Belgian Guards Enter Their Capital Today

Brussels Free of Huns for First Time Since August, 1914

PANIC IN MUNICH

Disorder and Fighting for Two Days—Threat of Famine Forced Acceptance of Armistice, Says Von Rindenburg—Hun Officers Must Pay for Crimes

Paris, Nov. 16.—By the Associated Press.—Belgian advanced guards entered Brussels today morning.

Brussels had been in the hands of the Germans since August 20, 1914. When it became evident that the Belgians could not hold out, the Belgian government and most of the army retiring westward.

Munich, Nov. 16.—A dreadful panic developed at Munich on Monday, according to the Associated Press, after the attack upon the city.

Paris, Nov. 16.—Field Marshal Von Hindenburg, in his message to the German army, said that the threat of famine caused the acceptance of the armistice.

Paris, Nov. 16.—A German airplane arrived yesterday morning at the French lines bearing an urgent message from the mayor of Mulhausen.

Paris, Nov. 15.—Edouard Ignace, under-secretary of state for military justice, has ordered a judicial inquiry at Lille against German officers accused of crimes during enemy occupation of that city.

"These officers will be judged by a court martial in their absence," says the Temps, "if the Allies are not able to secure custody of the accused."

A PASTOR INDEED

Rev. J. C. B. Appel, secretary of the Evangelical Alliance and founder and pastor of the Douglas avenue Christian church, is one of the really busy clergymen of this community.

John A. Sinclair, chairman of the Workmen's Compensation Board, reports that about seven-tenths of the employees of labor in the province have filed statements of yearly wages, etc., as the first step in establishing the fund to be used in indemnifying injured work-people after January 1st next.

GREAT BRITAIN'S PLANS FOR WORK ON PEACE BASIS

Miners and Men for Practical Industries First to be Demobilized—Allowances During Unemployment

London, Nov. 15.—(Canadian Press despatch from Reuter's Limited)—Plans for demobilization now include the following:

Money grants to civilians and ex-soldiers who are unemployed owing to peace, ranging from twenty-four shillings weekly in the case of ex-soldiers to ten shillings in the case of girls and allowances for dependent children.

FOR TRANSFER OF GERMAN FLEET

British and German Naval Authorities in Conference in Scottish Port—No Hitch in Arrangements Expected

London, Nov. 15.—Preliminary discussions concerning the handing over of the German fleet were held tonight at Hoveby, on the Firth of Forth, Scotland, between Admiral Sir David Beatty and delegates from the German sailors and sailors council and the German vice-admiral, Mowser.

When the cruiser Koenigsberg, which brought the German delegates, was fifty miles off the Isle of May, on the Scottish coast, this afternoon, it was met by British vessels, which escorted it to Rosyth.

The preliminaries so far have been carried out without a hitch and it is not expected the Germans will quibble over details. The discussions probably may end at Saturday's meeting of the delegation.

Paris, Nov. 16.—In accordance with Marshal Poch's instructions conveyed through Major Sierston to the German great headquarters, German military and technical representatives met Belgian officers at Druges, British at Mons, and French and Americans at Nancy yesterday afternoon, says Marcel Huin of the Echo de Paris.

FUNERALS

The funeral of Elizabeth Brushett took place this afternoon from her late residence, Exmouth street. Interment was made in Fernhill cemetery.

PAPER PRICE INQUIRY

Ottawa, Nov. 15.—Friday's session of the paper control tribunal was brought to a close with the announcement that the tribunal will not hear further evidence or order further investigation into mills pending the hearing of argument in the newspaper appeals.

This map, timely now in view of the cessation of hostilities, presents a guess at the future of Europe. 1.—Alsace Lorraine to be restored to France; 2.—Luxemburg, to be freed or joined to Belgium; 3.—German Poland to be incorporated with (4) Russian Poland and (5) Austrian Poland into a new Polish state; 4.—District of Chotin, disputes by Ukraine and Poland, ultimate fate doubtful; 5, 6, 7, 8, 9, 10, 11, Estonia, Livonia, Courland, Lithuania, and Finland, each of which may be independent or part of a federated republic; 12, Murman coast, in dispute between Russia and Finland; 13, Russia, fate in doubt; 14, Ukraine, now separated from Russia, may remain independent or form part of a new Russia; this is true also of (15) the Caucasus; 16, Armenia, to be definitely freed from Turkish control either as an independent or autonomous state; 17, Romania proper, which will doubtless form part of a greater Romania including (18) Besarabia and (19) Transylvania; 20, Czechoslovakia, to be formed as an independent state out of Bohemia and Moravia, part of Austria-Hungary; 21, Hungary, which may be either free or remain joined to Austria; 22, Yugoslav lands of Austria-Hungary, to form part of a great Yugoslav nation; 23, Italy Irredenta, to go to Italy; 24, Serbia, as she was prior to 1913 to be incorporated with (25) Macedonia, (27), an outlet to the Adriatic doubtful; 28, Bulgaria, as she was before the war, and as she may be, though she hopes for accession from what is now Turkey; 29, European Turkey; 30, the region about Drama, Saes and Kavalla, to be restored to Greece by Bulgaria.

Fell From St. David's Church to His Death

Patrick J. McCullough, of Exmouth Street, Weakened by Recent Illness, Meets Tragic Fate

Patrick J. McCullough, a highly respected resident of Exmouth street, a stone mason and bricklayer by trade, fell from a staging on the rear wall of the new St. David's church, Sydney street, this forenoon and lived but a few moments later.

For the last three weeks Mr. McCullough has been engaged with Contractor Money on the St. David's church job. His excellent workmanship and intelligent co-operation made him a valuable workman and in spite of protests from his family, plunged into the activities of his trade with the vigor of his younger days.

This morning he complained of a pain in his side and remarked that he would apply poultices after work tonight. Towards noon men working on top of the old tower ousted him and he fell from a height of about twenty feet.

Mr. McCullough fell about twenty-seven feet, alighting among masonry debris and boards. The body was conveyed to the stricken home, No. 9 Exmouth street, by an undertaker and family members assembled from their various employments. Naturally, the household is terribly saddened, as his wife and family of adult sons and daughters had been happy in the thought of the father's recent recovery from pneumonia, and this sudden blow is stunning to them.

The Family. Mr. McCullough was a member of the Ancient Order of Hibernians; the Holy Name Society and the Masons' and Bricklayers' Union. He was a citizen of sterling worth, quiet, staunch and true, and news of his untimely end caused great regret about town this morning. In politics Mr. McCullough was a Liberal.

Funeral. The funeral of Elizabeth Brushett took place this afternoon from her late residence, Exmouth street. Interment was made in Fernhill cemetery.

The funeral of Robert Connelly took place this morning from his late residence, 67 Winter street. Services were conducted by Rev. J. J. Walsh, V. G. Interment was made in the new Catholic cemetery.

The funeral of Pte. Noakes took place this morning at 10 o'clock. Services were conducted by Rev. F. H. Wentworth. Interment was made in the military plot in Fernhill cemetery.

The funeral of Sarah A. Handen took place this afternoon from her residence in Water street at 4 o'clock. Services were conducted by Rev. H. A. Goodwin and interment was made in Fernhill cemetery.

MUTINY BY DUTCH TROOPS PROPOSED IN PARLIAMENT

The Hague, Nov. 13.—(Wednesday)—The second chamber of the Dutch parliament engaged in a bitter debate today. Addresses were made denouncing demands made by Pieter J. Troelstra that the premier give details as to further expected supplies from the United States.

David Wynkoop, the revolutionary Socialist, made a speech demanding the immediate abdication of the queen and urging a general strike. He proposed that demobilized troops should reduce to surrender control of the armies until they were assured of food supplies for themselves and families.

He remarked incidentally that Troelstra and his adherents were on the side of the Bourgeoisie "just as Scheidemann and Ebert are in Germany."

MUST NOT RESTORE PACIFIC COLONIES

Melbourne, Nov. 15.—In the federal parliament today the minister moved the following resolution: "That it is essential to the future welfare of Australia that the captured German possessions in the Pacific now occupied by Australian and New Zealand troops should not in any circumstances be restored to Germany, and that in the consideration and determination of any proposals affecting the destiny of the islands, Australia should be consulted."

The national federation has passed a resolution unanimously supporting the demand made by Premier Hughes, who now is in England for Australian representation in the peace conference.

WEATHER REPORT ENTHUSIASTIC OVER THE KING'S MESSAGE

Melbourne, Nov. 15.—Enthusiasm followed the reading today to the members of parliament of an address to King George pledging unwavering loyalty to the king and empire. The address congratulated the king on the steadfast sagacity and resolution of Great Britain's statesmen and rendered heartfelt thanks to the forces on land and sea and in the air for their victorious efforts and sacrifices.

The address was presented by Governor-General Ferguson in the presence of an enormous crowd in front of Parliament House for transmission to the king. All the state parliaments of the Australian commonwealth have framed similar addresses which were carried unanimously.

Government Acts to Prevent Unemployment

THREE MILLION TONS OF SHIPPING BUILT LAST YEAR

British Yards Show Remarkable Output—Beat the Submarines in Two Ways—A Million More for Mercantile Marine Next Year

London, Nov. 15.—(British Wireless Service)—The parliamentary secretary of the ministry of shipping speaking in the House of Commons yesterday gave a resume of the shipbuilding operations in Great Britain during the period of the war.

In 1913, he said, the record figures of 1,900,000 tons was reached, in 1914, when the war broke out, the output fell to 1,700,000 tons.

In 1915, it decreased to 650,000 tons; in 1916, to about 540,000 tons and in 1917 rose to a little under 1,200,000. During the twelve months ending October 31, 1918, the total output approximated 1,800,000 tons.

Explanation of these figures, he said, rested with the victory over Germany's submarines. Taking the whole period from the inception of the convoy system in the summer of 1917 to November 2 of this year, the convoys included about 47,000,000 gross tons of merchant shipping and losses were less than 1.1 per cent. This great result had not been achieved without increasing the amount of labor devoted to admiralty construction.

When the war broke out England had about 250,000 men engaged in shipbuilding, engineering and repairs, according to the secretary's figures. The number now was 381,000. Of these, however, only 118,000 were engaged on merchant ship work.

Building now had risen to the mark of nearly 145,000 tons per month, he said, and the net loss of shipping had been reduced to a negligible figure, less in September being less than 7,000 tons. In short, the submarine campaign had been beaten. The secretary declared that it was only beaten because the government had devoted the labor supply more largely to the admiralty than to the merchant shipping.

The output in the twelve months ending October 31, 1918, he placed at 1,600,000 tons of merchant shipping in addition to war vessels estimated to be the equivalent of an additional 1,300,000 tons. This he said, the virtual output for these twelve months was nearly 3,000,000 tons, as against 2,800,000 in 1913, which was a record year.

With the additional shipyard workers who would be released from the front and the transfer of labor from the naval yard to the merchant yards, he estimated that an additional million tons a year could be produced in the future.

ROAD MAKING NEARLY OVER

Four Miles Already Completed a Magnificent Contribution to the County Conditions—Weather Brings Work to an End

The long season of roadmaking on the Great Marsh stretches is about over. The last bad spell of weather with its accompanying snow and sleet put the finishing touches on the work.

The government has accomplished a splendid thing for St. John and vicinity in re-making this important part of highway. Already more than four miles of absolutely first-class roadbed have been constructed and it would be difficult to find its superior on the continent, excepting perhaps solid concrete construction or some of the millstone thoroughfares along the Hudson or like exclusive places.

This work on the Marsh road, which has been only part of a big scheme of road-making throughout the province, has entailed much more labor and far-reaching effort than the casual observer might think. Gravel and sand had to be dredged from special locations in the Kennebecasis, conveyed in scoops and unloaded and again transferred to the job. Stone-crushing plants have been set up along the line of operation and tar-boiling and spreading apparatus has also been employed.

People who have traveled the Marsh road much this season know how hard the government has striven to make this thoroughfare modern and lasting, as peoples living in other sections of the province also know about their localities.

DRYS FAILED BY 756

St. Paul, Minn., Nov. 15.—Complete official returns announced tonight showed that the proposed dry amendment to the Minnesota constitution failed by 756 votes. Dry votes polled 189,547 while the wets polled 178,415. This gives the wets a lead of nearly 16,000, but they lacked 756 votes of a majority of the votes cast for the head of the state ticket.

Dominion Policy to be Laid Down Next Week

OTTAWA CONFERENCE

Provinces will Maintain Exchanges and Co-operate with Dominion Bureaus in Ottawa and Winnipeg—To Systematize Employment

Ottawa, Nov. 16.—A general governmental policy for handling unemployment will be laid down at a series of conferences to be held here next week, concurrently with the gathering of dominion and provincial ministers.

The unemployment conference will be attended by officers of the various employment exchanges in each province and by officers of the two federal employment exchanges now in process of formation. The labor sub-committee of the cabinet will be in touch with the proceedings throughout.

Among the subjects for determination are: 1. Creation of advisory committees, representative of employer and employed, in all the principal centers. 2. Preparation, as far as possible, of full lists of the various dominion, provincial and municipal public works proposed for the coming year. 3. Adoption of a common basis of trade classification.

The scheme is the outcome of legislation passed last session. Provision was then made for an expenditure by the dominion of \$50,000 in the first year, \$100,000 in the second, and \$150,000 in the third.

Federal Clearing Houses. The government establishes the two federal clearing houses—one for the west at Winnipeg, the other for the east at Ottawa. The provincial government, with assistance from the dominion, maintain their own employment exchanges and work in close co-operation with the two federal exchanges. It is expected that when the scheme gets well under way, additional expenditure will be required on the part of both dominion and provincial governments.

PLAN IMMEDIATE REDUCTION OF THE MILITARY STAFF

An important meeting of the bedouin staff of the No. 7 Military District—meaning all New Brunswick—will be held in this city on Monday. At this meeting ways and means of reducing the military establishment will be thoroughly gone into and recommendations made.

Now that prospects of further strife are practically nil it is of importance that expenses be cut down and a certain amount of demobilization commenced.

The meeting in St. John will be held simultaneously with others in all the Canadian districts—evidently a national measure growing out of the statement issued from Ottawa a few days ago that Canada's home forces would be speedily broken up and discharged.

FOUR PLACARDED, SCORE RELEASED

Four new houses were placarded for influenza today but a score or more were released from the caution cards.

Dr. J. W. Daniel, chairman of the Board of Health, desires through the press to make it plain to parents and guardians that children should not be sent to school on Monday from influenza-infected homes. However, so soon as any case of the prevalent malady is cleared up children may resume their studies.

Officials and private physicians report a steady decline of influenza. The prevalence has now dropped below the epidemic mark, though there are numerous cases of plain cold and the usual early-winter crop of la grippe.

EARL OF READING HAD THE INFLUENZA

London, Nov. 15.—The Earl of Reading, British high commissioner and special ambassador to the United States, is recovering from a sharp attack of influenza contracted on his return from Paris, where it was one of the British delegates at the conference which took place before the armistice between the Allies and Germany.

In Union With Serbia

Washington, Nov. 15.—Complete agreement as to the union of the Jugo-Slav provinces of Austria with the kingdom of Serbia has been reached by Premier Pachitch of Serbia, and the delegates of the national council of Agrum as representatives of the Serbs, Croats and Slovenes of the former Austria-Hungarian empire, according to an official despatch received here today.

OBITUARY

FRANCIS JAMES FRY

November fifth, nineteen eighteen, saw the passing of Francis James Fry, for some years chairman of the House of J. S. Fry & Sons, Limited, of Bristol, England.

For nearly seventy years Mr. Fry held a leading position in the development of the House of Fry, and to his commercial genius, unflinching tact, and gracious courtesy the worldwide success of the House was very largely attributable.

It may be stated with confidence that Mr. Fry was a man who, while he had hosts of friends, never made an enemy in business, politics or religion—yet he consistently maintained independence of thought. His sterling honesty and his courteous tolerance of opposing views had always ensured him respect.

At the ripe age of eighty-four years, and after a long life of active usefulness, the Empire loses one of its Merchant Princes, and the World is today poorer by the loss of one of her finest Citizens.

Our deepest sympathy goes out to the bereaved family, and our hope that the sadness will be brightened by the memory of many kindly acts during the long life so nobly spent.

GOOD THINGS COMING TO THEATRES OF ST. JOHN

Five sterling vaudeville acts will open the Gen's new policy tonight. They are a well diversified lot with bright, snappy performers in clever skits and sketches and athletic novelties. See the list on page 16, then come and enjoy a jolly night.

"COUSIN KATE" AT THE OPERA HOUSE, NOV. 28 "Kate" through paying strict attention to the orders of the Minister of Health, is back in town and will be prepared to greet all of her friends at the Opera House on Thursday, November 28. Sale for exchange of tickets will open on November 25.

"BUY-VICTORY BONDS—EQUAL SUFFRAGE AND OTHER REFORMS PROMISED IN SWEDEN" Stockholm, Nov. 14.—The Swedish government has decided to carry out giving the franchise to both sexes on equal terms and placing control of the foreign policy, as well as the declaration of war and peace, in the hands of the people.

ENTER EUGENIE ON SUNDAY Paris, Nov. 16.—Allied forces are expected to enter Eugenie on Sunday, according to Jassy's advice to L'Informatrice. A triumphal reception has been prepared for them, it is said.

HALIFAX BRANCH FOR ST. JOHN SHOE STORE

Sister City to Have a Wiesel Cash Store, Too—Good Location in Best District

The retail shoe business owned and conducted by the William Taylor Co. on Barrington street, Halifax, N. S., has been purchased by Messrs. Wiesel of this city, Union street shoe dealers, and in a short while this St. John firm will inaugurate their new branch in a manner befitting the occasion.

It is not often the privilege of a St. John business house to duplicate its store in the sister city and the establishment of Wiesel Bros. in Halifax should be gratifying news to both places. St. John's experience with this young enterprising firm has been highly profitable, as the tremendous volume of strictly cash business they have built up and held is ample evidence.

The Wiesel concern was its own buildings in Union street and buys and sells on the powerfully advantageous cash plan. Coming to St. John, ten years ago, the store was a small one, but is now prominent and much respected, leading merchants, having won their way with merit and fair dealing.

It will be recalled that at the very outset of the great war this firm was the first to place its business in the hands of a patriotic society for a while, the Red Cross, and it is a startling bit of war-time help.

WAR COINAGE IN GERMANY

Due to the metal shortage Germany has instituted iron coinage, says Engineering. The financial mark coins are no longer of copper and nickel, but are forged of Siemens-Martin steel. The coinage of copper was discontinued in 1917. Aluminum had been coined to a small extent before the war, the smallest coins being one and two pfennig pieces, are now made of aluminum, which is more attacked by ordinary water, soda, salts, etc., than by distilled water. Zinc coins had been used in French Indo-China; they are again more apt to corrode, especially when immersed in water in ordinary water; they turn yellow brown, but assume a pleasant gray tint in soda and salt solutions.

LIGHTEST KNOWN WOOD

A U. S. consular report from Port Limon, Costa Rica, gives interesting details concerning the trade of that region in balsam or corkwood (Ochroma), said young trees of the whole world. It has long been used in tropical America for making canoes and a special type of raft, also known as balsam. It is very light and soft, and is sensitive to injury from vines. The trees are dioecious, the male tree being known as burillo and the female as balsam raft. The balsam raft has apparently not assumed large proportions, owing to the difficulty of transporting it to its native forests to the raft.

WOMEN'S CANADIAN CLUB

At a meeting of the Executive of the Women's Canadian Club held at the home of Mrs. H. A. Powell this forenoon to arrange for the annual meeting, various reports of an encouraging character were presented. The Club is arranging for several lectures in the near future. F. A. Mackenzie, the famous war correspondent and author of several prominent war books, will probably give his famous lantern talk "Through the Hindenburg Line with the Victoria Cross" early in December, and is planning to talk to the club while here at New Year's is yet to be answered.

McAdoo to Keep it

Washington, Nov. 16.—Regardless of the ending of hostilities, Director-General McAdoo intends to continue to unify railway operations and pool facilities throughout the period of government control, which under the law will end twenty-one months after peace is formally declared.

Carlyle's Silent Room

Brant Whitlock said in an address in Washington: "My wife experiences have done me good. They have broadened my mind. I am a writer rather than a politician, and we writers live too restricted lives. 'You know the story Carlyle and his soundproof room in Chelsea. Carlyle had built a soundproof room for himself on the top of his house. The room had no windows, but only a skylight for illuminating purposes. To an elderly visitor from Craigenputtock the room was shown proudly by Carlyle, and the visitor said: 'My conscience, this is fine! Here you may write and study all the rest of your life, and nobody be a bit the wiser.' 'Distance lends enchantment' to the view." Exceptions though—of pay day. 'Tisn't true.

HUMAN ATROCITIES AND PROPAGANDA

Desperate and Despicable Measures Adopted by Enemy in Latter Days of Their Campaign

An Associated Press despatch from London sometime ago reported that there was current in Amsterdam a rumor to the effect that soldiers of the Forty-second American Division had killed 150 German prisoners near Rheims on July 15, in retaliation for alleged loss of various prisoners in the action. Wolff's Bureau, which is a German press bureau, endorsed the story as given "credible authority," and it was featured in the German newspapers. Harvey J. O'Higgins, the well-known novelist. The American War Department has made an official investigation of the charge. Testimony has been taken from twenty-eight officers who were in command of our troops in the action of July 15. No German prisoners were killed by American soldiers. On the contrary, the War Department finds, "the prisoners were well treated, the wounded cared for and carefully transported to the rear and the prisoners given food, drink and cigarettes. In at least one case a wounded prisoner was carried, while one of our wounded officers walked."

Refuse to be Scared. The German belief that the Allied soldiers might be intimidated is the explanation of the propaganda campaign. The German atrocities that have appeared in American newspapers. A paper in Auburn, Neb., published such a story under the heading: "Fouge papers. Out by Huns; American Doctor Sends Message to Family Written Under Stamp on Envelope." An investigation discovered that the doctor's family had not received any message of the sort. The story had been started by an anonymous telephone message that pretended to come from the family, but really came from the unidentified liar who was furthering the German campaign. A similar story in a California paper declared that a similar message had been received by the sweetheart of an American soldier who was dying in a German hospital. He had sent her his watch as a souvenir from his deathbed. Concerning the watch, there was a message to say that his tongue had been cut out and that she would never see him again. The story proved, on investigation, to be a fake.

Moreover, it is not merely stories of American atrocities that are being invented by German agents. They are in circulation in the United States. Such stories are frequently suspicious in their origin and easily disproved. When they are discredited, they have the effect of discrediting also the record of German atrocities in Belgium. When they are not discredited, they act as a powerful "weight" against the Red Cross nurses who are exposed to alleged brutalities.

There is also a popular demand for reprisals against the German troops. And with the German morale breaking down, it is not fanciful to assume that they are being urged to retaliate against the Red Cross nurses, and encourage the demand for them by means of these fake atrocity stories, in order to make it difficult for the German soldier to surrender in the coming battles as he has been surrendering recently.

Forged Letters. We are showing a forged letter from an American soldier's mother is circulating in Iowa, Nebraska and Colorado newspapers. It alleges that he has been returned to her without ears, nose or arms; that he saw two Red Cross nurses similarly mutilated by the Germans, and that the German prisoners' eyes out there stand and laugh at them." A Trenton, N. J., newspaper recently published a news item from the Philadelphia Inquirer to the effect that there were in Holyoke, Mass., twenty-three little Belgian girls, ranging in age from six to ten years, "all of whom had either one or both hands amputated at the wrist, the work, not of German soldiers, but of German officers." Inquiry at Holyoke found no mutilated Belgian girls there. This sort of story has the added advantage, from the German point of view, that by disproving it one casts a doubt on all the proved and well-authenticated cases of German atrocities committed on Belgian girls during the early days of the war.

As a result of the campaign to deceive and inflame and confuse the American people with fake atrocity stories, the military intelligence branch of our war department has sent the following letter to newspapers that have been imposed upon: "Atrocities stories are daily bandied around army camps abroad. They gain credence through circulation and frequently they are communicated to this country in news despatches or soldiers' letters as fact. Many of these stories are extremely difficult, if not absolutely impossible, to trace to the source of origin. Consequently we are asking editors to refrain from publishing atrocity stories, whether charged against the enemy or against our Allies until facts embraced in them shall have been substantiated and officially made public by our government or the government of one of our Allies.

This is not inspired by a desire to suppress criticism of Hun cruelty. That has been gully atrocity stories has been clearly proven. The request is designed to prevent vitiation of the unimpeachable case which has been established against him by the British Bryce report and the findings of other official agencies.

RECENT DEATHS
Miss Mary Ahearn.
Miss Mary Ahearn, daughter of the late Cornelius and Margaret Ahearn, died yesterday morning at her residence, in Mill street. One sister, Margaret, and two brothers, William and John, survive her. Miss Ahearn had been ill for some time.

Mrs. Dora Ingraham.
The death of Mrs. Dora Ingraham, wife of the late James Ingraham, occurred at her residence, 229 City road, on Thursday evening after a short illness. Mrs. Ingraham is survived by four small children, two sons, Otta and Hazen, and two daughters, Dorothy and Helen. She also leaves one brother, E. W. Wolfe of Fairville; two sisters, Mrs. A. Patterson and Mrs. E. Whippley, both of this city, and four half brothers, Harold, Clyde, and Hazen Hamilton, all overseas, and Robert Hamilton of this city. The stricken family will have the heartfelt sympathy of the community in their bereavement.

Two Deaths in Family.
Mrs. Fred G. Bailey, of City road, has received the sad news that her sister's husband, Lemuel Blizard, of Victoria Mills (N. B.), had passed away after five days' illness of influenza on November 8 and now the news has come that Mrs. Blizard's little son, Harold, aged three years, had died on November 14 of the same cause. Much sympathy will be extended to Mrs. Blizard in the loss of her husband and little son within a week. Mrs. Blizard, before her marriage, was Miss Jennie Gray, daughter of the late Walter Gray, of Campbellton, and a host of friends in St. John and Campbellton will be sorry to hear of her double bereavement.

Mildred Viola Bell.
The death of Mildred Viola Bell, aged thirteen, youngest daughter of Mr. and Mrs. W. H. Bell, 60 Wentworth street, occurred on Friday evening at the residence of her parents. Pneumonia was the illness. Mrs. Robert Cox of this city and Miss Mabel Bell, student at Acadia University, are sisters. The young lady was a pupil of the Victoria school.

John Edward Hurley.
John Edward Hurley, the fourteen-year-old son of Mr. and Mrs. James Hurley, died at his parents' residence, 248 Britain street, on Thursday, after a lingering illness. He leaves his parents, six sisters and two brothers. The funeral will be held Sunday from his parents' residence.

MAY ABANDON PIPE LINE.
Owing to the lateness of the season and the unfavorable weather conditions, it is probable that a recommendation may be made to the common council that further work on the new water main at Lake Fitzgerald be postponed until next year. Under existing weather conditions it would be difficult if not impossible to make the joints in the concrete pipe satisfactory. Continued wet weather during the summer was accountable for the delays which prevented the work being finished in construction time.

OTTAWA ADVICE TO LIVE STOCK MEN

Ottawa, Nov. 15.—Canadian farmers and livestock breeders are warned to avoid sacrificing good breeding stock during any temporary market disturbances consequent upon the restoration of peace. In a statement issued by the Livestock Branch of the Department of Agriculture tonight it is pointed out that although the receipts at the Canadian livestock market and also those of the United States during the last week have been exceptionally heavy, the prices of the better classes of cattle and hogs remain firm at last week's quotations.

WILLIAM THE DAMNED.

Holland by no means welcomes the former Kaiser, and his residence in the Dutch kingdom pleases nobody. Holland has not forgotten that on many occasions during the war he threatened its independence and its very existence, bullied it, and kept it in constant trepidation.

history-making years. When the Reform Bill became law, Robert Low bitterly declared "we must educate our masters." No such taunt can be directed against the six million new masters of the British house.

"The fate of the Kaiser will probably be one of the questions for the peace conference. He should be barred forever from the German throne, but any guarantee that the present rulers of the country could give would be stronger if the Man of Blood were exiled from Europe in some isolated spot where he could be under surveillance.

It takes all sorts of people to make a successful celebration. A New Yorker who participated in the great victory parade in that city wrote the following about it on the morning after—

LABOR MEN TO MEET GOVERNMENT AT OTTAWA ON NOV. 27

Ottawa, Nov. 15.—On Wednesday, November 27, the annual interview of the labor forces of Canada will take place with the federal cabinet here, when the decisions reached at the Quebec convention will be presented.

The Important Thing. Aged Sultans—It is true that I am considerably older than you, but a man is as old as he feels, you know. The Girl—Oh, that doesn't matter. What I want to know is if you are as rich as you look.

A Pica For German Chancellors. The working conditions under which the German imperial chancellors are compelled to operate must sooner or later become the cause of a scandal. Every man who has held that position since 1914 has been compelled to resign because of "falling health." Shorter hours, better housing, and more sanitary surroundings for imperial chancellors must be insisted upon in the peace negotiations.—Kansas City Star.

What's Coming? (N. Y. Tribune.) On this threshold it is diverting to speculate on what human revisions will take place. It will be a time of new prophets, new fevers, new devotions and new skepticism. After all, change is a slow and tedious process in the main; it is an engrossing and engulfing object of interest and attention in particular. Man is preoccupied by what at the moment he deems the considerable spaciality of it, but in the end his accomplishments are few, over thousands of years; they are localized and made measurable by only a few great leaps in time. The human flavor will pervade all these affairs, and that will be consolatory. The tremendous spectacle never lags. The color burns with greater concentration at times; it does not ever grow cold or pallid. There will be sweats and passions, anger and immolation, cynicism, revolt, generosity and surrender. Old names will die; new names will be born. But the essences will remain the same. The innate and inexpendable urgency toward realization will continue its testimony to what is more than mortal in man. The stars in their illimitable distances will not come nearer. But man by his own vision will ever seem to be lifting himself toward them.

Five Other Great Opera Stars Hear Lazzari In Tone Test

CAROLINE Lazzari, contralto of the Chicago Opera Company, is endowed with a glorious voice which is fast gaining for her a world reputation. She is the latest acquisition to the Edison group of stars. The drawing which is made from an actual photograph depicts the famous diva conducting a tone test before one of the most critical audiences which ever witnessed such an event. One after another she sang the beautiful arias which have brought the world to her feet; sang them in unison with the instrument, ceasing occasionally to see if her listeners could detect when it was she they heard and when the New Edison. And of this renowned group, trained to note the subtlest shades of tone color, not one could distinguish the artist's living voice from the instrument's Re-Creation of it. To develop a phonograph capable of meeting this test Mr. Edison spent more than three million dollars in research work. The result is the only instrument which can sustain the searching test of direct comparison with living singers.

Battery Repairs

Our U. S. L. Battery Service Station is now completely equipped with the necessary apparatus and electrical instruments for the care and repair of storage batteries of all makes, and in charge of expert battery men. We carry a full line of spare parts and make repairs promptly and at reasonable prices.

Winter Storage and Overhaul

Your storage battery requires special winter care. Batteries stored wet in apparently good condition frequently develop trouble during the winter or soon after being placed in service in the spring. You can't determine the condition of the working parts without disassembling the battery. They deteriorate appreciably in acid, even though standing idle and properly cared for, and usually require overhauling annually.

We therefore store "dry" by a new process all batteries left with us—overhaul, wash, re-insulate, re-assemble, charge completely, then remove acid and seal them. We make only our regular overhauling charge of \$10.00, and store your battery free until next spring.

Investigation Into the Price Of Milk Opens

Representatives of the Housewives League, Dealers and Producers Before City Hall Committee Last Evening

That during an investigation held last year by the Housewives' League into an increase in the cost of milk, a farmer, who was asked to testify, deliberately "cooked" his report, a statement made by Mrs. J. W. V. Lawlor, president of the Housewives' League, who gave testimony last night at the first meeting of the Fair Price Committee, held in city hall. Another development came later in the investigation when Charles W. McMullin, of the Pacific Dairies, refused to answer a question regarding some matters brought up at a recent meeting of the local dealers and a delegation from the Kings County Milk Producers Association, unless the papers promised not to publish it. When a representative of the press refused to withhold any information from the public he declined to answer.

Commissioner Fisher presided at the meeting and associated with him was Commissioner Bullock. The chairman said that it had been decided that all testimony must be given under oath.

Mrs. J. W. V. Lawlor was asked to throw some light on the question. In answer to a question from the chair, she said that the price now being asked, fourteen cents a quart for milk, was most unfair. She cited instances where cows had been purchased, all of their feed bought, and yet the milk they yielded

not only paid for themselves but yielded a profit and the milk was sold for ten cents a quart. Last year, she said, the league held an investigation and she told of receiving a statement from a farmer who owned twenty-five cows and who had contended that at the end of the year his balance was on the wrong side, and she heard the man say that his statement was "cooked."

She said that if a person who buys cows, pays for hay, heavy feed, etc., can make a profit and sell milk for ten cents a quart, the farmer who does not have to buy all the feed can also make a larger profit at the price they are receiving.

She said that from evidence they received at their investigation it was evident that it costs too much to distribute the milk and she advocated having a centralized distribution; the city specifying to the dealers their respective routes when they procured their licenses. She said that by so doing it would lower the cost to the consumer. She said that the Kings County farmers were the cause of the trouble and that farmers in St. John county ought to produce enough milk to supply this city. She said that the excuse that farmers had to work hard for a living might be true, but the people in the cities also had to work hard and they could not afford to have the well-filled larders that the farmers have.

After visiting homes in the city and seeing people starving for want of proper nourishment, Mrs. Lawlor said, there was little sympathy for farmers. She said that the Kings County Milk Producers Association came under the order-in-council and contended that they did come within the scope of this investigation because they were supplying the city of St. John. She said that representatives of that association should be summoned to testify. She said that it was unfair for them to set the price of milk here if the city had no control over them.

FOCHI: "Will you carve it yourself or will I carve it for you?"

SACKVILLE HAS MANY RETIRED SEA CAPTAINS Sackville, N. B., Nov. 15.—The death last week of Captain T. R. Anderson removes another of our local sea captains, a class of men with which this town has always been well supplied. Those still with us are: Capt. Bedford Tower, Capt. E. Chase, Capt. B. J. McHardy, Capt. Stephen Atkinson, Capt. Peter Hanson, Capt. Milton Ward, Capt. Caleb Read, Capt. John Stewart, Capt. Leonard Tower, Capt. Wm. Dewey and Capt. Rupert Anderson, a nephew of Capt. "Tom" who should perhaps be included in this list, as he is a native of Sackville and an occasional visitor here. As further illustrating the nautical proclivities of Sackville, it may be said that the day was when there were four shipyards in this neighborhood. The first and most important of the four was up the Lunenburg a mile or so, near Harris' abouard, the birthplace of only a few schooners. Then further down stream came the Dixon yard, not far from the public wharf. Just a little farther, on the site of the new wharf, was the Boltenhouse yard, and finally down at Westcock the Purdy yard. These yards must have turned out a great many ships—just how many it may not be very easy to find out—but it pretty certainly they will never turn out any more.

N. B. Supreme Court. Fredericton, N. B., Nov. 15.—The appeal division, Supreme court of New Brunswick, adjourned this afternoon until Wednesday, when the King's bench division department will be completed and the chancery division paper begun. In Wetmore vs. British and Canadian underwriters of Norwich, England, M. G. Teed, K.C., for the defendant, moved to set aside verdict for the plaintiff and to enter verdict for the defendant; J. B. M. Baxter, K.C., contra. The court ordered.

In Quebec Forest Product Co., Ltd., vs. Shannon, P. J. Hughes for defendant.

Men FROM 17 TO 60 NOTICE!

This is not a call to colors, as the heading might imply—but is an announcement to every man who does his own shaving and who has not learned about Seely's Aftershave. If your skin is sensitive and burns and smart after shaving, or if it has a dry, puckered feeling, you can immediately relieve this by using just a little of Seely's Aftershave after washing the lather from your face. Delicately perfumed—is not greasy nor sticky—dries quickly and leaves the skin smooth and soft. Heals and closes up any little cuts or scratches from the razor. All druggists have Seely's Aftershave in 25c and 50c bottles.

EXTENSION OF TICKETS.

Teachers, student teachers and students at collegiate institutions are notified that arrangements have been made by Honorable Premier Foster, representing the Board of Education, with the Canadian Pacific and Canadian Government Railways, to grant extension on return portions of round trip thirty day tickets held by bona fide teachers and scholars who have been detained beyond the limit on account of the prevailing influenza epidemic.

Overcoats

The word "Overcoat" means a lot this season and the man who buys now is sure to buy wisely. Our display shows wonderful possibilities which prevail now and will not later.

From the special selection to the last detail in finishing the button holes, each operation in their manufacture was expertly watched.

So we offer them in an excellent variety of good, certain-of-service fabrics in which the preferences of men and young men are definitely expressed and in styles of approved types, feeling certain that these Overcoats will win friends for this Men's Store as few offerings in many seasons have done.

Many specially featured at \$25, \$30 and \$35; others \$20 to \$45.

Keep Down
Coal Bills

Coal is high and scarce, and you owe it to yourself to make your supply go as far as possible—to be sure that nothing is wasted. This you can easily accomplish with the

"Hustler" Ash Sifter

(shown in the illustration.) Simply place the ashes in the hopper, close the lid, then turn the crank. The half-burned coal falls into the sifter and can be used again. The fine dust is deposited in the galvanized iron barrel. The Hustler is strong, clean, and can be readily operated, even by a child. Let us send you a Hustler Sifter.

Prevent Fire

by keeping your ashes in Galvanized Iron Barrels, of which we have a good supply. We also carry Ash Sieves, Coal Hods, Fire Shovels, Stove Pipe, Elbows, Black Lead, etc.

LOCAL NEWS

FOR SELLING LIQUOR.
 A charge against John Campbell, of Peters street, who is charged with illegally selling liquor, was adjourned and will be taken up next week.

MARRIAGES AND BIRTHS.
 Eight marriages and ten births—five girls and five boys—were recorded in St. John during the week.

OFF TO SIBERIA.
 Corp. J. A. Melanson left recently for Victoria, B. C., to join the Siberian draft corps. He was to have left some time ago, but owing to an attack of influenza he was unable to leave. He has the best wishes of a host of friends.

TAKES OVER THEATRE.
 A. C. Smith, of West St. John, has purchased the Empire Theatre in West St. John and will take over the management of this popular motion picture house. His many friends will unite in wishing him success in his new field.

A SERIOUS CHARGE.
 A woman named LeBel was re-manded to jail for a week until she can be examined by a military physician. There is a serious charge against her for spreading disease among soldiers, and according to a new law she can be re-manded to jail for the protection of soldiers. The charge is a very serious one and is punishable by five years in Dorchester or a fine of \$5,000.

GUILTY OF TAKING BICYCLE.
 In the police court this morning a soldier named Russell appeared to answer a charge of stealing a bicycle. It was brought out in evidence that a Western Union messenger boy went to the armory with a message and while delivering it a small boy took it for a ride. When returning the messenger the defendant persuaded the little fellow to take it up town and then he took possession of it and sold it to Henry Garnett, of Brasel street, for \$4. He was found guilty of the charge and he was held until the magistrate determines the punishment which will be meted out to him.

MRS. GEORGE HANDREN.
 Many will learn with regret of the death of Mrs. George Handren, which occurred at her home, 225 Waterloo street, at an early hour this morning from pneumonia. Mrs. Handren was the daughter of the late Joseph Dalsell, of this city, and leaves her husband, mother, four sisters and three brothers. The sisters are Mrs. W. H. Chamberlain, Mrs. Roy F. Handren and Miss Mamie Dalsell of this city, and Mrs. G. A. Lloyd Kay, now residing in Hong Kong, China. The brothers are H. N. Dalsell, of this city, and Rev. Ray C. Dalsell of Machias, Me.

PROMPT RELIEF
IS PROMISED IN
FOOD SUPPLIES

End of Fighting and Modification of Food Control Restrictions Already Making Effects Felt

With the end of fighting in Europe comes a little loosening up on the part of the Canada Food Board. Shortly before the final blows were struck and when the end was clearly in sight the food controller allowed half barrels of flour or, to be exact, one hundred pounds.

Then he went a long step further in granting as much as two and three whole barrels of flour to farmers living in rural districts served by fresh-water navigation, which streams and lakes would freeze before Christmas.

This latter concession, while chiefly induced through representations made by these dealers in the upper Canadian great lakes area, applies to our own St. John river as well. As a result merchants in this city, especially in North end, have been doing a regular old-time pre-war business in flour as if there was no such thing as scarcity or trans-Atlantic needs.

The latest let-up of the food controller is on flour substitutes. A despatch from Ottawa states it has been decided not to enforce the purchasing prohibition of various meals and flours when buying white wheat flour. The local food board deputy, W. S. Potts, while he has not received official details of this new order, assumes that the newspaper advices are in keeping with the mind of the food controlling executive.

Mr. Potts reports that the people in his jurisdiction have been wonderfully willing and patriotic in their co-operation with the food controller, although like in any large body there have been a few "bad boys." Therefore it is only natural to assume the food board will continue to remove its restrictions progressively until the household culinary department is back to normal.

The Substitutes.

With the raising of the order demanding a pro rata purchase of flour substitutes it is possible the grocers will get some from overstock. A very large supply was ordered carried so that the provisions of the substitute-using order could not be evaded on the excuse of lack of groceries. Now the dealers will have a large supply staring them in the face, a leading merchant says, and furthermore these substitutes are quite perishable.

The Ottawa advices announce that the loosening up of the substitute order has been made possible by the release of shipping in which grain will be carried from Australia, Argentine Republic and India where crops have been bountiful. Frequent visits to the household of the impossible through pressure due to troop movements and submarine risks.

Sugar Supplies.

Immense stocks of sugar will also be procurable now from Java and other unusual sources of supply.

So if the people will continue to "teary on" in a modified way in their kitchen pantries for a little while longer larger quantities will be forthcoming and naturally prices should become smaller.

HOPE TO PASS THE
\$6,000,000 MARK

Whirlwind Finish to Victory Loan Campaign Tonight - Banks and Booths Remain Open

The Victory Loan committee are making a whirlwind closing today and by midnight they expect to have considerably over \$6,000,000. Owing to the rush for subscriptions today the banks will remain open until six o'clock and the various booths and the central committee office will continue activities until midnight, thus giving every one an opportunity to secure a bond.

There were no figures available at noon, but from indications the city figures will be given a decided boost, and even the most sanguine expectations of the campaigners will be surpassed.

This morning the Canadian Credit Men's Association subscribed \$40,000 towards the loan and placed \$5,000 of that in St. John. In addition to this other large subscriptions are expected in this city.

The total amount subscribed by the employees of James Pender & Co. Ltd., Feb. 7, 1918, was \$12,000, 70 out of 81 members of the staff securing bonds. The employees of the Atlantic Sugar Refiners turned in this morning the large sum of \$20,850, while the employees of the New Brunswick Telephone Company bought to the extent of \$7,300. In the long distance department every member bought a bond.

TRYING TO ESCAPE.

Chapter and Verse.

Isaiah xlv: 9-21.

9. Hell from beneath is moved for thee to meet thee at thy coming; it stirreth up the dead for thee, even all the chief ones of the earth; it had raised up from their thrones all the kings of the nations. 10. All they shall speak and say unto thee, Art thou also become weak as we? art thou also become like unto us? 11. Thy pomp is brought down to the grave, and the noise of thy viols; the worm is spread under thee, and the worms cover thee. 12. How art thou fallen from heaven, O Lucifer, son of the morning! How art thou cut down to the ground, which didst weaken the nations! 13. For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God; I will sit

also upon the mount of the congregation, in the sides of the north: 14. I will ascend above the heights of the clouds; I will be like the most High. 15. Yet thou shalt be brought down to hell, to the sides of the pit. 16. They that see thee shall narrowly look upon thee, and consider thee, saying, Is this the man that made the earth to tremble, that did shake kingdoms; 17. That made the world as a wilderness, and destroyed the cities thereof; that opened not the house of his prisoners? 18. All the kings of the nations, even all of them, lie in glory, every one in his own house. 19. But thou art cast out of thy grave like an abominable branch, and as the raiment of those that are slain, thrust through with a sword, that go down to

LARGE PART OF AMERICAN ARMY TO BE BROUGHT SPEEDILY BACK HOME

New York, Nov. 15.—The government intends to return to this country speedily a large part of the American expeditionary forces, Edward N. Hurley, chairman of the United States shipping board, announced here tonight on the eve of his departure for Europe to arrange the details of their transportation.

To offset the loss of transport tonnage through the withdrawal of British ships hitherto engaged in carrying American soldiers overseas, Mr. Hurley hopes to utilize twenty-five or thirty German and Austrian liners with accommodations for 4,000 men each. In compensation for the "loan" of these vessels, he said, food would be sent to the people of Central Europe on their return voyages.

Mr. Hurley said the shipping board would be able to bring troops back at the rate of 300,000 a month, "if the war department wants them returned as fast as that."

He would meet General Pershing at American field headquarters, he added, to discuss the details of their home-coming.

Mean to Have Big Merchant Fleet.

On future developments in the internal affairs of Germany and Austria and their relations with the Allies, said Mr. Hurley, together with the trend of European events in general, would depend the number of troops to be brought to this country within the next few months, but he was preparing to transport large contingents.

Commenting on the government's plan to continue the emergency shipbuilding programme to help make up the world's deficit of 20,000,000 tons brought about through the ravages of war, Mr. Hurley said American yards will produce 150

vessels of 1,000,000 tons aggregate during November and December. Another 400,000 tons of cargo carriers would be released, he added, by completion, on or before January 1, of voyages in the nitrate trade, which will be discontinued as a result of the cessation of munitions making on a large scale.

The shipping board would continue, he asserted, its policy of American wages and would conduct a country-wide propaganda to attract men to the merchant marine.

"Having spent billions in building an American merchant marine," declared Mr. Hurley, "we propose to carry on the work we have begun. All we ask is that the manufacturers take advantage of their opportunity and provide the cargoes necessary to keep these vessels at sea."

He predicted that within five years 1,000,000 men will be engaged in operating the merchant fleet, including officers and seamen, shipyard workers and men and women in factories making marine equipment.

Washington Statement.

Washington, Nov. 15.—The war department has made no definite plans for the return of the soldiers, and it is not regarded as likely that the movement, except of sick and wounded, will start any time soon.

Asked if any of the men could be expected home by Christmas, Secretary Baker said he did not know, adding that no estimates of the time required had been made.

General Pershing, it is understood, has been considering the question of getting the army back home, but it is said that many factors in his plans have not yet been decided. Among these is the question of what proportion of the guard duty in Europe the American forces will assume.

CONFIRMATORY WORD.

A. H. Wetmore, who acted as local representative of Dr. Keirstead, of Fredericton, in food control matters, received word yesterday from Dr. Keirstead to the effect that he had notification of the cancellation of the orders requiring purchase of substitutes with wheat flour. It was accompanied with a suggestion that the purchase of substitutes be continued, although it is no longer necessary.

Chatham, N. B., Nov. 15.—Judge Wilkinson, who has been ill for several weeks, is no better. His physician does

not find any improvement. The judge's condition is such that his son, Rev. Wm. Wilkinson, of Fredericton, has been called to his father's bedside. His honor is in his ninety-third year.

KING'S DAUGHTERS IN ST. JOHN APPROACH 20TH ANNIVERSARY

There Will Be Celebration on Occasion of the Semi-Annual Meeting.

The monthly meeting of the King's Daughters Guild was held yesterday afternoon with the president, Mrs. A. P. Crockett, in the chair. As this was the first meeting since the ban on public gatherings has been lifted and since the ending of the war it was made the occasion of a special thanksgiving. Reports of the committees were read, except those of the hospital and spiritual committees, whose work has been prevented by the epidemic.

Individual members had given assistance to the V. A. D. in their work in connection with the influenza epidemic

and, as an appreciation of the work being carried on the sum of \$50 was voted to the V. A. D. diet kitchen from the title fund of the order.

The semi-annual meeting of the guild will be held late in November. As this is the 20th anniversary of the founding of the city unit it will be made the occasion for celebration. An entertainment committee of ten ladies, with Mrs. G. Wilford Campbell as convener, has been appointed. Donations of jam and pick-

les will be made to the guild and it is expected that members will contribute financially.

BUY \$100 BOND.

At a meeting of teachers and officers of the Knox Presbyterian Sunday school last night it was decided to buy a \$100 Victory bond to help the forward movement of the Presbyterian church in Canada. This action is also intended as a memorial to the fallen heroes.

Tonight— The Stroke of Twelve

This is the last day you can buy Victory Bonds, 1918.

Tonight on the stroke of twelve your last chance will be gone;

Your last chance to help Canada wind up the war as she fought it;

To help Canada bring her soldier sons home to wives, mothers and children;

To help Canada in her big peace problems---problems of demobilization and re-establishment of our soldiers in civil life;

---Problems of caring for sick, maimed and blinded soldiers;

---Problems of continuing to find and finance markets for our farm crops;

---Problems of developing markets and supplying material for rebuilding devastated Belgium and France;

---Problems of maintaining Canada's prosperity.

For all these problems Canada must have hundreds of millions of dollars which must be borrowed from her people.

This is probably your last chance to buy at par Canadian Government Bonds bearing five and one-half per cent. interest free from federal taxation. Money is almost sure to become cheaper in a short time and your bonds will increase in value correspondingly.

And don't forget -- your money in Victory Bonds is not tied up -- it is almost as easy to sell a Victory Bond as it is to change a hundred dollar bill. You can get your money out any time, and very likely with a profit.

Don't be sorry--don't neglect your last chance.

Don't wait for a canvasser.

Go and buy Victory Bonds today.

Buy another.

Buy some more.

Strain your credit--buy on the instalment plan--

For your country's sake--in your own interest

PERSONAL AND SOCIAL NEWS
OF THE WEEK IN ST. JOHN

With what a tranquil mind one opens the morning newspaper since the receipt of the great news that the armistice was an accomplished fact. Even though the papers present an unfamiliar appearance owing to the absence of the big headlines to which we became accustomed during the terrible four years of war, the change is accompanied by a great feeling of thankfulness that the necessity for them has passed away—we hope forever. The signing of the armistice was the beginning of such a time of thankfulness and rejoicing as was never before seen or heard in St. John. While the real holiday proclaimed by the lieutenant-governor and the mayor, was on Tuesday, the day of the surrender to Marshal Foch, Monday was likewise given over to celebrating, and consequently the streets were filled with a crowd which from midday to midnight marched and sang and tooted horns to its fullest capacity. On Tuesday the holiday began with services in the churches, then came an automobile parade half past one o'clock, after which the great event of the day took place—a procession, civil and patriotic, of which the like was never before beheld in St. John. One of the features of the parade was the great number of women in the ranks. Members of the Red Cross were seated on a beautiful float, designed by Mr. David Lynch, after which the V. A. Ds. were led by their commander, Mrs. G. A. Kuhring. Then followed Mrs. W. D. Foster, president of the ladies' committee of the Patriotic Fund, accompanied by Mrs. George R. Smith, Mrs. L. Richmond Harrison, Mrs. Clarence B. Allen and Mrs. D. P. Chisholm. Then came a strong contingent of Daughters of the Empire led by Mrs. Alexander Fowler, representing Loyalty chapters; Mrs. J. Fenton, regent of Brunswick chapter, and Mrs. George K. McLeod, regent of DeMonts chapter. Mrs. E. Atherton Smith, regent of Royal Standard chapter, I. O. D. E., with some members, was in the procession in an automobile. Other women's organizations finely represented were the Young Women's Patriotic Association and the munition workers. Then too, the sphagnum moss gatherers of the Natural History Society Young People's Association were picturesquely in evidence. Mrs. Tilton, who has done much for the soldiers during their absence and since they arrived home, was with one or two of the wounded returned men in an automobile. Altogether, whilst there were many features of great interest to the public in the enormous procession, the part the women of St. John took in the peace celebration, showed their fine patriotic spirit, and was in keeping with the reputation for patriotism which they had established for themselves during the last four terrible years of war.

Montreal. While in town Mrs. deBury was entertained at dinner by Mr. and Mrs. W. E. Foster at their residence in Coburg street. Other guests were Mr. and Mrs. Arthur W. Adams, Mrs. George K. McLeod, Miss Isabel Sidney Smith and Mr. James G. Harrison.

The tea room at the Green Lantern on Tuesday after the great procession was over, was filled to overflowing with a merry lot of callers. Among those noticed were Mrs. Fuglesy, who had with her in the small tea room Mrs. Gillmore Brown, Mrs. Andrew Jack, Mrs. J. Roy Campbell, Mrs. Ward Hazen and Mrs. David P. Chisholm. In the large tea room Mrs. William Allison, Mrs. Alexander Fowler, Mrs. Louis Barker, Mrs. Charles Coster, Mrs. Desbray, Mrs. McCrinnon, Mrs. William Vassie, Miss Dottie Brown, Miss Edith Cadlip, Miss Alice L. Fairweather, and a sprinkling of officers in khaki were among the many sipping tea and talking joyously of the great day they were celebrating.

Among those who entertained at dinner at the La Tour on Tuesday evening were Mr. and Mrs. Eustace Barnes, who had as their guests, Mr. Ketchum and the Misses Ketchum. Mr. and Mrs. A. O. Skinner, Miss Edith Skinner and Mr. and Mrs. Roland Skinner also dined at the La Tour on Tuesday. Mr. and Mrs. Stephen McAvity had as dinner guests on the evening Mr. and Mrs. Percy McAvity and Mr. Phillips.

The Lieutenant-Governor and Mrs. Pugsley expect to leave this evening for a short trip to Boston and New York.

Mrs. J. Roy Campbell invited a few friends on Friday evening to her residence in Elliott row, to meet Mrs. deBury. Mrs. deBury left on Wednesday for her home in Montreal.

Mr. and Mrs. Finlayson and family, of Charlottetown (P. E. I.), are occupying Mrs. Herbert Schofield's house during the latter's stay in the south.

De Monts Chapter held the monthly meeting of the chapter in their room on Thursday of this week. The calendar which the De Monts are leasing this year according to reports received at the meeting is expected to surpass in interest any other effort made in this direction by the members. This is chiefly because of the subscribed autographs of notable persons, secured by the very energetic committee in charge. Sums of money were voted to several units and the balance of funds on hand were voted towards the purchasing of Victory bonds. The regent, Mrs. George K. McLeod, occupied the chair at the meeting.

Miss Lindsay, who has been in Ottawa on business connected with the military hospitals will spend this week-end with Miss Edith Hegon, on her way to Fredericton.

Mr. and Mrs. Phillips expected to leave yesterday to spend the winter in California.

Mrs. Morris, of St. Stephen, who for some time has been residing at the residence of Mrs. John A. McAvity, is at present in Boston visiting her sister for a short time before returning to St. John.

Lieutenant and Mrs. J. Royden Thomson left on Thursday to spend a week in New York.

Miss Marjorie Wetmore, of Sussex, was the guest of Miss Morrie Wiscley this week.

Royal Standard Chapter, I. O. D. E., held its monthly meeting in the room in Germain street on Thursday evening. The regent, Mrs. E. Atherton Smith, was in the chair. Plans for the presentation of the play "Cousin Kate" were discussed and arrangements made for the production of the drama in the near future. The Housewives' Fair was spoken of and it was decided to hold the fair next month. Ladies of the chapter will provide a library for the returned soldiers' wing of the county hospital.

Mr. and Mrs. Angus were expected to arrive home on Thursday from Montreal.

Miss Travers and Miss Francis Travers will occupy an apartment at the Lansdowne, King square, for the winter. Other arrangements, on account of their former residence having been rented earlier than the Misses Travers expected, necessitated the altering of their plans for the winter.

Mr. and Mrs. E. Atherton Smith have engaged a suite of rooms at the Royal for the winter and they are at present occupying them, having closed their St. Andrews summer residence for the season.

A great many friends are extending a warm welcome to Mr. Douglas W. Clinch, who is in St. John from Washington visiting his parents, Mr. and Mrs. D. Carleton Clinch, Duke street.

Mrs. Heber Vroom will entertain very informally at her residence this afternoon for Mrs. James Seely, who, with Mr. Seely, expects to leave on Monday for California.

Mr. and Mrs. W. E. Foster will leave this evening for Montreal and Ottawa.

General Macdonell arrived home on Tuesday from Toronto. His brother, Senator Macdonell, who was seriously ill, is improving gradually in health.

Mrs. Leonard Tilley will leave this evening to visit her mother, Mrs. Richardson, in London (Ont.).

Mr. and Mrs. F. J. G. Knowlton expect soon to visit the Pacific coast to be absent about two months, during which time Major and Mrs. Charles Knowlton will occupy the family residence, 154 Sydney street. Mrs. Knowlton will also visit her daughter, Mrs. O. Brien, in Toronto, before coming to St. John.

Mr. and Mrs. Gillham are at the Prince William Apartments for the winter. Mrs. Gillham, who spent some time in St. John about a year ago, arrived here recently to join her husband, who is connected with the work now under construction at Courtenay Bay.

Loyalist Chapter met this week and among other business transacted made arrangements for holding their gift shop Christmas sale to be held some time in

SAVE YOUR HAIR
AND BEAUTIFY IT
WITH "DANDERINE"

Spend a Few Cents! Dandruff Disappears and Hair Stops Coming Out

Try This! Hair Gets Beautiful, Wavy and Thick in Few Moments

If you care for heavy hair, that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff; you cannot have nice, heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots fanish, loosen and die; then the hair falls out fast. If your hair has been neglected and is thin, faded, dry, scraggy or too oily, get a small bottle of Knowlton's Danderine at any drug store or toilet counter for a few cents, apply a little as directed, and ten minutes after you will say this was the best investment you ever made. We sincerely believe, regardless of everything else advertised, that if you desire soft, lustrous, beautiful hair and lots of it—no dandruff—no itching scalp and no more falling hair—you must use Knowlton's Danderine. If eventually—why not now?

HONORS WON BY
SACKVILLE BOYS
ON BATTLEFIELD

Privates E. D. McPhee and Harry Ison Awarded Military Medals — Captaincy For Elmer McLaughlin.

Sackville, N. B., Nov. 15.—Pte. E. D. MacPhee, former principal of the Sackville schools, has won a military medal for his work at the front. His many Sackville friends will be glad to learn of the honor that has fallen to him. Pte. MacPhee is a cousin of Dr. A. B. Dawson, professor of biology at Mount Allison University. Another Sackville boy has been awarded the military medal. Word was received here a few days ago that Harry Ison, eldest son of Mr. and Mrs. Harry Ison had secured this distinction. The Ison boys have certainly done their bit, and many will be glad to learn that one of them has received this honor.

MONCTON GRANT
TO THE G. W. V. A.

Moncton, Nov. 15.—At a meeting of the city council this evening it was decided to grant \$800 to the Great War Veterans' Association and \$50 a month, to continue at will of the council. Captain J. E. Masters addressed the council regarding Victory Bond subscriptions. He asked the members of the council to increase the subscriptions individually and this was promptly done. Moncton needs about \$25,000 more to reach the \$1,000,000. On suggestion of Mayor Toombs it was decided that the civic market committee should act as a fair price committee.

GUARD THE CHILDREN
FROM AUTUMN COLDS

The fall weather is the most severe season of the year for colds—one day is warm, the next is wet and cold and unless the mother is on her guard the little ones are seized with colds that may hang on all winter. Baby's Own Tablets are mother's best friend in preventing or banishing colds. They act as a gentle laxative, keeping the bowels and stomach free and sweet. An occasional dose will prevent cold or if it does come on suddenly the prompt use of the Tablets will quickly cure it. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

NO NEW CASES
IN CHATHAM

Chatham, N. B., Nov. 15.—Doctor Vaughan reports that there are no new cases of influenza in Chatham today and only one yesterday. The influenza epidemic in this city was destroyed by fire today. The alarm rang in at 6 o'clock this afternoon. The fire is supposed to have caught from a defective stove. There were a considerable number of nets in the barn, also hay, oats, wagons and sleighs. Although the most of the latter were saved, all the nets and hay were lost. Mr. Loggie's loss will be heavy. Several nets belonging to other individuals were in the building being repaired. These are also a total loss.

Contest Two Seats.

Washington, Nov. 15.—Contests of the election of two Republican senators from Michigan, of Michigan, and George H. Moses, of New Hampshire, were forecast in proceedings today before the senate privileges and elections committee. Action on protests was deferred.

General Horatio King.

New York, Nov. 15.—General Horatio C. King, veteran of the Civil War, lawyer, lecturer, author and composer, died at his home in Brooklyn today, at the age of 80 years.

the near future. Mrs. Hugh Mackay, regent of the chapter, occupied the chair.

Miss Phyllis Taylor, who has been in Fredericton visiting her sister, Mrs. Pat Holden, arrived home on Wednesday.

A further appeal is being made for cooked delicacies for the work of the diet kitchen, and to this a generous public may be relied upon to respond. In connection with this work it might be stated that for two weeks forty-three members of St. Monica's Catholic Ladies' Benefit Society have been sending in forty-three weekly contributions of broth, jellies and milk puddings to the diet kitchen, and these donations will be continued so long as the necessity for such is urgent.

Lieutenant Harold L. Nixon, after an absence of three years in France and England, arrived home on Monday and was very heartily welcomed.

Miss Nellie Melrose, of Orange street, is in Ottawa visiting Mrs. Frank Jennings.

Lt.-Col. Eric MacDonald, of this city, has been awarded the bar to the Distinguished Service Order, and his St. John friends are forwarding their congratulations.

Major Barker, alman, brother of Major Louis Barker, of this city, has been decorated for destroying six enemy planes before the ending of the war.

Mr. F. C. Macneil was elected president of St. Andrew's Curling Club at the annual meeting of the club held on Thursday evening. A large portrait of Mr. John White was presented to the club to be hung in their rooms. Mr. White, who was elected honorary president, has been a member for more than fifty years.

Mrs. Warren, a former resident at East St. John, is lecturing throughout Canada in the interest of Young Women's Christian Association work.

Seven Seas Chapter held the monthly meeting of the chapter on Thursday evening at the residence of Mrs. A. Wilson, Queen street. Mrs. L. D. Estey, regent, in the chair. Plans for holding a Christmas gift sale were completed and generous donations of money made for overseas units.

There was much enthusiasm, with a large crowd at the opening of the City Comet Band fair in St. Andrew's rink on Thursday evening.

Mother's Pet Needs a Cascaret

Baby is mad! Doesn't want the favorite dolly, or the horn, or the picture books—but don't scold! Look at the tongue! Then hurry! Give candy Cascarets to work the nasty bile, souring food and constipation poison from the little liver and bowels.

MOTHERS! Clean the clogged-up places. Do away with the bile, sour fermentations and constipation poison which is keeping your little one cross, feverish and sick. Children love Cascarets, because to them it is like eating candy. Cascarets act better than castor oil, calomel or pills on the tender stomach, liver and bowels. Cascarets never gripe, never injure, and do not disappoint the worried mother. Give harmless Cascarets to children one year old and upwards. Each ten cent box contains full directions.

Ends Stubborn Coughs in a Hurry
For real effectiveness, this old home-made remedy has no equal. Easily and cheaply prepared.

You'll never know how quickly a bad cough can be conquered, until you try this famous old home-made remedy. Any one who has coughed all day and all night, will say that the immediate relief given is almost like magic. It takes but a moment to prepare, and really there is nothing better for coughs. Into a 16-oz. bottle, put 2 1/2 ounces of Pinex (50 cents worth); then add plain granulated sugar syrup to make 16 ounces. Or you can use clarified molasses, honey, or corn syrup, to make 16 ounces. If desired, either way, this mixture saves about four-fifths of the money usually spent for cough preparations, and gives you a more positive, effective remedy. It keeps perfectly and tastes pleasant—children like it. You can feel this take hold instantly, soothing and healing the membranes in all the air passages. It promptly loosens a dry, tight cough, and soon you will notice the phlegm thin out, and then disappear altogether. A day's use will usually break up an ordinary throat or chest cold, and it is also splendid for bronchitis, croup, whooping cough, and bronchial asthma. Pinex is a most valuable concentrated compound of genuine Norway pine extract, known as the most reliable remedy for throat and chest ailments. To avoid disappointment, ask your druggist for "2 1/2 ounces of Pinex," with full directions and don't accept anything else. Guaranteed to give absolute satisfaction or money promptly refunded. NUMBER OF REPORTS
FAIRLY SATISFACTORY

In case of carelessness or of flat refusal to file the employers' payroll statement, the penalty of \$20 a day will be enforced, Chairman J. A. Sinclair of the workmen's compensation act commission, declared yesterday, in commenting on the fact that yesterday was the day fixed as the close of period for filing statements.

UPSET? Pape's Diapepsin

Belching gas, food souring in stomach, lumps of pain from indigestion and all distress from an upset stomach stops instantly. Yes! At once!
No more stomach-headache. Never any indigestion pain. Pape's Diapepsin not only relieves bad stomachs but it strengthens weak stomachs. Splendid! Costs little—Any drug store.

Mr. Sinclair said that there was no question, judging from the statements on hand, but that there would be ample payrolls from which to carry on the functions of the commission and that it was estimated that for the first year, there would be available from \$250,000 to \$300,000, with which to pay claims and to satisfy the reserve requirements. A feature of the statements so far received is that the wages given are comparatively high.

Fire Alarm May Announce One Session Days for Schools

First Meeting Since Lifting of the Ban Arranges for Resumption of Classes on Monday; Returned Soldiers to Have Preference for Positions

The board of school trustees at a special meeting last night, the first since the influenza ban operated, disposed of considerable routine business, and in recording progress, went on record as having co-operated in the Victory drive and in being heartily in favor, wherever and whenever possible, of engaging returned soldiers for positions in the gift of the board.

The feature of the meeting, from the scholastic standpoint, was that the schools will re-open on next Monday morning and that the classes formerly held in St. Malachi's building, will be continued in St. Vincent's school, Cliff street.

Announcement was made of the refusal of the N. B. Telephone Co., Ltd. to continue the practice of advising of one session and that a committee had been appointed by the buildings' committee to take up with the safety department a proposal that one session be signalled through the fire alarm.

That the government had decided to discontinue the grant towards evening technical schools here caused general disappointment and a committee was appointed to urge continuance of the grant this year.

Chairman R. B. Emerson called the meeting to order at 8 p.m., with the following in attendance: Dr. H. S. Bridges, Michael Coll, George E. Day, G. Herbert Green, H. Colby Smith, E. R. W. Ingraham, J. P. D. Lewin and Secretary A. Gordon Leavitt.

Mr. Green took exception to a report in the minutes that Janitor Hill of the King Edward school was supervising changes in heating at the Centennial, saying that Mr. Hill was to do the work. He further declared that while the estimate had been \$400, bills already received totalled \$800. The change in the report was accordingly effected.

Medical Inspection.
The chairman read the first report of the board's medical inspector, Dr. Mabel Hanington, in which Dr. Hanington showed that mothers and teachers had taken great interest in the medical inspection and had most heartily co-operated in the development of the new department. The influenza ban had prevented the first of a series of health talks.

Dr. Hanington advised that the examinations had been carried on without the least friction and had resulted in the discovery of many cases of defective eye-sight and defective teeth.

The chairman characterized the report as excellent, and it was received and filed.

The application of Robert J. Cochrane, Wright street, for a position on the teaching staff of the High school, was received and filed.

The report of Auditor MacIntyre, already given in the press, was adopted. It shows that the board over-expended \$48,976.09 assessment.

After having heard a letter of thanks from Miss Muriel Russell for kindness during the illness of J. V. Russell, a member of the board, the board, on motion of Mr. Coll, seconded by Mr. Smith, directed that a reply be forwarded to Miss Russell, expressive of the pleasure of the members in that Mr. Russell was progressing favorably.

A Grant Cut Off.
The quiet of the meeting was shattered on hearing a report from Dr. W. S. Carter, chief superintendent of education, that the government voted for last year the grant of \$200 towards the evening technical school here; but that there would be no grant for this year.

Dr. Carter advised that the reasons for discontinuing the grant were that there was lack of interest in the school and that the work would be carried on under the scheme of vocational education which is being developed.

Mere Cleverness is Always Expensive

STYLE features in shoes are only skin-deep. Unless they are backed by honest material and workmanship, the shoes will not give you good service. Shoes which are merely "clever" are always expensive, no matter what their price.

The multiplication of faddish and "clever" styles is wasteful, not only for the persons who wear them, but for everybody who deals in shoes. The demand for extra styles loads the dealer's shelves with expensive, slow-moving stock, and increases the manufacturer's overhead expense so that every pair of shoes he makes costs more. Besides, it helps to decrease the supply of leather, raising prices still higher.

If you will buy shoes for service rather than merely for effect, you will help to discourage this waste and you will get better value for your money. Look for the manufacturer's trade-mark on the shoes you buy. It is there because the manufacturer knows that the shoes will give good service, and is willing to sign his name to it.

strongly impressed on the board that the evening schools had been of remarkable value to the community, and that many employers and employes had testified to the importance of the work and to the immense benefit derived from the instruction. There had been a very considerable increase in attendance and some of those who had taken the courses had increased their wages from \$50 to \$100 a year. One man had increased his salary \$900 in two years by virtue of the education he had received at the evening school. It was pointed out that workers had been brought to read and write at the school, further, that as the attendance had increased, so had the cost of maintenance. The chairman characterized the situation as awkward.

Messrs. Smith and Green spoke of the value of the school.

On motion of Mr. Day it was decided to appoint a committee to wait on the government to urge that the grant be continued until the vocational education school could be established here. The chairman accordingly appointed Messrs. Day, Lewin, Green and Dr. Bridges for the purpose.

Teachers' Salaries.
A letter from the St. John Teachers' Association urging that an increase of \$100 a year be granted female teachers, to operate from September 1 last, was on motion of Mr. Coll, seconded by Mr. Lewin, received, to be considered with the estimates.

Mr. Green reported progress being made by Hazel Bros. in the installation of new sanitation equipment in the Centennial school.

A motion by Mr. Green, seconded by Mr. Ingraham, that the evening technical schools, in view of the increased interest and excellent results attained, and to meet with the popular demand, be reopened on Monday next, a month earlier than last year, was heartily adopted.

A motion by Mr. Green, seconded by Mr. Day, that all bills properly certified to, be paid, was also adopted.

The board approved of the action of the chairman in paying the first month's salary of the janitor engaged for the new St. Vincent's school, and adopted a motion that the janitor be continued for a year, at a salary of \$1,000. Mr. Green asked if the new man was a returned soldier, and Mr. Coll said that Mr. Nagle would be able to answer that question. The chairman said he had been informed that the new janitor was a qualified engineer. He has fifteen rooms to care for and did not have quarters in the building.

On behalf of the school committee, Mr. Coll invited the board to visit the school on next Monday, between 3 and 4 o'clock.

Mr. Day moved, seconded by Mr. Green, that henceforth the board go on record as prepared to engage, for any position in the gift of the board, any returned soldier qualified for the position and that returned men have the prefer-

ence in all cases where they are available and can qualify. This was adopted unanimously.

In Off Hours.
Mr. Day said his attention had been called to the practice some teachers had of working after school hours at other occupations than their school work. He said the principle was wrong, as the teachers were then taking from other citizens, their employers, means of livelihood. No action was taken.

Mr. Green favored action by the finance committee in regard to providing for next year's requirements, suggesting that the committee should wait on the common council and urge that the council approve of increased revenue for the board.

Mr. Smith said the matter was one to be taken up with the government. Mr. Green replied that action by the government had been blocked last year by the council and advocated that the facts be presented to council first.

Mr. Green inquired when the lease of Kerr's Business College expired and was informed that the lease operated for three more years.

Dr. Bridges reported that the West Side committee, consisting of Messrs. Ingraham, Smith and himself, had decided temporarily to solve the accommodation problem at the Albert school by providing a new classroom in the exhibition hall.

The secretary advised that the financial committee had invested \$10,500 of the sinking fund in Victory bonds, and the action was confirmed.

Secretary Leavitt's report for the year was received and ordered forwarded to the chief superintendent of education.

A motion by Mr. Green was adopted that the board meet on November 25 next to take up estimates for the coming year.

A bill of \$27 from George Dick for moving coal which was stored in the King George school and which caught fire, was ordered paid. Spontaneous combustion was the cause of the fire and the insurance was distributed among so many companies that it was practically impossible to apportion the loss. The board then adjourned.

Soldiers' parcels should leave here within the next week, for delivery at the Front by Christmas.

That means that there must be no delay in purchasing the gifts. Have you decided WHAT you will send?

Consider this! The Canadians are still on the move. In any event, it will be months before they are all home. Meanwhile many a soldier leaves behind and loses part of his belongings.

A great many soldiers are anxiously hoping that the folks at home will send them a Gillette Razor or Blades for Christmas. You cannot do better than decide to send a

MAYOR PAYS TRIBUTE
TO CITY CORNET BAND

Mayor Hayes put the official stamp on
the City Cornet Band around the world
fair last evening in a spirited address be-
fore a large crowd in St. Andrew's rink
and formally declared the fair open.
Fred A. Hazel, president of the band,
in an introductory address said that this
was the 44th anniversary of the band.
He outlined features in the long life of
the organization. He spoke feelingly of
the old "standbys" who had brought the
band to its present state of efficiency and
standing.

Mayor Hayes gave an excellent ad-
dress in the course of which he referred
to the good name always borne by the
City Cornet Band as a musical organ of
the organization. He spoke feelingly of
the old "standbys" who had brought the
band to its present state of efficiency and
standing.

during the summer evenings.
"This organization holds a high place
in the estimation of the people," said the
mayor, "and its efforts are always appre-
ciated."
He spoke of the long and honorable
career of the band and now it had
rounded out forty-four years of produc-
tive labor in music. He added that the
money voted by the city council for
holding band concerts, had brought full
value. He referred to the willingness of
the band to lend its services whenever
asked. He said that the members and
officers of the band were "dandy good
fellows" and the perseverance of those
at the head was now crowned with suc-
cess.
James Connolly one of the oldest mem-
bers of the organization and to whom
a great deal of its prosperity is due, was
called upon to say a few words. He
touched on the work it necessitated to
keep the bank together, the long career
of usefulness in public and private en-
tertainments along musical lines and finally
the present good standing of the band.
All this, he said, could not have been
realized unless the hearty co-operation of

ARE YOU
Weak, Anemic, Nervous or Run-down?
WHAT a blessing new health would be to you who are Weak, Anemic, Nervous
health and new vitality you need.

The reason is easily understood—Wincarnis is a Tonic, a Restorative, a Blood-
maker and a Nerve-builder—all in one. This fourfold combination gives it a four-
fold power. It promotes new strength, it makes new blood, it builds up new nerve
force, and it recharges the whole body with new vitality. That is why Wincarnis
makes you feel well so quickly. The benefit begins with the very first dose. You can feel it doing
you good.
And the health that Wincarnis promotes is lasting
health—not a temporary patching up—not a mere
"band-aid-to-the-parts"—but real, new, vigorous health.
Wincarnis contains the very elements of which
our bodies are composed and it has these won-
derful properties in their most assimilative form.
Every ingredient of Wincarnis is endorsed and
recommended in the daily press by the members
of the medical profession the world over.
Don't suffer needlessly. Accept the new health
Wincarnis offers you.
Will you try just one bottle?

public had been behind the organiza-
tion. Mr. Connolly was given a great
ovation.
A short formal programme was carried
out consisting principally of patriotic
songs by the juvenile members of the
band who adorned the deck of the good
battleship "Victory" in full sailor uni-
forms. Reference to the British navy
by Mayor Hayes in his address and the
debt owed it by the world drew long
applause. The singing was under the
direction of F. J. Punter who lead in the
solos and choruses.
There was a good attendance at the

Former United States
Senator Mason, Pioneer
in Pure Food and Drugs Legislation, Father of Rural Free Delivery System
Says Nuxated Iron

Increased His Power and Endurance
So Much, That He Feels It Ought to
Be Made Known to Every Nervous,
Run-down, Anaemic Man, Woman
and Child.

Opinions of Dr. Ferdinand King, New York
Physician and Medical Author; Dr.
James Francis Sullivan, formerly Physi-
cian of Bellevue Hospital (Outdoor Dept.)
New York and the Westchester County
Hospital; Former Health Commissioner
Wm. R. Kerr, of the City of Chicago and
others.

What Senator Mason Says
Chicago, Ill.

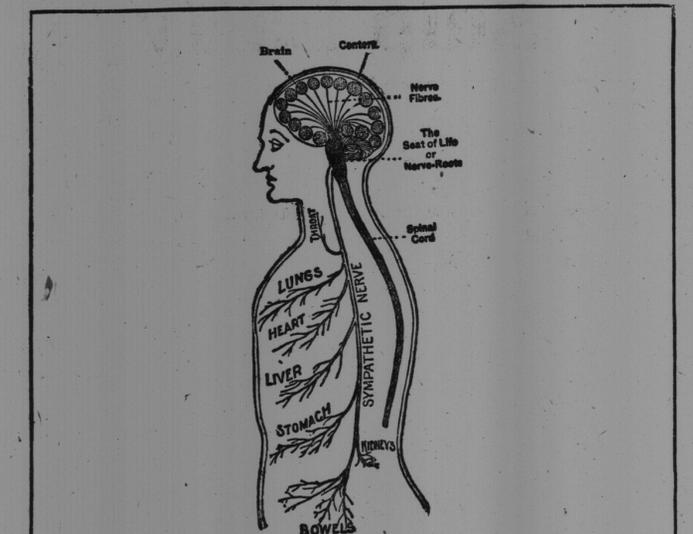

Gentlemen:
I have often said I would never recommend medi-
cine of any kind. I believe that the doctor's place.
However, after the hardest political campaign of
my life, without a chance for a vacation, I had been
standing to court every morning with that horrible
feeling one cannot describe. I was advised to try
Nuxated Iron. As a pioneer in the pure food and drug
legislation, I was at first loath to try an advertised
remedy, but after advising with my medical friends,
I gave it a test. The results have been so beneficial
in my own case, I made up my mind to let my friends
know about it, and you are at liberty to publish this
statement if you so desire. I am now 43 years of age
and I feel that a remedy which will build up the
strength and increase the power of endurance of one
at my age, should be known to the world.
Yours very truly,
Wm. E. Mason

Senator Mason's statement in regard
to Nuxated Iron was shown to several
physicians who were requested to give
their opinion thereon.

Dr. Ferdinand King, a New York
Physician and Medical Author said: "I
heartily endorse Senator Mason's state-
ment in regard to Nuxated Iron. There
can be no vigorous iron men without
iron. Pallor means anemia, Anemia
means iron deficiency. The skin of an-
emic men and women is pale; the flesh
flabby; the muscles lack tone (the brain
fags, and the memory fails, and often
they become weak, nervous, despondent
and melancholy.)
Dr. James Francis Sullivan, formerly
Physician of Bellevue Hospital (Outdoor
Dept.), New York, and the Westchester
County Hospital, said, "Senator Mason
is to be commended on handling out this
statement on Nuxated Iron for public
print. There are thousands of men
and women who need a strength and
blood builder but do not know what to
take. In my own opinion there is nothing
better than organic iron—Nuxated
Iron—for enriching the blood and helping
to increase the strength and endurance
of men and women who burn up too
rapidly their nervous energy in the
strenuous strain of the great business
competition of the day."
Former Health Commissioner Wm. R.
Kerr, of the City of Chicago, says: "I
have taken Nuxated Iron myself and
experienced its health-giving and
strength-building effect, and in the in-
terest of the public welfare I feel it my
duty to make known the results of its
use. I am now past my three score
years, and want to say that I believe my
own great physical activity is largely due
today to my personal use of Nuxated
Iron. From my own experience with
prescribed and recommended above by

Nuxated Iron I feel it is such a valuable
remedy that it ought to be used in every
hospital and prescribed by every physi-
cian in this country."
While former Health Commissioner
Kerr is not himself a physician, still his
experience in handling public health
problems must give his opinion more
than ordinary weight.
Dr. Schuyler C. Jacques, Visiting Sur-
geon of St. Elizabeth's Hospital, New
York City, said: "I have never before
given out any medical information or
advice for publication, as I ordinarily do
not believe in it. But in the case of
Nuxated Iron I feel I would be remiss
in my duty not to mention it. I have taken
it myself and given it to my patients
with most surprising results. And those
who wish quickly to increase their
strength, power and endurance will find
it a most remarkable and wonderfully
effective remedy."
Iron is absolutely necessary to enable
your blood to change your food into liv-
ing tissue. Without it, no matter how
much or what you eat, your food merely
passes through you without doing you
any good. You don't get the strength out
of it, and as a consequence, you become
weak, pale and sickly looking, just like
a plant trying to grow in a soil deficient
in iron. If you are not strong or well
you owe it to yourself to make the fol-
lowing test. See how long you can work
or how far you can walk without becom-
ing tired. Next take two five-grain tabs-
lets of ordinary Nuxated Iron three
times per day after meals for two weeks.
Then test your strength again and see
for yourself how much you have gained.
Manufacturers' Note: Nuxated Iron,
which was used by Senator Mason with
such surprising results, and which is
sold in this city by Wasson's
Drug Store and all other druggists.

From the Congressional Directory
published by the United States Govern-
ment.—Wm. E. Mason, Senator
from Illinois, was elected to the 50th
Congress in 1887, to the 51st Con-
gress in 1889—defeated for the 52nd
Congress 1889—Elected Senator to
the 53rd Congress 1891 to 1893.
Senator Mason is now Congress-
man from the State of Illinois.
Senator Mason's championship of
Pure Food and Drugs legislation,
his fight for the rural free delivery
system, and his strong advocacy
of bills favoring labor and the rights
of the masses as against trusts and
combines make him a national fig-
ure at Washington and endeared him
to the hearts of the working man
and the great masses of people
throughout the United States. Sen-
ator Mason has the distinction of
being one of the really big men of
the nation. His strong endorsement
of Nuxated Iron must convince any
intelligent thinking reader that it
must be a preparation of very great
merit and one which the Senator
feels is bound to be of great value
to the masses of people everywhere,
otherwise he could not afford to lend
his name to it especially after his
strong advocacy of pure food and
drugs legislation.

Study the Internal Nerves

YOU prick your finger and know that
it is the nerves which carry the pain-
ful sensation to the brain. You move
your hand, and realize that the idea of
movement started in your mind. But did
you ever think that every beat of your
heart and every breath of air taken into
your lungs is dependent on a constant
supply of nerve force?

It is the internal or sympathetic nerves
which drive the machinery of the body,
and from their derangement or exhausted
condition arises weakness of the stomach,
feeble action of the heart, or inactivity of
liver and bowels.

When nerve force fails every organ of
the body becomes more or less deranged.
Indigestion, sleeplessness, headaches, irri-
tability and nervousness are some of the
first indications. You lose energy and
ambition, find your work a drudgery, and
grow weak and listless. As time goes on
you become more and more helpless, until
nervous prostration or collapse brings you
to the sick bed, and long months are often
necessary for the restoration of the ex-
hausted nervous system.

Even in this extreme condition Dr.
Chase's Nerve Food will usually cure if its
use is persisted in, but how much wiser it
is to heed the warning in the early stages
and keep the nerve force at high-water
mark.

No restorative has ever proven its
worth in so many thousands of cases as
has Dr. Chase's Nerve Food. What it has
done for others it will do for you under
similar conditions. By forming new, rich
blood it nourishes the starved and depleted
nerves back to health and vigor, and
thereby overcomes the cause of weakness
and diseases of the nerves.

Dr. Chase's Nerve Food is in such great
demand that you can obtain it wherever
medicines are sold—50c a box, 6 for \$2.75.
Portrait and signature of A. W. Chase,
M.D., are on every box of the genuine.

PROVINCE IS VICTORIOUS
IN VICTORY LOAN DRIVE

Far Beyond \$30,000,000 Objective—May Reach \$15,000,000
Mark—This in Spite of Epidemic and Ban is Magnificent Showing

That the Province of New Brunswick has triumphed in the greatest financial drive of its history and has gone over the top with flying colors was the glad tidings which reached the head office of the Victory Loan Committee last night. Not only has the objective been realized, but the reports show that the desired quota \$18,000,000 has been surpassed by nearly three quarters of a million and the outlook is bright for bringing this up to \$15,000,000.

The excellent organization of the various committees has been largely instrumental in this signal victory, coupled with the patriotism and business sense of the good people of the province, whose loyal co-operation with the government in the war financing could not have been shown in a more striking manner. The large objective staggered the canvassers at the beginning of the campaign and for a time it looked as if they had been asked to do the impossible, but their patriotism, zeal and untiring efforts have borne fruit, and today New Brunswick stands beside other loyal provinces in the dominion to share the honors which are justly hers for her great part in the Victory Loan of 1918.

St. John Perhaps \$6,000,000.
Tonight the greatest financial drive in the history of the country will be brought to a close and the large band of workers in this city have already submitted to be proud of their showing. Figures compiled at the central committee office last night showed that the city and county of St. John have already subscribed \$5,222,500, and it is expected that considerable above \$6,000,000 will be collected before this evening.

The following is a list of the various wards in the city and county and the amount subscribed in each, in addition to the number of applications received:

Table with columns: Amount, Applications. Lists various wards like Y. W. P. A., Imperial Theatre, City, etc., with their respective amounts and application counts.

The figures show that Lorne ward has won a crown for its honor flag, having secured twenty-five per cent above its objective, while Stanley ward went over the top. The great showing of this city can be attributed in no small degree to the great enthusiasm of the chairman, Stanley E. Elkin, and his sturdy staff. Full reports have not been received from all of the counties. Those reported up to Thursday night follow:

GREAT DAY IN
THE BRITISH
PARLIAMENT

London, Nov. 15—(Canadian Press despatch from Reuter's, Limited)—The Right Hon. Bonar Law said in the house of commons today that his majesty had intimated that he wished to send a message to the empire by addressing both houses of parliament and the official representatives of the dominions and India in England. It had been decided that the best way of doing this would be that both houses of parliament should present an address to his majesty. The address would be moved in both houses on November 18 and on November 19 both houses would proceed to the royal gallery to receive his majesty's reply.

COUGHED, COUGHED
ALL NIGHT LONG

Terribly weary on the system is the cough that comes at night and prevents sleep. Sometimes it is a constant cough, cough that will not be quieted. Sometimes it is a choked-up, stuffed-up feeling that makes breathing difficult, and sleep impossible. Whatever kind of a cold or cough you have, Dr. Wood's Norway Pine Syrup is the remedy you need to cure it, for the simple reason that this valuable preparation combines all the lung healing virtues of the Norway pine tree with which is combined with cherry bark, and the soothing, healing and expectorant properties of other excellent herbs and barks. Miss Margaret Landy, Bristol, P. E. I., writes: "I am writing to tell you that I have received from Dr. Wood's Norway Pine Syrup. Last fall I took a severe cough and cold in my head. At night I could not sleep, but cough, cough, all night long. A friend advised me to use Dr. Wood's Norway Pine Syrup, and before the next bottle was used, I was entirely cured, and I have found this the best cough medicine I can buy." Do not accept any other "pine" preparation when you get for "Dr. Wood's." This remedy has been on the market for a quarter of a century. It is put up in a yellow wrapper, three pine trees on the trade mark; price 25c and 50c. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

WILSON MAY
GO BUT NOT AS
A DELEGATE

Washington, Nov. 15—American delegates to the peace conference are understood to have been selected by President Wilson although there will be no announcement until the place and date of meeting has been decided upon formally by the inter-allied council which re-assembled today in France. Discussion in well-informed quarters today as to the probable personnel of the delegation centered upon four men—Robert Lansing, secretary of state, to head the mission; Colonel E. M. House, now in France, attending the inter-allied council as the personal representative of the president; Elihu Root and Louis D. Brandeis, associate justices of the supreme court. The belief is growing here that President Wilson himself will attend the opening sessions of the conference, though not to sit as a delegate at the peace table. Word from Paris that historic Versailles is regarded as certain to be the scene of the conference occasioned no surprise here. It is said that spokesmen of the Allied powers have been almost a unit on this choice, though Brussels has been urged by the Belgians and other nations to be mentioned. From the Germans there may be requests for a meeting on neutral soil but the victors always have made peace where they pleased.

DECEMBER 1 DAY OF THANKSGIVING
IN CANADA FOR END OF FIGHTING

December 1 is to be set aside in Canada as a day of thanksgiving for the coming of peace. Some newspapers have announced November 17 as the day. That announcement was premature. Hon. William Pugsley, lieutenant-governor of the province, yesterday received the following telegram from Thomas Malvey, under secretary of state, Ottawa: "His Honor the Lieutenant-Governor of New Brunswick, Frederick (N. B.): 'The day of thanksgiving for the conclusion of hostilities was prematurely announced in the press for the 17th. Owing to influenza in the western provinces that day cannot be fixed. Proclamation fixing December 1 will issue in a few days.'"

Wemyss Put It All in a Sentence

Paris, Nov. 15—(British Wireless Service)—Admiral Sir Robyn Wemyss, who was appointed to notify the German envoys of the naval conditions of the armistice, is credited by Le Figaro with a phrase which admirably reflects the respective positions of the two fleets. "It is inadmissible," the Germans protested, "that our fleet should be given up without having been beaten." Facing the envoys with his monocle, Admiral Wemyss retorted: "It had only to come out."

Reports from Germany More Hopeful

Copenhagen, Nov. 15—(By the Associated Press)—All reports reaching here from Germany are of a more hopeful tone. A good impression has been made by the Socialist government's pronouncement concerning the constituent assembly. The Vorwaerts declares that the pronouncement "makes the constituent assembly a certainty." The Berlin correspondent of the Hamburg Fremdenblatt is encouraged by the events of the last few days. He reports that a large part of the members of the soldiers' council have removed the red bands from their sleeves. London, Nov. 15—German army deserters who formed a "flying division" at Bremen are plundering German towns, according to an Exchange Telegraph despatch from Copenhagen. Thirty-six were arrested in Berlin and three of them were immediately shot. A score of the others were sentenced to death by a court-martial.

An Answer by Lausanne. New York, Nov. 15—In answer to German claims that surrender of 5,000 locomotives and 150,000 railroad cars would bring famine upon the country, Stephane Lausanne, head of the official bureau of French information, declared here today that Marshal Foch has imposed upon the enemy merely a restitution of rolling stock which its armies of invasion seized in Belgium and Northern France early in the war. "The German authorities pretend," said Mr. Lausanne, "that this equipment is needed to transport food from the farms to the cities. When the American press is filled with these claims it is perhaps well to remind the public that the invaders seized in France 600,000 cars and in Belgium the entire railway rolling stock, comprising 3,000 engines and 80,000 cars." The French publicist asserted that the equipment specified in the armistice terms is necessary to the rationing of the civilian populations of Belgium and Northern France, who have been starved and robbed of all they possessed by the German armies of occupation.

JOHN WARD, PRESIDENT. At the semi-annual meeting of the Freight Handlers' Union held last evening in West St. John, the following officers were elected for the coming year: President, John Ward; vice-presidents, Fred Long, David Hargrove, secretary, William Williams, business agent, James Britain; financial secretary, John Baird; treasurer, Joseph Taylor; trustees, Daniel Coughlan, Allen Lee and William Hammond; guard, George Lankey. There was an exceptionally large attendance at the meeting and much enthusiasm was evident.

Prussia's Future. Copenhagen, Nov. 15—The Prussian government has announced that Prussia's future will be determined by a constituent assembly and the Wurttemberg government has made a similar announcement. All the factories in Berlin have resumed operations.

A SLUGGISH LIVER
CAUSED
SEVERE HEADACHES

The duty of the liver is to prepare and secrete bile and serve as a filter to the blood, cleansing it of all impurities and poisons. Healthy bile in sufficient quantity is Nature's provision to secure regular action of the bowels, and when the liver is sluggish it is not working properly, and does not manufacture enough bile to thoroughly act on the bowels and carry off the waste products from the system, hence the bowels become clogged up, the bile gets into the blood, constipation sets in, followed by sick and bilious headaches, coated tongue, bad breath, heartburn, water brash, bad taste in the mouth in the morning, jaundice, floating specks before the eyes, etc. Miss Dian Clark, Myer's Cave, Ont., writes: "I take pleasure in writing you concerning the good I have received by using Milburn's Laxa-Liver Pills for a sluggish liver. When my liver got bad I would have severe headaches, but I got better after I had used a couple of vials of your pills." Milburn's Laxa-Liver Pills gently unlock the secretion, clear away all waste and effete matter by acting directly on the liver, and make the bile pass through the bowels, instead of allowing it to get into the blood. Milburn's Laxa-Liver Pills are 50c a vial at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

LOCAL TRADES AND
LABOR MEN FOR
STRONGER BEER

Pass Resolution to Be Sent to
Ottawa—Geo. Melvin
Succeeds J. L. Sugrue.

At a meeting of the Trades and Labor Council held last evening in Odefford's hall with the president, John Kemp, in the chair, a resolution was unanimously passed requesting the legalization of the sale of 2 1/2 per cent beer. This will be forwarded to the dominion authorities at Ottawa and is in accordance with the one passed at the recent Trades and Labor conference held in Quebec. It was further decided to forward names as prospective representatives on the vocational education committee and also for places on the reconstructed local board of health. Legislative matters were outlined for action at future meetings. Reports of the delegates who attended the Trades and Labor congress were received. James L. Sugrue, recently appointed a member of the workmen's compensation board, tendered his resignation as secretary of the local council which was accepted with general expressions of regret.

WILHELMINA'S CROWN IN DANGER

Washington, Nov. 15.—Information reaching here from official sources indicates that the situation in Holland is causing grave apprehension and that the presence there of the former German emperor with members of his family and some of his strongest supporters may so inflame the people as to endanger the monarchy.

Promise of Busy Times for Port of St. John

Ottawa, Nov. 15.—The reconstruction and development committee of the cabinet under the chairmanship of Hon. A. C. McLean conferred today with the representative gathering of prominent exporters and shipping men in regard to tonnage and export conditions and requirements following peace conditions.

The shipmen met at today's conference that they were prepared to put their carriers back on regular trade routes so soon as they were released by the admiralty. Some steamships, it is understood, have been cut off more or less during the war from usual sources of outside supplies.

Owing to the absence of several of the jurors in the inquest into the death of George Kimball, which was to have been resumed last evening, was again postponed until next Wednesday evening, November 20.

HOW OTHER PLACES IN THE PROVINCE CELEBRATED

Gagetown, Nov. 15.—Beautiful weather made a perfect background for the celebration of Canada's day of general thanksgiving. Even the sky seemed to share in the gladness, and the night before the whole northern part of the sky was hung with beautiful streamers of northern lights.

In the afternoon the Victory Loan flag, showing that Gagetown had gone over the top in the \$35,000 objective, arrived. The credit of its winning is due to the energetic canvass of Fred L. Corey and his partner, Frank A. Smith. The arrival of the flag was the signal for an impromptu parade.

The parade followed the length of Front street, and along the whole of the street, returning to the wharf just as the Champion arrived. Here the national anthem was sung, and the ranks disbanded amid cheers and a prolonged and noisy salute from the steamer.

At today's conference there were representatives from the boards of trades of Halifax, St. John, Montreal and Quebec; from the Canadian Manufacturers' Association and from the Elder Dempster Royal Mail and other steamship lines.

ST. ANDREW'S SOCIETY OFFICERS The annual meeting of St. Andrew's Society was held last evening in the Knights of Pythias hall, Germain street. The following officers were elected for the ensuing year: Henry C. Rankine, president; Clarence B. Allan, 2nd vice-president; Rev. J. A. MacKinnon, chaplain; Alexander Wilson, historian; John White, treasurer, and J. Bruce McPherson, secretary.

In Apohaqui. Apohaqui, Nov. 14.—The news of the signing of the armistice was received here with deep feelings of thankfulness and joy, mingled with a tinge of sadness and sympathy, reserved sorrow for those who have lost their loved ones in the great conflict and sympathy for those who cannot hope for the return for their boys who sleep across the seas.

AQUITANIA CUT A DESTROYER IN TWO

New York, Nov. 15.—In a collision between the United States destroyer Shaw and the British liner Aquitania in European waters on October 9 the naval vessel was cut squarely in two thirty-five feet off the bow, and the forward section sank immediately. The other section was caught fire. This was learned today with the arrival of the Melita, carrying twenty-five survivors of the Shaw. Other destroyers steamed to the scene and when they took the burning section in tow the lurid wash of water quenched the flames.

Canada Pays Heavy Price For Victory and Peace

Ottawa, Nov. 15.—More than 55,000 Canadian soldiers have laid down their lives in the war, according to official figures just issued here. Total casualties received here to November 15 are given as 213,263, an aggregate which will likely increase owing to the fact that the troops of the dominion were engaged in heavy fighting at Mons up to the last minute of the fighting and reports of the latest casualties are still being received at Ottawa.

The official figures follow: Died in action 85,128; Died of wounds 12,048; Died of disease 8,469; Total known deaths 105,645; Presumed dead 4,820; Missing 949; Wounded 154,961; Prisoners of war 2,860; Total casualties 213,263.

Newcastle, Nov. 15.—Two more of the 182nd Battalion have made the supreme sacrifice in France before the cessation of hostilities: Pte. Charles Butler, son of Mr. and Mrs. David Butler, of Nordin, aged eighteen, leaving his parents and several brothers and sisters; and Pte. Tozer, son of Mr. and Mrs. Judson Tozer, of Nelson, aged twenty-two, leaving his parents and the following brothers and sisters: Lorne, of Newcastle; Traven and Marshall, of Nelson; Guy, overseas; Mrs. Wm. McInnis, of Chelmsford; and the Misses Annie and Wilhelmina, at home.

Pte. George H. Calhoun, of Sussex, has died of wounds. In the midst of the peace celebration, Superintendent R. A. Smith announced the death of this fine young soldier on October 4 of wounds received on the battlefield. Private Calhoun was over seas with the 104th Battalion as quartermaster-sergeant, and was transferred to England while in England. He was home on furlough last spring, returning to England in June. As a soldier he was of the finest type, inspired by the highest sense of duty.

NOT MUCH LIQUOR IN THE WAREHOUSES. Chief Liquor Inspector Wilson has cancelled the liquor license granted temporarily in Minto (N. B.).

Had the large gathering of hoodlums, who raided the bonded warehouse in Nelson street last Monday night, really that one very small amount of liquor was stored there, they would undoubtedly have thought twice before committing an offense which may yet land them in Dorchester. Speaking to a Telegraph reporter Chief Inspector Wilson said that the greater quantity of the liquor seized by the sub-inspectors had been distributed to hospitals and health inspectors during the epidemic, and that only a very small amount was now on hand.

SCHOOL CASE GOES TO THE PRIVY COUNCIL

Toronto, Nov. 15.—Once again the Ottawa separate school troubles will go before the privy council. Notice of appeal from the judgment from the first appellate court a few weeks ago is being served by counsel for the Roman Catholic School Board. Before Justice Clute, the board was successful in its action to recover money from the banks and members of the commission appointed by the Ontario government.

The Ontario government put the schools under the control of a commission but the privy council held the creation of the commission was ultra vires. The board then sued the commission and the banks for the money spent during the time the schools were conducted by the commission and Justice Clute gave judgment in their favor. The appellate court, however, have reversed this judgment on the ground that the commissioners should be indemnified for the money expended even though the commission had been illegally appointed. Appeal to the highest court is now made.

YOUR LAST CHANCE TO BUY A VICTORY BOND

Will Your Name Be on the List?

When mid-night strikes tonight will you be fully satisfied that you have done your best—that you have supported the Victory Loan to the limit of your resources?

Will your name appear in the list of those who have purchased bonds? Will it appear for the full amount that you are capable of handling?

Even if you have bought bonds and have spent all you "can afford" on Bonds there is still time in which to buy until your conscience says "enough."

Never Again Will Such An Opportunity Offer in Which to Get Such a Bond on Such Terms and Security

To the investor looking for a safe and solid investment the Victory Bond is without an equal. To the small wage earner who can't seem to put aside a dollar in the savings bank and to the business house or institution looking for a security in which to invest surplus where it will be as liquid as water there is nothing within ten miles of a Victory Bond.

And then apart from the cold business phase of the transaction there is the patriotic side of the thing which should appeal. A Bond will hurry the boys home, and will earn for you the right to grasp the hand of the returned man and say—and prove your saying—"I was with you to the limit of my all."

The Three Plans in a Nutshell:

PLAN ONE

The denominations are \$50, 100, 500, and \$1,000. You may pay cash for your bond and there will be no interest charge. In other words the bond will cost you the par value of the bond.

PLAN TWO

The government has made it possible for you to buy a bond on a monthly payment plan which will be explained by the canvasser. This plan is: Ten per cent. with application, twenty per cent. in December, twenty in January, twenty in February and thirty odd per cent. in March.

PLAN THREE

Chartered banks and many other financial institutions will buy the bond for you and you may pay them back on a monthly payment plan which spreads the total amount over ten months.

Many who have purchased Bonds on the Cash or Government's monthly payment plan will find in the Bank's ten month payment plan an easy way in which to carry another \$50 or \$100 Bond. The payment for these falls around the middle of each month; and as the Government's monthly plan of payment falls on the first week of the month the additional bond can be carried without undue financial obligation.
