Technical and Bibliographic Notes/Notes techniques et bibliographiques

The institute has attempted to obtain the best original copy available for filming. Features of this copy which may be bibliographically unique, which may alter any of the images in the reproduction, or which may significantly change the usual method of filming, are checked below.

L'institut a microfilmé le meilleur exemplaire qu'il lui a été possible de se procurer. Les détails de cet exemplaire qui sont peut-être uniques du point de vue bibliographique, qui peuvent modifier une image reproduite, ou qui peuvent exiger une modification dans la méthode normale de télémétrie sont indiqués ci-dessous.

The copy filmed here has been reproduced thanks
to the generosity of:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

The images appearing here are the best quality
possible considering the condition and legibility
of the original copy and in keeping with the
filming contract specifications.

Original copies in printed paper covers are filmed
beginning with the front cover and ending on
the last page with a printed or illustrated impres-
sion, or the back cover when appropriate. All
other original copies are filmed beginning on the
first page with a printed or illustrated impres-
sion, and ending on the last page with a printed
or illustrated impression.

The last recorded frame on each microfiche
shall contain the symbol → (meaning "CON-
TINUED"), or the symbol ▽ (meaning "END"),
whichever applies.

Maps, plates, charts, etc., may be filmed at
different reduction ratios. Those too large to be
entirely included in one exposure are filmed
beginning in the upper left hand corner, left to
right and top to bottom, as many frames as
required. The following diagrams illustrate the
method:

L'exemplaire filmé fut reproduit grâce à la
générosité de:

D. B. Weldon Library
University of Western Ontario
(Regional History Room)

Les images suivantes ont été reproduites avec le
plus grand soin, compte tenu de la condition et
de la netteté de l'exemplaire filmé, et en
conformité avec les conditions du contrat de
flimage.

Les exemplaires originaux dont la couverture en
papier est imprimée sont filmés en commençant
par le premier plat et en terminant soit par la
dernière page qui comporte une empreinte
d'impression ou d'illustration, soit par la second
plat, selon le cas. Tous les autres exemplaires
originaux sont filmés en commençant par la
première page qui comporte une empreinte
d'impression ou d'illustration et en terminant par
la dernière page qui comporte une telle
empreinte.

Un des symboles suivants apparaîtra sur la
dernière image de chaque microfiche, selon le
cas: le symbole → signifie "A SUIVRE", le
symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être
filmés à des taux de réduction différents.
Lorsque le document est trop grand pour être
reproduit en un seul cliché, il est filmé à partir
de l'angle supérieur gauche, de gauche à droite,
et de haut en bas, en prenant le nombre
d'images nécessaire. Les diagrammes suivants
illustrent la méthode.

EAST MIDDLESEX
Promotion and Review Examination,
APRIL, 1891.

First, Second and Third Classes

WEDNESDAY, APRIL 8th.

A.M.—Grammar, Class III.

A.M.—Literature, Class II.

P.M.—Spelling and Composition, Class II.

P.M.—Composition and Spelling, Class III.

THURSDAY, APRIL 9th.

A.M.—Arithmetic, Classes II. and III.

P.M.—Drawing, Hygiene and Temperance, Classes II. and III.

FRIDAY, APRIL 10th.

A.M.—Geography, Classes II. and III.

P.M.—Literature, Class III.

Reading and Writing, Classes II. and III., and the whole of the examination of Class I., at the time the teacher finds most convenient, according to circumstances.

The teacher is expected to bring on Thursday the models required for Drawing.

In the seating of the candidates, in the preparation of the room for the examination, by watchfulness and strict adherence to the Regulations and Time Table, in the reading and valuing of the answers of the pupils, and in every practicable way, the Teacher, or presiding examiner, is expected to do all in his power to make the examination a fair and trustworthy test. Before the examination, all books, maps, or other aids should be removed beyond the possibility of helping the pupils.

Teachers are strongly recommended to meet in twos or threes, as convenient, to read the answers and they may exchange schools for the examination. It has been found beneficial to send a complete tabulated statement of the examination to every parent. Please use the enclosed blank forms for that purpose. They can be filled by the pupils at the dictation of the teacher, and afterwards signed by the latter.

At the H. S. Entrance Examination a marked difference is found in the neatness and style of the papers of the pupils from one school as compared with those from another school. The difference is the result of instruction and practice. At these promotion examinations directions may be given and their observance insisted upon, such as leaving a margin at the left hand side of the page $1\frac{1}{2}$ inches in width, distinct numbering of questions or parts in the margin, paragraphing and where practicable tabulating answers, leaving a blank line after the answer of every question.

These papers are used, although not perfectly adapted, for promotion from the junior to the senior division of a class. A class not writing for promotion should write on the papers for entrance to its class. This affords a valuable review, and by comparison with the marks obtained at the previous examination indicates the progress made.

In many schools the trustees supply the paper for these examinations. The expense to the section is very small, quite incommensurate with the advantages of having a uniform suitable paper for the written examination. Inform the trustees that any one, or all of them, will be welcome at the examination. Some teachers enlist the assistance of their trustees, clergymen or other competent person in conducting the examination.

Tabulate the results and keep a copy. Please mail a report to the Inspector. The postage is one cent if mailed in an open envelope without any correspondence.

The promotion to the Fifth Class will be the H. S. Entrance Examination, to be held for this half-year at London East, Lucan and Parkhill, on the 2nd, 3rd and 4th of July, commencing at 9.00 a.m. on Thursday, the 2nd.
