THE STORY

YOU will meet "Pop" Grout, father of a typical American family and head of Grout's department store in a small town. He is a lovely character fond of his wife and children, too busy paying their bills to see that they are growing apart from him and seeking grand manners while he remains a simple home loving man.

His daughter Mab falls in love with one of his clerks, Beth Smith, and the rest of the snobbish family is dead set against the match. All except dear old Pop, who remembers that his society-loving wife once wore gingham. He sighs for those days when they were poorer—and happier.

The demands of his family almost bankrupt Pop Grout. He doesn't get much attention from the children but he plods on loyally, wearily, eager to give them what they desire. His shabby clothes are a contrast to their finery. They criticize his economies.

And then their fine bubble bursts. Pop breaks down under the strain. Their hearts smite them for their injustice to this good man. They keep vigil at his bedside. All the old family affection comes flooding back to their hearts. And Pop, a hero in his fashion, fights back to health and saves his store so that his children may lack nothing. And the clerk Smith proves his mettle and the old folks see another flowering of romance in the family homestead.

CENTREVILLE MINES TO BE DEVELOPED

(Friday's Gleaner)
Dr. C. A. Kirkpatrick, of Grand Falls, conferred with officials of the Provincial Department of Lands and Mines here this morning respecting proposed development work in connection with gold mining operations near Centreville, Carleton county.

Dr. Kirkpatrick has just returned from Toronto where he conferred with assayers and men prominent in Canadian mining activities and Ottawa where he consulted with officials of the Federal geological branch. He expressed himself today as highly optimistic as to the future of the development and said he believed the enterprise warranted the full extent of governmental assistance.

Reports of assays made by Thomas Hays & Sons, recognized assayers, of Toronto, on two samples of ore taken from the development work to values of \$17.63 and \$18.40 per ton while mines providing as low as from \$6.50 to \$8 per ton on their ore are being profitably operated in Ontario. An assay of a sample of free gold from the Centreville property showed as high as \$448.

Those associated with Dr. Kirkpatrick in the enterprise are Charles Smith, who made the discovery and who was engaged for several years in gold mining in British Columbia, and W. A. MacDonald, who spent several years in gold mining in Colorado. He said that several men prominent in gold mining in Ontario, including George Gray, C. A. Foster and F. Jordan, who are nationally known, had expressed the opinion that the Centreville proposition could be profitably worked if the ore was found to be present in sufficient quantities.

Work at the Centreville properties has recently been resumed after being held on account of the winter conditions.

WORST STORM IN THREE YEARS

Carleton county is in the grip of the worst storm since the fierce winter of 1919-1920. More than a foot of snow must have fallen and a wild north-east gale blew it into huge drifts. A freight train that arrived here yesterday noon was unable to get away, but the engine and van later proceeded to Woodstock. Last evening and so far today all trains are cancelled. But it is expected that the road will be opened this afternoon and that the express trains will not be more than two or three hours late at the outside.

Up until now in this section and further north there has been no excess of snow and lumbermen have had a very successful time in that regard. The present storm may shorten the season of hauling.

Big March storms are not unknown. In 1889 the big storm of the season came on March 17, and so thoroughly blocked was this division of the railway that it was necessary to bring from the west a rotary plow, which was pushed through the drifts by three engines.

The highways are being opened and the town streets were ploughed early this morning.

TOWN COUNCIL MONTHLY SESSION

The regular monthly meeting of Hartland's Town Council was held on Monday evening in the Town Hall. His Worship Mayor McFarland and all the Aldermen being present.

The treasurer's report for the month of February showed that receipts amounted to \$128.10, and expenditures \$554.05.

Ald. McQuarrie read several amendments to the By-laws and asked the Council to adopt same so that they may be brought before the present session of the local legislature, and ratified. One amendment calls for a license from the moving picture theatre, and roller rink, which are to be charged \$2 for the first performance and \$1.00 for each additional performance; owners of merry-go-rounds are to pay \$5.00 a day.

Another action changed calls for taking out a license by non-residents who solicit trade in the town. The fee to be not less than \$5.00, or more than \$50 per month.

The amendments were on motion of Ald. McLeod, seconded by Ald. Hatfield, adopted.

A number of bills were read, and those properly O. K'd by the Finance Committee were ordered paid.

Ald. W. B. Nixon was given permission to purchase ten water-proof coats for the firemen, from a firm in Ottawa at \$11 each; also \$1000 for the extension of water mains.

The question of uncollected dog taxes was brought before the Council by Ald. W. B. Nixon, who called upon the Police Committee to get busy. This brought Ald. White to his feet, who claimed that the By-law dealing with dog tax was never carried out. It was the duty of every citizen who owns a dog to register same with the Town Treasurer, before March 1, and not one had presented themselves to date, and moved that operations of the By-law dealing with dog tax be suspended for year 1923. Seconded by Ald. H. R. Nixon.

Ald. W. B. Nixon moved an amendment that the By-law be enforced by the Town Marshall. Seconded by Ald. White, and amendment carried.

Communications from the Observer, Limited, was read, asking for permission to install a water motor. On motion of Ald. W. B. Nixon, seconded by Ald. Hatfield, referred to Water and Fire Committee.

The Grand Falls Board of Trade wrote the town, regarding the proposed development of Grand Falls power, stating that the local government had promised to give them one week's notice before the subject would be discussed in the local House. As soon as the Board heard from the Government, they would wire all the towns interested, but in the meantime they asked the Council to appoint delegates to represent the town and citizens. Mayor McFarland was appointed to represent the Town Council and Ex-Alderman R. B. Hagerman, the citizens.

Expenses of delegates to be borne by the town.

WANT HOUSING PLAN ADOPTED

At Monday night's meeting of the Town Council, a number of citizens made application to the town, asking for loans under the Housing Act, in order to build residences during the coming summer. After the application was read by His Worship Mayor McFarland, Dr. Macintosh was given permission to address the Council on the subject.

Dr. Macintosh, in referring to the applications before the Council said he had written the different towns in New Brunswick who had taken advantage of the Government scheme, and each town had claimed that the Act was an unqualified success. Figures were submitted by the Doctor showing the rate of interest charged on the money advanced by the towns, also the benefits derived by those who were eager to own their own homes. He was doubtful last year whether it was good business for the town to go into the scheme, but since has been convinced that it would be a wise venture. It meant more homes and these were badly needed in Hartland at the present time. The Doctor believed that the Council should apply at once for a loan of \$20,000.

His Worship Mayor McFarland was greatly impressed with the idea and promised that the Council would go fully into the matter.

Several Aldermen spoke on the subject and it was finally decided to appoint a committee, consisting of the whole Council to discuss the matter as a committee of the whole, and report back to a special meeting of the Council Monday night.

MISS CARLETON AND MISS VICTORIA CONTEST OFF TO A GOOD START

Last week we made reference to a contest for the selection of Miss Carleton and for Miss Victoria. The idea of the manner of our selection can be no better expressed than in the words of our young and talented correspondent at Bath.

Beauty and charm of manner will not be the sole governing factor in the selection, but it will naturally help. A girl who is decidedly plain and unattractive may be as truly worthy and possess other qualities of far greater value than beauty itself, which after all is only outward show and gives no key to what may lie beneath.

The winners in the Carleton-Victoria contest are pretty certain to be very good to look upon. They may or may not possess doll-prettiness, but they surely will possess a degree of vivacity, brightness of eye and the very embodiment of pluck and energy, and these are qualities that alone would endow any girl with queenly grace.

The rules governing this contest are few and simple, and the winner shall be determined by the number of subscriptions which they can secure during the month of March. Anyone may nominate any girl in Carleton or Victoria counties and the cost of nomination is only the filling out of the blank below and mailing it properly signed to The Observer.

Each girl nominated will receive 5000 points at the outset. For each new subscription at \$1.50 she will receive 1000 points. A new subscriber that pays \$3.00 for two years in advance will count as 5000 points. And a subscriber who pays \$4 for three years in advance will not only be getting a big reduction, but will favor the candidate of his choice with 10,000 points. Those who are already subscribers may assist the contestants by paying up arrearages and future years, but the point-count value is just half that of new subscribers. That is to say, one year at \$1.50 counts 500; two years at \$3 counts 2500, and three years for \$4 will count 5000 points.

No person employed in The Observer office can enter the contest, but its correspondents or any one else within the two counties will be eligible.

Every contestant must do her best to help herself to secure subscriptions, and the ones who show the pluck and energy that is required will be surprised at the encouragement they will receive from their friends. We expect everyone in the two counties will do something to aid the contestants of their choice. The winners shall be judged by three individuals of unquestionable veracity. But they are not yet chosen. They will have no connection whatever with The Observer, but they will be well known business people of high standing. All the working details will be made known to each candidate who takes a real interest in the matter. There can be no side-stepping through the strict rules either by contestants or by The Observer management. In the past three contests this paper has conducted there was absolute squareness, although some losing contestants have in the past shown ill grace and have accused the newspaper management of breaking its rules. In every case The Observer has proved in the end itself straight and fair to the complete satisfaction of every contestant, winner or loser.

THE REWARDS

The winners of the contest will be outfitted with a travelling suit fully worthy of the style they are to travel in. They will be presented with silver medals bearing a designating inscription and these will be of Birk's quality. The date of their tour will be left to themselves, but it would be necessary that they travel together. They will go to Montreal by C.P.R., by standard sleeper, and will remain one full day at Mount Royal Hotel, the largest hotel in the British Empire. There will be a tour to the chief points of interest and up the famous Mount Royal, concluding the day with theatre or operatic entertainment. Next morning they will leave for Ottawa having cafe parlor car accommodation, and arriving at that city "red caps" will escort them through the tunnel to the Chateau Laurier. At Ottawa there will be a visit to the House of Parliament and a taxi drive to Rideau Hall and other chief points. On the following morning they will go to Toronto which they will reach at night and have accommodations at King Edward, a magnificent hotel of fourteen stories. The following day will include a taxi drive to the parliament buildings, university grounds and other points of interest with a rest period when a visit may be made to Eaton's store. Late in the afternoon of the same day the party will proceed to Hamilton the Beautiful, and the following morning to Niagara-on-the-Lake. From Niagara return will be made to Toronto by boat and thence directly home by the C.P.R.

The Observer wants earnest, bright, attractive, energetic young women to enter this contest and enter it right away. Names at least of two contestants will be printed next week. Every contestant will be supplied with necessary forms and working outfit. While only contestants may win the trip prize and the distinction of being Miss Carleton and Miss Victoria respectively, prizes will be awarded to every other contestants who remain in to the finish the value and nature of the prize depending upon the value of the service rendered.

We are already away to a good start, and for the next four weeks the Miss Carleton and Miss Victoria contest will be the big feature.

ON YOUR TOES—EVERYBODY. GO TO IT AND WIN!

NOMINATION BLANK

I hereby nominate Miss..... as a Contestant in the Miss Carleton and Miss Victoria Contest being conducted by the Carleton Observer, and it is understood that she will by this nomination be entitled to 5000 points to start with. My name is not to be printed, but will be held in confidence by the Contest Manager and the Contestant.

Signed.....
The above blank should be cut out, properly filled in and mailed to The Observer Ltd., Hartland, N. B. not later than March 13.

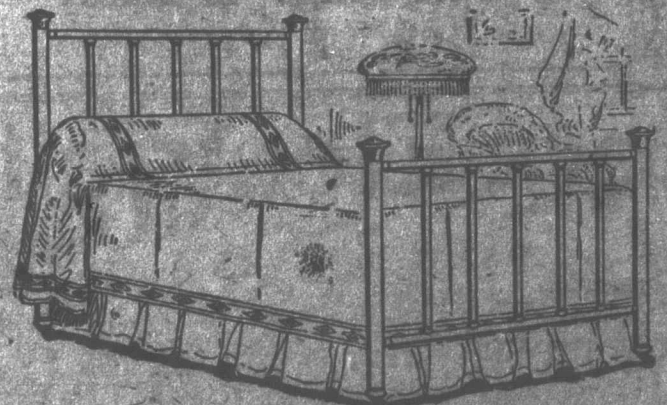

REFORMED BAPTIST QUARTERLY MEETING

The quarterly meetings of the first district of the Reformed Baptist church was held in the church at Hartland from Thursday until Monday. The ministers in attendance were Rev. I. F. Kierstead and wife of Royton and Licentiate Sullivan Mullen of Perth. The delegates were Mrs. H. B. Dow of Marysville; Mrs. Claude Kennedy of Millville; Mrs. G. P. Phillips, Miss Pearl True and Miss Shea of Woodstock; Miss Mildred Todd, the Misses May and Helen Emery, Daniel Hillyard, Fort Fairfield; Lynn McCrea, Luther Hart, Perth; C. O. Mutch, Woodstock.

Rev. I. F. Kierstead was the preacher on Thursday and Friday evenings and was listened to by a large audience. Mrs. H. S. Dow led the meeting on Saturday evening, assisted by Mrs. C. P. Phillips and Mrs. Chester on Sunday morning was led by Mr. Mutch. Mr. Kierstead preached Sunday evening.

At the business meeting on Saturday afternoon the following officers were elected for the year: Rev. E. W. Lester, president; Miss Mildred Todd, secretary and A. L. Baird, treasurer. Reports were read from the different churches.

BACK AGED TERRIBLY

Mrs. McMahon Tells How She Found Relief by Taking Lydia E. Pinkham's Vegetable Compound

Chatham, Ont.—"I took Lydia E. Pinkham's Vegetable Compound for a run-down condition after the birth of my baby boy. I had terrible pains and backache, and was tired and weak, not fit to do my work and care for my three little children. One day I received your little book and read it, and gave up taking the medicine I had and began taking the Vegetable Compound. I feel much better now and am not ashamed to tell what it has done for me. I recommend it to any woman I think feels as I do."

—Mrs. J. R. McMAHON, 163 Harvey St., Chatham, Ont.

Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has for nearly fifty years been restoring sick, ailing women to health and strength. It relieves the troubles which cause such symptoms as backache, painful periods, irregularities, tired, worn-out feelings and nervousness. This is shown again and again by such letters as Mrs. McMahon writes, as well as by one woman telling another. These women know, and are willing to tell others, what it did for them; therefore, it is surely worth your trial.

Women who suffer should write to the Lydia E. Pinkham Medicine Co., Cobourg, Ontario, for a free copy of Lydia E. Pinkham's Private Text-Book upon "Ailments Peculiar to Women."

BATH BREEZES

The month of March heralds the advent of spring. It has thus far in no way disappointed us. The warbling of birds, not rigorous enough to withstand Canadian winters, are once more heard, as also the wallings of those among the fair sex, who are chronic frecklers.

No earthly power can stem Time and the season of spring is at hand, but there also remains the disconcerting fact; gleaned from the ancients, that March must go out like a lion.

Herbert Hagerman, Woodstock and formerly manager of the United Farmers' Store there, was in town on business during the past week. D. T. Day of The Plymouth, Fort Fairfield, was also in town.

The radio bug has finally infested this town. It is not expected that any wave length disputes will be evidence for some time yet, as Mr. Baird of Andover, installed the first one, on Friday last, for C. W. Delano in the residence of G. F. Giberson.

The races held at Centreville on Saturday last drew quite a crowd of racing enthusiasts from this place. The Centreville committee must have been pleased by the treatment recorded there, as Leo Kearney and Robert Ryan, again conducted the races in an able manner, as starter and judge, respectfully. It is expected that another meet will be held here this week.

Mrs. (Dr.) M. E. Commins returned last week from Montreal, much pleased with her trip and the Montreal Winter Carnival which exceeded her wildest expectations.

Many of this town will regret to hear of the death of Mrs. Jane Phillips, relict of the late Charles A. Phillips, which occurred at Bristol on Sunday last. Mrs. Phillips was always a woman of kindly disposition and the unbounded sympathy of her many friends is extended to her daughter, Mrs. Miller and son of A. W. of Bristol.

Mrs. K. E. Bohan left on Monday to attend the millinery openings in St. John.

Dr. Taylor of Mattamoras, has been in town the past few days.

Edmund Stratton of The Observer staff was a business visitor to town during the past week.

The flu has declared war and many are the citizens who are crying for a cessation of hostilities. A few of their homes by this epidemic are Mrs. Stanley Booker, Mr. and Mrs. Hugh McGuire, Gorman, Miss Lizzie McDonald and J. I. Commins.

Mrs. H. U. Giberson, Bristol was calling on old friends last week.

Munsel O'Neill, St. John, and W. H. Kirk, Edmundston, were among the registered guests at Day's Hotel last week.

The many friends of Miss Dorothy H. Bohan will congratulate her upon receiving "The Bib and Cap" at the Hotel Dieu Training School for nurses at Chatham.

Fire did considerable damage to the home of Mrs. Gillespie, Killoween on Friday last. Mrs. Gillespie was very ill at the time and her present condition is reported to be anything but encouraging.

For the first time in years, has this town faced a water shortage. The crux of the whole situation lies six feet under the ground, but sufficient evidence is oozing forth in front of the town hall to satisfy anyone, that therein lies the trouble. The water commissioners have caught the spirit of the excavators of King Tutant-amen's tomb, and are busily digging.

It is not probable that any royal robes, chariots or historic tablets will be found, but suffice to say that when the break is once more repaired that the citizens will rejoice and like the Campbells on the Sahara, will once more drink the spring in the fountains above the kitchen sink.

Harry Keenan, Johnville, is busily engaged in hauling his lumber cut, and is yarding it on what is known as the Alfred Giberson flat, preparatory to rafting it.

The death of Mrs. William Squires, formerly of this place and a daughter of the late George Milbury, occurred at her home on Saturday last; she leaves to mourn, besides her husband, two daughters living in the United States, to whom the unbounded sympathy of the whole community is extended.

Miss Canada, all undaunted, a fair flower of the garden of the province, our own county, conquers all, not by force of arms, but by her grace and charm commands the respect of all those with whom she comes in contact. Truly nothing could be more fitting than that a Miss Carleton and a Miss Victoria should be chosen. Miss Blair won her laurels in a contest in which beauty and charm played a very prominent part and her many friends in this town wish her a merry, merry reign.

GRAND FALLS DEVELOPMENT SEEMS SURE

Early Announcement Expected From
the Government to that Effect—Tem-
iscouta County Wants Power—In-
vestigations Are Said to Have
Shown Necessary Market for Cur-
rent.

Formal announcement that the Pro-
vincial Government will undertake the
development of the Grand Falls water
power on the St. John river may be
expected at any time the Gleaner said
on Friday.

The announcement will probably
come during the session of the legis-
lature, but nothing can be actually
done until the rights are leased now
held by the Grand Falls have finally
expired on May 1 next—further than
to carry on investigations which have
been in progress for some time as to
the best means of development and as
to the available market for the power.

It has been quite definitely stated
that the Government will not under-
take development until actually as-
sured that contracts are available for
a sufficient quantity of power to war-
rant going on with the work—that
is to meet the interest charges upon
the expenditure involved—and it is
now said that contracts can be signed
at any time for the necessary number
of thousands of horse-power to meet
the interest charges upon the first de-
velopment costs.

Recent estimates of probable first
cost of development of the Grand
Falls power are said to be consid-
erably less than \$5,000,000, the mini-
mum previous figure according to in-
formation which has been made pub-
lic from time to time. Hon. J. E.
Michaud, of Edmundston, member of
the Government without portfolio and
Hon. L. A. Dugal of Edmundston,
member of the New Brunswick Elec-
tric Power Commission, revealed a
new market for Grand Falls power
when here this week when they said
that Temiscouta County, Quebec, was
looking for and anxious to get a con-
siderable quantity of the power, all
of which would help to make the ear-
ly development of Grand Falls pos-
sible.

Included in the prospective users
of Grand Falls power in Temiscouta
County would be the extensive pulp
mill at Rivier du Loup owned and
operated by the Wolff interests while
the transmission lines from Edmund-
ston would pass through Cabano,
where the Fraser Companies Limited
have one of their lumber plants, and
Notre Dame du Lac, where there are
several industries, as well as other
communities all of which, it is said
would like to be users. "There is a
most active demand for development
of the Grand Falls without any more
delay than is absolutely necessary,"
Hon. Mr. Michaud said in discussing
the situation on the upper St. John
river, "and we are meeting with en-
thusiastic co-operation in Temiscouta
County, Quebec."

Before leaving here this morning
for Amherst, N. B., to attend the meet-
ing of the Boards of Trade repre-
sentatives there today in connection with
Canadian National Railway matters,
Premier Veniot gave out the follow-
ing statement of progress in respect
to hydro development in the province:

"At the last meeting of the Execu-
tive Council, the New Brunswick Power
Commission submitted a report on the
Musquash development and inter-
im report on the investigation being
carried on in connection with the
development at Grand Falls.

"The report on Musquash contains
information touching the extent to
which this work has been completed,
including especially the transmission
line to Moncton. The line is now
practically completed and service is
being given to the City of Moncton
and the Canadian National Railways
at that point. Since the report was
submitted, Sussex has been linked up
with the main system, as well as

The report, touching the investi-
gation re Grand Falls, shows that
power can be disposed of to the Fraser
Companies, Limited, at Edmund-
ston and to the Bathurst Lumber
Company at Bathurst, amounting to
about 12,000 horse-power to these two
companies, with a probable increase
to the Frasers at Edmundston. Ne-
gotiations are now on foot, and accord-
ing to this report, the authorities of
the towns of Campbellton and Chatham
are looking to arrangements for
information which has been made pub-
lic from time to time. Hon. J. E.
Michaud, of Edmundston, member of
the Government without portfolio and
Hon. L. A. Dugal of Edmundston,
member of the New Brunswick Elec-
tric Power Commission, revealed a
new market for Grand Falls power
when here this week when they said
that Temiscouta County, Quebec, was
looking for and anxious to get a con-
siderable quantity of the power, all
of which would help to make the ear-
ly development of Grand Falls pos-
sible.

"Reference is also made in the re-
port to the probable need of the sup-
ply of considerable horse-power to the
contemplated establishment of a new
industry at St. Stephen and the hope
is expressed that the civic authorities
of St. Stephen may also request that
they be furnished with electric ener-
gy.

"Engineers of the Commission re-
port that they have made estimates
for the development at Grand Falls,
based on three different methods and
comparing the same with estimates
made in 1908, 1914 and 1920, they
reached a result which is within a
very few thousand dollars of the esti-
mates made at the periods above
mentioned.

"The estimates were based on a
30,000 horse-power capacity. The Com-
mission have asked for further au-
thority to make such other surveys and
examinations as may be necessary to
more closely estimate the cost and
determine the best method of devel-
opment. This authority has been
granted.

"The report also contains the result
of an interview with P. T. Dodge,
president of the International Paper
Company, whose firm is interested at
Grand Falls, and as a result this firm
has promised that in the event of the
government developing the power, it
will take 3,000 or more horse-power."

GEORGE BEDDELL DEAD AT ANDOVER

George Beddell, Andover's eldest and
a most highly respected resident
passed away Friday night at twelve
o'clock. Mr. Beddell's health has been
failing for some time, owing to the
infirmities of old age. Had he lived
until June he would have reached the
grand old age of ninety years. Mr.
Beddell was born in Woodstock, but for
the past thirty years he has lived in
Andover, where he made friends with
all. For over thirty years he was col-
lector of Customs for the Andover
port of entry and by his kindness and
just way of dealing, made friends
with those with whom he came in
contact. He was superannuated and
was succeeded in office by the late
William E. Spike. Mr. Beddell mar-
ried Miss Sarah Reed. Three children
survive them: D. R. Beddell and
Mrs. Benjamin Beveridge of Andover
and Thomas B. Beddell of St. John.

He was a brother of Mrs. Alfred Ste-
vens, Mrs. Marshall Tibbitts, John Be-
dell and Henry Beddell, all deceased.
The funeral service was held Sunday
afternoon and was in charge of the
Masonic fraternity of which Mr. Be-
dell was an honored member. At the
church Rev. J. R. Jones conducted
service. The body was laid to rest
in Trinity cemetery beside his wife,
who died several years ago. The
sympathy of all extended the family
in their sorrow.

METHODIST W. M. S. BIRTHDAY PARTY

The "Birthday Party" given by the
W. M. S. of the Methodist church on
Friday night at the home of the past
president, Mrs. J. T. G. Carr, was con-
sidered a great success, both in the
way of a pleasant social evening and
from a financial standpoint. The
house was filled by the guests, nearly
all who were invited being present.
A very pleasing and entertaining pro-
gram was carried out which was fol-
lowed by a bountiful luncheon. About
\$45 was realized as proceeds of the event.

The program was opened with sing-
ing the Doxology and "Jesus Saves"
by the company. Then followed:
Reading, Mrs. W. B. Nixon.

Ladies' quartette, "The Shoogy Shop"

MAN OF LETTERS THANKS TANLAC

Canadian Writer Declares He Never
Saw Its Equal For Building One
Up

"Tanlac is a faithful of friend that
never fails me," declared James A.
Brain, 671 Gerrard St. E. Toronto,
Ont., recently. Mr. Brain is one of
Toronto's best known citizens, and in
addition to being a successful busi-
ness man, he has written many poems
and songs that have gained wide popu-
larity.

"I've been taking an occasional
treatment of Tanlac for four years,
and it keeps me in fine condition.
Why, right now, I feel like I could
hold ground in a foot race with any
man my age in Canada."

"Before taking Tanlac, I was all
run-down, had little appetite, and was
suffering from indigestion. I wasn't
sleeping well and was often so weak
and nervous I couldn't attend to busi-
ness."

"Well, sir, all these ailments disap-
peared with my first treatment of
Tanlac, and to this day I've been eat-
ing, sleeping and feeling fine. In all
my seventy years, I've never seen the
equal of Tanlac, and I just wouldn't
be without it."

Tanlac is for sale by all good drug-
gists. Over 55-million bottles sold.

Mrs. F. M. Boyd was again hostess
on Thursday afternoon at a deli-
cious tea in honor of Mrs. Harry C.
Boyd. Those invited were mesdames

LORIE GOLD CREAM AND SOAP
BORIC BATH SOAP

LORIE LEMON SOAP is of torpedo shape and does not waste
in the dish. Sells for 15c or 2 for 25c, a large and lasting cake.

LORIE CASTILE SOAP is superior to all other Castile soap. It
has a much better base and is made especially for hard water use.
A 5 cut bar 25c. Something new and very delicate for the skin is
Lorie Gold Cream and Boric Acid. It is made expressly for these
hard waters of Carleton Co., it having a heavy cold cream base with
considerable Boric Acid. This combination is excellent for the skin
on account of its softening of pores, cleaning and healing the skin at
the same time, also affording a rich creamy lather. Exceptionally
large cake for 15c.

FERTILIZER

"Made at Windsor, N. S."

Our price list for the Maritime Provinces is out and we are able
to quote substantial reductions from last year.

The farmers of the Maritime Provinces spend nearly \$3,000,000
yearly for fertilizers. This is a very large sum and they ought to
know if they are getting the proper returns in extra crops for it.

The use of fertilizer is so universal and the increased crops so well
known that it is not now a question as to whether or not fertilizer shall
be used but what fertilizer shall be used.

The answer is a complete, mixed, high grade fertilizer applying
enough to give the plants a chance to be well fed.

We say a complete fertilizer which means one containing Ammonia,
Phosphoric Acid and Potash, because after years of experimenting
the results at least nine times out of ten indicate a complete fertilizer
is the only one giving dependable yields.

A farmer cannot afford to buy fertilizer chemical like Nitrate of
Soda, Acid Phosphate or Muriate of Potash with the chances ten to one
against him at the start.

A "mixed" fertilizer for two reasons. First, it is most important
that the Ammonia, Phosphoric Acid and Potash be mixed so that each
plant will get its share. Our fertilizer is mixed, ground and screened
when made and at the time of shipping goes through the same process
again. The second reason for using mixed fertilizer is that so much
better materials are used than when home mixed. Plants, like ani-
mals, require food in a variety of forms. This applies more particu-
larly to the Ammonia, the most expensive of the plant foods. In our
mixed fertilizer we use Nitrate of Soda, Sulphate of Ammonia, Blood
Tankage, Bone Tankage and Fish Tankage. Experiments covering years
show that fertilizers deriving their plant food from several sources
give by far the best crops.

Buy a high grade, complete mixed fertilizer and you are certain
to get the best materials, mixed right and at the lowest price.

We offer particularly low prices in carload shipments, draft with
bill of lading. We suggest that you write us before making arrange-
ments for this year's fertilizer.

FOR SALE, one pure bred Shire stallion, 7 years old, perfectly kind and sound, weight 1700 pounds; and his mate 7 years, weight 1600, dapple greys. Also a five year old brown horse, weight 1600. Apply to R. J. Ryan, Bath, N. B.

Walter J. Billing, formerly employed by the C.P.R., now in the office at Brownville, was visiting a few days last week at the home of E. C. Morgan. Mr. Billing was the star pitcher of Hartland base ball team in the year that it did itself the most credit. Many friends were glad to see him.

Peter B. Millie, for many years a prominent resident of Glassville, a man of fine intellect and rugged worth, died on Sunday and was buried on Tuesday, Rev. W. P. Haigh being in attendance at the funeral. Mr. Millie was for many years a Justice of the Peace and a lumberman's accountant.

The Hartland Women's Institute will hold a birthday social on Friday evening, March 16 in the Knights of Pythias Hall. Each person present will be asked to pay a penny for each year of their age. A special program is being prepared and refreshments will be served. There will also be a novelty sale in connection with this social. Everybody cordially invited.

Hartland United Farmers Co-operative Ltd., wish hereby to advise all those expecting to purchase Timothy and Clover seeds to enquire of their merchant before purchasing the grade or test of No. 1 Government Standard seeds. Many farmers have been much surprised and have told us that they were ignorant of there being more than one No. 1 Government Standard seeds. They thought No. 1 was No. 1. Because a bag of seed is marked No. 1 Government Standard does not necessarily prove it contains first quality seed, as the government tests and passes and brands different tests as No. 1. For instance you may see two bags of seeds standing side by side in a store, each bearing No. 1 Government Standard, also test numbers. One bag might be priced \$5 per bushel, the other \$5.50. The test or quality of seed makes the difference in price. Farmers Store can sell you good No. 1 Government Standard timothy for a lot less than \$5, but the lot quality of No. 1 Government Standard cannot be landed in Hartland for \$5. Our books show that over ten thousand dollars worth of seed passed through this branch last year.

Hatfield & Company's new lath mill at Hartland is closed down for a short time on account of a rather serious accident. The crankshaft of the engine broke and until it can be repaired, or a new one put in, the mill will have to remain idle.

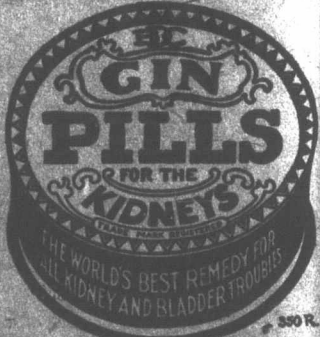

Max Rideout, youngest son of Mr. and Mrs. Randolph Rideout, Mount Pleasant, was operated on last Tuesday by Dr. Belyea for removal of tonsils. A son of James Campbell of Ashland also underwent a similar operation. Both patients are at the house of Percy Barter.

Death entered the home of Mr. and Mrs. Allen McLean, of Wilmet and took their son, Hazen, aged 15 years. The family are heartbroken in their sad bereavement. The sincere sympathy of all go to Mr. and Mrs. McLean and family in their trouble. Rev. G. A. Giberson of Bath attended the service.

Harry McCollough, car inspector, was almost instantly killed while in the yard at McAdam on Monday. He was seated in a van with other employees when a string of cars that was being shifted crashed into it. The other occupants of the van escaped. McCollough was a young man and leaves a wife and two daughters, Ruby and Ruth. He has several other relatives and many friends here.

The creditors of S. W. Smith met at the office of M. L. Bayward on Monday. Liabilities exceeding \$20,000 were attested and it was found that the assets are not sufficient to pay the costs incurred by assignment. Mr. Smith has gone to Portland, Me. The failure is a bad one. A degree of dissatisfaction is expressed among certain of the creditors, and there may be rather sensational developments.

Eight months ago Aroostook county had eight newspapers, now it has only five. Is it not this mortality of 37½ per cent a rather large one? It simply shows how difficult a thing it is nowadays to keep up the publication of a newspaper. If you don't think so, try it. As is well known, the Aroostook newspapers that have gone out of existence during the past eight months are: The Daily News, Houlton; The Ashland Gazette, Ashland; the Mars Hill News, Mars Hill; Fort Fairfield Review.

CORN

Lift Off with Fingers

Your druggist sells a tiny bottle of "Frezzone" for a few cents, sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.

Doesn't hurt a bit! Drop a little "Frezzone" on an aching corn, instantly that corn stops hurting, then shortly you lift it right off with fingers. Truly!

MOTHER!

Clean Child's Bowels with "California Fig Syrup"

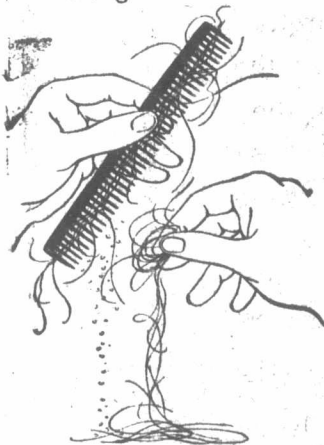

Even a sick child loves the "fruity" taste of "California Fig Syrup." If the little tongue is coated, or if your child is listless, cross, feverish, full of cold, or has colic, a teaspoonful will never fail to open the bowels. In a few hours you can see for yourself how thoroughly it works all the constipation, sour bile and waste from the tender, little bowels and gives you a well, playful child again.

Millions of mothers keep "California Fig Syrup" handy. They know a teaspoonful today saves a sick child tomorrow. Ask your druggist for genuine "California Fig Syrup," which has directions for babies and children of all ages printed on bottle. Mother! You must say "California" or you may get an imitation fig syrup.

A SIN TO LET HAIR FALL OUT

35c "Danderine" Saves Your Hair—Ends Dandruff! Delightful Tonic

Hurry! It's your duty! Each day you see a little more hair falling out and you are making no effort to avoid baldness. What a pity. Falling hair means your hair is weak, sick—possibly dandruff is strangling it, or the hair root pores in the scalp are not firm and tight, thus wasting the hair-growing oils.

Danderine almost instantly stops falling hair of men or women and cleans every particle of dandruff away, then the hair takes on new life, vigor and strength to grow strong, thick and long.

Danderine is delightful—not sticky or greasy. Go to any drugstore now and get a bottle. Use it. Have healthy, heavy, beautiful hair and lots of it.

THINGS WE SHOULD LIKE TO KNOW

If our readers saw the letter addressed to the editor of the St. John Telegraph last week, from our friend Mr. P. T. Dodge, President of the International Paper Co., the company whose rights expire very soon at Grand Falls? For those who did not we reproduce it, for President Dodge appears to be developing, if not the Falls, some little exhibition of temper:

Editor St. John Telegraph:

Dear Sir: I note in your issue of the 7th assertion that "communications are coming from towns along the St. John River, from Fredericton and Edmundston inclusive, and from the North Shore district," and that "every community of the Province is hungry for cheap power to develop industries and for comfort and convenience" etc.

If this is true, why do not these people respond to the advertisements in your supposedly influential journal and advise us of their needs. If you are in possession of the facts and know who the people are who are demanding the power, why do you not put them in communication with us?

Until there is some certainty that a return can be had on the investment, no man entitled to remain outside of an insane asylum would risk a dollar in the development or in the bonds based on the development.

Yours very truly

P. T. DODGE

President

Does not Mr. Dodge express himself clearly and fluently in his letters, and does that letter not show that he never had any intention of developing the Grand Falls, even when his company signed up the last time?

In regard to the reference he makes in his letter about the candidates for an insane asylum, is it not his private opinion, not stated in his letter it is true, but his own very personal, very private opinion, that if we are foolish enough to sign up with him again, we should be forcibly detained in an asylum for the feeble minded?

But why should industries which require power tell Mr. Dodge when Mr. Dodge's rights expire so soon?

Does he expect to hold on for ever?

Does he expect that any industry is going to tell him what its requirements are?

Does he think we are all lunatics, as his letter implies that some are? We should like to know what hold he has on Grand Falls after his rights expire, that he is so insistent on being informed of the Province's needs.

We should like to know the cards he holds in his hands.

We should like to know what profits he expects on any property his company owns in Grand Falls.

We should like to know whether he realizes that his hand is going to be called this time. We should further like to know WHAT THE ATTITUDE OF THE PRESENT PREMIER IS IN REGARD TO THIS QUESTION? And why the silence from the government? Is Grand Falls a public question? Are the Falls owned by the people? Have not the people the right to know what disposition is to be made of them?

Is it not due them to have the assurance of our representative, our government officials that our interests will be protected—as they obviously were not protected last time?

Did President Dodge invent the phrase "Promises like picnics are made to be broken"?

Does President Dodge think we are not capable of thinking things out for ourselves that he writes so many letters to papers and delegates?

Does President Dodge realize that the columns of The Observer are open to him to make any additional statement?

If he thinks he is getting anywhere by slurring the newspapers of the Province?

The Daily Risk of Blood Poison

How often do you hear of limbs being crippled and lives sacrificed through neglect or improper treatment of simple everyday cuts, scratches or wounds?

To promptly dress all injuries with Zam-Buk is to prevent all dangerous complications. Zam-Buk is the powerful antiseptic balm which kills and excludes disease germs, and prevents festering and blood-poison. Other properties in Zam-Buk soothe away pain and grow healthy new skin in a wonderful way.

For eczema, pimples, ulcers, ringworm, piles, bad legs, boils, abscesses, burns, scalds, etc., Zam-Buk is equally speedy and powerful. See box, all dealers.

Doctor said Amputation!

Mr. Wm. Edwards of Peterborough, Ont., writes: "As the result of an injury I had my hand in a sling for months. The pain was terrible, and the inflammation was extending right up the arm. The doctor suggested amputation, but a friend got me to try Zam-Buk. This was applied to the hand and made a 'miraculous' change. The inflammation was removed and the hand was healed. I am now using it on my face and throat."

SAVED FROM AN OPERATION

Restored to Health By Taking "Fruit-a-lives"

Made of Fruit Juices and Tonics

The most convincing proof of the true worth of "Fruit-a-lives" as a medicine for women is found in the letters written by them to "Fruit-a-lives". For instance:

"I suffered with all the symptoms of female trouble, pains low down in the back and sides, constipation and constant headache. A doctor advised an operation. I started taking 'Fruit-a-lives' and this fruit medicine completely relieved me of all my misery."

AN ACT RELATING TO THE TOWN OF HARTLAND

Notice of Legislation

Notice is hereby given that there will be introduced at the next session of the New Brunswick Legislature, a Bill as follows:

BE IT ENACTED by the Lieutenant-Governor and Legislative Assembly as follows:

2. Sub-section (d) of section 63 of "The Towns Incorporation Act" so far as it relates to the said Town of Hartland is hereby repealed and the following in lieu thereof:

(d) To regulate and license any and all persons who, not being residents of the said town, and whose names are not entered on any assessment book or list in said town for the then current year, in respect to income or personal property, shall carry on any trade, art, calling, mystery, profession, occupation or employment of whatsoever nature or kind within the said town; and by such by-law or by-laws to establish fees on such licenses and the said fees shall be paid to the Town Treasurer for the use of the said town; anything in any law to the contrary notwithstanding; and the Town Council of the said town shall have power to impose a penalty not exceeding thirty dollars for each breach of any such by-law, to be recovered with costs in the same mode that other penalties are authorized to be recovered and collected by this chapter.

3. All Acts and parts of Acts which are inconsistent with the provisions of this Act are hereby repealed insofar as the same may be inconsistent herewith.

LOCAL AND PERSONAL ITEMS

The story of two fathers and two sons of widely divergent characteristics, formed the theme of "A Self Made Man" on Tuesday evening. During a vacation of the elders, occasion arose for a battle of wits between the two sons, to secure in their offices on Wall Street, control of a certain railway. The financial crisis brought out all the good in the seemingly worthless young man of the two and he brought his father's estate through triumphantly. The ninth episode of "Bride 12" was also greatly enjoyed. Lionel Barrymore proved most praiseworthy in the title role of the Paramount production, "Boomerang Bill" which was shown on Saturday evening. A pathetic story told by a plain clothes man to a lad on a park bench, about to sail forth to do a crime. Boomerang Bill was a gangster and gunman, saved by the love of a good girl, yet when the need of money arose to take the girl's mother to the country for her health, did not hesitate to take one more chance, which proved his undoing. During his prison sentence, the sweetheart married another man. The whole tale was made so pungent that the lad introduced in the first of the story was glad to renounce his premeditated criminal venture. Bear in mind the big super-production, "Remembrance" on Saturday, March 10. Added to the main feature film, will be a scenic, a comedy and a news reel, so that you may well be assured of your money's worth.

The contest which came to a close on Feb. 27, resulted in the lucky ladies free pass going to Mrs. B. E. Cliff and the lucky gentleman's to C. N. Boyer. An exactly similar contest is being run through the month of March. Drawing for the lucky coupons entitling the holders to free passes to all shows during April, will be held on Saturday evening, March 31. The trotting meet on Saturday afternoon, on the mill pond, brought a large throng of people to town. All enjoyed the races, honors going to horses owned by Eric Brown and G. E. Perkins. Another will be staged in the near future. The High School basketball team went to Woodstock and played a return game with that aggregation on Saturday. The tables were also turned on the score which resulted Woodstock 25, Centreville 12. The boys returned on the Valley in the evening.

A. M. Vaughan of St. John spent a couple of days last week in town.

H. B. Bailey of Fredericton, proprietor of the hotel at the border of town, spent the week-end here, soliciting business, previous to the opening up of his project in the near future. In view of the high cost of chemical fertilizer, and the local financial stringency, there should be ready sale for his product which is practically pure, soluble calcium carbonate laid down by a diligent band of molluscs, a few million years before we happened along.

Miss Lucille Gary of Easton, Me., visited Mrs. Mildred Beckwith last L. Beecher Clark spent the week-end in St. John.

M. A. Burt spent part of last week with relatives in Jacksonville and Hartland.

Mr. and Mrs. Joseph Estabrooks are spending the month with the latter's parents at Greenwich, N. B.

Vaughan Grant left on Saturday for Bangor, where he has a position.

R. Lee of Glassville spent the week-end with Mr. and Mrs. A. J. Lee.

Chas. Harrington spent part of last week with his family at Juniper.

Harold Carr left on Monday for a visit with his sister at Bangor.

Mr. and Mrs. L. A. White entertained the members of the St. James' Guild and invited guests to the number of 42 on Wednesday evening. A supper most appetizing was done ample justice and goodly sum was realized for church purposes.

Rev. and Mrs. J. W. Williams of Keswick were visiting Mr. and Mrs. George West last week. The reverend gentleman has received and accepted a call to a fashionable church in Massachusetts, carrying a most lucrative stipend, and will take up his labors there shortly.

Every house for miles around has its own private aquarium now. Stevens Bros. last week supplied everything for its institution and upkeep.

C. R. Cliff returned on Saturday from Mars Hill.

Miss Ella Ebbett spent Sunday with her sister, Mrs. N. L. DeLong.

Rev. H. R. Bell will preach on Sunday—Centreville 11 a. m.; Good Corner 3 p. m.; Lakeville 7 p. m.

LeRoy T. Lee and B. E. Cliff spent the mid-week in St. John on business.

WICKLOW

Miss Pearl Barker entertained a number of her friends Wednesday evening at her home, the occasion being her birthday. Music and games made the evening pass very pleasantly, after which a dainty luncheon was served. The invited guests were Miss Hagerman, Misses Fannie Giber, son, Jacqueline Squires, Berth Kearney, Evelyn McCain, Ada Kearney, Marion Estey, Jean Estey, Marion White, and Norman Estey, Hartland Estey, Mack Olmsted, Ernest Tompkins, Ray Tompkins, Howard White, Henry Estey, Charles McCain, John McCain.

Mrs. Otis Shaw has been very sick with the flu.

The young people had a coasting party one night last week.

Holly Estabrooks attended the carnival at Hartland.

Mrs. Henry Estabrooks and Mrs. Scott McCain spent Tuesday at Carey Estey's.

Scott McCain and family spent the Sunday at Mrs. Herbert Kilpatrick's.

Mrs. John Patterson and Miss Hagerman went to Hartland Saturday.

Henry Estey had tea with Charles McCain Saturday evening.
