At 0740 hrs, 22 Nov 44, I mustered the draft. I called the roll and the accused failed to answer his name and was absent. I searched for the accused and found him in his room. Plea in mitigation

PLEA IN MITIGATION

IN THE CASE OF

H.70179 Cpl LEBANSKY, A. --- 4 (Gen Rft) Wing, 1 Cdn Repat Depot

Gentlemen:

As regards the service of Cpl Lebansky there is only one charge of absence without leave in a period of over six years service and this last offence after some time after hostilities have ceased. Now the reasons behind this absence go back some number of years before his enlistment. He was married approximately ten years ago when was was very young, approximately 22 at the time. After a couple of years the marriage started to go wrong. He enlisted and served in Canada and the Aleutians and came overseas in Jun 44. His married life during his service was not satisfactory. On his embarkation leave before coming overseas his wife said "hello" and "good-by" to him on his arrival and departure, no other conversation passing during this time. Now that is the strain that was on this man's mind all the time during his service. On coming over to England he received information from home that his wife's conduct had deteriorated further. He attempted to stop her allowances and had an investigation made by the social services and where they told him she was going out to dances and parties with various people nothing definite could be proved which would permit the allowances to be stopped. No doubt had Cpl Lebansky been a rich man he could have employed counsel and detectives and could easily obtain the evidence but on a Cpl's pay naturally it was impossible. He wrote to his wife asking for a divorce, her reply was "as long as I can draw army allowances and money from you I will not divorce you." She is willing to receive everything and give nothing. Sometime after he was over here he met another person and after some period he disclosed his true standing and after proving it to this girls satisfaction she accepted his attentions but only after proof. This girl gave Cpl Lebansky contentment and happiness he has never known before. He explained the situation to his family who have accepted to be responsible for this girl from the time of her arrival in Canada until he is in apposition to set up a home for her himself. With the allotment b ing compulsory and not being able to stop it he was in no position to save money enough to pay her passage to Canada himself. He went on leave and the only thing in his mind was how to obtain this money while on leave. He accepted employment which would enable him to do this and his idea was to acquire this amount of money, set it aside, then go home and get his life straightened out by leaving the girl in England with enough money to go to Canada as soon as possible. I ask the Court in considering the sentence to take into consideration his length of service without crime, the mental strain that he has been serving under this past six years and the fact that if he is allowed to go back to Canada in the near future he can straighten out his life and settle down as a useful citizen and finally the fact that for 33 days he has been under close arrest awaiting trial. Thank you.

Closing statement of Defence:

Gentlemen,

This case the prosecution and witnesses for the prosecution have placed a great deal of stress on the morning of 13 Jan 41, but the charge has no direct bearing on the morning. The charge is that he was A.W.L. from 1345 hours in the afternoon. The accused, supported by two other witnesses has stated that two days previous to the day mentioned in the charge he had been told by Sjt. McEwen that he would be off on the day mentioned in the charge. The Sjt. himself does not deny making that statement. There is the accused's evidence. The Serjeant states he did not recall or at least rescind the permission to have that afternoon off. The R.S.M. did not know if it was the afternoon off. The R.S.M. said that he told the accused to report to Sjt. McEwen. When he said Sjt. McEwen he meant the kitchen of the Officers' Mess as he did not know that Sjt. McEwen was not in the kitchen at the time. The accused did report to the kitchen and did what work was to be done and then took the afternoon off as he had been told to do.

Now one very important point in this case is the attitude of the accused as if he had taken the punishment of the C.O. he would probably have received only 7 days' C.B. but he elected trial by Court Martial and faced a more severe penalty, was placed under close arrest and has been in custody for 17 days because he felt that he was not guilty of this charge and he did not want C.B. or Field Punishment and for that he cannot be blamed. He did his work and then went away. He was given that afternoon off and no one rescinded that order. He has brought in evidence that he was given that afternoon off. Pte. White pointed out the fact that the only time a man lost his afternoon off was on mess dinner nights. I think the accused has acted in good faith.

Closing remarks of prosecution:

I think that the prosecution has shown that the R.S.M. ordered the accused to report for duty in the afternoon of 13 Jan 41. I think that the prosecution has shown the evidence of Sjt. McEwen; that the accused did not report in the afternoon and from the evidence of Bdr. Hinds it was shown at what time the accused reported back. Those facts have been shown and I have nothing further to say.

CANADIAN JUNIOR WAR STAFF COURSE

PART I ORDERS

By Lieut.-Colonel G.G. Simonds, R.C.A.
Commandant

Part I Order No. 4 — 2 January 41.

1. DISCIPLINE

The number of cases of A.W.L. shows a disregard of discipline and the attention of all ranks is directed to the fact that this offense will not be dealt with leniently in the future.

2. CAMOUFLAGE

Tracks made by M.T. Vehicles are becoming very extensive through the soft ground being badly cut up. These tracks are most noticeable from the air and reveal the military occupation of a locality.

Planning, so that the existing system of peace time roads and lanes is used as much as possible, and if necessary, extended by cinder tracks able to carry heavy lorries, and laid out to the same pattern would help to reduce them.

When siting new buildings and positions, the Corps Camouflage Officer will be consulted for advice.

3. DAMAGE TO REQUISITIONED BUILDINGS AND CHATTELS

Attention is directed to the provisions of 45(b) of Eastern Command Quartering Instructions 1940 (as amended by Amendment No. 3 dated 28 Jul 40.)

This sub-para states that Barrack Damages caused by neglect or wilfulness will be recovered from individuals concerned, and that O's.C. units will ensure that regular inspections of property are carried out in accordance with para 1309 K.R's 1935 (1339 K.R's 1940 - 892 K.R's (Can)), and that any damages brought to light are assessed by Barracks Officers and/or Engineers at the earliest opportunity.

Failure to carry out these monthly inspections frequently results in the public being called upon to meet extensive damage claims and constitutes a serious dereliction of duty on the part of Officers Commanding.

All units should be in possession of Eastern Command Quartering Instructions 1940 as amended from time to time in Eastern Command Orders.

Consolidated demands will be forwarded through the usual channels for sufficient copies of these instructions to meet any deficiencies.

4. MEN'S MESS HOURS

Breakfast	-	0730 hrs - 0800 hrs.

(1. RP 35 fn 3. 2. MML p 54 para 47.)

(1. If there is no Summary, or if it is inadequate, comply with RP 37(B). D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused: Do you wish to give evidence yourself as a witness, make a statement, or do neither? Ans. yes as a witness. Do you intend to call witnesses on your behalf? Ans. yes. Are they witnesses as to character only? Ans. no.

1st witness for prosecution.

K 37181 Sjt Barton, W. W., having been duly sworn states:

I am K 37181 Sjt Barton, W. W., 7 Bn 2 C B R D, R. C. O. in charge of Regimental Police.

(Belt was produced as exhibit "F")

I recognize this belt (exhibit "F"). I saw it before on Pte Leblanc on 16 May at approximately 1730 hours. I recognize Pte Leblanc in the courtroom. I told him to take the belt off as he was improperly dressed. He hesitated and I repeated the order four or five times. He then took it off and wanted to put it on under his dress shirt. I did not allow him to do that but told him to take it to the barracks if he wanted to keep it as a souvenir but not to wear it. He started walking away and said "I've seen shits like you before" or words to that effect. I then put him under open arrest.

2nd witness for Prosecution

B85202 C.Q.M.S. Steadman, L., R.C.A.S.C. 7 Cdn Base Reinforcement Bn, 2 C.B.R.D., having been duly sworn states:

I recognize this belt (exhibit "F") I saw a belt similar to that worn by the accused about 1730 or 1745 hours, I believe it was on the 16th. I was standing on the balcony talking to Sjt. Barton and noticed the belt on the accused but I didn't recognize what it was. Sjt Barton accosted the man and asked him to remove the belt. after several requests the order was complied with and the accused went to put the same belt under his bush shirt. Sjt Barton informed him that he couldn't wear it and that it would have to be left with his kit. The accused said "I have seen shits like you before" and walked away around the corner of the building. Sjt Barton said "I am speaking to you" I cannot tell what transpired then as they were around the corner of the building. As the accused and Sjt Barton came back around the corner I heard Sjt Barton place the accused under arrest and demand the belt. This request was repeated several times and was not complied with until after Sjt.

Barton handed me the accused's Pay Part II Book and said "Now are you going to give me the belt." The belt was handed to Sjt Barton.

I think I have seen the accused around the barracks before; I don't know him personally. The distance from where I was standing to the corner around which Sjt Barton and the accused had moved would be about 30 feet.

On Cross examination

accused asked if he could, but at the same time began, to put the belt on below his bush shirt. Leblanc complied with the order to remove the belt.

Leblanc turned away and said "I have seen shits like you" at the same time.

No reexamination

R.P. 836 complied with.

Accused elects to give evidence

The accused, having been duly sworn states:

as I was walking out of Cliffside Barracks I passed Sjt. Barton and C.G.M.P. Stadnyk

talking on the verandah to one another. I went on down the steps and out about 30 feet from them when Sgt Barton hollered at me and asked what kind of a belt I was wearing. I hollered back and told him that it was a German belt and he told me to take it off as he was walking towards me. By the time the Sgt got to me I had taken off the belt and was holding it in my hand. I asked him if I could wear it under my bush shirt. He said "No. Take it up to your quarters". I turned around and started walking away. As I did so, I said "shit". I walked approximately 10 paces when I was grabbed by the shoulder and swung around roughly. Sgt Barton asked me for my Pay Book which I gave to him. When Sgt Barton asked for the belt I said I would take it to the Orderly Room. As we went up the steps he asked for it and grabbed it. I did not give it to him. Then we went into the Orderly Room and he placed me under open arrest.

No cross examination

On court questioning:

I said more than the word "shit" but I don't think they were heard.

I was approximately 30 ft from C.S.M. Stedman when I said it. RE R.S.O. complies with this

2nd witness for the Defense

B 32301 Sigmn Garrison S. G. having been duly sworn states:

I am B 32301 Sigmn Garrison S.G. I know the accused whom I now recognize. When I and Leblanc were going out the front door the M.P. Sgt. and the C.Q.M.S. were sitting on the railing. As we were going down the steps the M.P. Sgt. said to Leblanc "What Kind of a belt do you wear?" Leblanc turned around and said "a German belt". The Sgt said to Leblanc "Take it off. Has it got a Swastika on it?" Leblanc said "yes" and unhooked it and dropped it. Leblanc said "I'll wear it underneath" and lifted up his coat. The Sgt said "No". As Leblanc swung around about half way he said "Aw shit". About half way between me and the washstand the M.P. Sgt, who was right behind Leblanc, grabbed Leblanc by the shoulder and swung him around and took his Pay Book. The Sgt asked for the belt, handed the Pay Book to the C.Q.M.S. and grabbed the belt from Leblanc's hand.

I was right beside the Sgt and Leblanc when Leblanc said "Aw shit". We were all together. That is all I heard Leblanc say. C.Q.M.S. Steadman was about 7 feet away.

R.P. 83(6) complied with

Closing address of Defence Officer

I wish to draw attention to Sec 8 para 5 which stresses that ~~in~~ to border the words must be used with insubordinate intent. This is further enlarged upon in Chapter 5 Para 71.

I wish to draw attention to the following points:

The accused was on his way out. He was halted by the Sgt told to remove his belt, requested permission to wear it beneath his shirt, ordered to remove it to Barracks. All this annoyed the accused though he complied with the demands for he turned away and walked toward the Barackroom. As he turned he used an expression, but I submit to the court that it had not a deliberate intent of insubordination, but were an expression of annoyance and irritability as he turned away to comply with the orders.

The accused is French and has picked up his English in the Barackroom where the word "shit" is commonly used and not as insubordinate language.

Character Witness.

B34599 L/Sgt Brook J.A. having been duly sworn states:

Signmn LeBlanc was in my section in England for between 6 and 8 months during this time he lived in a room of which I was room Corporal. During this time I never had to put on orders for any breaches of discipline. That period of time was during the fall of 1942 and the spring of 1943.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)[1], and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.[2]
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).[1] If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty[2], or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined[3], we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.[4]

President to accused : Do you wish to make a statement ? Ans .....[5]

(*1. Court may be closed to consider the statement. Delete words or part not used.*)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.[1]
(*1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex ....., initialled and read aloud by the President.[1]
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).*)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

RECORD FORM C—PROCEEDINGS ON MIXED PLEAS OF GUILTY AND NOT GUILTY.

C1. As to the charges on which accused pleaded NOT GUILTY the trial is continued by using paras D1 to D8 inclusive of Record Form D on p 3 before proceeding with C 2.[1]

C3. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

PRESIDENT OR JA WILL INITIAL ALL DELETIONS AND ALTERATIONS.

RECORD FORM D—PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

D1. President to accused : Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity to prepare your defence ? Ans No [1]
(*1. If "yes", see RP 39(A) for procedure. Statement or evidence, if any, is recorded per Notes.*)

NB : If trial proceeds, accused must be allowed great latitude in making his defence, and the Court should not stop his defence solely on ground of irrelevance. (*RP 60(C), 114, 115.*)

D5. President to accused : You will now proceed with your defence.[1] You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.[2] You may, however, make a statement without being sworn, and you will not be subject to cross-examination.[3] But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.[4] You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused : Do you wish to give evidence yourself as a witness, make a statement, or do neither ? Ans give evidence on oath : Do you intend to call witnesses on your behalf ? Ans Yes Are they witnesses as to character only ? Ans No

Gentlemen, the case before you today is a very serious one. One that up to only a few months ago was punishable by death "or such less punishment as in the act mentioned. The eyes of many will be on this trial, because, from the finding of the court they will determine their future action when ordered to go forward. The facts the prosecution will prove are as follows ① Leblanc was warned for draft ② He acknowledged the warning for draft & was, in accordance with procedure as laid down by CMP&O warned that ~~~~ absence from the draft would constitute desertion ③ He was absent from the draft when it departed. That, gentlemen, would constitute a

A.R.J.

prima facie case.— the intention being in the fact that he knew that absence from the draft would classify him as a deserter in the eyes of Military Law.

1871 ~~Summing up~~ ~~Closing address~~ for defence in the case of Pte Leblanc N.L.

Upon the evidence given before this court, while it is apparent that the accused missed his draft after being warned, it has not been proven that he did it intentionally. He is a man who is in the habit of getting drunk always after pay day. He had had a drunk for several months, having been in hospital.

On was his habit as soon as he got paid he proceeded to buy liquor and get drunk.

He was within the bounds of his barracks the greater part of the time he was marked A.W.L.

He gave himself up within a few minutes after the departure of the draft, showing again that he had no desire to miss it, but having passed out under the influence of liquor just did not come to in time.

His remarks to the cook in the kitchen showed no signs of his intention to desert he was on a matter of fact anxious to ~~be~~ sober up so that he would not miss it.

His action did not show that he had any intention of missing the draft.

The charge should be for drunkenness and A.W.L. but there has been no proof of desertion.

Q. ~~I understand~~

Q. From the time you were in the cook house until you gave ~~yourself~~ up do you recall what you were doing.

Q. You have no recollection of what happened from 0330 hrs until 0800 hrs.

A. Just ~~that~~ that I was in the kitchen and in the guard house. I woke up in the billet opposite the guard house.

Summing up for the prosecution in R.J. the case of Pte LeBlanc, W.C.:

Gentlemen the case for the prosecution has been put forward. The defence has tried to bring forward the fact that the accused was in the bldg & that under the influence of liquor he was forced to miss the draft. How easy! It surely must make the court wonder who threw the accused to the ground & forced the wine down his throat. It couldn't be thought-or could it- that the accused worked up enough courage to evade the draft after partaking of sufficient liquor. How easy to hide himself away until the last tailboard disappeared & then come forward to give himself up. How did the accused know he had

against the draft address. He could be did not remember the time he gave himself up when he [illegible] he said [illegible] Has very. Gentlemen how easy that could go on indefinitely. The accused has been up the line with an RCASC unit. It would appear that he has had enough. Gentlemen I would like to read two paragraphs from MML, with your permission. (Para 203 of CH. III p. 178 20 are read to the court)

So the case certainly not clear. I submit that the prosecution has proved intention. How could a crime be committed more deliberately. He wanted draft gentlemen. There has the intention. The defences evidence

has only brought forth points which should be taken into consideration of the sentence on the conviction of desertion. All evidence points to desertion. A desertion of the clearest type, If this man were allowed to go free on this charge. Surely a warning issued in accordance with law should be upheld.

Gentlemen the decision of maintaining discipline lies with you - the prosecution rests.

PLEA IN MITIGATION

I the Accused, F 77889 Private William Charles LeBlanc, Royal Canadian Army Service Corps, A Soldier of the Canadian Army Overseas

17 March, 1944.

Sir,-

I would not for the world, have my Father, my kid Brother, nor my Sweetheart who are back home in "Canada," have each one of them know that I whom they sang, and pray, for have disappoint, and shame them in knowing that I have fail them in doing my duty; and also my Country, and my God."

I believe in the things which our Boys, have died, and fought for. Because, all that is

beautiful, and grand, in the best Country in the world, is worth fighting for.

I have not been a perfect Soldier, Still I am not a bad one, I have made mistakes in my four years of Army life and only one person to blame myself.

I have been like any other Soldier, in the Army. I've been fed up, cuss the Army, from top to Bottom, took three or four Trench leave, had my drink and woman too, I have been in the clink or Guard House, yes, I have walk. and pace the floor, and swore and cuss the Army down

yet, how strange when in my heart, I knew I was only kidding myself. for no matter, how tough and hard, Army life may be, no matter the Hell, one has to go through, deep down in his heart, he still knows he is still a Canadian, and he knows too that he has a job to do, for his Country, his God, and the Mother who Bore him;

I am proud and glad to belong to the Canadian Army and though, I have not yet had my Baptism of fire at the front I am ready and waiting when any time my service will be required. Four ~~Six~~ Months ago. I had the misfortune to be sent to a

Canadian General Hospital, I care
not to say, in writing why I was
there I was discharged from
Hospital on the 23rd Feb. 1944.
after being away from my Unit
I was anxious to get back to it
But I did not get
back; Instead, here I am awaiting
Court Marshal for deserting my
draft, I know Sir, its hard
for you to believe my story, Still
all I asked, is let your mind
decide, if you really think, the

which was pay day, for the draft I had a few drinks, you may ask to your self why.? Sir, - Cause Since. Sine been in the Army I never can't remember, when I ever let a pay day, go by with out Buying a few Drinks But, I sure wish I had never took a drink in my life, for it has got me in plenty of troubles, before I join the Army and up to now, Yes pay day

I got tight, went down to the road, and got my self two bottle of Vino, why! To get drunk and miss my draft, I'll shall tell you Sir, why I got some Wine last Day day, because, It was four Month since leaving the Hospital, I had not had a drunk and, a man who is used to drunking for a long time, and then not having a drink for a while, if he can stop drunking for good then, I'd say. he sure had a great will power, But does a man need a will power to kill anther man at the front

Sir, the Wine in this Country is not fit to drink. that is to say, cheap

Wine, this rotten Cheap Vino when you have drank a few drinks of this Wine, you are not a man for a few hours. But just a Big Stupid fool, and your crazy as hell, it is worse than dope, And I never took any dope in my life But this Wine is surely is dope,

And yes day, just because I came out of Hospital, and I felt like having a few drinks, I drank, and drank most of the night, why, to miss my draft in the Morning No. 58, to satisfied the craving, and thirst which my Body desired, if I had wanted to miss my draft

Why did I come back to my Billiet, when I left town after nine oclock, I talked to the guards. and men in the rooms, till three or four oclock in the Moring, Then the wine I had got from town, just knock, me out of my mind

What happen to me later on. I just can't remember only in the moring, Some Wop kid was hitting me on the legs. with a stick, and this same Wop kid, took me back to camp., So now, my fate lies in your hands Sir, all I want you to know is that I did not come to Italy to look money and spend my time in the [clink] nor did I come

here in Italy, to shame my Mom. kid Brother, my girl, and my Unit, all I ask is to get back with the Boys. for I am a Canadian,

Thanking you Kindley

On 1/11/42 Corporal Hand put me in charge of the two prisoners Ptes La Blanc and Pte. Hayes. It was 1800 hours. At 1830 hours I went down to the guard room with Corporal Hand and the two prisoners. Cpl. Hand placed me in the guard room with both prisoners. He closed and locked the doors on the inside and out. He then went around to lock the door of the partition. I was left in the guard room. He gave me instructions to remain in the guard room and not to unlock the doors of the prisoners at 1830 hours the prisoners began to make noise. I asked them who was there and nobody answered. I then opened the door and the rear door was wide open and the prisoners Ptes Hayes and La Blanc were gone. I went around the guard house and I closed the rear door by the outside because I had another prisoner in there. I went back into the guard house and closed the other door. I then took the guard truck to report to Sgt. Terry. I told Sgt. Terry that two prisoners had escaped. Sgt. Terry came back to guard room with me. Sgt. On my way to the Canteen I met Sgt. Weston and he asked me if I knew that the prisoners had escaped and I said "Yes" I said that Pte. Malcuria told me. He told me to go into "B" section orderly Room. He took his ammunition and loaded his pistol - then he told me to go with him.

No. D 123369 Sgt. Weston G. W. No. 85 Com. Bridge Coy. R.C.A.S.C., being sworn states:

On night of Nov 1/1942 I was acting Company orderly Sergeant. The orderly Corporal reported to me at about 1900 hours that two of the prisoners had escaped from the guard room. In company with the orderly Corporal I proceeded on foot towards the guard room, we met Sgt. Terry the present Sgt. just before we got there and we decided to go to the canteen to see if the prisoners had made for there. While walking along the road towards the canteen we noticed the duty station wagon parked on the side of the road. The orderly Corporal asked permission of the driver to use the vehicle to drive to the canteen. Just as we reached the canteen we noticed at a 15 cwt. lorry driving along in front of us with no lights showing. We decided to warn the driver of 15 cwt. to put his lights on & we pulled along side in the station wagon. Sgt. Terry yelled "Stop" having recognized the prisoner as being in the truck & we both got out of the station wagon & ran around in front of the 15 cwt. The 15 cwt. stopped when Sgt. Terry ordered it to do so and Pte. Hayes was standing about 10 ft away from 15 cwt. by side of road. The door of the 15 cwt was opened. Pte. La Blanc was in the drivers seat. Sgt. Terry ran over to Hayes tried to apprehend him - Hayes broke away and Sgt. Terry asked for my pistol - Sgt.

(4th Witness) (cont.)

Terry did not have one. So I took it out of the Sgt. Shelter and took a couple of paces to give it to him & when I stepped away from the 15 cwt. it drove off in the direction of the South Gate. Boys had gotten away from Sgt. Terry in the darkness & both Sgt Terry & myself got back into the station wagon & started after the 15 cwt and tried to overtake it. We come upon the 15 cwt parked on the side of the road about 100 ft. North of the South gate. All the lights were on but there was no one around the truck. We looked and hunted nearby with our flashlights. So I got into the 15 cwt & drove it down to "B" Pl. lines.

Question: Can you definitely state that you could recognize Pte. La Blanc as the driver?

Answer: Yes, Sir.

Question: How can you be so sure it was Pte. La Blanc.

Answer: When we stopped the station wagon its lights were on and it was stopped a little but behind the 15 cwt. I had my flashlight it was on & I used it. There was enough light so that I could recognize the accused.

Question: Did you speak to La Blanc?

Answer: I told him to get down & he started to but when Sgt. Terry asked for my pistol he drove off.

No. D 117615 Sgt. Tenny J. H. 85 Can. Bridge Coy R.C.A.S.C. being sworn states:

On the night of Nov. 1/42 at about 1900 hours I was in charge of H.Q. Section when Pte. Malonin reported to me that the accused Pte. LaBlanc had escaped custody at about 1845 hours. I accompanied Pte. Malonin back to the guard house where I found the ~~door~~ outside door of the detention cell unbolted & partly opened. There bolts were on outside not the inside of the door. Leaving Pte Malonin in the guard house I started back to H.Q. and on the way met Sgt. Weston — Orderly Sgt. and Corporal Evans - Duty Corporal. After explaining the situation to them we again returned to the guard house at which point we decided to institute an immediate search of the camp. We obtained the use of a station wagon and started towards the southern exit, on the way we overtook a 15 cwt lorry going in the same direction and not having any rear light. We stopped the truck by pulling up alongside & I saw the accused Pte. LaBlanc at the wheel through the rays of my flashlight. There was also another person whom I supposed to be the second escaped prisoner sitting in the cab beside the accused. I asked Sgt. Weston to look after Pte LaBlanc while I went around to the far side of the truck to see who the other person was. It proved to be the second escaped prisoner whom I ordered out of the truck. After disembarking the truck

suddenly drove away. The second prisoner broke & ran after it. Corporal Evans - Sgt. Weston & myself got into the station wagon & started after it. We again came upon the truck parked a few yards from the exit but there was no sign of either prisoner. We searched the surrounding area but due to the darkness of the night was unable to see anything. A decision was reached to return to H.Q. for further instructions. I returned with the station wagon, Sgt. Weston brought back the truck.

Closing address for the Defence.
By the accused DSR

If I had not been up to the canteen that afternoon this would not likely have happened.

I believe that my record in the army has been pretty good.

I have had one leave since I have been over here. I was also sentenced to a Court Martial for an accident that never called for a Court Martial. I have been locked up in the Glink since August. I want to go back to my duties as I want to soldier & not go into the Glink. I have never been in detention since arriving over here. I can say that no man in this unit can say a wrong word or anything bad about me. According to the evidence produced by Witnesses for the prosecution there is no actual proof that I had any intention of stealing a W/D vehicle.

While carrying out my duties of Orderly Sergeant on 1 Nov 42, I was notified by Cpl. Evans, Orderly Corporal at about 1900 hours that two prisoners had escaped from the Guard Room. I went to the Guard Room on foot with Cpl. Evans and met Sgt. Terry on his way back from the Guard Room. The three of us decided to go to the Canteen to find out if the prisoners had been there. While passing 'G' section lines we saw a duty station wagon parked outside one of the huts. Cpl. Evans obtained permission of the driver for us to use the station wagon in our search for the escaped prisoners. We drove along the road in the direction of the Canteen and saw a 15 cwt lorry without any tail lights proceeding along road towards the south gate. We decided to warn the driver about the lack of tail lights. Cpl. Evans pulled the station wagon alongside the 15 cwt lorry and Sgt. Terry ordered it to stop. The lorry stopped on the side of the road and we pulled alongside. Sgt. Terry recognized the person in the cab of the 15 cwt lorry as one of the prisoners. Sgt. "I am D-123534 L/Cpl. Duncan, G. J., No. 85 Cdn. Bridge Coy. R.C.A.S.C.

I was Guard Commander in charge of the Guard Room on 1 November, 1942. While sitting in the Guard Room at 1830 hours, I heard the prisoners making considerable noise. As the R.P. on duty was in charge of the prisoners I did not pay much attention. Approximately at 1845 hours the R.P. Pte. Malouin came over to me and said that prisoners had escaped by the back door of the Guard Room. I immediately searched outside the building but found no trace of them. I then drove the R.P. to the H.Q. Orderly Room so he could report to the Orderly Sergeant, Sgt. Weston. I then returned to the Guard Room and continued with my duties."

The Accused cross-examined the Witness

Q. Did you look in the Guard Room when you heard the noise?
A. No.
Q. Did you have any idea if we, the prisoners were intoxicated?
A. No.

On 1 Nov. 42, I was Orderly Corporal and was ordered by the Orderly Sergeant to check the Guard Room. I was told by L/Cpl. Duncan, Guard Commander that Pte. Hayes and Leblanc had escaped. The time was 1900 hours by L/Cpl. Duncan's watch, as I asked him the time. I reported back to the Orderly Sergeant and after telling him about it, we started out to search the camp area. While on the way we met Sgt. Perry who accompanied us. When passing 'B' Section lines we saw a station wagon parked there and asked permission of the driver for use of the vehicle. On proceeding along the road in the direction of the south gate we saw a 15 cwt lorry on the

FIRST CHARGE

"I am D-117615 Sgt. Terry, J. H., No. 86 Cdn. Bridge Coy. R.C.A.S.C.

At about 1900 hours on 1 Nov 42, Pte. Malouin R.P. reported to me that Pte. Leblanc was missing from the Guard Room. I immediately went there and found Pte. Leblanc had made his exit via the back door. Investigations disclosed that the bolts on the outside of the prisoners' room door had been pulled and the door was still partly open when I arrived. He could not have escaped by the other end of the building as there was the R.P. and guards in that part of the building. I started to return to the H.Q. Orderly Room to notify the Orderly Officer when on the way I met the Orderly Sergeant - Sgt. Weston. Then in company with him and the Orderly Corporal - Cpl. Evans - decided that due to the shortness of time since the break had been discovered to get a vehicle and make a search in the camp area. We located a station wagon, got permission to use it from the driver and while driving through the lines in the direction of the south gate overtook a 15 cwt lorry going in same direction without tail lights. We stopped the lorry and I threw my flashlight on the driver whom I recognized as Pte. Leblanc. We got out of the station wagon and I went around to the opposite side of the 15 cwt lorry as there was someone else sitting beside Pte. Leblanc whom I thought would likely be the other prisoner Pte. Hayes who had escaped along with Pte. Leblanc. While I was busy apprehending Hayes, the lorry suddenly started away. We got back into the station wagon and started after the lorry which we found a few minutes later abandoned near the south gate. There was no trace of the prisoners in the vicinity. I then drove the station wagon back to 'G' section lines and reported to Orderly Officer at H.Q. Orderly Room.

The Prisoner cross-examined the Witness

Q. In what condition did you find the 15 cwt lorry when abandoned near the south gate?
A. It was dark and I was not able to see the condition of the lorry. The doors of the cab were closed, motor stopped and I think the head lights were on, but no tail lights.

bend of the road near the Canteen without any tail lights. On pulling up alongside the 15 cwt lorry, Sgt. Terry threw the beam from his flashlight upon the lorry and ordered it to stop. I saw Pte. Leblanc behind the wheel and Pte. Hayes sitting beside him in the spare drivers' seat. Pte. Hayes obeyed the order to dismount, and in a matter of few moments the 15 cwt lorry pulled away with Pte. Leblanc still driving. We got back into the station wagon and started off in pursuit. We found the 15 cwt lorry near the south gate without the prisoners in it. After conducting a search in the vicinity I returned with Sgt. Terry to H.Q. Orderly Room."

The Accused cross-examined the Witness

Q. Where were you when the 15 cwt lorry drove away after it had been ordered to stop?
A. I was still in the driver's seat of the station wagon.

"I am D-123369 Sgt. Weston, G.W., No. 86 Cdn. Bridge Coy. R.C.A.S.C.

While carrying out my duties of Orderly Sergeant on 1 Nov 45, I was searching for Pte. Leblanc and Hayes in company with Sgt. Terry and Cpl. Evans. Were driving along the road which runs through the camp in the direction of the Canteen. We saw a 15 cwt lorry driving in the same direction ahead of us without any tail lights. We pulled alongside of the 15 cwt and Sgt. Terry ordered it to stop, which it did. Sgt. Terry recognized one of the persons in the lorry as one of the escaped prisoners. Sgt. Terry and I both jumped out of the station wagon, ran around in front of the lorry and I saw Pte. Leblanc behind the wheel with Pte. Hayes standing about 15 feet away from the lorry. Sgt. Terry went over to Hayes to apprehend him and Hayes said "Don't lay a hand on me". I then heard Sgt. Terry ask for my pistol. While taking the pistol from holster and giving it to Sgt. Terry the 15 cwt lorry drove off. As Pte. Hayes had made off in the darkness, Sgt. Terry and I got back into the station wagon and gave chase after the 15 cwt lorry. We came upon it parked about 100 feet north of south gate. The lights were on and both doors open. There was no one in the truck or the vicinity. As the vehicle was one from 'B' Section, I drove it back to the 'B' section Orderly Room, got a work tisket and used it in the search for the escaped prisoners.

The Accused cross-examined the Witness

Q. On that very dark night, from where you were standing on the left-hand side of the vehicle you swear you recognized me?
A. Yes.
Q. How were you able to recognize me?
A. From the glow of the headlights of the station wagon, 15 cwt lorry and the flashlight I was carrying at the time. I passed within 2 feet of you Pte. Leblanc sitting behind the driving wheel of the 15 cwt lorry.
Q. Did you shine your flashlight directly into my face?
A. I don't remember whether I shone it directly in your face or not.

While searching for Pte. Leblanc who had escaped from custody at some time between 1900 hours and 1930 hours on 1 Nov 42, in company with Sgt. Weston and Cpl. Evans we overtook a 15 cwt lorry while driving along the road in the camp in a station wagon. We stopped the 15 cwt lorry as it had no tail lights and I discovered upon throwing the beam of my flashlight in the cab, Pte. Leblanc sitting behind the drivers' wheel. I got out of the station wagon, went around to the far side of the lorry where there was another person sitting beside Pte. Leblanc who I thought might be the other prisoner, Pte. Hayes. While I was apprehending Pte. Hayes who had dismounted, the 15 cwt lorry suddenly drove off in the direction of the south gate. Pte. Hayes bolted away in the darkness running after the 15 cwt lorry. We got back into the station wagon and gave chase. We found the lorry a few minutes later abandoned near the south gate with no sign of the prisoners in or around the 15 cwt. Sgt. Weston drove the 15 cwt lorry back to 'B' section lines.

The Accused cross-examine the Witness

Q. When you discovered it was me, Pte. Leblanc, sitting behind the wheel, why did you not come to get me instead of going to the opposite side of the lorry?

A. To cover the other side of the lorry as Sgt. Weston and Cpl. Evans were behind me. I said to Sgt. Weston you take this side and I will go to the opposite side.

We sat down in the Canteen and drank some beer, up until approximately 1630 hours. I stayed in Y.M.C.A. Croydon for four days and then gave myself up to the Civil police at Croydon. If I had of wanted to run away before at any time in the daytime, I could have done so, but the idea had never entered my head. It would have

B1. The ~~President~~ JA, ~~Court~~, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans No sir. (5)

B4. On the charge(s) to which the plea(s) of Guilty ~~is~~ (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)
(*1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex "A", initialled and read aloud by the President.(1)
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. E-1 Lt S.S. McKellar, Support Company RHC, having been duly sworn states:

"I am Lt S.S. McKellar, of Support Company, 1 RHR."

Q. At the time that the accused committed the offence for which he pleads guilty were you in Support Company?

A. No; I was in ten Platoon, "B" Company.

Q. How long had the accused been under your command in Ten Platoon when he committed the offence for which he is charged today?

A. I don't exactly remember. He came to me at Holten.

Q. Can you give us the approximate time?

A. Approximately three weeks.

Q. Had he been in action before he committed the offence on 28 Apr 45?

A. Yes, but not against serious opposition.

Q. Did the accused, while under your command until the day of the offence, give signs of insubordination or did you have to deal with him on this charge of insubordination during the period he was under your command?

A. No. His behaviour as a soldier was exemplary as to his superior officers.

Q. Did you notice the condition of the accused at the moment of the offence?

A. He looked normal. I questioned him as to whether or not he was feeling well to find out why he made the statement refusing the order. His face and conduct showed no change from his normal behaviour or manners.

Q. In that particular action when the platoon had been out and the men were ordered to pull back, did they come under heavy fire?

A. Yes.

E-3 STATEMENT OF ACCUSED

"As I have said before to Captain Powers, my physical condition at that time did not allow me to carry the PIAT any further. That is all, Sir."

Field General Court-Martial

case of

D.145368 Pte Leblanc, M.E., RHC

E-3 PLEA IN MITIGATION

"On behalf of the accused as Defending Officer, I should like to back the statement of the accused to the effect that there must have been something wrong with his physical condition to cause him to commit the offence for which he is charged. The service of the accused has been one year in the Army and his records are absolutely clean. There is no entry on the accused's MFM 6 and Mr McKellar's statement shows that the soldier's behaviour has always been exemplary. Another thing I should like to bring up is the fact that the accused worked for fifteen years in civilian life. Long before joining up his employment was continuous. He worked for three different firms. One was T. Eatons where he worked for seven years. I think that this, together with the testimony of Mr McKellar and the accused's MFM 6 go to show that his character is very good. There must have been something wrong for the accused to balk and commit the offence for which he is charged. At the time the offence was committed the accused was placed under arrest and sent into detention. There was no physical examination, no mental test done at the time and I feel quite sure that, had the accused been normal, physically and mentally, he would not have committed the offence for which he is charged today."

"The accused is single and supporting his mother. He has a pay assignment of twenty dollars a month. I checked it myself and his pay book shows this assignment."

BY THE COURT

Q. Is his mother a widow?

A. Yes.

Q. What was his employment at Eatons?

A. He was employed as a clerk, Sir.

Q. What other two firms had he worked for in Canada?

A. Furness Withie Company and the RAF Transport Company which operated in Canada.

Q. Had the accused been granted any deferments?

A. Yes; four or five times, Sir.

SUMMARY OF EVIDENCE

In the case of D 145368 Pte Leblanc, W.E., 1st Bn The Black Watch (RHR) of Canada, a soldier in the Canadian Army Active Force is charged with:

1. A.A.Sec 9 (1): W.O.A.S. REFUSING IN SUCH A MANNER AS TO SHOW WILFUL DEFIANCE OF AUTHORITY A LAWFUL COMMAND GIVEN PERSONALLY BY HIS SUPERIOR OFFICER in that he at 1700 hrs 22 Apr 45 refused to go and get his weapon when ordered to do so by Lieut S.S. McKellar.

2. A.A. Sec 40: W.O.A.S. NEGLECT TO THE PREJUDICE OF GOOD ORDER AND MILITARY DISCIPLINE in that he at 1500 hrs 22 Apr 45 when ordered to withdraw did so without his fire arm.

The Commanding Officer directs that the evidence be taken on Oath.

FIRST WITNESS:- Lieut S.S. McKellar, "B" Coy, 1st Bn The Black Watch (RHR) of Canada, having been duly sworn states:-

I was platoon commander of number 10 platoon on the 22 Apr 45. D 145368 Pte Leblanc, W.E. was my number one man on the Piat at that time. At approx 1500 hrs 22 Apr 45 we were ordered to withdraw from a building we were holding to the other side of the canal. D 145368 Pte Leblanc, W.E. started out with his piat but left it in the ditch on the way to the canal. At 1700 hrs I formed a party to retrieve the piat and I detailed D 145368 Pte Leblanc, W.E. as a member of that party. He said "I am not going". I cautioned him as to the action that would be taken and gave him another opportunity of accompanying the party. He refused again so I placed him under close arrest.

Q.1 Did Pte Leblanc add anything to his refusal either by an act or gesture?

A.1 No, to the best of my knowledge he said "I am not going, you can do what you like about it, but I am not going out there again."

The accused declines to cross examine the witness.

S.S. McKellar
Lieut S.S. McKellar

SECOND WITNESS: B 163555 Cpl Hines, S.A., 1st Bn The Black Watch (RHR) of Canada, having been duly sworn states:-

On the 22 Apr 45, I was number 2 section leader of number 10 platoon. At approx 1630 hrs, I was in charge of the party formed to retrieve weapons which had been left behind on our withdrawl. A Piat had been left behind by D 145368 Pte Leblanc. When ordered to accompany the party by Lieut S.S. McKellar, D 145368 Pte Leblanc refused to do so. I took the party out and brought back the weapon which had been left behind by Pte Leblanc.

Q.1 How do you know that D 145368 Pte Leblanc was ordered to be on the retreiving Party?

A.1 I know that Pte Leblanc was supposed to be on the retreiving party because I heard Lieut S.S. McKellar name off the list of men for the party and D 145368 Pte Leblanc, W.E. name was called. After the list was made up Pte Leblanc refused to accompany the party and Lieut S.S. McKellar then placed him under close arrest.

The accused declines to cross examine the witness.

S.A. Hines
B163555 Cpl

The accused is cautioned:

"Do you wish to make a statement or to give evidence on oath? You are not obliged to do so but whatever you say or any evidence you give will be taken down in writing and may be given in evidence."

A.1 I wish to make a statement.

Q.2 On oath or not on oath?

A.2 On oath.

The accused having been duly sworn states:-

Under the circumstances it was impossible to return with the Flat without endangering the lives of my comrades and myself and I might also state that my physical condition at that time would in itself be sufficient reason for leaving it back.

The accused does not call any witnesses at this point.

I certify that the foregoing summary of evidence, consisting of two pages was taken down by me in the presence of the accused and that R.P. 4 (c)(d)(e)(f) have been complied with.

Plea of Mitigation in the case of RJH
C 100366 Spr. Joseph Libano.

My client has made a plea of guilty to the charges as read. In his defense I would like to put forth their explanation of the case.

On 30 Sep 00 the accused had just returned from duty and having a few days went to the town of Waldezym for entertainment. After going on a day of drinking tour and visiting several cafes after they had given up drinking of cognac and at one cafe bought a bottle of liquor. They found that the cafes were closed and were still desirous of having some beer to drink. They were informed that at the café down they could still buy beer but that the owners were gone there. They proceeded there and when they had rapped at the door the lady appeared to be very upset and there was a scuffle in the back ground. Remembering the warning they had had they decided to search the house for possible enemy agents. Due to being unable to converse with the inhabitants of the cafe their intentions were obviously not understood and the result was that the people thought they were after them. The actions of the owner in making no outcry or summoning any outside assistance leads one to believe that the accused had sound cause for his suspicions. The accused is unable to speak French and any time that he had picked up in the passage through France would be insufficient to make himself understood in any way.

After leaving the cafe there the accused

and his companion became separated and the accused enquired at the cafe at 79 Churchill St as to his way home. The lady of the house not being able to converse with him for the same reason as before mistook his actions for desiring more beer and cognac. It was at this point that Sgt Andrew and the Provost Corps picked him up.

In judging this case I would like the court to take into consideration the fact that the accused has been working hard throughout the drive from quite hard strenuous work and a large part of the work done and a large part of the work has taken place at night and it is understandable that when a night out is had there is a tendency to overdo things a bit. Also the fact that Maldegem is reputed to be a hotbed of Pro Nazis and even soldiers passing through the town do so with caution.

Exhibit "A" R.T.H.

Summary of Evidence in the case of No.C-100386 Spr. Lebano, J., 8 Canadian Field Squadron, Royal Canadian Engineers, Canadian Army Overseas, charged with (1) Committing an offence against the person of a resident in the Country in which he was serving (A.A. Sec.6(3)(d).

By direction of the Commanding Officer, the evidence is taken on oath.

FIRST WITNESS Mrs. Marie Brandt, Cafe Derna, 93 Churchill Street, Maldegem, Belgium(housewife and cafe proprieteress) sworn, states:-

I am Mrs. Marie Brandt and I live at Cafe Derna, 93 Churchill Street, Maldegem, Belgium. At about 1930 hrs., 30 Sep. 44, two Canadian Soldiers, whom I now recognize as Sprs. Solari and Lebano entered my Cafe. They had a bottle of liquor with them, stayed only a few minutes, and then left. At about 2200 hrs. that same evening, two soldiers came to my Cafe and knocked on the door demanding entrance, saying they were members ofthe Military Police. I opened the door and recognized the two as Solari and Lebano. They pushed their way indoors and both pointed revolvers at me. From what he said, I gathered that Solari wanted to go upstairs to find my two daughters. Solari started to go upstairs, and my Son, Maurice Van Hulle asked him what he wanted. Solari then went into my Son's room, which is upstairs, and while he was there, my two daughters came downstairs and went out the front coor. My son then came downstairs with Solari. The two soldiers were angry when they did not find my daughters. Solari, pointing his revolver at me, then forced me to go upstairs. Apparently, he was still looking for my daughters for he took me into their room. Then he pushed me against the bed and grabbed me by the arms. I broke loose and came downstairs. Both the soldiers went into the kitchen, and after a few minutes they forced my son and me to go out with them and search the sheds for my daughters, and also for my husband. When we came back in the house they again wanted to search upstairs for my daughters. Lebano appeared to be giving orders to Solari and called him "Captain". Solari then took me to search a room behind the bar. He again tried to push me onto the bed and grabbed me around the shoulders. I managed to get away. He followed me into the kitchen and the two soldiers then started to drink from their bottle of liquor. They sat there drinking for about half an hour; then left by the front door at about 2330 hrs. Both soldiers appeared to be under the influence of alcohol the whole time, especially Lebano, and Solari was so sick he vomited just before he left. I shook hands with both soldiers before they left just to get rid of them.

Cross-examined by accused:-

Q. Do you understand English?

A. Only a few words.

Q. What made you think I said I was a member of the Military Police?

A. Either you or Solari, I don't know which, called out the words "police, police".

SECOND WITNESS Mr. Maurice R. Van Hulle, Cafe Derna, 93 Churchill Street, Maldegem, Belgium(bachelor; unemployed) sworn, states:-
I am Maurice R. Van Hulle, living at Cafe Derna, 93 Churchill Street, Maldegem, Belgium, and Marie Brandt is my mother. At about 1915 hrs., 30 Sep. 44, two Canadian soldiers whom I now recognize as Spr. Solari and Spr. Lebano entered the Cafe Derna, which is run by my mother. They had a bottle of liquor in their possession. At about 1930 hrs., they left the Cafe. At about 2215 hrs. that same evening, Lebano and Solari returned to the Cafe and entered the building. I saw Solari coming upstairs, and asked him, in French, what he wanted. He pointed a revolver and replied something in English which I did not understand. He kept on talking and I gathered that he was looking for my two sisters, who I knew were in their room. I pointed out to Solari my sisters' room, told them to unlock the door and come out. Solari and I stood one on each side while my sisters passed through and went downstairs. Solari and I then entered my sisters' room where Solari looked around and turned over the mattress. Then we went into my room and as I was not fully attired, I finished getting dressed. We then went downstairs to the kitchen. There was no sign of my sisters nor of my father. My Mother, Solari and Lebano then went outdoors with me to the yard, where Lebano told me, in French, that if I did not find my father in five minutes, he, Lebano, would shoot me. We searched the woodshed and called for my father, but we could notfind him. All this time, Lebano was threatening my mother and me with his revolver. Solari then went back into the house and by the time he came back a few minutes later, Lebano had calmed down. We all returned to the kitchen, and both the soldiers and I sat down. Lebano started to drink some liquor from a bottle he was carrying. At this time, Solari would not drink. From his speech, I gathered Solari wanted to go upstairs to search for the girls, so my mother went upstairs with him. Solari, at this time, as far as I could see, was not threatening my mother with a revolver or by any other means. I did not see nor hear Solari nor my mother until they returned to the kitchen a short time later. My mother then whispered to me that Solari had tried to push her against a bed but that she had struggled free. Solari was then sick and vomited. Shortly afterwards, my mother and Solari again went out of the kitchen. They returned a couple of minutes later, and my mother told me that they had been in her room and that Solari had attempted to push her on her bed. A few minutes later Solari and Lebano left the house and I did not see either of them again until I identified Lebano and Solari at identification parade on 1 Oct. 44 at 1330 hrs., and 1645 hrs., respectively. While in my house, the Cafe Derna, on 30 Sep. 44, both soldiers appeared to be under the influence of alcohol the whole time, especially Lebano. I do not understand English.

THIRD WITNESS Mrs. Margaret Van Denbriele, 79 Churchill Street, Maldegem, Belgium(cafe proprietress) sworn, states:-
I am Mrs. Margaret Van Denbrierle and I live at 79 Churchill Street, Maldegem, Belgium, where I operate a cafe. At approximately 2330 hrs., 30 Sep. 44, a Canadian soldier, whom I now recognize as Spr. Lebano, knocked on the front door of my cafe. As I was in bed at the time I got up and looked out the upstairs window, and asked in French, what he wanted. He was waving a revolver in his hand, and, in broken French he demanded entry into the cafe, saying that if he did not get in, he would shoot his way in. After some minutes I went to the door, let him inside, and asked him what he wanted. From his speech I gathered he wanted beer and cognac. A few minutes after I let him in, the Canadian Military Police arrived and took Lebano away. Lebano did not take any offensive action against me other than to threaten me with his revolver just before I let him into the Cafe. All he did was ask for beer or cognac. I do not know whether or not he was under the influence of alcohol.

The accused declines to cross-examine this witness.

I am Provost Sergeant of the Lincoln and Welland Regiment. On 30 Sep. 44 at about 2330 hrs., I received a telephone call from Support Coy., Lincoln and Welland Reg't. stating there were two drunken soldiers outside the gate of their headquarters in Maldegem. I proceeded to Support Coy. H.Q. and the sentry on the gate states that one soldier had run away, and that the other one was down the street breaking windows. I found the latter, whom I now recognize as Spr. Lebano, 8 Cdn. Fd. Sqn. R.C.E. He had obviously been drinking, and was in possession of a revolver which he had in his hand pointing it towards me. I asked him his name which he refused to give. I told him to put the revolver away which he did after I told him I was going to lock him up. I noticed a window of one of the doors of a house was broken and glass lying on the sidewalk. I left Lebano where he was and proceeded to the Canadian Provost Corps detachment in Maldegem, and reported the circumstances to the patrol on duty, who apprehended him.

The soldier was standing in the yard directly below the front door, with a revolver in his hand. I approached this soldier, whom I now recognize as Spr. Lebano, 8 Cdn. Fd. Sqn. R.C.E., to find out who he was and to what unit he belonged, when he pointed the revolver at me saying "Keep away from me". As I kept approaching him he backed away keeping me covered with the revolver at the same time I kept approaching him until he reached the road where, with the help of a Sergeant from the Lincoln and Welland Regiment, he was stopped, and questioned. Spr. Lebano was slightly under the influence of alcohol.

MEDICAL OFFICERS REPORT

I certify that I have this day examined C-100386 Spr Lebano J. of 8 Cdn Fd Sqn RCE and he is in my opinion fit to undergo Trial by Court Martial.

W A Shea Capt.
Medical Officer

Station Field.

Date 13 Oct 44.

Summary of Evidence in the case of No. C-100396 Spr Lebano, J., 8 Cdn Field Squadron Royal Canadian Engineers, Canadian Army Overseas, charged with (1) Committing an offence against the person of a resident in the country in which he was serving (AA. 4 Sec 8(3)(d)]

Exhibit "A" BAW

By direction of the Commanding Officer, the evidence is taken on oath.

FIRST WITNESS. Mrs Marie Brandt, Cafe Derma, 93 Churchill Street, Maldegim, Belgium (housewife and cafe proprietoress) sworn states:-

I am Mrs Marie Brandt, and I live at Cafe Derma, 93 Churchill Street, Maldegem, Belgium. At about 1930 hrs., 30 Sep 43 two Canadian Soldiers, whom I now recognize as Sprs. Solari and Lebano entered my Cafe. They had a bottle of liquor with them, stayed only a few minutes, and then left. At about 2200 hrs. that same evening, two soldiers came to my Cafe and knocked on the door demanding entrance, saying they were members of the Military Police. I opened the door and recognized the two as Solari and Lebano. They pushed their way indoors and both pointed revolvers at me. From what he said, I gathered that Solari wanted to go upstairs to find my two daughters. Solari started to go upstairs and my son, Maurice Van Hulle asked him what he wanted. Solari then went into my Son's room, which is upstairs, and while he was there, my two daughters came downstairs and went out the front door. My son then came downstairs with Solari. The two soldiers were angry when they did not find my daughters. Solari, pointing his revolver at me, then forced me to go upstairs. Apparently, he was still looking for mydaughters for he took me into their room. Then he pushed me against the bed and grabbed me by the arms, I broke loose and came downstairs. Both the soldiers went into the kitchen, and after a few minutes they forced my son and me to go out with them and search the sheds for my daughters, and also my husband. When we came back in the house they again wanted to search upstairs for my daughters. Lebano appeared to be giving orders to Solari and called him "Captain". Solari then took me to search a room behind the bar. He again tried to push me onto the bed and grabbed me around the shoulders. I managed to get away. He followed me into the kitchen and the two soldiers thenstarted to drink from their bottle of liquor. They sat there drinking for about half an hour, then left by the front door at about 2330 hrs. Both soldiers appeared to be under the influence of alcohol the whole time, especially Lebano., and Solari was so sick he vomited just before he left. I shook hands with both soldiers before they left just to get rid of them.

Cross-examined by accused:-

Q. Do you understand English?

A. Only a few words.

Q. What made you think I said I was a member of the Military Police?

A. Either you or Sola i, I don't know which, allled the words "police, police".

SECOND WITNESS Mr. Maurice, R. Van Hulle, Cafe Derna, 93 Churchill Street, Maldegem, Belgium(bachelor, unemployed) Sworn, states:-

I am Maurice R Van Hulle, living at Cafe Derna, 93 Churchill Street, Maldegem, Belgium, and Marie Brandt is my mother. At about 1915 hrs 30 Sep two Canadian soldiers whom I now recogize as Spr Solari and Spr Lebano entered the Cafe Derna, which is run by my mother. They had a bottle of liquor in their possession. At about 1930 hrs. they left the Cafe. At about 2215 hrs that same evening, Lebano and Solari returned to the Cafe and entered the building. I saw Solari coming upstairs, and asked him, in French, what he wanted. He pointed a revolver and replied something in English which I did not understand. He kept on talking and I gathered that he was looking for my two sisters, who I knew were in their room. I pointed out to Solari my sisters room told them to unlock the door and come out. Solari and I stood one on each side wile my sisters passed through and went downstairs. Solari and I then entered my sisters room where Solari looked around and turned over the mattress. Then we went into my room and as I was not fully attired, I finished getting dressed. We then went downstairs to the kitchen. There was no sign of my sisters nor of my father. My mother, Solari and Lebano then went outdoors with me to the yard, where Lebano told me, in French, that if I did not find my father in five minutes, he, Lebano, would shoot me. We searched the woodshed and called for my father, but we could not find him. All this time, Lebano was threatening my mother and me with his revolver. Solari then went back into the house and by the time he came back a fewminutes later Lebano had calmed down. We all returned to the kitchen, and both the soldiers and I sat down.. Lebano started to drink some liquor from a bottle he was carrying. At this time, Solari would not drink. From his speech, I gathered Solari wanted to go upstairs to search for the girls, so my mother went upstirs with him. Solari, at this time, as far as I could see, was not threatening my mother with a revolver or by any other means. I did not see nor hear Solari nor my mother until they returned to the kitchen a short time later. My mother then whispered to me that Solari had tried to push her against a bed but that she had struggled free. Solari was then sick and vomited. Shortly afterwards, my mother and Solari again went out of the kitchen. They returned a couple of minutes later and my mother told me that they had been in her room and that Solari had attempted to push her on her bed. A few minutes later Solari and Lebano left the house and I did not see either of them again until I identified Lebano and Solari at identification parade on 1 Oct. 44 at 1030 hrs. , and 1645 hrs respectively, while in my house, the Cafe Derna, on 30 Sep 44 both soldiers appeared to be under the influence of alcohol the whole time, especially Lebano I do not understand English.

At approximately 2330 hrs 30 Sep 44 a Canadian Soldier, whom I now recognize as Spr Lebano knocked on the front door of my cafe. As I was in bed at the time I got up and looked out the upstairs window, and asked in French, what he wanted. He was waving a revolver in his hand, and, in broken French he demanded intry into the cafe, saying that if he did not get in, he would shoot his way in. After some intues I went ot the door, let him inside, and asked Jo, wjat je wanted. From his speech I gathered he wanted beer and cognac. A few minutes after I let him in, the Canadian Military Police arrived and took Lebano away. Lebano did not take any offensive action against me other than to threaten me with his revolver just before I let him into the Cafe. All he did was ask for beer or cognac I do not know whether or not he was under the influence of alcohol.

I am Provost Sergeant of the Lincoln and Welland Regiment. On 30 Sep 44 at abo t 2330 hrs., I received a telephone call from Support Coy., Lincoln xxxxx Welland Regt stating there were two drunken soldiers outisde the gate of their headquarters in Maldegem. I proceeded to Support Coy H.Q. and the sentry on the gate states that one soldier had run away, and that the other one was down the street breaking windows. I found the latter, whom I now recognize as Spr Lebano, SODK 94 Sqn R.C.E. He had obviously been drinking, and was in possession of a revolver which he had in his hand pointing it towards me. I asked him his name which he refused to give. I told him to put the revolver which he had in his hand and he did after I told him I was going to lock him up. Plea of Mitigation in the case of C-100386 Spr Joseph LEBAMO.

My client has made a plea of guilty to the charges as read. In his defense I could like to put forth their explanation of the case.

On 30 Sep 44 the accused had just returned from duty and having a free night went to the town of Maldegem for entertainment after going on a sight seeing tour and visiting several cafes where they had five or six drinks of cognac and a similar number of beer and at one cafe bought a bottle of liquor. They found that the cafes were closed and were still desirous of having some beer to drink. They were informed that at the cafe Derna they could still but beer but that the owners were pro Nazi. The proceeded there and when they had rapped at the door the lady appeared to be very excited and there was a scurrying in the back ground. Remebering the warning they had had they decided to search the house for possible enemy agents. Due to being unable to converse with the inhabitants of the cafe their intentions were obviously not understood and the result was that the people thought they were after them. The actions of the owners in making no outcry or summoning any outside assistance leads one to believe that the accused had sound cause for his suspicions. The accused is unable to speak French and any French that he had picked up in the passage through France would be insufficient to make himself understood in any way.

After leaving the Cafe Dena the accused and his companion became separated and the accused inquired at the cafe at 79 Churchill St as to his way home. The lady of the house not being able to converse with him for the same reason xas before mistook xixxfxx his actions for desiring more beer and cognac. It was at this point that Sgt Anderson and the Provost Corps picked him up.

In judging this case, I would like the court to take into consideration the fact that the accused has been working quite hard throughout the drive from Seine and a large part of the work has been taken place at night and it is understandable that when a night out is had there is a tendancy to overdo things a bit. Also the fact that Maldegem is reputed to be a hot bed of Pro Nazis and even soldiers passing through the town do so with caution.

Summary of Evidence in the case of No. C-100386 Spr Lebano, J., 8 Cdn Field Squadron Royal Canadian Engineers, Canadian Army Overseas, charged with (1) Committing an offence against the person of a resident in the country in which he was serving (AA. 96 Sec 6(3)(d)).

Exhibit "B" R.S.M.

By direction of the Commanding Officer, the evidence is taken on oath.

FIRST WITNESS. Mrs Marie Brandt, Cafe Derna, 93 Churchill Street, Maldegim, Belgium (housewife and cafe proprieteress) sworn states:-

I am Mrs Marie Brandt, and I live at Cafe Derna, 93 Churchill Street, Maldegem, Belgium. At about 1930 hrs., 30 Sep 33 two Canadian Soldiers, whom I now recognize as Spprs. Solari and Lebano entered my Cafe. They had a bottle of liquor with them, stayed only a few minutes, and then left. At about 2200 hrs, that same evening, two soldiers came to my Cafe and knocked on the door demanding entrance, saying they were members of the Military Police. I opened the door and recognized the two as Solari and Lebano. They pushed their way infoors and both pointed revolvers at me. From what he said, I gathered that Solari wanted to go upstairs to find my two daughters. Solari started to go upstairs and my son, Maurice Van Bulle asked him what he wanted. Solari then went into my Son's room, which is upstairs, and while he was there, my two daughters came downstairs and went out the front door. My son then came downstairs with Solari. The two soldiers were angry when they did not find my daughters. Solari, pointing his revolver at me, then forced me to go upstairs. Apparently, he was still looking for mydaughters for he took me into their room. Then he pushed me against the bed and grabbed me by the arms,. I broke loose and came downstairs. Bothe the soldiers went into the kitchen, and after a few minutes they forced my son and me to go out with them and search the sheds for my daughters, and also my husband. When we came back in the house they again wanted to search upstairs for my daughters. Lebano appeared to be giving orders to Solari and called him "Captain". Solari then took me to search a room behind the bar. He again tried to push me onto the bed and grabbed me around the shoulders. I managed to get away. He followed me into the kitchen and the two soldiers thenstarted to drink from their bottle of liquor. They sat there drinking for about half an hour, then left by the front door at about 2330 hrs. Both soldiers appeared to be under the influence of alcohol the whole time, especially Lebano., and Solari was so sick he vomited just before he left. I shook hands with both soldiers before they left just to get rid of them.

Cross-examined by accused:-

Q. Do you understand English?

A. Only a few words.

Q. What made you think I said I was a member of the Military Police?

SECOND WITNESS Mr. Maurice, R. Van Hulle, Cafe Derna, 93 Churchill Street, Maldegem, Belgium(bachelor, unemployed) Sworn, states:-

I am Maurice R Van Hulle, living at Cafe Derna, 93 Churchill Street, Maldegem, Belgium, and Marie Brandt is my mother. At about 1915 hrs 30 Sep two Canadian soldiers whom I now recogize as Spr Solari and Spr Lebano entered the Cafe Derna, which is run by my mother. They had a bottle of liquor in their possession. At about 1930 hrs. they left the Cafe. At about 2215 hrs that same evening, Lebano and Solari returned to the Cafe and entered the building. I saw Solari coming upstairs, and asked him, in French, what he wanted. He pointed a revolver and replied something in English which I did not understand. He kept on talking and I gathered that he was looking for my two sisters, who I knew were in their room. I pointed out to Solari my sisters room told them to unlock the door and come out. Solari and I stood one on each side wile my sisters passed through and went downstairs. Solari and I then entered my sisters roo m where Solari looked around and turned over the mattress. Then we wnet into my room and as I was not fully attired, I finished getting dressed. We then went downstairs to the kitchen. There was no sign of my sisters nor of my father. My mother, Solari and Lebano then went outdoors with me to the yard, where Lebano told me, in French, that if I did not find my father in five minutes, he, Lebano, would shoot me. We searched the woodshed and called for my father, b t we could not find him. All this time, Lebano was threatening my mother and me with his revolver. Solari then went back into the house and by the time he came back a fewminutes later Lebano had calmed down. We all returned to the kitchen, and both the soldiers and I sat down.. Lebano started to drink some liquor from a bottle he was carrying. At this time, Solari would not drink. From his speech, I gathered Solari wanted to go upstairs to search for the girls, so my mother went upstirs with him. Solari, at this time, as far as I could see, was not threatening my mother with a revolver or by any other means. I did not see nor hear Solari nor my mother until they returned to the kitchen a short time later. My mother then whispered to me that Solari had tried to push her against a bed but that she had struggled free. Solari was then sick and vomited. Shortly afterwards, my mother and Solari again went out of the kitchen. They returned a couple of minutes later and my mother told me that they had been in her room and that Solari had attempted to push her on her bed. A few minutes later Solari and Lebano left the house and I did not see either of them again until I identified Lebano and Solari at identification parade on 1 Oct. 44 at 1330 hrs. , and 1645 hrs respectively. While in my house, the Cafe Derna, on 30 Sep 44 both soldiers appeared to be under the influence of alcohol the whole time, especially Lebano I do not understand English.

A few minutes after I let him in, the Canadian Military Police arrived and took Lebano away. Plea of Mitigation in the case of C-100386 Spr Joseph LEBANC.

My client has made a plea of guilty to the charges as read. In his defens E could like to put forth their explanation of the case.
On 30 Sep 44 the accused had just returned from duty and having a free night went to the town of Waldegem for entertainment after going on a sight seeing tour and visiting several cafes where they had five or six drinks of cognac and a similar number of beer and at one cafe bought a bottle of liquor. They found that the cafes were closed and were still desirous of having some beer to drink. They were informed that at the cafe Dena they could still out beer but that the owners were pro Nazi. The proceeded there and when they had rapped at the door the lady appeared to be very excited and there was a scurrying in the back ground. Remebering the warning they had had they decided to search the house for possible enemy agents. Due to being unable to converse with the inhabitants of the cafe their intentions were obviously not understood and the result was that the people thought they were after them. The actions of the owners in making no outcry or summoning any outside assistance leads one to believe that the accused had sound cause for his suspicions. The accused is unable to speak French and any French that he had picked up in the passage through France would be insufficient to make himself understood in any way.

After leaving the Cafe Dena the accused and his companion became separated and the accused inquired at the cafe at 79 Churchill St as to his way home. The lady of the house not being able to converse with him for the same reason was before mistook ~~xixxfax~~ his actions for desiring more beer and cognac. It was at this point that Sgt Anderson and the Provost Corps picked him up.
In judging this case, I would like the court to take into consideration the fact that the accused has been working quite hard throughout the drive from Seine and a large part of the work has been taken place at night and it is understandable that when a night out is had there is a tendancy to overdo things a bit. Also the fact that Waldegem is reputed to be a hot bed of Pro Nazis and even soldiers passing through the town do so with caution.

Captain J. h. Charlebois having been duly sworn states. I am Captain J. h Charlebois of Headquarters Coy R. 22 e Regt. The witness recognizes the accused at 2030 hours 19 May 1945. I was informed by Mr. Debrook that 2 of our soldiers had beaten up a civilian at the village square. So I proceeded to the village square in a jeep with a driver. Before I arrived at the square a car stopped and a passenger got out and stopped the jeep. In the car were the accused and another soldier. I brought them back to their quarters with one in the jeep and ordered them to remain in their quarters. I then returned to the village square to make sure that no other soldiers caused any disturbance. On my way back to the Company from the village square I met the accused and the other soldier on the highway. After a bit of persuasion I got them in the jeep and took them to the Regimental Guardroom and informed them that charges would be laid. They were under the influence of liquor. I say they were drunk. I did not see the civilian Mr Kuster 1 who had been beaten up that night. I saw him on the 21st May (Monday) when he appeared for Coy Orderly Room as witness before the O. Company Company Commander. I was at that time 2 i/c Coy Company. I was present on the afternoon of 21st when the civilian identified the accused as being one of the men who had assaulted him.

Cross Examination by Defence

Mr. Kuster identified the accused immediately as one of the men.

I had to get an escort to put them in the jeep and his clothing was not torn in any way and he did not appear excited.

Mr P Kester, Maadijk 99 Naaldwijk having been duly sworn states that: I am P Kester of Maadijk 99, Naaldwijk. I recognize the accused. I was driving on the Maasdijk road with horse and wagon when I saw 2 soldiers evidently drunk who tried to shove me. Then they swung the bundle of the horse, stopped the horse and wagon and struck the horse. After that the accused tried to pull me out of the cart when I refused to leave the cart I was beaten by the accused. Then I became unconscious. The horse became excited and the horse and wagon slid down the dyke off the road. Then some civilians helped me home and washed me.

Cross Examination by Prosecution

I jumped out off the wagon before the accused pulled me off.

The civilian who helped me home was Mr. Doris Van Der Aaker

The soldiers went away.

I received treatment from my own doctor.

I was present on an identification parade on which there were approximately 21 men. The accused was the seventh or eighth man in the front rank.

I did not talk to the accused before I was beaten up.

The other soldier sat down on the wagon

CW

Cross Examination by defense

The soldiers talked to me but I did not understand them

They did not ask me anything before they stopped me.

Question by the Court

The accused is the soldier who tried to pull me from the wagon. The other soldier sat on the wagon

On that day I saw an Army doctor.

I have marks and scars resulting from the assault

Mr Doris Van den Abbeel having been duly sworn states I am Mr Doris Van den Abbeel of Maandagh 55, Naaldwijk. When I came outside of my house I saw Mr. Kester being struck by a Cdn. soldier. Then Mr. Kester fell down, stood up again and seized the bridle of his horse. The soldier seized the bridle of the horse too, after that horse and wagon slid down in the field. Mr. Kester walked down with horse and wagon down to the field. I went up to the horse and wagon, feed up the horse and wagon and brought Mr Kester to his own home.

Cross Examination by Prosecution

It was about eight o'clock when I saw Mr. Kester being struck.

There were 2 soldiers there.

There was only one soldier beating Mr. Kester.

I was 40 or 45 metres from them.

When the horse and wagon slid down the dyke the soldiers went away.

I saw blood on Mr Kesters face and hands.

Cross Examination by defence

When one soldier was beating Mr. Kester the other soldier was doing nothing.

When Mr Kester was struck down he stood up immediately and grabbed the bridle.

CLOSING ADDRESS IN THE CASE OF Pte LeBouthillier, R22eR.

5 Jun 45

Gentlemen of the Court,

The charge to which the accused pleaded not guilty reads as follows: (here the charge is read over to the court). From the evidence received by the different witnesses for the prosecution, it was stated that the accused did assault P. Kester at time and date mentioned in the charge sheet; thereby occasioning the latter actualbodily arm. There is no doubt as to who did the assault and P. Kester actuall identified the accused positively at an identification parade in presence of Capt J.L. Charlebois. The court had occasion to see for itself the actual bodily arm on Mr P. Kester himself. The accused claims that he does not remember what did happen that day as he was drunk. He did not even denied the charge against him. He was in company with another soldier at the time he meet P. Kester and yet he didn't even ask this other soldier to testify as to what took place that day.

The finding of the court is now in your hands gentlemen and the prosecution is now close. If the court is satisfied that the charge has been clearly prooven then they must find the accused guilty of the charge. But on the other hand, if the court is in doubt as to the guilt of the accused, then he should be given the benefit of this doubt and found not guilty. If this is the case I may point out to the court that if the court think that the accused is not guilty of assault, contrery to section 47 of the offence against the person act 1861, then they may automaticly change the charge to "Common assault" within the military law (AA.56(5)&(6).)

I thank you gentlemen,

[signature]

cw

The accused Pte. Lebouthillier has been in the army for the last four years. He is 23 and has his parents depending on him for living.

He always did a good job, first in England with the artillery and then with the 22e R. where he served for last year. He has been in the field, facing all the dangers of the war and sharing the hardships of a soldier's life with his fellow men, who have great esteem for his courage.

As for the first charge I think that the Court did not establish clearly enough that the accused is really the man who assaulted Mr. Kester.

Mr. Kester is the only one who did identify Pte Lebouthillier as the one who assaulted him - nobody else has seen who really did it

But since Mr. Kester made a mistake as to what the other soldier was doing during that time (he said on the wagon while Mr. Doris Van Der Abeen said "standing on the road" and since he made another mistake when he said he fell unconscious while the other witness said that 5 or 10 seconds later he was running for his head. Why could not we suppose that he was nervous or excited and that his identification of Pte. Lebouthillier is just one more mistake that Pte Lebouthillier is just the first man recorded by his excited imagination.

So I really think that it is a case of mistaken identity or at least I think that the fact is not established clearly enough to motive such a charge.

CW

Closing address by the defence

So I think that the Court should consider his past service in England as well as in the field and be clement for this man who was celebrating the victory he has been working so hard to achieve.

SUMMARY OF EVIDENCE

In the case of No G-49751, Private Edmond LEBOUTHILLIER, on the strength of the Royal 22nd Regiment, a soldier of the Canadian Army Overseas.

By direction of the Commanding Officer, this Summary of Evidence is taken under Oath.

First Witness for the Prosecution

Mr P. KESTER, Maasdijk 99, Naalwijk, having been duly sworn, states as follows: (This statement was duly translated by Mr Cornelis Anthony VOLGERS who himself had been previously sworn by the officer detailed to take the summary of Evidence. The accused has no objection to Mr C.A. Volgers as interpretor).

At approx 2000 hrs 19 May 45, I was travelling on the road leading from Naalwijk to Maasdijk with my wagon pulled by a horse of mine when I saw two (2) Cdn soldiers on the road blocking the way. They appeared to be drunk. One of the soldiers whom I now know as being No G-49751 Pte LeBouthillier E, of the R22eR., seized the horse and stopped it. I was then pulled out of the wagon by the same soldier and beaten by him with his fists. I felt unconcious. While this was taking place, the horse was slightly wounded at his forelegs, the horse-streppings were broken and the wagon itself was driven into the field with its mud-guards broken. One civilian Mr Doris Van Den Akker picked me up and helped me back home. Once home I called for a doctor for treatments. On 21 May 45, I called at the Regt'doctor at the R22eR., also for treatments The cost of damages for the horse and the wagon will amount to 25 guilders and it cost me 15 guilders for medical treatments. My wagon is not yet repaired. I also had a trench coat ruined and it will need cleaning and repairing. The approx cost will be 40 guilders. My glasses were also broken in the struggle. On 21 May 45, I recognised the accused on an identification parade held in "D" Coy lines. I could not recognised the other soldier.

The accused declines to cross-examine this Witness P. Kester

Second Witness for the Prosecution

Mr Doris Van Den AKKER, Maasdijk 55, Naalwijk, having been duly sworn, states as follows: (This statement was duly translated by Mr Cornelis Anthony VOLGERS who himself had been previously sworn by the officer detailed to take the Summary of Evidence. The accused has no objection to Mr C.A. Volgers as interpretor.)

On 19 May 45, sometimes around 2000 hrs, I was coming out of my house when I saw two (2) Cdn soldiers on the road some 40 meters away. I saw Mr P. Kester being struck by one of the soldiers on his right eye while the soldier was holding him with his other hand. Mr Kester felt down on the blow but stood up again to seize his horse. The same soldier also tried to seize the horse, there were a slight struggle and the horse and wagon slipped in the field, on the right hand side of the road. The soldiers then disappeared. I then proceeded toward the scen of the assault and helped Mr Kester in giving him first aid and helping him back home. The latter was wounded at his right hand, right eye and on his head. His glasses were broken and his coat ruined.

The accused declines to cross-examine this Witness D. Van den Akker

On my way back to the Coy office I again met the a/m soldiers on the highway. I then escorted them to the Regt' guard room and informed them that charges would be laid in consequence. Both were under the influence of liquor. I considered them drunk. On 21 May 45, at approx 1430 hrs, I was present at the identification parade where Mr P. Pte Lebrasseur landed with a Rifle Coy on "D" day & has been a good soldier, doing a good job up to the time he went A.W.L. The fact of being always in the front line in a rifle coy, is the reason he went A.W.L. I hope the Court will consider that he was a "D" day man when passing sentence.

JMB

STATEMENT of THE ACCUSED (Continued)

At nine o'clock I returned to my Hut. Monday noon after lunch I was in Hut No. 5 and I asked Pte Rodrigue if he wanted cigarettes. I told him that I was broke and that I wanted to go the pictures that night, and that I needed 3 shillings. He told me that he did not buy cigarettes because he had trouble once and that he did not want any trouble again. I told him I will give you two packets of cigarettes and you will let me have 3 shillings. At pay day or before I will give you back your 3 shillings and you give me back two packets of cigarettes of any brand. He asked me "Can I depend on you" and I told him "Yes". He then give me 3 shillings and I went on parade. On supper parade I was in the ranks when Cpl. Lopez, came to fetch me and brought me back to the hut. "He told me, I have to make an inspection of your kit". I then asked him "Why". I said there was some cigarettes stolen. He made my kit inspection and searched me and did not find anything. I then returned on parade and at 1730 hours they came to fetch me and took me to the Guard Room.

The accused is examined by the Defence.

Q.30 In case you couldn't give the money back, was Rodrigue to keep the cigarettes?

A.30 No Sir.

Q.31 Was the arrangement that if you couldn't give the money back soon he was to wait till pay day.

A.31 Yes Sir.

The accused is cross-examined by the Prosecutor.

Q.32 You heard Pte. Nadeau state that you came into the hut where he was, that you had a packet of cigarettes in your hands, and that you went around asking if someone wanted to buy any cigarettes. What have you to say about the statement of Nadeau?

A.32 I was on parade all afternoon and I didn't go into Hut 4. I didn't have any cigarettes, the cigarettes were given after lunch to Pte Rodrigue.

Q.33 Do you state that Nadeau was lying when he said that?

A.33 Yes Sir.

<u>The Prosecutor, Lieut. J.R. Turner, states.</u>

In summing up, Sir, I wish to summarize the 3 main elements of the charge.

<u>Firstly</u> that although the Daily Order contravened makes it an offence to give cigarettes away as the charge is laid it is necessary to establish the fact that the accused sold the cigarettes. It is for the Court to decide from the evidence before them whether the transaction amounted to a sale or not.

The prosecution contend that as the cigarettes were exchanged for money, that the witness immediately proceeded to make use of the cigarettes a sale had been consumated.

If the evidence of Nadeau is true it corroborates by showing intent on the part of the accused. However either the witness Nadeau or the accused has lied and it rests with the Court to decide the truth in this regard.

<u>Secondly</u> that the cigarettes were such as described in the daily Order. The packages have been produced to show that they were duty free cigarettes.

The Prosecutor, Lieut. J.B. Turner, states:- (Cont'd)

Thirdly, the Court must decide whether or not the accused was given the opportunity of knowing the Order disobeyed. In this regard I wish to point out that there is evidence before the Court that a French explanation of the Order was posted. As the Court have noticed the French Order is not an exact translation of D.O. 2341. I wish to point out that this order is for the purpose of explaining in French the meaning of D.O. 2341. A soldier obeying the French translation would certainly not commit an offence . This French translation also bears the number 2341 and the non-English speaking personel is equivalent to the original order in English. Also in this connection I would like to draw the attention of the Court to the guilty statement of the witness Rodrigue who previous to the sale made a statement to the accused to the effect that he had been framed before and didn't want to be caught again.
In concluding may I draw the attention of the Court to the fact that the accused elected trial by Court Martial. That is all, Sir.

The Defending Officer Lieut. M. Parisseau, states:-

I would like to point two facts to the Court.
Firstly that the accused had not heard the order read.
Secondly. That the transaction was not a sale, but that the cigarettes were given as a guarantee for the 3 shillings given.

The Court is closed for the consideration of the Finding.

The Court is re-opened.

The accused is again brought before the Court.

Court Q.34 Have you any evidence to produce as to the character and particulars of service of the accused?

A.34 6th Witness, Lieut. J.B. Turner states:-

I produce A.F.B. 296 relating to the accused, also M.F.M. 6.

Q.35 Is the accused the person named in the statement which you have heard read?

A.35 He is.

Q.36 Have you compared the contents of the above statement with the regimental books?

A.36 I have.

Q.37 Are they true extracts from the regimental books, and is the statement of entries in the conduct sheets a fair and true Summary of those entries.

A.37 Yes Sir.

To Def. Q.38 Do you wish to cross-examine this witness?

A.38 No Sir.

Q.39 Do you wish to make any statement in mitigation of punishment?

A.39 Yes, Sir.
The accused E-4808 Pte Lebrasseur, J.P. states:-

I only had 5 days C.B. in the last year. I have never been in Civil Court in my life for stealing. If the Court Martial finds me guilty I will have to take the punishment but I am not Guilty.

The Court is closed for the consideration of the Sentence.

2335. PARADES

Parades are as set out in Part I D.O. 2241, dated 25 Sep 42.

2336. PURCHASE OF FOOD AND TOBACCO BY TROOPS ON THE MARCH

1. Instances have arisen recently where troops on the march, on being halted in villages, have been permitted to fall out and purchase food and tobacco in the village shops, with the result that no supplies are available forthe inhabitants.

2. In such cases, the troops, who are provided with adequate rations and who have further provision made in canteens run by NAAFI and Auxiliary Services Organizations, are buying and consuming the limited supplies available for the civilian population.

3. Conduct of this nature is not only a breach of march discipline but is also calculated to damage the good feeling which should exist between the Army and the civilian population.

4. Os.C. will ensure that when on the march or in convoy, troops are forbidden to fall out for the purpose of entering the shops of any town or village in which they may be halted.

2337. AUXILIARY SERVICES VEHICLES - SPEED LIMITS AND TRAFFIC REGULATIONS

1. All orders, rules and regulations prescribing speed limits, traffic regulations and procedure following road accidents and consequent disciplinary action, in respect of the operation of Canadian military vehicles which have been or may hereafter be published will apply in respect of the operation of all vehicles owned or operated by Auxiliary Service Organizations.

2330. COURTS-MARTIAL - SECURITY

Overseas N.O. 1127 is hereby cancelled.

1. Courts-Martial in which highly secret evidence is given are being conducted and their proceedings handled without regard for the necessary security measures.

2. In future the following instructions will be observed:-

(a) If any evidence against an officer or other rank remanded for trial by Court-Martial is of a secret nature, the Officer commanding will ensure that the abstract or summary of evidence is treated as a secret document and that no more copies than necessary are made of it. After the trial all copies of the abstract or summary of evidence (except the copy attached to or forming part of the court proceedings) will be collected from the individuals to whom they have been issued. If, after trial, the accused applies for his copy in order that he may petition, it may be reissued to him on temporary loan.

(b) In any case where evidence is of a secret nature or the question of security is involved, the convening officer may recommend to the president of the court that on that account the trial be held in camera.

(c) If no such instructions have been issued, but during the course of the proceedings matters unexpectedly arise which are of a secret nature, or which involve the question of security the president of the court will ensure that such evidence is not dealt with in public session. A Court-Martial has inherent powers to sit in camera if such a course is necessary for the administration of justice.

(d) The proceedings of all such Courts-Martial held in camera or which contain any matter involving security will be passed under secret cover.

3. In all cases where an officer or soldier is charged with an offence which relates to communicating or attempting to communicate secret information to an unauthorized person, a copy of the Summary of Evidence will be sent for information to Canadian Military Headquarters.

2339. ILLEGAL SALE OF GIFTS FROM CANADA

The British Government agreed to allow gifts for the Canadian Army to enter the United Kingdom, free of duty, on the distinct understanding that these gifts were for personal use and not for resale.

The number of cases of re-sale of gifts, particularly cigarettes and tobacco, are increasing to such an extent that the British Treasury have made representations that unless the Practice is discontinued, they may have to reconsider their decision regarding duty free entry.

The effect of a decision of this nature is obvious and Officers Commanding will take immediate steps to call the attention of all ranks to the fact that they are liable to lose this privilege, which is now enjoyed through the courtesy of the Government of the United Kingdom, and to see that appropriate disciplinary action is taken immediately any cases are reported or come to their notice.

2340. ILLEGAL SALE OF GIFTS FROM CANADA

1. Attention is directed to Routine Order (Overseas) No. 639 and the instruction therein contained that officers commanding will see that appropriate disciplinary action is taken immediately any cases are reported or come to their notice of the sale by personnel of the Canadian Army of gifts, particularly cigarettes and tobacco, which have entered the United Kingdom free of duty.

2. Disciplinary action should be taken promptly in all cases. To facilitate proof and in order that a charge may be laid under Army Act Sec. 11 the following special order is made.

3. The sale, or any disposal on a commercial or barter basis, in the United Kingdom by military personnel to other military personnel or a civilian person or corporation, of any gift or gifts to an officer or soldier of the Canadian Army or for distribution to the personnel of a unit of the Canadian Army, which have entered, or are commonly known to enter, the United Kingdom, free of duty, is hereby forbidden.

The accused, E-4606 Pte J.P. Lebrasseur, Royal 22e Coy No. 1 C.D.I.P.U. states:-

On Sunday October 25th 1942 I came down to the NAAFI around 1900 hours. I played Bingo there. While I played Bingo a soldier came up to me and asked me If I wanted to buy some cigarettes. I tell him yes I want to buy some and I say I have not much money on me. He said "Give me 2/6 and I give you two packets. I give him 2/6 and he gave me two packets of cigarettes which I put in my pocket. He said they were american cigarettes and when he handed them to me I saw that they were Chesterfields. The I went on playing. I know he spoke French but I don't know his name.
On Monday after dinner time I was thinking of going to the Garrison picture and I go into hut number five and see Rodrigue and I told him I wanted to go to the pictures tonight and I say that I have no money. I tell him that I have two packets of cigarettes in my pocket, and I ask him if he want to buy some and he said "No." I said "I'm going to give you two packets of cigarettes and you are going to lend me three bob to go to the pictures. I say to him on pay day I give him three shillings back and he can give me 2 packets of cigarettes of any kind. Then I go on parade. Later Cpl. Riopel examined my kit but he did not find any cigarettes.
I have always been under the impression that it was forbidden to sell cigarettes to civilians only and that between soldiers we could buy and sell some.

1. The Order Convening the Court is read in the presence and hearing of all accused.

2. Each accused is asked whether he objects to being tried by the President or by any of the other Members comprising the Court.

There are no objections to the Court.

There are no objections to the Shorthand Writer.

2(a) The Court, Shorthand Writer and Interpreter are duly sworn

3. Each accused answers to his name, unit and number, is duly arraigned and is asked to plead individually to each of the charges.

Each accused pleads "not guilty" to the 1st, 2nd and 3rd charge.

4. A proper medical certificate is produced for each accused.

5. Rule of Procedure 39A is complied with, and the Defending Officer indicates his readiness to proceed with the trial.

OPENING ADDRESS OF PROSECUTOR: I think, sir, other than to outline the course which I propose taking, I cannot be of any assistance to the Court. On the first charge the essence of the charge, of course, is banding together, or combining together and to that point I will endeavour to adduce evidence. On the two alternative charges it is simply a question of adducing evidence that orders were given for a parade and that the men refused or did not turn out on the parade, although they were there in the neighborhood. Beyond that sir, I am prepared to proceed with the case.

The 1st witness for the prosecution, Capt. L. Dowling, 2 Cdn Div Amn. Coy., R.C.A.S.C., having been duly sworn, is examined:

Q 1 You are the officer commanding "A" Section, 2 Cdn Div Amn Coy. RCASC?
A 1 Yes, sir.
Q 2 Will you tell the Court the syllabus for training on 28 Jul 41?
A 2 The syllabus of training on that day consisted of M/T and bayonet drill, followed after supper by night patrols.
Q 3 I produce to you a document which purports to be a syllabus of training. Can you tell the Court what that document is, where it came from and where it was on the day in question?
A 3 This document is a syllabus of training for the week ending August 2, 1941. It is issued by the Adjutant of the Company and reaches the Section at the end of the week preceding. It is posted up by me in "A" Section Orderly Room when received. It shows the training by day.

(Exhibit P.1)

Q 4 In this particular case it shows Monday, 28th July from 1900 to 2200 hours night patrols under the Section Commander?
A 4 That is correct.
Q 5 Can you tell me when you received this for this particular week?
A 5 Thursday or Friday. I know it was definitely before Sunday.
Q 6 And it was posted before Sunday in the Orderly Room?
A 6 Yes, sir.

Q 7 I produce what purports to be a copy of Daily Part I Orders of 2 Cdn Div Amn Coy. Can you tell me if these orders were posted on the 28th of July?
A 7 Yes, sir.

(Exhibit P.2)

Q 8 Will you tell the Court what orders you gave subsequently to the syllabus as to the night patrol on the evening of 28 Jul 41?
A 8 I was endeavoring to get as many men of the section on parade and at noon on the 28th I decided that as the exercise didn't entail much physical effort, I would have the old guard, which was coming off at 1900 hours, on the exercise. I therefore ordered Sgt. Fortin, the Section Sgt. to have the men ready on parade at 1930 hours on our usual parade ground in front of "A" Section marquees.
Q 9 That is, to turn the parade over to you at 1930 hours?
A 9 Yes.
Q 10 And did you, in fact, take over the parade at 1930 hours?
A 10 At 1920 hours I was leaving the main building to go up to the parade ground, which is a walk of two minutes. As I left the door I was met by Sgt. Fortin--
Q 11 I don't want to bring in any hearsay evidence. Just what did you do?
A 11 I accompanied Sgt. Fortin.
Q 12 You had some conversation with Sgt. Fortin and as a result of that what did you do?
A 12 I went up to the parade ground and found there the N.C.O.'s of my section, but no men. I asked why the men were not on parade. I waited until 1935 hours and then I instructed my N.C.O.'s to follow me down to the orderly room.
Q 13 Did you, in fact, take over the parade that night?
A 13 There were no men there so I couldn't take over the parade. I took over the parade of my N.C.Os.
Q 14 Had you sent your men on any other details?
A 14 No.
Q 15 Did the men go on the night patrol?
A 15 No.
Q 16 What orders, if any, did you give?
A 16 I ordered my N.C.Os. to place the men who were not on that parade under open arrest.
Q 17 And were the men put under arrest?
A 17 They were placed under open arrest
Q 18 Do you know when they were placed under open arrest?
A 18 In some cases they were immediately placed under open arrest and in other cases as soon as they came back to their quarters.
Q 19 When you went out to take the parade at 1930 hours and found no men on parade did you see the men-- were they standing around?
A 19 There were no men on the side.
Q 20 You know all these accused men here?
A 20 Yes.
Q 21 Were they all in your section?
A 21 Yes.
Q 22 Were any of them excused duty that night?
A 22 Not to my knowledge.
Q 23 So that as far as you know they should have been on that parade?
A 23 Yes, sir.
Q 24 I notice that the syllabus provides that the night patrols would commence at 1900 hours and you say you gave orders to have the parade turned over to you at 1930 hours. Was there any particular reason for that?
A 24 It was to enable the men coming off the old guard to go on that parade.

CROSS-EXAMINED BY THE DEFENDING OFFICER:

Q 25 Will you tell me what time the first relief is changed, as a gener rule, but particularly on this evening?
A 25 The changing of the guard is at 1900 hours.

Q 26 Can you tell me how long it takes to complete the change-over. In other words, how long before the old guard is marched off?
A 26 Ten to fifteen minutes.
Q 27 Before a normal parade, where the men have to be fallen in on parade what length of time do you fall them in, before the actual hour of parade, as a general rule?
A 27 I call upon my N.C.Os to have the men there at the time of parade.
Q 28 And you called this parade for 1930 hours?
A 28 Yes.
Q 29 How many men have you in your Section?
A 29 95 all ranks.
Q 30 How many men, on the night of July 28th were on duties that would prevent them from attending this scheme, in round figures?
A 30 I anticipated approximately 55 men on parade.
Q 31 As there are 28 men here who are supposed to have not fallen in on parade and 55 were available for this parade, may I ask where the others were and why they weren't also charged with supposedly having done the same thing?
A 31 I didn't lay the charges and I cannot answer that question.
Q 32 Then what time did you go up to take over the parade?
A 32 I arrived about 1923 or 1924 hours.
Q 33 Were you there at 1930?
A 33 Yes, I waited until 1935.
Q 34 Will you tell me what the conduct of these men was at the time this happened. You, I presume, didn't see them, but when you saw them, were they talking in groups amongst themselves?
A 34 I didn't see the men until the next morning's parade.
Q 35 Their conduct from this on, up to, say the time of the trial, has been satisfactory?
A 35 Their conduct has been exceptionally fine, under very hard working conditions.
Q 36 I would like to have an opinion of what you constitute absence from that area, or absence from that place of parade, or absence from that section area?
A 36 My orders called for the parade to be held at 1930 hours on a plot of grass, approximately the length of three marquees and the width of about two marquees, surrounded by bushes and hedges.

The 2nd Witness for the Prosecution, E0118, Sgt. Fortin, V.G., 2 Cdn Div Amn. Coy., R.C.A.S.C., having been duly sworn, is examined:

Q 37 You are Section Sgt. in "A" Section, 2 Cdn Div. Amn. Coy., RCASC? And you were such on 18 Jul 41?
A 37 Yes, sir.
Q 38 And did you attend the parades that day?
A 38 Yes, sir.
Q 39 And take the roll-call?
A 39 Yes, sir.
Q 40 And can you tell me who of the accused here were on parade at 1330 hours on that day?
A 40 Not from memory.
Q 41 Have you any book or record which will refresh your memory?
A 41 Yes, sir.
Q 42 Have you got it with you?
A 42 No, sir, but I can go and get it.

BY THE COURT:
Q 43 Would the defence like to admit that they were all on the 1330 hours parade?

IT IS FORMALLY ADMITTED BY THE DEFENDING OFFICER THAT ALL THE ACCUSED WERE PRESENT AT THE 1330 HOURS PARADE.

Q 44 During the afternoon the men who were on parade, I understand, carried our the work laid down in the syllabus of training?
A 44 Yes, sir.
Q 45 And from the syllabus there was to be a night patrol for that evening?
A 45 Yes, sir.

Q 46 And did you receive any orders regarding parade for the night patrols from your Section Commander?
A 46 Yes, sir. After Bayonet practice, which ended at 1600 hours I told them that there was to be a night patrol at 1915 hours.
Q 47 During the afternoon in question did you or did you not send any of the accused men away on any special duties or dismiss them from the parade?
A 47 Not as far as I can remember
Q 48 Do you remember if any of the accused men were coming off guard at 1900 hours?
A 48 They were not.
Q 49 That is, none of the men who are accused and stand trial today in this Court?
A 49 No, sir.
Q 50 Will you tell the Court what procedure you adopted in calling and taking over a parade before handing it over to your Section Commander?
A 50 When I arrived on the paradeground at 1915 hours on 28 Jul 41, there were no privates, only N.C.Os. in this section. I had orders from Capt. Dowling to get the parade ready for 1930 hours
Q 51 Did anything happen that day which would have caused any of the men to have left the parade during the afternoon?
A 51 Not as far as I can remember.
Q 52 And will you tell the Court exactly what happened when you went to take the parade at 1915 hours?
A 52 I found only the N.C.Os. on the parade ground and I asked them where were their men. The answer was from the N.C.Os they didn't want to go on parade.
Q 53 Did you see the men?
A 53 I saw the men but I can't say if they are the accused who are in here now or some others. Passing by I asked them "don't you know there is a parade tonight at 1915?" and there was no answer.
Q 54 Were they your men?
A 54 They were from "A" Section. I met them in front of our barracks. It is the only place where our men could go.
A 55 Should they have been on parade?
A 55 Yes, sir.
Q 56 Did they refuse to go on parade?
A 56 They didn't answer me.
Q 57 Did you tell them to go on parade?
A 57 I told them in the afternoon.
Q 58 And what happened next?
A 56 I returned to Capt/ Dowling.
Q 57 And did anything else happen?
A 57 Not that I remember, about the parade.
Q 58 Where were these men to whom you spoke?
A 58 Around their huts.
Q 59 How far was that from the parade ground?
A 59 Not very far. Something like 100 yards, maybe.

CROSS-EXAMINED BY THE DEFENDING OFFICER:

Q 60 Will you tell me something abouth the conduct of these accused when you saw them that evening?
A 60 It was normal, as far as I could see.
Q 61 The following day and from then on?
A 61 It was just as normal.
Q 62 When you went up around the huts that night at 1930 hours did most of the men appear to be in their huts?
A 62 There was a few of them everywhere.
Q 63 Did they seem to be talking in rather loud voices, or were they acting in any unusual way?
A 63 Normal.
Q 64 On the 1600 hours parade how many men were present?
A 64 52, that is officers and sergeants.
Q 65 Have you any record to that effect?
A 65 No, sir, I coulted them only.
Q 66 That is, you can't say whether all these men were present on that

parade or not?
A 66 No, sir, I cannot.
Q 67 If one of your men was in the canteen at 1910 hours on the night of 28 Jul 41 would you have considered him absent from parade at that particular time?
A 67 No, sir.
Q 68 When you went up at 1930 hours what steps did you take with your N.C.O.s to warn the men of the gravity of what they were accused of doing?
A 68 I asked the Corporals to tell the men to come on parade.
Q 69 Do you know if your N.C.Os did this?
A 69 They told me it was the second time.
Q 70 You didn't tell them yourself to go on parade?
A 70 I passed it on before reporting myself to Capt. Dowling.
Q 71 You didn't warn them when you went around there on parade?
A 71 I did.
Q 72 Had any of these accused reason during the afternoon to be absent for such duties as maintenance on their trucks, or would they have had occasion to, shall we say, be sent for any small thing that might occur during the course of the normal day?
A 72 Not with my permission.
Q 73 Were you with this group of men from 1330 to 1600 hours during the afternoon?
A 73 Yes, sir.
Q 74 Then none of these men could have left this parade without asking your permission?
A 74 No, sir.
Q 75 Has this ever happened before, they have left parade without asking your permission?
A 75 Yes, sir.
Q 76 How is your section paraded-- that is, is it paraded by sub-section in charge of corporals, during the normal hours of parade?
A 76 They can't let a man leave to go to any place without my permission.
Q 77 On the afternoon in question there was M/T from 1330 to 1445 hours and you have how many trucks in your section?
A 77 Over twenty.
Q 78 Over how great an area are these trucks, or were these trucks on that particular day, when M/T was being done?
A 78 There were no men left down there on M/T at 1445 hours.
Q 79 Did you make sure?
A 79 I didn't go. They were in charge of Sgt. Turgeon, the M/T Sgt.
Q 80 During this time couldn't have Sgt. Turgeon given permission to any of these men to leave?
A 80 Maybe.
Q 81 Did all the accused parade at 1500 hours with their rifles for bayonet fighting?
A 81 I couldn't say.
Q 82 You have no record of each individual?
A 82 No, sir.
Q 83 Then you couldn't swear that all these men were present on that parade?
A 83 No, sir.
Q 84 If any of your Section men's rifles were in the Q. M. Storesfor repairs or anything would they just fall in on this bayonet fighting without their rifles?
A 84 Yes, sir. Because this parade is followed by P.T.
Q 65 What time did you leave the men when you found out they wouldn't do as they are accused of having done?
A 65 I turned about on the parade ground at 1935 and I went back to the orderly room. I went up to the Orderly Room with the Corporals and Capt. Dowling.
Q 66 What time did you see Capt. Dowling first that evening?
A 66 Around 1930 hours.
Q 67 Where did you meet him or see him?
A 67 Very near to the Orderly Room of "A" Section. He was coming to take his parade.

BY THE COURT:
Q 68 At what time, or did you actually order a parade for this particular night?

21

A 88 At 1600 hours.
Q 90 And what time was the parade to be?
A 90 1930 hours by the Captain.

RE-EXAMINED BY THE PROSECUTOR:

Q 91 You have told us, Sgt. at that time you told the men to go on parade?
A 91 I didn't say to go on parade. I said "don't you boys know there is a parade tonight," and there was no answer at all.
Q 92 And what did you do?
A 92 I just walked away, sir.

BY THE DEFENDING OFFICER:
Q 93 Who took the P. T. Parade that afternoon?
A 93 I can't remember very well whether it was Lieut. Symons or Cpl. Savoy.
Q 94 Did you attend this parade?
A 94 Yes, sir.
Q 95 And you were on the parade ground between 1600 and 1700 hours?
A 95 Yes, sir. They went down for a swim.
Q 96 And from 1500 to 1600 hours you were there without a break?
A 96 Yes, sir.
Q 97 And it was between the parade of bayonet fighting and the P.T. that you advised the parade for that night?
A 97 It was at 1600 hours.
Q 98 Did you, at any time, when you were up there with the men from 1915 hours on order them to fall in on parade?
A 98 No, sir, I just told them.
Q 98 And was there during the afternoon a medical inspection?
A 99 A bath parade and foot inspection.
Q 100 During the afternoon?
A 100 Yes, sir.
Q 101 At what time?
A 101 After the bath parade.

BY THE PROSECUTOR:
Q 102 What time was the bath parade?
A 102 Between 1600 and 1700 hours.

The 3rd witness for the Prosecution, E14093, Cpl. Lantier, C., 2 Cdn Div. Anp. Coy., M.C.A.S.C., having been duly sworn, is examined:

Q 103 You are in charge of No. 1 Section?
A 103 Yes, sir.
Q 104 And as a sub-section commander are you familiar with the syllabus of training?
A 104 I knew it for that day. We had our highway drill in the afternoon. I think we had some bayonet fighting. In the evening we had patrols.
Q 105 What orders were given regarding the evening patrols?
A 105 I received orders from the Sgt. in the afternoon for the evening training.
Q 106 What were these orders?
A 106 Parade to be held at 1915.
Q 107 Where did you receive these orders?
A 107 On the parade ground. They were verbal orders to all the N.C.Os. by the Sergeant.
Q 108 Who were on the parade grounds at that time?
A 108 Most of the Section, but I can't say if all the Section was there.
Q 109 Tell the Court what you did regarding the evening parade after supper?
A 109 I arrived at my hut by 1900 hours and I called the parade at 1905.
Q 110 And what happened then?
A 110 I called the parade again at 1915 and nobody answered the call.
Q 111 From where did you call the parade?
A 111 On the regular place in front of my own hut.
Q 112 What men were there?

23

A 112 In my own opinion there was nobody in the hut.
Q 113 How many of your sub-section did you call on to go on parade?
A 113 When I called the parade my own sub-section was on the other side of the road, facing my own hut. They didn't fall in. I put them under open arrest and I returned to the Section Sergeant. As far as I know the Sgt. took charge of all these things after that. He told me when I was calling my xxxx tattoo roll call in the evening to say to all the men that they were under open arrest.
Q 114 Did you attend the 1330 parade that afternoon and take a roll call?
A 114 Not ~~it~~ I.
Q 115 Does the sergeant take the roll call of the whole section?
A 115 I don't remember.
Q 116 Were any of your men missing from that parade?
A 116 I don't know. I didn't make any roll call.
Q 117 How many of your sub-section were standing around when you called the parade at 1915 hours?
A 117 As far as I can judge they were all there.
Q 118 What did they say when you called them on parade?
A 118 Absolutely nothing.
Q 119 What did you say?
A 119 I called the parade again 10 minutes later.
Q 120 What hap pened after you reported to Sgt. Fortin?
A 120 As far as I am concerned I stayed on the parade ground, but Sgt. Fortin took charge after that.
Q 121 How long did you remain on the parade ground?
A 121 At the most 15 minutes
Q 122 And then what happened?
A 122 We received orders to report ourselves to the Section Commander.
Q 123 Did the men fall in at any time that evening?
A 123 They fell in for supper
Q 124 Was there any parade that evening at all, for the patrol?
A 124 Our Section had a parade, but it didn't take place.

CROSS-EXAMINED BY THE DEFENDING OFFICER:

Q 125 What time did Sgt. Fortin leave the parade ground after you called the parade and no one fell in?
A 125 I can't say exactly, but I left my hut around 1915, there must have been a few minutes. He left around 1930.
Q 126 Was Capt. Dowling with him at the time?
A 126 I don't remember.
Q 127 What are your duties in charge of No. 1 Sub-Section?
A 127 I am responsiboe for my own sub-section when they are on duty or anything else.
Q 128 Is the sub-section left to you to handle, subject to your reporting to higher authority?
A 128 In this case I was responsible to form up my parade at 1915 so that I could give it back to Sgt. Fortin.
Q 129 When you are doing, for example, M.T. You are doing it as a sub-section-- you are in charge of your sub-section, subject to the M.T. Sergeant's supervision?
A 129 Yes, sir.
Q 130 Have you permission to excuse any of your men from that parade, for any reason?
A 130 I have to ask the Sergeant for that.
Q 131 Have you ever given anyone of your sub-section permission to leave a parade, without asking permission?
A 131 Only after I reported to the Sergeant.
Q 132 I don't mean excused from parade, I mean given permission to leave the parade for 10 minutes to go to the lavatories or to go to the R.A.F. or something like that? Have you ever given your men permission to do that without asking the sergeant's permission?
A 132 Yes, it happens very often.
Q 133 How often do you make a roll call of your sub-section during the day?
A 133 Just in the morning and at tattoo at night.
Q 134 You say you were told about the 1915 hours parade at approximately 1600 hours in the afternoon?
A 134 Around that.

Q 135 And I understand you say that the N.C.Os. were called out and told about this parade?
A 135 Yes, sir.
Q 136 How were the men to know about this parade?
A 136 The Sgt. was to tell them in front of the parade.
Q 137 Were you on parade from 1500 to 1700 hours?
A 137 It may have happened that I left, but I was on parade.
Q 138 Did you hear Sgt. Fortin advise the men of your section about this parade?
A 138 Yes, sir.
Q 139 Can you tell me why he didn't make one announcment of the parade or why he called the N.C.Os out first and then turned around and gave it to the men?
A 139 I think the sergeant addressed the whole section before addressing the N.C.Os. to warn them for the parade, but he addressed the N.C.Os. after and I think he wished to tell us what dress we were to wear that evening.
Q 140 You only think-- you don't know-- whether he told the men before he told you or after he told you?
A 140 I can't say if it was before or after.
Q 141 But you did hear him?
A 141 Yes, sir.
Q 142 What hour did he call the parade for?
A 142 I can't remember.
Q 143 Did he say that in a loud enough voice so that everyone on parade could have heard him?
A 143 It is very difficult to answer.
Q 144 Was all your sub-section onparade then?
A 144 Just as I said to you a few minutes ago. I didn't make any roll call of my sub-section.
Q 145 You called a parade yourself of your sub-section for what hour?
A 145 1905.
Q 146 Why did you call it half an hour before the actual hour of the parade?.
A 146 My orders were to lead my sub-section on the parade ground for 1915.
Q 147 What time did you report to Sgt. Fortin?
A 147 I must have left my hut immediately after calling the last parade, something like 1916 or 1917.
Q 148 Did you order the men to fallin on parade at 1905?
A 148 No, sir, I gave the order when they still had ten minutes to get ready.
Q 149 Did you order them to fall in on parade at 1915?
A 149 Yes, sir.
Q 150 And they refused to obey your order?
A 150 They didn't answer me.
Q 151 When this happened what did you do then?
A 151 I put them under open arrest.
Q 152 And do I understand you, at 1915 you told the men "you have ten minutes to get ready for parade?"
A 152 Yes, sir.
Q 153 And at 1915 you told them to fall in?
A 153 Yes, sir.
Q 154 No one obeyed your command?
A 154 Nobody.
Q 155 You immediately put themunder open arrest?
A 155 Yes, sir.
Q 156 What chance did you give them to obey that order of yours?
A 156 At 1905 I warned them that they still had 10 minutes, at 1915 the groups of men that were before me weren't dressed to go on the parade yet.
Q 157 Would you say that they were refusing to go on parade and were they not merely ready and a trifle late for parade?
A 157 They didn't refuse my parade; they might have been late.

BY THE COURT:
Q 158 When men are warned for parade there is usually some form of activity, that is getting dressed, putting on equipment,

shining boots. What form of activity did you notice after you gave the order to get on parade?

A 158 Nothing, sir.

The 4th Witness for the Prosecution, E14039, Cpl. Gagne, G., No. 2 Sub-Sec. 2 Cdn Div. Ammn. Coy., R.C.A.S.C., having been duly sworn, is examined:

Q 159 You are in charge of No. 2 Sub-section?
A 159 Yes, sir.
Q 160 Were you on the 1330 hrs. Parade on 28 Jul 41?
A 160 Yes, sir.
Q 161 And were you familiary with the syllabus of training for that day?
A 161 For the day, yes, not for the evening, as for the evening syllabus it had been given to me by the sergeant.
Q 162 What orders did you receive as to the evening training?
A 162 Concerning the evening training I received the orders to bring my sub-section on the parade ground to be fallen in by 1915.
Q 163 And when did you get these orders?
A 163 The Corporals were a little bit far away from the sub-section in one other group and I can't say exactly where it was I received these orders.
Q 164 Approximately?
A 164 Before supper, before 1715.
Q 165 And what orders were given to your men about the evening parade?
A 165 I didn't give the general orders. First we went on a reconnaisance, we didn't have supper at the same time as the other sub-sections, we had supper at the double, because the Corporals had been called to go on a reconnaisance immediately after supper at 1745 hours.
Q 166 What orders did your men receive during the afternoon?
A 166 All what I heard, "there is a parade tonight," when I was with the men. Sergeant Fortin gave that order.
Q 167 When was that?
A 167 It was around 1600 hours.
Q 168 What did you do regarding the evening parade?
A 168 Before going on reconnaisance, it was exactly 1740. I passed in my hut and I didn't notice what men were there, but I told them there is a parade tonight, and after that I went on the reconnaisance with Lieut' Symons and the other Corporals. I came back from the reconbaisance and I went into the canteen with Corporal Lantier. I came back to my hut at 1900 hours sharp. I told my sub-section, just as usual, "No. 2 Sub-Section, fall in." This was around 1905. Nobody moved, nobody talked. At the moment I didn't say anything because it happened sometimes when we say "okay, fall in boys" and then I went in my hut and I got back outside my hut around 1910 and I called the parade again. Nobody moved; nobody spoke. I waited until 1915 shapp and when I saw that nobody was falling in I said "No. 2 Sub-section open arrest". Then I reported myself to Sgt. Fortin on the parade ground.
Q 169 How were the men dressed then?
A 169 Some had the blouse on, others didn't, generally speaking they were in all kinds of dress.
Q 170 What was the dress ordered for the parade?
A 170 Battle order.
Q 171 How many of your men were there at that time?
A 171 Nearly everybody was there.
Q 172 And what happened after you reported to Sgt. Fortin?
A 172 I told Sgt. Fortin I had called my parade and nobody moved and nobody spoke and he said "don't you thinkit would be better to go and tell them a second time to fallin?" I told him I had called them twice and asked him if he didn't think it would be better for him to go and tell them himself, and he said to me "okay". I don't know what happened after that. Sgt. Fortin came back from seeing the men and he said "I am going to report this matter to Capt. Dowling. Capt. Dowling came back five or ten minutes after with the Sergeant and he said "okay, all the Corporals there is a meeting in the Section Orderly Room.

Q 173 What happened after that?
A 173 He asked us the same questions that you are just asking me. He asked us what did we do and I told him exactly what I have said and he said to leave them under open arrest. A little bit later I put them one by one, the only ones I can remember are Geo. Beaulleau, George Levesque, Billingsley and Gagne, L.
Q 174 Are they the only four that you put under arrest like that?
A 174 No, sir, twelve men.
Q 175 How many of these men are in your Section?
A 175 At the present time there are still eleven of them
Q 176 What was their attitude when you ordered them on parade?
A 176 One was walking in the direction of the hut and the others were sitting around there talking.
Q 177 How did they look?
A 177 It looked to me as if they showed signs as if they were acting, they pretended as if they didn't understand me, but they understood all right.
Q 178 How many men are there in a sub-section?
A 178 In my sub-section 16 men. Myself, a lance-corporal and 14 men.
Q 179 And there are 11 of the accused belong to that sub-section?
A 179 Yes, there were 12.
Q 180 What about the other two?
A 180 The other two were on guard that night, the old gunnd.
Q 181 Do you live in the same hut as the sub-section?
A 181 Yes, sir.

CROSS-EXAMINED BY THE DEFENDING OFFICER:

Q 182 How long would it take your men, having been told to fall in on parade, right away, to dress for that parade?
A 182 When I am doing it myself very quickly. It takes me five minutes.
Q 183 You are in charge of No. 2 Sub-Section?
A 183 Yes, sir.
Q 184 Were you present on the parade from 1330 to 1700 hours on the 28th of July?
A 184 Not up to 1700 hours, because at 1600 hours the parade by itself is finished, and we had after that a bath parade and foot inspection.
Q 185 You said earlier that Sgt. Fortin told the men about this parade somewhere before a quarter after five?
A 185 No, sir, I talked about 1600 hours.
Q 186 Did you hear him?
A 186 I just understood-- I heard that he said to the men there was a parade that night.
Q 187 You can't remember how he said to fallin?
A 187 I can't remember if they gave them any hour to fallin.
Q 188 How were they to know when to fall in?
A 188 They told us, all the Corporals together, at what time the parade was to be and this is the way we were warned. I can't remember if he did say 1900 or 1915 hours.
Q 189 What time did you tell the men of your Sub-Section about this parade?
A 189 After my supper I told the men.
Q 190 You didn't take a roll call?
A 190 No, sir.
Q 191 You can't say whether they were all there?
A 191 No, sir.
Q 192 When you went and reported to Sgt. Fortin what had happened what time was that?
A 192 It must have been about 1920, because I left from the front of my hut after 1915.
Q 193 You say you said "come on, fall in, boys"?
A 193 What I did say, before it happens often that we used these words " fall in, boys," but on that mentioned evening I told them "No. 2 sub-section fall in" and then very naturally I went into my hut
Q 194 Where do the men normally fall in?
A 194 In front of my ownhut.
Q 195 Did you order them a second time to fall in?
A 195 Yes, sir.

Q 196 When you are in charge of your Sub-Section do you ever give your men permission to leave to go to, say the Section Orderly Room, R.A.P., or down to see the M/T Sergeant?
A 196 When I, myself, am in charge of the Section I can give them permission.
Q 197 (BY THE PRESIDENT) What is the length of your service, Cpl?
A 197 17th of September it will be two years.

The 5th Witness for the Prosecution, E14454, Cpl. P. A. Bertrand, No. 3 Sub-Section, 2 Cdn Div Amn Coy., having been duly sworn, is examined:

A 198 Yes, sir.
Q 199 Which of these men were in your Sub-Section?
A 199 Loughlin, Thompson, Pettigrew, F. and Verrault.
Q 200 Were any of these four men on guard with you that night?
A 200 No, sir.
Q 201 Were you on the afternoon parade at 1330 hours?
A 201 No, sir.

CROSS-EXAMINED BY THE DEFENDING OFFICER:

Q 202 You are in charge of No. 3 Sub-Section?
A 202 Yes, sir.
Q 203 When you were following out a routine parade, such as M.T. you were solely responsible for the men at that time?
A 203 Most of the time I have my own Lance-Corporal with me, under the supervision of the M.T. Sergeant.
Q 204 Have you, on your own, in cases like that given permission for your men to leave the parade to go say, to the orderly room or the lavatories?
A 204 Yes, sir.

BY THE COURT:
Q 205 Who provided the guard that day?
A 205 There was some of Sub-Section 3, some of H.Q. some of No. 2; I am not very sure if there was some from No. 1. They were all mixed up.

Q 206 How many men did you have on your guard?
A 206 Nine.
Q 207 What did you do with these nine men when you finished your guard duty?
A 207 After I marched out from the guard I left my men in front of the hut and I returned to Sgt. Portin and asked him what I was to do with these men. He didn't answer, so I went back and dismissed my men to have some washing and go to the cookhouse.
Q 208 Where was the remainder of your Sub-Section?
A 208 I didn't care about the remainedr of my men. When I came back off guard I immediately reported myself to Sgt. Portin.
Q 209 When you came back off guard were the rest of your Sub-Section in the Section hut?
A 209 Frankly speaking, I didn't see any men in my hut or around.
Q 210 How much service have you?
A 210 Since May, 1940.

The 2nd Witness for the Prosecution, Cpl. Lantier, recalled:

A 211 Leblond, Grogan, Lavoie, Hudon, Duford, Hogan, Demers, L'Heureux, Baker and Connell.
Q 212 How much service have you?

The 6th Witness for the Prosecution, E14266, L/Cpl. Roy, G., #3 Sub-Section, 2 Cdn Div Amn Coy., R.C.A.S.C., having been sworn, is examined:

Q 215 Yous re 2 i/c No. 3 Sub-Section and were so on 28 Jul 41?
A 215 Yes, sir.
Q 216 And you were on the 1330 hours parade on 28 Jul 41?
A 216 Yes, sir.
Q 217 And what training did you do that afternoon?
A 217 Bayonet fighting, one hour of drill, bath parade and foot inspection
Q 218 Did the syllabus provide for any other training for that day?
A 218 I didn't see the syllabus.
Q 219 Did you receive any orders as to any other training that day?
A 219 No, sir. At 1600 hours I heard about a parade for 1930 hours.
Q 220 What orders were you given?
A 220 To get ready for a parade at 1915 hours.
Q 221 Where were you when you received these orders?
A 221 On the parade ground
Q 222 Who gave you these orders?
A 222 Cpl. Gagne, sir.
Q 223 What did you do about the parade that was called for 1915 hours?
A 223 I reported myself to the parade ground. I warned my Sub-Section that there was a parade to be held at 1915 hours.
Q 224 What did you do next?
A 224 I began to prepare myself for the parade and at 1910 I told the boys to get ready to walk to the parade ground. At 1915 hours I went over to the N.C.O.'s to call their own parade and I called my own parade, too. Nobody moved or attempted to move.
Q 225 Where were you when you called the parade?
A 225 In front of my own hut.
Q 226 And where were your men?
A 226 They were all dispersed all around.
Q 227 In how big an area?
A 227 One acre.
Q 228 Were they around the hut?
A 228 No, sir, they were in front of the hut. A few minutes after 1915 I went to get the Sgt. Sgt. Fortin turned about and went to report himself to somebody else. I don't know who. I remained on the parade ground and the Captain came back. The Captain led us to the Sub-Section Orderly room and we had a meeting and he talked about all kinds of subjects. I received a dismissal from the Capt. and I came back to our hut. When I came back there were only a few in the hut. I told them when they didn't go on parade they were to consider themselves under open arrest until further orders. I said the whole Sub-Section #3 is under open arrest.
Q 229 What happened when you told the men to get ready for parade?
A 229 Nothing.
Q 230 Did they start to get ready for the parade?
A 230 I had work to do. I didn't notice, sir.
Q 231 You told us that at 1905 you told the ~~xxxx~~ men to get ready for parade. Did they get ready for parade?
A 231 I don't know. I had work to do. I didn't see it.
Q 232 In any event, they weren't ready for parade at 1915 hours?
A 232 No, sir.

CROSS-EXAMINED BY THE DEFENDING OFFICER:

Q 233 How many men are there in your Sub-Section?
A 233 14, including the L/Cpl. and Cpl.
Q 234 Yourself and four men were on guard on the night of the 27/28 July?
A 234 Yes, I had three men on guard.
Q 235 How many men were not on guard then?
A 235 Eleven.
Q 236 During the day of the 28th 11 men were not on guard?
A 236 Yes, sir.
Q 237 You were in charge of the 11 men who weren't on guard?
A 237 Yes, sir.
Q 238 Were they on parade in the afternoon?
A 238 Yes, sir.
Q 239 You are with No. 3 Sub-Section?
A 239 Yes, sir.
Q 240 Then when you went on the parade at 1915 hours some of your men fell in on parade?
A 240 None of them, sir.

BY THE COURT:
Q 241 I would like to ask the witness to describe his feelings when he gave the order to get on parade and no one moved?
A 241 I was surprised that nobody moved.

The 7th Witness for the Prosecution, Capt. J. A. Mercier, 2 Cdn Div Amn Coy., having been duly sworn, is examined:

Q 242 Capt. Mercier, you are O.C. "B" Company 2 Cdn Div Amn Coy?
A 242 I am.
Q 243 You were present when the accused made certain statements in writing and signed them before you?
A 243 Yes, sir.
Q 244 These statements were made to you?
A 244 Yes, sir.
Q 245 What did you say, if anything, to each of the accused before such a statement was made to you?
A 245 I warned them and I told them that there was nothing to be gained and nothing to be lost. This evidence may be used before a Court Martial. I had them in front of me and before they gave any statement I warned them that the evidence that they were going to give may be taken again in Court and they have nothing to gain or nothing to lose by giving this evidence.
Q 246 I produce a statement P.3, will you tell me what that is?
A 245 That is my handwriging and that is the statement of Dubeau.
Q 247 And what is that?
A 247 That is his signature and that is my initial. I initialed every statement I took.
Q 248 That is the statement Dubeau made to you?
A 248 And before signing I had them read their statement and I read them myself. "Now that is what you gave me. Is that right?" and he signed it.

THE DEFENDING OFFICER: May I object to this evidence going in yet?

THE COURT: I don't think we want him to read the whole of the 28. I think if you establish the fact that he took the summary of evidence--

THE PROSECUTOR: I want to prove each one separately.

BY THE COURT:
Q 249 Could you tell me, Capt. Mercier, if, when taking down these statements, you were acting according to the provisions of that recent D. R. O. 772, procedure in taking down abstracts of evidence?
A 249 I had read the D.R.O. 772 before taking the abstract and that is how you will find that the abstract is done, by handwriting, and I have warned them, and I don't believe they thought it was a summary of evidence. I warned them that this was to get information as to what had happened and it may be used against them in a Court Martial.

37

Q 250 And you feel satisfied that each, in turn, realized---
A 250 Yes, sir.
Q 251 Were they also warned that they didn't have to make a statement if they didn't wish to?
A 251 I told them before, "if you don't want to make a statement you don't have to; if you make a statement it may be taken against you." They knew they didn't have to make any statement and if anything might come up after that, if they don't want to make a statement the Court will decided what to do with them.

THE DEFENDING OFFICER MOVES THAT THE STATEMENTS BE EXCLUDED FROM THE RECORD.

THE COURT IS CLOSED TO CONSIDER THE MOTION.

THE COURT IS RE-OPENED AND THE COURT RULES THAT THE STATEMENTS ARE ADMISSIBLE AGAINST THE ACCUSED.

THE COURT ADJOURNED UNTIL 1000 HOURS, WENDESDAY, 20 AUG 41.

THE COURT RE-ASSEMBLED AT 1030 HOURS, WEDNESDAY, 20 AUG 41.

THE PRESIDENT CALLED THE ATTENTION OF THE PROSECUTING AND DEFENDING OFFICER TO PAGE 92 OF M'M.L. REGARDING THE ADMISSIBILITY OF EVIDENCE, AND THE BALANCE OF PARA. 78

THE PRESIDENT: The Court wishes it brought out by Capt. Mercier the method by which he took the written evidence.

CAPT. MERCIER IS RECALLED:

THE PROSECUTOR: Is this going to dissolve itself to a trial within a trial because if it is the situation would have to be determined so that if the defence propose to call any of the accused--

THE COURT: It is in no sense a trial within a trial and the defence may call any of the accused as witnesses if the defending officer so desires, but the Court willhear Capt. Mercier's evidence of the taking of the evidence.

THE PROSECUTOR: Do you wish me to bring out evidence as to what was simply done with regard to these statements, which are in issue?

THE COURT: Just as to the taking of the statements for the present.

BY THE PROSECUTOR:

Q 252 Capt. Mercier, you were asked to take an abstract of evidence in accordance with D.R.O. 772?
A 252 Yes, sir.
Q 253 And after taking that abstract certain statement were made to you by the accused which were taken down in writing and signed by each of the accused as to his own statement. Is that correct?
A 253 Yes, sir.
Q 254 Will you tell the Court exactly what took place with reference to these statements which were made by the accused?
A 254 Would you like me to start at the beginning, after this thing happened on Monday night? I was called to the C.O.'s office the next morning. Col. MacQueen, C.R.C.A.S.C., was there, he told me what had happend and he told me that a charge was laid against these men and told me to look up D.R.O. 772 as to how to take an abstract and to have this done as soon as possible. I told him that would be done. I went into Capt. Dowling's orderly Room and told him that I might need him to get the story of what had happened. Before taking a statement of any of the accused I warned them that they didn't have to make any statement and anything that would be said might be

taken down in writing and might be used against them and they had nothing to gain or nothing to lose by doing so, and I went on taking the abstract.

Q 255 Did you, or anybody else, hold out any inducement, in order to obtain these statements from these men?

A 255 Never. And Col. MacQueen told me before starting, the same thing, to warn them and not to have them say anything under using my authority to have them say anything.

Q 256 Did you or anybody else exercise any pressure of any sort on these men in order to obtain these statements?

A 256 I was the only one to take the abstract.

Q 257 Was any promise made to these men?

A 257 Never.

BY THE COURT:

Q 258 Did you state, Capt Mercier, that each and every man was warned?

A 258 Each and every man was warned before giving a statement and before and after signing it.

BY THE PROSECUTOR:

Q 259 These statements were taken down in your hand-writing?

A 259 Yes, sir.

Q 260 Were they read over to these men before they were signed?

A 260 I had the original statements signed by them first and then I found out it wasn't very very clean , so I made them out over again and had them read the statement and sign it again. I didn't have every one sign it myself, because I had to leave, but they all had an opportunity of reading them themselves.

Q 261 Did you give them any order to sign these?

A 261 I told them that they weren't obliged to sign if they didn't want to sign not to sign.

CROSS-EXAMINED BY THE DEFENDING OFFICER:

Q 262 Might I ask, sir, that the original rough copies of these statements be produced in evidence?

A 262 I haven't got them.

Q 263 Where are they?

A 263 When I left on the advance party I had these put in my box and I cannot find the originals. It is not as you might call an original. It is just a rough draft. I couldn't take a statement offhand like that and make a clean job of it.

Q 264 What I want to bring out is that there is a possibility that when the statement was put in in the new form that the wording may be changed, so that it wasn't what the accused meant to say.

THE PRESIDENT: There is that possibility, but no one who has taken any evidence in a Court of Inquiry or Board of Officers, or an abstract or summary of evidence knows that the particulars especially have to be taken down in writing and they are generally not a very clean job and then they are put together and in many cases later typewritten out, which are referred to the maker of the statements for signature.

BY THE DEFENDING OFFICER:

Q 265 What charge did you read to the men before you warned them?

A 265 I think you misunderstood me. I didn't say that I read the charge.

Q 266 I understand the charge has to be laid and then the accused warned?

A 266 That is not my business.

THE COURT: It is not necessary, the men were placed under open arrest and being placed under open arrest pre-supposes that they have done something wrong and that also pre-supposes that a charge will be laid. In other words, that they have committed a crime. I am presuming that all of these men can read, but I suppose that some of them could not read.

Q 267 May I ask Capt. Mercier if you had an interpreter to read out the charge to them?

A 267 I couldn't find out who couldn't read.

Q 268 There are several who can't read?

A 268 Maybe they can't read now but they could read then.

RE-EXAMINED BY THE PROSECUTOR:

Q 269 Did these men understand what they were signing?
A 269 Perfectly, in my opinion. With my explanation and telling them what they had done and I asked them now, what have you got to say about that. I explained to them that what they might say might be taken against them, so in my opinion they knew exactly what they were signing.

BY THE COURT:
Q 270 These were your instructions from Colonel McQueen before taking the summary?
A 270 Yes, sir.

THE DEFENDING OFFICER: I object to the admission of the statements, firstly because they were taken under force or compulsion and to substantiate that I would like to call the accused; secondly they weren't properly warned; and thirdly the original charge, as I understand from the accused was simply of disobeying a lawful command given by a superior officer in the execution of his duty. Fourth that the accused thought that this was a Court of Inquiry with reference to the meals that had been served and fifth that corrections were necessary in the two statements and I feel that were really necessary.

THE PROSECUTOR: My friend has made some statements which are evidence. There is no evidence of them before the Court. Is he going to produce the accused on the witness stand to substantiate these statements which he has made. If so, it involves a trial within a trial.

THE PRESIDENT: If the accused are called it is under the usual procedure adopted in calling the accused.

THE DEFENDING OFFICER: In other words I am hoping to be able to call the accused in this case as witnesses and to substantiate the reasons why I want these statements thrown out. It is the only way I have of proving that they were taken under force. They thought it was a Court of Inquiry.

The 8th Witness for the prosecution, Lieut. W. C. Newman, H. Q., 2 Cdn Div., having been duly sworn, is examined:

Q 271 You are a commissioned officer in His Majesty's Canadian Forces Overseas?
A 271 Yes, sir.
Q 272 And you are posted to 2nd Divisional Headquarters?
A 272 That is right.
Q 273 What are your duties there?
A 273 My duties are those that are the proper duties of the A.D.J.A., which includes advising Commanding Officers on matters of discipline.
Q 274 You say advising Commanding Officers. I assume also that your advice is available to other officers in connection with matters pertaining to your Department?
A 274 That is true.
Q 275 And I assume that you have, on many occasions, given your advice in connection with the taking of summaries of evidence and abstracts of evidence and statements from accused persons?
A 275 That is true.
Q 276 And in this case there are certain statements purporting to have been made and signed by the accused who are in Court and which were taken, according to the evidence which is now before us, by Capt. Mercier?
A 276 I was present when statements were given by two or three of the accused now before the Court, but not all of them. I was there at the start and advised Capt. Mercier in the manner in which to take them.
Q 277 Were all the accused present at that time or just two or three?
A 277 No, actually they came in, when I was there, one by one.

Q 278 And did you advise Capt. Mercier as to the proper procedure in that case?
A 278 I did.
Q 279 And what procedure was carried out by Capt. Mercier while you were there?
A 279 I can become quite specific, as a matter of fact, if it would help you. If I see the statements-- the first statements that were taken in my presence-- the first was that, if I recall correctly, Pte. Thompson.

THE COURT: I don't want the statement read at this time.

THE WITNESS: (continuing) Pte. Thompson came before Capt. Mercier; there was some conversation with Pte. Thompson.

Q 280 What was that conversation?
A 280 It was a discussion of what actually took place prior and during the parade at which the accused is alleged to have failed to attend and then Pte. Thompson was warned that he was requested to make a voluntary statements, that the statement might be used in evidence against him, that he had nothing to hope for or fear in making it. That warning was actually written in, I believe, in the statement, which he signed in our presence. Pte. Thompson read the warning and, as I remember, stated that he wasn't quite aware of the gravity of what he had done previously, but now he was willing to take his punishment.
Q 281 Was he told that he had to make a statement or was he told that he didn't have to make a statement?
A 281 He was clearly told and it was impressed on him that it was a voluntary statement. He wasn't forced to make any at the time. I think Pte. Thompson would be the first to admit it.

THE COURT: Let us just keep to the point of how these people were warned, and was Capt. Mercier instructed in the way of taking evidence

THE WITNESS: (continuing) Two or three more statements were taken in this manner and Capt. Mercier was instructed that the warning given to Thompson and the others must be given to any soldiers whose statements he obtained and failure to do so would render these statements inadmissible before a Court-Martial.

Q 282 Was the proper procedure carried out by Capt. Mercier as to these men whom you saw give statements?
A 282 In my opinion-- it is opinion evidence-- yes.
Q 283 And was any threat made to them in your presence?
A 283 No, there was no threat, and in fact in the statements which were signed by the men it was definitely incorporated in the statement that they made the statement without fear of threat or hope of reward.
Q 284 Was any promise held out to the man?
A 284 No, there was no promise when I was there.

CROSS-EXAMINED BY THE DEFENDING OFFICER:

Q 285 You said that it was very clearly brought to their attention that any statement they might make might be used against them?
A 285 It was impressed as clearly as I knew how, both verbally and in writing that these statements were voluntary and might be used in evidence against them.
Q 286 Would you say that this was brought more stongly again to their attention, that they didn't have to make a statement?
A286 The voluntary nature of the statement, as I said before, was impressed on the people who appeared before me, and I recollect, as a matter of fact, in this specific instance, of telling Pte. Thompson that he didn't have to make a statement.
Q 287 Referring to Pte. Thompson, you said that he was called into the

orderly room in your presence and Capt. Mercier's presence and a conversation took place?

A 287 That is true.

Q 288 Was any charge read out to him?

A 288 Not in my presence, but I understand that one was, two or three days previously.

Q 289 But not in your presence?

A 289 No.

Q 290 In your opinion, could he have thought he was giving evidence before a Court of Inquiry, when evidence is also, if requested by the O.C., given on oath?

A 290 In view of the fact that the accused people who appeared before me were clearly told that their statements might be used in evidence against them I don't see how any conclusion could arise. Whether it did or did not is not for me to say.

Q 291 And you have no knowledge of any charge being read out to them, or were never there when a charge was read out to any of the accused?

A 291 That is true, though the course of the conversation, of course, was directed to men who were already in arrest and directed to a subject of alleged failure to appear on parade, as the statements will reveal, andthey were told at the time the statements were taken that they would be tried for this and would be duly punished severely, if found guilty.

BY THE COURT:

Q 292 As advisor, accessible to officers in charge of the administration of military law and justice, can you tell the Court if, in preparing an abstract of evidence, it is necessary that a definite charge be formulated against the accused prior to the actual taking of depositions, or whether the purpose of the abstract of evidence is to sift out the information, in order to place a charge, if one need be placed, under the proper section of the Army Act?

A 292 I would state that where an abstract is actually being taken that a charge should precede the abstract, though the charge can be added to, altered or dropped, but there is no charge need be laid at the time of taking of a confession or the time of receiving a voluntary written confession, that may be taken before a charge is laid, while a charge is being laid, or after a charge has been laid. There is no time limit, except that the procedure varies if a person is in custody and it is intended to charge him, you have to give him warning, which is not true at the time you are merely investigating a charge, and you don't intend to lay a charge.

AT THIS POINT THE COURT GRANTS THE DEFENCE THE RIGHT TO CALL WITNESSES IN CONNECTION WITH THE TAKING OF THE STATEMENTS:

The 1st Witness, in rebuttal, E14065, Pte. Lebeland, H. #1 Sub-Sec., 2 Cdn Div Amn Coy., R.C.A.S.C., having been sworn, is examined:

BY THE DEFENDING OFFICER:

Q 293 I believe you were placed under open arrest on 28 Jul 41?

A 293 Yes, sir.

Q 294 When were you paraded before the Company Commander?

A 294 I think on the afternoon after.

Q 409 Were you given any warning before making this statement to Capt Mercier?
A 409 No, sir.

Lantier, in charge of the Sub-Section told us about the 1915 hours parade. After supper I went to my hut until around 1845 hours. After I stood in front of my hut with a group of men. I remember saying I wouldn't fall in on parade if the others wouldn't. That is what the statement says, but it isn't exactly what I have declared. The time should be 1650, and I didn't say "I remember" I said I "might have said".

A 428 I didn't say it as it is written there now.

Q 429 How did you say it?
A 429 I said I thought I heard-- I am on oath, I can't give the name of these two men, because they are not the only ones who talked this mentioned evening. Capt. Mercier, when I made my statement, told me to give a few names and that these people I would have named would have no charge on them, because I would have been obliged to give all their names and I didn't remember all their names. I didn't know it was to reach a Court Martial.

A 430 Yes, sir.

A 435 Yes, sir.

Q 438 Is this the only document you signed?
A 438 No, sir.
Q 439 When did you sign the other documents?
A 439 The first time I saw Capt. Mercier.
Q 440 And didn't he tell you that you didn't have to sign it?
A 440 I think he didn't say that in the same words.
Q 441 Did he threaten you with anything at that time?
A 441 Before that he asked me whether I was married and he told me "you may have more than detention for that." I couldn't say what he was thinking on this matter.
Q 442 Did he hold out any promise to you?
A 442 No, sir, he told me "you don't want to talk, others have talked" and then he took two pieces of paper, he placed them on the bottom of another sheet of paper and he showed me my name as having been named by somebody else.
Q 443 Did he threaten you with any punishment if you didn't sign this statement?
A 443 No, sir.
Q 444 And this statement, except for the corrections you have made, is what you told Capt. Mercier? - Exhibit P 4 filed with court -
A 444 Yes, sir
Q 445 And it is the truth?
A 445 What I have said it is the truth, as far as I corrected it.

Q 446 You were first paraded to Major Savard at 1645 hours on the 29th, the next day?
A 446 Yes, sir.
Q 447 And you were paraded to Capt. Mercier for the first time when?

A 448 Yes, sir.
Q 449 Capt. Mercier, who took your statement, gave you some kind of warning?
A 449 No, sir.
Q 450 But in answer to a question put to you by the prosecutor, you answered "he didn't tell you that you didn't have to sign, and you answered "he didn't tell me that in those words." What were his words?
A 450 I can't remember.

BY THE PROSECUTOR:

Q 451 Is that your signature?
A 451 Yes, sir.
Q 452 And do you remember signing that? That is the first copy you signed?
A 452 I remember having signed a similar copy, very like this one.

Q 453 I will merely ask Pte. Laughlin to describe the events of the evening leading up to the incident?
A 453 When I was taken into the Orderly Room by Capt. Mercier I was told to sit down on the bench. The first question he asked me was what did we have for supper. He told me I could be crimed for making a false statement, so he turned around he told me what we had for supper and I told him that was correct, and then he asked me did I have a girl back in Canada and all about my finances. Later he asked me what I knew about it and I said nothing. He says "Laughlin" I know you don't care for the army rules or regulations. He didn't tell me that I didn't have to make a statement, nor did he tell me that I didn't have to sign.

THE COURT: What you have said, Laughlin, has been taken down in the minutes but has that anything to do with the statement that you made and signed. The statement that you signed was the right statement?
A 454 If you have a statement signed by me it must be right.

A 455 I am not sure, maybe three or four days after.

A 461 On the 28th in the afternoon parade at 1330 hours I was on parade for all the afternoon, long after the bath, around 1645 hours, after the foot inspection, Sgt. Portin told us there was a parade to be held at 1915. We were something like ten men on the foot inspection parade. After the foot inspection I went to my hut and to the cookhouse parade. After supper I returned to my hut and there I felt sick and I went to the latrines, and that is all that happened.

The 2nd witness for the defence, E14377, Pte. J. R. Ouellette, 2 Cdn Div Amn Coy., RCASC, having been first duly sworn, is examined:

Q 461 Will you tell the Court in your own words the circumstances leading up to all the events that supposedly took place on the night of the 28th July?
A 461 On the 28th in the afternoon parade at 1330 hours I was on parade for all the afternoon, long after the bath, around 1645 hours, after the foot inspection, Sgt. Fortin told us there was a parade to be held at 1915. We were something like ten men on the foot inspection parade. After the foot inspection I went to my hut and to the cookhouse parade. After supper I returned to my hut and there I felt sick and I went to the latrines, and that is all that happened.
Q 462 You didn't hear Cpl. Gagne order your sub-section to go on parade?
A 462 If he gave the order I wasn't there.

BY THE COURT:
Q 463 Amongst your companions who might have been in the barrack room did anyone else know that you were sick?

A 463 Not to my knowledge.
Q 464 Did you tell anyone else that you were sick?
A 464 I didn't say a word to anybody else. I just lay on my bed.

CROSS-EXAMINED BY THE PROSECUTOR:

Q 465 What time did you have supper?
A 465 1730 hours.
Q 466 You have said that after supper you went to your barracks. Is that correct?
A 466 Yes, sir.
Q 467 And then you were sick?
A 467 Yes, sir.
Q 468 And you went from there to the Latinres?
A 468 Not at this moment. I went to the bed before.
Q 469 And at what time did you go to the latrines?
A 469 From 7:15 to 7:30.
Q 470 Then you were in your barracks from 7 o'clock to 7:15?
A 470 I was outside, sir.
Q 471 In front of your barracks?
A 471 Yes, sir.
Q 472 You knew there was a parade at 1915 hours?
A 472 I heard it from Sgt. Fortin at 1645.
Q 473 Who is your Corporal?
A 473 Coporal Gagne.
Q 474 Do you not remember Cpl. Gagne coming in at about 1900 hours and saying "get ready for the parade"?
A 474 No, sir, if he said it why I wasn't there.
Q 475 Did you report to anyone that you were sick?
A 475 No, sir.

The 3rd witness for the defence, E14074, Pte. Grogan, 2 Cdn Div Amn Coy., RCASC, having been first duly sworn, states:

As far as I can remember I went on the 1:30 parade in the afternoon and at four o'clock we were told to gown to the lake for a swim and at a quarter to five we were supposed to have a foot inspection. I didn't go down to the lake and at about a quarter to five Lieut. Symon came around and looked at our feet and we were the first ones so I went in my hut and then I went to supper and I don't remember exactly what time I had supper. Then we came back from supper and I hung around the hut and then Cpl. Lantier came around and told us to get ready for parade. He came back after and said "on parade" and nobody moved or nobody spoke and then Sgt. Fortin came around later and he says "don't you boys know you are supposed to be on parade," and no one said anything.

Q 476 Were you warned by the Corporal of the gravity of what you were doing?
A 476 The only thing, he just said "on parade".
Q 477 Was a roll-call taken of those who were there?
A 477 No, sir, there wasn't.

THE PROSECUTOR DECLINES TO CROSS-EXAMINE THE WITNESS.

BY THE COURT:
Q 478 Who told you not to fall in on parade?
A 478 No one.
Q 479 You said no one moved and no one spoke? How did you all make up your minds?
A 479 It was just that we were there.
Q 480 What kept you from moving?
A 480 I wasn't ordered to, sir.

The 4th Witness for the Prosecution, E14140, Pte. A. Lavoie, R.C.A.S.C. having been already under oath, stated:

On Monday the 28th July I was on parade at 1330 hours. We had

maintenance up to 1430 and then we had bayonet fighting and then the parade was handed over to the Sgt-Major and we went about something like 500 feet away from the parade ground to our bayonet fighting in the field. I heard Sgt. Fortin saying those who want to go back and swim to get their bathing suit and he turned and went to go and talk to someone. I went and got my suit and towel and when I came back there was a few of the boys who had not wanted to go for a swim. I didn't hear Sgt. Fortin calling a parade for the night. I heard Cpl. Lantier at 1650 hours, I was in No. 1 Section hut. He warned us that there was a parade to be held at 1915 to go on a night patrol. I went to have my supper. I didn't have very much for my supper. I stayed in my barracks up until 1845 and I went across the road and stayed there. When Cpl. Lantier called the parade I had no watch, but it was around 1900 or 1905 hours. He said "No. 1 Section on parade" I didn't move, nor did I speak. He called the parade again. Nobody moved again and he put the section under open arrest. Sgt. Fortin came back something like fifteen minutes after that and he passed before the men who were there and I didn't hear him say anything about the parade. He went back and at 2130 hours, when Corporal Lantier made his ~~a~~ tattoo he told us we were under open arrest by orders of Capt. Dowling. That is all.

Q 481 Were you told by your Section Corporal of the gravity of what you were doing by not falling in on parade?

A 481 No, sir.

BY THE COURT:

Q 482 Every time that an order is given in this unit are you always warned that it is a grave thing not to obey?

A 482 No, sir.

Q 483 What made you suddenly decide that night not to obey that order?

A 483 I thought myself I didn't have enough rations to go on the parade.

Q 484 Have you ever missed a meal since you have been in England, on an exercise, on a scheme, or manoeuvres?

A 484 I remember it happened once. We went off to get some ammunition somewhere and the rations truck had a breakdown on the road.

Q 485 Did you refuse to obey the next order after that meal was missed?

A 485 When we heard that the ration truck had broken down all the trucks were loaded.

Q 486 Are you going to decide for yourself each time a meal is missed, each time you are allowed to disobey one order?

A 486 No, sir.

Q 487 Then why on this night in particular did you decide to disobey?

A 487 In the afternoon we had one hour of bayonet fighting and one hour of P. T. without a break and at the same time we didn't eat right.

CROSS-examined by the PROSECUTOR:

Q 488 You can speak and read English, Lavoie?

A 488 I can't write it but I can speak it and read it. But not very well.

Q 489 Do you remember signing this statement, Exhibit P. 4?

A 489 Yes, sir.

Q 490 After you had had your supper, there were others who didn't think they had had enough supper, either?

A 490 Yes, sir.

Q 491 And did you discuss the supper with some of the others?

A 491 I can't remember.

Q 492 You remember, though, that you said that you wouldn't fall in on parade if the others stayed away?

A 492 I said yesterday that I didn't say I remember. I said I might have said it.

The 5th Witness for the defence, H14450, Pte. Jos. Hadon, 2 Cdn Div Amm Coy., RCASC, having been duly sworn, states:

Q 493 Is there any addition or change you would like to make to the statement you gave when your statement was made to Capt. Mercier?

A 493 No, sir, the statement which is written on my charge is exact

but I would like to add something to it. I told Capt. Mercier to add something on my sheet, something that I have said to Capt. Mercier that he didn't write on my declaration. I told him that if I didn't go on parade that evening it was because I hadn't eaten for something like a month and that evening I found that I couldn't go on the parade and that I wasn't able to do overwork and that is the reason I didn't go on that parade. For over a month the rations were so bad that I nearly didn't eat. I ate very scarcely, the quantity, and more than that I told Capt. Mercier in some days I worked for 16 or 20 hours. Sometimes I had only one meal and sometimes a meal and a half or two.

Q 494 Were Sections 4 to 44 of the Army Act read over to you during the service you have in the army?

A 494 Yesterday we have been read that, but I don't know all that corresponds

Q 495 Were you told by the Corporal of that Sub-Section that what you were not doing or by not complying with this order you were doing a very grave thing?

A 495 No, it isn't the custom, either, sir.

The 6th witness for the defence, E14213, Pte. E. Dufor, makes the following unsworn statement:

In the afternoon we were on bayonet fighting and after that we had an hour of P.T. and then at ~~1600~~ 1600 we went to have a swim. And then after supper I came back to the barrack room and I was for sometime in the barracks and then I went on the other side of the barracks and then our Corporal shouted "fall in". Nobody moved or nobody spoke. So I didn't move myself. He shouted again and he told us I give you still five or ten minutes. Nobody moved and nobody spoke so I didn't move either, and I felt as we didn't have a very good meal, I shouldn't go on parade. And moreover as the officer has taken down my name on foot inspection, I had sore feet.

THE PROSECUTOR DECLINES TO CROSS-EXAMINE THE WITNESS

The 7th Witness for the defence, E14439, Pte, G. Bernier, 2 Cdn Div Amn Coy., having been first duly sworn, states:

Q 496 Do you wish to exaplain the statement before the Court or add anything to it?

A 496 My first statement is not right about the accusation or charges that have been laid against me. I have been charged with refusing a parade and I gave to Capt. Mercier my reason for not going on that parade. I asked him if he wanted my own personal reasons and he asked me why I did not go on that parade and I answered him that I didn't feel very well and I was feeling not being able to get on that parade and he asked me what did I have for supper. I told him only about the supper. I told him I had for supper two slices of bread, margarine, one teaspoonful of jam and a cup of tea. He asked me if I had some fish or stew and I answered him that maybe there was some for the supper but as for myself I didn't get any and he asked me what are the reasons you didn't have some. I told him maybe I had been a little late for the supper but that wasn't my fault. I showed my supper to the Orderly Officer and made a complaint about it. My own personal reason that I lay before the Court I didn't have enough rations since about something like about three weeks previous to this affair.

PROSECUTING

CROSS-EXAMINED BY THE ~~WITNESS~~ OFFICER:

Q 497 Who told you that nobody else was going to fall in?

A 497 Nobody told me not to go on parade.

Q 498 Who told you that they, themselves, weren't going on parade?

A 498 I talked to somebody, but not on the parade subject and nobody did talk to me whether he was going, yes or no, on this parade.

The 8th Witness for the Defence, E14091, Pte. Pettigrew, F., 2 Cdn Div Amn Coy., RCASC, having been duly sworn, states:

I want to add something to my own statement/ I went on parade at 1330 in the afternoon. I received a break for to go and work on maintenance. My truck wasat the workshop so I stayed there until 1600 hours when I came back. There was to be a foot inspection at 1700 and I went to the inspection and Lieut. Symon inspected my feet and then I went and had supper. After supper, around 1745 I was with my Corporal in my hut. He said there was to be a parade at 1915 and he told me he was going on a reconnaisance and that he might not be on the parade at 1915. I told him I didn't feel very much like getting on the parade because I had a headache and then he went on reconnaisance. Seeing that I stretched myself on my own bed and remained there. I don't know what time he came back but when I saw him the next time he was coming back from the canteen and he told me that we had ten minutes to get ready for the parade. I didn't talk and I stayed in my bed. At 1915 he called the parade and I just made as if I didn't understand him. Sgt. Fortin came around at 1930 and came in the hut and asked me where was Corporal Bertrand. I told him I didn't know.

Q 499 Did you realize the gravity of what you were doing by not going on parade?
A 499 Sincerely, I couldn't say at that time what was to happen after that but there was something like five or six boys there and I had a headache and I preferred to stay in my bed.
Q 500 Were Chapters 4 to 44 of the Army Act ever read to you?
A 500 In my opinion I never heard them.

CROSS-EXAMINED BY THE PROSECUTING OFFICER:

Q 501 Were you on sick parade that day?
A 501 At 1815 I went to the M.O.'s and this was something like five or six days I was going there. You may ask the M.O.

BY THE COURT:
Q 502 Is the witness stating that the reason he didn't go on parade is because he was sick?
A 502 I told the L/Cpl. I didn't feel too good and I didn't want to go on theparade because I have got a headache and he said maybe he wouldn't be there himself.
Q 503 He didn't excuse you from the parade?
A 503 No, sir.
Q 504 What did the M.O. do to you every night for a week?
A 504 He always gave me pills.
Q 505 You weren't excused parade during that time?
A 505 No, sir.

The 9th Witness for the Defence, E14089, Pte. H. L'Heureux, 2 Cdn Div Amn Coy., RCASC, having been duly sworn, states:

We had the parade at 1330. At 500 yards from our own parade ground in front of the marquees of H.Q. "A" Section. As far as my statement goes it is correct.

THE PROSECUTION DECLINES TO CROSS-EXAMINED THE WITNESS.

THE 10th Witness for the Defence, E14072, Pte. Verrault, P.A., 2 Cdn Div Amn Coy., RCASC, having been duly sworn, states:

In the afternoon of 28 Jul 41 I was on parade at 1330 hours. Sgt. Fortin ~~fxxit~~ fell in the parade and then gave charge of the parade to Sgt. Turgeon, because this was an M/T day. Sgt. Turgeon told us to go and make maintenance on our own trucks. Whilst making my maintenance my safety brakes were not secure, so I asked Driver Mechanic Thibault to repair my brakes and that is what he did. We finished up with this work by 1620 hours or 1630. I left my truck where I am supposed to park it and I carried on with my maintenance because my checking of tools was necessary. I finished with my checkup by 1730 hours and I went to supper. I then went to put my

mess-tin back in my truck and I went to the latrines. From the latrines I went to the barber shop, it was around 1900 hours. I got off the barber around 1930 or 1935 and I went back to my barrack room. In my barrack room I learned that there was supposed to be a parade in the evening. In the evening, later on, they put me under arrest.

CROSS-EXAMINED BY THE PROSECUTOR:

Q 506 At what time were you put under open arrest?
A 506 The exact time it is very difficult to say, but as soon as I was lying in my bed, as much as I can remember, 2115 or 2130.
Q 507 And who put you under arrest?
A 507 Corporal Bertrand, in charge of the Sub-Section.
Q 508 What did he say to you?
A 508 Only that I was under open arrest, and the reason was for the said parade.
Q 509 And what did you say to him?
A 509 I didn't say a word. I just ~~said nx~~ turned over because I had heard during the evening, before getting to bed, that there was supposed to be a parade in the evening at 1915 and that nobody attended that parade so I thought this must be the reason why I was put under arrest and I said to myself the Corporal thought I was supposed to be on parade, that is why he is putting me under arrest.
Q 510 And when did you first hear of the parade?
A 510 I heard about it when I came back from the barber-shop.
Q 511 Where?
A 511 When I came into the barrack room.
Q 512 What time was that?
A 512 It was around 1930 or 1935.
Q 513 Who was the barber?
A 513 His name is Martel.
Q 514 Did you tell your Section Sgt. that you hadn't heard anything about this parade?
A 514 I couldn't know that there was a parade to be held because I was on maintenance.
Q 515 Answer my question?
A 515 The Section Sgt. didn't ask me about it because I was on maintenance and the Sgt. of the Section has nothing to do with the maintenace.
Q 516 You were meant to go on bayonet fighting, were you not?
A 516 I had no business at all on the bayonet fighting, because I had the order to fix my truck.
Q 517 Who gave you that order?
A 517 Sgt. Fortin.
Q 518 Did you tell Sgt. Fortin why you weren't on parade?
A 518 I had no reason to explain to Sgt. Fortin why I wasn't on parade, because I was on the maintenance.
Q 519 When did you first tell Sgt. Fortin why you weren't on parade?
A 519 I never talked to Sgt. Fortin about that, except yesterday I talked to him about it. I said that I couldn't be on the bayonet fighting and at the same time be on maintenance.

BY THE COURT:

Q 520 Are you stating that you were placed under open arrest on 28 Jul 41, you were brought up before Major Savard on the 29th, charged with an offence that you say you had not committed, and it wasn't until the 20th of August that you said anything about it?
A 520 I never asked to be paraded to the Major, secondly they asked me for a statement about this and after everybody was saying it wasonly an inquiry, that is the reason I waited and didn't speak a word.
Q 521 And when did you know it was a Court Martial?
A 521 I heard about it a few days before the Court Martial, but I can't say the exact day of the month.
Q 522 So, knowing it was a Court Martial and knowning that you were accused before Major Savard of something you hadn't done you said nothing?
A 522 I didn't say a word, I was just basing myself on the supposition it was a Court of Inquiry and it is sufficient that having passed before a Court Martial in Canada and that we had a lecture on Section 4 to 44, and on my first Court Martial they warned me, they told me

that everything I would say would be taken on oath, that it was a Court Martial that I was to go in front of, but the supposed inquiry that I went through they read me no paper at all, they didn't warn me, and the first question asked by Capt. Mercier was to make a narrative of what happened on this mentioned evening and my declaration is on the paper.

Q 523 And so knowing all about Sections 4 to 44 of the Army Act and knowing the refusal to obey an order was a crime, you didn't think there was anything strange that you and all the others were under open arrest with no pay-- you didn't think that was strange?

A 523 I can't remember what is stated in Secs. 4 to 44, because that is the articles that is supposed to be read out twice a year and there is a year and a half that they haven't been read. It is very difficult to have a clear memory.

BY THE PROSECUTOR:

Q 524 When were you first charged as a result of missing the parade?
A 524 When they warned me on the evening, when I was in my bed.
Q 525 How many times that night were you told that you were under arrest?
A 525 When I was in my bed Corporal Bertrand told me I was under arrest; one time is enough and I slept after that.
Q 526 And what time was that?
A 526 Something, 2115 or 2130
Q 527 And were you paraded before your C. O. the next day?
A 527 I don't remember on what exact date I wasparaded to Major Savard. I know it wasn't the same evening.
Q 528 What happened next morning?
A 528 They repeated to me that I was still under open arrest.
Q 529 At what time was that?
A 529 A few minutes after reveille, as much as I can remember
Q 530 Who said that?
A 530 I can't say.
Q 531 And what did you say?
A 531 I said nothing.
Q 532 Did you go on parade that morning?
A 532 Yes, sir.
Q 533 And do you remember being paraded to Major Savard that afternoon?
A 533 I don't remember whether it is the day after or the exact day I was paraded to the C.O.
Q 534 Were you ever paraded to Major Savard?
A 534 Since I have been in the army?
Q 535 As a result of missing the parade on this occasion?
A 535 Yes.
Q 536 How many times?
A 536 It is very difficult to s ay because this is a month ago.
Q 537 Did Major Savard charge you with any offence?
A 537 He read to me the same charge as he read to the others/
Q 538 And what did you say?
A 538 I didn't say a word. I was on parade.
Q 539 Did you speak to your Corporal-- Bertrand-- about this matter?
A 539 I didn't ask him because he told me I was under arrest.
Q 540 Did you never tell your Corporal that you didn't know anything about the parade?
A 540 Since my arrest, up until today I never talked to Corporal Bertrand anything relating to myself.
Q 541 Who is your Lance-Corporal?
A 541 L/Cpl. Roy.
Q 542 Did you complain to him about being put under arrest?
A 542 No.
Q 543 Isn't it correct that L/Cpl. Roy put you under arrest that evening?
A 543 No.
Q 544 Did you ever say anything to Major Savard to the effect that you had known nothing about the parade?
A 544 No.
Q 545 After your supper you say that you went and put your mess-tin in the truck. Is that correct?
A 545 Yes.
Q 546 At what time was that?
A 546 It was around 1810 or 1815.

Q 547 What time did you leave supper?
A 547 It was about 1810 or 1815, although all that I can say it was supper time.
Q 548 When did you first see Capt. Mercier about this?
A 548 I don't remember very much, a few days after.
Q 549 And what happened then?
A 549 Capt. Mercier, when I entered the room told me only to relate what happened.
Q 550 Who was there?
A 550 Nobody.
Q 551 You knew, then, that you were charged with an offenee?
A 551 That depends on the offence.
Q 552 When you first appeared before Capt. Mercier did you know that you had been charged with an offence, as a result of missing a parade on Monday, 28 Jul 41?
A 552 When I paraded before Capt. Mercier they told me it was for an inquiry, not the authorities, but others who I heard around talking.
Q 553 Did you or did you now know you were charged with an offence?
A 553 Yes.
Q 554 And did you then explain to Capt. Mercier that you had known nothing about the parade?
A 554 Yes, I told Capt.,Mercier that I didn't know nothing about the parade.
Q 555 Why did you think this was a Court of Inquiry?
A 555 They had talked about the food and this was the reason.
Q 556 When did you talk about the food?
A 556 I, myself, didn't make any complaint about the food.
Q 557 Did you read orders that day?
A 557 We are supposed to have some orders posted in "A" Section and there was none.
Q 558 Did you read the orders posted in the orderly room?
A 558 No. The orderly room is out of bounds. You have to be paraded there by a N.C.O.

The 11th Witness for the defence, E14127, Pte. O. Thibault, 2 Cnd Div Amn Coy., having been duly sworn, is examined:

BY THE ACCUSED: (Pte. Verrault)

Q 559 In the afternoon of 28 Jul 41, where was I?
A 559 You worked with me in the afternoon up until 1620.
Q 560 What kind of work did we have on the truck that afternoon?
A 560 We worked on the ~~rear~~ rods and brakes.

BY THE COURT:
Q 561 Thibault, July 28th was a month ago?
A 561 About.
Q 562 How many trucks do you work on in one day?
A 562 I have normally 6 trucks, but on this day I had only three.
Q 563 As far as the 28th of July last your memory was so good that you remember the time you stopped working on the truck and the sort of work that you did on the truck?
A 563 On that evening I left by 1715.
Q 564 And you remember the time you and Pte. Verrault stopped working?
A 564 Around 1620 or 1630.
Q 565 You remember the day very well?
A 565 Very well.
Q 566 On July 28th what time did it start raining?
A 566 I know it rained that day, but I can't say what time it began to rain.

THE PROSECUTOR DECLINES TO CROSS-EXAMINE THE WITNESS

The 12th Witness for the Defence, E14130, Pte. E. Martel, 2 Cdn Div. Amn Coy. having been first duly sworn, is examined:

BY THE ACCUSED (Verrault)

Q 567 Can you tell on the day of the 28th of July would you be able to say what I have done in the quarters of the Castle?
A 567 I know that you came to have a hair cut at 1900 hours.

Q 568 How long was I in the barber shop?
A 568 Something like three-quarters of an hour or an hour.
Q 569 Were there any other persons there?
A 569 Yes, that is why I couldn't pass you before.
Q 570 Do we pay you in money or have we got credit for our hair cuts?
A 570 We have the regimental funds.
Q 571 Is the day entered on these forms?
A 571 No, I receive them from one month to another.

THE PROSECUTOR DECLINES TO CROSS-EXAMINE THE WITNESS

The 13th Witness for the Defence, E14441, Pte. Billingsley, A., 2 Cdn Div Amn Coy., having been duly sworn, states:

"I was on parade at 1330 hours on 28 Jul 41. After supper I went into my barracks and lay on the bed. There was some talk about the night patrols amd the men were going back and forth and I thought maybe the parade was cancelled, though I knew it was supposed to be for 1915, and then I overheard a conversation at the door of the hut, which was open and after hearing that conversation or remarks I would say that I didn't feel that I could go on parade. So when I thought it was just time I didn't see anyone getting ready I went outside across the road and I stayed there with a bunch of men. The Corporal came out later and he said "No. 2 Section on parade." I stayed mostly by myself on the other side of the road, because I was alone, and none of us moved. I didn't move myself. Later on we were placed under open arrest. About two days later I was told to go to the orderly room of "A" Section with Capt. Mercier. I saw Capt. Mercier. He asked me why I didn't go on parade on the night of the 28th July and I said " well, sir, nobody went on parade and I couldn't very well go on alone." We spoke of the food situation, the meals. He says "how did you like the supper tonight?" I says "it was all right, sir,"but I says "I didn't get as much to eat as I used to get in Tournay Barracks." "Well," he says, "you are in the field." I told him the food is good but we don't get enough of it. I told him first that I have never done anything wrong, I always try to keep out of trouble as best I can. I always tried to do what was right. He says "I don't like to see an innocent man punished for a crime that he didn't intend to do, or didn't wish to do." Capt. Dowling came in and he says "don't you know, Billingsley, that this is a very serious charge," and I says "I don't know much about it, I suppose it is. I don't know very much about Military Law or crimes." He says "don't you know this may be the work of 5th Columnists?" I says "I don't think so." He says "it has been proven, I know I am right." Capt. Mercier asked me if there was anyone told me not to go on parade, and I told him no, they didn't tell me not to go on parade. I just couldn't go on alone. He asked me if I heard anyone talking or suggesting such a thing, and Capt. Dowling says to me "you have nothing to be afraid of, Billingsley, we will just have their mails investigated and see if they are being paid by German agents." I didn't know what to say. And Capt, Mercier asked me if I couldn't think of some names and so did Capt. Dowling. I didn t know exactly what to do, anyway, at the time I gave him a name and Capt. Mercier wrote something down, I don't know if he wrote the name or not. He kept at me to see if I couldn't think hard, and then I gave him another name. At that time Major Savard and a couple of other officers came in and he told me that would be all.

Q 572 You came into Capt. Mercier's officer and he, I believe, warned you that he wanted a statement?
A 572 No, he just asked me.
Q 573 You gave him that information, the subject of which you have just told us. When you next saw Capt. Mercier did he ask you to sign anything?
A 573 Yes, that is correct.
Q 574 When you came to sign this statement were you warned then that you didn't have to sign?
A 574 No, sir, he didn't tell me I didn't have to sign it.
Q 575 Did your Corporal bring to your attention the gravity of what you were doing by not falling in on parade?
A 575 He never brought it to my personal attention.

BY THE PRESIDENT:

Q 576 What was the gist of the conversation you heard in the doorway of the hut that made you feel that you couldn't go on parade?
A 576 I heard someone say "the first man that goes out of this hut on parade tonight gets this stick over his head."
Q 577 Was this conversation you overheard in French or English?
A 577 It was in English..

THE PROSECUTOR DECLINES TO CROSS-EXAMINE THE WITNESS.

THE DEFENCE IS CLOSED.

THE COURT IS CLOSED FOR CONSIDERATION OF FINDING.

THE COURT IS RE-OPENED AND THE ACCUSED ARE MARCHED IN.

THE COURT FINDS THE ACCUSED "NOT GUILTY" OF THE FIRST CHARGE AND "NOT GUILTY" OF THE ~~XXXX~~ THIRD CHARGE.

THE PROSECUTOR FILES M.F.M.6 IN CONNECTION WITH EACH ACCUSED, WHICH ARE FORMALLY ADMITTED BY THE DEFENCE.

THE PRESIDENT: The Court wishes it placed on record that their findings have been based on the evidence which concerns each individual solely and the principle that each of the written confessions refer to themselves only and what was hearsay has not been taken into consideration.

THE COURT: Each of the accused, in turn, will be asked whether they wish to say anything in mitigation of punishment, or to call any witnesses in their behalf as to character.

1st Witness: E14065, Pte. Leblond: I didn't know the ~~exact~~ exact gravity of the offence and this is the first time in this Court that I heard about the articles 4 to 44.

2nd Witness: B89024, Pte. A. Laughlin: I am not happy in the unit, sir, and I would like to get a transfer, sir. I applied for a transfer once but I didn't hear anything about it.

3rd Witness: Cpl. Lantier: (Sworn) As far as I am concerned Pte. Leblond is a very good soldier and I cannot have better.

4th Witness B60824, Pte. Neale, C.V.: I would like to get into another part of the service because it is very inconvenient for me to get along in a French speaking unit. I would like to get into an English unit, if I could.

5th Witness: E14074, Pte. Grogan, W.: This is the first time that anything like this hashappened to me and I would like to get Sgt. Fortin.

6th Witness (Character): Sgt. Fortin: As far as duties are concerned he has always been first class, for myself.

7th Witness: E14040, Pte. Lavoie, A.: I have been nearly two years in the Regiment. I think I haven't a very bad conduct sheet, as I have been for 16 months a N.C.O. and Cpl. Lantier, a few days before this incident happened has told me "I would like to have you again as L/Cpl. again for my sub-section." I have lodged an application for repairing shoes and I have told the Corporal to let the stripe go.

Cpl. Lantier (recalled): He is a very good soldier and I even recommended him for a stripe.

The 8th Witness, E14450, Pte. Hudon, Jos.: I would like to

say to the Court that if I acted in that manner that mentioned evening it was because I was feeling myself unable for any extra work, because I had very little food since a month.

Capt. E. G. Swift, sworn: Pte. Hudon, while in Canada, was in "C" Section, of which I was acting O.C. It was over a long period. His duties were carried out in a very satisfactory manner and he is, I would say a very high type of man.

E14267, Pte. Hogan, W.: This is the first time it happened to me, sir, and my witness will be Sgt. Fortin:

E14380, Pte. Demers, A.: No, sir I want Sgt. Fortin

E14439, Pte. Bernier, G.: I would like to ask the Court if they would take into consideration my conduct sheet. Previous to this incident and after the incident.

D36490, Pte. Leroux, R.: I have been in the Ammunition Company for six months and all what I have learned is no use at all in the Army Service Corps. Before that I belonged to the 3rd Rifles Regiment and I would like to have a transfer, if the matter is possible.

Sgt. Forgin (recalled): Hogan, for the duty, for the work being considered, is a good soldier, just as the other. Demers is a good soldier for the work, always willing.

E14089, Pte. L'Heureux, R. I would like Sgt. Fortin to say something.

Sgt. Fortin: L'Heureux has not been a long time with us. From now up to date I have nothing against him, except of the above mentioned evening.

E14021, Pte. Dubeau, J.: It will be two years that I have been in the Amn Coy. I have to say to the Court that I have no knowledge of the laws and regulations of the army and of articles 4 to 44. I would ask the Court, if I am found guilty of the charge that has been laid against me to give my punishment as being married and father of 7 children.

Cpl. Levesque: Dubeau has always been a good soldier. I have no complaint against him.

E14058, Pte. Belleau, G.: I didn't know the gravity of the offence. In a few days it will be the second year that I have been with this Amn Coy. and I never refused any order from anybody else.

Cpl. Cagne: Pte Belleau is a very good soldier. I have no complaint against him. Pte. Bouchard is a good soldier. Pte. Beaullac is a very good soldier. Pte, Belley is a good soldier. Pte. Billingsley is a very, very good soldier. Pte. Levesque is a very good soldier.

E14323, Pte. Gagne: I have been for 18 months in this mentioned Company and always fulfilled my duties and never refused an order and on this evening I was sick and I couldn't go on the parade and I didn't know the gravity of the offence. I would ask the Court's consideration of my amount of service.

Cpl. Bertrand: Pte. Gagne is a perfect soldier and fulfills his duties, all his duties to the best of his knowledge. Pte. Verrault is a good soldier and in all the instances I asked him to do work he always fulfills his duties to his best.

E28377, Pte. Belley, L. P.: I have not been for a very long time in this unit. Before I was in a Holding Unit. I have always fulfilled my duties, never refuse an order and I would like to ask the Court to take into consideration my conduct sheet.

E14091, Pte. Pettigrew, F.: I have been in this Company for two years and I would like to ask the Court to take into consideration that I

don't know the military law very well. I would like to have Capt. Swift as a witness for my character:

Capt. E. G. Swift: Pte. Pettigrew was in my section while in Canada. He was very satisfactory and fulfilled his duties in as good a manner as can be expected. I would say he was a very good soldier, sir.

E14072, Pte. Verrault, F.A.: At the end of August I have been in the army for two years and every time I assess a punishment by my own fault I accepted the punishment without a word, but every time I didn't deserve a punishment I took the necessary procedure as much as I could to defend myself. I would ask the mercy of the Court and I would ask Capt. Swift because he knew me for two years in this unit, whether he can make any statement as to my character.

Capt. E. G. Swift: Sir, Pte. Verrault was one of the first men to join our unit and as far as I am concerned any duties he has carried out for me have always been carried out. In my own opinion he is a good soldier. I am perfectly satisfied with anything he has ever done for me.

B95580, Pte. Baker, E. J.: I have been in the army 15 months and all orders I have carried out to the best of my ability and I have caused no trouble to anybody. I would like to ask Sgt. Turgeon.

Sgt. Turgeon, called and sworn: A very good soldier, he always done his work well with me and any time he is stuck he always comes to me for advice and I always gave him my best advice.

E14089, Pte. L'Heureux, R.: On the 7th of September it will be the 2nd year of my service and I have always been a good soldier, as a soldier is supposed to be. This is the first time it happened to me to disobey an order and I didn't have a very good knowledge of the military laws and regulations.

E14411, Pte. A/ Billingsley: I have been a year and four months in the army and I always tried to do my best and to do what I was told. I don't think there is anybody can say I have a bad character. I always do what I am told and everyone knows it.

E14292, Pte. Beaulieu, L.: Since the year 1939, the 24th of November I am in this unit. I have always done what I was told and I done it with heart and I never refused an order and I never squaked or said anything. When the parade was called what was going on it was none of my business. I was on guard, I was on any kind of duty that could be done in the unit. When I left Quebec, in the Immigration shed I was on guard, and it was always the same thing, guards and all kinds of duties and I never said anything. As far as my crime sheet goes I was crimed for smoking in the vehicle park, but I didn't know anything about that order at all, and I lost my stripe for it.

THE COURT IS CLOSED FOR CONSIDERATION OF SENTENCES:

I HEREBY CERTIFY THAT THE FOREGOING PAGES OF TYPEWRITTEN MATTER IS A TRUE AND ACCURATE TRANSCRIPT OF SHORTHAND NOTES TAKEN BY ME IN THE ABOVE TRIAL, AT THE TIMES AND DATES FIRST ABOVE WRITTEN.

5. PREVENTION OF AND METHOD OF DEALING WITH CARBURETTOR FIRES ON MOTOR CYCLES

Owing to the number of reports of carburettor fires with motor cycles it is thought necessary to issue the following instructions

PREVENTION

(a) Blow-backs in the carburettor intake are usually caused by the ignition timing being too far retarded. With the engine running on the stand and with the ignition lever fully retarded if rapid manipulation of the throttle produces the emission of flames from the air-intake, the adjustment of the ignition timing should be set further advanced. With the ignition timing correctly set, back-fire should not be occasioned at any position of the timing lever.

(b) Never attempt to start the machine with the timing lever in the fully retarded position. If the ignition timing is correctly set the machine will not start.

(c) Never leave a machine propped up and leaning over to the side away from the prop stand. A machine so parked will be liable to carburettor flooding.

(d) Make a habit of turning off the petrol whenever a machine is left for longer than a minute or two.

ACTION TO BE TAKEN IN THE EVENT OF A FIRE OCCURING.

The correct way to deal with a carburettor fire is to turn off the PETROL and then if possible start the engine so as to suck the flames into the cylinder. Serious damage to machines is usually caused by time being wasted in running for a fire extiguisher or some material with which to smother the flames, whereas had the petrol been turned off damage, if any, would have been localised to the carburettor or parts of the machine close to it.

Gagné a ordonné à sous section en parade à 1900 hrs je l'ai entendu de ma chute, mais je n'ai pas tombé sur la parade, je me sentais très faible, j'étais au sud de mon lit. Je n'ai pas entendu personne devant que je tombais par

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

Summary of Evidence in the case of D-46311 Pte LEBOEUF F, Les Fusiliers Mont-Royal, on strength 1 Can Disciplinary Centre, a soldier of the Canadian Army Overseas.

Charge - Absence without leave.

By directions of the CO the evidence is taken on oath.

The following documents are read over to the accused, marked as Exhibits and are attached to the proceedings.

Exhibit "A" - Certified true copy of Extract from FMR Pt II Order No 9 dated 10 Feb 45.

Exhibit "B" - Certification of apprehension dated 30 Jan 45.

Q Do you wish to make any statement or to give evidence on oath? You are not obliged to say anything or give evidence unless you wish to do so but whatever you say or any evidence you give will be taken down in writing and may be given in evidence.

A The accused made the following statement not on oath.

STATEMENT BY ACCUSED

I, D-46311, Pte LEBOEUF F received a letter from my sister-in-law who told me that conditions at home were not good, that my wife was not taking proper care of my child, and other things concerning my wife that were very disturbing. This news discouraged and depressed me and I lost interest in my Army work and went AWL for a few days, hoping that the change of environment would help me to get a more cheerful attitude towards things at home. I now realize that this was the wrong thing to do under the circumstances.

The above is an English translation of the statement made by Pte LEBOEUF. He had the English translation translated back into French and concurs with the morning and letter of the statement so recorded

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), to call witnesses as to character and make an address in mitigation of punishment.(2)
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans. Yes (5)

B5. The Summary of Evidence is marked Ex A, initialled and read aloud by the President.(1)
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).*)

RECORD FORM D--PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

D1. President to accused : Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity to prepare your defence ? D5. President to accused : You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused : Do you wish to give evidence yourself as a witness, make a statement, or do neither ? Ans. Do you intend to call witnesses on your behalf ? Ans. Are they witnesses as to character only ? Ans.

Summary of Evidence in the case of D-46311 Pte LEBOEUF P, Les Fusiliers Mont-Royal, on strength of 1 Cdn Disciplinary Centre, a soldier of the Canadian Army Overseas.

Charge - Absence without leave.

By directions of the CO the evidence is taken on oath.

The following documents are read over to the accused, marked as Exhibits and are attached to the proceedings.

Exhibit "A" - Certified true copy of Extract from PMR Pt II Order No 9 dated 10 Feb 45

Exhibit "B" - Certification of apprehension dated 30 Jan 45.

Q. Do you wish to make any statement or to give evidence on oath? You are not obliged to say anyting or give evidence unless you wish to do so but whatever you say or any evidence you give will be taken down in writing and may be given in evidence.

A. The accused made the following statement not on oath.

STATEMENT BY ACCUSED

I, D-46311, Pte LEBOEUF P received a letter from my sister-in-law who told me that conditions at home were not good, that my wife was not taking proper care of my child, and other things concerning my wife that were very disturbing. This news discouraged and depressed me and I lost interest in my Army work and went AWL for a few days, hoping that the change of environment would help me to get a more cheerful attitude towards things at home. I now realize that this was the wrong thing to do under the circumstances.

The above is an English translation of the statement made by Pte LEBOEUF. He had the English translation translated back into French and perceives with the meaning and letter of the statement so recorded.

CASE OF

G.5266 Pte LEBRETON L 17 Cdn Gen Hos RCAMC

D-3 -PROSECUTION-

FIRST WITNESS

E.20628 WO3(WOII) MIGNAULT, M.L., 17 Cdn Gen Hos RCAMC, having been duly sworn, states:

On 20 May 44 I had Mr F.J. Hare the jeweller here as a visitor and as a result of my conversation with him the accused was brought into the office, was recognized by Mr Hare and he also recognized Mr Hare. He told me that he had sold a watch to Mr Hare that morning for $5. He said he had got the watch from Pte Degagne. He also told me that Pte Degagne had given him $2 out of the $5. He took out $1/10 out of his money belt which he gave back to me. He said he had no money. I put him under close arrest and handed over the watch and the money to the Registrar next morning. The accused identified the watch, except for the leather bracelet.

Q. Can you identify this as the watch?
A. That is the watch, Sir.

WATCH OFFERED AND RECEIVED IN EVIDENCE AND MARKED EXHIBIT "A" FOR IDENTIFICATION PURPOSES ONLY.

CROSS-EXAMINED

Q. Pte Degagne told you that he had sold the watch?
A. Yes, Sir.

Q. Your statement in the summary of evidence is not to that effect.
A. I remember Sir, at that time the question was quite involved as to who had or had not sold the watch. That is all the conversation I recollect, but I know when the question came up as to who had sold the watch I could not get at the bottom as to who had.

Q. Now you say you aren't sure?
A. Well of course it is since the 30th May and I know the question had been involved as to who had sold it or who had not, but as far as I can remember he said that Degagne had sold the watch.

QUESTIONS BY THE COURT

Q. Was the conversation in English or French?
A. Part English, part French, Sir.

Q. In which language are you most at home?
A. Both, Sir.

Q. And Letreton?
A. I think he understand and speaks better in French, Sir.

Q. According to what the accused told you they were both at this shop together?
A. Yes, Sir.

Q. Did Lebreton say how he came to go to this shop to sell the watch?
A. No, he did not, Sir.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 86(B).

SECOND WITNESS

D.61431 S/Sjt PINEAULT, R, 17 Cdn Gen Hosp RCAMC, having been duly sworn, states:

I recognize the accused. On the afternoon of 20 May I saw him in the RSM's office after 4 o'clock. Mr Hare, the QMS and myself. At first the accused was asked if he recognized Mr Hare and he said yes, and then he was asked if he remembered having sold a watch to Mr Hare and in answer to this question he said he went with Pte Degagne that morning to sell a watch to Mr Hare. I did not quite understand the question put to him. Lebreton did admit that he did go with Degagne to Mr Hare's place to sell the watch and he said that Degagne was selling watch and he was doing it for him and that Degagne had got the money and gave him $8. He said that he was selling it on Degagne's behalf. His story though was not very clear.

CROSS-EXAMINED

Q. Was that conversation in French or English?
A. It was in French mostly, and when it was English it was translated.

Q. You remember that Lebreton said that he was selling the watch on behalf of Pte Degagne?
A. Yes, Sir.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B).

THIRD WITNESS

Mr. F.J. HARE, High Street, Crowthorne, Berks., having been duly sworn, states:

I am F.J. Hare of High Street, jeweller and watch repairer. I saw this watch on Thurs the 18 May 44. Spr Reed brought it into my establishment. He did not leave it with me. I next saw the watch on Sat morning the 20 May 44. It was brought to me and handed over to me by one Pte Degagne. He was accompanied by a man that I knew as Lebreton whom I now recognize as the accused. The watch was offered for sale to me and I offered £5 for it. One of the men requested the sum of £10 for it. My impression is that it was Degagne who asked this for it. The discussion ended with me paying £5 for it. I remember placing the money on the counter, but as to who picked it up I am not certain. It is my belief that this was a joint transaction. This watch remained in my possession from 10.30 to 4.30 when I handed it in here to a MS. The accused was not present at the time I handed it over to the QMS, but was present later.

CROSS-EXAMINED

Q. You seemed to be under the impression that it was Pte Degagne who handed the watch to you?
A. I am quite certain of that, although I would not state that under oath. This of course is only my impression.

QUESTIONS BY THE COURT

Q. There was some discussion about the £5?
A. Yes, between Lebreton and Degagne, and as a result of this discussion, they decided to accept my offer.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B).

FOURTH WITNESS

M.101861 Spr REED, F.C., 17 Cdn Gen Hosp RCAMC, having been duly sworn, states:

I am a member of this unit, and have been for 3 months employed as a stoker.

Q. Do you recognize Exhibit "A" here?
A. Yes, that was my watch, but it has a new strap since I saw it last. I bought this watch in B.C. around Jun 43. I last saw it on 19 May 44 at about 5.30 in the afternoon. After setting it I put it in the breast pocket of my tunic and buttoned the pocket. I left my tunic in my hut, hut six, and then I went to the picture show. The time must have been about 8 o'clock. Between 5.30 and 8 o'clock the tunic was either on me or beside me. I never looked in my pocket after 5.30 for the watch. The next time I went to get it was after the show, after 10 o'clock, and it was not there. The next time I saw it was on Sun morning in the Sgt-Maj's office.

Q. You did not sell this watch?
A. I had made arrangements with Mr Hare the jeweller in Crowthorne to dispose of it, but later.

DEFENDING OFFICER DECLINES TO CROSS-EXAMINE THIS WITNESS

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B).

FIFTH WITNESS

D.133100 Pte DEGAGNE, J.C., 17 Cdn Gen Hos RCAMC, having been duly sworn, states:

Q. Have you ever seen this watch before? (Shown Ex 'A') JDeg
A. Yes, Sir.

Q. When did you first see this watch?
A. Around 7.30 at night on 19 Mar I found it on the ground by the coal box near Hut 4. I picked it up and put it in my pocket. About 9 o'clock I met Lebreton and showed him the watch and told him I found it. I did not say anything else to him about the watch that night. I kept the watch in my pocket over night and in the morning at a quarter to ten Lebreton and I went to town. He asked me if I would sell the watch, and I said O.K. The jewellers was closed so we went to a tea shop and at 10 o'clock we went back to the jewellery shop. The man who was here as a witness was the jeweller. When we went into the shop Lebreton had the watch, he handed the watch to Mr Hare and he took the money from Mr Hare. He gave me £3 and I gave him a £ back.

Q. Did Lebreton ask you where you got the watch?
A. No, Sir

Q. Did you tell him?
A. I told him I found it.

CROSS-EXAMINED

Q. When did you hand the watch to the accused?
A. On the road going down there, Sir.

Q. The previous night after you found that watch you told Pte Lebreton that you found the watch - you swear that?
A. Yes, Sir.

QUESTIONS BY THE COURT:

Q. How long have you known Lebreton?
A. About 4 months maybe.

Q. Friends all that time?
A. No, not very friendly. I have gone out with him a couple of times. He gave me 10 shillings when on a course about 8 weeks before and half a crown another time.

Q. You were pretty good friends?
A. No, Sir. We had gone to town a couple of times together, that's all.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B).

THE PROSECUTION IS CLOSED

D-5 -DEFENCE-

FIRST WITNESS

The accused, C.5232 Pte LEBRETON, L, 17 Cdn Gen Hosp having been duly sworn, states:

On the 19 May 44 at about 9 o'clock when I met Pte Degagne around that time he showed me a watch which he said he had to sell. I did not pay much attention to him as I was going to the washroom. The next day he showed me the watch again and asked me to come with him to sell the watch. On Friday night he never told me he had found the watch.

Q. Did he tell you the following morning?
A. No, Sir, he did not.

Q. He just told you he had a watch to sell?
A. No, Sir.

Q. Did you ask him where he got it?
A. No, Sir. Just before we got to the shop he took the watch off his wrist and gave it to me and I went into the shop and asked Mr Hare how much he would give me for the watch and he said £5, and I turned around to Pte Degagne and asked him would he take that and he said he would. I handed the watch to Mr Hare and I collected the money. I gave £3 to Pte Degagne and he gave me back 10 shillings which he owed me.

CROSS-EXAMINED

Q. How much money did you get out of the £5?
A. Two pound ten, Sir.

Q. Did you think it was Degagne's watch?
A. I thought it was, because he had one about 3 weeks ago and was talking about selling it.

Q. Can you tell us why he should give you £3 out of £5 for selling it?
A. I think it was because we were friends and went out together.

Q. Did Degagne ever threaten you?
A. No, Sir.

Q. Did he ever hit you?
A. No, Sir.

QUESTIONS BY THE COURT:

Q. Did Mr Hare ask you where you got the watch?
A. No, Sir.

Q. DID he ask Degagne?
A. He talked to him but Degagne did not speak English very well and did not have conversation with him, Sir.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B).

D-4 STATEMENT BY THE PROSECUTOR ON THE FINDING

The accused is charged with being improperly concerned with the unauthorized selling of a watch. He says that Degagne did not tell him he found this watch. Degagne said he did tell him he found it. It seems to me that he is intelligent enough to have known that on a perfectly honest deal a man is not going to give another man $2 for helping him to sell a $5 watch, and I think that the evidence as given is fairly clear, and that the accused knew well that it was not Degagne's own watch. I am perfectly willing to entertain the suggestion by the Defending Officer that the accused was intimidated in this whole business.

STATEMENT BY THE DEFENDING OFFICER ON THE FINDING

The accused gives evidence that he did not know the watch had been stolen. They were friends and they had the habit of lending money to each other. The morning after they go down together, Lebreton makes a deal with the jeweller, asks for the most he can have, gives the money back to Degagne. I don't think he knew it was a stolen watch and I don't think he should be charged with the improper unauthorized selling of the watch.

THE COURT IS CLOSED FOR A FINDING

PLEA IN MITIGATION

I would like the Court to take into consideration that the accused has only minor crimes on his NPM 6, and also that he has already been 16 days in detention. Would the Court please consider these facts when arriving at sentence.

SUMMARY OF EVIDENCE

in the case of

G-5266 Pte. Lebreton, L., No. 17 Canadian General Hospital, R.C.A.M.C., a soldier of the Canadian Army Overseas.

By direction of the Commanding Officer, Colonel C.P.Gaboury No. 17 Canadian General Hospital, R.C.A.M.C., the Summary of Evidence is taken on oath.

1st WITNESS for the Prosecution

E-20628 Q.M.S. (WO II) Mignault, E.L., No. 17 Canadian General Hospital, R.C.A.M.C., having been duly swDDn states:-

On 20 May 44 I was Acting R.S.M. At about 1600 hours, I was visited by Mr. F.J. Hare, a jeweller of Crowthorne, not previous -ly known to me. He asked for assistance in identifying 2 soldiers who he alleged had sold him a watch that morning. His description was not enough for me to go on, so I took him to the Men's Mess where some of the men were eating but the men he wanted weren't there. I then remembered that certain men had been A.W.L. for a time that morning and had them paraded to my office one at a time.

Pte. Lebreton was paraded first and Mr. Hare identified him as one of the men who had come into his shop that morning to sell him a watch. I asked Lebreton about this and he told me he had gone to Mr. Hare's shop in High St., Crowthorne, accompanied by Pte. Degagne, and that Degagne had sold the watch to Mr.Hare for £5-0-0, and given him £2-0-0 of the money. I asked him if he still had the money and he gave me £1-10-0.

I placed Pte. Lebreton under close arrest. I turned Lebreton's £1-10-0 over to the Registrar the next morning.

(The watch he had turned over to the Registrar was then pro- duced, identified by the witness, and marked exhibit "A")

CROSS EXAMINED BY THE ACCUSED

Q.1. What did Mr. Hare ask me, after asking me if I knew him?

A.1. He asked if you had a watch to sell that morning, and you answered yes.

2nd WITNESS for the Prosecution

G-18552 S/Sgt. Leblanc, O.A., No. 17 Cdn. General Hospital, R.C.A.M.C., having been duly sworn states:-

At about 0945 hours on 20 May 44, the B.O.C., Cpl. Prigam, reported in the Orderly Room that three men, including Pte. Lebreton and Pte. Degagne were A.W.L. I toured the hospital area with him but couldn't find them.

3rd WITNESS for the Prosecution

D-94137 A/Cpl. Frigon, L., No. 17 Canadian General Hospital, R.C.A.M.C., having been duly sworn states:-

I was B.O.C. the morning of 20 May 44. Pte. Lebreton was supposed to report to the guard room at 0915 hours, after the ambulances were loaded. Pte. Degagne was supposed to be collecting ashes from the wards. At 0945 hours neither was where he was supposed to be. I reported this at the Orderly Room. S/Sgt. Leblanc and I then searched the hospital area but could not find them. I don't know when they returned. They did not report at the guard room. I saw them next near the main gate at 1230 hours the same day.

4th WITNESS for the Prosecution

Mr. Frederick James Hare, High St., Crowthorne, Berks., having been duly sworn states:-

I am a watch and clock repairer and have a shop in High St., Crowthorne. I identify the accused. I saw him for the first time on 20 May 44 at about 1045 hours, though I didn't know him then by name. They came into my store to dispose of a watch. Degagne presented it for sale. Lebreton was in the background at first. I offered him £5-0-0 for it. One of the two, I don't remember which, asked £10-0-0. I replied that £5-0-0 was all I would pay. They conferred briefly in what I assume was French. Degagne then agreed, turned over the watch, and I paid him in five one pound notes. The whole transaction would not have lasted more than five minutes.

I recognized the watch at once as one which had been shown me by Spr. Reed the previous Thursday afternoon - 18 May 44. At that time he had discussed with me the exchange of his wrist watch for a pocket watch and he was to come in on Saturday afternoon (20 may 44) to close the deal.

When Degagne and Lebreton brought the watch in on Saturday morning I took no steps to ascertain the ownership except that I asked them if it was their watch, and as I remember, one of them said they had bought it.

At 3.30 that afternoon, Spr. Reed called at my shop and told me that the exchange was off because his watch had been stolen from the pocket of his tunic the night before. I didn't tell Reed that I had his watch, but called the police as soon as he had left. They advised me to come here, and I did so and saw Q.M.S.Mignault After a short time he produced the two men who sold me the watch, and I identified them. I turned the watch over to Q.M.S. Mignault.

(The witness identifies exhibit "A" as the watch which Sapper Reed showed him on 18 May 44, and which he bought on 20 May 44)

CROSS EXAMINED BY THE ACCUSED

Q.1. Who sold you the watch?

A.1. Pte. Degagne. He had the watch in his hand and handed it to me.

Q.2. Who took the money?

A.2. Degagne.

5th WITNESS for the Prosecution

M-101861 Spr. Reed, F.C., No. 17 Canadian General Hospital, R.C.A.M.C., having been duly sworn states :-

I have been a member of this unit for about three months and I am employed as a stoker.

(The witness was asked if he could identify exhibit "A")

I recognize this as my watch, but it has a new strap since I last saw it. I bought it in Chilliwack, B.C. around June 43.

I last saw it on 19 May 44 at about 5:30 P.M. I remember the time because I set it then, by a friend's watch. This was in the boiler room of the cook-house. After setting it, I rolled the strap around it and put it in the breast pocket of my battle-dress tunic - I think it was the left pocket, and buttoned the pocket. I usually wore it on my wrist, but had given this up because a jeweller told me it was too frail to wear that way during my rough work.

That night I went to the second show of the movies in camp, which started at about eight. I left the cook-house shortly after 5:30 and went to my quarters in hut 6. I stayed there reading until it was time to go to the show, except for when I went to the toilet. I go on duty at 11, so before going to the show I changed into fatigue clothes and left my tunic on my pillow. I hadn't looked at my watch since 5:30, and I didn't look into the pocket before I left the hut. I don't remember whether I took off my tunic just before going to the show, or earlier, but if I had, nobody could have taken the watch because I was awake all the time. After the show, between ten and ten-thirty, I went back to get my watch; the tunic didn't seem to be in the same position, but I can't be positive of this. The watch was gone. I looked through all the pockets, and in the bed, and around it, but couldn't find it. I didn't report the loss.

On Thursday afternoon, 18 may 44, I made arrangements with Mr. Hare, in Crowthorne, to change the watch for a pocket watch. This was to be done on Saturday. On Saturday afternoon I went to tell him that the deal was off. I told him I thought the watch had been stolen from my tunic pocket. I don't remember that he made any particular reply.

On 20 May 44, Mr. Hare came to the Orderly Room. I was in the A.& D. Room and met him as he was coming in. There was a policeman with him, who left after introducing Mr. Hare. I called Q.M.S. Mignault and we all went into the R.S.M's Office. Mignault and Mr. Hare went out for about 10 minutes, leaving me in the office. They returned together and Mignault called for Pte. Degagne and Pte. Lebreton to be brought in one at a time. Lebreton came first. Mr. Hare identified him as one of the men who had been in his shop and sold him a watch that morning. Lebreton admitted this. Mignault asked him where he had got the watch and he said he got it from Pte. Degagne, but his answers about this were not very clear. Lebreton then said that Degagne had taken the £5-0-0 and given him back £2-0-0. He turned over to Mignault £1-10-0 which he had in his belt.

At about five o'clock on Nov 6 1940 Pte Lamidien told me that he saw the Le Brocq brothers stealing some butter from the truck. I went up the hill to Spenny. On arriving there I saw the two Le Brocq brothers. I asked them "Which one of you stole that butter." One of them answered "I did". PROSECUTION

The prosecutor makes the following address:-

Sir, in this matter these charges are almost entirely a matter of technical violation of certain unit orders. The prosecution is not going to attempt to show that the material alleged to have been submitted by the accused was of a particularly serious nature.

There are three charges 1st (charge sheet), the prosecution is producing this letter and can show to the satisfaction of the court that it was submitted by the accused.

The second charge is of submitting a photo of military equipment, without the authority of a written permit. There will be produced to the court two photographic negatives which were enclosed in the letter which is the subject of the 1st charge.

The third charge is a charge of violating an order which forbids the mailing of photographs without having them censored by Squadron H.Q.

The prosecution will produce witnesses of the violation of the three orders referred to and the orders, themselves, will be placed before the court.

DEFEN[illegible]

To accused.

Q. Do you apply to give evidence yourself as a witness?

A. Yes sir.

Q. Do you intend to call any other.

A. Yes sir.

Q. Is he a witness as to character only.

A. No sir.

The defending officer makes an opening address.

First of all, I might say that the reason this case has reached a F.G.C.M., is because Tpr. Lebrooy feels that, not only has he not committed an offence for which he should be punished but also that he was doing his unit and the cause for which he is fighting a real service. There is no doubt about the fact that the accused did not have the Part One Orders of 1941 at his fingertips but in any event I hope to show that no real offence has been committed as charged.

Dealing with the 1st charge the court will note that one of the ingredients of the supposed offence is that the letter he wrote contained military information and I hope to satisfy the court of the fact that no military information was involved.

In regard to the second charge I shall endeavour to satisfy the court that there is no offense committed under the Part One Order mentioned.

Under the 3rd Charge, I hope to convince the court that the procedure laid down in this Part One Order was not adhered to and that the reason for this state of affairs was that the order was not properly brought to the attention of the troops of this unit. If the court is not prepared to agree with me entirely on those three points, I still hope to convince the court that good order and military discipline has not, in fact, been prejudiced in any way.

I produce for the Court's perusal C.A.O.R.O. 1089, para 9, dated 11 Oct 41.

1st witness
for Defence

The accused, D 106087 Tpr Lebrooy, J.P. 4 Cdn Recce Reg't(4 PLDG) having been duly sworn, is examined:

Q. Will you tell the court your motive in writing this letter?

A. On a Saturday afternoon, having been to the movies, where a newsreel of the Libyan campaign was shown, a few remarks were made by the civilians as to why the Cdns were enjoying themselves while English in Libya were having such a rough time. In answer to this caustic criticism I returned that evening and with great deliberation proceeded to write an account of interest about a Cdn Section in the impersonal tense, while on a four day scheme behind the 'enemy' lines. With regard to all names, places, identifications, I took special care to avoid mentioning anything harmful.

Q. This letter written by you did not, in your mind, contain any military information but was merely a recounting of your own experiences?

A. Yes, that is right.

Counsel submits two prints of original exhibits (exhibit D)

A. I was unaware of any special procedure.

Q. Were you aware of any special procedure re the mailing of photographs outside the U.K.

A. No sir.

Q. Can you ever recall having heard read, unit Part One Order No. 870.

A. No sir.

A. Yes sir.

I submit a copy of the Sunday Pictorial (exhibit H)

Q. Why was it that when you came before the C.O. and were confronted with these orders that you were not prepared to accept the punishment the C.O. might give you.

A. In the belief that an acceptance of his punishment would be the admittal of a mom intentional guilt, I could not bring myself to accept even his smallest punishment because I did not know I had committed any crime.

Prosecutor cross examines witness.

Q. Did you make an effort to have this correspondence censored?

A. No sir.

Q. Did you intend the letter and photos to be published.

4th witness
for Defence

D 106086 Tpr Lebrooy P.J. 4 Cdn Recce Reg't(4 PLDG) having been duly sworn, narrated at some length on the past history of the accused who is his twin brother, and himself. He stated they had always been together and that the accused was an ardent reader, very patriotic and eager to actively serve his King; and that his letter for publication was evidence of just such characteristics.

The evidence was not taken verbatim, with agreement of Prosecution and Defence. (R.P. 95 A)

(cont'd)

(cont'd)

The Defending Officer addressed the Court. He points out That the letter contained no military information merely an account of the accused's personal experiences and that many accounts do appear in daily periodicals showing much more military detail than the accused revealed; that the order No. 870 (exhibit G) mentions arsenals, magazines, stores etc. which the photographs (exhibit G) do not reveal; that instructions re censorship were not carried out every three months, as laid down and consequently the accused was not aware of his responsibilities; that there was not any effort to cover himself since he placed his name and Regimental number on the envelope and mailed it through proper channels; that the accused was inspired by his annoyance at comments he had overheard and a feeling that he should do something to glorify his unit in a manner illustrated in the Sunday Pictorial (Exhibit H) for example, in which the tactical numbers and signs are obvious, and which he, in his photographs, was careful not to reveal.

The prosecuting officer addresses the court.

The prosecution is not concerned with the motives of the accused or with content of material submitted.

Dealing first with the closing address of defence, the latter submitted most certainly contains military information. It mentioned certain equipment used, numbers of Engineer personnel attached to a sub unit. It is impossible for information to be written about a manoeuver and not to mention military information. Re Unit Part One Order 389 para(e) (exhibit F), it is open to question whether it should be read as meaning, any arsenal, factory, magazine or store of equipment, or if equipment should be considered above. Sub section 2(m), forbids the photo of any persons, camp, or transport vehicles.

The accused in his own statement has admitted he never made any attempt to submit material in question for censorship and that he intended material to be published, - that he neither asked for nor got permission, - finally admitted he was author and that he had submitted the photos.

In all charges intention or motive is not part of charge and is therefore admitted he has violated all the Orders referred to on charge sheet.

On e of the first rules a man in the army is taught is that he is responsible for knowing contents of all orders which concern him. The entire evidence of defence has been directed to showing that certain of these orders were not repeated at specified times and that accused has given evidence that he did not know of the existence of these Orders. Evidence was given by the Squadron Commander that orders were read on at least one occasion. In any case all troops are presumed to know contents of all official orders concerning them. Accused made no attempt to inquire whether any specific regulations applied when submitting articles for publication although it is common knowledge that no military personnel may give interviews for publication without permission.

All three charges are laid under Sec 40 Army Act. I am not going to insist that information should not have been divulged, but this man is setting himself up to judge what is suitable for publication and if this is permitted, the effect on good order and discipline of the army would be serious. This man has violated certain orders and I submit that the court must find him guilty of so violating them. Evidence has been brought as to good character and prosecution does not question character nor ask for heavy sentence. However, the prosecution does submit the man must be found guilty and must undergo certain punishment for the violation of certain rules even though his intentions may have been the best.

The Court closes to consider the finding.

The Court find the accused guilty of all charges.

The Court is re-opened.

Lieut. E.S. Thorne, 4 Cdn Recce Regt (4 PLDG), the prosecuting officer is duly sworn and states:

I produce certified true copy of the M.F.M. 6 (marked J) and a short statement of particulars of service (marked K). These are true extracts from Regimental records and refer to the accused.

The Court closed to consider sentence.

(C)

Dear Sir,

"Life Magazine" has always faithfully reported on subjects of interest from the War fronts, but little or nothing has been published about the activities of the "Can. Army Over-seas", which many rate to be one of the best lead and equipped Corps in the world. My implicit faith in the Canucks tough abilities, hard training and hereditary courage, that after an average of over two years waiting for action they are just as keen as ever to have the chance to try their metal against the dogs they were cheated of such well in France and a last minute consolation for a voyage to Norway.

In answer to the faithless critics about their inactivity, I shall not relate the experiences of the Canadians as a whole, but one of a section of carriers in the 1st Reconnaissance Regiment in the British Empire. This Can. Recce. Reg. was formed immediately after the Evacuation of Dunkirk". They are thoroughly versed in the art of good reconnaissance and to ten specific tasks, besides others of minor importance to which by experience they are daily adding.

A few days prior to the opening of hostilities (Manoeuvers.) against a Czech English Corps, two Recce. Sqns. — others in reserve — of the Can. Army moved successively by night to take up sectional positions on important signs and hold military objectives, miles in front of their respective Infantry Brigade support.

Three armoured carriers [illegible] harboured within a small wood by the edge of [illegible] roads. Their crews nine apart of the complement of a dozen engineers building road blocks, in preparation for

the next days S.A.O. offensive by the enemy. At the expectant time a Bren gunner and a soldier with an anti-tank rifle lay concealed overlooking the roads edge at vantage points a hundred feet or so before the logged barrier. The others were cooking eggs (at three and three a dozen.) over gas stoves provided, on the alert for a quick evacuation, that soon ensued when the sentries hurriedly returned to report that hearing but three enemy carriers proceed to the road block — supposedly blown up by anti-tank mines, — they had fired summary ammunition and close hand-grenades at the two tracks which stopped just opposite. Naturally, though the enemy was considered technically out, they turned about, to make a hasty exit, unhindered; for though their former opposition had the right, they had not then the backing to enforce their view.

Having acted according to orders in remaining at the road block until contact with the enemy had been made, the carrier section then started for Troop H.Q. at full governed controlled speed, down the road. Suddenly a partially dismounted troop of English Lancers were caught manoeuvres to join two unfriendly armoured units each through their lines of petrol carriers, the third quite willing for a good crash rather than be captured. This was cleverly avoided by the drivers with right and left turns to counter the overlapping efforts by carriers being swung too late to completely close further passage. Unfortunately they captured the R.E. and the Engineers who made a belated departure.

Proceeding at a good clip down

a main road, followed by their former opposition, an enemy post was seen on the brow of an oncoming hill. A motor-cyclist umpire came up ready to put the section out of action. The only alternative was to turn off the road into the bush, to recross in the enemies rear and make for map marked paths in a large wood.

Having given them the slip they cautiously proceeded to the offside of their new refuge, when lorries and armoured cars were heard going by on a near-by highway. The Sergeant made a reconnaissance on foot, and on his return sent forward under a Corporal, a Bren gunner and another trooper with thunder flashes to capture two parked armoured cars and a 15 cwt. in a field at the edge of the main road. The one ~~car~~ mentioned English degree who had with difficulty followed, was, while watching at a distance, quite impressed with the agility of the three Chaps; skilfully creeping then crawling to within a few yards of two unmanned cars. Their capture surprisingly led-up to the passing of a section of carriers in another troop of their Sqn. Realizing Troop H.Q. must have moved & been taken prisoners, they returned to the woods edge to make plans, repair a carrier, put in a reserve of petrol and cook lunch.

On the completion of a noon meal and wash-up in a nearby pond, the three armoured vehicles were headed overland and field, with the intension of capturing an important, well guarded bridge. A single carrier having reconnoitred down a road in the direction of the approach, found it to be too well guarded. The

decision to strike from the next road over was thought to be feasible. Then as a result of the constant passage of enemy vehicles, it was thought more profitable to hide two carriers at concealed entrances to lights where they could block the road at the opportune moment to trap behind and in front all the opposition in echelon. The prime motive of the road block was in the desire to catch a petrol truck. This was not forthcoming except for a couple of the usual U.R. tillers and a few light trucks. Leaving the captured to continue their way, the section made up a private side route, endeavouring to outflank the next German guards at the bridge.

Travelling along country tracks and across fields for about an hour, a main highway was approached. Instantly the tops of wireless trucks were sighted, at the map marked cross roads. The carriers arbeing with hidden behind two hay stacks, the Sergeant in charge went ahead on foot, in order to get the lay of the ground. Upon returning he gave a quick account of the unsuspecting opposition hidden in the road's dip and by the usual hedges, also affording cover to three men with one light machine gun who might creep upon their front, while on a similar manner a flanking crowd by three others against their rear. These latter were to wait for the former to open the action, but on reaching their position they were in danger of being perceived by the arrival of next officers, so the flank attackers opened at once plant fire upon large bewildered groups of men and petrol vehicles. Immediately the others closed in on them, the carriers on being rushed

up took positions shooting all escapes. The three umpires decided that all the English were either killed or captured. Apparently a Battalion's Orders Group had been taken, consisting of twenty-three officers and half that number of other ranks, including the equipment of two wireless vehicles - their receiving and sending set being the first thing to be turned-off, - staff cars, light trucks and motor-cycles were all put out of action in three hours. Vehicles were still coming on, only to be captured, but when an advance guard of mounted infantry were caught it was thought to be about time to promptly clear out. There was no desire to trouble with such orders that were to follow, so in a short while the cowboys left the way they came, only to appear again soon for the rest almost as if on instant notice. [illegible] morning after a delicious breakfast of sparerib and a shot was made for a happy homeward ride on [illegible] stripped ribbon, as indifferent as ever to the results of the fine passing transport. Two hours ride with prisoners to be exchanged we stopped then about 4 o'clock having covered that the main line of railway was a long way off. Travelling on a main highway in the direction of the supply park, an endless stream of motor lorries within a pace limited by the [illegible] between the cars.

Petrol getting short a halt was called, but as the Cowboys rifles and machine guns against Hindoo D.R.'s, at pistol range against obstinate truck drivers; who sometimes endeavoured capture with a crash. Brandy, naturally more [illegible]

a house dependers life with him. Nevertheless a good two dozen or so enemy vehicles were cut off into a side road. No luck however on the fuelling-up problem, though quite pleased to hear one of the two captured Colonels saying it was the same three carriers that were causing so much trouble and somewhat becoming the bane of the neighbourhood.

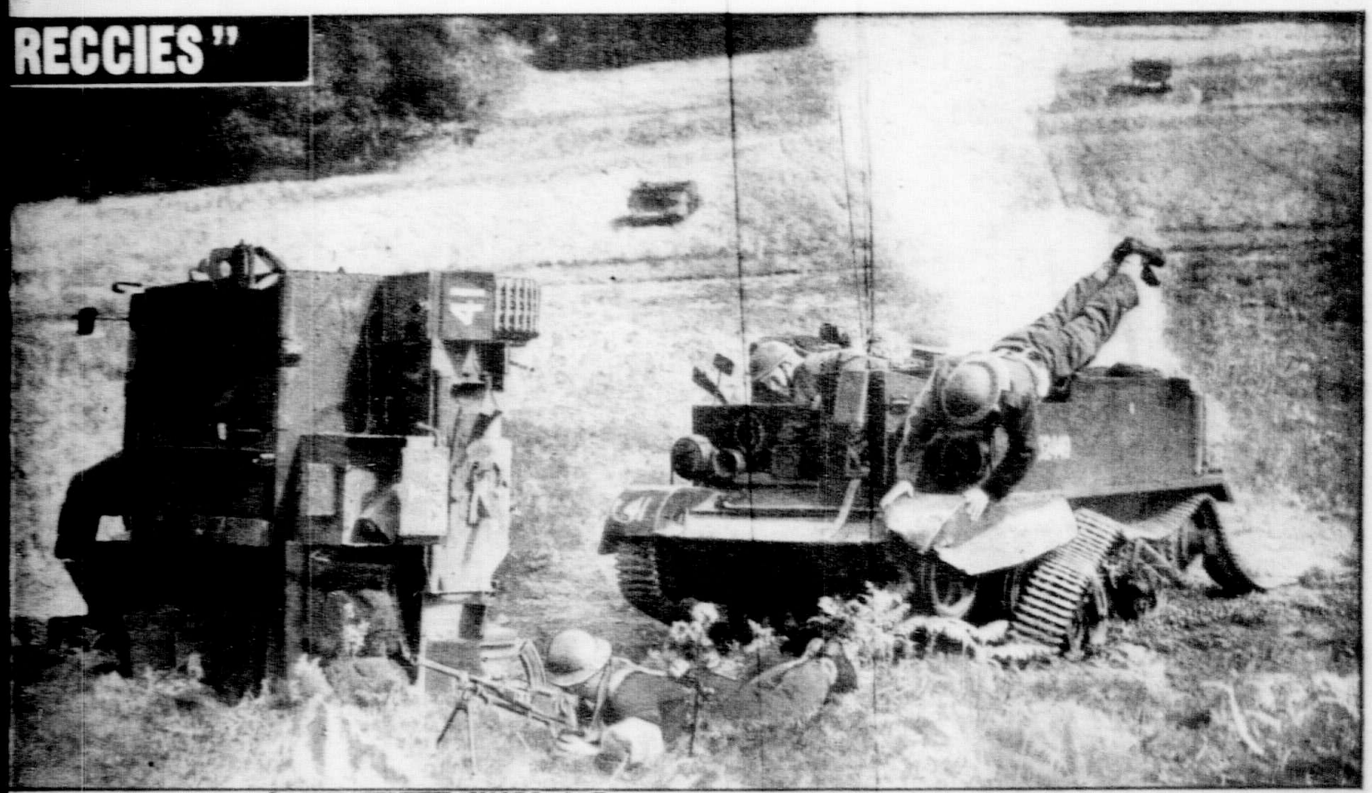
On the highway, over difficult country paths, then across a maze of miniature railway tracks in a large quarry, at length to reach another main road, where the carriers were overtaken some seven hours. For hours, excepting the drivers, went ahead on foot to capture & possibly a freighter's wagon or two, their two carriers and a few motor cyclists. Through completely exhausted unarmed the approach - unwarned - unexpected returned the fire, some ten minutes or so the resistance ceased. In the eventuality of a retreat of this flock, it was thought more important to keep a hasty retreat than the capture of the armoured vehicles.

An hour later the army overtook English Horse carriers, lorries etc in combination, who, and what have you on foot, pursued the beat section pell-mell down a hill to a stream that at the present impeded further flight. As was usual, no armament wasted, the Empire's revenge to their last gun but not the former, gave the Carr. Hitler marauders a clear run, ours a lost man from the first encounter. Set out to the woods, the section set its far distant watch in ambush for the possibility of any pursuit.

Hours later a foot patrol was sent out to find a way round the enemy and perhaps capture a petrol truck. While this occupied the enemy's attention a good effect, when the sergeant having borrowed one of their cycles recognized a passing bicyclist to be his motoring subaltern. Apparently unable to pinch a motorised carrier, failing to start a parked motor-cycle, he at length got away on what the English call a soldiers push bike. Some hours later the enemy learnt the intentions of their hidden opposition; the result was a well guarded petrol truck sent up and down the road - the best sales-man for our purpose.

On the more open ground the enemy's carriers left the roads in force and upon one occasion at that time there was a continual procession of enemy vehicles, possibly on the retreat, for a good half hour, two mounted Bren gunners lay hidden with their automatic weapons trained on this road. Meanwhile concealed carriers overlooking the roads ahead were ready to be shot forward, blocking further passage. It would have been good-bye to the artillery convoy followed by one of Heavy Machine Gunners. Needless to say once the lull passed, every time a motor was heard to round either bend a carrier was run across at the last moment. 2 wireless trucks, two filled staff cars, several supply army trucks and thirty infantry bicyclists were all treated down a road we saw. The latter after waiting for minutes just bicycled off, and there being nothing else could do about it, all left.

In despair of procuring petrol



The next best alternative was to crash through to their own lines, where ever that might be! With that intension they proceeded hell-for-leather, flying splinters and strewn timbers of flimsy road barriers marking their unexpected passage, until at length chased by two heavy armoured cars. Anti-tank rifles and Brens guns were placed in positions covering the highways steep climb to the point of the section departure into woods. Thunderflashes permeated the silence and the noise of blank cartridges rent the air as the A.F.V.s. stopped opposite the precipitate tracks. But all to no avail, for it takes four to stop four while on manoeuvres and many are the umpires kite the one accompanying us this week-end, thus calming the enemy with his charge.

In that, having suffered under anticipated odds for the night, the section-rapidly managed to procure a little gasoline, and was able to resume of the enemies withdrawal, to rejoin its own squadron and continue a retarded but Reconnaissance for the next eight days.

Anonymous yours.

With Dad Out East

This war is fast becoming a family affair. Why, here's Sergeant-Major Mitchell taking a quiet afternoon stroll in a Cairo bazaar with his daughter Joan. And how did she get there? Well, Joan is a teleprinter operator in the ATS—and she's the first British daughter to join her father on active service.

Joan's mother and father were both in uniform in the last war, and this time dad and three of his six children are serving.

THE FIRST THRILLING STORY OF BRITAIN'S "

These men, every one picked for brain as well as brawn, will be the spearhead of our new-style army.

HARRY ASHBROOK tells you about them—with pictures by BILL TURNER.

Our Secret Army Is Ready

INSIDE the swinging gun turret of a fast-moving armoured car I saw war streaming over the quiet soil of Kent. An army was on the move . . .

The squat, dun-coloured armoured cars thundered on at 50 m.p.h. Behind them Bren-gun carriers, lorry-drawn anti-tank guns and motor-cycles, bunched like a closed fist, shot across the open heath.

The weapons were old—the standard armament of an infantry division—but the tactics were new. Here was war from a new slant. For never in the history of modern warfare had men dared to fight like this.

It was warfare moving across the countryside at the speed of an express train. It is something the Germans have not yet met. One day they will feel the full terror of it.

For the army I saw moving across that stretch of rugged heath is a secret army; it has not yet been in action.

It has a quiet enough name. They call them the Reconnaissance Corps—the "Reccies" for short. You have thought Reccies were something to do with wreckers. You would not have been far out.

For listen to this. The men of the Reconnaissance Corps have taken on one of the toughest jobs of the war. They are the spearhead of our attack on Germany.

THEY ARE ELUSIVE AS GUERRILLAS, FAST AS SCOUTS, TOUGH AS COMMANDOS.

At the moment you don't hear much about the men of the Reconnaissance Corps. Their moment in history has not come yet. Occasionally a cryptic announcement appears in the *London Gazette*.

Behind this veil of secrecy Britain is building an army within an army. A secret force, complete in itself, which can be catapulted from the main body of the army, deep into the heart of enemy territory.

An army which will roam behind enemy lines spying, killing, sabotaging. And every moment of the day and night they will be in wireless communication with their divisional commander. Every move the enemy makes the "Reccies" will note and transmit back to headquarters.

That is their job. To spy on the enemy at close quarters. But with this difference. Every scrap of information they get will be fought for. They will snatch secrets from the Germans at the point of a blazing Bren gun.

With his trigger finger ready for instant Sten gun action, one of the 'Reccies,' soaked to the skin, advances grimly to his objective.

WHO are these "Reccies"?

As we rattled over wild scrubland in lone - stalking Bren-gun carriers, - bumped along winding cart-tracks in armoured cars I came to understand the kind of men they are.

We reached a small river. The water was slimy and still, there was no bridge—but the river had to be crossed.

"How deep is that?" barked the colonel. A man's body shouted to my ear, and a soldier, fully equipped, was floundering in mid-stream, trying to touch bottom. But his equipment held him up.

"I'll go, sir!" flashed a voice. And before the colonel had finished his word of agreement, the major had dived in.

He came up, spluttering. "About eight feet, sir."

Before he had reached the shore a huge trooper was swimming across with a rope, one end of which was already tied to a tree stump.

This trooper dug his heels into the ground on the opposite side and held the rope taut while the others pulled themselves across by it hand over hand.

One man dropped his tommy-gun into the water. Down he went after it, and was under water so long I thought he would drown.

But up he came again, coughing mud and slime, tommy-gun firmly grasped.

IN another two minutes, by means I must not disclose, the Bren carriers were across and we cautiously forward.

The carriers had orders to attack a certain point. Over the wild, rock-strewn heath they flew. One swerved suddenly and another crashed into it. The swerving one overturned, both scuidded to a stop.

"My God, they're killed!" I heard myself shouting, and felt a sudden indignation that Bill Turner, who happened to be close to them, was calmly taking photographs instead of running to help.

BUT WHEN I REACHED THEM THE MEN—THREE TO A CARRIER—HAD ALREADY GOT OUT THEIR BREN GUNS AND WERE LYING ON THE GROUND FIRING AT THE OBJECTIVE.

None was killed, and though some may have been injured they never disclosed the fact.

After the exercise the men talked about themselves, their peace-time jobs, their aspirations and their ideas on how wars should be fought. No two men had the same story.

In civilian life some had been Civil Servants, farmers, shopkeepers, newspaper reporters, students. Others had been regular soldiers, trained in crack cavalry regiments.

Yet certain things these young shock troops had in common. They were all intelligent men. Most of them had brains enough to direct this war from a desk in Whitehall. But they had not wanted to see war the easy way.

They were men in search of adventure. They gloried in the physical hardships of their training. They made time their enemy. They knocked seconds off every operation.

During the last three years I have seen thousands of men undergoing infantry training. I know just how good our soldiers are. But in the Reccies I saw something new. Every operation was streamlined.

To cross barbed wire a man flung himself on the wire while other Reccies used him as a doormat.

To test a Reccie's initiative and split-second decision he is sent out on a "blitz range" and attacked from all points. As the "attackers" close in on him he must fire from his hip.

The words "trapped," "encircled," "obstacles" are unknown to them. They do not wait for engineers to build them bridges across rivers.

They have not time to wait for ladders to scale buildings. Everything is improvised, time-reducing, hazardous.

HERE in the peaceful countryside of England I have seen them being taught the art of this new form of killing.

Each man in the Reccies is a specialist. He can operate almost any sort of army wireless equipment. He can drive a Bren gun carrier, armoured car, three-ton lorry.

He can lay mines and help to clear minefields. He can fire almost every weapon the regiment carries. He is an expert.

Now the period of training and waiting is drawing to a close. Soon they will be teaching the Germans the final lessons of war on the plains of Europe. That is the moment every trooper in the Reconnaissance is waiting for.

HIS FINGER IS ON THE TRIGGER.

"Cross that river at all costs" was the order given to this Bren-gun section of the "Reccies." With the aid of a borrowed clothes-line, men and guns were across the river in a matter of minutes.

THEY ARE ELUSIVE AS GUERRILLAS, FAST AS SCOUTS, TOUGH AS COMMANDOS.

At the moment you don't hear much about the men of the Reconnaissance Corps. Their moment in history has not come yet. Occasionally a cryptic announcement appears in the *London Gazette*.

Behind this veil of secrecy Britain is building an army within an army. A secret force, complete in itself, which can be catapulted from the main body of the army, deep into the heart of enemy territory.

An army which will roam behind enemy lines spying, killing, sabotaging. And every moment of the day and night they will be in wireless communication with their divisional commander. Every move the enemy makes the "Reccies" will note and transmit back to headquarters.

That is their job. To spy on the enemy at close quarters. But with this difference. Every scrap of information they get will be fought for. They will snatch secrets from the Germans at the point of a blazing Bren gun.

With his trigger finger ready for instant Sten gun action, one of the 'Reccies,' soaked to the skin, advances grimly to his objective.

"Cross that river at all costs" was the order given to this Bren-gun section of the "Reccies." With the aid of a borrowed clothes-line, men and guns were across the river in a matter of minutes.

WHO are these "Reccies"? As we rattled over wild scrubland in bone-shaking Bren-gun carriers, bumped along winding cart-tracks in armoured cars I came to understand the kind of men they are.

We reached a small river. The water was slimy and still, there was no bridge but the river had to be crossed.

"How deep is that?" barked the colonel. A man's body whizzed by my ear, and a soldier, fully equipped, was floundering in mid-stream, trying to touch bottom. But his equipment held him up.

"I'll go, sir!" flashed a major. And before the colonel had finished his nod of agreement, the major had dived in. He came up spluttering. *"About eight feet, sir."*

Before he had reached the shore a huge trooper was swimming across with a rope, one end of which was already tied to a tree stump.

This trooper dug his heels into the ground on the opposite side and held the rope taut while the others pulled themselves across by it hand over hand.

One man dropped his tommy-gun into the water. Down he went after it, and was under water so long I thought he would drown.

But up he came again, coughing mud and slime, tommy-gun firmly grasped.

IN another two minutes, by means I must not disclose, the Bren carriers were across and we careered forward.

The carriers had orders to attack a certain point. Over the wild, rock-strewn heath they flew. One swerved suddenly and another crashed into it. The swerving one overturned, both scudded to a stop.

"*My God, they're killed!*" I heard myself shouting, and felt a sudden indignation that Bill Turner, who happened to be close to them, was calmly taking photographs instead of running to help.

BUT WHEN I REACHED THEM THE MEN—THREE TO A CARRIER—HAD ALREADY GOT OUT THEIR BREN GUNS AND WERE LYING ON THE GROUND FIRING AT THE OBJECTIVE.

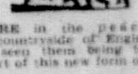
None was killed, and though some may have been injured they never disclosed the fact.

After the exercise the men talked about themselves, their peace-time jobs, their aspirations and their ideas on how wars should be fought. No two men had the same story.

In civilian life some had been Civil Servants, farmers, shop-keepers, newspaper reporters, students. Others had been regular soldiers, trained in crack cavalry regiments.

Yet certain things these young shock troops had in common. They were all intelligent men. Most of them had brains enough to direct this war from a desk in Whitehall. But they had not wanted to see war the easy way.

They were men in search of adventure. They gloried in the physical hardships of their training. They made time their enemy. They knocked seconds off every operation.



During the last three years I have seen thousands of men undergoing infantry training. I know just how good our soldiers are. But in the Reccies I saw something new. Every operation was streamlined.

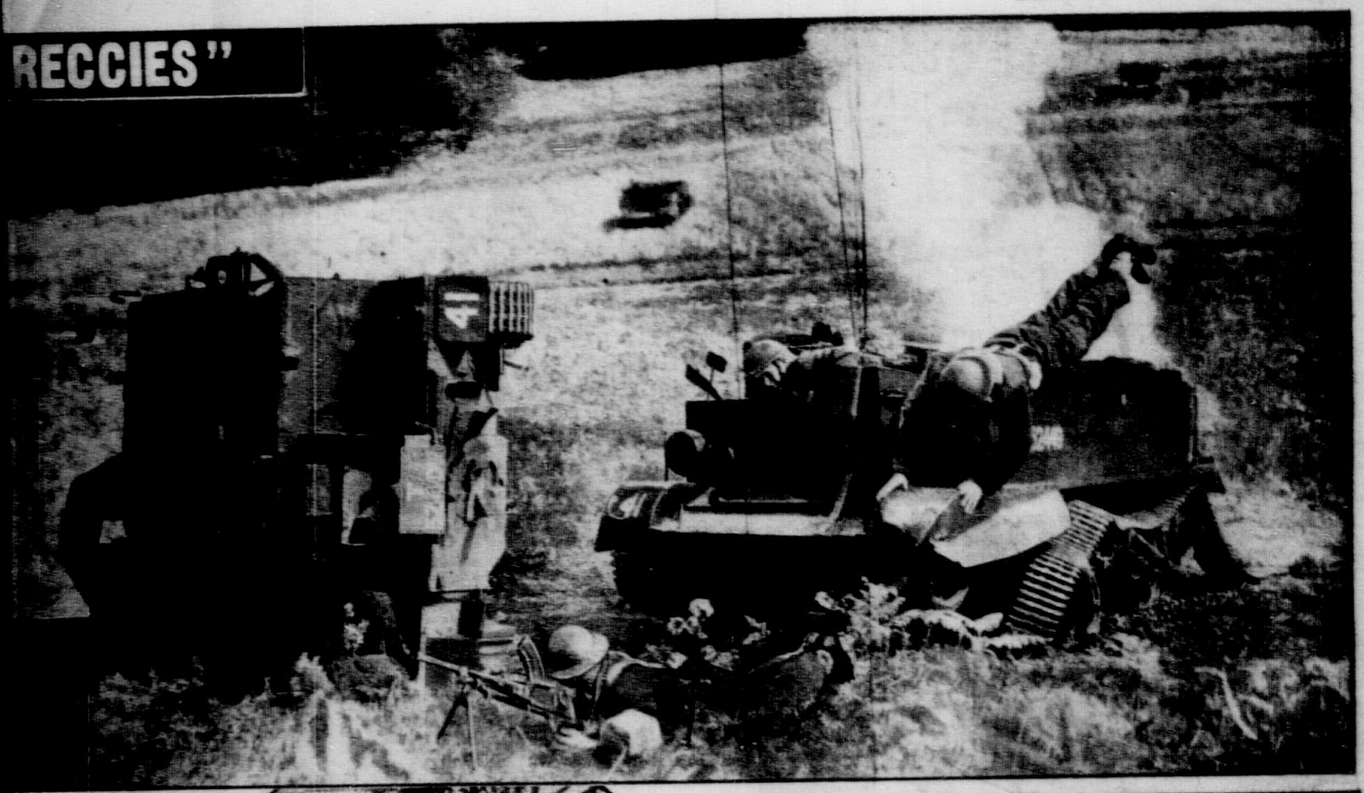
To cross barbed wire a man flung himself on the wire while other Reccies used him as a doormat.

To test a Reccie's initiative and split-second decision he is sent out on a "hits range" and attacked from all points. As the "attackers" close in on him he must fire from his hip.

The words "trapped," "encircled," "obstacles" are unknown to them. They do not wait for engineers to build them bridges across rivers.

They have not time to wait for ladders to scale buildings. Everything is improvised, time-reducing, hazardous.

HERE in the peaceful countryside of England I have seen them being taught the art of this new form of killing.



Each man in the Reccies is a specialist. He can operate almost any sort of army wireless equipment. He can drive a Bren gun carrier, armoured car, three-ton lorry.

He can lay mines and help to clear minefields. He can fire almost every weapon the regiment carries. He is an expert.

Now the pering of training and waiting is drawing to a close. Soon they will be teaching the Germans the final lessons of war on the plains of Europe. That is the moment every trooper in the Reconnaissance is waiting for.

HIS FINGER IS ON THE TRIGGER.

With Dad Out East

This war is fast becoming a family affair. Why, here's Sergeant-Major Mitchell taking a quiet afternoon stroll in a Cairo bazaar with his daughter Joan. And how did she get there? Well, Joan is a teleprinter operator in the ATS—and she's the first British daughter to join her father on active service.

+ + +

Joan's mother and father were both in uniform in the last war, and this time dad and three of his six children are serving.

TRIAL OF

A 4091 Pte LEBRUN, E., No 3 CIRU

The accused, when arraigned, plead not guilty to the first charge and guilty to the second or alternative charge. The Court, under Note 2, RP 37, proceeded to try the accused as if he had plead not guilty to both charges.

EVIDENCE FOR THE PROSECUTION -- NOTE: D-3

1st WITNESS FOR THE PROSECUTION
A 102152 Pte DUPUIS, J.B., 3 CIRU, having been duly sworn states:

On the 26 Feb 44 I was sleeping in the sleeping quarters of No 24 hut, Salamanca Barracks. That night I was in my quarters at approximately 2215 hrs. I was a corporal at the time and I was in my cubicle in room 24 talking to two of my friends when I saw the accused, whom I now recognize, walking out of room 24. He was going through the door with a soldier's large pack. He was a stranger to me and walking out in this way with his large pack caused me to become suspicious. I hollered at him to stop, but he continued on. I took up my flashlight and followed him out. I saw him stop and lay the pack down on the verandah and he came back. I asked him where the pack was and he said, "What pack?" Pte Chalmers was with me and we brought the accused back into room 24, then Pte Chalmers went away and came back immediately with a soldier's large pack. I told Chalmers to stay there and hold the accused. I then tood the pack into room 24 and asked if anyone had lost a pack, no one answered, but in the presence of the accused Pte Chapman said that he had seen the accused come through the other door to room 24, at the back, carrying a soldier's large pack. I went into room 25 with the pack and Pte Chalmers and the accused came along also with Ptes Chapman and Oram. When I got into room 25 I asked if anyone there had lost a pack. Pte Goforth answered that he had lost a pack. I went to him and asked him if he could identify the pack and its contents. He said that there were cigarettes and I think he said coffee was in his pack. At this time Cpl Guilfoyle came along and I turned this business over to him. It appeared that the accused had been drinking. I cannot say to what extent, nor can I explain what there was about him that made me think he had been drinking, but he was not drunk. I looked into the top of the bag but did not take anything out of it.

CROSS EXAMINATION BY THE DEFENDING OFFICER

I believe the pack was closed. I believe I opened it. I had never seen the accused before. There are few strangers who walk through, between rooms 24 and 25. It is against the rules. We had moved into these rooms just shortly before. There is a joint ablution room between rooms 24 and 25.

2nd WITNESS FOR THE PROSECUTION
A 106056 Pte CHALMERS, W.A., 3 CIRU, having been duly sworn states:

On the 26 Feb 44 my sleeping quarters were in room 24, Salamanca Barracks. At approximately 2215 hours that night I was standing in the cubicle of room 24 talking to Pte Dupuis, a corporal then, I saw a man whom I now recognize as the accused walking out of the room with a large pack. I heard Corporal Dupuis go to the door and call the accused back. He did not stop, Corporal Dupuis took his flashlight and went out after him. I went to the door and heard Cpl Dupuis call the accused back and then ask the accused where the pack was. The accused said "What pack?" Cpl Dupuis brought the accused back in and sent me out to get the pack. I went out and got the pack which was on the upper verandah of the barracks.

TRIAL OF

A 4091 Pte LEBRUN, E., 3 C.I.R.U.

2nd WITNESS FOR THE PROSECUTION (Cont'd)

It is about 15 or 20 feet away from the door of room 24 out of which the accused had gone.

I gave the pack to Cpl Dupuis then I saw him examine it. He did not take anything out of it. Cpl Dupuis then asked if anyone in room 24 had lost a pack. No one said that he had lost a pack. I could hear this and the accused was with me. Cpl Dupuis, the accused and I went into room 25. Cpl Dupuis asked if anyone had lost a pack. Pte Goforth said his pack was missing. The accused was with me. I heard Cpl Dupuis ask Goforth if he could tell what was in the pack. Goforth said there was chocolates, coffee and cigarettes in it. After Goforth said he lost a pack the accused said he had not stolen it. No one had accused him of stealing it.

(The Prosecutor shows the witness a pack. Witness opens and looks into it. He examines the outside of the pack). Witness continues

That is the pack which I got off the verandah on the 26 Feb 44. I note that it has several metal coat hangers attached to the bottom and as I now look into it the contents appear to be the same as when I looked into it on the 26 Feb. There is no number or name on the outside of the pack.

(Pack and contents marked Exhibit 'I' by the Court)

I gained the impression that the accused had been drinking. I could smell drink on him, he got pretty mad and wanted to clean the house out. He said that everyone were accusing him of stealing the cigarettes. I would not say that he was drunk.

CROSS EXAMINATION BY THE DEFENDING OFFICER

I first saw this pack when the accused was going out the door of room 24. I went towards room 23 to the place where I picked up the pack. I think the pack was fastened when I picked it up. I did not examine it inside to see if it were closed, I gave it to Cpl Dupuis. I saw the pack opened by Cpl Dupuis when he and I looked into it. I am sure this is the pack by the coat hangers on it and the contents, that is each time it has had Sweet Caporal cigarettes in it. On the 26 Feb Cpl Dupuis took some of the cigarettes out and he put them back. I see chocolates there now and they were there on Sat 26 Feb. I had never seen the accused before the 26 Feb. We had just moved into that hut on Friday morning. I can't remember whether I had seen men coming through the door between room 25 and 24 or not. Dupuis did not accuse the accused of taking this pack.

QUESTION BY THE COURT

I do not think I could have identified the accused here today if I had only seen him when I first saw him as he was walking out of the room with the pack. If I had not seen this pack before today, after I saw the man carrying it out of the room No 24 I would not have been able to recognize it as the same pack. I do not think there was enough time elapsed between the time I saw the accused marching out of the room and time he was brough back in to enable it to have been anyone else.

Trial of A 4091 Pte LEBRUN, E., 3 CIRU

3rd WITNESS FOR THE PROSECUTION
A 117446 Pte CHAPMAN, G.S., 3 CIRU, having been duly sworn states:

On the 26 Feb 44 I was quartered in hut 24, Salamanca Barracks. At approximately 2215 hrs I was sitting on my bed looking towards the lavatory, which is between hut 24 and 25. I saw a man come through our quarters from the direction of room 25. He had a soldier's large pack under his arm, I didn't say anything to him. He went through room 24 towards the door at the other end. This is the man who came out of the door (pointing to the accused). I had never seen him before and when he went through I took a pretty good look at him. Then Pte Dupuis came through, I do not know whether he was a corporal or not. He had no hooks up. The accused and Pte Chalmers were with him and Dupuis asked who had lost a large pack. Pte Dupuis had the pack and it appeared to be the same pack that I saw this here lad carrying with him, I saw the coat hangers hanging down from the bottom and I told Dupuis it was the pack I saw a man carrying under his arm coming from hut 25. No one claimed the pack in hut 24, so Dupuis, the accused, myself and others went into hut 25. Dupuis enquired there who lost a large pack then Pte Goforth said his pack was missing. Dupuis asked Goforth if his name or number was on the pack, Goforth said "No." Dupuis then asked Goforth to describe the contents of his pack. Goforth named the articles as cigarettes, coffee, boxes of choclates. I would say that I remember all that he said, I was standing back quite a ways. The accused then went to Goforth and said "Do you accuse me of stealing this pack?" Goforth said "I do not do any such thing, I only said my pack was missing." Then there was considerable talk as to whether anyone was accused of stealing anything. Then Pte Dupuis handed the pack and the accused over to Cpl Guilfoyle.

CROSS EXAMINATION BY THE DEFENDING OFFICER

The lights were on when the accused came from room 25. I had not got into bed yet. I was sitting on my bed facing the door towards room 25. I had been down town that night. I had had nothing to drink as I had been to a show. When I saw the accused I knew he was a stranger, I had never seen him before that night. I can remember his face. As far as I remember the pack was closed when it was brought back into the room from outisde. The coat hangers were hanging down from the pack, from the back and bottom, that the accused carried through the room 24. The accused was fully dressed but did not have his cap on. The accused had to look around for his hat when he went away with Cpl Guilfoyle.

QUESTION BY THE COURT

I think that about two minutes elapsed from the time I saw the accused firt go through the door and the time when he was brought back into the room with Dupuis.

4th WITNESS FOR THE PROSECUTION
A 106742 Pte GOFORTH, L.R., 3 CIRU, having been duly sworn states:

On the 26 Feb 44 I was quartered in room 25 Salamanca Barracks. I had gone out that afternoon as soon as we broke off parade about 1400 or 1430 hrs and was absent until I came back to camp at 2200 or 2215 hrs. I went to my room, room 25, at about 2215 hrs. I just stepped into the room when I heard Dupuis ask if anyone had lost their soldier's back pack. I happened to be standing near my bed and I looked over to the corner and I saw my ground sheet thrown off and that my pack was gone. I had left my ground sheet over my pack. I told Dupuis that it must be my pack. Then Dupuis asked me if I could describe the contents in the pack. I said I knew just about everything that was in it. The accused was with Dupuis. I told Dupuis that I I had 30 packages of Sweet Caporals and one large package of Black Cat cigarettes, approximately four pounds of coffee and

Trial of A 4091 Pte LEBRUN, E., 3 CIRU

4th WITNESS FOR THE PROSECUTION (Cont'd)

some choclates, and that there was a wire clipping across the top of the bag of coffee, I told him that there was four coat hangers hanging on the bottom of the pack by a white string, and that the corners of the hangers were tied by a piece of string. Then he showed me the pack. The accused here was getting a little wild and Cpl Guilfoyle had come in and went to talk to the accused.

(Witness examines the Exhibit '1' and its contents, and continues)

I cannot tell what brand of coffee was in my pack. As far as I knew the things I described were all that were in my pack. There were three one pound boxes of Neilson's mixed choclates.

(Witness then took the contents out of the pack consisting of thirty packages of Sweet Caporal cigarettes twenty-five in each and one package of Black Cat cigarettes containing twenty-two. All cigarette packages were unopened. The package of coffee, with no markings on the bag, the top of the coffee parcel had a wire clip across and through the top of it. The witness took out of the pack three one pound boxes of Neilson's mixed choclates, the cellophane in each of these boxes was unbroken)

This is my pack and the contents belong to me. I got the choclates and cigarettes on the boat coming over (these packages were neither marked "Gifts to Canadian Solders" nor were there any Excise Stamps on them. I brough the coffee on to the boat.

(The witness pointed out that the four coat hangers were as described and in the position and condition in which he tied them up)

I just arrived in Salamanca Barracks from Canada on Friday 25 Feb 44.

CROSS EXAMINATION BY THE DEFENDING OFFICER

My bed was about fifteen feet from the door of the lavatory between rooms 24 and 25. I occupy the lower deck of a two bunker. The accused was sleeping in the upper bunk of my bed. I never went through the lavatory and into the room 24, I never saw the accused go that way either.

5th WITNESS FOR THE PROSECUTION

A 103115 Cpl Guilfoyle, J.J., 3 CIRU, having been duly sworn states:

On the 26 Feb 44 I was quartered in room 25 Salamanca Barracks. I came into the room at 2215 hrs. I found a crowd and after obtaining the necessary information I took the accused, whom I now recognize, and a large pack to the guard room.

(Prosecutor shows the witness Exhibit I and the contents, the witness continues)

This is the pack and the contents in are those which I got from Pte Dupuis and took to the guard room with the accused. I saw the tear which is in the package of coffee being made that night when it was being examined. When the accused was searched in the guard room no money was found on him. I could smell drink on the breath of the accused, otherwise I could not tell that he had been drinking.

DEFENDING OFFICER DECLINED TO CROSS EXAMINE THIS WITNESS .

The Prosecutor said he did not think it necessary to call the witness B 39091 Pte ORAM, H.S.

The Defending Officer said he did not require this witness for cross examination.

Trial of A 4091 Pte LEBRUN, E., 3 CIRU

PROSECUTION IS CLOSED

EVIDENCE FOR THE DEFENCE -- NOTE D-5

1st WITNESS FOR THE DEFENCE
A 4091 Pte LEBRUN, E., 3 CIRU, having been duly sworn states:

I am 24 years of age. I am single. I joined the Army 3 May 1940. I landed in England 25 Feb 44. I was quartered in room 25, Salamanca Barracks. My bed is the upper birth and opposite the lavatory door, Pte Goforth was sleeping in the lower bunk. On Sat 26 Feb from about 1230 to 1600 hrs I was in a church canteen near my barracks, I came back to my barrack room about 1605 hrs. I slept in my bunk for about an hour and a half. A fellow wakened me and asked if I were going down town. I said "yes". I got up, put on my cap and went down town. I walked around for a while and then we went into a pub. We ordered two drinks of gin each and then we had a few glasses of beer, then we got a drink of whiskey, of Scotch, and then we drank beer from then on. Then I came back to barracks with the intention of shaving and changing my clothes. I went to grab my pack and probably grabbed the wrong one, then I don't remember having the pack until there was a gang around me. Then I was taken to the guard room. I keep my shaving kit and clothes in my large pack. Every night I shave and wash before I go to bed. I had about three packages of Winchester cigarettes of my own that night. If I needed more cigarettes I could have gotten them from my friend Bob Irwin who had a carton of Winchesters.

CROSS EXAMINATION BY THE PROSECUTOR

I forgot everything from the time I picked up my pack until there was a crowd around me. I kept my large pack up on the rail above my bed and Pte Goforth keeps his pack under the ground sheet on the floor. I do not remember where I picked this pack up that night, mine was on the rack. When I said I intended to change my clothes I mean I was going to change my underwear then I was going to bed. I was going to shave with my whole pack under my arm. There is only a toilet between room 24 and 25, we have to go out into the hallway to wash and shave. I had only come into the hut the day before and I had been going through room 24 to get to the wash room.

DEFENCE IS CLOSED

PROSECUTOR'S ADDRESS TO THE COURT ON THE FINDING

We have pointed out to the Court that the accused had no money at all in his possession. He came into his room at night, picked up a large pack which he claims he thought was his. His pack was on a rail above his bunk, the pack in question was on the floor, and then with intention of shaving and changing his clothes, it is to be noted that he did not take the direct method of proceeding to the wash room but proceeded through another hut. There is not any doubt that the pack and contents were not his and belonged to Pte Goforth. By having in his possession goods of another person, there is the presumption of theft, it is up to him to prove that it was otherwise. The evidence in this case shows that despite the fact that the accused had been drinking he was not drunk. In any event drunkeness is no defence. The Prosecution feels that the Court has the full facts and there is nothing further to be added.

Trial of A 4091 Pte LEBRUN, E., 3 CIRU

DEFENDING OFFICER'S ADDRESS TO THE COURT ON THE FINDING

On a charge of stealing the Prosecution must prove
Firstly - possession of someone else's goods: and
Secondly - a guilty intent.

In the Prosecution's case the witnesses have endeavoured to prove possession of a pack by the accused which belonged to someone else. I submit none of the Prosecution's witnesses have proved the necessary guilty intent. Another point in argument is that apparently the prosecution could not find any direct evidence that the pack in question was taken by the accused, they have no eye witnesses and, therefore, we can assume that there was no one in room 25 when the alleged taking is supposed to have happened and in view of this, it is hard to believe that the accused would steal a pack and then proceed through a room occupied by at least four other persons when he would have had a direct exit through his own room. If the Court believes the accused statement it must necessarily agree that there was no guilty intent, required for a conviction on this charge. I submit that no guilty intent has been proven by the Prosecution. In any event the accused is entitled to all the benefits of doubt under a charge, and must be acquitted if the Court is satisfied that there is reasonable doubt as to his guilt.

SUMMARY OF EVIDENCE

In the case of Regt. number A.4091, Pte. LEBRUN, Ernest, (General List), on strength of 3 Canadian Infantry Reinforcement Unit, a soldier of the Canadian Army Overseas.

By direction of the Commanding Officer the Summary of Evidence is taken on oath.

FIRST WITNESS: Prosecution

A.106742, Pte. Goforth, L.R., Gen. List., 3 CIRU, having been duly sworn states:

On 25 Feb 44 I was attached "A" Coy. 3 CIRU and was quartered in Room 25, Salamanca Barracks. I was absent from my quarters from 1430 hrs. 26 Feb 44 and returned at 2200 hrs. going to Room 25 at approximately 2215 hrs. A few minutes after I had entered I heard Pte. Dupuis call out if any man had lost a large pack. I noticed that the ground sheet I had left over my own pack had been thrown aside and that the pack was missing. I told Pte. Dupuis, who had a pack in his hands, that it must be mine and Pte. Dupuis then asked me to identify the pack and contents, which I did. There were 4 coat hangers on back with two white strings holding each end together. Approximately 4 pounds Coffee with wire clip through top of bag; 50 packets (large) sweet Caporal cigarettes, 1 Packet (22) Black Cat cigarettes and 3 (1 pound) boxes of Chocolates. During this time I had noticed a crowd of men around Pte. Lebrun in the Room. The pack was then turned over to Cpl Guilfoyle, who then left Room 25 with the pack and Pte. Lebrun. I next saw the pack at "A" Coy Orderly Room at 0900 hrs 28 Feb 44, when I was a witness when Pte. Lebrun was charged with stealing my pack and contents.

L.R. Goforth

A.106742, Pte. Goforth, L.R.

The evidence is read back to the accused.

The accused declines to cross-examine the witness.

SECOND WITNESS: Prosecution.

A.103115, Cpl. Guilfoyle, J.J., Gen. List., 3 CIRU, having been duly sworn states.

On 26 Feb 44 I was attached "A" Coy., 3 CIRU, and was quartered in Room 25 Salamanca Barracks. I was not in Room 25 until 2215 hrs. when I was asked by Pte. Dupuis to take over an incident which had occured. I learned that Pte. LeBrun had been found attempting to leave the Room with a pack which it was claimed was not his own property, by way of Room 24, at approximately 2200 hrs. I thought the matter over and decided to take Pte. LeBrun to the Guard Room as he was under the influence of liquor and behaving in a noisy manner. Pte. Goforth told me that he had identified the pack as his own but I did not give it to him but took it to the Guard Room with Pte. LeBrun. I checked the contents of the pack at Guard Room and found that they agreed with a list given to me by Pte. Goforth before leaving Room 25. I asked the MP's to take Pte. LeBrun into Custody pending investigation and after talking the matter over with CSM Simpson, I. "A" Coy., a charge of stealing the pack and contents was laid against Pte. Lebrun. I appeared as a witness at "A" Coy Orderly Room at approximately 0945 hrs 2m Feb 44.

THIRD WITNESS: Prosecution.

A.102162, Pte. Dupuis, J.B., Gen. List., 3 CIRU, having been duly sworn states.

On 26 Feb 44 I was attached "A" Coy, 3 CIRU, and was quartered in Room 24, Salamanca Barracks. At approximately 2210 hrs. I was in my room talking to two of my friends when I saw Pte. LeBrun pass my door going towards the Room entrance. I knew he was a stranger, I saw that he carried a pack which made me suspicious of theft and called him back. He did not answer but kept on going, so I got my flashlight and followed. I saw him lay the pack on the top verandah of Salamanca Barracks. He then returned and asked me what I wanted. I asked him what he had done with the pack He answered "What Pack" he did not give me any other answer and I sent Pte. Chalmers to get the pack from the verandah, which he did. I took the pack and told Pte. Chalmers to stand guard over Pte. LeBrun who appeared to be intoxicated. I inquired if any man in Room 24 had lost a pack and was told "No". Pte. Chapman told me that he had seen Pte. LeBrun coming from Room 26 with the pack so I took the pack, Pte. Chalmers and Pte. LeBrun to Room 26 where I made the same inquiry. Pte. Goforth said that his pack was missing. I asked him to identify the pack and contents which he did but I did not open the pack, as Cpl. Duffoyle then came along I handed the matter over to him.

J.B. Dupuis

On 26 Feb 44 I was attached "A" Coy, 3 CIRU and was quartered in Room 24 Salamanca Barracks. At approximately 2210 hrs. I was standing in Cubicle doorway Room 24, talking to Pte. Dupuis when I saw Pte. LeBrun leaving Room 24 carrying a pack under his arm. We wondered why the man would be leaving at that time of night with a pack and Pte. Dupuis called him back, but he did not stop. Pte. Dupuis got a flashlight and followed while I stood in the doorway. Presently Pte. Dupuis returned to the room with Pte. LeBrun and he told me to go on to the verandah and fetch the pack, which I did. Pte. Dupuis looked at the pack to see if there was anything to identify it as belonging to Pte. LeBrun. There was no indication that it belonged to him. I was left in charge of Pte. LeBrun whilst Pte. Dupuis checked with the occupants of the room as to the ownership of the pack. Pte. LeBrun appeared to have been drinking. Later we took Pte. LeBrun and the pack to Room 26 where it was identified by Pte. Goforth as being his.

LeBrun enter the Room from the lavatory carrying a pack under his arm. Later Pte. Dupuis enquired generally if any man in room 24 had lost a pack. I looked at the pack and told Pte. Dupuis what I had seen. I went to Room 25 with Pte. Dupuis and Pte. LeBrun. There I heard Pte. Seforth claim the pack and it was turned over to Cpl. Quilfoyle.

RHF

The accused is arraigned upon the first two charges in the above-mentioned charge sheet.

Q. 1 - Are you guilty or not guilty of the first charge against you which you have heard read?
A. 1 - Not Guilty, sir
Q. 2 - Are you guilty or not guilty of the second charge against you which you have heard read?
A. 2 - Not Guilty, sir

Defending Officer - Before the third, fourth, fifth, sixth, seventh and eighth charges are read I wish to put an objection. These six charges are duplications. The third and sixth, fourth and seventh, fifth and eighth are based on identical facts and they are in fact the same charges arising from the essential elements required to form an offence and I submit that the Prosecution should at this stage be requested to determine which of these charges it wishes the accused to plead in. I feel that should this court in, say the third charge find the accused guilty it would be impossible for it to find in charge six because of the principle of "autre fois acquite: autre foix convicte". I submit in view of this situation the court should ask the Prosecution to determine which charges it wishes the accused to plead to.

Prosecutor - We are relying upon the whole six charges. The Convening Officer in his wisdom has seen fit that these charges should be tried. Now, I wish to point out to you that the third, fourth and fifth deal with conniving. Now that means "and with another party" and I may say in this particular case it is with Lt. Col. Plante. The sixth, seventh and eighth you will note are just dealing with the individual, Capt. LeBrun; they are absolutely separate offences and for that reason we are relying upon all six as individual cases

Defending Officer - Mr. President, I think it is a well-known principle of Law that any person who aids, abets and connives in the commission of any offence is guilty of the offence himself and, therefore, it is impossible for the man to be guilty of the offence twice. He is either guilty of the offence as such or else he is not and aiding and abetting is a crime and he cannot be charged for example, of aiding, or helping, or abetting to murder and at the same time be charged with murder. He has to be charged with one or the other and it is a principle of law either you are guilty of one or the other. In this case I submit that these six charges should be reduced to three.

Prosecutor - Again I reiterate, Mr. President, that the third, fourth and fifth is "conniving" with the accused and Col. Plante working together, you see. All right. Those are specific charges. Then with reference to six, seven and eight, that is that Capt. LeBrun did this by himself and I still regard them as individual charges.

Court - Well, three, four and five are "conniving" and six, seven and eight are "improper withdrawal"

Prosecutor - Yes, sir

Court - Well, I appreciate your point on that (to Prosecutor) and I appreciate your point (to Defending Officer) but I hesitate very much to recommend that the charge-sheet should be changed as the charge-sheet has been approved by the Senior Officer of C.M.H.Q. who is also a learned judge so I feel that he sees fit to put this officer before this Court on those charges and that he has carefully considered them and I would hesitate very much to close the Court and recommend to him that they be changed in the way which would have to be done.

Defending Officer - Sir, I feel that this Court is far superior to any officer convening a court. You are here to determine whether or not what has been done with anybody has anything to do with doing it himself and I submit that it is a definite injustice to ask a man to plead to six charges when the elements in all facts are identical. There is not one element of fact, sir, different in five and six and there is no element different in five, six or seven nor is there any difference in six, seven or eight and I submit to you that under the principles of law you cannot find on charge three and find on charge six because you have already taken one group of facts which have been set before you which constitute

an indictable offence - you have determined whether that man has or has not committed the offence and then, a few minutes later, you are going to consider charge six and see if he has committed the single offence

Court - Yes, I agree that if he should be found guilty on - we shall say charge three that he would naturally be found guilty on charge six but I think he might be found Not Guilty on Charge three and still be found guilty on Charge six

Defending Officer - Then I submit that the charge sheet should be changed and put in the alternative. These are not alternatives

Court - I see your point that the charges are identical one of conniving and the sixth, seventh and eighth of improper withdrawal. If he connives he might be found guilty or not guilty of that but if he is found not guilty of that he might be guilty of withdrawal. If he is found guilty of conniving I agree with you that the other is almost automatic. He might be found guilty of one and not guilty of the other

Defending Officer - The question is - "What did he connive at?" He connived in the withdrawal. That is the point of it. In one case to "improperly withdraw" and in the other "to connive to withdraw". The principal elements in both cases are "to withdraw"

Judge-Advocate - Major Gunn, do you state that these charges are different and not the same charges?

Prosecutor - Yes, I claim that they are. As the President so aptly pointed out one is "conniving" and the other is "improper withdrawal" - two separate and distinct charges

Judge-Advocate - Now, "conniving at the improper withdrawal" is one offence and the other one is actually withdrawing?

Prosecutor - That is right

Judge-Advocate - Now, isn't it right that he who connives at the commission of an offence is guilty as if he had committed the offence himself?

Prosecutor - Well, that is true, but here under Section 40 - - You see, it has boiled down again to conduct in the fact that he connived with Col. Plante or somebody else. Now, that is one set of facts. Now, the other one then, disregarding Col. Plante or anybody else the accused improperly withdrew all by himself - "conduct". I claim it is two separate offences

Judge-Advocate - You say it has been carefully considered by the Convening Officer?

Court - Would the court like to discuss this thing before we make a ruling? Before we do that I would like to say that under R. P. 33 the court cannot make any change, that under Rule 33 when the accused is asked to plead he may object on the ground that it does not disclose an offence under the Army Act and unless there is some very strong reason for the court to refer it to the convening authority the court should ordinarily proceed with the trial of the charges and decide on the merits. That is the only ground for objection I see unless he brings himself within R. P. 33. We have no right to change the charge-sheet. That is, the only place with the consent of the Prosecution, subject to the J.A.G. C.M.H.Q. that the court can strike out charges before they are tried is where they are alternative charges and the Prosecutor agrees that they be stricken out. Therefore, this court must proceed with the trial on all the charges unless they wish to refer it to the Convening Officer

Court is closed for discussion
Court is re-opened

Court - The court have discussed your objection and it is ruled that we will proceed with the charges as laid on here.

The accused is arraigned upon the remaining charges in the above-mentioned charge-sheet

Q. 3 - Are you guilty or not guilty of the third charge against you which you have heard read?

A. 3 - Not Guilty, sir

O.K.

Q. 9 - Are you guilty or not guilty of the ninth charge against you which you have heard read?

Q.15 - Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with and that you have been prejudiced thereby or on the ground that you have not had sufficient opportunity for preparing your defence?
A.15 - No, sir

THE PROSECUTOR MAKES THE FOLLOWING OPENING ADDRESS:

Mr. President, I think I will take a little of your time in explaining some of these charges so as to perhaps make it a little clearer at this particular moment. Now, the first charge is "Behaving in a scandalous manner - etc. etc in the field in or about the month of March 1941 when Secretary of the Officers Mess of No. 1 Canadian Convalescent Depot, R.C.A.M.C. requested Patrick Skellet, Manager of R. Grant & Son, to submit accounts to the Officers Mess of No. 1 Canadian Convalescent Depot for the months of December 1940 and January 1941 for lesser amounts than were actually due for said periods to R. Grant & Son with intent to mislead the unit audit board and the Regimental Funds Board". Now, I will be calling a number of witnesses, Patrick Skellet General Manager of R. Grant & Sons who will testify as to just what happened and how Skellet gave the reduced bills to Pte. Noel which Pte. Noel subsequently gave to Capt. LeBrun, also Pte. Noel who will testify as to what he knows about the particular matter. There is not a great deal more that I need say in connection with the first charge and the same thing applies to the second charge.

Now, with reference to the third, fourth and fifth charges "Conduct to the prejudice of good order and military discipline in that he in the field on the 13th day of June 1940 while Secretary of the Officers Mess of No. 1 Canadian Convalescent Depot R.C.A.M.C. connived in the withdrawal of the sum of £8.10.9 from the Regimental Funds of No. 1 Canadian Convalescent Depot R.C.A.M.C. and in the improper application of the said sum to

the bank account of the Officers Mess of No. 1 Canadian Convalescent Depot, R.C.A.M.C." - "£8.10.9 on 13 Jun 40 in the third charge, £35.3.6½ on 10 Oct 40 in the fourth charge, and £52.0.0 on 13 Dec 40 in the fifth charge". Now, we will be introducing evidence to show that the accused signed three cheques drawn on the Regimental Funds which were untimately placed to the credit of the Officers Mess and how the money was used for the payment of accounts of the officers mess.

Now, on the sixth, seventh and eighth charges, we have already had a little discussion on that so I need not say anything in connection with those three charges.

The ninth, tenth and eleventh charges "In a document made by him knowingly making a false statement, in that he, in the field on or about the 30th day of November 1940 in his capacity as Secretary of the Officers Mess of No. 1 Canadian Convalescent Depot, R.C.A.M.C. falsely entered in the personal mess account of Lt. Col. A.P.Plante a credit of £10 when in fact the sum of £10 was not so paid" - and similarly with reference to the other two charges. When we come to those particular charges I will be calling Sgt. Warren who took the evidence given by Capt. LeBrun in the Summary of Evidence in the Col. Plante case. That is about all I need have to say, sir.

Now, in connection with the twelfth charge "Conduct - etc. etc in the field during the period from May 1940 to March 1941 inclusive failing to enter in the accounts of the said Officers Mess the three amounts £8.10.9, £35.3.6½ and £52.0.0" I will be calling there Major Barton, a representative of the Regimental Funds Board who will explain to you the documents in connection with this particular case [redacted] show that the monies that were drawn from the Regimental Funds and deposited to the Officers' Mess were not entered on these particular statements.

On the thirteenth charge of "Neglecting to keep accounts and books, etc " that is very simple so I need not say anything about that

The fourteenth charge "Conduct to the prejudice etc etc again failing in his accounting" that is very similar to the twelfth charge in the fact that in a document required by the Regimental Audit Board he does not show these amounts of £8.10.9, £35.3.6½ and £52.0.0". Charge 14 deals with the Regimental Funds.

I don't think I need say any more and with your permission, Mr. President, I think I will carry on

1st Witness for the Prosecution, D.95184, Pte. Renouf NOEL, No. 1 Cdn Conv Depot, R.C.A.M.C., having been duly sworn is examined by the Prosecutor.

Q.34 - Officers' Mess of No. 1 Cdn Conv Depot - right?
A.34 - Yes, sir
Q.35 - Will you take a look at this particular document which I have in my hand?
A.35 - Yes, sir
Q.36 - What is it?
A.36 - It is a document which was given to me by Capt. LeBrun, sir
Q.37 - And given to you when?
A.37 - It was given to me - - I delivered it to a certain place on the day it was given to me but the exact date I can't say
Q.38 - And to whom did you deliver it?
A.38 - I delivered it to Mr. Skellet of R. Grant & Sons, Torquay
Q.39 - Now, you say that you don't recall the exact date but keeping in mind when you received that particular document which is in your hand when did you give that document to Mr. Skellet?
A.39 - On the same day that I was sent down with it, sir. It was in an envelope. I presume that is what was in the envelope
Q.40 - Are you familiar with Capt. LeBrun's signature?
A.40 - Yes, sir
Q.41 - Will you take a look at the same document and tell me whose signature that is?
A.41 - The signature, I presume, of Capt. LeBrun
Q.42 - Is it Capt. LeBrun's or not?
A.42 - I would say it is, sir
Q.43 - And with reference to the reading in the body of the - -

Defending Officer - Mr. President, I don't believe that you are allowed to let witnesses play around with documentary evidence until it is produced in court
Court - I have had a feeling that way myself but I didn't want to lay it down
Prosecutor - Well, the thing is this, Mr. President. I certainly have to establish a document before it is produced in evidence

Letter dated 20 Aug 41, signed by Louis E. LeBrun, addressed to R. Grant & Son, Torquay is entered as Exhibit "A", signed by the President and attached to the proceedings.

Q.44 - Now, after you handed Exhibit "A" to Mr. Skellet of R. Grant & Sons what happened?
A.44 - I asked Mr. Skellet to telephone Capt. LeBrun
Q.45 - Now, I don't want any conversation which took place between you and Mr. Skellet because LeBrun was not present. Is that clear?
A.45 - Yes, sir
Q.46 - Just tell me what happened?
A.46 - Mr. Skellet went away to his office
Q.47 - Then what happened?

O.H.F.

A.47 - He came back a short time afterwards
Q.48 - Then what happened?
A.48 - He said "Stay there for about fifteen minutes" then he went out again and came back with some invoices

Bundle of invoices, seven in number, with statement attached, for month of Dec '40 are marked "B", signed by the President and attached to the proceedings.

Bundle of invoices, ten in number, with statement attached, for month of January, 1941, are marked "C", signed by the President and attached to the proceedings

Q.49 - Now, take a look at Exhibits "B" and "C". What are they, Pte. Noel?
A.49 - They are invoices from Grant & Son
Q.50 - And you say that Mr. Skellet gave you invoices - right?
A.50 - Yes, sir
Q.51 - What have you to say about "B" and "C"?
A.51 - Well, I would not say that these are the invoices which I took as given to me, sir. I didn't get any of these (figures).
Q.52 - What you say is that he gave you invoices. And what did you do with the invoices you got from Mr. Skellet?
A.52 - I brought them back and gave them to Capt. LeBrun
Q.53 - Do you remember the time and the date?
A.53 - I don't remember the date, sir, but it would be about towards noon that I would return
Q.54 - Now, then, did you know what the invoices from R. Grant & Son had to deal with that you brought back from Mr. Skellet and gave to Capt. LeBrun?
A.54 - Yes, it was to adjust an account
Q.55 - Adjust what account?
A.55 - Well, Capt. LeBrun told me that he had to fix something for the O.C.
Q.56 - Did he say anything else?
A.56 - He said he took off a certain amount off December and January account
Q.57 - Did he say anything else?
A.57 - I said something to him
Q.58 - That is all right - -

Defending Officer - Might I suggest at the present moment I don't know what moment or almost what year we are in. I was wondering whether it would be possible because the charge is definitely very specific and I think the Prosecution should prove it more clearly to the court

Q.59 - Do you remember what month and what year it was that you went to Mr. Skellet of R. Grant & Son?
A.59 - Well, it would be the day that I took that note down, sir
Q.60 - Quite true. Do you remember what month or what year that was?
A.60 - No, I can't remember that, sir
Q.61 - You can't recall that?
A.61 - No, sir
Q.62 - Now, then, you started to tell a conversation which you have had with Capt. LeBrun?
A.62 - Yes, sir
Q.63 - Go ahead
A.63 - He said he asked Mr. Skellet to take off the December and January account and I said "Why, sir?"
Q.64 - To whom?
A.64 - To Capt. LeBrun. December and January are usually two heavy months as far as liquor consumptions are concerned and he said "Go ahead and get that". I said "Has there been a complaint about too much liquor being drunk in the mess?" and he didn't give me any reply
Q.65 - Did you at any other time have any conversation with Capt. LeBrun, the accused, in connection with this matter?
A.65 - Yes, sir, I asked Capt. LeBrun to come down with me to R.Grant & Son. I think it was a Thursday as I had told Mr. Skellet

ONE

myself that I would bring Capt. LeBrun down
Q.66 - As a result of that did the both of you go?
A.66 - Yes, sir
Q.67 - Where did you go?
A.67 - To Mr. Grant's office
Q.68 - Who was there?
A.68 - Mr. Skellet, sir
Q.69 - Can you tell us any conversation which took place while Capt. LeBrun was present?
A.69 - Yes, sir. Whilst Capt. LeBrun was present Capt. LeBrun spoke about the account and said that they were fixing the account because the O.C. had not paid his account

Defending Officer - I object to that
Court - Tell exactly what you know and what you have heard; anything else that you have notany knowledge of is hearsay and cannot be admitted

Q.70 - Don't say anything that deals with Col. Plante the O.C., because he was not there
A.70 - Well, that would be all that took place except that Capt. LeBrun said that he would hold himself responsible for the amount and I said that I would be willing to help out myself
Q.71 - Now, then, you were mentioning about these bills covering the months of December and January, Pte. Noel. For what years?
A.71 - For December 1940 and January 1941
Q.72 - Can you tell us the months that you were down and had all these conversations with Mr. Skellet while Capt. LeBrun was present? Do you recall that?
A.72 - It would be the same week as that note was taken down
Q.73 - The same week as the note was taken down?
A.73 - Yes, sir

CROSS-EXAMINATION BY DEPENDING OFFICER

Q.74 - Pte. Noel, were you present when this letter was written?
A.74 - No, sir, I was not present. I can't say that I was there. When I was called in by Capt. LeBrun I was over at St. Mary's when he sent a message that he wanted to see me and he was then, I think, working on some of his Mess Accounts belonging to the Mess. He was Messing Officer at the time
Q.75 - This letter was given to you in the summer or winter?
A.75 - In the summer, sir
Q.76 - You will note on this letter it says "20 Aug 41"?
A.76 - Yes, sir
Q.77 - Would that be about the time that you took this letter?
A.77 - I would say it would be, sir, about that time

QUESTION BY COURT

Q.78 - Can you say whether this is the note which was in the envelope that you took down?
A.78 - I can't say, sir, because I never read it, sir
R.P.83(B) was not complied with in respect of the above witness.

2nd Witness for the Prosecution, Patrick Skellet, General Manager, R. Grant & Son, Torquay, having been duly sworn is examined by the Prosecutor.

Q.78 - Will you give us your full name please?
A.78 - Patrick Skellet
Q.79 - What is your position, Mr. Skellet?
A.79 - General Manager for R. Grant & Son
Q.80 - And how long have you occupied the position of General Manager of R. Grant & Son?
A.80 - About twelve years I should think
Q.81 - And I presume you are acting as such at the present moment?
A.81 - Yes
Q.82 - Mr. Skellet, as General Manager of R. Grant & Son, you have access to all the ledgers, books etc of R. Grant & Son?
A.82 - Right

AHE

Q.83 - Now, do you know Pte. Noel?
A.83 - Yes
Q.84 - Do you know Capt. LeBrun?
A.84 - Yes
Q.85 - Will you look at Exhibit "A", Mr. Skellet and tell me if you have seen Exhibit "A" or at least did you receive Exhibit "A" from somebody?
A.85 - Yes
Q.86 - Who did you receive Exhibit "A" from?
A.86 - From then Sgt. Noel
Q.87 - And who is today Pte. Noel, is he not?
A.87 - Right
Q.88 - Now, after you received Exhibit "A" from Noel what did you do?
A.88 - Well, I don't know exactly what you mean by that. I don't quite follow your question
Q.89 - Take a look at Exhibits "B" and "C" and tell the court please what they are?
A.89 - Exhibits "B" and "C" are receipts for goods supplied to the No. 1 Officers Mess from R. Grant & Sons
Q.90 - For what dates or what months?
A.90 - For December and January of 1940 and 1941
Q.91 - Now, then, after you received Exhibit "A" from then Sgt. Noel what did you do?
A.91 - At his request I supplied them with these accounts
Q.92 - You supplied them with Exhibits "B" and "C"?
A.92 - Right
Q.93 - Pursuant to that letter which you received from Noel?
A.93 - Yes
Q.94 - All right, you gave Exhibits "B" and "C" to then Sgt. Noel?
A.94 - Yes
Q.95 - Did you have any conversation at any time with Capt. LeBrun?
A.95 - Oh, yes
Q.96 - In connection with the account at R.Grant & Son owed by the Officers' Mess of No. 1 Cdn Conv Depot?
A.96 - That is so
Q.97 - Would you just tell us what the conversation was?
A.97 - Well, as far as I can remember Capt. LeBrun accepted responsibility for a certain proportion - -
Q.98 - Tell us the conversation, Mr. Skellet please. The court will decide that. It is conversation which I would like
A.98 - I am afraid that is impossible. I can't remember the conversation after all this length of time. I couldn't remember it verbatim. I haven't the vaguest idea of what somebody said to me nearly two years ago
Q.99 - Now, will you look at this document which I have in my hand and tell me what it is?
A.99 - This is an authentic copy of the books of R.Grant & Son as goods supplied to the No. 1 Cdn Convalescent Depot for the period of Dec 1940
Q.100- That is an authentic copy?
A.100- Yes

Group of invoices thirteen in number, to which statement is attached from R.Grant & Son, for month of December, 1940 to Officers' Mess, No. 1 Conv Depot is marked "D", signed by the President and attached to the proceedings

Q.101- Have a look at this document which I am handing you please?
A.101- That is the same thing for January, 1941, an actual record of the total goods supplied

Group of invoices, ten in number, to which statement is attached, from R.Grant & Son, for month of January, 1941 to Officers' Mess, No. 1 Cdn Conv Depot is marked "E", signed by the President and attached to the proceedings.

Q.102- Now, you have told us that "D" and "E" were the authentic ac-

a NF

counts for the bills due and owing from the No. 1 Cdn Conv Depot Officers' Mess to R.Grant & Son. Now, just tell me what "B" is

A.102 - Well, "B" is the account which I gave to Sgt. Noel at that time at his request as being part of the original account

Q.103 - For which month?

A.103 - December, 1940

Q.104 - Now, what is Exhibit "C"?

A.104 - That is part of the January account, 1941

Q.105 - Account of what?

A.105 - Goods supplied to the Convalescent Depot Officers' Mess

Q.106 - Now, keeping in mind Exhibits "B" and "C" did you have any conversation with Capt. LeBrun with regard to them?

A.106 - Those are the smaller amounts aren't they?

Q.107 - That's right

A.107 - Well, whether I had the conversation actually with LeBrun himself or through his - shall I use the word "agent"? who brought the letter I couldn't say but the arrangement was that that was - -

Defending Officer - I object. He can't answer until he is absolutely certain that it was with Capt. LeBrun. He certainly has not any right to give any conversation with Pte. Noel if Capt. LeBrun was not present

Q.108 - Just give us the conversation which you had with Capt. LeBrun, not with Sgt. Noel at all

A.108 - Well, again I am terribly sorry but I can't remember. I mean it is almost fantastic to expect me to remember a conversation so long ago

Court - I think, Mr. Skellet, you must realize that you are on oath and that this Court is trying this officer on some very serious charges and where you may not remember the exact words the Court feels that you should be able to give the import of what you did at that period. You don't help us very much by saying "I don't remember". The court has the right to insist on your giving us the gist of what was said

Witness - I am very anxious to help you but I don't want to tell you something which was not right. I should say that as far as I can remember Capt. LeBrun assumed responsibility for the balance of those two accounts. I think that is the gist of any conversation we had

Defending Officer - Sir, it seems to me that still on that original objection the witness has not yet said whether his conversation was with the accused

Court - You can bring that out in your cross-examination. We will let the Prosecution bring his evidence out and if you have any objection you can ask for a ruling of the court but when the witness is finished by the Prosecution he is your witness and if we don't do it that way the poor witness don't know where he is at and neither does the poor court

Q.109 - Again I will ask you the question then, can you give us the purport of any conversation that you had with Capt. LeBrun dealing with Exhibits "B" and "C"?

A.109 - Well, the only conversation I had was the method by which the balance would be met. I think that is as clear as I can give it to you. I was only concerned, quite frankly, with the payment of the account and that was the only conversation I had with Capt. LeBrun to that effect I should say

Q.110 - What is this document I am handing you now, Mr. Skellet?

A.110 - This is the document which I checked some time ago as being a record of the transactions with the No. 1 Cdn Conv Depot Officers' Mess on the books of R. Grant & Son

Q.111 - And does the book which you now hold in your hand disclose the correct amount which was due and owing from the Officers' Mess of No. 1 Cdn Conv Depot to R. Grant & Son?

A.111 - Yes, with the exception of December, 1940 and January, 1941 - those two exceptions

AHF

Q.112 - Will you just tell us then what the exact amounts for the months of December, 1940 and January, 1941 were?
A.112 - The actual figures of December are £107.15.4 and of January £70.15.3

Statement of account, taken from books of R.Grant & Son showing account of No. 1 Cdn Conv Depot Officers' Mess is marked "P", signed by the President and attached to the proceedings.

CROSS-EXAMINATION BY DEFENDING OFFICER

Q.113 - Mr. Skellet, was this made up by yourself from your books?
A.113 - This was supplied to me by Major Gunn, I believe
Q.114 - It was supplied to you by Major Gunn?
A.114 - Yes

Prosecutor - May I make one observation with reference to this document sir?
Court - The reason for not accepting it is that it is not a true copy of something that Mr. Skellet made and you are asking him to prove a document the making of which he had nothing to do with. If you bring the person who made that true copy from the office and have them sworn then it is acceptable but surely you know you can't ask a man to swear to something he has no knowledge of

QUESTIONS BY THE COURT

Q.115 - You can't swear to those figures?
A.115 - I have checked these figures with my books
Q.116 - And you swear that those are true copies of the figures in your books?
A.116 - Yes, a true copy except in those two cases

Court - Then it can be accepted
Judge-Advocate - Are other figures apart from December and January relative to the case?
Prosecutor - Not in this particular charge
Judge-Advocate - I mean all charges?
Prosecutor - No, it is really the month of December and January we are concerned with but as Mr. Skellet has pointed out he has compared that with the books and - -
Judge-Advocate - But you have a lot of irrelevant figures
Prosecutor - They can be disregarded by the Court

QUESTIONS BY DEFENDING OFFICER

Q.117 - You say that this was not made up from your books?
A.117 - It was supplied to me to be checked
Q.118 - And in fact it is not according to your books?
A.118 - No

Defending Officer - He brings a document in here. We don't know where it is coming from. He says it was checked. The man says they don't check. We don't know what this document is. The witness says "I have checked my books with these and they don't agree"
Court - I feel there is a tremendous amount of batting back and forth so if you will confine yourself to bringing evidence - -
Defending Officer - Mr. President, I was basing myself on the remarks made by the Judge-Advocate which clearly pointed out that it was only those figures of December and January that were relevant. I have no further questions

QUESTIONS BY THE COURT

Q.119 - This letter which is dated Aug '41 and here is an actual receipt here which is dated Mar '41. How can one bear on the other?

a.w.k.

A.119 - These documents were not made out until after we had the conversation
Q.120 - With whom? You had a conversation with whom?
A.120 - Sgt. Noel
Q.121 - In other words you received this note on Aug 20th and then after the receipt of that note you submitted these bills?
A.121 - Yes
Q.122 - Now, this note is dated Aug 20th and yet this receipt on the 1st of March, 1941 so do you consider that that is wrong?
A.122 - Well, either this date or that date is definitely wrong because it is quite clear to me that these figures did not come into being until I was requested to put them into being. As to the dates I can't tell you whether that date is right or that date but quite definitely I think that is the point you want that these came into being at the request of Sgt. Noel
Q.123 - We want to tie this thing down as I say so that there is no doubt. At the request of the letter marked Exhibit "A" these bills were sent in?
A.123 - Yes
Q.124 - The second thing is that the amounts shown in that receipt, do they not agree with the books of the Company?
A.124 - With the exception of December and January but this only shows part of the transactions
Q.125 - May I ask again what part of the transaction it does show and what part is left out?
A.125 - The difference would be the difference of those two and whatever you call the first ones
Q.126 - You mean Exhibits "D" and "E"?
A.126 - Exhibits "D" and "E" are the full records and these are part of them and the difference - -
Q.127 - So that Exhibits "D" and "E" are the full records of what are supplied?
A.127 - Yes
Q.128 - And exhibits "B" and "C" are partial records?
A.128 - Part invoices of what we supplied
Q.129 - And the figures that appear on Exhibit "F" are?
A.129 - The same as "B" and "C" and not "D" and "E"

QUESTIONS BY JUDGE-ADVOCATE

Q.130 - Can you say when the reduced amount represented by "B" and "C" was actually paid? You may refer to your books if you wish
A.130 - The only books which I believed to be relevant was just those two months
Q.131 - Is this receipt signed by you, the one on Exhibit "C"?
A.131 - No, that is a receipt signed by the cashier
Q.132 - Did you receive the money from whoever was paying this bill on behalf of the Officers' Mess?
A.132 - I should think it extremely doubtful. I don't think I would
Q.133 - What then was to happen as to the balance, the difference between the true original account and the reduced account?
A.133 - Well, it was to be a private arrangement with Capt. LeBrun and I understood that Capt. LeBrun would see to its liquidation
Q.134 - What do you mean by "private arrangement"?
A.134 - Well, I was asked to supply those figures which I supplied them with and the remainder they were going to attend to at a later date. I understood that from Capt. LeBrun first and in fact I accepted Capt. LeBrun as responsible for the remainder of those two months' accounts

QUESTIONS BY COURT

Q.135 - Can you say definitely who this arrangement was made with?
A.135 - Well, I have spoken to Capt. LeBrun on the subject
Q.136 - On the subject of the reduction of these accounts for these months?
A.136 - Yes
Q.137 - Did you have a conversation with Capt. LeBrun in which he said that he himself would be responsible?

a.N.F.

A.137 - I believe after a telephone message (I am going to try and give you this as I remember it) after a telephone message from Capt. LeBrun that Sgt. Noel would come down and talk over certain matters and would have his full authority to do so and the letter was given to me to that effect and I agreed then to accept Capt. LeBrun's responsibility for the remainder of the account upon which I gave part of the account to him
Q.138 - Was this on the telephone?
A.138 - No, it was in my office
Q.139 - This was in your office with Capt. LeBrun?
A.139 - No, with Sgt. Noel
Q.140 - So that this arrangement was made with regard to reducing the amount of money by you with Sgt. Noel?
A.140 - With Sgt. Noel, with, I assumed, Capt. LeBrun's permission to speak
Q.141 - Based on this letter, Exhibit "A"?
A.141 - Exactly

FURTHER CROSS-EXAMINATION BY DEFENDING OFFICER

Q.142 - Was any request made at approximately the same time as you received this letter - - Am I correct in believing that your statement was to the effect that these revised bills were issued at the time that you receiveda letter which was brought to you by Pte. Noel?
A.142 - At the same time. In fact I had it done while he was still with me
Q.143 - And I understood you to make a declaration that the only conversation you had personally with Capt. LeBrun was concerning the method of payment of the balance?
A.143 - Exactly
R.P.83(2) was not complied with in respect of the above witness.

3rd Witness for the Prosecution, Capt. J. L. Collins, P.M.C.T. Office, RCAPC, having been duly sworn is examined by the Prosecutor.

Q.144 - Capt. Collins would you please give us your full name, rank and unit?
A.144 - Capt. J. L. Collins, P.M.C.T.Office
Q.145 - Now, at any time were you attached to No. 1 Cdn Conv Depot?
A.145 - Yes. I was Paymaster of No. 1 Cdn Conv Depot from Sep '40 to May '42
Q.146 - And do you know Capt. LeBrun, the accused?
A.146 - Yes
Q.147 - Would you take a look at this document which I am handing you now and tell us what it is please?
A.147 - This is the proceedings of the Regimental Audit Board of No. 1 Cdn Conv Depot for the period ended 31 Mar 41
Q.148 - And have you signed it?
A.148 - Yes, I have signed it
Q.149 - In what capacity?
A.149 - As a member of the Regimental Audit Board
Q.150 - For what period of time is that?
A.150 - It doesn't say on that

Court - Well, you are under oath. If you can't answer it it is not much use to us

Q.151 - Can you answer that?
A.151 - I can't say for sure the period without other information from the statement itself which shows the period

Judge-Advocate - I am just wondering here if the proceedings of a Board are acceptable as evidence
Court - Might I suggest that the proceedings of a court of inquiry cannot be brought into these proceedings
Judge-Advocate - The proceedings of this Board contain certain reports with their findings. The evidence might be admissible but the report of this Regimental Audit Board I am doubtful whether that is admissible
Court - What does the proceedings contain?

Judge-Advocate - Well, once it is received as an exhibit there it is in evidence

Prosecutor - The purpose of introducing this is to show that this Board which Capt. Collins was on investigated the financial arrangements for the period ending March 31st. All right. Now, then, pursuant to that this would have to go to the Regimental Funds Board. Now, Capt. Collins whatever he says about this we will take it as such. This was made from facts and figures submitted by Capt. LeBrun to the Regimental Audit Board

Court - May I take it then that he is going to swear that certain documents were produced by the accused and if those documents have become part of a court of inquiry I assume that that part of the court of inquiry , namely the documents pertaining to the accused in the matter can be accepted but the court of inquiry proceedings itself cannot be used to prove the truth of the facts contained in them

Prosecutor - Sir, it is not a court of inquiry; it is a board of officers

Court - I should not have said court of inquiry but it is the same thing. It is the proceedings of a board which is being handed to the court which if they are submitted to the court to prove the facts contained in them they are not admissible but if they are submitted so that part of that board's proceedings, namely the statement of accounts, if they were submitted by the accused to this witness and this documentis part of the evidence of the case they can be received but not the proceedings as a whole and the findings of the court as a whole

Prosecutor - May I then put in this document for what it is worth? This has been signed by Capt. Collins. That is the board proceedings. Well, then pursuant to that it must go to the Regimental Funds Board. Now, in this particular charge it is set forth "with intent to mislead the Regimental Audit Board and the Regimental Funds Board". Now, then, I hope to prove that this statement was made from facts and figures supplied by Capt. LeBrun, the accused. Then, if that was done the whole thing then was received by the Regimental Funds Board. We will also show, or attempt to show that this statement here does not contain the correct Grant account. It just shows the lesser bills which were submitted and from that our contention is that this was made with the intention of misleading the Regimental Audit Board

Court - Surely the President of the Board can give that evidence

Prosecutor - Well, I have him outside. But again we have to show that Capt. Collins had this prepared from the facts and figures supplied by Capt. LeBrun and once I establish that to your satisfaction then I would be in a position to call in the President of the Regimental Funds Board

Court - Well, then, why not allow the President to say what they are and stick with something that this witness knows something about

Q.152 - Now, take a look at that document. What is it?

A.152 - This is the abstract statement of receipts and disbursements of the Officers' Mess of the No. 1 Cdn Conv Depot

Q.153 - For what period?

A.153 - For the period ending 31 Mar 41

Q.154 - But can you tell us covering what period?

A.154 - This statement covers more than a one-month period and the date is incorrect I notice here. It may have been intended as the period from the 1 Jun 40 to 31 Mar 41 but I am not sure of that

Q.155 (Court) - Then you can't swear to this in any manner, form or means. You can't state whether the facts in there referring to this accused are facts or what period it covers. You are under oath. There is no use bringing papers here that have no meaning to them

A.155 - Sir, if you will notice on this statement there is a record stating that no record of cash book sales was kept. Therefore-

Q.156 (Court) - That is purely hearsay. Have you had any part in the production of this document?

ANF

A.156 - Yes, sir, I did
Q.157 (Court) - What part did you have?
A.157 - May I go back over it as best I can remember it?
Q.158 (Court) - Yes
A.158 - From time to time the Regimental Funds Board asked for audit statements from No. 1 Cdn Conv Depot and after a great deal of delay extending over many months the Audit Board was finally instructed by Col. Plante to go ahead and do an audit of the Officers' Mess and when we came to do that the statement that Capt. LeBrun submitted just didn't mean anything
Q.159 (Court) - Were you on that board?
A.159 - Yes, I was on that board. Therefore, I requested Capt. LeBrun to put what figures he had together on this statement form. The first attempt was simply to make a balance sheet as of Mar 31 where we felt we had reasonable information to give the present balance and that was done but it was not acceptable to Col. Plante who said that I could build up figures for the sales. We had some figures for expenditures. I would not say they were complete. So we went ahead with that and using the expenditure side which we got from vouchers etc., we built it up - -
Q.160 (Court) - Who is "we"?
A.160 - The Regimental Audit Board. I was the main mover on it and did most of the work. We put in a balancing figure for the sales and that is why this statement was marked the way it is
Q.161 (Court) - We are running rather far afield here. We want you to hold yourself down to the actual facts relating to the statement or figures given by Capt. LeBrun
A.161 - Yes, sir
Q.162 - That document that you have in your hand now, did you compile that?
A.162 - I assisted with it
Q.163 - Well, when you assisted in compiling that from whom did you get the facts and figures to compile the statement?
A.163 - The information obtained from Capt. LeBrun
Q.164 - And at that time what position was Capt. LeBrun holding in the Officers' Mess of No. 1 Cdn Conv Depot?
A.164 - He was the Treasurer of the Officers' Mess

Prosecutor - Now, Mr. President, I think with your permission that is acceptable now

Abstract of Receipts and Disbursements of No. 1 Cdn Conv Depot RCAMC together with sundry papers, is marked "G", signed by the President and attached to the proceedings

Q.165 - Now, then, when Exhibit "G" was compiled from facts and figures supplied by Capt. LeBrun did Capt. LeBrun discuss the R. Grant & Son bill with you?
A.165 - I can't remember now
Q.166 - You can't remember that?
A.166 - No, sir
Q.167 - Did Capt. LeBrun submit Exhibits "B" and "C" to you when you were helping to compile Exhibit "G"?
A.167 - I can't remember these bills
Q.168 - Well, can you tell us if Exhibit "G" contains the amounts as mentioned in Exhibits "B" and "C"? Can you tell us that?
A.168 - Those exhibits, sir, are not quite familiar
Q.169 - Does Exhibit "G", this document, contain just those amounts which are shown in Exhibits "B" and "C"?
A.169 - I don't remember these exhibits at all
Q.170 - Now, are you familiar with the handwriting of Capt. LeBrun?
A.170 - I believe I am
Q.171 - Take a look at the writing on page 121 of this book. Can you say whether the writing in black has been made by Capt. LeBrun?
A.171 - Well, I am not a handwriting expert but it appears to me to be quite similar to Capt. LeBrun's writing
Q.172 - Now, this book - have you seen that before?
A.172 - Yes, I have
Q.173 - And what is it?

A.173 - It is a ledger ain which Capt. LeBrun kept a record of accounts which were in his charge
Q.174 - Accounts of what nature? Just look at the book
A.174 - Well, he had accounts here for each officer of the No. 1 Conv Depot and accounts which were intended to show the amounts owing to the merchants for goods purchased
Q.175 - And amongst them is the R. Grant & Son account there?
A.175 - Yes, there is an account here for R.Grant & Son
Q.176 - What was it you said now about Capt. LeBrun's handwriting on page 121?
A.176 - I said that I was familiar with his handwriting but that I am not a handwriting expert but the writing on Grant's account bears a similarity with the other writing made by Capt. LeBrun
Q.177 - Can you swear that this is the official book showing the accounts of the Officers' Mess?
A.177 - Yes, I can swear that

Red Book marked on front "Regimental Funds" containing individual officers' accounts in No. 1 Cdn Conv Depot and also accounts with tradesmen is marked "H", signed by the President and attached to the proceedings.

Q.178 - Now, then, what does this book show the balance due and owing to R. Grant & Son as of Mar 31/41?
A.178 - The balance which this ledger account shows at Mar 31, 1941 is £178.8.6
Q.179 - And what does this Exhibit "H" show as being the amount owing to R. Grant & Son for December '40 and January '41?
A.179 - Dec. 31, 1940 the balance is £50 and Jan 31, 1941 the balance was £97.18.3
Q.180 - And what does it show as the amount for the month of January?
A.180 - Purchases?
Q.181 - Yes, purchases
A.181 - Purchases show £47.18.3

CROSS-EXAMINATION BY DEFENDING OFFICER

Q.182 - In the preparation of your document Exhibit "G" are you ready to state which of these documents you made use of? Here are "B", "C", "D" and "E"
A.182 - Well at this date (as the court knows it is a year and a half at least) at this date I can't say one way or the other whether those were part of the items making up the papers. There are check-marks on here which are not mine but they may be check-marks of some other member of the Regimental Audit Board. I am not prepared to say they are
Q.183 - So you don't know which ones of these were used?
A.183 - No, I don't

QUESTIONS BY THE COURT

Q.184 - There is one point upon which there appears to be some clarification required. Would you examine the statement marked Exhibit "G"?
A.184 - Yes, sir
Q.185 - Can you tell the court, Capt. Collins, whether the figures sho as accounts payable in that statement which I understand to be a statement which you prepared - - is that correct?
A.185 - Yes, I prepared it or assisted in the preparation of it
Q.186 - Can you tell the court whether the accounts shown as accounts payable in that statement take into account Exhibits "B" and "C" as correct or "D" and "E" as a group?
A.186 - I can't answer that, sir, because there are no details here showing what the various invoices were to make up the £178.8.6
Q.187 - In other words the particulars are not detailed enough to break it down to show these particular exhibits so far?
A.187 - No, sir and therefore I can't say whether they are or not
Q.188 - Now, does Exhibit "E" to your knowledge show anywhere the amounts indicated in Exhibits "B" and "C" or "D" and "E"? Does "E" show these other statements anywhere?

A.188 - Yes, Exhibit "C", the amount of £47.18.3 appears as the Jan '41 charges in the ledger and the other invoices, total for purchases in December - Exhibit "B" appears to be the December purchases. There is an 8/ difference
Q.189 - Now, are you looking at the general account or the Grant account in the ledger?
A.189 - I am looking at the Grant account
Q.190 - Is it the same firm that issues the invoices "B", "C", "D" and "E"?
A.190 - Yes, the R.Grant & Son ledger account is the same firm as the invoices "B", "C", "D", and "E"

R. P. 83 (B) is not complied with in respect of the above witness

Court is adjourned at 1230 hours until 1400 hours

At 1400 hours the court re-opens

4th Witness for the Prosecution, Major J. B. Morison, Q.O.C.H. of Canada, attached to No. 1 Cdn Conv Depot RCAMC having been duly sworn is examined by the Prosecutor.

Q.191 - Major Morison, give your full name, your rank and your unit, please
A.191 - Major J. B. Morison, Q.O.C.H. of Canada, attached to No1 Cdn Conv Depot
Q.192 - And what time did you join No. 1 Cdn Conv Depot Major?
A.192 - As far as my memory goes on 27 Nov 40 - very close to that. I think it was the 27th
Q.193 - And have you been there continuously up to the present time?
A.193 - I have been continuously with them since then
Q.194 - Major, what is this document which I am handing to you now?
A.194 - It is the audit statement of the Regimental Audit Board of the No. 1 Cdn Conv Depot as of 31 Mar 41
Q.195 - And what period does it cover?
A.195 - The period ending Mar 31, 1941
Q.196 - And what was the commencement of the period?
A.196 - I would not like to say when it commenced. It was right from the beginning as far as I know - the first one we had
Q.197 - And is that your signature on the document?
A.197 - Yes, sir
Q.198 - In what capacity?
A.198 - As President of the Regimental Audit Board

Proceedings of Regimental Audit Boards on form R.F.B.1 for period ended 31 March, 1941 is signed by the President, marked "I" and attached to the proceedings.

Q.199 - What do you call that document, Exhibit "I"?
A.199 - I call it a statement of the audit board on the Regimental Account. The audit of the Regimental Funds as of 31 Mar 41. It has receipts and disbursements and it has accounts receivable, accounts payable and a statement of assets and liabilities all done at once. It is a complete statement
Q.200 - And from what was Exhibit "I" made?
A.200 - From records given to us or supplied us by Capt. LeBrun who was Secretary
Q.201 - Now, look at Exhibit "G" please and tell me if your signature is on it?
A.201 - My signature is on it there
Q.202 - In what capacity?
A.202 - As President of the Regimental Audit Board
Q.203 - Now can you tell us - - This is also for the period ending 31 Mar 41. Can you tell us the date?
A.203 - My memory would be from the beginning
Q.204 - What do you mean "the beginning"?
A.204 - When the Unit came over here. That is the first audit I understand that was ever made. There might have been another one but I don't know anything about it
Q.205 - Now, Major, when Exhibit "I" was made did Capt. LeBrun disclose to you the sums of £8.10.9, £36.3.6½ and £52.0.0 as being bor-

rowed from the Regimental Funds and deposited to the credit of the Officers' Mess?
A.205 - No, sir, not that I know of
Q.206 - With reference to Exhibit "G" can you tell us what Exhibit "G" was compiled from?
A.206 - From records supplied us by Capt. LeBrun
Q.207 - And did Capt. LeBrun disclose to you that it didn't contain the correct amount of a bill due and owing from the Officers Mess of the No. 1 Cdn Conv Depot to R. Grant & Son?
A.207 - No, sir

CROSS-EXAMINATION BY DEPENDING OFFICER

Q.208 - Major Morison, when you prepared these reports did Capt. LeBrun give you access to the Regimental Funds checkbook?
A.208 - I don't remember. I can't answer that question. Is that the Regimental Funds you are talking about?
Q.209 - Yes
A.209 - Oh, yes, he must have. I would say so
Q.210 - And had he done so it was your duty to look at those checks and verify the payments made from that account?
A.210 - It would be, yes
Q.211 - Did you also look into the bank statement for the Officers' Mess?
A.211 - I presume we did
Q.212 - And if you had done so you would have checked the entries of monies deposited in that account?
A.212 - Yes
Q.213 - Did you notice in these two documents both the cheque book of the Regimental Funds that certain cheques had been made in the name of the Officers' Mess from that chequebook?
A.213 - I can't remember
Q.214 - If you can't remember that how can you remember whether or not Capt. LeBrun told you whether it existed or not
A.214 - I don't know anything about the thing at all
Q.215 - He didn't tell you anything about it?
A.215 - Oh, yes - I say he didn't tell me anything about it, yes
Q.216 - And you say you had possession of those documents?
A.216 - When we were auditing the books I had great trouble getting documents at all but at the present moment I can't remember what documents I saw or didn't see
Q.217 - Wouldn't a document which you could easily get from the Bank yourself as President of the Audit Board without going through Capt. LeBrun be easily available for you both for Regimental Funds and Officers' Mess?
A.217 - Oh, certainly it would be available
Q.218 - And therefore you as President of the Regimental Audit Board would certainly have made certain that you had those documents
A.218 - Yes, I would say so
Q.219 - So I can presume that you did have those documents then?
A.219 - I think we must have
Q.220 - Well, as President do you feel that it was your duty to have them?
A.220 - Yes
Q.221 - And I have a right to presume that you did your work as you should do?
A.221 - I tried to do so. I am not a Chartered Accountant at all and had to leave it to the Chartered Accountant on the Board because I am not a Chartered Accountant at all
Q.222 - Then if you had the bank statement of both the Regimental Funds and the Officers' Mess you would certainly have noticed in those bank statements that monies in the sums of $8.10.9, £35.3.6½ and £52.0.0 had been transferred from one account to the other?
A.222 - Well I must have mustn't I if I saw the thing?
Q.223 - And isn't it reasonable to believe that had you done so you would have discussed the matter with Capt. LeBrun?
A.223 - Certainly it is reasonable
Q.224 - Isn't it reasonable to believe that if you had not discussed it or if Capt. LeBrun had not answered your questions that

you would have discussed it with higher authority?
A.224 - Well, we had trouble in auditing our books and I always put in a qualification on our audits so that the Regimental Funds Board could always see that our audit was not worth the paper that it was written on because we always put merely balancing figures
Q.225 - But you have available to you the cancelled cheques of the Officer's Mess and the Regimental Funds?
A.225 - I can't remember now
Q.226 - Have you ever seen this before?
A.226 - I would not like to say. I can't remember at all if I saw this or not. I don't think so but I would not say one way or the other
Q.227 - The same with this one?
A.227 - The same with that one, yes
Q.228 - In the documents available, presuming naturally that you had at your disposal the bank certificates and the bank statement of both these accounts, the amounts in question were available for your inspection were they not?
A.228 - Amounts of £8, £35 and £52?
Q.229 - Yes
A.229 - You are asking me what question?
Q.230 - That the figures were available for your inspection?
A.230 - Well, I can't answer that. I can't remember
Q.231 - In fact you remember nothing?
A.231 - Very little except the trouble I had

RE-EXAMINATION BY PROSECUTOR

Q.232 - What do you mean "the trouble I had"?
A.232 - I could never get two of the Regimental Institutes, the Officers' Mess and the Regimental Institutes to audit at the same time. I had to wait and ask time after time after time after time to have the accounts put available for my audit week after week and it would not be for a week or more or ten days after I had one before I could get the other. The only records in my memory although I am no accountant were the Officers' individual accounts and they were absoutely all right as far as I could tell. They were kept in a ledger and I got them. Any of the receipts - of the revenue we had to take simply from bank deposits and no other records except bank deposits and therefore I couldn't make a proper audit ever
Q.233 (Court) - These monies which were supposed to be transferred from one to the other were they brought to your attention at any later time?
A.233- I don't think they were brought to my attention until Major Barton came down
Q.234 (Court) - When was Major Barton down?
A.234 - At the change of command whenever that was. I don't remember the date
Q.235 - Can you tell us what dates - -
A.235 - There is no use asking me dates. I can't remember away back then
Q.236 - Can you tell me the date that Exhibit "G" was ultimately signed?
A.236 - Yes, on the 31 Aug 41
Q.237 - Just think now - - just think
A.237 - At the 31 August - e No, that 31 March is the date of the end of the term. 31 Mar 41 is the date the accounts were audited up to but I can't remember when we did the actual audit. It certainly would not be the 31st of March
Q.238 - Can you tell me the approximate date that Exhibit "I" was finally signed?
A.238 - I am afraid I can't. I can't remember

R. P. 83(B) was not complied with in respect of the above witness

5th Witness for the Prosecution, Lieut. Col. W. G. Stillman, President, Regimental Funds Board, C.M.H.Q. having been duly sworn is examined by the Prosecutor.

Q.239 - Col. Stillman, would you give us your full name, rank and unit please?
A.239 - William George Stillman, Lieut.-Colonel, Cdn Mil Headquarters
Q.240 - And what position do you occupy at the present time at C.M.H.Q. sir?
A.240 - President of the Regimental Funds Board
Q.241 - And how long have you been President of the Regimental Funds Board?
A.241 - From 1 Sep 40
Q.242 - And you are as such up to the present time?
A.242 - Yes
Q.243 - Colonel, would you be good enough to look at Exhibits "G" and "I"? We will take "G" first. Did you receive Exhibit "G" from any particular Unit?
A.243 - From the No. 1 Cdn Conv Depot
Q.244 - And what does Exhibit "G" cover, sir?
A.244 - The Officers' Mess of the No, 1 Cdn Conv Depot
Q.245 - And the court knows it is for the period ending 31 Mar 41. Can you tell us the commencement of the period?
A.245 - The commencement of the period must be sometime - - I think the Unit arrived in England - - This covers the period - - This is the first statement received from the No. 1 Cdn Conv Depot and covers from the inception of that Unit overseas to the 31 Mar 41
Q.246 - Now, take a look at Exhibit "I" please. Did you receive Exhibit "I" from any Unit?
A.246 - No. 1 Cdn Conv Depot
Q.247 - And it covers what account?
A.247 - It covers the Regimental Account
Q.248 - For what period?
A.248 - For the period from the inception of the Unit to the 31 Mar 41. The inception of the Unit means when it arrived Overseas. It is the first statement of the Regimental Accounts received from the No. 1 Cdn Conv Depot

Defending Officer declines to cross-examine this witness

R. P. 83(B) was not complied with in respect of the above witness

A.250 - Overseas I started about the 15th of Jan 41
Q.251 - And continued on to the present date?
A.251 - That is right
Q.252 - Now, Major Barton, did you in your capacity as a member of the Regimental Funds Board proceed to No. 1 Cdn Conv Depot for the purpose of auditing the accounts of that particular unit?
A.252 - I did
Q.253 - When was that?
A.253 - Either 20 or 21 Aug 41
Q.254 - Do you know Capt. LeBrun?
A.254 - I do
Q.255 - Are you familiar with his signature?
A.255 - I think so
Q.256 - Take a look at this cheque which I am handing you. Can you swear whether that is Capt. LeBrun's signature?
A.256 - Yes, I would say that was his signature

Cheque of £35.3.6½ on Lloyds Bank Limited, Brixham No. 32507, Messing a/c No. D.582117 to Officers Mess signed by Lt.Col.A.P.Plante and Capt. L.E.LeBrun is marked "J", signed by the President and attached to the proceedings.

Q.257 - What is Exhibit "J", Major Barton?
A.257 - Exhibit "J" is a cheque No. D.582117 dated 10 Oct 40 for £35.3.6½ signed by or rather drawn on the Messing Account and signed by Col. Plante, Officer Commanding No. 1 Cdn Conv Depot and Capt. L.E.LeBrun Messing Officer. This cheque is in favour of the Officers Mess
Q.258 - Are you familiar with Anatole P. Plante's signature?
A.258 - I believe so
Q.259 - Is that his signature?
A.259 - I would take it to be
Q.260 - Are you sure, Major Barton - that is the main thing?
A.260 - Well, I can only say this, that I have had eighteen years bank experience for the most part in checking signatures of customers who have come in to cash cheques. I have been paying teller of one of the largest branches of the Bank of Montreal where it is up to us if we cash which is incorrectly signed or bad they come right back to us and we have to make good for payment of the cheque. I have examined the signature of Col. Plante and in my opinion that is Col. Plante's signature
Q.261 - Well, would you have a look at this document which I am handing you now and tell me what this is please?
A.261 - This is cheque No. 318/1151 dated 13 Dec 40 drawn on Lloyds Bank, Ltd., Brixham, drawn on the Messing Account, signed by Lt. Col. A. P. Plante as Officer Commanding No. 1 Cdn Conv Depot and also by Capt. L.E. LeBrun Mess Secretary for £52.0.0 in favour of the Officers Mess
Q.262 - And could you swear as to whose signatures those are?
A.262 - I would say those were Col. Plante's signature and Capt. LeBrun's signature

Cheque No. 318/1151 of Lloyds Bank, Ltd., Brixham, drawn on Officers Mess from Messing acc for £52.0.0 signed by Lt.Col.A.P.Plante and Capt L.E.LeBrun dated 13 Dec 40 is entered as "K", signed by the President and attached to the proceedings.

Q.263 - Major, you have mentioned that Exhibits "J" and "K" are drawn on the Messing Account, payable to the Officers Mess. Will you just explain to the court what that Messing Account is please?
A.263 - On the dates when those cheques were drawn or the dates shown on those cheques I found when visiting Lloyds Bank, Ltd., of Brixham that the Messing Account was in reality a combined Messing Account and Regimental Funds Account. It was captioned "Messing Account" and I believe it was Col. Stillman who informed the Unit thatit was a misnomer and should have been captioned "Regimental Funds". That same account was changed later to "Regimental Funds" from "Messing Account"
Q.264 - Now, what monies went to make up this so-called Messing Account or Regimental Funds account?
A.264 - 6% rebate from N.A.A.F.I. for the period that the Unit was stationed, I believe, at Bordon and sundry other little credits such as revenue from telephones which was subsequently paid over to the Telephone Company. I would not say that but there were certain entries which showed that there were receipts for rentals and also receipts from the Telephone Company. From memory at this stage it is pretty difficult to remember if there were other items. If I could refresh my memory I might be able to add to it but this is over a year ago now. I would say that 90% of the funds that were in that account at that date represented N.A.A.F.I. rebates
Q.265 - And from your experience as a member of the Regimental Funds Board what would that type of account have to be used for?
A.265 - It would have to be used for the benefit of the men
Q.266 - Now, then, I believe you told us that on or about the 21st or 22nd of August 41 you conducted an audit of the books of No. 1 Cdn Conv Depot. Is that correct?
A.266 - On or about the 20 or 21 I believe I said. I believe those were my dates

a.m.E

Q.267 - When you went there to conduct those audits from whom did you receive the various books and papers from which you conducted your audit?

A.267 - I would like to make one point clear that when I went down to the Convalescent Depot or or about the 21 August it was not for the purpose of effecting an audit; it was for the purpose of being present in an ex-officio or advisory capacity to the Hand-Over Board which had been convened upon change of command of that Unit from Lt. Col. Plante to Major (afterwards Lt.Col) Wight. However, as to the question of receiving orders to conduct an audit it was only subsequent, probably four or five days later when I observed from the condition of the books and records of the several institutes that it would be in the best interest to have as complete an audit as possible conducted. I believe I applied to Col. Stillman for authority to go ahead with that because under R.O.359 by which I was governed I had no authority on my own to go ahead with that and I believe he obtained such authority from either the D.A.G or A.A.G. I am not sure who but someone with power in the A.G. Department gave Col. Stillman authority to tell me to go ahead with it.

Q.268 - From whom then did you get the books, papers and documents to conduct your work?

A.268 - From the Regimental Funds I believe Capt. LeBrun was looking after that. That was the Messing Account which is synonymous with Regimental Funds, the canteen statement and books I believe I got from Major Sutton, the sergeants' Mess - I believe there was a Sgt. Bennett who was running those supervised also by Major Sutton. I don't believe there was a Barracks Damage Account at that time but I believe the remaining books there were were received from Capt. LeBrun

Q.269 - Would that include the Officers Mess Account?

A.269 - Yes

Q.270 - Can you tell us what books you received from him?

A.270 - To the best of my knowledge that would have been around Aug 26 and at that time I would have received a fairly complete set of books for the Officers Mess for a period starting either in April or May of 1941 but prior to that the only bound record that I remember having received was a Red-covered book or ledger or whatever you like to call it. It is hard to describe it. It contained Officers Accounts and in the back of that an incomplete record of purchases made with the various suppliers

Q.271 - Would Exhibit "H" be the Red Book you are talking about?

A.271 - Yes, that is the book, the book marked Exhibit "H"

Q.272 - Take a look at this document here, Major, and tell me what that is will you please?

A.272 - That is a statement of receipts and disbursements of the Regimental Funds of No. 1 Cdn Conv Depot starting with May 8, 1940 and to Aug 18, 1941

Q.273 - And who compiled it?

A.273 - I did

Q.274 - From what?

A.274 - From the only available records I could obtain which would be cancelled cheques, cheque stubs and deposit slips, I believe, and such information as was given to me by Capt. LeBrun. May I add something further, sir?

Q.275 (Court) - Yes

A.275 - I would like to say that the reason I compiled that statement was that when I went down to the Convalescent Depot I had been given instructions by Col. Stillman to particularly look into a cheque amounting to £52.0.0 which has already been produced as an Exhibit, paid over from Regimental Funds to the Officers Mess which didn't appear in the statements which the Unit had submitted for review to the Regimental Funds Board, London in accordance with R. O. 359. Therefore, I had to re-write the statement completely - -

Defending Officer - Sir, if the document is being presented merely for the purpose of discussing Regimental Funds I don't think the accused is charged with anything connected with Regimental

Funds. His charges relate to the Officers Mess
Court - These things here refer to the 8th, 9th and 10th and the others which come under "improper withdrawal"
Defending Officer - Very good, sir
Judge-Advocate - What is it you are seeking to prove?
Prosecutor - The withdrawal from the Regimental Funds and the deposit to the Officers Mess
Judge-Advocate - Can't you do that from the proper source?
Prosecutor - Well, now, I produced the original cheques. The first cheque, of course - -
Court - Let us get on with the thing

Recapitulation of the Regimental Funds of the No. 1 Cdn Conv Depot is marked "L", signed by the President and attached to the proceedings

Q.276 - Now, will you draw to the court's attention from Exhibit "L" anything with relation to the three amounts £8.10.9, £35.3.6½ and £52.0.0 please?
A.276 - On this Exhibit "L" there appears under date of May 27 or between May 27 and June 8 a withdrawal of £8.10.9 marked in favour of the Officers Mess. On Oct 10, 1940 there is a similar withdrawal in favour of the officers mess of £35.3.6, a difference of 1/2d. from the amount of the cheque which the Bank has crossed out (they don't pay halfpennies), on Dec 13, 1940 a cheque of £52.0.0 marked in favour of the Officers Mess
Q.277 - Does that particular Exhibit show to what account they were deposited?
A.277 - It is only shown in whose favour the cheque was made
Q.278 - Will you take a look at this particular document which I hand you now and tell me by whom it is signed?
A.278 - It is my opinion it is signed by Louis E. LeBrun
Q.279 - The accused?
A.279 - The accused
Q.280 - And I notice on that particular document which you are holding written in ink in longhand "Cash" and "Balance Due" and in figures in ink £10.0.0 and £10.7.5. Whose writing and figures would you say that is?
A.280 - I don't think I could really say. I was not present when it was written and furthermore - -

Prosecutor - All right, you just can't say it

QUESTIONS BY THE COURT

Q.281 - You actually took over these documents and had custody of them since you more or less seized them?
A.281 - Oh, definitely, sir. Those were part of an envelope containing vouchers and other duplicate statements such as those for the other officers of the Unit
Q.282 (Judge-Advocate) - Did you receive the envelope from anybody?
A.282 - Oh, certainly it was part of the vouchers handed to me with whatever documents Capt. LeBrun could prepare

Q.283 - By?
A.283 - Capt. LeBrun. I asked them to produce all documents relative to the operation of the Officers Mess and there was an envelope of this and an envelope of that, this red book and these cancelled cheques came along and then I accumulated what documents I could to prepare to the best of my ability a statement which would reflect the true position of the Mess on what information I was given
Q.284(Judge-Advocate) - Where have those documents been since? They were produced by the Unit to you and you accepted them
A.284 - I accepted them from Capt. LeBrun as being copies of the statement which he presented to Lt. Col. Plante as being his monthly mess account for the period stated on those statements, sir

Mess Account of Lt. Col. Plante in the sum of £10.7.5 dated 1 Dec 40 signed by Capt.L. E. LeBrun is marked "M", signed by the President and attached to the proceedings

AHF.

Mess Account of Lt. Col. A.P.Plante in the sum of £7.12.11½ dated 2 Jan 41 signed by Capt. L. E. LeBrun is marked "N", signed by the President and attached to the proceedings

Mess Account of Lt. Col. A. P. Plante in the sum of £1.16.6½ dated 1 Feb 41, signed by Capt. L. E. LeBrun is marked "O", signed by the President and attached to the proceedings

CONTINUATION OF EXAMINATION BY PROSECUTOR

Q.285 - Will you take a look at this document which I hand to you now, Major, and just tell the court what it is?
A.285 - These I believe to be the stubs of bank deposit slips of the Officers Mess of No. 1 Cdn Conv Depot from the 15 May 40 to 18 Jun 41
Q.286 - And from whom did you receive this particular document which you are discussing at the moment?
A.286 - I believe I can say truthfully that that would have been contained in either of the envelopes given to me by Capt. LeBrun or as he would be handing me the red book he would have handed me these too with cancelled cheques and whatever records he could give me. I can't swear it was in an envelope but it was handed by Capt. LeBrun to me to enable me to make up the statement
Q.287 - On the various pages does it contain any official stamp?
A.287 - Yes
Q.288 - Of what?
A.288 - It starts with the official stamp of Lloyds Bank, Ltd., of Bordon sub to Farnham, Surrey and the same deposit slip book was used when the account was transferred from Bordon to Brixham at the same bank

Deposit Slip Book of Lloyds Bank, Ltd., Bordon, Hants., and also Brixham, Devon of the No. 1 Cdn Conv Depot is marked "P", signed by the President and attached to the proceedings

Q.289 - Now, looking at Exhibit "P", major, will you tell us what it discloses with reference to three deposits of £8.10.9, £35.3.6½ and £52.0.0 please?
A.289 - On Jan 13, 1940 included in the deposit made on that date of £14.0.9 was a cheque of £8.10.9. On the deposit of Oct 10, 1940 included in a deposit of £158.15.0 is a cheque listed of £35.3.6½ and on Dec 13th, 1940 included in a deposit of £138.19.3 is a cheque of £52.0.0. In all that period, I may add, the details were not shown on these deposit slip stubs and the details with the assistance of Capt. LeBrun - what assistance he could give me and what I could find from the available records in some cases I pencilled in like in here "Received from Capt. Dery", "Received from Capt. Leigh". These monies from Regimental Funds I pencilled in to show the source of that revenue. I can confirm that by referring to the statement rendered by the Bank, the detailed bank statement
Q.290 - Looking at Exhibit "G" which is for the period ending 31 Mar 41 covering the Officers Mess of No. 1 Cdn Conv Depot does that disclose the true account that was due and owing from the Officers Mess of No. 1 Cdn Conv Depot to R. Grant & Son - does that contain the true account?
A.290 - To the best of my recollection it does not, sir but I would like to refer to my own papers to verify that if I may - My working sheets, sir. When I conducted this review of the statement I had my own personal working sheets with my figures on showing how they reflected on the disbursements and also on the accounts payable and to the best of my recollection there is a difference

Court - We have no objection to your referring to your notes to refresh your memory but they cannot be submitted as evidence
Judge-Advocate - I don't think he should refer to the work-sheets at all. He can refer to notes made at the time but in this case he is referring to actual amounts of money which are shown in

Exhibits which the court now has

Witness - I have no knowledge of what exhibits have been produced at all so that was my only recourse

Q.291 - Look at Exhibit "I" which is the Regimental Account for the period ending 31 Mar 41. Does that show any withdrawal of the three amounts mentioned?

Judge-Advocate - I think that document will speak for itself

Q.292 - Now with reference to Exhibit "G", does that contain Louis LeBrun's - the accused's signature?
A.292 - It does. Well, the Trading and Profit and Loss Statement which is an appendix to Exhibit "G" contains the signature of "Louis E. LeBrun"
Q.293 - Major Barton, did Capt. LeBrun keep books of account of the Officers Mess of No. 1 Cdn Conv Depot showing receipts and expenditures with vouchers for the period ending 31 Mar 41?
A.293 - Not that were produced to me

CROSS-EXAMINATION BY DEFENDING OFFICER

Q.294 - When you took over the audit of the Regimental Funds and all the Regimental Institutes of the No. 1 Cdn Conv Depot you had easy access to the Bank Certificates and the Bank Statement?
A.294 - Yes, I believe I did
Q.295 - Those Bank Statements showed both in the case of the Regimental Funds and the Officers Mess Account that transactions had taken place between one and the other?
A.295 - They did
Q.296 - In one case a withdrawal from the Regimental Funds and a deposit to the Officers Mess Account?
A.296 - They did
Q.297 - You said, Major Barton, that you understood that monies of the Regimental Funds were to be used for the benefit of the men. That in virtue of what?
A.297 - By virtue of Rules for the Management of Messes and Institutes
Q.298 - And anything else?
A.298 - Routine Orders
Q.299 - And K. R. (Can)?
A.299 - Possibly although I was thinking of those ones to which I can refer directly to paragraphs
Q.300 - These two cheques in question which you examined, were they given to you by Capt. LeBrun himself?
A.300 - That I find it rather difficult to remember as far back as that and I will tell you why. The third cheque of £8.10.9 is not available for the simple reason that the Bank Manager informed us that they had had some enemy action down there and that they had been told to parcel up some of their books and ship them away. Certain of their documents had been destroyed by enemy action and that cheque might have been with those documents or might have been with one shipped away for security to other parts of England and it would be physically impossible to search through bags and bags of cheques of their clients for one which we were in need of. I can't remember if those cheques were given to me by Capt. LeBrun or whether he went with me to the Bank and we obtained them after our demanding them and they were either handed to me by the Bank Manager in the presence of Capt. LeBrun or by Capt. LeBrun himself but I can't remember
Q.301 - But you were made cognizant of the cheques by Capt. LeBrun?
A.301 - Absolutely
Q.302 - With regard to these three accounts "M", "N" and "O" are you in a position to state when, if at any time, the portion written in ink was put on these accounts?
A.302 - Well, from an examination of these statements, this statement Exhibit "M" which covers the indebtedness of Col. Plante to the Officers Mess for the period of 1 Nov to 30 Nov 40, his total indebtedness was £20.7.5. A payment of £10.0.0 shows to have been deducted leaving a balance of £10.7.5 which balance

aHF.

was carried forward to a statement for the month of December. Now, while there is nothing in any available record of the Officers Mess of the No. 1 Cdn Conv Depot to show or to prove when that payment of £10.0.0 was made shown on this Exhibit "M" in view of the fact that this balance of £10.7.5 was carried forward to the subsequent month - the month of December it might be an assumption I might say that it must have been made within that period. Otherwise you couldn't have carried forward that balance without having made it at that time

Q.303 - When was the first time you had to see these accounts?

A.303 - I believe the first opportunity was when I went down on this audit in August '41

Q.304 - So personally you are not in a position to have any knowledge of when those documents there were prepared?

A.304 - Oh, I can't say that except for the date on the top of each one. One is dated Brixham, Devon, Dolphin Camp 1 Dec 40 for messing for the month of November and being the monthly mess account dated 1 Dec 40 one would normally assume that that account was presented to the officer concerned either on the 1st of December or shortly afterwards for payment

Q.305 - The Bank Deposit Slips Book was given to you by Capt. LeBrun was it not?

A.305 - Yes

QUESTIONS BY JUDGE-ADVOCATE

Q.306 - Would you take a look at that Exhibit "L". That, I take it, varies from the Regimental Audit Board report?

A.306 - It varies from the report that they submitted which was subsequently returned to the Unit for correction

Q.307 - And you followed with your own audit?

A.307 - Yes

Q.308 - Based on the books available?

A.308 - Based on the available records

Q.309 - And the variance between your statement in Exhibit "L" and the Regimental Audit Board report is in connection with the items which are the subject-matters of these charges?

A.309 - I believe that was the reason, sir

Q.310 - In fact you discovered this (correct me if I am wrong) you discovered from the available records the items that were missing from the Regimental Audit Board reports?

A.310 - I believe you are right. I can't remember what the contents of the original statement submitted by the Regimental Audit Board was

Q.311 - But they are here. Have you had an opportunity of seeing them?

A.311 - I don't think the original Regimental Funds statement as submitted by the Unit is here. This Exhibit "L" goes from May 9th to August 18th, 1941

Q.312 - Will you take a look at Exhibit "I"?

A.312 - Yes, this Exhibit "I" does not contain any evidence of those three cheques previously referred to paid over from the Regimental Funds to the Officers Mess

Q.313 - The information regarding those cheques could have been obtained by the Regimental Audit Board could it not from the cheque stubs or the Bank vouchers? Aren't there similar items appearing there?

A.313 - I think they should have been able to obtain them but from my recollection those statements like the Regimental Funds as of March 31st was not available for the Regimental Audit Board for several weeks after the end of that month. Similarly the Officers Mess Statement as at the 31 March was not available for audit to the Audit Board for several weeks afterwards and they were not audited at the same time and when you get these contra entries of transfers of funds from one fund to another it sometimes happens that such entries might be passed over if the two accounts are not presented for audit or audited at the same time. There might be cash on hand in one which could be used on the other which would be overlooked if they were not done together

Q.314 - This particular transfer was done by cheque?

a MF.

A.314 - Yes
Q.315 - And the cheque book should have been available. There are items out of the cheque stubs in that report aren't there - some of them?
A.315 - Out of the cheque book stubs yes sir in my report
Q.316 - No, in the Regimental Audit Board report. Is there any evidence that this cheque book was at the time available to them? Does not the disbursements show some bank vouchers available?
A.316 - That is very difficult for me to say because the only evidence that there is in this statement of what they might have had from the bank, of course, is this bank certificate as at 31st of March 41. Now, they would normally have to reconcile that balance with the balance of the Officers Mess Account by a check of that account. Now, in the absence of any dates or any individual amounts and the fact that they are not shown in detail it is very difficult for me to say that they did or didn't compile these from cheque stubs or in what manner

FURTHER CROSS-EXAMINATION BY DEFENDING OFFICER

Q.317 - These documents - this particular document which you have just saw, Exhibit "I", who was this prepared by?
A.317 - There is nothing on this document to state by whom it was prepared. It is signed only by the Audit Board and the Commanding Officer
Q.318 - Now, further to a question put by the Judge-Advocate about the knowledge that could have been obtained by the Audit Board of the cheques in question it seems to me that you did state that you had received instructions from Col. Stillman about one of those cheques of £52.0.0?
A 318 - That's right
Q.319 - Now, you knew of that previous to coming down?
A.319 - I knew of that one day before going down because I just came out of Hospital and I was handed a transport warrant and was told to go down there and officiate as an ex-officio member of the Hand-Over Board
Q.320 - But previous to that the Regimental Funds Board had knowledge of these transactions?
A.320 - I can truthfully state that Col. Stillman had knowledge of that transaction of £52.0.0. May I enlarge on that?
Q.321 - Yes
A.321 - Col. Stillman visited the Unit, I believe sometime in June - sometime around there to conduct an audit of the 2nd. cash ration allowance and I was given to understand - -

Court - Now, you may state in your evidence only what you know
Witness - It is not something that someone told me. It is on our files that he left London to visit the Convalescent Depot because there is a letter to the Convalescent Depot stating that he was to visit them sometime in June and I believe at that time Capt. LeBrun was absent on a course and it was only through an accident that he happened to be going over the cheque stub book and noticed these entries and he particularly asked me when I went down on this change-of-command if I would look into it because they were not reflected in the statement submitted by the Unit
Court - You don't know who found that cheque; it is purely something you have been told
Witness - Well, I know from reading our files, sir. That is the only way
Court - Yes, but you can't swear to that any more than to what you have read in some story-book so the evidence is improper. You only read about it and don't personally know about it?
Witness - No, sir

Q.322 - Can you tell us when the Rules and Regulations for Messes and Regimental Institutes came into force? Did they just carry on from peace-time?
A.322 - It was made applicable, sir, to all Units of the C.A.S.F. by Canadian Routine Order, I believe, No. 100 in 1939, long before I left Canada.

7th Witness for the Prosecution, Mr. W. H. Niddell, Bank Accountant, Lloyds Bank Ltd., Brixham, So. Devon, having been duly sworn is examined by the Prosecutor.

Q.323 - Mr. Niddell, will you give the court your full name and occupation please?
A.323 - William Henry Niddell, Bank Accountant, Brixham
Q.324 - What Bank do you work for?
A.324 - Lloyds Bank at Brixham
Q.325 - Will you take a look at this two-page document please and tell us what it is?
A.325 - This is a statement of the account with Lloyds Bank Ltd., Brixham of the No. 1 Cdn Conv Depot Regimental Funds Account
Q.326 - And the second page?
A.326 - The second page is the statement of the account with Lloyds Bank, Ltd., Brixham of No. 1 Cdn Conv Depot Officers Mess Account
Q.327 - Now you in your capacity as a Bank Official, did you compare this particular document with the bank books?
A.327 - With the actual ledger
Q.328 - With the actual ledger?
A.328 - Yes

Statement of Account with Lloyds Bank, Ltd., Brixham of No. 1 Cdn Conv Depot Regimental Funds Account and Officers Mess Account is marked "Q" signed by the President and attached to the proceedings

Q.329 - Does Exhibit "Q" show any - - What does it show with reference to three amounts £8.10.9, £35.3.6½ and £52.0.0, Mr. Niddell? What would one read from that?
A.329 - Payment of £8.10.9 to the Officers Mess Account (That is on 13 Jun 40), 10 Oct 40 another payment to the Officers Mess of £35.3.6½ and 13 Dec 40 payment to the Officers Mess of £52.0.0
Q.330 - From what account?
A.330 - From the Regimental Funds Account - cheques made payable to the Officers Mess
Q.331 - Exhibit "P" has been identified as the current account in Lloyds Bank Ltd., of No. 1 Cdn Conv Depot Officers Mess. Do you recognize the stamp which is on the different individual pages?
A.331 - Yes, it is a stamp usually used by the Receiving Cashier
Q.332 - Of what bank?
A.332 - Of Lloyds Bank, Brixham
Q.333 - Now, then, can you tell us on what date £8.10.9 was deposited to the credit of the Officers Mess - £8.10.9?
A.333 - £8.10.9 was received on the 13 Jun 40
Q.334 - Now, the sum of £35.3.6 please?
A.334 - £35.3.6 - - There is only one amount of £35 isn't there?
Q.335 - Yes
A.335 - Oct 10, 1940

CROSS-EXAMINATION BY DEFENDING OFFICER

Q.336 - To your knowledge have other copies of these documents, Exhibit "Q" been requested of your Bank by No. 1 Cdn Conv Depot Officers Mess?
A.336 - Yes. I understand when having that copy made out that previous copies had been issued
Q.337 - Do you know whether a copy of these accounts or this ledger sheet which was kept by No. 1 Cdn Conv Depot was forwarded to your Bank for preparation at the end of every month or for completion?
A.337 - The usual - - Well, I was not there at that time but the usual procedure up to quite recently is that those statements are given out and they are handed back and so on and so forth until the actual statement is completed and then, of course, it becomes the property of the actual account-holder. That would be the Regimental Account or the Officers Mess or whatever it is

R. P. 83 (B) was not complied with in respect of the above witness

8th Witness for the Prosecution, B.93703 Sgt. Warren, J. F., J.A.G. Branch, C.M.H.Q., having been duly sworn is examined by the Prosecutor.

Q.338 - Sgt. Warren, will you give your full name, rank and unit to the court please?
A.338 - B.93703, Sgt. Warren, J.F., J.A.G. Branch, C.M.H.Q.
Q.339 - In what capacity are you employed at the J.A.G. Branch?
A.339 - Court Stenographer, sir
Q.340 - How long have you been acting as a Court Stenographer, sergeant?
A.340 - Since Oct. 7th, 1940, sir
Q.341 - And previous to that time had you had experience in shorthand?
A.341 - Not during this War in the Army, sir
Q.342 - But you had that experience in Peace-time?
A.342 - Yes, sir
Q.343 - Were you the shorthand writer who took the evidence of Capt. LeBrun when Capt. LeBrun was testifying in the case of Lt. Col. A. P. Plante?
A.343 - Yes, sir
Q.344 - Who took the Summary of evidence - who was the officer?
A.344 - You, sir
Q.345 - Were you sworn?
A.345 - Yes, sir
Q.346 - And did you take the evidence in shorthand?
A.346 - Yes, sir
Q.347 - When Capt. LeBrun was called upon the stand to testify against Col. Plante was Capt. LeBrun sworn?
A.347 - Yes, sir

Prosecutor - With your permission, sir, I would like you to allow him to check his shorthand notes so that he can check what took place at that court

Court - I don't quite get what is coming out of this

Prosecutor - With respect to Charges 9, 10 and 11 "In a document made by him knowingly making a false statement, in that he ---- falsely entered in the personal mess account of Lt. Col. A. P. Plante - - etc etc. Now, what I have established so far before you gentlemen are the three mess accounts of Col. Plante signed by Capt. LeBrun. Now, on those three documents there is handwriting and also figures in ink. Now, when Capt. LeBrun was testifying against Col. Plante he was cautioned by me which I will prove through the sergeant, and as a result he made statements. Now, after being cautioned in that particular case anything he says can be used against him at his own trial. Now, what have we before you gentlemen so far? We just have those three exhibits showing Capt. LeBrun's signature on them. Now, I want to show through the evidence that Capt. LeBrun made these entries on it. On top ofthat I am going to through Sgt. Warren that Capt. LeBrun made the credits when he received the sum of £96.0.0 from Col. Plante on or about the 10th of April '41. Then when you take these three mess accounts it shows that that is an impossibility on account of the balance being carried forward on those three exhibits plus another witness I am calling, Major Anderson, who was present when Capt. LeBrun made an admission to him that he didn't receive the sums of £10.0.0, £10.0.0 and £30.0.0 in cash at the time when these credits were made

Judge-Advocate - Do I understand you to say that the evidence of Sgt. Warren will prove this in the form of admission. It take it that it is the same kind of evidence that Major Anderson can give?

Prosecutor - Very much so, yes with some considerable difference in that all that Major Anderson can say is that "as a result --"

Court is closed for consideration

Court is re-opened

Court - The court are still not able to give an opinion. The court feel from their reading of the Manual that this evidence is

not admissible but we understand that you have made a study of this point and if you will give us your authorities to persuade us as to why this evidence should be made admissible we will be able to have it on record and then we can decide whether we can accept it or not.

Prosecutor - Well, I am going to start in first with what the law is in Canada. Now, in Canada a witness when called onto the stand can turn to the court and ask for the protection of the Canada Evidence Act. When the court agrees with this what the witness says cannot be used against him. Now, over here in England we are governed by the Manual of Military Law and the Manual of Military Law makes the rules of law in criminal procedure in England applicable to General Courts-Martial. Now then, under the English Law there is no such thing - there is no such thing as the Evidence Act in the sense that we have it in Canada. So over here under English Law when an accused or any person comes on the stand to testify and when a question is put to hom which in the opinion of the court calls for an answer which might tend to incriminate the witness the court then warns the witness to that effect. In other words, the court turns to the witness and says "You don't have to answer that question on the ground that the evidence may tend to incriminate you". Now, if the witness takes advantage of that he keeps his mouth shut and if he does he doesn't come into the category of a hostile witness but if he speaks it is in the nature of a voluntary statement and I think you will agree with me that voluntary statements are admissible in court. Now, in this particular case the caution was put to Capt. LeBrun "You don't have to answer the question unless you wish to on the ground that it will incriminate you". After he is given the protection he turns around and he speaks and that is in the nature then of a voluntary statement which I maintain can be admitted. I have not any cases or anything of that nature to back up that argument but it is from the general principle that I am arguing now. Sir, it is based on M.M.L. because M.M.L. makes the laws of England applicable in this country so that M.M.L. really is applicable

Judge-Advocate - I shall be having shortly the responsibility of advising you on the law and I am not sure that I have all I can have from the Prosecution. Is there a set form of warning to be given to the witness of the type that Capt. LeBrun was at the taking of this Summary on Col. Plante?

Prosecutor - No, sir, no formal warning

Judge-Advocate - Can you give us any authorities?

Prosecutor - May I read para 95 page 96 of M.M.L. "A witness (other than the accused himself when giving evidence on his own application, and as to the offence wherewith he is charged) cannot be compelled to answer a question if the answer would, in the opinion of the court, have a tendency to expose him to any criminal charge, penalty, or forfeiture, or to any military punishment. In practice the court should warn a witness that he cannot be compelled to answer any question tending to incriminate himself; but a witness himself is not the sole judge whether his evidence will bring him into danger; the court must be satisfied that there really is reasonable ground to apprehend any such danger, and any doubt upon the matter will be solved in favour of the witness". Then after that was put to Capt LeBrun he made a voluntary statement

Defending Officer - I submit that the argument presented by the prosecutor tends to exclude it from this case or applies when the person accused is a witness in a definite case. If Col.Plante were before you now and Capt. LeBrun were here as a witness the argument now presented by the Prosecutor would hold good but I suggest that in English law at the summary or inquiry before the Bench of Quarter Sessions the evidence given there by the accused in another case couldbe used against him in his own trial. There is a very great distinction and the principle is well laid down in law that courts of inquiry, boards of of-

AHF.

ficers and things of that nature cannot be presented before the court-martial and I submit that if the accused had been charged that way, that Capt. LeBrun was a witness or had been a witness in the case of Col. Plante and that a court had been there to see to his rights to determine whether he was going to incriminate himself or whether his judgment was not clouded and the court had decided if the question was legal and that if he wished to answer it he could do so then I agree that Article 95 stands but I don't think it does in the present case

Court - Can you prove that Capt. LeBrun was given this warning prior to taking his statement?

Prosecutor - Yes, sir

Court - You will prove that?

Prosecutor - Yes, through Sgt. Warren

Court - At wat proceedings were these statements made that you intend to put before the court?

Prosecutor - In the proceedings which we held - - the summary of evidence against Col. Plante

Court is closed for consideration

Court is re-opened

Court - Well, gentlemen, we have looked at this thing very very closely from nearly every angle and I am going to ask the Judge-Advocate to sum up the points of law on which are based the conclusions we have come to

Judge-Advocate - The court is not a little troubled over this situation that arises in connection with the admissibility of the evidence that the Prosecutor proposes to tender at this stage. It is absolutely a new point as far as I am concerned; I have never seen it arise in a court-martial before. The feeling of the court is that assuming that the admissions or statement made by Capt. LeBrun on the particular occasion of the taking of the Summary in the case of Col. Plante are to be treated the same as any other statements, admissions or confessions of an accused person it is the burden of the Prosecution to prove as a foundation of the admissibility of these statements, admissions or confessions that they were voluntary, that there were no threats or promises and in that connection I think there should be a trial within the trial in the course of which it might be brought out clearly just what was the situation with regard to Capt. LeBrun at the time these admissions were obtained and these statements were made. For instance whether he himself was under a charge at that time, whether in his case which might or might not have been pending then there had been a sumarry already taken and matters of that sort which will give the court some basis on which they can arrive at the conclusion that the statements were voluntary or otherwise. I think the rule of the Prosecution having to prove affirmatively the voluntary nature of the admissions or statements which they took holds in this situation as it does in the ordinary, normal situation where such confessions arise. Now, so far we have not got that basis. I think that is the ruling of the court as I have tried to summarize it

---

TRIAL WITHIN THE TRIAL ON THE ADMISSIBILITY OF CERTAIN STATEMENTS AND ADMISSIONS MADE BY CAPT. L. E. LEBRUN IN THE SUMMARY OF EVIDENCE OF COL. A. P. PLANTE.

1st Witness for the Prosecution on the admissibility of the statements, B.9370 Sgt. Warren, J. P., J.A.G. Branch, C.M.H.Q. having been already sworn, is examined by the Prosecutor.

Q.348 - Do you of your own personal knowledge know whether charges had been laid against Capt. LeBrun at the time that Capt. LeBrun testified at the Summary of Evidence against Col. Plante?

A.348 - I don't know, sir

Defending Officer declines to cross-examine this witness

R. P. 83(B) was not complied with in respect of the above witness

2nd Witness for the Prosecution on the admissibility of the statements, the Prosecutor, Major W.A.D.Gunn, J.A.G. Branch, C.M.H.Q. having been duly sworn is examined by the Assistant Prosecutor

Q.349 - Would you give the court your full name, rank and unit please?
A.349 - W.A.D.Gunn, Major, J.A.G. Branch, C.M.H.Q.
Q.350 - And did you have occasion to conduct a summary of evidence into certain charges against Lt. Col. A. P. Plante?
A.350 - Yes, I did
Q.351 - Were you so instructed to conduct that summary of evidence?
A.351 - Yes, I was
Q.352 - And your authority was what, sir?
A.352 - At the instigation of the Acting Commanding Officer of No. 1 Cdn Gen Reinf Unit
Q.353 - And did the Commanding Officer or did he not direct that the evidence should be taken under oath?
A.353 - He directed that it should be taken under oath
Q.354 - At that summary of evidence did the accused, Capt. LeBrun, give evidence?
A.354 - Yes, Capt. LeBrun did
Q.355 - Prior to his giving evidence was he sworn?
A.355 - Yes, he was
Q.356 - Do you recall the nature of the oath that was given?
A.356 - Yes, the nature of the oath was that which is in the Green Book. I can't repeat it word for word
Q.357 - Was a bible or testament used?
A.357 - Yes a testament was used
Q.358 - And the oath was administered to Capt. LeBrun by yourself?
A.358 - Yes
Q.359 - Was the evidence taken down in shorthand?
A.359 - Yes
Q.360 - Do you know who took down the shorthand?
A.360 - Yes, Sgt. Warren of J.A.G. Branch, C.M.H.Q.
Q.361 - Prior to his taking down the evidence was he sworn as shorthand writer?
A.361 - Yes, and the oath as used was the same as in the Green Book to be used to a shorthand writer
Q.362 - Did you propound or ask questions of the accused, Capt. LeBrun?
A.362 - Yes
Q.363 - And certain questions, were they prefaced or were they not prefaced by any caution?
A.363 - Yes
Q.364 - Are you able to indicate to the court what that caution was?
A.364 - Yes, the caution was words to this effect: "You do not have to answer the question unless you wish to do so on the ground that it may tend to incriminate you"

Court - I don't quite understand what we are having all this rigmarole for. I thought you were going into the box and establish the fact whether the accused was charged before that summary or not. Why not make a straight statement?
Witness - I may say that at the time that Capt. LeBrun did testify in the summary of evidence of Lt. Col. A.P.Plante that charges had been preferred against him while he was at No. 1 Cdn Conv Depot

Q.365 (Court) - He was at that time under arrest?
A.365 - He was under open arrest, yes sir

QUESTIONS BY JUDGE-ADVOCATE

Q.366 - Had a summary of evidence been taken in his case?
A.366 - Practically completed, sir, and the balance was taken up here at No. 1 C.G.R.U.
Q.367 - After the summary of Col. A.P.Plante was finished?
A.367 - Correct, sir. It was either after or before. From my recollection, sir, I took the LeBrun case first and after completing that I swung into the Col. Plante summary of evidence.

a.M.P.

That is from the best of my recollection

Q.368 - Then, after the taking of the summary of evidence in the case of Capt. LeBrun did he make a statement as to the facts?

A.368 - Not in his own summary of evidence. He made no statement

Q.369 - Was he asked if he desired to make a statement?

A.369 - Yes

Q.370 - And given the usual warning under R.P.4(E)?

A.370 - Definitely, sir

Q.371 - And he declined to make a statement at that time?

A.371 - Yes, sir

Q.372 - Are the charges roughly out of which the charges in the case of Capt. LeBrun arose roughly the same as the circumstances of the Col. Plante case?

A.372 - Quite similar, quite similar, yes, quite similar. I can take the two charge sheets if you wish and show you the differences

Q.373 - Well, one charge-sheet is in and you know that the other charge sheet of Col. Plante is based somewhat on the same set of transactions?

A.373 - With the exception of the alleged non-payment of Col.Plante's mess account and the alleged approving of a statement of abstract and expenditures by Col. Plante showing the reduced Grant Account instead of the proper one. Outside of that they are very very similar

Q.374 - Do you know any reason why Capt. LeBrun, after receiving the warning at the taking of his own summary did not make a statement while subsequently at the taking of the summary in the case of Col. Plante having received the warning which you have just referred to in your evidence he proceeded to make certain statements?

A.374 - That is very, very difficult to answer, sir

Q.375 - Did you have any conversations with Capt. LeBrun between the finish of his summary and the conclusion of the evidence in the summary of Col. Plante?

A.375 - If I did it was only about matters which were not in connection with the case. I might have said "How is she going?" or "Do you want a smoke?" or anything like that

Q.376 - I mean relative to the charges?

A.376 - Oh, no - no - no

QUESTIONS BY ASSISTANT PROSECUTOR

Q.377 - Did you in taking the summary of evidence hold out any promise to Capt. LeBrun?

A.377 - Definitely not at any time

Q.378 - Any threat imposed by you?

A.378 - Definitely not at any time

Q.379 - Any suggestion as to whether or whether he was not compelled to answer any questions?

A.379n- Definitely not, no

Court - You have referred the court to page 96, para 95 in which the last sentence provides that "In practice a court should warn a witness that he cannot be compelled to answer any question tending to incriminate him" which follows immediately by saying that the witness himself is not the sole judge as to whether his evidence will bring him into danger and that the court will be satisfied (assuming that you were the court on this occasion of taking the summary) that there really was reasonable ground to apprehend such a danger which I take you did apprehend because he had already been charged. Then what you say regarding the warning you gave him, do you think it brought home to him the fact that he was in danger and that he should be particularly careful in answering your questions?

Witness - The question is very, very good. All I can say is that I just put the caution to him and I didn't tell him after that that he was not compelled to answer. I didn't tell him that he was compelled to answer. I just put the straight caution to him and he spoke after that.

Q.380 (Court) - But you didn't do more than caution him? You didn't

say "You are charged" or "You are an accused" and inform him that he should be particularly careful?

A.380 - No, I didn't do that

Defending Officer declines to cross-examine this witness

R.P.83(B) was not complied with in respect of the above witness

The court is closed to allow the Defending Officer to consult with the Judge-Advocate

Court is reopened

Defending Officer - Mr. President, after having discussed the matter with Major Friedgut I would ask not to have to bring witnesses but merely to object generally to the testimony given in this trial within a trial and state to the court that they must take into consideration the position of the accused himself having been called to give evidence, a junior officer, no doubt thinking he was compellable to military law and not quite knowing the full rights and privileges granted him (not being a lawyer himself) and that he felt that were he to keep silence that they would look upon him as further conniving with the person against whom he was called upon to testify

Court is adjourned until 1000 hrs 3 Dec 42

Court is re-opened at 1000 hrs 3 Dec 42 being constituted as enumerated on page 1

Court - Last night when we closed there was a question of law which was referred to the J.A.G. as to whether Sgt. Warren's evidence was admissible or not. The J.A.G. Branch wish to refer that to the Senior Officer and they will have a reply for us, we hope, before noon. In the meantime if you have any further witnesses that we could have now prior to finding out if we can accept Sgt. Warren's evidence or not we will take them

Prosecutor - At this stage then, I may say that with your permission I was going to call Major Anderson. Now Major Anderson will be testifying that he had conversation with Capt. LeBrun, the accused. At that particular time it was on a court of inquiry on Col. A. P. Plante. At that time there were no charges against Capt. LeBrun or any contemplated charges that I know of. When Major Anderson had conversation with Capt. LeBrun he was not cautioned as we know the caution in law and I therefore want to bring in the conversation that Major Anderson had with Capt. LeBrun

9th Witness for the Prosecution, Major J. M. Anderson, R.C.A., Member, Regimental Funds Board, C.M.H.Q. having been duly sworn is examined by the Prosecutor.

Q.381 - Major Anderson will you please tell the court your full name, rank and unit please?
A.381 - Major J. M. Anderson, R.C.A., Member of the Regimental Funds Board
Q.382 - Major Anderson were you down at No. 1 Cdn Conv Depot in connection with a court of inquiry that was held there?
A.382 - No
Q.383 - Were you down there after the court of inquiry was held?
A.383 - I went down in April, 1942
Q.384 - And do you know Capt. LeBrun, the accused?
A.384 - Yes
Q.385 - Did you have any conversation with Capt. LeBrun (May I suggest this to him, sir?) Did you have any conversation with Capt. LeBrun while down there?
A.385 - Yes
Q.386 - Can you tell the court the facts and attendant circumstances surrounding that conversation?

A.386 - Yes. There was an amount or amounts totalling £70.0.0 credited to the O. C. of the Unit and in order to make up my statement correctly and to know how he treated that amount I asked Capt. LeBrun - -

Judge-Advocate - Just one moment. I think it should be established what the relationship was between the witness and the accused, what was the capacity in which the witness was attending at No. 1 Cdn Conv Depot and for what purpose in order that we may see from the circumstances whether the statement was voluntary

Q.387 (Court) - Can you tell us, Major, what you were doing at No. 1 Cdn Conv Depot and what led up to this conversation which you had with Capt. LeBrun?

A.387 - Yes, sir. I was down there on the instructions of the President of the Regimental Funds Board to conduct a re-audit of the accounts in order to establish definitely the outstanding mess bill of the O. C. I was instructed to do a re-audit of the Officers Mess Account and in order to clear up certain points I had together with Major Barton to speak to Capt. LeBrun who kept the records during the period we were auditing

Q.388 (Court) - So it was in your official capacity that this conversation came up with Capt. LeBrun when he was presenting the records to you?

A.388 - Yes, sir

Q.389 (Judge-Advocate) - What was your rank at the time?

A.389 - Major

Q.390 (Judge-Advocate) - In April, 1942?

A.390 - Yes

Q.391 (Judge-Advocate) - And Capt. LeBrun's rank?

A.391 - Captain

Q.392 (Court) - Were you aware at that time whether there was any charge pending against Capt. LeBrun and whether he was implicated in any manner?

A.392 - No, sir, there was no suggestion of any charge against Capt. LeBrun; it was merely a matter of clearing up the outstanding bill against the O. C.

Q.393 - Will you tell the conversation please?

Defending Officer - It appears to me that Major Anderson was definitely a superior officer at the time and that he was there for the purpose of establishing or determining rather the financial situation of the Regimental Funds or Regimental Institutes of No. 1 Cdn Conv Depot. Now, as a result of this investigation these trials have been brought to you and there is a definite relationship and I think at that time Major Anderson must be considered a person in authority and having reached a certain point in these investigations must be suspected or must be thought to have realized that something was wrong because he was seeking information as to why it was wrong and if that is the case he must have known that this accused might have been implicated and if so I feel he should have given him a warning

Court - I don't feel that it was necessary for him to warn the officer. He was not laying any charges nor had he any intention of laying any charges and any statement that the accused made to him at that time could not be anything but free or voluntary information nor do I think that Major Anderson was in a position or could be called upon to have used any threats or promises to him to obtain that information. He was purely an officer in the execution of his duties inquiring from another officer who was also in the execution of his duty being in custody of the accounts and if he is not able to do that neither would be doing his duty. Therefore, I see no reason why it should not be accepted as evidence

A.393 - There were three amounts £10.0.0, £30.0.0 and £30.0.0 shown to the credit of the O. C. In the absence of any cash book showing receipts I asked Capt. LeBrun why he had made those entries and what was the origin of them. He told me that they had been credited to Col. Plante's account on the occasion of Col. Plante paying him £96.0.0 to refund to the Regimental Funds. We then pointed out to Capt. LeBrun - -

Q.394 - Who were "we"?
A.394 - Major Barton and I were both there. We pointed out to him that this didn't seem reasonable because both the ledger and the mess accounts that were presented to the officer in December, January and February showed balances brought forward after deducting these amounts whereas Col. Plante didn't repay the money until April and yet these mess bills which were dated December, January and February showed balances brought forward after giving effect to these credits. Whereupon Capt. LeBrun said "Yes, I must have given him these credits prior to the repayment of the £96.0.0 by Col. Plante for the Regimental Funds"

CROSS-EXAMINATION BY DEFENDING OFFICER

Q.395 - It was only after you had presented a case to Capt. LeBrun stating that you felt it was impossible for these entries to have been made other than at the time say at the end of November, December and January that he said "In view of those facts I must have made those entries prior to the payment by Col. Plante". Is that correct?
A.395 - Yes, that is right
Q.396 - You didn't foresee the possibility of the accounts having been written or prepared after April?
A.396 - I did and I asked Capt. LeBrun
Q.397 - And what did he say?
A.397 - He said that those were statements prepared by him and signed by him on the dates at the head of the statement
Q.398 - What part of the statement? Have you seen the statement?
A.398 - Yes
Q.399 - They are really in two parts are they not?
A.399 - It is on one sheet of paper
Q.400 - Yes, but part on the typewriter and the other in ink?
A.400 - Yes
Q.401 - Well what part of it was written at the time of the date mentioned?
A.401 - The typewritten part
Q.402 - Major Anderson, have you seen this Exhibit "I"? Have you ever seen this?
A.402 - I may have seen it down at the Unit or in our files but it is not one prepared by us
Q.403 - I don't say it is prepared by you. Can you tell us what it is Major Anderson?
A.403 - Yes, it is an abstract of receipts and disbursements and statement of liabilities prepared on one of our forms for the period ended 31 Mar 41. It does not say what period
Q.404 - Will you look on page 2 on the left hand column and tell me what amount you see marked there - the top left hand corner?
A.404 - "Cash from cash book - £95.15.8"
Q.405 - Does that figure of £95.15.8 mean anything to you in view of your inspection carried out on the Regimental Institutes of the No. 1 Cdn Conv Depot?
A.405 - No, it doesn't
Q.406 - Would the amounts of £8.10.9, £35.3.6½ and £52.0.0 total up to that amount?
A.406 - You mean the transfers of money from Regimental Funds?
Q.407 - Yes
A.407 - They didn't come to £95.15.8; they came to £95.14.3. This is another figure here shown as being on hand
Q.408 - I beg your pardon, that is the figure I really wished you to discuss £95.14.3 - cash on hand
A.408 - That is the amount which was transferred from Regimental Funds to Officers Mess
Q.409 - And that at the time the document was prepared shows that the money had been refunded?
A.409 - We didn't audit this statement. This was prepared by the Unit; it doesn't show anything to us
Q.410 - Are you a Chartered Accountant?
A.410 - Yes
Q.411 - As a Chartered Accountant would those figures being placed

there in the column of "cash on hand" and supposing that we presume that that £95.14.3 is in fact the sums of £8.10.9, £35.3.6½ and £52.0.0 would you then say as a Chartered Accountant that the money had been refunded at the time that document was prepared?

A.411 - Yes
Q.412 - Would you tell me who the document was prepared by?
A.412 - Major Morison, Capt. Lavallee and Capt. Collins
Q.413 - Now, Major Anderson, when you inspected the books of No. 1 Cdn Conv Depot you noticed or you had an opportunity to notice how the Mess Secretary kept his books?
A.413 - Yes
Q.414 - From your knowledge as a Chartered Accountant would you say that he had had any previous experience in accountancy?
A.414 - He would have had to have had some experience to operate the ledger
Q.415 - Did he show any great experience?
A.415 - No, they were pretty badly kept
Q.416 - He didn't show great experience?
A.416 - No
Q.417 - Major Anderson, in examining the books of the Officers Mess did you have occasion to notice that there were certain arrears in the Officers Mess Accounts?
A.417 - Yes, there were a lot of arrears
Q.418 - How did the accused treat these arrears when he was paid?
A.418 - He occasionally applied the money paid by the officers to previous accounts
Q.419 - You found instances where that practice was carried out, that he applied it to the oldest debt?
A.419 - That's right
Q.420 - Can you tell us how long the Regimental Funds Board has been in existence overseas?
A.420 - I believe they started in October, 1940
Q.421 - Previous to 16 May 41 what Rules and Regulations governed Institutes in the Canadian Army Overseas?
A.421 - Rules for Messes and Institutes, Canadian Militia 1938
Q.422 - Is it not a fact that by virtue of Cdn Army Routine Order 726 dated the 16 May 41 it was determined that effective that day Messes and Institutes would be subject to the document you have just enumerated as well as K. R. (Can)?
A.422 - That's right
Q.423 - Therefore, previous to that no order had ever determined that the document you have just quoted was to be followed for the Canadian Army Overseas?
A.423 - Yes, there was
Q.424 - What was it?
A.424 - R. O. 359
Q.425 - Of what date? That is Cdn Army Overseas Routine Order?
A.425 - Yes. It was sometime in October, 1940. It doesn't stipulate that those rules had to be applied but attention of all Officers Commanding was drawn to the Rules for the Management of Messes
Q.426 - Therefore, in fact it merely suggested to Commanding Officers that they be guided by this and not necessarily that they had to strictly adhere to it?
A.426 - Yes, but this Unit didn't leave Canada until January (I think) 1940. There was a Routine Order came out in Canada No. 200 before the Unit left Canada laying down the use of this Book
Q.427 - For the Canadian Army in Canada?
A.427 - Yes
Q.428 - But not for the Canadian Army Overseas?
A.428 - No

QUESTIONS BY THE COURT

Q.429 - There is just one point not quite clear to me which has not been brought out in the evidence although it was in the Summary, the question of your opinion as a member of the Audit Board of how these books were kept. There is no mention of the keeping of a cash book. Would you give your opinion of

a.H.F.

how these books were kept and in what condition?

A.429 - They were kept very poorly, sir. He had no cash book, no sales receipt book and he merely worked from deposit slips and a ledger. In the ledger he charged members of the mess with their total charges for the month and posted besides that any credit for whatever money they paid and then he had some accounts for merchants in his ledger but he had no cash book and no book recording receipts of sales in the bar

Q.430 - Do you know of any other books which were kept other than this Regimental Funds Book "H" or were there any other funds kept in the Bank Account, from what you have already told us?

A.430 - No, sir

Q.431 - Were there any other funds kept in this book other than the Officers' Mess Accounts?

A.431 - I believe towards the back of the book they have an odd account or two there

Q.432 - This Exhibit "H" given to the Regimental Funds Board contained all the accounts kept by the No. 1 Cdn Conv Depot to the best of your knowledge?

A.432 - To the best of my knowledge

R. P. 83(B) is not complied with in respect of the above witness

---

Court - Well, I am not prepared to accept Sgt. Warren's evidence until such time as I have received a ruling from the Senior Officer of C.M.H.Q. so unless you wish to withdraw that witness we will have to adjourn the court until such time as we have it

Prosecutor - I am sorry to hold up the court, sir, but I feel that Sgt. Warren's evidence is very important to us, sir

Court is adjourned at 1045 hours until 1345 hours

At 1345 hours the court as enumerated on page 1 re-opens

Court - The court was adjourned until a ruling from the J.A.G. as to whether the evidence of Sgt. Warren could be accepted was obtained. (Judge-Advocate) - The question submitted to the J.A.G. was whether it was necessary to give any particular warning other than or in addition to the one which was given to the accused at the time he was a witness at the taking of the Summary on Col. Plante in order to make the statements made on that occasion admissible in evidence. The answer which has been given to me as a result of the deliberations by the J.A.G. is that there is no necessity for any additional warning than was given, namely that he need not answer the question unless he wishes on the ground that it may incriminate him, that in fact such warning as was given is only a matter of practice grown up out of an abundance of precaution that the accused do not incriminate himself when he doesn't want to. The ruling further went that the question, the general broad question as to whether the circumstances of the making of those statements were such as to indicate that they were voluntarily made is a matter of fact to be decided by the Court. The court has considered that aspect and the court rule that Capt. LeBrun made a voluntary statement without any threat or promise being made and therefore the evidence can be accepted

8th Witness for the Prosecution, B.93703 Sgt. Warren, J.P., J.A.G. Branch, C.M.H.Q. having been recalled and advised that he is already sworn is further examined by the Prosecutor.

The previous evidence of this witness is read back by the stenographer

Q.433 - Sergeant was a caution administered to Capt. LeBrun, the witness by the officer taking the Summary of Evidence in the Col. Plante case?

AMF

A.433 - Yes, sir

Prosecutor - With your permission, sir, may he now look at his notes which were taken at that time?
Court - He can look at his notes but he can't read from them. He can use his notes to refresh his memory

Q.434 - Will you just refresh your memory from your notes with reference to the caution I gave to Question 819?
A.434 - Yes, sir
Q.435 - Will you just repeat the caution which I gave or can you tell now after refreshing your memory from your notes the caution I gave?
A.435 - Actually it was "On the next question, Capt. LeBrun, I must again caution you that you don't have to answer the question if you think it will tend to incriminate you"

Prosecutor - With your permission, sir, this is the type of question I am going to ask. I am going to ask Q.819 "I have in my hand etc. etc - - " and then "Did I ask that question in the Summary of Evidence on Col. A. P. Plante?"
Court - I would sooner that you asked the witness the straight question as to what happened at that period and have him reply in that manner rather than read from any Summary of Evidence which is not admissible as evidence. If you wish to put the questions do so and the Defending Officer can object if he wishes

Q.436 - Did I, as the officer taking the Summary of Col. A. P. Plante ask this question of Capt. LeBrun, the witness at that time "I have in my hand Exhibits "NO", "O" and "P" which are Col. Plante's mess accounts, "N" for November, "O" for December, 1940 and "P" for January, 1941. Did you deliver Exhibit "N" for the month of November, 1940 to Col. Plante at the end of November or the first part of December, 1940?"?
A.436 - You did, sir, because I have just revised my notes
Q.437 - Was this answer given by Capt. LeBrun:- "The date 1st. December, 1940, that is the date I made it"?
A.437 - Yes, sir
Q.438 - Did I ask this question - "What does it cover?"?
A.438 - Yes, sir
Q.439 - Was this answer given in reply to that - "1st to 30th November, 1940."?
A.439 - Yes, sir
Q.440 - Did I ask this question - "When d id you give Exhibit "N" to Col. Plante?"?
A.440 - Yes, sir
Q.441 - Was this the answer given to that question - "I usually delivered all the accounts after I had finished with them."?
A.441 - Yes, sir
Q.442 - Did I ask this question - "When would you finish with Exhibit "N"?"?
A.442 - Yes, sir
Q.443 - Was this reply made to that question - "About 1st of December, 1940."?
A.443 - Yes, sir
Q.444 - Did I ask this question - "So that you delivered Exhibit "N" to Col. Plante around the 1st of December, 1940?"?
A.444 - Yes, sir
Q.445 - Was this answer given - "About that."?
A.445 - Yes, sir
Q.446 - Was this question asked by me of Capt. LeBrun - "Now Exhibit "O", did you do the same with that and deliver that about when?"?
A.446 - Yes, sir
Q.447 - And was this answer given to that question - "About the 3rd of January, 1941 or the 4th of January, 1941."?
A.447 - Yes, sir
Q.448 - Did I ask this question of Capt. LeBrun - "And with Exhibit "P" the same thing applied?"?

AHF

A.448 - Yes, sir
Q.449 - And was the answer to that question - "Yes, sir."?
A.449 - Yes, sir
Q.450 - Did I ask this question of Capt. LeBrun - "On that statement, Exhibit "N", did you put in "Cash £10.0.0; balance due £10.7.5"?"?
A.450 - That offhand I can't remember, sir

Prosecutor - With permission of the court may he refresh his memory from his notes?
Judge-Advocate - He has already been given permission
Prosecutor - Thank you

A.450 (con) - Yes, sir
Q.451 - And was the answer - -
A.451 - Repeat the question please
Q.452 - Did I ask this question of Capt. LeBrun - "On that statement, Exhibit "N", did you put in "Cash £10.0.0; balance due £10.7.5"?"?
A.452 - Yes, sir
Q.453 - Did Capt. LeBrun make this answer to that question - "I would put that in when I received the money from Col. Plante - £96.0.0"?
A.453 - Yes, sir
Q.454 - Did I ask this question - "Which you received on April 10th, 1940?"?
A.454 - Yes, sir
Q.455 - And did Capt. LeBrun reply to that question by saying "Yes, around that time."?
A.455 - Yes, sir
Q.456 - Did I ask this question of Capt. LeBrun - -

Defending Officer - Sir, just one moment. I would like to refer the court to page 99, para 109 of M.M.L. The last portion of para 109 reads as follows: "But where a question relates to a contested point, which is either directly conclusive of the matter in issue, or directly and proximately connected with it, the rule should be strictly enforced, and no question should be allowed in a form which directly or indirectly suggests to the witness the answer desired, or which, embodying a material fact, admits of a conclusive answer by a simple "Yes" or "NO""
Court - I was wondering how long you would let that go on myself. I think myself you are entirely right
Judge-Advocate - There is a difficult situation arising there. I don't think the leading means much there because otherwise it would only take time. You can take the witness and he can look up his notes and make the same answer as it is a matter of record but the difficulty I experience is this, some of those questions at the time they were put were leading questions - at the time they were originally given at the summary. That last one is an example
Court - A leading question to Capt. LeBrun at the time he was making this summary - is it a leading question to this witness?
Defending Officer - In both cases, sir, because it is obvious that the present witness must say "Yes" or "No"
Judge-Advocate - Technically it is not so offensive but your objection really is to the form of the question originally
Defending Officer - Yes, that the accused could only say "Yes" or "No"
Court - Technically you are right and I think possibly that the accused has aired his objection but I am prepared to rule that we must stick to the technical end of it
Defending Officer - I am willing to let it go
Court - Please stick as close as possible - -

Q.457 - Did I ask the question - "Which you received on April 10th, 1940?"?
A.457 - Yes, sir
Q.458 - Did Capt. LeBrun make this reply to that question - "Yes, around that time."?

AHF

A.458 - Yes, sir
Q.459 - Did I ask this question of Capt. LeBrun - "And that also refers to Exhibit "O", "Received Cash £30.0.0, Balance due £7.12.11½" when did you put that in?"?
A.459 - Yes, sir

Court - That is very leading. I do feel that that is a very leading question that you are putting to the witness. You must not put leading questions
Judge-Advocate - Not at this time sir but the form of it at that time. How can you justify that at the time?
Prosecutor - He was my own witness then. As I understand it in a Summary of Evidence, sir, you don't have to stick to the strict rule of evidence startling as that proposition may sound
Court - We are getting ourselves very involved by discussing all these various points of law etc. We will have to assume that the court is unversed in questions of law and don't know much about them so we have to stick to what our knowledge is so if you go ahead the Defending Officer can object if he wishes
Defending Officer - Sir, I wish to point out that my position is very difficult at present. The J.A.G. of C.M.H.Q. Overseas has ruled that this evidence is admissible. I don't wish to delay this court by putting up technical objections at every question that is asked. I am willing to submit to the opinion of the J.A.G. that the evidence is admissible and I am willing to leave it at that subject to any higher authority
Court - We appreciate your attitude, Colonel

Q.460 - And did Capt. LeBrun make a reply to that question saying "At the same time."?
A.460 - Yes, sir
Q.461 - Did I ask this question of Capt. LeBrun - "And Exhibit "P" "Cash £30.0.0 Balance due £1.16.8½" when did you put that in"?
A.461 - Yes, sir
Q.462 - And did Capt. LeBrun reply to that question "At the same time."?
A.462 - Yes, sir
Q.463 - Did I put this question to Capt. LeBrun - "What you say then is that you made three entries when you received the £96.0.0 from Col. Plante on April 10th, 1940?"?
A.463 - Yes, sir
Q.464 - And did Capt. LeBrun reply to that - "Yes, sir. "N" "O" and "P" are my copies of bills of the Mess submitted to Col. Plante,"?
A.464 - Yes, sir. I might qualify that that on every one of those questions the caution was put. I have every question marked (I think) "Caution" where the caution was put

THE PROSECUTOR MAKES THE FOLLOWING CLOSING ADDRESS:

Mr. President and gentlemen, you all have before you the charge-sheets so I am not going to take up the time of the court by repeating the charges.

Now, with reference to the first charge, the particular charge is that the accused requested Patrick Skellet, Manager of R. Grant & Son to submit accounts to the Officers Mess for December and January for amounts less than what were due. Now, I think the evidence is quite clear that Exhibit "A" a letter delivered by Pte. Noel to Mr. Sklet, was signed by the accused and Mr. Skellet acts pursuant to that particular letter and refers back lesser bills than what were actually due for the months of December and January. The question then may arise as to whether such conduct was scandalous which is a matter for the court or, in the alternative, on the second charge whether it is just conduct. Now, going back to the first charge which reads also "With intent to mislead the Unit Audit Board and the Regimental Funds Board" - now, if the court comes to the conclusion that "intent" has not been spelled out I presume the Judge-Advocate will advise the court that a special finding can be brought in excluding those particular words

Now, then as far as the third charge is concerned - that is, "Conniving in the withdrawal of the sums of £8.10.9, £35.3.6½ and £52.0.0 - -

Judge-Advocate - Just one moment before you pass from the 1st and 2nd charges would you point to the evidence that fixes the act as having been committed in March?

Prosecutor - You will note there that the date is in or about the month of March. Now, it is not established definitely as to what particular month. It is established around the middle of August. Well, my conception of the law is that you are allowed to go before and after that particular date as specified in the charge; you are not limited to that particular date. So it is broad to that extent.

Now with reference to the third, fourth and fifth - "Conniving" - well the conniving has been adduced by the prosecution as having been with Col. Plante. Now the only evidence is the introduction of two cheques which have been proved to have been signed both by Col. Plante and the accused, Capt. LeBrun.

The sixth, seventh and eighth are similar charges with the exception that it just applies to the accused himself, that he improperly withdrew these various amounts and applied the said sums to the credit of the Officers Mess. Now we have evidence adduced before you gentlemen and we have particularly two cheques. We don't think there can be any doubt as to there not being these two cheques and as to their not having been signed by Col. Plante or by the accused. And we have evidence that these amounts were deposited to the credit of the officers' Mess. I would like to draw to your attention that that particular fund has been specified by Major Barton as being made up principally of the 6£ rebate from N.A.A.F.I. and those monies were to be used for the men. Now, in other words that account should be regarded as a Trust Fund and yet here we have a situation where monies are taken from what I would call a "Trust Fund" and applied to the credit of the Officers Mess.

Now, with reference to the ninth, tenth and eleventh charges - "In a document made by him knowingly making a false statement" on three dates the 30 November, 31 December and 31 January 41. The three documents that we are concerned with there are the three mess accounts for those various months of Col. Plante. The charges are that he falsely entered in the personal mess

AHF.

account of Lt. Col. A. P. Plante the sum of £10.0.0 when in fact the sum of £10.0 was not so paid. Similarly the other two charges of £30.0.0 each. Now, if we turn to the evidence then of Sgt. Warren given just a short time ago he has established that Capt. LeBrun has definitely signed those three monthly statements and also made the entries himself of the cash entries written in longhand and also the figures which were put in in ink and from Sgt. Warren's testimony you can gather then that these entries were made when the sum of £96 was paid by Col. Plante to Capt. LeBrun on or about April 10th, 1941. Now, if you scrutinize the three monthly mess accounts of Col. Plante you will see that typewritten there are balances carried forward. There are balances carried forward and, as Sgt. Warren has testified, Capt. LeBrun said that he gave the various statements to the Colonel at the end or the beginning of the months in question. Now, then, if that is so it was absolutely impossible that Capt. LeBrun could make those entries when he received the sum of £96.0.0 because he evidently didn't receive that amount until the 10th day of April so, therefore, keeping in mind when he got the £96.0.0 which was on or about the 10th of April he didn't receive cash when he made these various entries upon these three monthly accounts.

Now, with reference then to the twelfth charge - -

Judge-Advocate - Just one moment. I want to get it clear in my mind. Is there evidence as to whether these actual Exhibits "M", "N" and "O" were given to Col. Plante or are these copies of them?

Prosecutor - The evidence is that those - - There is no definite evidence so I assume I am not allowed to speak on that. It was copies that were given.

Now, with reference to the twelfth charge which is "Conduct etc - - failing to enter into the accounts of the said Officers Mess or of the Abstract of Receipts and Disbursements of the Officers Mess - - etc, etc" - our contention is that this document was compiled from facts and figures supplied by Capt. LeBrun. Capt. Collins, a witness, testified that he aided in the compilation of that particular statement relying upon information supplied to him by Capt. LeBrun and the information obtained by Capt. Collins was inaccurate in that it did not disclose these three amounts.

Now, with reference to the thirteenth charge - "Neglected to keep books of account of the Officers Mess of No. 1 Cdn Conv Depot, R.C.A.M.C. showing receipts and expenditures with vouchers contrary to the provisions of Para 648 K. R. (Can)" - well, Major Barton in his testimony testified that there were no such books of account kept.

With reference to the fourteenth charge which is similar to the twelfth with the exception that it covers the Abstract of Receipts and Disbursements of the Regimental Account - not of the Officers Mess Account but the Regimental Account - that document similarly was compiled from facts and figures supplied by Capt. LeBrun to Capt. Collins and it also did not disclose the various amounts of £8.10.9, £35.3.6½ and £52.0.0 which had been borrowed from the Regimental Funds and deposited in the Officers Mess.

Now, that is all I have to say, Mr. President and gentlemen, with reference to the various charges.

THE DEFENDING OFFICER MAKES THE FOLLOWING CLOSING ADDRESS:

Mr. President, in answer to the charges brought by the Prosecution against the accused I submit that the charges have not been proved. If we examine each charge separately we find in the case of the first charge that no proof was brought forward.

AHF

to the effect that the accused made, discussed or succeeded in receiving a reduced bill on behalf of the Officers Mess of No. 1 Cdn Conv Depot. The testimony of Mr. Skellet, the principal witness in this matter, is definitely to the effect that the only discussion held between he and the accused was held at some time after some arrangement was carried out whereby he discussed with the accused the method of payment and that I think, gentlemen, is all you will find in the evidence. Skellet says further that he didn't discuss the reduction of this account with the accused and that if any reduction took place we must conclude that if any discussion took place, the discussion took place with some third party. However, I ask myself if this act was scandalous who was scandalized by it and has the Prosecution provided proof that anybody was scandalized by it?

In answer to the second charge I state that first I reiterate rather that my client, the accused, did not participate in these conversations and therefore, if he did not do so his conduct is not to the prejudice of good order and military discipline. It is the duty of the Prosecution to prove beyond reasonable doubt - beyond any doubt that the accused did himself participate in these talks, that he himself saw the person responsible for the commission of these acts and that as a result of such conversations such an act was committed. Those are the essential elements to prove either the first or second charges and I submit to you gentlemen that these conditions have not been proved by the Prosecution.

The third, fourth and fifth charges are that the accused on various occasions, three in number, with Lt. Col. A. P. Plante, Commanding Officer of his Unit connived to transfer or to withdraw funds from one institute to another in amounts varying from £8.10.9 to £52.0.0. The name of Col. Plante was mentioned very sparingly here in this trial, no proof was brought that the question of withdrawal was ever discussed nor how the withdrawal came about. Noone said - - noone could s tate how it came about. Was the accused ordered to sign cheques and these later countersigned by someone else and the transfer occurred in that fashion? Was the cheque countersigned by Col. Plante, then countersigned by the accused because he was doing the job alone? No evidence was brought that there was any intention between the two to do that. What does the word "connive" mean? The word "connive" according to the Concise Oxford Dictionary means "To wink at something which ought not to be done". I would like to read verbatim so that you are not doubtful for a moment. "Connive" means "To wink at what one ought to oppose". Now, if we use the expression as the definition in the Oxford Dictionary "To wink at that which one ought to oppose" certainly a person cannot be said to be in a position to wink at something which he ought to oppose if he is actually participating in the act. I submit that "To connive" means "To omit to do an act knowing that somebody else is doing it and when it is your duty to prevent the commission of such an act". If my definition is correct, then these three charges necessarily must drop. It is impossible for the man to "Connive" to "Close his eyes" to something which is being done by somebody else when he himself should see to it that it should not be done when in fact, according to my friends, the Prosecution, the man did it himself.

Insofar as the sixth, seventh and eighth charges are concerned - "Improperly withdrew" - if the charge had been that the accused was concerned in the irregular transfer of monies from one fund to another fund I think it would have been very difficult for the Defence to answer the charge. But to "improperly withdraw", what do we mean by the words "improperly withdraw"? What is a proper method of withdrawing money from the Regimental Funds if not by cheques signed by two officers of a Unit who are duly authorized to do so? Did the accused withdraw the money himself? Did he take the cash contrary to

AHF

the Rules and Regulations and transfer it to another account? I submit that there is no "improper withdrawal" because the accused was acting in accordance with rules and regulations of the method of transferring money - the method, not the right to transfer money and I feel that the accused cannot be held to have improperly withdrew money because this is an accusation that strikes at the very office which he was holding. In virtue of his office he and another officer had the right at all times - two of them together - according to certain rules and regulations to withdraw money - the only method possible for that Unit to do so - he and one other officer to sign cheques. Has he done anything else? Has this withdrawal been hidden? I will definitely say to this court in answer to the latter accusation that far from hiding them they were there for everyone to see in various documents available to any person who had the right to audit, to look at the books on behalf of the Unit itself or on behalf of higher authority.

We now come to the three charges in virtue of 25 (1)(a) "In a document made by him knowingly making a false statement" - three charges, one in the amount of £10.0.0, two in the amount of £30.0.0 making a total of £70.0.0. The Prosecution, after much discussion legal and technical has succeeded in bringing into proof a portion of the testimony given by the accused at the Summary of Evidence of another officer and it is a fundamental rule of law that any admission must be accepted "in totem" - cannot be divided. No court must accept part of the admission and reject the balance; it must accept the entire admission and I submit for your consideration that the answers to Questions 826, 827, 828, 829 and 830 read as follows: - (Questions No. 450, 454, 459, 461, &463 in these proceedings) "On that statement "N" did you put "Cash £10.0.0 - -

Judge-Advocate - Just a moment, Col. Power. Those are statements you say are not in evidence?

Defending Officer - I say that after much legal technicalities these questions have been put into evidence by Sgt. Warren

Judge-Advocate - That is very good. What I was afraid of was that you were going to refer to some evidence not here

Defending Officer - No, if I am not mistaken, subject to correction by my learned friend Questions 818 to 830 (Questions 436 to 463 in these proceedings) are the questions brought into the evidence by Sgt. Warren and I will keep myself to those questions and nothing else. The questions says "On that statement Exhibit "N" did you put in "Cash £10.0.0 balance due £10.7.5?" and the answer "I would put that in when I received the money from Col. Plante, £96.0.0", Question "Which you received on April 10th, 1940?" Answer "Yes, around that time", question "And that also refers to Exhibit "O", "Received Cash £30.0.0, balance due £7.12.11½" when did you put that in?" answer "At the same time", question "What you say then is that you made three entries when you received the £96.0.0 from Col. Plante on April 10th, 1940?" answer "Yes sir "N", "O" and "P" are my copies of bills of the Mess submitted to Col. Plante" and I submit that if the court accepts these bills and accepts them as it must "in totem" therefore it must accept that these mess bills were merely duplicates which were kept by the Mess Secretary himself which in this case was the accused and which were given or forwarded to some authoritative group such as the Regimental Funds Board or somebody in charge of audits at a later date and that there is no proof whatsoever that the bills as presented to this court were ~~shown~~ laid on in identical form or that they were ever presented in such form to Col. Plante not at any time did anybody connected with this unit see those exhibits as they are before the court today previous to the day when £96.0.0 was paid by Col. Plante to the Mess Secretary for reimbursement of Regimental Funds. And it is the duty of the Prosecution to prove beyond doubt that those documents did

AHF

definitely exist at the time of the date marked on them. It is true speaking of dates that Major Anderson told us it was the custom of the accused to credit the outstanding account - the oldest account first, that if the £96.0.0 was paid the oldest statement would show that condition existing in the account of Col. Plante and as I say before nobody ever saw a statement issued on the dates as pretended by my learned friend and noone ever saw those documents previous to April 10th, 1941.

Now, gentlemen, we come to the twelfth charge. The twelfth charge says that "In the field during the period from May 1940 to March 1941 inclusive, while Secretary of the Officers Mess of No, 1 Cdn Conv Depot R.C.A.M.C. failed to enter in the accounts of the said Officers Mess or in the Abstract of receipts and disbursements of the Officers Mess and Trading and Profit and Loss Statement a credit or credits in favour of the Regimental Funds of No. 1 Cdn Conv Depot - - ". I don't want to belabour the court with a long dissertation on this but I just want to put out one point. No proof has been adduced whether the Regimental Funds or the Officers Mess accounts were audited first. We do know that there was certain delay. Major Morison said that it was hard to get the Audit Board together and that there were delays of ten days and fifteen days here and there but I think it is reasonable to assume that the Audit Board unless proof to the contrary is brought by the Prosecution and it is their duty to do so, were seized of all documents pertaining to Regimental Funds and Officers Mess at the same time and therefore, the Regimental Audit Board if so seized of all documents at the same time why is it then that we note a very substantial difference in the documents prepared by the Regimental Audit Board? If you look, as I had Major Anderson indicate this morning, in the Regimental Funds report which I think is Exhibit "I" (If I am not mistaken) on the second page in the left hand column, the three figures shown there are £94.14.3 and Major Anderson agreed and said that that was the sum represented as owing by the Officers Mess to the Regimental Funds as a result of the transaction previously discussed. That amount was agreed to by Major Anderson this morning as representing the total of £8.10.9, £35.3.6½ and £52.0.0. If the amount was cash on hand, that is to say it had been repaid and it appears in the Regimental Funds it can naturally and necessarily no longer appear as a debit in the Officers Mess Account. It was then, at that particular moment cash on hand. It had been paid and we have reason to believe that Major Morison and the two officers who signed that document knew about that amount because Major Anderson who reviewed the matter months later knew all about it and I submit that the twelfth charge, as a result, cannot hold.

In speaking of this the fourteenth charge can be brought into line. It says that no entry was made and yet you find in the document in question which is actually Exhibit "I" the amount of £94.14.3 actually there in black and white and therefore, if it is there I fail to see why the Prosecution could have charged my client with not having entered it.

Now, we come to charge thirteen, that the accused neglected to keep books and accounts of the Officers Mess of No. 1 Cdn Conv Depot. I submit, gentlemen, I would not like to say that my client had prepared a set of books that would have gladdened the eye of a Chartered Accountant but I will say this and no proof has been brought to the contrary, that as a result of his tenure of the books and statement was prepared and a statement which failed to show and which cannot show that there has been any fraud, that there has been any defuncation, that anybody has lost any money. I quite agree, gentlemen, the accused is not a Chartered Accountant. The accused cannot be expected to keep books which will gladden the eye of a man like Major Anderson or Major Barton and it is easy for men of that

AHF

nature to come and say that the books were not well-kept, that they didn't have this or they didn't have that, but in order tocommit an offence on the part of my client he had to go against Regulations. What regulations existed at that time? I quoted to you this morning Canadian Army Routine Orders which brought into effect K. R. (Can) insofar as it relates to Messes and Canteens and the document which I think is entitled "Rules and Regulations for the Management of Messes and Institutes" which only had effect in this country on the 16th of May, 1941. The court may say to itself that although the regulations didn't exist they had not been actually brought into force, it had been brought to the notice of the Commanding Officer and that this officer should have known about it. Is the court satisfied that the Prosecution has brought to its notice or has brought proof to the effect that the Mess Secretary of the No. 1 Cdn Conv Depot was given by his Commanding Officer the necessary documents which at that time, mind you, it was only necessary to guide oneself by? It was not an order to follow; that only came later. I feel, gentlemen, that until such time as the Prosecution can prove to your satisfaction that the Commanding Officer had shown the accused the proper way of keeping the books as per the documents quoted then the accused was not responsible. He was doing his best. He was carrying out his duties to the best of his ability and we are not here to discuss how good that ability was; we are here to determine whether this man committed an offence contrary to Rules and Regulations established.

I submit that for these reasons the accused should be found Not Guilty on all charges.

Court - The court is entitled to have the Judge-Advocate sum up the proceedings if they so desire but feel that after the summing up by the Prosecutor and the very able summing up by the Defence that we can dispense with the summing-up of the Judge-Advocate at this time and he can assist us in our deliberations.

Court is closed to consider the finding.

Court is re-opened

Court - The court find that the accused, Capt. Louis Eugene LeBrun, No. 1 Cdn Conv Depot is

Not Guilty of the 1st charge
Not Guilty of the 2nd charge
Not Guilty of the 12th charge
Not Guilty of the 14th charge

which finding is announced in open court

The Prosecutor, Major W.A.D.Gunn, J.A.G. Branch, C.M.H.Q. having been duly sworn is examined by the Court.

Q.465 - Have you any evidence to produce as to character and particulars of service of the accused?
A.465 - Yes, sir. I have here two A.F.B.296's one covering the period at No. 1 Cdn Conv Depot and the second while he was attached to No. 1 Cdn Gen Reinf Unit

Statements of character and particulars of service are read by the Prosecutor, marked "Y" and "Y-1", signed by the President and attached to the proceedings

Prosecutor - With permission of the court and with the permission also of the Defending Officer I now submit it to the court

Q.466 - Why are there two?
A.466 - One is covering the time with No. 1 Cdn Conv Depot and then he was attached up here for the purpose of this trial and the

AAF

second one covers his attachment up here, sir
Q.467 - What is wrong with the second one?
A.467 - Just that the typist put in No. 1 Conv Depot instead of No. 1 C. G. R.U. Subject to that change, sir, may I proceed to read this document?
A.468 - Yes

Prosecutor reads second A.F.B.296 (Exhibit Y-1)

Q.469 - Is the accused the person named in the statement which you have heard read?
A.469 - Yes, sir
Q.470 - Have you compared the contents of the above statement with the regimental books?
A.470 - No, sir
Q.471 - Are they true extracts from the regimental books, and is the statement of entries in the conduct sheets a fair and true summary of those entries?
A.471 - As I am informed on very good authority, yes sir
Q.472 - You are on oath
A.472 - Yes, sir
Q.473 - Why are you sure if you have not compared them?
A.473 - I have been informed by the adjutant
Q.474 - But have you compared them yourself?
A.474 - I might say that the Defending Officer agrees that they can be accepted - -

Court - I don't care if the Defending Officers says anything or not. You are handling this thing in a very amateurish manner

Court to Defending Officer - Do you consent to their being accepted?
Defending Officer - Yes, sir

By consent of the Defending Officer formal proof of A.F.B.296 is waived.

Defending Officer declines to cross-examine this witness

R.P.83(B) was not complied with in respect of the above witness

PRESIDENT TO ACCUSED:

Q.475 - Do you wish to address the court?
A.475 - Sir, by proof the documents which you have in your possession have been held to the best of my knowledge. I had nothing to hide and I have nothing to say that I used money for my personal use. Nothing is missing. Nobody of my confrere officiers have suffered from any missing monies and I tried from the best of my knowledge to keep all those papers that were handed to me with all the other Regimental Institutes plus all my regimental duties and I am quite sure that I put all my best knowledge to keep those papers in good form without hiding anything. That is all I have to say.

I know the accused, Pte Le Cerf. On a Sunday in December 1944, either the 10th or 17th, the accused, Pte Le Cerf, asked me if I would like to go to Wetteren with him. I said "Yes", and got ready and went out to the truck of the accused. Sgt Hyde was in the cab. I was helped into the back of the lorry because I had an injured leg. When I got in I noticed there were government rations in the lorry. We drove to Wetteren and Sgt Hyde got out and the accused and I proceeded to Massemen. After arriving in Massemen we went to Alost and from there back to Wetteren and then back to Massemen. We had supper there. In the cafe where we had supper the accused had a conversation with a civilian. At approx 2100 hours the civilian, Le Cerf and I proceeded to the civilian's home. The rations were sold there to the civilian, Richard De Moor. The accused, Pte Le Cerf, was paid 125,000 Belgian francs in my presence.

About 1500 hours the next day Pte Le Cerf was called from my bed by Sgt Hyde. When he came back he told me he had paid the money to Sgt Hyde as the rations belonged to him. He also gave me 4000 Belgian francs for helping unload the rations. They were government rations.

CROSS-EXAMINED BY THE ACCUSED:

Pte Le Cerf and I agreed to purchase some rations from a checker at 58 BSD. I believe it was in December 1944. I saw the checker and he agreed to give us 8 cases. I told the accused that the checker would give us 8 cases. The accused gave me 2,000 or 3,000 Belgian francs, I believe it was. I paid the checker the sum required. The accused took the cheese on the truck. He was going to dispose of them and we were going to split the proceeds.

I saw Pte Le Cerf, the accused, the following morning when he came into my bedroom. I was in bed at the time. I sat up on the side of my bed and Pte Le Cerf counted out the sum of money on the chair beside my bed. I cannot remember just how much there was but we had agreed that after the amount he had given me to pay for the cheese at the BSD was taken out the balance would be split even between us. I have been cautioned by Sgt Hancock H.R., that I am not obliged to say anything unless I wish to do so, but that anything I do say may be taken down inwriting and may be given in evidence.

Signed:- H.G. Le Cef

I have been a member of 35 Comp Coy since August 1943 and came to France with this Coy on the 11 Aug 44 and have since been been employed as a driver.

Until the month of November 1944 I had never sold any Army Property. Sometime during the month of November 44 I became short of money and as I knew that members of my Unit had, and were, disposing of food, which was obtained from No.62 B.S.D., one day I asked a checker at 62 B.S.D. if he could give me anything buckshee and he gave me an 80 lb. bag of sugar (buckshee). As near as I can remember I sold this sugar to a civilian living in BOVIGNE, Belgium, close to MASSMAN. I know this man as "Richard". I do not know his family name, nor can I give you his exact address but could identify him. I received 2500 Belgian Francs for the sugar.

On another occasion I obtained another two buckshee cases of "Bully Beef" from another checker at 62 B.S.D. and also sold this to "Richard" for 1500 B.F. per case.

I could not identify the checkers at 62 B.S.D. who gave me the sugar and "Bully Beef" but it was common knowledge in our unit that the checkers at 62 B.S.D. would give you buckshee rations for the asking. These two incidents happened while I was stationed with my Coy at WETTEREN.

About the beginning of December 44 my Platoon moved to St LEONARDS from WETTEREN, where we are now stationed, and started hauling from 58 B.S.D. A short time after this I became aware that in our convoys there was a buckshee truck and that some of the boys were obtaining extra cases of rations, on payment of money to the RASC checkers at 58 B.S.D. and after leaving the RSD would transfer the buckshee rations to the extra venicle, which would leave the convoy and proceed to the WETTEREN district, where the rations would be disposed of to civilians. The driver of this venicle always got a share of the money realized through the sale of the rations.

At the beginning of the second week in December 44, whilst on duty at 58 B.S.D. with my truck, I bought two (80 lb.) bags of sugar for 500 B.F. each. I bought this from an RASC soldier(checker) and could identify this soldier. I later transferred these two bags of sugar to the buckshee truck, which was being driven by Dvr MORROW that day. When MORROW returned, he gave me 5000 B.F. and I gave him 500 B.F. I knew that this money had been obtained throught the sale of the two bags of sugar.

On one other occasion I obtained a couple cases of rations, I don't remember exactly what they were, from a checker at 58 B.S.D. I don't remember who this checker was. I disposed of these two cases by placing them on the buckshee truck and received money from the driver of this truck on his return. I don't remember who the driver was nor how much money I received on this occasion.

To my knowledge all the boys in my Platoon knew that rations were being obtained and disposed of by means of a buckshee truck.

As I had a girl friend in MASSMAN I expressed the wish among the boys that I would like to get down there to see her. Around the 10th Dec 44 Sgt HILL approached me and asked if I would like to drive the buckshee truck, as I could have the opportunity of seeing my girl friend. I agreed to this suggestion. The next day, I drove the buckshee truck to 58 B.S.D. and after the boys had loaded their trucks, we assembled on the road about a quarter of a mile from the B.S.D. and loaded up my truck. I had previously gone into the depot with the convoy, and Sgt HILL had the following goods placed on my truck:- 10 cases of cheese, 20 cases of margerine, and 20 cases

of bully beef. When the convy assembled outside the depot, members of No. 10 Section placed other goods on the truck. Some of these goods were spam and coffee. I don't remember who the boys were that put these rations on the truck to be disposed of. I then left for MASSMAN with the truck, accompanied by Sgt HYDE. On the way I stopped at the Platoon and Picked up Cpl JARVIS, as I knew hewanted tovisit his girl friend in MASSMAN. Sgt HYDE got out of the truck at WETTEREN, JARVIS and I continued on to MASSMAN and I proceeded to the home of my girl friend (Marie Louise De GEEST) in MASSMAN. This was in the afternoon. We stayed in the vicinity until dark when the civilian I know as "Richard" came to the Cafe, next door to my girl friend's home. I told "Richard" about the load and I sold it to him for 125000 B.F. At about 9.30 p.m., accompanied by Cpl JARVIS and "Richard" I drive the truck to BOVIGNY, where "Richard" lives, and the three of us unloaded the truck and placed the rations in his home. He then paid me the 125000 B.F. in the presence of his wife and family and Cpl JARVIS. The following day we returned to our Platoon. Upon arrival there I gave 21000 B.F. to Pte Morrow of No. 10 Section, for the stuff they had on the truck, and I gave 104000 B.F. to Sgt HYDE. Sgt HYDE then gave me 20000 B.F. for myself and 4000 B.F. for Cpl JARVIS, which I gave to him. This sale took place on a Sunday and must have been the 10 Dec 44.

The following Friday or Saturday, 14 or 15 Dec 44, Sgt LAWSON asked me if I wanted to drive the buckshee vehicel again and I agreed. As well as I can remember, the following buckshee rations were loaded on my truck, 17 cases cheese, 1 bag sugar (80 lbs) 1 case coffee, 1 case jam, 1 case chocolate. Sgt LAWSON and I had purchased 8 cases of cheese out of the 17 cases; Pte Edgeworth (Edworthy) had 9 cases of cheese, 1 case of jam and 1 case of coffee. Pte LAROND had the case of chocolate. I don't remember who had the bag of sugar. Itook this load to MASSMAN and there met a civilian whom I had seen before and knew that hewas safe to sellrations to. I knew him by the name of "August" and could identify him again. I believe I could find his house in MASSMAN, where we unloaded the rations. He paid me 65100 B.F. for thisload. When I returned to the Platoon I gave Pte Edgeworthy (Edworthy) 36000 B.F. for the rations he had on the truck Pte LAROND received 3,500 B.F. for his share and Sgt LAWSON and myself shared the remainder equally. When I gave Sgt LAWSON his money, Sgt HYDE was present.

This is all the dealings I have had concerning the disposal of rations or any other Government property. I have spent the money I received in these transactions by gambling and in Cafes.

I have read the above statement and do not wish to add or delete anything from it.

Signed H.G. Le Cerf.

"On Sunday I think the 10 Dec 44, in the morning before going out on details, Sgt HYDE came to me in the Courtyard at our quarters andasked me if I wanted to drive the Buckshee Lorry that dat. He told me that he had arranged to take out a buckshee load; I wanted to go to see my girlfriend anyway and I agreed. Sgt HYDE rode with me, as near as Ican remember.

On arrival at [illegible] Sgt HYDE got out and a little later came to me and instructed me to back in to a certain shed. I remained in the cab. I knew there was stuff being loaded on the truck, and then a checker came up and guided me to anotner shed. Then Sgt HYDE told me to go out and join the convoy and any others who had stuff to put on ly load could do so. Sgt HYDE rode with me in the cab as far as WETTEREN where he got off at a house there which I know. Before he left Cpl JARVIS, who we had picked up at billets, got into the cab with me. Sgt HYDE told us to pick him up there at 0400 hrs, next morning, we continued to MALSEMEN, stopped at Cafe Strop and while I was in the Cafe, Lieut Nelligan came up and was speaking to Cpl JARVIS when I came out. We went to ALOST to look for a couple of men who were AWL. Then we returned to WETTEREN where Cpl JARVIS went into the house where Sgt HYDE had first got out of the lorry. That night Cpl JARVIS and I slept at Cafe Strop and next morning at about 0400 hrs we stopped in WETTEREN to pick up Sgt HYDE.

When he came out to the lorry he asked us how we had made out and we said "OK". He got into the cab and we returned to Platoon billets. After returning from details that afternoon, I was talking in his room with Cpl JARVIS, and had the money received for the load of rations in the inside of my tunic. Sgt HYDE came in and said he wanted to see me and I went with him, across the road to his billet, where I paid him the money for the load of his goods we had disposed of the day before. Most of the money, 104000 francs was in bundles. I was with him quite some time, and then at once returned to the room with Cpl JARVIS where I gave him the 4000 francs Sgt HYDE had given me for him.

I have read this statement and it is true.

"Bully Beef" but it was common knowledge in our unit that the checkers at 62 B.S.D. would give you buckshee rations for the asking. These two incidents happened while I was stationed with my boy at WETTEREN.

About the beginning of December, 44 my Platoon moved to ST. LEONARDS from WETTEREN, where we are now stationed, and started hauling from 58 B.S.D. A short time after this I became aware that in our convoys there was a buckshee truck and that some of the boys were obtaining extra cases of rations, on payment of money to the R.A.S.C. checkers at 58 B.S.D., and after leaving the B.S.D., would transfer the buckshee rations to the extra vehicle, which would leave the convoy and proceed to the WETTEREN district where the rations would be disposed of to civilians. The driver of this vehicle always got a share of the money realized through the sale of the rations.

At the beginning of the second week in December, 44 whilst on duty at 58 B.S.D. with my truck, I bought two (100 lb) bags of sugar for 500 B.F. each. I bought this from an R.A.S.C. checker and could identify this soldier. I later transferred these two bags of sugar to the buckshee truck which was being driven by DVR. MORROW that day. When MORROW returned, he gave me

M.S.C.

5000 B.F. and I gave him 500 B.F. I knew that this money had been obtained through the sale of the two bags of sugar.

On one other occasion, I obtained a couple of cases of rations, I don't remember exactly what they were, from a checker at 58 B.S.D. I don't remember who this checker was. I disposed of these two cases, by placing them on the buckshee truck and received money from the driver of this truck on his return. I don't remember who the driver was, nor how much money I received on this occasion.

To my knowledge, all the boys in my Platoon knew that rations were being obtained and disposed of by means of a buckshee truck.

As I had a girl friend in MASSMAN, I spreaded the word among the boys that I would like to get down there to see her. Around the 10th Dec 44, Sgt. HYDE approached me and asked if I would like to drive the buckshee truck, as I could have the opportunity of seeing my girl friend. I agreed to this suggestion. The next day, I drove the buckshee truck to 58 B.S.D. and after the boys had loaded their trucks, we assembled on the road about a quarter of a mile from the B.S.D. and loaded up my truck.

I had previously gone into the depot, with the convoy, and Sgt. HYDE had the following goods placed on my truck: 10 cases of cheese, 20 cases of margarine, and 120 cases of bully beef. When the convoy assembled outside the depot, members of No. 10 section placed other goods on the truck. Some of these goods were spam and coffee. I don't remember who the boys were, that put these rations on the truck, to be disposed of. I then left for MASSMAN with the truck, accompanied by Sgt. HYDE. On the way, I stopped at the platoon and picked up CPL. JARVIS, as I knew he wanted to visit his girl friend in MASSMAN. Sgt. HYDE got out of the truck at WETTEREN. JARVIS and I continued on to MASSMAN, and I proceeded to the home of my girl friend (MARIE LOUISE DE BEEST) in MASSMAN. This was in the afternoon. We stayed in the vicinity until dark, when the civilian I know as "RICHARD" came to the Cafe, next door to my girl friend's home. I told "RICHARD" about the load, and I sold it to him for 125,000 B.F. At about 9.30 pm, accompanied by CPL. JARVIS and "RICHARD" I drove the truck to ZOTTEGEM, where "RICHARD" lives, and the three of us unloaded the truck and placed the rations in his home. He then paid me the 125,000 B.F.,

H.S.L.

in the presence of his wife and family and CPL. JARVIS. The following day, we returned to our Platoon. Upon arrival there I gave 21,000 B.F. to ~~Sgt.~~ Pte. MORROW. N.B.C. of No. 10 Section, for the stuff they had on the truck, and I gave 104,000 B.F. to Sgt. HYDE. Sgt. HYDE then gave me 20,000 B.F. for myself and 4,000 B.F. for CPL. JARVIS, which I gave to him.
This sale took place on a Sunday and must have been the 10th Dec 44.
The following Friday or Saturday, 14th or 15th Dec 44, Sgt. LAWSON asked me if I wanted to drive the buckshee vehicle again and I agreed. As well as I can remember, the following buckshee rations were loaded on my truck: 17 cases cheese, 1 bag sugar (80 lbs) 1 case coffee, 1 case jam, 1 case chocolate. Sgt. LAWSON and I had purchased 8 cases of cheese, out of the 17 cases; PTE. EDGEWORTHY had 9 cases of cheese, 1 case of jam and 1 case of coffee. PTE. LAFOND had the case of chocolate. I don't remember who had the bag of sugar. I took this load to MASSMAN and there met a civilian, whom I had seen before and knew that he was safe to sell rations to. I knew him by the name of "August" and could identify him again. I believe I could find his house in MASSMAN, where we unloaded the rations.

N.B.C.

He paid me 69,100 B.F. for this load. When I returned to the Platoon, I gave PTE. EDGEWORTHY 36,000 B.F., for the rations he had on the truck, PTE. LAFOND received 3,500 B.F. for his share, and Sgt. LAWSON and myself shared the remainder equally. When I gave Sgt. LAWSON his money Sgt. HYDE was present.

This is all the dealings I have had, concerning the disposal of rations or any other Government property. I have spent the money I received in these transactions by gambling, and in Cafes.

"On Sunday, I think the 10 Dec. 44, in the morning before going out on details, Sgt. Hyde came to me in the Courtyard at our Quarters and asked me if I wanted to drive the Breakdee Lorry that day. He told me that he had arranged to take out a breakdee load; I wanted to go to see my girl-friend anyway and I agreed. Sgt. Hyde rode with me, as near as I can remember.

On arrival at B.S.D., Sgt. Hyde got out and a little later came to me and instructed me to back in to a certain shed. I remained in the cab. I knew there was stuff being loaded on the truck, and then a checker came up and guided me to another shed. Then Sgt. Hyde told me to go out and join the convoy and any others who had stuff to put on my load could do so. Sgt. Hyde rode with me in the cab as far as Watterens, where he got off at a house there which I know. Before he left Gl. Jarvis, who we had picked up at billets, got into the cab with me. Sgt. Hyde told us to pick him up there at 0400 hrs. next morning. We continued to Marsemen, stopped at Cafe Stoop and

Statement of: Ste. Le Cerf, A.G. Continued —

While I was in the Cafe, Lieut. Kelligan came up and was speaking to Cpl. Jarvis when I came out. We went to Alost to look for a couple of men who were A.W.L. Then we returned to Wetteren where Cpl. Jarvis went into the house where Sgt. Hyde had first got out of the lorry. That night Cpl. Jarvis and I slept at Cafe Shrop and next morning at about 0400 hrs., we stopped in Wetteren to pick up Sgt. Hyde.

When he came out to the lorry he asked us how we had made out and we said "O.K." He got into the cab and we returned to Platoon billets. After returning from details that afternoon, I was talking in his room with Cpl. Jarvis, and had the money received for the load of rations in the inside of my tunic. Sgt. Hyde came in and said he wanted to see me and I went with him, across the road to his billet, where I paid him the money for the load of his goods we had disposed of the day before. Most of the money, 104,000 francs, was in bundles. I was with him quite some time, and then at once returned to the room with Cpl. Jarvis, where I gave him the 4000 francs Sgt. Hyde had given me for him.

I have read this statement and it is true.

E - 3 STATEMENT IN MITIGATION in the Case of M-103306
Pte H.G. Le Cerf 35 Cdn Army Tps Comp Coy RCASC

We have before us a charge sheet that looks mighty bad but when you analyze it you see that it breaks down into 4 charges, 3 of them theft and 1 of them for improper dealings with rations.

I would like to say that throughout the entire history of this platoon that up to until approximately November 44 it was no crime prevalent among the personnel of any account. There was the ordinary scrounging of rations but only in isolated cases. After the turn-over of officer and NCOs a wholesale flogging of rations commenced. This was done I suggest by the sgts who were in control of these men. They did it, they arranged for and laid on a buckshee lorry and had various cases transferred from the loads to this buckshee lorry and taken to places of disposal. You have heard in the evidence that the accused LeCerf was asked on 2 occasions if he would drive the buckshee lorry. The reason given was that he could go down and see his girl friend, who was at Wetteren, and in that lorry the Sgt and other privates under the instructions of the sgt put certain stolen rations, knowing them to have been stolen--certainly with the sure knowledge of the sgt at any rate as he received the greater portion of the money.

This young fellow, 23 years of age, has a clean record and was on Aug 6 given his first good conduct stripe. Yet he appears before you on some serious, very serious charges. I seriously suggest to you that the good conduct of the accused up to November last year and then from November to January of this year his going to pieces so badly is quite consistent with the character of the soldier before you. It is not in him to go to pieces to this extent himself but he was driven by someone else and the only one who could do this is some superior rank. I suggest that in this failing of his there was the tacit consent of the officer and the direct order of the sgt of the platoon. There is no other way to get rations except in very small quantities, asking for a tin here or a tin there. He could not get the amount he was charged with. While at law he is guilty of the offences of which he pleaded guilty as he knew what was on his lorry still in fairness to himself, in fairness to the accused and his good conduct I suggest he should be dealt with leniently and not given a heavy sentence. It is his first offence and I would ask you seriously to consider giving him as light a sentence as possible. We do not want to make a criminal out of him. He has seen the error of his ways and I do not think you will ever get him into the position again where he would touch one can of milk.

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

Q. Did you know about the church parade?
A. Yes, SIR.

Q. Did you know at what time the church parade was?

A. Ten men.

Q. Were they RCs or Protestants?

Private LECHOW, J. No. 6 CITR

FIRST WITNESS

A.8618 CSM WARD, R.W., "C" Coy, 11 Trg Bn, 6 CITR, sworn, states:-

On this day, 4 Feb 45, as CSM "C" Coy, 11 Bn, 6 CITR, I called out the Protestant Church Parade; on returning from there, before dismissal of that parade, I called the roll of that parade; and by the time I had finished that, the RC Parade was being formed up, as their time was later than the Protestant Church Parade. I called out the RCs on completion of the Protestant parade, which was at approximately 1030. I had a roll call of that parade. Having a roll-call of the two parades, I checked it with the nominal rolls in the coy office and found the accused absent along with some others. After checking the nominal rolls that I had in the coy office, I proceeded to the huts to see if I could find these missing personnel. I found the accused in his hut, sitting beside the fire. I asked him his name and he told me. I asked him why he was not on church parade and the only answer I got was that he did not know.

Q. Was the time of the church parade published in orders?
A. Yes, Sir.

Q. How?

A. Bn Pt I Orders were posted in the coy, dated Feb 3.

Q. Is this the order? (Showing the order marked EX "A")
A. Yes, Sir.

Q. Where was that posted in relation to the location of your coy?
A. That was posted on "C" Coy orderly board, outside the "C" COY Orderly Rm.

Q. At what time was that order posted there?
A. It was posted in the afternoon, Sir. I had made out Coy Orders to the effect of the church parade and, not knowing the times on account of Bn Orders not being out, I made Coy Orders and stated that the times would be announced later but that both parades would be compulsory. The Bn Orders were posted later in the afternoon.

CROSS-EXAMINED

Q. Did an NCO call the parade in the hut?
A. I went around each hut myself, Sir.

Q. When?
A. I went with the Protestant Church Parade which was at approximately 0835 hrs and after my return from there, Cpl Potvin and I rounded up the RC Parade at approximately 1000. I called out the Protestant Parade but I did not call out the RC Parade, Cpl Potvin did.

Q. Do you know if Cpl Potvin went to the hut of the accused?
A. I cannot swear to that, Sir. Personnel from the same hut who were RCs were out on that parade.

QUESTIONS BY THE PRESIDENT

Q. At what time did the RC personnel go on that parade?
A. About 1000, Sir.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RO 83 (B).

SECOND WITNESS

Lt J.D. DUERR, "C" COY, 11 TRG BN, 8 CITR, sworn, states:-

On the 4 Feb 45, the Sun in question, I was Offr IC RC Parade for "C" Coy, and the NCO IC Parade turned over the parade to me. It was approximately 1035, the parade moved off and at approximately 1120 the church parade was dismissed.

CROSS-EXAMINED

Q. How long did it take the parade to form up?
A. I cannot exactly say, Sir. The NCO was starting to call the roll when I got there at 1030.

Q. You were there at1030 and the NCO was calling the roll at 1030?
A. Yes Sir.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RO83(B).

DEF OPEN

According to the Pt I Order, the parade was called for 1045. The evidence given by Lt Duerr is that the parade moved off at 1035. Therefore, even if the accused had been on parade in accordance with the order, he still would have been late. The charge is ~~AWL~~ from 1030 hrs. The Pt I Order is for 1045. The accused was put under close at 1035. He was not AWL as charged. He was ready and waiting to go on Parade in accordance with the order.

PROSECUTION

The accused has stated that he did not go back to the orderboard to find out the time and the order states that the parade will be at 1040 and he, having been in the camp the for some, should have realized the fact that personnel warned for a parade should go out on parade in good time before the parade is called out and he made no effort to find out the time of the parade. He should have known that he had to fall on the coy parade before the parade "steady". He expected this parade to be at 1030 hrs. If he had been sitting in his hut, he would have known that most of the personnel from that buthad gone on parade. We have evidence that a parade was formed up on the parade ground and that the roll was being called and he would be quite able to hear that through the walls of his flimsy hut.

D-5 The accused, sworn, states:-

After ten o'clock, I went to the toilet. I came back around 1030 to the hut and I sat by the fire. There was about ten men around the stove and I was waiting for this NCO to call the church parade, and instead of that, the CO came in and asked me why I was not on church parade. I told him "I didn't know".

Q. Why did you say that?
A. He caught me by surprise and I just told him "I didn't know". He turned around, walked away and said, "You'll be up on orders.

Q. Were the other personnel in the hut Protestants or R.C.'s?
A. I don't know.

Q. Was the Protestant parade back?
A. I don't know, it could have been.

Q. Did you think that all these men in the hut were waiting for the RC Parade?
A. That's right.

Q. What were you waiting for?
A. For the NCO to call up the boys to go on my RC Parade.

Q. Did you intend to go on the RC Parade?
A. Yes, Sir.

Q. How were you dressed?
A. I had my anklets and boots on but no tunic.

Q. Why was your tunic off?
A. I was sitting by the fire, Sir.

CROSS-EXAMINED

Q. When you came back from the latrine did you speak to the other men in the hut?
A. We were just talking around. We were talking about the war news and all that.

Q. Did you know if those men intended to go on church parade?
A. Most of them had their tunics on and some didn't.

Q. Did the CSM speak to any of them?
A. He asked everybody their names.

Q. WHAT happened to theothers?
A. One or two missed the Protestant Church Parade.

CROSS-EXAMINED BY THE COURT

Q. How long had you been in this hut?
A. We moved in there the day before, Sir.

Q. When did you come to this camp?
A. I came to this camp in "D" Coy, two weeks before.

Q. Had you been on church parade in this coy before?
A. No, SIR.

Q. How many were sleeping in your hut?
A. About 18.

Q. How many were in the hut?
A. Around ten.

Q. At what time did you get back from the toilet?
A. 1030, pardon, 1080.

Q. ARE there any place where you can read the orders at night?
A. Yes, SIR.

Q. Whereabout did you live from the "C" Coy.Orderly Rm?
A. About fifty yards, Sir.

Q. There would be no other reason to go there but to see the orders?
A. That's right, SIR. — (can contd next sheet)

It's muddy around there.

Q. Did you know there was a church parade on Sun morning?
A. The first order said that the time would be posted later and I figured it would be around 1030 and I was waiting for the NCO to call the boys on parade.

IN THE OPINION OF THE COURT IT IS NOT NECESSARY TO COMPLY WITH RP83(B).

STATEMENT BY THE PROSECUTION ON THE FINDING

All I have to say is that this man knew there was a church parade and he did not make any effort to find out the time. The SM has stated that parade was called out at approximately 1030 hrs and after this the SM found him at 1055 hrs. It would seem that the accused was not in hut between 1030 and 1030 hrs and that's the time that the parade was called out. If he was not in his hut between the hrs of 1030 and 1030, he would have to walk from the ablution rm to his hut and at that time the parade was on the parade ground and would be quite capable of seeing there was a parade and would know he was late.

STATEMENT BY THE DEFENCE COUNSEL ON THE FINDING

Sir, there is no evidence as to when that parade was called in the hut or that he called it at all. We are just assuming that the parade was called in the hut and the accused was waiting in the hut for the parade to be called.

A.SGLSMYTHE WARD, R.N., "C" Coy, 11 Trg Sn, 6 CITR, recalled for further evidence, by the prosecutor, and states:-

Prosecutor leaving retired Rooms of the Court.

Q. You stated that when you went to the hut where the accused was that there were some RC personnel around the stove.
A. I stated that there were personnel but I didn't know if there were RCs there.

Q. How many RCs were there quartered in this hut?
A. I couldn't say, Sir, I know there were some. I didn't check the men as to what religion they belonged. These men in this hut were all new, having come to us from another coy the day before. On Sat morning some of them came to "C" Coy; they were all new and I didn't know what religion they were, Protestant or RC, so when I went to call them out for church parade, this one and that one would tell me they were RC. I said nothing to that as their parade was later. THAT is the reason for the two rolls, Sir.

Q. Were there RC personnel from this hut on parade?
A. I couldn't say, Sir.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B).

SUMMARY OF EVIDENCE

The Commanding Officer directs that the evidence be taken on oath.

FIRST WITNESS

A.82122 CSM WARD, R. W., "C" Coy, 11 Trg Bn, 6 Cdn Inf Trg Regt, having been duly sworn, states:

"I am, A.82122 CSM WARD, R.W., CSM of "C" Coy, 11 Trg Bn, 6 Cdn Inf Trg Regt. After Protestant Church Parade's roll call at approximately 1030 hrs on Sunday 4th February 1945, the R.C. Church Parade was formed up and I went to check that roll call and found this man absent from the parade. After checking the R.C. nominal roll, I checked both parade nominal rolls with nominal roll in Coy office to find the missing personnel. After having found names of personnel, I went to the huts to locate the people themselves and I found Private Lechow in his hut, sitting around the fire at approximately 1055 hrs. The R.C. Church Parade had moved off before I checked. I asked him his name first and he told me his name was Pte. Lechow. Then I asked him why he was not on church parade and he said he did not know why he was not on Church Parade. I submit Bn Part I Order #13 dated 3 Feb 45 marked as Exhibit "A".

The accused declined to cross-examine the witness.

Closing Address - Prosecution D-6 (-14)

The evidence that has been submitted is limited to prove nothing more nor less than improper procurement.

The missing articles produced as Exhibit "A" ~~have~~ ~~been~~ disappeared from the parcel of the dinner at a time when the billet was empty - the boy being on both parade ~~and~~ and the dinner himself being away at the Officers Mess (~~Evidence produced by the prosecution intrinsic and evidence given by the accused show him to be the only one in the billet during the interval between the boy leaving for both parade and the returning up of Pte McCallum to the room where he left his parcels.~~) - ~~to~~ Further evidence produced by Cpl. [illegible]

Further evidence produced by Cpl. [illegible] Mc Carrigan states that he saw the accused with the socks, and remember that this witness identified under oath, Exhibit "A" as being the same socks. ~~Lastly~~ Finally, during the actual

inspection of ② the bed-roll of the accused the socks were found by an inspecting officer and serjeant. The serjeant claims only one inspection of the bed-roll of the accused, at which time the socks were found.

The accused does not claim ownership, but the socks were discovered in his bedroll. Pte. Mc Callum does claim ownership of these socks. Therefore the accused must have been in improper possession of these socks. Such is the charge, and I am convinced the evidence proves it.

Closing address for the Defence. (17) D-6 (cont'd)

The case for the prosecution is based on the statement of the 2nd witness that he saw the accused actually with Exhibit "A" in his hands, and supported by the fact that Exhibit A was found under the palliasse of the accused.

The evidence of the second witness is not in any way reliable, because it is at variance with other evidence before the Court, and if the witness did make a mistake in the date, why did he state that he reported the matter to Sgt Hackett in the morning, while Sgt Hackett definitely states that it was in the afternoon. If a witness cannot even remember the time of day how can he definitely identify socks; which, if his evidence has any truth in it, he could have only had a short glimpse of

The fact that the socks were found in the bedding of the accused shows possession, but certainly does not imply improper possession, particularly when they were not found on the first search. Is it logical to assume that, after being told that the socks were the object of the search, the accused wanted hide them under his mattress.

(15)

D-6 (cont'd)

The prosecution has not been able to prove that the accused had any knowledge of the socks before they were found and I therefore ask that he be acquitted

---

The first witness states that he was at the Officers mess 3/4 of an hour, returning at 1330 hrs 22 Dec 43 therefore he left his quarters before 1300 when the Coy went on bath parade. In this case more person than the accused had access to the parcels

Statement in mitigation of punishment (16) E 3

The accused has been serving in the Army since 28 June 1940, and during that time has only committed two offences which are shown on his Conduct Sheet; one for a short period absent Without Leave, and the other a charge under A.A. Sec 40 which was not in any way similar to the ~~charge~~ offence he is now charged with.

There are two other entries on his conduct sheet - gallant conduct on 24 Sep 42 and award of B.E.M. on 1 Jan 43. I ask the court take this N.C.O's record into consideration when awarding punishment.

Summary of evidence in the case of H40979 A/L/Cpl LeClair J., 1st Battalion, Royal Winnipeg Rifles, a soldier of the Canadian Army Overseas.

By direction of the Commanding Officer the summary of evidence is taken on oath.

1st Witness for the Prosecution

H70143 Sgt Hackett J.A., Royal Winnipeg Rifles, having been duly sworn, states:

"On the 23 Dec 43 a number of thefts were reported to me by Cpl Lelonde of 18 platoon. Immediately after that, Rfn McCallum W.J., came to see me about a Christmas parcel he possessed and which he had opened in Ancona billet which is 17 and 18 Platoon billet. He reported to me that he was missing four pair of socks, one pair being a much lighter colour than the others. He was also missing a parcel containing a fruit cake in a blue coffee can and a half pound box of chocolates, with a picture on the lid of the box showing a lady with a big red hat. I immediately reported this to Capt Fulton, my Company Commander, who instructed Lt Kirkpatrick and myself to inspect the kits of 17 Platoon where Rfn McCallum was sleeping. We found nothing in the actual kits, but on inspecting the bed rolls, we discovered four pair of socks in A/L/Cpl LeClair's bed roll. On seeing the socks, I noticed one light coloured pair in particular that Rfn McCallum had described to me as one of the pairs that was missing. I asked A/L/Cpl LeClair if I could have his permission to take the socks to the Orderly Room, which he granted. Immediately after that, I sent for Rfn MCCallum who identified the socks as being his. When we inspected the room in which Rfn McCallum slept, two of the men were on duty, so we came back at 1730 hrs to inspect their kits in which we found nothing. I received orders at approximately 1770 hrs to put the accused, whom I recognize, under close arrest."

Ques: "At what time did the inspection commence and how was it conducted?"

Ans: "At approximately 1630 hrs, Sir. First the men were instructed to turn out their kit bags, large and small packs, and also inspected personal parcels of the men who were there. We then came back at 1730 hrs to check the men who had not been there previously, and we also inspected everyone's bed roll, and at approximately 1740 hrs we came across the socks in the bed roll of the accused."

Cross-examined by the accused:

Ques: "On your first inspection of my bed, did you find anything?"

Ans: "Yes, the four pair of socks."

Ques: "Did Rfn McCallum sleep in the same room as myself at the time of the inspection?"

Ans: "No."

Ques: "Did the two Company Transport men who were on duty during the first inspection sleep in the same room as Rfn McCallum?"

Ans: "These two men sleep in the room where Rfn McCallum opened and left his parcels and equipment immediately after coming back from leave. Later on in the afternoon, Rfn McCallum moved over to the Officers' Mess."

"I am in 17 Platoon of "D" Company. I returned from leave at about 1145 hrs 22 Dec 43. I received my mail as soon as I arrived. This mail consisted of four parcels and some letters. I took the parcels up to the room in 17 Platoon billet where I had taken my equipment. I opened the parcels, then re-packed them and left them on the floor of the room. Then I went to the Officers' Mess. Three-quarters of an hour later, I returned to the billet and noticed one complete parcel missing. I checked the remaining parcels and discovered that four pair of socks and a box of chocolates were missing. Then I awaited the arrival of the remainder of the platoon who were on bath parade as two men who had returned off leave with me had also received parcels. I asked them if they were missing anything. They replied, "No." I reported my loss to Sgt Hackett. At approximately 1630 hrs I moved all my kit over to the Officers' Mess where I work."

Ques: "Who were these two men who came back off leave with you?"
Ans: "Rfn Roy and Rfn Belliveau, Sir."

Ques: "Did they sleep in the room where you deposited your parcels?"
Ans: "Yes, Sir. They moved into that room after coming off leave."

Ans: "No."

Ques: "Did you at any time put your parcels or kit in the room where I sleep?"
Ans: "No."

Ques: "To your knowledge, do two Company Transport sleep in the room where you left your parcels?"
Ans: "To my knowledge, No."

D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

RECORDED EVIDENCE OF PROCEEDINGS

FIRST WITNESS FOR PROSECUTION

Capt J.L. Straith OC 94 LAD sworn states:

At 2020 hrs of 11 Feb 45 I was working in the LAD office when I heard a sharp sound outside the office door. I sent the two men who were present with me to investigate and I followed them, outside I found the accused whom I recognize, sprawled on the cement driveway app 20' from the office door, the accused mumbled something about being shot so he was taken into the office where Cpl Butler and I exposed his wound, Signn Dumont was desp to the MO for assistance and Cpl Butler was sent for hot water. The MO arrived a short time later and after dressing the wound had the accused removed to the CCS for attention. I did not hear any shots before the bang on the office door. I am the accused sec officer. The accused had mentioned to me that he had troubles at home. The difficulties of the accused were mentioned to our padre for action.

Cross examined.

So far as I know no action was taken by the padre. The accused reported his troubles to me in Jan 45

The Court

I questioned the accused after his injury but I could not get any information.

RP 83(b) complied with.

SECOND WITNESS FOR THE PROSECUTION

B-394 Signn Dumont, M.L. att 94 LAD sworn states:-

On 11 Feb I was on guard duty with the accused whom I recognise and the accused went out to make a tour of duty and I stayed in the office writing a letter, and some time after I heard a noise and on investigation I found the accused lying on the cement outside and his first words to me were "someone took a shot at me", by that time Capt Straith and Cpl Butler were there. I was sent for the MO Ireturned to the office and then went for an ambulance. The accused was carrying a rifle when he went on duty. When I found him on the cement outsidethe office the rifle was on the ground in front of him. I do not know whose rifle it was.

No Cross Examination

The Court

The accused had a flash lite also. The accused was carrying the flashlite in his hand. I took the flashlite from the accused and used it to see where the blood was and the lite was working alright. I did not examine the rifle. The guard duty was a roving piquette. Only one was on duty at a time. It was sometime before 2000 hrs when the accused went on duty. The accused words were "Someone took a shot at me".

THIRD WITNESS FOR THE PROSECUTION

L-53106 Cpl BUTLER, T.E. 94 LAD sworn states:-

On 11 Feb 45 I was i/c of the guard and shortly before 2000 hrs the accused went out on his tour of duty leaving Capt Straith, Signn Dumont and myself in the ~~office~~ office. I recognise the accused, at app 2020 hrs I heard a noise I rushed outside with Capt Straith and Dumont and I found the accused lying on the cement half way between the office and the entrance to the shop. The accused was carried into the office, Capt Straith phoned for the MO while I looked at the accused leg. I found the wound on the underside of the left leg. It was not bleeding to much I got some hot water, I ordered a check of the area, the accused wound was washed and dressed.

D.3 The MO arrived. The accused left in an ambulance. I personally checked the area. I found a pool of blood where I had found the accused outside the office door. I saw another pool of blood outside the Wkshop, and a third pool inside of wkshop. App 2 hrs later an investigator from the Provost arrived. I checked with other guards in the immediate vicinity as to whether shots had been fired that night.

Cross examined

I have known the accused over a year. At no time has the accused said anything to me to show that he was fed up and wanted to get home.

The Court

The accused had a rifle on guard that night. I examined the rifle after the incident, the rifle was brought into the office immediately after me - found him outside the office, I assumed that the rifle I examined was the rifle carried by the accused, the rifle had not been fired, the barrel was clean, there was one round in the mag and none in the breach. I did not examine the mechanism of the rifle. Some of the men are issued with stens. The accused is armed with a rifle.

RP 83(b) complied with.

FOURTH WITNESS FOR THE PROSECUTION

Capt T P LEADMAN, MO Main HQ 2 Cdn Corps sworn states:-

At app 2030 hrs 11 Feb 45 I was called to 94 LAD to see a man, the accused whom I recognize, who was wounded, on the posterior surface of his left leg. The wound was small, appeared to be a graze or slight cut and there was no evidence of any bleeding at the time of my examination, the accused's gen condition was good physically, but it was difficult to communicate with him. I am unable to explain his mental condition by the seriousness of the wound, good strong steady pulse and good colour. I put a fresh dressing on the wound and sent the man to 6 Cdn CCS. I did not see any powder burns or blast marks on the wound. The accused was lying down and when shaken he would groan. His eyes were closed and he would not answer any questions.

Cross examined

I do not know if morphine had been adm to the accused before my exam or not.

The Court.

I did not get a statement from the accused. The wound could have been made by a bullet.

RP 83(b) complied with.

FIFTH WITNESS FOR PROSECUTION

B-21172 Sgt FROST, J.R. No.1 SIS 1st Cdn Army att 2 Cdn Corps sworn states:/

On 11 Feb 45 I was called to 94 LAD to make inquiries with ref to a shooting which had taken place there a short time previous. The victim had been removed to the hospital. A search at the scene where the shooting had obviously taken place revealed a large pool of blood beside a right front wheel of a 60 cwt, a spot of blood in front of the veh in a shed, a spent 9mm cartridge, on a pile of lumber in front of the veh and a sten gun #1790010 behind a pile of lumber about 10' from the same veh. At app 0100, 12 Feb 45 I interviewed the accused whom I recognize with ref to his being shot at which time he made and signed a voluntary statement after being duly cautioned.

I cautioned the accused that he need not say anything unless he wished to but whatever he said would be taken down in writing and may be used against him.

The accused signed the caution in 6 Cdn CCS when I interviewed him.

The accused appeared to understand the caution.

With permission of the Ward MO at 6 CCS, I interviewed the accused and he appeared to me to be mentally fit to make a statement.

There were no threats or inducements before the accused make his statement. The accused was not under arrest at the time. I produce the original statement mentioned in my evidence and I recognise the accuseds signature and the statement is in my hand writing. I read the statement to the accused before it was signed. Other than the top corners of the sheets being torn when I removed the sheets from my note book the statement consisting of two sheets are in the same condition as when signed by the accused.

I produce the torn corners for att to the statements.

The Ward MO was present for the early part of my interview with the accused and the Ward NCO was present thu-out the interview.

They werepresent in the course of their ordinary duties with the accused and other patients in the room.

The Defence declines to cross-examine the witness on the taking of the statement. I conversed with the accused before the statement was made.

Before the statement was made I identified myself to the accused and asked him if he could tell me in detail what had happened when he was shot, the accused explained his movements but as they did not coincide with the evidence that I found at the scene I immediately cautioned him and he then made the produced statement.

* Statement is read to the Court.

* I produce to the Court a sten gun #1700l0 which is the sten I found and mentioned previously in my evidence. I examined the sten and from my examination I would say the weapon had been recently fired. I did not find a mag. The weapon was in my possession up until the time of investigation and taking of statements by the accuseds unit.

No Cross examination.

RP 83(b) complied with.

Statement produced marked Ex "A" and initialled by Pres. Sten Gun produced Marked Ex "B" and initialled by Pres.

D.6 Capt J.T Strudwick 94 LAD sworn states:-

I have known the accused since 21 Dec 44. In the time that I have known him I found his work extremely good his bearing and manner that of a good soldier and I have been reasonable pleased with his efforts I have however found that the accused is of a nervous temperment and made a note to that effect in the War Diary of my Det in Jan 45. His nervousness did not effect his work in any way and I credited him with good sence in being able to over come that condition. The accused is single and the accused told me in Jan that he was in some difficulties with a girl at home, in Canada, He was endeavouring to make an assignment of money but the mother of the girl or his mother wanted the assignment payable to her whereas the accused wanted the assignment payable to the child. The accused was sep as the LAD M/C Mechanic.

RP 83(b) complied with.

"E S Graham" President.

D.6 SUMMING UP BY PROSECUTION

To sum up, I believe that the accused is guilty of the Charge he is being tried on. The defence has been based on whether or not the shot was accidental, done willfully and if done with intent. I believe the prosecution has proved these points. By his own statement, the accused has said that he did himself pull the t trigger. He has said that he wilfully put a bullet in the gun and subsequently shot himself. I believe that intent to inflict a wound upon himself may be inferred from the accused's actions immediately prior to the shooting. Therefore the prosecution claims that the accused did, in fact, inflict a wound upon Himself.

"E S Graham" Capt

SUMMING UP BY THE DEFENCE

In the face of the statement made by the accused there is no doubt that the accused actually did pick up and load a sten gun and wound himself. The Prosecution has presented no evidence in proof of a wilful premeditation or planning of this act. I submit that the act was committed on the spur of the moment as a direct result of the opportune time and place co-inciding with a peak of mental disturbance resulting from a rather serious problem. The accused's sec offr has stated that the accused has been a well behaved and hard working soldier. On these grounds I ask that the more serious charge should not be considered.

"H K Clay" Capt
Sigs 2 Cdn Corps

STATEMENT IN MITIGATION OF PUNISHMENT

On mitigation of punishment I wish to point out some of the circumstances of the accused(s personal difficulties.

In 1940 accused joined the Army and about the same started going with a girl. He went with the same girl for about two yrs. During this time he had only two minor punishments recorded on his AFW 6.

On Aug 43 accused was warned for draft overseas at this time the girl was just about to have a baby and accused went absent to see her through that period.

Shortly after the baby was born accused re-enlisted under an assumed name and proceeded overseas havin promised to marry the girl on his return and in the meantime promised to make an assignment of pay to cafe for the child. He also asked the girl not to tell his step-mother about the child.

Shortly afte arriving overseas accused paraded to his CO and told him about his signing on under an assumed name. He was charged for fraudulent enlistment and punishment was awarded.

This was the last entry on his AFW 6 which has not been clear for over a yr and a half.

Recently accused has been dogged by word of his step-mother causing trouble back home and trying to get the money which he has assigned for the care of the child.

Accused's sec offr has stated that accused has been a very good conscientious soldier during the time he has known him.

It is requested that these factors be given consideration in the punishment to be awarded by the Court.

STATEMENT BY D-46[illegible] Cfn Leclair, J.N., 94 CDN L.A.B. REF WOUND SUSTAINED BY HIM THE NIGHT 11th FEB 45, DULY SWORN, STATES:

I have been warned that I am not obliged to say anything unless I wish to do so but that whatever I say will be taken down in writing and may be given in evidence.

"Noel Leclair"

I am D-46[illegible] Cfn Leclair, J.N. of 94 LAD. I was on guard duty at 1800 hrs on 11 Feb 45. I have had personal trouble at home. This has been bothering me for the last three days. I was outside doing my patrol of LAD area. I went out to the back gate opposite the windmill and from there into the shop and went in front of my vehicle. I picked up a Sten gun and held it in my right hand. I was thinking for a couple of minutes all about my personal trouble. I was kind of fed up. I was sitting on the bumper of my truck and the muzzle of the gun was pointing towards my left knee. I didn't want to pull the trigger because my mind was so busy, and that the trigger was pulled so fast by my right hand that I didn't know it had happened. I climbed the woodpile and I threw the gun behind the woodpile against the wall. And then I walked about five feet. Then I sat on the cement for about half a minute and from there I got up and using my rifle as a crutch and befor coming out of the shop I picked up an iron bar so I could use it as a signal by throwing it at the door of the office because I knew I was too weak to be able to walk right up to the office. About five yards from the office door I fell on the ground and threw the bar at the door of the office and Cfn Dumont came out and I told him to come out as I was wounded. He went in and got Capt Straith and Cpl Butler. They came out and picked me up and brought me inside the office. From there I went to sleep and the only time I woke up was in the ambulance. The Cpl from the RAP was with me, the next thing I knew I was in the hospital.

PLEA OF MITIGATION

Sir:

May I respectively submit a few underlying facts leading up to and surrounding the case of the accused C 909 Gnr LeClair L.J.

Gnr LeClair having been with a unit in the field since his arrival in England in 1941, naturally through working with the same men for so long in getting to know them made numerous friends, was very content and doing a good job and his MFM 6 proves him to be of good character, then due to a bombing incident where he was on pass he was forced to overstay his leave for a few hours, while assisting, as any one would under the circumstances, those that were more unfortunate than he; on arrival back to his unit he was brought up on charge and due to the circumstances was unable to find witnesses to substantiate these facts; he was awarded, in his estimation, a most unfare and harsh punishment resulting in gunner LeClair being transferred to a reinforcement unit thereby leaving his friends and giving him a hopeless lookout on life.

He completed his basic training and passed his TOETs with a good report when life in general got the better of him and he felt something had to be done to rectify the hopeless situation. He now fully realizes the error of his ways and is willing to pay the penalty the court considers just under the circumstances so that he can get on with the job and make amends for his rash misdemeanour.

Thank you.

(A) At about 1800 hours, 11 October 40.

(Q) Who gave this information?

(A) Sapper Lapointe.

(Q) How was the information given?

(A) Sapper Lapointe said that he had not received mail and parcels he had expected and had evidence to show that mail was being tampered with. He told me that on 9th October he had been given a package of cigarettes by Sapper Dupuis, who had been driving the ration truck that day. I found that Sapper Dupuis had been detailed to drive the ration truck on the 9th October. On Saturday, the 12th October, Spr. Dupuis, after coming off guard, came to me and said that while he was driving the

ration truck on the 9th October, the accused asked him to stop, went to the back of the truck and brought back a parcel of cigarettes. He said that the accused gave him 150 cigarettes, advising him to keep his mouth shut and everything would be all right. I reported this to the Company Commander. On the 14th October I told the C.Q.M.S., who was proceeding with the ration truck, to take Spr. He did so and brought back portions of wrappings of a cigarette parcel, showing it to be addressed to Spr. Borland.

(A) Yes.

(Q) Did you and the accused pick up mail for the 1st Corps Field Survey Coy. at the ration dumps?
(A) Yes.

(Q) Will you explain what happened during the journey back to the Barracks of 1st Corps Field Survey Coy.?
(A) After we left the ration dumps the accused told me that I could get 150 cigarettes if I kept my mouth shut. I stopped the truck between Leatherhead and Cobham, and the accused got out and went to the back of the truck. I also got out and went to the back of the truck, where the accused was standing with a parcel in his hands. He opened the parcel and gave me the cigarettes, which it contained, to put in the side compartment of the truck. After delivery of the rations I parked the truck in the usual place. The accused then divided the cigarettes between us. Two days later I reported this to the C.S.M.

(Q) Did you drive the ration truck on the 14th October with C.Q.M.S. Bartlett?
(A) Yes.

(Q) Were you asked to search for the wrappings of a parcel opened by the accused on the Leatherhead road on the 9th October?
(A) Yes.

(Q) Did you find the wrappings?

(Q) Do you recognize these wrappings (Exhibit "A") as the ones picked up by yourself and handed to C.Q.M.S. Bartlett on the 14th October 1940?
(A) Yes.

(Q) Do you recognize these wrappings as the ones opened by the accused on the 9th October?
(A) No.

MEDICAL OFFICER'S CERTIFICATE

K.R. (CAN) Para 557

6 Oct 194

I hereby certify that I have this morning examined No H 77.2.M

Pte. Leclair R on strength 4 Cdn

Rft Bn, 1 C B R Gp, and in my opinion he is FIT/~~UNFIT~~ to undergo

trial by Court Martial

H. Esler Capt

Medical Officer 4 Cdn Rft Bn.

Plea in Mitigation & Sentence of
H 77211, Pte. Leclair, R.

I submit to the Court the following information concerning the circumstances surrounding Pte Leclair, R's absence.

At the time immediately preceding the beginning of the events, the accused was attached to "A Bty," which unit the accused was a member, was in the staging area near Barletta. The evening following the arrival of the unit at the staging area, permission was granted for a visit to the town of Barletta. The unit was under the observation Pte. Leclair remained at the staging area with the following morning. more particularly that the others had not yet left the staging area until the following morning.

I submit also for the consideration of the accused at this time & On his subsequent absence, in deciding the sentence to be imposed.

Pte Leclair, then returned to the staging area and found it sealed. He then went to the dock and learned that the ship on which the unit had boarded had sailed. He inquired about the possibility of getting on the ship likely to go to Ancona. There was none and no reasonable expectation that there would be one in the immediate future. He then turned to the highway and proceeded to hitch hike his way northward. May I call attention to the duration of the accused's absence. Northward, through northward. Toward the front. Toward his Regiment. Toward the destination of the unit he had inadvertently lost.

I bring the attention of the court respectfully to the evidence adduced in the case under consideration. He voluntarily surrendered at Foggia, nearly week to the day of the

LHQ

place where he had lost contact with his
ship.

I am keenly convinced that these facts
are of great importance in this case. So many charges
of absence without leave are mere compromise on
token suspicion of desertion. Every attempt to accuse
in this case is surely contributory to any such
suspicion. By case words - culpable carelessness, if the
Court so prefer to find it - he lost contact
with his ship. But I submit that his conduct
upon to inform the draft authorities that he is
entering the service of the United States
entering in the punishment decided on him.

Relative to one item in the Court's sheet of
the accused should like to point out that the
manner in which he was treated following the commission
of the offense indicates the opinion of his commanding
officer concerning the culpability of the accused. The accused
was not placed in custody although he had been warned
that he was to be court martialed. Under the
circumstances in that instance the accused is carrying on
in a orderly manner giving both the enlisted personnel
passing the FGCM - must have had numerous
opportunities to absent himself. But the obvious confidence
of his commanding officer was not misplaced. Despite
opportunity, certainly in the face of provisions not
easily ignored, the accused made no move to evade
his duty.

With these facts for its consideration, the
Court is respectfully requested to be lenient in fixing
the punishment to be meted out to the accused.

PLEA OF MITIGATION FOR H.15161 PTE LeCLAIRE, A.

Exhibit E/3

Pte LeClaire's record shows that his greatest lapse since Sept 1939, with one exception - was one day's AWOL.

His sheet has been clean for over a year now.

During this past year LeClaire served on the continent, and when he returned on a repatriation draft, he received a letter from his wife, stating she was having a baby by another man. This news so upset him that he knew he was in no mental condition to face his wife until he could again think clearly. Consequently he found a job until he regained his mental equilibrium.

Last month LeClaire received another letter from his wife - (letter offered as evidence) - saying she had had the baby adopted, pleaded for his forgiveness, and told him how terribly she needed him now.

LeClaire has completely forgiven his wife and has a great desire to return to her and straighten things out.

In mitigation I would plead that LeClaire was AWOL while under a great mental strain - the result of a domestic tragedy - and that he now is as anxious as his wife to make a fresh start together.

Sir,

At Aldershot on the 28th Sept 43 at about 01.40hours I was on duty in Hospital Hill where I saw the above named soldier. I asked him to produce his pass and he failed to do so. I then asked him for his M.B.1. and he also failed to produce same.

I pointed out the offences to him and he said "I have been away about a month and had my pay book stolen in London". I arrested and conducted him to No.3 C.I.R.U., Guard Detention Room at Salamanca Barks, and handed him over to the N.C.O. i/c to be detained. He was sober and properly dressed.

Q. 45 What is your position in the unit?
A. 45 I am a DR in the Recovery Section.

Q. 46 Will you tell the Court what happened on the evening of 10 July?
A. 46 The HUC was parked outside the transport office almost directly opposite the transport office. I took it out and drove it out of the yard sometime after 1800 hours. I drove it out of the camp where I picked up the accused and further down the road I picked up Cpl Moorehouse. We then went up to Thetford where we parked the vehicle and had some drinks. After the pub closed we drove the vehicle back to camp and turned around and drove towards London. When we got to London we parked the vehicle where it would not be noticed and all went their separate ways. I saw the accused once on Sunday the 11th Jul. I did not see him after that.

Q. 47 Did you see anyone at the orderly room which is directly across from where the HUC was?
A. 47 No, sir, I did not.

Q. 48 Where was the work ticket for the vehicle?
A. 48 On the transport office desk.

Q. 49 You took the work ticket?
A. 49 Yes, sir.

Q. 50 Did you park the vehicle from the time you took it, until you picked up the accused and Cpl Moorehouse?

In the opinion of the Court and the Judge Advocate it is not necessary to comply with R.P. 83(B).

The witness withdraws.

The Prosecution is closed.

At this time the Defending Officer submits that the evidence given for the prosecution has not established a prima facie case against the accused and he should, therefore, not be called upon for his defence and makes the following statement:

"I submit that there is no prima facie case as the two witnesses are at direct variance."

The Prosecuting Officer answers as follows:

"I would like to state that in as much as Pte Lingard is concerned, he is a neutral witness and the other witnesses are men who are involved in the case and that the testimony of Pte Lingard should be held in slightly better respect to the other accused. We have heard the testimony of all the accused and they have been at variance in small points with what they have said before and if they vary in certain details, they are liable to vary in different details as to who entered the vehicle in question whereas Pte Lingard has not varied in any way in his testimony and, inasmuch as he is the only witness of the case other than the three accused, the prosecution will have to rest on his testimony alone."

The Defending Officer replies as follows:

"I would like to repeat that the two witnesses are both prosecution witnesses and Pte Bartel certainly cannot be said to be gaining anything by saying he took the vehicle and ticket and the prosecution brought that out themselves. Their other witness states that the accused took the vehicle.

There is no proof that he took the vehicle and there is no case for the prosecution to say that because he took the vehicle that his word is not good."

The Court is closed to consider the submission.

The Court re-opens and announces that the submission has been disallowed.

The accused is informed that he may, if he wishes, give evidence but if he does so he will be liable to cross examination or that he may, if he wishes, make an unsworn statement upon which he cannot be cross examined.

Gwillorrison Captain
Judge Advocate

"X"

ADDRESS BY THE PROSECUTING OFFICER

I have no further summing up to make in addition to what I said in the answer to the Defending Officer on the motion that there was no prima facie case established.

"Y"

ADDRESS BY THE DEFENDING OFFICER

I would like to say that the accused has, as you know, entered a plea of guilty of being concerned in the improper use of this vehicle, but as to the first charge we have heard Pte Bartel admit that he took the work ticket and that he drove the vehicle himself out of the camp and that he then picked up the accused and Cpl Moore-house and went on from there. You have heard the accused say that he did not drive the vehicle nor did he have anything to do with the vehicle outside the camp.

There is some variance in the testimony and there appears to be some contention that there was some evidence that they planned to go to Thetford. Even if they had planned that, there is no evidence that he intended to take and use this vehicle but there has been no testimony given by the prosecution that he took the vehicle.

I submit that despite the evidence of Pte Lingard, and despite the fact that he may have gone in the vehicle on this expedition to Thetford, that the accused did not have any part in the taking of the vehicle and in view of there not being any proof that he took the vehicle, I submit that the charge should be dismissed.

ADDRESS BY THE JUDGE ADVOCATE

The first charge is laid under Sec 40 of the Army Act, with which I imagine you are quite familiar which states (reads), and this charge is laid under that section. Now it is the duty of the Court to determine whether or not the particulars alleged on that charge have been established by the prosecution beyond a reasonable doubt, that is that the accused at this time improperly and without authority took and used this vehicle. If you find that the evidence establishes this fact, you will then have to determine whether that action on his part constitutes conduct to the prejudice of both good order and military discipline.

You are both the judge and the jury in this case. First as jury you must decide whether the facts have been established and then whether they constitute conduct to the prejudice of both good order and military discipline.

The prosecution has called witnesses and there has been some variance between the evidence of certain witnesses. It is my duty to say that the prosecution is bound by its evidence and if the witnesses do not agree, it is its misfortune. It is your duty, if the witnesses do not agree, to give the benefit of the doubt to the accused. That is, if a certain witness swears to circumstances which are favourable to the accused and that witness has not been proved to be a hostile witness in any way which I recall is the case of Pte Bartel who gave evidence for the prosecution. The prosecution is bound by its evidence. You will have that in mind and will consider whether the accused improperly and without authority took this vehicle. One witness for the prosecution said he saw the accused drive the vehicle away, while Pte Bartel says he took the vehicle. Of course, I should tell you that the accused could possibly be found guilty of this charge even if he did not actually drive the vehicle because as you will see on page 107, para 16 of MML which states (reads). That, I think, gives you a fairly good idea as to who are parties to an offence although they actually did not take part in the actual commission of the offence.

You will have to consider here whether the accused on the evidence before the Court, was a party to the taking of this vehicle or whether he subsequently became involved in the improper and unauthorized use of this vehicle. In that connection it brings me to the second charge, alternative to the first. He has pleaded guilty to this second charge in the alternative and even although he has pleaded guilty, which he has a right to do, I want to refer you to R.P. 37 and particularly to note 2 (reads). In other words, you will have in mind that although the accused pleaded guilty to the second charge, that unless the evidence presented before you today, warrants that plea, you can find him not guilty even though he has pleaded guilty.

That is about all I have to say to you. You will have in mind that before you can find him guilty on the first charge, you must find he was a party to the taking and using the vehicle, whereas in the second charge it is necessary for the prosecution to prove he was concerned in the improper use at the time in question.

It is the duty of the prosecution to prove the accused guilty beyond a reasonable doubt and if you have any such doubt, you must resolve it in favour of the accused.

First Witness:-

B-53397 Pte. Lingard, R.A., 5 Cdn Armd Bde Workshop, sworn states:-

I was on 10 Jul 43 and am still a D.R. of the Recovery Section, 5 Cdn Armd Bde Workshop. I am well acquainted with D.96104 Pte Leclaire whom I recognize here as the accused and whom I have known for four months. At approximately 1845 hrs 10 Jul 43 I was in the NAAFI. Cpl. Moorehouse called me over and told me to go around to the guard and ask the guard if they had seen Cpl. Moorehouse. I was to tell him to tell Cpl. Moorehouse to make out a work ticket for the H.U. Computator. I went back to the NAAFI after doing as I had been told and I told Cpl. Moorehouse that I had seen the guard and had told them what he had instructed me to say. I went back to the Orderly Room and resumed my duties as Duty D.R. I came out of the Orderly Room shortly after 1900 hrs and Cpl. Moorehouse called me in to make out a work ticket for the H.U.C. I made the work ticket out for the H.U.C. and made the destination Thetford as ordered. I gave the work ticket back to Cpl. Moorehouse, he walked over to Pte LeClaire and started to talk to him. Pte LeClaire jumped in the H.U.C. and backed it out and headed towards the main east gate. Cpl. Moorehouse came and got the duty driver who took him up to the 8 NBH lines. On the way back I saw the H.U.C. parked on the left hand side of the road with no driver visible. The number of the H.U.C. for which I made out the work ticket was CZ4228330.

The accused declines to cross examine this witness.

Second Witness:-

M-28131 Sgt. Duffin, J.C.L., 5 Cdn Armd Bde Workshop, sworn states:-

I was on 10 Jul 43 and am still a Sgt. in Headquarters, 5 Cdn Armd Bde Workshop. I am well acquainted with D.96104 Pte Leclaire whom I recognize here as the accused and whom I have known for six months. On the afternoon of 11 Jul 43 at 1330 hrs I was going around the vehicle park looking for the H.U. Computator and couldn't find it, so I checked the guards who were on at that time. They had not seen any vehicle going out of the lines. I called out the guard for the previous night and Pte. Bohannon told me that Pte. Lingard knew something about the missing H.U.C. I located Pte. Lingard and he told me that Cpl. Moorehouse had told him to make out a work ticket for the H.U.C. in Pte. LeClaire's name as driver, which he did and gave to Cpl. Moorehouse.

LeClaire and Bartel of the Vehicle Section were missing, but I understood that these men would be reported on the Vehicle Section roll. At 0425 hrs 13 Jul 43, Pte. LeClaire reported in to me. I asked him, at that time, if he had reported to the guard, he replied "Yes", so I told him to go to bed in the hut and reported his presence to Sgt. Maj Evans at 0630 hrs 13 Jul 43. Pte. At the beginning of my tour of duty the M.U.C. was standing on the main road side of the Halt sign. About the time it started to rain I noticed that it was gone. About 1900 hrs Pte. On returning from HQ RCMP on 10 Jul 43 I parked the H.U.C. almost directly across the road from the Tpt Office on the west side of the road. I took the work ticket over to the Tpt Office but it was closed, so I returned it to the H.U.C. and put it in the Log Book. The Log Book was sitting on top of the motor cover. Then I came over to the Orderly Room and told L/Cpl. Holliday that I had returned with the H.U.C. and couldn't get the Station Wagon for which I had been sent.

K.15081 a/Cpl Moorehouse, F., 5 Cdn Armd Bde Workshop, sworn states:-

I was on 10 Jul 43 and still am a Cpl. of the Recovery section 5 Cdn Armd Bde Workshop. I am well acquainted with D.96104 Pte Leclaire whom I recognize here as the accused and whom I have known for 1 month. On 10 Jul 43 I did ask Pte. Lingard to find LeClaire, the purpose was to ask him why he hadn't left the keys of the O.C's Station Wagon in the Tpt Office. Pte Lingard did not find LeClaire and I ran into him myself. I told Pte. Lingard to make out a work ticket for the H.U.C. and to make it out for Thetford and it was laying on the Tpt Office desk. I then went out of the office and requested the Duty Driver to drive me up to the 6NBH lines. I then walked down the road and jumped into the H.U.C. which was waiting on the side of the road. I jumped into the back and therefore didn't see who was driving it as the front curtain was down. We then drove off to Thetford. From Thetford we returned to the main gates and turned around again and went straight then to London. I was asleep on the way to London.

I picked up the work ticket from the Tpt Office and drove the H.U.C. out of camp where I picked up Pte. Leclaire who got in the front and farther down I picked up Cpl. Moorehouse who got in the back. I drove the H.U.C. to Thetford where we had a few drinks and I drove the H.U.C. back. When we got back here, I decided to take it up to London. Pte. Leclaire and Cpl. Moorehouse were in the back. I believe Cpl. Moorehouse was asleep. I took it up to London and parked it, then everyone of us went our separate ways. I saw Leclaire once on Sunday and didn't see him again. I met Cpl. Moorehouse Tuesday afternoon and I was supposed to pick him up that night to return to camp. While I was waiting for him about 0130 hrs I was picked up by the civilian police. I was in the H.U.C.

No. E-4044 Pte. Rank. Pte. Name. Leclerc, A. J. Unit. # 2 C.I.H.U.

REPORT:-

Date April 28th.,1941.

Lived with parents until enlistment Sept. 5th.1939, in R.22e R. To England Dec.1939. Was a driver until March 1940, when he took civilian car while drunk. Was charged with theft of the vehicle. No family history of nervous or mental disease.
Later admits that an older brother was for five years in a mental Hospital "Following an accident".
Single, denies V.D. Has drunk a good deal for his age.
Has been nervous for at least 5 years, gets depressed and cries.

Examination:- Pulse 68. B.P.122/80. Routine Neurological examination shows no evidence of organic nervous disease. Finger nails are bitten. He is mildly depressed. There is no tremor, no tachycardia, no external sweating. He is obviously inferior mentally - has no appreciation of the present status of the war. No idea who is present Premier of Gt. Britain and thinks Tachereau is Premier of Canada.

President - Is the defence now ready to proceed with the case?

recovered after trial it is deducted from the charges. I have that authority from C.B.U. I can assure the Court that if certain articles are recovered they will be credited. The articles the man produces will be credited on his account by the Quartermaster.

The next day, 9 Oct 63 under escort Sgt Belhumeur, Lefebvre was found absent. He said he knew, nobody knows, he knew was noticed early on the morning of the parade but unfortunately the charge sheet should be written "

On the charge sheet being read, it has been clearly established that the accused had been visited by a Dr & a civilian who he could fulfill a lot of duties. But none was sick, he was not in sufficient condition not to render to take out of it.

The Court is satisfied that these documents refer to the accused, because (i) they purport to be signed in the manner required by AA 163(1) (g) (h), and (ii) they purport to refer to (a) soldier(s) having the same number, rank, name and corps as the accused. NOTES ON RECORDING PROCEEDINGS AND ON DEFENCE PROCEDURE.

(Referred to throughout CF A 96 as "Notes".)

1. RECORDING PROCEEDINGS: When no shorthand writer is employed the addresses of Prosecutor and Defending Offr (*RP* 95(*C*)), any objections (*RP* 95(*B*)), and any statements by accused, may be summarized and, the evidence, subject to RP 95(A) and 114(B), may be recorded in narrative form as follows:

First Witness for Prosecution.

A 12345 Cpl H. Jones, RWR, sworn, states:

I am a cpl of the pl to which Pte Smith belongs. The accsd in Court is Pte Smith. About 1400 hrs on 15 Jan 43 I ordered the accsd to go on parade. He refused and did not go on parade.

Cross-exam: He did not say he was sick. (*or*, None.)

Re-exam: None.

Exam by Court: He said—"I've had enough parades".

RP 83(B) complied with.

2. When a shorthand writer is employed, addresses, statements, evidence and objections need not, subject to RP 95(A), be taken by him verbatim. (*RP* 95 *fn* 1.) If the evidence is taken by him in narrative form, RP 83(B) should be complied with. If taken verbatim, RP 83(C) will be complied with.

3. The record of addresses, statements and evidence will be given a marginal number which corresponds with the number of the para in CF A 96, under which it is taken. Both sides of paper should be used.

4. DEFENCE PROCEDURE: RP 116 provides that for procedure on defence RP 40-42 will apply so far as practicable, having due regard to the public service. (*RP* 122.) If the Court consider such compliance not practicable, the following order of procedure (whether all items are used or not) is suggested as being fair to the accused:

(i) Opening address by Defending Offr. (*RP* 60(*C*), 87(*C*), 92(*C*) (*D*).)

(ii) At option of accused, statement by accused (*not sworn or subject to cross-exam by Prosecutor, Court or JA* (*RP* 40 *fn* 10)), or evidence by accused, as to facts or his character or both. (*See RP* 41 *fn* 3, 46 *fn* 1, 80.)

(iii) Evidence of witnesses for accused as to facts or his character or both. (*See RP* 46 *fn* 1.)

(iv) Evidence for prosecution in rebuttal or on new matter, if allowed by Court (*RP* 86(*B*)), or to prove previous convictions when accused has called witnesses as to character. (*RP* 86(*C*).)

(v) Closing address (*on matters other than in mitigation of punishment*) by Defending Offr or accused. (*See RP* 40 *fns* 8-12, 87(*C*), 92(*C*) (*D*).) But Defending Offr or accused will make his address after the Prosecutor, if there has been no statement by accused or any evidence given as to facts, or if accused alone has given evidence on oath as to facts, whether any evidence as to his character has been given or not. (*When accused charged jointly see RP* 61.)

(vi) Closing address by Prosecutor. (*See RP* 40 *fn* 7, 87(*C*), 92(*C*) (*D*). *Prosecutor has no right to address Court on subject of sentence except as provided by RP* 46(*E*), *KR Can* 563(*a*).)

Gov. Le Clerc joined the army three years ago, during this period he has committed a few minor offences but has done nothing to prove that he is not a good soldier and worthy of the uniform which he wears.

While ~~the troop~~ he was in action and doing something which was important he never once failed in his duty.

But while the Pvt was resting he became homesick for his wife, went out and had something to drink, became ~~reckless~~ reckless and hence A. W. L.

~~Pvt of this troop~~

Gov. Le Clerc is a definite asset to his troop and his loss to that troop would not be in the best interests of the troop.
