A Great Event In one's life is the discovery of a remedy for some long-standing malady. The poison of Scrofuls is in your blood. You inherited it from your ancestors. Will you transmit it to your offspring? In the great majority of eases, both Consumption and Catarrh originate in Scrofuls. It is supposed to be the primary source of many other derangements of the body. Begin at once to cleanse your blood with the standard alterative,

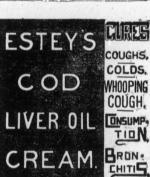

Ayer's Sarsaparilla

"For several months I was troubled with scrofulous eruptions over the whole body. My appetite was bad, and my system so prestrated that I was unable to work. After trying several remedies in vain, I resolved to take Ayer's Sarsaparilla, and did so with such good effect that less than one bottle

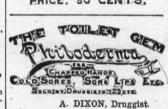

Restored My Health and strength. The rapidity of the cure astonished me, as I expected the process to be long and tedious."—Frederico Mariz Fernandes, Villa Nova de Gaya, Portugal.

"For many years I was a sufferer from serofula, until about three years ago, when I began the use of Ayer's Sarsaparilla, since which the disease has entirely disappeared. A little child of mine, who was troubled with the same complaint, has also been cured by this medicine."—H. Brandt, Avoca, Nebr.

Nothing adds so much to the beauty of a fair girl, as a clear, bright, healthy complexion, and to secure this pure blood is indispensable. So many of the so-called blood-purifiers sold to improve a rough, pimply, muddy skin, only drive the scrofulous humors from the surface to some internal vital organ, and disease and death is the inevitable result. On the contrary, Dr. Pierce's Golden Medial Discovery strikes directly at the root of the evil, by driving the impurities entirely out of the system, and with a fresh stream of pure blood flowing through the veins, nothing but the softest and fairest of complexions can result.

Mr. Scott took an active part in school and church organizations. As for back as 1835 he connected himself with the Presbyterian church under the ministry of the lete Rev. Dr. Clark, and seven years after was ordained an elder in that church. At an early, date he took a leading part in the prayer meeting, and in 1849 became superintendent of the Sabbath school. He performed the duties of these offices untill he was far advanced in life. The offices he held in the school and church are now held by his youngest son, Mr. Robert Scott.
