*Re Arrears Due.*

NORTH-WEST MOUNTED POLICE, OTTAWA, March 27, 1899.

SIR,—Referring to your circular letter asking for a detailed statement, arranged alphabetically, of all arrears due on the 30th June last that have not been paid : (1.) by collecting officers ; (2.) by disbursing officers ; (3.) by all other persons whether government officers or not.

1. We have no collecting officers in connection with Mounted Police matters. Officers of the Force in the Yukon Territory have collected Revenue for the Department of Interior, all of which, so far as I am aware, has been accounted for. They have also collected Customs Revenue, and whilst all has been accounted for, I am unable to say that everything has been finally adjusted. There is one amount about which correspondence is still going on. I am under the impression however that it properly belongs to the current fiscal year.

2. There are a few items of Police expenditure which, although supported by voucher, require further explanation. We have been much inconvenienced in regard to the Yukon service by the irregularity of communication, aggravated by the total loss of a large official mail containing information relating to various matters of expenditure. This mail is being duplicated.

3. I am not aware of any arrears due by other persons.

I am, sir, your obedient servant,

FREDR. WHITE, *Comptroller.*

The Auditor General.

## Auditor General's Report—Part N

### Letter Carriers at Brantford not entitled to Privileges of Superannuation Act.

AUDIT OFFICE, OTTAWA, December 22, 1898.

SIR,—I beg to bring to your notice the deductions made from the salaries of Messrs. Broatch, Lake and Waddington, letter carriers at Brantford, Ont., during the past fiscal year, for superannuation purposes.

Please let me know under what authority these employees have been brought under the provisions of the Civil Service Superannuation Act.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDUGALL, A.G.

POST OFFICE DEPT., OTTAWA, December 28, 1898.

SIR,—I am in receipt of your letter of the 22nd instant, asking upon what authority Messrs. Broatch, Lake and Waddington, letter carriers at Brantford, have been brought under the provisions of the Superannuation Act. In reply, I beg to say that provision was made by Parliament for the salaries of these letter carriers, and, having complied with the provisions of the Civil Service Act, and being regularly appointed by Order in Council, of 30th December, 1897, they were considered members of the Civil Service.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.G.

AUDIT OFFICE, OTTAWA, December 31, 1898.

SIR,—With reference to your letter of the 28th instant, in explanation of the application of the Civil Service Superannuation Act to the letter carriers within the prescribed age, who have been recently appointed at Brantford, I beg to point out that they do not come within the provisions of the Civil Service Act for the reason that they are not letter carriers in connection with a city post office.

Brantford is not a city post office within the meaning of that term in Schedule B of the Civil Service Act.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDUGALL, A.G.

*Note by A.G.*—These clerks have been brought under provisions of Civil Service Retirement Act by Order in Council, October 26, 1898.—J. L. McD.

### Employment of Mr. Lefebvre at Sherbrooke Post Office.

AUDIT OFFICE, OTTAWA, October 24, 1898.

SIR,—I beg to bring to your notice a payment of \$292.44 made to Mr. J. V. Lefebvre in May last, for services at the Sherbrooke post office, from August 6, 1897, to May 31, 1898. The nature of the services rendered is not stated on the voucher, nor is there any explanation given for not having paid Mr. Lefebvre for his services at the end of each month, as is usual with other employees. Has Mr. Lefebvre passed the Civil Service qualifying examination, and if so, when and where did he present himself for examination?

I ask this question because I notice that payment has been made at the rate of \$400 per annum, which is the rate of pay for a temporary clerk.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDUGALL, A.G.

POST OFFICE DEPT., OTTAWA, Dec. 1, 1898.

SIR,—I beg to acknowledge your letter of October 24th, re payment made to Mr. J. V. Lefebvre, and to say that the sum of \$292.44 was paid to him for services as a labourer at the Sherbrooke Post Office, from August 6th, 1897, to April 31st, 1898. Mr. Lefebvre has not passed the Civil Service qualifying examination, and is employed as a labourer in the Sherbrooke post office.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.G.

### Employment of Miss Mary Ford in Post Office Inspector's Office, Kingston.

AUDIT OFFICE, OTTAWA, October 20, 1898.

SIR,—I beg to inform you that I have not received the authority of the Governor in Council for the appointment of Miss Mary Ford as temporary clerk in the office of the Post Office Inspector at Kingston, in which capacity she was paid during the months of May and June last at the rate of \$400 per annum.

Has Miss Ford passed the Civil Service qualifying examination, and if so, when and where did she present herself for examination ?

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPT., OTTAWA, Nov. 16, 1898.

SIR,—I have to acknowledge your letter of the 20th ultimo, on the subject of the employment of Miss Mary Ford in the Kingston post office.

In reply, I am to say that it was not intended to employ Miss Ford as a clerk in that office, and it was through a misunderstanding that her name was so entered on the pay-list.

The intention was to employ Miss Ford upon miscellaneous duties in the office, and to pay her a per diem allowance therefor, as is done in the case of day labourers.

To avoid misunderstanding, the payment to Miss Ford will be converted into a per diem allowance of \$1.10.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.G.

AUDIT OFFICE, OTTAWA, February 13, 1899.

SIR,—With reference to your letter of the 16th November last, in explanation of the employment of Miss Ford in the office of the Post Office Inspector at Kingston, I beg to point out that if the miscellaneous duties upon which you say she is employed are such as are usually performed by a temporary clerk, then the appointment should have been made subject to the provisions of the Civil Service Act.

Is Miss Ford a copyist, or otherwise engaged in clerical work in the office ?

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

### Doctor's Certificate at Toronto P. O. paid from the Appropriation.

AUDIT OFFICE, OTTAWA, August 30, 1898.

SIR,—I beg to ask for explanation of a payment of \$6 made to Dr. Adam Lynd, by Cheque 1572 of last year for reporting on three cases of illness at the Toronto post office. I do not know of any expenditure of a similar nature having been made heretofore, and I shall be glad if you will let me know your authority for recognizing the claim in the present instance.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPT., OTTAWA, Sept. 3, 1898.

SIR,—I have the honour to acknowledge your letter making inquiry respecting certain payments made to Dr. Adam Lynd, for reports made by him on certain cases of illness in the Toronto post office.

In reply, I am to say that the postmaster of Toronto was instructed to apply to Dr. Lynd for his professional opinion in cases in which the department was not wholly satisfied with the certificates obtained by the employees from their own physicians.

It was only in three cases during the year ended 30th June, 1898, that a recourse to Dr. Lynd was judged to be necessary ; but as his certificate in each case was obtained in the interest of the service, and in addition to other medical opinion paid for by the employees themselves, it was considered that the payment of Dr. Lynd's charges properly devolved on the department.

I am, sir, your obedient servant,

The Auditor General.

W. P. LESUEUR, Acting D.P.G.

### Compensation for Cancellation of Contract.

AUDIT OFFICE, OTTAWA, August 29, 1898.

SIR,—I beg to ask for explanation of a payment of \$50 by Cheque 756 to Aldéric Fortier for damages sustained through cancellation of his contract for mail service between Papineauville and St. André Avellin.

This payment was made from the appropriation for Post Office, Miscellaneous—a vote which is not applicable to mail service.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDUGALL, A.G.

---

POST OFFICE DEPT., OTTAWA, February 23, 1899.

SIR,—With reference to your inquiry as to the payment of \$50 damages to Mr. A. Fortier, I beg to state that tenders were invited for the mail service between Papineauville and St. André Avellin, and upon their being received were duly opened to be entered up in the register of tenders, prior to the awarding of the contract. The clerk whose duty it was to enter them, by error entered in the register the tender of Mr. Paul Boyer as being at the rate of \$80 a year, whilst, in fact, it was at the rate of \$70 a year and the lowest tender appeared to be that of Mr. A. Fortier, at \$75 a year. The contract was accordingly awarded to him, he appearing upon the register to be the lowest tenderer. Subsequently, the error referred to was discovered, and steps were taken to cancel the contract so erroneously awarded to Mr. Fortier, and that gentleman made the claim of \$50 to reimburse him for the expenses incurred in connection with providing an equipment to perform the contract, and the amount appearing reasonable, the same was paid to him. The service was then again submitted to tender, and as a result was awarded to Mr. Boyer, the lowest tenderer, at \$30 a year.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.G.

### Refund of a Payment made for Mail Service.

AUDIT OFFICE, OTTAWA, June 22, 1898.

SIR.—There is a refund to the credit of the appropriation for Post Office Mail Service of the current fiscal year of \$300, made by A. E. Lee, contractor on the mail route between Jarvis and railway station.

This amount is described on a return from your department as an overpayment for the service from July 1, 1894, to June 30, 1897, and I shall be obliged if you will inform me how this overpayment occurred. So far as I can find out, Mr. Lee was paid each quarter the amount entered on the inspector's pay-list, which was certified as correct by that officer.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDUGALL, A.G.

---

POST OFFICE DEPT., OTTAWA, June 29, 1898.

SIR,—I beg to acknowledge the receipt of your letter of the 22nd inst. with reference to a refund of \$300 made by the contractor for the Jarvis and Railway Station service, and asking to be informed how the overpayment occurred.

In reply, I beg to say that a contract was entered into with Mr. E. A. Lee for a service of four trips daily between Jarvis and railway station, including a transfer of the mails at the station three times per diem. This arrangement was misunderstood by the late inspector, Mr. Spry, who reported the service as seven trips daily instead of four. It was consequently paid at the increased frequency. The accountant's application of the 16th instant, asked to have this amount credited to Casual Revenue, and not to the appropriation for Post Office Mail Service of the current fiscal year, as stated in your letter.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.G.

### Refund of Salary paid to a Letter Carrier at Toronto.

AUDIT OFFICE, OTTAWA, June 15, 1898.

SIR,—I beg to acknowledge the receipt of your letter of the 8th instant, inclosing a deposit receipt for \$91.88, being a refund of salary made by Mr. W. A. Goad, a letter carrier at Toronto post office.

It appears from your letter that this refund was made because Mr. Goad was absent from duty from July 9 to September 4, 1897; but no explanation is given for having paid his regular salary in due order, nor is there any reference to his absence on the pay-lists for the months covering the period in question, which have been sent to this office for audit, and which are certified as follows by the postmaster:—"I certify that the service for which payment is asked has been performed, and the salaries charged are according to statute."

I am, sir, your obedient servant.

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPT., OTTAWA, July 6, 1898.

SIR,—I beg to acknowledge your letter of the 15th ultimo, on the subject of the refund of \$91.88 by W. A. Goad, letter carrier, of Toronto, and to say that leave of absence was granted Mr. Goad without pay. Some time later it was discovered that Mr. Goad had been paid during the time he was absent from duty. The postmaster at Toronto was communicated with, requesting that the \$91.88, which had been illegally paid Mr. Goad be refunded. This was done, and the money deposited by the accountant to the credit of the Receiver General.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.G.

### Leave of Absence to Temporary Employee.

AUDIT OFFICE, OTTAWA, May 12, 1898.

SIR,—I beg to inform you that I have received an Order in Council of the 3rd instant, directing that Mr. F. G. Gray, who has been employed as a temporary clerk in the inside service of the Post Office Department since October 17, 1892, at a salary of \$400 a year, be granted leave of absence from July 1 to September 1, 1898, at which latter date his resignation as such clerk shall be accepted by the department.

I call your attention to this matter because, in my opinion, it is not legal to grant the leave of absence contemplated by the Order in Council referred to.

Under section 47 of the Civil Service Act, as amended by 58-59 Victoria, chapter 15, the Governor in Council may authorize the employment of such number of temporary clerks, &c., as is shown to be necessary on account of temporary pressure of work or other cause in any department, and that the clerks so appointed may be continued in such employment so long as the pressure of work remains, but no temporary employment shall give any person so employed any claim to further temporary employment.

If, then, the department is in a position to dispense with the services of Mr. Gray on July 1, it has no authority to pay him for a period beyond that date, as the pressure of work which necessitated his employment must have ceased to exist, or has been met by another appointment.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

### Travel of Superintendents of Railway Mail Service.

POST OFFICE DEPT., OTTAWA, May 5, 1898.

SIR,—My attention has been called to the question as to whether the Superintendents of Railway Mail Service should be paid mileage or actual expenses when absent on duty from headquarters, and I should be pleased to have your ruling on the matter.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.G.

## Auditor General's Report—Part N

AUDIT OFFICE, OTTAWA, May 9, 1898.

SIR,—Under the Civil Service Act, as amended by 52 Victoria, chapter 12, railway mail clerks may be paid a certain mileage allowance in addition to their salaries. In my opinion, it would not be legal to pay this allowance, as such, to employees other than railway mail clerks. The crucial point therefore is, are superintendents railway mail clerks within the meaning of Schedule B of the Civil Service Act? Section 120 of 60-61 Victoria provides that the Governor in Council may appoint to the railway mail service branch, a controller, together with such superintendents, railway mail clerks, &c., as are deemed necessary. In this section there is clearly a distinction made between superintendents and railway mail clerks, which I think renders the provision of the Civil Service Act with regard to mileage allowance inoperative so far as the former class of employees is concerned. For this reason it appears to me that superintendents, when they travel on Government business, should receive their actual necessary expenses.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPT., OTTAWA, May 13, 1898.

SIR,—I beg to acknowledge receipt of your favour of the 9th instant, regarding the mileage allowance paid to the superintendents of the railway mail service, which you appear to think should be paid to railway mail clerks alone.

In reply, I have to say that, commencing with the 1st of June next, the superintendents, when they travel on Government business, will be paid their actual necessary expenses.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.G.

### Deduction for Superannuation Purposes from salary of J. A. W. LeBel.

AUDIT OFFICE, OTTAWA, May 7, 1898.

SIR,—With reference to the pay-lists of the month of August, 1897, from the office of the post office inspector at Quebec, I beg to call your attention to the superannuation deduction made from the salary of Mr. J. A. W. LeBel, who was recalled to Civil Service by Order in Council dated August 10th, 1897. It appears from the Civil Service list that Mr. LeBel, who was formerly a clerk in the Quebec post office, was born in November, 1838, and consequently was not, at the time of his new appointment—being over forty-five years of age—entitled to the benefits of the Civil Service Superannuation Act, as amended by 56 Victoria, chapter 12, unless it can be shown that he is so entitled in consequence of the provision made in section 12 of the Civil Service Superannuation Act respecting the rank or emolument of the position to which he may be recalled.

Mr. LeBel was paid salary from August 23rd, and drew, in addition, the full superannuation allowance for that month.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

### Employment of Temporary Letter Carriers at Montreal.

AUDIT OFFICE, OTTAWA, Sept. 15, 1897.

SIR,—I have the honour to inform you that I have received an Order in Council of the 4th instant, authorizing payment of salary at the rate of \$360 per annum to Albert Bissonnette, Ludger Carignan and Celestine Gravel, who have been employed at the Montreal post office as letter carriers since July last.

It appears from the information furnished by the department that the employment of these persons in the first instance was illegal, for the reason that they had not passed the Civil Service examination; and I desire to point out that the same objection holds good to their employment in a temporary capacity, inasmuch as they have not qualified, under section 47 of the Civil Service Act, as amended by 58-59 Victoria, chapter 15, section 8. In view of this fact, no payment should be made them for the services rendered as letter carriers without the special authority of Parliament.

In connection with their first appointment in July last, I beg to inform you that I have not received the necessary authority of the Governor in Council, called for by section 7 of the amending Act to which I have referred.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

### Meritorious Conduct of Miss Burnham, Windsor, N.S.

AUDIT OFFICE, OTTAWA, February 9, 1898.

SIR,—I beg to inform you that I have received an Order in Council dated the 3rd instant, authorizing the payment of \$20 to Miss Burnham, "in recognition of her very meritorious conduct in removing, at considerable personal risk the post office cash and stamps and the registered matter, to a place of safety, on the occasion of the fire at the town of Windsor, N.S., in October, 1897," and to point out that, in my opinion, there is no parliamentary appropriation in the Supply Bill of the current fiscal year from which this sum may properly be paid.

I trust, therefore, you will not issue a cheque for the amount specified under your letter-of-credit, until Parliament has made the necessary provision in that respect.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

### Cancellation of Mail Contract—Golden and Fort Steele.

AUDIT OFFICE, OTTAWA, March 2, 1898.

SIR,—I beg to inform you that I have received an Order in Council of the 22nd ult., authorizing the cancellation of a mail contract held by Mr. L. C. Fulmer, for the service between Golden and Fort Steele, in British Columbia, for the reason that the amount of the contract was not sufficient to cover the expenses, and further empowering the Postmaster General to enter into a new contract for the same service with Mr. W. D. Kerfoot at the rate of \$9,000 per annum—a sum considerably more than double the original contract amount.

The duration of this new contract will not, it appears, exceed six weeks, as by that time the Canadian Pacific Railway Co. will be prepared to carry the mails to Fort Steele and its vicinity over the branch line now in course of construction through the Crow's Nest Pass.

The contract with Mr. Fulmer covered a period of four years from July 1, 1897, but in view of the early completion of the Canadian Pacific branch line, and the more reasonable and expeditious means which it would afford for the transport of the Fort Steele mails, I presume it would not be in the public interest to allow the contract to expire through efflux of time; but it seems to me Mr. Fulmer should have been held to his responsibilities until the opening of the railway line, especially when not doing so caused increased cost for the service covered by his contract.

Under all contracts for mail service, the Postmaster General reserves to himself the right to cancel any agreement whenever he deems the public interest call for such intervention, by giving three months' notice to the contractor; but this reserved right does not empower him to release a contractor or his sureties from their obligations, for the reason that the contractor tendered too low in the first instance.

It seems to me that the department should have called on the sureties to come to the rescue of the contractor when he failed to carry out his contract, or else forfeit the amount of their bond.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPT., OTTAWA, February 23, 1899.

SIR.—In reply to your letter of March 2, 1898, I have to say that the sureties for Mr. L. C. Fulmer, contractor, for carrying the mails between Golden and Fort Steele, have not been released. The service is one hundred and seventy-five miles in length, through a country a considerable portion of which is very rocky and rough, and required an equipment of thirty horses, with stations for supplies, &c. The sureties were in no position to carry on the service, and it was not deemed in the public interest to allow the

service to be discontinued, and accordingly a temporary arrangement was made with Mr. Kerfoot, who, it appears, owned or controlled a large portion of the horses and plant being used by Mr. Fulmer.

The Auditor General.

### No Salary during Period of Suspension.

AUDIT OFFICE, OTTAWA, December 23, 1898.

SIR,—I have just received a copy of the Order in Council of the 16th December, which deals with the case of Mr. J. E. Gervais, one of your outside service employees. He was apparently suspended on 16th September, 1897, and dismissed on 26th November, 1897.

In this connection I would draw your attention to section 50, subsection *b* of the Civil Service Act, which makes it illegal to give pay to a person for the time of his suspension. Manifestly, pay to the wife of a clerk is as illegal as paying the clerk himself.

I am, sir, your obedient servant,

The Deputy Postmaster General.

### Carriage of Mails between Lévis and Montreal—Grand Trunk.

AUDIT OFFICE, OTTAWA, January 19, 1899.

SIR,—It appears from the vouchers sent me in support of the expenditure during the fiscal year 1897-98 for mail service by railway, that the Intercolonial Railway was paid a mileage rate between Lévis and Montreal over the Drummond County road, from February 20, 1898.

I presume that the through mails from the maritime provinces, or at least that portion of them previously sent over the Intercolonial to Lévis were from this date carried direct to Montreal without transfer at Lévis to the Grand Trunk mail cars.

The change thus effected in the transport of the eastern mails westward must have relieved the Grand Trunk of the greater portion of its mail service between Lévis and Montreal, but I do not find that any corresponding deduction has been made in the mileage rate over the portion of the line affected.

I bring this matter to your notice because it seems to me the rate at which payment is now made—\$160 per mile per annum—must be exorbitant, if it was only a fair and reasonable remuneration when the through mails had to be provided for and carried to Montreal.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, *A.G.*

### Advance to Post Office Inspector, Toronto, not accounted for.

AUDIT OFFICE, OTTAWA, February 2, 1899.

SIR,—A cheque for \$20 was issued in favour of Mr. J. Henderson, post office inspector at Toronto, last year, which is described on the voucher sent me as "an advance for use in test letters." Please let me know if any further vouchers as to the disposition of this amount have been received by the department.

I am, sir, your obedient servant,

The Deputy Postmaster General.

POST OFFICE DEPT., OTTAWA, February 7, 1899.

SIR,—I beg to acknowledge your letter of February 2nd, in which you state that a cheque for \$20 was issued in favour of Mr. J. Henderson, post office inspector at Toronto, last year, which is described on the voucher sent you as "an advance for use in test letters," and asking if any further vouchers as to the disposition of this amount have been received at the department, and to state that no such vouchers have been received.

Payment to Charlottetown Steam Navigation Co., for use of  
Rooms, &c.

AUDIT OFFICE, OTTAWA, February 10, 1899.

SIR,—I beg to bring to your notice a payment of \$174 made to the Charlottetown Steam Navigation Co. during last year for use of rooms for mails, including fuel, light, &c., from July 1 to December 22, 1897.

As I pointed out in previous correspondence it seems to me that the Company is bound under its contract with the Government to provide the accommodation in question without other charge than its subsidy for steamship services, and I shall therefore feel obliged if you will let me know your reasons for continuing to recognize the company's claim in this matter.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

## AUDIT OFFICE, OTTAWA, April 25, 1898.

SIR.—The following amounts are shown on your statement of arrears due by retired postmasters (new account) on June 30, 1897, which were not on the list for June 30, 1896 :

Aikenside, Man.—F. A. Lewis.....	\$ 6 00

St. Cuthbert, Que.—C. N. Paquin.....	2,044 98
Valley Station, N.S.—M. A. Johnson.....	18 00

I have to ask for explanations in reference to each of the above items, in particular, Montreal Northern Receiving House and St. Cuthbert. What are the character and amount of the security held from each of these postmasters, and what action has been taken to ensure payment? The annual revenue at St. Cuthbert is less than \$400 per annum.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

## POST OFFICE DEPT., OTTAWA, May 3, 1898.

SIR,—I beg to acknowledge receipt of your letter of the 25th ultimo, with reference to the following amounts due by retired postmasters, shown on the list for the 30th June, 1897 :—

Aikenside, Man.—F. A. Lewis.....	\$ 6 00
Black Point, N.S.—Jas. Hubley.....	6 00
Juniper Mount, N.S.—G. McKay.....	8 91
Porter's Lake, N.S.—J. D. Borthwick.....	6 00
Ritcey's Cove, N.S.—J. Ritcey.....	8 94
Valley Station, N.S.—M. A. Johnson.....	18 00
Montreal Northern Receiving House (Montreal)—J. Lemieux....	390 45
St. Cuthbert, Que.—C. N. Paquin.....	2,044 98

The first six names on the above are non-accounting offices, and the amounts due were for credit supplies of stamps, furnished to the postmasters when they assumed office. In each case, the department was advised by the post office inspectors that the amount could not be recovered either from the postmaster or his bondsmen.

With regard to the shortage of \$390.45 at the Northern Receiving House, I beg to say that at the time of the default no regular appointment of a postmaster had been made, the office being in charge of Letter Carrier J. Lemieux. When the accounts were being examined by the post office inspector, Mr. Lemieux disappeared, and the department has not since heard of his whereabouts. Mr. Lemieux had given a guarantee bond of \$200, but it was represented to the department that the bond covered him as letter carrier only, and it was not considered expedient to call upon the company, under the circumstances.

In the St. Cuthbert case, the postmaster issued fraudulent money orders to the extent of the deficit. His sureties were private bondsmen, and upon investigation it was found their security was valueless, the only solvent one having decamped across the border. The postmaster was brought to trial and was sentenced to three years in the penitentiary.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.G.

## Auditor General's Report—Part N

AUDIT OFFICE, OTTAWA, May 7, 1898.

SIR,—I have received your letter of the 3rd instant, in reply to my letter of April 23th, asking for information respecting certain new arrears due by postmasters.

I have to inquire : (1.) How long was the Northern Receiving House, Montreal, left in charge of a letter carrier ? (2.) Why was not a postmaster regularly appointed ? (3.) Whose duty is it to see that postmasters furnish the necessary surety ? Please let me have a detailed statement of this account, giving dates and values of stamps furnished, and dates of remittances.

The defalcation of \$2,044.98 at St. Cuthbert arose, you state, through the postmaster issuing fraudulent money orders, and that his sureties were private bondsmen from whom nothing could be secured.

Were these orders regularly applied for and paid by outside persons ; or were they issued without application by the postmaster ? If the latter, how and where were they cashed ? I have to ask for a statement of them, giving dates and amounts.

This case is a further evidence of the serious objections to taking private bondsmen as sureties. Is not the regulation now in force in your department in regard to this subject, to require always the security of a guarantee company ?

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDUGALL, A.G.

POST OFFICE DEPT., OTTAWA, May 28, 1898.

SIR,—I beg to acknowledge receipt of your letter of the 7th instant, with further reference to the defalcations at the Northern Receiving House and St. Cuthbert Post Offices, and to say in reply :

1st.—That the Northern Receiving House was established on the 1st January, 1876, as a letter carrier's depot, for the sale of postage stamps, and for the reception of articles to be registered, and ordinary mail matter. A letter carrier was placed in charge, on the authority of the then Postmaster General, and letter carriers doing outside duty were attached thereto. The money order system was introduced there on the 1st January, 1895, and Letter Carrier J. Lemieux, who was then in charge, used the funds to the extent of \$390.45. I inclose a copy of the Cash Account of 9th November, 1895, which shows the condition of affairs when the post office was inspected. It will be noticed that the postmaster had falsified his statement of stamps on hand, he having certified the balance of stamps carried over from previous day to be \$581.50, whereas the post office inspector found stamps to the value of \$194.71 only.

2nd.—Inclosed will be found a copy of the St. Cuthbert Money Order Return for term ended 15th February, 1897. The money orders noted there were issued without application, by the postmaster, and were cashed by the post offices at Louiseville, Montreal and Sorel. I attach a memorandum on the subject from the Superintendent, Money Order Branch.

Under a recent ruling of the department, postmasters at all accounting offices will now be required to furnish a guarantee company's bonds.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.G.

AUDIT OFFICE, OTTAWA, June 3, 1898.

SIR,—In your letter of May 28th, you state that a letter carrier was in charge of the Northern Receiving Office, in Montreal; that he used money order funds to the extent of \$390.45, and falsified his statement of stamps on hand, having only \$194.71, while he claimed to have \$581.50.

You omitted furnishing the statement asked for in my letter, showing the dates and values of the stamps furnished to this office, and the dates and amounts of his remittances.

In reference to the fraudulent issue of twenty-two money orders, amounting to \$2,040, by C. N. Paquin, postmaster at St. Cuthbert, you inclose a statement showing that three were in favour of J. C. Paquin, and payable at Louiseville, and nineteen in favour of N. Paquin, ten of which were payable at Montreal, and nine at Sorel. I would like to have all the information you have obtained from the postmasters who paid these orders.

They were all issued on February 9th, 1897, and as this postmaster only reports weekly, he had till the 15th to make a return. Would it not be advisable to increase the number of money order and savings bank offices reporting daily ? It would then be possible to detect any irregularities more promptly.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDUGALL, A.G.

POST OFFICE DEPT., OTTAWA, June 16, 1898.

SIR,—I have your further letter of the 3rd instant on the above subject.

With regard to the shortage in the post office funds at the Northern Receiving House, in Montreal, I beg to furnish the following list of the stamps supplied to that office and the remittances to the bank, taking as a period from the 22nd October, 1895, to the 9th November, the date of the defalcation, which perhaps will convey the required information :—

1895.—Stamps supplied, 22nd October, \$404.

Dates and amounts of remittances to bank : 22nd Oct., \$70 ; 23rd Oct., \$50 ; 24th Oct., \$190 ; 25th October, \$20 ; 26th October, \$155 ; 28th October, \$35 ; 29th Oct., \$525 ; 30th Oct., \$35 ; 31st Oct., \$50 ; 1st Nov., \$30 ; 2nd Nov., \$30 ; 4th Nov., \$80 ; 5th Nov., \$40 ; 6th Nov., \$95 ; 7th Nov., \$30 ; 8th Nov., \$80.

When money orders are signed by the issuing postmaster, stamped with his office date-stamp, and properly advised, this department does not require any unusual steps to be taken by the paying office, it being a common occurrence for a number of orders for large amounts to be paid at the same time to one person. No special inquiry was made in the St. Cuthbert case.

For some years past the department has been increasing the number of daily reporting offices as fast as was deemed advisable in the interests of the service.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.G.

AUDIT OFFICE, OTTAWA, October 12, 1898.

SIR,—I have received your letter of the 10th instant, inclosing statements of arrears due by postmasters (old and new account).

If there are no balances due by disbursing officers or by any other persons whether Government officers or not, please state so.

You state that the arrears due up to June, 1897, cannot be collected, as every means of recovering the same had been exhausted previous to that date. Has any endeavour, by course of law, or otherwise, been taken to recover these arrears from the sureties of the defaulting postmasters ?

The arrears on new account have increased \$578.46 during the year, made up as follows :—

Newcastle, N.B.—J. Fish, postmaster.....	\$ 3 77
Norman, Ont.—J. B. Davies, postmaster.....	573 69
Terrence Bay, N.S.—S. C. Slaunwhite, postmaster.....	1 00

I have to ask for full information of the circumstances that enabled the Norman postmaster to run so far in arrears. Please let me have the report of the last inspection of that office.

I am, sir, your obedient servant.

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPT., OTTAWA, Dec. 1, 1898.

SIR,—I have the honour to acknowledge receipt of your letter of the 12th October, on the subject of the arrears due by certain retired postmasters, and asking if there are any balances due by disbursing officers or by any other persons, whether Government officers or not, and in reply, to say that there are no balances due by any persons other than retired postmasters.

Full explanations of the circumstances in connection with the arrearages for the year ended 30th June, 1897, were given in my letter of the 3rd May last, a copy of which is inclosed herewith, and in view of the facts, as therein set forth, it was considered useless to endeavour to recover from the sureties by process of law.

With regard to the amounts added to the outstanding balances on the 30th June, 1898, I may say that in two of the cases, viz., Newcastle, N.B., \$3.77, and Terrance Bay, N.S., \$1, the defaults were not thought of sufficient amount to justify the institution of legal proceedings.

In the case of Norman, the default occurred between the 16th August and the 24th September, 1897, and amounted to \$1,573.69, but the department had a guarantee bond for the sum of \$1,000, which was collected, leaving the balance of \$573.69, as reported. Criminal proceedings were instituted against the postmaster, which resulted in his conviction and sentence to penitentiary for five years.

You ask for full information of the circumstances that enabled the postmaster to run so far in arrears, from which it appears that you are under the impression that the default was some time in accumulating, having apparently lost sight of the fact that the

postmaster was conducting money order business, and that it does not take long to run up a large default by the issue of fraudulent money orders.

Inclosed is the last inspection report previous to the default (dated 2nd June, 1897); please return when you are through with it.

I am, sir, your obedient servant,

The Auditor General.

### *Re* Post Office Revenue.

AUDIT OFFICE, OTTAWA, September 9, 1898.

SIR,—In the Post Office Revenue Accounts of 1896-97, the disbursements for transit charges on correspondence for foreign countries exceeds the receipts from that source by \$41,476.03. In the accounts of 1897-98, the excess was only \$618.67. The difference of \$40,857.36 is made up principally of receipts from several countries from which nothing was received during 1896-97.

Please explain.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

---

POST OFFICE DEPT., OTTAWA, October 1, 1898.

SIR,—Replying to your letter of the 9th ultimo, regarding the receipts and disbursements for transit charges on foreign correspondence, I beg to say that the larger amount received during 1897-98, as compared with 1896-97, is accounted for by the fact that a greater number of foreign countries rendered accounts and settled balances during 1897-98 than was the case during the previous year.

Transit postage accounts cover periods of three years, except in the case of the United Kingdom and United States, where accounts are usually rendered each year. Last year's account from the United Kingdom, however, covered a period of two years, which partly accounts for the excess.

I am, sir, your obedient servant,

The Auditor General.

### *Re* Parcel Postage.

AUDIT OFFICE, OTTAWA, October 17, 1898.

SIR,—The total receipts for parcel postage with the United Kingdom during 1897-98 amounted to \$17,285.58, and the total payments to \$2,400.67.

I understand that parcels from the United States carried by Canada, are set off against parcels from Canada carried by the United States, each country retaining the charges on parcels shipped from it to the other.

I have to ask for a copy of the statistics or other evidence of the quantity of parcels passing between the two countries, which led your department to make the present arrangement.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

---

POST OFFICE DEPT., OTTAWA, October 22, 1898.

SIR,—I beg to acknowledge receipt of your letter of the 17th instant, stating that you understand that parcels from the United States carried by Canada are set off against parcels from Canada carried by the United States, each country retaining the charges on parcels shipped from it to the other, and asking for a copy of the statistics or other evidence of the quantity of parcels passing between the two countries which led this department to make the present arrangements.

In reply, I have to say that you have been misinformed, as there is no agreement, arrangement or understanding between this country and the United States for the exchange of parcels.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.G.

AUDIT OFFICE, OTTAWA, October 25, 1898.

SIR,—In your letter of the 22nd instant, you state that there is no agreement, arrangement, or understanding between this country and the United States for the exchange of parcels.

Though you have given me verbally an explanation of the circumstances that have prevented an agreement on this business, I think it would be as well to have it in writing so that it may be of record.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPT., OTTAWA, October 27, 1898.

SIR,—I have your letter of the 25th instant, in which you inquire why there is no agreement between this department and the United States respecting the exchange of parcels.

In reply, I am to say that it does not readily appear what financial point is touched by the inquiry you make, and I am therefore at a loss to answer your question satisfactorily.

The reason why no payments are made to, or received from, the United States on parcel account is simply that the only articles which could possibly be considered as parcels which are exchanged between the two countries are embraced in, and form part of, the ordinary mails, and that by a convention with the United States, made in the month of January, 1888, and copy of which you can see in the introduction to the annual report of this department for the year ended 30 June, 1887, it is agreed that "each Administration shall retain to its own use the whole of the postage and registration fees it collects on postal articles exchanged with the other, including deficient postage," and that "consequently there will be no postage accounts between the two countries."

The Convention in question also contained a clause (Art. 1 a.) which prohibits the sending from either country to the other of any articles closed against inspection with the sole exception of letters in their usual and ordinary form.

It is not assumed that you object to the terms of this convention, and it therefore does not seem necessary to say more than that, with the exception of a trifling modification made in the month of April, 1888, it has remained unchanged to the present day.

I am, sir, your obedient servant,

The Auditor General.

### *Re* Stamps furnished Immigration Branch, Department of the Interior.

AUDIT OFFICE, OTTAWA, October 17, 1898.

SIR,—In accounting for the stamps and cards issued during 1897-98 by the Stamp Branch, credit is taken by your Accounting Branch for \$1,823.56, being for stamps furnished the Immigration Branch of the Department of the Interior.

I have to ask for an explanation. If the Immigration Branch needs postage stamps in connection with its undertakings, why are they not purchased and made a charge against the appropriation, as is done by the other departments?

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPT., OTTAWA, January 17, 1899.

SIR,—With reference to your letter of the 17th October last, making inquiry concerning a credit of \$1,823.56 taken by the Accounting Branch of this department for postage stamps furnished to the Immigration Branch of the Department of the Interior, I beg leave to inclose herewith copy of an Order in Council, dated 10th August, 1897, which will explain the matter.

The cost of the manufacture of these stamps was made good to this department by the Department of the Interior.

I am, sir, your obedient servant,

The Auditor General.

EXTRACT from a Report of the Committee of the Honourable the Privy Council, approved by His Excellency on the 10th August, 1897.

ment of the Interior at Ottawa, and addressed to countries beyond the limits of the Dominion, the postage upon which is required by the Postal Union regulations to be pre-paid by postage stamps; and that the value of these stamps be written off in the books of the Post Office Department as cancelled. The Department of the Interior being, however, charged with the cost of manufacture.

The Committee submit the foregoing recommendation for Your Excellency's approval.  
The Postmaster General. H. G. LAMOTHE, *Asst. C.P.C.*

AUDIT OFFICE, OTTAWA, February 7, 1899.

SIR,—With your letter of January 17th you inclose a copy of an Order in Council, dated August 10, 1897, which you state will explain why stamps to the value of \$1,823.56, furnished the Immigration Branch of the Department of the Interior, were written off, instead of being paid for by the department, and charged against the vote.

The result of this procedure is that the revenue has been used to supplement a vote of Parliament.

I am not aware of any statute which would authorize such an Order in Council. There is a provision in the Audit Act which guards against the use of the revenue for such a purpose, by directing that the gross revenue shall be deposited. Chapter 29, section 27, R.S.)

I have to inquire if stamps are still being furnished under this order, for if so, the question will have to be submitted to the Treasury Board.

The delay in not earlier calling attention to this irregularity is, that I was not furnished with a copy of the Order in Council, and did not become aware of the matter till the closing accounts of 1897-98 were furnished.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, *A.G.*

---

POST OFFICE DEPT., OTTAWA, February 13, 1899.

SIR,—I beg to acknowledge your letter of the 7th instant, in which you ask if stamps are still being furnished the Immigration Branch of the Department of the Interior on the terms of an Order in Council, dated the 10th of August, 1897, and to say that stamps are still being furnished under the terms of that Order in Council.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, *D.P.G.*

---

AUDIT OFFICE, OTTAWA, February 24, 1899.

SIR,—With reference to your letter of the 13th instant, I beg to refer you to sections 25 and 27 of chapter 29 of the Revised Statutes (the Audit Act), from which you will see that all public moneys from whatever source of revenue derived, shall be paid to the credit of the Receiver General, and that the gross revenues are to be deposited, the Postmaster General, as the head of one of the great revenue departments, being specially mentioned as one who is to carry out the regulation.

With such a provision in the law it is quite manifest that the appropriation made by Parliament for the wants of the Immigration Department must be looked upon as having been intended to cover postage as well as all other expenses. If this new departure is allowed, an overexpenditure of the appropriation to the amount named will be permitted, while it cannot be justified. I trust this matter will be reconsidered without delay.

I am, sir, your obedient servant,

The Deputy Postmaster General.

### *Re* Jubilee Stamps.

AUDIT OFFICE, OTTAWA, July 12, 1898.

SIR.—Among the returned stamps burned yesterday in the presence of a clerk from this office, there were two lots of Jubilee stamps of the denominations of \$2, \$3, \$4 and \$5. One of these lots was from the postmaster at Victoria, amounting to \$476, and the other from the postmaster at Charlottetown, amounting to \$168.

These stamps, I understand, were charged back to the ordinary stamp account, instead of the Jubilee stamp account.

I have to ask for an explanation.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, *A.G.*

POST OFFICE DEPT., OTTAWA, July 26, 1898.

SIR,—Referring to your letter of the 12th instant, on the subject of the two lots of returned Jubilee stamps recently burned in the presence of a clerk from your office, which stamps you state were charged back to ordinary stamp account, instead of Jubilee stamp account, and on which point you desire an explanation, I beg to say that the department has not considered it necessary or advisable to maintain two sets of stamp accounts; consequently, there is no distinction made between the Jubilee and the ordinary stamps in the accounts of the department.

I am, sir, your obedient servant,

The Auditor General.

R. M. COULTER, D.P.G.

*Re* Casual Revenue.

AUDIT OFFICE, OTTAWA, July 11, 1898.

SIR,—I am in receipt of an application from the accountant of your department, requesting a transfer of \$1,960.07 from Post Office Account to Casual Revenue, being sundry amounts collected from Nov. 15, 1881, to June 30, 1897.

Of this sum, \$1,247.88, made up of 271 entries, is entered as cash found over at post offices. I have to ask for further information as to these items. Does the postmaster usually give any explanation of or attempt to account for the surplus? Have you taken any steps or made any investigation to account for them? Are there any cases when the cash is short instead of over, and if so, how is it made good? Should the postmasters fail to hand over these sums, have you any means of detecting the omission?

Some of the other items are out of the ordinary, and call for explanation: (1.) A postmaster acknowledges the receipt of \$200, while the bank only charges \$100. (2.) A postmaster acknowledges receipt of \$50 from an inspector, which the latter appears not to have forwarded; (3.) A postmaster deposits \$235, which is not claimed by his account. (4.) A surplus of \$143.94 in Dead Letter office account for October, 1888. (5.) \$72 in cash contained in a registered letter which never reached its destination, but was made good by the bank.

Without anticipating your answer to the inquiries which I have made with reference to certain items, you will probably see that accounts of this nature should be dealt with promptly. Will you therefore, in the future, instead of allowing the account to run on for nearly seventeen years, cause it to be closed up for each fiscal year at the end of that year.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPT., OTTAWA, August 5, 1898.

SIR,—I am in receipt of your letter of the 11th instant regarding the recent application from the department for a transfer of \$1,960.07 from Post Office Account to Casual Revenue, being sundry amounts collected from 15th November, 1881, to 30th June, 1897, and you state that \$1,247.88 is made up of 271 entries of cash found over at post offices, and require further information.

Under post office regulations, postmasters are required to charge in their cash accounts any excess of cash found when the accounts are balanced, but before doing so the postmaster is asked to make every effort to trace the error, and when the account reaches the department it is carefully checked with a similar object.

If the postmasters fail to hand over these sums, the department has no means of detecting the omission unless mistakes are afterwards found in the entries of the cash account.

In cases where the postmaster finds the cash short he is required to make good the difference at once.

In explanation of the special items to which you draw attention, I beg to state as follows:—(1.) The Bank of Commerce at Seaforth cashed Cheque No. 37 of 29 September, 1882, drawn against official credit by postmaster at Bayfield, and claims to have sent the postmaster \$100. The postmaster charged amount as \$200 and stated positively that he received that sum. (2.) The postmaster at Bronte charged \$50 in his cash account for 8th October, 1884, claiming that he had received that amount from the post office inspector, Toronto. The inspector stated that he had not sent the money. (3.) The postmaster at Erin remitted \$100 and \$135, but failed to take credit for the amount in his cash account. The then Superintendent of the Money Order Branch ordered the amount to be placed in Suspense Account to await the postmaster's action in the matter, and falling such action it remained there up to the date of the transfer.

## Auditor General's Report—Part N

(4.) The Dead Letter Office was first required to furnish an account in October, 1888, and it was found that there was a surplus of \$143.94 which could not be accounted for, and which amount was accordingly placed in Suspense Account.

(5.) The entry of \$72 is simply a reversal of a previous charge against Revenue, the amount having been deducted from Revenue in June quarter, 1895. The amount was remitted by the postmaster at Princeton, Ont., on the 28th March, 1893, and the registered letter, after having been initialed for by a clerk in the Bank of Montreal, disappeared and could not be found. The amount was made good by the clerk and was placed in Suspense Account.

For the future, amounts in Suspense Account will be transferred yearly.

I am, sir, your obedient servant,

The Auditor General.

### Re Sale of Waste Paper.

AUDIT OFFICE, OTTAWA, April 13, 1898.

SIR,—The postmaster and inspector at Toronto, and the postmasters at Halifax and Quebec, account for the proceeds of the sale of waste paper.

Why are there no returns from the other city postmasters and the other inspectors? The returns for December quarter contain the following:—

Toronto Postmaster—

3,310 lbs. waste paper at 15 cents.....	\$4 96	
290 lbs. book paper at 30 cents.....	0 87	
295 lbs. string at $\frac{1}{2}$ cent.....	1 48	
		\$ 7 31

Inspector at Toronto—

4,500 lbs. waste paper at 25 cents.....	11 25	
---	-------	--

Halifax Post Office—

3,538 lbs. waste paper at 20 cents.....	7 08	
Less cartage, 8 loads at 15 cents.....	1 20	
		5 88

Quebec Post Office—

965 lbs. waste paper at 10 cents.....	0 96	
Less cartage, 3 loads.....	0 75	
		0 21

The small quantity accounted for at Quebec and the small price obtained, and the cartage charged there and at Halifax, call for some explanation.

I am, sir, your obedient servant,

The Deputy Postmaster General.

J. L. McDOUGALL, A.G.

POST OFFICE DEPT., OTTAWA, May 23, 1898.

SIR,—With further reference to your letter of the 13th ultimo, regarding the disposal of waste paper by the postmasters of city offices, and the post office inspectors, I beg to say that this matter was gone into thoroughly with all the offices, with the result that in all but a very few places it was found impossible to dispose of the paper at any price.

The postmaster at Halifax will not, in future, pay cartage for the removal of his waste paper.

The postmaster at Quebec has certified that 965 pounds was the whole accumulation of waste paper at his office from the 1st June, 1897, to 21st October, 1897, that 10 cents per 100 pounds was the best price obtainable, and that, as the purchaser would not pay cartage, it had to be paid by the postmaster. The postmaster is now trying to arrange for the sale of the paper at the Lachute Mills, where the postmaster at Montreal has found a sale for the accumulations at his office.

I am, sir, your obedient servant,

The Auditor General.

J. L. McDOUGALL, A.G.

DEPT. OF PUBLIC PRINTING AND STATIONERY, OTTAWA, June 20, 1898.

SIR,—I have the honour to acknowledge the receipt of yours of the 13th to the Queen's Printer *re* refunds, publication account, and in reply, beg to say that they were subscriptions received for postal guides at the price at which they have been sold for some years, but before the issue of the last volume the Postmaster General decided to reduce the price, necessitating a refund of the overpaid amounts.

AUDIT OFFICE, OTTAWA, January 11, 1899.

SIR,—It has been the practice of your department for some time past to render to the contractor monthly statements of the waste paper delivered to him. Copies of these statements certified by your weighing clerk, and deposits in acquittance are furnished to this office.

No returns nor deposits appear to have been furnished for the weeks ended May 7, 14, 21 and 28, 1898. I have to ask for an explanation.

I am, sir, your obedient servant,

**AUDIT OFFICE, OTTAWA, March 17, 1898.**

SIR,—I have to call your attention to the travelling expense statements submitted by Mr. J. J. McGee against the payments made to him by Cheques Nos. 377, 1272 and 1278.

In his statement of expenses for trip of July 27th, he enters single fares of \$7 each, Ottawa to Quebec and return, and his statement of trip of August 10th contains the same charges. His statements of expenses of trip to Toronto, November 17-19th, has charged in it single fares of \$7.85, Ottawa to Toronto and return. Please ask Mr. McGee to supplement these statements with an explanation why the ordinary return rates were not secured by him.

He charges against the money received by him an amount of \$50 paid by him to Sir Henry Strong. This payment should be vouched and accounted for in the usual way.

I am, sir, your obedient servant,

The Accountant of Contingencies.

J. L. McDOUGALL, A.G.

**AUDIT OFFICE, OTTAWA, Nov. 2, 1898.**

SIR,—I have to remind you that I have not yet received an answer to my letter of March 17th, 1898, in reference to Mr. McGee's travelling expenses. Please expedite the forwarding to this office the statements and vouchers asked for, as the portion of my report dealing with this expenditure is now in the printer's hands.

I am, sir, your obedient servant,

The Accountants of Contingencies.
