The copy filmed here has been reproduced thanks to the generosity of:

Metropolitan Toronto Library
Canadian History Department

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Metropolitan Toronto Library
Canadian History Department

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

CANADIAN
COLLEGIATE INSTITUTE,
GEORGETOWN, ONT.

Wm. L. ...
SECOND TERM :

Commencing on 4th January, 1872.
Wm. L. ...

GEORGETOWN is a pleasant, prosperous and healthy Village on the "Grand Trunk," nearly midway between Guelph and Toronto. Not among the least of its advantages is the facility afforded for religious instructions—no less than seven of the leading denominations of Canada being represented.

THE INSTITUTE is an immense building, erected some fifteen years ago, containing upwards of seventy rooms, including a large number of commodious lecture and class rooms, and offering every facility for a successful Academical Institution. It is pleasingly situated on the outskirts of the Village, and scarcely two minutes' walk from the Station.

THE PRINCIPALS have had a lengthened experience in some of the best Schools of Wellington and Peel, and have met with a flattering degree of success in the different departments of their work. That they are in earnest in their undertaking will be apparent from the fact that they have given up good positions to enter upon it. This step they have been induced to take from the simple fact that the country really wants a School in which the instruction will be of a *practical* nature, and in which each student may have the privilege of selecting those subjects which will best serve his purpose. The support already accorded us, and the marked success attending our first efforts, justify us in pressing our claims upon public notice.

THE COURSE OF INSTRUCTION is varied to meet the requirements of all. Teachers will be prepared for any or all of the various ex-

aminations they are now *compelled* to pass, and in the whole of their work will have the active assistance and sympathy of the Principals—whether that work consist in “brushing up” for entrance to the “Normal” or in obtaining *any* certificate at the County Board. STUDENTS who desire to matriculate at any Canadian or American College or University will receive all the attention and care necessary to enable them to enter with honor and credit. The Subscribers have for a number of years, when their advantages were much less than at present, sent out candidates who have obtained the highest grade of certificates as Teachers, and who have taken a high stand in our Universities.

PARTIES desirous of a BUSINESS or LIBERAL EDUCATION may rely upon receiving it: as a thoroughly practical turn is given to the teaching of Book-keeping, Penmanship, Commercial Law and Phonography in all their ramifications; and as Vocal and Instrumental Music, French, German and other fancy or ornamental branches occupy that space and attention which their importance demands. A practical and thorough Teacher, who has had seven years' experience in London, England, takes charge of the Music Department.

PHONOGRAPHY or “Short-hand Writing,” which is fast rising into an element of a First-class Education, is a novel feature. The system adopted is that of Graham, the one almost entirely used in North America, and one by which the *most rapid* speaker can be easily and accurately reported.

Neither expense nor effort will be spared in making this Institution take rank as one of the first preparatory Schools in the Province, and in rendering it an Academy where a cheap, good and practical education may be obtained.

TEXT-BOOKS.—Teachers or Candidates for matriculation use the books from which they will be examined. The latest and most approved Hand-Books on other subjects will be pressed into service by the Principals or by the Pupils when necessary. There will be no *slavish* adherence to “What is in the Book:” information will be collected from various sources and presented to the pupil either by lecture or by black-board illustration. In certain subjects (as Book-keeping,) the pupil requires no text-book.

THE DISCIPLINE will be firm and courteous, and amongst the Students the principles of true and generous respect for one another and for all that is good and honorable will be inculcated and maintained.

BOARDERS will be made to feel that they are at home, and will meet with all the necessary encouragement and assistance they may

require in the prosecution of their studies. Parents or Guardians may rest assured that the utmost care and watchfulness will be exercised over the morals and good behaviour of the pupils. Nothing approaching rudeness, unmanly conduct, or viciousness will be tolerated for a moment.
