MR. M'MURDO

FAREWELLED

Ex-Mayor of Newcastle Given Royal
Send-Off Last Week.

Friday night was a joyous occasion
in Hotel Miramichi, when at eleven
o'clock, a choice company of local busi-
ness men sat down to a banquet in
honor of Ex-Mayor Leslie B. McMurdo,
about to depart for the West.

The feast was prepared in the ex-
cellent style usual to Hotel Miramichi,
and ample justice was done to the
dainties. Among these present to do
honor to the well known and popular
guest of the evening, were the follow-
ing: Mayor Pedolin, who very grace-
fully occupied the chair; Ald. Butler,
who proposed the toast in an espe-
cially happy manner; Aldermen Dickin-
son and Russell, Ex-Ald. Belyea, A.
A. Davidson, K. C. Hon. Donald
Morrison, E. A. McCurdy, W. J.
Jardine, Doctor Spradlin, Deputy Sher-
iff Irving, George McDade, A. H. Mc-
Kay, Roy Morrison, H. R. Moody,
Alex. Greenley, Geo. T. Bethune and
others.

After the King and "Our Guest"
were duly honored, the first bringing
forth the National Anthem in chorus
and the latter an eloquent speech from
the Ex-Mayor, a warmly appreciative
address to Mr. McMurdo was read by
Ald. Butler, and this was followed by
the presentation by Mr. Moody on be-
half of the assembled company, of an
elegant and valuable suitcase.

The following toasts were then pro-
posed, and replied to as follows:
The Town Council—Mayor Pedolin,
Ex-Ald. Belyea, and Ald. Butler.

Business Men of the Town—Hon. D.
Morrison, H. R. Moody, A. H. Mac-
Kay.

Banking Institutions—W. J. Jar-
dine.

Board of Trade—E. A. McCurdy.

Press—Geo. M. McDade.

Ladies—Roy Morrison, Alex. Green-
ley, Wm. Irving, A. A. Davidson and
Ald. Dickinson.

The party broke up at a m. m., and
while regretting extremely Mr. Mc-
Murdo's departure from our midst,
each expressed the hope that Mr. Mc-
Murdo would prosper in his new home.

Town Council

Holds Meeting

Much Discussion, and Little Business Transacted at
Thursday Night's Meeting.

Meeting of the town council was
held on Thursday evening under
the presidency of the Mayor. There
were present councillors Mowat, Lun-
nam, Miller, Alexander, Pinault and
Moore. The town solicitors Messrs.
McKenzie and Trueman were also
present. Minutes of previous
meeting read and confirmed.

Mr. McKenzie made a statement
regarding the minute read and
stated that Dr. Murray was slight-
ly in error in his statement at last
meeting that the legislation sought
by the town could have gone
through at Fredericton.

No suggestion was made in
committee as to putting a rider to
the bill seeking power to take a
plebiscite of the people. The solicitor
stated that he was present at all
the meetings of committee and
that the legislation asked by the
town was turned down owing to
it being too much of an innovation.

Councillor Lunnam and Mr. Tru-
man spoke on this subject thank-
ing Mr. McKenzie for his explana-
tion. Mr. Trueman brought up
the matter of the town debentures
and stated that he had made up
the various forms for the bond
issue.

Councillors White and McKen-
zie entered the meeting.

After Mr. Trueman's explana-
tion it was moved and seconded
by Councillors Miller and Lunnam
that the finance committee be in-
structed regarding the issue of the
bonds.

Communications from Peter
Clinch re by-laws of the town and
clerk was instructed to supply
copy of resolution passed by
council.

From C. W. Hughes Chief of
Police re clothing for constables,
and condition of roof of police
station which was very leaky. Re-
ferred to police and license and
public property and streets com-
mittees. Petitions received from
Wm. Ross for dealers license, Mrs.
Gelett for trucking, referred to
police committee.

Petition from John S. Collins
for water service on O'Leary St.
referred to water and sewerage
committee.

A largely signed petition was
received from the ratepayers for
sidewalk on north side of Water
St. which was referred to Public
Property and Streets committee.

Petition from residents in re-
served street on Geo. Duncan's
land for water service was referred
to Water and Sewerage committee.

Reports of Standing committee,
Finance committee presented by
Councillor Miller recommending
payment of accounts totalling
\$613.20 was received and adopted.

Report from Water and Sewer-
age committee recommending that
the extension of the water and
sewer connections on Hanover and
Stanley St. be proceeded with. On
the request of Coun Lunnam the
matter of Athol street was brought
up but the engineer's report stated
that the probable cost would ex-
ceed \$4000 and the revenue would
not be enough to pay the capital
outlay interest. On a further
question by Councillor Lunnam the
engineer stated that the water
service could be installed for a
sum of about \$1600 but after dis-
cussion this matter was dropped
and the first part of the report
was received and adopted.

The committee were empowered

to sell the old iron that was lying
about.

Councillors Mowat from the
Electric Light submitted report
from this committee recommend-
ing payment of accounts totalling
\$37.63. Report received and
adopted.

Many more matters of great
importance were discussed but
having to go to press other items
of interest have to be held over.

CURED OF DRINK
BY SIMPLE REMEDY.

A Devoted Wife Helps Her Husband
to a Cure Through Samaria
Prescription.

Mrs. S. of Trenton, was in despair.
A loving father and a careful pro-
vider when sober—her husband had
gradually fallen into drinking habits,
which were ruining his home, health
and happiness. Drink has inflamed
his stomach and nerves and created
that unnatural craving that kills con-
science, love, honor and breaks all
family ties.

But read her letter:
"I feel it my duty to say a few
words about your Tablets. As you
are aware, I sent and got a bottle,
thinking I would try them in secret.
My husband had only taken them a
week when he told me he was going
to Port Arthur for the summer, so I
had to tell him about the Tablets.
He said he would take them just the
same, so I sent and got the second
bottle for fear one would not be
enough. He writes me saying that
he has taken the contents of both
bottles, and he feels splendid, does
not care for drink. In fact, he has
not taken any liquor from the first
of my giving it to him. I feel I cannot
say too much in favor of your wonder-
ful Remedy."

Mrs. S. —, Trenton, Ont."

Samaria Prescription stops the crav-
ing for drink. It restores the shak-
ing nerves, improves the appetite and
general health, and makes drink dis-
tasteful and even nauseous. It is
used regularly by Physicians and
Hospitals, and is tasteless and odor-
less, dissolving instantly in tea, coffee
or food.

Now, if you know any home or
which the curse of drink has fallen,
tell them of Samaria Prescription. If
you have a husband, father, brother
or friend on whom the habit is get-
ting its hold help him yourself. Write
to-day.

A FREE TRIAL PACKAGE OF
Samaria Prescription, with booklet,
giving full particulars, testimonials,
price, etc., will be sent absolutely
free and postpaid in plain sealed
package to anyone asking for it and
mentioning this paper. Correspond-
ence sacredly confidential. Write
to-day.

OPENING OF BASE-

BALL LEAGUE

First Game of the Season Witnessed
By a Large Crowd.

The first league game of the
season was played at the new
grounds on Wednesday evening
between the I. C. R. and Mechanics
teams. Glorious weather brought
out a goodly crowd who were
treated to a good game, nice music
and the best of attention. The
town band made its first appearance
and the impression created was
very favorable. Deputy Mayor
John White, in declaring the
grounds open made a neat speech
commending the efforts of the
young men in securing a splendid
field and emphasizing the necessity
of everyone helping not only in
sentiment but in hard cash.

A seven innings session was
played and apart from one or two
errors which will disappear once
the teams get playing together, a
very good sample of ball was
served up. One double play,
Duncan to Shirley being neatly
brought off, while the work of
both teams was sharp and clean.
The game was drawn 3 all and
both pitchers kept their hits
scattered, the runs being scored
more from errors in the field than
safe hitting.

Rev. Father Morrissey

Why Not Get Rid of That Catarrh?

There are few people in this extreme and changeable climate who have not at least a touch of nasal catarrh. Yet because in itself it is not very dangerous most people put up with it, in its first stages, as a matter of course, till some day they wake up to the fact that the trouble has crept down to the lungs, or perhaps, through swallowing the phlegm, to the stomach.

Father Morrissey's No. 26

is a combined internal and external treatment that has cured, and will cure, the most stubborn cases. The tablets, taken three or four times a day, purify the blood and help to throw off the disease, while the antiseptic, healing salve, applied up the nostrils, cleanses the diseased parts, heals, and completes the cure. Now is the very best time to get No. 26 and start to get rid of that catarrh. Combined treatment 50c. at your dealer's.

PROGRESS IN MEXICO NOW

New Electoral Law Adopted and Division of Large Estates Promised.

Mexico City, June 1.—The Mexican congress brought its session to a close last night with the appointment of the permanent committee, composed of members of both houses, which will represent the body during the recess. The fall session will begin on Sept. 15.

Among the measures of greatest importance to the people at large taken up by the Congress were the land bill, proposing the division of the great estates throughout the Republic, and the sale of lands in small tracts to settlers, and the electoral law. The land bill went to a committee, and was not reported.

It authorizes the division and sale of such national lands as possess the necessary conditions for distribution in small parcels. The bill also authorizes suitable lands to be acquired from private owners and the construction of irrigation, sanitation and drainage works and transportation lines. It will come up again.

IMPORTING CHILDREN

Halifax, N. S., June 2.—One hundred and seventy-nine bright-eyed youngsters, averaging fourteen years, arrived this morning from the Middlemore Home, Birmingham. They leave Halifax tonight for points in the maritime provinces.

About sixty of the youngsters are girls. All are a healthy looking lot.

Mrs. Gerow, of the Fairview Home, takes a party to Carleton and York counties tonight. Mr. Jackson leaves the same time with a party for Fredericton.

Superintendent Gerow leaves tomorrow with those destined for points between Halifax and St. John. Ensign Hargrove will take a party to Prince Edward Island. The two matrons will take a party to Cape Breton.

The uniform success that has attended the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy has made it a favorite everywhere. It can always be depended upon. Sold by all dealers.

GAVE HIS LIFE FOR ANOTHER

South Porcupine, Ont., June 2.—Stewart L. Maclelland, of Ottawa, mining expert and broker, was drowned in Parkey Creek while attempting to rescue Leo Dore, aged 16, who was also drowned by the capsizing of his canoe. Dore's sister clung to the canoe and was rescued by D. E. McKee. Maclelland plunged in after Dore, and failed to rise again, but in the excitement was not missed for an hour. His body was found entangled in weeds.

\$3,600 in Cash Prizes for Farmers

ARE you going to build that new horseblock, sidewalk or dairy house of cement? Then insist on your dealer supplying you with the "CANADA" Cement. Not only will this ensure your getting a pure, uniform and strictly high-grade cement, that will guarantee the lifelong permanency of the thing you build, but it will also entitle you to enter our Prize Contest. And in this contest you stand a good chance of winning a prize that will perhaps more than pay you for the cost of the work. Every farmer in Canada who uses "CANADA" Cement is eligible to compete. Four prizes will be awarded in each Province and these prizes will be divided as follows:

PRIZE "A"—\$100.00 to be given to the farmer in each Province who will use during 1911 the greatest number of barrels of "CANADA" Cement.
PRIZE "B"—\$100.00 to be given to the farmer in each Province who uses "CANADA" Cement on his farm in 1911 for the greatest number of purposes.
PRIZE "C"—\$100.00 to be given to the farmer in each Province who furnishes us with the photograph showing the best of any particular kind of work done on his farm during 1911 with "CANADA" Cement.
PRIZE "D"—\$100.00 to be given to the farmer in each Province who submits the best and most complete description of how any particular piece of work shown by photograph sent in, was done.

Notice how we have purposely planned in order to give large and small users of cement an equal opportunity.

As an illustration of this: In prizes "C" and "D," the quantity of cement used has no bearing whatever on the result. The farmer who sends us the best photograph of a small thing as a watering trough or a gate post, has as much chance for prize "C" as a man who sends a photograph of a house—and the same applies to prize "D."

Don't hold back from entering because you think you don't know anything about concrete work. It's very simple. Besides, we have a 160-page book that we will send you free on request, which tells you all about concrete and how to make and use it. In this book, you'll find complete instructions for the making of almost everything you can think of in the way of farm utilities, floors, vats, troughs, stairs, posts, etc.

This free book—entitled "What the Farmer Can Do With Concrete"—will not only inform you—it will also greatly interest you. So send for it anyway, whether you intend to try for one of the prizes or not.

Mrs. J. A. Follansbee reported for Chatham District. Another pleasing feature was when Mrs. Lawson of St. John, and Mrs. Hart of Sackville, both of whom had given their daughters as Women's Missionary Society workers, were introduced, they responding appropriately to the greetings of the convention.

EVERETT HARPER DROWNED

Sad and Untimely Ending of a Bright and Promising Child

Little seven-year-old Everett Harper, son of Mr. and Mrs. James Harper of Chelmsford, was drowned in the South West Miramichi on the evening of the 30th ult., falling from the boom where he was fishing. The lad was a very bright boy, and much sorrow is felt for the bereaved family. Large numbers were in attendance at the funeral which was held on Thursday afternoon, at 2 o'clock. In the absence of Rev. Alex. Pettie, the service was conducted by Rev. Mr. Porter. Interment was made in the Presbyterian cemetery at Upper Derby.

METHODISTS FOR UNION

Church union was approved last week by Toronto West District of the Methodist Church by the overwhelming vote of fifty to eight. Toronto West is the largest district in Canadian Methodism, comprising some twenty-five churches, many with large membership, so its pronouncement on these questions is regarded as quite significant and representative.

AN AUSTRALIAN VISITOR

John Corbett of Melbourne Visits His Brother After 46 Years Separation.

[Union Advocate]

It was a pleasant occurrence on Wednesday for Mr. William Corbett, sr., when he found his brother Mr. John Corbett at his home here. For nearly half a century, forty-six years to be exact, neither brother had seen the other. Mr. Corbett did not recognize his brother, but he had word that he would arrive and consequently he was soon shaking his hand.

Mr. John Corbett, who was the oldest of the family, left his home at Inverness, Scotland to locate in Australia forty-six years ago. Several years later Mr. William Corbett came to Miramichi from Inverness. Mr. John Corbett was very successful in Australia, where he is located at Melbourne. He paid a visit to Inverness about ten years ago and spent a month there with his brothers. On his visit home this year he decided to come to New Brunswick and see his other brothers, William, of Newcastle and Louis of Petit Rocher. After spending a short time here, he will proceed to Petit Rocher.

Mr. Corbett finds the climate here much colder than that of Australia. What he has seen of Miramichi has certainly impressed him and he was particularly struck with the beautiful river.

The St. John bankers were directed by Moncton nine in Moncton on Saturday, 12 to 2.

DOCTOR ADVISED OPERATION

Cured by Lydia E. Pinkham's Vegetable Compound

Canifton, Ont.—"I had been a great sufferer for five years. One doctor told me it was ulcers of the uterus, and another told me it was a fibroid tumor. No one knew what I suffered. I would always be worse at certain periods, and never regular, and the bearing-down pains were terrible. I was very ill in bed, and the doctor told me I must have an operation, and that I might die. I wrote to my sister about it and she advised me to take Lydia E. Pinkham's Vegetable Compound. Through personal experience I have found it the best medicine in the world for female troubles, for it has cured me, and I did not have to have the operation after all. The Compound also helped me while passing through Change of Life."—Mrs. LETTIE BLAIR, Canifton, Ontario.

Lydia E. Pinkham's Vegetable Compound, made from roots and herbs, has proved to be the most successful remedy for curing the worst forms of female ills, including displacements, inflammation, fibroid tumors, irregularities, periodic pains, backache, bearing-down feeling, faintness, indigestion, and nervous prostration. It costs but a trifle to try it, and the result has been worth millions to suffering women.

The Talk of the Town

Rev Mr. Drum had a slight attack of measles last week, but we are glad to know he has now fully recovered and will be able to conduct the services in the Presbyterian church this Sunday.

The Minto swimming pond is giving some trouble, a detachment of the fire brigade being out at it with the steamer on Tuesday evening. It was good training for the boys.

The Campbellton Band had their first march-out on Wednesday evening playing at the ball grounds and also at the Opera House. The boys are doing well. Let us give them a hand and show them we are not at all too busy building houses but what we can do something for them.

There is a feeling among the young people that a tennis club is just what is wanted and all who are interested may send their names into J. G. MacColl at the "Graphic" Office. It is arranged to have a meeting very soon to get a club going.

The Building Inspector is going around these days with blood in his eye. Saturday is the last day for the substitution of brick chimneys for iron ones in any building in the town, so those who are still delaying this matter will feel the law. The inspector has "put his foot down with a firm hand."

The summer service of the I. C. R. is now in operation and the arrival and departure of the Limited is once more an absorbing passion among some of our young people. Some people couldn't even come to the ball game until they had viewed with envious eyes the weary travellers on our palatial railway.

A substantial grand stand has been provided at the ball grounds to enter which a charge of 5 cents is made. To the many who occupied "palling" positions on Wednesday evening, we desire to say that in future games such things as "palling tickets" will not be sold and a constable will be provided to see that all enter by the "straight gate" and pay their 10 cents like decent people. Have you got that season ticket yet? Well, it is time you had. Two dollars please.

The wharf as a church parade is looming large in the public eye. Could not the Council put some nice cosy benches down there for the benefit of the many couples who stroll by the water's side listening to the sweet music from a steamer's gramophone. It would be so much nicer to sit and listen to the music while someone is whispering sweet nothings.

BLACK CAPE.

Black Cape, June 5.—A few of our young ladies and gentlemen took a drive to New River on Wednesday and report spending a very good time. Dr. Sprout paid Carleton a flying trip last week.

Mr. H. Henderson drove to Port Daniel last week. Mr. and Mrs. William Jamieson are receiving the congratulations of their many friends on the arrival of a little girl in their home on May 29th.

Mrs. D. L. Campbell is visiting her home in Paspheas West. Mr. Edgar Campbell left on Friday for Delbourne Jet.

Mrs. J. H. West and children have gone to New Carlisle where they will likely remain for some time. Rev. Mr. Robb, missionary of Korea, occupied the pulpit in the Presbyterian church at New Richmond on Wednesday evening giving a very interesting address on Korea, the Rev. gentleman had a crowded congregation.

Rev. J. M. Sutherland, school inspector, has visited all our schools and made a good report of them all. Mr. J. A. Guite is at present taking the census in Black Cape.

WHEEDEN-KINGSTON

In St. Mary's church at 8 o'clock Thursday morning, Miss Annie Katherine Kingston was united in marriage to Mr. Murdoch Whedden. The marriage was very quiet only the immediate friends of the couple being in attendance. Rev. P. W. Dixon, pastor of St. Mary's church officiated. Miss Mary Bayle was bridesmaid and Mr. Wm. Hollahan was best man. The charming bride was dressed in a cream serge suit trimmed with black satin and wore a black picture hat. Immediately after the ceremony the bridal party repaired to the home of the bride's parents, Mr. and Mrs. John Kingston, Chaplin. Mrs. John Kingston, Chaplin breakfast was served. Mr. and Mrs. Whedden took the accommodation on Thursday afternoon for Campbellton en route to Montreal and other cities on a honeymoon trip.

WEDDING BELLS

BETTIE—IRVING

A very pretty wedding took place on Thursday, June 1st, at St. John's, when Miss Jennie Irving, daughter of Mr. J. D. Irving, was united in marriage with Rev. Alex. Rettie, M. A. B. D., of Millerton.

The wedding ceremony was performed by Rev. A. D. Archibald, of St. John's Presbyterian church, which had been beautifully decorated by girl friends with hawthorn and apple blossoms. At four o'clock the groom, supported by Mr. Herbert Irving, brother of the bride, took his place under a floral arch and to the strains of Lohengrin's wedding march, beautifully played by Miss Bertha Douglas the bride leaning on the arm of her father, entered the church. The bride looked very lovely in a champagne gown of lace and black picture hat, and carried a bouquet of bride's roses and narcissus.

Miss Katherine Stevenson in a dress of pale yellow silk with lace trimmings, and carrying a bouquet of Marguerites, performed the duties of bridesmaid.

A large number of guests were entertained at a reception at "Sea-View Farm, the home of the bride's father, and immediately after Mr. and Mrs. Rettie motored to Moncton, where they took the Maritime Express for Montreal and Ottawa. The bride looked charming in a suit of violet with hat to match.

The gifts were many and very beautiful and testified to the high regard and affection in which both young people are held. They will be at home at the manse, Millerton, N. B., after July 4th.

INTERCOLONIAL RECEIPTS INCREASE

Montreal, May 30—E. Tiffin of the I. C. R. commission, last evening stated that the receipts from both passenger and freight were considerably in advance for the month of May, which is the first month of the road's fiscal year, than for the same month last year, which was however considered good at the time. This being the case, Mr. Tiffin and his colleagues were very hopeful for the current year.

SPORTING VIEWS

A field day is being planned for Parboro, N. S., on Coronation Day.

The St. John's defeated the All Halifax baseball team by a score of 4 to 3 in Halifax on Saturday afternoon. Ford pitched for the St. John's.

The Gazette, (Chatham) and Review (Richibucto) both would like to see a North Shore League. So what's to hinder it being made a reality at once?—Advocate

The St. Stephen Thistles defeated the Calais team 3 to 1 in a fast game of ball in St. Stephen on Saturday. Etey pitched for the Thistles and Carver for the Calais team.

The Marathons have signed on a new pitcher named Morris from New Jersey, and also Joe Donnelly, who will play first base for them. Morris comes well recommended. He will pitch for his team in Fredericton today.

Norwalk, O., June 5—Frank Van, a ball player, was struck by lightning and killed on the ball grounds yesterday. Several other players who sought shelter under a tree were shocked when a bolt struck the tree.

New York, June 4.—John J. Eller, of the Irish-American Athletic Club, the champion hurdler, lower the American record of 9 25 seconds for 75 yards over lower hurdles, by one-fifth of a second at Celtic Park today. He ran his trial and final heats in 9 15 seconds.

Moncton is out with a challenge to the Newcastle nine, but if the boys don't turn out and practice, it's not much use to talk of a game. The games with Richibucto certainly showed the need of it, and it is certainly discouraging for the few who like to play and are willing to practice, to have to out alone. Wake up boys and get out and practice.

Newark, N. J., June 5—A baseball game yesterday between semi-professional players developed in a fatal row over a close ninth inning finish. John Cronin, aged 28 years, of Belleville, was the victim. He was stabbed in the throat and his windpipe severed. He died in an ambulance which was taking him to a hospital. Nine of the alleged participants in the row were arrested.

G. B. Dukes, of the New York Athletic Club, in the pole vault, cleared the bar at a height of 12 feet 11 inches, but as the vault was not made in actual competition the record will not hold. Dukes had won this event with an actual vault of 12 feet 4 inches. The present world's record is held by Leland S. Scott, of California, the height being 12 feet 10 7-8 inches.

New York, June 3.—A new American record for the three mile run was established by George Bonhag, the Irish-American Athletic Club at Travers Island today. Bonhag won in easy fashion and hung up new figures of 14 minutes 22 seconds for the distance, clipping 7 seconds from the record of 14 minutes 29 seconds made over twenty years ago by William Day.

HOW COLLINS AND COBB RUN BASES

In going into a base, runners differ. Cobb invariably watches the ball, says Eddie Collins, I never do. I keep my eyes glued to the man who is to receive the throw. If he is inside, I slide outside, and if he is playing back, I keep in close, making it as hard as possible for him to touch me by offering little of my body with out his reach. The fallaway slide, hooking the bag with one toe, is a big asset in keeping away from a base man. He has just one leg to touch. I will dodge up the base line to make the catcher think that I am going to steal. He asks the pitch-out and I don't go down. Then I have outguessed him, and he is getting his pitcher into a hole. At last, when the pitcher has to dish up a strike, I go down. The catcher must throw around the batter, and my chances are then much improved.

AUSTRALIA VS. JAPANESE

Melbourne, Australia, May 31.—William Norris Hughes, Acting Premier of the Commonwealth, in a remarkable article, which he has contributed to The Sydney Telegraph, declares that Australia will never agree, except at the sword's point, to admit Japanese immigrants, even should such refusal mean separation from the mother country.

A TAME MOOSE

John Ryan of Chaplin Island Road has a bull moose calf, which, apparently deserted and half-starved, found its way among his cattle and followed them home. It has been adopted by one of the cows and is now a happy and contented member of the barnyard community.—Advocate

NEEDMORE TRADE & CO

This Is BAD Advertising!

IS it the kind YOUR store is getting? This is a very serious question that every merchant should carefully consider. It seems ridiculous for any merchant to advertise that his methods are out-of-date, that his clerks are careless, slow and inefficient and constantly make mistakes, that he is indifferent about the service his customers get, and that he doesn't protect them by giving a receipt with every transaction—

YET thousands of merchants are doing this very thing every day. Not by sticking signs in the window—but by their methods, by their neglect to adopt modern store system. Actions speak louder than words, remember. You don't have to tell people how you do business. You are *showing* them, every day.

If unsatisfactory conditions exist in your store lose no time in remedying them. Prevent mistakes, avoid disputes, stop all losses and insure absolute accuracy in all money dealings—as a million other successful merchants have done—by getting a National Cash Register. Then "put a receipt in every parcel."

You cannot succeed without a good system—and the better your system the better you will succeed. No store system ever invented has done so much for so many merchants at so little cost, as the National Cash Register.

Customers like to deal in stores that have a National Cash Register. They know it guarantees absolute accuracy, promotes efficiency, and stands for up-to-date methods and good management. And they realize that good management means better values.

There's a National Cash Register built for you, and the money it will save you will pay for it.
