# BYE-LAWS

OF THE

INCORPORATED

## DIOCESAN CHURCH SOCIETY.

1st. At all meetings of the Society or its Committees, before entering upon business, the "appointed prayers" shall be said.

2nd. His Excellency the Lieutenant-Governor for the time being, if a member of the Church of England, shall be respectfully requested to be joint Patron of this Society, with the Societies for the Propagation of the Gospel, and for Promoting Christian Knowledge.

3rd. The Bishop of the Diocese shall be President of the Society, with a control over all its proceedings, and no alteration shall be made in the Bye-Laws without his approval.

4th. The Archdeacon of Nova Scotia shall be the first of the Vice Presidents, whose number shall be limited to seven. There shall be also a Secretary, an Assistant Secretary, and a Treasurer.

5th. All members of the Church are invited to unite with the Society as Subscribers; and every Clergyman licensed by the Bishop, and all Lay members of the Church of England subscribing not less than Five Shillings annually, or Ten Pounds at one payment, shall be members of the Incorporated Society, and entitled to vote at all meetings of the same. But no Subscriber shall enjoy any of the privileges of an Incorporated Member, whose subscription is more than one year in arrear. The annual subscriptions shall be considered due upon the first day of January in each year.

6th. The Executive Committee shall consist of the President, Vice Presidents, Secretary, Assistant Secretary, and Treasurer of the Society, who shall fill the same offices in the Committee; of all Clergymen licensed by the Bishop of the Diocese; together with twenty Laymen to be chosen as hereafter provided; and such other members as may be chosen by the Local Committees, according to the ninth Bye-Law.

7th. An annual meeting of the Society, open to all its members, shall be held at Halifax in the month of October, or at such time as the Executive Committee shall appoint; at which meeting the vacancies in the Executive Committee shall be filled up, the Secretaries and Treasurers shall be elected, and any vacancies in the number of Vice Presidents may be filled up at the pleasure of the Society. A Special General Meeting may be called at any time when the President, or, in his absence, two or more Vice Presidents, or the Executive Committee, shall consider it desirable to appoint such Special General Meeting.

8th. The Executive Committee shall meet monthly during the year, with the exception of July, August and September, and a Special Meeting may be called by the President, or, in his absence, by a Vice President.

9th. The members of the Church in every part of the Province are invited to co-operate with the DIOCESAN CHURCH SOCIETY, by forming Local Committees under the direction of their respective Clergymen, either in each Mission or Parish, or in more than one Mission or Parish united, as shall be deemed most convenient, and in strict accordance with the designs and Rules of the DIOCESAN CHURCH SOCIETY. Every rural Local Committee shall have the power of appointing any one member of the Society to be a member of the Executive Committee. It is recommended to the Local Committees to forward their funds, as they may be collected, to the Executive Committee, who will faithfully apply them to the general objects of the Society; but when the Local Committees desire it, they shall receive books at cost and charges, to the amount of one-fourth of their remittances, or the said one-fourth may be placed in the hands of the Endowment Sub-Committee, for the benefit of the Parish or Mission where the money was contributed.

10th. The following objects shall more particularly engage the attention of the Society, as soon as their means may enable them to afford such attention:

- 1.—Provision for Clergymen.
- 2.—Missionary visits to neglected and destitute places, under the direction of the Bishop.
- 3.—Assistance to the Endowment of Parishes.
- 4.—Assistance to the erection and enlargement of Churches and Chapels belonging to the Church of England, in peculiar or extreme cases.
- 5.—Supplies of Books and Tracts published by the Society for Promoting Christian Knowledge, and such other Books and Tracts in strict conformity with the principles of the Church of England, as, having been first carefully examined and approved by a Committee of Revision, to be appointed by the Executive Committee, shall then have received the approval of the Executive Committee, and, lastly, the written approbation of the Bishop.
- 6.—Assistance to the erection of Parsonage Houses.

- 7.—Assistance to deserving young men desirous of being qualified for the Ministry of the Church, but requiring aid in pursuing their studies at the Collegiate Establishment at Windsor.
- 8.—Aid to Sunday and other Schools, to which due attention is paid to instruction in the principles of the Church of England.
- 9.—Encouragement to the instruction and training of respectable Teachers for Sunday and Daily-Schools.
- 10.—Upholding, by all possible and proper means, the Collegiate Establishments at Windsor.
- 11.—It shall also be one of the objects of the Society to provide for the Widows and Orphans of deceased Clergymen, and for superannuated and incapacitated Clergymen, but no part of the Society's funds shall be appropriated to these objects, except such as shall be specifically given and paid into the Society therefor.

To these objects, generally, the contributions will be applied; while those who desire it may have their individual contributions scrupulously confined to any one or more of these objects. And, as some members of the Church, who are not unmindful of the great spiritual wants of their own neighborhood, still feel constrained, in pious gratitude for the blessings they enjoy, to allot something, however small, from the means with which a gracious Providence has blessed them, towards the spread of the glorious Gospel among the nations which still sit in darkness—

11th. This Society will gladly receive and forward to the Society for the Propagation of the Gospel whatever sums may be given for the conversion and instruction of the heathen, — to which object such sums will be strictly confined by the East India Committee of that Society.

12th. The accounts of the Society shall be closed on the 31st December in each year, and shall be audited in one month from that time, by auditors to be appointed by the Executive Committee.

13th. An annual sermon shall be preached before the Society, — the preacher, time, and place, to be appointed by the President.

14th. At each annual meeting of the Society, the first five on the Executive Committee shall go out of office; but all or any of them shall be eligible for re-election. The new members shall be first proposed and seconded, then elected by ballot, and placed at the bottom of the list.

15th. None of the above Bye-laws shall be altered, except at a general meeting of the incorporated Society; and a full year's notice of a proposal to change any of them must be given previous to the meeting at which the proposed alteration is to be effected.

# PRAYERS

APPOINTED TO BE USED AT "ALL MEETINGS OF THE SOCIETY, AND OF THE COMMITTEES," BEFORE THEY COMMENCE BUSINESS.

Prevent us, O Lord, in all our doings, with Thy most gracious favour, and further us with Thy continual help; that in all our works, begun, continued, and ended in thee, we may glorify Thy holy name, and finally, by Thy mercy, obtain everlasting life, through Jesus Christ our Lord. Amen.

O God, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with Thy favour our Sovereign Lady, Queen Victoria; and so rule her heart that she may in all things seek Thy honour and glory. Prosper with Thy blessing the designs of this Society. Comfort with Thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants, the clergy; the endeavors of all who are engaged in promoting the knowledge of true religion in the parent Kingdom, and the labours of those missionaries who are spreading the same, in the Colonies of the Empire. And may Thy Holy Spirit direct all our consultations to the advancement of Thy Glory and the good of Thy Church, through Jesus Christ our Lord. Amen.

O merciful God, who hast made all men, and hatest nothing that Thou hast made, nor wouldst the death of a sinner, but that he should be converted and live, have mercy upon all Jews, Turks, infidels and heretics, and take from them all ignorance, hardness of heart, and contempt of Thy Word, and so fetch them home, blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd, Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Spirit, one God, world without end. Amen.

Almighty God, Father of all mercies, we, Thine unworthy servants, do give Thee most humble and hearty thanks for all Thy goodness and loving kindness to us and to all men; more particularly for the providential support by which this Society has been hitherto sustained; but, above all, for Thine inestimable love in the redemption of the world by thy Blessed Son, for the means of grace, and for the hope of glory which Thou hast given us in the same our Lord and Saviour Jesus Christ: to whom, with Thee and the Holy Ghost, be all honor and glory, world without end. Amen.

Our Father, which art in Heaven, hallowed be Thy name; Thy kingdom come. Thy will be done on earth as it is in Heaven. Give us this day our daily bread; and forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation, but deliver us from evil; for Thine is the kingdom, the power and the glory, for ever and ever. Amen.

WHEN THE BUSINESS IS ENDED.

The grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost, be with us all, evermore. Amen.

## REPORT.

In consequence of the change of time for the Annual Meeting, a longer period than usual has passed since the Executive Committee have been able to render to the Society an account of their proceedings.

This, together with the important events in connection with the Church which are now in progress both here and elsewhere, gives to the present meeting a character of more than usual interest.

As part of the universal Church of Christ, we cannot but sympathize with its branches wherever they may be; "And whether one member suffer, all the members suffer with it: or one member be honored, all the members rejoice with it."

We regard with pleasure the vigorous efforts which the Church is making for its own support, in several of the British Colonies; and we consider the success of those efforts an encouragement to our own exertions.

The events which have recently occurred in India have already led the Society publicly to express its sympathy with suffering Churchmen there, and to indulge a hope that the noble designs of the Society for the Propagation of the Gospel, in sending a fresh band of Missionaries into that fertile though dangerous field, will be crowned with success, until Christian India shall bless the spiritual care of England's Church.

This is a work in which our Society would gladly join, were it not that its means are insufficient to meet the pressing wants of our own Diocese. It is to this important subject of self-support the Executive Committee would turn the attention of the Society and Churchmen generally in the Province, believing that a better acquaintance with the objects of the Society and its wants, will excite a warmer interest in its welfare.

The general object of the Society is to maintain and spread abroad the truths of the Gospel of Christ, by the means of the living voice of the Church. Toward this end all our efforts have been turned.

Whether directly supporting Missionaries, or aiding in the building of churches, or providing against the destitution of widows of Clergymen, or endeavoring to procure a pension for those who are no longer able to work in their sacred calling,—all is for the one great work of life: the glory of God and the salvation of men. All is done in support of the Church,—described by the Apostle as "the pillar and ground of the truth,"—which

has been entrusted to our care, and for whose support all its members are responsible.

Although temporal success need not be regarded as a proof of Divine favor, yet we have much ground for encouragement in the blessings which have hitherto attended the course of this Society. We desire to record our humble thanks to Almighty God for past support, and our trust in His future protection.

But close as is the connexion between the Church and this Society, it does not yet wholly occupy the position which it seems destined to fill. We must in some measure assume, at least in regard to the rural parishes, the position hitherto occupied by the Society for the Propagation of the Gospel, which is now devoting its means to more destitute, and perhaps more promising, scenes of labor.

Steps have already been taken to bring this subject definitely under your consideration, in the hope that such modification of our rules may be adopted as will allow aid to be given to the poorer parishes in proportion to their necessity and our resources. To this important matter the Committee request the attention of the present meeting.

The income of this Society must be increased at least four-fold, before it can bear the burden which is gradually but inevitably coming upon it.

The Executive Committee suggest to the Society the necessity of immediately taking steps to provide some permanent support for the Church in this Diocese.

A plan which has been proposed for the furtherance of that object will be submitted for your consideration on the present occasion. It is hoped its importance will be admitted, and secure the attention it demands.

There can be no doubt but that the Churchmen in this Province can do more for the support of the Church, if they be united in systematic exertion, and aroused to the necessity of making a sacrifice in its behalf.

This effort may well be commenced immediately, since the venerable Society to which we are so deeply indebted is pressing the Church in this Diocese to assume the responsibility of its own support, and proposing an annual reduction in its assistance.

Their offer will be laid before the present meeting by the Lord Bishop, and claim a share of your grave deliberations.

May the Almighty bless His servants with the spirit of a sound mind and a right judgment in deciding upon these matters, which are most important for the welfare of our beloved Church.

The Executive Committee have sustained the general engagements of the Society during the past year, and they submit the following account of their receipt and expenditure, together with a statement of the manner in which they have fulfilled their trust.

The total receipts of the Society during the year 1857, were £1,687, for the following objects, viz. :

The gross amount is less than in the preceding year, for we then received several deposits for the endowment of particular parishes, beside donations for other special objects. But we have the satisfaction of stating that the income of the Society for general purposes, is more than in any former year.

Your Committee have much pleasure in stating that the effort to provide a pension for the widows and orphans of Clergymen, has been successful. The Committee to whom is intrusted the management of the fund for that purpose, have collected the sum of £1,860, of which £1,600 is invested in Bonds from the City of Halifax, and £250 in Provincial Debentures, both securities paying interest at the rate of six per cent. per annum.

There has not yet been any claim upon the fund for pensions, while the receipts during the past year were £284 8s. 10d., from the following sources, viz.:

Annual subscriptions.....	£7	9	4
Donations.....	11	15	0
Interest of Money in the Savings Bank.....	53	14	10
Collected at the Annual Sermon in each Parish.....	90	3	7
Premiums paid by the Insured Clergymen.....	121	6	1
	£284	8	10

There are now thirty-eight Clergymen who hold Certificates.

Notice has been given that, at the present meeting, a proposal will be made to extend the time during which the pension may be drawn by orphans.

Although this fund has done much to relieve the anxiety of the Clergy for those who are dependent upon them, yet the Scheme is incomplete without some provision for Missionaries who are no longer able to perform their work. Should a Clergyman, through years or infirmity, be unequal to the discharge of his duty, his family might be reduced to great distress and the Society could give no aid to them, because they could not come under the designation of widows and orphans, while the head of the house was yet living; although by his enfeebled existence the necessity for help would be increased.

The Bishop of the Diocese, when last in England, obtained for us a donation of £62 10s. toward this fund.

Toward the erection of Parsonages we have paid to Stewiacke £10, and to Tusket £12

Several applications are now before your Committee for grants toward building Parsonages, but they have been deferred until it shall have been determined by the Society whether, in the present state of our funds and responsibilities, it is prudent to make any such grants.

The parishioners of St. George's, Sydney, C. B., have fulfilled the conditions under which the Executive Committee granted them the sum of £25, toward paying for their Parsonage.

The Committee have returned to several of the parishes Books to the value of £17 16s., in lieu of the fourths of their remittances.

The services of a Colporteur are much required to distribute a valuable collection of Books, selected for this purpose. A salary of £5 per month is offered for a competent person, and also a commission of ten per cent. upon the amount of sales.

The total expenditure of the Society during the past year, together with necessary reservations and deductions for the salaries of Missionaries and unclaimed grants, leaves a small balance toward the responsibilities of the year 1858.

The Committee have endeavored, as far as possible, to reduce the cost of publishing the Annual Report, but are convinced that this expense can not be much lessened unless some rule be adopted to prevent the printing of small subscriptions.

The Society will no doubt unite with this Committee in expressing its sincere regret for the loss we have sustained by the death of the Rev. T. C. LEAVER. His valuable counsels and steady support have long aided the D. C. S., and in his last hours he was not unmindful of its wants. Besides other bequests for Church purposes, he left to this Society the annual interest of a reversion of £950. We may be allowed to express a hope that many will be influenced by his example through life, and his pious generosity when disposing of his earthly possessions.

The following is a memorandum from the returns of the Local Committees for the year 1858, including their contributions (when made) to the Widows' and Orphans' Fund:

Albion Mines, (which is more than twice the amount of last year's contribution).....	£20	1	11

Dartmouth, (which is still larger than the handsome contribution for 1857) .....	45	18	2
Digby .....	22	19	6

The circumstances under which part of this amount was collected, will be interesting. The Rector of Digby thus writes :

" I enclose £2 10s. 4d., for the general purposes of the Diocesan Church Society. The circumstances under which this small sum was raised have been very gratifying to me, and I am quite sure will afford sincere pleasure to the Committee.

" During the last year a lady who is deeply interested in the welfare of the Church and your Society, suggested to me that, perhaps, if I requested the children of the Sunday School to attempt to *earn* something in aid of the funds of your Society, it might be attended with a favorable result. I frankly confess that, at first, the expectation appeared rather visionary. But at the end of the year, several of the children delivered into my hands small packages containing " 3s. 9d., for my embroidery," " 2s. 6d., the proceeds of my garden," " 1s. 3d. for sale of my chickens," until the money has at last amounted to more than £2, and the contributions have not yet ceased.

" This will show the estimation in which the Society is held in this Parish.

" Nor is it too much to suppose that the Church of their early exertions will be the Church of their latest affections, and that the children of other Sunday Schools throughout the Province may be led to imitate their example."

The Rector thus writes to the Society:

"I am pleased to find that our contribution exceeds that of last year 18 per cent., although it is nothing in comparison to what it ought to be, what the people are able to give, and what gratitude (setting aside for the moment higher considerations) demanded of them. When the D. C. S. first began its labors of love there was in this Mission but one Church and about sixty Communicants; here are now, partly through its instrumentality, within the same bounds, four substantial Churches. The Mission has been divided. Barrington has had and will again have a Missionary largely supported by your Committee. In my own immediate Mission there are 112 Communicants, and during the last year I baptized 87 children. One of my country Churches is filled every other Lord's Day with a congregation of *Churchmen*, and in the other we have a congregation of almost every name, of from 50 to 100, or even 120. In one of these Churches may be seen, on Communion occasions, from 25 to 30 Communicants humbly kneeling around the Lord's Table, partaking of His most precious body and blood, who, but for the aid of your Society, would perhaps never have had, or not for a long time, the blessings brought within their reach. O yes, we ought to be grateful for what, by the blessing of God, the D. C. S. has done for this Parish. I pray that we may be led to show our gratitude not by words but by deeds, and that, if we shall be spared to see another year, our offering may be increased not 18, but 100 per cent. That the Divine blessing may rest upon the Society, is ever the fervent prayer of one who has been a member from its very beginning."

The Rector thus writes :

"This will be much less than last year, but, when I state to you that I have just collected £10 to complete Mr. Tocque's subscription list, so as to enable him to draw his allowance, the Committee at Halifax will not consider us delinquent."

The total receipts of the Society up to this time in the present year, are £872 12s. 9d., for general purposes.

## CHURCHES.

Every application for aid in the erection of a Church must contain the following information :

- 1.—The precise situation, especially with reference to the nearest Church, and to the amount of population within five miles of the Church.
- 2.—The Title of the Ground on which the building is to be erected.
- 3.—The size of the building ; the numbers it can accommodate ; and probable amount of the congregation that will usually attend it.
- 4.—The supposed cost of the building ; the progress it has made towards completion ; and amount of contributions on the spot in money or labor.
- 5.—The frequency and regularity of the proposed services in the Church.
- 6.—That all the sittings are to be free.

It is the wish of the Executive Committee that no Clergyman should, when building a Church, rely upon aid from this Society without first ascertaining whether it is in the power of the Society to grant any assistance.

All grants to Churches are made on the following terms, namely : That the first moiety be called for within one year, and the second within two years from the date of the grant. The first moiety may be claimed when the exterior is finished—the second when the interior is finished.

“ The Endowment Sub-Committee receive and hold any money given in trust to the Society for Church purposes, and pay over the annual interest arising from the same, when invested, toward the furtherance of the special object for which it was given.”

With reference to a resolution authorizing the employment of Assistant Missionaries, it was resolved on the 17th August, 1849 :

“ That no part of the Funds of this Society shall be paid under that Resolution, until the first and each subsequent Quarterly payment of the £50 to be provided by the People in such cases, is actually paid in advance to the Treasurer of the Local Committee.”

“ Resolved,—That it is the opinion of the Executive Committee, that it is the intention of the fifth Bye-Law, that the annual payment of five shillings to the general objects of the Society constitutes a member; but that any person may devote his money to any particular object which is recognized by the Society.”

#### Form of Legacy.

“ I give to the Diocesan Church Society of Nova-Scotia the sum of £——— to be applied to the general purposes of the Society.”  
And the Receipt of the Treasurer of the Society shall be sufficient discharge for the same.

“ All donations of £10 and upwards are funded, and the interest only applied to the general purposes of the Society.”

“ The Society will not make its usual grant toward the payment of an Assistant Missionary appointed to a separate cure, unless the people there consent to pay toward the endowment fund of their Parish or Mission, all the proceeds of whatever glebe lands may be in that parish.”

At a meeting of the Executive Committee, October 19th, 1855, the following resolution was adopted :

“That in future all subscription lists received before the 31st March, in each year will appear in the next forthcoming report, while those received after that date shall be omitted.”

At a meeting of the Executive Committee, April 18th, 1856, it was directed:

“That if reservations and special donations are not mentioned at the time when the contributions are sent in from the Local Committees, the whole amount will be considered as devoted to the general purposes of the Society.”

☞ The attention of the Local Committees is particularly requested to the above resolutions.

At a meeting of the Executive Committee, in February, 1857, it was resolved:

“That in future but one Sermon be preached before the Society at its Annual Meetings, and that the sum of £5 be offered to the preacher toward defraying his travelling expenses.”

In January last a Sub-Committee was appointed “to aid the Bishop in obtaining information respecting the endowments of Parishes and Missions, and the ability of the people to maintain their own missionary, with a view to an equalization of the aid which the Society may be able to afford.”

This Sub-Committee prepared a tabular statement, shewing the available resources of each Parish and Mission and also stating the deficiency of salary in any case where the whole income fell short of what they were of opinion should be its minimum amount.

At a meeting of the Executive Committee, February 19th, 1858, it was “Resolved—That in future all applications for aid from this Society be proposed at one meeting and considered at the next.”

### ANNUAL GENERAL MEETING.

THE Annual General Meeting of the Society was held in the National School at Halifax, on the 22d October, 1858.

The Right Reverend the President took the chair at half-past 1 o'clock.

There was present a larger number of clergy and lay members of the Society than probably ever before attended its annual meeting.

After prayers by the Lord Bishop,

The minutes of the preceding General Meeting were read.

The Secretary read the 20th Report of the Executive Committee.

The following officers were appointed by the Society:

Rev. Edwin Gilpin, jr., A. M., Secretary; Henry Pryor, Esq., A. M., Assistant Secretary; W. C. Silver, Esq., Treasurer. Also, as members of the Executive Committee, in place of the five who went out of office:

A vote of thanks was passed to the Rev. W. G. Jarvis, for his sermon before the Society.

Upon the recommendation of the Parochial Aid Committee, the first object of the 10th rule was so modified as to admit of aid being given to parishes.

The Lord Bishop then brought forward the proposal of the Society for the Propagation of the Gospel, to give this diocese a block sum toward the support of the clergy, and to reduce the amount annually.

It was moved by the Hon. M. B. Almon, seconded by the Rev. G. W. Hill, and unanimously

“Resolved,—That the offer of the Society for the Propagation of the Gospel be accepted.”

It was moved by the Rev. W. Godfrey, seconded by the Rev. J. For-sythe, and unanimously

“Resolved,—That at the same time we render to the venerable Society for the Propagation of the Gospel our grateful acknowledgments for the liberality with which, hitherto and still, they continue to treat the clergy of the diocese of Nova Scotia.”

After much consideration, it was

“Resolved,—That a sub-committee of five laymen be appointed to receive the money.”

N. Clarke, Esq., was added to the Investment Sub-Committee, and they were unanimously requested to receive the money in question.

The Bishop then drew attention to the necessity of raising an Endowment Fund for the Diocese.

The Rev. G. W. Hill, explained a plan which he proposed for raising such an Endowment, and moved:

“That it appears to this meeting to be essential to the welfare of the Church in this Diocese that an Endowment Fund be raised, and that the effort be commenced immediately.”

Which was seconded and passed unanimously.

It was unanimously

“Resolved,—That the sum aimed at be not less than £25,000.”

The following notice of motion was given by N. Clarke, Esq., seconded by Rev. J. Ritchie:

*Whereas*,—The Lord Bishop having stated that he would willingly give up all control over the money proposed to be raised,

“Therefore, Resolved,—That the third bye-law of the Society be so modified as to withdraw the proposed endowment fund from the control of the Bishop, as mentioned in that rule.”

It was decided that a committee be appointed to mature the proposed plan, and carry it into effect, and that the Rev. G. W. Hill be requested to act as honorary Secretary.

The following members of the Society were appointed a Committee for the above purpose :

A. M. UNIACKE, Esq.  
 C. COGSWELL, Esq., M. D.  
 W. C. HARE, Esq.  
 A. M. COCHRAN, Esq.  
 P. C. HILL, Esq.

 N. CLARKE, Esq.  
 E. BINNEY, Esq.  
 C. H. HARRIS, Esq.  
 The Hon. Mr. JUSTICE BLISS.  
 GEO. SMITHERS, Esq.

It was directed that A. M. Uniacke, Esq., call together the committee, and that all further arrangements for carrying out the scheme be left to their discretion.

The meeting adjourned for Saturday at two p. m.

At the adjourned meeting of the Diocesan Church Society, Saturday, October 23,

The Lord Bishop took the Chair at two p. m.

It was moved by the Hon. M. B. Almon, seconded by A. M. Uniacke, Esq., and

“*Resolved*,—That the proposed sum for the Endowment of the Diocese be £40,000.”

The Executive Committee were authorised to apply to the Legislature for such alteration or enlargement of the 2nd section of the Act of Incorporation of the D. C. S. as they might deem requisite.

It was moved by the Rev. R. Jamieson, seconded, and

“*Resolved*,—That a fund for superannuated and incapacitated clergymen be adopted as one of the objects of the Society, with the same limitations as are annexed to the Widows' and Orphans' Fund.”

The Rev. J. B. Good gave notice of motion that in future the D. C. S. would grant a certain sum for an outfit to young clergymen commencing their labors in this Diocese.

The meeting was adjourned with the Episcopal benediction.
