Glenelg, May 28th, 1886.

Rew. Goshn el Howie at Kingston. The following has been sent to us for publication as summaries of his lectures penned by the young people of Kingston, Kent. ESSAY ON MOUNT LEBANON.

Leaving New Brunswick or Nova Scotia, to reach Mount Lebanon, you first cross the Atlantic Ocean to England, then cross the English Channel, proceed to the south of France, take steamer for Alexandria, and from Alexandria proceed to Joppa, which is the chief seaport town of Palestine. From Joppa you travel northward to reach Mount Lebanon, passing through the Plain of Sharon with the noun.

Heavy Team Waggon.

Rev. W. J. Kirby of Richibucto, who has been in England some time, expected to sail from Liverpool per the "Vancouver" of the Dominion Line, for Quebec Technology of the Dominion Line, for Quebec Te ALLAN M. SMITH, Kingston. Under 16 years of age.

The above gained the first prize. WEST BRANCH, May 19th, 1886.

mind to withhold said correspondence and bear patiently the attempt made to destroy my putation and influence before the country—putation and influence before the country—the news of my father's death naturally affect and certain, but this consummation so devoulty hoped and longed for by the much intensified to seem in the Opposition is postponed for an indentified to seem in the opposition is postponed for an indentif The paragraph present circumstanced well. However, in each guite an acquisition to the legal know more and early and a speaking talent of the Dominion and a polenic with the editor of that paper in the most implication of the same and a point not often attained which necessitate explanation.

It I am again represented as having been and extremely an active earnwaser in the last elections and all other this preserved into 25 objects. The first they day of knowing him. The firm speak very highly of him, as they can repeated electors in the excrete of their sharing dealeron franchise. I denied it before, I deep distribution of the first again and challenge proofs.

The store and mill alluded to in that effects of the property of the position could not and should not carry company not yet incorporated which has been position could not and should not carry required for the purpose of establishing commerce on equitable basis and preventing such that the points they have been made to represent the proposal of the points they have been made to represent the position to the legal know in the control of the bows of the solar rock, then they took the level and the control of the solar rock, then they follow that the opposition of the first and the control of the solar rock, then they took the level and the control of the solar rock that the control of the solar rock then they follow that the control of the solar rock then they follow the control of the solar rock, then they follow the control of the solar rock then they follow the control of the solar rock then they follow the control of the solar rock then they follow the control of the solar rock then the solar rock, as the solar of the labors and the control of the solar rock, then they follow the solar rock, as the solar rock, as the solar of the solar rock, then they follow the solar rock, the solar rock, as the solar of the solar rock, as the solar rock the solar rock, then the solar rock, the solar rock the solar rock, the solar rock the solar rock, the solar rock merce on equitable basis and preventing such extortions as had been practiced in the past, as well as of affording facilities to the settlers.

Presentation.

Several attempts have been made to prove the government guilty of wrong in the pround make them pround make them the proventing and general crops to profit.

Surely after twelve years of slavery, no one will question the necessity of a change in this well as come out of the ordeal much will appear to the proventing and general crops to profit.

Wh. D. McLeod, Esq. of the New Bruns-wick Railway was in town last week.

The steamer sand threw it up. The next tender, betweek that of Mr. James Troy, was then accepted, and Mr. Troy will at once proceed with the work.

Surely after twelve years of slavery, no one will question the necessity of a change in this will question the necessity of a change in this of the next tender, between the past, as wick Railway was in town last week.

The D. McLeod, Esq. of the New Bruns-wick Railway was in town last week.

The vertical couple will at once proceed with the work.

Well as a few days ago, at that of Mr. James Troy, was then accepted, and Mr. Troy was then accepted, and threw it up.

The bridance of five and threw it up.

The brida

Inspector. Petitions are being circulated for signatures asking the Municipal Council to appoint Mr. W. H. Russell as Inspector, for the appoint of the sufficient of t communicated with the wood-work along-side, making quite a blaze. An alarm ters and Consols-General have notified the

LONDON, June 1.-Private letters re have been obliged to apply to the work-house for support. The Marchioness of Waterford has opened a subscription for a relief fund. She has the names of 150 lrish ladies now in the condition of pau-pers, who but recently possessed comfort-able homes. Several hundred others have found it necessary to seek work in order to

tain a view of the city. Eppa Stewart stepped to the edge of the tower and was lear ing against a corner post, when the janitor, not knowing of the presence of the ladies seized the bell-rope to call a meeting the fire company. The sudden clang of the bell startled Miss Stewart, and she plunged from the dizzy height to the pave ment. Both her legs were badly crushed, the bones of her left arm were broken into splinters, and five ribs on the right side were broken and toru loose from the spine.

There is no hope of her recovery. OTTAWA, June 3.—A large delegation of members of Parkiament and others waited on the Minister of Customs this morning with reference to freight on the Intercolonial Railway on fresh fish. They asked that cheap and easy means for transportation of fish be affored, so that it may the morning of the Natural History court; a variety of excellent photographs and pictures, which already add brilliancy to many portions of the Natural History court; a variety of excellent photographs and pictures, which already add brilliancy to many portions of the conditions of the con teach the markets of the interior of the country; that the rates on the I. C. R. be textile fabrics of much merit; Canadian reduced to the lowest figures and that re-frigerator cars be provided. It was set and also considerable additions to the frigerator cars be provided. It was set forth during the discussion that fish merchants in Ontario and Quebec were paying a lower price for their fish from Boston, Portland and other United States Complete form in the course of the present ports than they would if they obtained it week. om Halifax. The Minister will lay the We are glad to learn that arrangements

matter before his colleagues. MONTREAL, June 3.—Customs officials of seats in the Canadian section for the in the possession of the owner, but he re-fused to surrender them. He also said urrendered. This is the third seizure in Philadelphia, entered at half their value, has also been seized.

countries is greatly in favor of Nova Scotia fishermen. Well, we cannot carry on fishing a cessfully without we are allowed to enter Nova Scotian ports for fresh bait and ice, also to enter Canadian bays for BRETHREN:—Please take notice that a meeting of the above "Lodge" will be held in the Lodge Room, on Tuesday next, June 15, '86, at 8 o'clock, p. m.

M. O. THOMPSON, SEC'Y.

Newcastle, June 8, '99 our full catch of mackerel. This is proved by the fact that every day we see reports of vessels risking seizure to secure bait; while the Nova Scotian fishermen, being under no disadvantage in this re-spect, can carry on his business with at least as much success and profit as here-

"That is paid by the American consum-er. Those who consume the dutiable artier. Those who consume the dutiable article pay the duty in every instance, and if the price of fish alvances in consequence of the extra duty, as I have no doubt it will, then the advance will in all probability equal the duty, and the Nova Scotian fishermen is as well off as he was previously. The American fish eaters will be the effects of the extra duty and the Nova Scotian fishermen is as well off as he was previously. The American fish eaters will be the effects of the extra duty to the easterly side of the street leading to the I. C. R. Station, allotted to William A. McCullam. be the sufferers. But what we want is free trade between the two countries.

ENGLAND BOUND TO SHOW FIRMNESS.

London, June 5.

The Standard, discussing the fisheries dispute, says: "We have no doubt that Bayard will avoid precipitate and offensive action relating to the fisheries controversy. Certainly there is no desire in London, and we believe none in Washington, to have the two interested nations LONDON. June 5. ington, to have the two interested nations involved in a quarrel over a rather tri-fling dispute between Atlantic fishermen. However, while the treaty of 1818 remains in force the Canadians have a perfect right to demand its observance. It is not to be supposed that the Canadians will yield valuable rights without some equivalent. Concessions on both sides are necessary. The matter does not concern England directly, but we are bound to show firmness in our decision. The to show firmness in our decision. The Canadians look to us for support and they ought to receive it. We would rather the aispute had not occurred, but as it has arisen we cannot help ourselves. Anything would be better than leading a colony to believe that it cannot rely on Great Britain."

FAILING.

That is what a great many people are doing They don't know just what is the matter, bu they have a combination of pains and aches, an each month they grow worse. The only sure remedy yet found is Davis' Quinine Iron and Wine, and this by rapid and thorough assimilation with the blood, purifies and enriches it, and rich, strong blood flowing to every part of the system repairs the wasted tissues, drives out disease and gives health and

This is why Davis' Quinine Iron and Wine will cure Dyspepsia, Indigestion, Liver Complaint, Malaria, Intermittent Fevers, General Debility, etc.

BURTON, SUN. Co., July 17, 1883.

Dear Sir,—I was a great sufferer from Dyspepsia, and for several weeks could eat nothing, and was growing weaker every day. I tried Davis' Quinine Iron and Wine, and am happy to say I now have a good appetite and an catting stronger. am getting stronger.

JOSEPH McCAWLEY.

UPPER CAVERHILL, YORK Co., N.B., July 25, 1882. GEO. H. DAVIS, Esq:

Dear Sir,—In answer to your letter of nquiry relative to the benefit derived from Davis' Quinine, Iron and Wine, allow me to say that I consider it a wonder, and the best Tonic I have ever used, having tried several others without being benefited any. I was induced to try your Quinine, Iron and Wine, and am now a new man, having expired by its use my formore formore. man, having gained by its use my forms strength and activity, and as for my appetite it never was better.

> Very truly yours, ELIJAH NAVINS.

Davis' Quinine Iron and Wine is not a drink and does not contain whiskey. It is a simple preparation of Iron and Quinine that causes no injurious effects. Get the Genuine. Ask for Davis' and take no other.

HOP BEER sold cheap by the doz. KEROSINE ILLUMINATOR Also on hand at all times a good supply FRUIT IN EXISTENCE.

Warranted to produce from any test of Kerosine Oil, a pure white, steady light, Equal to three Gas Jets. the very Superior Lamp is positively non-exposive, and will neither break nor smoke the ordinary chimney.

The wick movement is very durable, and cannot get out of order, yet so simple that any-body can wick a lamp in 20 seconds. Wicks last from six to eight months The lamps are made of brass, cannot break, and will last a life time. What you save in chimneys in one year alone is a large item. These lamps are cheaper at their price than ordinary lamps are as a gift, and a great many have been substituted for the gas, to the entire
