PREFACE.

The publishers, in presenting this their second edition of the City of Kingston and County of Frontenac Directory, desire to state that the object which they trust has been attained, is to provide a work as complete and accurate as compilations of this kind can be. Every house in the city has been visited by our agents and every exertion has been made to secure accurate information.

We intend to issue this work bi-ennially and request our patrons to see that all orders bear our name. We return our thanks to those who kindly aided us in our undertaking.

THE CITY OF KINGSTON.

The fifth City in Ontario in population, is situated at the head of the St. Lawrence River and the end of Lake Ontario. It is the principal port for lake navigation in Ontario, possessing the largest and finest harbour in the country. It is a station of the Grand Trunk Railway, and the head quarters of the Kingston and Pembroke Railway. The Public Buildings are very beautiful, the City Hall (the finest one in the Province) the Court House, Post Office, Custom House, Queen's University and College, the Churches and a number of business blocks and private residences. At the Western boundary is located the Kingston Penitentiary, and about a mile West of it the Kingston Asylum for the Insane; opposite the city is the Royal Canadian Military College, and Garden and Wolfe Islands. Kingston is a military as well as naval city. Here is stationed 'B' Battery, a local troop of cavalry, a battery and the 14th Princess of Wales' Own Rifles. The principal business streets are Princess, and parts of Wellington, Bagot, Clarence, Ontario, Brock, Market Square, Montreal, etc., all connected by the Kingston Street Railway. There are two Daily Papers published, *The British Whig* and the *Daily News*, both papers having weekly editions, and the *Canadian Freeman*. The city returns one member for the Dominion Parliament, Mr. Alex. Gunn, and one for the Local House, Mr. James H. Metcalfe. Kingston enjoys the proud position of being the soundest city financially, its merchants being considered the most prudent and safest men to deal with. The Limestone City, as it is sometimes called, is also the cleanest and healthiest city in Ontario, being built on the solid rock. A new Union Station is about to be built which will greatly add to the city's prosperity, and Kingston bids at no distant date to be one of the foremost cities of the Province. Kingston is distant from Toronto 161 miles, Montreal 172, Quebec 344, Ottawa 95, Hamilton 200, London (Ont.) 276, Detroit 386, St. John, N. B. 752, Halifax 828, and Liverpool 2,414 miles. Population 15,500; with suburbs of Portsmouth, Barriefield and Garden Island, 17,500.

COUNTY

—OF—

FRONTENAC.

This County is bounded on the North by Renfrew, on the South by the River St. Lawrence, on the East by Lanark and Leeds, on the West by united county of Lennox and Addington. It consists of the Townships of Barrie, Bedford, Clarendon & Miller, Hinchinbrooke, Howe Island, Kennebec, Kingston, Loughboro, Olden, Oso, Palmers-ton and North and South Canonto, Pittsburg, Portland, Storrington, Wolfe Island, and the incorporated Villages of Portsmouth and Garden Island.

The County of Frontenac was named after the founder of the first settlement in Upper Canada, Count de Frontenac, who built a fort on the banks of the Cataraqi here in July, 1673.

In 1674 De la Salle obtained from Louis XIV., King of France, the Fort and four leagues of land along the border of Lake Frontenac (Ontario), the two islands in front, and the interjaacent islands. On the 27th of August, 1758, Colonel Bradstreet took possession, and from that date commenced the British rule. In 1784 the U. E. Loyalists commenced to settle in this County. The first settler was Captain Grass, who took up land in Kingston Township. After the war of 1812 Sir John Johnson selected the shores of the Bay of Quinte and vicinity for discharged soldiers and others, who settled here in large numbers. The County includes every variety of land, and is rich in minerals. The back townships are now open for settle-ment, and, with the extension of the Kingston and Pembroke Railway, the County will, in the course of a few years, have a much larger population than at present. Number of acres, about 600,000; popu-lation, about 22,000.
