LETTER OF SYMPATHY TO FORMER PASTOR

St. John's Congregation, Dalhousie, Write Rev. J. H. Kirk.—Reply Received.

The Congregation of St. John's Presbyterian Church on hearing of the recent bereavement of the Rev. J. H. Kirk have forwarded the following letter in consolation:—

Dalhousie, N. B.
August 8th, 1916.
To the Rev. J. H. Kirk and Family,
East River, St. Mary's, N. S.

Dear Friends,—
The Session and Congregation of St. John's Church, Dalhousie, with whom you were so recently associated, having heard of the death of your eldest son, whose name is inscribed on the honor roll of our church, desire to express to you their sincere sorrow and deepest sympathy with you in the great trial which you have been called upon to bear. The fact that he volunteered his services in the defence of his country, and in that defence received the blow which terminated his existence here, gives you the consolation of being able to say with assurance, "He has done what he could," and the satisfaction of knowing that he withheld not even his life to aid in maintaining righteously in the world.

May the God of all consolation and grace apply to your bleeding hearts the comforting influences of His own precious promises, thus bringing to you healing and peace such as the world cannot give or take away.

Signed on behalf of the Congregation and Session by
J. H. McLean, Minister.
Geo. Haddow, Clerk of Session.

After a few days the following letter was forwarded to the Minister from the Rev. Mr. Kirk. Enclosed with this was a copy of the letter sent by the Chaplain of the Casualty Station where O. H. Kirk died. Both are printed herein:—

To the Minister and Session and Congregation of St. John's, Dalhousie, N. B.
Dear Friends,—
Permit me on behalf of my family and myself to express our thankfulness to you all for your very touching and appropriate tribute of sympathy and encouragement conveyed to us through your Minister and Clerk of Session, dated August 8th, instant.

That you had respect for us we always believed but that you loved us so and especially our dear son, Howe, almost overwhelmed us. I need scarcely assure you that such widespread sorrow for our darling helped us very much to feel the support of your sympathies and comfort.

Our Blessed Lord has been scattering the gloom of our sorrow by many gracious tokens, and none the less by your very kind and loving words.

There is a sense in which the Soldier dies for every non-combatant, and a sense of indebtedness and loss should be felt by all, but after all there is the nearer relation—the family one and the greater strain is on the chord of love. Hence you have helped to make our burden of sorrow lighter by showing us you too were sorrowing.

May Our Heavenly Father keep, watch over all our dear friends and their loved ones until the challenge shall be fully met—Death where is thy Victory? Grave where is thy sting? For Death shall be swallowed up in Victory.

Yours in the Glorious Gospel,
J. H. Kirk.

July 18th, 1916.

Dear Mr. Kirk,—

It is my most sad and very painful duty to have to write and inform you that your son Pte. O. W. Kirk, 405062 was brought into this Casualty Clearing Station last night very seriously wounded. He was in the trenches at the time, the bullet passing through the parietal and entering his back. Everything possible was done for him but without avail for he passed away at 7 o'clock this morning.

I was with him a few minutes after his admission here and remained with him.

He knew full well that he was going to pass away. I asked him if he had any fear, and he replied, "not a bit, there is many a better man than I has had to die—and I have done my duty."

He asked me to write to you and send you all his love.

The news will come to you all as a terrible blow, but in the midst of your

LT. COL. MCKENZIE MAKING GOOD

From Gen. Turner.—Many New Drafts

Private information recently received here speaks in high praise of the work of the 26th Battalion, fully upholding and even surpassing the splendid reputation previously earned by this unit. In addition to the military medals earned by the battalion, news of which has just been made public by Col. McKenzie, the battalion received special praise from Gen. Turner, the Divisional Commander, for its valuable work on the front wire which added very greatly to the security of that particular flank of the frontage.

Although the battalion has not been in the great push it has been in a part of the line where eternal vigilance is required to keep mastery over the Hun, trench raids being frequent, and the boys are cheerfully paying the price so that very few of the original lot of men are left. New drafts are frequently absorbed and the work of the "Fighting 26th" is being strictly maintained under the careful and painstaking instruction of Col. McKenzie and his staff of officers. Men of all ranks are anxious to uphold the honor of old New Brunswick and should they be called upon to take a place in the great offensive now under way by the allies, no doubt great things will be heard from them.

Fredericton, N. B., Aug. 23.—Chief of Police Finlay of Newcastle, who was recently appointed as chief of police of Fredericton, is in the city today.

great sorrow you will ever be proud of your boy. He was not one to hang back. He bravely did his duty knowing the risks. He has given all that a man can give—and greater love hath no man than this, that a man lay down his life for his friends. We prayed together for him, and for all, and shortly afterwards he passed peacefully away to where there is no war nor sorrow.

God help and comfort you all, is the prayer of

PALL OF SMOKE HANGS OVER COUNTRY

Fierce Forest Fires Said to be Burning in Lake Metis District—Rain Badly Needed

The thick blanket of smoke that hangs over the entire country is evidence of severe forest fires raging in some districts in Quebec.

Reports here are to the effect that the fires are raging in the timber limits in the Metis lake districts. A smaller fire is said to be burning at the head of Millstream.

A small fire is also reported on White's Brook in this county, but reports say it is not spreading very much.

Quebec, Aug. 23.—Fears that a number of villages on the Saguenay between St. Alphonse and Chicoutimi will be wiped out by fierce forest fires that have been raging for over two weeks are entertained here. The whole forest region is in a huge sea of flames. Smoke from these fires is so dense that navigation is hampered on the river as far up as Quebec.

Down the Saguenay the situation is still worse. No boat of the Canada Steamship lines dare go further up the Saguenay than St. Alphonse, and passengers who are bound for towns above that point either go by rail or by horse from St. Alphonse. All telephone wires are reported to be down in the vicinity.

Huge Property Damage.

Great fires are raging at Sault-au-Mouton and other places near. The losses are already estimated at many thousand dollars and they will be certainly increased if the rain does not put an end to the devastations. The fire has caused serious damage to the former seignury of Mount Murray, near Murray Bay, which is now the property of Mr. Pennington, member of the Quebec Harbor Commission.

The region of Chicoutimi has also suffered heavily, the Price Brothers Company having lost thousands of dollars in its lumber limits.

News coming from the County of Charlevoix also indicates that the forest fires are raging furiously in different parts of that division.

In the Lake St. John, near the Laurentide Park, the fire has caused great damage, especially in the limits of the Price Company, along the old route, which is commonly called the "Route to Quebec."

In many other parts of the same county the fire has devastated the forests of lumber merchants and the lots of settlers.

WAR BULLETINS

London, Aug. 24.—A German battle ship damaged and possibly sunk during a British submarine attack.

Further advance made by Allies at Thiepval. German guns silenced.

Again in the air the British fighters have superiority. Four hostile machines destroyed in latest engagement.

French take prisoners in brilliantly conducted attack on right bank of Meuse.

Serbian troops come back and retake trenches. Reported Bulgarians suffer severe losses at their hands.

TAXE COLLECTION NOT UP TO STANDARD

Usual Number Not Taking Advantage of Discount.—Only Few Days More

The Town Treasurer reports that the taxes are coming in slowly and that unless there is a considerable increase in the next few days receipts, the total for the discount period will fall short of other years. All other towns report quite an increase in receipts, some of them even reporting a record both in amount received and in proportion of total assessment. The last day of discount period is September first and there is yet time for ratepayers of Campbellton to make a record for themselves. We feel that there is enough local pride amongst our citizens to make this a record breaking year.

MR. ANDREW CARNEGIE IN FEEBLE CONDITION

Declares He is Not Sick, But Only Feels Tired

Andrew Carnegie, arrived at Bar Harbor, Me., in such feeble condition that he found it difficult to walk without support.

He arrived on his yacht The Surf, which he boarded two weeks ago off Noroton Point, Connecticut.

Mr. Carnegie and friends came ashore and took an automobile ride around Mount Desert Island. The steel magnate had great difficulty in stepping out of the launch to the float of the New York Yacht Club's landing. As he walked toward the automobile he leaned heavily on the arm of his attendant.

His exertions in getting into the automobile seemed to exhaust him. He told friends he was not sick. "I only feel tired," he said.

DURHAM NOW READY FOR FRAY

Opposition Organized and Working For Good Government.
—Public Meeting

Durham, that strong hold of the local government, was invaded by the Opposition organizers last Thursday night, and judging by the size and temper of the crowd which was present at the C. M. B. A. hall, Jacques Ripier, there must be a considerable revolt among the government party in that parish.

The hall was crowded with ratepayers when the meeting was called to order.

Mr. Herman Ulickian was appointed chairman and introduced the speaker, Mr. Wm. Currie was the first speaker and received an attentive hearing and was frequently applauded.

Mr. A. T. LeBlanc was the next speaker and his remarks were brief but to the point. During his address a keeler of the present government party proceeded to interrupt the meeting. Mr. LeBlanc's replies brought down the house and this guardian of the Parish morals was shown up in fine shape, much to the delight of the audience.

Mr. P. J. Veniot, the opposition organizer for Northern New Brunswick also spoke.

As a matter of the purchase of the Cook farm by the Farm Settlement board was of local interest. Mr. Veniot dealt fully with this matter, and read extracts from the government printed proceedings of the Legislature. Mr. D. McAlister, who looked after the legal work for the Farm Settlement board, denied some of Mr. Veniot's statements and would not believe the government's own printed report when confronted with same. This part of the meeting was decidedly lively and the electors enjoyed every minute of it. When Mr. McAlister became too persistent in his interruptions, there were frequent cries of "put him out," but Mr. Veniot interceded for him and by quick answers finally put him in his corner.

Mr. F. M. Anderson of Campbellton spoke briefly. He showed up the Bridge Painting graft in good style, and was loudly applauded.

After the addresses an Opposition Association for the parish was formed as follows:—
Pres.—Herman Ulickian.
Vice-Pres.—John Kerr.
Sec.—Treas.—F. A. Landry.
Executive Committee.—Ambrose Brown, James Hickie, Mat McDonald, Fred A. Furlotte, Thomas Hayes, Joseph McIntosh, Alex. Hickie, Sr., Robert Cook, Wm. Savage, Peter Barclay, Sandy Dickie, James Cameron, Frank LaPoint, James White.

The meeting dispersed after singing "God Save the King."

SUDDEN DEATH OF AMERICAN FISHERMAN

R. K. Hitchens, Chicago Business Man Dies at Summer Home at Nouvelle

The death of R. K. Hitchens, of Chicago, took place quite suddenly at his summer fishing lodge on the Nouvelle river Saturday morning.

For over twenty years Mr. Hitchens has yearly fished here on the Nouvelle river. This year he arrived in June and enjoyed the fishing as usual. A few weeks ago while on a trip up the river he over exerted himself and was then caught in a heavy rain storm, which brought on a severe illness. Under careful medical treatment he was making good progress toward recovery when Saturday morning it was noticed he was not so well, and he failed rapidly.

His son, Roy K. Hitchens, and daughter, Mrs. Dexter P. Donaldson, of Chicago, and his daughter-in-law were with him. Mrs. Hitchens died a few months ago.

During his periodical visits to Nouvelle, deceased made many close friends, who will all miss his genial and kindly face. The body was taken to Barrington, N. S., of which place he was a native, and there laid to rest beside that of his late departed wife.

TO RECRUIT THE KILTIES

Vigorous Campaign to be Started.

Major D. Allan Laurie, Major Cuthbert J. Morgan, Major Stewart Ryder, and Captain Cecil W. Mesereau, representing the four companies of the 23rd Battalion, met in Fredericton Tuesday and made arrangements for the opening of the big recruiting campaign that has been planned for the Kilties.

Major Ryder arrived in Fredericton Monday for a conference of the company commanders. Lt. Col. Guthrie has obtained a list of prominent hills in the vicinity of the shiretowns of various counties, the list having been compiled by Dr. L. W. Bailey, geologist, of Fredericton, and it is proposed to have the fires that are to mark the opening of the recruiting campaign lighted on each of the hills on the same night.

MANY RECEIVE MILITARY DECORATIONS

Gallant Members of 26th Battalion Rewarded For Bravery Under Fire

26th (N.B.) Battalion, 4th August, 1916.

The Editor "Graphic", Campbellton, N. B.
Doubtless you will be interested and wish to tell to the people of New Brunswick the honours which have been awarded to the 26th (N. B.) Battalion in the course of the last few weeks. These are in addition to the Military Cross won by Lieut. F. R. Winter for his raid on the night 30th June-1st July, to the Distinguished Conduct Medal won by Sgt. W. Ryer and Pte. D. Robertson (Signal Section) and to those members of the battalion who were specially mentioned in despatches on the last General List on which occasion Lieut. C. G. Porter was specially mentioned for his good work, and on the same list L-Corporal Piche and Sgt. Whitehead came in for special mention. For these honours recently received, I am setting out the names and the description of the action for which they were recommended practically as these went in to the higher commanders.

No. 70125 Pte. Robert Green, awarded Military Medal for conspicuous gallantry displayed during a raid on the German trenches south of the YPRES COMINES CANAL on the night of 30th June-1st July. He, with Pte. Peters, successfully established and maintained a Signal Station close to the German wire, and under heavy shell and machine gun fire carried back to our lines a badly wounded man.

No. 60776 Pte. Daryl Graves Peters, awarded Military Medal for conspicuous gallantry displayed during a raid on the German trenches south of the YPRES COMINES CANAL on the night of 30th June-1st July. He, with Pte. Green, successfully established and maintained a Signal Station close to the German wire and under heavy shell and machine gun fire carried back to our lines a badly wounded man.

No. 70306 Pte. Samuel Robert Mathers, awarded Military Medal for conspicuous gallantry displayed on the night 28th-29th June, when Pte. Mathers was out on patrol duty in "No Man's Land" one of his companions, No. 70302 Pte. T. Petrie was shot and dangerously wounded. Pte. Mathers single handed carried him into the trenches from half way across No Man's Land, a distance of 75 yards under fire. It is regretted to state that Pte. Petrie, who is from Bathurst, N. B., subsequently died from his wound.

No. 60033 Pte. Henry Arsenault was awarded Military Medal for conspicuous bravery during the period from 12th to 18th of April. Accompanying Lieut. C. G. Porter into Crater No. 6. When caught by fire on 17th carrying messages. Saving a party of pioneers under the charge of Lieut. C. G. Porter. Carrying out wounded of mixed companies with Lieut. Porter under heavy fire, also for faithful duty performed during the battalion's operations at MAPLE COPSE, while under severe fire he carried messages, and when caught at an advanced listening post by artillery barrage, by his initiative saved his party. This young soldier, in addition to the Military Medal was given special leave to England for 8 days and on the occasion of the big review in Paris, was sent as the Battalion representative in the big International Parade. (Pte. Arsenault is from Nouvelle, Que., and is a brother of Mrs. Chas. N. Roy of this town).

No. 70092 L-Corporal Charles E. Latham, awarded the Military Medal for his continuous devotion to duty as telephone linesman and especially during the tour in the OBSERVATORY RIDGE from June 14th to June 19th, he rendered assistance to the wires under exceptionally heavy shell fire.

No. 69569 Sergeant Charles Moore, awarded the Military Medal for conspicuous bravery. During the heavy bombardment of the Battalion's tour in the trenches situated on the ZILLEBEKE ROAD from June 14th to June 19th, 1916, this N. C. O. displayed the utmost courage and coolness, and although twice buried by shells blowing in the trench on him, he continued to encourage and hearten his men. His assistance was exceptionally valuable owing to the company's shortage of officers.

A. E. G. McKENZIE, Major, O. C. 26th (N. B.) Battalion.

In Boston a photographer surreptitiously snapped a young blonde. The young blonde called him an impudent ammotropt. He had strength enough left to grope for a dictionary, which informed him that in the young blonde's eyes he was "a child reared by its grandmother; a spoiled child."

Teacher (in the rhetoric class)—Johnny, give a sentence with "scene" in it.

Johnny—An' I seen her on his lap.

Teacher—No, Johnny, that's wrong; now can you tell me what is wrong?

Johnny—Well, Johnny she wasn't. It was sort of dark and how was I to know?

What Did He Mean?—She—"Is Princeton in New York?" Student (truthfully reflective)—"Yes, a great part of the time."

A Woman's Problem

How to Feel Well During Middle Life Told by Three Women Who Learned from Experience.

The Change of Life is a most critical period of a woman's existence, and neglect of health at this time invites disease and pain. Women everywhere should remember that there is no other remedy known to medicine that will so successfully carry women through this trying period as Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs. Read these letters:—

Philadelphia, Pa.—"I started the Change of Life five years ago. I always had a headache and backache with bearing down pains and I would have heat flashes very bad at times with dizzy spells and nervous feelings. After taking Lydia E. Pinkham's Vegetable Compound I feel like a new person and am in better health and no more troubled with the aches and pains I had before I took your wonderful remedy. I recommend it to my friends for I cannot praise it enough."—Mrs. MARGARET GRASSMAN, 769 N. Ringgold St., Philadelphia, Pa.

Beverly, Mass.—"I took Lydia E. Pinkham's Vegetable Compound, for nervousness and dyspepsia, when I was going through the Change of Life. I found it very helpful and I have always spoken of it to other women who suffer as I did and have had them try it and they also have received good results from it."—Mrs. GEORGE A. DUNBAR, 17 Roundy St., Beverly, Mass.

Erie, Pa.—"I was in poor health when the Change of Life started with me and I took Lydia E. Pinkham's Vegetable Compound, or I think I should not have got over it as easy as I did. Even now if I do not feel good I take the Compound and it restores me in a short time. I will praise your remedies to every woman for it may help them as it has me."—Mrs. E. KISSLING, 931 East 24th St., Erie, Pa.

No other medicine has been so successful in relieving women's suffering as has Lydia E. Pinkham's Vegetable Compound. Women may receive free and helpful advice by writing the Lydia E. Pinkham Medicine Co., Lynn, Mass. Such letters are received and answered by women only and held in strict confidence.

FOR SPEEDING
Four auto drivers were up before the police magistrate last week for speeding. They were each fined \$5.00 and costs. This has had a marked effect upon other drivers and the speed limit is more closely adhered to.

POLICE COURT
Seven ordinary drunks appeared before the police magistrate during the past week. They were fined the usual \$5.00 and costs.
A P. E. Islander was given in charge at the I. C. R. depot Monday for being drunk and using profane language. He was fined \$3.00 and costs.

TRACK RECORD BROKEN
The track record of the Fredericton Trotting Park went by the board Thursday when W. Bert Lint's Game O' Chance did the last heat of the Free-for-all in 2.13, clipping a quarter second off a track record which had stood for several years. Incidentally Game O' Chance won the race, winning three heats. Lella Burns, another Fredericton horse, won the third heat of the race.

WOULDN'T TELL
An Irishman was arrested by Chief Mann with liquor on his person. He would not give information as to where the liquor was procured, so was up for buying liquor in contravention to the liquor license act and was fined \$25.00 and costs. He was taken to jail last evening as he had not the amount needed.

ABSENT WITHOUT LEAVE
Four gallant members of the 132nd were behind the bars yesterday when the Graphic reporter called at the Police Office. They were singing in a loud voice, "We'll never let the Old Flag Fall". They were arrested Monday upon orders from Vancartier camp for being absent without leave. A guard arrived here yesterday and conveyed them back to camp.

WATCH YOUR CHICKENS
A thief entered the chicken yard of a citizen Tuesday night and removed therefrom six fine chickens. The only Campbellton chicken thief has not been sent to Dorchester.

SCHOOL OPENING
The public schools open next Monday. The interior of the school has been thoroughly renovated and more class rooms added in the assembly hall. The school will be much crowded and the need of another building is already keenly felt.

PATRIOTIC CONCERT
A Patriotic Concert under the auspices of the Women's Institute, will be given in the Temperance Hall, Dalhousie, on Tuesday evening, August 29th at 8 o'clock. The program will contain some novelties, such as illustrated nursery rhymes and songs, by a number of children. The proceeds will help to send Christmas parcels to our boys at the front.

IN MILITARY CIRCLES
Lieutenants R. H. Mowatt and J. C. Veness, of the 132nd Battalion, Vancartier, have been listed with the officers already reported as going overseas with the draft of officers soon to proceed to the front. Lieuts. Mowatt and Veness passed through Campbellton last Friday enroute to Halifax.

ANOTHER FORESTRY UNIT
Lieut. Donald Blair, son of the late Hon. A. G. Blair, who has been on leave at Duck Cove, is expected to conduct a recruiting campaign in New Brunswick shortly on behalf of the 242nd Battalion, a new forestry unit about to be raised. Lieut. Col. J. D. White of Montreal, formerly of the 224th Forestry Battalion, is the commanding officer.

WILL INFORCE LAW
The management of the Opera House wishes to again draw the attention of the public to the fact that parents must arrange for adults to accompany their children under 15 years of age, when they wish to attend the evening picture show. It is difficult for any one to tell a fifteen year old child after passing the age of 11 or 12, and we would kind ask the parents to assist in this matter.

ROAD HOGS
On Sunday an automobile driven by a Dalhousie man refused to give up half the road and forced another car to go off the road. This was done twice by the same car as it was met going and returning from Campbellton. Such road hogs should be reported. It is only sufficient to send their license number, stating the circumstances, when the government will deal with them. If persisted in their license will be cancelled. Every auto driver should give up half the clear roadway to an approaching car.

HIGH SHIPPING VALUE SHOWN
An illustration of the effect of the war upon shipping values is afforded by the sale of the steamship City of Ghent, which has been effected in England. This steamer was brought from England to Nova Scotia, thirty years ago and has been engaged in coastwise trade in local waters and in any work that presented for her to do. The steamer has been lying idle in Halifax harbor for three years. Recently Captain Beattie took her to England and offered the steamer for sale with the result that she has been disposed of for \$700 more than she cost thirty years ago.

The City of Ghent was the steamer which was talked of for the Campbellton-Gaspere route, and which later took a cargo of lumber to England.

PRESENTATIONS
The members of the Ladies' Aid of the Methodist Church, with some representatives of the Quarterly Official and Trustee Boards met at the home of Mrs. and Mrs. W. J. Appleton Tuesday evening to wish God Speed to Mr. and Mrs. Richard Parker previous to their removal to Moncton. A beautiful cameo brooch was presented to Mrs. Parker, and a walking stick to Mr. Parker. The presentations were made by Mrs. Appleton. Mr. and Mrs. Parker were taken completely by surprise and feelingly expressed their appreciation of the kindness. Refreshments were served and a very pleasant evening was spent. Both Mr. and Mrs. Parker will be missed in Methodist church circles here.

SCOTT-DICKSON
A very pretty wedding was celebrated in Chandler on Wednesday, August 16th, 1916, at the residence of Mr. and Mrs. J. M. Thomson in the presence of fifty guests, when Catherine Gray, daughter of Mr. and Mrs. William Dickson, Aberdeen, Scotland, was united in the holy bonds of matrimony by the Rev. James Heron of New Carlisle, to Henry Orville, eldest son of the late Mr. Hugh Scott and Mrs. Hugh Scott at present residing in Norwood. The bride, given away by Mr. Thomson, was charmingly attired in ivory satin and wore a bouquet of white roses and sweet peas. Miss Phyllis McLennan attended the bride, while her niece, Miss Ethel Thomson, acted as flower girl. Mr. William Currie of Chatham, N. B., was groomsmen. After the ceremony Mr. and Mrs. Thomson proved adept hosts at a bountiful repast. Mr. and Mrs. Scott received a splendid assortment of presents from their numerous friends.

Mrs. Scott comes from a very patriotic family. Her eldest brother George, having enlisted with the first Canadian Contingent, paid the supreme sacrifice at Langemark on April 23rd, 1915. Alex., another brother with the 7th Gordon Highlanders, B. E. F., now in the trenches in France, while John is with the Canadian Permanent Army Service Corps stationed at Quebec city.

Mr. and Mrs. H. Scott intend to reside in Chandler for the present, where Mr. Scott has a position.

**IN MEMORY OF
The Late Robert Smith
Who was**
A husband to one, a brother and friend to all and no man's foe.
A man we loved to greet, has left the world behind.
A better one to meet was hard to find.
So kind, peace-loving, true as steel,
He answered Nature's call, and made us feel
As if some slender chord within us snapped.
Or some musician at our heart strings tapped,
And forced our minds to think of music slow.
Or quivering lips to murmur death's march low.

Yes, he has said farewell this world of strife,
Where cruel wars, and broken hearts are rife,
Methinks he tired of the awful fray,
Of hearing of the slaughter day by day
As weary of it, laid him down to die
And to his loved ones all he wished good bye
With dear ones left behind he sympathize,
For saddest of all, are those last good byes.

EMIGRATION

Canada, the London Illustrated weekly which devotes itself almost entirely to Canadian affairs, contains in the issue to hand an important interview with Mr. John Aird, the General Manager of the Canadian Bank of Commerce, who, it was recently announced, has just sailed from the old land for home.

As to the outlook for Canada on the conclusion of peace Mr. Aird was rather optimistic. "I think that after the war is over there will be a steady stream of immigration from Europe and also from the United States," he said. "We certainly will not welcome to our shores those who are our enemies at the present day, as it will take a long time to forget what has happened, and particularly the blood and treasure that we Canadians have poured out on behalf of the Empire. People do not forget these things. There is a feeling in Canada that there will have to be stricter regulations with regard to the class of individual that is allowed to come into the country. There will have to be a more rigid examination in order that undesirables may be kept out."

"I think there is a strong and growing feeling in Canada that it is desirable that the Dominion should be extended so as to take in Newfoundland, the West Indies and the British South America," continued the banker. "There is no doubt that Australia and South Africa are going to hold on to the adjacent territories we have captured. Australia is not going to allow the captured Oceanic islands to be handed back to Germany, nor is South Africa to allow any portion in the southern part of that continent to be given to the Germans or anybody else. We are fighting to win this war, and it would be a dangerous policy even to think of handing back these possessions to Germany. Such a thing would undoubtedly weaken the loyalty of the Empire. We are not fighting because we love to fight; we are fighting to keep the Empire and consolidate it. "You remind me that although a very large amount of Canadian gilt-edged securities and railway and industrial bonds are held in this country, there is a large number of more speculative investors who have put their money into land and building lots, and you ask what likelihood there is of prices returning to the boom figures of 1912-13," said Mr. Aird. "Well, we do not wish to see them return to those

prices. We would rather see a gradual improvement, and I think that has already commenced in actual city property—not in the outskirts—in places like Montreal, Toronto, Winnipeg, Vancouver and Victoria. Farm lands in the West, particularly those that are adjacent to railway lines, have held their value very well, and will continue to do so provided proper farming principles are adhered to, because such land has been bought at a very low rate, and at the existing price it is well worth the money that was paid for it.

"The real estate situation, of course, will be helped very much by immigration. Notwithstanding the war we are getting quite a few people in the west from the United States. As I have already suggested, these are from a farming point of view the best class of immigrants we receive. From their knowledge of western climatic and farming conditions, and their possession of a certain amount of money."

Steps should be taken by the different governments of the eastern provinces to make known the many advantages of the east so that some of the influx of settlers will remain in the east and help develop the country. It is about time to hear something definite in regard to the Government's new road policy. It has promised to put the roads in good repair, but has done nothing except to send its engineers on a flying trip over the province and to get and reject tenders for macadamizing St. John's marsh road. If anything much is to be done now is the time, as the road making season will soon be over for this year. What does the new Minister of Public Works say about it?—Chatham World.

A Quebec surplus of \$211,294.69 over both ordinary and extraordinary expenditures, sounds like a real money surplus, instead of the paper surplus usually claimed by governments which add hundreds of thousands to the public debt and then declare ordinary expenses were something less than ordinary income. Quebec, under Sir Lomer Gouin, is one of the best governed of Canadian provinces.

NOT A DESERTER UNTIL BATT. HAS GONE OVERSEAS

A man who enlists in a Canadian battalion and then absents himself without leave for any period cannot be charged as a deserter unless the battalion has left for overseas, in accordance with a special enactment to the militia act passed by an order in council recently, which was specifically asked for by the military authorities themselves. Counsel, by producing this enactment in police court, succeeded in having Albert Thibert, charged with desertion from the 207th battalion, acquitted.

FOOD RIOTS IN.

Several Hundred Persons Fight For Supply of Flour

London, Aug. 21.—The Daily Express quotes from the Berlin Lokal Anzeiger an account of a food riot before a flour merchant's place, which the police were compelled to quell. About six hundred women were waiting outside, the story goes, when one Frau Anna Rensch and three others, in the rear of the crowd, started a flying wedge to force their way in ahead of their turn.

In the ensuing commotion, the paper says, fists, nails, teeth, even shoes and clogs were freely used. Much of the flour was scattered on the street, and Frau Rensch was arrested and fined \$15, while the store was closed for twenty-four hours by order of the police.

INQUIRY INTO SHOOTING OF THREE MEN WITHOUT TRIAL IN IRELAND

Dublin, Aug. 25.—An inquiry into the shooting without trial of three men during the rebellion in Ireland last spring was opened today in the four courts. The cases are those of F. Sheeney Skeffington, Fred McIntyre and Thomas Dickson.

The men were put to death at the orders of Captain Bowen-Colthurst, who was court-martialled and found guilty, but insane.

Publishing a weekly newspaper at \$1.00 per year is a losing game. While this price was sufficient five years ago, prices of raw material, labor, equipment, etc., have advanced to such an extent that publishers are selling their product at a loss. This loss has had to be made up by increasing advertising rates, and from profits from the job printing department.

The war has further increased the cost of production and publishers are face to face with a heavy deficit in their subscription departments. It is not possible, even if fair, to further shoulder the increased cost upon the advertisers, so we have decided to ask our subscribers to pay their fair proportion of the increased cost. Therefore on and after July 1st, 1916, the yearly subscription price of the Graphic will be \$1.50 in advance and \$2.00 to the United States.

GENUINE BARGAINS FOR ALL

S. A. POIRER

Suppose The Graphic Ceased Publication

JUST suppose this community were left without a local newspaper! What would become of its local pride? Campbellton would just be a name on a railway time-table or a post office guide. Men and women might die, or marry, or go away, or suffer accidents, or entertain friends, and you would hear about it all only through gossip. Farm sales and other announcements of interest to this particular part of the wide, wide world would have no cheap and quick way of telling you what they provide for you. Our church and schools and other institutions would have no medium of news or appeal. And this whole community would slip back and be the sport of joke-smiths.

Would City Papers Take the Place of The Graphic?
You Know They Would Not.

THE point of it all is: We raised the price of The Graphic on July 1st to \$1.50 a year. Now if you "kick" and drop your subscription, you say, in effect, "This community doesn't need a local weekly. If I can do without The Graphic, all others can."

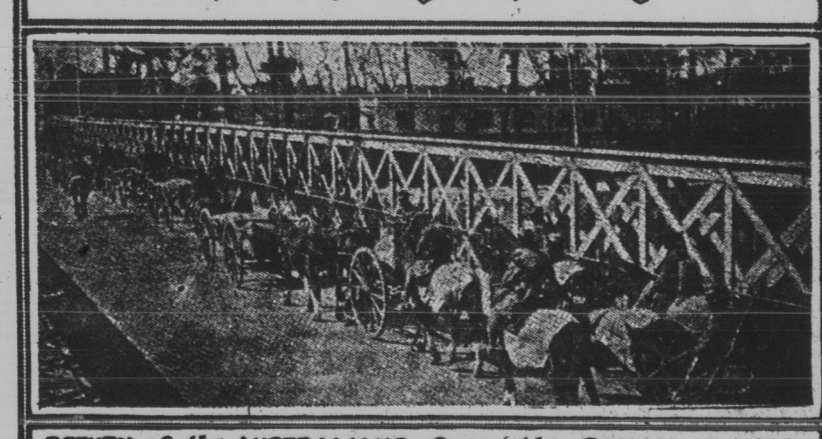

We do not believe for one moment the good people of Campbellton and county and neighborhood means to "kick" or drop their subscription to The Graphic. We expect all our subscribers to recognize the new conditions of living and publishing that have made the old dollar rate impossible to continue. But we want to let you see that your weekly newspaper at the higher rate of 3 cents a week—the price of a postage stamp—still costs an insignificant sum when you reckon up the service your weekly newspaper renders you and this whole community.

Be loyal to and proud of the community you live in. Keep it on the map.

TRAPS LEFT BY FLEEING GERMANS

Huns' New Dodge For Catching Men Who Take Trenches

London, Aug. 22.—Philip Gibbs, writing from British Headquarters, says—

"The German is beginning to leave a lot of little things behind them, even if he abandons a trench in a hurry. This is a new dodge. One invention, which has come into his fertile imagination is the mantrap, which he sets outside his parapet or inside a shell hole on the way to it. As soon as one of the British soldiers set foot on it, it closes about his leg with a terrific bite and brings him down like a log.

Another little device in devilry is the "tortoise bomb." It looks like a tortoise, if you happen to see it, which you do not in the dark, and it stands on four little legs.

They waggle a little but should it be unwarily touched it may detonate a bomb and blow a man to bits.

CHILD KILLED AT DALHOUSIE

Truck Loaded With Pulp Wood Ran Over Little One Killing it Instantly

Dalhousie, N. B., Aug. 23rd.—A very sad accident happened here yesterday afternoon by which Lena Bernatchez, a child two and a half years old was killed by having been run over by a team hauling a heavy load of pulp wood. The accident happened on Renfrew street in front of the child's home. It appears that the youngster ran under the load as the team was moving slowly and one of the wheels passed over her head killing her instantly. Much sympathy is felt for the widowed mother who has to work out to gain a living for her little family and cannot give the necessary care to her children during the day.

The death of Mrs. Duncan Love took
place at her home Monday afternoon.
She took suddenly ill in the morning
and Dr. Murray and Dr. Pinault were

done, but she passed peacefully away
at four in the afternoon. The deceas-
ed was in her nineteenth year and
leaves a bereaved husband and little
daughter in her first year. She is also
survived by her father and mother,
Mr. and Mrs. P. Dewey of Shannon-
vale, five sisters and one brother.

The funeral took place Wednesday
afternoon and was largely attended.
Interment was made in the Campbell-
ton Rural Cemetery. The services
were conducted by Rev. Mr. Hend-
erson, assisted by Rev. Mr. Camp.

A few short years of evil past
We reach the happy shore,
Where death divided friends at last
Must meet to part no more.

Hopeless Plight.—"Hallo, Newedd,
why so somber?"

"Say, old man, I've made a very
painful discovery. My wife can't sing."

"Painful? Why, man, you are to be
congratulated."

"Alas, no! You see she thinks she
can."

NEW RICHMOND CENTRE, P. Q.

On Saturday, August 12th, a num-
ber of ladies, members and friends of
the W. F. & H. M. S. of New Rich-
mond Centre, met at the home of Mrs.
William MacWhirter to welcome her
home after her recent illness, and as a
token of appreciation and affection,
presented her with a Certificate of
Life membership in the Woman's Mis-
sionary Society.

Mrs. Herbert Dimock on behalf of
the visiting members read the follow-
ing address:

"We, the members of the W. F. & H.
M. S. of New Richmond Centre and
friends, have met together on this oc-
casion to welcome you, our beloved
President, home again and back once
more to your place in our Society."

Our sympathy has been yours dur-
ing your hour of trial and suffering,
and we wish you a speedy and com-
plete recovery. At the same time, we
wish to express to you our apprecia-
tion of the capable manner in which
you have filled the position of Presi-
dent of our Society during the ten
years of its existence. Your never
failing interest and zeal have been an
inspiration to us all; and as a token
of this appreciation, we present to you
this Certificate of Life membership in
the Ladies Missionary Society, with
the hope that your work may be con-
tinued among us for many years in the
future."

The people of this town are await-
ing patiently the visit of two former
friends, Reverend Fathers Monist and
Sirois. A concert will be held in hon-
or of these two worthy men on the
evening of August 27th, and a banner
crowd is expected.

Mr. Clinton Slayes, one of Gorton
Pur's men paid Messrs. John Young
and John Burns a flying visit with his
car.

Miss Jennie Vautier has left for her
home in Shigawake after visiting her
friend, Miss Imelda Ingrouville.

A magic lantern show was held on
the 17th of August. It proved to be
very unsuccessful as the lights worked
very badly.

We have had the pleasure of having
the last visit of a few of our soldier
boys, who will soon be leaving for
England.

BIG GAME SEASON

PROMISES WELL

Many Sportsmen Expected to
Visit New Brunswick.—Game
Reported Plentiful

With the opening of the big game
season less than a month away, the
prospects for a large influx of Ameri-
can sportsmen to the province this
year is very bright. Guides returning
from the woods report big game, par-
ticularly moose, to be very plentiful.
The animals have been frequently seen
around lakes and ponds and the num-
ber of cows accompanied by calves is
said to be much larger than in pre-
vious seasons.

Mr. Charles Cremin, of this city, who
hunts in the Nepequin, left for that
region this week. He already has sev-
eral parties in the woods fishing trout,
and expects them to remain for a big
game hunt. Mr. Cremin had a big sea-
son last year, but he expects a larger
number of parties this year.—Frederic-
ton Mail.

Because of the slaughter of big game
out of season, no American sportsmen
visit this section now, and consequ-
ently a large source of revenue is lost to
our guides and the province.

True Candor.—"Am I good enough
for you?" sighed the fond lover.

"No," said the girl candidly, "you're
not, but you are too good for any other
girl."

Now Qualified.—"Aren't you the boy
who was here a week ago looking for a
position?"

"Yes, sir."

"I thought so. And didn't I tell you
then that I wanted an older boy?"

"Yes, sir; that's why I'm here now."

GERMAN BATTLE- SHIP TORPEDOED

London, Aug. 22.—The British sub-
marine E-9, torpedoed a German battleship
of the Nassau class Saturday, the Admir-
alty announced this evening.

The battleship is believed to have
been sunk. It was first attacked by
the submarine and damaged. Five
destroyers came to her rescue and
were escorting her back to harbor
when the British E-boat broke through
their line and again attacked the bat-
tleship.

The Nassau class of German battle-
ships comprise four vessels with dis-
placements of 18,000 tons each, a length
451 feet, beam 85 feet and draft 26
feet. Their armaments consist of
twelve 11-inch guns in pairs in tur-
retes, twelve 5.9-inch guns in battery
and sixteen 3.4-inch guns, together
with six torpedo tubes.

The Nassau was built at Wilhelmsh-
haven and completed in 1910.

I. C. R. TRAIN MADE A RAPID RUN

"Fish Special" Went From Moncton to
Campbellton in Quick Time

What I. C. R. men claim as a record
run was made recently by a "fish spe-
cial" between Moncton and Campbell-
ton, a distance of 185 miles. The spe-
cial was in charge of Conductor Frank
Flaherty, with Engineer Titus Eagles
at the throttle, and Fireman W. J. Her-
Price. The run was made in three
hours and forty minutes, but the actual
running time was less, as three stops
were made, which caused considerable
detention. The special contained seven
cars. The run was made with Locomo-
tive No. 445.

Conversational Diplomacy.—"Who is
your favorite composer?"

"Wagner," replied Mr. Cumrox.

"You must be a student of music!"

"No, I mention Wagner for the sake
of relieving myself of conversational
strain. If the other man doesn't like
Wagner, he won't want to hear me say
another word."

"And if he does?"

"He'll want to do all the talking
himself."

URBAN STOCK CO.

IN GREAT ATTRACTIONS

Will Open at Opera House on
Thursday Evening For
Three Nights

The Urban Stock Company, headed
by Miss Marion Johnquest, will com-
mence a 3 days engagement at the
Opera House on Thursday, August
24th, in "SINNERS" by Owen Davis.
This new American comedy drama en-
joyed a run of 821 consecutive per-
formances at the Playhouse in New
York City. In brief: Mary Horton,
goes to New York City to earn money
for her sick mother, back home in
Great Falls, N. H. She has exhausted
her small resources and unable to find
work she by chance meets Hilda New-
ton, a former friend of her old home.
She knows that Hilda is not leading
the right life, but she is hungry and
lonely and goes to Hilda's apartments
to stay for a while. Hilda, feels for
the girl and tried to protect her, but a
little supper party is about to be the
test, when word comes that her mother
is dying. She hurries home and sev-
eral weeks later the gay New York fri-
end on an arm trip call at her home.
The dear little mother does not realize
that they are not of her world—she
loves her little girl Mary, therefore all
must be right—it is not—but it turns
out so. The experience of the girl in
the big city; the pious hypocritical lov-
er from the old home; the strong, man-
ly lover who has made money and now
thinks he cares for the bright life;
each have their part, but the tender
little village mother is the dominant
factor in this heart drama which is hu-
man. The play is in four acts.

"SINNERS" is said to possess ele-
ments that appeal to all classes of
theatre goers. Its characters, while
true to life, are intensified, but not
more than naturally required for dram-
atic effectiveness. The dialogue is in-
teresting at all times and the argu-
ments convincing, with plenty of com-
edy to lighten the soberer moments.
Altogether "SINNERS" is a play out
of the common order and well worth
seeing, by everybody. The severest
critics could not possibly dig out a
word or act that would bring the blush
to the most sensitive and for this rea-
son, if for no other, and there are sub-
stantial reasons a plenty. "SINNERS"
deserves well of every theatregoer who
loves clean, good wholesome amuse-
ment.

Other plays to be produced during
their engagement here will be Duncan
Thompson's famous and ever popular
drama "THE OLD HOMESTEAD" and
that breezy farce comedy "NEAR-
LY MARRIED," and "THE GIRL HE
COULDN'T BUY." Specialties be-
tween the acts. Seats will be on sale
at Opera House.

RUSSIANS TO TAKE UP POSITIONS WITH THE SERBS

Athens, August 22.—After a conference of the French, British, Serbian, and Russian commanders, at Saloniki to-day, it was decided that the newly arrived Russian forces should take up positions with the Serbian troops on the southern front. The Serbo-Russian forces were placed under a combined staff of which Crown Prince Alexander of Serbia is the nominal commander. The Russian General Friederitz is in actual command.

TWENTY-TWO KILLED IN MUNITION FACTORY

Considerable Destruction of Property in Yorkshire

London, Aug. 22.—The bodies of twenty persons killed by the explosion yesterday at a munition factory in Yorkshire, have been recovered. Considerable destruction of property resulted from the explosion.

RUSSIAN TROOPS LAND AT SALONIKI

To Join Allied Forces in Fighting in Balkans

Athens, August 22.—An initial brigade of Russian troops have arrived at Saloniki to join the Entente Allies in the fighting in the Balkans.

HEAVY FIGHTING NORTHEAST OF SALONIKI

Hostilities Are Confined Principally to the Artillery

Paris, August 22.—The fighting on the Saloniki front is becoming more general, says a Havas despatch filed yesterday at Saloniki. In the Doiran section Serbian troops have captured forts Kaimakedar and Cucurli.

EXECUTION OF A WOMAN AT MARSEILLES

Paris, Aug. 22.—The execution of a woman as a spy is reported today in a Havas despatch from Marseilles, according to this information Felice Pfaff—was put to death at the light-house shooting range having been convicted of espionage by the council of war of the fifteenth region.

He's a clever young fellow, is Tompkins, but rather absent-minded. On one occasion he was sent by his firm to transact some important business with a client. Arriving at the town where the latter lived, Tompkins paused in the railway station and his face grew pale. Then he rushed to the telegraph office.

A little later the head of the firm received this wire:

"Have forgotten name of client. Please wire at once."

To Tompkins, waiting impatiently in the telegraph office, came this reply:

"Client's name Roberts. Your name Tompkins."

Thwarted Ambition.—"When I was a boy," said the gray-haired physician, who happened to be in a reminiscent mood, "I wanted to be a soldier; but my parents persuaded me to study medicine."

"Oh, well," rejoined the sympathetic druggist, "such is life. Many a man with wholesale aspirations has to content himself with a retail business."

She Needed Aid.—"See that man over there? He is a bombastic mutt, a wind-jammer nonentity, a false alarm, and an encumbrance of the earth!"

"Would you mind writing all that down for me?"

"Why, in the world—"

"He's my husband and I should like to use it on him some time."

The Prayer He Needed.—The following amusing incident was witnessed the other day at a London railway terminus. A Salvation Army lassie was selling the War Cry at the windows of the trains. In one of the compartments were a number of "knuts," and one of them, thinking to have some fun at the expense of the sister, asked her if she would offer up a word of prayer for him.

Rising to the occasion, the sister put her hand on his head and, to the amusement of those within hearing distance, replied:

"O Lord, make this young man's heart as soft as his head."

A Sore Enough Kicker.—W. M. Johnson is walking about, but is complaining very much with his leg.

TIMES LAUDS CAPT. PAPINEAU'S LETTER TO HENRI BOURASSA

Knows Nothing Else Written Since War Began So Fine in Stern Insight

London, Aug. 22.—Capt. Talbot Papineau's open letter to Mr. Bourassa is the subject of an editorial in today's Times. The letter is also published.

The Times warmly echoes Papineau's "Appeal from Bourassa's Academic and Narrow Nationalism to the Soul of Canada." It says it knows nothing else written since the war began so fine in its stern insight and emotional eloquence as Papineau's statement of Canada's concern in the present conflict, published last March at a moment of trial and suffering.

His letter is called the very flower of Canadian idealism today, when the hope of victory is growing stronger and it is full of promise for the life of a greater Canada than will be.

Capt. Papineau told your correspondent recently at the Corps Headquarters that the letter "was out of a full heart of love for his fellow French-Canadians."

An Imperial officer who shares duties with Capt. Papineau on Gen. Byng's staff, describes the captain as "a splendid gentleman who combines the breeding of courtly old France with the smartness and ingenuity of your modern Canadian."

"He is every inch a soldier, and will make a tremendous mark in the welding of the French and English-speaking races in Canada. He would be a big man of the Empire if Canada could afford to give him up."

SOUTH-WEST TORONTO CHANGES TO LIBERAL

Tory Majority of 3,696 Turns to Liberal of 643

Toronto, Ont., Aug. 22.—In one of the most peculiar, topsy-turvy elections which Ontario has experienced, the Liberal candidate—Liberal on his record, and the nominee of a Liberal convention, though not endorsed by the central executive—H. H. Dewar, K.C., was elected to the legislature last night as representative of South-west Toronto by a majority of 643 over James Norris, Conservative candidate, the vote for the other candidates being negligible.

There were four candidates in the field.

SHERBROOKE POLICE FORCE ON STRIKE

Demand That City Council Grant Increase of Pay

Sherbrooke, Que., Aug. 22.—The Sherbrooke police forces, turned down when it demanded an increase in pay from the city council, has decided to go on strike. The blue coats receive now \$18 for a week of seven days, with no time off. The time of the strike has been chosen to coincide with the opening of the Sherbrooke fair, when several thousand extra people are in the city, including many crooks. The city council is in a militant mood and threatens to raise an amateur police force from among the citizens.

The partners who had never been well mated were having their dissolution of partnership quarrel.

"You've been playing the baby act," said one, "ever since we went into business together!"

"You bet I have," said the other promptly. "I've been putting up my head against your cheek."

"Your honor," said the lawyer who was pleading his case lengthily and with many involved arguments, "do you follow me?"

"I have so far," returned the Judge, "but I'll say frankly that if I thought I could find my way back I'd quit right here."

Colonel B. M. House said at a dinner in Washington not long ago: "I sometimes think that diplomacy would be more successful if it were more truthful and frank. The way some diplomats treat one another they don't get any nearer to real, helpful intercourse than the two celebrities did. Two celebrities, one a stutterer and the other deaf, were introduced at a tea. After the tea the stuttering celebrity was asked how he and the deaf one had got on. 'Oh, we got on fine,' he answered. 'I couldn't talk and he couldn't hear me.'"

YOUR SOLDIER

arena—whether in training, or already at the front—needs Zam-Buk. It cannot be equalled for the many small injuries and ailments incidental to a soldier's life.

Sgt. F. Bremner of the 8th Canadian Mounted Rifles, writes: "For healing cuts, sores, blisters, etc., Zam-Buk cannot be beaten." Corp. Fremelin of the 10th Field Ambulance, writing from France, says: "We find Zam-Buk splendid for injuries and ailments, but we haven't enough of it."

Every soldier should carry a box of Zam-Buk, as nothing else will pain and stone bleeding so quickly; it also prevents blood-poisoning. 50c. all druggists, or Zam-Buk Co., Toronto.

PAPER RATES

(Moncton Transcript)

While nearly all lines of manufactured goods have increased in price since the war broke out, few have been affected so much as paper. All paper mills have been taxed to their utmost capacity, and yet there are various lines of paper that have been entirely abandoned on account of the pressing claims of the more necessary lines. Printing papers, writing papers, wrapping papers, news-print, and the various lines of card board, have all increased in price tremendously. Some lines of parchment cannot be had now for double the price of two years ago. Newspapers have found it very difficult to get enough paper for their publication, and when they do get it, it is at a greatly advanced price. This all means an increase to the consumer. Many English and European newspapers have been compelled to cease publication and this also applies to not a few in Canada. In New York and many of the larger cities the leading publications have been greatly reduced in size, which will materially effect a saving of newsprint. Semi-weekly papers have been changed to weeklies, still maintaining the former prices. Papers which have not retrenched in the ways above indicated have been compelled to increase the prices to their subscribers. And yet we are told that we are soon to face further increases in the prices of all grades of paper with the possibility of a newsprint famine. Here in New Brunswick the newspaper publishers are face to face evidently with a serious problem. They must either increase their subscription rates or call in the sheriff.

Little Fred—I've been awful sick. Little Harry—What was the matter?

Little Fred—I had brain fever—right in my head, too—the worst place anyone could have it.

Jim Smith was notoriously slow pay. He owed quite a bill at the grocery for pork. One day, as his credit was becoming strained, he walked calmly into the grocery and said: "Mr. Black, I want to pay you for the pork I have had, and I want some more."

"Certainly," said the delighted proprietor, as he hastened to wait on his customer.

Taking the package of pork, Jim Smith started to go.

"Wait a minute," said the proprietor. "I thought you wanted to pay for the pork."

"I do," remarked Jim, as he resumed his homeward way, "but I can't."

It was roll call and the Sergeant was reading out the names. Finally he came to one that gave him pause, but the next moment he roared it in his bull voice:

"Mon-taig!"

No answer.

"Mon-taig!"

No answer.

"Mon-taig!"

A pale youth stepped from the ranks.

"I think you mean me, Sergeant. They pronounce my name Montague."

The Sergeant gave him the icy eye.

"Oh, do they? All right, Montague. Take three paces to the rear and do two hours' fatigues."

"Have you any secrets in your past?" she asked.

"None to speak of," he replied.

CARBONOL

A Blessing in the Home

If there is one thing you need around the home or farm, it is Carbonol. Good in a hundred different ways. Helps housecleaning. A few drops in a pail of water makes a bucket of antiseptic, grease-killing liquid. In solution, it is wonderful for cuts on yourself or your live stock. Drives away flies, disinfects the sick room, makes barns, stables and henneries sanitary. You should not be without it. Get some now in bottles.

Pat went to a drugist to get an empty bottle. Selecting one that answered his purpose, he asked: "How much?"

"Well, said the clerk, "if you want the empty bottle it'll be one cent, but if you have something put in it we won't charge anything for the bottle."

"Sure, that's fair enough," observed Pat. "Put in a cork."
