Trial of D-82589, Pte. Joseph LeCuffe, of the 48th Highlanders of Can. on strength of No. 4 C.D.R.U.

Note E-3

Statement by accused in mitigation:-

I was posted from No 4 C.D.R.U. to a Field Unit, 2.O.R., but the dental officer took me off because I had no back teeth. That was in August 1942. I am 21 years old. I am unmarried. I was working in a garage, car washing, before I enlisted on 12 Jun 41. I got to grade seven in school and stopped when I was about 16 years old. I prefer to be in a Field Unit than a Reinforcement Unit. I came overseas in May 1942, was in a Reinforcement Unit and went to the Royal Regt. in the field in August 1942 after Dieppe. I was with them about nine months. I went A.W.L. and arrived at the Reinforcement Unit this spring and I have been there since.

The Defending Officer stated that he had nothing to add in mitigation to what the accused said except to point out that the accused is young, and that he has not had a previous Court-Martial, and that the accused is very anxious to get to a Field Unit.

(A) From the way uttered, it was a direct insult.

Case closed for Prosecution. Defending Officer states that he is calling no witnesses. Accused has nothing to say.
Defending Officer
Lt. Schwob

Let us trace what happened re these charges. The accused was first brought up on a charge regarding his respirator while on a route march. The respirator had been condemned and he felt that the charge should not have been made. On coming up to Office he was given another award and he believed it was illegal. I ask the court to consider these points in the case of the accused. There might possibly be reason to believe that the charges were brought because of the accused's ignorance of what constitutes a crime and might have a bearing on the case.

9

Prosecuting Officer
Lt. D.T. Lynch

As far as a man's knowledge of Military Law goes, if he doesn't know now he should. He joined in Sep 1939 and has been in the army nearly two years. If he does not know what constitutes lack of obedience, and insubordination, I think it about time that he found out.

COURT CLOSED

COURT REOPENED

President of Court calls for character evidence and this is produced by Lt. Lynch: a certificate re close arrest since 15 May - a period of 35 days. MFM 6 also produced.

Defending Officer's Closing Address

Sir, I would like to draw attention to the conduct sheet of the accused. It is a lengthy document but there are no serious crimes. He joined in 1939 and was a good soldier for a period. Then he got in trouble and has not been out of trouble for some time. From enquiries, he seems to try to be a good soldier, but he has the faculty of getting into trouble. The point I would like to make is that he is not a suitable chap for a M.G. Bn. He has only a vague idea of orders and responsibility. He is not a good machine gunner. He has done nothing of a serious nature. It is just slackness on his account. If he were transferred to some other branch of the service and given work where smartness and neatness are not important, he would probably do better. If found guilty, a term in gaol will not make him a better soldier. I think that if he is transferred to some other branch of the service, he might become a valuable man to the Canadian Army. If left where he is, he will never be of any great use. He is not responsible, to a great extent, for his actions.

(Signed) Major D Mackie,

Summary of evidence in the case of No. D76143 Pte. Lecours C., The Royal Montreal Regt (MG).

1st. Witness No. D76831 Cpl. Williams G.A.T., The Royal Montreal Regt (MG) having been duly sworn, stated;

At 0935 hrs. 14 May 41, while parading with Pte. Lecours, whom I now recognize, from company office I told him to go back to his billets and prepare to go down to the gas chamber and he replied "That will be the fucking day". I returned to company office and laid a charge against him.

At 1855 hrs. 14 May 41 acting on my duties as orderly sergeant, I entered the guard room and ordered the accused Pte. Lecours to go over to the kitchen, under escort, and work under orders of the cook. He refused, stating that he had not been tried and therefore could not be made to work until he had been convicted. I explained to him that he had been tried and punished for two offences that morning, receiving seven days C.B. on each and therefore he was a defaulter and could be ordered to work. When I ordered him again to go over to the kitchen he replied that he might just as well be charged with four crimes as two. On reaching company office I entered another charge against him.

The Accused declined to cross-examine this witness.

G.A.T. Williams 76831

2nd Witness No. D76818 Sgt. Spooner L.W. The Royal Montreal Regt (MG), having been duly sworn, stated;

At 0930 hrs. 14 May 41, I was orderly sergeant when the accused whom I now recognize was up for company office. The charge was read and when the punishment was awarded the accused threw up his head and smiled in a sneering manner. On being told to conduct himself properly by Major MacRae, the accused still continued to sneer.

When the accused was dismissed outside company office, Cpl. Williams told him to report to his platoon and he turned around and replied "That will be the fucking day". Cpl. Williams then warned him that he was on another charge.

The Accused declined to cross-examine the witness.

Sgt. L.W. Spooner.

3rd Witness No. D76230 L/Cpl. Lang L.E. The Royal Montreal Regt (MG) Having been duly sworn, stated;

On 14 May 41 I was guard commander. At 1855 hrs. Cpl. Williams who was acting orderly sergeant came to the guard room and ordered the accused, whom I now recognize, to report to the mess room for some work. He refused to do so and did not go.

The Accused declined to cross-examine this witness.

L Cpl Lang

4th Witness No D76422 Pte. Stackhouse A.R., The Royal Montreal Regt(MG) having been duly sworn, stated;

On the morning the accused whom I now recognize was up for company office, being company clerk, I was in the office and after Major MacRae, had awarded him a punishment I happened to be looking in Pte. Lecours direction and saw him smiling. Just as Sgt. Spooner gave the order for the accused to march out, Major MacRae halted them and told the accused that he was going to be remanded for the O.C. The accused then made some noises with his mouth.

The Accused declined to cross-examine this witness.

35. Defence witness - Sgt Hammond attached

was examined

I joined the Regt in Chanot on 13 June 44.
I received my wound on my first action
at Carpiquet. It was not a heavy
engagement. There was lots of artillery
in front of us. I saw a number of soldiers
killed. I was not looking for snipers
and was digging in. I cleaned my rifle
before going into action. The day before

The last time I fired my rifle was in England when I fired five rounds whilst I was under action. The rifle was in good condition the safety catch was all right I knew the rifle was loaded. I was not upset about going into action. I was excited and my rifle training. I just went to take my rifle which was standing by a tree. I was in a trench. The butt was on the ground. I brought the rifle towards me and when I went to take the magazine off the rifle went off and wounded me in the left hand. The rifle was cocked, I can't remember about the safety catch. I knew there was a round in the chamber. By the book I should not have taken the magazine off whilst I removed the magazine and pressed the rifle but I had done that before. We don't follow the rules under those conditions. My rifle needed cleaning if was then just trying to get me to do that. I would have to remove the bolt to clean it. If I had done that first I would not have been injured. I didn't need my rifle just then for immediate action. We were the first company who might have been a counter attack at any time. There was still fire. I had fired my rifle at the enemy.
Entirely demonstrates with rifle as to manner in which he was holding rifle when he was wounded.
I don't know what caused the rifle to fire. It should not have gone off unless it was defective and it was in good order. Must must have been a pressure on the trigger. I can't explain what. My finger was not on the trigger.

Presentation address

The accused was a well trained soldier and this was his first action. He was under stress some people suffered and was under strain. It is not reasonable that at that time he was about to clean his rifle. It can have fired but would not need cleaning under such circumstances. As to the alternative charge there are grounds for negligence. He was a well trained soldier and knew the proper steps to take in cleaning his rifle. He should have removed the bolt and ensure he did not take the proper procedure. Knowing the rifle was loaded he attempted to remove the magazine. He gives no explanation as to how the rifle was fired and if it was fired enough for him to clean his rifle it was fired enough for him to follow the proper drill. From the accused demonstrations it could not have been accidentally wounded as he alleges. The wound is on the centre of the hand, and the hand must have been over the muzzle, not grasping the magazine as alleged. In any event there was gross negligence in this case.

Defence address - no attack.

The Court has now heard the case for the
Prosecution
(Crown) and the case for the defence.

I submit to them that there is no
presented by the Prosecution
evidence, submitted, upon which
a conviction could lie on the first
charge, or, in the alternative, that
even if any evidence has been
submitted, there is an inadequate
sufficient
influence, upon which to find
the intent necessary to convict
on the first charge. I therefore recommend
dealing with the second charge,
dismissal —
I refer the Court to page 459 of the Manual
of Military Law and more particularly

of the amendment of Sec 40 appended thereto. Is the Court satisfied that the circumstances under which this incident as portrayed by the prosecution took place, could be termed "blame worthy"? In regard, as depicted therein, must be of this nature. I say they have failed to establish it.

As a result I recommend dismissal of both courts and order them to release this accused forthwith.

He served at Carpiquet and no one here will ever forget either the physical damage wrought to the brain at that time or to the toll it took of strong men's minds. Statement of D62928 Cpl Lecuyer L

Jean Louis LECUYER age 26 years. I enlisted 16 July 40 and arrived in France 7 June 44. I just joined the Regt. 2e Canadien from No 2 C.B.R.D. near ROTS. Our first action was at CARPIQUET where we engaged the enemy. My company took its objective. We moved over on the right flank to give "B" Coy a hand in getting up to this. It was here that I saw some boys hit but I was not serious. One German got shot in the head. It did not affect me. I could not see any rockets or mortar bombs. Our Artillery was very good and covering it up. The Airforce helped too.

After the attack ~~my platoon~~ the platoon I then started to dig a trench. It was raining and cold. I rested I dozed off. It was too dangerous to sleep as I kept on digging. Once some time after the Platoon Officer called my section out to make a hunt for some snipers

He had gone about a couple of hundred yards when some of our tanks opened fire at the tree tops in clearing the woods. It was too dangerous for us. They were doing the job any how. We went back to our trench. I finished up my trench, and then I went to take my rifle to clean it. I had stood it up some length from my trees against a big tree. I grabbed it by the forward swivel and brought it towards me and went to take the bayonet off with my left hand. That when it went off. Pte Lalonde C. and Pte Thibeault G.A. were near. I dont know what they saw. Thibeault went for the stretcher bearer and he fixed up my hand. I went to the M.O. and he gave me a shot in the bum. He sent me to a British F.D.S. I went to the British 20th hospital where I made the first statement.

The rifle was loaded and cocked for quick action. I dont think I put the safety catch on. I dont know why it went off as it was in good condition.

I did not shoot my self intentionally I was just so tired that I was working automatically and I will go up there and do my best when ever I am able.

Signed.
Louis Lecuyer Pte.

SUMMARY OF EVIDENCE

Summary of Evidence in the case of D.62928 Cpl Lecuyer, L., Regiment de Chaudiere, attached No.21 Cdn General Hospital, charged with, when on active service wilfully injuring himself with intent thereby to render himself unfit for service (AA Sec 18(2)), alternative, when on active service neglect to the prejudice of good order and military discipline (AA Sec 40).

By direction of the Commanding Officer the evidence is taken on oath.

FIRST WITNESS — Major M.T. Kobrinsky, No.21 Cdn General Hospital, RCAMC, sworn, states:

I am Major M.T. Kobrinsky, Medical Officer at 21 Cdn General Hospital. Cpl Lecuyer, L., D.62928, has been a patient under my care since 2 Oct 44. Review of his documents reveal that he sustained a through and through gunshot wound of his left hand on 4 Jul 44 which caused a severe fracture of his second metacarpal. On examination there was moderate deformity of his left index finger with considerable loss of function of that finger. Physical examination of the metacarpal gave the impression that the fracture was not uniting properly. He will require further surgical intervention and hospitalization for approximately two months. There may not be any lowering of category. However, it cannot be particularly ascertained at this time. The wound is of a nature which might have been caused by a weapon held in the man's own hands.

The accused declines to cross-examine this witness.

SECOND WITNESS — G.7050 L/Cpl Wheaton, C., Cdn Provost Corps, attached to No.21 Cdn Gen Hospital, sworn, states:

On 4 Aug 44 I interviewed D.62928 Cpl Lecuyer, L., whom I now recognize, at No.7 Cdn General Hospital. L/Cpl Britney was with me. We identified ourselves to the accused. We told him that we were Cdn Provost Corps and that we were investigating the circumstances surrounding his wound. He was then cautioned in this manner, he did not have to say anything unless he wished to do so but whatever he did say would be taken down in writing and may be given in evidence. He appeared to understand the caution. He was not under arrest at the time. He gave us a voluntary statement which I reduced to writing and produce. This is the accused's signature which was signed in my presence. Before it was signed the statement was read over to the accused soldier and he was allowed to read it which he did and then signed it. There were no promises of reward, threats or inducements made.

Q. Is the statement in the same form without any alterations, erasions or interlineations as it was when it was signed?
A. Yes, sir.

The accused declines to cross-examine this witness.

The President & Members of the Court.

The accused A10893979 Pte Lecuyer R. has been with the unit since the 9th of July 44. He joined the unit just after the battle of Tauron and was in action with the regiment through all the battles up to and including Cape Griz Nez.

Through all these battles he has served to the best of his ability. Although not outstanding he took part and exerted his powers to the best of his ability.

At the time he absented himself without leave the regiment was at "Wesseldonk". He did not intend to stay away but on returning to his company areas he found that the regiment had moved on and that he was absent without leave. The accused states that he immediately proceeded to join the regiment but encountered some difficulty in doing so. Part of his own accord he finally succeeded in joining the unit which at that time were in action on the Scheldt. Although the accused was absent for the first action on the Scheldt he did succeed in rejoining the regiment before the Scheldt operation was completed as a result he was in action on the Scheldt even though he was absent without leave when the operation started. If the accused had not tried to rejoin his unit of his own accord he would not have seen action on the Scheldt operations.

Therefore from the above you will understand that this case was not wilful and premeditated and merits consideration.

Plea for Mitigation of Sentence in the Case of K69873 Pte Ledger D.E. PPCLI.

The accused realizes his mistake and is willing to take his punishment. Certain factors in this more case should be considered justly. This soldier has been a good soldier during his time with the Bn. His A.F.P.O.6, is proof of this.

Secondly, the accused had gone down the line with nervous exhaustion once during the crossing of the Moro River. This man has had a bad case of nerves since that time. This is shown in the Summary of evidence i.e. L/Sgt Hranac's evidence.

Thirdly. He surrendered voluntarily and is sorry.

Fourthly. The time you mean spent in close arrest should be considered

I am K 69873 Pte. Sedge D, 17 pln. D Coy. P.P.C.L.I. - We advanced from Cattenieres approx. 15 Sept., marched approx. a day & came under heavy shelling, the Pln. Comds. told us to take cover, which I did in a near by shell hole. There were also 2 SASK. L.I. in the hole. I stayed there that night & the next morning at approx. 1000 hrs. the SASK. L.I. said that they were going to a house about 100 yds. back, I went with them & had a cup of tea & had an entrenching tool entering to my Pln. area which was being shelled at the time, I became frightened & went back. I was lost in the hills for approx. 30 days, until I came to a highway where I obtained a ride on a truck which took me to Reac. I was picked up there as soon as I got in.

Pte. Sedgis came to me in Ottawa after having been down to his kit, when he came up I got under shell-fire apparent quite nervous & shaky, the same went for the next two actions that we were in Defence.

He was a good man except as here under shell fire.

R.P. 83 (6) complied with.

Prosecution's
Closing Address. (7)

I contend that the charge is proven as there has been no contradictory evidence raised by the Defence. ~~I do~~

In the statement made by the accused, the fact that he was with two men gives rise to the question of why he did not produce them as witness to his intention to return. It is well known that all people being detained are given ample opportunity of calling all witnesses who have any bearing on the case. These witnesses are/were not called why?

In his statement he was wandering about the hills for fifty days seems rather incredible in view of the fact that the sound of the guns would be a good guide, and when one finds a gun crew, you find the location of your regiment. In the face of this, the statement seems incredible.

I submit the charge is proven, & invite the courts inspection of the written evidence.

The Prosecution rests.

Closing address for Defence 19th

In the case of K 69873 Pte David Ernest Ledger, P.P.C.L.I.

In the evidence given by the prosecution there was no evidence to show that Pte Ledger was dully warned by his Pl Comdr. The first witness assumed Pte Ledger was present because his pl. Sgt gave them the orders but he did not see the accused on parade. The second witness definitely remembers where Pte Ledger was sitting, two men away from him but he can't remember approx. within days of the time of the orders been given. It may have been another "O" group he is thinking of because it is sure they were on a number together. The third witness is only hear say and has no knowledge of the orders.

Mitagation of sentence 194

Evidence given by witness on character of Pte Ledger shows he did a good job before he was charged and that he had just recently gone to pieces. I wish to express to the court that if the accused was given a second opportunity he could again become the soldier he was and could do a good job in his pl. He has been with his unit since the beginning of Italy and all the way through has shown himself as a good soldier until he went to pieces. If the court will give Pte Ledger a opportunity to get back to what he was before this charge occured. He will make a good soldier.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

PLEA OF MITIGATION IN THE CASE OF PTE LEDOUX.

SIR,

The accused joined the army in June 40. He was pushed out of infantry as not good enough and was sent to Arty. He went to England as Arty and again to North Africa. InNORTH AFRICA he was taken out of Arty and put in RCASC. He arrived in Italy as RCASC in Sep 43. Around 1 Aug 44 he was put back in infantry. He was employed on fatigues 29 Sep 44 sent to the Field as infantry man to Can 4 Ren Scot R. (then 1 LAA Bn). Because he was first considered too poor for infantry and was put out of every other branch he did not consider himself good enough for infantry in the field. May these circumstances be taken into account when pasing sentence on the accused.

The following documents are read over to the accused, marked as Exhibits and are attached to the proceedings.

Exhibit "A" - Certified true copy of Extract from Pt II Order FMR No 9 dated 10 Feb 45

Exhibit "B" - Certification of apprehension dated 30 Jan 45.

Q In French Do you wish to make any statement or to give evidence on oath? You are not obliged to say anything or give evidence unless you wish to do so but whatever you say or any evidence you give will be taken down in writing and may be given in evidence.

A I wish to give evidence on oath.

STATEMENT OF THE ACCUSED The accused being duly sworn states:-

I, D-115449 Pte LEDOUX R joined up in Montreal with the RCASC and served with them as a truck driver for four (4) months attached to Regt de Maisonneuve and proceeded overseas with R de M. After ten (10) months I was transferred to RCE and worked with them (6 Cdn Const Coy) for two (2) and one half years. From this formation I was transferred without choice to the Fusiliers de Mont Royal where I was mustered as a rifleman. I served with this Regt in the line and on patrol even though I had not had the proper instruction or training to qualify me for this role. I lacked confidence and was very unhappy and unsatisfied with my employment in the Regt and allowed this to worry me to such an extent that I went AWL.

Judge Advocate

Third Witness for the Prosecution { Jeny Mary Whittingdon, Lostill, Hascombe Surrey.

being duly sworn is examined by the prosecutor. -

On the night of 1/2 Sep. 43 I was awakened by my mother who heard a noise. The following morning I went out into the park. I found a piece of telephone apparatus. Nearby I found a pay book. I opened it up and noticed the name "Gawin" in it. There were some photographs inside it. I identify this paybook (Exhibit "G") as the one I found. I gave it to Temporary Constable Foster.

Cross examined:

It was between 10.30 and 11.00 P.M. when my mother called me. I found the paybook (Exhibit "G") right opposite our house near a Liquish tree, in the park not on a foot path. It was not very far from the road.

No re-examination:

By the Court:

Because of the disturbance in the night, next morning I was curious and went out in the park. I am not sure what part of the telephone apparatus it was that I found.

By the Judge Advocate:

There is no telephone kiosk in the park. The nearest telephone kiosk is just around the corner from our house.

R.P. 83(B) complied with.

Second Witness for the Prosecution { Temp. Constable. T.328. Frederick Foster Hascombe Surrey

being duly sworn is examined by the prosecutor:-

At 8.45 A.M. on 2 Sep 43. I received information as the result of which I went to a telephone kiosk at Lostill Hascombe. I examined the kiosk and found the complete apparatus missing. Nothing was left except the bare wires. I commenced inquiries and saw Mrs Jeny Whittingdon. She handed to me a soldiers' paybook in the name of Pte. Wilfrid Elyan Gawin. I identify this paybook (Exhibit G) as the one which she gave to me. With the paybook was a piece of telephone apparatus which she also gave me. This took place roughly 100 yards from the telephone kiosk that was damaged. It is very close to Mrs Whittingdon's home. I then searched the area and about 1/2 mile away from the kiosk I found a telephone apparatus in a field. This apparatus was badly damaged. I then proceeded to Burrumpole Hall where I saw Pte. Gawin one of the accused whom I recognise in court. I asked him where he was the previous evening, Sep. 1st. and he said "The White Horse, Hascombe in the company of three

other men, Spr. Emile Leduc, Spr. Marcel Dube and S/Cpl. Achille Hebert. I had no intention of charging Spr. Gauvin at this time but was merely conducting my investigation. Gauvin also said they all left the pub together at 10 o'clock and went back to camp together. Gauvin denied all knowledge of the damaged telephone wire. I then saw Spr. Leduc, whom I recognize in court. I asked him if he was in Spr. Gauvin's company at the White Horse on the night of Sept 1st. He said he was and that he returned with Spr. Gauvin. I then saw L/Cpl. Herbert and Spr. Dube who spoke only French so that I was unable to question them. I obtained the assistance of Det. Sgt. Broad, of S.I.D., Godalming. We then saw Spr. Gauvin and we questioned him. He was cautioned and made a statement.

—

The Judge Advocate advised the Court that it must be satisfied that this statement was made voluntarily by the accused and that the prosecution must show the same affirmatively

—

(Witness continuing) I made no threats or promises or inducements made to the accused - nor did any other person present.

Cross-examined:

Lefebvre

Lieut. Coutin was present the first time I questioned Spr. Gauvin. He did not sign a statement then. The second time Det. Sgt. Broad was present. I told Spr. Gauvin the case might be handled by a civil court. I did not tell him that if he signed the statement he would get off lightly. Neither did Det. Sgt. Broad. The questioning took considerable time because he seemed so disinclined to answer our questions. I insisted that Spr. Gauvin answer my questions. I did not tell the accused that he had to make a statement. I cautioned him and he made a voluntary statement. I did not tell the accused Spr. Gauvin that it would be better for him if he made a statement.

No cross-examination: R.P. 83(3) complied with.

Third Witness for the Prosecution:

Det. Const., Owen H. Broad, Surrey Joint Police Force being duly sworn is examined by the Prosecutor:-

I am stationed at Godalming. There were no threats promises or inducements made to Spr. Gauvin by me or anyone else present when Spr. Gauvin made this statement.

Cross examined:

Spr. Gauvin was questioned about an hour before he made the statement. At first he was disinclined to answer questions. I insisted that the accused Spr. Gauvin

answer any questions. I told him that in any case I would take him into custody. I did not tell him it would be better for him if he made a statement. I do not think Constable Foster did either. It is not the usual practice. I cannot remember everything that was said.

Re. examined:

The accused Sgn. Dawkin was cautioned and it was fully explained to him.

By the Court:

I would have remembered it if Constable Foster had made any inducements to the accused. We had sufficient evidence with which to charge the accused with the offence.

By the Judge Advocate.

P.C. Hobsdaen, of Dereford was also present besides P.C. Foster. I do not speak French nor did anyone who was present. The law gives us considerable leeway in conducting an investigation and we are allowed to ask unrestricted personal questions. It was on the result of such questioning that he decided to make a statement.

R.P. 83(R) complied with.

The court adjourned at 1345 hrs.

The court re-opened at 1400 hrs.

R.P. 40 complied with.

The accused B 297446 Sgn. Dawkin Wilfrid E., having been duly sworn is examined by the defending officer:-

The three police men, the two that were here this morning and another asked me questions concerning a certain telephone incident. The questioning lasted about two hours. They asked me to make a statement and sign it. They weren't satisfied with that and they kept on questioning me. If I knew anything about the matter, or if I had been present. They told me I would be cleared if I paid £1.0.0. The detective constable smacked his hand into the palm of his other hand and said "If I had you alone I'd make you talk." After that he said if I talked he would arrange it so it would go to a military court. I was still being questioned at 5 o'clock. I was left alone with a guard until after 8 o'clock. Then they sent for me and showed me two statements made by two others. I did not believe it so I asked for the two men who had signed the statements. The two were brought down and admitted signing the statements.

Cross-examined:

I do not understand English much. I would not understand all the questions if you asked them in English. I was questioned

for three hours before I signed a statement. I thought I had told the court I had signed a statement. I have no watch. I think some one present had a watch. I do not remember exactly. Perhaps one of the detectives asked me. They questioned me from 1.30 until after 5 O'clock. The guards came in for their supper so I knew it was 5 o'clock. I signed the statement about 3.30 in the afternoon. I may have been contronted. Many words in English I do not understand. I do not remember the exact words used by Det. Constable Breach when he said he would hear me.

No re-examination:

By the Court -

"There was no one present who could explain the questions in French to me.

R.P. 83 (6) complied with.

The defending Officer addressed the Court pointing out that the statement was irregularly obtained and consequently is not admissible in evidence.

The prosecutor addressed the Court contending that the statement was obtained voluntarily and the accused was cautioned. The accused's evidence is contradictory in at least three places.

The court is closed to consider the motion.

The Court decide to admit the statement as having been made voluntarily. The Court is re-opened and the decision made known to the accused.

Second Witness (re-called), being already sworn, is examined by the Prosecutor:-

I produce a statement written by me (Exhibit H) which was signed by Spr. Gauvin in my presence. I witnessed it. This was on the afternoon of 2 Sep 42. - Det. Cons. Breach and I then saw Spr. Hebert. One of the accused whom I recognise. He was questioned. Spr. Hebert was cautioned and then made a voluntary statement which I took down in my own hand writing. There were no threats or promises made in obtaining it. Trent Lefebvre was also present but I am not sure if Trent Corbett was there or not. Then Spr. Dube was brought in. He was questioned and made a voluntary statement after being cautioned. Det. Cons. Breach, Trent Corbett Trent Lefebvre were also present. L/Cpl. Hebert was then brought in. He denied any knowledge of the affair. The same persons were present. He then saw Spr. Gauvin again who was willing to make a statement of his own. The same persons were present. After that we again saw L/Cpl. Hebert who made a voluntary statement. The same

witness were present. The accused were all told that a civil offence had been committed and that they would be reported to their C.O.

The Judge Advocate advised the court that the prosecution must prove affirmatively that these four statements were free and voluntarily.

Cross-examined:

Spr. Hebert was cross-examined questioned between 15 minutes and half an hour. We told him this case could be handled in a civil court. Neither of us told Spr. Hebert that it would be better for him if he told the truth.

No re-examination:

By the Court:

Spr. Hebert understood English. I had no trouble making him understand.

By the Judge Advocate and Hawkin

Conversations in Hebert's case were carried on in English With the other two Det. Cons. Breach asked questions which were translated into French by Lieut. Content. Finally Lieut Content wrote out statements in French which L/Cpl. Hebert and Spr. Dube signed. Each individual accused was cautioned before the statements were obtained.

E.P 83 (B) cancelled with.

Third Witness (re-called).

Det. Cons. Breach already sworn is examined by the

the prosecutor-

I questioned the accused Spr. Hebert whom I recognize. I asked him to account for his movements the previous night & after further questioning he made a statement voluntarily. It was taken down by T.C. Foster, and signed by Spr. Hebert. There were no threats promises or inducements made to the accused Spr. Hebert. Only T.C. Foster and I were present. Spr. Hebert was cautioned. Spr Dube was brought in two officers, Lieut. Content and Lieut. Lefebvre were also present. I questioned Spr. Dube through both officers as interpreters. Spr. Dube made a voluntary statement in French. It was made to Lieut Content who wrote it down. No threats or promises were made to Spr. Dube. L/Cpl Hebert was then brought in. He strongly denied the accusation. He left the room and returned later. Both officers were present when he returned. The conversation was in French. I then saw Hawkin & told him I had reason to believe his first statement was not true. He was then asked if he would like to see the other statements which had been made. After reading one of them he said "I will now tell you the truth" He was again

cautioned and made a further statement which I took down in writing. It was read over to him and he signed it He was cautioned in the presence of T.S. Foster and the same two officers. Sfn. Gauvin's statement was made in English.

Cross-examined:

Sfn Leduc was questioned for 15 minutes to ½ an hour before he made his statement. I do not think I told Sfn. Leduc that Sfn. Gauvin had made a statement. The questions put to Sfn. Dube lasted around 45 minutes. He signed something in my presence. I think Sfn. Dube was shown the statements made by Sfn. Leduc.

Re re-examination.

By the Court:

I am not sure if the statement was read or shown to Sfn. Dube. I think it was translated to him by the officers. Neither Gauvin nor Leduc had trouble understanding English by the Judge Advocate.

I think the statements were translated to Lt/Col. Hebert too. Sfn. Leduc was the only one who was not shown statements or had them translated to him. Gauvin, Dube & Hebert were not questioned after they were shown the statements or had them translated.

R.P. 83(E). complied with.

Fourth Witness for the prosecution } Lieut. H. Lefebvre. 3 Bn. R.C.E.

being duly sworn is examined by the Prosecutor

I was present at the questioning of Dube, Gauvin and Lt/Col. Hebert part of the time and saw them sign their statements. I was present for a few minutes of the questioning of Sfn Leduc. I was there in the beg. I was present when Sfn. Dube, signed his statement. There were no threats inducements or promises made to Sfn. Dube. Constables Foster & Breadner [illegible] and I were present. I was present when Sfn Gauvin made his statement. He did not make it under any threat promise or inducement of any kind. The same persons were present. I was present when Lt/Col. Hebert made his statement. There was no threat promise or inducement made to Lt/Col. Hebert. The same persons were present.

Cross-examined:

I do not know exactly how long I was present when Sfn Leduc was cross-examined. I do not know how long Sfn. Leduc was questioned. Lt/Col. Hebert and Sfn. Dube were told the contents of the statements made by the others. It was either read to them or translated or shown to them. I do not remember if any of them were told it would be

to them to tell the truth and make a statement. So many things were said.

No re-examination.

By the Court:

Def. Cou. Breau I think suggested that the accused be shown or have read to them the statements. Bouvin asked to see the statements made by the others. So did L/Cpl. Hebert. Spr. Dube was questioned briefly by me after being shown the statements. Spr. Bouvin wanted to see the ones who signed statements. They were produced and admitted signing the statements. I do not remember about L/Cpl Hebert.

R.P. 53(6) complied with.

The court adjourned at 1645 hrs.

The court re-opened at 1700 hrs

Fifth Witness for the Prosecution } Lieut André Courtemanche 3 Bn. ACE

having been duly sworn is examined by the Prosecutor

I was present at the interrogation of Spr. Dube, Spr. Bouvin and L/Cpl Hebert. I was present when Spr. Dube signed a statement. I took it down in French myself. There was no promise threat or inducement made to Spr. Dube. I was present when Spr. Bouvin made a second statement but not when he was questioned. I do not think it was made under any threat promise or inducement. - more, when I was there. Spr. Bouvin asked to see the other statements. They were shown to him. They were the statements of Breau and Dube. I was present when L/Cpl. Hebert made a statement. I think I wrote it down. It was made in French. Def. Cou. Breau asked him if he wanted to see the other statements. He said he did but I do not remember if he saw them. L/Cpl. Hebert did not make his statement under any threat inducement or promise. I had spoken to him before.

Cross examined:

The questioning of Spr Dube took about 10 minutes as far I can remember. I do not remember everything that was said but I do not think Spr. Dube was told it would be better for him if he made a statement. I spoke to L/Cpl. Hebert privately for about 10 minutes: told him everything that could happen to him and told him he could make any statement that he wanted. I told him if he signed a statement he would probably be tried by court martial instead of a civil court. I also told him I would speak in his favour in any case.

No re-examination:

By the Court:

Spr Bouvin spoke in English when he asked Def Cou.

Breach to see the statements. I told L/Cpl. Hebert I would speak for the four of them. I would do what I could. They are four of very decent.

By the Judge Advocate:-

I do not remember very well if L/Cpl. Hebert was questioned or not after being shown the others statements. Dube was questioned after being shown the statements by Det. Con. Breach. They concerned the case of theft during the evening before. I left Spr. Gauvin after he was shown the others statements but was present when Gauvin signed his statement.

By the Court.

I translated Det. Con. Breach's questions to Spr. Dube and the answers to Det Con Breach.

R.P. 83 (B) complied with.

R.P. 140 complied with. - in the case of all the accused.

The accused O 15835 Spr. E. Leduc, having duly sworn is examined by the Defending Officer.-

I was called in between 5 & 5.15 P.M after Spr. Gauvin to be questioned on the subject of the theft which had occured. Not being able to speak English very well I asked to have Lieut. Lefebvre interpret for me. Lieut. Lefebvre left me alone with the police. The greater part of the questions I did not understand. The detective said that if I did not want to understand he would take steps to make me understand. He said too that if I admitted it we could get away with 7 days C.B. on appearing before the Colonel. After being questioned for some time and not being used to such matters I made an indefinite statement. I made the statement telling I would swear and because he forced me to make it. After that I signed it. I was alone with Det. Con. Breach and T.C. Foster at the time.

Cross examined:

I did not understand half of the statement I made in English. I did not believe that one would get only 7 days C.B. for stealing. I made the statement because I was fed up with waiting around. I could not understand half of what was being said. They mentioned that this offence could have been dealt with in a civil court.

No re-examination.

R.P. 83 (B) complied with.

O. 15734 Spr M. Dube, one of the accused being duly sworn is examined by the defending officer:

They called me between 6.45 & 6.55 P.M. As I didn't speak English I asked to have Lefebvre as interpreter. Sgt. Lefebvre questioned me on information to the constables.

They said it would be merely better for me to make a statement. They said it would be worse for me if I admitted made a statement. After being asked a couple of questions I made my statement. As I was tired and had never gone through anything like that before I signed the statement.

Cross-examined:

I was tired because I wasn't used to such matters and I had been questioned for some time. I was nervous. I did not ask to see any statements.

No re-examination.

R.P. 83(B) complied with.

The accused D16883 Spr (A/L/Cpl) A. Hebert being duly sworn is examined by the defending Officer:

About 7 P.M. on 2 Sep 43 I was called to be questioned by Detective Brooks, interpreted by Lieut. Lefebvre about the matter of the telephone wires. As I had nothing to do with the affair I was asked if I wanted to see the statements made by the other men. I told them not to bother. Lieut Coutant asked the detective to remain alone with me. He said it would be better for me to make a statement, as it would be more protection for me, a lance-corporal. He said that as we would have a smaller chance in the civil courts they would do their best to have it in a military court. He said I could meet my friends and ask them if it was really they who had signed these statements. I returned and signed a statement myself. Detective Brooks said by not owning up I was disgracing my battalion and was not worthy of the stripe I was wearing. Lieut. Lefebvre said being a corporal I should speak.

Cross examined:

I do not remember if Lt. Coutant said that any statement I might make would be entirely voluntarily. Spr. Dube and Spr. Hebert told me they had signed statement but Lefebvre acted as interpreter.

By the Court:

It was Lt. Coutant who said it would be better for me to make a statement. The remarks made by the detective & Lt. Coutant were made before I signed my statement.

R.P. 83(B) complied with.

The Court adjourned at 1835 hrs. - The Court sat after 1800 hrs in order to complete hearing the evidence regarding the admissibility of these statements.

The Court re-opened at 1000 hrs. 21 Sep 43.

The Prosecutor produced 4 medical certificates.

The Defending Officer addressed the Court referring to paras 75 & 75 MML at pg 90-91 contending that the statements are not free and voluntarily and should not be admitted in evidence.

The Prosecutor addressed the Court briefly, reviewing the evidence, contending that such statements are free and voluntary: that there was no co-ersion.

The Defending Officer did not reply.

The Court is closed at 1015 hrs.

The Court decided to admit the statements made by Sgt. Leduc, Dube and Gauvin but refuse to admit that made by Sgt (A/L/Cpl) Hebert.

The Court re-opened at 1110 hrs and the accused were advised of the Court's decision.

Second Witness for the Prosecution } T.C. 328 Frederick Foster, already sworn, recalled

I produce a statement (Exhibit I) in my own handwriting, signed by Sgt Leduc in my presence. I identify the telephone apparatus (Exhibit J) shown to me as the telephone apparatus which I found about ½ mile from the damaged hut. It is now in the same condition as when I found it. The damaged apparatus was found in a field under a hedge about 10 feet from a gate just off the road.

Cross examined:

Miss Whittingdon showed me the exact place where she found the paybook. I indicate on Ordnance 1" to 1 mile map Sheet 124 the place (marked with a 'Y') where the paybook was found (map marked Exhibit 'K'). The co-ordinates are 442576. The approximate location of the White Horse pub is shown at the upper arrow (marked 'AA') Its co-ordinates are 440490. The lower red arrow (marked BB) indicates the location of this court. Its' coordinates are 444548. The White Horse pub ordinarily closes at 10.00 P.M.

R.P. 83(B) complied with.

Sixth Witness for the Prosecution } Mr. George Edwards, 74 Dengil Rd., Guildford, Surrey.

Being duly sworn is examined by the Prosecutor.
I am a post office engineer. My duties are concerned with telephone maintenance. I am employed in the Guilford area. The village of Hascombe is in this district. I was advised of a fault on phone Hascombe 43 which is the number of P.O. at Hascombe with an extension in the kiosk outside. I investigated. I went to the kiosk and found that the apparatus was missing from it. All of it was gone from the kiosk. I advised the police in Hascombe. On 3 Sep 43 outside of the kiosk from which the apparatus was missing I met the police and the RSM. I went with them to a military camp in Cranleigh where I was shown a piece of telephone apparatus

I identify the apparatus (Exhibit J) as the telephone apparatus which was shown to me. In my opinion it is in its present condition because of having been struck with a heavy object. I examined the coin box. It was empty. The usual way to tell a particular telephone apparatus is by the disc on the dial. It usually has the name of the exchange and number on it. Hodalming has not an automatic exchange. Haseombe has. The No. 443 is on the dial in this case. This apparatus comes from the kiosk in Haseombe. There are two kiosks in Haseombe. This was from the kiosk outside Roxhill, Haseombe. I can read a map. The kiosk in question is located at the spot Y on the map (Exhibit K). The cost of repairing the telephone apparatus (Exhibit J) is £ 7.0.0. Each time a call is made an operator completes a form setting out the time the call was made and where it was to. By these means it is possible to calculate the amount of coins that should be in the coin box. From the records I have ascertained that 3/4 ought to have been in this coin box on 2 Sep 43.

Cross examined:

There is no method by which a call can be made without a coin being put in the box. The method of recording calls is efficient as far as humanly possible. The box has been broken open when I first saw the apparatus (Exhibit J). It weighs about 100 lbs. I am not prepared to say how long it would take to remove the apparatus from the kiosk. There is no method I know of by which the contents of the coin box would not check with the record kept by the operators. Money could be obtained from the coin box as it's present condition. It could be shaken out. It would take a few moments to remove 3/4 ~~six pence~~ from the box.

By the Court. -

The loss to the G.P.O. as the result of this incident is £ 7.0.0. after making some allowance for salvage of the damaged apparatus.

By the Judge Advocate.

H.M. Postmaster General is the owner of the telephone kiosk at Roxhill Haseombe Surrey, and of the damaged telephone apparatus (Exhibit J). It is in the same condition as it was when I saw it on Sep 2., as far as I can tell.

Cross examined:

I do not remember stepping on Spr. Gauvin's fingers on going into the pub. I do not think so. I did.

No re-examination:

By the Judge Advocate:

I remember nothing from about the middle of the evg. while in the pub. I am not in the habit of drinking much. That night I had quite a lot of beer and strong drink. It affected my memory that way. I can't say how much beer I had to drink. I drank very quickly.

Second Witness for the Prosecution / Defence } Lieut. A. Corbett, already sworn is examined by the Defending Officer:-

I know the four accused. They have been in my platoon for at least 10 months. Spr Gauvin Hubert and Deba have actually been in my platoon for 18 months. L/Cpl. Hubert was with me since the beginning. Three months ago I recommended him for promotion because he deserved it. He has always done his duty well. Spr. Gauvin also has been in my platoon since the beginning. He is a very good worker and well disciplined. Spr. Deba has also been in my platoon since the beginning. I have always considered him a good soldier. Spr Hubert came to my platoon about 10 months ago. As I knew he had a bad record before but he has always been trained to do well since. We never had any trouble.

Cross examined:

There have been no serious disciplinary steps taken against them except one who went to F.P. camp for what I think was really a mistake he made. I have never known them to be drunk on parade.

No re-examination.

R.P. 83(B) complied with.

The Court adjourned at 1530 hrs.

The Court re-opened at 1545 hrs.

Third Witness for the Defence } Lt-Col. G.W. Smith, O.C. 3 Fd RCE being duly sworn is examined by the Defending Officer.

I know all the accused. Cpl Hubert has been before me before he was promoted. Since his promotion his character has been all that could be expected of one in his

ranks.

R.P. 83(R) complied with.

The prosecutor addressed the Court, reviewed the evidence and contended that the prosecution had fully proved both charges against each of the accused.

The Defending Officer addressed the Court, and submitted that there was no evidence that the accused stole 3/4 from the telephone kiosk or that there was such a sum in the phone box at the time alleged: that the accused were so drunk they have no knowledge of damaging the telephone kiosk: that there is no direct evidence implicating Lieut. Hebert at all.

The Judge Advocate summed up: referred to the definitions of theft (MML p.118 para 5): to sec. 51 of the Malicious Damage Act 1861 and explained the meaning of "extent" and maliciously explained the matters of joint trials: advised that a confession by one accused was evidence against that accused only: explained the defence of drunkenness: pointed out that the Court was the sole judge of the facts: that the burden of proof was on the prosecution: the accused being presumed innocent until their guilt was established and that they must be given the benefit of any reasonable doubt in the minds of the Court as to their guilt.

The defending Officer in mitigation of punishment addressed the Court: Sgt. Dukes has not been guilty of any offences in H.M.S. Cpl. Hedges has been guilty of only a few offences in this country. Sgt. Mawer has not been guilty of any serious offence: one travelling on a train without authority was due to a mistake.

I am cautioned and want to make the following statement, and understand that it will be taken down in writing and may be used in evidence.

Between 4pm and 7pm September 1st 1943. I left camp with another soldier LEFEVRE who is stationed with me. First of all we went to the pictures I think it was the Ritz Again but we had a couple of drinks together, at the pictures and LEFEVRE met a other soldier by the name of HEBERT, Sapper LEDUC and Sapper DUBE. We then got on a bus and went to the public house at Hascombe. When we got back we were playing with [illegible] HEBERT when he had a [illegible] I felt him feel my pocket and felt of my wallet just a wee bit, I said he was crazy. We all went into the public house and stayed there until it closed, then at the public house I know I had my pay book in my pocket. When we left the public house we were all together and [illegible] pretty good. On the way back to camp we all kept to the main road and we did not get off it. I believe the time I went to camp

I am sure that I was with L/Cpl HEBERT Sapper LE DUC and Sapper DUBE all the evening and we were definitely altogether on our way back to camp. I did not leave them at all. I have thought now that I might have my foot on my pay book on the way back to camp, I had it when I was on the water tap. 2. - Committing a civil offence; malicious damage.

The Commanding Officer directs that the evidence be taken on oath.

FIRST WITNESS — Mr Frederick FOSTER, Temporary Constable 328, Mare Lane, HASCOMBE, Surrey, having been duly sworn, states:-

At 0845 hrs on Thursday 2 Sep 43, I received information of damage to a telephone kiosk situated at Lexhill, HASCOMBE, Surrey. I attended and examined the kiosk and found the whole apparatus was missing. I commenced enquiries and a soldier's pay book in the name of Wilfrid E GAUVIN, B.29744 was found. I searched the district and about half a mile away, I found this telephone apparatus damaged and no money was in the apparatus. I proceeded to Burningfold Hall and saw Spr Wilfrid E. GAUVIN, B.29744, I interviewed the man and he strongly denied all knowledge of the offence. He then said he was in company with L/Cpl HEBERT, Spr. LEDUC and Spr. DUBE. in the evening of First September 43. I interviewed these three men and Leduc made a statement which he signed admitting the offence. I then saw Spr DUBE. He also made a statement which he signed also admitting the offence. Also L/Cpl HEBERT made a statement which he signed admitting the offence. I saw GAUVIN again and he made a statement contradictory to his first one and he admitted the offence. The statements of L/Cpl HEBERT and Spr. DUBE were taken down in French and translated by Lt. A. CONTENT

All the accused were informed that a civil offence of larceny had been committed and that the matter would be reported to their Commanding Officer. The statements made above were signed by the accused, and are submitted herewith.

SECOND WITNESS

Mr Owen Havilland SNEACH, Detective-constable, Surrey Joint Police, GODALMING, Surrey, having been duly sworn states:-

On the afternoon of 2 Sep 43, I was called to investigate this matter, andabout 3 P.M. I, with temporary constable FOSTER , saw the accused sapper GAUVIN at Burningfold Hall, DUNSFOLD.I revealed my identity to him and told him the nature of my inquiry. He strongly denied all knowledge of the offence and after being cautioned he made a statement to this effect. The statement was taken down by Temporary Constable FOSTER in my presence. I then saw Spr LEDUC and I told him who I was and that I had re son to believe that he could assist respecting the larceny and damage from a telephone kiosk at Loxhill, HASCOMBE, the previous evening. He at first denied all knowledge of the offence, but after further questioning, he made a statement admitting being concerned with the other three accused in committing the offence. He made a statement to Temporary Constable FOSTER which was written down in my presence. I then saw Spr Dube. In this interview two of his officers were present Lt Lefeuvre and Lt Content. They translated our questions to the accused and the statement made by LEDUC was shown to him. He was cautioned and he made a statement in being concerned with the others in committing the offence. The statement was taken down in French by Lt Content. I then saw the accused, L/Cpl AR- BSH . The nature of our enquiry was explained to him in French by his officers. He strongly denied the allegation and he was allowed to leave the room. He later returned and asked if he could speak to us. He was cautioned and also made a tatement. I then saw the accused, Spr DUBE. I told him that I had re son to believe that the statement which he had made to Temporary Constable FOSTER was not true and that I should report him for being concerned with the other three accused in committing the offence. I cautioned him and he wished to make a statement, which I myself took down in writing and which he signed. His two officers were present on this occasion. In turn, they were all informed that the matter would be reported to their Commanding Officer. I have since examined the cash container ofthe telephone apparatus and have formed the impression that a definite attempt had been made to obtain money from the container which was empty.

The accused declined to cross-examine.

Surrey Joint Police,
GODALMING, Surrey.

THIRD WITNESS

Mr George EDWARDS - D.M.O.D. 102/2., 74, Denzil Road, GUILDFORD, Surrey. Post Officer Engineer, having been duly sworn, states:-

I am a Post office engineer and am stationed at Headquarters, GUILDFORD. My duties involve maintenance of all types of telephones. In consequence of what I was told, I went to the telephone kiosk at Loxhill Post Office, HASCOMBE. It is HASCOMBE No. 43. I arrived at the kiosk on the afternoon of 2 Sep 43. Upon examination of the kiosk, I found that the panel containing the apparatus and coin box were missing. There was nothing left in the kiosk except the bare wires.

On the afternoon of 3rd September 1943, I attended a Canadian Military Camp, where I was shown a panel containig damaged telephone apparatus and coin box. The apparatus which I was shown isidentical with that which is fitted in the Loxhill telephone kiosk.I do not know the cost of the damage done, but my examination of the coin box a definite attempt had been made to get at the money, the box being empty. I don't know how much it should have contained.

The accused declined to cross-examine.

The next morning on 2nd September, 1943, I went into the park opposite our house. In the park, I found a soldier's pay book in the name of GAUVIN. The book was wet around the edges. Near the book, I found a piece of telephone apparatus. I handed the pay book to the policeman.

The accused declined to cross-examine.

2. - Committing a civil offence; malicious damage.

The Commanding Officer directs that the evidence be taken on oath.

FIRST WITNESS

Mr Frederick FOSTER, Temporary Constable 328, Mare Lane, HASCOMBE, Surrey, having been duly sworn, states:-

At 0845 hrs on Thursday 2 Sep 43, I received information of damage to a telephone kiosk situated at Loxhill, HASCOMBE, Surrey. I attended and examined the kiosk and found the whole apparatus was missing. I commenced enquiries and a soldier's pay book in the name of Wilfrid E GAUVIN, B.29744 was found. I searched the district and about half a mile away, I found this telephone apparatus damaged and no money was in the apparatus. I proceeded to Burningfold Hall and saw Spr Wilfrid E. GAUVIN, B.29744, I interviewed the man and he strongly denied all knowledge of the offence. He then said he was in company with L/Cpl HEBERT, Spr. LEDUC and Spr. DUBE. in the evening of First September 43. I interviewed these three men and Leduc made a statement which he signed admitting the offence. I then saw Spr DUBE. He also made a statement which he signed also admitting the offence. Also L/Cpl HEBERT made a statement which he signed admitting the offence. I saw GAUVIN again and he made a statement contradictory to his first one and he admitted the offence. The statements of L/Cpl HEBERT and Spr. DUBE were taken down in French and translated by Lt. A. CONTENT

All the accused were informed that a civil offence of larceny had been committed and that the matter would be reported to their Commanding Officer. The statements made above were signed by the accused, and are submitted herewith.

The accused declined to cross-examine

SECOND WITNESS

Mr Owen Havilland BREACH, Detective-constable, Surrey Joint Police, GODALMING, Surrey, having been duly sworn states:-

On the afternoon of 2 Sep 43, I was called to investigate this matter, andabout 5 P.M. I, with temporary constable FOSTER , saw the accused sapper GAUVIN at Burningfold Hall, DUNSFOLD. I revealed my identity to him and told him the nature of my inquiry. He strongly denied all knowledgeof the offence and after being cautioned he made a statement to this effect. The statement was taken down by Temporary Constable FOSTER in my presence. I then saw Spr LEDUC and I told him who I was and that I had reason to believe that he could assist respecting the larceny and damage from a telephone kiosk at Boxhill, HASCOMBE, the previous evening. He at first denied all knowledge of the offence, but after further questioning, he made a statement admitting being concerned with the other three accused in committing the offence. He made a statement to Temporary Constable FOSTER which was written down in my presence. I then saw Spr Dube. In this interview two of his officers were present Lt Lefebvre and Lt Content. They translated our questions to the accused and the statement made by LEDUC was shown to him. He was cautioned and he made a statement in being concerned with the others in committing the offence. The statement was taken down in French by Lt Content. I then saw the accused, L/Cpl HEBERT. The nature of our enquiry was explained to him in French by his officers. He strongly denied the allegation and he was allowed to leave the room. He later returned and asked if he could speak to us. He was cautioned and also made a tatement. I then saw the accused, pr GAUVIN. I told him that I had reason to believe that the statement which he had made to Temporary Constable FOSTER was not true and that I should report him for being concerned with the other three accused in committing the offence. I cautioned him and he wished to make a statement, which I myself took down in writing and which he signed. His two officers were present on this occasion. In turn, they were all informed that the matter would be reported to their Commanding Officer. I have since examined the cash container of the telephone apparatus and have found the impression that a definite attempt had been made to obtain money from the container which was empty.

The accused declined to cross-examine.

Owen Breach.

(Owen BREACH) Detective-constable
Surrey Joint Police,
GODALMING, Surrey.

THIRD WITNESS

Mr George EDWARDS - D.E.O.D. 102/2., 74, Denzil Road, GUILDFORD, Surrey. Post Officer Engineer, having been duly sworn, states:-

I am a Post office engineer and am stationed at Headquarters, GUILDFORD. My duties involve maintenance of all types of telephones. In consequence of what I was told, I went to the telephone kiosk at Loxhill Post Office, HASCOMBE. It is HASCOMBE No. 43. I arrived at the kiosk on the afternoon of 2 Sep 43. Upon examination of the kiosk, I found that the panel containing the apparatus and coin box were missing. There was nothing left in the kiosk except the bare wires.

On the afternoon of 3rd September 1943, I attended a Canadian Military Camp, where I was shewn a panel containing damaged telephone apparatus and coin box. The apparatus which I was shewn is identical with that which is fitted in the Loxhill telephone kiosk. I do not know the cost of the damage done, but my examination of the coin box a definite attempt had been made to get at the money, the box being empty. I don't know how much it should have contained.

The accused declined to cross-examine.

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. PLEA OF MITIGATION – A 66567 Pte LEDUC, F. E. No. 23.

Mr President and members of the court. The plea of guilty by the accused to the charge of being in improper possession of government property, to wit: three blankets and one greatcoat places this case at the mercy of the court in awarding punishment. The circumstances surrounding this case however indicate that there was no great crime committed by the accused. The only intention shown anywhere in the evidence and by the accused's own admission was merely to take his blankets and greatcoat out of barracks in order to sleep out for one night, which after reviewing Pte LEDUC's record of service, seems a perfectly logical desire. And although we are not trying to lessen his crime of ~~leaving barracks~~, being in improper possession of government property, we would submit that there is no evidence of intended theft, resale or unlawful destruction of this property.

Pte LEDUC's record of service in this war is very good and we would ask the court to consider it very carefully in awarding punishment. The accused joined the army 30 June 1942 voluntarily when barely of age for military service. Barely one year later in July 1943 he arrived overseas. He landed in France on D day in the assaulting troops of the Highland Light Infantry of Canada of the 3rd Can. Division. Wounded in the field on the 25th of June he was sent to hospital. The first party August sent him returned to the field this time reposted to the Calgary Highlanders of 2 Can Inf Bde. Here he served in a continuous fighting role until wounded again on 14th Sept. Again sent to hospital he was declared fit several weeks later and returned to Calgary Highlanders approximately 4 Nov. Served continuously again in the front line until the 28 Nov when he was wounded for the third time. He was sent to hospital again and after that to a convalescent home in January. He returned to 2 CBRD early in February. He has been told by a medical officer at one of the last hospitals he was in that his wounds were not serious enough to be sent home on the two-wound scheme and he has pursued the case no further although he has a 3½ yr old daughter that he has never seen. Pte LEDUC was married in May 1943 and his wife served for over one year in the CWAC receiving an honorable discharge after marriage. She is now working and they own their home and furniture. Pte LEDUC has had no crime whatsoever in civil life and this is his first commitment in the army. He has purchased victory bonds three times since the war started. The defence submits that this is an honorable and indeed an enviable record of service for anyone serving in the Canadian Army and asks the utmost clemency of the court in awarding punishment.

SUMMARY OF EVIDENCE

In the case of A66867 Pte Florian, Elzear, LEDUC (Calg Highrs) 59 Coy 11 CBR BN, a soldier of the Cdn Army Overseas is charged with improper possession.

By direction of the Commanding Officer the evidence is taken on oath.

FIRST WITNESS

K57428 Sgt Weir, R.(Cdn Scottish) 48 Coy, 10 CBR BN (PE) having been duly sworn, states:

"At approx 1930 hrs 20 Feb 45 I was preparing a draft of men and together with the Orderly-Cpl was proceeding through our own company lines. I saw the accused, whom I now know and recognize as Pte Le Duc, acting in a very suspicious manner near the back stairs of 48 Coy lines. I accosted him and on searching him I found that the accused had one blanket under his pants and tunic, and also had in his possessiontwo more blankets wrapped in a great coat. This roll was tied with a pull through. The attempt to conceal the one blanket on his person and the suspicious way in which the other articles were wrapped, to my mind, warranted me placing him under close arrest."

Sgt R Weir
(K57428 Sgt Weir, R.)

The accused declines to cross examine this witness.

(RP 83(b) has been complied with)

SECOND WITNESS

F42573 Cpl Brannen, F.A.(MM) (Alg. Regt) 48 Coy 10 CBR Bn, having been duly sworn, states:

"At approx 1930 hrs 20 Feb 45 I was accompanying Sgt Weir in mustering a draft. On the third floor of "C" block which is 48 Coy lines, the accused whom I now know and recognize as Pte Le Duc, was approaching along the hallway heading for the back stairs. He was carrying something in his great coat and was looking very suspicious. Sgt Weir, R. and myself apprehended him for investigation. The accused was carrying one blanket wrapped around his body under his uniform and two blankets in his great coat tied with a pull through. We then placed him under close arrest and turned him over to 10 Bn Guard Room. The accused refused to make any statement when we arrested him."

Sgt F.A. Brannen MM
(F42573 Cpl Brannen, F.A.)

The accused declines to cross-examine this witness.

(RP 83(b) has been complied with)

THIRD WITNESS

K66516 Pte Shillito, R.(Cdn Scottish) R.P. 11 CBR BN having been duly sworn, states:

"At approx 0900 hrs 21 Feb 45 I was instructed to take the accused, whom I now know and recognize as Pte Le Duc, over to his sleeping quarters and collect his equipment. We entered the room and Pte Le Duc went straight to a bed and started to put his equipment together. I returned with the accused and his equipment to the Unit Cell Block. I made a list of the equipment. I now produce this list of equipment."

R S Shillito
(K66516 Pte Shillito, R.)

Cross-examined by the accused:

Q. When we went into the room how do you know the bed I went to was mine ?
A. I took for granted that the bed you went to was your bed and the equipment you got together was your equipment.

Q. Did we bring the 3 blankets over ?
A. Yes.

(RP 83(b) has been complied with)

The list of equipment referred to in the evidence of the above witness is attached hereto as Exhibit "A"

FOURTH WITNESS

B79071 CQMS Marshall, A.H., CQ 59 Coy, 11 CBD Bn, having been duly sworn, states:

"On 9 Feb 45 the accused whom I now know and recognize as Pte Le Duc, was taken on strength 59 Coy. At that time along with other equipment he was brought up to the regular issue of 3 blankets."

"On the 21 Feb 45 Sgt Weir, of 48 Coy 10 Bn reported to me with 3 blankets and a great coat. I placed them in a kit bag with the label Pte Le Duc on it. Since then no other blankets have been issued to this man."

A.H. Marshall
(B79071 CQMS Marshall, A.H.)

The accused does not wish to cross-examine the witness.

(RP 83(b) has been complied with)

The accused was cautioned as follows:

Q. Do you wish to make any statement or give evidence on oath ? you are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you may give will be taken down in writing and may be given in evidence.
A. I want to make a statement.

Q. On oath or not on oath ?
A. On oath.

The accused sworn, states:

"On 20 Feb 45 at approx 1900 hrs I came into barracks to get my blankets as I was going to sleep out. I went through 48 Coy lines to get out the back way. As I got to the back stairs a Sgt and Cpl stopped me and examined me. They took away my three blankets and my great coat. They asked me where I got the blankets and I told them they were mine. I told them I was going to sleep out with them. That is all I said. On the following day 21 Feb 45 at approx 0930 hrs I along with an RP went to get my equipment. I was the first in the door of my room and went straight to my bed. My bed was the bottom portion of a double tier bed. I transferred my equipment from the bottom to the top and then got some things which were underneath my mattress. On the top bed there were 3 blankets. They were not my blankets. When we brought over my equipment there were no blankets. They took a list of all my equipment and looked it up in one of the rooms of the cell block.

F.C. Le Duc
(Signed Pte F.C. Le Duc, W.R.)

I CERTIFY THAT THE FOREGOING SUMMARY OF EVIDENCE, CONSISTING OF THREE (3) PAGES, WAS TAKEN DOWN BY ME IN THE PRESENCE AND HEARING OF THE ACCUSED AND THAT RP 4(c)(d)(e) AND (f) HAVE BEEN COMPLIED WITH.

Plea for Mitigation 11 Oct 1944

B.55629 Pte Joseph Andre Leduc (Page 1)

Lieut F Trugeon.

I would like to ask the court the mitigation of punishment. The reason is that Pte Leduc has been through former battles such as the Hitler Line, the Gustav line and never failed to perform his duty. In the Hitler and Gustav lines he had for Pl Comm late Lt Cordin who certainly would be a witness of character. Leduc has a nice crime sheet and it is evident that he was a fool rather than a knave. The accused has long service and good character. He is a volunteer. Two days before his company went up to take position on the start line Leduc had been excused duty for stomach troubles. He was told by the MO not to eat any meat. In the morning before the attack at 0900 hrs a paper from the MO marked Medicine and Duty was given to Leduc and at the same time he was told to come back at the R.A.P. if he had some more stomach trouble. I would kindly ask the court to take into consideration the facts which have been mentioned and to give Pte Leduc mitigation of punishment and am sure the CO of his unit would like him back as soon as possible. That is all.

STATEMENT ~~IN MITIGATION OF SENTENCE~~ of accused.

by D 592[88] Spr Leduc L. duly sworn

I have always been a driver since back in Canada and used as such. I was quite happy about it and everything was going fairly well untill october when we had to work days and nights, weekdays and sundays. I did not mind working long hours or late at night but my eyesight is bad at night and on account of that I had two accidents during october. The day after my second and last accident, I was grounded. I felt very sore about it because I considered it was not completely my fault. I was also tired quite a bit after a month of hard work without rest and browned off. That night I got out to drink and got drunk. I had no intention of going A.W.L. then untill the time I met a woman while being drunk, who offered me to keep me there which I did to my deepest regret.

Case of C33705 Pte Leduc P. 22 Medward Regt

Plea in mitigation of sentence:

Pte Leduc's conduct sheet shows that he has had only one serious charge against him before, that of being AWL 104 days. I would now like to put before you the story of this man's life in the army and so show ~~this man's~~ you his reason for these three absences without leave.

In Nov 42 Pte. Leduc was stationed in British Columbia. He met a girl there and eventually became engaged to her. In Jul 43 he learned that she had become pregnant so naturally he applied for permission to marry right away. However before the necessary papers came through he was put on draft and sent overseas. In England in Oct 43 he learned that the baby had been born. He was on draft for North Africa at the time but he went to the paymaster and asked to have $15 a month assigned to his fiancée to help support her. He was advised to wait until he reached North Africa. When he got there he found that the problem was further complicated by the fact that he would have to reduce the $20 assignment he was making to his parents before $15 dollars could be assigned to his fiancée. Before this was straightened out Pte Leduc was sent to Italy and there directly to the R22eR. He was in action for a week, wounded and sent to hospital. He finally ~~succeeded in making~~ the $15 assignment when he was discharged from hospital and came to No 1 CBRD in Mar 44.

In May he had letters from his fiancée telling that his monthly assignments were not being received. She was in poor health and unable to work so needed the money badly. This was too

made for him after all the delay in getting the assignment made. So on 19 May 44 he went absent without leave hoping to make some money on his own. This he succeeded in doing and sent home in the neighbourhood of $120 during his 3 months absence. He became sick and on 31 Aug 44 he had to give himself up. He was sent to hospital and on his discharge on 8 Sep 44 he tried the same thing again. He did not succeed in making any more money and was apprehended on 19 Sep 44.

After that he was sent to 48 n/ CORD. While there he received more letters from his fiancée telling him that in all this time (Mar-Oct 44) she had only had one $15 assignment. On the other hand she had received with little delay the money he had sent during his absence without leave. This convinced him that the only way to help her was to try once more to make some money so he went AWL on 20 Oct 44 and remained absent until apprehended on 9 Nov 44. During this time he managed to send an additional $40 to his fiancée.

There is no doubt that this was a foolish course of action but this man had what seemed to him a very strong reason for doing so. He had found that his own methods could provide for his fiancée while his arrangements through the army had failed to do so. Therefore I ask the court for leniency in this case.

PLEA OF MITIGATION.

By Defending Officer Lt G. Lefebvre, 3 Bn RCE

B29248 Spr Leduc R J has been with a construction Unit for nearly thre years and in these units a spr is more or less acting as a civilian do; They start working at about eight o'clock in the morning to finish at five o'clock in the afternoon They have very few military duties such as drill, lectures, instructions, etc.

This summer this Const. Unit has reduced its personell and this man has been transferred to the 3Bn RCE without being asked ~~he~~ if he wished to do so or not. This spr was quite lost here after spending so many years with the same group of friends the same officers and N.C.Os, etc. He also came here at the time of intensive training which was entirely new to him.

I am positive that this man never received the proper lectures and instructions on Military Law and that the seriousness of the offence for being A.W.L. was never explained to him sufficien-tly, It will be obvious to the court upon studying his MFM6 that all his offences are of a very minor nature. He is not a criminal His record shows that this man has been in the Army since The 9 May 1941 and has been in this country over three years He is only 23 years of age which means that he was only 17 years of age when he enlisted. I sincerely believe that there was no grounds for a court-martial, had he been properly instructed in Military Law; The repetition of this offence on his MFM6 shows this neglect and that it was not considered a serious offence in his previous Unit. In conclusion, I hope the court will carefully consider these facts when passing sentence, and I strongly believe Spr. Leduc R.J. has been punished sufficiently (mentally) while awaiting his trial.

Sir:

The accused Pte. Lee enlisted in the C.A.A.F. on the 4 Jul. 1940, he came overseas with the Royal Westminster Regiment in Nov. 1941. With this regiment he obtained qualifications as a motorcyclist. He was content and happy in this unit, all his friends and comrades whom he had joined up with were in this regiment. In June 1943 he was transferred against his wishes by unit reallocation to the R.C.A.S.C. He Knew nothing about the work of the A.S.C. and from June until the time he went absent he received no specific training along A.S.C. lines. He made several attempts to transfer to other branches of the service but these were continually turned down. He was told at the 1st September that he was being sent to No. 10 Coy. C.T.C. This transfer was again against his wishes and he felt that he wasn't being treated fairly. He was not allowed to soldier with some branch of the Army in which he had interest and ambition. He pleads guilty to the charge as read. He voluntarily surrendered hi self to the Corp. of Miltitary Police attached to 821 Coy Pioneer Corp. on Jan. 10. His AFM 6 shows that this is only the second time he has been absent for any great lenght of time.

After serving punishment as this court sees fit to award he wishes to obtain his transfer to some other branch of the service preferably the Infantry or Armoured Corps and to serve in the C.A.A.F. in any sphere of operations.

Evidence.

First witness: F 40277 L/Cpl. Nelson, K.S. Cdn Pro Cnpt. at 1 Cdn P of C Pro Coy, having been duly sworn, is examined by the Prosecutor:

I recognize the accused. On 4 Dec 43 at about 2015 hrs I was on duty in Avellino in company with L/Cpl Walton. We saw a group of people. On investigating we found the accused and another soldier and a group of Italians. They seemed to be arguing. We asked them all to accompany us to the police station. While accused's great coat - something was thrown away. On picking it up I found it was a carpenter's rule and a door book. On picking up what came from under accused's coat, I found it to be a pack of Italian playing cards. We proceeded to the station and turned accused over to Sgt Barbour. I am shown the rule (marked Ex "A"). I am shown the door book (marked Ex "B"). I am shown the pack of cards (marked Ex "C").

Cross-examination

I did not consider him drunk. In my opinion a drunken man cannot walk straight. If a man can walk a straight line he is not drunk in my mind. I did not notice his eyes, it was dark. It was very dark but not light enough to see his eyes. I have seen quite a few drunken men in my career. They all staggered.

Questions by Court.

No way to obtain the accused dropped a book. I do not know what kind of a book it was.

RP 83(B) complied with

Second witness: H 3519 Sgt Barbour. T. Cdn Pro Coy, having been duly sworn, is examined by the Prosecutor.

I recognize the accused. At about 2030 hrs 4 Dec 43, the accused was brought into Provost Post at Avellino along with Pte Fraser and a Italian

civilians. After questioning the civilians through an interpreter, we searched Pte Bell and found on him, Two leather purses, one leather stamp wallet Pte. a collection of Italian stamps, a bundle of loose Italian money in his pocket about 340 lire, a pocket knife, 2 packs of Italian playing cards. The articles were identified and marked as exhibits as follows:

Ex D. playing cards
Ex E. Knife
Ex F. leather purse
Ex G. leather purse
Ex H. Stamps
Ex I. money.
Ex J. Stamps

L/Cpl Walters and Nelson also found on the prisoners two packs playing cards, and a bottle of wine.

Cross examination

I don't recall the Sgt Major saying anything to the accused. I don't remember him saying to the accused get off that table and put out that cigarette. I can't remember whether Sgt. Major was present. I was there. The accused had been drinking but he was not drunk. I know a drunken man - and is capable of conducting himself in an ordinary manner. A person acting in an ordinary manner - I recall when spoken to and do as he was told. Accused and I. The accused claimed he went into one house - where he bought a bottle and they went into several houses - and were just talking to the civilians - and I bought the above articles from him. We kept the stamps which he acquired as a stamp collector coming to this country. He said "Kyle." the money he played poker & won from the money. I have been drunk. I stripped I behaved myself while drunk.

Examination

I have known the accused about 2 years. I have had to deal with drunken brawls a good deal. I have supposed my opinion on whether a man is drunk or not but we are not authorities on this.

(PP 63(B)) complied with.

Witness withdraws.

Third witness: 4 S 9132 PC Morelli, A. 1 Cdn Inf Bde

Pro say, having been duly sworn, is examined by the prosecution.

I recognise the accused. On 4 Dec 43 at 2000 hrs, I was out on patrol with L/Cpl Nelson and Walters, when we heard a noise - shouting and lights on ground - 2 Some soldiers and civilians. The accused was in the group. One of the Italians in answer to my questions said that the soldiers had been in his house and stole a broom. Another Italian said he had been in his house and wanted 40 lire for wine - scared him with a knife - and then cleaned up the place - stole a bucket & stuff. We took him all along to the provost post. On the way the accused dropped a bottle, then a pack of cards, then a key and a ruler. The Sgt took them for questioning. When we arrived at the post I searched the accused. He had bottle punch and other articles in leg of his pants. I went back to Italians house and on the way back we found a ball of string on the road on which we had walked earlier with the accused. Also found another ruler on the street. Ball of string identified Ex "K". Ruler identified Ex "L", we found some broken pieces outside the house - and the wooden part under the house. Identified Ex "M".

Cross examination

The accused refused to come out of post. I went inside and got the Sgt to bring him in. The accused had up any fight. His condition was normal. He was not drunk. He spoke clearly - he did stagger. He said they bought the broom, that

Some one else had stolen it - so they took another. He came quietly but objected to being handed over. The walk took about 5 mins. I don't remember Sgt. Higgs being present. Sgt Barbour was there. I have seen people drunk. I have also drunk myself. It's hard to say how I acted. After consuming certain amount of liquor, a man loses control, passes out. The accused was able to walk and talk. Tampered in my opinion he was sober.

RP 83(B) complied with

Fourth witness: Mrs Anne Higgs, previously Hollins. Duly warned and duly sworn, is examined by the prosecutor through the interpreter.

I recognize the accused. About a month and half go about 7:30 in the morning. I was the time with a few friends in the morning in my store where knives, edged tools are sharpened. The door was suddenly and violently opened and two soldiers, the accused and a companion entered. The accused had in his pocket a long knife which he drew and with which he made threatening gestures towards everybody present. They said they wanted wine, that's all they asked for. He I said I had no wine - none for myself. Then the two soldiers from their pockets drew forth two bottles saying that they had paid 40 lei for them. The bottles were empty. Then myself and my friends gave the two men 40 lei concerned and they would then leave. In the meantime my wife, who was in her room with the children, became afraid and she tried to escape seeing them to leave. The soldiers then began to use unheard words such as Mama, Papa and Gambrini. My wife was very much

afraid withdrew into the other room with the children. Then one of the two men, whom I do not know, took a kick at the door ~~and~~ in the room and burst it open. In the meantime, the other man held the door leading outside so that no one could leave or enter. Then the accused companion flung open the door and ordered him to enter the inner room using the word "~~Get out~~ - "Get it out" "Get in are" (get out). At this time the accused signed the man who was tied and with his gun in the other room. Then the people in the inner room commenced that the man had left, which leave the inner room for the outer one - found the door held by the companion of the accused. He then ~~this~~ I sent a message from the inner room through the garden to call the Cape police. The three entered the outer room - the two men had gone. I noticed that the cash drawer was missing from cash drawer as well as ~~so many remained~~. only 1-5^d^ cuttings remained. The two men followed the men and cannot account to arrested by the Cape police - and found on them the missing ~~pictures~~ value about 20 bis.

When I was in the mess room I could not see what was happening in civilian rooms.

Cross-examination

I gave him 40 lire because they visited us having it. The soldier did me a sharpen a knife. The soldier made unnecessary gestures with the knife but it was done in a joke. I did not see the soldiers take money from the cash box. The soldiers appeared drunk, and from his gestures they were drunk. They were not laughing.

Re-examination

They were done in joking with the knife but I thought they were serious.

Defence.

First witness: M 10627 Pte Lee, B J. 5 Bn
ICRD, having been duly sworn is examined by the Rejoinder Court.

I had a bet over 600 lire in my possession when I left the barracks on night of 4 Dec. Most of it was my pay and some I won playing cards. I went to a restaurant with Pte Evans with the intention of getting drunk. We bought wine and kept on drinking - felt pains all the time - we bought wine at different places. later went to a house with a light showing - knocked on a door. It was opened by the local witness. We stopped right on as the shop had as if it was in. We asked him for wine. He said he

had none for sale. In exchange for conversation I noticed some grinding stones - I drew my knife and asked him if he could sharpen it for me. He made motions - he could do it for me - but to come to-morrow. I turned to leave - I remember closing the door and then I didn't remember any thing until Sgt Wagner showed [illegible] me to get off a table, stand at attention and put out my cigarette. My pants were wet in my sailors - there was a big pile of fruit in front of me on the Sgt's table. I don't drink much ordinarily. About 4 or 5 glasses of vino would make me drunk. ~~Two of~~ We had two bottles in a cafe - bought more to take with us - went off to another place came back and bought another bottle. That is how I had the two bottles. We had some vermouth as well. It was Capri I remember buying the bottles. I have no use for the exhibits in my work in the army.

Cross examination.

I identify Ex "G" as my knife. It is not as sharp as I want it. We went downtown same time before 3. I am sure we were in 3 wine shops - before we came to Marano Lagi home. I bought #3 bottles I Capri and same vermouth and at another place same red dye. I didn't drink it all myself. I remember going to home, asking for wine. Long distance told them was none. I made signs with my hands that I wanted my knife sharpened. I don't

Remember hearing the name. I got my great coat back - and was put under arrest. Remember Sgt. Majors address. I don't remember him searching my great coat him taken off. I got back to Camp around 10 O'clock.

RP 83(B) complied with.

Closing address & Documents.

Intent is germane to all charges. I am not convinced accused was so intoxicated not to have suffered intent. He might admit so much. He gave details description & counts up to a pound - and then claims to remember nothing. He was a lot sobers than he would like us to believe. Evidence & documents. punishment - a question & fact in each case. Documents Ten good pages. Ours over charges. Witness to support him.

Defending Officers address.

The accused was too drunk to form intent to desire from remarks & his property. Attacks prosecution Italian witness said he was not drunk. He is just a kid. Trying it out - poor liquor - sold in little shops. Had no use for the articles. Asking to have knife sharpened might have scared the Italian. Final analysation that he was under arrest. Prosecution couldn't remember Sgt Major was with room.

(a) onus of proof
(b) reasonable doubt

Plea in Mitigation

We are dealing with a human being. He enlisted at age of 17½ years. Left behind a mother, 4 sisters and 2 brothers. Education only up to grade 8 - part of which was in army. Only his training was in army. His 39 and 40 years were concerned with state of war. He was not concerned with state of war when he took up with wrong girl. He was about average stand - the reason is his youth. His formative years were formed in the army. Turned upon to suggestions and examples. He was the oldest - to earn money. He had left about his eighteenth birthday. He boarded on Key in '41 - Canada Day in '42. He charge of drunkenness is serious one on his record. Must treat charges with as Canada. He has been told he is a Canadian soldier - and is invincible. He only was a conquered country. He acted as he had conquering hero. He knows he has done wrong and is sorry. Not unusual about turn out of adventure. Arrests are unlikely soldier

Summary of Evidence in the case of M-10627 Pte Lee, Benjamin Joseph, on strength Five Battalion, 2 Canadian Base Reinforcement Depot, a soldier in the Canadian Army, Overseas.

By direction of the Commanding Officer, this summary is taken under oath.

FIRST WITNESS
(For the Prosecution)

F-40277 L/Cpl Kenneth Stanley Nelson, Canadian Provost Corps, on strength No. 1 Canadian Line of Communication Provost Company, a soldier of the Canadian Army Overseas, having been duly sworn states:

At approximately twenty fifteen hours, fourth of December, 1943, I was on duty in Avellino in company with L/Cpl Walton, I saw Pte. Lee the accused, whom I recognize, in company with Pte Fronce. They seemed to be arguing with a group of Italions on the street, and on investigating, I found the argument to be over a broom. I asked the accused and Pte Fronce to accompany us to the Provost Police Station, also the Italians. I was walking behind Pte Lee, the accused and something dropped from under his great coat, which was a pack of Italian playing cards. As they were being picked up, the accused threw something against the building. On picking it up we found it to be a rule and a door hook. We proceeded to the police station where the accused and Pte. Fronce were turned over to Sgt. Tippett and Sgt. Barbour.

Pack of Italian playing cards identified and marked as exhibit "A", Rule identified and marked as exhibit "B", Door hook identified and marked as exhibit "C".

The accused had been drinking but I would not say he was drunk.

As we were going to the police station, the accused dropped a bottle. The bottle appeared to be empty when broken.

The accused declined to cross examine this witness.

SECOND WITNESS
(For the Prosecution)

H-59112 Lance Corporal Walton, Edward Stanley, Canadian Provost Corps, on strength No.1 Canadian Line of Communication Provost Company, a soldier of the Canadian Army, Overseas, having been duly sworn states:

On the night of Dec 4, 1943, while patrolling the streets of Avellino in Company with Lance Corporal Nelson, we heard some loud talking, and upon investigating, we found the accused, Pte Lee, whom I now recognize, in company with Pte Fronce. There were a few Italians, also two other patrols from fifth Battalion.

We could not make head nor tail of the argument so we escorted the accused and Pte Fronce, along with the Italians, to the police station. On the way to the police station, the accused dropped a bottle which broke. There was also something else thrown or dropped which I heard but did not see. We proceeded to the police station and turned the accused and Pte Fronce over to Sergeant Tippett and Sergeant Barbour.

The accused was argumentative and did not wish to proceed to the police station for questioning. He did not offer resistance in proceeding to the Police Station.

The accused had been drinking but I would not say he was drunk. He was a little farther gone than Pte Pronce.

The accused declined to question the witness.

The civilians were interrogated through an interpreter and from what we learned from them we had occasion to search the two prisoners. The accused had in his possession, two decks of cards, identified and marked as exhibit "D", a knife, identified and marked as exhibit "E", two leather punches, identified and marked as exhibits "F" and "G" and a leather stamp bearing initials "P.M." identified and marked as exhibit "H", and loose in his pockets Italian money to the value of 385 Lire in notes of the following denomination:

The two corporals turned over to me a pack of cards, identified as exhibit "A", a rule identified as exhibit "B" and a door lock identified as exhibit "C".

FOURTH WITNESS
(For the Prosecution)

Marano Lingi, Via Uruberto Primio No. 128, in the town of Avellino, kingdom of Italy, electrician, having been duly sworn, states:

At approximately 1920 hours fourth of December 1943, while at my home playing cards with some friends, two soldiers entered my house, after opening the door, the accused whom I now recognize, and Pte Fronce, and demanded wine. The big fellow, (Witness pointed out Pte Fronce)was guarding the door. The small fellow was pointing at me with a knife which I now identify and is marked as exhibit "E".

One of my friends tried to get up from the table to persuade them to stop doing this. They pushed him back and pointed a knife at him. Then my wife came in and the tall one of them remarked, "Mouma, Poppa, and Son". We all were standing up and the accused told us to sit down, still making threatening motions with the knife. In the meantime one of my friends, whose name is Carnello Critide ran out looking for the police. My wife got scared and ran into the back room and locked the door. The accused ran to the door where my wife had gone in and kicked the door open.

While all this was going on the big soldier, at every noise of a car going past, ran out of the door and had a look. Then the ppeple at the place he had been before and taken the broom, came back and took the broom which was leaning against the door.

This made the big soldier more angry than ever, and he ran down and got the broom back. The little soldier ran down and got the broom back. The little soldier was still amusing himself with the knife. They said they had no money and wanted (40) forty lire with which to buy wine. We then took up a collection and made up (40) forty lire which we gave to them.

The little soldier then looked at the mirror on the wall and asked how much it cost, receiving no answer tore it from the wall and threw it into the street, smashing it. One of my friends who could speek a little English, went up to the little soldier and said "Good fellow, go home". The little fellow then dropped the knife on the floor. As my friend tried to get it and disarm him, the big soldier threatened to hit him with his fist, and then herded us all, with threats and curses, into the back room. While he held the door, the little one broke into the cash box and stole money, the exact amout of which I do not know, which I identify and is marked as exhibit "I" and stamps which I identify and are marked as exhibit "J". He also took other articles which I identify as exhibit "A", one deck of cards, exhibit "B", a ruler, exhibit "C", a door lock exhibit "D", two deck of cards exhibits "F" and "G" two leather pumches, exhibit "H", a leather stamp bearing the initials P.M. and all of which belong to me.

As soon as they cleaned out the place, they ran out the door with all us following them. As we ran up the road we ran into the oplice, whom were later identified as picquets. I and my friends tried to explain to the police what had happened, but they didn't seem to understand. We walked up the road and found the accused and Pte Fronce in a doorway. When we accused them, they denied it all. We stood there and argued until the Canadian Provost arrived. We then proceeded to the Canadian Provost Office, where we identified the accused and Pte Fronce and all our belongings.

The accused acted as though he had been drinking but I do not know whether he was drunk or not.

Cross examined by the accused.

Q. Is it not true that when I entered your house I asked you to sharpen my knife?

A. No.

Q. You have two large stones for sharpening knives in your house?

A. Yes.

FIFTH WITNESS
(For the Prosecution)

Marano Cesare, Via Uruberto Prinio 122, in the town of Avellino, in the kingdom of Italy, electrician, having been duly sworn, states:

I recognize the accused and his friend, Pte Fronce. At approximately 1920 hours on the fourth of December 1943, I was at my father's house sitting at the table when the accused and Pte Fronce entered. The little fellow, Pte Lee(points to him) asked for wine, and whenwe told him we didn't have any he brandished his knife, which I now identify and is marked as exhibit "E" at everybody and demanded wine. The big soldier had no knife.

My mother came into the room and the big soldier said "Momma, Pappa and Son". My mother then left the room and closed her door. The little soldier followed her and kicked the door open. In the meantime the big soldier was guarding the door through which they entered, to let no one in or out.

We took up a collection of forty lire in order to get rid of them. The small fellow smashed a mirror, which I identify and is marked as exhibit "K" and the big fellow herded us all into another room, and held the door closed. I couldn't see what the little soldier was doing. They then left and we followed them. At the police station I recognized articles belonging to my father. My father's cash drawer had been closed and when the soldier had left it was disordered and papers were sticking out of it.

Identifies two bundles of string marked exhibit "L" and one ruler marked as exhibit "M" as belonging to his father.

I got the impression from the actions of both soldiers that they were drunk.

The accused declined to cross examine the witness.

SIXTH WITNESS
(For the prosecution)

Carullo Pellegrino, Via Uruberto No. 144, in the town of Avellino, in the kingdom of Italy, fruit seller, having been duly sworn, states:

At approximately 1900 hours, fourth of December 1943, I was in my store with my son, and my two young daughters. The door was closed and locked when there was a knock on the door. I did not open the door until the banging was so hard that I thought the door would be broken down. On opening the door, two Canadian soldiers entered, whom I now identify as the accused, the small one, and Pte Fronce, the large one.

They asked me for "Vino Vino". The big man knocked over a basket and when it hit the floor it made a noise, so he pulled his coat over his head and said, "The bombs are dropping," and made a noise like "boom, boom". When he said this, he grabbed hold of me and pretended he was scared, and then ran into the corner and still pretended he was scared.

The little man grabbed an orange, and peeled it, and shared with his partner. The big man picked up a broom, of no value to me. I opened the door and tried to make them go out, when the big one dragged me away, and took the key from the lock. While all this was going on, the little soldier had a knife, which I identify and is marked as exhibit "E". They left taking the broom.

From the actions of the accused and Pte Fronce, I believed they were drunk. I did not think they were threatening me but were just fooling around.

The accused declined to cross examine the witness.

On the fourth of December 1943 I was on patrol with Lance Corporals Walton and Nelson. We were attracted by noise from a group of people which included, the accused whom I recognize and Pte Fronce whom I now recognize and members of another picquet, and several Italian civilians.

We escorted the accused and Pte Fronce, together with the civilians to our office. On the way the accused, Pte Lee, dropped various articles, some of which we picked up then. After they had

been brought to the office I retraced our route and picked up Exhibits "L" and "M" which I then identified on the street. I picked up the mirror Exhibit "K" which I now identify, in front of the house of Marano Lingi, and the portions of two broken wine bottles, identified and marked as exhibits "N" and "O" respectively about 200 yards from the house.

The following day the pair of plyers, identified and marked as exhibit "P" were turned into the office by Marano Lesare, having been found along the route.

The accused was then asked,"Do you wish to make any statement, or to give evidence upon oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say, or any evidence you give, will be taken down in writing and may be given in evidence.

The accused elected to give evidence under oath and having been duly sworn states:

On Saturday 4th December 1943 I entered, upon knocking a fruit shop in Avellino and asked for wine and found they had noe for sale. I left this shop and went to another door, where a light was showing, and knocked on the door, and the door was opened and a large man with glasses, answered the door. I asked him for wine. He said he had none. In exchanging conversation, I saw two stones used for sharpening knives, and asked him to sharpen a knife for me. He made signs saying he could not do so right then, but to call tomorrow. I made my way towards the door. I do not remember anything that followed until I came to in the Police Office in Avellino.

Before arraignment accused makes special plea that the third charge in the charge sheet should not be tried by Court Martial. The charge is bad in law in that accused is being charged twice for the same offence.

Objection by Defending Officer p 1A.
Reply by Prosecutor p 1B.

Court is closed to consider the objection.

Court is re-opened and the President announces that the objection by the Defending Officer is disallowed and that the trial will proceed accordingly on all charges.

Pleas: (1) not guilty
(2) not guilty
(3) guilty.

Submission pertaining to the Objection to the Third Charge

The accused has objected to the third charge.

Mr President, Members of the court. I submit that the accused is not liable for the third charge because it is a direct contravention of K R Can 430 and the principles outlined in Chapt III paras 44 and 46.

I shall not be presumptious and read the law to the court. I shall merely state the reasoning based on these principles on which I submit that under the law the accused is not liable.

K R Can 781 states "a private soldier will not be by court-martial for an act of simple drunkenness." Simple drunkenness is defined by the paragraph and I submit this is simple drunkenness.

K R Can 430 states that if with the drunkenness is in connection with an offence liable by FD court-martial he should not be charged with drunkenness before the court-martial and directs that the case shall be disposed of under these conditions.

Para 44 chapt III MM+ states that even if the OC refuses to deal with a case as he is entitled under AA 46(3) the court still has the right to try the accused under sec 13 for simple drunkenness but I submit it is offset by para 47 which states that generally discipline will be upheld by charging "either for drunkenness (if he is liable to be tried) or for an offence under sec 40."

I submit that the charge sheet is out of order in that a charge under sec 13 should have been dealt with by the OC under the provisions of sect 46(3) of K R Can 430 and that the accused is being charged twice for the same offence.

J Robbins Lieut

1B.

Reply by Prosecution

I maintain that this charge of drunkenness, the third charge, against the accused, L/Cpl F.W. Lee is not only one that may be tried by court martial but rather one that should be. For this I advance the following reasons: 1. Paragraph 487 of King's Regulations & Orders states, "A private soldier will not be tried by court-martial for an act of simple drunkenness - that is to say, an act of drunkenness committed when not on active service, when the soldier was not on duty, or ...., &c." But in this case the salient fact is that the accused was on active service and not [illegible] he was on duty. Therefore he should be tried by court-martial.

2. According to paragraph 490 of K.R.&O. since the accused has committed the offence of drunkenness combined with a more serious crime, they should both be tried by the same court-martial.

In such cases the precedent established by court-martials agrees with my submission.

B 1398284/Cpl McConnell W
Cdn Pro Corps having been duly sworn states

I recognize accused. I took him to the NAAFI On 16 Jan I was in my billets and accused asked me to take him to 2 CBRG. HQ and I did. Later we started for NAAFI. He said he would like a cup of coffee so I took him there We got inside and queued up like rest of them and accused started to swear and NAAFI girl told him to be quiet or go out and requested me later to take him out. Before I could take him out he had knocked the beer glasses off counter and started to break down a small partition at

the end of the counter. With help of some other troops I finally got him outside.

Cross-examination

The accused was in a drunken condition when I brought him to RAA 71. I brought him outside & GP under face and he quieted down. One minute he'd go wild and next minute settle down. He was mobile. When he knocked beer glasses off counter ~~to~~ it seemed to be a sweep of his arm. (Witness demonstrates) I would not like to say he threw them. I was not watching him all the time. He had his back to me. During course of evening I saw pistol removed from accused. after we got him outside the RAA 71.

HB

Re examination

Just before going into NAAFI accused was drunk but "mobile" It seemed to hit him in streaks. At that time he was he was drunk but not troublesome.

By Court.

I do not recall the hour we were in the NAAFI. He did not fight in there he only struggled to get away. I don't think any blows were struck.

RP 83(B) complied with.

2nd witness prosecution

Miss E M Barker, employed at NAAFI having been duly sworn states:-

I recognise the accused. I was serving at beer bar at NAAFI in Nijmegen. He came in drunk and stood at counter. He was using bad language. I asked him

to refrain from swearing or go outside. He then picked a glass up and threw it at me, and that was all. The glass hit me on the ~~head~~ head. I didn't see any other disturbance around there.

Cross-examination

I was not knocked unconscious. I was just walking into kitchen and glass hit me on back of head. I did not see accused throw it.

By Court

The incident took place at appx 2000 hrs 16 Jan 46. There was another servant with accused when he was standing at counter. There was no one else.

RP 83(B) complied with.

3rd witness prosecution

Miss D McCormack employed at NAAFI ~~being~~ having been duly sworn states.

I recognize the accused On night of 16 Jan 46 I entered canteen about 8 p.m. I saw accused and a Cdn soldier go up to the bar. I thought they were fighting but Cdn was trying to get Provost from canteen because he was intoxicated. I saw broken glasses on the bar. I went straight through into kitchen and found my assistant had been cut on head. I rang up for C M P. immediately also F D S. There was a long queue. I thought the two were just knocking about when I first went in. The canteen is quite long. It was when I arrived at the counter and saw the broken glass and my assistant that I realized something

had happened. The accused was at counter when I last saw him and the Cdn was trying to reason with accused and probably shaking him. The accused was doing nothing but it looked as though he was trying to get behind the bar. The accused was standing perfectly still in gangway during this and Cdn soldier had hold of him.

Cross-examination

The broken glass was spread all over and partition broken. That is the partition along the end of the bar.

4th witness prosecution

B 49336 L/Cpl Bank 10 R Can Pro Corps. Can Pro Det HQ 2 C BK Gp having been duly sworn states;

I recognize accused L/Cpl Lee. We got him in the jeep and started to take him to his girl friends as he asked us to do. This was approx 2030 hrs 16 Jan 46. He was very quiet going up. We got to 16 Spaen Straat he got out of jeep and proceeded to door of house where girl friend lived and entered house very quietly but was staggering quite a bit. We just left him then and returned to NAAFI to examine extent of ~~injuries~~ damage as a result of report by Lt Blom we went up to 16 Spaen straat. We went into house and on 3rd floor saw L/Cpl Lee laying on the bed

very sick. We waited a couple of minutes. asked a few questions and then told him he would have to come with us. L/Cpl McDougall is the one I refer to when I say we. As we came downstairs L/Cpl McDougall left with Lieut Blouin and I proceeded with L/Cpl Lee down the stairs. I was first L/Cpl Lee second and his girl friend third. As we got on stairs on last floor I motioned to a civilian police to move back out of the way. I did not want accused to see him. He did not move. As we got onto the floor I asked girl to tell civilian police to get out of the way. She spoke to him in Dutch but he did not move. As we arrived at bottom there are double doors leading out about 4 or 5 feet apart. Just as I reached

the inside door accused gave me a push and I landed on the outside steps. I came back to the inside door but could not get in because of L/Cpl Lee holding it. I could only open it 5 or 6 inches. During that time I could see civilian police had his club raised as though to strike L/Cpl Lee. The door was banged shut then and the glass broken. Just as glass broke I could see policeman step back with his club down by his side. As the glass broke I also heard a thud. It sounded solid. I asked accused to come outside. He got out from the door and opened it. He came out on street. We started towards the jeeps. Just as we got onto the sidewalk. He started to walk towards the centre of road. I told him

come back and get into the jeep which he did. I got in myself and proceeded to take him to police station. We arrived at Police station and shortly after Sgt Ogg came in. I did not see policeman make any movement towards accused before I was pushed outside. When we arrived at house we found a door broken on 3rd floor, chair broken. It was flimsey construction and when picked up fell apart. The policeman was about 7 ft away from accused when I was pushed through the door. I think ~~on way down~~ accused said something about not wanting to see any civilian when going down stairs. I got back in between the two doors after 3 or 4 seconds. The outside door was open. The inside door is one glass was

broken. After I called the accused he came out. I could not see what happened before glass broken. I could see after but nothing happened. Accused was in corner and policeman about 6 ft away.

Cross-examination

I saw a pistol taken from accused and it was handed to me. L/Cpl Mac Dougall took the pistol from him after he came out of NAAFI. When the pistol was handed to me I proved it took magazine out and felt to see if any rounds in it. There were no rounds in the chamber. I gave pistol back to McConnell he held the pistol until we got over to the jeep and gave it to me and I put it in my jeep coat pocket. I later turned it over to Sgt Ogg. I at no other time saw a pistol in accused's possession.

L/Cpl Lee was not quiet at all times he was with me but would listen to reason and gave me no trouble. I was starting to come out inner door when I received my push. At the time I was looking out door to see if anything I might trip over. Policeman was back inside house at that time. I do not remember seeing policeman at exact time I was pushed. Seemed as though L/Cpl Lee pushed his elbow and body at same time. Momentum carried me out to first step a distance of about 6 ft. When L/Cpl Lee came out of house as far as I can remember policeman was still inside. I did not see policeman hit accused with his "billy" outside house. He must have come outside house right after us. I remember him running past the jeep. As far as I can remember there was no

by play or scuffling between the policeman and accused outside the house. I could not swear I heard a shot fired. It sounded like a tire. That was after the policeman had run past the jeep. The jeep was facing West policeman ran East and report came from East. At that time Cpl Lee was just ~~just~~ in front of jeep coming around to get in. He was ~~no more~~ ~~of headlights~~ ~~and~~ coming No trouble at the time. The headlights of jeep were off.

Re-examination

I think L/Cpl Roe Dougall searched accused at the NAAFI. I am not sure. When I went to the house I had my jeep coat on. I am prepared to swear that the pistol was in my pocket all the while this fuss was going on. When I was pushed I more or less stopped myself by putting my hand on door

When we came out of house I walked beside accused. I was more or less first on his right till we were about 12 ft from steps. Slightly ahead of him. Then as I walked towards jeep he walked towards centre of road. I called him back and he was about 6 steps away from me when he turned to come back. The accused was temporarily out of my ~~sight~~ sight after we left the sidewalk when I walked in front of him

By the Court

At no time was a pistol found on accused after he got in the jeep and at no time was he again searched for a weapon. It was about 2100 hrs when we went back to house 2nd time. Accused had pistol in his hand at NAAFI. I did not see him strike a certain

policeman, damage the house or brandish a pistol. I do not remember if accused wore a white holster when pistol taken from him. He may have been wearing a white belt.

Pros. through Court.

I could not say who broke glass on inner door. L/Cpl Lee was standing nearest to door after the glass was broken.

Defence through Court.

The girl came out on the street afterwards.

soon as I stopped to ask if any trouble when civilian and civilian policeman came along and reported trouble at 16 Spaen Straat. I then instructed L/Cpl Bush to go to place and civilian accompanied. I instructed L/Cpl Bush to follow with his jeep and civilian showed us the way. Arriving at place L/Cpl Bush went inside and was followed by L/Cpl MacDougall. The civilian police was at the door at the time. L/Cpl Bush reported to me that one of our own men was in the house. I went inside at the time L/Cpl Bush was coming downstairs. They were having no trouble with him although he was under the influence of liquor so I told L/Cpl Bush to ~~go take~~ get

accused's battle dress and coat and take him back to the billets. L/Cpl Lee said he would go back with him. Everything appeared to be under control I left with L/Cpl Mac Dougal on my tour of duty. When accused and L/Cpl Bush were coming down stairs the civilian policeman was at the door

I recognize accused L/Cpl Lee. On 16 Jan 46 I arrived at HAAFI. found L/Cpl Lee outside with L/Cpl McConnell was holding him by both arms. Accused was holding army issue pistol in his left hand. We jumped on accused. I jumped on his arm and took pistol away

from him and handed it to L/Cpl Bush who was with me. He proved the weapon and handed it to L/Cpl McConnell. He took magazine out, there were no rounds in it. The pistol was empty. We got accused standing up, I took one arm, and one of the other 2 L/Cpls took his other arm and we started taking him to the jeep. We took him to his girl friends place at 16 Spaen Straat. Left him there and went back to HAAFT to investigate. We went back to 16 Spaen Straat later with Lt Blomin and found accused lying on his stomach in a bed there. He seemed to be pretty sick. I told him he would have to come with us and he said "yes" he would. He followed me downstairs very quietly and we left him there with L/Cpl Bush while Lt Blomin and I left to investigate some

trouble at waterfront. On our return we woke up Lt Ogg and instructed him to place accused under close arrest. I did not search accused for other weapons at the HAAFL. I did not see anyone else search him. I did not search him later. I did not notice any damage to 16 Rpaen Stuat the second time I went there accompanied by Lt Blonin. I saw no damage the first time I was there.

I recognize the accused L/Cpl Lee. I saw him on 16 Jan 46. On that night he came ~~to~~ up stairs — he was very drunk. He told me he wanted to go to ADAF? for cup tea between 1900 hrs and 1915 hrs. He went away and came back appros 1 hr later.

I took him upstairs to my room and washed out his wound. Then he wanted to go to NAAFI again. He was in Van Spaendonck. He saw a soldier there whom he presumed to be an Englishman but the fellow was a Can. The fellow went upstairs of house No. 16 where I live --- and struck the accused.

The defending officer objects to any evidence along these lines because it is irrelevant and has no bearing on the charges.

Court is closed to consider the objection.

The court is re-opened and the President announces that the objection is disallowed. However the right of the defending officer is reserved in the event that the evidence forthcoming is not part of the Res Gestae

The soldier went into ~~my room~~ his room in my home and locked the door. He kicked the door in and started to fight. When I say "he" I mean the accused. He began to fight with fellow whom he had taken for an Englishman. The soldier went away and I brought accused into my room for second time. The only damage was the door kicked in. The second time in my room he was very calm and quiet and sick. Then the Pro and Dutch Police arrived and asked for accused. The Dutch policeman came upstairs with the Provost. The accused went downstairs quietly. First they were all upstairs and then went downstairs. I did not see who ~~of~~ went downstairs first. Then Lee asked me who

the Dutch policeman was. I told the constable to go away from Lee. He didn't want to go away because he said he was not scared. Then they were suddenly fighting and I don't know how it started. The Cdn Pro was also downstairs. He tried to stop it but couldn't. I ran up the street. The Dutch policeman and Lee too. Lee came up the street first and the Dutch policeman after. I did not see Cdn Pro then. I was away when I heard Lee say "Come on. Let's fight man to man." Then they started again and I told Dutch policeman, who was carrying a rubber stick to go away from Lee, three times. The Dutch policeman did not want to go. I did not see any blows struck. I think I only heard the "whistle" of the rubber stick and the sound of the stick hitting Lees face. Then Frank (Lee) asked for me and I told him to get into the jeep now. He went in the jeep with the Pro and the jeep went away. Just before he went to jeep I did not hear a shot fired. I only heard the

yelling of other girls.

I went back about 15 meters and shot in the air with my pistol once Lee was still running back and forth near the jeep. The two other Provost were sitting on other side of jeep. They were "ducking". I was standing a little ways off when Provost got Lee to step into jeep. I wrote down names of two witnesses. I went to my main Office and found Lee and the 2 Provost sitting in my Officers room. The prosecution does not propose to call L/Cpls Tombs, Whitehead and Pte Dams witnesses in the summary and the defence does not require their attendance for cross-examination.

Summing up for Prosecution

In my opinion the evidence advanced in more than sufficient to prove the guilt of the accused, W/Cpl F.W. Lee on all three charges.

1st charge - To begin with let us deal with the first charge. Now testimony has been offered by W/Cpl McConnell as to (1) the fact that the accused was smoking loudly in the NAAFI and making such a nuisance of himself that he had to be asked to leave.

(2) the fact that the accused suddenly knocked a number of beer glasses from the bar, one of which struck Miss Barker.

(3) the fact that W/Cpl McConnell tried to get the accused to leave the NAAFI as requested, a scuffle ensued since the accused refused to leave peacefully and so caused a struggle.

(B) Miss Barker as to (1) the fact that the accused caused such a disturbance, that he first attracted her attention by swearing that she had to ask him to leave.

(2) the fact that the accused knocked a number of beer glasses off the bar before he was taken outside.

(C) Miss McConnell as to (1) the fact that the accused knocked a number of beer glasses from the bar.

(2) the fact that the accused was generally disorderly and refused to leave as requested, thereby precipitating a scuffle.

The defence will probably make much of the fact that there is no direct evidence that any blows were struck in the NAAFI. But as I see it there must be in my opinion that the struggle which

could might be called a fight. Because for one thing we have the evidence of L/Cpl Mc Connell and Miss Mc Connach that L/Cpl Mc Connell was holding the accused down and might therefore have prevented him from striking any blow. Moreover, since L/Cpl McConnell could not get the accused to by himself it had to have assistance from some other soldiers, I maintain that the accused must have been fighting them.

Therefore I submit that it has been definitely established by the testimony of the aforesaid witnesses that the accused did cause a disturbance in the NAAFI on 16 June 46 to approx. 1945 hours (1) by swearing (2) knocking two glasses off the counter and (3) by fighting.

- - - - - - - - -

2nd charge. With regard to the second charge, striking has been proffered by (A) L/Cpl Bush to the fact that (1) When he climbed to 16 Spareshead the second time damage had been done to the house to the extent that a chair and a door had been broken, and it was then only the accused and Miss Hine who, he knew in the flat, were present, (2) that then L/Cpl Bush was pushed through the middle door on the ground floor and the glass in that door savagely broke the accused was the nearest person to said door, immediately after the glass broke (3) L/Cpl Bush saw the policeman make no movement towards the accused to prejudice a fight (4) The accused ran out of L/Cpl Bush's sight for a while after they had left the house at Spareshead previous to going to police station (5) L/Cpl Bush could not state whether the accused had come out of the house of his own volition, or whether the policeman, Van Dr ensure had pushed him out.

(B) Both L/Cpl Bush and L/Cpl Mac Dougall stated that to their knowledge after having had his jacket taken from him at the NAAFI, the accused was not assaulted again.

(C) Lt. Ogg testified that the accused was again searched at the civilian police station but not before.

(D) Miss Lewis said to the fact that: (1) The accused kicked in the door to the room right next to hers when he tried to get at the other door to the room right next to hers when he tried to get at the other

(2) She saw Van Leuven and soldier
the accused fighting on the ground floor of the house and of Cpl Lee had not been stating the constable he had not been going outside the house and said, "Come on and fight man to man!" and then continued fighting. The accused only stopped then when Miss Lewis asked him to do so for her sake. She only had an attitude to and the policemen from first seeing him and that was a very belligerent one toward said Van Leuven.

(E) Van Leuven to the fact that: (1) The accused hit him on the face with all his might first without any provocation that - on in the house of the accused kept up his attack until Van Leuven threw him outside. This is substantiated by Cpl Rush in effect since he testified that the constable was still inside when the accused emerged from the house.

(2) The glass door in the hall was broken by the constable pulling the accused outside in order to prevent any further damage to the inside of the house. The accused caused the door to be broken by stating the fight into the constable who was only defending himself. (3) The accused approached Van Leuven outside the house again and wanted to fight him more. Then the accused pulled a pistol out of his pocket and aimed it at the constable, he knocked it to the ground with his billy.

(4) When Van Leuven went back a few paces, drew his pistol, and fired one into the air. This is substantiated in effect by Cpl Rush who stated that at this time he heard what sounded to him like a back-fire of a car.

As to the pistol, the accused was never properly searched, after having been relieved of his arms pistol & the NAAFI until he reached the airlock Julius station. I submit that 4/Cpl Buck did not see the incident of the pistol which took 16 Spaemdaal since & maintain that said incident took place at the time when 4/Cpl Buck walked over to his jeep and at that time 4/Cpl Buck has testified that he was not watching the accused. Therefore we must accept the statement of Van Gemert that the accused at that time did brandish a pistol at him. All the contributory evidence by 4/Cpl Buck and Miss Mol pointed to this fact. I maintain that the accused could quite easily have had a small calibre pistol secreted on his person all this time since he was not searched for such.

The actual fight which 16 Spaemdaal took place while 4/Cpl Buck was over to the jeep and was not watching the accused. By Lieut. Blomin's statement this fact has been established that the jeep was immobilized and 4/Cpl Buck must have replaced the wire before getting in to start it, and that would provide sufficient time for the fight. Miss Mol has stated that the P.O.W. was now beside the jeep during this fight between Van Gemert and the accused. We have the statement of Miss Mol and Van Gemert as to all details of the fight that took place and these agree perfectly while 4/Cpl Buck was at the jeep and says he saw nothing - and indeed since he was at the jeep he could be expected to see nothing. Finally I should like to point out that Miss Mol's evidence should be given special weight since she might obviously be expected to be prejudiced slightly in favour of the accused.

I think the court will realize that there are bound to be certain small immaterial inconsistencies in an affair that took place so quickly and in such confusion, but in the main essentials points the statements of Van Steenwyk, Miss Wolf, & Lt/Cpl Bunch all agree. Also in the case to be expected that certain small differences should arise since the two main witnesses Miss Wolf & Van Steenwyk speak little English, unfortunately I have been unable to obtain the true witnesses of the fight mentioned by Van Steenwyk since the latter was shot. As far as the details are concerned, it is simply a matter for the court to decide as to which statements are to be given the most weight: that of L/Cpl Bunch who is admittedly vague in many points, or those of Miss Wolf and Van Steenwyk, which are much more detailed and circumstantial in every respect.

I submit, Gentlemen, on the basis of the statements put forth by the previously mentioned witnesses and on the grounds I have set forth, I ask the court to find the accused guilty of the second charge of creating a disturbance at 16 Spandaus - that he did (1) strike a civilian policeman (2) did damage said house and (3) did brandish a pistol.

- - - - - -

And as since the evidence has been so definitely established on every point of both the first and second charges, I ask the court to find the accused guilty of every phase of both charges.

OR Sanderson Lieut.

Summing Up for the Defence

On the first charge, I submit, gentlemen, that the prosecution has only proved that Cpl Lee swore and knocked beer glasses off the counter. There is no evidence as to fighting on the part of the accused. Only the natural struggle of a drunken man being forcibly ejected from a premises at which he was no longer welcome. The prosecution has shown no evidence of fighting.

On the second charge the prosecution has shown nothing to be definitely proved. The charge is that he struck a policeman, damaged the house, and brandished a pistol.

I submit that the prosecution has entered no reliable evidence that Lee struck the policeman without provocation. The only definite statement, that of the policeman, is not in my opinion reliable.

L/Cpl Bush states as walked down the stairs he waved the policeman aside. The policeman says he does not remember this. Cpl Bush asked Miss Mol to ask the Dutch Policeman to go in order to avoid trouble. Miss Mol states that she had warned the policeman to go and he stated that he was not afraid. I submit that he was not afraid because he was standing there with his hand on his billy and expected and hoped for trouble.

And gentlemen, may I remind the court that there is no evidence, besides the policeman's as to who struck the first blow. The policeman states that Cpl Lee pushed Miss Mol away and struck him. Miss Mol doesn't even mention being pushed away and states that she did not see the first blow struck. L/Cpl Bush said that he received a push that sent him hurtling out the front door, a push that he described as being a push with the whole arm rather then the hand alone. I submit that this was rather a lunge on the part of the accused. A lunge that might have been caused ny the policeman.

The policeman states that the accused pointed a pistol at him. The policeman could in court swear that he saw the pistol and that he recognized a small calibre pistol and that it was probably a Browning. At the range of 1½ meters on a dark Dutch night the policeman could do this but in a well lighted court-room at about the same range he could not recognize a standard Broning pistol when it was shown him. I submit that the incident of the brandished pistol was a figment of the policeman's imagination to make up for the unwarranted injuries he had inflicted on the accused, injuries that he himself desired to inflict by his belligerent attitude.

The damage to the house, as alleged in the charge, is referring to, in my opinion, the damage to lower hallway. And the policeman in his own statement says that in pushing the accused out of the house that he damaged the door. L/Cpl

Bush stated that the door was broken while he heard a blow struck and that through the broken door he saw the policeman standing back with his billy by his side when just before the sound of what he thought was a blow the policeman had his billy upraised. I submit that the policeman did the damage, not Cpl Lee.

The only other damage that was done was the damage in the room on the third floow which I submit is an incident entirely seperate and which the prosecution has completely neglected to establish the full story of.

So, gentlemen of the court, in conclusion I submit that Cpl Lee has swore in the Naafi, knocked beer glasses off the counter with a sweeping motion of his hand, but that he DID not fight in the NAAFI, that he did not strike the policeman, the he did not do the damage ~~xxx~~ to the house alleged in the charges, and that he did not brandish a pistol.

PLEA OF MITIGATION

Gentlemen of the Court. Now that this trial has progressed to the stage of the consideration of sentence, I would like to bring before the court the following circumstances of mitigation.

The accused enlisted on the 8 Sept 1939 and after service in Canada with the Canadian Provost Corps he was posted to 8 Cdn Pro Coy, the Coy with which he remained until it was repatted.

The accused came overseas on 6 Oct 42 and landed in the Advance section with the 4 Div Provosts, as it was the 4 Div that the 8 Coy was attached to.

During the period of action and up to the time that the Company disbanded the accused was in charge of distributing rations and mails throughout the Company. This gentlemen was an employment that was essential and [illegible] the reward for the accused faithfulness to his duty was a C-in-C's Cert for Service in NWE which the accused received this summer.

The accused was one of the last men to leave 8 Pro Coy as he wished to stay in this country until he could be married. I submit, gentlemen that accused crime's were done under the influence of alcohol. He was not an habitual drinker and he was not aware of the potency of the drink that had been given him and was well into the effects of the liquor before he could realize its effects and then gentlemen it was too late.

The inherent good character of the accused was shown by the quiet way that he normally acted even though drunk and the disturbances were only caused when something irritated his alcohol fogged brain. I submit gentlemen that there are strong circumstances of mitigation and know that the court will give the accused the benefit of all the leniency which it can give.

SUMMARY OF EVIDENCE

Summary of Evidence in the case of M3099 L/Cpl LEE, F W, Cdn Provost Corps, Cdn Provost Det - HQ 2 CBR Gp, charged with:

1. Drunkenness (AA Sec 19)
2. Causing a disturbance (AA Sec 40)
3. Improper use of a weapon (AA Sec 40)
4. Resisting arrest (AA Sec 40)
5. Damage to barracks (AA Sec 40)

By direction of the Commanding Officer, the evidence is taken on oath.

FIRST WITNESS B138828 L/Cpl McCONNELL, W [illegible], Cdn Provost Corps, Cdn Provost Det, HQ 2 CBR Gp, having been duly sworn, states:

I am B138828 L/Cpl McCONNELL, W [illegible], Cdn Provost Corps, Cdn Provost Det, HQ 2 CBR Gp. At approx 1900 hrs I was in my room at the billets getting ready to go out when L/Cpl Lee came in and asked if he could get a ride down to HQ 2 CBR Gp. Thinking that he left something there I brought him down there. When he got there he went straight through the hall so I took it for granted that he was up to no good, so I called the guard and went after him. Before we got there he had upset the desk in one of the rooms. The guard and I grabbed him, wrestled with him on the floor and finally got him outside and put him in the Jeep, by that time he had quietened down. I was going to take him home but he said he would like a cup of coffee, so figuring that it would do him some good I took him down to the NAAFI. We went inside and when he got to the counter he started swearing. The NAAFI girl said that he would have to stop swearing or leave and requested me to take him out. Before I could do so he had knocked the beer glasses off the counter and started to break down the little partition at the end of the counter. I tried to stop him but to no avail, then with the help of some other troops I finally got him out. He broke loose again and started to fight some English soldiers and Dutch civilians. He pulled out his pistol and threatened anyone who came near him that he would shoot him. I pleaded with him personally but he refused. By that time the patrol arrived there, L/Cpl Bush and L/Cpl MacDougall, and they helped me to take the pistol away from him, put him in a Jeep and take him away.

QUESTIONS TO THE WITNESS

Q 1 At approx what time did this affair in the NAAFI take place?
A 1 Approx 19:30 and 19:45 hrs.

Q 2 Did you take L/Cpl Lee direct from HQ 2 CBRGp to the NAAFI?
A 2 Yes sir.

SECOND WITNESS B49336 L/Cpl BUSH, IOR, Cdn Provost Corps, Cdn Provost Det, HQ 2 CBR Gp, having been duly sworn, states:

On the night of 16 Jan 46 at approx 2020 hrs trouble was reported at the NAAFI. We went down and found L/Cpl Lee there and he had a pistol in his hand. L/Cpl McConnell was trying to calm him down because he was very drunk. L/Cpl McConnell then managed to get hold of him from behind and he and myself threw him to the ground. We took the pistol away from him and found it was empty, no shells in it. He quietened down then so we took him to the Jeep. He asked us to take him down to his girl-friends place and if we did this he would be quiet, so we took him to his girl-friend's place at 16 Spaenstraat. We left him with his girl-friend and returned to the NAAFI to find out the extent of the damage and to see if the NAAFI girl had been hurt. We found out she had been taken to the MIR and the MO stated that it was nothing serious. We then met Lt Blouin and proceeded to 16 Spaenstraat where the civilian police had reported that a drunken soldier was causing a disturbance. There we found that L/Cpl Lee had done some damage to the house. We saw L/Cpl Lee and he had quietened down considerably so we started to leave for our Jeep. We proceeded to the civilian police station and waited there. Sgt Ogg arrived and placed him under close arrest, proceeded to take him to the MO to get his wounds dressed on his head. Took him back to the Guard Room at 4 CBR Bn and left him in charge of the NCO at the Guard Room.

Cross-examined by the accused:-

Q. Would you mind telling what happened when I was coming down the stairs at 16 Spaenstraat?

A. L/Cpl Lee came slowly quietly and when we had reached the foot of the stairs on the first floor a civilian policeman was there and I motioned for him to get back out of the way. L/Cpl Lee came down stairs and his girl friend followed him. At the foot of the stairs she asked the civilian police to leave before causing some more trouble, but he would not leave. As we were going out of the door I was on L/Cpl Lee's right side, just as we got to the first door the policeman said something and L/Cpl Lee more or less pushed me out and closed the door. I had difficulty getting in as L/Cpl Lee was against the door trying to defend himself as the civilian policeman hit him with the stick. Finally I managed to get L/Cpl Lee outside and I was on the road when the civilian policeman came out and went down to the corner. I managed to get L/Cpl Lee quietened down and L/Cpl MacDougall and I helped him into the Jeep and proceeded to take him to the Guard Room at 4 CBR Bn.

QUESTIONS TO THE WITNESS

Q 1 Was L/Cpl Lee hurt when you took him to the guard-room?
A 1 Yes sir, he had a few abrasions on the eye and also on the back of his head.

Q 2 In your opinion, were these caused by the civilian police?
A 2 Yes sir.

Q 3 Have you any idea of what started the fracas between L/Cpl Lee and police?
A 3 No sir, but something was said - don't know exactly what.

THIRD WITNESS C102189 L/Cpl MacDOUGALL,KD, Cdn Provost Corps, Cdn Provost Det, HQ 2 CBR Gp, having been duly sworn, states:

I am C102189 L/Cpl MacDOUGALL, KD, Cdn Provost Corps, Cdn Provost Det, HQ 2 CBR Gp. At approx 2020 hrs 16 Jan 46 while on Roving patrol duty in Nijmegen with L/Cpl Bush we were informed that there was a disturbance being caused by a Canadian soldier at the NAAFI. We went there immediately and in a compound in front of where the NAAFI theatre used to be we found L/Cpl Lee being persuaded by L/Cpl McConnell to quieten down. L/Cpl Lee was very much under the influence of liquor and was waving a pistol around threatening to shoot all the Limeys that he had seen. We immediately jumped on him and disarmed him and as we were taking him back to the Jeep two CMP's happened to walk too close to him and he kicked one in the chest and the other in the face. When we got him to the Jeep he told us he would be quiet if we took him to his girl-friend's place, which we did. We then returned to the NAAFI and saw a Miss Barker who was employed there and she told us that L/Cpl Lee had hit her over the head with a glass, she had her head treated at the MIR, and the MO told her it was nothing serious. We then saw Lt Blouin, our Det Offr, and he told us of the trouble at the water front but before we could get started for there the civilian police reported that there was trouble at 16 Spaenstraat. We went there immediately and found that L/Cpl Lee was in bed lying on his stomach and before we got there he had done damage to this house. I went up and told L/Cpl Lee to come out with us and he said "yes, I'll come". He had quietened down a lot. Just as we were going down stairs Lt Blouin said we would go down to the waterfront to investigate the trouble there, so we left L/Cpl Bush to look after L/Cpl Lee. We found no trouble at the waterfront so we went to get Sgt Ogg to place L/Cpl Lee under close arrest. When we came back to the house L/Cpl Lee had gone with L/Cpl Bush down to the civilian police station and we found them there in the police inspector's office. We then took L/Cpl Lee to the MIR at 4 CBR Bn, had his wounds dressed and put him in the Guard Room at 4 CBR Bn under close arrest.

QUESTIONS TO THE WITNESS

Q 1 When you took the pistol away from L/Cpl Lee was it loaded or not?
A 1 No sir, it was not loaded.

Q 2 Did he have his holster on or was the pistol carried?
A 2 He had a holster on.

Q 3 Was L/Cpl Lee on duty at the time?
A 3 No sir, he was not on duty at the time.

The accused declines to cross-examine this witness.

C102189 L/Cpl MacDougall, K D

FOURTH WITNESS Lt BLOUIN, Cdn Provost Corps, OC Cdn Provost Det, HQ 2 CBR Gp, having been duly sworn, states:

I am Lt Blouin, Cdn Provost Corps, OC Cdn Provost Det, HQ 2 CBR Gp. On the night of 16 Jan 46 around 2100 hrs while checking the roving patrol in town I noticed a fight on the waterfront so I came back to get my roving patrol to help me. I ran into one of the roving patrol and informed him of this disturbance. But before we could go down and investigate, the civilian police informed us that a Cdn soldier was creating a disturbance at 16 Spaenstraat, the Cdn soldier said to be drunk. We went down to the above mentioned address and there I found it was one of my own men under the influence of liquor. I told my roving patrol to put him under arrest. L/Cpl Lee was quiet and came down the stairs without

help so I did not see any use for staying around so I got L/Cpl MacDougall to come down with me to the waterfront to check the trouble down there and L/Cpl Bush was left to bring L/Cpl Lee to the Guard Room. On my way down L/Cpl MacDougall told me that L/Cpl Lee was the soldier that caused all the trouble at the NAAFI the same night. As we did not see any trouble on the waterfront I came back to HQ 2 CBR Gp to contact Sgt Ogg and put him in the picture of the whole story and told Sgt Ogg to see that the man was put in the Guard Room under close arrest.

QUESTIONS TO THE WITNESS

Q 1 What time did you first see L/Cpl Lee?
A 1 About 2130 hrs.

Q 2 Did L/Cpl Lee have a weapon with him at that time?
A 2 No sir. At the time I saw L/Cpl Lee he had on only his battledress trousers and shirt.

The accused declines to cross-examine this witness.

FIFTH WITNESS H16653 Sgt OGG, H M, Cdn Provost Corps, Cdn Provost Det, HQ 2 CBR Gp, having been duly sworn, states:

At approx 2000 hrs 16 Jan 46 Lt Blouin, Offr in charge of the Det here, came down when I was in bed at the time and he stated that one of the Provost was in trouble down town and he wanted me to go down and find him and place him under close arrest. So as soon as I got dressed I proceeded down town and looked around town as much as possible, then went down to the civilian police station where I found L/Cpl Lee. He was being held by two of our provost, L/Cpl Bush and L/Cpl MacDougall. The appearance of L/Cpl Lee was very bad as his face was all covered with blood. He had quite a few cuts on the head and seemed under the influence of liquor, and as to whether he was drunk or not I wouldn't swear. I placed L/Cpl Lee under close arrest and ordered L/Cpls Bush and MacDougall to escort him to 4 Bn Guard Room, where before being placed in the guard room he was taken to the MIR for medical treatment.

The accused declines to cross-examine the witness.

SIXTH WITNESS No 6286436 L/Cpl TOMBS, I A, Corps of Military Police, Nijmegen Det, having been duly sworn, states:

On Wed 16 Jan 46 at approx 1950 hrs I was instructed by Sgt Pugh, CMP, to proceed to the NAAFI beer bar where a soldier of the Cdn army was said to be causing a disturbance at the beer bar. On arrival at the beer bar with L/Cpl Whitehead and Pte Davis at about 2005 hrs I saw the manageress and she stated that a L/Cpl of the Cdn Provost had been drinking at the bar and causing a disturbance. I left the NAAFI and was immediately joined by two Cdn Provost Corps men who were also informed of the trouble. We went into the compound adjoining the Wintergarden and there we saw

L/Cpl Lee and he was brandishing a pistol and shouted to me as I approached "Limey bastards" and also said "I will shoot the first Limey that tries to get me". The two Cdn Provosts eventually seized L/Cpl Lee and overpowered him and we rushed in to assist them. During the struggle I received a kick in the chest from L/Cpl Lee who was being held by the two Cdn Provost men. Pte Dams was struck on the mouth by the pistol which the accused was in possession of. L/Cpl Lee was drunk.

SEVENTH WITNESS No 4699726 L/Cpl WHITEHEAD, W, CMP, Nijmegen Det, having been duly sworn, states:

On the night of 16 Jan 46 at about 1950 hrs a disturbance was reported at the NAAFI beer bar. I accompanied L/Cpl Tombs and Pte Dams and it would be about 2005 hrs when we got ther. We went into the beer bar and the manageress called us and told us about a little trouble with a Cdn soldier and she said he had gone outside. We went outside into the compound adjoining the Wintergardens and I heard the accused shouting and brandishing a revolver. I got behind a tree and looked to see that the civilians and others were kept out of the way. The Cdn provost who had joined us finally managed to seize L/Cpl Lee and take him away.

I was detailed with L/Cpl Tombs and L/Cpl Whitehead to proceed to the Wintergarden Canteen where there was trouble caused by a Cdn soldier. We arrived there about 2010 hrs and looked in the Canteen. We couldn't see the Cdn soldier mentioned so we went outside and in the compound adjoining the Wintergarden we saw a Cdn who was in my opinion mad drunk and did not know what he was doing. We tried to persuade him to be sensible but he wouldn't hear of that. He brandished his revolver and it wouldn't fire. There were two Cdn provost trying to persuade him to quieten down. Then the Cdn provost finally seized him and threw him to the ground. We rushed in to help and while so doing I was hit in the mouth by the pistol he held. The Cdn provost finally subdued him and took him away.

L/Cpl Lee came to my home at about 1930 hrs and he was drunk. He left and told me he would be back in about 15 minutes. When he came back about 2030 hrs he was injured in the head so I took him upstairs and washed the wound. Then he went downstairs and saw someone else in the street, I think it was an Englishman and he came the second time upstairs and he slapped the boy he saw on the street. Then I put L/Cpl Lee in bed again and he was quiet and sick. Then the Provost and Dutch civilian policeman came and he came down stairs still quiet and he asked me who the Dutch policeman is. I told the Dutch policeman to go away and the Dutch policeman said no, he wouldn't go. This Dutch policeman slapped L/Cpl Lee in the face and I go away in the street. The Dutch policeman hit L/Cpl Lee about five times in the face with his police stick. I told the policeman to go away many times on the street but he wouldn't. Then Lee was taken away by the boys in a Jeep.

TWELFTH WITNESS Hendrikus van GEMERT, policeman of the Municipal Police, Nijmegen, having been duly sworn, states:

The night of 16 Jan 46, my chief gave me orders to go down to the NAAFI along with the English provost to 16 Spaenstraat because there was trouble with a soldier there. When I came there with the provost I went upstairs because the house-lady said the soldier lived upstairs on the top floor. The provost took him down and I asked the girl who was in the same house for her identification papers. I went down stairs too and when I came down in the hall the Provost was there with the soldier. The soldier called the girl and talked with her. I had not said any words to him and then suddenly he put the girl away and hit my cheek. I fell against the wall still standing upright. Again he kept attacking me and I took my stick and hit him sometimes. Then I grabbed him in his neck and brought him outside the house. When I came outside he said to me "put the stick away, I want to fight you". Then he drew his pistol and pointed it at me saying some words I didn't understand. Then I hit his hands with my stick and the pistol fell down and after that I didn't hit him again. Then I walked back about twenty metres in the darkness. One of the provost took his revolver and after they took him away in the Jeep. Then I went back to the police station, told my chief what happened, made the report and brought it to the inspector. The Provost and the soldier had been there already.

I fired my pistol once in the air. To warn the soldier.

QUESTIONS TO THE WITNESS

Q 1 What time did this take place at 16 Spaenstraat?
A 1 Between 2030 and 2115 hrs.

Q 2 What happened to his pistol after you knocked it out of his hand?
A 2 When the soldier dropped the revolver one of the provost and the said soldier tried to pick it up again but I don't know who has got it, but later on in the police station I heard something about the provost having it in his pocket.

Q 3 Where was the Provost who was with L/Cpl Lee while you were fighting with him?
A 3 They were in the front door or on the road just in front of the door.

Q 4 Did this Provost attempt to stop L/Cpl Lee from fighting?
A 4 Not inside because the hall was very narrow and no room. He couldn't get there but outside he did.

Q 5 Were you asked to leave the house while L/Cpl Lee was coming down stairs?
A 5 The girl did not ask me to leave the house before the fighting started but when outside she did and I am not sure whether she asked me when I was still inside.

2. Your attention is directed to the cases of Fus MacKenzie & Powell, PLF, forwarded this date, who were tried on a similar charge. The great disparity in sentences will be noted. Q-158 What sort of pain would there be from it?
A-158 Little.

Q-168 Were there any other lacerations, bruises, contusions or marks?

Q-173 Is it possible that they could have been finger marks?

A-183 I could not answer that question. I am not certain.

Questioned by the Court

Q-184 Can you remember whether the group contained all Canadian soldiers or had they split up and were standing in different parts of the ground in front of the house?
A-184 I think they had split up. They were not together.

Q-185 Can you remember if the accused and the other soldiers were separate from the remainder of the identification parade or were they still with some of the soldiers used on the identification parade?
A-185 I think with the exception of the interpreter they were separate from the rest.

In the opinion of the Court and the JA it is not considered necessary to comply with RP 83(B).

THE WITNESS WITHDRAWS

Seventh Witness for the Prosecution:- C-32262 L/Cpl Cooper, J.K., 1 Can Pro Coy, RCMP, having been duly sworn is examined by the prosecution:

Q-186 Will you give the court your particulars?
A-186 I am C-32262 L/Cpl James K. Copper, 1 Can Pro Coy, RCMP.

Q-187 Do you know an Italian girl FIORINI FILOMENA?
A-187 Yes.

Q-188 Will you tell us what investigation you carried out in this case?
A-188 On the afternoon of 6 Jun 44 in company with Captain Ainley I held an identification consisting of 10 ORs and the two suspects, Gnrs Lee and Gero, which was formed up at the house of FIORINI FILOMENA. FILOMENA, without hesitation, approached the parade and picked out Gnrs Lee and Gero, as the two soldiers who had assaulted her the previous afternoon A further witness ITALIANO FULVIO also came to the parade and identified Lee and Gero as the two soldiers whom he had seen leaving FILOMENA lying on the ground crying and in a shocked condition. This was stated in the presence of the accused.

Q-189 Will you describe the relative positions of the accused at the time of the identification in relation to the remainder of the men who had been on the identification parade?
A-189 Previous to FULVIO coming to the identification parade it had been dismissed and the two suspects were taken from the parade and standing in close proximity to the other ORs.

Q-190 Could you indicate to the court how far away that it would be from the nearest soldier?
A-190 I think it would not be more than three yards.

Q-191 What were the people doing then?
A-191 At the time that FILOMENA identified the two soldiers the girls mother went into hysteria and started crying and everyone that was in the vicinity was observing the commotion and attempting to see what was happening.

Q-192 In this parade how many negroes andhow many white soldiers were there?
A-192 There were nine white soldiers and one other negro and the two suspects, Gero and Lee.

Cross-examined by the defence

Q-193 Could you tell us where ITALIANO FULVIO WAS when the girl identified the accused?
A-193 The parade itself was held in an area between two buildings. ITALIANO FULVIO came around one building immediately the parade was dismissed but he out of the way or the parade.

Q-194 Did you see where he was?
A-194 No.

Q-195 On the 5th of June were you stationed in the VERENTINO area?
A-195 Yes.

Q-196 Could you tell us if there were any other encampments near there?
A-196 There was an english unit down the road.

Q-197 Did you see any South African units in that area?
A-197 No, sir.

Q-198 Did you see any coloured troops in that area?
A-198 No. I believe at that time they had moved in the morning. I came in the evening. That is on the 6th of June.

Questioned by the Court

Q-199 How do you know there was South African units in that area?
A-199 I made inquiries and found out that there was a SA camp near to the road on which the girl was found crying. I understood that there were negroes encamped there.

In the opinion of the Court and the JA it is not considered necessary to comply with RP 83(B).

THE WITNESS WITHDRAWS.

Submission of the Defence that a Prima Facie case has not been established.

Sir, at this time I should like to move for dismissal of the charge against the accused on the ground that this being a case which involves the evidence of a child of 13 years, the statutory requirements is such as to require that her evidence must be corroberated in some material aspect from some independant source directly implicating the accused with the offence. I point out to the court that at this time there is no physical evidence adduced before this court in corroberation of the evidence of the girl and implicating this accused. There is only one witness who gives evidence of this nature - any evidence of this nature. That is the evidence of ITALIANO FULVIO who is actually on the parade held for the identification of the two accused on 6 Jun 44. I would submit to the court that this identification cannot be given credence, that there is the possibility that FULVIO may have seen, and I would suggest that he did see in fact, the girl point to the two accused. In any case I would suggest that ITALIANO FULVIO saw the accused with persons whom he recognized to be in an official capacity, that is, an MP and a Captain, prior to his identification and that his identification was based on these circumstances.

I would submit that the identification of the girl is one of a child who was in a semi-hysterical condition and had been for some hours prior to the investigation, or rather the identification. I submit that there is the possibility that she had seen the accused in another connection and on seeing a familiar face, probably only familiar in the subconscious mind, connects it with an entirely different occasion.

Other than the questionable identification of ITALIANO FULVIO there is a statement of the boy who since the occurance has seen the accused three times in connection with the investigation of this case, and it is quite naturally possible that by these contacts with the accused there becomes indelibly impressed, but erroniously, in his mind that he is the person connected with the offence.

There is positive evidence of a witness for the prosecution that in his opinion as a medical expert the marks on the hand of the accused were not caused by tooth marks and the girl has given evidence that she bit the hand of one of the men. The boy says he saw tooth marks and ITALIANO FULVIO says he saw blood on the hand of the man he spoke to. There is evidence of the same witness that the marks on the throat of the perron had the appearance of finger marks ~~and in his opinion~~. The girl gave evidence that she pinched the throat of the white soldier who had her down. In this connection Captain Feeney gives evidence as a professional man that in his opinion they marks were not caused by human finger nails although he honestly adm its of the possibility but there i a big difference between a possibility and an opinion as t what he would consider actually did happen.

On the ground that the evidence of the prosecuti does not provide the necessary corroberation of the off I move for the dismissal of the charge.

Submission by the Prosecution that a Prima Facie Case has been estabblished.

The evidence contains the record that the accused was identified without hesitation by FIORINI FILOMENA the day after the offence. The defence has suggested that she was in a semi-hysterical condition at that time. The medical evidence is to the effect that that morning the girl was seen by Captain Feeney, and he gave her no further treatment. I suggest therefore the she was on the 6th of June in a more or less normal condition and not in the condition of a semi-hysterical girl, and I submit that her evidence can be given full weight, and full weight can be placed on the identification which she made that afternnon.

ITALIANO FULVIO's identification I also submit can be given a good deal of weight. Even though the identification parade was not carried out in a normal manner, the evidance records that it was unlikely that FULVIO saw the girl pick the accused from the parade.

The tooth marks on the hand of Gnr Lee were stated by the girl to be only marks not cuts and there is no blood flowing from them. DONOFRIO AMEDEO said the same thing. It is possible for tooth marks of that nature to disappear as any normal pinch of the skin might do. The blood on Gnr Lees hand can be explained. He held one hand over the mouth of the girl during the offence and witnesses have stated that the girl's face was covered with blood. The hand could easily have come in contact with the blood on her face.

The evidence records a definite act which constitutes the offence, and the circumstances at that time indicate definitely that Gnr Lee, the accused, was present when the offence was committed and that he was the only soldier who could possibly have been the accomplice in this offence.

I suggest therefore that there is sufficient evidence for the court to consider a conviction.

The JA quotes RP 40 fn 1; MML p. 72, paras 12 - 14; p. 81, para 42.

The Court is closed to consider the motion of the defending officer that a prima facie case has not been established.

The court re-opens and the court announces that the submission is disallowed and that accordingly the trial will proceed.

The Defence does not with to bring any witnesses at this time.

Summing up of the Defence

In addition to what I have submitted in my move for dismissal of this case, I would ask the court again to consider that there is a possibility of the girl seeing the accused in some other connection and seeing him on the identification parade connect him with this event.

I point out the evidence of the boy that in a camp reasonably close to the spot where the offence occured he saw at least four to six coloured troops. I would ask the court to consider intheir judicial knowledge and their knowledge of the campaign that South African Troops passed through the Canadian Forces in the continuation of the attack and their were know to be coloured troops with the South African Forces in this area at the time this offence was committed, and that it may have been these and not the accused who were implicated in the offence.

Summing up of the Prosecution

I have nothing further to add to my submission in reply to the defence's motion that a Prima Facie case had bot been established.

For summing up of Court see following page.

The Court is closed to consider the finding.

The Court re-opens and the president announces the findings being subject to confirmation, will be promulgated later. The finding is entered in Part one of the schedule.

Summing -Up by the JA

Mr. President and Gentlemen:

May I briefly point out our respective functions in this court. You are the absolute masters of the facts and if in the course of this trial I have expressed any opinion as to the facts of this case, you should disregard such opinion.

My duty is to advise you on points of law and on that score you should be guided by my opinion. You may disregard that opinion but should not do so unless for very weighty reasons.

The charge in this case is laid under AA Sec 41 which makes civilian offences triable by Court-Martial under certain conditions.

The charge against the accused is that he had carnal knowledge of FIORINI FILOMENA without her consent, thereby committing rape.

There is one principle of law I wish to explain first , that is the theory of a principle in the first degree and one in the second degree.

A principal in the first degree is the person who actually perpetrates or takes part in the perpetration of the felony.

A principal in the second degree is one who is present at the commission of a felony and without taking any part in its actual perpetration, aids and abets the commission.

In order to constitute a person a principal in the second degree it is essential that he should by his countenance and conduct in the proceedings, being present, aid and assist the principal in the first degree. There must be some participation in the act, either by actual asistance or by countenance or encouragement ; if a man is present whilst a felony is being committed, but takes no part in it and does not act in concert with those who commit it, he will not be aprincipal in the second degree merely because he does not endeavour to prevent the felony or apprehend the felon.

Trial and punishment of principals ; Unless by any statute the punishment of a principal in the second degree is different from that of a principal in the first degre , he may be indicted and punished as if he were a principal in the first degree, and the indictment may be supported by evidence that he was a principal in the second degree.

(Harris and Wilshere's Criminal Law, 16th Edition)
(pp-39 - 40)

There are two essential elements in rape;

(a) Carnal knowledge.
(b) Absence of consent.

On the first instance there must be evidence of penetration even of the slightest kind. In the second instance there must be evidence of force or fear of bodily harm.

The question of corroboration I will go into later on.

The principal witnes brought by the prosecution is the girl FIORINI FILOMENA. The evidence shows that she is a country girl of 15 years. The medical evidence states that she is underdeveloped and has not yet reached the age of puberty. On

interrogation prior to her examination-in-chief she states she has bee in school for three years and can read and write but she said she did not understand the nature of an oath. You have decided to take her evidence NOT on oath. Under the provisions of the Childrens and young Persons Act, 1933, Sec 38, it is within your power to receive such evidence, though not given on oath, if in your opinion, the child is possessed of sufficient intelligence to justify the reception of the evidence and understands the duty of speaking the truth. Such unsworn evidence is to be deemed a deposition though not taken on oath, but no person can be covicted upon such testimony unless it is corroborated by some metial evidence. (Harris & Wilshere's Criminal Law, 16th Edition p. 458).

You saw and heard this girl and you will have to decide whether to accept or disregard her testimony. Should you accept it, still you cannot convict under such evidence unless such testimony is corroborated in some meterial fact.

The corroborated must be some independent evidence which affects the accused by connecting him with the crime. In other words, it must be evidence which implicates him, that is, which confirms in some material particular not only that the crime has been committed, but also that the prisoner committed it. There may be corroboration in the circumstances of the case, and it need not be some witness to the offence.

The girl FILOMENA tells you that on a certain afternoon some days ago she was leading a cow on the road in the country near FERENTINO. Two soldiers, one white and one black passed her, came back, and tried to take the cow away from her. Then she states the white one threw her on the ground, filled her mouth with grass, held on hand on her face, and menaced her with the closed fist of his other hand while the negro raped her. She stated that the black soldier then put his penis - which she called "casso" in her vagina - which she termed "naturea". She yelled and two Italian civilans DONFORIO AMEDEO, who was working in a nearby field, arrived on the scene, closely followed by FULVIO ITALIANO, another civilian. These two cigilians state that the girl was crying and that her face and legs were covered with blood. Both say that they saw about 50 meters away, two soldiers running in the distance. They went in pursuit and caught up with the soldiers. Both state they recognize the accused as being one of these soldiers.

FULVIO states he saw a wound on the hand of the white soldier which was bleeding. DONAFRIO say he noticed bite marks on the hand of the same white soldier. In her evidence, the girl FILOMENA had stated that she bit the hand of the white soldier.

If you should believe them still you have to decide whether this evidence constitutes corroboration, ie. does it confirm in some material particular that a crime was committed and also that the accused committed it.

The medical evidence reveals the girl suffered from internal laceration of the vagina, which may have been caused by an accident or by forceful sexual intercourse.

The accused did not give evidence on oath nor did he make a statement not on oath. You must remember that he is in no way obliged to do so.

It is up to the prosecution to prove beyond any reasonable doubt that the accused is guilty, and if it fails to do so the accused must be acquitted without being obliged to say a word in his defence. The accused must be given the benefit of the reasonable doubt by which I mean not a doubt based on fancy, undue sympathy, or by imagination, but a doubt based on common sence and arising out of the evidence.

As to the finding of lesser offences, you may, if the evidence satisfies you, find the accused guilty of attempted rape, if you believe that penetration has not been proved (Arch 1038 - 1032) or you may find him guilty of indecent assault.

DEFENCE

Evidence as to Character

First Witness for the Defence:- Captain P.L. Ainely, 23 Med Bty, 5 Cdn Medium Regt RCA, is examined on his former oath by the Defence:

Q-200 You understand that you are still under oath before this court?
A-200 Yes.

Q-201 Do you know this accused?
A-201 Yes.

Q-202 In what connection and how long?
A-202 He has been in my troop for some time - since Sep 43, I believe.

Q-203 In your experience what is your opinion as the his character and military conduct?
A-203 He has a good record. He has never been any trouble at all. He is quiet and never steps out of line.

Q-204 In your experience with the accused have you noticed any aspect of viciousness in his make-up?
A-204 No, he would never harm anyone.

Q-205 What is your estimation of him as a soldier and as a man?
A-205 I would say that he was of a real inoffensive character and he will do anything willingly.

No cross-examination.

In the opinion of the Court and the JA it is not considered necessary to comply with RP 83(B).

THE WITNESS WITHDRAWS.

Second Witness for the Defence: C-914 Sergeant A.C. Matthews, 23 Med Bty, 5 Cdn Med Regt RCA, having been duly sworn is examined by the Defence:

Q-206 Will you give the court your particulars?
A-206 I am C-914 Sergeant A.C. Matthews, of 23 Med Bty, 5 Cdn Med Regt, RCA.

Q-207 Do you know the accused?
A-207 Yes, the accused has been attached to my section. He the troop machine-gunner.

Q-208 Are you familiar with the personal record of the
A-208 Yes.

Q-209 Do you know from the regimental records whether accused is married or not?
A-209 From ~~which~~ ~~xxx~~ living with the accused for I know him to be single

Q-210 Will you tell the court your opinion of the character and military conduct of the accused?

A-210 Gnr Lee was troop machine gunner and was attached to my section when we went into action. He done everything that was asked of him, never stepped out of line, he never caused any trouble whatsoever, in fact, he was just one of the boys. He has never given me any trouble.

Q-211 In your experience, has he ever given any indication of anything vicious in his make up at all?

A-211 No, nothing whatever.

Statement in Mitigation of Punishment by the Defending Officer

I would ask the court to consider that they have before this court a young man who was serving an active campaign -- a man whose character you have heard described as being primarily inoffensive. As his troop commander has said, "He would not harm anyone". He has performed his duties in action to the complete satisfaction of his troop commander and his No 1. He has never given anyone any trouble.

I would ask the court to consider the emotional background that surrounded the fifth of June as it concerned the accused. There is the impact of an intensive military campaign just terminated, as far as the accused was concerned. There is during the course of such an intense military campaign a reaction on the part of the participants to have a coarsening of their moral fibre which would be pronounced in a young person. One of the aspects of war both historically and currently is a tendancy on the part of troops to think in terms of rape and looting. I ask the court in their judicial and military knowledge to appreciate at this time the stories that were prevalent about that time of wholesale rape on the part of certain troops. Such information at such a time imbeds itself in the sub-conscious mind. I would ask the court to consider that the offence as charged by the prosecution is not of the vicious criminal type. That in fact what happened as far as the offence was concerned is that a girl was knocked down on her back on the ground and at that moment with the emotional background the thought of rape enters the mind. I would ask the court to consider that you have not before you a hardened criminal who requires correction but a young person of a decent character who unfortunately has committed, as you have decided, a most unfortunate act.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(1. RP 35 fn 3. 2. MML p 54 para 47.)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement? Ans No.(5)

B5. The Summary of Evidence is marked Ex A, initialled and read aloud by the President.(1)
(1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

Having been duly sworn states:-

Sir, I was with Can. Expeditionary Forces in the last war from 1916-1918. I joined the Can Army this war two weeks after war broke out, in Sept 39 & enlisted with Calgary Highlanders. I remained with this unit continuously until evacuated to 121 Can Hospital at Bayeux. During this time with the Calgary Highlanders I had a clean record but my duties consisted of publishing the regimental journal. This paper came out every month & was considered to be a great asset to the Regiment.

I joined 13th Inf. Bn. in the last war, on arrival in England transferred to C.A.V.C. remount section with which I proceeded to France with duties as rough rider.

Q What is your present age.

A. My age is 46.

Q When did you come to France.

A July 7th

Q In what capacity did you serve.

A As a rifleman.

Q. Tell the court the circumstances leading to your going to evacuation hospital.

A. I had a tough time around Caen & was hit with a splinter & later at Buttville I was evacuated to hospital. I was never A.O.B. & was with my company every attack.

From hospital I was taken to H Bn C.O.R. Bn.

Q Were you given any information regarding

your future.

A. Yes I was put on draft but was taken off by the M.O. on account of my age & was informed that I was going to Reallocation Centre.

Q. On arrival what was the condition of your health

A. My nerves were in bad condition & I could not sleep

Q. How did you feel about being kept from your unit.

A. At that time the Germans were on the run.

Q State any reasons as to why you went A.W.L.

A. The prospects of being left at the base did not appeal to me in the state I was then in. I was obsessed with the idea that I should be with my unit so I left with that idea of rejoining my unit.

Q Describe briefly what happens from the time you went A.W.L. until you surrendered.

A. By means of hitch hiking arrived at Brussels approx. Sept. 13 reported to the Town Majors Office asking for the Can. Army. Was put up to Transit Camp told to go to Antwerp & given a ride to Antwerp. Reported to Can. Signals. I was advised to return to Brussels there met some Americans who said if we would help them for a few days they would see we got to the Can. Army. A few days later in the vicinity of Diest we assisted the F.F.I. in capturing some germans who were hiding in the village. (Exhibit 'C')

Later we came across three germans

EXHIBIT

living in a barn. we took them prisoner turned them over to the British Division which was then at Ghent. (produced a signed recipt as evidence). exhibit 'D'

Q. when + how did the Americans dispose of you.

A. At Malmedy I informed an American officer of our situation he took us to Corps H.Q. (American) at Rotegen. We were there two days and they had a truck going north to the British sector which he got us a ride in thinking that the British had more facilities for helping us than the Americans.

Q. When did you go following that.

A. To Eindhoven.

Q. What did you do there.

A. Reported to the British and captors were told they wanted return us to the Can army within two or three days.

Q. Did you surrender to British provost.

A. Yes, we asked for assistance.

A. The unit was moved.

Q. How long were you detained in that unit.

A. Until approx Dec 18th.

Q. While in the guard room what treatment did you receive, what were your duties.

A. We were with prisoners awaiting Court

Marshal & also one who had been sentenced to penal servitude. The conditions & regulations were severe.

Q. When y. here were you allowed to smoke

A. No Sir.

Q. What activity did you have during the day.

A. We did marching on the square.

Q. How long each day.

A. From two to four hours.

Q. During your stay in confinement were you ever paraded to an officer in regard to your detention.

A. No sir.

A. No sir.

Q. Are you most certain, on your oath of those two statements.

A. Yes sir.

Q. On what date did you leave that unit.

Plea of Mitigation for A 11165 Pte Lee J.

Sir.

The accused has already pleaded guilty to the charge brought against him. He admits that during the period stated in the charge he was absent without leave from 3 Cdn. Reception Centre.

However this is a most unusual case in some respects and it is felt that certain facts should be brought to the attention of the court for their consideration in determining the punishment.

Before this court is a prisoner who states he is actually 46 yrs. of age. He has served two wars; with the 137 Bn. in the first world war, and in the present war from Oct. '39 until from which date till Aug '44 he served with his former unit the Calgary Highlanders.

During this period he served as orderly of a unit proper until he came to Prince with his unit in July '44. The death of Sgt. in his capacity proves well for the quality of his work, and the fact that he was permitted to proceed into action at his own insistance his wishes to his unit.

This prisoner in spite of his good past record now sees the consequences of being AWL from 3 CRC for a period of approximately 35 days after having spent already 109 days in confinement in Detention until he went on active service.

It shows the attitude of the court to the circumstances leading to the departure of the prisoner from 3 CRC.

After having been served with an Imperial unit this 46 yr. old soldier was evacuated to a hospital suffering from a wound and exhaustion. He was detained in hospital some ten days and returned to 11 Bn 3 CRC as a reinforcement. The then MO of this unit removed him from the draft to the field because of over-age and the prisoner was subsequently sent to 3 CRC for disposal.

Here then is a man, a relatively old man, who has been told he can never return to this unit - a unit which to him has been home for almost 5 years. It is reasonable

that he should feel homesick. At this age it is not an easy to adjust to a new life as it is for younger men. But he was not himself. His physical constitution had taken a beating, he was tired, he could not sleep well - and his mind was unhappy. The break through around Falaise had occurred - and he felt that now he could do something more substantial than he had done - he felt he could not stand to spend the rest of the war in a base unit so he decided to return to his old unit if possible.

I ask the court to consider the sentimental factors involved.

This soldier did not go AWL to avoid dangerous duties - on the contrary he went AWL to face them.

During his absence he did not shun military units - he went to research for advice in finding the evacuation Army.

It will be remembered that at that time - the latter part of August and early September, things were on the move, and it was not an easy task to locate any formation. As it has been stated, military units did attempt to direct the prisoner to the Can. Army - although the attempts were unsuccessful. But the possibility should be considered that had not been such confusion at the time the accused might have reached his old unit - given further service and risked his life in his country's defence. I do not feel that this possibility can be discounted.

However, even though his primary objective was not attained he did - according to his statement and according to the records he carries - valuable service to this country in the capturing of German prisoners on two occasions.

It is therefore evident that although technically AWL he was still performing a military duty - and one of which any soldier could well be proud of and for which he should be commended.

It will be observed by this Court that the accused surrendered himself to the British Provost on Oct. 5. 1944. He was not apprehended. He surrendered.

From the 6th of Oct '44 until the 15th of Dec 44 he was under arrest and unfortunately suffering punishment in a

guard room with other individuals who were stated to be convicted and sentenced for various crimes.

It is further pointed out that during this period - according to sworn statement the prisoner was not paraded before an officer in regard to the cause of his detention - nor was a charge sheet read before him.

I refer the court to A.A. Sect 45. Para (5) and Note 1. P461 and 466.

Also refer the court to K.R. Con. Para 452. Sec (d) P 92. which states -

The method of his transfer to Canadian Authorities is not stated. According to statement it would appear to be due as much due to accident as to anything else.

During a period of further arrest at 3CRC. And in fact not until the accused arrived at 3CRC on 5 Jan 45 was a charge ever read to him nor was he ever paraded before an officer in regard to the cause of his detention - according to his own statement.

In Summary: Here is a prisoner, a man of 46 who has seen service in two wars. He has not a bad crime sheet. He is charged with being AWL for approximately 35 days - a charge to which his plea is guilty.

During his absence he has shown that he did not attempt to avoid employment on dangerous duties. In fact he rendered valuable service.

He surrendered to the Provost and is now before this court after having served 104 days in detention or under arrest.

I ask the court to consider the hardships and excitement which this prisoner has undergone - the length of time he has been detained - and that. I plead that these facts be taken into consideration in establishing the punishment and in view of the accused's previous record & the maximum leniency be shown.

The accused declines to cross-examine the witness

The accused was warned in accordance with Rules of Procedure 4E.

He made the following voluntary statement

I am M 11165 Pte LEE, J., Calgary Highlanders of Canada, attached to No 3 Cdn Reallocation Centre. I came to No 3 Cdn Reallocation Centre about 28 Aug 44. I had been told that because of my age I could not return to my Unit. My nerves were bad and I had difficulty sleeping. This was my first separation from my Unit since Sep 39. I consider that I was in an abnormal condition at the time of my arrival at No 3 Cdn Reallocation Centre, felt I was getting worse. I went AWL with the intention of rejoining my Unit. After wandering around for some time and incidentally, assisting in the capture of 3 Germans, I surrendered to DAPM 108 Provost Coy on the 5 Oct 44. I was held in the 2 Army guard room until about 18 Dec 44 when I was sent to Leopold Barracks under guard and turned over to RP there. The first 2 days there I was under close arrest. I was then under open arrest until about 3 Jan 45 when I was taken to 20 Cdn Special Employment Coy. I stayed there for 2 days and then was brought to No 3 Cdn Reallocation Centre under close arrest.

John Lee

(M 11165 Pte LEE, J)

I certify that the foregoing Summary of Evidence, consisting of one page, was taken down by me in the presence of the accused and that RP 4 (c) (d) (e) (f) and (g) have been complied with.

Prosecution calls first witness:

1st. Witness:- Lieut. H.E.Harrison 11 Bn. #2 C.B.R.Group - sworn states-

Question by prosecution - Mr. Harrison will you give as briefly as you can all the points that happened on the night of June 18, 1944. as you were returning from Aldershot?

A. On the night of 18 June 44 while returning from Aldershot to 11 Bn. #2 C.B.R.G. at about 2315 hrs in the company of Lieut. Milne I noticed the accused, whom I now see before me and recognize, in the centre of the road. A car was passing at this particular time and had to slow down almost to a stop in order to get around the accused, after the vehicle did get by I ordered the accused to move over to the right side of the road; he did not do so; again I ordered him over to the right hand side of the road; at this point I ordered him to put on his hat which he did not do. I ordered him again to put on his hat, which he did not do. I ordered the accused to halt, which he did not do, so again I ordered the accused to halt, which he did not do. There is no doubt in my mind that the accused heard these orders distinctly as the orders were given in a loud voice and he was quite close and also he turned around and mumbled something the words of which I don't know. The accused in company with his companion - Gnr. Patterson - continued on up the left hand side and centre of the road. At approx-200 yds further up the road the accused crossed over to the right hand side of the road where I managed to contact him; after producing my identity, I asked him for his pay book and his name and where he was from; he refused to divulge any information about himself and at this point I was able to tell him that he was under arrest and for what reasons. At this point or just previous I asked Lieut. Milne to secure an N.C.O. and escort. The accused continued a short distance up the road and then moved off on a path leading off to the right hand side of the road, at this point Lieut. Milne and myself and the escort were approaching the accused; the accused picked up a piece of steel pipe and assumed a threatening stance or appearance, he was told by his companion Gnr. Patterson to put down this steel pipe and the accused replied," I will put it down when someone is big enough to make me." I had previously ordered the escort to march the accused back to the guard room at 12 Bn. #2 C.B.R.G. The accused was difficult for the escort to handle and during the march back to the guard room the accused on several different occasions, at least three times, grasped me by my Battle Dress blouse and made such remarks as," Who do you think you are, an infantry officer trying to arrest a gunner." "My uncle - or brother is a Lt. Col. and if I wanted to be I could be further ahead than I am now." "I have been in the army for 5 years, how long have you been in? 3 months?" " Say listen, what are you arresting me for?" I finally managed to get to the guard room at 12 Bn. and while in process of turning the accused over to the guard commander he continued to use threatening and insubordinate language and at this point was particularly threatening to Bdr. Letnes, who was N.C.O. i/c the escort. The accused removed his tunic as though preparing

(preparing)

for a fight, and also threatened Bdr. Letnas withthe words, " I will get you later." He was turned over to the guard commander, and that is all.

Q. When you first saw the accused where was he on the road with referrence to the white line?

A. Approximately the centre of the road.

Q. When you first ordered the accused to halt, how far away was he?

A. Three of four yards.

Q. At the time he is alleged to have refused to produce his identification do you remember what he said?

A. I refuse to show you my pay book.

Q. Can you demonstrate how he grasped your Battle Dress?

A. He grasped me with his left hand here. (demonstrating)

Q. Was the accused drunk?

The court advises that this is a dangerous question.

A. The accused several times stated that he was not drunk and was as sober as he ever had been. Undoubtedly he had had something to drink, but was definitely capable of obeying the orders I had given him.

Q. Can you answer the question YES or NO. In your own opinion?

A. No.

Question by the defending officer;

Q. You stated that you gave a command to Bdr. Lee. What was your position when you first ordered Bdr. Lee to halt?

A. I was on the right hand side of the road, a little further back on the road than the accused.

Q. I want to know exactly where you were.

A. On the right hand side of the road 3 or 4 yds further back, behind and to the right of the accused. (Draws Diagram)

Q. Were there any other people within 2 yds of you? Werethey officers?

A. Just behind us there were two private soldiers walking in the same direction we were going.

(to do so)

Q. Did either of them produce his pay book?

A. Neither one produced his pay book.

Q. On your way back to the guard room you said that Bdr. Lee grasped your collar several times. What was your position in the order of march on the way back?

A. The accused, as I said before was very difficult for the escort to handle. I cannot say, my position changed continually.

Prosecution objects on the grounds that the question is not relevant.
Court allows the question to stand.

Q. Can you state where Mr. Milne was at this time or at any time when you were grasped by the accused?

A. Lieut. Milne was near by.

Q. Was he on the right of Bdr. Lee? Or left?

A. His position was likewise changing.

Q. When you went into the guard room and he is alleged to have said, "I will get you later." Were you in the guard room at that time or were you outside?

A. At the time the remark was made I was just entering the guard room.

Q. What was the condition with referrence to sobriety of Gnr. Patterson? Could you give an opinion?

A. In my opinion Gnr. Patterson had been drinking, but was the same as Bdr. Lee - quite capable of carrying out any orders given.

Q. During the time that Bdr. Lee was placed under arrest - from that time until you arrived at the guard room, was Mr. Mil ne with you at all times?

A. No.

Q. Where was he?

A. He had gone to secure an escort.

A. No sir.

2nd Witness for the prosecution - Lieut G.G.Milne 11 Bn. #2C.B.R.C having been duly sworn states:

Q. Can you identify the accused?

A. The witness identifies the accused.

Pros. Will you tell us briefly what happened on the night of 18 June as you were returning from Aldershot?

A. I saw the accused who I now recognize walking on the left side and near the centre of the road proceeding to Crookham. There was traffic on the road at the time and a taxi had to slow down to pass the accused. Lieut. Harrison ordered the accused to move to the right hand side of the road the accused did not comply; Lieut Harrison again ordered the accused to move to the right hand side of the road and the accused did not comply. Lieut. Harrison also ordered the accused to put on his hat and again ordered the accused to do so, which he did not do. There is no doubt in my mind that the accused heard the order. Lieut. Harrison then asked me to order a Bdr. who was walking behind us to place the accused under arrest; the accused then came over to the right hand side of the road and stopped to speak to Lieut. Harrison. I saw Lieut. Harrison produce his identification from his wallet and ask the accused for his. I heard the accused refuse to produce his identification or tell what unit he belonged to. I then got Bdr. Letnas and told him to place the accused under arrest and also two men as escort. By this time the accused had again gone up the left side of the road; the Bdr. over took him, before Lieut. Harrison and I arrived; I saw the Bdr. speak to the accused who had stopped and before we had arrived there the accused had gone on eventually crossing the road and going over to a path and Lieut. Harrison ordered the accused to halt, which he had previously done, on neither occasion was the order complied with, the accused then picked up a piece of iron pipe and his companion told him to put it down. I heard the accused state "I will put down this pipe when someone is big enough to make me." We then overtook the accused who threw away the pipe, on several occasions he grasped Lieut. Harrison by the collar of his Battle Dress and said " Listen to me", and used an insubordinate tone. We then started to return to the guard room of 12 Bn. The escort were having considerable difficulty. The accused made such statements as, "I have been the army for 5 years, how long have you been in 3 months?" "I have a brother who is a Lt. Col. I could have got much further but I don't want to." We then arrived in the guard room and the accused removed his coat as if preparing for a fight and I heard him say to Bdr. Letnas, "Iwill get you later." The accused was then turned over to the Guard Commander.

Q. Can you state where the accused was, where you were, and approximately how far you were away from him when he was first spoken to?

Witness draws diagram.

Q. Can you demonstrate how he grasped Lieut. Harrison?

A. Yes, he grasped him there. (demonstrating)

Q. In your opinion was the accused drunk or not drunk?

A. He was not drunk and stated so himself.

Q. From the time that you arrived at the scene of this procedure until the accused was turned over to the guard commander were you with him at all times?

A. Yes. I was.

Defense questions the witness.

Q. Will you tell me Mr. Milne what your position was in the escort when Lee grasped Mr. Harrison?

A. I was standing in various positions at alltimes.

Q. You were within a yard or so at all times?

A. Yes at all times.

Q. Could you tell me about the remark by Lee, "I will get you later." Was it made in the grard room or outside the guard room?

A. Inside.

Q. Were both Lee and Patterson asked to produce pay books and both refused?

A. Both refused.

Q. Did you hear both refuse to produce pay books?

A. Yes, both refused.

P.Q. During this time did the accused swear?

A. Not that I can recall.

D.Q. Would you tell me had you and Mr. Harrison had anything to drink?

A. We had not.

3rd witness for the Prosecution - K10018 Bdr. Letnas G.M.
Sworn states:

Q. Tell us as briefly as you can what happened on the night of 18 June as you were returning from Aldershot. Do you recognize the accused?

A. I recognize the accused before me as Bdr. Lee.
Mr. Milne halted me on the road and ordered me to apprehend the accused. The accused was then about 75 yds ahead of us. I proceeded up the road and called to the accused and ordered him to halt there until the officer came up. Mr. Milne and Mr. Harrison then came up to us in the next five minutes. Mr. Milne then detailed two men to escort the accused to the guard room, we proceeded further up the road and eventually came to the guard room of the 12 Bn. The accused was then placed in the guard room.

Q. Was there anything unusual happened from the time you placed the accused under close arrest until you arrived at the guard room?

A. Yes, the accused did not seem to favour the idea of his being escorted but preferred to make his own way along the road. He had words with Lieut. Harrison and numerous times he grasped Lieut. Harrison by the collar of his Battle Dress.

Q. Did anything unusual happen after you got the man in the guard room?

A. When the accused was in the guard room and before the formalities of his being placed under close arrest were completed the accused did remove his tunic and seemed to be looking for a fight, the accused also threatened me with the words, "I' will get you later."

Q. In your own opinion can you state YES or NO - Was the accused drunk?

A. In my opinion the accused had been drinking, but was sober.

D.Q. Was Bdr. Lee under the influence of liquor when you became his escort?

A. Yes I still saw the effects of alcohol.

Q. When grasping the collar of Mr. Harrison was it done in a violent manner or to attract attention?

A. To attract attention.

Q. Can you tell me Mr. Milne's position with referrence to Mr. Harrison after Lee was in you charge?

A. On Mr. Harrison's right hand side, with him the whole time.

Q. This statement, "I will get you later." Was it said in the guard room or outside?

A. In the guard room.

Q. Court asks - At 2315 hrs on the night of 18 June 44 , was it a dark night?

A. No it was not a dark night.

4th witness for the prosecution A 87308 Cpl. Holt S.C. duly sworn states:

P.Q. Do you recognize the accused?

A. Yes I recognize the accused as Bdr. Lee.

Q. What happened on the ni ht of 18 June 44.?

A. I was guard commander of 12 Bn. guard on the night of 18 June 44. I was summoned to tent entrance by an officer whose name I don't know, he stated to me that he had two prisoners under close arrest. I immediately took over the two prosoners one of them being Bdr. Lee. I asked him for his name and number and also what Coy. he was with. I entered him in my report and explained to him that he was under close arrest and in my jurisdiction until he was called for. At the time the officer was writing out charges. He handed them to me and I turned them in to 56 Coy orderly room. I had no trouble whatsoever with the prisoners. When I brought them into the tent they were properly dressed except for their head gear and as far as I saw both had their faculties about them, they may have had a drink, but I cannot state that they were drunk. That is all I know.

D.Q. Were they under the influence at all?

A. I can't say. They looked like they had had a few drinks.

Court closed for lunch.

Court reopened at 1330 hrs.

The accused makes a statement under oath.

A 31133 A/L/Bdr. Lee J.A. 12 Bn. #2C.B.R.G. D6

On the night of 18 June Gnr. At that time I did not know it was an officer that hollered. There was Gnr. Veillieux walking behind us and the officer hollered to him to put on his hat, when he hollered for him to put on his hat I put on mine, we were walking on the right centre and the right of the road andthere was no traffic whatsoever in sight so then I crossed the road to the left hand side and went off the road entirely; Gnr. Patterson and I, Then after coming off the road to the left side I cut across to the right hand side and took a little path which was a short cut to our camp, I seen that we had been followedso I climbed over a fence and back on to the road and I swear that the officer showed me no identification whatsoever and asked me for none. Then we came back on the road and were going up to camp and I did not hear the officer holler halt, ashe was a good 20 feet behing us, As we got up to the guard room he turned us over to the guard commander - Bdr. Q. When you were put under arrest were you escorted off the road?

A. No sir, we were taking a short cut home.

Q. When did you first know there was an officer mixed up in this.

A. When Bdr. Letnas came up and told us we were under arrest.

Q. You stated that you did not know it was an officer who hollered halt.

A. Not when he hollered "get off the road" I did not know it was an officer at all.

2nd witness for the defence - M10221 Gnr. Patterson H. Sworn states

D.Q.Tell the court what happened when you were coming home until you were put in the guard room.

A. We were coming back from Aldershot at approximately 2315 hrs June 18. We were walking down the road , we passed some of the boys and when we were about 30 feet past someone shouted, "Get off the road," but we thought someone was fooling and kept on going, L/Bdr. Lee said, "If anyone back there is big enough to put us off the road come up here and put us off," Not knowing these two were officers we kept on going and were told again to get off the road the 3rd time we were told we went off the road and crossed the road to the short cut, Lieut Harrison asked me to show my pay book which I refused to do, he asked me to produce my pay book which I refused to do and told Bdr. Lee to put his cap on, I refused to obey his command and he told Mr. Milne to get the Bdr. to put us under arrewt, we tried to reason with Lieut. Harrison Which we could not do; after a little bit of arguing we were both placed under close arrest and taken to the graud room, we were turned over to the guard commander, Bdr. Holt and placed under close arrest and the following charges placed against us.

While the officer was talkin to the two privates Bdr. Lee and Gnr. Patterson went to take a short cut over the hill and the officer took the two fellows he had and followed them off the road and brought them back to the road, I followed them to the road again and followed them all the way to camp to the guard house. Q. You know him well, would you say he was a little high?

A. Yes sir, but he was capable of looking after himself.

Closing address by the defence.

InThe evidence given by Mr. Harrison he stated that he gave an order and that it was not complied with; the accused states that he was not ordered to produce his pay book. Gnr. Patterson stated that Mr. Harrison had not ordered Bdr. Lee to produce his pay book. Mr. Milne stated that he heard the accused refuse to produce his pay book for Mr. Harrison, but as Mr.

Milne was 20 feet away I feel that he could not have been certain to whom this order was adressed as neither he nor Mr. Harrison knew the accused as the accused was not in their formation. There is a question of doubt in the evidence to prove this charge and I do not think that Mr Milne's evidence is accurate therefore we have the accused and Gnr. Patterson stating that Bdr. Lee wasn't asked for his pay book and only the evidence of Mr. Harrison to say that he was, I feel that the defense has more evidence that the prosecution and therefore the charge should be dismissed.

Re charge two - refusal to obey an order in that he did not halt when ordered to do so by a superior officer, from the diagram presented to the court by Mr. Harrison he was behind the accused, this statement is corroborated by Mr. Milne and the evidence also shows that there was a number of soldiers on the road at the time the order to halt was given. As Bdr. Lee was not looking to the rear he would be unable to discern whether this order to halt was given by an officer or another rank, The statement by Gnr. Veilleux that the soldiers on the road were laughing and talking and any one of them might have shouted the order to halt, therefore the defence feels that there is unsufficient evidence to prove that Bdr. Lee knew the order had been given by an officer, moreover as he did not know Mr. Harrison prior to this night was further proof that Bdr. Lee would be unable to ascertain the rank or the person who shouted halt. The defence feels that from the evidence this charge should be dismissed.

The 3rd charge dealing with the grasping of the collar of Lieut Harrison It was stated by Mr. Milne and Mr. Harrison that the accused grasped Mr. Harrison by the tunic on the way to the guard room, this was denied by the accused, by Gnr. Patterson and was not seen by Gnr. Veilleux. There seems to be confused evidence in Mr. Harrison's statement in that he was unable to say where Mr. Milne was in relation to himself and the escorting party on the way to the guard room, as the evidence is confused there is a suggestion of doubt and the defence feels that this suggestion of doubt would have to be totally eliminated by the evidence , otherwise the court would be unable in their own minds to decide the guilt of the accused.

With referrence to using threatening language to Bdr. Letnas, the accused is alleged to have said "I will get you later." The accused states that he did not say the above, Gnr. Patterson states that the accused did not say it.

The guard commander does not mention it inhis evidence and states that they caused no trouble when they were turned over to him. In view of the above facts it would seem that Bdr. Lee was not bdhaving in a belligerent fashion, therefore again there is reason to doubt the evidence, also in the evidence presented to the court there is confusion as to where the statement was made. Mr. Harrison stated it was made on the way to the guard room. Mr. Milne state that it was made in the guard room and Bdr. Letnas states that it was made in the guard room, due to this conflicting evidence it appears that htere is some confusion as to where the statment was mad if it was made at all, as the evidence was given on oath I think there is reasonable doubt as to the accuracy of the statements made. The defence thinks that due to this doubt the charge should be dismissed because it has not proved conclusively that the statement was made or where it was made if made at all, consequently charge four should be disimssed. That is my closing address.

Closing address by the prosecution.

With referrence to these four charges I would first like to bring to your attention from page 18, chapt.3 Sec.12 of N.M.L. Which states that an officer should at all times see that proper discipline is maintained in his presence. I would like to brong to the attention of the court that the prosecution has produced 3 credible witnesses whose stories did not conflict. in any way. With referrence to the first charge Mr. Harrison stated that he asked the accused to produce his pay book and the accused failed to do so. Mr. Milne in his evidence corroborated the evidence of Mr. Harrison. He heard Mr. Harrison ask the accused for his pah book and his unit andhe also heard the accused refuse to give that evidence, the defence in his summing up said that it was pointed out that Mr. Milne was 20 feet away, but that was only in the evidence of one of the witnesses for defence, and Mr. Milne stated that he was quite close to the accused when this matter was brought up and that it was after this time that he left to get Bdr. Letnas to put the men under close arrest. With regard to 2nd charge, Mr. Harrison gave in his evidence that he ordered the accused to halt twice and he also stated that the accused failed to do so. Mr. Milne stated in his evidence

that he heard Mr. Harrison order the accused to halt twice and that the accused failed to do so. It was stated in one instance that they were 3 yards from the accused from the accused and in the other instance that they were 4 yards from the accused. Gnr. Veilleux stated that he was 20 feet behind the accused when Mr. Harrison and obviously an officer passed him and there is no evidence given by any one that after Mr. Harrison passed Gnr Veilleux that there was anyone between Mr1 Harrison and the accused. I would like to point out here that is the duty of any soldier to carry out an order and ask afterwards if the order is legitimate! The accused in his own evidence stated that he gave the very insubordinate answer that, "if anyone was big enough to put him off the road to come and do it." With referrence to charge number three it is also given in the evidence of Mr1 Harrison that the accused grasped him by the collar of his Battle Dress blouse, I asked Mr. Harrison to demonstrate , which he did, all this was corroborated by Mr. Milne The defence offers that this was not done at all, the accused gave in his evidence that he did not do this but it is hardly a likely thing that an officer who had not been grasped by his Battle Dress blouse would later say that he had been. It is a very uncomfortable feeling. To refer to the evidence of Mr1 Harrison - Mr. Milne - Bdr. Letnas and Gnr. Patterson, all stated that on the short cut - so called - quite an altercation took place and there was quite a good deal of evidence to show that Bdr. Lee did not go to the guard room quietly. Merely to sum up that the evidence of Mr Milne, Mr. Harrison and Bdr Letnas all stated that the accused used threatening language to Bdr. Letnas in that he said, " I will get you later." or words to that effect. All this took place in the guard room and there was no question put to the guard commander with regard to this charge -- in summing up the whole incident there is some conflicting evidence, but I would like to point out that the evidence for the prosecution was given in the main by two commissioned officers and one N.C.O. The evidence for the defence I would like to point out to was somewhat conflicting, Bdr. Lee stated that he did not know he was under arrest until they were on the road after coming off the short cut and on the way to the guard room. Gnr. Patterson stated that the two were placed under arrest while they were on the short cut and that an altercation took place when they treid to tald Lieut. Harrison out of it. Gnr. Veilleux also corroborates this, while he was not clear, stated there was an altercation when they got off the road on the right. In Gnr. Patterson's evidence he stated that they were talking to the officers concerned when they got off the road,and in Bdr. Lee's statement he does not remember talking to the officers at all. With ref. to the original thing that started this, it is given in the evidence of the prosecution that a car was approaching and the reason that the order to move off the road was given so that a car might pass, 3 witnesses gave evidence as to the presence of a car, but according to the evidence of the accused and Gnr. Patterson there was no car for some minutes before or after the order was given. It is therefore the request of the prosecution that the evidence brought before the court be weighed up and the accused dound guilty on the evidence given, it is the opinion of the prosecution that if the accused had not been so belligerent in his manner of dealing with officers that he would not be before this court at this time.

Statement in mitigation of punishment by Defence. E 3

As these two charges have been proven to the satisfaction of the court and the accused has been proven guilty of charges 3 and 4 this defence wishes to call to the attention of the court - note 2 of A.A. Sec. 8 - this deals with provocation. I feel that the accused was under some provocation, I also feel that there was a lack of understanding of man management on the part of the officer involved; had this incident been handled with more diplomacy the accused would not be before this court at all. The circumstances surrounding the occurrence point to the fact that the accused spent an evening in a Pub and was to some extent under the influence of alcohol and was therefore less amenable to discipline than he would be normally. It is seen from the man's M.F.M. 6 that he has very few offences against army discipline, he has been in the army almost 5 years, he has proved himself an efficient and valuable soldier who would be a great use in a field unit at this time, he has been waiting in this country a long time to see action, his one wish that now the opportunity presents itself he wishes to play his part to the full in the 2nd front. The defence pleads with the court to take the above facts into consideration and be as lenient as possible when determining the amont of punishment Bdr. Lee Will have to undergo.

SUMMARY OF EVIDENCE IN THE CASE OF
A-31133 A/L/BDR. JOHN ALFRED LEE, 12 BN 2 C.B.R.GP

The Commanding Officer directs that the evidence be taken on oath.

First witness for the Prosecution

Lieut. H.E. Harrison C.I.C.(EHLI) on strength of 11 Bn. 2 C.B.R. Gp, having been duly sworn, states:

On the night of Sunday, 18 June 44, at about 2315 hours, Lieut. Milne, R.C. and I were walking from Aldershop to 11 Bn. Along the road I noticed L/Bdr. Lee, whom I recognize, walking between the left hand side of the road and the centre. At that time there was a vehicle passing and he was disrupting the traffic. I ordered L/Bdr. Lee to move over to the right of the road so as to walk facing the traffic as per routine orders. He did not do so even when ordered again. During this time I ordered him to put on his hat twice. He did not do so. I then ordered him to halt but he continued to advance on the left hand side of the road. After some time he finally moved over to the right hand side of the road, where I was able to contact him. I voluntarily produced my MFM 183 and asked him for his paybook, identification and where he was from. He deliberately ignored my identification and he refused to produce any identification or give any information about himself.
During this time, I despatched Lieut. Milne to secure an NCO and escort which he did and we placed L/Bdr. Lee in custody of Bdr. Letnas RCA 12 Bn. with orders to place him under close arrest in Guard Room of 12 Bn. L/Bdr. Lee caused the escort a great deal of trouble by moving across country and making it difficult for the escort to keep him in hand. At one stage he picked up a piece of steel piping and with it made a threatening gesture toward Lieut. Milne and me. He was advised by his companion to put down the piping and his remarks to this were "I'll put it down when someone is big enough to make me." On several occasions about this time he grasped me by my battle dress tunic and in an insubordinate manner and in a threatening tone he addressed me with such remarks as "I've been in the army five years. How long have you been in? Three months?" "Who do you think you are? An infantry officer trying to arrest a gunner?" "My uncle is a Lt.-Col. I could be further ahead if I wanted to but I don't." "I've been hit by traffic before. Just the other night and if I don't care, who does."
We finally got L/Bdr. Lee to the guard room 12 Bn. and turned him over to the custody of the guard Cmdr. during which he was still carrying on in a threatening and an abusive manner, by such demonstration as attempting to remove his tunic in preparation for fighting. At this time he was particularly threatening to Bdr. Letnas and stated "I'll get you later" to Bdr. Letnas.

Cross-examined by the accused.

Q. Where did I pick up the pipe?

A. On a path leading off the right hand side of the road.

Q. Can you get the pipe?

A. I don' know, but it might be possible.

Q. Which direction was the car travelling?

A. Same direction as we were, that is from Aldershot to Crookham, and it had to come almost to a dead stop to pass you.

Q. What did I call back when you called "Get off the middle of the road".?

A. I don't know.

(H.B. Harrison) Lieut.
11 Bn. 2 C.B.R. Group

Second Witness for the Prosecution

Lieut. G.G. Milne, C.I.C. (Essex Scot) on strength of 11 Bn. 2 C.B.R. Group, having been duly sworn, states:

On Sunday, 18 June 44, I was returning from Aldershot in company with Lieut. Harrison to 11 Bn. 2 C.B.R.Gp. At about 2315 hrs Lieut. Harrison had occasion to order two men, whom we saw walking on the left hand side and centre of the road, proceeding towards Crookham, to move over to the right side of the road. He repeated this order twice and also ordered L/Bdr. Lee, whom I recognize, to put on his hat. Neither of these orders were complied with. Lieut. Harrison then ordered L/Bdr. Lee to halt, and after some time the accused stopped and Lieut. Harrison asked for identification. He also asked me to order a Cpl, who was coming along behind, to place the accused under arrest. Before I left to do this I saw Lieut. Harrison produce his identification and heard the accused refuse to produce his. I then got Bdr. Letnes, G.W. and ordered him to place the accused under arrest. I also detailed an escort of two men. In the meantime the accused had walked on again on the left of the road, and I sent the Cpl and escort after him. The Cpl overtook L/Bdr. Lee before Lieut. Harrison or myself and I saw him talking to the accused by the side of the road. Before we arrived, the accused again moved on. He moved across the road and on to a path leading at about 45 degrees from the road. We followed the accused and Lieut. Harrison ordered him to halt. He did not halt but picked up an iron bar and adopted a

threatening attitude. His companion told him to lay the piece of iron down and he said "I will lay it down when someone is big enough to make me." We then overtook the accused who, on several occasions, grasped Lieut. Harrison by the collar of his battle-dress tunic and spoke to him in a very insubordinate manner. We then brought the accused to the Guard Room of 12 C.B.R. Bn. and, on the way, made such remarks as "I have been in the army five years. How long have you been in? Three months?". On reaching the Guard Room, I heard the accused use threatening language to Bdr. Letnas, G.M. He said "I will get you later". The accused was then turned over to the guard Cmdr.

The accused declines to cross-examine this witness.

Third Witness for the Prosecution

K-10018 Bdr. Letnas, G.M. RCA, on strength of 12 Bn 2 C.B.R. Group, having been duly sworn, states:

On the night of 18 June 44, I was returning from Aldershot along the main road with a chum. About half a mile from 12 Bn. I was stopped on the road by Lieut. Milne who ordered me to apprehend L/Bdr. Lee and his companion, and to hold them both until he came, as they had then gone up the road a piece past us. I overtook L/Bdr. Lee and his chum and informed them they were to wait until the officer came up. Lieut. Milne and Lieut. Harrison came up to us later (about five minutes) and Lieut. Milne had two men to act as escort so that L/Bdr. Lee and his chum could be escorted to the Guard Room. The party then proceeded up the road in the direction of 12 Bn. and after various detours, that is, they didn't stay on the road, we approached the Guard Room at about 2359 hrs. The two men were then placed in the Guard Room. Before I left the Guard Room, L/Bdr. Lee said to me "I'll get you later."

Cross-examined by the accused.

Q. Why did we cut across the road and go up the path?

A. I don't know.

Q. Where were the other two men who were with you? I did not see them.

A. The two men detailed as escort were with us all the time.

Fourth Witness for the Prosecution

A-87308 Cpl. Holt, S.G. CAC, on strength 12 Bn. 2 C.B.R. Group, having been duly sworn, states:

On 18 June 44, at about 2315 hrs, I was Guard Commander of 12 Bn. 2 C.B.R. Group. An Officer came into the Guard Room and stated that he had two men under close arrest. When I went outside I found a Bdr. with an escort and L/Bdr. Lee and Gnr. Patterson. I took over these men. The Officer wrote out a charge which he handed to me and I turned into 56 Coy. Orderly Room. L/Bdr. Lee gave me his name, rank and number and I explained that they were under close arrest. Both the men were apparently not drunk and were properly dressed.

The accused declines to cross-examine this witness.

The accused was cautioned as follows:

Do you wish to make any statement or to give evidence on oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence.

After the above caution the accused elected to give evidence as follows:

First Witness for the Defence.

The accused, A-31133 A/L/Bdr. Lee, J.A. RCA on strength 12 Bn. 2 C.B.R. Group, having been duly sworn, states:

On the night of 18 June 44, Gnr Patterson and I were coming back from to camp from Aldershot at about 2315 hrs. We were walking in the centre and right side of the road. I heard someone call "Get off the road". I hollered back "If you are big enough to make me, come and do it". At that time I didn't know who was hollering. Then Gnr Patterson and I got off the road entirely on the left hand side. I went into the bush to urinate. Patterson stayed on the side of the road. There was no motor traffic on the road at this time. Then we crossed the road and were going to take a short cut so we followed the path on the right side of the road. I did not pick up a bar. I will admit I did cross a fence to get back on the road after I saw that we had been followed. As we were on the road on the right side a car passed us. The Officer came up to us and asked us what Coy we were from and we did not tell him. He didn't show us any identification. Then he got the other officer to get a Bdr. to put us under close arrest. I then went up to the officer and asked him why he was placing us under close arrest. He said

he didn't want to do any talking here. He said we could do it Monday. While we were coming in camp Gnr. Patterson and I did not cause any disturbance at all. Then he put us in the Guard Room in charge of Bdr. Holt.

Second Witness for the Defence

M-102211 Gnr. Patterson, H. RCA on strength 12 Bn. 2 C.B.R. Group, having been duly sworn, states:

On 18 June 44 we were coming from Aldershot at about 2315 or 2330 hours on the right side of the road near the centre. We passed some men. Someone hollered "Get off the road". Bdr. Lee said "If anyone back there is big enough to put us off the road, let him try it". We did not know these were Officers as it was dark. We went off the side of the road, then crossed the road to take a short cut. The Office asked me to produce my paybook and what Coy I was from. I didn't hear him ask Bdr. Lee for his. He called a Bdr. to place us under close arrest. We both asked the Bdr. if he was looking for another stripe. We were escorted to the guard room under close arrest and turned over to the Guard Cmdr and charges placed against us.

Third Witness for the Defence

H-103509 Gnr. Veilleux, J.G.A. RCA on strength 12 Bn. 2 C.B.R. Group, having been duly sworn, states:

On the 18 June 44 I was going down the road. I was on the right side of the road in company with two other soldiers. L/Bdr. Lee and Gnr. Patterson were also on the right side of the road ahead of me. An Officer came up behind me and told me to put on my hat and called to the others to get off the road. They went over to the left and off the road altogether. I then saw the Officer detail two men to take L/Bdr. Lee and Gnr. Patterson to the Guard Room. I saw the Officer follow Bdr. Lee and Gnr. Patterson along the short cut and back to the road. I followed the party into camp.

Q.24 - You are P.C. Harry Maurice Harding, No. 347?
A.24 - Yes, sir, that is correct.
Q.25 - Will you please tell the Court what you know about this case in relation to the accused?
A.25 - At 6:50 a.m. on Friday, the 28th of August, in consequence of information received, I visited the NAAFI Canteen at Marden Park Camp, where I found that a pane of glass near the catch of a casement window at the south west side of the Canteen had been broken. There being some loose Woodbine cigarettes on the ground outside and directly under the window. I then commenced inquiries and learned that a safe containing an amount of money, a sum of money from the Canteen cash box and a quantity of cigarettes and razor blades were missing from the Canteen premises. Later a search was made for the missing articles and the safe was found in a small copse about 400 yards from the Canteen in question. Upon examining the safe I found it appeared that an attempt had been made to open it. This attempt was found to have been unsuccessful. Upon being opened in the presence of the Police, the moneys were found to be intact. On Monday, the 7th of September, 1942, in consequence of further inquiries, with the aid of Sgt. Terry and the C.I.D., I later obtained, under caution from Pte. Hoyt and Pte. McAvoy. Ref STATEMENTS That is my evidence.
Q.26 - Will you give us some more information, please, about the size of the safe and the size of the window?
A.26 - Yes, the window I would say was about 4 feet six inches wide when opened, and about 3 feet six to 4 feet from the ground outside, sir. There was a heap of cinders on the ground.
Q.27 - How about the safe?
A.27 - The safe is about 2 feet six inches high and about 2 feet wide.
Q.28 - How was the window broken?
A.28 - There was a hole in the window near the catch about 4 or 5 inches across, big enough for an arm to go through to the catch and open it.
Q.29 - Could the safe have been taken through the window?
A.29 - Yes, sir.

The Defending Officer declines to cross-examine the witness.

Court

Q.30 - Did you discover any fragments of broken glass lying inside or outside the building next morning?
A.30 - Yes, sir, some inside. Mostly inside.
Q.31 - Was there any evidence of the glass being cut?
A.31 - No, sir.

3rd Witness for the Prosecution, Detective Sergeant Tom Harris, No. 33, Caterham Police, having been duly sworn, is examined by the Prosecutor.

Q.32 - You are Detective Sergeant Tom Harris, No. 33, Caterham Police?
A.32 - Yes, sir.
Q.33 - Will you tell the Court what you know of this case from your investigation in relation to the accused?
A.33 - On the 28th of August this year, I was called to the NAAFI Canteen at Marden Park Camp where I assisted in the investigation of breaking into the Canteen, and the theft of certain property. Later that day a search was conducted on the grounds at Marden Park and a safe was found. I examined this safe and found an attempt had been made to open it. It was damaged near the hinges. Moneys were found inside the safe intact. On the 13th of September this year I was - .
Q.34 - Before that, can you give me any further evidence of breaking and entering, and the location where the safe was found.
A.34 - Not from my own investigation. Only what I was informed. On the 13th of September, 1942, I saw the accused in London, together with Hayes. I told him who I was, that I was making inquiries into the matter of the offence at the Canteen in Marden Park, and asked him if he knew anything about it, and if he could help me. I mentioned to him the names of Pte. Hoyt, Pte. O'Gorman and Pte. McAvoy and told him I had taken statements from them. Later that day I conveyed him to Caterham Police Station. There was present at the time there besides the accused man Lee, Pte. Hayes, Sgt. Frost, Sgt. Terry and myself.
Q.35 - Were they all present when Lee was questioned?
A.35 - No, sir. Sgt. Frost was, but Sgt. Terry was in and out.
Q.36 - Was anyone else present?
A.36 - Not at that time. Lee and Hayes had some discussion together. I asked the accused to make a statement. He at first refused but I obtained a statement under caution from Pte. Hayes. I told him I had obtained this statement from Hayes. I asked him again to make a statement. I produced Hayes' statement and he asked me who wrote it. I told him and then he said, "All right, I'll make a bloody statement." I gave him permission to write the statement himself. He declined and asked me to write it down. I agreed to do so. I then cautioned him and explained the caution to him. The questioning and taking down the statement took approximately three-quarters of an hour. When the statement was finished the accused signed it. He had first been warned. I told him it was a matter for him to decide, whether he made any statement or not, and that he did not need to make any statement.
Q.37 - What was he detained for in London?
A.37 - I understand he was detained because he had been absent without leave.
Q.38 - And the statement was taken in somebody else's present.
A.38 - Those present were Pte. Hayes, Sgt. Frost and Sgt. Terry, as well as the accused and myself.
Q.39 - I show you this document. Can you identify it?
A.39 - This document is a statement obtained from the accused under caution and taken down by me in my own handwriting and signed by the accused and myself.

Defending Officer

I object to the production of this statement in evidence.

The Court directs that the document be marked for identification by the Court Reporter.

The Witness is cross-examined by the Defending Officer.

Q.40 - Did the accused ask you at the taking of the Summary of Evidence, "Did I ask if I was to be tried in a civilian or military Court and did I say that I was under the impression I was to be tried in a civilian Court when I made my statement?"?
A.40 - He asked me that question at a later date, not on the 30th of September.
Q.41 - He asked you this question before he signed the statement?

A.41 - No, sir. It was after the statement.
Q.42 - Do you remember the question?
A.42 - Yes, it was simply, was he going to be dealt with by a Military Court or Civil Court.
Q.43 - Did he say he was under the impression he was to be tried by a Civil Court?
A.43 - I don't recall.
Q.44 - Did he ask you the question before he signed the statement?
A.44 - No, after he signed the statement.
Q.45 - You had a conversation about it?
A.45 - Yes.
Q.46 - Who was present?
A.46 - Those I said were present when the statement was taken.
Q.47 - Was there any discussion about punishment which might be awarded?
A.47 - Punishment was discussed with this matter of Military and Civil Courts.
Q.48 - Was that before or after he made the statement?
A.48 - After he made the statement.
Q.49 - Was there any conversation about it before he made the statement?
A.49 - No.
Q.50 -

J.A.

Q.50 - After the statement from the accused were both he and Hayes together at this discussion?
A.50 - After the statement was made and signed, sir, then the discussion took place with both present.

Defending Officer

Q.51 - I suggest to you, Sgt. Harris, that once before you gave evidence it was before the statement was made.
A.51 - No, sir, definitely not.
Q.52 - Did the accused refuse to sign his statement?
A.52 - He did not exactly refuse, sir, he wanted to discuss if he should make it.
Q.53 - Were any threats made to the accused?
A.53 - No, sir. I have too great a responsibility for that.

J.A.

Q.54 - Hayes was present at this time?
A.54 - Hayes was sitting near, sir.
Q.55 - Also, who else?
A.55 - Sgt. Terry and Sgt. Frost, sir.

4th Witness for the Prosecution, R-21172, Sgt. J. R. Frost, Special Investigation Section of the Cdn Provost Corps, attached to H.Q., First Cdn Army, being duly sworn, is examined by the Prosecutor.

Q.56 - You are R-21172, Sgt. Frost, J.R., of the Special Investigation Section of the Cdn Provost Corps?
A.56 - Yes, sir.
Q.57 - Can you tell the Court what you know of this offence at the WAAFI Canteen in Marden Park in relation to this accused?
A.57 - At about 0800 hours on the 28th of August, 1942, I was informed by the Adjutant of the 85 Cdn Bridge Coy that the Canteen had been entered and some property removed.

J.A.

Q.58 - As a result of your investigation, what did you do?
A.58 - On the 13th of September, in company with Sgt. Harris, I proceeded to London and saw the accused at No. 6 Provost Coy where he had been detained on a charge of being an absentee. Sgt. Harris talked to him, then took him to Caterham Police Station. I was present when he was questioned.

Prosecutor

Q.59 - Were you present when the accused made his statement?
A.59 - I was.
Q.60 - Was the accused warned in your presence?
A.60 - Yes, in my presence.

J.A.

Q.61 - What was the warning?
A.61 - That he didn't need to say anything but that any statement he made would be taken in writing and may be used in evidence.

The Witness is cross-examined by the Defending Officer.

Q.62 - Was there a considerable lapse of time between the finish of the statement and the signing of it by the accused?
A.62 - Not, considerable. Probably about five minutes.
Q.63 - Do you recall a conversation with S-t. Harris before the statement was made about crime and punishment?
A.63 - Yes, sir.

Prosecutor

Mr. President and Members of the Court. I submit this statement from the accused in evidence. I would ask the Court to remember it was taken after caution and voluntarily signed in the presence of representatives of two different Police forces. The discussion did not affect the statement in any way. I produce the statement.

Defending Officer

I object to the submission of this statement in evidence.

The Court is closed to consider the objection of the Defence.

The Court is re-opened and the Accused is again brought before it.

The Court rules that the statement is admissible in evidence. The statement is produced by the Prosecutor, read by the Court, signed by the President, marked Exhibit "D" and attached to the Proceedings.

Prosecutor

As a result of the statement being admitted into evidence I think I should produce, sir, as exhibits the cigarettes and razor blades which the Police found.

J.A.
On this man?
Prosecutor.
No, sir, as the property alleged to have been stolen.

The packet of Top Score cigarettes and the packet of Razor Blades are produced by the Prosecutor, marked Exhibit E and E1, respectively, admitted in evidence and attached to the Proceedings.

The Court at this time complies with R.P. 40.

J.A. to accused

Q.64 - You may if you wish give evidence yourself under oath but if you do so you will be subject to cross-examination by the Prosecutor and by the Court. Or you may make a statement not under oath. Do you wish to give evidence?
A.64 - No, sir.
Q.65 - Do you intend to call witnesses?
A.65 - Yes, sir.
Q.66 - Are they witnesses as to character only?
A.66 - No, sir.
Q.67 - Do you wish to make any statement not under oath?
A.67 - No, sir.

The Defending Officer makes no opening address but proceeds to call witnesses.

1st Witness for the Defence, Charles Freeman Clark, Charge Hand at the NAAFI Canteen at Larden Park Camp, Caterham, being duly sworn, is examined by the Defending Officer.

Q.68 - You are Charles Freeman Clark, Charge Hand at the NAAFI Canteen at Warden Park Camp?
A.68 - Yes, sir.

A.69 - Yes, sir.
Q.70 - On that night did you see the accused?
A.70 - I did, sir.
Q.71 - Where was he?
A.71 - He was sitting at the first table along the side of the NAAFI Canteen at Warden Park.
Q.72 - Was he drinking?
A.72 - He was.

A.75 - After half past nine.
Q.76 - Was he drunk by that time?
A.76 - Well, drunk, but capable of walking.
Q.77 - What was his condition when he left?
A.77 - He was intoxicated, sir.
Q.78 - Do you recall a keg of dregs?
A.78 - Yes, sir, ullage.
Q.79 - Where was it?
A.79 - Outside the Canteen door, sir.
Q.80 - How many gallons did it hold?
A.80 - About nine gallons, sir.
Q.81 - Did you see this keg later?
A.81 - Yes, sir, the next morning.
Q.82 - How much of this dregs or ullage was left?
A.82 - About three gallons, sir.
Q.83 - Does that ullage have a very high alcoholic content?
A.83 - Well you ask me that question, sir. It's like this. If a person drank that I would expect him to be in bed or in a hospital. It would give him bad gripes, hurt his digestion. That is unless he had a cast iron stomach.

The Witness is cross-examined by the Prosecutor.

Q.84 - Do you remember seeing other chaps at the Canteen at the table where the accused was?
A.84 - Yes, sir. I recognized the accused. I was cleaning and serving round the table.

Q.90 - Did you see the accused on that night?
A.90 - Yes, sir.
Q.91 - Will you tell the Court where and when you saw him?
A.91 - I left my hut after 10:30 p.m. and saw Pte. Lee walking up the road towards his hut. When I got to his hut I found him sitting

on the ground outside. I got him up and put him to bed.
Q.92 - Was he drunk?
A.92 - Yes, sir, very drunk.
Q.93 - Could he walk?
A.93 - He seemed to be having quite a bit of difficulty.

The Witness is cross-examined by the Prosecutor.

Q.94 - What else did you notice about the condition of this man?
A.94 - As I said, sir, he was pretty drunk, he and the man with him.
Q.95 - They could walk, couldn't they?
A.95 - They were unable to walk, sir.
Q.96 - Did they put up any argument when you told them to go to bed?
A.96 - No, they were very quiet then, but I could smell the drink on them.
Q.97 - Did you ask them to go into their hut?
A.97 - I ordered them in, and assisted them.
Q.98 - They were able to understand the order?
A.98 - It took them a minute or two to get the general idea. As soon as they did know, they responded.
Q.99 - Could they have got up again half an hour later?
A.99 - In my estimation they couldn't have got up again that night.

Court

Q.100 - Did you make a bed check?

Q.101 - You do that in addition to the Orderly Sergeant?
A.101 - Yes, sir.
Q.102 - What time is Tattoo taken?
A.102 - At 11 o'clock, sir.
Q.103 - No earlier?
A.103 - No, sir, not in the Army Service Corps.
Q.104 - Was Lee present at the check up?
A.104 - Yes, sir, he was in bed.
Q.105 - Was he able to get out of bed?
A.105 - He was not in very good condition to be up.
Q.106 - Was he able to go on parade?

A.109 - No, sir.
Q.110 - Is there no check on men who get up after 11 and go out?

A.111 - He is a good soldier, sir.
Q.112 - Is he a good worker?

A.113 - Yes, sir, there were never any complaints about him, being disobedient, that is.
Q.114 - How long have you known him?
A.114 - Ever since he came into my company.
Q.115 - How long was that?
A.115 - Just about a year, sir.
Q.116 - And has he been in your section all that time?
A.116 - Not all the time. About four months, sir.

The Defending Officer makes the following closing address.

May it please the Court. I think It has been proved to the Court that the condition of the accused that night was one of extreme intoxication. Evidence has been given by his Section Corporal as to his condition at 11 o'clock that night. My second point is that, first, he was drunk and incapable of knowing what he was doing and could not be reasonably said to be in a condition of sanenass, and secondly, his condition resembled insanity when this act was committed. The Judge Advocate will tell you this condition of drunkenness is like insanity and I ask the Court to consider seriously how drunk this man was that night. You have heard the worker at the NAAFI say a man must have a cast iron stomach to stand up under that ullage. I would ask you to find this man so drunk that he does not know what he is doing. That he could not distinguish right from wrong and therefore he is not guilty of this offence as charged. I submit he was too drunk to have had a hand in carrying that safe that night to the point where it was found. If the Court reaches a decision that he was extremely intoxicated and that he could not have carried that safe, then he had no part in the breaking and entry or theft.

The Prosecutor makes the following closing address.

Mr. President and Members of the Court. I think it has been sufficiently proved that there has been a breaking and entry of this Canteen and certain things have been taken out of it. The accused man, Lee, made a statement in which he admits he was at a party where he was invited to enter the Canteen. After some discussion it was agreed to enter the Canteen. He admits entry into the Canteen. He says he returned without anything. The safe was brought to the window while he was there. It was taken to the top of the hill. I think this is sufficient to implicate Lee with this whole crime, which I submit was not one of a minor nature. To return to Lee, he didn't say he helped. He does say he got up and took a walk. He says he was invited to have a drink. He doesn't say how much he drank. However much he consumed earlier he admits that at this time he was sober enough to form an intention to enter the Canteen. And he was sober enough to form that criminal intent. I think that is all I have to prove.

J.A. to Court

My duty here is to instruct you on the law. You are the sole judges as to the facts affecting the guilt of the accused. To find the accused guilty, you must be convinced by the evidence. The Defence has suggested that the accused was drunk to such an extent he did not know the nature or quality of the act alleged to have been done. This must be proved by the Defence. But the second thing you must remember is that the onus of proof always remains upon the Prosecution. This is an onus which the Prosecution must discharge. It is not for the accused to prove himself innocent but the Prosecution must prove him guilty. On the question of reasonable doubt, the doubt must be a common sense doubt. If such exists in the minds of the Court, then the Court should find for the accused. If no such doubt exists the Court will find the accused guilty. But in the case of doubt, the accused cannot be found not guilty on any fantastic doubt, conjured up in your minds. It must be a common sense doubt. Whether or not the accused is guilty of the acts as charged, and whether the acts as charged constitute an offence, the Court must decide.

The Court is closed to consider the findings.
The Court is re-opened and the accused is again brought before it.

J.A. to accused

Pte. Lee, I will read again the charges to which you have pleaded guilty.

The Charges are read again from the Charge Sheet and the Summary of Evidence, as it applies to thos charges, is read, signed by the President, marked Exhibit "F", and attached to the Proceedings.

J.A. to Prosecutor

Q.117 - Mr. Prosecutor, have you any evidence to submit as to the character and particulars of service of the accused?

A.117 -

The Prosecutor, Lieut. C. B. Kirk, First Cdn Army Signals, being duly sworn, is examined by the Court.

A.117 - Yes, sir, I have a Statement of Character and Particulars of Service, known as M.F.R. 395, of the accused, and the accused's Field Conduct Sheets, known as M.F.R.6. I produce them in evidence.

The documents are read by the Court.

Q.118 - Is the accused the person named in the statement which you have just heard read?
A.118 - To the best of my knowledge he is.
Q.119 - Have you compared the contents of the above statement with the Regimental Books?
A.119 - No, sir.
Q.120 - Are they true extracts from the Regimental Books, and is the statement of entries in the conduct sheet a fair and true summary of those entries?
A.120 - They are certified as such by the Adjutant, Sir.

J.A. to Defending Officer

Has the Defence any objections to the production of these statements in evidence?

Defending Officer

No objections, sir.

The M.F.R.395 is signed by the President, marked Exhibit G , and attached to the Proceedings.

The M.F.R.6 is signed by the President, marked Exhibit H , and attached to the Proceedings.

J.A. to Defending Officer

Do you wish to address the Court in mitigation of sentence?

Defending Officer

May it please the Court. All I ask is that the Court take into consideration that the accused has already spent 31 days awaiting trial. I would also ask the Court to take into consideration the fact that this man had been drinking very heavily that night. He was not responsible to any degree for his acts. I ask that these two things be considered by the Court before sentence is awarded.

The Court is closed to consider the sentence.

The night in question after leaving the canteen Bill and I returned to our huts and went to bed arising later to get some fresh air and while walking up the road near the canteen we heard noises in the woods directly behind the canteen we decided to investigate and came upon several men one of which was Private Hoyle who questioned our presence.

During the conversation that followed we were invited to have a drink which was accepted. There was then some discussion to enter the canteen and it was agreed by all that we should enter it. I myself entered the canteen with another and returned with another, while I was outside the

Hoyt, O'Gorman and McAvoy at Caterham Police Station and I interrogated them. I cautioned each one of them as follows; " You are not obliged to say anything unless you wish and anything you say will be taken down in writing and may be used in evidence." I explained the caution to them.

I was present when statements were made by each man.

On the 13 Sept. 42 I saw Ptes Hayes and Lee at Caterham Police Station and after cautioning them in the same manner as above, each made a statement.

I identify all five of the accused men and statements which I now produce, refer to these men.

At 5.30 P.M. 13 Sept. 42, I was taken to a spot in Marden Park by Ptes. Hayes and I then discovered 7 packets of cigarettes and 42 razor blades all being similar to the property stolen."

Statements produced and marked as exhibits.

Accused cross examines the witness.

Question:- Did I ask if I was to be tried in a civilian or Military Court and did I say that I was under the impression I was to be tried in a civilian Court when I made my statement ?

Answer:- You said you wanted to be tried by a civilian court, but I explained to you it was not a matter for me to decide. There was no condition attached to the making of your statement.

Form for Assembly and Proceedings of Field General Court Martial on Active Service.

PROCEEDINGS.

A.

Order convening the Court.

On Active Service, this FOURTEENTH day of DECEMBER, 1942.

Whereas it appears to me, the undersigned, an officer in Command of 2nd CANADIAN DIVISION CANADIAN ARMY OVERSEAS, on active service, that the persons named in the annexed Schedule, being subject to Military Law, have committed the offences in the said Schedule mentioned.

And whereas I am of opinion that it is not practicable that such offences should be tried by an ordinary General Court Martial; *~~and that it is not practicable to delay the trial for reference to a superior qualified officer;~~

*Omit where Convening Officer is a Commanding Officer or is of Field Rank.

I hereby convene a Field General Court Martial to try the said persons, and to consist of the Officers appointed or detailed hereunder.

* Omit if not applicable.

*~~I am unable to appoint:—~~

*~~(1.) Three Officers to form the Court;~~

*~~(2.) A Field Officer as President;~~

~~for the following reasons, namely:—~~

In my opinion, military exigencies, namely the dispersion of units, difficulties of communication, and other difficulties, render it inexpedient to comply with those rules inconsistent with Appendix "A" to 2 D.R.O. 772 on the trial of the soldier named in the annexed schedule.

Proceedings Reviewed

Note.—The President must be named. The members and waiting members (if any) may be mentioned by name, or the number and the units to which they belong may alone be named. The witness having been duly sworn states:

Pistol no 725653 was issued to me by the unit's Quarter-master about the middle of month of May 1942. I do not remember the exact date when it was issued to me. If I remember correctly my revolver disappeared on the 16th June '42. We were then billeted in Staplefield, Sussex. I had left it in my holster hanging at the head of my bed the afternoon previous to its disappearance. Pte Lee L. of the Service Corps attached to the 18th Field ambulance was at the time sleeping in the top part of my bunk. Everybody in the room I slept in knew where my holster was always hung my ammunition, also docks,

D-91850 Pte Ethier H. (continued):

was in my ammunition pouch.

This was in Sfield. I bought the revolver and paid, there and then, £1-10-0 or £2-0-0 for it. I gave the money to Pte Salouris. From information that I received on the 24th of Nov. 1942, I interviewed Pte R. Waterson, 1st Cdn Corps Troop Coy, regarding a revolver that he had purchased. This revolver I found in the armourer's shop of the Cdn Corps Troop Petrol Coy. This revolver Smith and Wesson .38 calibre, registration no. 725653 I found to be missing from 18 Cdn Fd. Amb. A statement was taken from Pte Waterson also a statement from Pte A. Salouris, C-21184, 1st Cdn Corps Troop Petrol Coy. These statements were given voluntarily. On the 27th of Nov. 1942

A-9361 Dolan C.K. continued.

I give this statement voluntarily
About 5 months ago I was
attached to Regt Corps H'dqrs.
Cpl Knight A. to Lce, L/J, RASC
attchd 18th Div Amb. came to me and
asked me if I knew anyone who wanted
to buy a pistol revolver, he showed
me a S & W .38 Bull revolver etc.
Pte Watson J. RASC attchd to
to H'dqrs. also can verify this He
(Lee) was unable to sell the revolver
there (Belgaum) so he and I then
proceeded to 1 Coy C.T. Petrol Coy at
Dfield and we went to see Pte.
Watson, R. he gave me a £1,10,0
and I handed him the revolver and
after we got outside I handed the
£1,10,0 to Pte. Lee. Lee and I
then went to the Gate Inn, Ruspur

2 hrs, and then we separated. I figure
I received about 1/2 of the £1,10,0. I
have never seen Lee since.

Herewith statement in regards to Smith & Wesson Revolver No.725653 being in possession of C.3058 Pte. Lavergne, F. At approx. 1300 hours on 20 Jun 42, Sgt. Lawrence, J.R. reported to H.Q. Orderly Room and stated he believed that the a/m Private had made off with one of the Sergeant's revolvers. He stated that Pte. Lavergne was on pass to London and would be getting the 1200 hours train to Victoria. I phoned No.6. Provost Coy and gave them a description of the a/m man and also an address in London to which he might go. No.6. Provost Coy apprehended Pte. Lavergne and returned him to Unit. On investigation Pte. Lavergne disclosed that he had bought the revolver from Pte. Waterson. Pte. Waterson had bought it from Pte. Sabourin, A. From there I believe it had been found during Exercise "TIGER".
No military action was taken in this regard.

Additional evidence of D-105533 Pte Waterson R.

The revolver labelled exhibit 'B' I think is the same weapon I buyed from Pte Sabourin A. I know this because the first two numbers of the serial numbe of the weapon I buyed were 72 and the last two 53. I noticed no W.D markings on it, when it was in my possession

Additional Statement by Pte. Sabourin A C-21184

The revolver that Pte. Waterson buyed bore the serial number 72--53. I did not notice what make of revolver it was, or whether it bore W.D markings

To the President of the Court

August 27/5/45

It was on Dec 25/1940 I landed in England I had a few crimes in Canada but I decided to start fresh and to do my best to be a good soldier I left a good record until 1942. but in the meantime I was receiving letters that my daughter was in the Hospital and that my wife was running around with other men and that she was being untrue to me I also rote and warned her that I would stop her money if she didn't start to go straight.

but she didnt pay any attention to me I then warned her several times again then I got word from my sister that my baby died and that my wife got more instead of letter she was out in the company of other men all the time I was discouraged and went absent for 14 days my first crime in this country for about 2½ years I then started to soldier again and I kept getting letters from my sister telling me that she was still running around with other men I then went to the 3rd L.A.A. Bty after being there

for about a week. I wrote a letter to the L.P.A. Board to have my wifes money stopped that was in April and I have heard nothing about it until yesterday the 26th of August and in the mean time I got a letter from my Mother saying that my wife had left home and went to stay at a girls house who I know to be no good and she also stole from my Mother Several articles before she left. so not hearing anything from the L.P.A. board I became discouraged and went absent to have her money stopped so after 30 days absent thinking that her money was stopped I came but the same day I came back I seen the Pay Master of the pay office and he told me that her money would start again now that I was back so I broke arrest and went absent again to keep her money stopped

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans. No (5)

Plea in Mitigation

1. You will notice from the conduct sheet of the Accused that he joined up 5 Sep 39 and until the present has an absolutely clean record.

2. I realise that with a record like this I do NOT need to say a great deal in defence for the accused whose total absence is only some 40 odd days

3. However, there are two points about which I feel you would like to know.

4. You are continually receiving recitations of family troubles in defence of a continuous record of crimes. With a clean sheet, I should like you to know that Gnr LEE's only child died in Jul 42, and between the latter part of 42 and the present he has been corresponding with friends and relatives who have tried to persuade him to divorce his wife as unfaithful. He has taken NO action as he feels when gets back home he can straighten the whole matter out.

5. He is NOT a case of AWOL from the front line. LEE was a dvr of an amn lorry, the hazards of which are quite normal and had been accepted by LEE for a long time.

6. You will notice there is a period of over 100 days between termination of absence in the first charge and commencement of the second. The accused turned himself in to the Brit Pro at the end of the first period and was inadvertently sent to..... ..... in SICILY for disposal. It was NOT until the 15 Feb before he was returned to AVELLINO, when he was immediately sent back to his unit, 2 Cdn Med Ret. His total time spent awaiting CM amounts to.....
I trust this will be given full consideration.

7. I hope this information will assist you in arriving at a fair and just sentence on the first crime of a man who has given over ~~four~~ years of disciplined service to the Cdn Army.

Pros. Sir, We have Sir Arnold Thornely here, and as he is very anxious to get away as quickly as possible I would like to suggest, with the concurrence of the Court and the Defence, that his signed statement be accepted.

Defence: Sir, I see no useful purpose in cross-examining this witness, in a Civil Court of Law I would naturally subject him to a thorough examination, but I think we can accept his written statement, but I think he should identify these articles which are alleged to have been taken from his house.

After consideration the Court concurred in this.

1st. Witness, Sir Arnold Thornely, of "Greystones" Eaton Park Road, Cobham, Surrey, is duly sworn: and examined by the Prosecutor:

Pres. Sir Arnold, as you wish to get away I think we can have you first, so that the Prosecutor can ask you some questions as to these exhibits.

Q.4. Sir Arnold I would like to ask you to identify these articles that were found in the possession of the accused?

The cigars?

A.4. I identify the cigars so far as a man can identify them, they are the kind which I had. (Ex.P.1.)

Q.5. The Clock.?
A.5. Yes I identify the Clock. (Ex.P.2.)
Q.6. The Cigarette Case?
A.6. No that is not mine. (Ex.P.3.)
Q.7. Two Note Books?
A.7. Yes those are mine. (Ex.P.4.)
Q.8. Shaving Stick? (Brown)
A.8. No. (Ex.P.5.)
Q.9. Pipe?
A.9. I could not swear to that I have so many. (Ex.P.6.)
Q.10. Tin of Leather Soap?
A.10. No. (Ex.P.7.)
Q.11. Key Case?
A.11. Yes that is mine. (Ex.P.8.)
Q.12. Razor?
A.12. No I could not identify that. (Ex.P.9.)
Q.13. Shaving Stick, (Black)
A.13. No. (Ex.P.10.)
Q.14. Eraser. (Rubber)
A.14. Yes (Ex.P.11.)
Q.15. Steptic Pencil?
A.15. No. (Ex.P.12.)
Q.16. Fountain Pen?
A.16. No I cannot identify that. (Ex.P.13.)
Q.17. The Wine Bottle?
A.17. Yes that is mine. (Ex.P.14.)

Court. Q.18. Other members of your house, did they report losing anything?
A.18. No, these were actually all mine.

Def: Q.19. Sir Arnold, I suppose you will admit that there may be thousands of Key Cases like that?
A.19. Oh Yes.
Q.20. And the same can be said about the razor?
A.20. I did not identify the razor.
Q.21. And the prisoners could get these kind of things any place?
A.21. Oh Yes.
Q.22. And that may be the same about the wine?
A.22. Oh Yes, but I obtained that particular kind of wine from a friend, I have several bottles.
Q.23. It is a fairly strong wine?
A.23. It is not so strong.
Q.24. It is strong enough to make one intoxicated?
A.24. Oh Yes it would make one intoxicated.
Q.25. About the clock, I suppose one could purchase one like it?
A.25. Yes. I had one like it in the Bedroom. Its the same thing in the case of the other things.
Q.26. What about the note books?
A.26. I know those are mine, they were sent to me by a firm of Architects with whom I do business.
Q.27. And is it not true, that any of us could not identify thiese things unless we had our private mark on them?
A.27. Oh Yes! If I was asked I would say that these things were mine, but it could be possible for anyone to have a collection of things like them.

Def: There is a submission I would like to make at this point. I want to check on the articles supposed to have been found on Sullivan.

A Razor, Two sticks of Shaving Soap, One Pen, One pipe, and Key case.
I want to submit in the case of Sullivan, that there is nothing that he is supposed to have stolen that has been identified.

Pres. What is your submission?

Def: Well if these articles are not identified then I submit that Sullivan should be acquitted

All the exhibits were then checked over and Capt. MacDonald a Member of the Court suggested that the type of eraser could not be bought at any place, it was a particular kind.

Def: Well it looks very similar to erasers I have used.

Member: I have sold erasers and you cannot buy this kind any place.

Def: I suggest that the Pen is a very cheaf one, and that the cigars could be bought anywhere.

Pros: I submit that Gunners do not go around carrying these articles in their pockets.

Def: I suggest that our Gunners carry all kinds of things in their pockets that do not belong to their kit, and also carry a great deal more in their pockets than they are supposed to have.

Pres: The Blades by the way are not there.

Pros: I do not think the Court can acquit the accused on that.

Def: My argument applies to all these things.
I suggest that that is not a special kind of Wine

Member These Diaries cannot be bought, they are sent out by industrial firms.

Def: I think it is possible for anyone to receive note books of that kind.
I do make a very strong submission that all these articles have not been identified by Sir Arnold Thornely.

Member: Don't you think that in a house the size of Sir Arnold's there may be these articles?

Def: Oh Yes! but I suggest that there is a very strong doubt that these articles belonged to him and I suggest that there is no reason to believe that these articles are not Sullivan's.

Pres: I suppose that after hearing the evidence, may be something may turn up to clear this matter, and your submission will be in your Summing up?

Def: Oh Yes, Quite frankly, the charge should have set out what he did steal, and I suggest that in Civil Law it would have been done, and while I do not want to raise any technicality, what we want to get is justice.

Pres: It is very rarely that one can positively identify these articles.

Pros: I would like to have the accused in and ask him some questions.

Def: Well that is my submission and I think it can be dealt with now.

Court adjourned to consider the motion.

On re-opening:-

Pres: The motion is rejected.

Address to the Court by the Defence:

Sir, I think that the evidence has been brought out in this case, and we all understand what has been said and the evidence has been very clear and has proved beyond a shaddow of a doubt that the accused was very drunk at the Residence of Sir Arnold Thornely. There is only two articles identified by Sir Arnold Thornely, and the accused says he picked them up and put them in his pocket, and my submission is that it is one mans' word against another. It is to be supposed that the eraser belonged to the same group of articles, and I suggest it has not been proven. I also submit that the family are partly responsible for what happened and I submit that the accused is entitled to the benefit of the doubt.

Address of the Prosecution:

I have very little to add to what has already been brought out except that it is admitted by the accused that the Key Ring and the eraser were picked up and put in his pocket and forgotten to be taken out. I suggest that his story about the razor cannot be accepted by the Court, I went down to the Barber's and we have had the Barber here and they are not sold there and I submit that the accused is guilty of the charge.

The Court is closed for consideration of the Finding.

The Court is re-opened:-

Court: Q.210. Have you any evidence to produce as to the character and particulars of Service of the accused?

Pros: A.210 I produce Statement as to Particulars of Service and Conduct Sheet of the Accused.

Court: Q.211 Do you wish to address the Court?
A.211 No Sir.

The Court is closed to consider the sentence.

Defence: Sir, During the interval I have had a talk to the other two accused and they are ready to accept the evidence that is already in, but wish to make a statement as to how the articles came into their possession, and they are willing to place themselves on the stand.

Pros: I have no objection Sir,

Defence: That is that they will accept the evidence already given up to the point where they themselves would give evidence.

Court: Then we will have the next accused, Breen.

STATEMENT OF SIR ARNOLD THORNLEY
owner of house damaged by
enemy air action.

On the night of 22 October 1940 I was on duty at the A.R.P. Wardens Post 4B6 which is situated on the Tilt. Remaining in the house were my wife, Lady Thornley, her son/in-law, Mr. W.M. Washborne, a gardener Mr. Easton, and his wife Mrs. Easton. The air raid alert had sounded some time before any action. Two bombs were dropped, one behind the opposite house and the other landing in the drive immediately in front of the house. So far as the occupants were concerned they were the only bombs they knew about.

The bomb which dropped in the driveway totally destroyed the kitchen wing of the house. Mr. Easton, the gardener, was killed. The garage (seperate from the house) was very seriously damaged. Other portions of the house were partially damaged, these included the bedroom and morning room from which the stolen articles were later discovered to have been stolen.

At Colchiam, Surrey, at the home of Miss Arnold Thornely in the morning of 24th October 1940. We had been sent out there to help the A.R.P. clean up. There was myself and two other fellows who worked outside on the right hand side of the house at the front with two A.R.P. men most of the morning. Then when we had cleaned up as much as possible we went inside to work. We packed stuff from the front of the house around to the back to a back room under cover. While we were doing that there was a civilian came up to help. He was some friend of the people of the house. It was while we were packing this in that a bottle of wine was passed around, which I had a drink of. We finished packing the stuff from the front of the house then went to lunch. That is all, Sir.

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. CASE OF

B.73846 Private LEE, M.N., No 1 Canadian Parachute Bn, on strength No. 1 C.G.R.U.

The accused sworn states:-

Sir, back with my unit, the 1st Canadian Parachute Bn, in Salisbury Camp, I was admitted to hospital on Feb 6, 1944, and while in hospital, I received a letter from Canada, stating my particular set up concerning my wife. I immediately wrote to the Knights of Columbus and asked for advice as it concerned a Colonel, a Captain and other officers, and also because my mother-in-law was connected with the Canadian Legion. They advised me to go to CMHQ, to the Legal Aid Offr. He told me that the investigation would be done in secret. I received a letter from my mother-in-law stating that the investigators had been at her house within a month and the investigation was not made secretly; in my opinion, I felt that it, involving a Colonel and senior officers of the Army, it should have been done secretly. I thought to myself that was why the investigation was carried out so sloppily, and I had that in my mind when I was at No. 1 C.G.R.U. After being in hospital, I came to No. 1 C.G.R.U., and I had no satisfaction there; as to my category, I could not go on any draft overseas, not even as a batman. I went to Manchester and into Crumpsalt Military Hospital, and I rested up there; I had tonsilitis. They gave mea warrant to go back to No. 1 C.G.R.U. and that iswhere I went AWL from as I was in no condition to think of Army Regulations, nor of what the Army did with me at all, Sir. That is all I have to say, Sir.

QUESTIONS BY THE COURT

Q. Have you any children?
A. No, Sir.

Q. What was the result of the investigation of the gossip you heard about your wife?
A. There was nothing done about it, Sir.

Q. Are you satisfied that the gossip that you heard about your wife was untrue?
A. Well, Sir, in my estimation I thought that it was true. I felt that way in my own mind, Sir.

Q. Have you heard from your wife since?
A. Yes, Sir.

Q. Do you write to her?
A. Yes, Sir.

Q. Everything is alright now?
A. No, Sir. I was not accusing anyone of anything.

Q. What was the report from CMHQ?
A. I have not had any. I went down there in Oct 44 while I was AWL and I was then told by SM Leckie, at CMHQ, that there was no report on my case yet.

Q. Have you made any other enquiries as to the report?
A. No, Sir. The only thing I got was a letter from my mother-in-law telling me she had a very unpleasant visit, the investigators had been there the very same day she wrote the letter; they showed her the application and the letter I turned in when asking for an investigation and the letter was shown her as evidence when I had been promised it would be done in secret.

My impression was that it was not a very good way to carry out an investigation which I had wanted done in secret. I don't know if it was intended to be done in such a way so as to cover up the people involved. My category is U-3 on account of breaking my shoulder on a parachute jump.

Q. Who said you could not go on draft?
A. The Reception Officer, whose name I don't know, at No. 1 C.G.R.U. said I could go on draft. I was told I was going on draft and a report came from the SPO saying I could not go on account of my category and I went to the MO, whose name I don't know, at No. 1 CGRU, a week later; he told me that I could not have a reboard and that the hospitals and MOs were busy with men coming back from D-Day. So I never tried anything. I was doing nothing but fatigues that were unnecessary and shining brass and blancoeing and doing things like that. On my return from AWL, I was coming back to No. 1 CGRU. I came through London and I was on my way back to camp and I got a train from Victoria Stn to East Croydon; and I hitch-hiked to Woking; from there I got to Guildford in a civil car. I saw two provosts. I about turned and they finally caught up with me.

Q. Did you ever applied for a reboard?
A. Yes, Sir.

Q. More than on the occasion you mentioned?
A. No, Sir.

PLEA IN MITIGATION OF SENTENCE

In my plea, I wish to bring a few points to the attention of the Court. The first one is the service of the accused; he joined active service in early 40 and came overseas in Oct 41. In 42, the Canadian Army was asking for volunteers for the paratroops which you must admit is one of the most dangerous jobs in the Army. He volunteered for the paratroops in Aug 42. He was considered good enough in this branch of the service to be taken as an instructor and to be sent to Fort Benning, Georgia, USA, to instruct there. He joined the 1st Paratroop Bn and came overseas in order to see action. While on a training scheme, he became injured and received category U-3 as a result. I want to emphasize another point which was also brought out in the accused's statement, with regard to the investigation which was carried out for him. Up to the present date he has still not received any satisfaction from this investigation. The investigation was not carried in secrecy and to my mind it was shamble: the accused feels the same way about it and quite rightly so as it involved senior army people in Canada. I further wish to say that when the accused was picked up by the Provost he was on his way back to No. 1 CGRU to give himself up. At the moment he is still category U-3 but feels certain that he is A-1. My plea to the Court is this, that I wish you to judge this with all leniency and also enable the accused to get a reboard in order that he may get into a theatre of operations as soon as possible as he has a strong desire to go into action.

TO THE MEMBERS OF THE COURT

Sirs-

As defending officer for B 73846 Pte LEE MN I wish to submit the following statement in mitigation of sentence.

The accused joined the Active Service Force on the 10 June 40 and came overseas in Oct 41 with the C.A.C. When the Canadian army asked for volunteers for the paratroops he applied and was accepted in their service in Aug 42. He underwent training in England and returned to Canada as an instructor. He later was employed as an instructor at Fort Benny, Georgia, U.S.A.

He did not wish to remain as an instructor and at the first opportunity joined a battalion and came overseas in order that he might see action. He received an injury on a training scheme in England and received a category U3 and was sent to No 1 CGRU in May 44. He tried to get further medical attention and wanted to go back to hospital as he was not well. After "D" day he tried to get on a draft for France and was willing to go as a batman, driver or in any other capacity but was not allowed to go. He was kept at No 1 CGRU doing all sorts of fatigue duties.

He later went to MANCHESTER and reported sick to a military hospital from which he was discharged 28 Sept 44.

During this time he was having domestic troubles at home. He received letters stating that his wife was unfaithful. He wrote to the Knights of Columbus for help but was referred to the Canadian Legion. Due to the fact that his mother-in-law was a member of the organization he was sent to the Legal Aid Officer, J A G's branch in LONDON as the result of which an investigation was carried out for him. I have read much of his correspondence, and although an investigation of a sort was made, I am sure that it was very badly handled and the accused received very little if any satisfaction from it. He was, and still is, not satisfied with the action taken, and his problem is not yet cleared up properly.

(1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. D5. President to accused : You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused : Do you wish to give evidence yourself as a witness, make a statement, or do neither ? Ans. Give evidence as a witness. Do you intend to call witnesses on your behalf ? Ans. Yes. Are they witnesses as to character only ? Ans. No.

The defending officer states that it is necessary in the interest of the accused that charges 1, 2, 3 & 4, 5 & 6 be tried separately. The request is granted.

Evidence in Trial of Lange.

First Witness for Prosecution:

Sgt. A. Zehaee. Wiltshire Constabulary. sworn, states:

On the night of 19th Aug 43 I was on duty at the New Theatre Ball Room at Aylesbury, at about 1030 P.M. I was on duty outside the Ballroom. I saw a crowd of men come out of the Ballroom. A fight commenced between the accused (L) and a soldier belonging to an English airborne unit. I went across into the crowd and the fight was stopped. I warned the people concerned. I was then approached by a Can soldier and he pointed (L) out to me. I noticed that this soldier did not belong to the Can Airborne unit. At that time another fight broke out. The British Military Police arrived on the scene and the situation became normal. The accused and the soldier who had spoken to me went back into the dancehall. I then saw that the other soldier belonged to a Can Tank unit. I kept my eye on these four lads. The dance went on until 11 o'clock. They then walked out of the hall & went on their way back towards camp. There was enough light outside the dancehall

Lee 2

for me to identify Lee.

Cross Exam:

This was not really a first class fight. I saw blows exchanged. The land from the English unit was about 3 ft two small. There was light from the moon and from the door.

By the Court:

I saw blows being struck as the men came out the door, but I can't say who was striking. There was a crowd of men. Lee was in an aggressive mood when I arrived and was being restrained by his comrades. I can't say that I saw Lee striking blows. As I came across the street I saw blows being struck.

The evidence is read over to the witness.

Second Witness for Prosecution:

B 46808 Cpl. Armstrong A.L. 1st Can. Para Bn. sworn, states:

On the night of 19 Aug 43 at approximately 2100 hours I was at a dance in the Ivan Theatre Ball Room, Canterbury. Lee was there. Lee came in and walked down the side & stood there. An English soldier walked by Lee and Lee stuck out his arm. The soldier stopped. I heard Lee ask him where did he think he was going. The soldier said he was going to have a dance. They talked some

more but I didn't hear the rest. By that time Lee had his hand on the english soldier's shoulder. The english fellow went to step away. Lee held on to him and ripped his shirt. The English fellow hit Lee. Lee kind of half heartedly swung back at him. The English fellow walked away and so did Lee. Lee walked up towards the entrance of the dance hall. There were some other English soldiers there. One soldier was being held. He was trying to get at Lee. He said "You Canadian bastards think you can come over here and run this country, but I'll show you". I was following Lee out, & I told him (Lee) to forget about it. Lee said he won't forget about it & went out & at that time there was quite a few in the little alley there and the fracture was arguing with somebody too. They went inside and I followed them out. Lee had a hold of someone & they appeared to be wrestling. I turned around & walked back into the dance hall. It was after intermission. 2100 hours or a little after. I was about 12 feet from Lee when I saw him wrestling.

Cross Exam: Nil

By the Court: The wrestling was not with the fellow who had his shirt torn. It was not a bright night. I don't think there was a moon. There was a little light coming out of the door.

Lee. 4.

Thos Witness for the Prosecution:

B 132688 Pte Tremblay J. Jr. 1st Can. Para. Bn. sworn, states:

On the night of 19 Aug 43 I was at a dance at New Theatre Ball Room, Amesbury. One of the boys told me something and I went outside. I couldn't see much at first. I saw a crowd of soldiers & I saw two boys, one had hold of me & the other had hold of each other. I walked up to stop them. Lee was one of the participants. I grabbed hold of Lee. The other fellow walked away and the fight stopped. I didn't see Lee strike any blows. Lee had a leg hold on the other fellow.

Cross Exam:

The fight just lasted a few minutes. I didn't see any blows.

The evidence is read over to the witness.

Case for prosecution on first charge is closed.

The President to accused: Statement as per D.S. CFA 96. Can do as you wish.

First Witness for defence on the first charge

C-27083 Pte Miller, K. S. 1st Can Para Bn. sworn states:

Cross Exam: I don't know why he said that.

Witness for ~~Prosecution~~ Defense on the first charge:

D 738 46 Pte Lee, L. H. the accused, sworn, states:

On 19 Aug 43 I was in a dance at New Theatre Ball Room Amesbury. I had been in there for quite a while when I noticed a group of soldiers on the side of the room. They were having a discussion - arguing amongst themselves. I was not far away. An english chap came from the centre of the crowd with his tunic off. I stopped him and asked him what was going on & where he was going. He seemed surprised at me asking him that. I told him to stop him going any further. He took a swing at me & I took a swing at him & that was all there was to that. Not long after I approached the door to go out for air. I heard a remark passed by a chap with an English accent. He said "You Canadian bastards. You think you are going to come over here and run the country. He went outside & I continued on out. He was still boisterous as I went over to him and tried to inquire why he had called me by such a name. He got rather nasty so I grabbed hold of him & shook him. That is all.

L. C.

Cross Examination: I talked to the soldier I stopped in a friendly tone of voice. I did not tear his shirt with intent. There were no blows struck outside the dance hall.

and when the soldier tries to stop it we will beat him up. Lee and Lawther started spanning around & Paisley stood by and shouted. One English soldier came up to them & Lee turned around & hit the English soldier. He knocked him down to the ground & he continued to beat him. The other three men just stood around. I saw there was nothing I could do to stop the fight & I went back to camp by myself. I saw Lee strike the soldier. I could not identify the English soldier.

Cross Exam:

I can't recall if there was a moon or not. It wasn't totally dark. I don't know whether the assaulted man was a Sgt. or not. I was about 20 feet away.

First Witness for Defence on 2nd Charge.
The accused, states:

I was proceeding home to my barracks after the dance on 18 Aug 43. with Pte Parsley, & Lantkin. We got a lift home in an American truck. We got off at a road toward our camp. Ptes. Parsley & Lantkin were walking at the right side of the road & I was on the left. We were not involved in any fight whatsoever from the time we left the truck until we came in contact with an English soldier & an A.T.S. girl

Cross. Exam:

We got off the truck about a mile from camp. I did not see Pte Davidson, the last witness, at all that night. I heard his evidence. Lantkin, Parsley & I were alone after the ATS girl. Pte Tudler came with us.

By the Court:- Davidsons evidence is not true. We did not get into any fracas from the time we left the dance hall, except the one which is the subject of the third charge.

The evidence is read over to the accused.

Second Witness for Defence on 2nd Charge.
K 6268 Pte Tudler, D. W. sworn states:

On the night of 18 Aug 43 I returned from a dance at Canterbury. I came back in the last truck of an American

convoy. I must have been 200 yards behind those in front of me. Between the time I left the truck & the A.T.S. barracks I didn't see or hear any disturbance. If there were a fight it would have had to be a very short one & I would have caught up to it.

Cross Exam:-

I am not sure what truck Lee was in. Lee told me, they came here in the convoy. They were waiting for it. I didn't see Lee get in a truck. There were 6 or 8 trucks in the convoy. They were about 20 yards apart. I stopped only long enough to light a cigarette.

By the Court:

There are several ways to come to the camp. There were people in front of me.

The evidence is read over to the accused.

The defending officer makes no closing address.

FIRST WITNESS FOR PROSECUTION ON 3RD AND 4TH CHARGES.

W 24404 Pte. Stephens R.M., Wilts. Platoon, A.T.S., sworn, states:

"On the night of August 19th, 1943, I was standing outside Sandhurst Block with Sgt. MacIntyre at 1145 p.m. Four more Canadians came down the direction of the C.R.S. One of them pushed Sgt. MacIntyre. He demanded why he was being pushed. Next minute I knew he was on the ground. I ran in and booked in and came out again. Just after that the fight broke up. I got Sgt. MacIntyre going up the road. One came after him followed by the others. They got him down again. Two more Canadian soldiers came down the road. They then let Sgt. MacIntyre up. One of the Canadians looked after me, one looked after Sgt. MacIntyre. The other men proceeded toward Carter Bks. The two that helped us followed. Sgt. MacIntyre came down to Carter Bks and reported to the Orderly Officer. I saw Sgt. MacIntyre get struck. I was ten to twelve feet away from the fight. There was enough light for me to make out that blows were being struck. I am not certain but I think four or five people struck Sgt. MacIntyre."

Cross-Examination.

"I wasn't more than a foot from Sgt. MacIntyre when he was first pushed. His face was badly hit and his knee was hurt. The second fight did not last more than three or four minutes. It might have been three or four minutes. I could see ten feet that night. I think I could recognise a person at ten feet that night. I am not sure whether there were four or five. I was hysterical. I could not remember whether there were four or five. I could not say who the Canadian was that was in the second fight. I could not recognise him. I did not recognise any of them sir."

The evidence is read over to the witness.

SECOND WITNESS FOR THE PROSECUTION ON THE 3RD AND 4TH CHARGES.

F 28353 Pte. MacNeil J.F., 1 Cdn Para Bn., sworn, states:-

"On the night of 19th August 1943 at around midnight I was proceeding from Amesbury back to camp. I was accompanied by Pte. Tolmie. We were coming down by the A.T.S. barracks there. There was a group of Canadian soldiers and a British soldier and A.T.S. girl about the width of the street from us, about twenty-five feet. They seemed to have words together. One of the group broke away from the group of Canadians and went over to the side where the British soldier was and they got into a tussle together. One got knocked down and one was on top. I went over. It was Pte. Lee. I tried to part them . I could not do anything about it so I walked away a piece but they broke up and left then. I went over to where the A.T.S. girl was with my chum on the side of the road. The English soldier came over and we were talking there for a while and he was in pretty bad shape so then we left them and came back to barracks. I recognised Lee and Lanthier. I saw blows being struck but could not tell who was striking who. After the fight was over the English soldier came over to where Pte. Tolmie and the A.T.S. girl were and I saw three stripes on his sleeve.

Cross-Examination.

Until after the fight I did not know the English soldier was a Sgt. You could tell by his accent that he wasn't a Canadian. It could be possib e that the man on top of the British Sgt. was not hitting the British Sgt. I could not make much out of it while the fight was on.

By the Court.

Lee is in the same Bn as I am. We are in the same company but not in the same platoon. I have known him for about six months. I can

(P.T.O.)

12
481

identify the A.T.S. girl. I saw her a few minutes ago going out of this room. As I came along I saw a man and girl whom I now know to have been the A.T.S. girl Stephens and Sgt. MacIntyre. They were walking down the road followed by four Canadians at a distance of about twenty-five feet. There was talk going on between Sgt. MacIntyre and the Canadians. I do not know what the conversation was. A saw a man from the group of Canadians break away from the group and go up to Sgt. MacIntyre. They got into a tussle together. I ran over to them. When I got there Lee was on top of the Sgt. The Sgt. was on the ground. There were no blows being struck at that time. I grabbed hold of Lee by the back, I shook him and told him to get up and leave him alone. I could not get him off. I went over to the A.T.S. girl where my chum was and Lee and Sgt. MacIntyre seemed to part then. The Sgt. Came over to where we were and we talked for a few minutes and proceeded to camp. Lee and the others went down the road toward the camp."

The evidence is read over to the witness. He makes the following correction:-

"Where the evidence says Sgt. MacIntyre and the A.T.S. girl were walking down the road they were standing still at the time."

THIRD WITNESS FOR THE PROSECUTION ON THE 3RD AND 4TH CHARGES

B 76766 Pte. Tolmie J.B., 1 Cdn Para Bn, sworn, states:-

"On 19th August 1943 bwtween the hours of 2330 and 2339 I was proceeding home from Amesbury to Carter Bks accompanied by Pte. MacNeil. As we drew opposite the A.T.S. barracks in Bulford Camp I came across two groups. One was a group of four soldiers and one was a group of a soldier and a girl. As I was directly opposite the group of four soldiers one of them broke away and ran back toward the soldier and the girl. At the same time the girl broke away from the soldier she was with and started to run down the road toward from whence the soldier had come. At the same time the girl broke away from the soldier she started to run down the road from whence the four soldiers came. She started to cry so I went on the road to meet her. I walked over the side of the road to her. At the same time the remaining soldier of the group of four proceeded to follow the first man. I turned around and there was a group of soldiers who were apparently fighting on the ground. This apparent fight broke up in a very few seconds. The four soldiers walked down toward our barracks. The remaining soldier which was in the centre of the road got the A.T.S. girl and left. Pte. MacNeil and I also left. That's all sir."

"I could not recognise any of the assailants. I wasn't any closer than fifteen feet to the person who was assaulted. After the fight I was within five feet of him and I did not see any stripes on his arm."

Cross-Examination

"From what I could see I could not definitely state there was a real fight. It lasted only a very few seconds. I was fifteen feet away and I could not recognise anybody. The moon was overclouded and we were on a street with fairly tall buildings on both sides. At no time during the fight did I know that the British soldier was a Sgt."

The evidence is read over to the witness.

The Prosecuting Officer informs the Court that Sgt. W MacIntyre, a witness whose evidence is contained in the Summary of Evidence, is not at the moment available as a witness, that he is informed and believes that Sgt. MacIntyre is in a hospital at Shaftesbury, about thirty-five miles from the Court, that he has been recently operated on for hernia and will not be available as witness for ten days. The Prosecuting Officer states that he requires the attendance of Sgt. MacIntyre to prove that he actually is a Sgt.

The Defending Officer states that in order to facilitate proceedings

he will admit that the person who is described in the evidence of Pte. Stephens as Sgt. MacIntyre is No. 13004391 Sgt. MacIntyre W. of the 244 Coy. Pioneer Corps.

The Court considers and decides to accept the admission and so announces.

The case for the prosecution on the 3rd and 4th charges is closed.

President to accused:-

"You will now proceed with your defence. You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination. You may, however, make a statement without being sworn, and you will not be subject to cross-examination. But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony. You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither."

President to accused:-

"Do you wish to give evidence yourself as a witness, make a statement, or do neither?"

Answer:-

"Give evidence as a witness."

President to accused:-

"Do you intend to call witnesses on your behalf?"

Answer:-

"Yes."

President to accused:-

"Are they witnesses as to character only?"

Answer:-

"No."

FIRST WITNESS FOR THE DEFENCE ON THE 3RD AND 4TH CHARGES

The accused, B 73846 Pte. Lee M.N. having been previous sworn states:-

"On 19th August 1943 at about 1130 p.m. I was walking down the road on the left hand side while Paisley and Lanthier were walking on the right hand side. We were walking in the direction from Amesbury to Carter Bks,when suddenly I heard some voices and I saw some shadows, the shadows of a couple of soldiers on the right hand side of the road, of which I presumed one of them was Lanthier, and I waited for a while for Lanthier to continue on down the road and they were still conversing together. The conversation of which I could not hear. I then decided to walk over and find out what the trouble was. I had just reached them when I was attacked from behind by someone I could not recognise or did not see, and he pulled me to the ground, at the same time trying to kick me. While we were on the ground he still continued to try to kick me. We were in a position facing each other, half lying and sitting on the ground. He was trying to kick me and I grabbed his feet and put a lock on him during which the toe cap of his shoe broke. I was pulled off by a couple of soldiers whom I recognised later as Lanthier and Paisley and as we were walking down the road the person whom I had the encounter with made the remark of getting me tomorrow. I then broke away and I grabbed him by the sleeves, and then I am not just sure of whether he fell or

lost his balance but he went down on the ground. I was pulled away again and we proceeded down the road towards camp. I then noticed Pte. Miller in our company and we checked into the Guard Room together. That's all sir."

Cross-Examination.

I think it is very funny if the A.T.S. girl says she was standing a foot from the person I am alleged to have assaulted and he was pushed by me. I do not know of any reason why Pte. Stephens should try to implicate me. I did not know the girl. I did not see her at all that evening."

The evidence is read over to the witness.

SECOND WITNESS FOR THE DEFENCE ON THE 3RD AND 4TH CHARGES.

K 62682 Pte. Miller V.W., having been previously sworn, states:-

"On the night of 19th August 1943 I returned from a dance in Amesbury in an American convoy of six or eight trucks. I saw the accused and Pte. Lanthier and Pte. Paisley waiting for the convoy. I believe they came back in the same convoy as I did. I got out of the truck and started up the road toward Carter Bks. About approximately across the street from the A.T.S. barracks there was a bunch of people coming out of a building there. Pte. Lanthier and a soldier were having an argument about Lanthier having been bumped. Lanthier and the soldier got to pushing one another around and I saw another soldier come from across the street and jump on Lee from behind. Both of them fell down on the street. They were each twisting the other fellow's legs. Lanthier and Paisley came up and picked Lee up and took him down the road aways. The Sgt. hollered something at Lee, I don't know exactly but it was something about get you tomorrow, and Lee broke away and Lanthier and Paisley came back and took him away. They took him home that time. I was about thirty feet away but I could see someone jump on Lee. When Paisley and Lanthier took Lee away I went up with them. I didn't see the A.T.S. girl only after they had taken Lee away at first. I didn't see any stripes on the man who jumped on Lee."

Cross-Examination.

"When we went back to take Lee away we went right back to him."

The evidence is read over to the witness.

Closing address for the defence on the 3rd and 4th charges.

The Defending Officer calls attention to note 3, A.A. 8(2) and points out the necessity for the prosecution to show in this case that the accused knew the person with respect to whom the offence is alleged to have committed to be a superior officer, which has not been done in this case. The evidence of Pte. Stephens should not be relied on. It was given in parrot-like fashion and there are discrepancies between her evidence now and in the summary.

Closing address by the Prosecutor on the 3rd and 4th charges.

The Prosecuting Officer reviews the evidence and contends that as McNeil saw the stripes on Sgt. MacIntyre's sleeve they must have been seen by the accused, particularly in the second instance.

The Court is closed to consider finding.

The findings of the Court are recorded in Part I of the Schedule.

The Court is re-opened.

The President announces the finding of Not Guilty on the 3rd charge and states to the accused that the finding of the Court on the 4th charge being subject to confirmation will be promulgated later.

(P.T.O.)

FIRST WITNESS FOR THE PROSECUTION ON THE 5TH AND 6TH CHARGES.

13017616 Sgt. Wallace H., 506 Coy. Pioneer Corps, sworn, states:-

"At approximately 2325 hours on the night of 19th August 1943 I was proceeding down the main road towards Ward Bks to Sandhurst Block when I was suddenly set upon by four men. I recognised the men's epaulettes as Airborne Canada. I never spoke to the men, they just set about me. I recognised the accused before the Court as being one of the men. I have stated at the first Summary of Evidence taken in this case that I could not identify the men. At that time I was in a dazed condition but when I came to this unit and saw the men suddenly it flashed back on me and I recognised them. At the time I made the statement on the first Summary I had not had an opportunity of identifying the men but I have now had that opportunity."

Cross-Examination

"The first I saw of the three men, one of whom is the accused, was when I was taken by the Adjutant of the unit into a room where they were and I recognised them then. I did not have an opportunity of picking them out on an identification parade of the unit. I was attacked by four men, but how many hit me I can't say. The fourth man if my memory serves me correctly was a witness in this case tonight. I do not know his name."

By the Court.

"The place where I was set upon on the night of 19th August 1943 was not on the road between Amesbury and Carter Camp. It is on the same road as the A.T.S. barracks. The four men were coming in an opposite direction to that to which I was going. We met. I received a blow on the right eye and knocked to the ground and also a blow over the heart. I fell to the ground. I was hit several times while I was on the ground. The men were not making any noise as they came along to me and I was not on my guard at all. I was alone. I was not knocked unconscious. The men left me, I do not know in which direction they went. I went home to my billets and went to bed and reported to the R.S.M. of the R.A.S.C. where I am working,in the morning. I did not fight back at all. I was out and useless to put up a show against that number of men. I did not hear any talk while they were beating me. It was approximately ten minutes from the time they first hit me until they left. They were beating me all the time. Perhaps my estimate of the time I was being beaten was too long as when you are being beaten it seems a hell of a time. It wasn't a clear moon-light night but I could discern the figures. It was as dark that night as it is tonight. It had been out in the dark about twenty minutes."

The evidence is read over to the witness.

The case for the prosecution on the 5th and 6th charges is closed.

President to the accused:-

"You will now proceed with your defence. You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination. You may, however, make a statement without being sworn, and you will not be subject to cross-examination. But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony. You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither."

President to the accused:-

"Do you wish to give evidence yourself as a witness, make a statement, or do neither?"

Answer:-
"Give evidence as a witness." (P.T.O.)

President to accused:-

"Do you intend to call witnesses on your behalf?"

Answer:-

"No."

FIRST WITNESS FOR THE DEFENCE ON THE 5TH AND 6TH CHARGES.

The accused having been previously sworn, states:-

"About 1130 p.m. 19th August 1943 I got off an American truck on the main road from Amesbury to Carter Bks. I was with Paisley and Lanthier and we proceeded down the first road past the Garrison Theatre towards camp. We kept on going down the road toward Carter Bks. and did not have any encounters or fracases except the little fracas with Sgt. MacIntyre and we did not change our direction en route to Carter Bks. That's all sir."

"I had never seen Sgt. Wallace previous to being paraded before him for identification a few days after the 19th. I did not change direction or get into any fracas after the encounter with Sgt. MacIntyre. I was drinking the night of 19th August. I was not drinking whiskey. I had some beers, I can't say how many but not enough to make me drunk. I had between five and seven pints of beer, somewhere around there."

By the Court.

"I could not say that feeling good at 1130 on the evening of the 19th August."

The evidence is read over to the witness.

The case for the defence is closed.

Closing address for the Prosecution:-

The Prosecutor reviews the evidence and submits that the evidence of Sgt. Wallace should be believed.

Closing address for the defence:-

The defending officer submits it would be impossible for a man on a night as dark as this to be hit on the eye and knocked down and to identify his assailants.

The Court is closed to consider the finding.

Address on mitigation of punishment:-

Attention is directed to Field Conduct Sheet and Statement of Character and Services which speak for themselves, also to the fact that the accused has been in custody eighty-eight days awaiting trial. During that time has performed fatigues seven days a week for eight to ten hours a day and that this should be sufficient punishment for the offences.

The Court is closed to consider sentence.

First Witness - Police Sergt. Zebedee. A. , Wiltshire Constabulary, having been duly sworn, states -

On the night of Thursday,19th August,1943, at 1030P.M., I was on duty outside the New Theatre Ballroom, Amesbury, where a dance was in progress. At that time, about 20 soldiers and airmen came out of the ballroom making a lot of noise and two of them started to fight. I got between them and saw that one of them was a Canadian Parachutist and the other was a member of the Airborne Div.,probably Royal Ulster Rifles, But I did not see his cap badge. They were both very aggressive and other troops were joining in. I told the two first mention that if they started to fight again, I should stop them in a way they might not appreciate. A Canadian soldier then approached me and said, "that is "Maxie,my brother. He won't fight. He is always like that but he doesn't mean any harm". During this time there was another fracas outside the Fairlawn Cafe but the Military Police came on the scene and this was stopped. The Canadian soldiers then went back into the dance hall and I saw the one referred to as "Maxie" with the one who claimed to be his brother standing in the centre of the floor together with two other Canadian Parachutists. I watched them as though they might be hatching some more trouble and I then noticed that the soldier who claimed to be "Maxies" brother wore the green and black flash of the Canadian Tank Regt. with a maroon square and a red line beneath. He also had a black beret under his shoulder strap. I could not make out these colors outside because it was too dark but I could see that they were different from those worn by the Canadian Parachutists. These four men left the dance hall together at about 11P.M. and walked towards Amesbury Station.

On the night of the 19th of August, 1943., I was in the New Theatre Ballroom at Amesbury. Sometime after 2100 hrs I saw Pte. LEE about 10 feet away on the right hand side of the dance floor, An English soldier went to pass him and LEE struck out his arm and appeared to be asking him where he was going. This was followed by conversation which was not altogether a friendly one, LEE had his hand on his arm and when the Englishman went to step away, his shirt was ripped. The Englishman ~~xxxx~~ hit LEE and LEE hit him back. LEE then walked to the entrance of the hall where some other Englishman then made a particularily nasty remark. I warned LEE to pay no attention but he objected to being called by such a name and went out side in the company of LANTHIER Also, alarge number of others went out at the same time. I stepped out and saw Pte. LEE who had a hold of some person and appeared to be wrestling with him. I then turned and went back into the dance hall.

Question - How far were you from the fight?

Answer - About 12 feet.
