These are the results of Nature's efforts to expel poisonous and effete matter from the blood, and show plainly that the system is ridding itself through the skin of impurities which it was the legitimate work of the liver and kidneys to remove. To restore these organs to their proper functions, Ayer's Sarsaparilla is the medicine re-uired. That (no other blood-purifier can compare with it, thousands testify who have gained

from the tyranny of depraved blood by the use of this medicine.

"For nine years I was afflicted with a skin disease that did not yield to any remedy until a friend advised me to try Ayer's Sarsaparilla. With the use of this medicine the complaint disappeared. It is my belief that no other blood medicine could have effected so rapid and complete a cure,"—Andres D. Garcia, C. Victoria, Tamaulipas, Mexico. "My face, for years, was covered with pimples and humors, for which I could find no remedy till I began to take Ayer's Sarsaparilla. Three bottles of this great blood medicine effected a thorough cure. I confidently recommend it to all suffering from similar troubles."—M. Parker, Concord, Vt. ,— Attorney-at-Law, Insurance Agent,
