Technical and Bibliographic Notes/Notes techniques et bibliographiques

The Institute has attempted to obtain the best original copy available for filming. Features of this copy which may be bibliographically unique, which may alter any of the images in the reproduction, or which may significantly change the usual method of filming, are checked below.

L'Institut a microfilmé le meilleur exemplaire qu'il lui a été possible de se procurer. Les détails de cet exemplaire qui sont peut-être uniques du point de vue bibliographique, qui peuvent modifier une image reproduite, ou qui peuvent exiger une modification dans la méthode normale de filmage sont indiqués ci-dessous.

The copy filmed here has been reproduced thanks to the generosity of:

Library Division
Provincial Archives of British Columbia

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \longrightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Library Division
Provincial Archives of British Columbia

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \longrightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

"FORWARD, NOT BACKWARD"

"UPWARD, NOT DOWNWARD"

IS THE MOTTO OF

H. FREEMAN

THE WORKINGMEN'S FRIEND

We print upon our Excelsior Banner and Sign "Cash Down." Those who differ with us belong to a race of the past, we of this. To equal our rivals is not our intention, but to turn out better goods from 20 to 50 per cent. lower than any other store in Victoria is our ambition, and to accomplish this we have spared neither time, money nor brains. Judge him by his past. Well, it was time that some one commenced to sell good, at prices with little respect to decency. This remark can be heard in our store almost any hour in the day. The past record of the Victoria merchants cannot be wiped out with hypocritical promises for the future. The merchants who have overcharged their patrons in the past cannot at this time plead honesty and low prices. Our low prices have and are taking effect upon those merchants who have overcharged you for years. Compare our low prices of to-day with those charged before our coming to Victoria.

We have given to this community the Largest and Most Elaborate Male Outfitting Establishment in B.C. It takes pluck and commercial ingenuity, but along with stock and hard cash must be mixed a fair share of common sense, and the genius who sees opportunity in the enterprise that staggers mediocrity will find abundant prosperity in the same field where dead lumber saw nothing but desolation. One faced and fought the possibilities and swept into the altitudes of fame and wealth. We have cash, we have pluck, the ability and the commercial integrity with which to win. We have the pluck, the drive and the push. In all our dealings we are fair and square, in our commercial transactions we use the utmost candor and courtesy. We use every possible precaution to see that this ingredient permeates every fibre of our commercial make-up. The reader of this will possibly say that we are liberally educated and enjoy the happy facility of knowing how to plead our cause. We make no pretensions to word painting—our mission is simple; our intentions straightforward. We want your business strictly upon merit. We claim to be merchants of the "New School." Our business in a nut-shell is simply "Big Sales and Small Margins." As the lawyer who pleads before the jury, we would say

WE LEAVE OUR CASE IN YOUR HANDS.

Our unapproachable drives in all styles of

Clothing, Gents' Furnishing Goods, Boots and Shoes, Hats and Caps, Trunks and Valises

Are before you in plain figures.
