DEATH OF WELL-KNOWN ACTOR

"Billie" Boehner Known Also As Prof. Lawrence, Has Passed Away.

BOSTON, March 17.—William Lawrence, who succeeded Denman Thompson as Uncle Josh in "The Old Homestead," and an actor of prominence, died late Tuesday night at the Deaconess Hospital, Brookline, after an illness of only four days.

The play had been at the Globe Theatre for several weeks, and last Friday night Mr Lawrence collapsed at the end of the second act and was forced to give up for that night. The next day he seemed to be very much recovered and decided to play the matinee. After the play was on a short time he again collapsed, and this time his condition was so much worse that he was taken to a hospital. After entering the hospital he declined rapidly. William Lawrence had played the role of Uncle Josh in "The Old Homestead" more than 3,000 times, and had more than satisfied the doubts of those who thought that the death of Denman Thompson, creator of the role, would end the success of the play.

His first appearance as Uncle Josh was in the Boston theatre, Oct. 19, 1905, when Mr. Thompson was ill, and several weeks thereafter he continued in the part. Previous to going with Mr. Thompson he had played rural parts in a travelling company. Up to the time of Mr. Thompson's death in 1910, Mr. Lawrence remained with the original company, sometimes taking the lead. According to Mr. Lawrence's reminiscences, there were frequently times when he would go on as Uncle Josh during the second and third acts, while Mr. Thompson took the part in the first and fourth.

For the past eleven years Mr. Lawrence had carried on the role as originated by Mr. Thompson. Among Mr. Lawrence's treasured possessions, aside from the boots, spectacles, steel trunk and other properties used by Mr. Thompson, was a gold watch given him by Mr. Thompson shortly after Mr. Lawrence made his debut in Boston in the role of Uncle Josh.

Mr. Lawrence was born in Nova Scotia, and at an early age was sent to sea with one of five sea captain uncles. Later in life he became a fur trapper in Canada, and thereafter joined a travelling theatre company. Rural parts were his forte, even before he carried on the Uncle Josh role, and it will be because he was a master in such parts that the theatregoing public will most sorely miss him.

"Billie" Boehner was a native of Annapolis Royal, and had played in all the leading towns throughout the Maritime Provinces and many parts of Canada, as well as all over the United States and Newfoundland. The remains were brought to Annapolis Royal for interment, the funeral taking place with full Masonic honors.

FOUND BODY IN THE WELL

Tragic Death of Mrs. Enos Langille, the Mother of Eleven Children

LUNENBURG, March 22.—The community of Blockhouse was astounded to learn that the body of Mrs. Enos Langille was found in the well. The family had gone out to spend the evening at a neighbor's, leaving her alone in the house, and on returning home at a late hour found that she was not in the house, and on instituting a search found her drowned in the well. Mrs. Langille was forty-two years of age and the mother of eleven children. For some time past she was in poor health. Her sorrowing husband and family have the sympathy of the community.

MRS. J. M. CRAIG, of Los Angeles, Calif., who says no one can feel more grateful for what Tanlac has done than she does. Has gained twelve pounds and health is better than in years.

"Of all the people who have taken Tanlac I don't believe there is anyone who feels any more grateful to it than I do," said Mrs. J. M. Craig, of 674 1/2 E. 40th Street, Los Angeles, Calif. "I suffered from nervous prostration and was so weak that I could not even sweep the floor and during the day I would have to lie down four or five times. I tried to walk, but found half a block was all I could stand before I would give out. Nervous spells came on me often. Finally my husband urged me to try Tanlac and I am indeed glad he did, for it proved to be just what I needed."

"The first two bottles did not seem to help me. I guess it was because I was so bad off, but on the third bottle I could tell I was improving and that gave me more hope than ever of getting well. My improvement from then on was rapid and by the time I had taken five bottles I was better and stronger than I had been in years."

"It enabled me to sleep soundly at night and I have gained twelve pounds. That was several months ago and from then until now I have been in as good health as I ever was in my life. I have told all of my friends and relatives what a wonderful medicine Tanlac is."

Tanlac is sold in Bridgetown by S. N. Weare, in Middletown by Clifford A. Mumford and in Bear River by L. V. Harris.

HOW TO PRESERVE APPLES

"It is said that apples may be kept two years by wrapping them in newspapers so as to exclude the air. The newspaper must, however, be one on which the subscription is paid in full, or the dampness resulting from the 'due' will cause the fruit to spoil."—Fredericton (N.B.) Gleaner.

Crescent Lodge Visits Kentville--Bro. Fred VanBlarcom Presented With Veteran Jewel

What proved one of the most pleasant events in the history of degree work by Crescent Lodge, I. O. F., took place last Thursday evening when the third degree team from this lodge went to Kentville to confer that degree five candidates for Hiawatha Lodge.

The team consisted of the following: Angus Ramey, N. G. W. E. Gesner, V. G. A. F. Hiltz, P. C. E. L. Balcom, High Priest. S. L. Marshall, Priest Initiator W. R. Longmire, Priest 1st Degree. C. L. Piggott, Priest 2nd degree. R. J. Messinger, Priest 3rd degree.

Parker Whitman, Con. Harry Stronach, Warden. Harry Marshall, Banner Bearer. Henry Wheelock, Harry Walker, Harry Lantz, Claude Gillis, I. C. John Hutchinson, Organist. O. S. Dunham, Director.

After the work was over an excellent supper was served in the lodge room, followed by after-dinner speeches by Grand Master Clarke and other members of the order, interspersed with vocal and instrumental music.

A feature of the evening was the presentation of a veteran's jewel to Mr. Fred VanBlarcom, who, for more than 25 years, has been a faithful member of Hiawatha Lodge. Mr. VanBlarcom, who was completely taken by surprise, made a suitable reply. This popular member of the order is the eldest son of Mr. and Mrs. Hiram VanBlarcom, of Brighton, Digby County, having been born in that village April 2nd, 1871. Years ago he moved to Kentville and after having learned the machinist trade, he has for a long time been in charge of the locomotive department of the Dominion Atlantic Railway, a very responsible position with any railway system, and one in which he has made good. We wish him continued success.

REV. A. T. DYKEMAN, OF YARMOUTH, HAS RESIGNED

Rev. A. T. Dykeman, who for the past four years has most faithfully carried out the duties of pastor of Zion U. B. Church, Yarmouth, has resigned, his resignation to that congregation to take effect the last of this month. For the past few weeks the reverend gentleman's health has been much broken, and his action of Sunday was prompted on the advice of his physician. During the years Mr. Dykeman has been pastor of Zion he has been very active in all church movements, the Ministerial Institute of the town and other organizations, and the news of his retirement from that church is heard with general regret throughout Yarmouth. Mr. Dykeman has a summer residence at Smith's Cove, Digby County.

Dr. Myers Raps Pres. Harding for Not Going to Church

President Harding was criticized severely by Rev. Dr. Cortland Myers at Tremont Temple for his failure to attend church on the Sunday following his inauguration. In the sermon prelude, speaking on "Who is the Greatest Statesman Now in Washington?" Dr. Myers said: "If the man who leads us doesn't set the example to you men and women as well as to the countless numbers who never enter a church's portals, God help the United States."

S.S. Bruyere, Capt. L. O. Everett, sailed from Buenos Ayres March 17th, with 8,000 tons of maize and linseed for Rotterdam, Holland. Capt. Everett writes the MONITOR that this makes two voyages to the continent, but he hopes to get his ship back to the old route next voyage if the freight becomes stable.

GLAD HE TRIED THE TONIC TREATMENT Through Its Use Strength and Vigor Was Restored.

"To be tired after exertion is natural. Rest and food restore the body to normal after such fatigue. But to be tired all the time is a symptom of an anemic condition that will not be corrected until the blood is built up.

Such an anemic condition is so gradual in its approach and generally so lacking in acute pains that it is often difficult to persuade the sufferer to do anything for it. It is not a condition that corrects itself. If the blood is not enriched the trouble will increase. The nerves will be undernourished and neuralgic pains will follow. Digestive disturbances often result from thin blood, sleep is disturbed and a general breakdown may occur.

Mr. Wilson Johnson, Nineveh, N. S., says: "A few years ago my system was in a badly run down condition. My nerves seemed always on edge, and I found myself so weak that I could hardly do any work. I suffered from headaches and from pains in the back and under the shoulders, and was often so sleepless at night that when morning came I felt as tired as when I went to bed. I was taking medicine all the time, but it was doing me no good. Then I read the testimonial of a man whose condition had been similar to mine, and who strongly recommended Dr. Williams' Pink Pills. I decided to give this medicine a fair trial, and when I had taken six boxes I felt much better. I continued taking the pills until I had taken six more boxes, and I can only say I am glad I did so, as I am now enjoying the best of health, and I advise all men who feel run down to give these pills a good trial."

Dr. Williams' Pink Pills can be obtained from any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

THE LATE CAPT. SPURR

A Prominent Resident of Annapolis County Passed Away Recently

A special telephone message to the MONITOR last Wednesday morning announced the sudden death of Capt. J. D. Spurr which occurred at his home, the Colonial Arms Hotel, Deep Brook, the previous evening. No one ever suspected that the genial captain suffered with heart trouble. He was retiring for the night when Mrs. Spurr heard him fall in his bedroom. When Mrs. Spurr reached him he was unconscious and never regained consciousness. Medical aid was immediately summoned, but before the arrival of Dr. Dismore from Bear River, the Captain was dead. The late John Dittmars Spurr was born at Smith's Cove, December 18th, 1859, and had therefore reached the age of 61 years and three months. He followed the sea from his boyhood up to about fifteen years ago when he retired. He first went to sea with his father, Capt. Wm V. Spurr, making his first voyage to the West Indies in the Bear River brig, Sanval Copel, 300 tons, register loaded with lumber, in 1874—15 years of age. After sailing several years under different masters in the European and South American trade he qualified for his mate's certificate and in due time was awarded a master's certificate. Given command of the brig Delma C., also of Bear River, he was engaged in the West Indian trade until he was shipping a total loss with crew saved. He continued, however, in the West Indian, South American and South African trade. In 1890 he purchased the schooner Iolanthe, 350 tons, and traded for the next ten years between the gulf ports and the West Indies. His business enlarging, he came north and bought the Arona, 600 tons, which he placed in the same trade and was very successful especially during the high freight rates which prevailed during the Spanish-American war. The Arona was the last ship he commanded. Retiring from the sea in 1906 he returned to his home in Deep Brook. In 1911-12 he built the Colonial Arms hotel, one of the largest summer hotels at that time in the maritime provinces, and Deep Brook soon became famous as a summer resort, becoming more popular every season. During the tourist season of 1914 this house was totally destroyed by fire. In 1916 he rebuilt the Colonial Arms, the new house being much smaller than the first one, but just as popular with the American visitors. He is survived by his widow, who is the daughter of the late Wm. Harding Morse, of West Paradise. His only son is Wm. H. Spurr, at present residing in Deep Brook, and his only daughter is Mrs. Warren Harris, of Annapolis. He also leaves six brothers and three sisters. Three of his brothers live in Deep Brook, one in British Columbia, one in New York (Captain of a New York-Panama line) and one in Yarmouth. The funeral, which was a Masonic one, and largely attended, took place from his late home Friday afternoon with interment at Clementsport, the service being conducted at the house and at the grave by Rev. A. M. McNinch, pastor of the Baptist church of which the deceased was a member.

THE NEW PROGRAMME

Get the plough and spade and hoe. Get the harrow and the team. Sharpen up the axe and saw. Life is not an idle dream. Plant and sow and dig and delve. This is not a time to shirk. Put your shoulders to the wheel—Everybody go to work—String the wire and lay the track. Start the motor and the loom. Swing the hammer, ply the pick, Make the arid desert bloom, Blow the whistle, ring the bell. Farmer, lawyer, builder, clerk, With the hands as with the head, Everybody go to work.

GETTING INFORMATION

"Hello! Give me City, one, three noughts."
"I beg your pardon?"
"Didn't you get it? One, oh, oh, oh, City."
"I don't understand you."
"I want City, one double nought, nought."
"What?"
"One thousand, City. Ten hundred, City. No do you get it?"
"Oh, you mean City, one oh, double oh. Why didn't you say so? Line's busy."

THIS WOMAN'S MISERY

Ended by Lydia E. Pinkham's Vegetable Compound. Remarkable Recovery of Mrs. Church.

Smiths Falls, Ont.—"I suffered with falling of my organs, pains around my heart and in bowels and down my legs, neuralgia in my face and head, and that terrible sinking feeling, I felt that I could not live and would fix my house in order every night so there would be no trouble if I dropped off in the night. My husband went to the druggist to get the best remedy he had and he gave him Lydia E. Pinkham's Vegetable Compound. I took six bottles and felt a lot better. I will always recommend the Vegetable Compound, and you can use these facts as a testimonial."—Mrs. J. O. CAURCH, Box 845, Smiths Falls, Ont.

The success of Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, is unsurpassed. It may be used with perfect confidence by women who suffer from nervous prostration, displacements, inflammation, ulceration, irregularities, periodic pains, backache, bearing-down feeling, flatulency, indigestion and dizziness. Lydia E. Pinkham's Vegetable Compound is the standard remedy for female ills. If there are any complications about which you need advice write in confidence to Lydia E. Pinkham Medicine Co., Lynn, Mass.

Cause of Early Old Age

The celebrated Dr. Michenoff, an authority on early old age, says that it is "caused by poisons generated in the intestine." When your stomach digests food properly it is absorbed without forming poisonous matter. Poisons bring on early old age and premature death. 15 to 20 drops of "Seigel's Syrup" after meals makes your digestion sound.

CANADA --- THE NEW SWITZERLAND

Where the Appetite is Always Keen.

Sections of the Alpine Club of Canada in all parts of the Dominion have received the anniversary message of the director, Arthur O. Wheeler, interpreting the boundary survey commissioner for B.C. There is much in this document of special interest to members of the club, but there is also a great deal which affects the general public, since it looks forward to a greatly increased tide of summer travel into the fastnesses of the great hills.

The director's message opens with comments on the prosperous standing of the club and the success of the camp at Yoho lake last summer. Thanks are also tendered to many who helped to make the camp successful. Mention is made of renewed photographic activities in the mountains and of the fact that the challenge cup for competition by amateur mountain photographers was won last summer by Dr. H. E. Bulyea of Edmonton.

With reference to the erection of a suitable memorial to the soldier members of the Alpine club, the director says: "It is decided to do this on two separate lines, first, to place a record of all our members on military service and particularly those who have joined the supreme honor roll, on the club house grounds at Banff, and second, the erection of a hut above timber line at some serviceable place in the Canadian Rockies for the use of our members and possibly the public who are interested in making mountain climbs."

With reference to independent mountaineering during the past year mention is made of the first ascent of Mt. King George, and several other peaks of the Royal Group, lying in a hitherto unexplored district fifty miles southwest of Banff. Mt. Sir Douglas and Mt. Joffre were also climbed for the first time last summer.

After some comment on the Banff winter carnival, in which the Alpine club takes an active interest, having been donors of a challenge cup for hockey, the director takes up the matter of the forthcoming "Welcome Home" camp to be held at Mt. Assiniboine from July 20th to 31st, 1920. At this camp more than 300 people will be placed under canvas and the special feature will be the fact that all returned members will attend as guests of the club. The camp will be situated three days' journey from the railroad and transportation of baggage will be by a specially organized pack train known as the "Alpine club pack train." Of special interest to the general public is the fact that this pack train will be in operation throughout the summer and anyone wishing to make a really interesting trip into the heart of the mountains can do so at a minimum expense. The camp at Mt. Assiniboine and the "Overnight Camps" on the way thither from Banff will be open to the public from the first of July until the end of September, except during

Mount Assiniboine, Canadian Pacific Rockies.

the two weeks when they will be occupied by members of the Alpine club. At any time during the summer walking tours may be taken to Mount Assiniboine and these camps will be open to furnish good meals and a bed to the tramp at the end of his day's journey. There is only one way to really see the mountain and that is on foot, but so far this pleasure has been confined to the very few, on account of the difficulty of carrying food and bedding. These difficulties are now to be removed and it is planned in coming years to arrange many such walking and riding tours for the benefit of the public. In conclusion the director quotes the verse of a gifted Calgary poetess, Miss Marian L. Moodie: Oh wind that comes out of the West, Oh wind that comes out of the West, Where far o'er you mountain's crest those glorious colors rise, You bring me the fragrance of pine, The coolness of mountain snow, The music of falling streams by the hills where the lilies grow. Oh wind that comes out of the West, you sigh on your way to the plain. The mountain land is the best. Will you not come back again? Glow skies with your golden light, Blow softly wind from the hill For my heart has a longing tonight, that only the mountains can fill.

CADET NEWS

The Cadet Corps of the town received an official visit last Monday from Major Willis of Halifax, who has charge of all corps in the Province. He stated that the Bridgetown Cadet Corps had done good work in the past, and expressed the wish that they do even better this year, and that every boy should attend camp, which will be held from July 11th to 21st. Last year the Cadet camp at Aldershot was only a trial camp, but this year more detailed arrangements are being made, and the expected attendance will be between two and three thousand. Although all the players of our Junior team are not Cadets, we hope that they will take this step and thus enable the Bridgetown Junior Baseball team to carry off the camp trophy. As the weather has not permitted of much work being done in the open, our corps has been obliged to wait, but now warm weather has come, work will soon be in full swing. There is no reason why King's Royal Cadet Corps of Bridgetown cannot secure the general efficiency shield as well as a larger corps like that of New Glasgow, and if every boy cooperates to the best of his ability the battle is half won.

STEADVANCE "AT HOME"

On Thursday last the members of the Tri Mus Square of the United Church were the guests of their sister group, the Steadvance. A splendid program was carried out by the girls and their leader, Mrs. Magee.

Included among the many excellent items of the program were two contests for which prizes were awarded, and Harold Boates and Owen Armstrong carried off the two firsts, while Mr. Bryant and Walter Dechman secured the "boobies." In stating this fact we do not wish to reflect upon their mental abilities, but we would explain here that somehow Walter had an inkling of what the "booby" contained and set his heart upon winning. We will have to be lenient with brother Bryant, for on seeing Walter produce and demolish a delicious doughnut the temptation became too great, hence he won the second "booby."

At the conclusion of the program delicious "lassus" candy prepared the way for the scrumptious repast prepared by the Steadvance members.

Although the invitation specified the hours from 7.30 to 10, the evening passed so quickly that it is doubtful if these rules were observed.

AN OBSERVER

Easter Services Parish of St. James

As is usual the observance of the Easter festival in this parish began with Evensong an address preparatory to the Easter Communion in St. Mary's Church, Belleville, on Saturday evening. This was followed by a celebration of the Holy Communion at 8 a. m. on Easter Day and the usual Service at 3 o'clock in the afternoon. At the parish Church (St. James, Bridgetown) the services were at 11 a. m. (Holy Communion and Sermon) and 7 p. m. Evensong and Sermon. The altar in each Church was in festal array and adorned with beautiful cut flowers, Easter lilies and Paffodils. Those at St. Mary's being kindly contributed by Mrs. Lyle, and those at the parish Church by Mrs. Chas. DeWitt (in memoriam), the Hon. O. T. and Mrs. Daniels, and Mrs. Uncles of New Castle (in memoriam Mrs. Freeman). Besides Easter hymns the music included an anthem by Caleb Simper—"Awake thou that sleepest," and an anthem setting to the magnificent and Nunc Dimittis by J. H. Maunders. In the morning the Rector gospel his address on St. John's gospel, Chapter XIX, verses 41 and 42 emphasizing the proximity and significance of the cross and grave in the garden. In the evening the subject was "Easter Messages," the text being St. Matthew, Chapter 25, verse 9.

The special music will be repeated next Sunday evening.

Local Happenings

A large number of those interested should go to Digby next Friday to be present at the "Taxis boys" debate.

The D. A. R. office and Station hours in Bridgetown have been changed, and are now from 8.30 a.m. to 5.30 p.m.

The W. M. A. S. of the Baptist Church will meet in the vestry of the church, Tuesday evening, April 6th, at 7.30 p.m.

There will be no Friday evening service in St. James' Church this week, but choir practice will be held at 8 o'clock.

Commencing next Sunday and continuing until further notice, the evening service in all the churches will begin at 7.30.

Several Salvation Army officers were in town last week. They held an open air meeting opposite the Grand Central Thursday evening.

Mrs. Eva Chute has sold her property on Granville street to Mr. M. C. Foster. Mrs. Chute is advertising her furniture at auction, the sale to take place next Monday. See ad. in another column.

The West Paradise Amateur Dramatic Club will present the "Adventures of Grandpa" in Longley's Hall, Paradise, March 31st; and in the Primrose Theatre, Bridgetown, Monday evening, April 4th. We trust they will be greeted with full houses at both dates.

As will be seen by the usual church notice the service in St. Mary's, Belleville, next Sunday will be at 3 p.m. instead of in the morning. A morning service, with Easter Communion, will be held in St. Peter's by the Sea, Young's Cove, commencing at 11 o'clock.

The regular meeting of the Bridgetown branch of the G. W. V. A. will be held at the G. W. V. A. Rooms at the Ruggles building on the evening of Friday, April 1st, at the hour of 8 o'clock. All members are respectfully requested to be present. Don't April fool us by staying away.

THE CHRISTIAN SCIENCE OF PRAYER

Concluding the series of sermons on "The Christian Science of Prayer" in St. James' Church Sunday evening, 20th, the rector described prayer in its last analysis, so far as the individual is concerned, as a fight for character. The wonders which this sovereign power works are not the easy consequence of a spell or charm, but the fruits of steadfast, strenuous, often agonized endeavor. We know what we want to achieve, but not what stumbling blocks may lie in the way. Hence the need of perseverance and the absolute yielding of ourselves to God in order that He may work in us as well as through us. Even Jesus Christ fought out the issue of His life again and again on the battlefield of prayer—the supreme instance being Gethsemane. Behind the public ministry through which He moved with such amazing steadfastness, not to be deflected by bribes, or halted by fears, or discouraged by weariness, lay the battles in the desert, on the mountain side, in the inner chamber. Behind His patience in Pilate's court and His fidelity on Calvary lay the battle on His knees in the garden, where the whole problem was fought through and the issue settled before the face of God. If this was so with the Master, it cannot be otherwise with the disciple. The attainment of the ideal set before us in the pattern prayer cannot be accomplished without a fight, and that fight more often than not must take place on our knees. So, too, the battle with the secret sin, the unlawful ambition, the unkind feeling, the subtle temptation that comes to us through some wrong-minded or ill-purposed friend, so called. "If for any wish thou do'st not pray, Then pray to God to cast that wish away."

The time spent in prayer may be long or short, according to our ability, but if this be the seat of government from whence issues the direction of our life, then all will be well, for, ultimately, we cannot but conquer.

RURAL DEANERY MEETING

The Clergy of the Rural Deanery of Annapolis will hold their Spring "Chapter" meeting at Middleton on Monday and Tuesday of next week. Besides routine business the following papers will be read and discussed: "Christian Science," by the Rev. J. Reeks, of Roundhill; "Some mosses from an old parish," by the Rev. Canon Morris, of Middleton; "Boydom," by the Rev. E. Underwood, of Bridgetown. The "ad clerum" preacher for the occasion is the Rev. Rural Dean Driffield.

of the quality that made the reputation of slag years ago and which you have longed for during the past few years when it was not available. Our slag averages 18.28 per cent total phosphoric acid. Under present Canadian regulations we may label it as averaging 18.28 per cent available phosphoric acid. Our slag averages slightly over 13 p. c. citrate soluble phosphoric acid. Our competitors do not seem inclined to state the citrate soluble content of their slag. Our slag will cost less than \$34.00 per ton or less than \$1.85 per unit of so called available or total phosphoric acid. Divide the price per ton by the percentage of total or so called available phosphoric acid that will give you the price per unit. See if you can find a slag selling for less than \$1.85 per unit. Then remember that we would like to compare citrate soluble or genuinely available, guarantees with any competitor.

The Desk Shook As He Struck It

All his life he had been in the tea business; in his early days in the tea gardens of India; later with the great tea packers of London; still later as a tea taster here. And a few months ago he came in exultant, excited. Pounding the desk as an outlet to his emotion he said, "at last I have struck the perfect tea—I have never seen anything like it before." And that is how Blue Bird Tea came to be born.

FIRST APPLE SHIPMENT

To the Editor of the Annapolis Spectator:

I notice in your last two issues articles upon the first shipment of apples to England from Annapolis Royal. I think I can furnish you with the facts. My father, the late A. W. Corbett, chartered the brigantine Neva, Capt. William Smith, master. She was loaded in the fall of 1864 at Lawrence Hall's wharf, now owned by F. J. Barnjum, but at that time the wharf was much shorter. My father formed a company of which the late George Wells, Sen., was one of the principals in purchasing and in packing the apples, and James Jackson, of Clarence, was also interested. As to transportation, Capt. Wait Lewis, father of Capt. E. H. Lewis, master of the steamer Valinda, was here with a small schooner from Westport, and he was chartered to collect the fruit along the river as far as Bridgetown. I went with him to check the number of barrels taken from each place. The vessel would occasionally miss stay and run into the trees that lined the river bank on the Granville side; the crew would get out on the end of the jib-boom and shove her off. The apples were hauled from Clarence to Bridgetown by team, as we had no rail communications at that time; the apples from Granville Ferry were brought over in a big row-boat used for crossing cattle and by Capt. David and Robt. Ingles.

The quality of apples shipped were chiefly Nonpareils, Russets, Rhode Island Greenings and Baldwins, and a few other kinds of hard fruit of which I have forgotten the names.

The venture was not a success, as the vessel was small, and no proper ventilation caused the apples to shrink. It was some years later that we again loaded the barquentine George E. Corbett and brig. Ellen C. with 12,000 barrels of apples for London; this last shipment would have been a success if there had been apple inspectors at that time.

Canada's Farthest West

Clayaquot Sound, one of the delightful spots of the West Coast, Vancouver Island.

It seems hardly possible in these days of quick and easy travel, of competitive transportation, that there should be a coast on Vancouver Island, with a seaboard of over 450 miles that is practically unknown. And this in a temperate country between the latitude of 45 deg. and 55 deg.

The Canadian Pacific is the only line to send boats to ply up and down this coast and they only call at the different ports every ten days or so. Otherwise these pioneer settlers have no connection with the outside world unless it be at the end of the Alberni Canal which is so far the only point where the island railway meets the west coast.

The west coast is more temperate than the east; the average temperature for January last year up Quatsino Sound was 36 deg. Fahr. for August and 58 deg. Fahr. for January.

The two industries that keep the west coast alive at all are fishing and logging, and all the big salmon-canning companies of British Columbia have stations here. The first port of call is Port Renfrew, at the mouth of the San Juan River, and here the Defiance Packing Co. of Vancouver put up 2,000 cases of salmon a day in the season. Then up coast, past the Carmanah Light to Clooose, a great city with a population of about sixty whites and forty Indians, where the Nittinat Cannery turned out over 55,000 cases in 1917.

Away back inland from these ports towers the great line of mountains that stretch the whole length of the island, and just here form the watershed of those three wide rivers, the San Juan, the Sarita and the Nittinat. There are those who say—but whisper it low—that a band of elk, known to few and seen by fewer, still have their range on the slopes of this watershed, and yet another band in the far northern east corner of the island between the head of Kyquoot Sound and the south-east arm of Quatsino, round about the headwaters of the Nittinat.

Out into Barclay Sound again, through the islands of the "Broken Group" to Sechart, Toquart and so to Uchelet, where the Wallace Fisheries buy a lot of their fish. A happy little settlement here with several well-established homesteads, that it has taken half a life-time to clear, and all the more loved for that.

It is here that a certain Scotchman has a garden renowned as being the first—if not still the only rhododendron nursery in the North-American Continent. Years before the war he sent to Berlin for seeds, and then sat back to wait the seven years it takes for a rhododendron seed to come to flower-bearing age. Since then he has crossed and inter-crossed until the resulting nursery is worth many thousands of dollars.

Out into the open Pacific again, then turning north east through Broken Channel we come to Tofino where the Columbia Fisheries operate and the Clayaquot Sound Cannery Co. do a big business. Here is

SPRING WEATHER HARD ON BABY

The Canadian spring weather—no day mild and bright, the next raw and blustery is extremely hard on the baby. Conditions are such that the mother can't take the little one out for the fresh air so much to be desired. He is confined to the house which is often overheated and badly ventilated. He catches cold; his little stomach and bowels become disordered and the mother soon has a sick baby to look after. To prevent this an occasional dose of Baby's Own Tablets should be given. They regulate the stomach and bowels, thus preventing or banishing colds, simple fevers, colic or any other of the many minor ailments of childhood. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

WAR AND NEWSPAPERS

(Westminster Gazette)

Every journalist knows that there is no truth in the popular idea that wars are good for newspapers. They are more frequently disastrous. As a consequence of the European war newspaper expenses have grown beyond all precedent, and revenues have not increased in the same proportion. The newspaper today is the cheapest article that any man can buy. The amount paid for it frequently does not cover the first cost of the white paper upon which it is printed. That is not a healthy condition of affairs. It tends to limit the number of newspapers and consequently the expression of different shades of opinion that count for something in public affairs. It must lead to the concentration in fewer hands of the most powerful force in State organization.

HOW YOU CAN TELL GENUINE ASPIRIN

Only Tablets with "Bayer Cross" are Aspirin—No others!

There is only one Aspirin, that marked with the "Bayer Cross"—all other tablets are only acid imitations.

Genuine "Bayer Tablets of Aspirin" have been prescribed by physicians for nineteen years and proved safe by millions for Pain, Headache, Neuralgia, Colic, Rheumatism, Lumbago, Neuritis.

Handy tin boxes of 12 tablets—also larger "Bayer" packages, can be had at any drug store. Made in Canada.

Aspirin is the trade mark (registered in Canada), of Bayer Manufacture of Monoaceticacidester of Salicylicacid.

While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company, Ltd., will be stamped with their general trade mark, the "Bayer Cross."

NEW CITIZENS FOR CANADA

With a population of less than two persons to the square mile compared to England's six hundred, with only five per cent. of her rich agricultural land in the West under cultivation, with a heavy national indebtedness and only a few people to pay the interest in the form of taxes, the reason why Canada is hungry for immigrants can readily be understood. Immigration is the human rain without which Canada must parch and wither up.

If Great Britain had a large surplus of farmers and farm hands, Canada might not have to invite immigrants from any other source. But Great Britain is not so much an agricultural as a merchant and manufacturing centre, and every year grudges more and more the farmers or farm hands who leave her Colonies for the Dominions. She is quite willing to send out countless city folk in the hope that they may be transformed into farmers in their new environment, but she has fewer farmers to spare than many other countries from which Canada in the past has drawn excellent settlers. This is illustrated by the homestead entries. From 1897 to 1919, only eighteen per cent. of the British immigrants made entry for homesteads in Western Canada as compared to twenty-seven per cent. of the American immigrants and twenty-nine per cent. of the foreign born from Continental Europe.

In certain parts of Europe where there is a genuine land hunger, there is not enough land to go round. Five or six acres per family is all the land available in certain parts of Belgium, and even on that the thrifty Belgian frequently brings up a family of ten. The great immigration of Ukrainians from Central Europe which has given Canada nearly 300,000 of her Western farm population was due to the constant subdivision of farms which were only fifteen acres to start with. These Ukrainians have become a great asset to Canada, and have at their own expense erected four large colleges for higher education. Then again we owe our fine stock of seventy thousand Scandinavian settlers to the lack of sufficient land in Sweden, Norway, Denmark and Iceland.

Have these foreign born made good Canadian citizens? Read "The Education of the New Canadian," by Dr. J. T. M. Anderson, of Saskatchewan, and you will say "Yes!" In one or two groups at first there was opposition to the learning of English, particularly among the older people, but now it is difficult to find sufficient teachers to meet the demands of the schools. And it is not only in the schools where you find the foreign born. More than half the students at the University of Manitoba are of foreign parentage. You find children of the foreign

born as leaders in the professions and in the Cabinet of at least one Provincial Government. Canada is after all only repeating on a larger scale the welcome to and the assimilation of the foreign born which has characterized the history of the Mother Country. The Flemish weavers and the Huguenots who found refuge in England, are migrants who helped to build up British industry. Canada's chief industry is agriculture, and her agricultural prosperity is due in no small degree to the thrifty and industrious new Canadians who have come to the wide acres of the West from the over-crowded lands of Europe, and whose children to-day are proud to speak English and to sing "The Maple Leaf for Ever."—A.B.

Children Cry for Fletcher's
CASTORIA

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for Baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. William C. Leslie, Halifax, has been awarded the federal contract for a steamship service between Pictou and the Magdalen Islands, his being the lowest tender and besides, according to information from the deputy minister at Ottawa, Mr. Leslie offered the most suitable steamer, a new boat now about ready for sea at Gilbert's Cove, Digby county, from the yard of Captain Bernard N. Melanson. Another feature, the deputy minister reports, is the fact that the new company which Mr. Leslie will form is to allot a certain proportion of its stock to the Magdalen Islanders themselves, thus giving them a personal interest in the service, and may therefore be regarded as most promising and satisfactory. The steamer, the name of as the new steamer, is to be fitted out as to the needs of this special service.

THE GIFT SUPREME

Bernard Durning, the stage manager, picture director and actor who scored a remarkable personal triumph in the recent screen success, "When Bear-Cat Went Dry," has one of the leading parts in the new screen production "The Gift Supreme." As one of several prominent members of the all-star cast he has the role of Young Vinton, the son of a wealthy man. Soon after leaving college he tires of the idle life and rich associates and seeks excitement and adventure in the slums of the city in which he lives. Here he meets his ideal girl, but one that is not approved of by his parents. His father even stops to hiring criminals to ruin the reputation of his prospective daughter-in-law but to no avail. His son by fair-mindedness and square dealing is able to defeat even the cunning crooks.

This intensely interesting drama will be shown at the Princess Theatre, Bridgetown, Monday and Tuesday evening, when such players as Seena Owen, Tully Marshall, Lon Chaney, Melbourne Mac Dowell and many others of equal prominence will be seen in leading roles.

LOCAL DEATH ROLL

MRS. ELIZA H. MESSINGER

News has reached here from Beverly, Mass., of the death of Mrs. Eliza Helen, wife of Capt. Daniel N. Messinger, which occurred at her home, 140 Mountain Ave., Malden, Monday, March 21st. The deceased had been in poor health for years but more especially so for the last few months. The deceased was formerly Eliza Helen Warner, born in Plympton, Digby Co., N. S., seventy-seven years ago last October. She married Capt. Daniel N. Messinger, of Centrelea, Annapolis Co., and before her husband retired from sea they resided for many years at Barton, Digby Co. She is survived by her husband and three sons, Ellsworth and Vose, of Malden, and Forrest of Rockland, Me., also two daughters, Mrs. E. B. Currell, of Reading, Mass. and Miss Pearl Messinger, of Malden; one grandson and three granddaughters. She also leaves two brothers, James L. Warner, who resides in Mass., and Jesse Warner, of Wilmington, Mass. The funeral was held from her late home in Malden on Wednesday afternoon, the funeral service being conducted by Rev. Mr. Dyas, a former pastor of the Barton Baptist church, who years ago, had personally known the deceased, who was then a member of that church. Among the relatives from out of town who attended the funeral were: Mrs. Helen M. Gregg, of Beverly; Mrs. Edith E. Dunham, of Salem, neices of the deceased; and Mr. Norris Merrill, of Centrelea, brother of Capt. D. N. Messinger. Mrs. Messinger is survived by many relatives in Bridgetown and vicinity, all of whom mourn the death of a highly respected native of this province.

MRS. AMY SMITH

Mrs. Amy Smith died at her home at Clementsport, Thursday, March 17th, aged 85 years and 9 months. The deceased, who was a member of the Baptist Church, had been twice married, her first husband being the late William Duke-shire and the second one the late George Smith. She leaves one son Major Duke-shire and two daughters, Mrs. Arthur Brown and Mrs. Norris Merrill, all of Clementsport. She is also survived by five half brothers, Lemuel, Elias, Henry Daniel and William Messinger, all of Bridgetown, and two half sisters, Mrs. Mary James Allen, formerly of Moncton, N. B. at present in Clementsport, and Mrs. Major Sloumb, of Bridgetown. Funeral took place on Saturday with interment in the Riverside cemetery, Bridgetown, the services at Clementsport being conducted by Rev. A. M. McVintch and at the grave by Rev. M. S. Richardson. The pall bearers were five half brothers of the deceased.

DAVID HARRIS

The death of David Harris a well known man of Lequille, occurred on Thursday last at the age of seventy-six. He had not been well for some time but not until last week were there any fears that he would not recover. The funeral took place on Saturday, the 12th March. The service was held in St. Alban's Church and interment in St. Alban's Cemetery. The Rector of the parish spoke to the large number present of the seriousness of life, and the ultimate joy that would follow the faithful following in the footsteps of the Master.

EDGAR M. WEBSTER

A telegram has been received containing the sad news of the death of Edgar M. Webster, which occurred at Winter Haven, Florida, Sunday evening. The remains will be buried at Kentville. Mr. Webster sold his property in Clarence last autumn to Chester Barteaux and went to Florida to spend the winter. He intended to start north the last of this month and purchase a small farm in the Annapolis Valley.

Give Sick, Bilious Child "California Fig Syrup"

"California Syrup of Figs" is the best "laxative physic" to give to a sick, feverish child who is bilious or constipated. Directions for babies and children on bottle. They love its fruity taste. Beware! Say "California" or you may not get the genuine recommended by physicians for over thirty years. Don't risk injuring your child's tender stomach, liver and bowels by accepting an imitation fig syrup. Insist upon "California".
