SCHOOL MEETING ON FRIDAY LAST

Progress of New School is Satisfactory
—Matters of Finance Discussed

A special school meeting of the ratepayers of Hartland district was held at 10 a.m. on Jan. 4 in the town hall. Being timed for morning instead of evening as is now usual, the attendance was not very large. Chairman Herb Alton of the trustees board called the meeting to order. C. E. Rideout, being elected chairman, the secretary read the minutes of special meeting on June 22, 1923, at which Herb Alton was elected trustee to fill the unexpired term of G. Bert Nixon, who had resigned on account of moving to another district. This matter approved, a full report of business for the year 1922-23 was presented by the secretary together with a statement to date regarding the sale of the bonds and financial matters in connection with the new school building. As regards the first item a partial and incomplete report had been given to the trustees meeting last July and on account of the continued over supply of work in connection with the new building and sale of bonds together with the rapidly increasing requirements of a school which has had an increase of pupils from about 150 to 225, in the teaching staff from 4 to 7, and in the expenses from \$5500 to \$9000 in the last three years, a complete statement could not be got ready for the auditor until the present time. The balance on hand now stands at \$197.10, besides a considerable amount of delinquent taxes. Of the issue of \$40,000 bonds at 5 1/4 per cent payable half-yearly in April and October, but \$12,500 remain on hand and will be taken up in about 15 days. Close to \$40,000 had been paid out on the various contracts and other sundry expenses. It was noted with much satisfaction that the district was now getting eight class rooms instead of seven, owing to a slight change in the plan of the upper storey suggested by the secretary and approved by the Inspector. The work is progressing very well, nothing being about time and plastering soon to begin. All parts of the building are wired for electric light, a practical and efficient callbell system will be put in and the boiler and furnace are now ready to supply whatever amount of heat is required to carry on throughout the winter.

Auditor R. B. Hagerman stated that every thing had checked up O. K. but that he would like to have further statements submitted as regards the assessments and delinquents. It was agreed that work should be completed and the reports published in the Observer, the matter to be finally dealt with at the next annual meeting.

Chairman Rideout then pointed out that since the annual meeting a new room had been erected, with another teacher in charge which would cost at least \$800 and a half-year payment of \$1650 bond interest would fall due in April. No vote had been made to cover these items therefore authority had been obtained from the Chief Superintendent through the Inspector to call the meeting to vote further money. In addition to the \$6800 already granted. The secretary had estimated that \$2200 would at least be necessary. The required motion was promptly made, seconded and passed after some little discussion. The auditor suggested that the secretary should be supplied with a new set of books which matter the secretary and auditor will take up in a short time. The meeting then adjourned.

"GET RIGHT WITH GOD"

Revival Services Continue

"For the Son of Man is come to seek and to save that which was lost." In such language our Lord summed up the purpose of his coming to this

world. This purpose he has passed on to his church, and the church is fulfilling her mission only when she is busy seeking to save the lost. This is in argument for this special revival effort in which the Hartland United Baptist church is now engaged. This special work began last Sunday night and already a marked interest is being manifested in the meetings. The attendance has been good, and the spirit of the meetings delightfully helpful. A special feature of the services is the singing conducted by Mrs. G. E. Knight whose bass voice has delighted the audience. Mr. Knight has had years of experience in gospel singing and evangelistic work, and already he has won the hearts of the people. Mr. Knight will preach on Friday night. Don't fail to hear him. We desire to do all the good we can to all the people we can. Will you help us realize this worthy end?

LAST MEETING OF OLD COUNCIL

Many Attend to Hear Account of the
Business of Town for 1923—Mayor
Heartily Endorsed

(Reported by J. Strirling King)

St. John has made a unique bid for recognition with her famous "quadruplets." Woodstock has pulled herself into a place in the town by her timely "recovery" letter in the press. But Hartland comes along in her usual modest fashion and claims at least a passing attention to her method of furnishing herself annually with Mayor and Town Council. Since incorporation some four or five years ago the people have never had a chance to pick and choose by the usual election process. So, very little surprise was manifested by the large gathering of ratepayers at the town hall on the evening of Jan. 7, who had come to listen to the 1923 Mayor and Board of Aldermen give their annual reports, to hear M. L. Hayward make a motion toward the close of the proceedings, which had passed along very smoothly and harmoniously, due permission having been obtained from His Worship Mayor McFarland, at a time when the meeting had been thrown open to citizens for discussion and criticism, a motion quickly seconded and unanimously passed by a standing vote of the very representative body of electors (and here we are at last with the kernel of the matter) "that this assembly of owners tender their worship with a very hearty invitation to accept the chair for another term." And although Mayor McFarland was somewhat surprised at the turn of events and asked for a little time to consider the matter we can consider that part of the program settled and well settled for another year. Just how the other members of the council will make out do not yet appear, but it is quite safe to say that once a certain resident who has been spotted for the vacant chair in Ward Two, successfully runs the gauntlet, the first meeting will find the "gang all here."

While waiting for the appearance of "finance minister," Warren White, and Auditor R. B. Hagerman, the writer wondered what had brought this large crowd together, which gave them deepest concern of interest, the expectation of a good report of a job well done in alacrity and earnestness of purpose to serve the town satisfactorily to the best of knowledge and ability, or did they expect to have, as of some former occasions, something of a scrap. The dignified calm and composed manner of the mayor and aldermen gave one the impression of satisfaction, that everything was ready and they were prepared. And this impression grew as the proceedings went on—as the minutes were read and reports given by the chairmen of the various committees, plain, definite, comprehensive, complete. The mayor spoke of the sort of dread he had at first being changed into pleasure and satisfaction by reading and studying

ANDREW AITON DIED THIS MORNING

C. P. R. Pensioner—Many Years
Was Truckmaster

The death occurred at 3.30 this morning of Andrew Aiton, who had been helpless from paralysis for nearly two years. The final stroke came yesterday afternoon and he did not regain rally. Mr. Aiton is survived by his wife, five sons, David of Oxbow, Frank and Herbert of Hartland, Robert and George in the West and three daughters, Mrs. A. G. Carr of Kamloops, Mrs. B. M. Berry of Green River, and Mrs. Roy Stevens of East Florenceville.

Mr. Aiton was born in Scotland 71 years ago and came to Canada in his early youth. He joined the service of the railway when a young man. For more than 40 years he was employed on this division and was for many years section foreman. He succeeded to the position of truck master about 20 years ago and continued in office near to the time of his illness, when he was superannuated.

Mr. Aiton was a man of sterling qualities, of a high sense of honor and integrity and he held the respect of his townsmen and of the large circle of friends who knew him throughout this division of the C. P. R. The funeral will be held Friday afternoon from the house.

EAST FLORENCEVILLE WEEK OF PRAYER

Wednesday, Jan. 16, in Baptist church—Rev. H. R. Bell, leader; Rev. D. R. Chown, speaker.

Thursday, Jan. 17, in Methodist church—Rev. D. R. Chown, leader; Rev. K. M. Valls, speaker.

Friday, Jan. 18, in Baptist Church—Rev. K. M. Valls, leader; Rev. Hugh Miller and H. R. Bell, speakers.

On Sunday, Jan. 19, Rev. H. R. Bell will exchange with Rev. Hugh Miller and Rev. K. M. Valls with Rev. D. R. Chown.

Miss Katie Graham of Canterbury has arrived in town to take the position of night operator at the N. B. Telephone office in place of Miss Marion Denkin who is soon to leave for St. John.

up and training himself to grasp every phase of the business in hand. He said that besides the ordinary routine he had managed to have the stock yard removed to a distant location, to have the street widened at the depot crossing, had established a hitching yard for horses and had prevailed on the local government to wire the bridge so that now it was brightly lighted. All the reports were interesting and given a good hearing but those of the town treasurer, A. E. Plummer, chairman of the finance committee, Warren White, and Auditor R. B. Hagerman, were of outstanding merit and eagerly followed with the deepest interest and attention. The two last mentioned are young men of more than ordinary ability of whom townfolk, friends and relatives should be proud. They have given of their time and attention unceasingly and untiringly and have succeeded in putting the town's records and financial affairs, its bookkeeping and auditing systems, in such good shape that everything is shown up in proper place and order and comes out to a cent on the balance sheet.

The budget of \$10,000 had not been quite sufficient on account of unlooked for expenditures on account of the flood in the spring and the finishing of the Hillcrest sewer. The deficit of about \$600 inherited from the former council had been increased by about \$200. A \$2,000 water bond had been paid off and the town had been given a measure of electric light. Now that hydro has arrived negotiations were going on toward the establishment of a town lighting system. The Hartland Electric Co. Manager, G. F. Seeley, had offered to put in a certain mileage of wire with a certain number of lamps hung from pole cross arms and fitted with time clock for \$1150. The town had offered \$450. The annual upkeep would figure out about \$250. During the open discussion on this matter it was brought out that it was the intention of the council to cut down on other expenditures and not materially increase the budget if the electric system was gone on with. The sentiment of the meeting was decidedly in favor of the hydro light.

LOCAL AND PERSONAL ITEMS

"Desire," a super-production featuring Estelle Taylor and John Bowers was shown on Wednesday evening. This omnipresent passion of human nature was given full play, both in its legitimate place and otherwise, and painted a pretty moral of the outcome of catering on every occasion to one's every desire. A Pathe weekly and a Fox comedy was also added. On Saturday evening a noteworthy recent release was shown, "Down to the Sea in Ships." The story had to do with whaling vessels, and gave a vivid portrayal of the rigors and hardships associated with the game in olden days. The story was laid in olden times, and the scenes were plainly laid around Gloucester and Provincetown in the days when a fellow had to be a whaler to be a real man. Many hazardous close-ups were shown of the hunt. Such as towing through wild waters of three whaling dories by a wounded monster for hours. A close up of a whole school of whales was shown, as well as the rendering of the dead leviathan, and the hoisting abroad piecemeal. A Fox comedy was also shown. See the usual advertising columns for this week's bills.

A joint watch night service was held on New Year's eve by the Baptist and Methodist denominations in the Baptist church. Rev. Hugh Miller preached and even those who stayed at home were warned of the advent of the New Year by the ringing of the "Happy Bells across the Snow."

For the next two weeks joint services will be held in the Baptist and Methodist churches here and at Florenceville, by the four ministers in charge of these denominations. The public are cordially invited to any or all of these services.

The first ice meet of the season was staged on Saturday afternoon. Enthusiasts had lent their labors on the previous day for the preparation of a beautiful quarter-mile. Owing to lack of advertising the day only drew three eligible starters—Peggy Burns owned by Everett Hoyt, Arlene by Harry Good of Bridgewater, and Dawn by Eric Brown. The former won the race in straight heats in 33, 32 and 31 seconds respectively. A second meet will be pulled on Saturday, Jan. 12, and all outside horses will be welcomed to participate by the management.

Mr. and Mrs. J. C. Stevens and Mrs. Alice Hoyt of Edmundston were the week-end guests of Mr. and Mrs. S. W. Burt.

D. H. Burt and W. J. Weade left on Monday for Boston where they will spend the winter months.

Mrs. Scovmand and Miss Mary Harlow were visitors with Dr. and Mrs. G. J. Burt at Fort Fairfield last week.

Engineer Doughty and a crew of linemen from Presque Isle began work here Monday to put the finishing touches on the new power line locally, by the installation of the new transformers. Meters are being installed in all the houses and places of business this week.

Roy Huggard has returned to St. John after a holiday here.

School opened again this week with the same staff of teachers in charge—Mr. Douglas of Petitcodiac, principal, and Miss Beatrice Reid of Centreville, primary.

G. F. Briggs is still on the sick list from injuries sustained last fall in an automobile accident.

Miss Frances Simonson, returned on Saturday to Boston after two weeks vacation with her brother, J. H. Simonson.

Mrs. Alice McCall has returned to Boston after a Christmas visit with her parents, Mr. and Mrs. Charles Wilkinson.

While on a visit with her daughter, Mrs. G. H. Page, at Tracey Mills, Mrs. Emmeline Webb, a life long resident of Centreville, passed peacefully into rest on Saturday evening. The lady who was upwards of eighty years of age, was formerly Miss Burt of Jacksonstown, and came to Centreville as a young woman with her husband, the late Wilmot J. Webb, who died some years ago, since which time she has made her home with her son Ward B. Webb. Mrs. Webb was exceptionally active both mentally and physically for a person of advanced years, and her passing will be a surprise to many friends. She leaves to mourn, a son Ward B. Webb, a daughter Mrs. Granville H. Page, four grandchildren and two brothers, Wilmot Burt of Woodstock and Fraser Burt of Jacksonstown. Funeral services will be held on Tuesday at the Baptist church, Centreville.

Harry, son of Mr. and Mrs. Thomas Graham of Royalton, passed away on Saturday evening at the home of his parents, following an operation for appendicitis at the early age of 19 years. Burial took place on Sunday afternoon in the family lot at Tracey Mills, and a memorial service will be held on Tuesday afternoon in the church there.

Thomas Coleridge, D. M., Robert Gillis, Chap. J. A. Watters, Rec. Sec., Harry F. Lifford, Fin. Sec., Eldon Watters, Treas., Henry Wilson, D. C., Daniel Campbell, Lecturer, Triss Campbell.

There's a Clever Bit of Quality in This Little Piece of Rubber

It's only a nipple—but it's lively, pure, fresh and clean rubber; and it is a serviceable, advantageous need wherever there is a baby. It is fully illustrative of the quality of rubber we sell, little pieces and big pieces for simple needs or surgical requirements.

The Bigger They Are the More Worthy the Grade

The larger pieces—Hot Water Bottles, Fountain Syringes, Tubes, etc. The bigger they are the more worthy the grade. In the big useable items there must be quality or there is no wear.

You will always find quality rubber here and at the lowest prices.

Have you heard about Peps? Peps is a scientific preparation put up in pastille form, which provides an entirely new and effective treatment for coughs, colds, chest and throat troubles. Peps contains certain medicinal ingredients, which, when placed upon the tongue, immediately turn into vapor, and are breathed down the air passages to the lungs. On their journey, they soothe the inflamed and irritated membranes of the bronchial tubes, the delicate walls of the air passages, and finally enter and carry relief and healing to the lungs. While no liquid or solid can get to the lungs and air passages, these Peps fumes get there direct, and healing commences.

FRED H. STEVENA, Editor and Manager,
HARTLAND, NEW BRUNSWICK.

HARTLAND, N. B., JAN. 9, 1924.

During the past two or three weeks Carleton county is again flooded with thousands of expensive mail order catalogues, sent with the sure knowledge that this clever form of advertising will lure away the spare dollars that should be spent with the home merchants. The only way to counteract the pernicious "sending away habit" is to offer equal values and present your offers invitingly before the people. The Observer is offering its services to fight to a finish the mail order evil in consideration that it receives the co-operation of the county merchants. The proposition has been put up to 40 merchants in the strongest language that could be found. Of this number six very quickly saw the point and gladly embraced the opportunity for co-operation, but 34 others showed absolute indifference. Wonder if indifference is really their attitude toward the mail order menace?

If you are a merchant and run an ad this week and none next, appearing before the public only spasmodically, you are not far different from the merchant who will close his door and go fishing right in the busy season. The time when advertising best pays is in times of depression. It is then that the buyers need urging and encouragement. Most merchants hereabout are complaining of dull trade and a scarcity of cash, but as sure as the snow crop in New Brunswick, it is a fact that people always strain the point and respond to real bargain offers. Every store has bargains that the trading public knows not of, but you may stock your store with the very best goods and sell very little, if your selling effort consists only of sitting behind the counter waiting for customers. Be guided by your own business sense and prepare each week a persuasive selling ad that will carry a strong appeal to the thousands of Carleton county homes in which The Observer is a weekly visitor.

Treat Sore Throat With Vicks

Follow the Example of This Nova Scotia Lady

Mrs. F. S. Myra, of Bridgewater, Nova Scotia, writes: "I am delighted to let you know of the good Vicks VapoRub has done me. A few weeks ago I had a very bad sore throat. I happened to have a sample of Vicks in the house, so I used it, and it did my throat so much good that I bought a bottle from my druggist. I cannot praise Vicks VapoRub too highly."

Treat one cold with Vicks VapoRub and you will adopt this external treatment for all the cold troubles of the family. Vicks is a salve that acts like a plaster and a vapor lamp at the same time. It is absorbed and inhaled.

When the children come in wet and sniffling, apply Vicks liberally over throat and chest and cover with a warm flannel cloth.

Treated at bedtime, the child is usually better next morning and all the bad after-effects of internal dosing are avoided. Croup attacks are kept away, too.

At all drug stores, 50c a jar. For a free test size package, write Vicks Chemical Co., 344 St. Paul st., W., Montreal, P. Q.

Though Vicks is new in Canada it has a remarkable sale in the States. Over 17 million jars used yearly.

PRODUCE PRICES

That it pays to raise certified seed potatoes is shown by the fact that at the present time dealers are paying \$3.00 per barrel for certified Cobblers and \$2.00 per barrel for certified Mountains, and only \$1.50 for the ordinary stock. The cost of raising certified stock is very little more than for that which will not pass inspection, the difference in the cost being the purchase of proper seed and greater care in the growing. But the difference is hardly a consideration as to cost while the selling price may be doubled. At the present time there is a demand for five carloads of seed stock where only one is available.

Today dealers are paying for hay \$9.00 to \$10.00; for oats, 40c; for eggs, 40c; for butter 35c.

TOWN ELECTIONS

There is a likelihood that a town election will be held. The old Board, with one exception, will offer for reelection. A. Y. Dickinson will be a candidate in place of G. Murray McLeod, who is absent from town. The Observer has yet to hear any criticism of the 1923 council and all with whom he has discussed the matter, are free in expressing their approval of the Mayor's stewardship. The name of J. S. Faulkner is mentioned as a candidate.

date for the majority, and for new aldermen, L. A. J. Ward in McMullin Ward and L. R. Rigby in Goodwin Ward have been suggested. It is generally thought that there should be a contest, chiefly for creating a greater interest in the town's welfare among the rate payers in general; and that the Board would be given greater strength if it were elected by the choice of the people rather than salaried office through the peoples' indifference as to what may happen or who may govern the town. Nominations will be received by the polling clerk up to 6 p.m. on Friday and the poles will be open from 10 a.m. to 4 p.m. on Monday, January 14. If there are more than one candidate for mayor or six candidates for aldermen, there will be no election.

The RENFREW ACORN A HANDSOME RANGE

Is a dependable, sturdy and large steel range designed and built for farm kitchen use and sold to you under an unconditional guarantee.

There are no cold corners in the Renfrew Acorn oven. It turns out light, flaky pastry and perfectly baked bread, because the oven and heated air circulation controls are constructed along scientific principles.

The drafts are so sensitive, its heat so steady and so manageable and ventilation so uniform and positive that baking day troubles are a myth to a woman who owns a Renfrew Acorn range.

In design the Renfrew Acorn is without an equal. Its plain, smooth castings with extra heavy plated trim and porcelain oven door panel combine to make a HANDSOME RANGE. No trivial and intricate ornamentation that make some ranges so hard to keep clean. The Renfrew Acorn is as easy to clean and keep clean as it is to manage.

The Renfrew Acorn with its large table top 29in. by 54in. will overcome any emergency that the housewife has to meet. Six 9 in. cooking holes or covers comprise the cooking surface which with the reservoir top on the same level provides ample space for every cooking utensil. This feature alone is worthy of consideration, as it makes for convenience and efficiency.

This Stove is sold with a small payment down and very liberal terms without interest on the balance.

On Saturday evening the editor sat in his sanctum, closed in by double windows—as, by the way, he has been all winter—and notwithstanding, the closest building was nearly 200 feet away, there stole into the office the sweet strains of a most delightful symphonic orchestra with a highly classical program. Among the outstanding numbers was the "Poet and Peasant" overture, which apparently pleased the direct hearers so well that it was repeated later on in the program. This musical treat was plucked from the atmosphere by H. H. Hatfield's radio set so loudly and distinctly that their neighbors did not need stir from their own firesides to hear the program. Hartland Electric Co., Ltd., have sold many radio sets in different parts of the county and they are giving finest satisfaction.

DUNSCOMBE-CHRISTIAN

Pretty wedding took place at the home of Mr. and Mrs. W. W. Davis, 73 Cohasset St., Rosindale, Mass., on Thursday evening December 20th when Mr. Davis' cousin Miss Maude B. Christian of Hartland, N. B. and Mr. Kenneth C. Duncombe of Hamilton, Bermuda, were united in marriage by Rev. M. C. Burt. Only the immediate relatives were present.

The bride wore a gown of grey canton crepe and carried a bouquet of bride's roses and sweet peas. The wedding march was played by Miss Virginia Davis. The home was prettily decorated with Christmas green and holly. After refreshments were served the happy couple left for a short wedding trip. Mr. and Mrs. Duncombe will reside in Rosindale.

MRS. MOSES PROSSER

The death of Mrs. Moses Prosser took place at her home on Tuesday morning, Dec. 11, after an illness of fifteen months in bed which she bore with patience and Christian faith and

always had a smile and pleasant word for everybody. She leaves to mourn, her husband, four daughters and two sons, and father, three brothers and two sisters and four grand-children and many other relatives. The funeral service was conducted by the Rev. E. W. Lester, who spoke from Rev. 2:10—"Be thou faithful unto death."

She has crossed the shining river And has gained that radiant shore Where no heart with grief can quiver And all parting scenes are o'er; She has met the dear departed And has heard the welcome home, By the true and tender hearted That before her hence had flown. (Insertion paid for).

SAYS HIS WIFE THREATENED HIM

Former Andover Man Brings Suit to Recover His Farm

Fredericton, Jan. 2.—In the Chancery Court today, before Sir J. D. Hazen, the case of Simon Ayers, a resident of Fort Fairfield, Me., seeking a declaration for the restoration to him of a farming property, near Andover, at present occupied by his wife, Leona Ayers, was commenced.

The plaintiff claims that the property is held by the wife in trust for him and his children, and that he was forced to vacate the house by his wife, who, he says, ordered him off the place, threatening to poison him if he did not.

The plaintiff sets up that the property was bought for some \$300 and deeded to his wife under a verbal agreement that it was to be held in trust. Since the purchase of the property, he claims to have erected a building on the farm, thus increasing the property value to approximately \$3,000. A man named Baker, residing with his wife, is also alleged to have been implicated in the acts which forced him to vacate his home. W. P. Jones, K. C., appeared for the plaintiff.

The defence claims that the property was not conveyed in trust and that the defendant secured an interest in the property through a part of the purchase price paid by her and her sons.

A general denial of the claims of the plaintiff is also set forth in the defence in which it is stated that the plaintiff left home against the wishes of the defendant. The present value of the property is also disputed, the defence claiming that an old building had been repaired and not a new one built, as would appear from the plain-

tiff's statement of fact. R. B. Hanson, K. C., is appearing for the defence. Baker is named as a boarder, he being a neighboring farmer.

One other suit is entered on the docket, that of J. T. Harper, plaintiff, vs. Thomas Dawson and Christine S. Potter, a Northumberland county suit.

GRANT AND LEWIN DECLARED GUILTY

Both Sentenced to Penitentiary—Respondents Appeal From Verdict and Are Released on Bail

Bangor, Me., Jan. 1.—Edmund W. Grant, of Houlton, sheriff of Aroostook county, and Attorney W. S. Lewin, also of Houlton, two of the defendants in the so-called Aroostook-New Brunswick rum running conspiracy cases, did not have a happy New Year. This morning both were found guilty after 10½ hours' deliberation by the jury in the United States District Court for northern Maine. Judge Peters sentenced the respondents to serve two years each in the federal penitentiary at Atlanta, Ga. Exceptions were filed and the cases will go to the United States Circuit Court of Appeals. Sheriff Grant and Mr. Lewin were permitted their liberty under heavy bonds.

The evidence in the trial, which brought out the methods of the so-called rum ring, with its many ramifications, surprised the people of Maine and New Brunswick. Several former residents of New Brunswick were concerned in the case. Witnesses testified that Woodstock and other places in Carleton county were sources of supply. One of the alleged ring found things so warm for his business in Aroostook that he took up his residence in Fredericton.

At yesterday's session of court Frederick W. Hinckley, of Portland, counsel for Mr. Lewin, argued for his client, Attorney Herbert T. Powers having delivered his argument for Sheriff Grant on Saturday.

Mr. Hinckley said he had not come here for the purpose of assisting the rum business. He never had and never will. "I come here as a friend of Mr. Lewin first, and because 30,000 people of Maine have honored him." The attorney referred scathingly to the character of the testimony presented by the government—testimony from bootleggers and rum sellers.

Mr. Hinckley ridiculed the claim that the government had found that Grant deposited \$1,000 more than his salary showed, when it was shown that the sheriff received less at the jail in the regular course of his duty, the only place where fines can be paid after a prisoner is committed. The sheriff turns the money over to the county commissioners. It wouldn't take long to collect \$1,000.

Continuing Mr. Hinckley said, "Who is the king-pin of the government case? If he falls the Government's

FIVE YEARS' AGONY ENDED

When He Took "Fruit-a-lives" For Rheumatism

The Medicine Made From Fruit "Fruit-a-lives" is the long sought remedy for Rheumatism and Lumbago. From all over Canada come letters testifying to this fact.

Mr. John E. Gullison, of Parryboro, N.S. writes: "I suffered badly with Rheumatism for five years—tried different medicines—was treated by doctors in Amherst—and here at home—but the Rheumatism came back."

"In 1918, I saw an advertisement for 'Fruit-a-lives' and took a box and got relief, so I took them for about six months and the Rheumatism was all gone and I have never felt since."

Box, a box, 6 for \$2.50, trial size 25c. At dealers or from Fruit-a-lives Limited, Ottawa, Ont.

case falls. This man, Charles Calvin, the bootlegger, the law breaker of Aroostook county! He is the man you've got to believe. This brainy man who practiced his business all these years and was cunning enough to evade jail until Sheriff Grant put him there! This man Calvin, resourceful, cunning; this man who "went to jail to please Grant! This man Calvin, who has never done anything in twenty years except to please Calvin! This man Calvin, who went to jail and served a full term!

"Last spring Charles Smith, Calvin's head man, also goes to jail. At the April term of court, while paying money to the sheriff, according to his evidence, Calvin was indicted and he skipped over to New Brunswick. Because he was a friend of the sheriff. No, because he was in fear of the sheriff!

"Calvin says he paid \$150 a month in January and continued to pay until May, and this is important. Calvin claimed there was a new agreement in May, when he paid \$1,000. Calvin says he gave Grant money to buy an automobile in May, but you find from the evidence that the automobile was bought on the 5th day of April. That isn't all, Calvin says he kept on paying and went to Lewin in the summer of 1921 and made a new arrangement for paying \$625 a month! Could any man afford to pay \$625 a month up there in Houlton? Ridiculous!

"If Calvin's story was true he would have had to sell nearly 4,000 quarts of whiskey at a profit of \$2 a bottle, which he says he made, to just pay Lewin!"

District Attorney Dyer also scored Calvin, but maintained that his evidence against Sheriff Grant and Lewin was mainly true.

The jury retired at 3 p.m.

GRAND FALLS

New Years Day passed very quietly giving almost our first taste of real winter, as the wind blew and snow drifted all day.

Watch night service was held in All Saints church on New Year's Eve. Rev. J. K. King returned to Hartland on Friday after spending Christmas with Mrs. King and Dr. and Mrs. L. Chapman.

On Friday evening Mrs. A. J. Patstone entertained several young people for the pleasure of her sons, Theodore and Cyril, when a very pleasant evening was spent in music and games. Mrs. Patstone was assisted in serving lunch by Mrs. H. B. Wiley and Misses Marjorie Wiley, Emily Estey, Grace O'Regan, Vella Merritt, Viva Merritt, Marion White, Elizabeth McLeod, Margaret Hennigan, Ruby White, Jane Pirie, Messrs. Gerald Olmstead, Burton Olmstead, Stanley Chapman, Gordon Fancy, Allen Estey, Wilfred Carroll, Jack Puddington, Arnold Burgess, Donald Wiley, Ned Carrier.

On Monday afternoon a party and Christmas tree were given for the Anglican children at Limestone St. when about twenty children enjoyed the treat and received gifts.

Paul Lewis of Perth is the guest of Gerald and Burton Olmstead.

Mr. and Mrs. W. H. Graham and Mrs. C. C. White were called to Royalton, on Saturday, on account of the illness of their nephew, Harry Graham.

Miss Mary Chapman is in St. Stephen the guest of Mr. and Mrs. G. P. Fraser.

On New Year's Eve Mrs. W. B. Estey entertained for the pleasure of her daughter, Miss Emily, when a very pleasant evening was spent and a delicious lunch enjoyed. The guests were Misses Vella Merritt, Jane Pirie, Grace Kirkpatrick, Margaret Hennigan, Ruby White, Elizabeth McLeod, Gertrude Glenn, Marjorie Wiley, Margaret Taylor, Marjorie White, Messrs. Paul Lewis (Perth), Gerald Olmstead, Burton Olmstead, Jack Puddington, Stanley Chapman, Reginald Chapman, Ross Glenn, Theodore Patstone, Ralph Kirkpatrick, Gordon Fancy, Allen Estey.

Here and There

In appreciation of its wonderful exhibit at the Toronto Exhibition this year, the Canadian Pacific Railway has been awarded a special medal.

The Prince of Wales Ranch at High River, Alberta, contributed the highest priced bull at a recent fall sale in Calgary, Princeton Crusader, which fetched \$285.

Canadian wheat exports for the twelve months ending September 30th, 1923, amounted to 225,747,501 bushels, valued at \$258,445,810, while for the twelve months ending September, 1922, they were 160,637,898 bushels, valued at \$194,577,125, according to a report of the Dominion Bureau of Statistics.

Exports of bacon from Canada to Great Britain increased almost 3,000,000 pounds during the first nine months of the current calendar year. For this period, during 1923, there were 70,288,000 pounds of Canadian bacon shipped to the British market, while this year the corresponding figure rose to 73,934,000 pounds.

The value of the asbestos exports of Canada for the 12 months ended August, 1923, according to the Dominion Bureau of Statistics, exceeded the value of those of the previous year by nearly \$3,000,000. These exports for the last year amounted to \$92,348 tons, valued at \$2,776,249, compared with 123,785 tons, valued at \$5,404,551 in 1922.

The first consignment of 1,000 pounds of British Columbia Douglas fir seeds has been shipped to the British Forestry Commission, London, by the Dominion Forestry Branch, from its plant at New Westminster, British Columbia. The seeds were extracted from the cones recently gathered in the Fraser Valley district.

The year 1923 will see a new record in Alberta coal production. It is expected the total production for the year will reach 7,000,000 tons, a comparison with last year's 5,000,000 tons. The production up to November 1st is 1,500,000 tons greater than the production for the same period last year. The record production previously was in 1920, when 5,400,000 tons were produced. The payroll this year is expected to exceed \$15,000,000.

Great interest is being manifested in the International Dog Derby to be run at Quebec during the Winter Carnival, February 21st, 22nd and 23rd, 1924. The race is for teams of huskies driven by Indians, trappers, traders, mail carriers and others. At present ten entries have been received and others are expected from the north shore of the St. Lawrence and from the Abitibi mining district. As navigation will soon close, it will be necessary for entries from the latter district to travel 400 miles to reach Quebec. About five American teams will probably take part, their object being to regain the gold cup for the United States.

What might have resulted in a very serious train wreck was avoided in the nick of time on the Canadian Pacific Railway near Sound, a subdivision, by section foreman Conzani, who while patrolling the track near Brignal recently discovered two large iron nuts on top of the rails, securely fastened with hay wire. The foreman had just time to unfasten the wire and remove the nuts to clear the track for a train was due in five minutes. Two boys in the vicinity admitted, after questioning, that they wired the nuts to the rails. They were sentenced to the local shelter for one month and their fathers were required to give bond and report to the authorities for two years.

Evidence given by farmers before the U. S. Tariff Commission showed that under American railway rates a bushel of wheat could be hauled only 25 miles for one cent, while under Canadian rates the same amount of money would move the same amount of grain 60 miles. American farmers claim that this is a saving in favor of the Canadian producer of 44 per cent, or about 8 cents a bushel. The reason given for the difference is that in the United States grain rates are based on cost of moving it to-day, while in Canada they are based on 1937 costs, when the "Crow's Nest" Pass agreement was made between the Government and the Canadian Pacific.

CARD OF THANKS

Moses Prosser of Waterville and family wish to thank their many friends for their kindness shown to them during the sickness and death of wife and mother.

BANGOR & AROOSTOOK RAILROAD COMPANY

Up to December 1, 1923, for this season, the Bangor & Aroostook Railroad Company has handled 16,332 cars potatoes, 19,115 cars were delivered to our connections either the same day they left the shipping point or the next day after, this being practically 95 per cent of the total number of carloads delivered to our connections within two days.

I believe this is a remarkable record, and would be interesting to our shippers to know that we are making such good time with their freight.

PERTH-ANDOVER BASKETBALL CLUB ORGANIZED

The Perth-Andover Basketball Club was organized last week by the young men of the village. Quite a number of players, old, middle aged and young have started turning out for nightly practices at the Specialty Theatre and it is certain that a strong team will be picked from amongst them which will invade Woodstock, Fredericton, the Border towns and possibly St. John and leave behind them a defeated quietude at each place. Norval and Wilfred McPhail, Lewis, Riddle, Dionne, Bell, Sadler and Mooney are seasoned players who will form the nucleus of the team and the younger men like Wright, Craig, Mavor and others are going great guns.

At the organization meeting Wilfred McPhail was elected manager, while Stephen Mooney is to act as Secretary Treasurer and look after the finances.

This Club is certainly a move in the right direction. It provides a pleasant means of recreation for the younger generation and should receive enthusiastic backing from everyone in these two villages. Clean sports is so essential to a community that towns like St. John have their Board of Trade itself behind any good sporting movement. Let's all boost our Basketball team.—Victoria News.

WEAK, RUN DOWN AND AILING

Lydia E. Pinkham's Vegetable Compound Brought Relief When Other Medicines Failed

Port Mann, B. C.—"I took Lydia E. Pinkham's Vegetable Compound because I was tired and run down. I had headaches and no appetite and was troubled for two years with sleeplessness. I tried many medicines, but nothing did me any real good. While I was lying in bed, I was recommended by a stranger to take Lydia E. Pinkham's Vegetable Compound. I am stronger and feel fine since then and am able to do my housework. I am willing for you to use these facts as testimony."—Mrs. J. C. GRAYMAN, Port Mann, B. C.

Feels New Life and Strength
Keene, N. H.—"I was weak and run down and had backache and all sorts of troubles which women have. I found great relief when taking Lydia E. Pinkham's Vegetable Compound and now I feel new life and strength from the Vegetable Compound. I am doing all I can to advertise it."—Mrs. A. E. HARRISON, 72 Carpenter Street, Keene, N. H.

Sick and ailing women everywhere in the Dominion should try Lydia E. Pinkham's Vegetable Compound.

SEATS ELECTRIC OR GAS

A 50 w. lamp that gives an amazing brilliant soft white light, even better than gas or electricity, has been tested by the U. S. Government and 35 leading universities and found to be superior to 19 ordinary oil lamps. It burns without odor, smoke or noise—no pumping up; is simple, clean, safe. Burns 94% air and 4% common kerosene (coal oil).

The inventor, J. M. Johnson, 248 Craig St. W., Montreal, is offering to send a lamp on 10 days' FREE trial, or even to give one FREE to the first user in each locality who will help him introduce it. Also ask him to explain how you can get the agency, and without experience or money make \$250 to \$500 per month, 15-25.

Edmundston Locals

Archibald Fraser was in town last week.

Hon. J. E. Michaud went to Fredericton on Wednesday.

Miss Beth Rideout, student at the Normal School at Fredericton, is home for the vacation.

F. M. Dayton of Moncton is a visitor at the home of Mr. and Mrs. R. W. Hammond.

Miss Jean Miller who is taking a business course in Moncton is home for the Christmas vacation. She will return to Moncton shortly.

Gordon Lawson, senior student at the University of New Brunswick, is home for Christmas. He will leave for Fredericton either Saturday or Monday.

The Presbyterian Minister on Sunday night made his annual review of World Events. It is the one Sunday in the year that he preaches a long sermon. As the people were previously warned there were not many fatalities.

Kent County has shaken up the Federal Politics a little, the idea of a General Election before the end of 1934 is not an impossibility. The possibility of other Counties going as Kent County went is not an impossibility either, there may be drastic changes within a year. We have heard rumors of dissatisfaction even in Madawaska County. Politics these days is a very uncertain profession—one can never tell.

In a telegram received by our two members the Hon. J. E. Michaud and Pius Michaud, from President Thornton of the C. N. R. last week in answer to an enquiry regarding certain reports, current that the offices here in connection with the railroad were to be abolished they received the following: "Your Message 21st. Change referred to thereon not contemplated. H. W. Thornton." We are glad to hear it.

The New Year came in like a Lion alright.

James McKinley of Woodstock is visiting at the home of his son, A. S. McKinley.

Miss Jessie Anne returned to the Ladies College, Wellesley, N. S., on Wednesday morning via the C. N. R.

Miss Viva Armbruster went to Woodstock on Wednesday to undergo an operation for appendicitis. Mr. Armbruster accompanied her.

Mr. and Mrs. R. B. Owens spent the

Holidays in Woodstock, afterwards Mrs. Owens went to St. Andrews for a day or two returning on Thursday.

Miss LeBlanc who is doing such good work in the Province under the Government in the line of Domestic Sciences has been in Madawaska County for the past week or two.

This is the first week after Christmas—the week the toys are mended, the Christmas tree thrown out, and a gradual getting back to normalcy. Next week is the week the toys are thrown away, the children return to school, the band play in their beautiful band house opposite our beautiful post office, dump more Chlorine in the waters of the Madawaska for us to drink, and behold the normal has become an accomplished fact once more.

Mrs. Nap. Levesseur wishes on behalf of the W. B. A. to thank all those who helped to make the Christmas Tree a success, especially Santa Claus. Mrs. Levesseur telephoned to the Observer asking that the above be given space in our issue of this week. We are sure that the people of Edmundston however, should return thanks to the W. B. A. and to its Secretary, Mrs. Levesseur. The real work and anxiety and strain was upon them, and any little part the people had in it was a pleasure. As for Santa Claus, well we know M—, I mean we know Old Nicholas. Any way next year another visit from the old man.

SEDELL-MCKENZIE

On New Year's morning at ten o'clock a wedding of local interest was solemnized in Trinity church when Miss Annie Sedell, youngest daughter of Mrs. John Sedell, became the bride of Mr. George McKenzie. The ceremony was performed by Rev. N. Franchetti, of Edmundston, assisted by Rev. J. Reese Jones. During the service Mrs. William Hoyt played softly on the organ. The Christmas decorations made a fitting setting for the event which was witnessed by immediate relatives as well as many guests. The bride who was attended by her niece, Miss Laura Wright, wore a suit of navy bolivia cloth with grey squirrel trimming and grey hat with long navy plume and carried a shower bouquet of pink roses. Miss Wright looked very attractive in a gown of black velvet trimmed with black fur and hat of coral velvet with black velvet streamers and carried a bouquet of coral carnations. The flower girl, little Miss Ruth Wright, looked very dainty in rose tulle with rose poke

bonnet. The groom was supported by Mr. Raymond Wright. The bride was given away by her brother, Mr. Percy Murphy. During the signing of the register, Miss Anderson of Fredericton sang very sweetly "Oh Promise Me." After the ceremony a reception was held at the home of the bride's sister, Mrs. Murphy Wright. The bride and groom left on the afternoon express on a trip to Montreal and other Canadian cities, followed by the good wishes of many friends. Mr. and Mrs. McKenzie will reside in Woodstock. Among the out of town guests were the groom's parents, Mr. and Mrs. McKenzie of Sackville; Miss Anderson of Fredericton and Mrs. Basil Green, of Birch Ridge.—Victoria News.

OBITUARY

Possibly the oldest person on the Tobique passed away on Saturday morning at the home of Ray Ross, Riley Brook, in the person of Mrs. Jessie Vanderbeck.

The deceased was 86 years of age or thereabout. She had always enjoyed good health and was only confined to her room for a short time.

She was anxious for the summons to come and seemingly did not want to linger unnecessarily long to be a burden. She died happily trusting in her Lord. A very fine spirit was shown by both relatives and friends who so kindly administered to her wants during her illness. She lacked for nothing that kind hands could do. The way the remains were prepared for burial, the beautiful casket, wreath of flowers, all are tokens of a very fine spirit shown by relatives and friends in the community.

The funeral services were conducted on Sunday, December 30, at the home in which she died. Licentiate H. A. Sipprell spoke from the words "Set thine house in order, for thou shalt die and not live."—Isa. 38: 1. The large number who gathered to pay the last tribute of respect, show the good will they had for the departed.

JONES-DUNPHY

A very quiet but pretty wedding was solemnized at the home of the bride's parents, Mr. and Mrs. N. A. Dunphy, Douglas, York county, when their daughter, Mabel Gertrude was united in marriage to William G. Jones of Cloverdale. The bride was beautifully attired in blue silk velvet streamers and carried a bouquet of coral carnations. The flower girl, little Miss Ruth Wright, looked very dainty in rose tulle with rose poke

Price Changes of Dr. Chase's Medicines

By increasing the contents of the boxes the cost to the user remains unchanged

THIS revision of prices affects only three of Dr. Chase's Medicines—the Kidney-Liver Pills, Nerve Food and Catarrh Powder.

In spite of the constantly increasing cost of doing business ever since Dr. Chase's Medicines were placed on the market many years ago there has been no change in the prices of these three medicines to the consumer.

It has now become absolutely necessary to make some changes, but this has been worked out in such a way that the cost to the user remains the same.

The slogan for Dr. Chase's Kidney-Liver Pills will therefore remain "One pill a dose—One cent a dose," for while the price will be 35 cents instead of 25,

the contents of the box will be 35 instead of 25 pills as formerly.

The same applies to Dr. Chase's Nerve Food, which will sell at 60 cents a box instead of 50 cents, since the contents of the box is now 60 pills instead of 50.

With the exception of Dr. Chase's Catarrh Powder, which is now 35 cents a box, the prices of Dr. Chase's other medicines remain unchanged.

Dr. Chase's Almanac has now been mailed and distributed to practically every home in Canada, 1,550,000 copies, if you did not receive yours kindly advise us and we shall mail you a copy free of charge. Edmanson Bates & Co., Limited, Dr. Chase Building, Toronto.

To Business Men of Carleton County

No Carleton County newspaper ever attained so great a circulation as The Observer, which goes weekly into nearly 3000 homes between Woodstock and the north county line. The circulation is 25 per cent greater than a year ago, and the rates are no higher—yet the Business Men of Hartland in particular and Carleton County in general are taking less than one-half the advertising space they formerly used. Why is this? Has The Observer ceased to function as a County Booster? Is the fault on the part of the management in anyway?

The Time to Advertise is ALL the time, but particularly when times are hard and trade dull. Buy liberal space in The Observer and breathe the breath of life—hopefulness, courage, good cheer—in your ads and the discouraged buyers of the county will waken up and become optimistic again.

Compare the columns of The Observer today with those two years ago and the conclusion may easily be drawn that BUSINESS IS DEAD IN CARLETON COUNTY, the merchants have taken cold feet, lost courage, and even ambition. YOU can't afford NOT to Advertise. People trade where they are invited to trade, as witness the tens of thousands of dollars sent in response to the cheery invitations from Toronto. Stick a pin in your self Mr. Home Merchant—see if you are really wideawake to your opportunities. Write The Observer about your advertising problems, or call and talk the matter over.

A DOCTOR IN A TIN BOX!

Sounds strange, does it not? Yet that is how Mr. J. Carlier says Zam-Buk is regarded by his family. Mr. Carlier, who is a member of the family of the late Sir George Carlier, is Justice of the Peace and Assistant Clerk of the Circuit Court, Montreal. He first discovered the wonderful power of Zam-Buk by using it for eczema, which it completely ended. Since then his family is never without it.

"Allow me to express my gratitude," he writes, "for the benefit I have derived from the use of Zam-Buk. I have proved that it is, without doubt, the finest remedy for eczema. Its general healing and curative powers are immense. We call it 'Our Family Doctor,' and are never without it."

Mothers should see that Zam-Buk is always handy, for not only does it end pain, draw out inflammation and prevent blood-poisoning, but it heals skin diseases and injuries in the shortest time possible. All dealers, 50c. box.

BATH BREEZES

On Wednesday, January 3, the ice stopped running in the St. John river at this point and to all outward appearances the natural bridge for the year 1924, connecting Bath and Wicklow, was in place for the season. And many were they who thought that a few daily and nightly calls by Dr. Jack Frost would further strengthen it and thus provide a safe passage for both teams and people. But alas, the Fates decreed otherwise! On Friday evening Jan. 4, following a fine and rather calm day the ice broke away at the mouth of the Monquart and jammed further down the river, at a point near McIntosh Bros' mill, at a point near

leaving an open stretch of water from shore to shore and thus presenting a rather summer-like appearance for a distance of approximately a mile and a half. During the night, however, the weather took a decided change. The thermometer dropping to 10 below zero, so that in the morning the river was completely frozen over, with the exception of a huge air hole, about 60 ft. in width and a mile in length. On Saturday afternoon skating was possible on this newly formed ice and many availed themselves of the opportunity. The recent snow storms, however, have terminated this sport.

Should the horse-racing fans decide to build another track this winter no better place could be found than on the above mentioned stretch, which is

as level as a floor.

Mrs. Harden Craibe is convalescing after an operation for tonsils, which was performed recently by Dr. J. B. Gallagher, specialist, of Montreal, and Dr. M. E. Commins, at Miss Lester's Private Hospital for surgical cases, Main street.

A party of the younger set attended a dance which was held in Johnville last Friday evening. All report that a most enjoyable evening was spent.

Chas. Gallagher has returned from a business trip to Montreal.

S. McDonald, Manager of Bank of Nova Scotia, was a week-end visitor in Perth.

Mrs. Matthew Gallagher is in St. John on a visit to her mother, Mrs. Doherty.

Mr. Morehouse, Devon, arrived in town Friday. He has rented a flat in the Chas. Giberson building, and expects to move his family here shortly.

Mr. Morehouse is to be the representative of the Rawleigh Drug Co. for this section in future.

Messrs. Larlee and Clark, electricians, Edmundston, were callers in town on Friday and Saturday last.

Invitations have been received of a "Bachelors At Home" card party and dance, which is to be held in the S. N. Banks Hall, Bristol, on Wednesday evening, Jan. 9. There is no doubt that before this appears in print many will be rejoicing that a most enjoyable evening had been well and profitably spent.

A very large number of Normal School students and also students attending other institutions returned to their studies on Monday.

Miss Sadie McIsaac, who last year had to undergo an operation for appendicitis, thus necessitating her giving up her studies, has again returned to Normal School, followed by the best wishes of her many friends, who wish her a year of unbounded scholastic successes.

The Misses Patricia and Bernardine Zohar, Madeline and Josephine Commins returned to Mount Carmel Academy, St. John, on Monday. They were accompanied by Miss Gertrude Commins, who shall spend a short visit with friends in that city.

Messrs. Ritchie and More of the Hartland Electric Co. are busily engaged in wiring the premises of Alfred Giberson.

Messrs. Brown and Stiles are busily engaged connecting up the different buildings which are already wired with the transmission line. It is expected that the power will be turned on this end of line on Sunday next.
