Windings' Storm, if he is entitled to any credit for such as it was, came along on Saturday evening. For several hours the wind was pretty high, reaching a velocity, about midnight, of fifty miles an hour. Very little snow fell, otherwise it would have been felt more severely. Beyond the loss of a few hats by some unfortunate pedestrians, and the grounding of several signboards, where heard from abroad, the storm did not come up to the Professor's expectations. It was the professor's expectations. It was the professor's expectations are considered as a pointed to that office to-day.

PARIS, March 10.

It is stated that Byrne has refused a subscription raised by Justin McCarthy, saying that he wished the money to be voted to the relief of misery in Ireland. The Procureur has informed Byrne that the charge of connection with the Phomis and the grounding of several signboards, we charge of complicity in the attempted and the professor's expectations. It was been preferred against him.

LONDON, March 10.

It is stated that Byrne has refused a subscription raised by Justin McCarthy, aged 5 months and seven days.

pe Traverse Branch Railway

RTH WILTSHIRB ROUTB ADVOCATED ditor of the Herald

ditor of the Herald:

a,—The Government have declared ation of proceeding with the confithe Cape Traverse Railway early ring. This announcement will be ith pleasure by the people of this id will dissipate the doubt which the minds of a great many electors rince, that the Cape Traverse Railapolitical ruse.

X important question is where Cape Traverse Branch connect Prince Edward Island Railway, sutes have been proposed and each vocates, but it is quite evident that annot be built to accommodate every the Island. As the road is principaded for the conveyance of mails angers, the shortest route between erne and the leading points of the suld be selected, and the line be so to accommodate the public generated the largest number of electors ovince. You will ask how this be effected. I will answer by the verse Branch connecting with the at North Wiltahirs. Any person at the map of the Island will see a the shortest and most direct route the Capes and Charlottetown and ipal points in Queen's and King's othat mails and passengers to and of these points by way of the Capes thair destinations much sconer.

Editor of the Herald:

In,—I notice in the last Summerside
1 extract from the Patriot, by a cort from Alberton. At first it apmeath my notice, but seeing in it
ring of a weak and narrow mind,
it a pity to let slip a man so devoid
n sense and decency as the author
well acquainted with the circumaftered to, and have known Mr.
to refuse two or three times to beandidate for the yacant seat; but,
d deal of persuasion, he consented,
in that Mr. Gavin should first be
and in the event of his not complyspt it if chosen.

Is means by "ability, natural or
I am at a loss to know. If it be
pen such nonsense as the piece roI consider him right, as Mr.
is too manly to make a personal
anyone.

Saya, "the French electors, as a
designedly almost entirely excludhe convention." In his he also
neelf not over particular about how
the truth, as any man turning to
ooks of May election will find they
full complement according to their
he Liberal Conservative cause.

Yours, &c.

Onse Who Knows.

Lines Accompanying a Shamrock. On the soil of our dear old land, Yet, fancy beholds now the starting tear Awakened at sight of this emblem dear, As you clasp it in your hand.

It will then have crossed the Atlantic main.
To a land where freedom dwells.

Still, still, it will speak to an Irish heart As an old, familiar friend, As an old, familiar friend, As it fondly bears in each leaf and spray The loving messages which to-day, From the hearts at home I send. Twas nursed in no hot-house or partern

But bloomed near the stream and there 'neath a changeful, Irish sky, As each Joyous wavelet hurried by Of its crystal waters draink. The friendly glow of an Irish sun

Ah! yes, 'tis a holy and hallowed thing-

This shamrock from our sod;
'Twas the symbol St. Patrick had used of old, That great, great mystery to unfold— Three Persons in one God. And why is it cuiled with such tenderness

No fragrance it imparts;
'Tis Erin's emblem! and this is why, Vith no brilliant hues to charm the eye, It is dear to Irish hearts.

### THE OLD BARON:

### THE CHAMPION OF VIRTUE.

They contended a long time with equal skill and courage; at length Sir Philip unhorsed his antagonist. The judges ordered the hand of Heaven; endeavor to make

Yes you have, in the person of my friend, and I am only the instrument of justice in the poor lady is yet alive.

Oswald, and John Wyatt was ordered to be poor lady is yet alive.

No, sir, she is not; but she died not the bearer of his letter. When the Lord

'It was,' said he, 'and heaven is just!'

Bear witness, all present, said Sir Philip, must have betrayed me. he confesses the fact!

'Take off your helmet,' said he; 'look on

that youth, he is the son of your injured

'Preserve his life, if it be possible,' said Sir Philip, 'for much depends upon it.' presented him to all the company.

wicked man, who now receives his punishment; his mother was, by his cruel treat 'and I will relate what you do not know.'

ment, compelled to leave her own house; she was delivered in the fields, and perished here. I saw you once at my uncle's house?'

and I will relate what you do not know.'

'You may remember,' proceeded he, 'that that passes between him and all that visit that passes between him and all that visit slipped a letter into his hand. The Father ment; his mother was, by his cruel treat- 'and I will relate what you do not know.' was cultivers at the seeking a shelter for her infant. I have sufficient proofs of everything I say, which I am ready to communicate to every the baneful passion of envy; it was from that root all my bad actions sprung.'

'I well remember it.'

'At that time my mind was disturbed by which I am ready to communicate to every the baneful passion of envy; it was from that root all my bad actions sprung.'

'You will oblige me highly,' said Sir Philip, 'and I shall go to rest with confidence in your care.'

'House of the Lords Graham and Chifford, to the Lord Fitz-Owen; and we bring letters of consequence to the Baron.' person who desires to know the particulars.

Heaven, by my hand, has chastised him; he

About an hour after, the wounded man intercept him on the way. He made so complained of thirst; he asked for the sur- much haste to return, that he was met with- ficant look; and the two lords endeavored con, and enquired if his life was in danger? in a mile of his own castle; he had out rode to reconcile him to his situation his servants, and was alone. They killed He interrupted them: The surgeon answered him doubtfully. He asked:

Where is Sir Philip Harclay?" 'In the castle.' the heir of Lovel?

No, not so, sir; but some caution

I do not wish for your death.' Then why did you seek it? I never inthen went on.

Yes you have, in the person of my friend,

'How can be be the heir of Lovel?" 'By being the son of that unfortunate 'from the same motives.'

The surgeon withdrew, and acquainted the too late. I took every precaution that pruse is a desirous that too late.

taken by justice. I am brought to a severe Yes, sir, you may; but not without reckoning here, and I dread to meet one Lord Clifford proposed to write to him.

Lord Lovel took a minute's repose, and Clifford retired to write, and Sir Philip to then went on.

I hope, by the hint you gave. Sir Philip,
Edmund desired leave to write to Father

that either he should alight, or suffer his enemy to reasonant; he chose the former, and a short combalt sensed. The perspiration ran off their bodies with the exercise. Sir Philip watched every motion of his meany, and strove to weary him out, intending the sense of the sense

Every one present expressed the highes or I will join in it, said Lord Clifford, tensions to Lovel castle.

I presume you will sit up with him to-night: saw three messengers, whose horses seemed 'In this young man,' said he, 'you see the true heir of the house of Lovel! Heaven has in its own way, made him the instrament to discover the death of his parents. His father was assassinated by order of that would want to discover the death of his parents. His father was assassinated by order of that would won the proper of the true heir of making attorement for all the mischief still any danger should arise, I desire to be saw three messengers, whose horses seemed ladd immediately; but, otherwise, I would suffer him to rest quietly, that he may be prepared for the business of the following day.'

I had a venue before the house when he saw three messengers, whose horses seemed ladd, and the riders fatigued, like men come a long journey. He came up, just as the first had delivered his message to the proper of the business of the following day.'

I had a venue before the house when he saw three messengers, whose horses seemed ladd, and the riders fatigued, like men come a long journey. He came up, just as a long journey. He came a long journey. He came up, just as a long journey. He came along journey. He came along journey. He came up, just as a long journey. He I shall obey your directions, sir; my mounted, and made signs that he had something to say to him; he retired back a

returned thanks to Heaven, that his noble friend and champion was crowned with victory. The lords and gentlemen gathered round them; they congratulated them both; will Lord Lovel's friends and followers were employed in taking care of him. Lord Clifford took Sir Philip's hand.

Ton have acted with so much honor and produces, that is is presumptions to offier you advice; but what mean you to to the bint, and beg your advice how to proceed.

The bords and gentlemen gathered in countered into conversation with a gentleman who soon began extilling the virtues and ability of Leon Say in most enthusiastic terms. Flattered by the day, praising the courage and gentleman who soon began extilling the virtues and ability of Leon Say in most enthusiastic terms. Flattered by the day, praising the courage and gentleman who soon began extilling the virtues and ability of Leon Say in most enthusiastic terms. Flattered by the stranger with his greatness, M. Say revealed being sahamed of him, and of their appearance in his behalf; and the few that stayed were induced by their desire of a further information of the base action he had company but when they reached Brussels were induced by their desire of a further information of the base action he had company in the proceed.

Law consult Lord Graham, replied he.

The us consult Lord Graham, replied he.

The next morning Sir Philip entered into conversation of the the company stayed to a late bour, commenting upon the action of the dour, commenting upon the action of the dour, commenting upon the action of the dour, commenting upon the action of the the courage and generosity of the mole knight, and wishing a good event of him. Love the think, and with a gentleman who soon began extilling the virtues and ability of Leon Say in most enthusiastic terms. Plattered by the output the transportance of the their appearance with his greatness, M. Say revealed being sahamed of him, and of their appearance in his behalf; and the few that stayed were induced by their desire of a further infor you for the hint, and bog your advice how to proceed."

Let us consult Lord Graham, replied he Lord Graham insisted upon their going all to his castle.

There, said he, 'you will have impartial stips assessed to rejoice at his success; I made a merit of resigning my presents at his success; I made a merit of resigning my presents at his success; I made a merit of resigning my presents at his suptials. I retired to my father's seat, and broade over my revenge in secret. My father died this year, and soon after my tenens.

Lord Graham protested he should be proud to do any service to so mable a gent tenan.

Lord Graham protested he should be proud to do any service to so mable a gent tenan.

Lord Clifford enforced his request, saying:

'It was better upon all accounts to keep their prisoner on this side of the borders till they saw what turn his health would take, and to keep him safely till he had a latted his worldly affairs.'

This recolution being taken, Lord Graham invited the wounded man and his friends to there soon after, under presence of visiting who coinfirmed his opinion.

The secolution being taken, Lord Graham invited the wounded man and his friends to there soon after, under presence of visiting who coinfirmed his opinion.

The secolution being taken, Lord Graham invited the wounded man and his friends to there soon after, under presence of visiting who coinfirmed his opinion.
