PROCEEDINGS  
OF THE  
EXECUTIVE COMMITTEE.

---

The Executive Committee met on Tuesday, the 3rd of August, when Mr George L. Mowat was requested to act as Secretary, pro-tem; and the Treasurer was requested to pay Mr. Ireland his Salary as Secretary up to that time.

The Chairman was authorized to make the Deed of North-half of Lot Number Four, on College-Street, to Mr James Gray, instead of Mr Mowat.

The Rev. Principal was authorised to request the Rev. Mr George, and the Rev. Mr. Urquhart, to resume their duties as Professors for the next Session.

The Treasurer was requested to refund to Mr. Mowat, the sum of Three Pounds paid by him for Conveyancing, anent the property purchased from the College by the late David John Smith, Esquire.

It was agreed, that Lot Number Five, on College Street, should be offered to Mr. James Gray at One Hundred Pounds per Acre, payable one-fifth down, and the balance in four equal Annual Instalments, with interest.

At a meeting on the 18th August, the Secretary was directed to request Mr McLennan to nominate, at his earliest convenience, a suitable person for the office of first Usher, for the approval of the Trustees; and on the 24th of the same month, a letter from Mr. McLennan was read, nominating Mr. James Rollo, who was accordingly appointed first Usher.

On the 7th September, the Treasurer was requested to pay the Janitor, John Anderson, the amount due to him for wages from 1st October, 1851, to 1st May last, being £22 15s.

On the 5th October, Mr. Hamilton read a letter from the Provincial Secretary's Office, Dated 9th September, acknowledging the receipt of a Petition, signed by him as Chairman,

praying for a Legislative grant on behalf of the College. Mr. Hamilton also stated that he had sent through the Honorable John A. Macdonald, a Petition praying for a grant to the College of a portion of the land in this City, formerly known as the Murney Property.

A letter was read from Mr. James Gray, requesting that the terms of payment for the Lot on College Street should be extended to eight years; and Mr Hamilton was authorised to conclude the arrangement, by giving him a Deed, and taking a Mortgage for the purchase money, payable according to the terms of his letter.

The Rev. Professor Smith was authorised to subscribe for one copy of Tregalle's Greek New Testament, for the College Library.

On the 2nd November, Mr. Mowat and Mr. Drummond were authorized to negotiate with J. Durnford, Esquire, for the sale of Lots Number One and Two, on the N. E. corner of Union and College Streets, and of Lot Number Three, and adjoining half of Lot Number Four, on the East side of College Street, on the basis of an offer made by him, and to endeavor to include in the sale the whole of Lot Number Four.

The Treasurer was authorised to pay £25 to Mr. McLennan, being the amount due to him for four month's Salary to 31st August, as Assistant Teacher in Queen's College School; and also to pay the Salary due to the present Assistant up to the end of October.

It was agreed to reimburse to Professor Smith, the sum of One Pound Eighteen Shillings, paid by him for an Atlas for the use of his classes.

At the suggestion of the Principal and Professors, the hour for evening prayers, at the Boarding House, were altered to 6 o'clock.

Professor Williamson was authorised to disburse the sum of Ten Pounds, Sterling, in the purchase of Instruments, &c.

The Senatus were authorized to appropriate the Matriculation Fees to the purchase of Books for the College Library, and were requested to submit to the Board from time to time, a report of the purchases made by them.

On the 11th November, a letter was read from the Rev. Mr. George, intimating the conditions on which only he could hope to be able to act as Professor of Theology this winter; when it was resolved, that Mr George's congregation be requested to consent to their Pastor's giving the required time to the

duties of his Professorship during the present Session; and also that the Presbyteries of Toronto and Hamilton be requested, in concert with one another, to provide regular supply for Mr. George's Pulpit; the Committee engaging to pay the travelling expenses of the Ministers officiating, say £1 10s. per Sabbath; and the Secretary was instructed to furnish Mr George, and the two Presbyteries each with a copy of this resolution.

On the 7th December, Mr. Mowat intimated that Mr. Durnford declined to include the whole of Lot Number Four in his purchase; but was willing to purchase Lots Number One, Two and Three; whereupon the Secretary was directed to communicate to Mr Durnford, that the Trustees were willing to sell Lots Number One and Two, at £112 10s. per acre, and Lot Number Three at £100 per acre, payable one-eight down, and the balance in seven Annual Instalments with interest.

The Rev. Principal read extracts from letters received from the Rev. Mr. George, and the Rev. Mr. Urquhart, intimating their intention, in compliance with the wishes of the Committee, to assume their respective duties as Professors of Theology, during the current Session.

A letter was read from the Rev. Hannibal Mulkins, offering to purchase Lot Number Four, on the East side of College Street; also, a letter from Mr John Fraser, offering to purchase Lots Number Five, Six, Seven, Eight and Nine, on the East side of College Street, at £75 per acre. The Secretary was directed to communicate to Mr. Mulkins and Mr. Fraser, that the Trustees were willing to sell the Property in question, at £100 per acre, on the same terms as to time, as those offered to Mr. Durnford.

The Secretary was directed to write to the parties who purchased Lots on College Street in 1841, calling upon them to pay the balances due, and to intimate to them that the Trustees were ready upon such payment to execute the necessary Title Deeds.

The Treasurer was authorized to pay all Taxes due on Property belonging to the College.

A letter from the Provincial Secretary's Office was read, acknowledging the receipt of a Petition, praying for a grant of land for a site for the College.

It was resolved, that a sum of Ten Pounds be granted as a Bursary, to be competed for by Students of the first Class.

On the 1st March, 1853, the Secretary intimated that in compliance with the directions of the Committee, he had writ-

ten to Thomas Kirkpatrick, John Shaw, and Henry W. Benson, Esquires, requesting payment of the balances due by them respectively, on the Property sold to them by the College in 1841; and had received a letter in reply from Mr. Kirkpatrick, stating that the Deed presented to him in December, 1841, was imperfect, the Trustees having no power to execute it. That in consequence he had been deprived of the opportunity of selling the land, and of all benefit from it; and that instead of claiming Interest on the balance, he ought to be allowed Interest on the payment made, up to the time when a perfect title is tendered, or a return of the Deposit Money. It was therefore resolved, to accept from Mr. Kirkpatrick, and the other purchasers in the same position, the balance of the purchase money without Interest.

The Post Office account for rent of Letter Box, up to 24th March, 1852, was ordered to be paid.

The Secretary was directed to have a Deed and Mortgage drawn up for Lot Number Twenty-five, in the Third Concession of Aldborough, purchased by Mr. Donald McLean, and to inform him of the amount of the Second Instalment and Interest now due.

The Treasurer was requested to reimburse Mr. John Mowat the sum of £18 5s. 3d., disbursed by him for the construction of a Plank Side Walk from Clergy Street to the College, and to charge the amount to the Municipality of the City of Kingston.

Mr. George L. Mowat having resigned the office of Secretary, Mr. William McIver was appointed in his stead, and the Treasurer was authorized to pay Mr. Mowat the salary of Secretary from the 3rd August last.

On the 21st March, a Petition to His Excellency the Governor General, praying for a grant of land, as a site for College Buildings, was transmitted by the Chairman to the Honorable John A. Macdonald for presentation.

On the 6th April, the Annual Report to the Colonial Committee of the Church of Scotland was read and adopted; and the Secretary was instructed to transmit it to the Secretary of the Colonial Committee by first Mail for England.

It was agreed to grant to Mr. McKerras the sum of Four Pounds for his services as Assistant Librarian.

The sum of Fifteen Pounds was voted, to be appropriated for the purpose of procuring Prizes.

arrangements with the Janitor, with a view to securing his services for a further period.

Sundry Accounts amounting to £19 1s. 10d. were presented and ordered to be paid.

The Annual Report to the Colonial Committee was dispatched on the 9th April.

On the 9th June, Mr. Mowat reported that the Boarding House Committee had engaged the services of the Janitor, John Anderson, for one year, at a salary of Sixty Pounds per annum, if the Boarding House be continued, or Sixty-eight Pounds per annum, if it be discontinued; and the Treasurer was authorized to pay him his Salary up to the close of last Session.

The Treasurer was also authorized to pay Mr. McLennan the salary of the Assistant Teacher, up to 30th April last.

Sundry other Accounts, amounting to £18 11s. 10d., (including one presented on 6th April in which it appeared there had been an error of One Pound) were presented, and ordered to be paid.

It was agreed to sell Lot Number Twenty-five, in the Second Concession of Manvers, at 12s. 6d. per acre, payable one-fourth down, and the balance in three equal Annual Instalments with Interest; and the Secretary was directed to communicate these terms to the parties applying for said Lot.

Mr Byers' Boarding House Account was referred to the Boarding House Committee to report on at next meeting.

A letter was read from Mr. McLennan, complaining of the state of the Furniture in the School Room, and of the Offices in the yard. Mr. Bruce agreed to visit the School, and see what repairs were necessary.

The Secretary read a synopsis of the proceedings of the Board, and of the Executive Committee during the past year, which was approved; and the Treasurer read a statement of his Account—both documents were ordered to be printed and circulated amongst the Trustees.
