Conditions of Sale

Prices and Terms—All vehicles are sold according to Price List, and as described in Catalogue.

Crating and Packing—We crate all our goods with great care, and see that they are securely packed in car at the time of shipment, without extra charge.

Responsibility—We cannot be responsible for the safe carriage or delivery of goods after they are receipted for in good order by the transportation company, but will always be glad to aid, as far as possible, in recovering for loss or damage in transportation. Consignee should be careful to ascertain that shipments are delivered complete, and in good order, before signing for delivery.

Claims—Claims for damage or overcharge for freight must not be deducted from invoice, but if bill of lading and expense bill are sent to us we will, if desired, make claim against the Railway Company, and remit the amount to claimant as soon as collected. Any error or deficiency should be reported immediately on receipt of goods.

Orders—All orders are entered subject to strikes, accidents, or other contingencies beyond our control.

Repairs—Transportation charges on all goods sent us for repairs must be prepaid. Orders for repairs for those not having a regular ledger account with us, must in every case be accompanied by sufficient cash to cover cost of goods desired. If goods are to be sent by mail an extra amount to cover postage must be sent.

References—When desiring to open an account with us, or applying for an agency, please give banking and trade references.

Guarantee—Our vehicles are guaranteed, with fair and reasonable use, for one year from date of shipment from the factory. If any part of the vehicle shall fail by reason of imperfect material or workmanship, and said defective part is returned to us, we hereby agree to make good such defect, free of cost to the purchaser; but nothing in this agreement shall render the seller liable to make good any damage to paint, trimmings or varnish resulting from the action of ammonia, moth, or extraordinary exposure to the elements. We positively will not pay any repair bills unless authorized by us in writing.

McLAUGHLIN CARRIAGE COMPANY, LIMITED

No. 269. "Princess," with Cariole Seat

To meet the demands of our Quebec trade, we have made the body somewhat longer in order to accommodate properly the cariole seat. We are making only a limited number of them and orders will have to be booked early. This very handsome design, now made specially to suit the Quebec trade, is sure to be very popular; nothing on the market to equal it for style, comfort and finish.

Woodwork—Panels are carefully glued, screwed and plugged; mouldings as represented are solid, not cheap transfers; best selected gearing throughout; bent knees; fenders mortised to beams and braced; patent hinged dash; large bent wings; shafts XXX hickory.

Ironwork—All braces, T's, etc., of steel, forged in our own factory; 1½-inch projecting steel shoes; gear very strongly braced.

McLAUGHLIN CARRIAGE COMPANY, LIMITED

No. 214¹/₂. New "Strathcona," with Small Seat

This handsome, comfortable, medium-sized family sleigh needs no words of commendation, as the trade is well acquainted with its many points of superiority over other somewhat similar designs. It makes riding as attractive as an easy chair. In a class by itself.

Woodwork—Panels are carefully glued, screwed and plugged; mouldings as represented are solid, not cheap transfers; best selected gearing throughout; bent knees; fenders mortised to beams and braced; patent hinged dash; shafts extra XXX hickory.

Ironwork—All braces, T's, etc., of steel, forged in our own factory; 1 $\frac{1}{4}$ -inch projecting steel shoes; gear very strongly braced.

Painting—Body bright or dark colors, or walnut, handsomely striped and decorated; gear carmine or black.

Trimming—High grade embossed mohair plush or best leather cloth; high easy spring back and spring cushion; sides of panels padded; carpet all around inside; padded toe rail; solid brass full plated screen, new design; solid brass nickel plated arm rails; shafts full leathered with silver tips.

Note.—No. 270, the same as No. 214 $\frac{1}{2}$, but with Cariole Seat, as illustrated in corner cut.

Telegraph Code: - - Abyss.

No. 216. "Strathcona," with Top and Storm Boards

Made especially for Manitoba and Northwest trade. This sleigh, having an extra strong top, with reinforced side curtains stitched solid to quarters and detachable storm boards, fills a long-felt want for protection against the strong, biting winds of the prairies. No more necessity for cold, freezing drives, when by a small outlay, you can be comfortable and cozy in our No. 216. Mouldings as shown are solid, not cheap transfers. Our patent one lever top. Front bow can be folded back in nice weather.

Woodwork—Panels are carefully glued, screwed and plugged; mouldings as represented are solid; best selected gearing throughout; bent knees; fenders mortised to beams and braced; patent hinged dash; shafts XXX hickory.

Ironwork—All braces, T's, etc., of steel, forged in our own factory; 1½-inch projecting steel shoes; gear very strongly braced.

Painting—Body dark or bright colors, or walnut; gear to match; handsomely striped and decorated.

Trimming—High grade embossed mohair plush or best leather cloth; high easy spring back and spring cushion; sides of body padded; carpet all around inside; padded toe rail; solid brass full plated new design screen; shafts full leathered with silver tips.
