COPY of DESPATCH from the Right Honourable *H. Labouchere*, M. P., to Governor *Douglas*.

No. 1.  
Right Hon. H. Labouchere, M. P., to Governor Douglas, 28 Feb. 1856.

Sir,

Downing-street, 28 February 1856.

By the Commission and Instructions which your predecessor, Governor Blanchard received when the colony of Vancouver's Island was first founded, he was directed to summon General Assemblies of freeholders, qualified by the ownership of 20 acres of land, and with their advice and that of his Council, to make laws and ordinances for the good government of the island.

2. I am aware that the same Commission contains another clause, professing to empower the Governor to make such laws with the advice of his Council only. Perhaps this was introduced with the view of creating a legislature to meet the immediate wants of the community before Assemblies could be summoned. But I am convinced, as well by the general tenor of the documents themselves as by the information which I have been able to obtain of the intention of Her Majesty's Government in framing them, that it was then contemplated that such Assemblies should be summoned as soon as it should be practicable to do so.

3. Causes over which the local Government had no control, and which are too well known to need recapitulation, have hitherto prevented the settlement from acquiring that development which its founders may have expected. Considering the small number of established colonists, you thought it advisable to act on the power apparently given to yourself to conduct the affairs of the island with the advice of your Council only, and to pass certain laws which you considered most required by the exigencies of the time. In doing so, you proceeded on a fair understanding of the authority conveyed to you, and Her Majesty's Government are fully satisfied with the course which you took.

4. Nevertheless, it has been doubted by authorities conversant in the principles of colonial law, whether the Crown can legally convey authority to make laws in a settlement founded by Englishmen, even for a temporary and special purpose, to any legislature not elected wholly, or in part, by the settlers themselves. If this be the case, the clause in your Commission on which you relied would appear to be unwarranted and invalid.

5. It appears to Her Majesty's Government, therefore, that steps should be taken at once for the establishment of the only legislature authorised by the present constitution of the island. I have, accordingly, to instruct you to call together an Assembly in the terms of your Commission and Instructions.

6. For this purpose it will be within your power, as provided by the ninth clause of your Instructions, to fix the number of representatives, and, if you should consider it essential, to divide the colony into districts, and to establish separate polling places, although with so small a number of settlers you may find this inexpedient.

#### 4 CORRESPONDENCE RELATING TO THE ESTABLISHMENT OF

7. I leave it to your local knowledge and discretion, with the advice of your Council, to suggest to the Assembly, when thus summoned, to pass such measures as you may yourself deem most required, and in particular, such as may be necessary, in order to leave no doubt of the validity of proceedings already taken without the authority of an Assembly.

8. But it appears to me, that in a community containing so very limited a number of inhabitants, the maintenance of a constitution on the model of those considerable colonies, with a House of Representatives and a Council, may be inexpedient: and that a smaller and more select body will, for the present, and probably for some years to come, perform in a satisfactory manner the functions really required in the present stage of progress of the island.

9. Such a body, however, can be constituted only by enactment of the Legislature, authorised by the Commission, that is to say, of the Assembly and Council, together with yourself. It would be no unusual circumstance for a legislature thus constituted to surrender its powers into the hands of a single chamber. It has been successfully done in some of the smaller West India Islands.

10. I leave it to yourself to consider, with the advice of the local authorities, the numbers and proper qualification of the members of such a single Council; but in the event of your determining to introduce the elective principle into it, a certain proportion, not less than one-third, should be nominated by the Crown. The power of assenting to, or negating, or suspending, for the assent of the Crown, the measures passed by such a Council, should be distinctly reserved to yourself. And it is very essential that a constitutional law of this description should contain a proviso, reserving the initiation of all money votes to the local Government.

11. An additional reason in favour of the course which I now prescribe (namely, that of calling together the Assembly, and then, if the Legislature so created think proper, establishing a simpler form of government) is to be found in the circumstance that the relations of the Hudson's Bay Company with the Crown must necessarily undergo revision before or in the year 1859. The position and future government of Vancouver's island will then unavoidably pass under review, and if any difficulty should be experienced in carrying into execution any present instructions, a convenient opportunity will be afforded for reconsidering them.

12. I am aware that Her Majesty's Government are imposing on you a task of some difficulty as well as responsibility in giving you these instructions, especially as they have to be carried into execution with so small an amount of assistance as the present circumstances of your settlement afford. But I have every reason to rely on your abilities and public spirit; and you may, on your part, rely on the continuance of such assistance and support as Her Majesty's Government can render you, and on their making full allowance for the peculiarities of your position.

I have, &c.

Sir,

Downing-street, 23 August 1856.

I HAVE to acknowledge the receipt of your despatches, Nos. 12 and 14,\* of the 22d of May and the 7th of June last.

I am very sensible of the responsibility imposed upon you by my despatch of the 28th of February last, instructing you to convoke a Legislative Assembly, but I am satisfied from your language, that you are fully prepared to encounter that responsibility, and to take the necessary steps.

A REPRESENTATIVE ASSEMBLY AT VANCOUVER'S ISLAND. 5

With respect to the franchise, you have, I do not doubt, very good reason for considering that it is too much restricted by the terms of your Commission. It seems to me, however, that the best course will be not for the present to alter the Commission; but that you should act on it in the first instance, and bring upon the Assembly convoked with it, a measure for extending the suffrage in the manner which you propose.

I HAVE to acknowledge the receipt of your despatch, No. 19,† of the 20th of August.

I have read with satisfaction the speech with which you opened the Session of the Legislature on the 12th August. With respect to the difficulty you experience in constituting a committee to inquire into the validity of the disputed elections; it is probable that that difficulty will have been removed before the receipt of this despatch.

I shall, therefore, await your further report upon the subject.

(Answered, No. 16, 23 August 1856, page 4.)

\* Page 3.

I HAVE the honour to acknowledge the receipt of your despatch No. 5,\* of the 28 February last with its enclosures.

It is, I confess, not without a feeling of dismay that I contemplate the nature and amount of labour and responsibility which will be imposed upon me, in the process of carrying out the instructions conveyed in your despatch. Possessing a very slender knowledge of legislation, without legal advice or intelligent assistance of any kind, I approach the subject with diffidence; feeling, however, all the encouragement which the kindly-promised assistance and support of Her Majesty's Government is calculated to inspire.

Under those circumstances, I beg to assure you that every exertion on my part shall be made, to give effect to your said instructions, at as early a period as possible.

I have not had time since the arrival of your despatch, to consider the subjects treated therein as thoroughly as their importance requires; and therefore have not arrived at any definite conclusion, as to the precise plan for carrying your instructions into effect. I will, however, take the liberty of addressing you again on the subject. I observe that the terms of my Commission only empower me "to summon and call general assemblies of the inhabitants owning 20 or more acres of freehold land within the said island," apparently restricting the elective franchise to the holders of 20 acres of land and upwards, to the exclusion of holders of houses and other descriptions of town property, a class more numerous than the former. I am utterly averse to universal suffrage, or making population the basis of representation; but I think it expedient to extend the franchise to all persons holding a fixed property stake, whether houses or lands in the colony; the whole of that class having interests to serve, and a distinct motive for seeking to improve the moral and material condition of the colony.

With those remarks, I would here take the liberty of enquiring, if it is the desire of Her Majesty's Government to restrict the elective franchise to the holders of 20 acres of land or upwards, or to give the representation a more extended basis.

The mail is on the point of leaving, and I am therefore compelled to bring my remarks thus abruptly to a close.

Answered, No. 16, 23 August 1856, page 4.)

SINCE I had the honour of addressing you on the 22d May last,\* I have held a meeting of Council for the purpose of taking into consideration the instructions contained in your despatch No. 5, respecting the summoning of Assemblies of the freeholders of this colony. I read to Council a draft of the proclamation which I intend to issue for convening the Assembly; proposed that the island should be divided into four electoral districts, and should return seven members; and that the property qualification of members should be freehold estate of the value and not lower than 300 *l.* sterling. The property qualification of voters to be according to the terms of Her Majesty's Commission, 20 acres or upwards of freehold land.

The Council adjourned without coming to any decision till to-morrow, for the better consideration of the subjects laid before them.

The proclamation for convening the freeholders will probably be issued in the course of this week, and the Assembly will probably meet about the first week in August.

There will be a difficulty in finding properly qualified representatives; and I fear that our early attempts at legislation will make a sorry figure; though at all events, they will have the effect you contemplate, of removing all doubts as to the validity of our local enactments.

EXTRACT of DESPATCH from Governor *Douglas*, to the Right Honourable *H. Labouchere*, M. P.; dated Victoria, Vancouver's Island, 22 July 1856.

(Received, 14 October 1856.)

(Answered, No. 18, 21 October 1856, page 5.)

I HAVE the honour of enclosing herewith minutes of the proceedings in the Council of Vancouver's Island, on the 4th and 9th of June last. I stated in my communication of the 7th of June, † the subjects which had been laid before the Council on the 4th of that month. The propositions in respect to the convening and constitution of the Assembly, were approved and passed without alteration at the meeting of the 9th of June.

In order to suit the circumstances of the colony, the property qualification of members was limited to the ownership of 300 *l.* of freehold estate, or upwards. To have fixed upon a higher standard of qualification, would have disqualified all the present representatives, leaving no disposable persons to replace them, and it appeared to me impolitic, as well as unconstitutional, to dispense altogether with the property qualification.

You will observe by the said minutes, that absentee proprietors of freehold estates are allowed to vote through their resident agents or attorneys, after the example of British Guiana.

The division of the settlements into four electoral districts, admits of a more equal representation, and has given more general satisfaction to the colonists, than a single poli opened in any one district.

The electors are so few in number, that the returns were mere nominations in all the districts with the exception of Victoria, where the contest was stoutly maintained by no fewer than five rival candidates.

The elections are now over, and the Assembly is convened for the 12th day of August.

MINUTE of COUNCIL.

Vancouver's Island, 4 June 1856.

THE Council having met this morning, pursuant to summons, the Governor being present and the following members; to wit, John Tod, senior member, James Cooper, Roderick Finlayson, John Work,—

The Governor proceeded to lay before the Council certain instructions lately received by him from the Secretary for the Colonies, instructing him to call general assemblies of the people for the purpose of carrying Her Majesty's instructions fully into effect; and the Council adjourned at 5 o'clock p. m. till Monday the 9th of June.

9 June 1856.

THE Council having met this morning, pursuant to adjournment, the Governor being present, and the following members; to wit, John Tod, senior member, James Cooper, John Work,—

Resume the consideration of Her Majesty's instructions for calling general assemblies of the freeholders of Vancouver's Island.

The subjects under consideration on the 4th instant were as follows; to wit,

The property qualification of members serving in the general assembly.

The property qualification of voters.

The right of absentee proprietors to be represented in the general assembly.

The Governor laid down as a principle that the custom or practice observed in England should, as far as possible, be adopted in this colony in framing the rules for elections, and proposed,

That the ownership of 300 l. of freehold property or immovable estate should constitute the qualification of a member of the Assembly.

That absentee proprietors shall be permitted to vote through their agents or attorneys.

That the qualification of voters should be the ownership of 20 acres of freehold land or upwards, as required by his instructions from the Crown.

The Council expressed their unanimous concurrence with those suggestions, and the proposed regulations are finally settled and approved.

It was then resolved that the settlements should be divided into four electoral districts; viz.,

Victoria District - - The country east of the Victoria Arm, and of a line running in a northerly direction towards Sanitch, so as to include Peer's Farm.

Esquimalt District - - The country west of Victoria Arm and east of Pedder Bay, including M'Kenzie's and the farms west of Colquot's River.

Soke District - - - From Pedder Bay to Otter Head, the headland beyond Soke.

Nanaimo District - - Colville Town.

It was then resolved, That this Council do now adjourn.

EXTRACT of DESPATCH from Governor *Douglas* to the Right Honourable  
*H. Labouchere*, M. P.; dated Victoria, Vancouver's Island, 20 August  
1856.

(Received, 23 October 1856.)

(Answered, No. 19, 10 November 1856, page 5.)

THE House of Assembly was opened on the 12th of the present month. The affair passed off quietly, and did not appear to excite much interest among the lower orders.

I herewith forward a copy of my address to the Assembly on that occasion, which I can only hope will meet with your approbation. As mentioned in one of my previous communications, the House of Assembly consists of seven members, viz.,

John Muir	-	-	-	-	-	-	Soke District.
John S. Helmcken	}	-	-	-	-	-	Esquimalt District.
Thomas Skinner							
J. D. Pemberton	}	-	-	-	-	-	Victoria District.
James Yates							
E. E. Langford							
John F. Kennedy	-	-	-	-	-	-	Nanaimo District.

J. S. Helmcken has been elected Speaker of the House, but nothing further has been done; in consequence of objections having been raised to the validity of the election in one instance, and to the property qualification in two cases, making three out of the seven members against whose return petitions have been sent in, leaving only the Speaker and three members at liberty to act, and that number is insufficient to form a committee of inquiry, the House, therefore, hardly know how to get over the difficulty. One of the petitions is evidently got up for mere party purposes, and if that were withdrawn, there would be four members and the Speaker, who might proceed to regulate the affairs of the House. In the territorial governments of the United States, the practice in such cases is, for the governor to grant certificates of qualification to a majority of the members, who then proceed to constitute the House, but I am not certain if such a course would be in harmony with English law; nevertheless, if the House should appeal to me on the subject, I will have recourse to that expedient.

Enclosure in No. 10.

The Governor's Address on opening the General Assembly at *Victoria*,  
Tuesday, 12 August 1856.

Gentlemen of the Legislative Council, and of the House of Assembly.

I congratulate you most sincerely on this memorable occasion; the meeting in full convention of the General Assembly of Vancouver's Island, an event fraught with consequences of the utmost importance to its present and future inhabitants; and remarkable as the first instance of representative institutions being granted in the infancy of a British colony.

The history and actual position of this colony are marked by many other remarkable circumstances. Called into existence by an Act of the Supreme Government, immediately after the discovery of gold in California, it has maintained an arduous and incessant struggle with the disorganising effects on labour of that discovery. Remote from every other British settlement, with its commerce trammelled, and met by restrictive duties on every side, its trade and resources remain undeveloped.

Self-supporting, and defraying all the expenses of its own Government, it presents a striking contrast to every other colony in the British empire, and like the native pines of its storm-beaten promontories, it has acquired a slow but hardy growth.

Its future progress must, under Providence, in a great measure depend, on the intelligence, industry, and enterprise of its inhabitants, and upon the legislative wisdom of this Assembly.

Gentlemen, I look forward with confidence and satisfaction to the aid and support which the executive power may in future expect to derive from your local experience and knowledge of the wishes of the people, and the wants of the country. I feel assured that, as public men, holding a solemn and momentous trust, you will, as a governing principle, strive with one accord to promote the true and substantial interests of the country; and that

that our legislative labours will be distinguished alike by prudence, temperance, and justice to all classes.

Gentlemen, I am happy to inform you, that Her Majesty's Government continue to express the most lively interest in the progress and welfare of this colony.

Negotiations are now pending with the Government of the United States, which may probably terminate in an extension of the reciprocity treaty to Vancouver's Island.

To show the commercial advantages connected with that treaty, I will just mention that an import duty of 30 *l.* is levied on every 100 *l.*'s worth of British produce which is now sent to San Francisco, or to any other American port; or, in other words, the British proprietor pays as a tax to the United States, nearly the value of every third cargo of fish, timber, or coal, which he sends to any American port. The reciprocity treaty utterly abolishes those fearful imposts, and establishes a system of free trade in the produce of British colonies.

The effects of that measure, in developing the trade and natural resources of the colony, can, therefore, hardly be over-estimated.

The coal, the timber, and the productive fisheries of Vancouver's Island, will assume a value before unknown: while every branch of trade will start into activity, and become the means of pouring wealth into the country.

So unbounded is the reliance which I place in the enterprise and intelligence possessed by the people of this colony, and in the advantages of their geographical position, that, with equal rights and a fair field, I think they may enter into successful competition with the people of any other country.

The extension of the reciprocity treaty to this island once gained, the interests of the colony will become inseparably connected with the principles of free trade, a system which, I think, it will be sound policy on our part to encourage.

Gentlemen, the colony has been again visited this year by a large party of northern Indians, and their presence has excited in our minds a not unreasonable degree of alarm.

Through the blessing of God, they have been kept from committing acts of open violence, and been quiet and orderly in their deportment; yet the presence of large bodies of armed savages, who have never felt the restraining influences of moral and religious training, and who are accustomed to follow the impulses of their own evil natures, more than the dictates of reason or justice, gives rise to a feeling of insecurity, which must exist as long as the colony remains without military protection.

Her Majesty's Government, ever alive to the dangers which beset the colony, have arranged with the Lords Commissioners of the Admiralty, that the "President" frigate should be sent to Vancouver's Island; and that measure will, I have no doubt, be carried into effect without delay.

I shall, nevertheless, continue to conciliate the good will of the native Indian tribes, by treating them with justice and forbearance, and by rigidly protecting their civil and agrarian rights; many cogent reasons of humanity and sound policy recommend that course to our attention, and I shall therefore rely upon your support in carrying such measures into effect.

We know, from our own experience, that the friendship of the natives is at all times useful, while it is no less certain that their enmity may become more disastrous than any other calamity to which the colony is directly exposed.

Gentlemen of the House of Assembly, according to constitutional usage, with you must originate all Money Bills; it is, therefore, your special province to consider the ways and means of defraying the ordinary expenses of the government, either by levying a Customs duty on imports, or by a system of direct taxation.

The poverty of the country and the limited means of a population struggling against the pressure of numberless privations, must necessarily restrict the amount of taxation; it should, therefore, be our constant study to regulate the public expenditure according to the means of the country, and to live strictly within our income.

The common error of running into speculative improvements, entailing debts upon the colony, for a very uncertain advantage, should be carefully avoided.

The demands upon the public revenue will at present chiefly arise from the improvement of the internal communications of the country, and providing for the education of the young, the erection of places for public worship, the defence of the country, and the administration of justice.

Gentlemen, I feel, in all its force, the responsibility now resting upon us. The interests and well-being of thousands yet unborn may be affected by our decisions, and they will reverence or condemn our acts according as they are found to influence for good or for evil the events of the future.

Gentlemen of the House of Assembly, I have appointed Chief Justice Cameron to administer the oath of allegiance to the Members of your House, and to receive your declarations of qualification; you may then proceed to choose a Speaker, and to appoint the officers necessary for the proper conduct of the business of the House.

1. I HAVE the honour to acknowledge the receipt of your despatch, No. 16\* of the 23d of August in reply to my communications, Nos. 12 and 14 of the 22d May, and the 7th of June last, reporting my proceedings in respect to carrying out the instructions contained in your despatch of the 28th of February 1856, for convoking a Legislative Assembly in this colony, and requesting advice and instructions from you on various subjects connected with that measure.

No. 15,  
22 July 1856.  
No. 19,  
20 August 1856.

2. I have since, in my several despatches of the numbers and dates mentioned in the margin, reported to you the several steps taken towards carrying those instructions into effect, and the formal opening of the House of Assembly on the 12th day of August last, together with the objections raised to the property qualification of certain members, who took their seats on that occasion, and the consequent difficulty experienced in organising the House.

3. After repeated adjournments the Speaker with much tact and address, finally succeeded, without my interference, in adjusting party differences, and forming a committee, which immediately proceeded with an inquiry into the qualifications of the members elect, and declared the return of Edward E. Langford null and void, in consequence of his not having sufficient property to constitute a legal qualification, and then adjourned to the 24th day of October (present).

4. A fresh writ' was in consequence issued, and Joseph William M'Kay was returned without opposition as member for the district of Victoria, in the place of Edward E. Langford.

5. The House met on the 24th day of the present month (October), and after some necessary arrangements adjourned to the 13th day of November next, when they will be prepared for serious work.

6. Those delays have not been without their use, as the members have had time to prepare for the proper discharge of the public duties they have to perform, and their minds have been disabused of many false notions, which were commonly entertained here, concerning the powers and jurisdiction of the House of Assembly, so that on the whole I do not regret the time spent in constituting the House.

7. I observe with satisfaction that in abiding by the terms of my Commission, in respect to the franchise, I have acted in conformity with the instructions, on that point, contained in your despatch, and we shall further carry out your instructions by bringing a measure before the Assembly, when it is found desirable to extend the suffrage.

† Supra.

1. My last report of the 31st of October †, on the proceedings of the House of Assembly, closed with its adjournment to the 13th day of November, when it again met, and remained in session till the 18th of December, it then adjourned for the Christmas recess.

2. The House has been so far chiefly occupied with matters of detail, connected with the expenditure and financial condition of the colony. I furnished every means of information in my power connected with those subjects, as you will observe through my correspondence with the House, which is herewith forwarded.

3. A Bill granting the sum of 130*l.* sterling, for paying the servants, and defraying the ordinary expenses of the House, was passed on the 18th day of December, and the same will be brought before the Council at an early day.

4. I am now preparing a Bill for imposing a Custom's duty on imports, as a means of meeting the ordinary expenses of Government; but the subject must be approached with caution, as there is a very general feeling in both Council and Assembly against taxation under any form, and I am prepared to encounter much clamour and opposition in carrying so unpopular a measure through the Houses.

Government House, Victoria, Vancouver's Island,  
27 November 1856.

Mr. Speaker and Gentlemen of the House of Assembly,

I HEREWITH transmit the documents described in the accompanying schedule, for your information. The colonial accounts, extending to the close of 1855, are not yet completed, and therefore cannot be laid before the House in full.

You will, however, find, among the documents now transmitted, a full account of all lands appertaining to the public domain of this colony, which have been sold up to the 10th day of October last, and also a classified abstract of the expenditure of the colony, for the year ending with the 1st day of November 1855.

In addition to the proceeds arising from sales of the public domain appearing in the documents herewith, the sum of 6,193*l.* has been received from the Hudson's Bay Company, for lands purchased on their account within the colony.

14 CORRESPONDENCE RELATING TO THE ESTABLISHMENT OF

Further documents, relative to the financial state of the colony, will be sent to the House as soon as they are made up.

I have to recommend that a sufficient money appropriation be made by the House to defray the expense of preparing any documents required for their information in future, as there are at present no funds at my disposal for that purpose.

I beg that the charter of grant of Vancouver's Island may be returned when convenient, as I have no other copy.

House of Assembly, Vancouver's Island,  
3 December 1856.

THE Speaker begs to inform his Excellency the Governor that the House of Assembly met this day adopted the following resolutions, and ordered the same to be presented to your Excellency.

1st. That the thanks of this House be presented to his Excellency the Governor for the communication of November 27th, 1856, and that the subject "relating to a supply of money for copying documents, &c." shall be taken into consideration at an early period.

2d. It was resolved, That respectful application be made, on the part of the House of Assembly, to know "what funds are subject to its control (if any), the amount of the same, and from what source derived; also, what fund is the royalty upon coal paid into?"

3d. That T. J. Skinner, Esq. was elected Chairman of Committee and Deputy Speaker.

The House stands adjourned until Saturday next, December 6th; then to meet at 10 a. m.

(signed) *J. S. Helmcken*, Speaker.

Government House, Victoria, Vancouver's Island,  
6 December 1856.

Mr. Speaker and Gentlemen of the House of Assembly,

I HAVE further to transmit with this communication abstracts of the income and expenditure of the colony for the two years ending respectively with the 31st day of October 1853 and 1854.

I have received your Speaker's address of the 3d day of December, and highly appreciate your complimentary message.

In reply to the following questions of the House, "What funds are subject to its control?" "the amount of such funds?" "from what source derived?" and "to what fund is the royalty upon coal paid into?" I would observe that I am not at present prepared to

give the House a reliable and decided answer. My own impression, however, is, that the House can exercise a direct control only over the revenue raised in the colony through the act of the general Legislature.

The revenue derived from the tax on licensed houses is therefore, I conceive, the only fund absolutely at our disposal; the proceeds arising from "land sales," "royalties," and "timber duties" being remitted and placed to account of the Reserve Fund in England, which is, however, also exclusively applicable for colonial purposes, with the exception of 10 per cent., allowed by virtue of the charter of grant to the Hudson's Bay Company.

The amount of revenue derived from the duty on licensed houses, for the respective years mentioned, is given in the annexed table:—

	£.	s.	d.
Year 1853 - - - - -	220	-	-
" 1854 - - - - -	460	-	-
" 1855 - - - - -	340	-	-

Those sums are also embodied in the abstracts of the colonial accounts transmitted to the House.

House of Assembly, Vancouver's Island,

The Speaker,

HAS the honour to inform his Excellency the Governor, that the House of Assembly resolved this day:

"That the Speaker be requested to thank his Excellency the Governor, on behalf of this House, for the information so courteously and promptly afforded;" and further, "to apply to his Excellency for similar information for the year ending November 1856;" as also to ask, "Whether there is any charge against the Licence Fund, to come under their control from that date."

The House of Assembly will meet again on Wednesday next, at 11 a. m., and resolve itself into a Committee of Supply.

Government House, Victoria,  
10 December 1856.

Mr. Speaker and Gentlemen of the House of Assembly,

I HAVE received your address, through Mr. Speaker's communication of the 6th December, and I thank you, gentlemen, for your kind message.

I herewith transmit, for your information, an abstract of the expenditure and income of the colony, made up to the 31st day of October last, excepting, however, the income derivable from the royalty on coals, and the duty on timber, of which a statement will be sent to the House as soon as the returns are received.

With respect to your inquiry touching the application of the duty on licensed houses for the year 1856, I have to inform the House that the whole sum derived from that source of revenue was paid over to the Hudson's Bay Company immediately after collection, and was carried, with the other proceeds of revenue, to the credit of the General Colony Account, as shown by the abstract of the year's income transmitted with this communication.

Victoria, Vancouver's Island, 24 February 1857.

Sir,

\* Page 5.

1. I HAVE the honour to acknowledge the receipt of your despatches, Nos. 18 and 19,\* of the 21st of October and the 10th of November last.

2. It is very gratifying to learn that the speech with which I opened the Legislature on the 12th of August, has received your approval.

3. The House of Assembly not having met for regular business since my report of the 9th of January, there is nothing of importance to add to the information then communicated respecting its proceedings.

4. The Council was convened on the 14th day of the present month, for the consideration of an Act passed by the House of Assembly on the 18th day of December granting the sum of 130*l.* sterling, chargeable to the duties on licensed houses, to be applied, in the manner stated in the several clauses of the Act, as it appears in the minutes of Council forwarded herewith. This Act, with some few verbal alterations, passed the Council on that day, and will be transmitted after receiving the final approval of the House of Assembly.

5. The consideration of the Rules and Regulations of the Supreme Court for the administration of justice in civil cases, as submitted by Chief Justice Cameron, with a communication of which I herewith forward a copy, was taken up on the 14th, and finally passed the Council without alteration on the 17th of February.

6. A copy of those rules will also be transmitted for Her Majesty's final approbation or disallowance, as soon as transcribed and carefully revised, and by that time the official seal of the court, for which I took the liberty of sending a requisition with my despatch, No. 18, of the 14th of August last, will probably have arrived in this country, and will be attached to the document as directed by Her Majesty's Order in Council.

7. A copy of the proclamation of the Rules and Regulations of the Supreme Court, published on the 18th of this month of February, is also forwarded with this despatch.

8. Hoping that those proceeding may meet with your approval.
