PRICE TWO-PENCE.]

MORNING EDITION SATURDAY, AUGUST 24, 1850.

THIS SALVE, prepared from the original Receipt procured from a celebrated Turkish Hakim, (physician) of Smyrna, in Asia Minor, and which has obtained an unprecedented celebrity great Britain and the East Indies, from the astogishing Cures performed by it in both these countries, has lately been introduced into Montreal. As might be expected, its popularity has followed it, and its use is becoming general among all classes. The Proprietors, prompted by the very flattering reception it has met with in the (ciropolis, have determined on extending its usefulness to all other parts of Canada; and, for that rurpose, have established Agencies in all the primcipal Cities. They flatter themselves that when its wonderful properties shall become more genemily known, they will meet with that encouragement which the introduction of such a valuable dicament into a country justly entitles them .-The contracted limits of an advertisement necessarily precludes their entering into any adequate detail of its merits, but, for the information of the public, they intend to publish, from time to time, such statements of cures as have or may occur and for the present will content themselves with merely e...merating some of the complaints for which it has been used with the most complete

GREAT ENGLISH REMEDY!!!—THE HOST VALUABLE SPRING AND SUMMER MEDICINE IN THE WORLD!

HALSEY'S FOREST WINE!

HALSEY'S FOREST WINE!
Patronized by the Nobility and Medical Faculty
are England, and esteemed the most extraordinary Medicine of the Age.

MEDICINES containing Molasses or Liquorice, tike the boasted Sarsapariliae, require
rnany large bottles to produce the slightest change
in health. The Forest Wine is altogether a different
article. It contains no Syrups to give it consistency,
but acquires the excellent flavor and powerful medicinal qualities from the vegetable plants of which
it is composed. The Forest Wine combines the
virtues of the

virtues of the

WILD CHERRY, DANDELION, YELLAW 1-O: K, and SARSAPARILLA.

With other valuable Plants whose properties are
still more powerful.

Its high concentration renders it one of the most
efficient Medicines now in use. Less than a
single bottle restores the lingering Pa ient from
weakings, d-bility, and sickness, to strong and
vigorous health. Every dose shows its good it
fects on the constitution, and improves the state
of the health. The Forest Wine is recommented, in the strongest terms, for all complaints
of the

of the Stemach, Liver, Kidneys, Nervous Sonders, Belieus Affections, Droper, Dyspersia, Loss of Appetite, Jaundice, Femals Complaints, Schöfula, and all DisonDras arising from BAD
BLOOD and impure HABIT OF THE SYSTEM.

SAVED FROM DEATH!!

The amy of Ma. Nathan Mathews. a highly respect ble and wealthy citizen of Newark, N. J. Da. G. W. Halsay:—I believe your Forest Wine and Pille have been the means of saving my life. When I commenced taking them, I laid at the point of death, with Dropey, Piles, and Asthana. My Physicians had given me over as past sure, and my family had lost all hope of my recovery. While in this deadful sinsation, your forest Wine and Pills were procured for me, and before I had finished the first bottle of the Wine, and box of Pille, I experienced great relief; my body and limbs, which were greatly as ollen, became sensitly reduced. Hopes of my recovery begin now to revive; and after continuing the use of your medicines for about a mouth, the Piles and Asthana were completely cared. The Dropsy, with which my life was placed in such great danger, was also nearly gone. I have continued the use of your Medicines until the present time, and I now enjoy as perfect health as ever I did in my life, although I am more than cirty years of age. I narrhe my recovery entirely to the use of your excellent Medicines. Several of my neighbors have also used them with similar auccess in obstinate complaints, and I can cheerfully recommend them to the public.

Yours, respectfully,
Newark, Dee, 19, 1847.

The distance for conveying the Waters to the Depot is so trifling, that we are enabled to have a constant supply fresh, and are consequently in possession of a better market than any other person.
