The same was read by His Honour the Speaker, as follows:—

## OFFICE OF THE GOVERNOR GENERAL'S SECRETARY,

OTTAWA, 26th August, 1919.

SIR,—I have the honour to inform you that His Excellency the Governor General will proceed to the Senate Chamber to open the Session of the Dominion Parliament on Monday, the 1st September, at Three o'Clock.

I have the honour to be, sir,

Your obedient servant,

ARTHUR F. SLADEN,

*Deputy of the Governor General's Secretary.*

The Honourable

The Speaker of the Senate,  
Ottawa.

Ordered, That the same do lie on the Table.

The Senate adjourned during pleasure.

After a while, His Excellency the Governor General having come, and being seated on the Throne,

His Honour the Speaker commanded the Gentleman Usher of the Black Rod to proceed to the House of Commons and acquaint that House that,—It is His Excellency the Governor General's pleasure that they attend him immediately in the Senate.

Who being come, with their Speaker,

His Excellency the Governor General was pleased to open the Session by a Gracious Speech to both Houses, as follows:—

*Honourable Gentlemen of the Senate:*

*Gentlemen of the House of Commons:*

In this, his first visit to our Dominion, His Royal Highness the Prince of Wales at once renews happy associations with his comrades of the Canadian Army, and at the same time undertakes the important duty of making himself acquainted at first hand with the resources and development of our country; and with the ideals and aspirations of our people. The warm and sincere welcome which everywhere greets him is an assurance that the ties which unite our country with the Motherland and the other Dominions in a great community of nations were never closer or firmer than they are to-day.

The urgency of proceeding immediately to the consideration of the Treaty of Peace between the Allied and Associated Powers and Germany, signed at Versailles on the 28th day of June, 1919, has compelled me to summon you to renewed labours which I trust will not be of long duration.

My advisers are of the opinion that this Treaty ought not to be ratified on behalf of Canada without the approval of Parliament. Authenticated copies will be placed before you without delay for your consideration.

In addition you will be asked to direct your attention to other measures, including those rendered immediately necessary by the approaching return of peace and by the terms of the Peace Treaty.

---

---

*Honourable Gentlemen of the House of Commons:*

Estimates will be laid before you making such financial provision as may be required in connection with the Peace Treaty and for other purposes.

*Honourable Gentlemen of the Senate:*

*Gentlemen of the House of Commons:*

For more than five years the world has endured the devastation and horror of war forced upon it by an intolerable spirit and purpose of aggression. Fortunately our country has been spared the desolation and ruin which have been inflicted upon many other nations; but our participation in the war has involved heavy burdens and vast sacrifices which our people have borne with an unflinching spirit. With reverent thankfulness we realize that the world emerges victorious from its long struggle against the forces of barbarous militarism and savage aggression. The labours of reconstruction may be difficult and even painful; and we must undertake them with the same united resolve and inflexible purpose as sustained our efforts during the years of conflict. To you and to the great nation whose affairs are committed to your charge, I bid God-speed in all your endeavours.

His Excellency the Governor General was pleased to retire, and the House of Commons withdrew.

---

The Senate resumed.

His Honour the Speaker informed the Senate that a copy of the Speech of His Excellency the Governor General, had been left in his hands.

The same was then read by His Honour the Speaker.

Ordered, That the Speech of His Excellency the Governor General be taken into consideration to-morrow.

The Honourable Sir James Lougheed presented to the Senate a Bill intituled: "An Act relating to Railways."

The said Bill was read the first time.

With leave of the Senate, it was

Ordered, That all the Senators present during the Session be appointed a Committee to consider the Orders and Customs of the Senate and Privileges of Parliament, and that the said Committee have leave to meet in the Senate Chamber when and as often as they please.

Also,—That pursuant to Rule 77, the following Senators, to wit: The Honourable Messieurs Béique, Belcourt, Bostock, Daniel, Robertson, Tanner, Watson, Willoughby and Sir James Lougheed, be appointed a Committee of Selection to nominate Senators to serve on the several Standing Committees during the present Session; and to report with all convenient speed the names of the Senators so nominated.

The Honourable Sir James Lougheed laid on the Table,—

1. Treaty of Peace between the Allied and Associated Powers and Germany, signed at Versailles, June 28, 1919.

2. Protocol supplementary to the Treaty of Peace, signed at Versailles, June 28, 1919.

3. Agreement between the United States of America, Belgium, the British Empire and France and Germany with regard to the Military Occupation of the Territories of the Rhine, signed at Versailles, June 28, 1919.

4. Declaration by the Governments of the United States of America, Great Britain and France in regard to the Occupation of the Rhine Provinces, June 16, 1919.

5. Reply of the Allied and Associated Powers to the Observations of the German Delegation on the Conditions of Peace, June 16, 1919.

6. Treaty of Peace between the United States of America, the British Empire, France, Italy and Japan, and Poland, signed at Versailles, June 28, 1919.

*(Sessional Papers Nos. 41, 41a, 41b, 41c, 41d and 41e, 1919.)*

His Honour the Speaker presented to the Senate the Report of the Joint Librarians of Parliament, for the recess of 1919.

The same was then read by the clerk, as follows:

#### LIBRARY OF PARLIAMENT.

OTTAWA, September 1, 1919.

*To the Speaker of the Senate:*

The joint Librarians of Parliament have the honour to report as follows for the recess of 1919.

The time has been so short that the Report of the Librarians must necessarily be brief.

Not many new publications of consequence have to be mentioned. The regularity of the mails has not yet been established, and there is still a want of transportation for cases of books.

But a constant supply of legal, financial and other books has been kept up by post at of course some extra expense.

The books promptly purchased after the fire of 1916, to supply the place of sets destroyed, still remain stored and insured at our agent's in London, and cannot be conveniently imported till there is room for them in the Library.

When the space to be given in the new buildings to the Library is placed at the disposal of the Librarians, the administration of the Library will demand some addition to the staff for the service and convenience of Members.

A liberal supply of blue books and reports on current subjects relating to after-war activities in England, France, and the United States, has been provided and has been at the service of Members at the temporary Senate and House of Commons.

All of which is respectfully submitted.

*(For List of Donations to the Library of Parliament, See Sessional Paper No. 40, 1919.)*

Ordered, That the said Report do lie on the Table.

A. D. DeCELLES,  
*General Librarian.*

The Honourable Mr. Willoughby from the Special Committee on the Bill (18), intituled: "An Act to amend The Civil Service Act, 1918," presented their Third Report.

The same was then read by the Clerk, as follows:—

THE SENATE,

COMMITTEE ROOM No. 70,

WEDNESDAY, 29th October, 1919.

The Special Committee to whom was referred the Bill (No. 18, from the House of Commons), intituled: "An Act to amend The Civil Service Act, 1918," beg leave to make their Third Report, as follows:—

With respect to Clause 13 of the Bill, which reads as follows:—

"13. The provisions of the classification ratified and confirmed by this Act and any amendment thereto made under the provisions of this Act relating to the compensation to be paid to employees shall not apply to persons now in the Civil Service until the First day of April, one thousand nine hundred and twenty."

It was the sense of your Committee that Clause 13 should be amended so as to make it retroactive to the First of April, 1919, but considering that this involves a large expenditure and the initiation in and passage by the House of Commons of an appropriation of money to make those provisions effective, your Committee think it expedient to report only this conclusion which it has arrived at, with a view to bringing it to the attention of the proper authorities.

If this conclusion of your Committee or any modification thereof is adopted by the Senate, your Committee recommend that a Message be sent to the House of Commons to acquaint that House therewith.

All which is respectfully submitted.

After which His Excellency the Governor General was pleased to close the Third Session of the Thirteenth Parliament of the Dominion of Canada, with the following Speech:—

*Honourable Gentlemen of the Senate:*

*Gentlemen of the House of Commons:*

In relieving you from further attendance on this Session, I thank you for the diligence and efficiency with which you have discharged your duties.

Measures of great significance and importance have engaged your attention.

The Treaty of Peace concluded by the Allied and Associated Powers with Germany and signed at Versailles on the 28th June, 1919, and the Treaty of Peace between the same Powers and the Republic of Austria, signed at St. Germain-en-Laye on the 10th September, 1919, have been presented to you and have received your approval.

These Treaties having now been approved by Germany and Austria, on the one hand, and by at least three of the Allied and Associated Powers on the other hand, await only the exchange of ratifications to enter into full force and effect.

I fervently trust that the provisions of these Treaties, marking as they do the termination of hostilities, may usher in for humanity an era in which great wars may be prevented and the blessings of world peace effectually secured.

Canada bore a large part in the operations of the war and contributed notably to its successful completion, and it is therefore gratifying to be able to note the distinguished position accorded to her in the conduct of the negotiations in the Peace Conference at Paris.

The visit of His Royal Highness the Prince of Wales to Canada has been a source of deep and widespread satisfaction. The universal welcome which has been extended to him is an evidence of the devotion of the Canadian people to the Throne and to British institutions. This welcome, so whole-hearted in character, is an undoubted tribute to the high personal character and qualities of His Royal Highness, who, in peace as in war, has closely identified himself with Canada, and shown his earnest desire to promote the welfare of the people of this Dominion.

The acquisition of the Grand Trunk properties and their addition to the existing national railways will materially promote the successful and economic administration of the whole system, and greatly aid in the solution of the important problems of Canadian transport.

The adoption of the report of the Committee of the House of Commons on Bill No. 10 will extend the scope and application of the important measures already taken for meeting the needs of returned soldiers and their dependents.

The adoption of the Classification of the Civil Service of Canada will make it possible for the Commission to proceed at once with the further organization of the Service.

The success which has greeted the inauguration of the Victory Loan is a tribute to the patriotism and organizing capacity of Canadian business men, and fully demonstrates the determination and readiness of the country to fulfill its obligations to its soldiers, maintain the credit of Canada, and strengthen its trade position.

In a survey of the economic and social conditions throughout the world, it is satisfactory to note that Canada's position compares favourably with that of any other country and is far more favourable than most. With the accordant action of labour and capital, aided as it has been by the Industrial Conference lately held, and with the continued application of our people to productive pursuits, accompanied by rigid adherence to thrift and saving, we can face the coming years of reconstruction and adjustment with hopeful confidence.

*Gentlemen of the House of Commons:*

I thank you for the provisions made for the public service along the lines of reconstruction and aid for the returned soldiers.

*Honourable Gentlemen of the Senate:*

*Gentlemen of the House of Commons:*

I devoutly pray that Almighty God may incline our minds to sane and prudent counsels, may inspire all our people with the will to work and to save, and continue the blessings of peace and prosperity within our borders.

His Honour the SPEAKER OF THE SENATE then said:—

It is HIS EXCELLENCY THE GOVERNOR GENERAL'S will and pleasure, that this Parliament be prorogued until Saturday, the 20th day of December next, to be here holden, and this Parliament is accordingly prorogued until Saturday, the 20th day of December next.
