The copy filmed here has been reproduced thanks to the generosity of:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol \rightarrow (meaning "CONTINUED"), or the symbol ∇ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole \rightarrow signifie "A SUIVRE", le symbole ∇ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

Are made to stand criticism.

PROP. J. B. LABELLE, Organist Notre Dame Cathedral, Montreal, says:

"I received the magnificent piano of the Bell Co. which I ordered for my own personal use. I had been expecting a first class instrument, but the piano, which is a veritable jewel, surpasses all my hopes. It possesses a splendid quality of sound, rich, pure and melodious, with great evenness of the scale. The action is rapid, with great elasticity. I declare it an honor to Canada to possess a manufactory able to send us pianos like those of the Bell Co. which are unquestionably the best pianos made in Canada."

THE MARVELLOUS FLYING BALLET.

ARGUMENT OF THE PLAY.

Titania, Queen of the Fairies, is betrothed to Prince Florimel, adopted son of Stanislaus, King of the Brownie Band. The wedding is to be celebrated on the eve of May, and the Brownies have come to Fairyland to take part in the general jollification. Dragonfel, a wicked demon, and his retinue come to the wedding, bearing gifts and disguised as friends and well-wishers. While the Brownies and Fays are entertaining the Prince and Queen with song and dance, an alarm comes to the Palace that Titania and her ladies-in-waiting have been carried away by Dragonfel, who thus seeks to prevent the power for good which would result from an alliance of the Brownies and Fays. The Brownies build a raft and follow. A terrific storm imperils their safety. Dragonfel appears in his sea-chariot carrying the Queen to his Enchanted Island.

By means of a raft and airship the Brownies reach the Enchanted Island, and find much to mystify them. The Brownies hide in the outer halls of the castle, while their King and some of his followers, disguised as a German street band, gain entrance to Dragonfel's presence. At a favorable moment they make an attack on Dragonfel and are about to conquer, when he calls on Vulcan to bring earthquake and ruin. The castle falls in ruins, the mountain becomes a volcano and lava is seen pouring down its sides to overwhelm and destroy the Brownies. The Brownie Fire Department comes to the rescue.

Daylight finds the Brownies still in quest of the Queen, and, as their power is gone with the rising sun, they are easily overcome by Dragonfel's followers, and are made to slave and toil in the mines. Here they remain until the Indian Brownie explodes a dynamite bomb with which the peace of the whole band has been continually threatened. The explosion causes the caving in of a rift in which Dragonfel happens to be, and in the meantime, Euphrosyne has come to the rescue of the Queen and the Fays. Florimel and Titania are united, while the mines gradually disappear, and a glorious view of break of day in Brownieland is disclosed.
