> Cherry Pectoral SAVED HIS LIFE So says Mr. T. M. Reed, a highly respected Merchant of Mid-dletown, Ill., of a Young Man who was supposed to be in Consumption.

"One of my customers, some years ago, had a son who had all the symptoms of consumption. The usual medicines afforded him no relief, and he steadily failed until he was unable to leave his bed. His mother applied to me for some remedy and I recommended Ayer's Cherry Pectoral. The young man took it according to directions, and soon began to improve until he became well and strong."—T. M. REED, Middletown, Ill.

"Some time ago, I caught a severe cold, my throat and lungs were badly inflamed, and I had a terrible cough. It was supposed that I was a victim of consumption, and my friends had little hope of recovery. But I bought a bottle of Ayer's Cherry Pectoral, took it, and was entirely cured. Driven Out of the System by Ayer's Sarsaparilla

"For five years, I was a great sufferer from a most persistent blood disease, none of the various medicines I took being of any help whatever. Hoping that change of climate would benefit me, I went to Cuba, to Florida, and then to Saratoga Springs, where I remained some time drinking the waters. But all was no use. At last, being advised by several friends to try Ayer's Sarsaparilla, I began taking it, and very soon favorable results were manifest. To-day I consider myself a perfectly healthyman, with a good appetite and not the least trace of my former complaint. To all my friends, complaint. To all my friends, and especially young men like myself, I recommend Ayer's Sarsaparilla, if in need of a perfectly reliable blood-purifier." — John A. JAMES PATON & CO. Have Great Pleasure in Making a Most Important Announcement.

The Pulpit; the Press and the intelligent Public have long deplored certain evils existing in the Dry Goods trade—evils which have brought times of anxiety, have demoralized trade generally, and have contributed materially to the depression which is being complained of everywhere. We refer principally to the Unfair System of Selling Same Goods at Different Prices in the Prople. This system is being denounced everywhere, it is unfair to make one customer, who will not "beat the price down," pay for the discount given to the customer who drives a hard bargain. For this reason Messrs. James Paton & Company have decided to adopt THE ONE PRICE SYSTEM, which commends itself to every right-minded person. Briefly it is this:

1.—We have marked all goods in plain figures, from which we make an allowance of 5 per cent. discount for cash.

2.—The price will be strictly adhered to. No clerk will be allowed to sell lower than the MARKED PRICE, and it will be impossible for ANY NO.

BUY AT LOWER PRICES THAN HIS NEIGHBOR.

3.—Our price will be as low as possible, consistent with legitimate business principles. We can buy as cheaply as any other house in the trade. This fact and long experience, and our reputation of eighteen years of hardened to the public will readily discern between one price and the two or three price system.

4.—We have a full line in all departments; prices so low that comparison will prove that our ONE REGULAR PRICE.

In this our stature of QNE PRICE, we confidently expect the full appreciation and approval of the public.
