LETTER POSTAGE RATES.

Letter Postage—Canada and United States, 3c per oz. Other countries, 5c per $\frac{1}{2}$ oz., except British Bechuanaland, Orange Free State and Interior of Africa, served by way of Cape Colony and Natal, 10c per $\frac{1}{2}$ oz.

Insufficiently prepaid letters posted in and addressed to Canada are charged with double the amount of postage due thereon.

When posted wholly unpaid they will be sent to the Dead Letter Office

Insufficiently paid letters for or from the United States are charged with the deficient postage on delivery. Letters for the United States must be prepaid at least one full rate, 3c

Wholly unpaid letters for or from the United Kingdom or other countries are charged double postage on delivery, and insufficiently prepaid letters double the deficiency.

Letters addressed to mere initials, to fictitious names, will not be delivered unless a street address, the number of a box or some other definite direction is added.

Letters bearing mutilated stamps or stamps so soiled and defaced as to make it impossible for the sorting clerks to decide whether they have been used before or not will be sent to the Dead Letter Office.

Postal Cards—Nothing whatever may be attached to a postal card, nor may it be cut or altered in any way. A previously used post card, bearing a one cent stamp will not be accepted as a post card.

Useful Hints about Mailing Letters.

Register all valuable letters, and use, except on those for hot countries, sealing wax for letters containing money.

Transmit money by Money Orders.

Make complaints and enquiries in writing.

Preserve and request correspondents to preserve envelopes of mis-sent or delayed letters.

Send to the Postmaster envelopes of letters about which you seek information or make complaint.

Business men should be careful to authorize but a limited number of persons to receive their letters and only those in whom they have full confidence.

Report promptly to the Postmaster or at the Enquiry Office undelivered letters or other mail matter.

Letters and papers should be addressed to the street and number at which they are to be delivered.

Notice of change or residence should be promptly given to the Postmaster in writing, and renewed at the end of three months or it will then lapse.

In addressing letters, add the name of the county in which the Postoffice addressed is situated; if to a city, add street and number.

Letters to the United States should be addressed to the State as well as to the Postoffice

A letter addressed to a particular street will be taken out by the letter carrier and not delivered at the wicket unless returned by the letter carrier.

A letter or packet once posted becomes the property of the person to whom addressed, and must be forwarded to its destination. On no application, however urgent, can it be delivered back to the sender.

PLACES OF INTEREST IN AND AROUND
NANAIMO.

Nanaimo, B.C.

The Mines—No. 1 shaft of the New Vancouver Coal Company's mines, on the esplanade, a few minutes walk from any part of the city will well repay a visit. Here are located the company's offices, the power house for the subterranean electric tramway, and the stabling accommodation for the mules and horses. Visitors are allowed to descend the shaft, permission being first obtained from the manager. The other mines belonging to this company are also well worth visiting.

The Bastion.—An old Hudson Bay Fort, situated on the waterfront at the end of Fitzwilliam or Bastion street. It is one of the picturesque relics of the early days.

The Government Offices and Jail, containing many curiosities and relics, also Stewart's famous artillery.

Chase River, Nanaimo River, Oyster Bay, } To the south of the city. These places afford a beautiful drive for visitors. Good trout fishing in the rivers and excellent shooting in the neighborhood.

Mount Benson. About four miles from the centre of the city, from which one of the most magnificent views on the Island can be enjoyed. A good road has been constructed almost to the summit.

Departure Bay. A short drive from the city or an easy pull in a rowboat. The scenery here is beautiful. The view across the bay to the far distant Cascade Mountains cannot be equalled.

Nanoose Bay, A charming settlement to the north of the city, will well repay a visit. Excellent fishing and shooting can be obtained.

Protection Island. Immediately opposite the city. Can be reached in a few minutes. Here is situated another shaft of the N V Coal Coy. Good shooting can be enjoyed.

Labriola Island, or Big Island, is a favorite resort of of sportsmen and artists. The island is easily reached either by sail or row boat, or by the weekly steamer.

Newcastle Island. North of Protection Island, is beautifully situated and is the favorite picnicking ground for the city.

Boating can be enjoyed in Nanaimo under the most favorable circumstances. In every direction are scattered the beautiful Islands which make Nanaimo's harbor the best protected on the coast, all worthy the visitor's inspection. Sail and rowboats can be easily obtained at low rates.

Linatown, just at the northern end of the city limits, though not very extensive, is an interesting spot.

The Public Hospital, Beautifully situated at the top of Franklin street, is a model of cleanliness and, all that such an establishment should be. Visitors are admitted during the afternoon.
