BOND OF GOODWILL
MUST REPLACE THE
BALANCE OF POWER

President Wilson, at Rome,
Reaffirms His Views on
League of Nations.

A COLOSSAL TASK
Must Set Up New Inter-
national Psychology and
New Real Atmosphere.

Rome, Jan. 3.—In an address de-
livered today by President Wilson at
the Chamber of Deputies, the president reaffirmed his conviction
that friendship and goodwill was the
best method of holding nations to-
gether, as embodied in a thoroughly
united league of nations. "There can
never be another balance of power,"
he said. "That has been tried and
found wanting for the best of all
reasons, that it does not rest on a
balanced basis."

WARSHIPS ARE COMING
INTO THE GREAT LAKES

Ottawa, Jan. 3.—It became known
today that the messages telling of the
coming visit of the King and the
Prince of Wales to Canada to review
a British naval fleet off the City of
Quebec intimate that the authorities
in London are arranging to assemble
as large a squadron as possible for
the Canadian visit.

WAR MACHINERY
TO PEACEFUL USES

Expert Declares There Will Be
Practically No Waste
in Doing It.

London, Jan. 3.—Mr. Colegate, sec-
retary of the engineering trade con-
federation, interviewed by The Daily
Chronicle today, declares there will be
practically no waste in adapting the
vast bulk of war machinery in Britain
to the requirements of commerce. He
says the ministry of munitions is
buying, selling and transporting ma-
chinery from useless districts to pro-
ductive areas, and this work will go
on to ease certain aspects of housing
problem.

15,000 "Missing or Dead"
Now Reported Prisoners

London, Jan. 3.—There are 15,000 more British prisoners in
Germany than the British records show, so that a number of men
previously given up as dead or missing will return to their homes,
it was stated here today.

PRISONERS FROM KUT
DRIVEN LIKE SHEEP

London, Jan. 3.—A British officer
who was a prisoner in Turkey, gave an
account today of the terrible hard-
ships and cruelty inflicted upon Brit-
ish prisoners by the Turks. Describ-
ing the march from Kut-el-Amara to
Bagdad, the officer says the prisoners
were driven like sheep along the des-
ert ways. They were denied food,
were short of water, and the Turks
refused to allow them to rest. They
were bayoneted or clubbed if they
stopped, and were struck with raw-
hide whips when they faltered.

CONGRESS OF LABOR
AS BALANCE WHEEL

Special Cable to Toronto World and
New York Tribune, by Chester
Wright, Copyright, 1919.
London, Jan. 3.—It was informed that
the world's labor congress will cer-
tainly be held at Lausanne, Switzer-
land, and will open about Jan. 18. The
last shred of uncertainty has been
swept away today by receipt here of
word from Samuel Gompers, president
of the American Federation of Labor,
to the effect that the American dele-
gation will sail Jan. 8. According to
Charles Bowerman, the Americans will
participate only in trade union meet-
ings, and will have no part in the polit-
ical phase of the congress.

WAR MACHINERY
TO URGES PAYMENT
ON WAR CONTRACTS

Cleveland, Jan. 3.—More than 200
war material manufacturers from all
parts of the United States and Cana-
da, in an all-day session here today,
organized the Association of Manu-
facturers of War Materials, with a
view to concerted effort to ask congress
to enact legislation which will per-
mit payment by the government of
obligations arising from informal con-
tracts entered into under the stress of
war conditions.

FOOD SHORTAGE ACUTE
IN CITY OF VIENNA

London, Jan. 3.—Reuter is informed
that the allied commission for evacu-
ating Austria has arrived at Vienna.
It has been found that the food short-
age in Austria especially in Vienna, is
very bad, and probably much more
extensive arrangements than originally
anticipated may have to be made for
re-educating the population. After
three days in Vienna the commission
will go to Budapest to inquire into
the situation there.

DUBLIN IS ANXIOUS
TO HONOR U. S. PRESIDENT

Dublin, Jan. 3.—The Dublin corpo-
ration has decided to confer the free-
dom of the city on President Wilson.
A deputation will be sent to Paris
where the president returns there for
the purpose of bestowing this honor
upon him.

Winnipeg, Man., Jan. 3.—Seven
deaths and 73 new cases of influenza
were reported to the local health of-
ficials today.

PROHIBITION OF VODKA
BEING LIFTED IN RUSSIA

Vladivostok, Jan. 1.—Beginning with
the Russian New Year, the Koltchak
Government removes the prohibition
on the manufacture and sale of vodka,
imposed by the late czar at the com-
mencement of the war. The license
system will be adopted, with high ex-
cise charges for the purpose of ob-
taining money to defray the cost of
the new army.

FIRST PARLIAMENT
OF SINN FEINERS

Gathering of Representatives
of "Irish Republic" Meets
Next Week.

WILL ISSUE EDICTS

Will Be Tolerated Until It
Attempts to Enforce
Its Decrees.

Dublin, Jan. 3.—The Sinn Feiners will
assemble here, probably next week,
for what they describe as the "first
parliament of the Irish republic." They
will declare, it is asserted, that the re-
cent elections show Ireland's self-
determination as an independent re-
public, and will demand that Ireland's
case be heard at the peace confer-
ence. It had been supposed that the
proceedings would be limited to this
form of demonstration, but this week's
principal Sinn Fein organ says:
"The national assembly can issue its
edicts and the people must obey them."

CITIES IN U. S. AREA
HAVE PLENTY OF FOOD

American Army of Occupation, Jan.
3.—According to estimates made by
intelligence officers of the American
third army after an investigation it
appears that in the area occupied by
the American troops the cities and
towns have enough of most foods to
last during the winter and the country
districts have enough to carry them
through the spring.

Access to Secret Influence.

"The great difficulty among such
states as those of the Balkans has
been that they were always accessible
to secret influence; that they were
always being penetrated by intrigue
of some sort or another; that north
of them lay the great powers, and
that the intrigue of those im-
perial powers was directed against
them."

The Bond of Friendship.

"There is only one thing that holds
nations together—if you exclude the
bond of interest and goodwill. The
only thing that binds men togeth-
er is friendship. Therefore our
task at Paris is to organize a friend-
ship of the world—to see to it that
all the moral forces that make for
right and justice and liberty are
united and are given vital organiza-
tion to which the people of the world
will readily and gladly respond."

Balance of Power Question.

"We know that there cannot be
a balance of power. That has
been tried and found wanting, for the
best of all reasons; that it does not stay
balanced inside itself, and a weight
which does not hold together cannot
constitute a make-weight in the affairs
of men."

Postal Service to Belgium
Declared Open Again

Ottawa, Jan. 3.—The postoffice de-
partment announces that the postal
service is again open to Belgium. Al-
though the Belgian territory occupied by
the Germans, recaptured Italian territory
and Serbia.

Very Lucky.
With two wound stripes on his
arm, E. Turner, when asked about
the accident thought himself very
lucky. "We were speeding along at a
ground pretty swiftly when the car
began to bounce and sway, and I was
violently thrown against the side of
the car. I came out with a few
scrapes and consider myself mighty
lucky."

And Now for Upper Yonge Street.
The municipal government for Toronto,
now settled for another year, should
start at once to connect up the threads
of civic development that were broken by
the war period years ago. The most im-
portant of these is the reconstruction of
Yonge street within the city limits
for four miles of this, the most im-
portant of city highways, the road is
in a disgraceful condition, dangerous
even for motor traffic. Under any cir-
cumstances there must be some tangible
improvement made this year for vehicular
traffic; but larger than this is adequate
street railway service. Expropriation
proceedings before the Ontario Railway
and Municipal Board starts on Tuesday
next; the award should be made with
the least delay possible, so that Yonge
street might be dot-tracked at once
and the whole thoroughfare reconstructed
this year.

The widening to 75 feet of the upper
portion must also be carried out, and as
a large part of the ten-foot footage
north Mount Pleasant has already been
arranged for without cost, this portion of
the Yonge street improvement will not be
any great financial obstacle.
As a piece of, after-the-war recon-
struction the Up-Yonge improvement
stands out as work of first importance.

HOOVER REVIEWS FOOD SITUATION

Says That Relief of Liberated Territories Must Be First Concern.

Paris, Jan. 3.—Herbert C. Hoover, United States food administrator, today gave out a statement on the food situation in Europe, in which he says in part: "Since my arrival in Europe I have been co-operating with the officials of the allied governments in an investigation of the food situation, more particularly in the liberated regions. We have made some investigations of conditions in Germany, but are not yet prepared to come to any definite conclusions. "The population of Germany certainly has enough stocks of food to carry on for a while, with the exception of fat supplies, which are becoming very short and are developing some conditions of disease and a great deal of social discontent. "The determination of the conditions and measures necessary to relieve the liberated territories, however, must be our first concern. "In order that there should be no delay in providing food during the period of investigation and the creation of an organization by co-operation between our department and the food administration, we have despatched to date approximately 150,000 tons of food to various ports in Europe. Some of this food is now being issued, and, in addition, the steady stream of 150,000 tons per month is being maintained into Belgium and northern France. "In the meantime, we have, in co-operation with the allies, sent commissions into these various countries to study transportation and to endeavor to set up financial arrangements. The transportation problem is one of extreme difficulty because of the general demoralization of railways and rolling stock all over this area. "Must Have Credits. "There is a broad economic problem involved in European feeding during the next six or seven months, which includes some of the allied governments as well as the liberated territories. It is impossible to conceive, considering the destruction they have undergone, that they can again return to the production of commodities which they can exchange for our foodstuffs in time to prevent starvation. Nor have they gold or American securities left. They must have credit. "Most of these are able, are willing to give some form of obligation of future payment, and it is hardly up to us to stand by and say because they will not produce gold or American securities that they are to starve when we have a sufficient surplus of food to prevent the loss of life. Our merchants simply cannot furnish credit, nor give away food in these volumes. It is a government function."

ADVANCES MADE TO THE RAILWAYS

Total Was \$689,034,759, According to an Announcement by McAdoo.

Washington, Jan. 3.—Railroads under federal control received advances totalling \$689,034,759 from the railroad administration during the first year of government operation, ending December 31, said an announcement tonight by Director-General McAdoo. Of this sum \$433,454,310 came from the \$500,000,000 revolving fund voted by congress. The remainder, \$255,579,949, came from surplus operating receipts of certain railroads and from receipts from the express companies. The total amount deposited with the director-general up to December 31 from surplus receipts of all railroads and transportation companies under federal control was \$270,524,961, including \$48,915,416 from express companies. Only fourteen roads have made deposits of sums aggregating as much as \$1,000,000 in excess of the amounts returned to them by the director-general. The funds advanced to the roads were on account of compensation, current needs, operating requirements and for the new standard cars and locomotives. The Pennsylvania system received the largest sum, \$90,066,400, and the New York Central the second largest, \$72,720,000. The New York, New Haven and Hartford received \$65,925,000, and the Baltimore and Ohio, \$35,875,000. Only seven other roads received \$10,000,000 or more each. Advances to inland waterways and canals aggregated \$4,261,486, while payments on account of standardized engines and cars totalled \$114,514,400.

Visit of Sir Arthur Pearson To Brantford is Cancelled

Brantford, Jan. 3.—Sir Arthur Pearson will be unable to keep the engagement made for him in Brantford on Jan. 8, when he was to be the guest of honor of the board of trade and to visit the Ontario School for the Blind. He has received word from the British government that he had been appointed chairman of an important commission in England which will require his immediate return.

Macdonald Institute Opens; O.A.C. Resumes in Few Days

Guelph, Jan. 3.—The winter term at Macdonald Institute opens today. This institution closed down a little earlier than usual because of the influenza epidemic, but orders have been issued that the opening will not take place until a week from Monday. The first few days after the reopening will be devoted to the writing of examinations on subjects which were finished before the Christmas holidays, but all other exams will go over until Easter.

ELECTION FOUGHT ON RADIAL ISSUE

If Railway Confesses Insolvency Road May Be Taken Over.

Burlington, Ont., Jan. 2.—Burlington is in the throes of a hot election campaign. Mayor Coleman, Reeve Sergt. E. H. Cleaver and a number of the town councillors are running for reelection on the records they have made in their fight for fair treatment by the Radial Railway Co. One positive ticket is being supported by the Radial Company. A large public meeting was held here tonight to discuss the radial situation, and Sir John Gibson, with a large number of radical candidates, was invited to attend. None of them showed up, however, except for the Leitch, manager of the local plant of the Dominion Cannery, Ltd. The sentiment of the meeting was unmistakably against the radial company. Sergt. Cleaver announced that in case the radial company confessed its insolvency, the road would be taken over and operated by another company.

POLICE DEMAND HIGHER SALARIES

Are Asking for Three Hundred Dollar Increase From the Commissioners.

Hamilton, Jan. 3.—Dissatisfied with the system of increasing their salaries by a war bonus, the members of the local police force have at last taken the "bit in their teeth" and at a largely attended meeting this afternoon they appointed a committee of five to wait upon the police commissioners at the first opportunity and demand a salary increase of \$300. The meeting was unanimous, but it was understood that the men would not take "no" for an answer, and that if the increase was not forthcoming, there would be trouble. Commissioners Meet. In an effort to pacify the men and prevent any immediate misunderstandings from occurring, the commissioners also held a special meeting sometime today and when the men reported at the station they were greeted with the announcement: "The police commissioners have agreed that the additional salaries made to the salaries of the members of the department shall be continued until they decide otherwise. That's just the usual bluff to candy the men along. They heard we were going to give a little meeting and the announcement is in the way of an olive branch. What we want is an increase and not to be dependent upon grants of a war bonus. A job on the police force now is like buying a bag of gold. You never know what you are going to get, declared a constable to The World tonight. Say Wage Insufficient. The men claim that their present wages are insufficient and point to the fact that while Magistrate Jeffs declared that he could not give on \$3000 a year, they are obliged to exist on a whole lot less. A raise of \$300 would only bring them in a trifle more than they are receiving at present, but they would have the satisfaction of knowing that their salaries were a sure thing and not dependent upon some generous mood of the commissioners or the state treasury. Another grievance that the men have is the 15-hour shift at the east end and central stations, which requires which four station men have to work shifts of eleven and thirteen hours.

HAMILTON NEWS

Hamilton, Jan. 3.—Gordon Nelson, the labor candidate elected to the Hydro Commission, emphatically denies the recent charges that he is a Socialist, or that he is a follower of Lenin or Trotsky. The various I.O.D.E. chapter in Hamilton announces a plan for the establishment of a local I.O.D.E. headquarters. F. A. McKenzie, who was war correspondent with the Canadian overseas forces, is to address a meeting of the Women's Wentworth Historical Society. An Austrian named John Carls, who resided in Hamilton, admitted that he had escaped several weeks ago from the front enemy prisoner camp at Kaituma, north Ontario. He suffered many hardships from cold and hunger. He saved himself from starving by catching and eating two porcupines. The city announced that it can arrange for delivery of coal in one ton lots to families in distress. Twenty-seven soldiers, who were in the troop train wreck, arrived in Hamilton last night. None had been injured. The Hamilton Red Cross Society reported that during November and December it had sent 66 cases of soldiers comforts overseas to France and 30 to Siberia.

SCORE JANUARY SPECIALS IN BUSINESS SUITINGS

Hospital Ship Araguaya Expected at Halifax Monday

Berlin, Jan. 3.—Munich newspapers report that an extended report of shooting in the city on New Year's Eve. Nine persons are declared to have been wounded in different parts of the city, while the accounts state that the rioters used hand grenades against the police, and threw similar missiles at the front of the Catholic Society building. The newspapers declare that great numbers of weapons are in the possession of the lawless element.

EARLSCOURT MORMONISM SPREADING.

Churches in Earlscourt and district are alarmed at the spread of Mormonism in this section. According to many citizens, the growth is due to a system of household visitation and a liberal supply of Mormon literature. To combat these teachings the Men's Own of the Earlscourt Central Methodist Church have secured the services of Rev. Dr. Walter Russell of Chicago, who will deliver a series of lectures at this church on Sunday afternoon at 4 o'clock, and on Wednesday evening at 7 o'clock. Dr. Russell has spent many years in Utah and is acquainted with the inner workings of the Mormon faith.

ALIENS REFERRED.

J. W. Tyson, a member of the Earlscourt branch of the G.W.V.A., who has recently returned from the front, complains of the large number of aliens employed in the glass-blowing industry in Toronto, and says he was unable to secure employment in consequence. He is a member of the I.O.O.F. lodge at London, England. A large new factory avenue had no room for a returned man because the factory was overcrowded with alien help, he says. Tyson, who is a first labor battalion all thru the war.

WANT SHACKS REMOVED.

Nairn avenue residents are protesting at the non-removal of the city authorities of a number of wooden shacks and hovels in the northeast corner of St. Clair and Nairn avenues. The protest is stated by a resident, were erected by permit of the architect's department. "We are heavily annoyed by these hovels as they are an eye-sore and lower the value of the adjoining property," he said.

TODMORDEN

Many matters will need the attention of the New York Township Council in the coming week, notably the condition of the school buildings, the resignation of W. H. Adams, pastor of St. Nicholas Methodist church, who added that the residents in the street named after the election of J. A. MacDonald as third deputy reeve.

KEENER MUNICIPAL CONTEST IN YEARS

Not in years has there been a keener municipal contest in the Town of Aurora than right now. The contest for mayor and reeve, together with the school trustees, are being fought out. For reeve, J. B. Spurr, last year's occupant, is in the field, and for mayor, where the contest is fiercest, J. Bassett and John Anisman are running. The candidates for the school board are P. J. Webster, J. Noble, S. C. Davis, C. Hanna, R. Courne and William Large. The election takes place on Monday.

PRELIMINARY CONFERENCE MAY OPEN JANUARY 13

Paris, Jan. 3.—There is every likelihood, according to the morning newspapers, that the peace conference, or rather a preliminary conference between the four great allies, will open on Jan. 13. The secretary of the conference will be Paul Duttac, French ambassador to Switzerland, and Philippe Berthelot of the French foreign office, it is said. The four great allies, Belgium has the right; because of its geographical position to be consulted on a vital number of questions. Serbia, Japan and Portugal also will be consulted concerning questions affecting them. Rumania, although she was obliged to accept German terms of peace, will be admitted to the allied conference in Czechoslovakia, Poland and Brazil and all countries which severed relations with Germany without participation in the war. It is said, will have an equal part in the deliberations.

China Wants to Enlist Wilson To Recover Tariff Autonomy

Peking, Jan. 3.—The Chinese Tariff Autonomy Association has called the attention of President Wilson, inviting his assistance at the peace conference to recover China's tariff autonomy.

RIVERDALE

The annual meeting of East Gerrard Street Methodist Church choir was held last night in the church. Rev. A. P. Brace, pastor, presided. James H. Brown, choir superintendent, presented suitable presents to Miss Gertrude Ensham and Mr. J. P. Forster, music hall last evening. A musical program was afterwards rendered. There was a large attendance. Pte. Harry B. Towne, C.E.F., recently returned after three years overseas. He arrived in Toronto yesterday and was entertained to supper at the Red Cross. A. P. Brace, Riverdale, presided at the dinner. Pte. Towne, who is rapidly recovering from his experience at Monchy, where he was gassed and buried under a machine gun tripod, is returning to his home at Worcester, Ont. The annual school entertainment in connection with North Broadview Presbyterian Church, Broadview boys will be held in the parish hall last evening. A program of vocal and instrumental music was rendered under the supervision of W. J. Graham, pastor. Refreshments were served and a fine time was spent. There are over 400 pupils on the Sunday school roll.

MORE DECORATIONS FOR CANADIANS

Washington, Jan. 3.—Discussion of President Wilson's peace terms was continued in the senate today to the exclusion of virtually all other matters. Senator Lewis of Illinois, the Democratic whip, and Senator Thomas of Colorado, Democratic member of the foreign relations committee, defended the president abroad by recommending that consideration of a league of nations and other proposals be deferred until after the peace conference. He said that since the peace of the world was involved, the ambition or fate of presidents or political parties is infinitely of small comparison to what is before the senate. President Wilson's position in not appointing members of the senate as peace delegates was defended by Senator Thomas, who said he had every confidence in the faithfulness of the president's purposes, "the integrity of his aims and the measure of his ability at this crisis in our diplomatic history."

U.S. SENATE DISCUSSES WILSON PEACE TERMS

Senator Lodge declares situation is perilous to the highest degree. Senator Lewis, in concluding an address he began yesterday, expressed a similar view, and said Senator Lodge was following Col. Roosevelt in his opinions on a league of nations. The senate adjourned until Monday, when Senator McComber, Republican, of North Dakota, expects to speak in support of a league of nations. He will be the first Republican senator to openly declare his approval of such a league.

ONE STEP TOWARDS MOTHERS' PENSIONS

Representatives of Many Organizations Approach Premier Hearst.

A FEDERAL MATTER

New Zealand, France and Twenty-Seven States Are Quoted as Example.

Representative of many provincial and local organizations and interests was the delegation that waited on Sir William Hearst at the parliament buildings yesterday morning for the purpose of pressing upon the government the need for the establishment of mothers' pensions.

The subject of allowance for the mother and children of a fatherless family has become familiar to the social welfare worker under the name of "pensions," and has for about eleven years been in the minds of various organizations in Toronto.

Rev. Peter Bryce, in introducing the delegation, emphasized its representative character. They appeared, he said, on behalf of widows and their dependent children. How great the problem to maintain these has become to Toronto is only known to those interested in social and particularly in child welfare work.

Increasing Pauperism. For over a year, said Mr. Bryce, a committee had been gathering information on the subject. The conclusion arrived at was that to do the work of caring for the widow and her dependent child inadequately was only increasing pauperism.

sent had already brought the question before the federal government at Ottawa and that it had been brought up on other occasions. Mothers' allowances should be made, said Mr. Gunn, so that the mother would not be forced into industry.

Child Tied to Table. On behalf of the Local Council of Women, Mrs. A. M. Huestis told of the incident that had awakened her organization to the need in Toronto for the legislation which the delegation was asking.

Mrs. Huestis pointed out that 27 states in the union, besides New Zealand, France, Manitoba, Alberta and Saskatchewan had mothers' pensions.

Another Side. An attentive hearing was given by the premier, who expressed himself as sympathetic with mothers of dependent children.

Gilbert Agar, secretary of the Social Service Council for Ontario, told of the question having been taken up and endorsed by councils in Brantford, Stratford, Galt, Ottawa, London and throughout the province generally.

should take the burden direct rather than that the province should increase taxation. The war, the premier said, had taught greater thought for all people, and the country would be a better place for people to live in, a statement which gave encouragement to the delegation to hope that mothers' pensions would be part of the better part.

LIQUOR SHIPMENTS SENT AS CROCKERY

Magistrate Denison imposed a fine of \$300 and costs of three months on both D. Shaine and S. Blatt for having liquor in their possession. These are the two men who were arrested on Thursday evening in a University avenue house with the goods, by Plainclothesmen Ward and Scott.

A former member of the Toronto police force, Charles Watson, appeared in yesterday's court on a charge of vagrancy. A remand was requested by Staff Sergeant McKinney, stating that the serious charge of distributing Bolshevik propaganda would be laid shortly.

KNIGHTS OF COLUMBUS OPEN ARMY HOSTELS

Within the next few days the Knights of Columbus and the Catholic Army Home expect to open a hostel for returned soldiers, to be operated along lines similar to those that have been established by the Y. M. C. A. and Salvation Army in different countries.

It is the intention to open three hostels at every one of the 23 dispersal centres that are to form a chain across the continent. Col. Clarence Smith of the Red Cross, Montreal, has the entire work under his supervision, and there will be a man in charge in every province.

Horace Downes' discharge from military service will be applied for by the Toronto Board of Education. He is now overseas.

KITCHENER GANG BROUGHT TO BOOK

Wholesale Liquor Agents Pay Four Thousand Dollars in Fines.

A total of \$4200 in fines was imposed on several members of what is known in official circles as the "Kitchener Gang," by the Ontario License Board. This organization has for a long time been operating on a very large scale, and it was only through the efforts of the detectives of the department that they have been brought to justice.

PRICE FOR FISH TO BE INCREASED

Heavy Demand Will Result in Advancement in Price to Consumer.

As a result of the increased difficulty of securing fish in the winter time and particularly during the present season, when the northern lakes have remained open because of the unprecedented mild weather, the fisheries department of the provincial government will offer for sale government fish at a slightly higher rate than was charged during the summer months.

The unusually mild weather which has prevailed in the north country, where the lakes are still open, has rendered it impossible for fishermen to carry on operations in the usual manner during the winter season.

S. L. Squires, director of distribution, stated yesterday that unless the lakes should freeze up right away, the reserve of fish would be exhausted by February 1. He hoped, however, that active fishing would be begun before north stated that the Indians there could not remember a year in which the lakes remained open so long.

The government has deemed it necessary to charge a higher price for fish now being sent out to government dealers. Mr. Squires announced yesterday afternoon, following a conference with the Hon. F. G. Macdormald, minister of public works, that government trout and whitefish would be retailed to the public for the winter at 18 cents per pound, the dealers receiving the fish at 14 cents instead of 11 1/2 cents.

"We are instructing our dealers," said Mr. Squires, "that they must not charge more than 18 cents per pound, and that, I think, should cover delivery as well."

BUILDING PERMITS

A permit for the erection of three attached two-story dwelling houses was granted by the city architect's department yesterday to Harrington and Bage, 82 Wheeler avenue. The houses are to be erected on Gerrard street near Woodbine avenue, and will cost about \$6000.

PLACE PALESTINE IN BRITISH HANDS

Canadian Jews Would Rather Britain Should Be Guardian of Race.

Canadian Jews are strongly in favor of a settlement of the question as to the future of Palestine that will leave the country under the protection of Great Britain rather than under a joint guardianship of a group of nations.

Mr. De Sola thinks that, while the Jewish people will not have any official representative at the peace congress, their claims will be presented to the statesmen who will be gathered there, and they will be heard as to their wishes with relation to the establishment of a homeland in Palestine for the race.

Mr. De Sola had a conference last year with the Hon. A. J. Balfour when he was in Montreal, and he had then the opportunity of presenting the views of Canadian Zionists to the British Government, and it was soon after the interview that Great Britain thru the foreign secretary announced her sympathy with the aims of the Jews to have a national state of their own established in Palestine.

Toronto's Plague Spot

An exhaustive report on "The Ward" has been issued by the Bureau of Municipal Research and its 75 pages make a most interesting and readable report for anyone who has the welfare of Toronto at heart.

If the actual cost of the "Ward" to the city, its menace to health, and its handicap on the city's progress as a whole could be brought home to each citizen, it is scarcely conceivable that the conditions which prevail would be permitted to continue.

There are 147 acres in the ward, and allowing for occupied ground there is an average of 22 buildings to the acre.

Since 1909 factories have occupied seven per cent. of the land area in comparison with three per cent. nine years ago.

The increase of real estate values is notable. The southeast corner of College and Elizabeth was assessed in 1909 at \$95 and in 1917 at \$1000.

Diagrams of sanitary defects in the ward, dirty premises, no water supply, defective plumbing and draining, and so forth, awaken the fear of disease and epidemics.

Where the landlords are careless, and 85 per cent. of the occupants are tenants, no explanation of the conditions is needed.

While occupied dwellings and stores had decreased 19 per cent., population had only decreased 4.5 per cent., so that congestion is increasing.

Diagrams of sanitary defects in the ward, dirty premises, no water supply, defective plumbing and draining, and so forth, awaken the fear of disease and epidemics.

Twenty-one family histories are charted, and form a study in themselves, and an appeal which should rouse the sleeping conscience of the city.

If anyone doubts that a new social era has begun, the pressure of events will not leave him long unconvinced.

now acknowledge the responsibility and will have to discharge it. The deputations that waited on the premier of Ontario yesterday to ask for mothers' pensions was a sign of the times.

An important disputation presented a request to the provincial government yesterday for mothers' pensions, and if we are logical and consistent after all we are logical and consistent after all we are logical and consistent after all.

BEACHES BEATEN BY PARKDALE OUTFIT

East Enders Gave Canoe Club Team a Lively Argument at Arena.

The first tilt between the Parkdale and Beaches junior O.H.A. teams provided an interesting battle, as expected. Parkdale were returned victors of 2 to 1 last night, but the play was much closer than the score would indicate.

Beaches were handicapped by the fact that three of their players are laid up with the flu and went into the game only one sub to relieve. They are a very young team.

Beaches put in their best sticks in the second twenty minutes of play. Stewart was especially brilliant here, with his slippery stick-handling and checking. He got close quarters many times, and it was only Winters' tuck and side that kept the game from being a rout.

BITTER COMPLAINT REGARDING MEALS

Sitting at Dirty Tables, Northland Soldiers Are Handed Christmas Pudding.

VETERANS TESTIFY

Evidence of Stewards Selling Food to Men Contrary to Regulations.

Ottawa, Jan. 3.—Practically the whole of today's sitting of the Northland inquiry was devoted to the soldiers' version. Generally speaking, there was not the strength of complaint in regard to the quality of the food served as in regard to its insufficiency and the method in which it was served.

Just before adjournment in the afternoon, there was evidence of stewards selling food to the men, contrary to regulations. The stewards had their price list, according to Pte. W. A. Head, another Toronto soldier. It would be a couple of shillings for steak and chips, bread and butter and tea; or for four shillings one might have chicken. Head had not seen the price list, but knew what it was, and during the trip he paid probably two shillings a day to the stewards for food.

And was there a good, rushing business done in that way? curiously asked the commissioner, Judge Hodgins.

"Oh, yes, at certain times," he replied simply. He knew it was unfair the men should have to pay for food, but he did not mind. He knew it could not last for long and he wanted to get home.

Was Philosophic. "You were philosophic enough to look at it in that light," was the commissioner's comment.

Head cited the following as an instance of supper: One-half tablespoonful of salmon. Six pickles. Tablespoonful of thin jam. Slice of bread.

There were also charges made that fresh water was not available for washing or shaving.

Sapper Ailette, of Toronto, while making no general complaint as to the quality of the food, described his Christmas dinner in this wise: One fat pork chop with one and a half inches fat. Christmas pudding served by hand instead of dishes—passably good.

This was when the Northland lay quarantined in Halifax harbor. The men, he said, had been told to take down their mattresses which were piled around. They had to eat the dinner the best way they could. The mattresses gave out a nasty odor, and Ailette said, "It is very unpleasant for a man to have to sit down to a Christmas dinner under such conditions."

Bunks Like Coffins. He complained, too, that there was not enough food for 24 men bunked in the same room. Half the bunks were wooden, looked like coffins, and when a man got in them he seemed to be almost buried. Ailette had a top bunk and found difficulty in getting into it owing to a wounded shoulder. It was brought to the attention of the sitting that the Northland is under time charter to the British Government. The White Star Dominion Line, owners of the vessel, act as agents for the British Government, but engage the officers and staff of the boat.

Pte. Jos. Hawkes, Machine Gun Corps, said that he had been told by a member of the crew of the Northland that the deck on which he bunked was used for storing cargo on the return trip of the vessel. The ventilation of the sleeping quarters was bad, the food insufficient and the meat served of a very inferior quality and badly prepared.

Water Scarce. Complaint of a great scarcity of drinking water was made by Pte. Fred Leith, of Toronto, who said that for the last three days of the voyage he had been unable to get a drink of water. The fresh water taps on the deck of the vessel were frozen.

Lieut.-Commander Williams, R.N.C. V.R., naval services department, appeared as representing the admiralty. Lieut. Vantelet, C.F.A., Montreal, was in charge of a party of men on the Northland as it was laid down in the regulations, he said, that men were required to supply fatigues, fetcos, food and wash dishes. The stewards were supposed to do what they could and the men to help them.

Judge Hodgins: "Who was responsible for d signs not being removed from the tables?" "The men were responsible and the stewards were to help them to the limit of their capacity."

Lieut. Vantelet said he had received complaints from men on the Northland that the food was insufficient in quantity. When the men got full rations it was about equal in quantity to rations served in training camp in England.

To you mean that full rations were not served? Mr. Ordie asked. "The stewards would serve the food out of large pans. If too much were dished out at the beginning there

ALARMING EPIDEMIC OF HAIR TROUBLES

1,000,000 HAIR HEALTH PARCELS FREE

Remarkable interest has been aroused by the ever-increasing number of cases of hair troubles reported from all parts, and more especially in the great munition-making centres. Thousands of men and women are finding Hair Poverty, Treatment Baldness and Loss of Color troubling them today as never before.

HOW THE HAIR IS BEING POISONED

Mr. Edwards, the Discoverer-Inventor of "Hair-Dell" and "Hair-Dell" when his opinion was sought, had much of interest to impart.

"There is certainly a great increase lately in all kinds of hair troubles," he said, "and this is chiefly due to the fact that many people do not realize how simple a task it is to make the hair wonderfully bright and healthy—in the great munition centres I have heard of extraordinary cases of hair troubles, but there are hundreds of thousands more also who are suffering from hair weakness which could so speedily be remedied if they would only accept the Free Gift I am prepared to offer."

This Free Hair-Health Gift: 1. A bottle of "Hair-Dell," the true liquid food and natural tonic for the hair. 2. A packet of the marvelous hair and scalp cleanser "Creme" Shampoo Powder, which prepares the head for "Hair-Dell."

At this time, when men and women are all concentrated on war-work, never has the hair so universally triumphant, if you are in the least worried as to your hair, this special gift offered you here free.

ing in quality or quantity should immediately take advantage of the special Three-Fold Free Gift for the Hair announced today. You have only to avail yourself of this generous offer to learn of the most successful method of regaining, restoring and preserving hair-health.

1. A bottle of "Hair-Dell," the true liquid food and natural tonic for the hair. 2. A packet of the marvelous hair and scalp cleanser "Creme" Shampoo Powder, which prepares the head for "Hair-Dell."

It would not be enough for the men at the end."

Coming to Christmas Day, the men grumbled at not being allowed to land. Had the men landed, a Christmas dinner was waiting for them on shore. The witness did not consider that the Christmas dinner was a good one for Christmas dinner.

Mr. Ordie: "What sort of dinner was served to the officers?" "It was a very good dinner."

"The officers' also," he said, "were disappointed at not being able to go ashore on Christmas Day."

Questioned as to dock accommodation for the men, the witness said that on the third day out the side reserved to officers and civilians was changed. There was no change after that. The men when final arrangements were made, had all decks except two-thirds of the promenade deck.

Replying to the commissioner, Mr. Vantelet said it was the duty of the orderly officer of the day to see that the men got full rations.

The men claimed that the water in the taps was salt. Lieut. Vantelet tasted it, and it seemed salt. "I reported to Major Westmore, the conducting officer," the witness went on, "and he said it was condensed water, and the best they had." The water in the first class saloon, however, was fresh. He could not say whether it was condensed.

Bedding on Table. Pte. Lewis Lewis testified that there was not enough food on the Northland after the third day out. Meats were particularly lacking. He had no complaint to make regarding the quality of the food. He bought food at the canteens, but none from the stewards.

Christmas dinner, he said, was a very uncomfortable meal, owing to bedding, etc., being strewn around the cabin. The drinking water, he said, was partly salt. In answer to the commissioner, he stated that he had seen food sold by one of the ship's staff, whom he thought was an assistant steward.

SOCIETY Conducted by Mrs. Edmund Phillips.

His Excellency the Governor-General of Canada, will be present at the sixteenth annual concert of the National Chorus in Massey Hall on the 23rd instant. His Honor the Lieutenant-Governor of Ontario, Lady Hendrie, and Miss Hendrie, will also be of the vice-regal party.

The president and council of the Art Museum of Toronto have issued invitations to the private view of a loan exhibition of paintings by old and modern masters from the National Gallery of Canada, Ottawa, on Tuesday evening, Jan. 7, at 8.30 o'clock.

General Sir Sam Hughes arrived at the King Edward yesterday. The Toronto Skating Club will meet at the Arena on the next three Saturdays, from 4 to 6.30 o'clock, when there will be tea and music.

On Thursday night the members were preparing figures for the carnival which will take place the last week of February or the first in March. Mrs. Vincent Greene and her daughter are expected out from England shortly.

Mrs. Gwyn Francis is giving a party next week for Miss Joe French. The Rosary Hall Sewing Circle will meet at the Arena on the next three Saturdays, from 4 to 6.30 o'clock, when there will be tea and music.

Mrs. Harper, Russell Hill road, gave a child's party from 5 to 9 o'clock last night. The Jewish Benevolent Society will take place in Columbus Hall on the 15th inst. for the first time since the war.

Mrs. George Biggar, Charles street, gave a young people's dance last night. The Rosary Hall Sewing Circle met at Hennessy's tea rooms yesterday afternoon for tea and a talk over the season's work. Those present were Miss Marie Macdonell, Mrs. H. Reid, Mrs. Crofton-Kelly, Miss Kate Fraser, Mrs. H. C. Bunder, Mrs. W. H. Leacock, Mrs. P. J. Johnston, Miss Kate Mill or Miss M. Law, Mrs. M. Ounimet, Miss Gallagher, Mrs. J. P. Egan.

Mrs. R. A. Richardson gave a very enjoyable dance for her son's last night at her house in Walmer road, when she received in a rose taffeta gown. They danced in all the rooms on the ground floor, and many comfortable corners were arranged upstairs for sitting out. The supper was served from a table decorated with roses. About 90 of the boys' friends were present, and the arrangements were all very perfect, it being one of the nicest dances of the week.

Mrs. Follings gave a very nice dance last night for her young niece, Miss Kathleen Skeey, when the hostess wore a very becoming gown of black embroidered with silver sequins. Her niece looked very pretty in blue and gold flowered silk with white tulle; her mother, Mrs. Skeey, was in black and gold, and Mrs. Deifield's gown was of black blonde die granade embroidered with sequins. The Christmas decorations made the spacious rooms very lovely. The party was over at 11 o'clock. The following ladies were present: Helen Hall, Helen Penton, M. Thorburn, E. Macdonald, M. Walsh, H. and G. Gooderham, M. Stevenson, B. Coak, E. Cooke, D. McKinnon, E. Skeey, F. Reid, K. Sullivan, H. Parsons, L. Cuthbertson, H. Skeey, M. McMasler and the Misses D. McKinnon, H. Macdonald, George Wedd, Brown, Flaken, Stuart Pilon, Tom Saunders, K. Crombie, Charles Gossage, Alan Walker, Mrs. J. J. D. McKinnon, E. Skeey, F. Reid, K. Sullivan, H. Parsons, L. Cuthbertson, H. Skeey, M. McMasler, Hector McLean, Norman Cook, Stanley Thompson.

The 7th Battalion Auxiliary is giving a dance at Jenkins' gallery on Thursday, the 9th of January. The ladies in charge are Mrs. James Manning, Miss Sarah Currie, Miss Armour, president of the auxiliary, and Miss Olive Mill, 39 Queen street.

Miss Mabel Beddoe, New York, will arrive in town on Wednesday for the concert on Thursday night and will stay with her mother for a week. Miss Fraser is in town from Edmonton, the guest of her sister, Mrs. Owen.

"Twelfth Night," by a company of children, will be put on in Jenkins' gallery on Saturday, Jan. 11, for the welfare of the blind. The patronesses in charge are Lady Hendrie, Lady Hearst, Mrs. H. D. Warren, Mrs. Lionel Clark, Mrs. Frank Hodgins, Mrs. Scott Griffin, Mrs. J. J. D. McKinnon, E. Skeey, F. Reid, K. Sullivan, H. Parsons, L. Cuthbertson, H. Skeey, M. McMasler, Hector McLean, Norman Cook, Stanley Thompson.

Col. Noel Marshall, Mrs. Plumpton and other members of the Red Cross Society are shortly leaving for England. Miss Marjorie Bonnard has returned to school in New York, her mother accompanying her.

Captain Thomas gave a dinner of 20 covers in the royal suite of the King Edward last night. Mr. Henry Gill, Ottawa, is spending a few days with Mr. and Mrs. H. A. Richardson, Walmer road. Mrs. Gordon Osler gave a dinner of 18 covers at the York Club last night. The guests were Mrs. J. J. D. McKinnon, E. Skeey, F. Reid, K. Sullivan, H. Parsons, L. Cuthbertson, H. Skeey, M. McMasler, Hector McLean, Norman Cook, Stanley Thompson.

Mrs. Frank Adrian Brook, formerly Miss Beatrice Wellington, received in her apartment in the Briarcliffe, Kensington, yesterday afternoon when it was worth a visit to see the trees.

Mrs. Arthur Scripture, formerly Miss Ruth Denton, received yesterday for the first time since her marriage, at her apartment in Kendal avenue, when she wore her wedding gown, a Parisian one of white satin and tulle, with a bouquet of orchids, and pearl ornaments; Mrs. Denton was in black satin with violets, and Mrs. Scripture wore white gogette crepe. The polished tea table was arranged with Madeira wine dolleys and centerpiece, and a silver basket of roses and silver candlesticks shaded to the accompaniment of music. Mrs. R. J. Rosenthal, Ottawa, poured out the tea and coffee, assisted by Miss Gladys Large and Miss Marion Denton.

The Zionist convention opens in Toronto on Monday, and already some of the delegates have arrived. Mr. and Mrs. A. J. Freeman, Ottawa; Mrs. J. Rosenthal, Sen. Ottawa; Mrs. H. F. Freeman, Hamilton; Mr. A. N. Blisky, Montreal, are at the King Edward.

RETURN TO CHATHAM. Chatham, Jan. 3.—Lieut.-Col. H. D. Smith, G.S.O. of military district No. 1, London, after excellent service in that department since the beginning of the war, has returned to his civilian post of crown attorney for Chatham.

WILL RAISE 500,000 MEN FOR U. S. "STOP-GAP" ARMY

Washington, Jan. 3.—Mr. Baker gave notice today that a bill authorizing a regular army of 500,000 men, to be raised in a voluntary enlistment, would be submitted shortly to congress, together with estimates for appropriations. This army, he said, was the nature of a temporary military establishment, described as a "stop-gap army," which would tide over the period until peace is re-established.

GERMANS MAY VOTE IN OCCUPIED TERRITORY Paris, Jan. 3.—Marshall Foch, according to The Matin, has given permission for the Germans in the occupied Rhine Provinces to participate in the German elections. He also will allow freedom of the press and freedom of assembly as far as is compatible with the maintenance of order.

Member of Food Commission in Germany Gives His Views on Conditions.

London, Jan. 3.—A long article written by a member of the allied naval commission in German waters on the subject of food conditions in North Germany, is published in The Times today. The writer is careful to point out that he deals only with what various members of the commission saw with their own eyes in a very considerable area, and that he ignores here any evidence regarding other parts of Germany.

"But if food conditions in the rest of Germany," he goes on, "are not very much worse than in Oldenburg, Mecklenburg and Schleswig-Holstein, there is certainly no need for haste on the part of the allies in going to the score or more members of the various sub-commissions who covered many hundred miles of country and saw tens of thousands of the people at close range, reported having noticed any evidence of palpable under-feeding among any of the inhabitants. Indeed, they are of the unanimous opinion that the whole population, both urban and rural, in these regions, have been and are being fed near enough to normal requirements to keep them at full physical vigor. As a member of the intelligence staff, who had spent many years in the country before the war, said:

RAPID EXPANSION OF CANADA'S TRADE

Lloyd Harris Sees Business Openings in Belgium, Balkans and Rumania.

Special Cable From John W. Dafos. London, Jan. 3.—Lloyd Harris is visiting the continent to look over the situation in Belgium and France and confer with the governments of those countries. Large supplies of all kinds are needed for rebuilding in the ruined areas and for equipping national industries, and there is sound ground for expecting that a considerable proportion of these goods will be bought in Canada, the government in each case being the purchaser and assuming responsibility for all payments.

The trade would appear to be openings for Canadian trade in the Balkans and Rumania. As for trade generally between Canada and Great Britain, there is every indication that it will develop rapidly on normal business lines once restrictions upon imports are removed. It is understood that it is the policy of the British government to remove these obstacles, but it is still necessary to secure licenses to import, and there is delay and trouble in getting them, owing in many cases to the fact that the exchange market, cargoes of canned vegetables, for which there is a big market, are now lying in warehouses awaiting authority to land and shipments of other goods at Atlantic ports are being held for the same reason. With the removal of the restrictions there is all possible market here for the time being at least, of many Canadian manufactures.

Good Shipping. There is need for the strengthening of the selling agencies along cooperative lines. In the woolen trade Canada has set a good example in this respect. Mr. Carley representing Canadian woolen mills, has arrived and opened a selling office, and has good prospects of doing considerable business.

BRITISH LABOR OUT FOR LEAGUE OF NATIONS

London, Jan. 3.—British labor today was resolved to fight for a league of nations. At a meeting of the labor party in Albert Hall, 5000 delegates took part in a practically unanimous vote a resolution congratulating President Wilson's efforts for the league, and demanding that British delegates to the peace conference make establishment of the league one of their foremost points.

War Trade Restrictions Likely to Stop This Month

Ottawa, Jan. 3.—It is probable that before the end of the present month most of the war-time restrictions upon trade and business will have been removed. It is the policy of the government to remove them just as rapidly as conditions will permit. Some have to be maintained by reason of restrictions still in force in the United States or Great Britain by reason of the necessity of co-operation with allied officials with officials of those countries. It is thought that the operations of the Canada Food Board and the war trade board will cease within the next two or three weeks.

PLAYS PICTURES AND MUSIC

'The Masquerader.' In Richard Walton Tully's production 'The Masquerader,' in which Guy Bates Post is starring, Lionel Belmore plays the role of Brock, the confidential man of John Chittico. Mr. Belmore has been for many years closely associated with the biggest stars in America, and his name is familiar enough to our playgoers to make him an American actor.

'The Better Ole.' With James K. Hackett in the principal role, will begin at the Princess Theatre on Monday. It is an unusual event for an attraction of the nature of this unique play to be held over for two weeks, but the heavy demand which has already been met for the past week indicates the move has been a wise one.

'Peg of My Heart.' When 'Peg of My Heart' comes to the Grand next week with matinee Wednesday and Saturday, the theatregoers will see the most successful comedy of J. Hartley Mansfield. The author is well known thru his previous offerings, 'Zira' and 'The House Next Door.'

Shea's Theatre-Vaudeville. Shea's Theatre management extends its thanks to the patrons for a happy and prosperous New Year. Leading the week's bill is Trilix Friganza, who is making her first vaudeville appearance here in several seasons.

Loew's Theatre and Winter Garden announce the combined British and American features which during the coming week of Anna-Chandler, in an exclusive repertoire of songs and dialect stories. It is her first appearance at popular prices here in several seasons.

ASK FOR RELEASE OF 'OBJECTORS' CAPITAL SHIPS SHOULD BE SUNK

Petition, Signed by Many Prominent Men, Presented to Premier. Opinion of What to Do With German Fleet.

London, Jan. 3.—A petition signed by a number of prominent Englishmen has been presented to Premier Lloyd George asking for the release of conscientious objectors. It says that the signers, who hold widely different political views, are united in the opinion that the time has come for the release of the 1500 objectors now in prison. Seven hundred of these prisoners have served two years or more, says the petition, whereas two years is the maximum sentence for ordinary criminals under the civil or military code.

DEMAND CLEAR STATEMENT OF POLICY IN RUSSIA

London, Jan. 3.—Reports from German and Scandinavian sources of British naval and military activities in the Baltic provinces have created a demand by the British press for a clear statement of the government's policy regarding Russia. The Deutsche Tageszeitung of Berlin, the Bolsheviki are advancing with two armies, each with three divisions, towards Vilna and Kovno, while at present the Germans have only at their disposal three battalions that are absolutely reliable.

MASSACRED, SAYS JUDGE.

Paris, Jan. 3.—Prince Lvoff, the former Russian premier, from whom Foreign Minister Pichon obtained information of the massacre of the imperial family, has been interviewed by a member of deputies last week, informs The Journal that he learned the details from a judge who made an investigation of the deaths. The prince quotes the judge as saying: "I left nothing to chance, and also some persons are not yet cleared up. I consider that the chances are ninety-five out of 100 that the imperial family was massacred."

ASK FOR RELEASE OF 'OBJECTORS' CAPITAL SHIPS SHOULD BE SUNK

Petition, Signed by Many Prominent Men, Presented to Premier. Opinion of What to Do With German Fleet.

Washington, Jan. 3.—During the war the combined British and American fleets have had such a predominant superiority over the German fleet that it dared not come out and fight with the United States Admiral Rodman and British Admiral Jellicoe. The admiral thought all the surrendered vessels except the U-109 would be too foolish to sink the submarines, destroyers and light cruisers," he said, "as they will be very useful for years to come. My belief is that everything which can be disposed with should be disposed of. The statement was authorized here that President Wilson regarded the plan as wholly undesirable.

HINDENBURG DEPOSED; GROENER ALSO OUT

Zurich, Jan. 3.—The soldiers' council was reported today to have deposed Field Marshal von Hindenburg and General Groener, second in command of the German armies, when the two officers refused to obey orders of the council.

GIVE PART OF CEMETERY.

Washington, Jan. 3.—The City Corporation of Belfast, Ireland, has given to the "American nation" free of charge for all time" the section of the city cemetery wherein are buried 34 American soldiers who died of influenza during the war. The city is making public a cablegram telling of the gift, said it was considering the section of a suitable monument.

ADJOURN O. T. A. CASE.

Guelph, Jan. 3.—The case against the Co. of Bowdoin, who were charged with violating the Ontario Temperance Act, which was to have been heard here today, has been adjourned for another week.

SMELTERS GIVEN ANOTHER SETBACK

Prospect of Bond Issue Unwelcome—Maple Leaf and Steels Firm.

A fresh outbreak of liquidation in Consolidated Smelting, following the publication of an unfavorable annual report, was the outstanding incident on the Toronto Exchange yesterday.

The general tone of the market was steady, although firmness in the steels, Maple Leaf Milling and several other issues was partly offset by the heaviness of Canada Steamships, Cement and other stocks less actively traded.

Smelters was unloaded to the extent of more than 100 shares, the prospect of a bond issue being evidently not to the liking of shareholders.

After a week opening at 20, the stock sold in the morning as low as 17-1/8, but better support developed in the afternoon and the closing price, 19-3/8, showed the net loss reduced to 17-1/8.

Maple Leaf, which came next in activity, sold ex-dividend at 131-1/2, equivalent to 137, cum-dividend, or an advance of 3-1/4. Steel of Canada figured more in the dealings than has been usual of late, and the price weakened from the best, 65, to 64-1/2.

The net advance was 1-1/8, while Dominion Iron at 62-1/4 was up 3-1/4. Twin City was up a point at 40-1/4, and Pequot at 15-1/2 compared with sales at 17-1/2 earlier in the week, reflecting the strength of oil stocks in New York.

Bank of Commerce came out at 205, three points above the level of the previous day. Canada Steamships common at 45-1/2 was off 3-1/4, and the preferred at 78 down 2-1/4, while Cement weakened 1-1/4 to 65-1/4.

The strength of the 1927 and 1927 Victory issues featured the war loans, each showing an advance of 1-1/2 at 100-1/2 and 102 respectively.

The day's transactions: Shares, 1510; bonds, \$30,300.

GREATER OIL OUTPUT IN CANADA DESIRED

Castle Oil Company Has 16 Producing Wells on Mesa Properties.

It is not generally realized that the production of crude oil in the Dominion is far below our requirements and that in consequence we import no less than 250,000,000 gallons of petroleum and petroleum products every year.

In recognition of this fact the authorities are leaving no step unattempted to encourage the opening up of new oil districts and the bringing in of new wells in those oil fields which are already established as such.

The Dominion Government pays a bounty of 32 1/2 cents a barrel on all crude oil produced in Canada, and this, of course, encourages the producing companies in a very favorable position with regard to possible earnings.

The Castle Oil and Gas Co., Ltd., which was formed last summer to operate in two different oil fields in western Ontario, has 16 producing wells on its Mesa properties and is rapidly completing the first big well in the Shelburn area, not far removed from Petrolia. In addition, this enterprise is operating across the border (both in Wyoming and Louisiana), but it is essentially Canadian in its character and its development is being closely followed on that account.

The company went on a regular quarterly dividend basis of 4 1/2 per cent last November, and the same dividend will be made some time next month.

FULL FACILITIES FOR WAR LOAN DEALINGS

Full facilities are now being afforded for trading in Canadian War Loan Bonds. Members of the stock exchange have received notification from Ottawa that the Government is exchanging small denomination bonds for five hundred and thousand dollar bonds.

Full supplies of the latter have now been received by the local assistant receiver general, for the 1923 war loan, and it is expected that the 1927's and the 1937's will be available today or Monday at latest.

The privilege of exchange of small denomination bonds for the larger denomination is expected to materially encourage trading.

MCKINLEY'S FINANCES.

Following is a brief statement of the McKinley-Darragh financial conditions as of December 23, 1918: Cash in bank, \$1,986,034.92. Ore in transit and at properties, \$1,050,000. Ore at mine ready for shipment, \$550,000.92.

OPTION ON WEST DOME?

The Mining Corporation of Canada, it is said, are negotiating for an option on the West Dome.

William Moffatt, who has been appointed general manager of the Imperial Bank, to succeed Edward Hay, who has resigned because of ill-health, Mr. Moffatt entered the bank's service in 1883, and became assistant general manager in 1914.

OPTION ON PLENAURUM IS EXTENDED FOR YEAR

Hamilton B. Wills in his weekly market letter says: "It is the consensus of well informed opinion. McIntyre will take over Pleinaurum. The option on this well located property, adjoining what was the Jupiter, now owned by McIntyre, would likely have been exercised this week had it been possible to do the necessary amount of underground development and, I am officially informed today, this opinion has been extended for a year. This allowing McIntyre to completely prove-up its value as a mine before purchasing."

NEW NIPISSING VEIN SHOWING HIGH VALUES

Dealing with the Nipissing in his weekly market letter, Hamilton B. Wills says: "For months past a long crosscut has been driven at depth from the Meyer Shaft, and while several veins were passed thru, it was not until the drifters got under where the old 'Promise' shaft was sunk years ago that a vein of width and richness was encountered. This vein, according to my engineer, is about 2-1/2 inches in width, and values are strictly high-grade. This strike was made on the fifth level or at approximately 400 feet. A raise will be started on this new vein to connect with the old workings in the 'Promise' shaft, which will not only aid in ore reserves, but provide air for ventilation."

BOSTON CREEK MERGER?

The merging of the Boston Creek Gold Mines with the R. A. P. Syndicate is understood to be a very likely development according to various reports throughout the north. On what basis the consolidation is to be made, no definite information appears to be available.

ADANAC'S ENLARGED PLANS.

The number of men and machines employed at the Adanac mine has been so increased lately that it is stated it will now be possible to do approximately double the amount of work done during the past year. The enlarged plans are due to the favorable developments of the past few months, and for the purpose of expediting the shipment of ore as well as the more rapid development of the series of silver bearing veins recently opened up at the 310-foot level.

MILLER-INDEPENDENCE PROGRAM.

It is announced that the bylaw authorizing an increase in the capital of the Miller-Independence Mines from 500,000 to 700,000 shares has been passed unanimously. It is planned to survey and sample the entire surface and underground workings as a preliminary to beginning the big development program proposed.

Business Outlook Good

For the week ended Dec. 26, there were only seven failures reported in Canada. For the corresponding period in 1917 there were 17; in 1916, 22; in 1915, 39; and in 1914, 65. From this it is evident that during the four years of war business in Canada has been stabilized; the banks meeting every commercial and industrial requirement with the result that the failure list has been reduced to the minimum. The business outlook for 1919 is most encouraging and a big domestic and export trade is expected.

BULLISH TONE IN MINING MARKET

Dome, Hollinger and McIntyre Are Active and Lead Advances. The temper of the local mining market yesterday was distinctly bullish, pronounced strength in such representative issues as Dome, Hollinger and McIntyre being significant of the public's attitude toward mining issues of the better class.

Brokers report that substantial buying orders are being received, but in some instances stocks are so tightly held that they cannot be bought in any considerable blocks without advancing the price. The market is by no means a purchaser's market. For this reason, yesterday's total transactions, a little more than \$2,000,000, was not so impressive as it might otherwise have been. It seems a long way from an aggregate turnover of \$10,000,000 a day, such as this to a half-million-share day, but optimistic mining men insist that such a development is by no means a remote contingency, and that slowing reports coming from the north will in time bring about public participation on the requisite scale.

Monarch attracted more interest, probably than any other issue yesterday. Buying of this stock on the Standard Exchange yesterday was in quite unusually large volume, no fewer than 1350 shares changing hands, and the price rose sharply to 22 1/2, as compared with 12 1/2 on Thursday. The directors held a meeting in a short time, Alexander Fasken, Toronto member of the board, said yesterday the "street" hears that the management is going into very extensive work, and that the recent buying of the stock has been of the "inside" description. Some bulls on Dome are predicting 20.00 for the stock within a few months, but prices which were Dome is concerned are irrevocably established.

Hollinger was given strong support, and advanced five points, to 4 1/2. The company is expected to show remarkable results in the matter of production this year. As a result of the movement, McIntyre was the object of a brisk buying movement, and closed at 1.80, the close of the day for a net gain of three points. McIntyre is now selling around the high level established in the movement last November, and the two-dollar mark is mentioned by some as likely to be achieved before long.

Porcupine Crown, which advanced 3/4 to 30 1/2, closed at 30 1/2. The advance of 1/4, to 30, and Thompson-Krist and Waspaka, each with a gain of half a point, were other strong spots in the group. Beaver Reserve, Bailey and La Rose member of the silver stock group, featured the silver stock group. The first named sold well above its recent high, closing at 7 1/2, 1/2 higher than its 1918 low. The north country is stated to be again in the market for this stock, and development work is reported to be showing increasingly big trading days, but in the absence of confirmation of reports that the mooted reorganization plan is likely to become effective, the price sagged 1/4, to 7, before making a smart five-point rally, to 7 1/2.
