ORANGE SERVICE AT QUARRYVILLE

July 11th—Yesterday was a red letter day in the history of Elm Tree Loyal Orange Lodge No. 118, and other members of the Brotherhood.

About two o'clock in the afternoon, and around our Orange Hall, the scene was lively and inspiring, as brother greeted brother, and auto after auto arrived bringing brethren and friends from Blackville, Chelmsford and other localities; all intent for sacred worship, in the nearby Presbyterian Church.

At 2.15 the members formed in procession order, and marched from the hall to the Church, where they occupied the front seats, on both sides of the aisle. The edifice could not contain the throng which had gathered, and all round the building, and at every open window, those who could not obtain room, or seats inside, listened to the service.

At 2.30 service commenced. The Rev. Mr. Matthews, Millerton, Past Grand Chaplain took part in the pulpit, with Brother, the Rev. Mr. Grant pastor of the Church. Special hymns had been selected and the choir rendered them in excellent manner, the congregation adding their voices enthusiastically.

Rev. Mr. Grant chose for his text the 17th verse of the 2nd Chapter of the 1st Epistle of Peter.—"Honour all men; love the brotherhood, fear God; honor the King." Upon this he founded an earnest and inspiring sermon, showing all through how seriously and faithfully, the principles of the Orange Order aimed at carrying out, christian obedience to the inspired teaching and commands of Sacred Writ, as ordered in the inspired words of his text. The cause and need of the order, was fully explained, and its obligations to uphold loyalty, liberty of conscience, and freedom of worship advocated and upheld.

The service over, the Brethren again took up marching order, returned to the Hall, where a bountiful lunch was served by the ladies. Mr. James Hetherington the Worshipful Master of the Lodge, deserves much credit for the proceedings of the day. Indeed every brother lent a helping hand; and happiness and brotherly love, marked the whole proceedings.

Mrs. Grant of Blackville led an interesting conference on Mission Band Work.

The nominating committee presented the following names for office, which were accepted, en bloc.
Hon. President—Mrs. R. H. Montgomery, New Richmond.
Hon. President—Miss Archibald, Trinidad.

President—Mrs. L. H. MacLean
1st Vice-Pres.—Mrs. A. D. Archibald.

BASE BALL NOTES

Left Tuesday evening Newcastle

went to Loggieville to play the scheduled game between these two teams but on arrival of the locals, Loggieville refused to play as they claimed it was too late to begin the game which could not be finished before dark. In consequence no game was played and it now remains to be seen what will be done in its connection. The locals claim the game as they arrived in plenty of time to play the regulation 5 inning game.

The game between Chatham and Nelson at Nelson on Tuesday was postponed. Apparently it looks as if Loggieville, Chatham and Nelson can get their games postponed whenever they feel so disposed, but when Newcastle asks to have a game postponed they are met with the statement that they must appear on the field or forfeit the game. Such discrimination does not tend for clean sport on the North Shore.

On Friday evening Newcastle defeated Douglastown at the latter place by a 6-1 score. A large attendance of fans was present and a big crowd of Newcastle followers of the sport accompanied the local team.

At Loggieville on Friday evening Chatham defeated Loggieville by a score of 6 to 2.

Tonight Loggieville plays here while Douglastown plays at Nelson.

FATHER DELORME ADJUDGED INSANE BY JURY

Montreal July 1—The last chapter has been written in the Delorme mystery. In the verdict brought in by the jury yesterday afternoon, which declared J. Adelard Delorme mentally unfit to stand trial on the charge of having murdered his half brother, Raoul, on Jan. 6 last, the case formally closed. Delorme will spend the remainder of his natural days within the confines of an insane asylum unless he should at some future date be declared sane, whereupon he will be brought to trial on the charge upon which he stands indicted.

Mr. Justice Monet plainly and insistently intimated or expressed his opinion that Delorme was mentally capable of being tried.

SOME CUT

The Fraser Company Mill across the River, is doing good work this season, in fact "speeding things up" as one of their men was heard to say. The employment which this concern gives to a large number, is a decided benefit to our working men, and to our various merchants and others with whom they trade. The mill gives employment both day and night. One gang in the day for general cutting or sawing, and the other at night, for the manufacture of laths. One day last week forty-two hundred and ten logs, were changed into lumber of various dimensions. It was a record day, and "some cut." The men feel good-over it.

CONDUCTOR'S BODY FOUND

The body of a man found in the river here on Friday morning near Buckley's Mill has been identified by his brother as that of Conductor Nehemiah Osborne, missing for some days. An insistent search had been carried out and the river dragged. The body was found about 11.30 by a boatman named Albert Ryan. The face was badly disfigured.

There were no marks of violence on the body and the man apparently met death by drowning.

Coroner Desmond empanelled a jury and an inquest was commenced. It was established at the inquiry that the deceased was seen Sunday morning about 3 o'clock in a cafe and that he then stated he was going to the station.

The inquest was adjourned until next Thursday evening.

The body was prepared for burial at Maitby & Sons' undertaking rooms and taken by his two brothers to Marysville for interment.

FUNERAL OF LATE C.N.R. CONDUCTOR

The funeral of the late Nehemiah Osborne, conductor on the Fredericton, Newcastle subdivision of the C. N. R. who met death by drowning at Newcastle on Saturday July 1st, took place Sunday afternoon from his late residence at Marysville. The funeral was the largest that had been seen in this vicinity in some time. The funeral was under the auspices of the Brotherhood of railway trainmen. Officials of Celestial lodge, S. B. R. T. officiated. The service at the grave was read by Charles Sterling and Walter Long. Harold Logan was marshal. Music was furnished by the York Regiment band. Rev. Mr. McNeil conducted the service. Interment was made in the Baptist cemetery. Numerous floral tributes were sent.

NEW SCOTCH PICTURE COMING

One need not be a Scot to enjoy "The Bonnie Brier Bush," the latest Paramount picture produced in England which will be the feature at the Empress theatre next Friday from the famous novel "Besides the Bonnie Brier Bush," is one of universal appeal and representatives of every civilized nation will find it sweet and wholesome. Donald Crisp, the producer, plays the important role of the stern, rigid elder of the "kirk" whose sternness all but provokes a tragedy in his own home. Mary Glynn, popular with American motion picture fans has the part of Flora, his daughter. The cast is one of unusual excellence and includes among others Alex. Fraser, Jack East, Jerrold Robertson, Mrs. Hayded Coffin, Humbertson Wright, Dorothy Fane, Langhorne Burton and other screen artists. The principal scenes were photographed in Scotland and are most beautiful. The production is massive and many of the situations are dramatic and sympathetic.

WEDNESDAY HOLIDAYS

The Wednesday afternoon holidays for the summer begin tomorrow. The stores will close at 12 o'clock noon every Wednesday afternoon until September 15th.

MIRAMICHI PRESBYTERIAL 1921-1922

The twenty-sixth annual meeting of Presbyterial convened in St. James' Church, Newcastle, July 5th and 6th with not only a representative gathering of delegates but the largest in its history. Report of Committee on Credentials, twenty officers, eighty-one delegates, five ministers. The Executive met Wednesday afternoon, attending to usual routine business and appoint-

ment of various committees for work pertaining to the seasons field throughout Thursday 6th. At the public meeting held Wednesday evening, Rev. Mr. Gardner of Rexton presided having charge of the devotional exercises, after which Mayor Fish very cordially welcomed the delegates and made a few remarks appreciative of the work of the society. Mrs. L. H. MacLean and Rev. Hugh Miller giving very excellent addresses. The dominant note of Mrs. MacLean's address, was our task, opportunity, responsibility and duty in this special work. Rev. Mr. Miller spoke on Home Mis-

sions, dealing with the subject in such a manner that one could not but feel their individual co-operation was required to make this work a success. The music under the direction of Mr. Liscombe was very much appreciated, Miss E. Nicholson sang a solo. The business sessions on Thursday opened at 9.30 with devotional exercises led by Mrs. MacLean, President.

The corresponding Secretary's report is as follows:—
No. of Auxiliaries 41
No. of Young Ladies Branches 6
No. of Mission Bands 31
No. of Members of Auxiliaries 1019

The Treasurer Miss Cameron reported for Foreign

Missions \$4191.28
For Home Missions 1383.47
Total \$5574.75

An increase over last year, which was a pleasant surprise, considering business conditions this year.

Mrs. James Stables presented an address of welcome to the visitors, to which Mrs. A. B. Carson of Rexton fittingly replied. Mrs. J. H. A. Anderson, Chatham, gave an address on the Forward Movement, from its inception, to the present time which is worthy of very special mention. Tabusintac Auxiliary led the devotional exercises at the afternoon session. A memorial service for the late Dr. Kate McMillan was conducted by Mrs. Bruce of Campbellton Auxiliary and assisting were six boys of Campbellton Mission Band who gave the story of Dr. McMillan's school and college days and her untiring devotion in the work in Korea in Hospital, Medical, and Spiritual

PARIS MURDER TRIAL ADJOURNED

The fourth trial of John Paris, which was to have begun Tuesday, did not get very far, and was finally adjourned for two weeks at the request of G. H. Vernon, counsel for the prisoner. Interest in this case still seems to keep at fever heat, and long before the hour set for the opening of the court, the crowd had begun to gather in front of the doors, waiting for a chance to get in.

When the case was called to trial and the roll of jurors taken, only 27 out of 60 answered to their names. His Honor, Judge Chandler, commented sharply on this feature and read a section of the Jury Act, which provides a penalty of \$10 per day, up to \$30, for failure to attend when summoned, and stated his intention to exact the full penalty of the law, unless some very good reason for non attendance was given.

Attorney-General Byrne asked for an adjournment until more jurors could be summoned and the judge excused the jurors present until Friday morning at ten o'clock.

G. H. Vernon, counsel for Paris, said he would like a postponement of two months, as there had been developments which he thought would be in the interest of his client. The judge said he would not be able to try the case at that time as he had leave after the end of August, but consented to hear a formal application at three o'clock in the afternoon.

Paris presented much the same appearance as at the previous trial and was neatly dressed in a brown suit. He took his place in the new prisoner's dock and appeared self-possessed and confident.

Several children who had not previously given evidence, were in court but the detectives declined to say whether they would be put on the stand or not.

At three o'clock in the afternoon the court convened, and Mr. Vernon presented his application for postponement of the trial for two months, supporting it with an affidavit that

STOMACH ULCER AND GALL STONES

After Suffering 25 Years, Completely Relieved by "FRUIT-A-TIVES"

MR. EDWARDS
MAPLEHURST FARM, HILLHURST, P.Q.
"I am in my 78th year. About 25 years ago, I began to have trouble with my Stomach. One doctor said I had Cancer; another said, Ulcer of the Stomach; another, Gall Stones; others, Ulcers of the Liver and Inflammation of the Gall Bladder. Three years ago, I consulted one of the best specialists in Montreal. He said I must go to the hospital, have an Ulcer cut out of my stomach and gall stones removed. I was then 74 years old. I said "NO." Then, I began to take "Fruit-a-tives". I found they helped me a lot, and I still take them occasionally, and I am so much better that my old friends often ask me what I have done to myself to look so well. I am gaining in weight and enjoying life very much."

he had reason to believe that if this were granted, he would produce evidence to show that his client was not the guilty man. He had heard a rumor that a certain man had committed the deed and he wanted time to investigate this rumor.

The application was opposed by the Crown, the Attorney-General arguing that the case should be proceeded with at once. The judge, after hearing the argument, decided to grant a postponement of two weeks, and on Tuesday July 18 will then, if Mr. Vernon was able to present sufficient evidence, grant a further stay of proceedings.

The Attorney-General said the Crown would oppose any further delay in bringing the case to trial, and issued a warning to all jurors to be present on the morning of July 18, as otherwise they might find themselves under indictment for contempt of court.

STUMPAGE RATE TO BE KNOWN AT NEXT MEETING

Mon. C. W. Robinson, Minister of Lands and Mines, stated Thursday morning that there was no announcement to make with regard to the rate of stumpage for the ensuing year. The Minister said that no decision had been reached by the government but that announcement would be made at the next meeting which would take place in August probably about the middle of the month.

Railway News in Brief

Toronto.—The employees of the C. P. R. London Division in Toronto terminals gathered at the head office, Simcoe street, in order to show their respect for former Chief Superintendent F. M. Rutter. Richard Malloy, who occupied the chair, referred to the importance of the occasion and called on A. Maynes, division master mechanic, and Chief Dispatcher James Wansbury who, in their modest manner, and in the language of railroad men, presented Mr. Rutter—who has been transferred to London—with a handsome gold watch and chain and purse of gold.

Vancouver.—Alterations to the Hotel Vancouver, about which rumors have been rife for several months, will certainly not be undertaken this year, declares Mr. Andrew Allerton, manager-in-chief of the Canadian Pacific hotels. "The present hotel is quite ample to care for the business which is offering," said Mr. Allerton. "Even if alterations were required at present the executive does not consider this a suitable time to undertake building operations." Although there will be many special train loads of tourists handled by the Canadian Pacific during the coming summer, the hotels will not be called upon to handle any heavier traffic than last year, in his opinion. Tight money will tend to keep tourist travel down, he thinks.

Montreal.—The C. P. R. Windsor Station, Montreal, and the Grand Central Station in New York are now forty minutes closer to each other, as the Delaware and Hudson Railway has decided to accelerate the night train from Montreal so that the departure time will be 9 p.m. instead of 8:20 p.m., although the arrival time in New York will be the same, namely 7:30 a.m. The train will also be elevated to the dignity of a name instead of being as it has hitherto been merely a number, and will henceforth be known as the New York Limited. According to Mr. James Fitz Simonds, of the Delaware & Hudson Railway, prospects of travel from the United States to Canada during the coming season are excellent, and the steadily increasing volume of passenger business has induced the management of his railway to go to the additional expense of accelerating the service between Montreal and New York.

Montreal.—Montreal harbor is one of the finest in the world, and it has a fine old custom of honoring the captain of the first trans-Atlantic vessel that arrives there when the shipping season opens. About fifty years ago Captain Howard, then master, originated the idea of presenting a tall silk hat to the first captain to arrive with a trans-Atlantic ship of any kind, freight or passenger, or both passenger and freight. For about thirty-five years the custom continued—the first captain to arrive every spring got his tall silk hat. About fifteen years ago silk hats lost some of their popularity as fashions changed. At that time Mr. M. P. Fennell, junior, now General Manager of Montreal Harbor, conceived the plan of presenting the captain of the first trans-Atlantic vessel with a gold-headed cane, discontinuing the old silk hat. The cane custom continues in vogue. The presentation of the gold-headed cane is an interesting event in Montreal shipping circles. Last year the presentation was made by the president of the Montreal Harbor Commissioners on board the ship of the winning captain in the open air, where the moving picture men could record the incident.

St. John, N.B.—A scheme that is intended to prevent mistakes and facilitate the forwarding of unaccompanied women and girls from their Canadian port of debarkation to their Canadian destinations has been arranged by the department of immigration and colonization, and will henceforth be adopted for all such passengers arriving on Canadian Pacific ships at Montreal, Quebec or St. John. In order to prevent confusion when all passengers are hastening to leave the ship, and to prevent inconvenience to women and girls, it has been arranged that the matron aboard the ship shall supply each unaccompanied woman with a small ribbon for use as a special means of identification. This ribbon will be worn at the time of landing. A red ribbon will identify those proceeding west of Ontario and a blue one those destined for that province. Passengers proceeding to any other points will wear white ribbons. When there are special government parties a yellow ribbon in addition to the red one will designate a party for Saskatchewan; sky blue in addition to red for Manitoba, and brown in addition to red for Alberta. In addition to a staff of stewardesses on all Canadian Pacific ships there is also a matron whose special duty is to attend to the welfare of women and children travelling alone.

Called to St. David's

An unanimous call to Rev. Hugh Miller, M. A., B. D. of St. Andrews Church, Campbellton, N. B. was extended by the congregation of St. David's Presbyterian Church, St. John, N. B. at a meeting held Monday evening. It was announced at the meeting that Rev. J. A. MacKeigan, the recent minister of St. David's who had gone to Moose Jaw in acceptance to a call, was ill there

TEN WAYS TO KILL AN ORGANIZATION

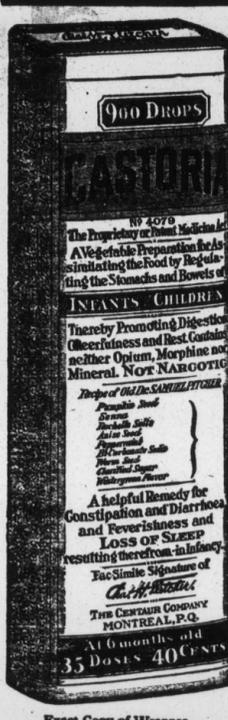

1. Don't come to the meetings. But if you do—come late.
3. If the weather doesn't suit you, don't think of coming.
4. If you do attend a meeting, find fault with the work of the officers and members.
5. Never accept an office, it is easier to criticize than to do things. Nevertheless, get sore if you are not appointed on a committee, but if you are, do not attend the meetings.
7. If asked by the chairman to give your opinion on some important matter, tell him that you have nothing to say. After the meeting tell everyone how things should be done.
8. Do nothing more than is absolutely necessary, but when other members roll up their sleeves, and willingly and unselfishly use their ability to help matters along, howl that the organization is run by a clique.
9. Hold back your dues as long as possible, or don't pay them at all.
10. Don't bother about getting new members—"Let George do it."

TURN TO RIGHT TO BE RULE OF THE ROAD IN N.B.

Fredericton, July 6.—The Provincial Government passed an order in council last night authorizing the issuing of a proclamation which will make "turn to the right" the rule of the road in New Brunswick on and after December 1st next.

An enabling act was passed by the Provincial Legislature to authorize such action by the Provincial Government when he felt advisable and the decision reached by the cabinet followed conferences with representatives of the government of Nova Scotia.

At the last session of the Nova Scotia Legislature an act was passed making "turn to the right" of the road in that province after January 1st, 1923 so that the change in the two provinces will be practically simultaneous. December 1st was adopted as the date for the change in this province upon recommendation to Hon. P. J. Veniot, Minister of Public Works because in a large portion of New Brunswick sleighing will be then starting and it would be inconvenient for farmers to change the shifts for the shafts on their single horse vehicles on runners.

BRUTAL MURDER IN ST. JOHN

St. John, N. B., July 6.—The second brutal murder in Douglas Avenue within a year occurred in the early hours of this morning when Frederick H. Trifts, a garage owner, was killed by some person or persons whose identity is unknown. The lifeless body of Mr. Trifts was discovered at 6.35 a. m. by George Rose, a milkman, lying in his sedan car with the engine of the machine running, the headlights on and the brakes set just in front of Dr. J. D. Maher's house near Riverview Park, not 300 yards from the spot where little Sadie McAuley was foully murdered last August. Trifts' skull was fractured and there were several cuts and bruises on the head while the machine itself and the gutter nearby were red with blood. No trace of the murderer has been discovered and the detectives are working hard to try and locate the person who telephoned Mr. Trifts at 10.30 o'clock on Wednesday evening and caused him to proceed to Douglas Avenue, but so far without success. Efforts of the New Brunswick Telephone Company to trace the origin of the mysterious call failed today.

Inquest Adjourned To Thursday
The Coroner's Jury viewed the body at a hospital tonight, and the automobile and then adjourned until next Thursday evening before continuing the inquest.

A break was made into the gasoline filling station of J. B. Patchell, just one block from the scene where the murder was discovered, and a quantity of goods were stolen. It was thought for a while that this break and the murder might be connected in some manner, but this theory was exploded tonight when the detectives received a message from Inspector Stevens of the Canadian Pacific Railway police announcing that three young men had been captured at McAdam Junction stealing a ride on a freight train with goods similar to those stolen in their possession. A large wrench, which

was found when a man returned it to him, saying that he had found it on the running board of his car after he had obtained some gasoline from the station.

The men arrested at McAdam admitted that they were from this

of committee on Resolutions and courtesies expressed deep appreciation of the kind hospitality extended to delegates, to the Pastor, Session, Church management, Mr. Liscombe and Choir, to the Speakers, for very fine addresses, to Mrs. L. H. MacLean for untiring effort in the discharge of her onerous duties as President, to the friends who so kindly loaned cars.

It is a matter of congratulation to the Presbyterial, that Mrs. MacLean accepted office for another year. High tea was served in the Kirk Hall at six o'clock, to a very large number of guests, by the Auxiliaries of St. James' Church, Mrs. R. Nicholson, President, having charge of arrangements. Rev. L. H. MacLean presided at the evening meeting, and Rev. W. McN Matthews gave a most earnest and interesting address on Foreign Missions. Again the Choir rendered valuable service with Miss Styliani as soloist. A cordial invitation from Campbellton Aux. for meeting of 1923, was accepted. As much interest is now being taken in the organization of a Home for Girls in Moncton it is gratifying to note in the Home Mission Allocations of Presbyterial a donation of \$150.00 to its work.

RECALCITRANT COUNTIES MUST PAY ARREARS

Hon. W. F. Roberts, Minister of Health announced Thursday morning a considerable number of appointments in his department which were passed by the Provincial Government at the meeting which ended Wednesday night. The Minister also made announcement in connection with the offer of the Rockefeller Foundation relative to medical inspection in the public schools of New Brunswick being accepted by the Government. The prosecution of counties in arrears for Health accounts was decided upon.

OBITUARY

ALLAN J. WHEELER
Allan J. Wheeler one of the best known citizens of Fredericton passed away Tuesday morning at about five o'clock at his home George Street, after a lengthy illness. The deceased was aged fifty-three years. He was a native of Newcastle but had resided in Fredericton for many years. The deceased is survived by a widow a daughter of ex-Ald Michael Ryan of Fredericton, also by three sisters Mrs. Dennis Doyle and the Misses Josephine and Clare of Newcastle. The deceased for some years had been chairman of the Board of Revisors of Fredericton and also for some time has occupied the position of Board of Health Secretary. He was a life long Liberal and prominent in the party. The funeral took place Thursday with High Mass at St. Dunstan's Church at nine o'clock. Interment at the Hermitage.

Railway News

Vancouver. — The C. P. R. have taken the lead in employing white laborers in preference to Orientals, 86 men being sent to Revelstok division for track work through the Provincial employment bureau at Vancouver.

This step was a result of a conference recently between J. H. McVety, superintendent of the employment bureau, and F. W. Peters, general superintendent of the C. P. R. western district.

The Canadian Pacific Railway has made arrangements for the convenience of the travelling public whereby they may insure their baggage and personal effects while travelling by land or sea in any part of the world.

Policies cover the property of the insured against all risks of rail and water transportation, including theft and pilferage wherever the insured goods may be, except while in the permanent residence of the assured person.

Persons travelling may secure policies from the agents of the C. P. R. at the principal stations throughout Canada and the United States.

In addition the policies will be on sale in the baggage rooms at: Brandon, Man.; Brockville, Ont.; Calgary, Alta.; Edmonton, Alta.; Windsor St. and Place Viger Stations, Montreal; Moose Jaw, Sask.; Quebec Station and Wharf, Que.; Regina, Sask.; Toronto, Ont.; Vancouver Station and Wharf, B. C.; Winnipeg, Man., and Fort William, Ont.

One hundred and sixty-six of the passengers aboard the Canadian Pacific liner "Montrose" on her maiden voyage from Liverpool to Montreal have addressed a letter to Mr. G. M. Bosworth, Chairman of the Canadian Pacific Steamships Limited, expressing their appreciation of the new liner. The letter says:

"On the occasion of the maiden trip of the R.M.S. 'Montrose' we, the undersigned passengers from Liverpool, Canadian points, desire to express our great appreciation of the beauty and extreme comfort of the ship in all its details and arrangements for both private and public use.

"We also desire to place on record our great satisfaction with the courtesy, kindness, and never-failing efforts on the part of the Commanding Officers and Crew to make this voyage one of real pleasure.

"The catering and general service have been, as usual, up to if not exceeding C. P. R. standards.

"We therefore congratulate the Company on having such a steamer as the 'Montrose' added to its fleet, and ourselves on having had the privilege of taking part in its maiden voyage."

The first Trans-Canada C. P. R. train of the season left Windsor Street Station, Montreal, at 5 p.m. Sunday, May 21st, and left Toronto at 9 p.m. on the same day.

This splendid train, carrying standard sleeping car equipment only, and making the fastest time between terminals of any trans-continental in America, is a real Windsor Street Station at 5.00 p.m. and Toronto Union Station at 9.00 p.m. Eastern Standard Time daily, consuming 88 hours between Toronto and Vancouver, and 92 hours between Montreal and Vancouver.

The schedules are so arranged that the train passes through all important points (commercial or tourist) at most convenient hours of en-training or during, and during the portion of the trip through the Canadian Rockies open observation cars from Field to Revelstoke are special features. There is no extra charge made for this feature by Canadian Pacific.

Although this is the only de-luxe train run in Canada in which sleeping car passengers only are carried, there is no extra fare required to travel on same.

With the resumption of the full summer trans-continental service the Canadian Pacific will have at 8.00 a.m. every day thirty-six trans-continental trains moving on its rails at various points between Montreal and Vancouver (and 36 dining cars are serving breakfast), among which are included eight Trans-Canada trains—all this vast fleet of high class trains the Trans-Canada is the "Premier Train."

The Trans-Canada is in addition to the "Vancouver Express" now operating, making two trans-continental trains daily between Toronto and Vancouver. Travelling by the Trans-Canada a business day is saved on the trans-continental trip as the business man has had his breakfast and is ready for business the second morning in Winnipeg, the third morning in Calgary, and the fourth morning in Vancouver. The Canadian Pacific will this summer have four trans-continental trains each way every day over the mountains.

city, but say that they purchased the goods here. They are being held at McAdam until tomorrow when they will be brought to the city.

Was Seen After Midnight.
Miss Maude Perry, 34 Paddock Street, says that she saw Mr. Trifts in Paddock Street, shortly after midnight, coming from the direction of his garage. Miss Perry's statement is corroborated by John O'Connor, who was securing Miss Perry to her home at the time, after Miss Perry had locked up her confectionery store in Prince William Street.

Worried Women Need Rich Blood

If the Blood is Not Kept Pure Health Will Break Down.

It is useless to tell a hard working woman to take life easily and not to worry. To do so is to ask the almost impossible. But, at the same time, it is the duty of every woman to save her strength to meet any unusual demands. It is a duty she owes herself and family, for her future health may depend upon it.

To guard against a complete breakdown in health the blood must be kept rich, red and pure. No other medicine does this so well as Dr. Williams' Pink Pills. This medicine strengthens the nerves, restores the appetite and keeps every organ healthily toned up. Women cannot always rest when they should, but they can keep their strength by the occasional use of Dr. Williams' Pink Pills. Among those who have found benefit from this medicine is Mrs. Cora Conrad, Broad Cove, N. S., who says: "My system was very much run down, and my blood poor and watery. I suffered a great deal from headaches and dizziness; my appetite was poor, and I tired easily. I decided to try Dr. Williams' Pink Pills and have every reason to be glad that I did so. Soon I felt better, and under the continued use of the pills the headaches and dizziness were gone, and my blood seemed in a better condition than before. For this reason I recommend Dr. Williams' Pink Pills."

You can get Dr. Williams' Pink Pills through any dealer in medicine or by mail at 50 cents a box or six boxes for \$2.50 by writing The Dr. Williams' Medicine Co., Brockville Ont.

WEDDINGS

UNDERHILL—HINTON

A wedding of more than local interest took place in Doaktown on Tuesday June 27th at 5 o'clock when Miss Florence Mae Hinton, the youngest daughter of Geo. H. Hinton, was united in the holy bonds of matrimony to Lawrence William Underhill of Blackville, only son of Mr. and Mrs. W. A. K. Underhill. The church which was filled to the doors long before the appointed hour was beautifully decorated with ferns, roses streamers and Potted Plants, by many girl friends of the bride. The bride looked very beautiful gowned in white duchess satin, heavily embroidered in white rope silk and trimmed with French Pearls, also wore a bridal veil arranged in Juliet style and caught with orange blossoms and carried a beautiful shower bouquet of Ophelia Roses and Maiden hair fern. The bridesmaid was Miss Muriel Underhill sister of the groom and looked charming in pale pink satin with large black picture hat and carried a lovely bouquet of pink roses. Miss Phyllis Shell, was flower girl and wore white with pink trimmings and carried a large basket of flowers.

The groom was ably supported by the bride's brother Earl C. V. Hinton. The bride leaning on the arm of her father entered the church to the strains of Mendelssohn's wedding march proceeded by the bridesmaid and little flower girl. Miss Frances A. M. Whyte played softly during the ceremony. Immediately after the first prayer Miss Mabel Rowley sang sweetly "O Perfect Love."

The ushers were Messrs Robert Russell and Hubert Doak.

A reception was held at the bride's home where many friends and relatives partook of a dainty buffet luncheon. The bride's travelling suit was of heavy Bengaline Silk embroidered in Blue and Gold with beautiful jet girdle and hat to match suit.

The grooms gift to the bride was a handsome sunburst of pearls, a string of pearl heads to the bridesmaid, organist and flower girl and to the groomsmen a set of gold initialed cuff links.

The bride and groom left that evening on the "Whooper" for a little trip amid showers of confetti and rice and good wishes from their many friends.

The bride who is one of Doaktown's most popular young ladies, was the recipient of many beautiful presents including several checks, silver, cut glass and hand embroidered linen. A piano was the gift from the bride's father.

The out of town guests were: Mr. and Mrs. W. A. K. Underhill, Blackville; Miss Ruby Underhill, Somerville, Mass.; Rev. and Mrs. G. A. Grant, Blackville; Mrs. Robert MacLaggan, Blackville; Mrs. L. J. Bryant, Millerton; Mrs. William Scott, Strathadam; Mrs. Hiram Smith, Blackville; Miss Clements, Miss Ninnetta Martin and Miss Alta Griffin, Fredericton; Miss Mabel and Rosa Rowley, St. John.

No Appetite

Nervous exhaustion leads to distaste for food. The nerves of the stomach are weak, digestion fails and you become generally upset and out of sorts.

The secret of complete restoration is in getting the nervous system fully built up.

Mrs. R. Cheney, 208 Richmond St., Chatham, Ont., writes:

"I was troubled with indigestion, which caused me many sleepless nights. I would be in terrible distress at times, and would get no relief for two or three hours. For sixteen months I ate nothing but Shredded Wheat biscuits, as I dare not eat anything else. I did not know what to do, as I had tried so many different remedies, as well as doctors' medicines, without gaining permanent relief. Finally I got some of Dr. Chase's Nerve Food, and while on the second box noticed that I was improving. I continued the treatment until I am now fully restored, and have returned to my regular diet. My husband has also taken Dr. Chase's Nerve Food with splendid results, so we are glad to recommend it to others."

WOMAN KILLED BY C.N.R. TRAIN AT HARCOURT

Mrs. Geddes, of Harcourt, was run over and killed about 1,000 yards from Harcourt station on Monday by freight train number 88, eastbound in charge of Engineer William Reid and conductor A. Jessulate, both of Moncton. The whole train, consisting of twenty-three cars in addition to the engine, passed over the unfortunate woman before the accident had been discovered.

Mrs. Geddes attempted to cross the track in front of the train and in so doing was noticed by the fireman. She was not seen by the engineer as the engine cut off his view. The fireman saw that the woman had sufficient time to cross and presumed that she had done so in safety. He, however, informed the engineer of what he saw with the result that the train was immediately stopped and the distressing accident discovered.

THE LOCOMOTIVE OF BUSINESS

An exchange says: William Wrigley, Jr., the successful chewing gum magnate, talking with a smoking car audience the other day, was telling the others how much a year the chic people invested in advertising.

"But, Mr. Wrigley, you've spent millions of dollars and created a splendid demand now; everybody talks about and chews Spearmint. Your demand is steady and growing isn't it a waste to continue spending so many hundred thousand dollars a year in publicity?" one of his auditors asked.

The Spearmint king thought a moment, and then replied:

"My friend, if I were to stop advertising, it would be just like taking the engine off this train. It would slow down, and after a little while stop. Advertising is the locomotive of business, and if you don't have it, business comes to a stop."

OCEAN LIMITED WRECKED NEAR CAMPBELLTON

Campbellton, N. B., July 6—The Ocean Limited express train, which left Halifax at 7.40 o'clock yesterday morning for Montreal, was wrecked by a cow at a late hour last night near the village of St. Moise, Que., eighty-three miles west of Campbellton. Mail clerk Matte of Levis, was killed another mail clerk name unknown here was severely injured, and the engineer Ollie Matthews, of Campbellton was seriously scalded. The track was torn up for a long distance and the wreckage had not been cleared away up to one o'clock this (Thursday) morning.

The Ocean Limited left Moncton at 2.20 o'clock yesterday afternoon and was due to pass St. Moise at 10.15 o'clock last night. St. Moise is twenty-two miles south of Mont Joli, a divisional point and the train does not stop at the village station.

While going at her high speed, the locomotive struck a cow lying on the tracks, and was hurled a distance of forty feet from the roadbed turning over on its side.

The mail, express and baggage, second and first class cars were thrown from the rails, four of them turning over or partly turning over, baggage and mail being hurled in all directions and the lighter service cars being badly broken up. The staunch steel cars held together, preventing loss of life to the passengers. The sleeping cars, chair cars and diner remained on the rails.

The fireman escaped by jumping but Engineer Matthews was not so fortunate. Doctors and nurses were sent from Mont Joli, and this morning the injured men were taken to that place.

Wrecking crews were sent from Campbellton and Mont Joli and it was expected that the track would be clear this forenoon. The wreck blocked the Maritime Express, which left Halifax yesterday for Montreal, the Maritime which is bound east and due in Moncton this morning. The wrecked train was in charge of E. Dumas, of Levis.

Smallpox Cases In Kent County

Dr. F. J. Desmond, District Medical Health Officer, was called Monday from his home in Newcastle to give his attention to two smallpox cases which have developed in Kent County.

Railway News

Banff.—Following the procedure of previous years, the Bank of Montreal has opened a temporary branch of the bank in the Canadian Pacific hotel at Banff, Alta., under the management of J. N. Bray.

Montreal.—For the convenience of its numerous patrons, the Canadian Pacific Railway Telegraphs has issued a neatly-bound list of all its offices in Canada and the tariff in each case. The pamphlet also includes the principal points in the United States with direct connection, a general tariff sheet and cable rates for overseas countries.

From now on Canadian Pacific steamers will dock at Coleman Dock, Seattle, instead of at Pier No. 1 as heretofore.

The passenger movement of the Canadian Pacific vessels will make the Coleman Dock one of the greatest waterfront passenger terminals on the Pacific Coast. For the Canadian Pacific service the south side of the Coleman Dock has been rebuilt, a large passenger ramp being provided for the handling of travellers between the ships and the second floor of the dock, all passengers embarking and disembarking on this second floor.

Liverpool.—In addition to the Dominion Express services already maintained from Liverpool, Glasgow, Antwerp, Hamburg, and Havre to Canada, the Dominion Express Company recently inaugurated their Southampton service.

The Dominion Express Co. will be maintaining a regular weekly express service from Southampton in addition to their other services. The Dominion Express Co.'s temporary offices in Southampton are No. 7 Canute-road. Telegraphic address, "Domexpress."

Liverpool.—There was a "cargo" of brides on the Canadian Pacific liner "Metagama," which sailed from Liverpool recently.

In all there were on board 25 girls who were leaving the Old Country to rejoin their betrothed in the Dominion, whether they had gone to seek fortunes and prepare homes.

This batch of brides is believed to be a record for any vessel leaving the Mersey, and the "Metagama" has thus well earned the title bestowed on her to-day of "the bride's ship."

Special entertainments were held on the ship among the passengers in honor of the brides.

Montreal.—R. B. Angus was 94 years old on Sunday, May 28th. One of the original promoters of the Canadian Pacific Railway, is alive and well. But although that nation-binding enterprise is history, he is of the present.

Richard Bladworth Angus, born in Bathgate, Scotland, May 28, 1831, was one of the early justifications of the policy of bringing young bankers from north of the Tweed to north of the Great Lakes. Joining the Bank of Montreal in 1857, he became general manager twelve years later and president in 1910. In 1888 he entered a syndicate with Lord Mount Stephen and Lord Strathcona, forming that triumvirate which smashed the line of steel through all obstacles, political and natural, and reaping richly his reward.

Mr. Angus celebrated his ninety-first birthday at his country house at Senneville. He was in fine spirits and expressed himself as being very happy. His health is now better than it has been for some time and Mr. Angus is looking forward to the enjoyment of many more years.

All the members of the Angus family were present at the Senneville home and all were at luncheon at which Mr. Angus presided. After luncheon Mr. Angus sat in the garden and there received a number of friends. Among the callers were Lord Shaughnessy, Sir Vincent Meredith and Mr. C. R. Hosmer.

Banff.—A long felt want of mountain climbers and those interested in riding and walking over mountains has just been supplied by the Canadian Pacific Hotels in the form of an illustrated booklet entitled "What to Wear, Climbing, Walking, Riding." The average novice intent on enjoying mountaineering generally proceeds to the mountains with a poor idea of the equipment necessary. This little book gives all details about clothing and equipment. Here are samples of the advice the book contains: A week before setting out for a mountain climb prepare the feet by rubbing with lanolin. Wear thick woollen stockings. Wear leather strap garters, nail boots, large and of best quality. Bring a "rucksack" to carry lunch, camera, etc. The booklet lays special emphasis on the necessity for strong boots, and recommends "Prospectors boots" when they can be obtained. A supply of the proper kind of nails for boots is kept at Lake Louise. In case the weather turns out bad mountaineers should bring woollen mittens, a woollen skin cap; yellow, green or fusel glasses are recommended to deaden the effect of the glare of the snow on the eyes.

FEELS IT HIS DUTY TO TELL FACTS IN CASE

Dartmouth Citizen Says he Suffered For Years From Indigestion But Was Finally Restored Completely By Tanlac.

"In telling how Tanlac helped me I feel I am only doing my public duty," declared Peter Nielsen, highly respected citizen of Dartmouth, N. S. "For nearly fifteen years I was troubled with indigestion. My food would form gas that caused me sharp pains across my chest and almost cut off my breath. My kidneys also were out of order. I had a pain in the small of my back and if I stooped over I could hardly straighten up again.
 "Of late years my chief trouble was rheumatism. Sometimes I could not use my arms and shoulders. Then it seemed to settle in my legs. I got so bad I could not walk to bustness.
 "Finally I decided to try Tanlac and today I am a well man. My rheumatism is gone and I am able to walk back and forth to work. My indigestion has been overcome and I feel just fine. I think Tanlac is a wonderful medicine."
 Tanlac is sold by all leading druggists everywhere.

WHAT IS IT

What is radium, anyway? We might at least get a small notion of what radium can do by reading what one of our scientific magazines has to say about it:
 "Radium shoots out particles of matter at velocities up to 160,000 miles a second. This violent discharge is used to destroy or dissolve the diseased tissue of cancers and tumors.
 "A single ounce of radium contains sufficient total power to lift ten thousand tons a mile from the earth. A lump the size of an automobile could operate an ocean liner continuously back and forth across the Atlantic for two thousand years.
 "If a ton of radium could be collected in one spot it would be impossible to approach within six feet of the mass without instant and agonizing death.

Catarrhal Conditions
 Catarrh is a local disease greatly influenced by constitutional conditions. It therefore requires constitutional treatment. HALL'S CATARRH MEDICINE is taken internally and acts through the Blood upon Mucous Surfaces of the System. HALL'S CATARRH MEDICINE gives the patient strength by improving the general health and assisting Nature in doing its work. All Druggists. Circulars free. F. J. Cheney & Co., Toledo, Ohio.

THE TRUE WAY OF WINNING

There is not much credit in winning on the mistake of someone else. The baseball game may be won by a run scored on a wild throw by the opposing side, but this victory is much less satisfactory than if it had been won in spite of the good play of the vanquished. There are people who go through life looking for a chance to get ahead on the mistakes of some one else, but such success brings little satisfaction with it. We should throw our selves into the contest for all we are worth. Win by what you have done not what some one else failed to do.

CONDITIONS RE LORD BEAVERBROOK SCHOLARSHIPS

The conditions relating to the applications for and awards of the Lord Beaverbrook Scholarships are set out in a communication by Mr. A. S. Robinson.

According to the letter applications for the scholarships may be made after the matriculants have completed writing their exams.

There are five annual scholarships founded by Lord Beaverbrook open for award to candidates who pass the University of New Brunswick Matriculation Examinations. Each scholarship has an annual value of \$325 for four years.

The scholarships are open in Arts, Science, Applied Science, Theology, Law, Medicine, Engineering and Forestry.

The scholarships except in the case of Theology are in undenominational colleges.

While the U. N. B. matriculation is adopted as a standard for the educational merits of the candidate the committee in making the award, in addition will take into consideration the moral character, individual habits and financial standing of the candidate so that those selected, viewed from all standpoints, may be the most deserving.

By the terms of the Trust three of the five scholarships must be awarded to students outside of the St. John and Fredericton districts.

Candidates must address applications to Mr. S. Dow Simmons, Secretary of the Lord Beaverbrook Trust, Fredericton, N. B.

Jasper, Minn. — "I saw in the paper about Lydia E. Pinkham's Vegetable Compound and took it because I was having such pains in my stomach and through my back that I could not do my work. I had tried other medicines, but none did me the good that your Vegetable Compound did. Now I am able to do all my work alone while before I had my daughter staying at home to do it. I have told a number of friends what it has done for me and give you permission to use my letter as a testimonial."—Mrs. JESSE PETERSEN, Route 1, Jasper, Minn.

STEAMER WHICH LOADED LUMBER AT CHATHAM ASHORE

Halifax, July 3—The steamer Canadian Commander, of the Canadian Government Merchant Marine, Limited, is ashore on Platte Point, St. Pierre Island, in the Gulf of St. Lawrence, according to a message received here from Canso, N. S. She had not asked for assistance when the message was filed, though the Canadian Runner, a steamer of the same line, reported that she was in the vicinity. The Canadian Commander loaded lumber at Chatham.

FLIES ARE SCARCE
 The summer so far has been a poor one for the breeding of house flies, and they are very scarce as compared with this time last year. There is some foundation stock left however, and a few fine days will likely see lots of them.

GLORIOUS TWELFTH
 The Orangemen have secured the Vye' Beach from Messrs. Morris and Wedden for Wednesday, 12th July and will hold a picnic at this resort on that date. The Band will be in attendance and extensive arrangements are being made for a gala day.

MILL AND LUMBER BURNED
 Reubank had a serious fire last Monday afternoon which threatened the whole village. About 2 o'clock a blaze was discovered in Mr. John Sullivan's mill, which soon was a mass of flames. The fire spread to the lumber yards and a large quantity of lumber was destroyed.

ATTENDED DIVINE SERVICE
 The Orange Societies of the Miramichi attended divine service last Sunday evening at the Presbyterian Church, Douglastown. The pastor Rev. Alex' Firth preached an eloquent sermon and a large attendance of the fraternity was present. The music rendered by the Male Choir was much appreciated by the large congregation.

UP AGAIN
 What foxy old fellows wholesale sugar dealers, surely are. The preserving season is on, and our good housekeepers must have sugar. It is a glorious chance for an advance in price of the much needed granulated and up it goes. Latest reports place it at \$7.35 per hundred pounds wholesale, an advance of \$1.35 since June last, and it is likely "they say" to keep on moving skyward.

Keep Children Well During Hot Weather

Every mother knows how fatal the hot summer months are to small children. Cholera infantum, diarrhoea, dysentery, colic and stomach troubles are rife at this time and often a precious little life is lost after only a few hours illness. The mother who keeps Baby's Own Tablets in the house feels safe. The occasional use of the Tablets prevent stomach and bowel troubles, or if the trouble comes suddenly—the Tablets will generally do—the Tablets will bring baby safely through. They are sold by medicine dealers or by mail at 25 cents a box from the Dr. Williams' Medicine Co., Brockville, Ont.

Movie picture rights have been sold for a large sum for the forthcoming elections in Ireland. The operators had better be careful or they'll find their own eyes flaming.

Railway News

Nakusp, B.C.—As an indication of the increased industrial activity of the lumber mills of Nakusp, the Nakusp Lumber Company find their yarding room so limited that they have cleared about four acres of land near the first mile post along the C. P. R., where a spur will be built and the lumber hauled up in cars and allowed to dry before being shipped to outside points.

Invermere, B.C.—Amongst the many splendid summer publications of the C. P. R. are two of especial interest to this part. The first one deals with "Bungalow Camps," and makes very generous mention of the beautiful Lake Windermere Camp adjoining this place. The other one is a publication given over exclusively to describing the local "Camp." This is a seventeen-page folder, most beautifully illustrated with reproductions of photographs of local scenes. The letter press is by Mr. Frederic Niven.

The gist of the matter is descriptive of the various trails and automobile roads throughout the Windermere district.

Chatham, Ontario.—Wholesale summoning of boys and men who frequently use the C. P. R. tracks as a place for walks, was indicated in County Police court recently, with the swearing out of a number of informations by a C. P. R. detective who conducted an investigation. It is alleged that the defendants trespassed on the C. P. R. tracks, a short distance from the City in Harwich township.

Informations have also been laid against seven boys under the age of sixteen years.

Montreal.—Edward J. Richel is appointed city passenger agent for the Canadian Pacific at Chicago, succeeding Alfred E. Dean, who has resigned to enter other business.

Mr. Richel joined the service on June 16, 1920, as clerk in the passenger department, Canadian Pacific Steamships, Chicago. Promotions following were: October 1, 1920, chief clerk; January 21, 1921, passenger agent; June 1, 1921, travelling passenger agent; June 1, 1922, city passenger agent.

William L. Balkwill is appointed travelling passenger agent, succeeding Edward J. Richel. Mr. Balkwill joined the Canadian Pacific as clerk in the steamships passenger department Chicago on March 13, 1922.

St. Andrews-by-the-Sea, N.B.—The Canadian Manufacturers' Convention for 1922 is now a thing of the past, and to the almost 200 delegates and others who have been here for a week, attending the sessions, it will be a pleasant memory. So much of a success has been this year's convention that it can be said, without violating any confidences, that the most influential members of the association are anxious to hold future conventions under similar conditions.

The Casino of the Algonquin Hotel provided an excellent meeting place, and the records show more discussion than at any four conventions in the past, while there has been more fraternizing by the delegates, who got to know one another to a greater degree than ever before. During the Convention days delegates played golf on the beautiful links overlooking the sea and indulged in swimming in Katy's Cove.

Calgary, Alta.—After covering six hundred miles in the southern portion of Alberta, at the end of June, J. M. Cameron, general superintendent of the Alberta Division of the Canadian Pacific Railway, declares that crop conditions there, generally speaking, are very satisfactory.

Mr. Cameron stated that farmers had been taught an object lesson by grasshoppers. Where these insects had been active had been on stubble-in crops. From the amount of summer fallowing that was now going on, farmers had realized that stubbling-in was a poor gamble and left a breeding place for the hoppers. The hoppers, he said, were now practically under control in the south. Cutworms had done little or no damage on account of the frequent showers.

"I have been much pleased with my visit," said Mr. Cameron. "There is now quite an optimistic feeling among farmers and business men in the south country."

Elkhorn, Man.—Forty years ago Mr. Jas. Rodgers commenced working for the Canadian Pacific Railway Company, as a section man, and in about five years, through his ability to give the best he could and also because of his sterling integrity, was promoted to foremanship, holding this position until 20 years ago, when he desired a change of employment, and was transferred to the pumping station staff. For a while he worked at Fleming and Virden in his new capacity and eventually assumed charge of the Elkhorn pumping station, on the retirement of Mr. R. Travis, another old time railroad man who is still with us, as hale and hearty as ever.

A record such as Mr. Rodgers holds is decidedly unique. He is the second senior pumpman in the division, and his regularity and strict attention to his calling have won for him the deep respect of the Company, which places high value on the services of men of such capability. He has stood the rigors of an exacting position in a manner that must reflect great credit.

ARRESTED AFTER LONG CHASE

Montreal, July 6—Arrested as he slipped from the Canadian Challenger, when that steamer docked at Vickers' wharf, this morning, Frank Williams, formerly of Richibucto, N. B., was arrested by Investigator Floyd of the Canadian National Railway. Williams is charged with breaking and entering the Canadian National station at Keut Junction, N. B., on May 8th, last, and stealing \$50 in cash and an overcoat.

The arrest of Williams is the climax of a long chase. He was traced to England and communication with Scotland Yard brought out the information that he had sailed for Canada on the Canadian Challenger. The accused will be taken to Richibucto tonight.

Investigator Floyd referred to above is well known in Newcastle and is at present stationed here. He was injured in the accident near Campbellton some time ago, when, as a result of a rear end train collision, Special Agent O. B. Lawson, was killed.

ALCORN TRUSTEES NAME MANAGER

The Trustees or Directors of the affairs of Archie Alcorn, appointed some time ago met on Wednesday at Blackville, the headquarters of the Alcorn operations, and decided to put Clarence Estey, a Fredericton man in the lumber business, in charge of the tremendous operations that have been carried on in the past by Archie Alcorn.

It will be remembered that several years ago Mr. Alcorn developed as a "Lumber King" and acquired extensive interests in Northumberland and York Counties, and very rapidly came to the front as one of the largest employers of labor in the central part of the Province and as one of the most enterprising and vigorous of operators on the North Shore, or elsewhere. With advancing prices his business increased in every direction, and young, inspiring, enthusiastic and of undoubted ability he drew to him a number of adventurous spirits who were eager to make money as fast as Alcorn was himself. The tremendous advance in the prices of pulp made a large amount of money for Alcorn and his co-operators in 1918 and 1919. Some time in 1920 there began the fear of a slump and the level-headed cautious men in business began to curtail their operations. Alcorn, thought, however, that there was no possibility of the pulp market deserting him. He had very large contracts with the largest of the American paper mills, but they found all

Light, and crisp, and appetising, and above all, healthful and nourishing. These are best, of course, when made with REGAL FLOUR.

sorts of excuses to delay payment and to refuse shipments, and did things which made it embarrassing for the operators who got out the lumber. Alcorn went to New York and on the strength of personal friendship was assisted by his friends to the extent of \$100,000. He had already borrowed from the bank he was dealing with nearly \$500,000. In spite of the assistance given him the market continued to fall and he was unable to meet his obligations. There was a meeting of his creditors and it was decided to give Mr. Alcorn an extension, and W. P. Jones, Esq., W. E. Gunter of St. John and A. A. Colter of Fredericton were appointed as Trustees, or Directors of the operations. Apparently every thing has not been going to their satisfaction, and at the meeting referred to above, Clarence Estey was appointed Manager in place of Mr. Alcorn. Mr. Alcorn, however, is still Superintendent of Operation of the mill of the Nashwaak Pulp and Paper Company situated at Blackville.

There will be very many to regret that, for a time at least, Mr. Alcorn's activities must cease. He was a young man who had and has the respect and esteem of a very large number of people, not only in his headquarters at Blackville, but in all the centres where he operated. His very boldness attracted men to him and if his foresight had been sufficient to gauge the rapidly changing conditions of the times, there is no doubt that he would have come out successful. As it is his lumber properties are very valuable and if they are managed carefully his equity in them will be very much—Journal
