**BY-LAWS**  
OF THE  
**BOARD OF HOME MISSIONS.**

---

1st. At all the meetings of the Board or its Committees, before entering upon business, the "appointed prayers" shall be said.

2nd. The Bishop of the Diocese shall be Chairman of the Board, and the Very Rev. the Dean and the Archdeacon of Nova Scotia shall be. *ex officio* Vice-Chairman. There shall be also a Secretary, an Assistant Secretary and a Treasurer.

3rd. The Board shall consist of the Chairman, Vice-Chairmen, Secretary, Assistant Secretary, and Treasurer of the Board, who shall fill the same offices in the Committees; of all Clergymen licensed by the Bishop of the Diocese, together with twenty laymen to be chosen by the Diocesan Synod. At each ordinary meeting of the Synod one-half of the whole number of lay members of the Board shall go out of office, but they or any of them shall be eligible for re-election; the new members, having been proposed, seconded and elected by ballot shall be placed at the bottom of the list. No one shall be elected a member of the Board who is not an annual contributor to its funds of at least one dollar.

4th. The Board shall meet monthly during the year, with the exception of August and September, seven being a quorum for the transaction of business; and a general meeting thereof shall be held annually in July, or at the time of meeting of the Synod, to which matters may be referred from the ordinary meetings of the Board, and such appeals addressed as have hitherto been allowed to the general meeting of members of the D. C. S. A special meeting may be called at any time by the Chairman, or, in his absence, by a Vice-Chairman.

5th. The members of the Church in every part of the Province are invited to co-operate with the Board, by forming Local Committees under the direction of their respective clergymen, either in each mission or Parish or in more than one Mission or Parish united, as shall be deemed most convenient, and in strict accordance with the designs and Rules of the Board.

6th. The following objects shall more particularly engage the attention of the Board as soon as its means may enable it to afford such attention :

- 1.—Provision for Clergymen.
- 2.—Missionary visits to neglected and destitute places, under the direction of the Bishop.
- 3.—Assistance to the Endowment of Parishes.
- 4.—Assistance to the erection and enlargement of Churches and Chapels belonging to the Church of England in peculiar or extreme cases.
- 5.—Supplies of Books and Tracts published by the Society for promoting Christian Knowledge, and such other Books and Tracts in strict conformity with the principles of the Church of England, as having been first carefully examined and approved by a Committee of Revision to be appointed by the Board, shall then have received the approval of the Board ; and lastly, the written approbation of the Bishop.
- 6.—Assistance to the erection of Parsonage Houses.
- 7.—Assistance to deserving young men desirous of being qualified for the Ministry of the Church, but requiring aid in pursuing their studies at the Collegiate Establishment at Windsor.
- 8.—Aid to Sunday and other Schools in which due attention is paid to instruction in the principles of the Church of England.
- 9.—Encouragement to the instruction and training of respectable Teachers for Sunday and Daily Schools.
- 10.—Upholding by all possible and proper means, the Collegiate Establishment of Windsor.
- 11.—It shall also be one of the objects of the Board to provide for the Widows and Orphans of deceased Clergymen and for Superannuated and incapacitated Clergymen ; but no part of the funds shall be appropriated to these objects, except such as shall be specifically given and paid therefor.

To these objects, generally, the contributions will be applied ; while those who desire it may have their individual contribution scrupulously confined to any one or more of these objects.

7th. The accounts of the Board shall be closed on the 31st December in each year, and shall be audited in one month from the time by auditors to be appointed by the Board.

8th. None of the above By-Laws shall be altered, except at an Ordinary Meeting of the Synod ; and a full year's notice of a proposal to change any of them must be given previous to the meeting at which the proposed alteration is to be effected.

## Prayers

APPOINTED TO BE USED "AT ALL MEETINGS OF THE BOARD, AND OF COMMITTEES," BEFORE THEY COMMENCE BUSINESS.

---

Prevent us, O Lord in all our doings, with Thy most gracious favour, and further us with Thy continual help ; that in all our works, begun, continued, and ended in Thee, we may glorify Thy Holy Name, and finally by Thy mercy obtain everlasting life, through JESUS CHRIST our LORD. *Amen,*

*(Board of Home Missions only.)*

O, God, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with Thy favor our Sovereign Lady, Queen Victoria ; and so to rule her heart that she may in all things seek Thy honour and glory. Prosper with Thy blessing our missionary work. Comfort with Thy Grace those benefactors who contribute to its support. Bless the Ministry of Thy servants, the clergy ; and the endeavours of all who are engaged in promoting the knowledge of true religion. And may Thy Holy Spirit direct all our consultations to the advancement of Thy Glory and the good of Thy Church, through JESUS CHRIST our LORD. *Amen.*

*(Board of Home Missions only.)*

O, LORD JESUS CHRIST, Who at Thy first coming didst send Thy messenger to prepare Thy way before Thee, grant that the ministers and stewards of Thy mysteries may likewise so prepare and make ready Thy way, by turning the hearts of the disobedient to the wisdom of the just, that at Thy second coming to judge the world, we may be found an acceptable people in Thy sight, Who livest and reignest with the FATHER and the HOLY SPIRIT, ever one GOD, world without end. *Amen.*

*(Board of Foreign Missions only.)*

Almighty God, who, by Thy SON JESUS CHRIST, didst give commandment to the Holy Apostles that they should go into all the world and preach the Gospel to every creature, grant to us whom Thou hast called into Thy Church a ready will to obey Thy Word, and fill us with a hearty desire to make Thy way known upon earth, Thy saving health among all nations. Look with compassion upon the Heathen that have not known Thee, and on the multitudes that are scattered abroad as sheep having no shepherd. O Heavenly FATHER, LORD of the harvest, have respect we beseech Thee, to our prayers, and send forth laborers into Thine harvest.

Fit and prepare them by Thy Grace for the Work of their ministry ; give them the spirit of power, and of love and of a sound mind ; strengthen them to endure hardness ; and grant that both by their life and doctrine they may set forth Thy glory, and set forward the salvation of all men, through JESUS CHRIST our LORD. *Amen.*

*(Board of Foreign Missions only.)*

O merciful GOD, who hast made all men, and hatest nothing that THOU hast made, nor wouldest the death of a sinner, but rather that he should be converted and live, have mercy upon all Jews, Turks, infidels and heretics, and take from them all ignorance, hardness of heart and contempt of Thy Word, and so fetch them home, blessed LORD, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd, JESUS CHRIST our LORD, Who liveth and reigneth with THEE and the HOLY SPIRIT, one GOD, world without end. *Amen.*

Almighty GOD, Father of all mercies, we Thine unworthy servants do give Thee most humble and hearty thanks for all Thy goodness and loving kindness to us and to all men ; more particularly for the providential support by which our work has been thus far sustained ; but above all for Thine inestimable love in the redemption of the world by Thy Blessed Son, for the means of grace, and for the hope of glory which Thou hast given us in the same our Lord and Saviour JESUS CHRIST : to Whom, with THEE and the HOLY GHOST, be all honour and glory, world without end. *Amen.*

Our FATHER which art in Heaven, Hallowed be Thy Name ; THY kingdom come ; Thy will be done in earth as it is in Heaven ; give us this day our daily bread ; and forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation, but deliver us from evil ; for THINE is the Kingdom, the power and the glory, for ever and ever. *Amen.*

The grace of our LORD JESUS CHRIST, and the love of GOD, and the fellowship of the HOLY GHOST, be with us all, evermore. *Amen.*

## Widows' and Orphans' Fund.

---

### RULES AND REGULATIONS.

"It shall also be one of the objects of the Board of Home Missions to provide for the Widows and Orphans of deceased clergymen, but no part of the funds shall be appropriated to this object except such as shall be specifically given and paid into the Synod therefor."

1st. In accordance with the above, the Board of Home Missions will open a special account for this object, to be called the Widows' and Orphans' Fund. This fund shall be formed, and consist of all subscriptions, donations, legacies and other contributions given and paid to the Synod for this special object, and of all premiums received under these Rules, and of all benefits arising therefrom; and this fund shall be held and applied to and for this particular object, and none other.

2nd. A Standing Committee of seven members shall be appointed, in whom, together with the Secretary of the Board of Home Missions (who shall be paid as Secretary of this Committee,) shall be vested the whole management of this matter, subject to an appeal to the general Society.

3rd. The Diocesan Synod undertakes to pay out of this Widows' and Orphans' Fund the pensions which become due under the following Rules.

4th. Every Clergyman of the Church of England within the Diocese wishing to avail himself of the benefits of this fund, shall within one year from taking Orders, or from his admission into the Diocese, apply to the Secretary for a Certificate of Pension, and shall pay the annual sum or premium therefor as hereafter mentioned.

5th. Any applicant after such period or time shall only be permitted to receive such Certificate at the option of the Committee, and upon such terms as they shall direct.

6th. The following shall be the rate of the yearly sum or premium payable by every Clergyman applying for a certificate, according to his age at the date of his first application.

<i>Age.</i>	<i>Prem.</i>	<i>Age.</i>	<i>Prem.</i>	<i>Age.</i>	<i>Prem.</i>

7th. Every clergyman upon the Fund is required to make at least one collection annually in its behalf.

8th. If any clergyman marry the second time, he shall pay the annual sum or premium for the age he may be when he marries the second time.

9th. Upon payment of the first sum or premium the applicant shall receive a Certificate, as hereafter mentioned, and the same sum shall be paid by him, up to the time of his death, on the first day of January in each year.

10th. If any person fail to pay the amount of his premium within 40 days after the payment becomes due, all claim to the pension under his Certificate shall be forfeited, and the same shall thereupon become null and void; but if he desires to have his claim to the pension renewed it shall be in the power of this Committee to re-admit him on such terms as they see fit.

11th. Removal of the clergyman from this Diocese, except in the case of any clergyman who shall become a missionary of the Board of Foreign Missions of this Diocese, or who undertakes work in Algoma while a Missionary Diocese, forfeits all claim to the pension. Seventy-five per cent. of the amount of premiums paid by the holder of the Certificate himself shall be returned to him upon the surrender of his Certificate.

12th. If any clergyman shall go beyond the limits of Europe, or of North America 35° North latitude, without the leave of the Committee, he shall forfeit all claim to the pension.

13th. The widow of every clergyman who shall have paid the annual sum or premium (subject to the above exceptions) shall receive a pension of \$100 per annum during widowhood.

14th. If at any time it is the opinion of the Committee that the state of the funds will safely warrant their so doing, that they have power to increase the amount of the pensions.

15th. If the widow die or marry again, the child or children of her deceased husband shall receive the pension. But no part of the pension shall be received by those children who have arrived at the age of sixteen years, if males, or eighteen years, if females : while those who are still under those respective ages will receive the full amount of the pension.

16th. If the wife die before the husband, his child or children shall at his death receive the pension under the above limitation as to ages.

17th. The pension shall be payable half-yearly, on the 1st day of January and the 1st day of July in each year, and shall commence on the first of these days which shall happen after the decease of such person holding a Certificate, and terminate on the first of those days which shall happen after the death of the widow or child, or the happening of any other event by which, under these Rules, such pension is to cease.

18th. The Clergy of Prince Edward Island shall be entitled to participate in the benefit of this fund on equal terms with the Clergy of this Province.

19th. The Certificate to be granted shall be in the following form, under the seal of the Synod and the signature of the Secretary ; and on the back thereof or annexed thereto shall be printed the above rules.

20th. None of the above Rules or Regulations shall be altered except at a regular meeting of the Synod, after a full year's notice of the proposed change.

 The Widows' and Orphans' Committee do not consider the Fund responsible for the payment of a larger pension than the \$100 named in the Certificate.

## Superannuation Fund.

2nd. A Committee of four Laymen and two Clergymen shall be appointed in whom, together with the Bishop of the Diocese as chairman, shall be vested the whole management of this Fund, and of whom one Clergyman and two Laymen shall retire at each regular session of the Synod, but they shall be eligible for re-election, the members who are to retire for the first time being those whose attendance shall have been least regular, and subsequently those whose names shall be first on the list.

11th. If the pensioner resides out of this Diocese, sufficient proof of his identity shall accompany each draft for his pension.

12th. The pension and premium shall be paid half yearly in advance, viz:—on the 1st of January and the 1st of July in each year, and the pension shall commence on the first of those days that shall

happen after it is granted, and terminate on the first of those days after the death of the pensioner, or by the happening of any other event by which such pension is to cease.

13th. If any incapacitated clergyman should be so far relieved from his disability as to be able to resume the discharge of his full clerical duty, the pension shall be suspended during his relief from disability.

14th. The above rules shall not be so construed as to prohibit any beneficiary from doing such light clerical duty as may be sanctioned by the Lord Bishop of the Diocese.

15th. None of the above rules or regulations shall be altered except at an ordinary meeting of the Synod, after a full year's notice of the proposed change.

## Endowment Rules.

---

The following Rules for the guidance of the Endowment Committee were adopted May 17, 1850 :—

1st. The investment of Endowments may be made in lands, houses, stock in banks or other companies, money invested in mortgages or other securities, to be approved of by the Endowment Committee, and to be conveyed and held for the benefit of the Incumbent or resident Missionary for the time being of any Parish or Mission for which they are designed, the said Incumbent or resident Missionary to receive the yearly proceeds only of the interest or rents arising from such Endowment.

2nd. The conveyance of trust of such Endowment may be made either to the Society for the propagation of the Gospel or to the Church Corporation of the Parish or to the Diocesan Synod.

3rd. When real property is purchased and conveyed for Endowment it shall be free from any debt or incumbrance.

4th. The annual proceed arising from such Endowment shall be withheld from any Incumbent or resident Missionary of any Parish or Mission who may be suspended by the Bishop of the Diocese from performing public services in the churches in his Parish or Mission during the continuance of such suspension.

5th. The Endowment Committee shall hold any sum contributed toward the endowment of any Parish or Mission in trust for such Parish

or Mission, and obtain such a rate of interest for the money as may be practicable, consistent with safety, until an opportunity shall arise for or investing it for the permanent endowment of such Parish or Mission ; and if, in the judgment of the Endowment Committee, such opportunity or proposition for endowment shall come within the true intent and scope of the foregoing regulations, they shall authorize the said sums to be paid to the Parish or Mission so applying for it.

6th. If any difficulty shall arise as to whether any opportunity or proposition for endowment be agreeable to the foregoing rules, or if any other point relative thereto should be disputed or doubted, the question should be referred to the General Committee of the Board, at their meeting thenensuing.

7th. All applications from any Parish or Mission to the Endowment Committee for aid shall be signed by the Rector and Church Wardens of such Parish, or by the resident Missionary, accompanied by a resolution of the Local Committee of the Board of Home Missions in its favor in such Missions ; and shall state the nature, situation, value and annual profits of the investment desired to be made, the names of those in whose behalf it is to be made, the office where it should be registered, the sums that are contributed for its purchase, and all other particulars which may enable the Endowment Committee to form a correct judgment ; all such applications to be made to the Secretary of Board of Home Missions, who is *ex officio*, Secretary of the Endowment Committee.

---

The Endowment Committee, in a Report May 11th, 1863, made the following recommendations :—

“ That while no restriction is made as to the sum which a Parish may withdraw from its ‘ *Reserved Fourths* ’ and invest as heretofore, yet that \$1000 be the minimum to which they should amount before they can be placed in trust with the Board, and the interest be payable to the Incumbent.”

“ With reference to the control of the Board over the *Reserved Fourths* the Committee state that they have no wish to interfere in any way with the rights of the parishes to manage their own property. They would merely, for the better security of this Fund for the support of the Clergy recommend—That a rule be adopted which would require that, when an investment made by any Parish from its *Reserved Fourths* may be paid off, the money be returned to this Board to be held under the same rules and on the same terms as before, until, such time as the Parish may be able to procure another satisfactory investment.”

The first recommendation was adopted ; the second was not.

### RULES AND REGULATIONS.

CLAUSE 1.—Where there is no special condition, all grants shall be made for three years from the first of the month preceding or following the date; yet the Board may, for what it considers good and sufficient reasons, discontinue a grant after six month's notice. In every case the grants shall cease at the expiration of the three years, unless renewed at least six months before their termination.

CLAUSE 2.—All Parishes or Missions receiving aid from the Board shall, by their Wardens or other representatives, pay into the funds of the Board, through the Secretary, at least one month before the 31st March, 30th June, 30th September, and 30th December in each year, such amount as may by mutual consent be arranged between themselves and the Board; provided always, that the Board, if in any case it is satisfied that half-yearly payments would be more for the interests of all parties concerned than quarterly, may frame their agreement with the Parish accordingly.

CLAUSE 3.—At the beginning of every quarter—to wit, on 1st April, 1st July, 1st October, 1st January—the Secretary shall accept the order of the Missionary for the preceding quarter's salary as agreed upon jointly by the two contracting parties. But where half-yearly payments, have been allowed, the Secretary, at the expiration of the six months, if the amount due from the people has not been paid up, shall only accept the order for the amount of the Society's grant for that period.

CLAUSE 4.—When a Parish or Mission fails to make its regular remittances when due, the Secretary shall at once make enquiries by letter, or, if thought necessary, shall visit in person, or a deputation may be sent, to enquire into the cause of such default, and report to the Board. Should the amount due from the Parish not be paid within three months from the date at which it becomes due under the agreement with the Board, the grant shall cease and it shall be the duty of the Treasurer to make no further payment; nor shall the grant be renewed until the arrears due at the time of cessation be paid up.

CLAUSE 5.—The aim of the Board is, and it should be that of the Missions themselves, to make the Missions as quickly as possible self-sustaining, in order that funds of the Board may be applied to the

opening of New Missions and to the extension of the work throughout the Diocese.

CLAUSE 6.—In furtherance of the objects of the Board it requires that each of its Missionaries shall take care that every eligible person within their respective Missions be solicited to contribute to the General Fund of the Board, and that quarterly returns of the amount of such contributions shall be made by the Missionary to the Secretary in Halifax.

CLAUSE 7.—The Board, for reasons which it shall deem good, may allow a Parish or Mission to pay a certain specified amount of their Incumbent's salary in kind, at *Cash* prices, and his receipt for the sum in the form of a bill of items, shall be counted by the Wardens or Representatives towards making up the amount to be paid by the Parish or Missions; and may also allow the receipt of the clergyman for money given at the offertory to be received from the Wardens as part of the conditional payment required by the Board from the people.

## Churches.

---

Every application for aid in the erection of a church must contain the following information :—

- 1.—The precise situation, especially with reference to the nearest Church and to the amount of population within five miles of the Church.
- 2.—The title of the ground on which the building is to be erected.
- 3.—The size of the building, the numbers it can accommodate, and probable amount of the congregation that will usually attend it.
- 4.—The proposed cost of the building, the progress it has made towards completion, and the amount of contributions on the spot in money or labor.
- 5.—The frequency and regularity of the proposed services in the Church.
- 6.—That all the sittings are to be free and unappropriated.

It is the wish of the Board of Home Missions that no Clergymen should when building a Church, rely upon aid from the Board, without first ascertaining whether it is in the power of the Board to grant any assistance.

All grants to Churches are made on the following terms, namely : That the first moiety be called for within one year, and the second within two years, from the date of the grant. The first moiety may be obtained when the exterior is finished, and the second when the interior is finished, Grants to Parsonages are made on similar conditions.

The Endowment Committee receive and hold any money given in trust for Church purposes, and pay over the annual interest arising from the same when invested towards the furtherance of the special object for which it was given.

---

### GENERAL REGULATIONS.

All donations of ten Pounds and upwards are funded, and the interest only applied to the general purposes of the Board.

The Board will not make its usual grant toward the payment of an Assistant Missionary appointed to a separate cure unless the people there consent to pay toward the *Endowment Fund of their Parish or Mission* all the proceeds of whatever glebe lands may be in that Parish.

All subscription lists received before the 31st December in each year will appear in the next forthcoming Report, while those received after that date shall be omitted.

If the reservation and special donations are not mentioned at the time when the contributions are sent in from the Local Committees the whole amount will be considered as devoted to the general interests of the Board.

 The attention of the Local Committee is particularly requested to the above regulations.

All applications for aid from this Board are proposed at one meeting of the Board and considered at the next.

No person shall be qualified to vote at any general meeting of the Board, nor be elected a member, who has not been a subscriber for three months preceding the day of meeting.

At the General meeting in 1869, the following resolution was adopted :

The Church property in any Parish which is actually occupied by the Incumbent of the said Parish shall be valued by competent valuers upon his taking charge, and be considered at the same value for salary during his Incumbency ; and the valuers shall be appointed as follows, viz : one by the Parish, one by the Board of Home Missions, and another by those two.

PROSPECTUS.

---

**Church Endowment Fund.**

---

Forasmuch as the Committee appointed in 1858 to raise an Endowment Fund for the support of the Ministers of the Church of England in this Province have resigned, and the proposed scheme is now in abeyance, many members of the Church, deeply impressed with the necessity for immediate action, and believing that some of the obstacles encountered by the Committee have disappeared, have resolved (in compliance with the request of the Lord Bishop) to attempt to carry out this important work without further delay, availing themselves of a very liberal offer of James R. Mosse, Esq., to devote his time and attention for one year to the promotion of this object, as Secretary and Agent, without any remuneration.

It is proposed to raise a sum of money as an Endowment Fund for the Church of England in this Province, upon the basis of this Prospectus, and strictly in conformity with it; the money subscribed and paid to be held for the present, in trust, for that purpose, by the Hon. M. B. Almon and Edward Binney, Esq., the Treasurer of the Fund—to the latter of whom subscriptions may be paid—and who will receive and hold the same as Trustees, provisionally, until the next annual meeting of the Diocesan Church Society of this Province, when all subscriptions, which shall have been received by them, shall be paid over to the said Society (provided it shall consent to receive the same) which shall also receive all further subscriptions and contributions of this Fund, unless at any time hereafter it should be thought advisable to apply for an Act of Incorporation for said Fund.

All monies so collected to be held by the Diocesan Church Society in trust, solely and strictly for the objects, purposes and designs, and under the rules, regulations, and provisions set forth in the present Prospectus. The future management and investment of the said trust funds to be vested in a committee of the said Society; to be appointed at such annual meeting of the Society; but neither the Society nor such Committee to have any power to change, or in any respect vary from or to control the objects, purposes and designs of such Fund, set forth in the said Prospectus, or any of its rules, regulations, and provisions whatever.

1. The proceeds and annual income arising from this Fund shall be appropriated solely and exclusively towards the support and maintenance of the Church of England within this Province in the following manner.

2. The annual deduction of £100 stg. which the Society for the Propagation of the Gospel intend to make from the amount of their present grant, (which has been transferred by them to a sub-committee of the Diocesan Church Society,) shall be made good out of the proceeds of this Fund, so that the said grant shall be kept up and maintained in its full integrity, as the sum which may be required, for the purpose of paying all the Rectors and Missionaries who shall be on the list of the Society for the Propagation of the Gospel, on the day when this Fund shall go into operation, the full amount of the salaries to which they may on that day be entitled from the said Society.

3. Whenever and as often as any of the Rectors or Missionaries on the said list on the day above named shall die, or from any cause shall cease to be entitled to receive the salaries to which they were at that time entitled, out of the said grant of the Society for the Propagation of the Gospel, then the said grant is no longer to be kept up at its former amount, but only at such an amount by contribution from this Fund as will suffice for the payment to those Rectors and Missionaries still living, and entitled to receive the same salaries from this Fund. And every new Rector or Missionary appointed in their places, shall be paid out of the annual proceeds of this Fund a yearly sum, according to the class and scale arranged for that purpose, and herein contained.

4. In like manner, whenever and as often as any of the present Rectors or Missionaries, now on the Government list and paid by it, shall die, or cease to be entitled to be so paid, then every new Rector or Missionary appointed in his place to any parish or mission shall be paid out of the annual proceeds of this fund, according to the same class and scale; and whereas there are some parishes and missions of which the incumbents are not paid either by the Government or by the S. P. G., the said incumbents and their successors shall be on an equality, in respect of their claims upon the Fund, with the successors of the Clergymen now upon the lists of the Government or of the S. P. G.,—it being understood that "parishes" shall have always the first claim upon this Fund, except on all questions under Clause No. 8, which shall still be decided by seniority of appointment, as there provided.

5. If from any unforeseen cause, the present grant of the Society for the Propagation of the Gospel, subject to the present reduction of one hundred pounds (£100) stg. a year, should fail, or if the present provision by Government for certain Missionaries should not be continued (neither of which contingencies it is fully believed will occur, and are only hereby provided for "*ex abundanti cautela*") then in such case, the annual proceeds of this fund shall, according to their means, be appropriated towards the payment of the old Rectors and missionaries, whether on the Government list or on that of the Society for the Propagation of the Gospel, and of the other Rectors and Missionaries claiming under this Prospectus, rateably by an equal per centage deduction from the old

salaries and new allowances, under Clauses Nos. 3 and 4, as the state of the Fund may require and will permit.

6. If the annual proceeds of this Fund after providing for the payment of fifty-one claimants according to Clause Nos. 3 and 4, should exceed the amount required for fully carrying out the proposed scheme, then, in the first place, the surplus shall be devoted to the payment of additional Clergymen, under the same classification and at the same rates, and preserving as nearly as may be the same proportionate numbers in each class as are herein prescribed. But if at any time the income of this Fund shall exceed what is necessary for the fifty-one payments now provided for, and such additional payment as may hereafter be agreed on, and there shall be no need nor opportunity of adding to the number of Clergymen to be paid out of this Fund by any further sub-divisions of parishes, then such surplus shall be applied to increase the allowance to each Clergyman, "pro rata."

7. The sub-joined scale is that referred to in Clauses 3 and 4. It provides for fifty-one Clergymen, and is based upon carefully prepared calculations, so that reliance may be placed upon the capabilities of the Fund to supply the payments proposed for the respective classes.

The Clergymen are to be divided into three classes :

CLASS 1, will contain twenty-one Clergymen, who must have officiated in this Province more than fifteen years, who are to receive £75 Currency per annum.

CLAUSE 2, will contain fifteen Clergymen, who must have officiated in this Province more than five years, who are to receive each £50 Currency per annum.

CLAUSE 3, will contain fifteen Clergymen, who are to receive each £30 Currency per annum.

8. All removals from one class to another must depend not only upon the standing of the individuals, but also on vacancies in the upper classes. If at any time there shall be more Clergymen holding appointments within the Province than the number for whom provision is made in clause 7, or by the Committee under the conditions of clause 6, then admission to class 3 must also depend upon vacancies of that class,—the seniority of original appointment in the Province deciding the question. The standing of any Clergymen, who, after leaving this Diocese, except on account of ill health, shall return to it again, shall be reckoned from his appointment to a parish or mission on his return and any previous service shall not be reckoned. If any Clergymen officiating in this Province shall cease to hold any parochial or missionary appointment, but shall not leave the Diocese, and after an interval shall again be appointed to any parish or mission, he shall take his place upon the lists in the position in which he

9. Every Clergyman applying for his salary under this scheme must furnish proof that provision has been made by those to whom he ministers for the payment to him of at least one hundred pounds (£100) currency for the past year, or at least fifty pounds (£50) currency for the past half year.

NOTE.—This amount may be made up from local endowment, from the subscriptions of his congregations, from pew rents, or from any other source (except from this Fund,) and may include the fair estimated yearly value of the Glebe or Parsonage, if any. This estimate shall be settled by the committee, and every care shall be taken to arrive at a just and equitable conclusion.

10. The application of the Clergymen shall be made annually or semi-annually to the Secretary of the Church Endowment Committee. It shall state the number of years' service in the Province of the party applying, and contain a solemn declaration, either by himself or by the Church wardens, or by three members of the Vestry, that the amount guaranteed by the parish has been actually and "bona fide" subscribed. Upon this application with such statement and declaration, the Treasurer of the Fund shall be authorized by the Chairman to pay to the applicant the amount to which he is entitled by his length of service.

11. On the expiration of eighteen months from the commencement of his incumbency or mission, and at the end of each half year thereafter, the application of the Clergymen shall be accompanied by a certificate that the whole of the subscription for the year preceeding the last six months has been "bona fide" paid. And if such certificate be not furnished, he shall nevertheless be paid the amount then due from this Fund, but he shall not be entitled to any further payment so long as he shall remain in the same cure until he be again enabled to and do certify that the payments due under the agreement with his people are not more than six months in arrear.

12. It is proposed that the sum of forty thousand pounds (£40,000) currency shall be raised, but if this amount be not realized, then the payment of each class of Missionaries will be reduced "pro rata"; and this scheme is not to go into operation until at least twenty thousand pounds (£20,000) shall have been subscribed and paid into the hands of the Treasurer. It is hoped, however, not only that the sum of £40,000 will be subscribed, but that by judicious management it will so accumulate as to secure a provision for the increase of parishes, missions and missionaries in this Province.

13. As this Fund is raised with a view to the support of the Ministry in places where a sufficient provision for the clergyman cannot be procured

without assistance, is to be understood that no clergymen receiving an income of two hundred and fifty pounds (£250) currency and upwards per annum, from any of the sources mentioned in the note to clause 9, shall be entitled to any payment from this Fund.

14. No Missionary receiving any portion of this stipend from any Society in England at the time when this Fund goes into operation, shall receive any payment from this fund, except such as is secured to him under clauses 2, 3, 4 and 5, so long as he continues to receive the payment from such Society in England.

The foregoing Prospectus was accepted and adopted at the Annual General Meeting of the Diocesan Church Society, at Halifax on the 12th day of October, 1860; and the following gentlemen were appointed the Committee to carry the Church Endowment Fund into effect:—Hon. M. B. Almon; Hon. Mr. Justice Bliss; A. M. Uniacke, Esq., D.C.L.; Hugh Hartshorne, Esq., D.C.L.; A. M. Cochran, Esq., M. P. P.; C. B. Bowman, Esq.; C. H. Harris, Esq., Q. C.; W. C. Silver, Esq.; Wm. Hare, Esq.; J. C. Cogswell, Esq., D.C.L.; J. B. Snow, Esq.; P. C. Hill, Esq., D.C.L.; Edward Binney, Esq.; J. W. H. Rowley, Esq.; Brenton Collins, Esq.

At a meeting of this Committee, held in Halifax on 24th October, 1860, the following officers, were appointed:—Hon. M. B. Almon, Chairman; A. M. Uniacke, Esq., Vice do.; Edward Binney, Esq., Treasurer; J. R. Mosse and Nepean Clarke, Esqrs., Secretaries.

And the Prospectus, as above, was ordered to be printed and circulated.

## Report of the Board of Home Missions.

---

In presenting their report for the year 1890, the Board of Home Missions is divided between distress and hope. Distress, because of the shortened condition of the finances of the Diocese; and hope, because there does seem at last to be a ray of light which may and by God's blessing will, develop into a glorious sunshine.

The present condition of affairs is briefly this. The statement is quoted from *Occasional Paper* No. 1.

"The grants made to parishes conditionally on so much being paid to the Clergy from the people amount to about \$5400. Last year the receipts from all sources to the general Fund amounted to only \$4727.29 exclusive of the special amount sent in, in response to the Bishop's pastoral, which was about \$1000 more, but which was a sum not to be depended on beyond that particular occasion. It can easily be seen therefore that this state of things means DEBT. Consequently for some time past the General Fund, in order to pay the missionaries their miserably small stipends according to agreement, has had to borrow from the Reserved Fund; the actual indebtedness to that Fund being at the present moment \$3339.08.

In the case of the Widows' and Orphans' Fund the facts are quite as bad, the income of that Fund as will be seen by the Report of that Committee is going behind more rapidly still; and the actual indebtedness is now exactly \$2179.40. It is true that the allowance to the Widows is lessened from \$175 a year to \$150, which brings expenditure down to income; but this does not extinguish the DEBT. To do that the pension must be decreased to \$100 a year until the debt be slowly paid off. To do this would be a shame and a disgrace. Will our people allow it to be done? *It must be done* unless larger contributions are made, not by a *few* but by Churchmen ALL OVER THE DIOCESE. The income of the Fund in 1889 is \$1931.83.

The Superannuation Fund, owing to there having been few clergymen upon it for some time past, is in a more healthy state, accumulating at the rate of about \$1000 a year. But this Fund has, by the action of the last Synod, been turned into a kind of Insurance Society, regular half-yearly premiums being paid by the Clergy. Under the new condition of things probably in a very short time all the available income will be needed to pay Clergy who will retire from active work.

There is further to be considered the uncomfortable fact that interest is shrinking everywhere on investments. Money which used to bring 7%, and later 6%, is now only to be invested permanently and safely for  $5\frac{1}{2}$  to 5%. This shrinkage can only be made up by increased subscriptions.

The outlook then is sufficiently discouraging, and the most anxious consideration of the Board has been given continuously to the question of how to overcome our difficulties, and bring the Diocese back to solvency again.

Their deliberations have issued in the following action :

It must be allowed that considering the numbers of the Church population of the Diocese, and their comparative wealth, the total amount contributed to the various funds is very small. It is probable that the average sum given per year per head would not exceed fifteen cents.

There is much more then to be given. The only question is, how to get at it.

It has seemed to the Board that the only true and scriptural, and therefore successful way is to appeal to the Church to give systematically and in proportion to income. Were this universally done, the Church would not only have enough to supply all present needs, but also to lay out and accomplish new efforts, revive old work, and advance with rapid steps. There are doubtless many Church people already who give their tenth, and more, for the service of God. But the number of these who do in contrast with those who do not is small, and the Church must go on educating her children in every possible way, and by all lawful means, till most of them do give to God a definite proportion of their substance as his just right.

The best method of getting this great principle well before the people, is the next point. The desirability of employing a permanent organizing Secretary, whose whole time and talents should be given to visiting the parishes for this purpose, has been often during the past year debated at the Board. Some active members, whose best energies are always given to the service of the Church, are strongly in favour of taking such a step. But the majority are of opinion that the scheme would be too expensive, and that the issue might be doubtful. The right man is very hard to obtain ; and there are other practical difficulties. The only other alternative is to send a regular rotation of deputations, to be headed by one of the central clergy, and if possible by a layman (seeing that it is largely a layman's question) and accompanied by one or more of the local clergy.

The plan was tried to a certain extent during the fall of 1890. Rev. Dr. Owen Jones went to the Deanery of Tangier ; Ven. Archdeacon Weston Jones, accompanied by Mr. Charles Wilcox, visited the Deanery of Annapolis ; Rev. W. B. King did good work in the Deanery of Avon ;

Canon Partridge was at work in the Deanery of Bridgewater, whence he was recalled by domestic affliction. Other clergy had arranged to go on the same useful work, but various circumstances prevented their going. The results of the work done by these deputations have in some measure been seen, and will be seen much more during the next season. The work was taken up rather too late for very much to be accomplished this year; but in the Autumn of 1891 deputations will visit every Deanery, and the parishes will be thoroughly aroused to their duty.

With a view to assisting in the Education of the people in this regard, an occasional paper was printed and circulated broadcast through the parishes during the month of November. This publication aimed at upholding the scriptural principles of giving, and also at giving the members of the Church a clear view of the exact financial portion of the Diocese. The expenses of this paper, of 8 pages, were paid by the Board, in the belief that the increase in interest which would be excited by the paper and the information therein conveyed, would more than compensate the outlay. Before this report is circulated, a second paper will have been published, and it is confidently expected that the effect upon the parishes will be marked.

Another most important step has been taken in the establishment of a central society for the encouragement of systematic and proportionate giving. The matter was first mooted in the Deanery of Halifax at their February meeting. A meeting was called at the Church of England Institute, under the presidency of the Dean, when addresses were made by various members of that Deanery; the result of which was the constitution of the Society of the Treasury of God for the Diocese of Nova Scotia, every member pledging himself to give a definite proportion of his income to God. The amount was not fixed at the tenth. Some might give more, some less. It is hoped that this Society may be extended by the labours of the Deputations until the majority of our people give their tenth, in which case our financial easiness is assured.

There are no doubt a large variety of objects connected with the Church, appealing to the alms of the faithful. The Cathedral; the Board of Home Missions; Domestic Missions; Foreign Missions; the W. & O. Fund; the Superannuation Fund; the College, involving as it does the future supply of our Clergy; the Church of England Institute; the Church Hospital; over and above the many parochial schemes and ventures; all these have to be supported or left to languish, by the members of our Church.

One of the country parishes, Tangier, has set a noble example in adopting the principle of proportionate giving; and will contribute its offerings every month. It is thought by the Rector that the result will be at least double what it has given in previous years. This leading many other parishes can quite easily follow, and doubtless will. The

deputation work will be energetically and thoroughly pushed in the early fall of the current year, and there will be a large increase of donations in the next Report.

Meantime, much good work is being done. At no period in the previous history of the Diocese was there more earnestness and devotion on part of the clergy. The unceasing exertions of the Bishop, by which has brought upon himself, to the great sorrow of his people, a most severe and dangerous illness have already begun to tell; and in spite of a bad state of the actual funds, there is good hope that the conscience and heart of our people being simultaneously aroused, they will rise to the occasion; and not merely wipe out the debts, but make the Church what her apostolic heritage and Scriptural doctrine demand for her, a praise in the earth.

The Committee earnestly beg that the Clergy will make a special effort to bring the claims of the Fund to the consideration of the Parishes, feeling sure that such a charitable object must always elicit a warm response.

Every Clergyman upon the Fund is required by Rule 7, to make at least one collection annually in its behalf.

The Treasurers' accounts, duly audited, are herewith submitted.

F. PARTRIDGE, *Secretary.*

## Report of Committee on Superannuation Fund.

Since the publication of the last report of this Committee, the rules and working of the Fund have, by the action of the Synod, been revolutionized. Instead of apportioning a fixed sum of two hundred dollars a year to such clergymen as might be approved by the Committee under the rules, as a kind of charitable allowance, the scope of the Fund is now enlarged. Every clergyman entering the Diocese has the privilege of joining it, by payment of a certain yearly sum in half-yearly instalments, due Jan. 1st and July 1st. If these premiums are regularly paid, and he takes a collection in his Church once in each year, he becomes entitled of right to a Superannuation grant according to a fixed rate in proportion to the number of years of his consecutive service in the Diocese. He may superannuate himself on reaching the age of 70.

With the present capital of the Fund, about \$35,000 the premiums, and the collections taken in the parishes, it is hoped that the Fund will stand the strain thus put upon it. At present 36 of the clergy have availed themselves of the benefit of the Fund, and it is likely that most of the others will come into it before the conclusion of the first half-year.

There are three beneficiaries upon the Fund under the old regulations, each receiving two hundred dollars a year. These the Committee have considered as privileged, and not to be interfered with in any way. They are

Rev. Canon Maynard, Rev. J. O. Ruggles, Rev. J. Shaw Smith.

The clergy on the Fund under the new rules are as follows :—

## King's College.

The Diocesan Synod having made it compulsory on the Clergy to have a collection for King's College on the Sunday before Michaelmas or some convenient Sunday about that date, it becomes necessary to make a statement of the moneys sent in to the Secretary's office for that object from the various parishes.

The College is in urgent need of more funds. At present the expenditure is in excess of the income. And yet it seems impossible that the Staff can be diminished without interfering seriously with the efficiency of the College. During the last twelve months the Rev. H. How, a most diligent worker, and a graduate and strong friend of the College, has been canvassing the Parishes in Nova Scotia and New Brunswick, but with very small success. It is clear therefore that nothing of any consequence can be obtained at present for Endowment. The only hope lies in providing sufficient for current expenses by collections and donations.

## Report of Board of Domestic and Foreign Missions.

It is once more a matter of rejoicing to the Board to be able to report an increase of subscriptions from this Diocese to the Funds of the Domestic and Foreign Missionary Society of this Ecclesiastical Province. The Diocese, as the needs and objects of the Mission Field are becoming better known and appreciated, is gradually giving a larger proportion of its means to their support. This year the amount subscribed for these purposes was \$1827.37, a larger sum than has been contributed in any one year since the Board was constituted.

Since last year's report, a very important move has been made by the sending of Rev. Mr. Waller as a missionary of the Central Society to labour in Japan. Those who give are now enjoying the pleasure derived from having a missionary of their own; in whose work they are directly interested. It is hoped that this fact will act as a stimulus upon the disposition of our people to give to Foreign Missions, since they can now better estimate their value and success.

In addition to the sums acknowledged here, there have undoubtedly been some subscriptions forwarded direct, especially in the support of Mr. Wilson's Homes. Thus in all probability the total contributions from the Diocese are not less than \$2500.

The awakening of the conscience of the Diocese to systematic and proportionate giving will benefit this Fund no less than others. May our congregations increasingly realize that "God loveth the cheerful giver."
