and it was stipulated that they should be delivered at the Altcar Ranges by the first of June. It appears from Lt.-Colonel Beer's report that relying on having the use of these Rifles on their arrival, several of the team did not take their rifles with them, and as Mr. Ingram failed to complete his delivery at the proper time it happened that several members of the team were unable to have the anticipated practice at Altcar. This untoward circumstance neutralized the advantages anticipated from the additional time which the team had at their disposal at that popular Range, so generously granted for their use by the Liverpool Volunteers.

17. During the past year the medals to be presented to each Affiliated Association under the Regulations of the 28th February, 1877, have been obtained and issued. The particulars of the disposition of the medals will be found in the Appendix.

18. The arrival of the Marquis of Lorne as Governor-General of the Dominion, with Her Royal Highness the Princess Louise, from whose hands our first Wimbledon Detachment had the honor of receiving their prizes, appeared to be a fitting occasion for bringing the Association and its objects under the notice of His Excellency, especially as His Excellency has always evinced a warm interest in rifle-shooting, and has on several occasions been a competitor at Wimbledon. A meeting of the Council was therefore called for the purpose of preparing an address, which

was adopted on the 18th December last, and was graciously received by His Excellency on the 7th of January. The address, and His Excellency's reply, are printed in the Appendix, from which it will be seen he has been pleased to become the Patron of the Association.

19. The Council desire to give expression to their regret at the loss of the valued services of the late Auditors, John Langton, Esq., and T. D. Harrington, Esq., consequent upon the removal of these gentlemen from Ottawa, and at the same time to congratulate the Association upon having the vacancies thus created, filled by J. M. Courtney, Esq., Deputy Minister of Finance, and Major Wicksteed, Paymaster of the Governor General's Foot Guards, accepting the same.

20. The thanks of the Association are due to the Department of Militia and Defence for placing at the disposal of the Association, "Martini" Rifles, camp equipage and stores, and in view of the increasing use of the "Martini" Rifle, the Council would recommend that a limited number of these Rifles be issued by Government to the Provincial Rifle Associations.

21. Thanks are also due to Surgeon Malloch, of the Governor General's Foot Guards, for his attendance during the annual competition.

22. The Council have much pleasure in acknowledging the liberality of Railway and Steamboat Companies in carrying competitors to and from their homes at reduced rates.

FINANCE.

23. For a full account of the Finances of the Association, the Council refer to the Treasurer's Statement, duly audited, for the period from the 21st January, 1878, to the 27th January, 1879.

24. The Accounts exhibit total receipts from all sources for that period to have been \$12,381.36; balance carried forward from last year's financial statement \$965.45; total amount, \$13,336.81; while the expenditure amounted to \$11,124.31,

leaving a balance of \$2,222.50 to the credit of the Association, against which there are liabilities incurred, as per memorandum accompanying the Treasurer's Statement, amounting to \$721.66.

25. Taking the credit side of the account, it will be seen that the grant from Government this year was restored to the sum granted in previous years, viz:—\$10,000, as against \$6,000 received in 1877.

26. The amount received from annual subscribers is \$162, as against \$104 for arrears in 1876 and \$108 for 1877, the number of paying subscribers for this year being 77. The receipts of "Affiliation Fees" from Rifle Associations were \$720—\$40 being for 1877 and \$680 for 1878—an increase of \$300 over the previous year.

| | |
|--|----|
| Provincial Rifle Associations | 7 |
| Local and other Rifle Associations | 20 |
| | — |
| | 27 |

an increase of *two* Provincial Associations and *eleven* Local Associations as compared with 1877.

27. The amount of "Special Donations" received this year being \$100—same as in 1877.

28. The "Entrance Fees" to matches in 1878, including sighting shots, pool-target, &c., amounted to \$877.37, as against \$820.32 received from this source in 1876, shewing an increase of \$57.05.

29. From the Snider rifles purchased for use of the Canadian Team at Wimbledon, four were presented as prizes at the last competition at Ottawa, and two were sold to members of the Association (proceeds, \$52.00), leaving fourteen rifles in hand; also one steel Snider barrel from previous year.

30. A detailed account of disbursements made by Lt.-Col. Beer, commanding the Wimbledon Team of 1878, will be found in the Appendix.

OTTAWA, 1879.

REPORT OF LT.-COLONEL E. B. BEER.

WIMBLEDON TEAM, 1878.

SUSSEX, N. B., AUGUST 30th, 1878.

SIR,—Having been honoured by Lieut.-Colonel Gzowski, President of the Dominion of Canada Rifle Association, with the command of the Wimbledon Team for 1878, I beg leave to report that, upon receiving instructions I immediately placed myself in communication with the several members thereof relative to practice prior to meeting at Quebec for embarkation, and such other matters as I considered came within my province as Commandant of the Team.

The marksmen composing the Team having been ordered to report themselves to me at the Brigade office in Quebec by noon of the 14th June last, I proceeded in advance in order to have everything in readiness for their reception.

I am happy to state however that by the forethought of the officers of the Dominion Rifle Association and the kindness of the Militia Staff at Quebec I found all necessary arrangements made.

In consequence of the disturbed state of the City, caused by the riots, I deemed it prudent to quarter the Team at the St. Louis Hotel, which caused a slight increase in the subsistence account. Pursuant to orders the officer second in command, Lieut. Fitch of the 78th Highlanders, N.S., and the several members of the Team reported themselves and subscribed to the rules and regulations prescribed for their guidance.

After a few kindly words of encouragement from Lieut.-Colonel Macpherson, Treasurer of the Dominion Rifle Association, who had come from Ottawa to see that all was right, the Team dispersed to meet on board the steamship *Polynesian* on the following morning.

At 10 a.m. of the 15th June all being safely on board, the steamer left the wharf, the Team giving three hearty cheers for Lieut.-Colonel Macpherson and the Dominion Rifle Association.

I am happy to state that the accommodation provided on board the steamer was good, and that being highly favoured by the elements a most delightful passage was made and we arrived at Liverpool about 6 p.m., on Monday the 24th June.

Mr. Dyke of the Canadian Agency met us on board the steamer, through whose kindness and attention the Team reached its quarters at Hightown Hotel early the same evening.

Having been informed that a case of 20 new Snider Rifles had been ordered from Mr. Ingram of Glasgow for the use of the team, and that they were to be in waiting, I immediately instituted enquiries respecting them. I regret however to report that they were not on hand, and that after telegraphing to Mr. Ingram, only a portion of them was forthcoming by the following Friday evening, and the balance on the following Monday. As several of the Team came unprovided with rifles the question arose what was best to do under the circumstances. However, those having rifles kindly placed them at the disposal of their less fortunate companions, and practice commenced, though, as can easily be imagined, of a most unsatisfactory nature.

Under such circumstances the competition for places in the Kolapore Eight had to be deferred until Monday the 1st July, and several had to enter with rifles of which they knew nothing and some were changed after the Matches had commenced.

Martini rifles furnished by the National Rifle Association were at the Canadian Agency, but considerable delay in securing ammunition was experienced as there was none to be had in Liverpool.

Sergeant North who has charge of the Altcar Range, kindly lent the Team sufficient to fire over the ranges twice during the first week otherwise the practice with that arm would have been very slight. Of the amount purchased some eight hundred rounds remained unexpended which was presented to Sergt. North and the markers, for whose services no charge was made by the Range Committee.

On Wednesday the 3rd July a friendly match was arranged with the 5th Lancashire, which resulted in a handsome victory for our Team. In this match Lieut. Fitch and myself joined, making 22 men aside. A match with the 1st Lancashire was also proposed but did not come off. I cannot speak too highly of the kindness and attention received at the hands of the officers of the Altcar Range, and my special thanks are due to Colonel Tinley and Mr. Harris, President and Secretary of the Committee respectively.

The practice as carried on at Altcar under the direction of Lieut. Fitch was most satisfactory, and I have to thank that officer for his attention to duty throughout and care of the Team. The detail of scores made as appended will speak for itself and does him much credit. The scoring made at Altcar led me to expect a fair amount of success at Wimbledon but subsequent experience leads me to be of the opinion that Altcar is not a suitable place to prepare our men for the great contest. The light, temperature, and wind being entirely different, I should therefore recommend the procuring if possible of some inland range. On the 27th July I proceeded to London and called upon Col.

Gzowski, the President, who went with me to Wimbledon where we found Major Salmond, Royal Engineers, in the act of laying off our camp as nearly as possible on the ground of last year, I found that all necessary instructions had been given by our worthy President and that I had only to make the usual entries and return to Altcar, which I did on the following day. On Saturday the 6th July I proceeded with the Team via Midland Railway direct to Putney and arrived in camp at Wimbledon about 7 p.m. We found the tents all ready and only blankets required which were promptly furnished upon requisition. Some little trouble was experienced in procuring an evening meal but that difficulty was finally overcome.

I may here remark that I am of opinion that the allowance of six shillings a day for subsistence at Wimbledon is too small as it will not cover the expenses except at the lowest and poorest fare. I should therefore in future recommend that it be increased to at least, seven shillings.

The entries for the "Queen's" for this year were far in advance of other years and I regret to report that none of our men secured places in the first sixty. Perhaps a little more practice with the Martini Rifle would have obtained a different result.

I consider practice with the two arms, "Snider" and "Martini" detrimental to good shooting with either.

The success of the Team in other matches was not up to the average, but a perusal of scores made by which prizes were won will show that no ordinary scores counted—"possibles" being the order of the day in single range matches.

I now come to that most important of all matches viz. the Kolapore Cups, in which it becomes my duty to report our failure, though a most gallant struggle was made for them as will more fully appear by perusal of the scores, and will be duly appreciated when it is considered that our opponents were the picked men out of nearly three thousand of Great Britain's best marksmen who fired through the Wimbledon matches.

There is no approach towards equality under such circumstances, and Canada must be proud if she wins these Cups once in ten years instead of as has already been done, twice in eight years.

Of the personnel and behaviour of the Team I cannot speak too highly as all appeared united in the determination to work harmoniously for the credit and honor of Canada—my personal thanks are due to them.

I see no cause for discouragement or for discontinuing the Team, as it is a means of strengthening the growing appreciation of Canada and Canadians by the British public so strongly manifested this time. It is also a great incentive to rifle shooting in Canada, operating as a strong

stimulant to the Volunteer system throughout the Dominion. Our camp as usual was admired by all and was visited by a large number of ladies and gentlemen among whom appeared the names of many distinguished persons. Many Canadians also called, Colonel Brunel was a frequent visitor, Colonel Gzowski was present part of each day, his garden party on the 18th July was a great success and to his exertions we are indebted for a visit from His Royal Highness the Duke of Cambridge, the Rt. Hon. Colonel Stanley, Secretary of State for War, and the Rt. Hon. Sir M. Hicks Beach, Bart., Secretary of State for the Colonies, all of whom inspected the Team and spoke most favourably and encouragingly of Canada and her marksmen, all alluding with evident earnestness and appreciation to the offer of service in case of war made by our volunteers. To Colonel Gzowski, the President, my warmest thanks are due, not only for kind attentions of a personal nature, but for aid in the performance of my duties as Commandant of the Team, which his experience enabled him to give.

At the close of the matches the prizes were distributed by His Royal Highness the Duke of Connaught who in addressing the Team remarked that H. R. H. the Prince of Wales desired him to express his regret at not being able to carry out his intention to visit the Canadians in their camp.

In conclusion I desire to express my hearty appreciation of the kindness and courtesy received at the hands of the Earl of Wharnclyffe, Chairman of the Executive Committee of the National Rifle Association, to the Secretary Capt. St. John Mildmay and officers of the Executive Committee, as also to Colonel Phillips, Camp Commandant. I trust that the Dominion Rifle Association will be sustained in its endeavour to have Canada represented in the future as in the past in order that the pleasant relations now existing may be perpetuated, and while giving expression to this hope would suggest that in the event of first-class Canadian marksmen being in England or desirous of accompanying the Team to take part in the Wimbledon matches that they be permitted to join the team and be accorded all the privileges of members, "excepting in the division of prizes and selection in Teams," they paying all their own expenses except camp accommodation at Wimbledon, a certificate of efficiency being requisite as with other members.

Trusting that the above report together with accompanying Statement of Expenditure, Summary of Prizes and detail of Scores made at Altcar and Wimbledon may prove satisfactory.

I have the honor to be, Sir,

Your most obedient servant,

EDWIN B. BEER, *Lieut.-Colonel,*

Commanding Canadian Wimbledon Team, 1878.

To Lt.-COL. STUART,

Secretary

Dominton of Canada Rifle Association, Ottawa.

OTTAWA, 20th September, 1878.

LIEUT.-COL. GZOWSKI,

President Dominion of Canada Rifle Association.

COLONEL,—

I have the honor to present my report as Surgeon to the Association, for the year which has closed with the Annual Meeting held during the third to sixth of September, 1878.

Happily, the Medical Report on account of the faultless arrangements of the Executive Committee, is a meagre one, no casualty having been reported.

An occasional case of indisposition among the contestants coming from a distance, sought relief, and received prompt attention from the medical officer of the County of Carleton General Hospital, to the Directors of which, I have, as on a former occasion, to express my sense of obligation. I beg permission to take exception against one word in Par. 2, "Relating to Military Breech Loaders," in regulations for meeting 1878, as published in programme, to wit: "No pad, * * will be allowed." It is well known that in some cases the recoil despite the greatest care from the competitor has been of serious inconvenience. This has engaged the attention of Surgeons in Her Majesty's Forces at Foreign Stations, with a view to mitigate the force of the recoil. I have myself tested various interposing substances and have found a thin pad of *curled hair*, worn under that part of the uniform will supply all that will be required.

Although such protection is rarely necessary, I consider that some license should be permitted, subject to the decision of the Range officers or other member of the Council.

I have the honor to be,

Colonel,

Your obedient servant,

E. C. MALLOCH,

Surgeon G. G. F. G.

ADDRESS TO HIS EXCELLENCY THE GOVERNOR-GENERAL.

To the Right Honorable Sir John Sutherland Campbell, Marquis of Lorne, K. T., G. C. M. G., Governor-General of Canada, &c., &c.

May it please your Excellency,—

1. The Council of the Dominion of Canada Rifle Association, on behalf of the riflemen of the Dominion, beg to welcome Your Excellency and the Princess Louise to Canada.

2. We assure you that we join with our fellow-subjects in rejoicing that one so near the throne, who has won the love and respect of all who have had the happiness to approach her, has come to reside among us, and we hail with especial satisfaction Her Majesty's selection as her representative in the Dominion of a nobleman who has displayed a practical interest in rifle-shooting, and who, by his personal qualities as a marksman, has given encouragement of great value to those who would qualify themselves for assisting efficiently, should occasion arise, in the defence of Her Majesty's dominions.

3. The objects of the Association are the encouragement of the militia of the Dominion in the acquisition of skill in the use of the rifle, as well as the development generally of rifle-shooting among all classes of our people.

4. Believing that these aims will commend themselves to Your Excellency's approval, we ask Your Excellency to add strength to the Association by becoming its Patron.

5. We venture to refer to the contests in which, during the past eight years, Canadian riflemen have taken part at Wimbledon, and we recall, with grateful satisfaction, that the prizes won by the first representatives of the Dominion in these contests were received by them from the hands of Her Royal Highness.

6. We offer our humble duty to Your Excellency as the representative of our beloved Queen, and we join in the prayers of our fellow-subjects for the health and happiness of Your Excellency and Her Royal Highness, assuring Your Excellency that we esteem beyond all measure the confidence which Her Majesty has most graciously signified by placing her daughter at the head of our social life.

C. STUART, Lt.-Col.,
Secretary.

C. S. GZOWSKI, Lt.-Col.,
President.

HIS EXCELLENCY'S REPLY.

Colonel Gzowski and Gentlemen of the Council of the Dominion of Canada Rifle Association :

This is not the first time, as you are so good as to call to my remembrance, that I have had the pleasure of meeting members of your Association. It is only a short time ago that the Princess had the satisfaction to hand to the stalwart representatives of Canada the prizes which they had won at the great competition at Wimbledon, where the prowess with the rifle so remarkably exhibited by the Canadians, after the disturbing effects of a long journey and ocean voyage, won the admiration and praise of all. Long may your presence be a marked and welcome feature of this English contest, where no body of marksmen is more hopefully awaited, and received with a feeling of more true friendship and brotherhood than the members of the Dominion Association, accompanied as they have been by the distinguished Colonel who is your spokesman to-day.

The practice in the use of the rifle, which you do so much to foster, is especially useful where, as in the case of Great Britain and Canada, it is not the habit of the people to wish that much money be spent on military preparation. Recent wars have shown how the fire of small arms not only hold its own in its effect in battle, but how, for defensive purposes, it can bid defiance, when aided by the spade, to the fire of artillery.

Wherever there is an expert rifleman, there may in a short time be a skillful soldier. From what I have seen of the splendid militia of the Dominion, and of the loyalty and devotion of our population, I am sure that your efforts will be well appreciated, and I know that the Imperial Government may always rely on the patriotism and power of Canada for hearty aid and unshrinking courage.

Let me thank you for the offer of a post in connection with your society. I gladly accept it, and shall endeavor in every way to give you aid, and I ask you to accept, with my thanks for your address, my best wishes for your prosperity in the useful and important task you have set before you.

LORNE.

EDWIN B. BEER,

LT.-COLONEL,

Commanding Canadian Wimbledon Team.

SUSSEX VALE, N.B., 17th August, 1878.

DOMINION OF CANADA RIFLE ASSOCIATION.

We, the undersigned, agree to the following Regulations:—

1. The Officers, Non-Commissioned Officers and Privates selected by the Dominion of Canada Rifle Association from the Active Militia of the Dominion of Canada, to represent the said Dominion at the Meeting of the National Rifle Association, to be held at Wimbledon in July, 1878, are from the date of signing this agreement, until discharged from duty at Wimbledon, to be under the immediate command of Lieutenant-Colonel Edwin B. Beer, of the 74th Battalion, Active Militia, Sussex, Province of New Brunswick, Canada; and to be subject to such orders and regulations as he may, from time to time, issue for their guidance.
2. No Member of the Team to be absent from the Headquarters of the Team from the day of landing in England, and until released from duty after the conclusion of the matches at Wimbledon, on any pretence whatever, without the permission of the officer in command.
3. Any Member of the Team disobeying the order of the officer commanding, or contravening any of the orders made for the regulation of the force assembled at Wimbledon, or being under the influence of drink, shall forfeit his return tickets.
4. The Members of the Team shall have their steamship and railway fares paid, as well as their ordinary board on the steamship, and at such places after landing in England, and until the conclusion of the matches at Wimbledon, as the officer commanding may select. All such allowances to be stopped from any Member of the Team guilty of a breach of this agreement.
5. No Member of the Team shall send communications to the Press for publication with respect to the shooting, or any other matter connected with the Team.
6. The Officer Commanding will provide the necessary ammunition, pay entrance fees and sighting shots for the matches open to the Team as a Team, or as individuals; and all prizes in money won by the Team or by individuals in such matches, shall be divided equally among the Members of the Team.
7. Prizes in kind won by the Team as a Team, or by the aggregate shooting of the whole or any number of the Team, are not to be considered the property of the Team collectively or individually; but such Prizes are to be handed over to the Dominion of Canada Rifle Association, for such subsequent disposition as the Council of that Association may determine upon.
8. Prizes in kind won by any Member of the Team, individually, in matches open to individual competition, to become the property of the winner, if not inconsistent with the Wimbledon conditions, under which such competition is held.
9. At the conclusion of the matches at Wimbledon, and when relieved from duty by the officer in command, return tickets will be furnished to each Member of the Team, from Wimbledon to the port of

embarkation, thence by the Allan Line of Steamships to Canada. Such Members, after being so discharged from duty, may suit their own convenience as to time of returning to Canada; but no expenses will be paid on account of any Member of the Team beyond the period necessary to complete the duty at Wimbledon, and the time of sailing of the first Steamer of the Allan Line from Liverpool to Quebec after discharge.

10. The officer commanding will make requisite arrangements for the transport of the Members of the Team on their return from Quebec to their homes.

11. Should any Member of the Team from the Province of Nova Scotia or New Brunswick elect to return direct to Halifax, the officer commanding may authorize such arrangement, in the event of any of the Allan Line of Steamships sailing from Liverpool to that port about the time, provided no further charge is made for the passage by the Steamship Company than that included in the return tickets to Quebec.

12. Each Member of the Team, on his being released from duty at Wimbledon, shall sign an Acquittance Roll, to the effect that he has been properly settled with in accordance with these regulations.

13. The officer in command will, on the completion of the duty, forward a report to the President of the Dominion of Canada Rifle Association, on the manner in which the same has been carried out, accompanied by the Acquittance Roll and Statement of Accounts of all expenditure connected therewith, full details of shooting and conduct of the Members of the Team.

Approved,

C. S. GZOWSKI, LT.-COLONEL,

RULES AND CONDITIONS FOR THE SELECTION OF COMPETITORS FOR PLACES IN THE WIMBLEDON TEAM FOR 1879.

1. The Executive Committee of the Dominion of Canada Rifle Association will select from the lists submitted by the several Provincial Associations, under the following regulations, the twenty competitors who obtain the highest aggregates in the four (4) matches to be shot in accordance with these regulations, at such time and place as may be decided upon by each Provincial Association. Each Association may submit any number not exceeding twenty names.
2. A notification of the time and place selected for the matches shall be forwarded to the Secretary of the Dominion of Canada Rifle Association as soon as decided upon, and at least a fortnight prior to the commencement of such matches, and not later than 15th September, 1878; and no change either in time or place will be permitted after such notification has been forwarded.
3. The four (4) matches must be shot on two (2) consecutive days, shooting two (2) matches on each day: one previous to one o'clock, p. m., the other after two, p. m., unless any decision of the umpire under the next paragraph renders a postponement to a subsequent day unavoidable.
4. When any match has been commenced it shall be carried forward to completion, unless the umpire decides that the state of the weather or some other unavoidable circumstance makes it impossible or unreasonable to continue the competition, in which case he shall decide when the shooting shall be resumed.
5. The Umpire shall be an officer named by the Dominion Rifle Association whose decision in all disputes or questions shall be final, and who shall certify on each return as to whether these regulations have been complied with.

 - (b) Seven shots at each range. Two sighting shots allowed at each range.
 - (c) Any position at all ranges, provided the rifle has no support other than the person of the competitor.

- (g) **SIGHTS**—May be blackened, but no other coloring matter allowed.
- (h) Government ammunition only; to be furnished by the Provincial Association on the ground.
- (i) No competitor shall be allowed to change his rifle during the matches, unless in the event of the same becoming disabled,—the umpire to be the judge.
- (k) No more than one competitor shall shoot out of the same rifle.
- (l) Shading, coaching and the use of telescopes or binoculars permitted, but only one person shall advise or assist each competitor who may desire such advice or assistance, and all other persons except the register-keeper shall remain ten paces in rear of the firing party.
- (m) Competitors shall take their places at the firing-points by files, and fire shot and shot alternately.
- (n) Only efficient Militiamen shall be eligible as competitors, but the shooting may be either in uniform or plain clothes, as individual competitors may elect; when uniform is chosen, it shall be in all particulars the full dress or fatigue uniform of the corps to which the wearer belongs.

BRIGADE OFFICE,
KINGSTON, Sept. 11th, 1878.

SIR,—

I have the honor to inform you that according to the instructions received from you, I took my passage on the 22nd August to Oshawa, Ontario, in order to see the Wimbledon competition for Ontario carried on at that town; when I arrived at the Grand Trunk Depot, I met Lieut.-Colonel Otter with all the competitors, he informed me that it was impossible to carry on the matches at Oshawa, as they had only four targets in all and the marking bad, and that the only thing to be done was to carry it out at Toronto, he said that he had seventy-two entries,—now I know it was impossible to shoot this number on four targets, it having taken eight hours a day to shoot seventy-six at Montreal on six targets; he also informed me he had telegraphed you, I accordingly went in the same train to Toronto, and carried out the competition at the Garrison Common, strictly according to the Regulations, and had the pleasure of seeing some of the finest rifle shooting I ever witnessed. It was quite dark on each day when we finished.

I could not of course verify the scores till Monday the 26th August. I now enclose you twenty of the highest scores and at the same time remark that there are three other competitors in this province who have obtained three hundred points and upwards.

I should have been glad to have gone to all the competitions, as it is I am certain, an excellent idea to have one umpire only.

I have the honor to be,

Sir,

Your obedient servant,

PENNYMAN W. WORSLEY,

Lieut.-Colonel,

Umpire.

CERTIFICATE.

I certify that the above is a correct record of the scores made by the twenty highest competitors for the Wimbledon Team of 1879, at Toronto, on the 23rd and 24th days of August, 1878, under the regulations prescribed by the Dominion of Canada Rifle Association.

A. MACDONALD,
President Ontario Rifle Association.

BRIGADE OFFICE, KINGSTON,
September 10th, 1878.

SIR,—

I have the honour to inform you that in compliance with the request of the Dominion Rifle Association, contained in your letter of the 6th ultimo. I proceeded on the 10th August to Montreal, and on the 16th and 17th was present at the competition which was carried out according to the instructions you sent me, with the exception of the time on the first day, it should have been finished by one o'clock, it was not finished till an hour after that, (I refer to the first Competition); owing to the Targets not being ready at nine o'clock. Otherwise, it was conducted in a most regular manner, and strictly according to instructions.

Twenty-five competitors presented themselves, two retired, I enclose the scores of the remainder. I initialed every score at each distance, and the original is in the possession of the Secretary.

The firing was not concluded till dark, and I could not verify the scores till Monday, the 19th August.

I enclose a protest to the firing of Privates Wynne and Wilson.

I have the honour to be,

Sir,

Your obedient servant,

PENNYMAN W. WORSLEY,

Lieut.-Colonel,

Umpire.

The Secretary,
The Dominion R. Association,

POINT ST. CHARLES, August 16th, 1878.

We, the undersigned members of the Province of Quebec Rifle Association, hereby protest against Privates Wynne and Wilson, of the 5th Royal Fusileers, being allowed to compete for Wimbledon Team Competition of 1879, now about to be held here.

W. B. BOYD, Capt. 54th Battalion.

L. THOMAS, Capt. 54th Battalion.

E. W. MUDGE, Major 1st P. W. R.

JOHN J. WARDILL, Sergt. 1st P. W. R.

J. H. BALFOUR, 8th Royal Rifles.

TO LIEUT.-COL. WORSLEY, B.M.

MONTREAL, POINT ST. CHARLES,
16th August, 1878.

Regarding the protest against Ptes. Wynne and Wilson, we, the undersigned Executive Officers, are of opinion that the Wimbledon Team being sent home to represent Canada, the exclusion of Ptes. Wynne and Wilson from the Provincial Rifle Association, should not prevent them from representing their country at Wimbledon.

And in allowing these gentlemen to shoot on the ground put under our supervision, we merely considered their rights as volunteers, without interfering with the past decisions of the Council of the Province of Quebec Rifle Association, as to their rights of membership and the privileges of this Association, and therefore we allow them to shoot for places on Wimbledon Team, on paying their entrance fee as a compensation for the marking of their points.

H. R. HANNING, Lt.-Colonel.

J. D'ORSONNENS, Lt.-Colonel.

JOHN McFEE, Major.

HALIFAX, 15th November, 1878.

SIR,—

I have the honour to report that the Competition for places on the Wimbledon Team was announced to be held at Bedford on the 21st August. On that morning 140 competitors presented themselves, the rules were read over, explained, questions put and answered, and competition at once commenced; owing, however, to an unfortunate delay in the delivery of glasses for markers' butts, four ranges were not available. The competition was therefore carried on the first day at 12 ranges.

The first Match was not concluded until 2.30 p.m. After a short interval for dinner and change of targets, the second match was commenced, and the 200 yards range fired; it being then 5.30, I decided it would be impracticable to continue the competition that evening. On the morning of the 22nd, the delivery of butt glasses enabled us to push the competition more rapidly, several competitors also retired; the second competition was finished, the third completed, and the first distance of the fourth it being then six o'clock the cease fire was sounded; the two remaining distances of the fourth competition were fired on the morning of the 23rd.

The weather on the 21st was cold, rainy and blustery. the wind very strong, and what is called by shooting-men a "fish tail wind," "baffling and shifting rapidly; on the 22nd it was less showery, but bitterly cold, and a violent shifting wind still prevailed; on the 23rd, the weather moderated, but a strong baffling breeze still blew up the range.

I have forwarded the returns called for by paragraph seven of the rules and conditions, and certify that with the exception above mentioned, the rules and conditions were in every respect complied with.

I have the honor to be,

Sir,

Your obedient servant,

J. WINBURN LAURIE, COLONEL,
Commanding M. District No. 9,
Umpire.

The Secretary,
D. R. Association,
Ottawa.

D. A. G. District No. 9, Umpire.

WIMBLEDON TEAM, 1879.

NEW BRUNSWICK COMPETITORS.

I certify that the Matches for the selection of the "Wimbledon Twenty" from New Brunswick were shot on Wednesday and Thursday, the 21st and 22nd days of August, 1878, on the "Stockton Range," (so called), at Sussex, N. B.

I further certify that heavy showers of rain fell up to 1 p.m. of the 21st, and that the afternoon was damp and unpleasant. Wind from the left, rear and fish-tail.

The 22nd was bright during the whole of the day, but extremely cold. Wind from the left, rear, strong, and fish-tail.

HENRY F. PERLEY,
President N. B. Prov. Rifle Association.

HALIFAX, 29th August, 1878.

SIR,—

As requested by the Dominion Rifle Association, I attended the competitions at Sussex, New Brunswick, on the 21st and 22nd inst., for the selection of the Wimbledon Team for 1879.

On the 21st the weather was cloudy with frequent showers, in the morning the wind was light and blowing towards the targets, but it soon shifted a little to the left and increased with squalls which continued all day. On the 22nd the weather was fine with passing clouds in the morning, it was blowing a small breeze from the same quarter as the day before, but in the afternoon the wind became very light and the sky clear.

The competitions were conducted strictly according to the regulations, *with the exceptions noted herewith*, the targets used were canvers covered with paper, Lt.-Col. Beer's pattern, and raised above the butts.

The following are the names of the competitors making the highest scores:—

| | | | |
|---------------------------|-----|------------------------------|-----|
| *1 Lepsett, Q.M..... | 324 | 11 Langstroth, G., Trooper.. | 297 |
| 2 Pallen, J., Sergt..... | 317 | 12 Shives, Ensign..... | 294 |
| 3 Hunter, Lieut..... | 310 | 13 Langstroth, W., Corpl... | 294 |
| *4 Hartt, Bugler..... | 308 | 14 Morris, Mayor..... | 290 |
| 5 Weyman, Sergt..... | 307 | 15 McLeod, Ensign..... | 289 |
| 6 Perley, Capt..... | 305 | *16 Arnold, Major..... | 283 |
| 7 Thompson, Corporal.... | 302 | 17 Carmichael, Sergt..... | 281 |
| *8 Perkins, Pte..... | 302 | 18 Smith, Sergt..... | 270 |
| 9 Langstroth, Cornet..... | 300 | 19 Hallett, Private..... | 270 |
| *10 Hartt, Capt..... | 297 | 20 Kennear, Ensign..... | 269 |

I consider that the competitors whose names are prefixed with * are disqualified for the following reasons:—

Lepsett, Q. Master, 71st, was firing out of the same rifle as Winter, another competitor, and he was only partially in uniform.

Hartt, Bugler, N. B. E., and Hartt, Capt., 62nd, were firing out of the same rifle.

Arnold, Major, 74th, changed his rifle at one of the ranges.

Perkins, Private, 71st, was not in the uniform prescribed by the regulations.

I see no reason whatever to relax the rule in the case of Lepsett or either of the Hartt's, but I think Major Arnold and Private Perkins are entitled to some consideration, although by strict rule, I believe they are disqualified.

The lock of Major Arnold's rifle got out of order and he changed the rifle without referring to me for one range, it was afterwards repaired and used by him for the remainder of the competitions. If he had asked me I should certainly have allowed him to change it.

As I read the regulations, every competitor is required to be entirely in plain clothes or in the prescribed uniform, several of the competitors appeared partly in plain clothes and partly in uniform, and I told them before they commenced firing that they were not complying with the regulations, but some of them, including Lepsett and Perkins, persisted in firing in that way. Perkins was in uniform coat and trousers with a felt hat, but after he had fired a few shots he got his forage cap and wore it during the remainder of the competitions. His excuse was that it got wet the day before and he did not in consequence bring it on the ground but sent for it when he found it was required.

Your obedient servant,

J. N. RITCHIE,

Lieut.-Colonel.

LIEUT.-COLONEL STUART,
Secy. Dominion Rifle Assn.,
OTTAWA.

SIR,—

I have the honor to send you enclosed a report of the shooting at the Wimbledon Competition, held on the 25th and 27th August last, at Winnipeg.

The competition was carried out strictly in accordance with the Rules.

The weather was somewhat unfavorable, the wind being gusty and across the range.

Great complaints were made on account of the ammunition, some of the cartridge seeming to be damaged. Shots would sometimes fall short of the target, which could only be accounted for by defective ammunition.

I have the honor to be,

Sir,

Your obedient servant,

W. W. KENNEDY, LT.-COL.,

HALIFAX, 30th August, 1878.

SIR,—

I have the honor to report that I attended the Matches at Charlottetown, P. E. Island, on the 26th and 27th August, for the selection of the Wimbledon Team.

On the 26th, the sky was clear all day, about 11 a.m. a light breeze sprung up, blowing towards the targets, and varying from right to left; in the afternoon, the wind was more steady, and from the right rear. On the morning of the 27th the wind was light, and blowing from the same direction as on the afternoon previous, but it soon shifted more to the right, and in the afternoon it was very light, almost calm; sky cloudy in the morning and bright in the afternoon.

The targets used were iron, one on each side of the butt.

I detected one competitor, Pte. S. Gray, No. 5 Company, Queen's Co., with a plugged rifle, pulling about three pounds, but he subsequently withdrew from the competition. In all other respects the Matches were conducted in accordance with the regulations.

The following are the names of the whole of the Competitors with their Scores:—

The Secretary was directed to have the address properly engrossed, and to put himself in communication with the Secretary of the Governor-General expressing the desire of the Council to present an address to His Excellency, and to ascertain on what day it would be convenient to His Excellency to receive it.

To the Right Honorable Sir John Sutherland Campbell, Marquis of Lorne, K. T., G. C. M. G., Governor-General of Canada, &c., &c.

May it please your Excellency,—

1. The Council of the Dominion of Canada Rifle Association, on behalf of the riflemen of the Dominion, beg to welcome Your Excellency and the Princess Louise to Canada.

2. We assure you that we join with our fellow-subjects in rejoicing that one so near the throne, who has won the love and respect of all who have had the happiness to approach her, has come to reside among us, and we hail with especial satisfaction Her Majesty's selection as her representative in the Dominion of a nobleman who has displayed a practical interest in rifle-shooting, and who, by his personal qualities as a marksman, has given encouragement of great value to those who would qualify themselves for assisting efficiently, should occasion arise, in the defence of Her Majesty's dominions.

3. The objects of the Association are the encouragement of the militia of the Dominion in the acquisition of skill in the use of the rifle, as well as the development generally of rifle-shooting among all classes of our people.

4. Believing that these aims will commend themselves to Your Excellency's approval, we ask Your Excellency to add strength to the Association by becoming its Patron.

5. We venture to refer to the contests in which, during the past eight years, Canadian riflemen have taken part at Wimbledon, and we recall, with grateful satisfaction, that the prizes won by the first representatives of the Dominion in these contests were received by them from the hands of Her Royal Highness.

6. We offer our humble duty to Your Excellency as the representative of our beloved Queen, and we join in the prayers of our fellow-subjects for the health and happiness of Your Excellency and Her Royal Highness, assuring Your Excellency that we esteem beyond all measure the confidence which Her Majesty has most graciously signified by placing her daughter at the head of our social life.

C. STUART, Lt.-Col.,
Secretary.

C. S. GZOWSKI, Lt.-Col.,
President.

His Excellency the Governor-General made the following reply:

*Colonel Gzowski and Gentlemen of the Council of the Dominion of
Canada Rifle Association:*

This is not the first time, as you are so good as to call to my remembrance, that I have had the pleasure of meeting members of your Association. It is only a short time ago that the Princess had the satisfaction to hand to the stalwart representatives of Canada the prizes which they had won at the great competition at Wimbledon, where the prowess with the rifle so remarkably exhibited by the Canadians, after the disturbing effects of a long journey and ocean voyage, won the admiration and praise of all. Long may your presence be a marked and welcome feature of this English contest, where no body of marksmen is more hopefully awaited, and received with a feeling of more true friendship and brotherhood than the members of the Dominion Association, accompanied as they have been by the distinguished Colonel who is your spokesman to-day.

The practice in the use of the rifle, which you do so much to foster, is especially useful where, as in the case of Great Britain and Canada, it is not the habit of the people to wish that much money be spent on military preparation. Recent wars have shown how the fire of small arms not only hold its own in its effect in battle, but how, for defensive purposes, it can bid defiance, when aided by the spade, to the fire of artillery.

Wherever there is an expert rifleman, there may in a short time be a skilful soldier. From what I have seen of the splendid militia of the Dominion, and of the loyalty and devotion of our population, I am sure that your efforts will be well appreciated, and I know that the Imperial Government may always rely on the patriotism and power of Canada for hearty aid and unshrinking courage.

Let me thank you for the offer of a post in connection with your society. I gladly accept it, and shall endeavor in every way to give you aid, and I ask you to accept, with my thanks for your address, my best wishes for your prosperity in the useful and important task you have set before you.

LORNE.

At the conclusion the various officers were presented to His Excellency, who spoke a few words to each in relation to military matters, etc., after which the deputation withdrew.

OTTAWA, January 28th, 1879.

Meeting of Council according to notice and pursuant to adjournment on 18th December, 1878.

Present:—Lieut.-Colonel Brunel in Chair; Lieut.-Colonels White, T. Fraser, Macdonald, Major Macpherson, Captain Tilton, Captain Cotton, Lieut.-Colonel Macpherson, Treasurer; Lieut.-Colonel Stuart, Secretary.

In accordance with Clause 17 of the Constitution, the Report of the Council having been discussed, was agreed to and ordered to be printed for distribution.

Moved by Major Macpherson, seconded by Captain Cotton,

That in the Appendix to the Report in the list of the thirty highest scores from which the Wimbledon Team can be selected, an asterisk be placed opposite the name of Private Wynne, referring to a foot note as follows:—

“Reported as disqualified by Province of Quebec Rifle Association.”

—Carried.
