## TES OF THE DAY.

<text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text> heart and causes unotated dim the sight. A skilled harpist sings these songs to her own ac-companiment with telling effect, or not their conduct in office has been consistent with their profes-sions while in Opposition. Is it reads of the deceased if the sight of ditions, however, these same pasture street. The company was changed to lots generally carry but a limited variety of grasses, the list being often reduced to blue grass and white clover, Seeded fields carry timothy and clover, but these soon run out and leave the conditions before described for the conditions before described for the the still holds. Mr. Macdonald was elected a mem ber of the Baard of Supervisors in 1873 on the Tax Payers' Ticket and the Start was elected on the Democra the blood of the most sluggish. It sions while in Opposition. Is it is a most unique exhibit, and alone not a fact that the scroll of our 8 30 8 45 9 05 9 35 10 30 10 47 11 14 11 55 its sympathy 7 10 7 30 30 30 <text><text><text><text><text><text><text><text> There is a possibility that Michael Dett, now that he is out of parliament m Gindstone Hooted. but these soon run out and leave the conditions before described for the pasture in general. The blue-grass pastures are green, and cattle are al-ready cropping them. June will see the pastures almost knee deep with rich herbage, and there will then be every promise of more feed than can be consumed. But this very flush of grass brings a reaction. The blue grass will early exhaust itself, and set june passes into July the observant feeder will notice that the overplus is being cropped off and the scorching rays of the sun beat fiercely on the almost bared ground. It was through no misinterpretation of its habits that for its season is June. Only an ideal of plant can make continuous growth and furnish feed in abundance from May plant can make continuous growth and furnish feed in abundance from May mot, our "June" grass, or blue grass, cannot do this. Why not accept the situation, treat the grass in the best possible way, and make provisions that the cattle do not suffer from the midleway, and make provisions that the cattle do not suffer from the midleway, and make provisions that the cattle do not suffer from the midleway, and make provisions that the cattle do not suffer from the midleway, and make provisions that the cattle do not suffer from the midleway, and make provisions that the cattle do not suffer from the midleway, and make provisions that the cattle do not suffer from the midleway and make provisions that the cattle do not suffer from the midleway, and make provisions that the cattle do not suffer from the midleway and make provisions that the cattle do not suffer from the midleway and make provisions that the cattle do not suffer from the midleway and make provisions that the cattle do not suffer from the midleway and make provisions that the cattle do not suffer from the midleway and fine provincial legislature. 1 10 gie. The tolls of vessels trading on the River Vistula, within the boundaries of Russia, have been been increased to ten roubles in gold in order to cover the expenses incurred by the Russian government for sanitary supervision with a view to prevent the aproad of cholers. The directors of the World's Fair have decided to abrograte the contract with congress by which they bound themselves to close the fair on Sundays in considera-tion of an appropriation of \$2,500,000, the TRAINS FOR THE EAST. SUNDAY last, Feast of Pentecost, was celebrated with unusual solemnity in St. Dunstan's Cathedral. Solemn Pontifical Mass was celebrated by His Lordship Bishop McBonald, assisted by Rev. Dr. Morrison, as arch-priest; Rev. Fathers Reid and Hogan as deacons and sub-deacon of office. Rev. Messrs. McGrath and Gauthier as deacons of honor, and Rev. Father McAulay as master of cermonies. Solemn Pontifical Vespers and Bene-diction of the Blessed Sacrament took place at seven o'clock in the evening. His Lordship officiating, assisted by the same clergymen as in the morning receptionally fine, the regular choir being assisted by an orchestra, con-sisting of a cornet, violin, violoncello and piecelo. Mr. Blanchard presided at the organ. The high eltar was charmingly adorned with flowers, plants and numerous lights. eisoe. Mowrmaat, May 18.—A despatch from Towanda, Pa., tellt of the hanring of ter-thehrew murderers, B'ank and Rosenweig, at their place this morning. These mer-wore explored at Montreal and sport s-ouple of months in this eity before heiry oppured and during the time extrudition proceedings were in progress. They mur-dered in the Duich M. u tains, Pannay! and, ment the New York State Line, -jowith pellar named Marks and hid hi-bit body in the woods, where it was found by sanchars. The disapparance of Blank and Rosensweig directed suppions to them and detentives transfit them by mans of Marks'

Mn. JAMES R. SWAN, who for the past twenty-six years has been an em-ployee on the Government Stock Farm, was yesterday moving found dead in one of the barns on the farm. During the last session of the Legisla-ure Mr. Swan was dismissed by the enarchers. And desergements of the series of ring the nat session of the legisli-re Mr. Swan was dismissed by the vernment, and has since greatly wried over the matter. He was to ve moved to the city yesterday; and Monday afternoon after packing up t Jews over executed Two Hebrews pre-murder in New York oy suicids. Another

his household effects went to visit some of his neighbors. When last seen alive he was going across the fields in the direction of the larn in which his body was found. The barn is about half a mile from the farm house. There were no marks of vio-lence on the body, and il is supposed death was due to heart trouble, with which he was affected Dr. Conroy, coroner held an inquest, and the jury returned a verdict of death from nat-ural causes.
