WEDNESDAY, DEC. 19.

Indian Summer

Some spirit akin to the rainbow
Then borrows its magical dies,
And mantles the fair spreading lands
In hues that bewilder the eyes.
The sun from the cloud-pillowed cham
Smiles soft on a vision so gay,
And dreams that his favorite childrer
The flowers, have not passed away.

Women's cards this year are printed on very thin cardboard, hardly thicker than a thick sheet of note-paper, and than a thick sheet of note-paper, and the street light may be put down at 100 cardle power, and 250,000 of these cardle power cardl The advantage of these thin cards is very patent—so many more can earried at once, and they can also go into a purse instead of being only carried in a card-case of generous size.
