When steamers leave New York before 8 a.m., passengers should leave Winnipeg the day previous to that given above.

All Railway Ticket Agents sell tickets at lowest rates and engage berths or staterooms without extra charge.

Money is saved by purchasing tickets at starting point, as the through fares, in connection with ocean passages, are generally less than the ordinary rate to seaboard.

The cheapest saloon fares provide for single berths in rooms (usually inside) containing three or more berths. The next higher fares provide for berths in rooms better located, containing two berths inside room, or three berths outside room. The highest fares are for outside rooms containing two berths in best location. The Saloon privileges, table, etc., are precisely the same for saloon passengers, regardless of the price paid for stateroom accommodations.

Baggage. Cabin passengers allowed 20 cubic feet free. Trunks, etc., for cabin should not exceed 14 inches high, 24 inches wide and 3½ feet in length. All baggage "wanted" in cabin should be so labelled and that not required should be labelled "not wanted" before being sent on board.

Bicycles must be crated and sent at owner's risk. A charge \$2.50 is made.

Dogs cannot be landed in Great Britain without a license from British Board of Agriculture Transportation \$10 to \$15.

Deck Chairs can be rented \$1, apply to Steamship Agents.

If a claim is more than 100 miles from a Recorder's Office and situated where other claims are being located, 5 free Miners may appoint a Free Miner's Recorder, but if the latter fails within 3 months to notify the nearest Government Mining Recorder of his appointment, the claims will not hold good. Fee for recording a claim is \$5.

At least \$100 per year must be expended on the claim, or paid to the Mining Recorder in lieu. When \$500 has been expended or paid, the locator may upon having a survey made and upon complying with certain other requirements, purchase the land at \$5 per acre cash, but if the surface rights have already been disposed of at \$2 an acre.

The holder of a Creek, Gulch or River claim may within 60 days after staking, obtain entry for a hill claim adjoining it for the sum of \$100. This permission is also given to the holder of a Creek, Gulch or River claim who prior to January, 1898, obtained an entry therefor, provided the hill claim is available when an application is made. No miner shall receive a grant of more than one mining claim in a mining district, the boundaries of which shall be defined by the Mining Recorder; but the same Miner may also hold a hill claim and any number of claims by purchase, and Miners may unite to work their claims in common.

At least \$200 must be expended on claim each year, same as Quartz Mining, but the holder of claim may at his option in lieu of work pay to the Mining Recorder each year for the first 3 years \$200 and after that \$400 for each year. A certificate from the Mining Recorder must be obtained each year that work has been done or commutation fee paid.
