THE EVENING TIMES-STAR, ST. JOHN, N. B., THURSDAY, JANUARY 29, 1925

TRADE MISSION WINS PRAISE AT MEETING HERE

Board of Trade Council Takes Up Matter of Bedding Trip. PUBLIC MEETING ON TAXATION TALKED OF. Publicity for Port and Other Important Subjects Are Gone Into.

At a meeting of the Council of the St. John Board of Trade today, the council was advised as to co-operative assistance that had been extended to A. M. Bedding on his western trip on the mission on which he was sent by the 'Telegraph-Journal' and the 'Times-Star'. The responses that the Board of Trade had received from all western boards and chambers of commerce had been of a very courteous and friendly nature.

The Council met with President L. W. Simms in the chair. Other members present included G. E. Barbour, A. H. Wetmore, A. F. Blake, J. G. Harrison, H. C. Schofield, W. E. Anderson, A. P. Peterson, D. W. Ledingham, G. L. Warwick and M. E. Agar.

The secretary reported that a summary of the Atlantic port statistics furnished by the Marine Department of Canada and by certain U. S. officials had been forwarded to the Imperial Shipping Committee, so that these statistics might be given consideration when the marine insurance discriminations against St. John were being dealt with.

A report was also presented on Captain State's interesting travelogue lecture. Captain State has shown a strong desire to give publicity to the Maritime Provinces, their tourist attractions, and also the advantages of such ports as St. John.

The secretary read replies received from officials respecting illustrated publicity on the Port of St. John at the British Empire Exhibition in London. It was decided to confer with Premier Ventot and Mayor Potts on the matter of provincial and port publicity at that exhibition. It was pointed out that at the previous British exhibition both the Provincial Government and the City Council had extended assistance to the Board of Trade in the publicity lines. It was hoped that an engagement along these lines might be reached at the approaching exhibition.

A report was presented on the subject of reduction of the sales tax on canned fish. Action by the government on this matter is anticipated.

M. E. Agar reported on the Halifax meeting of the Maritime Development Association. It was evident the association would make a strong effort to function in the advancement of maritime interests.

Use Canada's Ports. A representative of the Quebec Board of Trade intimated that Quebec was strongly in favor of the routing of Canada's traffic through Canadian ports. According to statistics supplied, exports of grain for the crop year ended August 31, were: U. S. ports, 10,000,000 bushels. Via Canadian, 127,000,000 bushels. Montreal, 61,000,000 bushels. Quebec, 2,500,000 bushels. St. John, 9,000,000 bushels and Vancouver 54,000,000 bushels.

Membership applications of L. Lynds and C. S. Pushe were unanimously accepted.

Mission Room In St. John For Chinese Is Urged At Meeting

Matter Taken up by Woman's Auxiliary—More Reports Received. At this morning's session of the Anglican Women's Auxiliary a meeting was held upon the subject of a mission room for Chinese residents in St. John. This came in a report given by Mrs. A. M. Woodman, secretary of the diocesan branch of the Eastern Canadian Chinese Mission.

Mrs. W. D. Foster urged that the branches contribute a little more this year toward the traveling expenses of their organizer, who wished to visit at least 24 of the branches next spring. Mrs. Gray of Stanley gave a Bible talk, and the devotional period was conducted by Mrs. George F. Smith.

Education. Miss Schofield read the report of the fund for the education of missionaries' children. Mrs. E. R. Scovill reported on the Pickett Memorial Fund, which has 106 days endowed, with gifts of \$50 each, for this year. There is a fund of \$812 for needs as voted upon. She read the honor roll of the boys who fell in the war, while the meeting stood. She reported 258 life members and \$202 in the treasury for the designations voted upon.

Seven Branches. Reports were heard from senior branches including: Trinity, Mrs. J. D. Seely; St. Mary's, Mrs. Moore; St. Luke's, Mrs. Walter L. Gregg; St. George's, Mrs. Fenton; St. James, Mrs. C. P. McIntyre, diocesan treasurer; Miss E. R. Scovill, Memorial Fund; Lee Day, Little Helpers and Mrs. J. Roy Campbell, Extra Cent a Day Fund.

Discrimination. The secretary reported that a summary of the Atlantic port statistics furnished by the Marine Department of Canada and by certain U. S. officials had been forwarded to the Imperial Shipping Committee, so that these statistics might be given consideration when the marine insurance discriminations against St. John were being dealt with.

Use Canada's Ports. A representative of the Quebec Board of Trade intimated that Quebec was strongly in favor of the routing of Canada's traffic through Canadian ports. According to statistics supplied, exports of grain for the crop year ended August 31, were: U. S. ports, 10,000,000 bushels. Via Canadian, 127,000,000 bushels. Montreal, 61,000,000 bushels. Quebec, 2,500,000 bushels. St. John, 9,000,000 bushels and Vancouver 54,000,000 bushels.

Membership applications of L. Lynds and C. S. Pushe were unanimously accepted.

G. E. Barbour submitted a report on taxation matters. It was decided that a public meeting be held soon to give wider thought to this subject.

JUDGE'S CHARGE COMPLETES CASE THIS AFTERNOON

(Continued from page 1) he not gone into the woods with his rifle and return in a couple of days ostensibly from a hunting trip instead of that he spent the night in a field and came out on the highway this morning after.

Dealing with Williams' attitude throughout the trial he said: "Williams does not yet understand what is going on here." The Prisoner's Attitude. It had been his intention last night to put the prisoner on the stand where he would be subjected to cross-examination by the Crown counsel.

He was taking a long chance but he wished the jury to see him under examination. They saw what he had done. Some might charge that he was responsible but he assured them that he was not. He had not had any chance.

Prosecutor's Address. During the first few minutes of his address, Peter J. Hughes described Williams' connection with the Foster home through the last 16 years as that of an evil spirit which brought trouble wherever he went.

Insanity Issue. When all other things fail, a defence of insanity was set up. The feigning of insanity was known from the earliest historical instance.

Premier Bracken and Creer Approve Mission of Maritimes

(Continued from page 1) Two members came to me after the meeting to say that they would hereafter use only Canadian ports for their business.

Two speakers urged that the Winnipeg Board take the initiative for a round table conference of the business men of all the provinces to consider the problems of the different parts of Canada and endeavor to find a remedy.

All Land Mission. The meeting was most enthusiastic. My mission was described by one speaker as of the utmost value to all Canada.

The Maritime Provinces Association entertained me at lunch today and a dozen former St. John or New Brunswick people made me welcome, and all the members present lauded my mission.

I had interviews with Premier Bracken and Hon. T. A. Creer, and they were most sympathetic, the Premier asking me to call on him again on my return, and Mr. Creer saying he would see me again at Ottawa.

Favor Conference. The West is greatly taken with the suggestion that our different problems should be made the subject of a conference embracing representatives of the whole country, who would be practical men earnestly seeking a solution of the problems of each of the four great sections, the Maritimes, the Central Provinces, the Prairies and British Columbia.

After tonight's meeting many men came forward to express their personal interest and appreciation of the presentation of the case for the Maritimes.

BANDIT SHOT DEAD

Canadian, Known as Bad Man in Northwest, Killed in San Francisco. SAN FRANCISCO, Jan. 28.—A bullet intended for his brother resulted in the death here late Wednesday of Ariel Eggers, a Canadian who, with his brother, Milo, was being held for deportation by Federal authorities. As the two men, guarded by Jack Donnelly, a deputy marshal, were leaving the Federal building, Milo drew a bottle of ammonia from his pocket, threw it in the officer's face and ran. Donnelly drew his gun and fired, one of the bullets penetrating Ariel's forehead. Milo escaped. The two are notorious in the northwest.

FOOD IS BLAMED FOR POISON DEATH

Ontario Man Dies and Family Members All Seriously Ill in Hospital. WINDSOR, Ont., Jan. 28.—John Campeau, 45 years old, of Tecumseh, near here, is dead and his wife and three children are seriously ill in a hospital here as a result, it is believed, of poisoning contracted from food they had eaten. Another child, two years of age, is not so seriously ill. Campeau was found by neighbors this morning lying dead at the door of his home, while his wife and family lay about the house. The latter were rushed to the hospital here, where none of them are sure of recovery. Mrs. Campeau particularly is in a critical condition. The children in the hospital are: Joseph, 16; Eva, 13, and Jean, 8.

N. S. FARMERS ASK FOR RURAL CREDITS

Request Legislation be Passed at Next Session—Want Motor Police.

BRIDGEWATER, N. S., Jan. 28.—Resolutions calling upon the Provincial Government to pass legislation at the forthcoming session authorizing the formation of agricultural credit unions and the provision of motor cycle police for rural districts, were adopted at today's session of the annual convention of the Nova Scotia Farmers' Association.

The subject of credits for agriculturists was gone into at length and it was unanimously concurred in that such legislation as called for in the resolution would be of great advantage. The motor cycle police were needed.

Laxatives do not overcome constipation

LAXATIVES and cathartics provide temporary relief only. Their continued use leads to permanent injury. In time, says an eminent physician, an almost incalculable amount of harm is done by the use of pills, salts, mineral waters, castor oil and the like.

Physicians advise lubrication for Internal Cleanliness

Medical science has found at last in lubrication a means of overcoming constipation. The gentle lubricant, Nujol, penetrates and softens the hard food waste and thus hastens its passage through and out of the body. Thus, Nujol brings internal cleanliness.

Nujol is used in leading hospitals and is prescribed by physicians throughout the world. Nujol is not a medicine or laxative and cannot gripe. Like pure water, it is harmless.

Take Nujol regularly and adopt the habit of internal cleanliness. For sale by all druggists.

Heiress Who Married Police Officer Engages Big Guard

NEW YORK, Jan. 28.—Miss Gialia P. Morosini, a noted horsemanship, was married to Art M. Werner after a courtship that started, it is reported, when Werner rescued her, after her horse ran away in Central Park. The wedding was in Somerville, N. J. Upon application of Miss Morosini in 1916 Supreme Court Justice Harboeck annulled the marriage on the ground that Werner's divorce from his first wife had been illegal. During the litigation Werner complained that guards had barred him from the Morosini home.

BIG PROBLEMS TO BE FACED AT WESTMINSTER

Alleviation in British Tax Burden is Eagerly Watched For. MAY BE SAVING OF SIXPENCE IN POUND.

Preference, Living Cost and Housing Also Large Subjects—Business Better.

By CLIFFORD L. DAVY. (United Press Staff Correspondent.) LONDON, Jan. 29.—Great problems confront the British Parliament when it convenes on Feb. 10, after a two-months Christmas vacation.

The Conservative party will have a chance to show what it can do with the strongest majority that party has held in a British Parliament for more than 100 years.

It appears that domestic problems will take precedence in its deliberations, although vital foreign questions still are hanging fire. Outstanding features promised to include, primarily, the budget, tariff policy, unemployment, cost of living, agriculture, housing, industrial disputes, inter-related debts, Ireland, Geneva, protocol, Russia, Mexico.

The man in the street is waiting to see, mainly, what alleviation in taxes may be forthcoming in the budget to be submitted by the new Chancellor of the Exchequer, Winston Churchill.

The Income Tax Churchill is credited with a desire to knock a shilling a pound off the income-tax. If he does that both the masses and the classes will acclaim him for the total taxation per capita in Great Britain is now more than \$75 a year. The income-tax alone is a veritable nightmare.

Whatever Churchill's good intentions may be, however, treasury returns so far have indicated that sixpence is the closest shaving in this respect that the Federal exchequer can permit. It is considered hardly likely that other noteworthy tax reductions will be attempted.

Preference. As regards the adoption of far-reaching imperial preference, whereby goods and products from the dominions would be accorded tariff favoritism, it is believed unlikely that much if anything can be accomplished before summer. Premier Baldwin and many of his followers are strongly behind the scheme.

Quarters close to the government have suggested the possibility of instituting a form of tariff protection, wherein the burden of proof would rest with individual industries. Each desiring protection would have to produce proof of specific disabilities before being taken under cover.

Unemployment Problem. The success of Mr. Baldwin's administration in this respect probably will, automatically, determine what it can do toward dispersing the army of unemployed, still numbering well over a million. It appears, however, that other factors in the world situation will play so small a part in cutting down the number of Britishers who are on the dole. The general trade recuperation already resulting from the Dawes plan has had ample reflex here. Business has been picking up during the last few months.

But, besides trade booms and imperial preference, it is understood Baldwin has other ideas for the possible alleviation of unemployment. He has, however, so far clung tenaciously to the policy of encouraging home industry as his chief projected remedy for ills.

A barrage of interpellations is also certain on the increased cost of living. It is not unlikely, however, that the government investigating committee headed by Sir Auckland Geddes will soon have a tentative report ready regarding the rising prices of food.

Housing also remains an acute problem in Parliament. It is probable the first legislation transacted will be passage of a bill extending the expiry of the Rent Restrictions Act from this year to 1918.

WAR BREAKS OUT IN RANKS OF AMATEUR ATHLETIC OFFICIALS

RESENT ACTION OF PRES. MILLIE

Frank White and Ernest Stirling Resign From Office

War has broken out in the ranks of the Amateur Athletic officials in the Maritime Provinces due to an action of A. C. Millie of Halifax, president of the Maritime Branch of the A. A. U. of C. in reinstating George Lowther of Amherst and Moncton, and C. B. Lowerison, of Dorchester. As a result of this action on the part of the president, Frank White, chairman of the New Brunswick Registration Committee, and W. Ernest Stirling, secretary, have tendered their resignations, protesting against this action as a violation of the constitution of the Amateur Athletic Union of Canada.

Cases in Dispute. The Lowerison and Lowther cases were placed in the hands of the New Brunswick registration committee for consideration and before they dealt with cards were issued by Charles Gillespie of Moncton, junior vice-president, and hockey playing certificates were given out on instructions issued by President A. C. Millie to G. P. Bolton, president of the Maritime Hockey Association. In the meantime, Secretary Stirling had been in communication with President Millie in connection with the long distance telephone, he said, Mr. Millie informed him that nothing would be done until recommendations had been forwarded by him. These recommendations would then have to be passed to the Maritime registration committee for their approval and recommendations by the A. A. U. of C. as reinstatements can only be made by the parent body at their annual meeting.

Passed By-Law. At the annual meeting of the A. A. U. of C. held at Vancouver in 1923 the convention unanimously passed a by-law that class B professionals, that is men who did not receive money for their services, could only be reinstated at the annual convention. Up to this time the definition of an amateur was that a class A man, that is men who had received money for their services, could never be reinstated at the annual convention of the A. A. U. of C. held at Winnipeg, the constitution was amended so that class A men might be reinstated in exceptional cases—where a youngster was misled or inadvertently drawn into the professional game, but this only by a 75 per cent vote of those present.

Lowerison is a class B professional, having played part of one season in 1924. This man is in the same class as Edward Martin, in connection with the Maritime professional team and who was recommended by the Maritime registration committee for reinstatement. Lowther played independent hockey with the Amherst and Moncton independent teams since 1920 and is a class A professional.

As a result of this applications from Amherst, New Glasgow, Stellarton, St. John and other places are said to be pending.

A. W. Covey May Resign. A. W. Covey, honorary president of the A. A. U. of C. Maritime branch, said: "I advised Mr. Millie for information in connection with this early yesterday morning, but up to now today have not received any reply. If the clubs of the Maritime Province are going to stand for this action, it will be necessary for me to withdraw myself as a member of this executive. I am taking the matter up with the executive of the A. A. U. of C." He said that the action of the parent body of the A. A. U. of C. will likely be to outlaw the Maritime branch.

BILLY WELLS WINS. OAKLAND, Cal., Jan. 28.—Billy Wells, English welterweight champion, won a decision over Pete Latzo of Wilkes-Barre, Pa., in a fast ten-round bout here last night. There were no knockdowns.

ONE OF BEST. One of the best track and field feats of the 1924 season was the record-breaking leap of Robert Legendre, former Georgetown star. Legendre cleared 25 feet 6 inches at the Olympic games last summer. His jump beat the old mark by three inches.

ST. ANDREW'S WIN. Four rinks of St. Stephen Club curlers played the St. Andrew's Club last night and lost by a score of 63 to 39.

SOFT FOR FITCHERS. Stanley Coveleski proved anything but tough picking for opposing hurlers last season. In 37 games Covey whiffed the ozone on 32 occasions.

POWER COMPANY MEETING. Directors of the New Brunswick Power Company met yesterday and discussed plans for renewing rails in portions of the trackage of the street railway and improving the gas plant. Mr. A. Pooler, the general manager, said last evening that routine business took up most of the time of the meeting.

St. John To Be Represented At The Westminster Dog Show In New York

Along the Sport Trail

DETAILS of the death of Austin Greene, former pitcher of the Moncton professional baseball team, have been received. According to word reaching Moncton he was found by his father in a doorway of a house near his home in Roxbury. One of his eyes was discolored, his skull fractured and his hands frozen. He was lying and was rushed to a hospital but died two days later. The circumstances surrounding his death are said to be very mysterious and the police are investigating in the belief that it was a case of foul play. Prior to joining the New Brunswick Independent League he pitched for Wilmington in the Delaware League and was given a try-out by the Boston Red Sox and farmed out. He was 21 years of age.

NEW YORK has certainly benefited by the Walker boxing law. Since it was enforced four and a half years ago the State has realized a net profit of \$783,046.70 from professional bouts. This represents amounts paid as tax on admission tickets to matches, license fees for boxers, managers, clubs, seconds, referees and other ring officials. The total amount received was \$1,021,070, but it cost the State \$238,023.30 to regulate the game during that period. The fact that over a million dollars was paid in tax and license fees alone makes one curious to find out how much has been paid during that period to witness the many bouts.

JACK MAULIFF, former lightweight king who was the only champion in the history of the ring to retire without having been beaten once in his career, is now earning a living in vaudeville. He is said to be looking fine and the only mark he bears of his long activity in boxing is a slight cauliflower ear.

LIKE ALL strenuous sports boxing has its list of fatalities. A few days ago D. T. Czynowski, known in the ring as "Gunboat Steve," was so seriously injured in a bout that he died in a Newburgh hospital from cerebral hemorrhage. He was pitted against Mickey McVeigh of Newburgh and was quite badly outclassed. In the third round he weakened and went down, but was saved by the bell. He gamely continued the fourth round but went down quickly under a rush of blows. When counted out it was seen that he was seriously injured and an examination disclosed that he was paralyzed. He had received a fracture of the temple. McVeigh was arrested on a charge of manslaughter, but was later released pending a coroner's inquest. Many people when they read about a ring fatality clamor for laws to prohibit this brutality, but a glance over the sport columns during the season will disclose that there are more football players killed on the gridiron than at all other sports combined.

CLAY PIDGEON shooting in Louisville, Ky., is a favorite sport. Recently, however, interest began to lag and it was decided to introduce a new feature, which gave promise of bringing this pastime into greater popularity than ever before. It was planned to substitute live pigeons for the clay birds. This brought a strong protest from a certain element and a petition was filed with Governor Fields asking that he prevent this cruel innovation. It is apparently now up to the Governor to decide whether or not the sport will be permitted. The pigeons are cooped in a collapsible wooden frame and are liberated by pulling a cord. When they take wing the gunners take a bead on them and usually kill or wound the birds. Some years ago this sport was permitted and as far as is known there is no law in Kentucky prohibiting it.

Skating Championships on a date between Feb. 27 and March 5. These meetings will be handed out on the payment of the regular fees.

V. M. C. I. PLANS FOR BIG BOXING TOURNEY IN FEB.

Hope to Make Maritime Championships Meet The Best Ever

February 16 and 17 have been selected as the dates for the Maritime Amateur Boxing Championships to be staged here under the direction of the Young Men's Catholic Institute. Announcement of this effect was made last night by the committee in charge of the tourney and plans are now underway to make the meet the biggest amateur boxing show ever held in the Maritimes.

Not only will all the outstanding amateur boxers in the east be on hand to display their wares at this big tourney, but arrangements have been definitely completed whereby four boxers, who are to take part in the International Tournament at Boston, will be on hand for the Maritime Championships.

Special classes have been arranged for these boxers, two of whom will represent Upper Canada, and two will represent the Maritime Provinces. An effort was made by the Y. M. C. I. committee to bring two English boxers, who are billed for the International meet at St. John, but the Old Country mitt artists had already made arrangements to box in New York and Louisiana and were obliged to turn down the St. John invitation.

Yesterday announcement was made that the official sanction for the Maritime Tournament here had been received from the M. P. B. A. A. U. of C. and immediately steps were taken to have the best of the amateur boxers in the three Maritime Provinces come to St. John for the championships.

Will Attract The Best. Halifax, Cape Breton and other sections of Nova Scotia will send their outstanding amateur boxers to St. John for the championships. It is expected that the best of the Maritime cities and towns will be well represented at the tourney here.

The ring and house committees in charge of the tourney are as follows: John T. Power, G. A. Owens, F. W. Kelly and D. J. Corr have been appointed a committee to look after the outside entries, while the inside entries will be handled by John Daley, W. E. Stirling and Noel Jenkins.

At last night's meeting in the Y. M. C. I. the various details of the tourney were discussed, as well as the president over by N. Dobbstein, with H. J. Sheehan as secretary.

Not in many years has such a professional program been arranged for the Maritime Boxing Championships. It is expected that the entry list will be the largest previous tourneys and the Y. M. C. I. committee will spare no efforts to make this tournament the biggest amateur boxing show ever staged in Eastern Canada.

THE PHANTOM FINN. Paavo Nurmi Breaks Two More World's Records in New York. MADISON SQUARE GARDEN, New York, Jan. 28.—Paavo Nurmi raced to triumph tonight in a mile and a half race featuring the mile and half record, breaking the old record of 4:41.4 set by Joie Ray in 1923.

Nurmi shattered the world's record for the distance, marking the fourteenth record performance of the Finnish phantom has set in his nine races. His time of 6:39.25 displaced the old mark of 6:41.45 set by Joie Ray in 1923.

Nurmi was credited with a second world's mark in his race when he was clocked at the mile and quarter mark in 6:30.15, displacing another of Ray's records, 6:33.85, set in 1922.

Bridson Greene To Meet Martin

BOSTON, Jan. 28.—Bridson Greene of Medford, claimant of the New England welter mat title, has notified Paul Bowser that he will meet Gil Martin of Lawrence in a title battle at the Grand if the local promoter cares to stage it. Bowser is willing to put on the contest, but will not do so until the men sign articles, place forfeits and name their referees. As Nick Karavass and Louis Andrews have a similar argument as to the lightweight title, it would be a good scheme for them to get together at the same time on a winner-loser basis and cut the long-range conversation.

YANKEES RECEIVE O'NEILL'S CONTRACT

NEW YORK, Jan. 29.—Seven more members of the New York Yankees have signed for 1925, according to an announcement by Edward G. Barrow, business manager of the club. Miller Huggins, who was expected here, did not arrive, but sent word that he would be in New York Friday. He forwarded the signed contract of Steve O'Neill, catcher obtained by the Yankees from the Boston Red Sox together with a statement from O'Neill that he was entirely satisfied with the terms offered him and that he would start training immediately.

LOCAL FANCIERS TO SEEK HONORS IN BIG CLASSIC

Irish Setter and Pointer Will Be Shown In The States

St. John is to be represented at the Westminster Dog Show, which is to be staged in Madison Square Garden, New York, on February 10, 11 and 12. Two dogs will be sent from here, one an Irish setter, owned by Ben M. Montgomery of West St. John, and the other a pointer, owned by E. S. Buchanan of the city proper. The Westminster show is conceded to be one of the best held in America and dog fanciers all over the world will be interested in the awards.

Sire Was Imported. The Irish setter is "Auburn Arana" her sire was "Martyr of Boyne," which was imported from Dublin by Mrs. R. Haley of California, formerly of this city. Her dam was "Zema," which was imported from England by Mrs. Haley. The pointer "Donald B." was bred by Barrey, owned by T. J. Dunlop, and his dam was "Vimy Ridge," which was imported from America and dog fanciers all over the world will be interested in the awards.

Classes Entered. The two dogs will be entered in the novice, limit and open classes. After the big show in New York they will be sent to Newark, N. J., where they will also be shown. They will be taken to New York by Gerald McCarthy, a well known local dog fancier. It will be the first time that these dogs have ever been entered in a large show and not only their owners, but friends and fanciers in the city will eagerly await news as to how they made out in the show.

Will Attend Show. Keltie Wilson, another well known local fancier, intends to go to New York to attend the show. He will not have any entries this year, although in 1922 he showed "Jeffery Lind," a pointer, and had the satisfaction of receiving the award for the second best pointer in all classes. Last year Mr. Wilson showed Champion "Ridgeway Game Feather" in Boston.

TOTAL FOR CITY AND COUNTY MAY BE \$1,750,000

Assessment Calculation Includes Percentage Allowance for Defaults.

RATE HIGHER IF SAME VALUATION AS IN 1924

Assessors Have to Make Up For Amount Exempted on Some Incomes.

The warrant from the county, handed to the chairman of the Board of Assessors this week, calls for an assessment of \$836,670, an increase of \$5,164.94 over the amount required in 1924. This, with the amount of \$1,226,037.71 approved of by the city commissioners for the city, brings the amount of the assessment up to \$1,990,646.41.

Should the assessors add the full amount allowed them by the law for default collections and mistakes in the assessment, 10 per cent. of the amount voted by the council, and city commissioners, the total levy on the city would be \$1,750,646.41.

Figuring on the same basis for last year, this would show an increase of \$80,289.92 in the city for this year, and to care for this, providing the valuation were the same, the rate would have to go up about three cents on each \$100 of valuation.

The assessors say they have a problem this year, in that they have to make up a large amount which was received last year and which this year would be exempt under legislation secured last spring to give a larger exemption on small incomes to men with families.

The increase in the amount required by the county this year was accounted for by the growth of the deficit in the operation of the County Housing Board properties. Last year the assessment to meet this deficit was a little over \$10,000. This year it was nearly \$16,000, and the prediction was made by Commissioner Bullock at the Municipal Council meeting before the money was all repaid to the government.

TWO MORE POST OFFICES BURNED

St. Paul's and Bonaccord Destroyed—Three in Two Days in Province.

Apparently this is a bad week for small post offices in the province. Yesterday morning the one at Sussex Corner was destroyed by fire, as reported in the Times-Star yesterday. Today comes word of two more becoming victims of flames.

District Superintendent H. W. Woods today received word that the office at St. Paul's, in Kent county, had been destroyed by fire this morning. No particulars were given. He also was informed that the office at Bonaccord, in Victoria county, had been burned yesterday. In this case, also, details were not given.

PYTHIANS DEBATE

First of Series, Held Last Evening, Won by New Brunswick Lodge.

The first of a series of debates to be held by the four city lodges of the Knights of Pythias was held last evening at a meeting of New Brunswick Lodge, No. 1, Chancellor Commandeur Chas. A. Noble presided. The subject for debate was: "Resolved: That the boy or girl born in the country has a better chance of success in life than one born in the city."

The affirmative side of the resolution was upheld by S. W. MacMackin, H. Bell and L. D. Munro of St. John Lodge, No. 99, and while they set forth many substantial arguments in favor of the country boy or girl, the judges in their decision awarded the victory to R. O. Trentowsky, R. O. Brittain and B. L. Sheppard of New Brunswick Lodge, No. 1, who upheld the city boy or girl.

The judges were Judge W. C. H. Grimmer, O. S. Pughie and L. C. Lynds. These debates are being arranged under the direction of the Past Chancellor's Association and the success of last evening's debate was regarded promising for the events which are to follow.

EXCEEDS LAST YEAR

Export of Carbides and Acids Through Port of St. John Grows.

That there has been an increase thus far in the export of carbides and acids through the port of St. John over last season and the prospects are excellent for a still further increase during the balance of the season was the information secured this morning from C. J. Kenny, traffic manager for the Canadian Electro Products Co., Ltd., and the Canadian Carbide Co., Ltd., Montreal.

These two concerns are subsidiary companies of the Shawinigan Falls and Paper Co., and they have been shipping through St. John for some time. The carbide shipments have been going to South Africa, New Zealand and Australia through St. John while the acids have been largely routed to London, Hull and Manchester.

HEBREW WEDDING

Miss Lena Israel Becomes Bride of David Gross, Rabbi Mandelblatt Officiating.

A wedding of much interest took place on Tuesday evening at the home of Mr. and Mrs. L. Levine, 18 Chapel street, uncle and aunt of the bride, when Miss Lena Israel became the bride of David Gross. The bride wore a beautiful white champagne satin gown, prettily trimmed with ostrich feathers and rhinestones. Her veil was a dainty creation trimmed with pearls and rhinestones. She carried a bouquet of Ophelia roses and carnations. The bride was given in marriage by her aunt and uncle and the groom by his brother-in-law and sister, Mr. and Mrs. I. Neuman. The ceremony was performed by Rabbi Mandelblatt and was attended by about 150 relatives and friends. Many gifts were received as well as telegrams of congratulation from other places.

The out-of-town guests included Mrs. Ethel Gordon of Montreal, cousin of the bride; Morris Israel, cousin of the bride; Mrs. Attis of Montreal; Mr. Smith of Montreal; Louis Acker of St. Stephen, cousin of the groom; and Louis Lang of Fredericton.

Mr. and Mrs. Gross will make their home in Fredericton.

MAYOR OPPOSES MAY 1 MOVING DAY

Would Make it June 1 — Sees Opportunity For Women's Organizations.

A report in The Telegraph-Journal about a landlord who is said to have notified one of his tenants of an increase of \$8 a month in his rent was commented on by Mayor Potts. He expressed the opinion that the law of supply and demand would soon correct this situation.

His Worship said he thought there should be a movement started to change moving day from May 1 to June 1, and then, there should be a provision that if the day was wet the moving should be postponed until the first fine day. He said he thought if some of the women's organizations would head a campaign of this kind they would be doing real community work.

AUTO HITS WOMAN

Mrs. J. A. Kelly Injured—Woman Said to Have Run From Car.

While alighting from a street car in Douglas avenue at 11:40 p. m. on Tuesday last Mrs. J. A. Kelly, 289 Douglas avenue, was struck and knocked down by an automobile. She was slightly injured. The motorist was A. E. Goldie, but the driver of the automobile is unknown. The police report that at the time of the accident a woman jumped out of the automobile and ran towards Main street.

According to an eye-witness, the auto was following the street car. Near the Observatory the street car stopped to take on two passengers and allow Mrs. Kelly to alight. The auto behind it bumped into the car heavily, lessening its speed considerably, but before it could be brought to a stop it had struck Mrs. Kelly, throwing her to the ground. She was assisted to her home nearby and a doctor summoned.

SHRINERS GATHER

Many Come to City For Ceremonial—Party of 10 From Halifax.

The annual meeting of Loxor Temple, Mystic Shrine, will be held here this afternoon and this evening there will be a grand ceremonial. The meetings will be held in the Shrine quarters, Masonic Temple, Germain street, and it is expected there will be a large attendance from outside points.

The afternoon was to be devoted to business. Reports were to be received from the Potentate, P. M. Tweedie, Chatham, and other officers. The financial report, submitted by the secretary, Charles Robinson, shows that the temple is flourishing.

A big class will be on hand for the ceremonial in the evening. Guests for this event will be the Potentate of Philae Temple, Halifax, and 10 of his nobles. At the conclusion of the ceremonial a buffet luncheon will be served and a social hour enjoyed.

Baby Carriages

Are Baby Carriages out of season? From our sales records we would answer decidedly NO. In fact we do not know of any "Out of Season" periods for this particular necessity.

True there are seasons when the sales chart shows high peaks, but that is because the days are warmer.

Your Baby is in much greater need of fresh air these days when the house must be kept tightly closed, than later on when the doors and windows are flung wide to the balmy breezes of June.

Why not have one of our snug, windproof Carriages, and give your Heir the Air he needs?

With sand on the sidewalks, wheels operate more easily than runners. Think it over.
