HENRY LONDON GETS THREE YEARS

Sentence is Generally Considered Light in View of the Gravity of the Offence

At the session of County Court held at Woodstock last week, Henry London, a prominent farmer, and erstwhile highly esteemed resident of Windsor, was found guilty of the revolting charge upon which he was apprehended, and was sentenced to three years hard labor in Dorchester penitentiary. In sentencing him Judge Carleton said:

"Henry London, you certainly must understand the gravity of the offence you have committed. You have ruined your two daughters, you have disgraced your family and dishonored the good name you had in your neighborhood. I regret to have to impose this sentence upon you. I could sentence you to fourteen years and order you to be whipped. While the jury has decided that you are not insane in the legal sense, and knew what you were doing at the time you committed the offence, your actions show you are insane in another sense and you are travelling the way that will lead you to the Provincial Hospital. I will sentence you to the Dorchester Penitentiary for the term of three years."

The jury who rendered the verdict was composed of: W. B. Belyea, G. Everett Green, Cook Boyer, Burriel Hatfield, Robert Jones, Allan Good, Ernest Hallett, Alex. S. Benn, Ronnie Tracey, Colin Van Wart, Burns Campbell, and William Balmain.

Commenting on the case, The Sentinel says:

"Accused of a crime, the most terrible in the whole category, one London is to be tried at the present sitting of the county court. It is a most disgusting case, and no condemnation can be too caustic, or punishment too severe for this peevish degenerate. It almost seems that we are not yet far out of the dark shades of barbarism."

The Press fully concurs with all the foregoing, baring the last sentence, and adds:

"A man like London, a religious fanatic if you will, a peevish, insolent, gospel expounding, holier-than-thou insect, committing the offence that he did, the last time on a Sunday night, needs a knock on the head... which would more quickly make him sane than three years in the penitentiary. He is the type of scoundrel of the times of a Sodom and Gomorrah."

London, vile and monstrous as he is, has relatives and worthy family connections quite innocent of any connection with his degraded and unnatural behavior. They should not be branded with his conduct, and to save these innocent ones, the whole shocking affair should for the future have the curtain tightly drawn.

The case of William Rockwell of Simonds, charged with a crime against a girl under sixteen was not completed for the reason that Rockwell, to use the common phraseology, "jumped his bail."

Activities of C. S. E. T.

The first meeting of the C. S. E. T. for this season, was held in the vestry of the Baptist church on Monday evening. The elder boys were organized. The officers elected were: Walter W. Baker, president; Walter Morgan, vice president; Alec R. Miller, sec. - treas. Their term will last one month when a more complete organization will take place. Plans are now being made for a conference to be held at

Hartland, where there will be delegates from all villages of Carleton, York, Victoria and Madawaska counties. The next meeting will be held Tuesday evening, Oct. 7. All boys between the ages of 12 and 20 are requested to come.—Contributed by the Secretary.

G. W. V. A.

At our last meeting, Sept. 18, it was unanimously decided that we would have a memorial service in the town of Hartland in honor of our comrades who were sacrificed during the late war. All the returned men who will be requested to attend in uniform so that we may all march to the church in a body. Our regular memorial day is to be the Sunday nearest to Peace Day each year; but as that is long past we will have the service this year on Nov. 9, the Sunday nearest to Armistice Day. We hope every parent, brother, sister, grandparent, and relative of our fallen comrades will come in honor of "Our Boys."

As soon as our executive committee can arrange an hour of meeting and secure a minister and a church for the special service, it will be announced in The Observer, which contains so very much home news to us who await its coming each week as an old and honored friend. For order Hartland Branch, G.W.V.A.: S. G. Barter, sec.

New Valley Service

A train service on the Valley Railway from St. John to Centreville was inaugurated yesterday. The train leaves St. John at 1:30 p.m., reaching Fredericton at 4:30. Attached to this train will be a buffet sleeping car, which will proceed to Quebec via McGivney Junction. A tri-weekly passenger train service with a mixed train on alternate days, will not satisfy the people of this section, but the C.N.E. authorities claim that it is the best that they can do for a start, and they give assurances that there will be something better just as soon as the traffic warrants it.

Big Racing Event at Woodstock

The Woodstock Driving Club is arranging the biggest two-days race meet ever pulled off in the Maritime Provinces. There will be a free-for-all for \$1000; 2:12 and 2:14, \$500 each; 2:16, 2:18 and 2:22, \$250 each, making purses aggregating \$3,200 for the two days' meet. The dates are Oct. 14 and 15. Probably every horseman in New Brunswick and Maine will be present, and many from Nova Scotia and all parts of the eastern states.

A dandy line of new ladies' sweaters just received at Carr's. Can allow a liberal discount from regular prices for cash.

Housekeeper wanted for a grown up family of four. Apply to Israel Kinney, R.F.D. 6, Woodstock. Good wages offered.

GRENIER TO HANG ON DEC. 16

Jury Find Him Guilty of Murder

After being out for almost two hours the jury in the trial of Joseph Grenier for the murder of Felix Francoeur returned the verdict, guilty of murder. The prisoner received the announcement calmly.

The prisoner took the stand in his own defence and pleaded justification on the ground of self-defence, but though his story awakened some considerable sympathy, having on witnesses to support his story and several strong witnesses against him, his plea was unavailing.

The old man almost in a spirit of resignation to his fate, waited during the two hours of the jury's deliberation with the some impassionate calm with which he heard the verdict. While much sympathy is felt for the old man, who is more than seventy years of age, public sentiment seems to approve of the finding of the jury.

Grenier is lodged in the jail at Andover and is receiving careful kindly attention from the authorities who have a man looking after him.

On Friday Judge McKeown sentenced Grenier to be hanged at Andover on Dec. 16.

Enjoyed Chautauqua

Many people from here availed themselves of the opportunity for a pleasant and profitable entertainment by attending the Chautauqua at East Florenceville and Woodstock. East Florenceville people are endeavoring to secure a sufficient number of guarantors to warrant the engagement of the Tent Chautauqua—the same thing on a much larger scale—for next season. The town of Hartland should have sufficient appreciation of things musical, histrionic and intellectual to induce a Chautauqua here.

Death of Well Known Conductor

Conductor Charles McGibbon, for 25 years in charge of the train on the Gibson branch, was on Tuesday evening seized with apoplexy when he was near Southampton, and died before he reached his home at Fredericton. He was one of the best known officials on the road, and years ago ran a train on this division. His demise recalls to mind the late Conductor Robert M. Dow, who for many years had charge of the express running through here, and who died quite as suddenly from a similar cause.

S. S. Convention

The County Sunday School Convention, the program of which was printed last week, is in session at the United Baptist church and the meetings are full of interest and helpfulness to the large number of delegates present. A complete report will be given in the next issue.

OTHER TABLETS NOT ASPIRIN AT ALL

Only Tablets with "Bayer Cross"
are Genuine Aspirin

If you don't see the "Bayer Cross" on the tablets, you are not getting Aspirin—only an acid imitation. Genuine "Bayer Tablets of Aspirin" are now made in Canada by a Canadian Company. No German interest whatever, all rights being purchased from the United States Government.

During the war, acid imitations were sold as Aspirin in pill boxes and various other containers. The "Bayer Cross" is your only way of knowing that you are getting genuine Aspirin, proved safe by millions for Headache, Neuralgia, Colds, Rheumatism, Lumbago, Neuritis, and for Pain generally.

Handy tin boxes of 12 tablets—also larger sized "Bayer" packages can be had at drug stores.

Aspirin is the trade mark (registered in Canada), of Bayer Manufacture of Monocetaceticacid of Salicylicacid.

Doesn't hurt a bit! Drop a little Frezone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic!

A tiny bottle of Frezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation. Frezone is the sensational discovery of a Cincinnati genius. It is wonderful.

BUSINESS MAN IS ENTHUSIASTIC

W. W. Paynter of North Rustico
Praises Tanlac for Helping
Him and His Wife

It is doubtful if there is a better known or more highly respected man in the vicinity of Charlottetown than W. W. Paynter, a general merchant and proprietor of the hotel at North Rustico, Prince Edward Island.

While on a business trip to Charlottetown, recently, Mr. Paynter called at Reddin Brothers drug store to make a purchase of Tanlac and stated that both himself and wife are using the medicine with wonderful results.

When asked if he was willing or his experience with Tanlac to be published, Mr. Paynter said: "Yes, indeed, for it was by reading the statements of others that we heard of it and were induced to give it a trial."

I had suffered from a bad stomach, poor appetite and a general run-down condition for years. I could not digest anything properly and as a result I lost weight and strength continually. I was extremely nervous, slept but little and had that tired, no account feeling all the time. This condition had existed so long that it was beginning to wear down my whole system. What I would eat nearly always caused me nausea, cramps in the pit of my stomach or some other form of indigestion. I also suffered from dizziness, felt listless and hadn't the energy to attend to business properly. I was not sick exactly; that is not sick enough to take my bed, but was just about one half efficient and getting worse all the time.

"My wife was affected practically the same way I was and had gotten in this run down condition on account of the care and the worry of running the hotel. So after reading the high endorsements in the Charlottetown papers we decided to try Tanlac, and while we have only taken two bottles each there is all the difference in the world in our condition already. My wife says she is feeling like a new person and as for me, why, I have my old time vigor and energy back and am just feeling fine. Everything I eat agrees with me perfectly now, for I have no more pain or distress of any kind after meals, and my sleep is sound and restful every night. We are going to continue taking Tanlac for a while longer and I don't hesitate to recommend it for I have never run across a medicine that I consider in its class."

Tanlac is sold in Hartland by Estey & Curtis Co., in Bristol by Dr. G. W. Somerville, in Centerville by Stevens Bros., in Woodstock by E. W. Mair, in Bonaventure by W. E. Porter, in River de Chute by Daniel B. Baird, and in Florenceville by A. B. Lovely.

ENCOURAGING THE SHEEP INDUSTRY

Inducement to use a Pure Bred Ram at the Head of Your Flock of Sheep

The New Brunswick Department of Agriculture are co-operating with the Dominion Live Stock Branch in encouraging the use of Pure Bred Rams.

Persons Eligible

Any sheep raiser who purchases a pure bred registered ram and who has not before at any time used a pure bred ram in his own flock shall be entitled to a premium of ten dollars the first year; Five of which will be paid by the New Brunswick Department of Agriculture and five by the Dominion Live Stock Branch, and an additional Premium of Five Dollars the second year, payable by the Live Stock Branch. Applications for premiums to be sent in to Live Stock Division, Department of Agriculture, Fredericton, not later than December 1st.

Co-operative Purchasing of Pure Bred Stock

The Dominion Live Stock Branch will pay the travelling expenses to any point east of Fort William, Ontario, of any accredited man appointed by a Society, group of Societies or group of farmers who have orders to purchase at least twenty-five pure bred rams for farmers never having used a pure bred before. This same person has the privilege of making purchases of other live stock or rams for any farmer while on the trip, so long as the minimum of twenty-five rams are purchased as outlined above.

Grading of Pure Bred Rams in New Brunswick

The services of professor Sackville of Ontario Agricultural College, have been secured to visit each pure bred breeder in the province and classify the rams offered for sale into three grades, superior—average and common. By purchasing your rams in the province, farmers can write any breeder of pure bred ram he supplies for getting the class of ram he supplies for to adopt this classification system. Breeders and Purchasers stand to gain by it. The number of rams for sale together with the price and grade will be listed with the local Live Stock Division.

Boys and Girls Sheep Clubs

In order to create a deeper interest among our farm boys and girls in the business of sheep raising, arrangements have been completed to organize Sheep Clubs in the province. Members must be between ages of ten to eighteen years. Ten members will constitute a Club. Two grade Shearling ewes will be the number allotted to each. Members can get credit from any bank for purchase price of sheep for one year at 6 per cent interest. The Department will arrange a fair at which prizes will be given. The Department will loan a pure bred ram to any Club with twenty ewes.

For information on any of the above policies, write Live Stock Division, Department of Agriculture, Fredericton, N. B. Hon. J. P. Tweeddale, Minister.

PERTH NARROWLY ESCAPES DESTRUCTION

Several Buildings Burn in Early Sunday Fire

One of the most disastrous fires that has ever occurred at Perth broke out at an early hour on Sunday. The alarm was given about four o'clock but a large building owned by H. P. Giberson was almost totally destroyed when the first knowledge of the fire was given out. The building was originally a large barn. The upper stories, where the fire originated, were used as an opera house and sample rooms. In it were also the office and warehousing for the firm occupied by Marsten & Gillman, but at the

time of the fire occupied by Wright & Imman, which with all the machinery, etc., was a total loss. There was also burned a cottage nearby owned by H. P. Giberson and occupied by Alex Vinegar. The blacksmith shop owned by Anderson Bros. was badly damaged before the fire could be got under control. A strong wind was blowing from the northwest. F. D. Sadler's store and residence across the street caught several times and the roof of Union Hall was partially destroyed. The large window in E. W. Larlee's house across the street was cracked with the heat. At one time it looked as if the whole street was doomed, but through the favor of the local fire ladders, the favorable wind and the prompt arrival of the Fort Fairfield fire brigade with their chemical engine, the remainder

of the village was spared. All citizens of Perth feel very grateful to the Fort Fairfield corps for their kind assistance. The origin of the fire is unknown. This is the second time that the blacksmith shop has been nearly destroyed this summer. Mrs. Anderson has lately had it repaired, and now it needs repairing again and no insurance.

Grand Falls Happenings

In the Presbyterian church on Sunday evening a large congregation was present to witness the unveiling of the memorial to the boys from our Sunday school who gave their lives in the great struggle for democracy, a shield

with four maple leaves, one for each of our boys who fell. Ptes. Richard Estey, Reid West, Thomas Pirie and Angus Sweeney, had been placed in the church and was unveiled by the Boy Scouts. Appropriate hymns were sung by the choir. Mrs. Kirkpatrick was organist. After the ceremony Dr. Stephen Haboush spoke to the congregation and told them what a part missions and missionaries played in saving the world in the recent terrible war, and told them what would have happened if it had not been for foreign missions. It was great to be able to see and hear a man who had spent his boyhood in Galilee speak to us here in Grand Falls. A number who had heard his lecture Saturday evening were glad of the privilege of hearing him again.

Mr. and Mrs. Ball and their guest,

Rev. Silas A. Morse, pastor of the First Baptist church in Haverhill, Mass., were in town on Thursday and were calling on Miss Annie Day, who when in Haverhill, is a member of Mr. Morse's church. Miss Day was indeed pleased to have such a pleasant surprise.

Mrs. Coffin of Fort Kent was calling on friends in town last week.

Miss Emma Smith who used to live here some years ago, is visiting her sister-in-law, Mrs. G. Smith. Her many friends are glad to see her again.

The Chautauqua has been and is gone and was very much better than any of us dreamed it could be. Only the best was good enough for the management to give us, and it was good indeed. Not an idle or dull moment all through the course; and it would be hard to say that any one performance was better than another. Mrs. Gregory is a splendid superintendant and she had an equally good group of co-workers. One could not fail to get uplifting thoughts and ideas from the lectures and readings, and the music was wonderful. May they come again next year.

Little Harold Reed, who has been so very sick, is now beginning to gain.

Mr. and Mrs. A. A. Dixon and Mrs. G. A. Hallett were in Edmondston Sunday.

Mr. and Mrs. H. McLaughlin of Limestone were in town Sunday.

Grace Davis of Fredericton. While here he is the guest of Mr. and Mrs. B. C. Palmer and is receiving a warm welcome from all his oldtime friends. He is a well known railroad man. After a few more days spent here he will go to Toronto to visit his other sister, Mrs. James Anderson. His other brother, Sergeant Verne, has just returned from overseas and expects to visit here.

Plaster Rock News

Fraser's mill finished cutting long lumber on Monday last. They are still cutting cedar.

Howard Jacques left on Saturday to visit friends in Bristol for a few days.

R. J. McFarlane is having a new house built on the hill.

Mrs. Harry Tatlock and daughter Eileen arrived home on Saturday from England where they have been on a visit.

Perley Giberson left on Tuesday for Nelson where he has been transferred.

Kenneth Brown is now in charge of Fraser's office in place of Perley Giberson.

Mr. Pagsley is now assisting on the office staff at Fraser's. There was a christening service at the Presbyterian church on Sunday when seven babies received their names.

Mrs. Fraser Stickles left on Tuesday last for her home in Montreal.

James Boone has gone to work at Sadler's mill at Rowena.

On Tuesday last the Plaster Rock dramatic club gave an entertainment in the Oddfellows' Hall which was well attended.

Mrs. Fred Gillman returned to her home on Saturday last.

Mrs. William Reed of St. Almo spent the week-end with friends here.

Percy and Lee Stickles have gone over the line picking potatoes.

Perth Locals

Mr. and Mrs. H. N. Dickinson and son Donald visited the Fister Memorial Hospital on Sunday, and the many enquiring friends of Franklin Morehouse will be glad to learn that he is improving nicely and that the danger of his losing his foot has passed. They also called on Miss Rilla Nixon at her home at Lower Brighton and found that she has so far recovered as to be able to walk about the house.

An old landmark known as the Aunt Maha's Craig barn near the Tobique Valley railway, is being torn down. Two large oil tanks are to be erected on the site.

The village was crowded with autos and people from all quarters on Sunday viewing the ruins left by the fire.

Mrs. George Morehouse went to Woodstock on Saturday to visit her son Franklin at the hospital.

R. W. Estabrooks had the misfortune to go over the hill in his car on Tuesday, at the end of the carriage bridge. Fortunately he escaped without injury.

Mrs. E. Caughey of McAdam is visiting relatives in town.

H. P. Giberson of Bath was a week-end visitor in town.

Earl Brewer, with his wife and family, of Edmondston were guests of Mr. and Mrs. B. R. Green over Sunday.

Chautauqua is drawing large crowds. Most of the performers are staying at the home of Mrs. Henry Green.

The many friends of Mrs. Bina Baird will be grieved to learn that she is in very poor health, and hope for her speedy recovery.

H. W. McPhail left last week for Wolfville to enter college. His sister Isabel also returned to Wolfville on Monday.

Clarence Burden, son and only child of Mr. and Mrs. Walter Burden of Fredericton was a recent visitor at the home of J. W. McPhail. Clarence is one of our young Canadians of which we are proud, having enlisted at the outbreak of the war. He was once badly wounded in the knee. He has just recently returned from overseas and when visiting here he received a hearty welcome from all.

J. W. McPhail returned from the Woodstock hospital on Saturday. He underwent a slight operation and his many friends are pleased to know that he is coming along well.

Cecil Lewis also left for Wolfville last week to attend college.

Joseph Judge of St. Andrews is spending a few days in town.

Miss May Armstrong, trained nurse of Benton, is visiting at the home of her mother, Mrs. Vanamee Armstrong.

Miss Emily Cronkite of Red Rapids was the guest of Miss Emma Palmer on Saturday. She also visited her aunt, Mrs. E. B. McLaughlin.

Burton Brewer, oldest son of the late Thomas and Mrs. Clara Brewer of this place, arrived in town last week after 19 years spent in the west and other parts. Mr. Brewer has been overseas for about three years. He has been spending several weeks with his sisters, Mrs. W. Burden and Mrs.

BABY'S OWN TABLETS OF GREAT HELP

Mothers, if your baby or growing child is sickly; if he does not sleep well at night; if he cries a great deal; is constipated and has little bowels and stomach and not working right, give him Baby's Own Tablets—they have proved of great help to thousands of mothers. Concerning the Tablets Mrs. W. H. Decater, Corson's Siding, Ont., says: "I have used Baby's Own Tablets and have found them excellent for the little ones and would not be without them." The Tablets are a mild but thorough laxative and are guaranteed to contain no harmful drug—that is why they always do good and never harm. They are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Presentation at Victoria

A few friends met at the home of Mrs. Jane Haywood on Sept. 26 in honor of her recently married daughter, Mrs. W. J. Currie. A delightful evening was spent in games and music. At the close of the evening a dainty lunch was served. Shortly after Lee McQuarrie, on behalf of the friends, presented Mr. and Mrs. Currie with a handsome casserole and a cream spoon. Mr. Currie acknowledged the gifts in a few apt words.

A Necessity in the House

Most of the common ills of life arise from a torpid, sluggish condition of the Liver, Kidneys or Bowels, and because they act on each of these organs in a direct and specific way, Dr. Chase's Kidney-Liver Pills overcome serious and painful diseases over which ordinary medicines have no control.

The Why? of Another Victory Loan

WHEN, on the morning of November 11th, 1918, the guns were hushed and glad tidings flashed across the world, there followed with the Nation's Prayer of Thanksgiving, one yearning query, which found echo in the faster beating hearts of wives, mothers, fathers, brothers, sisters and sweethearts. That query was, "How soon will our boy be home?" And, from France and Flanders, from Italy and Egypt, from Palestine and from far-off Siberia, there came an answering echo, "How soon, how soon, may we go home?"

CANADA caught the spirit of these longings, and at once resolved to satisfy them. It was an appalling task. Shipping was tragically scarce. The composition of the Army of Occupation had not then been settled. And other parts of the Empire as well as Canada were looking for the speedy return of their men.

THE problem was this. The half-million men that Canada had overseas had taken more than four years to transport to the field of battle. To bring them home in a few months was a gigantic undertaking—one to tax all Canada's ingenuity and resources. Canada solved the problem, but it meant crowding into a few short months, an expense for demobilization which it was impossible to foresee.

THEN, too, besides the sentimental aspect of the necessity for bringing the men home quickly the economic side could not be overlooked. That was, to transform efficiently and speedily the nation's army of fighters into a national army of workers.

Need Divides Itself in Two Parts

Obligations to Soldiers

The obligations to soldiers include: That already incurred cost of bringing home troops from overseas. The payment of all soldiers still undemobilized. This includes more than 20,000 sick and wounded who are still in hospital, and who of course remain on the Army payroll till discharged. The upkeep of hospitals, and their medical and nursing staffs, until the need for them is ended. These three items alone will use up at least \$200,000,000 of the Victory Loan 1919.

Gratuities

There is also the gratuity which has been authorized, and has been and is being paid to assist soldiers to tide over the period between discharge and their re-adjustment to civil life. For this purpose alone, \$61,000,000 must be provided out of the Victory Loan 1919, in addition to the \$59,000,000 already paid out of the proceeds of the Victory Loan 1918.

Land Settlement

Furthermore, soldiers who desire to become farmers may, under the Soldiers' Land Settlement Act, be loaned money by Canada with which to purchase land, stock and implements. The money so advanced will be paid back, meantime each loan is secured by a first mortgage. Up to August 15th, 29,495 soldiers had applied for land under the terms of this Act; and 22,251 applications had been investigated, and the qualifications of the applicant approved. For this purpose Canada this year requires \$24,000,000.

Vocational Training

For this work which, with the Vocational Training and Soldiers' Service Departments, embraces the major activities of the Department of Soldiers' Civil Re-establishment, an appropriation of \$57,000,000 is necessary.

Those who give thought to our outstanding obligations to soldiers, and to our need for national working capital, cannot fail to be impressed with the absolute necessity for the

The answer to the question "Why does Canada need another Victory Loan?" divides itself into two parts. (a) To finish paying the expenses of demobilization, and the obligations we still owe to our soldiers.

National Working Capital

Canada needs national working capital, so that she may be able to sell on credit to Great Britain and our Allies the products of our farms, forests, fisheries, mines and factories.

You may ask "Why sell to them if they can't pay cash?" The answer is, "Their orders are absolutely essential to the continuance of our agricultural and industrial prosperity."

The magnitude of these orders and the amount of employment thus created, will depend upon the success of the Victory Loan 1919.

The "Why" of Credit Loans

Farmers and manufacturers (and that includes the workers on these orders) must be paid cash for their products. Therefore, Canada must borrow money from her citizens to give credit, temporarily, to Great Britain and our Allies. Actually, no money will pass out of Canada. If Canada does not give credit, other countries will; and they will get the trade, and have the employment that should be ours, to distribute amongst their workers. And remember, we absolutely need these orders to maintain employment. If we don't finance them, business will feel the depression, employment will not be as plentiful, and conditions everywhere will be adversely affected.

For Trans- portation

Money must also be available to carry on the nation's shipbuilding programme, and other transportation development work.

For loans to Provincial Housing Commissions who are building moderate priced houses. These, then, are some of the things for which Canada needs national working capital. She is in the position of a great trading company, and her citizens who buy Victory Bonds are the shareholders.

HARTLAND, N. B., OCT. 2, 1919

THE CAMPAIGN

Ordinarily The Observer prides itself on getting the inside story of any live news feature, but today it confesses itself badly beaten. Readers are keen to know what the good old Liberals and the wicked old Tories are going to do about the by-election due Oct. 27, only 25 days in the future. If they do not do something quickly they need not bother doing it all. Which will perhaps be just as well. If the parties' engineers know what they are going to do, they are uncommonly tight-lipped about it. It can be quite readily understood that the Liberals, left all in a heap by the sudden withdrawal from the arena of Hon. F. B. Carvell, might require some time to pull themselves together, but this same cause ought not to seriously effect the ambitions of Hon. F. B. Smith for the Conservative nomination. Not unless Hon. Mr. Carvell was the only man Mr. Smith was not afraid of.

Every day reports encouraging for the Farmers' candidate reach The Observer, and so far as this journal has light on the matter, Mr. Caldwell would be, but for one or two important points, just about the right man to send to Ottawa at this time. The constituency could more readily find a man with fewer qualifications than it could any larger number better fitted.

DREADED INFLUENZA

Medical Men Believe It Will Again Visit Canada This Autumn and Winter

There is a widespread belief among medical men that the epidemic of la grippe, or influenza, which swept over the world last year, will again appear in Canada during this autumn and coming winter. This dangerous trouble spares neither age nor sex, but it naturally finds its easiest victims among those who are run down in health, or those whose blood is weak and watery, and it is among the latter class in which the greatest number of fatalities occur. The surest way to prevent an attack of this dreaded trouble is to keep the blood rich and pure and the safest and best way to do this is through the use of Dr. Williams' Pink Pills.

No reasonable precaution to

avert an attack of influenza or la grippe should be spared. The disease itself is deadly, but its after-effects, among those who are spared, make the life of the victim one of constant misery. Ask almost any of those who have been attacked by influenza what their present condition of health is and most of them will answer: "Since I had the influenza I have never been fully well." This trouble leaves behind it a persistent weakness of the limbs, shortness of breath, bad digestion, palpitation of the heart, and a tired feeling after even slight exertion. This is due to the thin-blooded condition in which la grippe almost always leaves its victims after the fever and influenza have subsided. They are at the mercy of relapses and complications, often very serious. This condition will continue until the blood is built up again, and for the purpose of building up the blood and strengthening the nerves nothing can equal a fair treatment with Dr. Williams' Pink Pills. From first to last these pills make new, rich blood, which reaches every organ and nerve in the body. Thus the lingering germs are driven out, and the weak, despondent victims of influenza are transformed into cheerful, healthy, happy men and women.

But better still, you can put yourself in a condition to resist an attack of influenza by enriching the blood through the use of Dr. Williams' Pink Pills, and this, it seems is the sensible thing to do at once.

Dr. Williams' Pink Pills are sold by all dealers in medicine or will be sent by mail at 50 cents a box or six boxes for \$2.50, by The Dr. Williams' Medicine Co., Brockville, Ont.

SOLDIERS IN COLLEGE

25,000 CANADIANS IN KHAKI UNIVERSITY.

A New Branch Has Been Opened at Ripon in Yorkshire Where Young Men Who Have Been Fighting for Their Country Are Now Being Prepared for Degrees as Scholars.

ABOUT 25,000 Canadian soldiers in England and France, who are awaiting their return to Canada, are studying in the Khaki University of Canada, that branch of the Overseas Ministry of Militia and Defence that undertakes to teach the men anything from reading, "riting and 'rithmetic to theology, medicine, engineering, etc. The latest, and probably the most ambitious, branch of this service is a concentration camp at Ripon, in Yorkshire, where students wishing to take up studies leading to a university degree can be accommodated. Five hundred students is the capacity of this camp, and between two and three hundred have already registered.

The universities of Canada are aiding the scheme in every way. They have promised to recognize every credit or standing granted by the university when it holds its final examinations in June. They have even loaned members of their teaching staff to the university. The chief lecturer in history, for instance, is Prof. George M. Wrong of Toronto University, who is undoubtedly Canada's chief historian. Prof. Coleman, also of Toronto University, who during the war has been engaged on research work for the Canadian Government, lectures in biology, and the other members of the faculty are educationists of tried ability.

Textbooks are provided free to all the men. What this means may be appreciated when one considers that the textbooks used by an ordinary university student cost anywhere from \$25 to \$35 when he purchases them himself.

The range of subjects studied is wide indeed for so young an organization. The following faculties have been established:

Junior matriculation.
Arts (1st, 2nd, and 3rd year).
Science (1st and 2nd year).
Surveying.

Theology (1st, 2nd and 3rd years).
Law (1st, 2nd and 3rd years).
Agriculture (1st and 2nd year).
The university spirit predominates at this khaki school and military discipline, though nominally retained, is not found necessary. Every student is too keenly interested in his work to require to be paraded to his lectures, and privates and majors study side by side to fit themselves for civilian ways.

The department of theology is especially for men who have been over the Anglican Training College of the diocese which has its centre in Ripon Cathedral. Here they have a fine library and all the other advantages that go with a theological college. To help the men of other denominations, the Presbyterian, Baptist, Methodist and Congregational churches in Canada have each sent over one of their own ministers to supervise the training of students of their own church.

All the men who are attending the university have signified their willingness to remain in England until June 30 in order to complete their courses. They are willing to do this, because instead of paying university fees, buying books and paying board to attend a Canadian university, every man is completing one year of his training with no expenses in the way of fees, books or board bills, and they are receiving their army pay and subsistence in addition.

There are also two hundred Canadian soldiers taking courses of study at Oxford, Cambridge, Edinburgh, Birmingham, Leeds and London universities. These men have been given indefinite leave by the Canadian authorities and draw full pay, allowances and subsistence as well.

There are also only two branches of the work of the Khaki College. Nine thousand men are taking correspondence work in twenty different kinds of study. Every Canadian camp in England and France and every hospital and convalescent home has its Khaki school, where instructors sent out from Canada or chosen from the officers and men of the expeditionary force are learning things that will be of inestimable value to them when they are finally repatriated and demobilized.

"CASCARETS" WORK WHILE YOU SLEEP

For Sick Headache, Sour Stomach, Sluggish Liver and Bowels—Take Cascarets tonight.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a cask barrel. That's the first step to bad health—indigestion, foul gases, bad breath, yellow skin, mental depression, everything that is horrible and disgusting. A Cascaret to-night will give your congested bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months.

SOOR, ACID STOMACHS, GASES OR INDIGESTION

"Pape's Diapepsin" neutralizes excessive acid in stomach, relieving dyspepsia, heartburn and distress at once.

Take it! In five minutes all stomach distress, due to acidity, will go. No indigestion, heartburn, sourness or belching of gas or eructations of undigested food, no distension, bloating, foul breath or headache.

Pape's Diapepsin is noted for its speed in regulating upset stomachs. It is the surest, quickest stomach sweetener in the whole world, and besides it is harmless. Put an end to stomach distress at once by getting a large fifty-cent box of Pape's Diapepsin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder caused by fermentation due to excessive acids in stomach.

Election Card

To the Electors of the Federal Constituency of Carleton-Victoria:

Having been nominated by a Convention of the UNITED FARMERS OF NEW BRUNSWICK, which was held in Woodstock on September 2nd, to contest the coming By-Election in the above Constituency, to fill the vacancy caused by the resignation of the Dominion Minister of Public Works, and as the Election is to be held on October 27th and the time being so short, it will be impossible for me to personally call on all the Electors in the two Counties. I, therefore, take this opportunity to state to you what the aims of the UNITED FARMERS are.

They are, in brief, as follows:—THE UNITED FARMERS are strictly independent of both the old Political Parties, and their representatives will be perfectly free to support any measure that is for the best interests of the Farmers of Canada, and just as free to oppose any measure that they feel is not in the interests of the Farmers.

And Canada, being an Agricultural Country, we believe that any legislation that is beneficial to Agriculture is indirectly beneficial to every citizen of Canada.

THE UNITED FARMERS also stand for PURITY in elections, as they believe that the lack of this is the starting point of all the Political, Graft and Corruption which is so much in evidence in Canada today.

We would therefore appeal to every loyal citizen of Canada to support the FARMER'S PARTY, and to the electors of Carleton-Victoria, to support me as the UNITED FARMERS Candidate in the coming By-Election.

T. W. CALDWELL.

A Canadian Singer.

The New York Times said recently of a Canadian singer, the niece of the late Sir Wilfrid Laurier—"Eva Gauthier, the Canadian soprano, a piece of the late Sir Wilfrid Laurier, gave her only recital in Aeolian Hall, an event unique in more than the ordinary sense of the word. She is a singer who has before brought forward interesting novelties from the Orient; yesterday she discovered an entire new group of composers nearer home. A score of songs by modern writers, both British and French, included two Hebrew melodies harmonized by Ravel, old Cornish pieces done by Cyril Scott, airs by Albert Roussel, Gabriel Dupont, Erik Satie, and Fred Barlow, the last named an American naturalized in France. Joseph Holbrook was in the British group, with Norman Peterkin and John Ireland, men whose work deserves to be better known."

AFTER 20 YEARS

Remarkable Experience of Mrs. Ripley

Mrs. Millanor P. Ripley, of Williamsdale, East, has good news for all who suffer from aches and derangements caused by Kidney Trouble. Read her letter:

"Before taking Gin Pills I had suffered dreadfully with my back and headaches, and had suffered for 20 years. I tried almost everything but got no relief until I got Gin Pills. I have taken 6 boxes and now I have not a sign of a pain or an ache. I am now 48 and feel as well as ever I did in my life."

In Gin Pills, all the valuable diuretic Juniper element in the Gin has been utilized, and the alcohol eliminated. Combined with other highly efficient diuretics and antiseptics, Gin Pills present the most scientific and effective remedy for Kidney and Bladder trouble that can be secured. They give sure, quick and safe relief. If you have backache, headache, highly-colored urine, rheumatism, lumbago, sciatica, neuralgia, dizziness, lassitude, floating specks before the eyes, unaccountable uneasiness of mind and general debility, lose no time. Treat yourself with Gin Pills before it is too late. At all druggists and dealers, 50c. Money refunded if not relieved. Free sample on request.

THE WORST PART

Rigby—I married a college woman.
Rigby—Gee! It must be tough to be tied to a woman who knows so much you don't know.
Rigby—No; the toughest part is that she knows how much I don't know.

Willing to Show It.
Mary has a little dimple
Lurking near her chin,
Therefore Mary never misses
Any chance to grin.

Fastidious.

"I would lay the world at your feet," said the romantic youth.
"Indeed!" exclaimed the supercilious young lady. "I can't see why you should attempt anything like that with the world in its present muddled-up condition."

Put to Better Use.

"Some men think more of their automobiles than they do of themselves." "That's right," replied Uncle Bill Bottletop. "I've seen many a man go thirsty himself so he could afford alcohol to put in the radiator."

And Yet They Seem Voluminous.
"Don't you think some of your remarks might have been omitted?" "Might have been," exclaimed Senator Sorghum. "Most of them have been!"

The Way of It.

"The indifferent young doctors and lawyers return us good for evil when we turn them out."
"How so?"
"They take us in."

Childhood's Lesson.

"Well, sir, I caught him trying to steal a weigh."

Hope Not.

Mr. Grimball—"But, my dear, the photograph will run only just so long and then it stops."

Chicken Farming.

"What's the use of thing you does when you's chicken keep chickens?" asked Miss Miami Brown.
"If you's chicken keep chickens in dis locality," replied Mr. Erasmus Pinkley, "de fus' thing I'd advise you to do is to practice a little ev'ry day with a shotgun."

DOCTOR PRAISES ZAM-BUK

"For sixteen years," writes Dr. A. F. Shibley of Washington, D.C., "I have used Zam-Buk in my practice, and am convinced that there is nothing to compare with it for skin troubles, from roughness and irritation to chancres, skin diseases, Zambuk, without a doubt, has wonderful curative properties, and when I have occasion to recommend a balm to my patients, I always recommend Zam-Buk. I have found the results from its use to be perfectly satisfactory."

Members of the medical profession are noted for their caution in recommending a remedy—only doing so when they have absolute confidence in it. The fact that Zam-Buk is so highly recommended by doctors, the world over, and that in Dr. Shibley's experience it has stood the test of sixteen years' constant use, puts it, undeniably, in a class by itself.

In the home, in the office, shop and factory, on the farm and when travelling, Zam-Buk should be kept always handy. It is indispensable for all sores, eczema, boils, pleurs, blood-poisoning and piles, as well as for cuts, bruises, burns and scalds. All dealers 50c. box.

Shrewd Girl.

He—If you could have two wishes come true, what would you wish for?
She (frankly)—Well, I'd wish for a husband.

Up Against It.

"What's bothering you?"
"I—"
"Come, get it off your chest."
"That's just the trouble, I can't. It's a porous plaster that won't come off."

Trench Practice.

"Your control is good," said the baseball manager.
"Thanks," said the pitcher.
"You must have kept in practice all winter."
"I did. Throwing hand grenades."

Russian Movement.

"This appalling Russian movement," began the didactic lady.
"Which are you talking about?" interrupted Miss Cayenne, a trifle impatiently. "the bolsheviks or the ballet Russe?"

In These Days.

"The Indians used to fear the pale-face scout."
"Well?"
"But not now. He may be looking for promising baseball material."

"In what way?"
"No matter what happens, they always have a job on hand."

"The intimate article of dress known as the corset which the majority of women wear but know very little about"

Alice S. Cutler, M. D.

IN this pertinent way the well-known medical authority, Alice S. Cutler, M. D., describes the most important garment in the wardrobe of women.

"Buy your corset carefully," warns Dr. Cutler. "No one wants to be ill, and when women realize that the constant wearing of an ill-fitting corset helps to keep our hospitals open they will insist on being properly fitted to corsets instead of buying them hit or miss."

We unreservedly recommend Gossard Corsets, the original front-lacing corsets, as the complete expression of modern corsetry. Every Gossard Corset is hygienically correct. If properly fitted to the figure for which it was designed, and carefully adjusted each time it is worn, it will mould that

figure to the ideal proportions of its type. It will give a priceless all-day comfort. It will safeguard the wearer against those bodily ailments that are often the result of improper corsetry. It will render a wearing service that alone is worth the price paid for the garment.

If possible, the new Spring and Summer Gossards are superior to those of the past season, which were generally acknowledged to be without equal in meeting the needs of active womanhood from the standpoint of comfort, hygiene, wear and figure improvement.

Our highly specialized fitted service reflects our sincere appreciation of the important relation a correctly fitted corset bears to your health, and to that perfect figure poise that gives the elusive charm of style.

HISTORIC DRINKS

Some of Them Heroic and Others Picturesque.

It was reported some time ago that the Dutch proposed to erect a statue in memory of Sir Philip Sydney, which recalls to mind the famous episode of the dying soldier with which his death is inseparably connected. It occurred when that paladin, on September 22, 1586, received his death wound before the walls of Zutphen. Paraphrasing what he called for a drink. As he was putting the bottle to his mouth his eyes fell upon a desperately wounded soldier, who, as he was being carried past, threw him longing glances, "which Sir Philip perceived took the bottle from his lips before he drank and delivered it to the poor man with these words, 'Thy necessity is greater than mine'."

In the murder of Edward the Martyr, in 979, a cup of wine played a tragic part. Wounded by the hunting, the young monarch was persuaded to seek refreshment at Corfe Castle, in Dorsetshire, the abode of his stepmother, the widowed Queen Elfrida. Upon his entrance she greeted him with a kiss, and then, as he resisted her invitation to dismount, brought from the castle a goblet of wine. Even as the king raised it to his lips one of her retainers drew his dagger and, with fatal effect, plunged it into the king's back.

During the naval engagement at San Juan, the Jesuit, which was under the command of Sir John Hawkins, was attacked by almost overwhelming odds. Both by word and deed did the admiral encourage his men, and once, when their spirits seemed to flag, he bade his page fetch him a cup of beer. This was brought him in a silver goblet, out of which he drank to his crew, "willing the gunners stand by their ordinance like men." Scarcely had he finished the draft and held the cup aside when it was struck by a ball from one of the Spanish ships and carried away.

At the battle of Ravenna, in 1512, when the allied Spanish and Papal forces were defeated by Gaston de Foix, Dumouriez, one of his captains, played a conspicuous part. After a gallant charge by which he had driven back the enemy, he determined publicly to drink the health of his country's brave ally, Jacob von Empser, the leader of the 5,000 German lansquenets. Wine was brought upon the field, and having sat down, each hero filled his goblet. At that moment, while they were in the very act of pledging one another's health, a cannon ball from the enemy's lines killed them both.

Every June the quaint old town of Rothenburg celebrates by a costume festival, which goes by the name of "Meister-Drank," the mighty feat of a former town councillor who, in 1591, saved the town from destruction. In that year Rothenburg fell before the arms of the savage Tilly, who at the head of the forces entered the vanquished town, where at the town hall he gave orders for the execution of the civic magistrates. Before, however, the doomed men were led forth to the scaffold, the burgomaster's daughter presented herself, bearing an immense flagon of wine, out of which the conqueror drank and passed it around to his officers.

All quelled their thirst, and yet the flagon was only half empty. Seeing this, the fair Hebe remarked that one of the councillors present was able to empty the flagon in a draught. "If such be the case," cried Tilly, turning to the condemned magistrates, "I will pardon you all for the drinker's sake. Fill the flagon to the brim."

This was done, and then one of the city magistrates, stepping forward, seized the vessel, raised it to his lips, and neither drew breath nor set it down until he had quaffed its contents to the last drop. Then only did he reverse the flagon in proof that the feat had been accomplished. Tilly kept his word, and every year, in commemoration of their deliverance, do the citizens of Rothenburg enact over again this famous event in their town's history.

THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try It! Hair gets soft, fluffy and beautiful—Get a small bottle of Danderine.

If you care for heavy hair that glistens with beauty and is radiant with life, has an incomparable softness and is fluffy and lustrous, try Danderine.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice hair, healthy hair if you have dandruff. This destructive scurf, robs the hair of its lustre, its strength and its very life, and not overcome it produces a feverishness and itching of the scalp; the hair roots turnish, loosen and die; then the hair falls out fast. Surely get a small bottle of Knowlton's Danderine from any drug store and just try it.

GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little stomachs, Liver, and Bowels.

Look at the tongue, Mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has more than three diarrhoea, full of cold, give a teaspoonful of California Syrup of Figs, and in a few hours all the food, accumulated waste, undigested food and your little one's bowels are free of their burden without griping, and you have a happy, playful child again. Ask your druggist for a bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

It Helps Others Will Help Me

With This Belief Many Thousands Have Learned the Exceptional Value of Dr. Chase's Nerve Food.

You hear people talking about Dr. Chase's Nerve Food. You read about it in the newspapers. You wonder if it would benefit you. And while you are hesitating others are using it to great advantage.

This treatment for the restoration of the blood and nerves is so different to most medicines that you may not realize why you can be so certain of benefit from its use.

In order to maintain the vigor of the nervous system an abundance of pure, rich blood is necessary. When the nervous system becomes exhausted and you are easily tired and suffer from headaches, sleeplessness, irritability or indigestion, it is because the blood is failing to supply proper nutrition to the nervous system.

By forming new, rich blood, Dr. Chase's Nerve Food naturally and certainly restores the vigor of the nerves. Since it works hand-in-hand with nature, it cannot fail to be of benefit, and there is no reason why it will not help you just as it has the wiser of the letter.

Mrs. Stephen G. Thwaites, Box 205, Jordan, Ont., writes: "For about a year I was troubled with nervousness, and took doctors' medicine, but it did not seem to relieve me. I could not sleep nor content myself to do anything. I had severe headaches, was tired all the time, and afraid to stay alone. I also tried several nerve medicines until almost discouraged. At last I discovered Dr. Chase's Nerve Food, and found relief in this. I had only taken one box when I began to feel better. I continued using this treatment until my nerves were restored to perfect health. I think the Nerve Food splendid for nervous troubles of any kind, and cannot recommend it too highly."

(Rev. S. F. Coffman, Vineland, Ont., states: "This is to certify that I know Mrs. Thwaites, and her statements are correct.")
Dr. Chase's Nerve Food, 50 cents a box, a full treatment of 8 boxes for \$2.75, at all dealers, or C. G. M. L. Haywood, K.R.S. Toronto. Do not be talked into accepting a substitute. Imitations only disappoint.

Could not Sleep

Miss Gertrude Pratt, Wolsley St., Barrie, Ont., writes: "I was very much run down and could not sleep either day or night and my arms and legs ached so that life was very miserable. After using six boxes of Dr. Chase's Nerve Food I feel well and strong again."

PILES

Do not suffer another day with itching, or protruding Piles. No surgical operation required.

Dr. Chase's Ointment will relieve you at once, and as certainly cure you. 60¢ per box; all dealers, or Edman, Bates & Co., Limited, Toronto. Sample box free if you mention this paper and enclose 20¢ stamp to pay postage.

A preparation for restoring natural color to gray or faded hair, for removing dandruff and as a hairdressing. Is not a dye. Guaranteed bottles at all dealers, ready to use. Price 10¢ per box, Newark, N. J.

You Don't Need a 20-H.P. Engine

McGill Autopower does this job better and cheaper. Have you a Ford Car? Then you have the most efficient, economical power-plant in the world for farm work—WHEN IT'S FITTED WITH THE MCGILL AUTOPOWER.

In three minutes you can change your Ford from a pleasure car to a 14 H.P. gas engine for farm work—sawing wood, cutting ensilage, threshing—and in another three minutes it's an auto again.

The McGill Autopower has proved itself. Hundreds of Canadian farmers have been using it for years. Their experience proves that it does not injure the Ford Engine in any way. It has a governor which automatically regulates the power to the load and maintains a steady speed, and an auxiliary fan which keeps the engine cool under all conditions.

Write for literature fully describing it, and actual letters from farmers (some in your neighborhood, perhaps) telling what the Autopower is doing on their farms. Write today for this information.

EXHIBITION FINEST EVER

Every Exhibit was Good; Fine Weather and Big Crowd Insured Success

The Centreville Cattle Show of the visitors with all the latest and most popular airs, while on Thursday the Woodstock band diverted the large crowd with up-to-date music.

W. G. Bishop, proprietor of the Centreville Hotel, catered on the grounds on both days so that everyone had a good chance to keep well fitted with good foods. A half-dozen large refreshment booths on the midway supplied the lighter necessities of the moment. The merry-go-round gave the young people a chance to play the ponies, and other concessions along the midway were granted to the proverbial fakery and their games of hazard. Owning to the gale which was much in evidence on Thursday the aeronaut did not.

Two good games of baseball were arranged, one for each day and pulled off amiably. One on Wednesday between the local nine and Hartland resulted in a victory for the latter of 10 to 2.

The game on Thursday between the former team and Florenceville ended in a score of 6 to 5 in Centreville's favor. The casualty list on the second day from baseball included one Studebaker windshield knocked floe by a hot one off the bat and one lady found herself a tooth shy from the duplicates. And so the days passed. The evenings were made merry in the theatre district by the crowds who clamored for admission to Nelson's Moving Pictures, the proprietor having procured special programs for each evening. Following the pictures each night local promoters procured the services of Knowles Orchestra and provided all the light-footed high-stoppers with a chance to dance away some of their surplus energy. Thus the old and young of any temperament, who brought a happy soul to the Fair, took away the memory of a good time, and even the grocer, if present, must have felt extra sore to see so many evidences of enjoyment. May Centreville have many more Fairs and may we all live to see them.

The vine and root crops on exhibition were excellent in every respect, well matured, of good growth and ultra quality.

Mouths watered as the eyes were transfixed by the appetizing array of luscious fruit and the judges must have experienced difficulty between articles of the same brand.

Most fascinating for the connoisseurs of delicately beautiful articles from the hands of the female of the species, was the magnificent collection of fancy work. All with artistic taste gazed and looked again. In this branch of the show, those who knew, readily conceded that the other Fairs this season had nothing approaching it in excellence.

In the building also were four attractive booths arranged by O. M. Sherwood, Ltd., of Centreville, McCain & Trafford of Florenceville and Orlington & Ridley and A. E. Jones of Woodstock.

The first day Knowles' Orchestra of Port Fairfield entertained

Mrs. Lucy Clark of this town celebrated her ninety-ninth birthday on Friday of last week. A number of friends were present at tea with her and helped to make the occasion a happy one.
