## BRITISH PENETRATE GERMAN LINES TWO-THIRDS OF MILE

### SUBMARINES SINK FEWER STEAMERS

Thirteen British Vessels of 1,600 Tons and Over Sent to Bottom.

SMALLEST NUMBER OF ANY WEEK

Two German Submarines Sent to Bottom by the British.

STEAMER RAMS ONE OF U-BOATS

Second Craft Was Sunk by Torpedo Boat Destroyer.

London, Sept. 26.—Thirteen British merchantmen of 1,600 tons and over and two vessels of less than 1,600 tons were sunk by mines or submarines last week, according to the weekly Admiralty statement, issued this evening. In the aggregate this is the smallest number of vessels sunk during any one week since Germany began her intensified submarine warfare last February. Two fishing vessels also were sunk last week.

Two U-boats Sunk.  
An Atlantic Port, Sept. 26.—Passengers arriving here today on a steamer from a British port told of the sinking of two German submarines, one of which had attacked a transport conveyed by British destroyers. The transport was fired on by a U-boat late at night September 14, according to the story, off the Irish coast. It was a bright moonlight night and officers on the moonship saw the silvery path of the torpedo. Shots were fired at the hostile craft by the gunners on the transport, but the submarine was finally sunk by a destroyer.

The second U-boat reported sunk, attacked a steamship of the same line, carrying a large number of passengers and a heavy cargo. When the periscope of a submarine was sighted, the steamship immediately made for the craft, ramming it as it rose to the surface, clearing it in two. As the U-boat sank, a number of sailors were seen in the water, it was said, but the work of rescuing them was left to the destroyers in the wake of the steamship.

### MAY TAKE OVER THE STEAMSHIPS SOON

United States Government Expects to Use Every Available Vessel.

It is considered that the Eastern Steamship Lines steamers Calvin Austin and Governor Dingley, now running to St. John, will soon be taken over by the United States government. The company has been expected to transfer for some time.

A dispatch from Washington last evening read: "A charter rate of \$575 a ton a month, had been decided on by the shipping board as a base the government will pay for requisitioned ocean-going merchant vessels. Within a short time the board will take over for government use every American vessel available for overseas service."

PERU PROBABLY NEXT.  
Lima, Peru, Sept. 26.—The government has instructed the Peruvian minister at Berlin to present to the German government a demand that satisfaction be given within eight days for the sinking of the Peruvian bark Lorton. If the demand is not met, diplomatic relations will be broken off.

### Sweeping Attack by the British Forces a Complete Success

Field Marshal Haig's Troops Capture Important Position Around Tower Hamlets and Strong German Field Works on Six Mile Front.

MORE THAN ONE THOUSAND PRISONERS DURING THE SUCCESSFUL OPERATIONS

Powerful Resistance Offered by the Teutons Throughout the Day and at Late Hour Hard Fighting Was Still in Progress.

London, Sept. 26.—In an attack along a six mile front today the British troops captured an important position around Tower Hamlets and strong German field works, according to the official report from Field Marshal Haig tonight.

Powerful resistance was offered by the Germans throughout the day and they delivered many strong counter-attacks. "But," says the British commander, "our operations were entirely successful." The text of the statement reads: "Our attack this morning was delivered on a total front of nearly six miles from south of Tower Hamlets to east of St. Julien. Our operations were entirely successful.

Heavy Counter-Attacks.  
"Later in the day the enemy delivered a series of heavy counter-attacks along our new front resulting in hard fighting, which is still continuing at certain points.

South of the Ypres-Menin road an attack carried out by English troops successfully completed the capture of the Tower Hamlets spur and gained possession of strong German field works on its eastern slopes which formed our objectives.  
"A powerful counter-attack in the direction of Gheluvelt was repulsed. On the right of our main attack north of the Ypres-Menin road, our troops met obstinate resistance and heavy fighting took place in the area across which the enemy counter-attacked yesterday. After a severe struggle lasting throughout the greater part of the day English and Scottish battalions drove the enemy from his positions and accomplished the task which formed our objectives.

Gallant Scotsmen.  
"In their advance our troops relieved two companies of Argyll and Sutherland Highlanders, who had held out with great gallantry during the night in a forward position in which they had been isolated by the enemy's attack yesterday morning.  
"In the afternoon the enemy attempted another counter-attack in great strength in this sector where fierce fighting is still continuing.  
"Further north Australian troops cleared the remainder of Polygon Wood and captured a German trench system to the right of it, which formed their objectives for the day.  
"On their left English, Scottish and Welsh battalions penetrated the enemy's defense to a depth of nearly a mile, stormed Zonnebeke and gained the line of their objectives.

The Germans Repulsed.  
"During the afternoon a counter-attack directed against our new positions east of Polygon Wood was repulsed.

"On the left of our attack, North Midland and London territorials attacking on both sides of the Willems-Gravenstafel and St. Julien-Gravenstafel roads, also captured their objectives and beat off a counter-attack. In this area our line has been advanced to a depth of half a mile across country defended by a large number of fortified farms and concrete redoubts.

"Early in the afternoon the Germans delivered a second counter-attack with large forces and succeeded in pressing back our line a short distance on a narrow front. Our troops counter-attacking in turn, at once recaptured the greater part of the lost ground.

"Over one thousand prisoners have been taken in these operations. A very large number of German dead have been found on the ground captured and the enemy's losses, both in our attacks and in his subsequent counter-attacks, have again been heavy."

TRADE OPPORTUNITY.  
A communication was received yesterday by the Board of Trade from a New York firm who were desirous of opening up a connection in this city in prohibited exports.

### FRENCH LAVISH IN PRAISE OF CANADIANS

(By Roland Hill.)

War correspondent's headquarters, France, Sept. 26.—French correspondents with the British troops have been lavish in their praise of the Canadians and their fighting at Lens. One of the most influential of the French provincial papers is "Le Telegraphe" published at Boulogne, and the following literal translation, without comment, of an article on August 25th, speaks for itself:

It says: "The Canadians at the present time completely hold the line in the theatre of war. It is these picked troops that have been given the incomparable, the glorious and difficult task of retaking Lens—Lens, where each house is a fortress; Lens and its slag-heaps, bristling with machine guns and trenches which the enemy only manages to hold by continual reinforcement. This Canadian army although only raised during the war, is curious to study for several reasons. Recruited exclusively by voluntary methods, it is composed of various elements curiously representing the world crusade against the abhorred Germans.

"One meets trappers, colonials, hunters, men who have lived full lives of adventure, and peaceful merchants of Quebec or Montreal. There are battalions that speak only the true French of the eighteenth century."

### PROVISIONS HIGHER THAN EVER IN U. S.

Sweeping Advances in Chicago Market Yesterday — Prospects of Footwear Being Reduced.

Good news and bad news came over the wire last night. The good news was that the prices of footwear are likely to be reduced in view of the recent slump in hides and leather in the Chicago market.

Chicago was not satisfied, however, to let the news go at that but followed it up with this "encouraging" despatch:

"Sweeping advances took place today in the provision market, smashing previous records. The biggest upturns were in pork and ribs (bacon) and lard. The price of pork showed at one time an overnight jump of \$1.07 a barrel. January ribs killed up \$1. Government buying of such volume that stocks are being sharply reduced was said to have been a factor in causing the soaring values. Besides, scarcity of hogs of late been daily apparent at the stock yards here."

Pork was quoted in the Chicago

### British Can Take Lens Whenever They Please Declares Gen. Haig

Berlin War Office Announces That British Have Penetrated German Positions to the Depth of About Two-Thirds of Mile at Several Points.

FIGHTING WHICH IS OF DESPERATE CHARACTER IS STILL CONTINUING

Germany Has Agreed to Evacuate Belgium on Certain Conditions—Must Have Right to Develop Her Economic Enterprises Freely in Lateral Country.

New York, Sept. 26.—A London cable to the Evening Sun says Horatio Bottomley, editor of "John Bull," attributes to Sir Douglas Haig the statement that "we can take Lens whenever we like."

Berlin, Sept. 26.—The British forces in their new offensive in Flanders have penetrated German positions to the depth of about two-thirds of a mile at several places, according to the German official communication, issued tonight. The fighting, which is of a desperate character, is continuing.

The communication follows: "The battle in Flanders between Langemark and Hollebeke—a front of fifteen kilometres, still continues. The enemy has succeeded at places in penetrating as far as one kilometre deep into our fighting zone, where desperate fighting is proceeding."

### QUEBEC MAN KILLS A U. S. OFFICIAL

Shoots Immigration Inspector and Policeman.

Newport, Vt., Sept. 26.—Angered because he had been ordered deported to Canada, Robert J. Friday, of Quebec, opened fire with a revolver upon Daniel J. McDermott, a federal immigration inspector, and J. P. Menogue, a local police officer, tonight. Menogue fell dead, with a bullet in his heart and McDermott was seriously injured.

This proposal was made in a supplementary note to the Vatican, replying to the peace initiative of Pope Benedict. It was in the form of a verbal communication made by Foreign Secretary Kuhlmann, to the papal nuncio at Munich, wherein the foreign secretary specified the conditions under which Germany was willing to conclude peace on the basis of the evacuation of Belgium.

French Fight Hard.  
London, Sept. 26.—(By Reuter's Ottawa Agency)—Despatches from French headquarters detail the terrific battle which ensued around Verdun yesterday when the Germans attempted to recapture French positions. The German attack was launched at dawn on the extreme right of the Verdun sector and followed a bombardment of several days during which the whole positions including even the streets of Verdun, where there is now nothing but ruins, were heavily peppered. The object of the attack was to recover the dominating ridge near Chameux-Poses Woods.

The Germans were repelled after bitter fighting at close quarters. Today the Germans again resumed the bombardment of these positions.

### SOUKHOMLINOFF FOUND GUILTY

Petrograd, Sept. 26.—General Soukhomlinoff, former minister of war, was sentenced to hard labor for life after conviction on a charge of high treason in the court here today. Madame Soukhomlinoff was acquitted.

General Soukhomlinoff was convicted also on the charge of abuse of confidence and fraud.

### ANGLICANS FAVOR FULL PROHIBITION

Ottawa, Sept. 26.—Dominion-wide prohibition was strongly endorsed by the council for social services of the Church of England in Canada at an annual meeting held in Laurier Hall this morning. A very large attendance of the members of the council from all provinces in the Dominion were present.

### G. N. W. MUST ACCEPT THE JUDGMENT

Otherwise Minister of Labor Crothers Will Use Big Stick.

HAD TROUBLE WITH COMPANY BEFORE

Minister Expresses Indignation That Great Northwestern Rejected Award.

MEN HAD BEEN POORLY USED

Is Encouraging Employees to Get What They Are Entitled To.

Special to The Standard.

Ottawa, Sept. 26.—Hon. T. W. Crothers has notified the general manager of the Great Northwestern Telegraph Company that he expects to be informed by telegram tomorrow that the company has accepted the award of the board of conciliation, thus ending the strike. The Minister of Labor does not state what action he proposes to take if the company still refuses, but he asserts that he will use the "big stick" if necessary.

"It is the duty of the company to accept the award whether they like it or not," he said tonight. "The act provides that the majority award is the award."

Expresses Indignation.  
He expressed "indignation at the idea of the company refusing to accept the award" and said he was insisting on this as in all other cases that the award should be carried out and adopted. "Of course," he remarked, "the company may say I am encouraging the men to get what they are entitled to get. The award is very moderate and the men do not get all they ask for."

The minister stated that he had had trouble with the Canadian Northern people on previous occasions and did not evince very much enthusiasm for the way in which the men had been used.

Arbitrators Fair.  
With regard to the board of conciliation which investigated the grievances of the telegraphers, Mr. Crothers described Judge Gunn, the chairman, as a man of good judgment, impartiality and fairness.

As to David Campbell of Winnipeg, the representative of the men, he said: "He has a great deal of experience in these matters, and I have always found him very reasonable and very willing to do the fair thing. He is not an extreme man. He desires peace and does what he can to promote it."

Possible Strike-breakers.  
Montreal, Sept. 26.—Charges that alien strike-breakers have been sent to Canada to take the places of the G. N. W. striking operators were being investigated today by the immigration department.

The company's officials have admitted that there had been no violation of the immigration act and that any men taken on had applied for positions in Montreal, after seeing an advertisement in a local paper.

### SERIOUS DISORDER IN BUENOS AIRES

Street Cars Fired on by Strikers and Anti-German Manifestation Made.

Buenos Ayres, Sept. 26.—Serious disorders occurred in various parts of the capital today as the result of an anti-German manifestation and strike agitation. As an outcome of the firing upon street cars by strikers or sympathizers an inspector was killed and several persons were wounded.

### THE EARLE OF MT. EDGUMBE DEAD

Was Keeper of Privy Seal to Prince of Wales—A. D. C. to Queen Victoria.

London, Sept. 26.—William Henry Edgumbe, fourth Earl of Mt. Edgumbe, Lord Lieutenant and Vice-Admiral of Cornwall, is dead.

The Earl of Mt. Edgumbe had been keeper of the Privy Seal to the Prince of Wales since 1907 and had been A. D. C. to Queen Victoria. He was eighty-five years of age.

### WOMAN ENDS HER LIFE BY FIRE

Bank Man's Demented Wife Pours Gasoline Over Herself.

Montreal, Sept. 26.—Mrs. Garneau, wife of M. J. Garneau, purchasing agent of the Bank of Hochelaga, is dead.

The Earl of Mt. Edgumbe had been keeper of the Privy Seal to the Prince of Wales since 1907 and had been A. D. C. to Queen Victoria. He was eighty-five years of age.

Bank Man's Demented Wife Pours Gasoline Over Herself.  
Montreal, Sept. 26.—Mrs. Garneau, wife of M. J. Garneau, purchasing agent of the Bank of Hochelaga, is dead. She was demented, and had been in an insane asylum for some time.

YE CANNOT SERVE TWO MASTERS.

# NO PEACE AT THIS TIME IS POSSIBLE, SAYS TAFT

## GERMAN MILITARY AUTOCRACY MUST BE CRUSHED, DECLARES FORMER PRESIDENT TAFT

Anyone Who Proposes Peace Now, He Says, Either Wishes German Military Autocracy to Control the Destiny of the World or Else is Ignorant of Stake for Which Allies are Fighting.

Montreal, Sept. 26.—Ex-President William H. Taft, who today led the "beat Germany" section of the delegates attending the Unitarian general conference to victory over the pacifist element, tonight delivered an analysis of Pope Benedict's peace offer and pointed out that any one who proposes peace now, either wishes German military autocracy to control the destiny of the world or else is ignorant of the stake for which the Allies are fighting. Mr. Taft was speaking for the United States on the theme of one hundred years of peace between Canada and the United States. Canada was represented by Hon. Rodolphe Lemieux.

Must Oppose Peace. Mr. Taft said those who favored permanent peace for the world of the future must oppose with might and main proposals of peace at this juncture, whether made in socialistic councils, in pro-German circles or by the great Christian church world wide to bring to an end a war in which millions of its communion are on both sides as expected. He should preserve a difficult neutrality is also natural. That his high purpose was to save the world from further sacrifice, the flower of their youth and mortgaged their future for a century and all for nothing.

## AN IMPORTANT DECISION ON POTATO CROP

Must Be No Hoarding of Tubers and No More Freezing of Stock by Speculators.

Ottawa, Ont., Sept. 26.—Hon. W. J. Hanna, Canadian food controller, has received a report from the chairman of the fruit and vegetable commission recommending that potatoes in Ontario and Quebec of the production of these two provinces be sold at no higher than \$1.25 per bag, after October 1st. "There must be no hoarding of potatoes this year," declared Mr. Hanna. "We must hear no more of speculators hoarding carloads of potatoes on railway sidings to freeze so as to reduce the supply of food in the country and enhance the market value of the remaining supply." Such an action should be made a criminal offence.

Mr. Hanna went on to say that the Canadian potato crop would probably be twenty million bushels greater than last year and that there would probably be a surplus of about ten million bushels.

Should Waste None. The problem, he says, is not how to economize the supply of potatoes, but how to consume the consumption so that none will be wasted. An increase in consumption of potatoes would help to reduce the amount of white flour, meat and bacon used in Canada. "In all probability," said Mr. Hanna, "a joint committee of representative men will be formed with one representative from each of the eastern provinces, to consider the whole potato situation in the interests of consumers and producers alike." The question will be considered of the necessity of opening wholesale and retail stores in the interests of those who may find themselves without the proper means of carrying over their crop until the spring demand.

Mr. Hanna is strongly of the opinion that no undressed potatoes should be used for consumption in the larger centres, but that the standards of grading recommended by the committee be adhered to.

ENJOYABLE DANCE. An enjoyable dance was held last evening at the Manor House by the boys of the 9th St. Battery. Major McQuade, Corp. E. Clarke and Sergt. Eaton and Mrs. E. Taylor and Mrs. Thompson chaperoned the lady guests. Those in attendance were: Miss G. Kehrung; Miss H. McDermott; Miss J. McDermott; Miss C. Campbell; Miss Cunningham; Miss L. Vincent; Miss J. ### THE FIRST CASE TO COME UNDER HOSPITALS ACT

Young Albert County Lady Removed from St. John County Hospital—Parish of Hillsboro Arranged to Care for Patient.

The first case to come under the new hospitals act passed at the last session of the legislature, occurred at the St. John County Hospital when a young lady, whose home is in Albert county, was admitted to that institution suffering from an advanced case of tuberculosis, on August 29 last. The authorities of Hillsboro parish, from which she came, were notified that they would either have to pay \$2.80 per day for the maintenance of this patient or else remove her. The county secretary said yesterday the overseers of the poor for the parish of Hillsboro had made arrangements for caring for the girl and removed her from the institution on Tuesday last.

### THE PUBLIC UTILITIES COMMISSION IN SESSION

Gas Company Given Power to Increase Rate—Electric Light Company to Decrease—Application from Telephone Company.

The Public Utilities Commission at their meeting yesterday issued orders giving the St. Croix Gas Co. power to increase the rate for gas, and the St. Stephen Electric Light Co. power to decrease the rate for electricity. Two applications were presented by Hon. J. B. M. Baxter on behalf of the New Brunswick Telephone Co. One asked for permission to increase the rate on private exchanges, and the other asked for confirmation of the night rate, and the fixing of the hours in which the night rate should apply, from 11 p.m. to 5 a.m. instead of as at present from 6 p.m.

### SEVEN KILLED AND 28 HURT IN RAID

Second Attack on England Less Serious Than One of Monday Night—Air Raids on Huns.

London, Sept. 26.—Seven persons were killed and twenty-eight injured in all the districts affected by the two German air raids last night, it is announced officially. "Naval airplanes," says an Admiralty statement, "copiously bombed the Sparapheoek airbase at noon yesterday. They made several direct hits, smoke being observed from the sheds on the southwest side. Several of our fighting patrols over the fleet encountered six hostile airplanes, two of which they brought down. "There was a bombardment of our naval establishments at Ostend by our naval forces this afternoon. Several hits were observed an Anatelet De La Marine."

### BANKERS IN SESSION

Special to The Standard. Montreal, Sept. 26.—Members of the Canadian Bankers' Association were in session here today discussing the proposal of the minister of finance for the arrangement of credits for between \$125,000,000 and \$150,000,000. It is understood that a committee will also be named to draw up plans in connection with the marketing of the next Canadian loan. E. L. Peas, president of the Canadian Bankers' Association, presided.

## HELD FOR SHOOTING J. DAIGLE

Samuel Kingston, Kouchibouguac Moose Hunter, Must Await Action of Grand Jury.

Special to The Standard. Moncton, Sept. 26.—Additional facts covering the shooting of Joachim Daigle by Samuel Kingston near Kouchibouguac, Monday evening were brought out at an inquest held today by the coroner, Dr. Girvan. It appears that the Daigle boys left their home in St. Charles early Monday morning and went to the Half Way House on the Richibucto-Chatham Road. They succeeded in getting a moose early in the day some distance off the main road. After shooting the moose they spent the rest of the day swamping road in order to get the moose out to Hanson Road, a branch of the main road. They got the moose out about six o'clock. They then had supper and afterwards started to walk out to the Richibucto-Chatham Road. As they neared the road they found it necessary to make a detour to get around a big ditch.

# GERMANS PUSHED BACK OVER HIGH GROUND EASTWARD OF YPRES

## British Make Strong Drive on Wide Front

The Sector at 5.30 o'clock in the Morning Win Success Despite German Resistance

London, Sept. 26.—The British made an attack this morning on a wide front in the Ypres region. Good progress reported by the war office. The statement follows: "We attacked on a wide front in the battle sector northeast and east of Ypres at 5.30 this morning. Our troops are reported to be making good progress."

In their new attack the British pushed back the Germans over the high ground east of Ypres. Reuter's correspondent at British headquarters reports: "Details of New Attack. British Headquarters in France and Belgium, Sept. 26.—(By the Associated Press)—Along the northern half of the battle line to the east of Ypres, where Field Marshal Haig resumed the offensive this morning, the British have advanced at numerous places for a distance of from 1,000 to 1,200 yards. An early report, which was somewhat vague, indicated that the British infantry was fighting along a line only a few hundred yards west of the German positions. The Germans are resisting vigorously, and along a front of several miles, astride the Ypres road a terrific struggle is being fought. The line of the present battle is at two points to the east of Ypres and southwest of Chelver. Germans already have been driven from many important positions. The British appear to have been extremely successful throughout the northern half of the line of battle."

Ostend Bombed. London, Sept. 26.—The German base of Ostend, on the Belgian coast, was bombed yesterday by British naval forces. British aeroplanes over the sea encountered German aeroplanes and downed two. The Verdun Front. Paris, Sept. 26.—Intense fighting occurred last night between the Verdun front and the front between Besenval, the war office reported.

## INTERESTING SESSIONS AT BAPTIST CONVENTION, THE OFFICERS' REPORTS

Home Missions and the Five Year Program Discussed at the Evening Session—Corresponding Secretary and Several Committees Reported.

The United Baptist Convention resumed yesterday morning in the Charlestown church, West St. John. Rev. Dr. DeWolfe, principal of the Ladies' Seminary at Acadia University gave the opening address on "The Story as His Subject the Lord's Prayer." Rev. J. G. A. Belyea of Fredericton Junction was moderator of the meeting, and at ten o'clock made an excellent address to the delegates. He said that service was not complete by prayer alone. Besides faith, there must also be good works. He advocated that at least \$100,000 a year should be raised for the church.

Rev. Dr. A. W. Brown of Sackville was appointed enrollment clerk. The following committees were appointed: Nomination—Rev. J. E. Wilson of Woodstock; J. B. Ganong, St. John; and Dr. Hutchinson, St. John. Arrangements—Rev. J. H. Jenner, West St. John; J. H. Wentworth, St. John; and T. D. Bell of Pinder, N. B. Rev. J. B. Ganong, principal of Sackville; A. Perry of Berber's Mills, and A. N. McNeill of Sackville. Rev. S. S. Pools and Rev. Milton Anderson were named as members of the Sunday school committee in place of two of the members who were unavoidably absent.

Rev. J. E. Gosling of Grand Harbor, Grand Manan, was elected assistant secretary of the association. The annual report of the executive was read by Rev. P. R. Hayward, secretary of the executive. The report contained the results of four meetings of the executive held during the past year. The Pokiook and Doaktown churches were granted loans of \$250 each. Rev. H. E. Boyer was elected to take the place of Rev. A. F. Newcomb of the executive. The treasurer of the executive has in the last year purchased three \$500 war bonds. The sum of \$94.16 was paid for printing the year book. An increase of \$25 was granted the chaplain of the General Hospital. A committee of five was appointed to consider proposed changes in the financial organizations. A committee was named to secure annuity funds for home missions and a committee to prepare a recommendation for the association in regard to solemnization of marriages by retired ministers.

It was resolved to assure the Reformed Baptist Alliance that in 1917 associations' gatherings of the church at Meductic would be given to them by the United Baptists. The first resolution of the executive was defeated, and the church at Meductic will be kept by the United Baptist as it is. The treasurer, James Patterson, read his report which was accepted unanimously. It showed a balance of \$364.98 in the association fund; a grand total of \$4,536.49 credited to the twenty-first century fund during the last year; and a total receipt of \$302.50 during the last year in the trust fund held by Rev. J. E. Gosling. Amos A. Wilson acted as auditor of the report, which was found correct. Rev. David Patterson closed the meeting with prayer.

Afternoon Session. The afternoon session was devoted to business when reports were received and committees heard from. The session started promptly at 2.30 with the moderator, Rev. J. G. A. Belyea, in the chair. After an opening prayer by Rev. Gordon Swin, the minutes were read by Rev. J. E. Gosling and accepted. Rev. R. J. Colpitts, editor of the Maritime Baptist, presented a few facts concerning the denominational paper. He spoke of the value of a denominational paper and that the denomination could do much to improve its position. He suggested that the denomination could do much to improve its position. He suggested that the denomination could do much to improve its position.

Senator Daniel of St. John Presides and Delivers Address Before Canadian Society for the Prevention of Tuberculosis.

Ottawa, Sept. 26.—Several highly valuable papers by experts in the prevention and cure of tuberculosis were delivered at the opening session of the annual convention of the Canadian Society for the Prevention of Tuberculosis.

Senator Daniel delivered his annual address tonight at the Normal School Hall this morning.

The work of philanthropic citizens in the district of Quebec in combating tuberculosis was described by G. LeClere, M. D., of Quebec city, who informed the delegates that a new sanatorium would be opened at St. Foy.

Dr. DeWolfe's address, Rev. J. B. Ganong, superintendent of home missions, was called to the platform to preside.

Dr. Hutchison, speaking chiefly on "Evangelism and Consecration," said that the Baptist people in the Maritime Provinces and New Brunswick were suffering because their fathers were flaming evangelists.

MORE CROOKED WORK BY VON BERNSTORFF

Confirmation of Death in Letter from Chaplain Wesley Weldon of Oak Point Receives Letter from France Telling of His Son's Death—Instantly Killed.

Confirmation of the death in action of Pte. F. A. Weldon has been received by his father Wesley Weldon, of Oak Point, Kings county.

Dear Mr. Weldon: I deeply regret having to confirm the sad intelligence of your son's death.

Count Von Bernstorff had received and read the Zimmerman telegram to Minister von Eckhardt in Mexico, which contained the following: "We intend to begin on the first of February unrestricted submarine warfare."

Count Von Bernstorff was therefore fully advised of the intentions of the imperial government at the time when he asked for authority of Berlin to employ funds for an organization to influence congressional action in favor of the continued neutrality of this country.

DOMINION ALLIANCE CENSURES SENATE

New Brunswick Branch Holds Sessions at Fredericton—Praises Political Parties.

Special to The Standard, Fredericton, Sept. 26.—The council of the New Brunswick Branch of the Dominion Alliance concluded its meeting here last night.

The report criticized the senate of Canada for the action it had taken in amending certain temperance legislation and also referred in terms of praise to the co-operation of both political parties in New Brunswick, in assisting in the enforcement of the prohibitory measure.

**EXCHEQUER COURT.**  
 The exchequer court was continued yesterday. The appropriation case of the King vs. Vassie Company, Ltd.; the King vs. Allison; the King vs. the Presidential Trust Company, and the King vs. the Petrie Manufacturing Company, Ltd., were continued, and evidence concluded at one o'clock. Fred R. Taylor, K. C., with Barnhill, Ewing & Sanford, solicitors, appeared for the defendants, and Daniel Mullin, K. C., appeared for the crown in all four cases.  
 Argument of counsel was concluded, and Sir Walter Cassels, who presided, reserved judgment.  
 In the case of the New Brunswick Railway Company vs. the King, Fred R. Taylor appeared for the plaintiff, it being a petition of right, and D. Mullin appeared for the crown. The interesting point of law was brought out in this case. The claim is that a fire started on the road of the international railway which spread and caused damage to plaintiff's lumber. Mr. Mullin claimed that there was no liability as the injury did not occur in a public place.  
 The judge said the point was well taken but the act of 1910 broadened

 Many Residents of United States Entering New Brunswick Woods — Weather Too Warm for Preserving Meat Long — Some Big Killings.  
 The fine, dry weather of this week has attracted hundreds of sportsmen to the woods of New Brunswick, and although the temperature is much too high for the preservation of moose meat and venison in remote districts, some of it is being sent to the cities and towns.  
 A large number of residents of the United States came to the province during the past few days, and others are expected before Oct. 1. In York, Carleton and Victoria counties, and in some districts of Kent, Queens, Kings and Westmorland the woods will soon be full of hunters. Many of the outside hunters are starting from Fredericton, and others from Chatham, Newcastle and Moncton.  
 Big Game Plentiful.  
 W. A. Proudfoot, of New York, one of the first non-resident hunters of big game to return to the city yesterday, after a period in the woods, came in last Tuesday night from the Clearwater district on the Miramichi after killing a moose, a caribou and three bears. He was in the woods ten days with Ernest Norrad as guide. They report game as plentiful.  
 John Dalton, of Newcastle, the resident of Haines there, has issued more than two hundred to local sportsmen, and the following to those residents of Uncle Sam's domain: Fred S. Ewing and Wm. Ewing, Greenwich, Conn.; F. H. Winston and Frank H. Connor, Chicago; Dr. T. M. Townsend, A. J. Bower, Wm. F. Smith, H. A. Casar and R. E. Twining, New York; Dr. B. E. Chambers, H. E. Ward, Warren, Ohio; G. J. VanVechton, Scranton, Pa.; W. E. Ray, Harrisburg, Pa.; E. H. Bralford, Palm Beach, Florida; Capt. H. D. Cooper, New York.  
 Edmund Gaudet, son of F. F. Gaudet of St. Joseph, recently shot near Acadville, a moose having a spread of 24 inches and weighing 50 pounds. This is one of the largest moose shot in the province this season. George Wall and Levi Landin, of Moncton, shot another one game a buck deer of ten points.

**THE CITY'S PROPOSITION HAS BEEN CONSIDERED**  
 Kings County Milk and Cream Producers Will Submit Terms to City If Latter Wish to Open Milk Depots.  
 F. E. Sharp, president of the Kings County Milk and Cream Producers' Association, was in the city yesterday, and in conversation with The Standard said the association had considered the proposition of the city to supply milk depots, should the city fathers decide to go into the business, and their reply containing the terms on which they might consider doing so would be forwarded to the common clerk in the course of a day or two.  
 Asked as to crop conditions in Kings county, Mr. Sharp said that with the exception of wheat, everything was light. The heavy frost about the first of the month had struck the grain, and the wheat, which was hard and the yield this year would not be nearly as good as last year. Crops of all kinds, however, and potatoes, would only be about half as big a crop as last year.

**WEDDINGS**  
 Hamilton-Sterritt.  
 The home of Bennett T. Hamilton, Adelaide street, was the scene of a happy event yesterday morning when Mr. Leonard Whitfield Hamilton, of Oak Street, and Miss Viola Louise Sterritt, of Hamilton Mountain, Queens county, were united in marriage. The ceremony was performed at 10 o'clock, Rev. Dr. D. Hutchinson officiating. Only immediate relatives were present. After the wedding, Mr. Hamilton left on a honeymoon trip to Fredericton, Woodstock and other provincial points. Returning they will make their home at Oak Point.  
 Brown-Shanks.  
 At three o'clock yesterday afternoon in the First Presbyterian church, Carleton, Miss Maud Shanks, daughter of the late George Shanks, of Lorneville, was united in marriage to Charles Archibald Brown, son of Mr. and Mrs. George Brown, of Lancaster avenue. The ceremony was performed by the Rev. J. A. Dibblee, pastor of the church. Charles Shanks, cousin of the bride, acted as groomsmen. Miss Elsie Wrighton, a bridesmaid, presented the bride with a bouquet of flowers. The bride's cousin, Dr. Witt Cairns, sang at the wedding. The couple left last evening for Winnipeg and other western cities.

**WEDDINGS**  
 Tapley-Dibblee.  
 Woodstock, N. B., Sept. 26.—A quiet wedding was solemnized at St. Luke's church this afternoon, when Miss Ruth DuVernet Dibblee, daughter of the late J. T. A. Dibblee and Mrs. Dibblee, was united in marriage with Lieut. John A. Tapley, of St. John. The ceremony was performed by the pastor, Rev. J. A. Dibblee. The church was very tastefully decorated for the occasion. The bride, who was attended, was brought in and given in marriage by her brother, Wm. Jack Dibblee. Immediately after the ceremony Lieut. and Mrs. Tapley drove to the C. P. R. station and left for Halifax. Miss Dibblee was a social favorite, and the good wishes of a host of friends follow her.

**WEDDINGS**  
 Bridges-Belyea.  
 In the Tabernacle Baptist church, Haymarket square yesterday morning, the Rev. P. P. Dennison united in marriage Mr. John Bridges and Miss Edna L. Belyea, daughter of Mr. and Mrs. Frederick Belyea, 25 Victoria street. The bride was attended by Miss Margaret Finley, while Mr. Ernest Roberts supported the groom. The happy couple left by auto to spend a couple of weeks through the province.

# NEWS AND COMMENT FROM THE FINANCIAL WORLD

## INCREASING STRINGENCY IN FINANCE

### Time Accommodations Scarce—Stocks Fall, Headed by Steel Shares—Confusion in Steel Market.

New York, Sept. 26.—Increasing stringency in money constituted the determining factor in today's reactionary session of the stock market. Call loans opened at 1 per cent, that rate prevailing until shortly before the close when it dropped to 3/4 per cent.

Time accommodations showed greater scarcity, local banks evidently taking their cue from the attitude of the Federal reserve board, which is discouraging long time advances on a half per cent, to 6 per cent, with virtually no offerings. Stocks moved irregularly the greater part of the day but fell back generally in the last hour, industrial and other leaders pointing the way. The recession followed publication of the weekly review of a trade authority which referred to the utter confusion in the steel industry as a result of the prices established by the government.

## SHOOTING AWAY THE WALL STREET JINX

### Brokers Are Beginning to Take Heart and Banish Pessimistic Hall, Which Has Overhung Their Board Rooms About All Summer—Confidence Growing.

New York, Sept. 26.—There is a significantly growing confidence in high quarters judging from verbal expressions heard. It seems to be based on a conviction that at last the country is getting on a broad highway for the vigorous and efficient prosecution of the war with all the resources of the nation against Germany. There is a strong concentration of active belief in U. S. Steel. Outsiders are getting back into stock market on steadily expanding scale. Notwithstanding price fixing restrictions and high taxation steel is coming to be looked upon in conservative quarters as offering unusual speculative opportunities to resourceful bulls.

Shorts are retiring from the soft coal stocks on talk of a revision upward in the prices of soft coal which industry is looked upon as the only one which has been discriminated against in the price fixing programme. C. and O. N. and W. B. and O. and Penna. all reflecting retirement of bear commitments on an enlarged scale that is extending to the hard coal issues. The announcement of government orders for motors is expected in well informed quarters to stimulate the covering movement in that heavy overvalued group. Gen. Motors seem to be the favorite buy of professionals who are reported as having changed their bear attitude to a bullish position for the present in this class of securities. More large war orders are anticipated.

## STEEL STOCKS WEAKEN IN THE AFTERNOON

### Bethlehem Stronger Than for Some Time—Crucible Steel and Rails Soft—Coal Miners' Demands.

(McDOUGALL & COWANS.)  
New York, Sept. 26.—The market was dull in the afternoon on a level generally near or a little below the previous close. The steel issues made some advances. Bethlehem Steel working a point above Tuesday's final. Crucible remained soft as were most of the rails. Prices worked gradually lower in the last hour and in the late trading a burst of selling in the steel issues forced U. S. Steel two points below the high price of the day without much unsettlement of the general list.

Washington dispatches indicated that the soft coal miners demands had been rejected by the operators but that negotiations would continue under government auspices. The conference committee is expected to reach an agreement on the final details of the war revenue bill, though disagreement and request for further instructions from both houses is suggested as a possibility. The chief point of difference seems to be the exemption basis, which the house wants limited to compelling between 7 to 9 per cent invested capital, while the senate has stood out for a minimum of 6 per cent, and a maximum of 10 per cent.

### Gilt Edged Securities Soft, But Rubber, Mining and Shipping Shares Steadily Supported.

London, Sept. 26.—The stock market was quite irregular today. The gilt-edged section was inclined to droop, but rubber, mining and shipping shares were steadily supported. The other departments were dull. Money was scarce and discount rates were quiet. The sales of treasury bills last week amounted to 60,000,000 pounds, making the total outstanding 900,000,000 pounds.

### Toronto Railway Breaks Three Points to New Low Record and Rest of List Generally Heavy.

Special to The Standard.  
Toronto, Sept. 26.—Star today publishes following:  
There are many points of resemblance between the hide, leather and footwear situation in Canada and the United States, and it is not unlikely that our market is largely influenced by the larger one. Conditions which have been apparent to the different trades for some time back are beginning to find publicity, but much that is being printed is entirely new to the general public, which sees in the declines in hides and leather prospects of more moderate conditions when they go to a store to buy footwear.

**ROBERT GATEWOOD WINS**  
3-YEAR-OLD FUTURITY

Directum J. Takes 2.08 Pace  
and Rascal Wins 2.13 Pac-  
ing Event.

Columbus, Ohio, Sept. 26.—The American horse breeders futurity for three-year-old pacers was won at the Grand Circuit meeting today by Robert Gatewood, who disposed of the field as he pleased. Four of the six horses were shut out by him in the first heat.

Directum J. handily won the 2.08 pace. He paced each mile in 2.05 1/4. The 2 1/4 trot was the big battle and after five heats it went over for decision tomorrow. Michallowa and Lotteria are left to pace the deciding heat.

Rascal gave the talent a big jolt in the 2.13 pace. He sold for \$10 in 2 1/2 heats. He won in 2:17. Ulian Simmens finished third, while Rascal won easily.

The race meet ends tomorrow with the Arch City stake for 2.10 pacers and the free-fall pace as the feature.

**PROFITS FROM HOME PRODUCTS**

"SHARED BY EVERYONE"

Profits from the sale of home products are shared by every resident of our city. The manufacturer, the retailer, the consumer—all participate. The manufacturer is able to offer steady employment to his workmen at good wages. The dealer can offer better goods, better values, better service. The consumer gets the advantage of all this—and in addition assisting in contributing to the general prosperity of the entire community.

The theory of reciprocity—which reduced to its simple terms means "you trade with me, and I'll trade with you" is fundamentally the foundation of this Home Products Campaign. That this theory is successful in active practice is demonstrated by the growth of our cross roads settlements into prosperous and thriving communities.

The city in which you live is deserving of your unshared support. You can best lend your support by buying and boosting Home Products.

Here are Related Facts and Fancies Concerning the Activities of Individuals and Organizations, the Home, Fashions and Other Matters.

THE FASHION PARADE AT F. A. DYKEMAN'S UNDER AUSPICES OF Y.W.P.A.

Novel Patriotic Enterprise Undertaken by Young Women's Patriotic Society - Large Crowds Were Attracted Last Evening.

The success of the Fashion Parade held at F. A. Dykeman & Company's store on Charlotte street last evening was assured through the presence of such large crowds that not only the show rooms upstairs but the whole lower floor had to be cleared to accommodate those who wished to attend. It was a decidedly novel method of earning money which was undertaken by members of the Y. W. P. A. and the successful showing of the many handsome costumes of their disposal makes it plain that this society are as versatile as they are energetic. The stores of F. A. Dykeman & Co. were suitably decorated for the occasion, the windows being especially artistic. A lattice work trellis was festooned with wisteria in Autumnal shades, and jars of shaggy asters were placed beneath the trellis. Harrison's orchestra rendered selections during the evening in the fine show rooms on the upper floor. A most interesting crowd stood down stairs, as it was not possible for all to be accommodated upstairs. F. A. Dykeman welcomed his guests in a short speech, telling of his long business career in this city (twenty-six years last April), and speaking in a complimentary strain of the patriotic endeavors of the Y. W. P. A. He spoke of the gown to be shown this year for their simplicity and suitability. No feature was made of evening dresses, for it was realized that they are not in demand. Mr. Dykeman referred to the fact that his goods were as far as possible made in Canada, and that this was something of which he was very proud. At the close of the address the parade began, and from that time till 9 o'clock attractive models displayed charming gowns, coats and suits. Several of the young ladies taking part entered into the idea so thoroughly that critics remarked a fashion show had not been seen better carried out in New York or Boston. The pretty hats worn which looked as if they had been made expressly for the costumes were loaned by Mrs. J. F. Nicholas, the sales manager, had charge of the arrangements for the parade and overlooked every detail. Many accessories which were used

such as hand bags, work bags, labors and furs were the goods belonging to the store. The young ladies taking part in this Fashion Show were: Miss Lois Grimmer, convener, Miss North Duddy, Miss Eileen Courtney, Miss Louise Sheldon, Miss Katharine Murdoch, Miss Elsie Nevin, Miss Genevieve Kilham, Miss Muriel Corbrey, Miss Ermeline Climo, Miss Alice Hatch, Miss Jennie Barris, Miss Gladys Travis, Assisting were Misses Jessie Lane and Helen Church, Miss Charlotte Dodge. Although some of the costumes show color combinations, yet the general tone was towards subdued simplicity. The dresses show a waist line sometimes at the waist, other times far above or below the waist. They are developed along the straight pleated lines, often in panel effect at back and front, and flare at the side of the skirt in caught-up effect. The coats are many of them belted, almost full length, have few but large buttons, and are gathered in skirt effect under the belt in a number of instances. A neat suit of dark green cloth had a contrasting collar banding with black fur. The coat was accented by a few narrow pleats. The lining of this suit was remarkably vivid, but lovely just the same. A white feather hat of a very high shape was worn with this. A very favorite coat shown was a raincoat, with a fur collar and a handsome coat in this shade was displayed. The lines were long, with pleats at the sides and long sleeves. The collar was of a contrasting material. A high pointed black hat was worn with it. ed satin grille and satin shoulder strap were novel as well as the puffed sleeves looking quite early Victorian, yet in the very latest mode. Among the very newest styles is the "charism dress" the one worn of black taffeta. This is a very loose high-waisted, double-breasted effect, with two rows of six big buttons on the waist. The skirt has two pockets put on irregularly banded with the taffeta and fastened with two of the large buttons. A large collar of pongee and silk with pointed ends, was edged with the blue and little tulle cuffs were faced with pongee. Two buttons had a touch of pongee shading. The skirt was edged with very little trimming was worn with this. A dark blue serge dress was both dress and useful. It showed an accordion-pleated front panel on the skirt, two pockets, and a broad silk collar of soft gray. On the waist were cordings of red and black silk, the pockets were embroidered in a simple design and black buttons finished off the costume. Georgette crepe and blue taffeta combined to make a very lovely dress worn by one model. Trail way on the skirt was an accordion pleated pointed skirt. A tie of the taffeta gave the new style to the corsage, which had transparent sleeves of white Georgette over blue, and two wide shoulder collars, one of blue Georgette with a hemmed one of white over it. Small buttons with a brilliant touch of red cotton stockings and this charming afternoon gown. On a tall, stylish young lady, a purple serge dress was attractive. The skirt of this was caught up at each side with a long purple chenille tassel, the rather wide belt was bead-studded in various contrasting colors. A soft rolling collar of white satin over a vest of white Georgette gave the becoming touch of white which most people feel is necessary. A very drooping mushroom of the same color completed the costume. Of the new shade called beet root, in a lovely satin meschine, one of the prettiest gowns worn. This showed silver tone trimming on the waist with self-embroidery outlined in silver. The skirt of this was two rows of silver, this departing from the usually plain skirts displayed. A dress of raisin serge, was pleated back and front as to the skirt, the corsage was rather plain with a large white satin shoulder cape collar. Side pockets (put in on the skirt) were bordered in bright colors and edged with gray fur which also finished off the sleeves. A very Frenchy color, combination of amethyst and Amoret. Beauty struck one in a satin afternoon gown of soft satin. The lines of this dress were long, the waist high, the belt cross over and tie, the collar round turned over to show this shade on the amethyst. The pockets were lined with the same daring tint, the cuffs also. Silver designs were embroidered on the pockets and at the back of the waist above the belt. The parade will be repeated this evening.

ATTEND MONCTON CONVENTION

Miss Bertha Boyer left last evening for Moncton where she will attend the convention of the Women's Institutes to be held there beginning October 2nd. With Mrs. Cochran, of Fredericton, Miss Boyer will have charge of the arrangement of the evening exhibit. It is expected that a very large number of jars of fruit and vegetables will be entered for this exhibit. A number of prizes have been offered, and a large portion of the jars will probably be sent to military hospitals or convalescent homes.

SALE AT LITTLE LEPREUX

A sale was held at Little Lepreau by members of the Soldiers' Comfort Association. Through the generosity of many friends of the association the affair, held on the evening of the 21st, for the benefit of the S.C.A., was a great social and financial success. Miss Tot Taylor of Lepreau was the winner of the reversible quilt made by the ladies of the Circle. A Corcoran Mace's Bay was the prize winner in the bean guessing contest. O. Hanson won the gramophone which was donated for a lottery and turned the instrument over for auction for the benefit of the S.C.A. The fancy work table was in charge of Mrs. T. B. Hanson. The fish pond sale of tickets for the quilt and a brass lamp were looked after by Miss Ella Fairweather. The important feature of the refreshments was ably handled by the united efforts of Mrs. Harvey Hope, Mrs. A. Hope, Mrs. L. Boyne and Mrs. Harvey Brown. A hearty vote of thanks was tendered R. T. MacWhitney, who made a splendid auctioneer. Mrs. Oscar Hanson is secretary of this Circle. The proceeds of the sale totalled \$27.00 for the S.C.A.

TALENTED READER IN CITY.

Mrs. Spaulding, who gave several delightful readings last Autumn in St. John, one at Centenary schoolhouse for the benefit of the Soldiers' Comfort Association, is a visitor in the city. It is expected that the public may have the opportunity to hear Mrs. Spaulding in some new recitals. "HATH A PROPHET NO HONOR IN HIS OWN COUNTRY"

BRITISH WAR OFFICE CINEMATOGRAPH COMMITTEE.

With the approval of the Department of Militia and Defence, Canada. Present: The Battle of Arras. Showing the Victorious Canadians at Vimy Ridge and the Retreat of the Germans. ACTUAL PICTURES OF OUR GREAT VICTORY. Exclusively in this City at IMPERIAL THEATRE. And to be shown in 3-Reel Groups STARTING MON, Oct 1st.

Mrs. Carter is visiting Mrs. Carter's parents, Capt. and Mrs. J. W. Carter. Mr. V. E. Gowen was left on Sunday for Amoret. He will be absent several weeks on business. Miss Vera Brown returned on Friday after spending some time with friends in Moncton. Miss Doris Metzler, Moncton, is the guest of Miss Annie MacWilliams. Friends of Rev. N. Mackenzie who was seriously injured in a driving accident last week, will be glad to hear he is improving. The Salisbury, Red Cross Society shipped a box containing twenty-six Xmas stockings to St. John on Monday. They are for the boys in the hospitals overseas.

POSSIBLE GERMAN SPY IS HELD

Was Washington Correspondent of the Cologne Gazette. Wichita, Kas., Sept. 26.—George Bartholome, 48 years of age, former correspondent at Washington, for the Cologne, Germany, Gazette, is held here for investigation by federal authorities. A trunk which he had sent to the station for shipment contained about 200 pounds of congressional records, check stubs, and other papers. Some of the speeches of Senator LaFollette were marked in the congressional records. Bartholome says the speeches were marked for reference, just as a newspaperman would mark a record for reference, and were for other use.

THE HOME THE WORLD

Ideal For Wash-Day. The Kootenay Range accommodates the wash boiler and still leaves four holes free for cooking. This allows you to serve wash-day dinners that are just as good as other days and doesn't interfere with your laundering. Ask our dealer or write for booklet.

RETURNS TO NEW YORK

Miss Tina Matthew, who has been visiting her father, Mr. Robert Matthew, at Gonda Point, returned to New York yesterday. Miss Matthew is researching in the office of Professor Henry Fairfield Osborn, of the New York Natural History Museum. Professor Osborn is one of the greatest scientists of today, and an authority on prehistoric man. He is the author of "Men of the Old Stone Age," and is getting out another work which will be published by Scribner's in October entitled "The Origin and Evolution of Life."

THE W. I. CONVENTION

A very neat little booklet has been received containing the programme of the Women's Institutes to be held shortly at Moncton. The booklet is bound in green and tied with white ribbon—green and white being the Institute colors. At the back of this programme may be found the first verse of the National Anthem with the supplementary verse praying for our splendid men. Two verses of "O Canada," and the eight lines of the Institute Ode are also included.

Remove the liver and bowel poisons which is keeping your bowels and stomach sour. Don't stay bilious, sick, headachy, constipated and full of cold. Why don't you get a box of Cascarets from the drug store now? Eat one or two tonight and bowels cleaning you ever experienced. You will wake up feeling fit and fine. Cascarets never gripe or hurt, kills no pills. They act gently but thoroughly. Mothers should give cross, sick, bilious or feverish children a whole Cascarets any time. They are harmless and children love them.

THE HOME THE WORLD

APPOHAQUI. Apohaqui, Sept. 25.—The first school in connection with the School Garden work of "Apohaqui Super School" took place in the Public Hall on Monday, when it joined the Lower Millstreet school. The school gave an exhibit worthy of praise, and one which would stand comparison with similar exhibits from those more mature years. At the commencement of the school, much had been said and many articles written regarding what might be done to increase the number of our schools, in increasing the production, and the Fair of vegetables surely gave evidence that the country had exceeded in the new and interesting task they had undertaken and the promoters and agitator of the increased food production school would not fail to be encouraged by the splendid display of vegetables and fruits. The exhibit was, however, not confined to these there were creditable exhibits in domestic science, drawing of maps, roses and sketches of needle work, fancy work, collections of wild plants, weed mounted plants, fresh hand cutting and others. The Home Efficiency Club of Apohaqui, which has eight members, showed a grand display of cut and preserved fruits and vegetables. The judging on this class, as well as of the fancy work, sewing and painting, was capably done by Mrs. Jones, president of the Efficiency Club; Miss Ida E. Chipman, and Mrs. Geo. V. Lower Millstreet. A NEW POLICEMAN. Guy C. Hansen was sworn in as police constable yesterday and went on duty last night.

FREIGHT HANDLERS MEET. The Freight Handlers' Union held a meeting in their rooms West St. John last night. Only routine business was transacted.

RETURNED FROM ENGLAND. Yesterday morning a special train passed through the city from Halifax with women and children who arrived on a liner from England Tuesday.

FIRST MEETING OF SEASON. The Young Ladies' Auxiliary of the Y. M. C. A. held a meeting on Tuesday evening. This was the first meeting of the season and only routine business was transacted.

HOSE CART AND CAR COLLIDE. Street car No. 90, while going up Princess street yesterday morning, struck No. 4 hose cart which was going along Sydney street. Little damage was done to either.

LAMP SHADES BROKEN. The shades on the cluster light in front of MacPherson Bros. on Union street were broken about ten o'clock last night when an autoist in trying to turn his car lost control and it struck the lamp post. The car was not damaged.

WAS FURTHER POSTPONED. The case of George Galbraith, charged with supplying liquor to Norman McLeod, was resumed in the police court yesterday morning. McLeod gave evidence of purchasing liquor while working on board a steamship at one of the docks, and told of being arrested in the evening. The case was further adjourned.

A DROP IN MILK. Early yesterday afternoon there was a sudden drop in milk, not in price, but in cans. A wagon while proceeding from King street to the Market Square had a wheel torn off in the car tracks. The damaged vehicle was parked near the fountain until arrangements were made for its removal to the repair shop.

EXECUTIVE COMMITTEE. At the meeting of the C.G.R. Relief and Insurance Association held last evening at the general freight forwarder's office, the following were elected to compose the executive for the ensuing year: E. J. Simpson, A. Dunlop, C. H. James, J. J. Chandler, district secretary; W. P. O'Sullivan, alternate to the annual meeting.

HAD DELIGHTFUL TOUR. Mr. and Mrs. W. S. Ferris of St. John, and Mrs. C. M. Robertson of Robertson's Point, returned yesterday from a two weeks' trip by auto through Carleton county and Maine. They visited Grand Falls, Fort Fairfield, Presque Isle, Caribou and Houlton. They had good weather and report having had a delightful tour.

COMPANY INCORPORATED. The Germain street Property Ltd. has been incorporated under provincial charter to carry on general real estate business in St. John where the head office is situated. The capital stock is \$10,000. Those incorporated are Percy W. Thomson, Mrs. Maude S. Thomson and John A. Olive, all of St. John.

THE POLICE COURT. In the police court yesterday J. Edwin Wilson was fined \$10 for driving his automobile without a front number plate. E. N. Sakor was fined \$10 for speeding round the corner of Mill and Main streets. Richard W. Folkins was fined for driving on the wrong side of Main street.

LETTER OF ACKNOWLEDGMENT. The secretary of the Board of Trade has received an answer from the man in Galveston acknowledging receipt of information forwarded regarding opportunities for starting a poultry farm in the vicinity of the city. He expressed himself as well satisfied with the prospects and stated he would be here in the near future.

HELD ANNUAL MEETING. The Women's Missionary Society of the Portland Methodist church held their annual meeting last night. Reports on the year's work were given by the treasurer, recording secretary, mission circle and mission band. A splendid address was given by Rev. H. A. Goodwin of Centenary church, on "Missions in Canada." Mr. Goodwin spoke of the conditions in the Canadian mission fields at past and present times. He told of his own experiences in the Northwest. Several selections were given by the choir.

WILL MEET TODAY. Premier Foster, representing the Provincial Government, Col. Sharples and Director Armstrong, representing the Military Hospitals Commission, the Hospitals committee of the municipality and the commissioners of the St. John County Hospital, will meet this afternoon at 2.30 to approve plans and draw up a contract for the erection of a wing to the St. John County Hospital for the care of returned tubercular soldiers.

AT ITS LOWEST LEVEL. The St. John river at this point is now at the lowest level it has reached this year. The causeway which led to the old ferry landing in St. Mary's is now in plain sight. The season of 1917 has been a peculiar one as far as the river is concerned. The June freshet brought the river to the highest level of the season, the height of the spring freshet being much surpassed. This was unusual, but what was more unusual, however, during the summer, kept the water at a remarkably high level until this month when it is down to the usual midsummer height although in ordinary seasons the equinoctial rains cause it to rise in September.

MAJOR PERLEY HOME, SAYS ST. JOHN BOYS DOING WELL

Lieut. H. O. Evans Arrived Home Yesterday—Position Taken in Which His Battalion Figured Strongest in That Sector—Lieut. Harold Patterson Doing Good Work at Front—Captains Logan and Newcombe Revert in Rank to Get Across Channel.

I have nothing to say concerning my own experiences, but there is one St. John boy over there doing grand work and that is Lieut. Harold Patterson," stated Lieut. H. O. Evans to a Standard reporter last night. Lieut. Evans was very reserved when asked to relate one of his many trying experiences in the front line trenches. It is nevertheless a well known fact that he has served his country well in his hour of trial. At Vimy, in a brigade advance, he was in a party which was obliged to take a trench three times, and on each occasion against a much larger party of Germans. When asked if it was true that Lieut. Patterson had been recommended for a military distinction, Lieut. Evans would not commit himself, but passed the question off by stating that he was a real soldier. Lieut. Evans is the son of George H. Evans of E. Leonard and Sons, Water street. He left here in 1916 and went to France in the 44th Battalion, known as the "Suicide Club." He was in the famous Vimy Ridge scrap and the battalion in which he was in did great work in capturing Lacoste in front of Arras. They also carried the position taken up by the enemy at the electric light station after several assaults. Lieut. Evans told The Standard that they were obliged to give way to the Germans twice at this point, but the third time was too much for the enemy and the Canadians held the trench. The Hunns were strongly entrenched in their position, which was considered by British experts to be one of the strongest held enemy positions in that sector. Lieut. Evans was in the first wave of the attacking party and hit while gallantly leading his men into action. He was wounded in the hip and is home in order to recuperate. He will present himself before the medical board this morning for examination. Speaking of the spirit of the Canadian boys, he said that they were in the best of spirits and "carried on" in a most cheerful manner. He said that he had the pleasure of meeting several St. John boys among whom were Lieut. William McGinley and Lieut. Fitzpatrick. He and Lieut. McGinley enjoyed a few days of each other's company in London shortly before Lieut. McGinley left for Scotland to recuperate.

Among the other returned officers to reach the city yesterday was Capt. E. E. Smith of St. Stephen, who went overseas with the 140th Battalion but who after his arrival in England joined the Flying Corps in which he served for about six months. Unfortunately he was injured in an aeroplane accident and has been returned to Canada. Prior to enlisting Capt. Smith resided in the province, but originally he came here from the United States. In conversation with a Standard reporter last evening he stated that Capt. G. Esler Logan and Capt. Newcombe have voluntarily reverted in rank in order to go across the channel. He stated that both held important positions in England. Capt. Logan at the time was adjutant of the 7th Reserve Battalion. It was not known by the captain as to what unit they were attached. Captain Smith will return to his home in St. Stephen.

Parted the city last night of the arrival of several St. John men at Quebec. They will be sent home as soon as they have undergone medical examination at Quebec. There are at present 1600 returned men at this port. It is likely that the St. John and provincial men will arrive home tomorrow night. The New Brunswick men include: Fredericton—G. Shafe, J. R. White. St. John—F. St. John, W. D. Stewart, C. Thompson, C. J. Wickham, L. Gallagher, C. W. Barton, E. C. Coates, G. E. Conley, V. Krones, F. Kane, H. McAlley, Hopewell—S. C. Wright. Woodstock—W. Gordon. Bath—D. Hargreaves. Wounded and Gassed. Pte. W. Witzell, son of George Witzell of Newcastle, left on the Montreal train last night for his home in Port William, Ont., after having spent two weeks with his parents. Pte. Witzell left St. John with the 52nd Battalion. He was wounded and gassed at the Ypres salient on August 26, 1916. Bound for Winnipeg. Pte. B. H. Sprung, one of the wounded soldiers who have recently arrived at Halifax, passed through the city yesterday on his way to his home in Winnipeg. Pte. Sprung was wounded on July 10. Sapper McLaughlin. Rev. N. McLaughlin, pastor of the Portland St. Methodist church, has recently received word from his son Sapper Kenneth E. McLaughlin. He is doing office work at the Canadian headquarters in France, having been there since January. Sapper McLaughlin has been attending Mount Allison University and enlisted from there on April 27th, 1916, in the Canadian Engineers.

MAJOR PERLEY HOME, SAYS ST. JOHN BOYS DOING WELL

Speaks in Glowing Terms of St. John Officers Whom He Met on French Front—Lt.-Col. Magee's Brigade Doing Wonderful Work.

Major Harold Perley, who went overseas as second in command of the 140th battalion returned to the city last night. When seen at his home by The Standard representative, the general Major said the boys of the battalion were pretty well scattered now, having been drafted to other units at the front, and most of them were in France facing the Hun. The boys had done well and had nobly upheld the name of St. John. While they had not been successful in reaching the front as a unit, they had made the name of the "St. John Tiers" known on the other side. The band was still in existence, and with the exception of one man who had come home, were playing together with one of the reserve battalions. Major Perley was at the front for a short time and while there met several of the boys from St. John. He says that Lieut. Col. F. C. Magee had entirely recovered from his wound and was again in command of his brigade. Major Barker and Major Inchee were with him, commanding the other two battalions in the brigade were from upper Canada. This brigade had made a name for

FIVE CENT PICTURE. HOUSE FOR ST. JOHN TO SEAT 1,200 PEOPLE

Queens Rink Being Renovated by J. A. Armstrong for Movies—Will Likely Open This Fall.

St. John is to have the opportunity of spending an evening at the movies for a nickel. Such was the information gleaned from R. J. Armstrong, the promoter and manager of a new moving picture theatre, which is soon to throw its portals open to the amusement loving public. The Queen's Rink is now undergoing the preliminary changes for a picture house. It is the intention of the proprietor to lose no time in completing the interior arrangements. The seating capacity of the house will accommodate about 1,200 people.

Mr. Armstrong expressed himself as satisfied that the people were desirous of seeing a good show at a small price, and for this reason he is reverting back to the days when the cinema opera made its debut in this city. The detailed plans for the interior of the new play house are now under discussion by the popular citizen who hopes to have everything in readiness for the coming show season.

CANADIAN SISTERS HAVE ARRIVED SAFE IN LONDON

Mrs. A. E. McGinley Receives Word from Her Sister Who Was With Other Nurses in Salonika—A Brother Is Wounded.

Mrs. A. E. McGinley yesterday received word that her brother Thomas Bradley had been officially reported admitted to No. 61, Casualty Station, on September 14, suffering from gunshot wounds in the back. Mr. Bradley went overseas with a Montreal unit. She also received word that her sister, Nursing Sister Ethel F. Bradley, who was with the Canadian Nursing Sisters in Salonika, was in London having reached there on September 3. Considerable anxiety has been felt for the safety of the Canadian Sisters at Salonika, and the news that they have safely arrived in London will be gladly received. Sister Bradley, who is well known in this city, having served in the General Public Hospital here for a time, writes that the party left Salonika on August 16. She is now on leave which she is spending in Scotland, and on her return expects to be stationed at Basingstoke.

THIS PARTY MAY BE OPERATING IN ST. JOHN

Special to The Standard. Halifax, Sept. 26.—A soldier wearing a lieutenant's uniform successfully passed a number of bogus checks before they were detected and has since departed from the city. The man in question has a beard, eyes, nose, but enlisted sometime ago in a provincial unit. It is understood that the different police departments along the coast have been notified of the affair and that he is being sought. Although it is not certain, yet it is the supposition of those connected with the affair that he left today for either Moncton or St. John. While in the city the man lived in good style so it is thought that if found he will be staying at the best hotel.

SCHOOL CHILDREN'S MATINEE. In order that all the school children may have an opportunity to see the wonderful monkey and monkey circus at the Opera House the management has arranged a special children's performance tomorrow afternoon at 3.30, with special children's price of five cents. Directly after the performance the ponies and dogs will hold a little reception on the stage so that all the children may have a close view of them and even pat the ponies if they desire.

CROWDS TURNED AWAY. The crowds that were turned away last night from the Fashion Show held by F. A. Dykeman and Company pointed out that those who desire to enjoy the parade tonight must be early. Many favorable comments have been made on the object and sincere admiration expressed that a St. John store should be able to display so many beautiful gowns. Beginning at eight o'clock this evening the parade will be repeated. The orchestra in attendance, the handsome costumes and the skill with which they are displayed all make it an unique affair that no one should miss.

last the Major saw him, and was very pleased to be on active service as he did not like being at the reserve base. "The first time I saw 'Don' in France, was when crossing the street in a small French village and then later at the dressing station." "I got another surprise one day when I met at the messé dinner, Dr. McCarthy. He is now in France with the A.M.C. Lieut-Col. Wedderburn and Major Bell are at Shoredham with the reserve battalion there and both are doing well." "While in London the Major said he saw Lieut-Col. Bear, Dr. Skinner and Col. Dr. McLaren. He had a big job but he had made good and was regarded as one of the best executives in the army."
