## WALTER SCOTT, The "Keen Kutter"

### BEAUTIFUL HORSES

Numerous Highly Trained Equines Are With John Robinson's Big Circus

Menage horses, or high school horses—as they are commonly called—have come to occupy a prominent position on the circus program to-day. The John Robinson Circus, which will exhibit in Digby on Tuesday, July 1st, have the famous Victor and Mme Bedini troupe of educated horses, and no finer or more complete aggregation of menage horses are available in the circus world. Every horse of the troupe is a star in all that the term implies, minus the profuse adjectives that are so often and recklessly employed in describing the virtues of an attraction in the show world.

Not only do these intelligent equines do everything any similar horses do, but they go out of the beaten path and perform some feats that are but a mite removed from the miraculous. The star of the contingent is that equine wonder "Jack Morgan," a handsome animal of commanding appearance who really does do "everything but talk." Mme. Bedini, under whose direction the troupe performs, is generally recognized as the leading horsewoman in the world. She knows horses as indeed few equine authorities know them, and coupled with this great knowledge of her subject, is a delicate but well directed touch and encouragement that seems to aid the animal instinct in arriving at a more certain interpretation of requirements at hand. The John Robinson circus management is well justified in claiming the greatest troupe of menage horse ever presented to the public.

In addition to these horses the circus is presenting DeMarce's Monkeys, three herds of performing elephants, Captain Kent's wonder working seals and sea lions and some groups of well trained ponies for the edification and joy of the little ones.

Among the performers with John

Robinson, in addition to some fifty funny clowns are the famous Nelson Family of acrobats, known from coast to coast and from Canada to the Gulf, Tetu Robinson, adopted Japanese daughter of John Robinson, the Second, Fred Ledgett, Cecil Lowanda, Clara Masters, the Hodgini's Marie Bedini, Ruby Orton and John Smith riders.

### RECEPTION AT CLARENCE

An event which had been looked forward to for some time was the reception given our returned soldiers in the Clarence Baptist church on Tuesday evening, June 17th. The following was the program:

Prayer. Rev. M. S. Richardson. Address of Welcome. Rev. I. A. Corbett. Recitation. Marguerite Marshall. Music. Home Again. Recitation. Mrs. J. O'Berne. Response. Sgt. Roy Balcom, Sgt. C. C. Balcom, and Pte. Raymond Fiske.

Music. Miss Webster. Address. Rev. M. S. Richardson. Music. My Old Canadian Home. Recitation. Mrs. F. W. Ward. Music. Britannia. Flag Drill. Eleven Young Ladies. Music. God Save the King. Benediction.

Ice Cream was then served to the large number of friends who came from a long distance to help welcome home our returned heroes. We have much to be thankful for as our boys have all returned home but one, who is on his way.

### Base Ball

Middleton was the scene of a very fast and brilliant game Saturday between Middleton and Bridgetown, the score being 6 to 4 in favor of Middleton. The game was fast and exciting all through, many of the innings being played without a player touching first base. In one inning Bridgetown only pitched three balls, one to each batter showing how the whole team was supporting the battery. On account of rain, the game was called at the end of the seventh inning. We take this opportunity of complimenting Bridgetown on the style of game it plays, taking into consideration the small amount of practice it has been able to obtain, and with the new diamond and a few good practices we feel sure of having a "winner" with our local team.

### CLARENCE

Lorenzo Elliott has purchased a new car. We are glad to report Deacon E. J. Elliott improving in health. Mrs. H. H. Banks, of Halifax, is visiting in this place. The Misses Sarah and Edwina Elliott returned home to spend their vacation on Saturday.

### WEDDING BELLS

#### COOK—EATON

On Wednesday morning, June 18th, at the home of Mr. B. O. Eaton, Granville Centre, at 10.30 o'clock, his daughter, Gladys Henrietta was united in marriage to Lieut. C. W. Cook, of Guysboro, lately returned from overseas. The ceremony was performed by Rev. I. Brindley, pastor of the U. B. Church, the double ring form being used. Owing to illness in the family the ceremony was private. The bride was attired in her travelling suit of blue broadcloth with hat of sand shade and blue quills. After the ceremony luncheon was served when Lieut. and Mrs. Cook, left by auto for Bridgetown, en route to Parrsboro, where Mr. Cook has been called to the pastorate of the U. B. Church. Lt. Cook enlisted while pursuing his University course, at Acadia and was graduated B. A. while overseas. On June 25th he will be ordained to the full work of the gospel ministry. The bride, who is one of Granville Centre's popular and useful young ladies, will be greatly missed in the church where she was a member of the choir, in the S. S. where she has been a successful teacher, also in the W. M. A. S. and Seymour Division, S. of T.

The many friends of both bride and groom unite in wishing them many years of happiness and usefulness in the work to which they have been called.

#### HYSON—BEZANSON

A pretty wedding took place at the home of the bride, North Williamston, Thursday evening when Rev. M. S. Richardson, pastor of the Bridgetown Baptist church, united in marriage Mr. Kempton Hyson, son of Mrs. Mary Hyson, of Bridgetown, and Grace, daughter of Mr. and Mrs. Bert Bezanon, North Williamston. The flower girls were the little Misses Whitman, Bent, and Bishop, the wedding march being played by Mrs. Barclay Bishop. The groom's gift to the bride was a large strap wallet containing a check. The other wedding gifts were numerous and expensive, including a silver pudding dish from Noble Crowe, formerly of this town but who now resides in

Bridgewater. The happy couple left the following day for a trip through the province after which they will reside in Halifax.

### DEATH OF WM. SPURR

A Prominent Resident of Clarence Has Passed Away

Mr. Wm. Spurr, a highly respected and prosperous farmer, died at his home in Clarence Wednesday afternoon after only five days illness of pneumonia, aged 65 years and eight months. The deceased was a faithful member of St. James Episcopal church and at the time of his death was one of the vestrymen. He leaves a widow, two sons, Algernon De B., in Africa and Charles who recently returned home from overseas, and three daughters, Mrs. Frank Cochrane, of Panama, Mrs. Aubrey Freeman, of Paradise, and Mrs. Charles Wheeler, of Clarence. He is also survived by two brothers, Barclay Spurr, of Lynn, and Bernard of West Paradise, and two sisters, Mrs. A. Foster, of Round Hill and Mrs. Arnold McColgan, Ottawa. Interment took place at Round Hill, his native village, on Friday, the funeral services being conducted by Rev. E. Underwood, rector of St. James Parish. The pall bearers were A. F. Hiltz, S. L. Marshall, Eugene Saunders, Frank Marshall, B. N. Messenger and Vernon Goldsmith. The floral tributes were beautiful.

The MONITOR extends its deepest sympathy to the bereaved ones. All the members of the family were present at the funeral with the exception of his son Algernon who is at present in Africa.

### PRINCE DALE

On Thursday evening a reception was held at the home of Mrs. Zenas Sanford for Cpl Forest Fraser and Cpl Norman Sanford, of the 85th Battalion, who arrived home from overseas June 5th. Rev. O. P. Brown on behalf of the assembled party gave an address of welcome and presented Cpl Fraser with a signet ring and fountain pen and Cpl Sanford with a set of military brushes and travelling case. At the close refreshments were served. They leave in a few days for further treatment in a military hospital.

**BROWN—BISHOP**  
A pretty home wedding took place at the residence of Mr. and Mrs. J. P. Brown, Lawrencetown, on the evening of Sept 10th when Rev. F. J. Brown united in marriage the daughter, Pearl Marjorie, to the son, A. Brown of the same town.

The bride looked charming in a gown of white silk and crepe with a full train, carrying a bouquet of roses. The little ring bearer was Margaret Hall, daughter of the bride's father. Friends of the bride had tastefully decorated the rooms with flowers of bloom. The drawing room was the parlor in yellow and white with pink and green. The ceremony was performed beneath a white arch and bell of white and evergreen. The wedding collation was served about fifty guests. Valuable wedding gifts were received by the young couple who are popular in the community.

### Lawrencetown Enterprise

credit is due Mr. T. O. Lawrence, for taking the matter with Graham and using his influence to get them to establish a plant in that town. The charge of C. H. Lowell, who has been in operation since Oct 15th. This will be a boon for the fruit growers in and surrounding district. The surplus stock of fruit will be sold for ready cash. It is estimated that the capacity will be 100 or more per day and 100 hands will be employed in the Annapolis Valley Fruit Co. have sold one of the houses to Messrs Graham and will be used in connection with an Evaporator for storing fruit. We wish the new enterprise every success.

### A Royal Reception

Members of the 85th Battalion, which presented the "ad" in the Prime Minister's reception in Bridgetown, the business section of the town decorated with bunting on the arrival of the returned soldiers. The boys were purchased in advance and returned away from the town. Dr. M. E. A. gave a very nice reception. The boys were in a way that it is a pleasure to see them. The features being a wish them come on their tour through the town.

Acadian: Dr. resigned his position of the staff of the hospital, where he has worked for a year and a half. He is full time at Wolfville.

### GIRLS! WHITEN SKIN WITH LEMON JUICE

Make a Beauty Lotion for a Few Cents to Remove Tan, Freckles,

Your grocer has the lemons and any drug store or toilet counter will supply you with three ounces of orchard white for a few cents. Squeeze the juice of two fresh lemons into a bottle, then put in the orchard white and shake well. This makes a quarter pint of the very best lemon skin whitenor and complexion beautifier known. Massage this fragrant, creamy lotion daily into the face, neck, arms and hands and just see how freckles, tan, sallowness, redness and roughness disappear and how smooth, soft and clear the skin becomes. Yes! It is harmless, and the beautiful results will surprise you.

### Get in Line

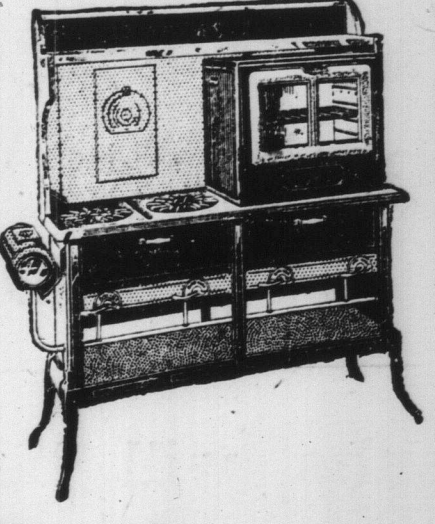

(Kentville Advertiser)

The Kentville Board of Trade has decided to call attention to the town in outlying districts, by placing on all roads radiating toward the town signboards stating the number of miles to Kentville. This will give travellers on our County roads an idea of the distance to the shire town and the direction to take to reach it. Other towns should also follow this plan so as to map the whole County.

Schr. Albert J. Lutz, which was built in Shelburne in 1903 for John D. Apt and others, of Digby, and was a year or so ago sold to Burgeo, Nfld. parties, capsized and sank on Saturday last six miles from Cape Broyle, Nfld. One man was drowned.

## Safe, Clean Cooking

SAFE, because the oil tank is away from the heat, and because the height of flame cannot vary. Clean, because there are no wicks to smoke or need trimming.

Burners can be regulated to give degree of heat desired, and when not in operation are left completely up out of oil contact. The asbestos lining and dead air space, and glass door of "Success" oven ensure heat retention and visible baking.

An economical cooker and baker, beautiful in appearance.

**Modern Appliances in New Telegraph Work Rooms**

Employers of the present day have found that to provide rest, recreation and hygiene, besides being the neighborly duty of the business owner or manager to those of his fellow-men and women whose time and energy he purchases, is in the highest degree profitable. "Kicking" on the part of an employee arises, as often as not, from ill-health which can be avoided by proper working conditions. The picture shows the women's rest room in the new quarters of the C.P.R. Telegraphs on Main street, near Portage avenue, Winnipeg.

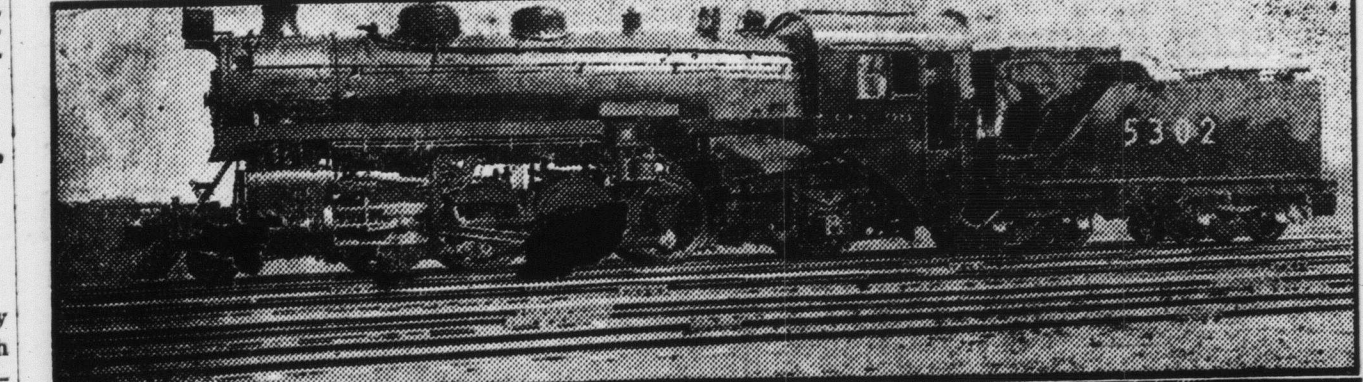

Looking closely at the apparatus on the tables, in the third picture, one will see, side by side, two machines—one with a keyboard like that of a typewriter, the other with a little type-bearing disc touching a platen. These two machines are the two halves, as it were, of one of the most wonderful contrivances an existence—the automatic printer. Messages tapped off, letter by letter, on the keyboard of the first machine, travel thousands of miles over the wire, on telegraph blanks slipped under the type-disc of the second machine. That is to say, the keyboard machine in the picture may be operating a type-disc machine in Montreal; and the type-disc machine in the picture may be printing a message that is being tapped off on a keyboard machine in Calgary.

The operating room, on the second floor of the new home of the C.P.R. Telegraphs, is 132 feet deep and 28 feet wide. Immense windows in two tiers, the lower of clear glass and the upper opaque, flood the apartment with light by day; and by night, a system of indirect lighting gives ample illumination without glare.

At the back of the room can be seen the main distributing rack for the different wires. Healthy operators means good service. The employees' comfort and health

**New Giant C.P.R. Locomotive**

Ten of the largest locomotives ever built for use on Canadian railways have been under construction for some time at the C.P.R. Angus Shops in Montreal, and one of these, No. 5302, was inspected the other day by President E. W. Beatty, and Vice-President Grant Hall. These locomotives are of the heavy Mikado type and are intended for freight service, being designed and built under the direct supervision of Mr. W. H. Winterrowd, the Chief Mechanical Engineer.

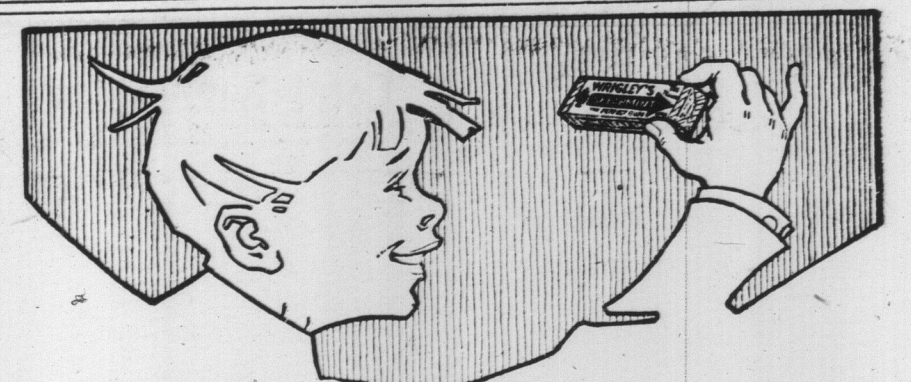

President E. W. Beatty and Vice-President Grant Hall, of the C. P. R., snapped after inspecting the new engine.

The weight of the engine and tender in working condition is 500,000 lbs., the engine alone weighing 323,000 lbs. The diameter of the driving wheels is 43 inches. The cylinders are 25 1/2 inches in diameter by 32-inch stroke, which with 200-lbs. boiler pressure makes these locomotives capable of exerting a maximum tractive effort of 36,000 lbs. The diameter of the boiler is 80 inches at the front end and 90 inches at the back end. The fire box is 84 inches wide and 120 inches long, and the grates are moved by steam grate shakers.

The cab is of the vestibule type, which is the C.P.R. standard, and every effort has been made to make the accommodations for the engine-men as comfortable as possible. One side of the cab is fitted with a clothes locker 14 inches by 20 inches wide, in which clothes can be hung and lunch pails carried.

The tender has a capacity for 12 tons of coal and 2,000 imperial gallons of water.

WEDNESDAY, JUNE 25th 1919

#### I. O. O. F.

Last Thursday night was another important event in the history of Crescent Lodge, I. O. O. F., when a degree team from Sunbeam Lodge conferred the second degree on five or six candidates. About sixty visiting brethren were present, besides the degree officers and members of Crescent Lodge. The degree work, which was good, was followed by refreshments and after-dinner speeches, closing a very enjoyable evening.

To-morrow (Thursday) evening is Third Degree night in Crescent Lodge and a large attendance is expected.

The officers and members of Autumn Leaf Rebekah Lodge gave a public entertainment in their hall Monday night which was greatly appreciated by all who were there. The proceeds were added to the building fund of the Oddfellows' Home.

#### Seaplane Passes Over Bridgetown

A Curtis Seaplane containing Lieut. Stuart Graham with his wife as navigator, and his mechanic, passed over Bridgetown at 3.45 Saturday afternoon, steering about north by west, passing over the north mountain a short distance east of Hampton. Lieut. Graham left Halifax about 2 o'clock, arriving in St. John at 4.30, making the trip in two and a half hours. During part of the flight the aviators had to fly through the storm, which they ran into some time after leaving Halifax, and in an attempt to skirt the edge of the storm, they travelled about 100 miles more than the distance in a straight line.

#### Bridgetown Warehouse Burned

A large warehouse belonging to the Bridgetown Fruit Co., and situated near the track of the Canadian Northern in the North end of town, was totally destroyed by fire Thursday night, together with its contents, which consisted of barrel heads and staves, a portion of the latter being the property of the Banner Fruit Co. also of this town. The loss is estimated at \$8,000 with \$6,000 insurance.

#### NEW AUTO AGENCY

Mr. Charles Vye, of Middleton, has been appointed agent for the Briscoe cars and will no doubt meet with success. This firm is putting out a good machine and the one which Mr. Vye was driving around town Monday attracted considerable attention. If the builders expect to meet competition in this vicinity it will prove profitable to invest in some local newspaper advertising.

The Hants Journal, of Windsor, June 4, said:—Mr and Mrs Adams, formerly of Berwick, now of Annapolis, Mrs Edgar McCormick, and Mr and Mrs Thomas M Buckler, arrived here Monday afternoon on their way to Maitland, where Mrs Buckler will visit her mother, Mrs Grace Roy, at the old home. The party made a brief halt here at the home of Mr and Mrs C L Wood. When they resumed their journey they were accompanied by Mr James E Smith.

### Local Happenings

We wish to call special attention to the Aylesford races advertised in another column.

There will be service in St. Alphonso's R. C. Church, Bridgetown, next Sunday morning at 11 o'clock.

Fifteen cents per line, paid in advance, is the charge for obituary or memorial poetry inserted in the MONITOR.

It is time our celebration committee was arranging for some advertising if they expect to bring a big crowd to Bridgetown Labor Day.

A large number from Bridgetown are planning to go to Digby next Tuesday, July 1st. See celebration and circus advertisements in today's MONITOR.

Lord Beaverbrook arrived at Newcastle, N. B., on Sunday and was received at the station by the town council. His lordship intends to spend a few days with his mother, Mrs. William Aitken.

Travel is quite heavy. There were exceptionally heavy trains both ways on Wednesday and it was necessary to "double-head" the Yarmouth train from Digby to Church Point.

As next Tuesday is a public holiday, the MONITOR office will be closed. It will therefore be necessary for the forms to go to press on Monday night. Ads. cannot be changed after Saturday noon.

The Presbyterian church of the U. S. has voted in favor of sex equality in church matters. We already have that here, where the labors are divided, the ladies furnishing most of the religion and the men most of the cash.

The provincial examinations are being written in Bridgetown this week by pupils from around town and the surrounding villages. They are being conducted by Dr. Hall and Mr. Panks, of Lawrencetown, and Mr. Thurber, principal of the Bridgetown schools.

If we could get the wages in our own trade raised without having the wages in other trades raised also, wouldn't it be a jolly world to live in? As it is the increased wage we get all goes to pay the increased wages of other fellows. It's a Waltz me around again Willie game.

#### MARINE NEWS

Westport schr. Alice & Jennie arrived at Yarmouth from Westport on Wednesday evening with a cargo of 175,000 pounds of pickled pollock for Parker-Eakins Co., Ltd. The schooner will return to Westport with salt.

The schr. Loren B. Snow, which landed her fare of 17,000 half-ton and 22,000 shack at the Yarmouth Trading Co.'s dock on Tuesday, stocked \$2,700 and the crew shared \$50.00 per man for the trip.

Steamboat Inspector Dalton and inspector of hulls, Bennett, of St. John, arrived in Yarmouth Thursday afternoon and during the evening inspected the St. John Steamship Co.'s new steamer Glenholm which has been fitting out at T. E. Baker & Co's wharf. The Glenholme, in charge of Capt. Morrell, of Bear River, left for St. John and next week will go into commission on the St. John and Minas Basin service for which she was especially built.

Lunenburg News: The banking fleet have landed over million dollars worth of fish to date, with greater future prospects, as the handliners are reporting large catches. Another banner year at Lunenburg, the Gloucester of Nova Scotia. More houses are being built this year than for many years previous. Every mechanic is employed. They need not go abroad for work, or high wages, as Lunenburg is in a most prosperous state and can keep all the boys at home, fishing being the grand source of the town's prosperity. When our citizens go abroad, boost your town that gave you birth.

**The Quickaction**

**Chemical Fire Extinguisher**

THE GREATEST "SAFETY FIRST" INVENTION OF THE AGE

The Quickaction Chemical Fire Extinguisher is the result of years of study, and while being the product of a master inventor's mind, is so simple to operate that a child can use it. This new scientific method fights fire in a manner that water has never been able to do. Its method is altogether different and much more effective. The Quickaction, which is charged with a powerful chemical, does its work by chemical action entirely. By air pressure applied through a single stroke of the powerful force pump a strong, swift stream aimed directly at the fire goes straight to the base of the flame. Chemical action then gets in its deadly work of extinguishing the blaze by choking off the supply of oxygen from the surrounding air. Life cannot exist without oxygen; neither can fire burn.

The Powerful Chemical used is Safe, Harmless, Positive. Having secured the agency for this wonderful invention described above, I am prepared to take orders immediately. Goods delivered from two to three weeks after order is taken. The price of the Extinguisher is \$1.50. My plan is to accept 75 cents, or half of the total price, with order, and the balance on delivery of Extinguisher. In this way we both give some security. Those ordering by mail must enclose \$1.00 with order to help pay postage, etc., and remaining 50 cents on delivery.

Hoping the public will see the wisdom of having one or more of these wonderful Chemical Fire Extinguishers in their homes, shops, offices, etc., I will be expecting a fair share of your patronage. Sample shown on request.

**Preacher's Pay**

(Windspeig "Tribune")

Not one, but several denominations are agitating over this continent for better pay for the average preacher. A valued contributor vouches for the fact that the average salary for preachers in twelve leading denominations is less than a thousand a year. The average preacher is married. Most of them are raising children, feeding them, clothing them, buying medicine for them and sending them to school. The average preacher works seven days a week. He must wear good clothes; his wife must dress well, and his children cannot appear in tattered and torn rags.

His congregation insists that the preacher and his family must not display any sign of poverty, and the preacher must wear a smile—always. He must have a cheery word for every man, woman and child he meets. He must not complain.

Once in a while a preacher quits the pulpit and takes another job—one which will leave something in his pay envelope after taking out the bills of the butcher, candlestick maker and the baker. Then his congregation speaks of "his fall from grace."

A preacher ought to preach. What right has he to stew and fret about shoes for his children, food for his table and the declining years of his life?

And above all a preacher should never mention his pay envelope, for his congregation has arrived at the conclusion that their pastor will reap his reward in the hereafter than which no human being could desire a greater reward.

So the congregation distributes haloes, passes to paradise, and reserves seats in heaven to its pastor. Having been thus generous in the matter of spiritual rewards, the members of the average congregation hand over about two or three cents a day which totals the meagre sum of less than \$3.00 every twenty-four hours for the preacher.

You know, the average congregation imagines its pastor never would get to heaven unless it permitted him to preach to it each Sunday. That's the impression the preacher must receive every time he gets his lean pay envelope.

So he goes on preaching and praying for his employers, and for everybody else under the sun. There are times, of course, when a preacher gets to pray for himself and preach to himself. Usually, though, the average preacher has his hands full preaching and praying for his congregation.

When he's not preaching and praying he is visiting the sick and helping the aged and he has nothing else beyond attending to the social; the half dozen or so nieces; the boys and girls, the Sunday school; soliciting money for a new church; collecting for home and foreign missions; burying us and marrying us; baptizing us and converting us. Once in a while the average \$3.00 or less congregation will permit its pastor to take exercise moving the church bench or sweeping snow off the sidewalk.

Truly is the "laborer worthy of his hire". The only trouble is the matter of the preacher's hire is that his congregation expects a word to pay about 80 percent of the hire.

It is better to increase the contents of the preacher's pay envelope than to contribute for homes for aged persons, and it is more pleasing to preachers to get regular sized pay envelopes while they live than bronze tablets after they're dead.

**USING THE OLD TIME**

Farmer (to one of his laborers, recently demobilized)—Well, Pat, which do you prefer, being a farmer or a soldier?

Pat—In one way, sir, I'd rather be a soldier.

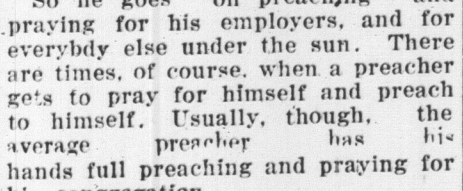

Farmer—And how is that?

Pat—Well, you see, you'd be a long time working for a farmer before he'd tell you to stand at ease.

If they were using the fast time Pat could have remained standing at ease waiting for the dew to dry off the grass.

Doesn't hurt a bit! Drop a little Freezeone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic.

A tiny bottle of Freezeone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.

Are Here Told the Best Remedy for Their Troubles.

Freemont, O.—"I was passing through the critical period of life, being forty-six years of age and had all the symptoms incident to that change—heat flashes, nervousness, and was in a general run down condition, so it was hard for me to do my work. Lydia E. Pinkham's Vegetable Compound was recommended to me as the best remedy for my troubles, which it surely proved to be. I feel better and stronger in every way since taking it, and the annoying symptoms have disappeared."—Mrs. M. Goddard, 925 Napoleon St., Fremont, Ohio.

North Haven, Conn.—"Lydia E. Pinkham's Vegetable Compound restored my health after everything else had failed when passing through change of life. There is nothing like it to overcome the trying symptoms."—Mrs. Florence Isella, Box 197, North Haven, Conn.

**CANADA'S RAILWAY GIANT**

A handsome tribute to Lord Shaughnessy was paid by the C.P.R. shareholders at the annual meeting to-day. Mr. Huntly R. Drummond moved the following resolutions:

Resolved:—That there be inscribed in the record of this meeting an expression of the appreciation of the shareholders of the great service rendered to the Company and to the Dominion of Canada by the Rt. Hon. Lord Shaughnessy who has recently retired from the Presidency and assumed the Chairmanship of the Company.

The outstanding position held by the Canadian Pacific Railway not only in the markets of the world but also in the respect and affection of the Canadian people, is a tribute to the greatest of all tributes to the genius with which Lord Shaughnessy has directed the affairs of the Company, but the shareholders cannot let this occasion pass without the further tribute of their thanks for the services he has rendered during the thirty-six years with which he has been associated with this enterprise.

Through Lord Shaughnessy's financial skill and executive ability, an immense transportation system has been built up and consolidated with such efficiency and economy that the Canadian people have enjoyed efficient service at moderate rates, have in their resources developed beyond all expectation and have been encouraged during the past year by a steady flow of immigration, while the financial returns of the Company itself have amply justified the confidence placed by investors in Canadian industry and management.

It is particularly gratifying to the shareholders under Lord Shaughnessy's Presidency the Canadian Pacific Railway Company should not only have rendered such signal services to the cause of the Allies during the recent Great War, but should also have maintained its efficiency and financial standing in the face of the difficult conditions created by that war. The shareholders consider it due largely to his far-sighted policy that under such circumstances the Canadian Pacific Railway Company should not only have required no assistance from the Canadian Government but should actually from its reserves have been able to provide substantial aid to that Government in maintaining the high standard of Canadian credit.

The shareholders deeply appreciate and honour the spirit of self-sacrifice with which Lord Shaughnessy maintained the arduous duties of the Presidency during the anxious years of the war in spite of physical disabilities. They rejoice that these disabilities have been ameliorated and that with renewed vision he can once more enjoy the beauties of that Canadian landscape which the Canadian Pacific Railway has made accessible to the world.

When the prospect of peace enabled him to hand over the more active duties of the Presidency with clear conscience to a younger man, it was with genuine pleasure that the shareholders heard of Lord Shaughnessy's decision to remain as Chairman of the Company, not only because they realized that the Company would thereby continue to have the benefit of his counsel and advice, but also because they are proud to retain as their titular head one who is held in such universal honour.

The shareholders trust that the indomitable spirit which has been so characteristic of Lord Shaughnessy's whole splendid career will be rewarded with many years yet to come of health, prosperity and happiness.

Moved by: Huntly R. Drummond  
Seconded by: Colin Campbell.

Lord Shaughnessy replied: I appreciate most heartily and thank you, Mr. President and fellow shareholders, for the complimentary remarks referring to myself in the President's address, and in the Resolution adopted by the meeting. I would be lacking in candour if I failed to admit great pride in the progress of the Company during my Presidency and in its present splendid position, physically and financially, and equal pride in the faith and confidence of the shareholders who, with marvellous unanimity responded to calls for new capital by subscribing for additional issues of stock, even on occasions when in deference to popular clamour the issue price was less favourable to the subscribers than it might properly have been. My predecessors, Lord Mount Stephen and Sir William Van Horn, who carried the responsibilities of the Chief Executive through the periods of construction and the few years of operation, had a most difficult task as is well-known to our senior colleagues on the Board of Directors, Mr. Angus, Sir Edmund Osler and Mr. Matthews, but it was good fortune to become President just when the tide was turning and when Canada was coming into her own.

The expansion in the country business and the consequent increase of traffic compelled capital expenditure on a large scale to furnish improved transportation facilities presently required and to anticipate the future, and the money for these purposes was provided year by year from 1900 to the outbreak of war by the policy of our Directors who were bold and forward.

There was never any hesitating and looking back over that period they are justified in the conviction that few, if any mistakes were made and that conviction is, I am sure, shared by the great body of the Canadian people and of the Company's shareholders.

It was fortunate indeed that when the time arrived to transfer the responsibilities of Chief Executive to younger and more vigorous shoulders your Directors had available for the post a man so capable, so energetic, so conscientious and so well versed in matters relating to the Company's policy as the new President, Mr. Beatty. I shall not be back at him such compliments as I have paid me in great profusion, but I am permitted to say that he enjoys the complete confidence and respect of the Directors and of the Canadian people. The shareholders' interests could not be in safer hands.

After so many years of business and personal association it was somewhat of a wrench to my fellow Directors as it was to me to alter our relations by permitting me to retire from the Presidency, but they felt that I did, and as I hope you feel, that it was best for the future of the Company.

**MARINE NEWS**

The new steamer Glenholme, which since her launching has been at L. E. Baker & Co's wharf, Yarmouth, where her machinery is being installed, is now practically completed and it is the intention of her owners to have her leave for St. John early this week. Captain H. W. Moore, of Bear River, who will command the Glenholme, arrived in Yarmouth Monday afternoon and the remainder of her crew on Tuesday.

Annapolis Spectator: The port is again assuming a summer aspect. In addition to the weekly trips of the steamer Grauville to and from St. John, and the Valinda between St. John and Bridgetown, there arrived on Tuesday the schooner Mayflower, of Parrsboro, Capt. Desmond, with hard coal from Perth Amboy, N. J., to the Edwards Coal Co., and on Thursday last the schooner Ariadne, Capt. Wyman, from Portland, Me., to Robin, Jones & Whitman, sailing with fish for Tiverton Tuesday. The 3 mast schooner St. Clair Theriault, which loaded lumber here for the West Indies by Norman Hardy, left last Thursday in command of Captain Pottier.

A bill was under consideration in the Senate last week to give the Canadian Pacific Railway Company power to operate aircraft services.

Sgt. Young's Welcome at Hillsburn

Hillsburn has proudly welcomed home its hero in the person of Sgt. Reginald E. Young, 283409 of the 85th Nova Scotia Highlanders after three years of glorious service for King and Country.

Sgt. Young joined the colors on the 6th of April, 1916, attaching himself as a private with the 219th Battalion later transferred to the 85th. The battalion embarked at Halifax, N. S., and sailed for overseas on the 13th of October, 1917, after a few months in the different training camps of England, he moved, with his battalion to France, where he received his baptism of fire at the battle of Paschendale.

On Friday evening, a reception was given in his honor at the home of his wife's mother, Mrs. James Halliday. The house was tastefully decorated with Maple Leaves and seemed as if nature had arrayed herself for the occasion.

MOUNT HANLEY

Inspector Foster called on the school on Tuesday. Mr. Harding Elliott returned home on Saturday, June 7th, from overseas.

Mr. Joseph N. Hines had a wonderful haul of mackerel over 10,000 in his weir.

Mrs. Inez Brown, from Boston, is the guest of Mr. and Mrs. G. R. Green for an indefinite period.

Mr. Allen Greenlan and family from Nietaux, have moved in with Mrs. C. Banks for the summer.

Much sympathy is extended to Mr. and Mrs. Elliott and family in the sad hour of bereavement.

Mr. Minard Banks, from Concord, Mass., returned home last week accompanied by his son Cecil Banks.

Mr. and Mrs. W. B. Wilkins returned to their home in Massachusetts on Wednesday last, after spending the winter here.

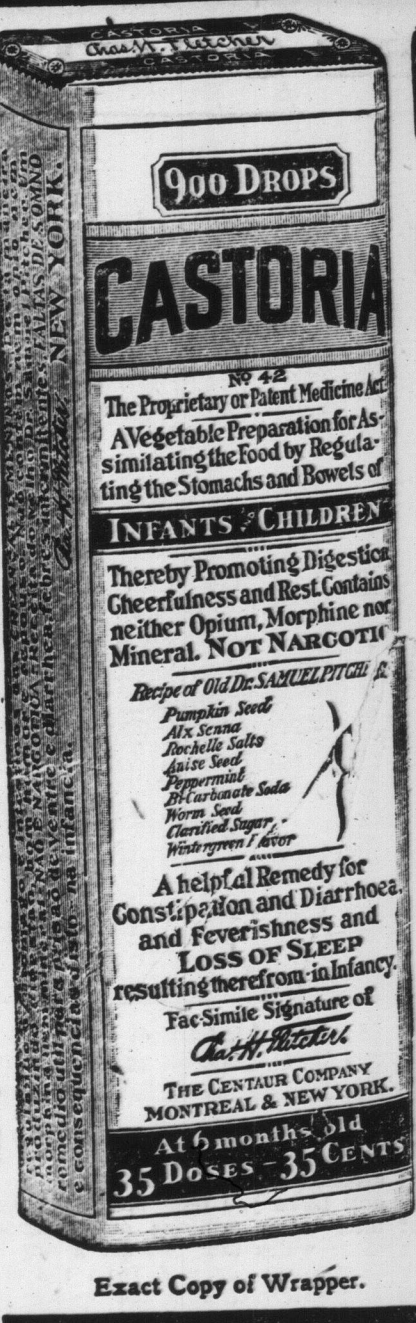

There was a Missionary meeting in the Church on Wednesday, June 11th, at 7:30, conducted by Miss Helena Blackard, returned missionary.

A surprise party was given to Miss May Bartheaux in honor of her 19th birthday on Saturday evening. A large crowd of young people gathered and a very pleasant evening was spent.

Mr. Benj. Bartheaux, of this place and his sister, Mrs. Bowly, from Spa Springs, were called to Weymouth North to see their sister, Mrs. Lent who died a few hours after they got there on Friday, May 16th.

Mr. Alex. Clarke was a recent guest of his cousin, Mrs. J. V. Robblee. Mrs. E. H. Porter visited friends in Bridgetown and Paradise last week.

Miss Pearl Melanson is visiting her aunt at Granville Ferry. Quite a catch of mackerel has been taken in the weirs. The speckled beauties were all plump good sized fish some of them weighing three and a half and four pounds each.

# A GLIMPSE OF ST. ANDREWS

(1) The Algonquin Hotel at St. Andrew's.  
 (2) E. C. O'Shann at St. Andrew's.  
 (3) Residence of Lord Shaugnessy at St. Andrew's.

Nearly everybody knows that golf was first played by the Scotch. A veteran devotee of the game, once said that Scotland's greatest contribution towards the welfare of mankind was the royal and ancient game.

Saint Andrew's By the Sea, New Brunswick, called after the patron saint of Scotland, is the home of many families of Scotch descent, and it is appropriate that the spot thus named should be possessed of golf courses as fine as any in the world. It is not exactly known when golf was first played at St. Andrew's, but the Algonquin Club came into existence in 1890. A club was firmly established here in 1895, and now St. Andrew's has the reputation of being the "Mecca of Golf." Hundreds of visitors from Canada and the United States flock hither annually and enjoy the glorious sport.

Golf is an invigorating game anywhere, but it is most delightful when played along the sea. At St. Andrew's there are two courses, a nine-hole course 2,500 yards long and an eighteen hole course 6,000 yards long. Both overlook the sea, and are clad in a firm sward of velvet green. While resting on the course you can enjoy the view of the sea beneath,

trout at St. Andrew's are unique. The club house on the golf grounds is equipped with all modern conveniences; you may play tennis on the admirable grounds at the Algonquin Hotel. You may ride in a motor boat to Deer Island, you may hire a row boat, or bathe in the tranquil waters of Katie's Cove; and a game of bowling on the bowling green is a joyous pastime.

The late Sir William Van Horne, one of the presidents of the Canadian Pacific Railway, built a beautiful residence on an island in Passamaquoddy Bay, and his family still lives there in the summer season. Lord Shaugnessy, the Chairman of the C. P. R. Board of Directors, makes his summer home at Fort Tipperary, St. Andrew's, and takes a special interest in the progress of the place.

At St. Andrew's there is splendid sea fishing, and a lake near at hand, furnishes some of the best bass fishing in Canada. And should the weather ever be rainy the Algonquin Hotel supplies bowling alleys, pool tables, English and French billiard tables, and a beautiful large casino for dancing. Those who make St. Andrew's by the Sea their holiday resort once will do so a second time, for when you go away from it there is an allurement about the place that brings you back again.

Mr. and Mrs. Hoitt Foster, of Hopkinton, Mass., have been visiting the former's sister, Mrs. Wm. Messenger.

Mr. Lemuel Messenger, Mrs. Wells Mrs. S. B. Marshall and little daughter Marjorie are visiting at Nictaux Falls.

A reception in honor of the boys who have returned from overseas was held at the church on Tuesday evening, June 17. There were a number of people present from the neighboring sections. An interesting program, consisting of speeches, recitations and music was carried out. Pastor Corbett gave the address of welcome. Rev. M. S. Richardson, of Bridgetown, was invited to be present and gave a very interesting address. The church was beautifully decorated for the occasion and everything passed off very pleasantly. The most pleasing feature of the evening was a flag drill by eleven of our young ladies. At the close ice cream and cake were served and all went to their homes feeling that they had enjoyed a very pleasant evening.

Our community was shocked and saddened to learn of the death of Mr. Wm. Spurr on Wednesday. His illness was of short duration being confined to his bed only a few days. He contracted a cold which developed into pneumonia. Everything possible was done to relieve him but all efforts were of no avail. The Lord had willed otherwise. Funeral services were conducted at his late home on Friday morning, followed by further service at St. James Church, Bridgetown. The remains were taken to Round Hill for interment. He leaves to mourn the loss of a loving husband and father, a wife three daughters and two sons. His youngest son Charlie had only returned from overseas a few weeks ago. Much sympathy is extended to the bereaved ones.

## Highway of the Great Divide

In Canada, opening up an Alpine region of entrancing beauty. It will be possible to motor from Calgary to Windermere between sunrise and sunset through a hundred miles of the most glorious scenery in North America. A good automobile road runs south to Fort Steele and Cranbrook, and from Cranbrook there are excellent roads to Spokane, or eastwards through the Crow's Nest Pass, and back to Calgary. The Good Roads Association of Alberta is enthusiastic over the prospect as this will mean the advent of many tourists from all over America. The new road will also be of great benefit to the Upper Columbia Valley which has many attractions for settlers on account of the fertility of the soil and suitability for mixed farming. This valley is served by the Kootenay Central Railway, a recently constructed branch of the Canadian Pacific.
